this is a nice moonlight night
and that is a delightful scene
for the weary Sentinel for
when he can see what is going
on around him he knows
he is safe i have walked
past a may a night dark
and stormy and i never was
disturbed yet i have done all
the duties of a soldiers and i
find some very hard and
some very easy but i like
a soldiers life very well indeed
to be a soldier you must be a
gentleman if you aint you
are not a soldier i like to
set in my tent at nights and
think of old times and listen
to the rain as it comes trickling
down the health of our camp
is very good considering
the weather
