## Mayor Plans Special Meeting Consider Report On Audit

Annual Audit Report To Be Reviewed Next Tuesday Night  
Special Session Of City Council; Deficit Spending  
\$171,145.11 Reported By Auditors During Past Year

Mayor Frank M. Durnall has called for a special meeting of the City Council to be held next Tuesday at 7:30 p.m. in the City Building to consider the report on the annual audit of the city.

The council decision on the annual municipal budget presented by City Manager J. J. Salvoara for the current year has been pending receipt of the report.

The comparative statement of revenues and expenditures for the years 1957 and 1958 reported by the audit, showed a deficit of \$163,027.38 for the year ending March 31, 1958, with the total deficit for the year amounting to \$1,117.59 balance at the end of 1957.

The report also showed that the city's revenues for the past year increased by \$233,599.69 over expenditures.

## Record 68 Alarms For Local Firemen Reported in March

All But 5 Result From  
Brush Burning; Seven  
Reported Last Thursday

An all-time—but definitely undesired—high record of 68 fires attended by Aetna Fire and Ladder Company volunteer firemen in any one month, has been reported for March, 1959—and all but five of the 68 were field fires.

Newark's Aetnamen received seven fire alarms last Thursday—all for field fires—and three of these within 15 minutes.

A total of 134 fires for the year was reported last Tuesday, with one truck and nine men led by Deputy Chief Olan Thomas responding to a grass fire beside the Pennsylvania Railroad near the Chrysler plant at 11:55 a.m.

Monday gave the over-worked volunteer firemen some much-needed respite. Thanks to the heavy rainfall, no fires broke out.

On Sunday at 2:23 p.m., Olan Thomas led 21 men with one engine in extinguishing a field fire off Rutter Lane where children had been playing with matches. Two acres of grass were burned.

The burning of trash set fire to a field off Iron Hill Road at 4:25 p.m. Saturday—a blaze controlled by Thomas and 24 men with one truck.

Chief Clifford Knotts led a total of 45 men in extinguishing three field fires last Friday—in the New London Avenue, Otis Chapel Road, and Polly Drummond Hill areas.

The most serious fire during the past month occurred near Glasgow on March 20 when 50 acres of burning grass destroyed a barn, corn crib, and garage.

The following staff members were elected: Walter W. Wilson, Vice-Commander; George Dougherty, Junior Vice-Commander; Henry Anderson; Quartermaster Robert McCormick; Chaplain John Fisher; Judge Advocate Bradley Vernon; Surgeon Woodrow Beck; and trustee for three years, Charles Mulholland, retiring commander.

Ollie Field, Jack Graham and Nolan Jester were elected members of the home committee.

The Chrysler Corporation will receive an order within 60 days for 180 new M-60 tanks at the government-owned ordnance plant in Newark, the Army announced this week.

A unique feature of the new tank will be its British-made 105 mm gun, said by the Army to be capable of "defeating all armored vehicles known to exist."

A special meeting of the Central Elementary School PTA will be held in the Art Room of the Central School next Wednesday at 7 p.m., to be followed by the regular monthly PTA group meeting at 8 o'clock.

The Boy Scout Council Plans "Showando" Adult Event

Dr. Walter A. Dew is general chairman for the Del-Mar-Va Boy Scout Council Showando to be held Saturday, April 25.

The Showando is a day of Boy Scout activity for adults from each Scout unit in the area.

Registration will begin at 10 a.m. and each man is to bring his own "nose bag" lunch. Coffee for the lunch, and food for the cook-out supper will be provided by the Showando committee.

Some 500 youngsters participated in the first Easter egg hunt conducted by the Newark Recreation Association last Saturday and 2,300 candy eggs were found by the small fry who withstood the chilly weather better than the large throng of adults in attendance.

Melissa Powell, 171 Brookside Boulevard, won a large Easter Bunny for finding the largest number—43 candy eggs. Other prize-winners in the pre-school hunt at West Park Place School were Michael Harvey, 2037 Ogletown Road, a large Easter Bunny for finding the golden egg; Jeff Viller, 403 Radcliffe Drive, and Joyce Howery, 347 Delaware Circle, medium Easter baskets; Penelope Shropshire, 39 Lovett Road, and Beverly Collins, 17 Davies Road, small Easter baskets.

Barry Kay, assistant NRA director, led the first Easter egg hunt "a huge success." "Special tribute should be given to the youngsters for the very fine way they conducted themselves throughout the entire Easter egg hunt," Kay said.

The Newark Recreation Association was assisted by St. Michael's Council, Knights of Columbus, and the Kappa Phi Tri-Hi-Y girls club.

## Well Done, Bill Mote!

Newark Police Chief William H. Cunningham presents Patrolman William F. Mote with an engraved, gold wrist watch as a farewell gift from his associates in the Newark police department, at special ceremonies conducted in the police station last week.

A Newark policeman since 1945, Patrolman Mote retired yesterday at the age of 65. His duties are being assumed by members of the police force, in rotation, beginning yesterday with Patrolman Anthony Moretti walking Bill Mote's beat.

## Councilman, Neighbor Back Into Accident

Newark City Councilman Vernon Steele, 127 Tyre Avenue, and neighbor Harry Jones—on the opposite side of the street at 126 Tyre Avenue—met unexpectedly last Friday at 3:30 p.m. when their automobiles collided as each was backing out of his respective driveway.

Steele's damages were estimated at \$25-Jones at \$105.

"East is East and West is West" but this twin did meet, back to back, while backing in opposite directions.

The following week lies ahead for the 49 finalists for the \$5,000 top scholarship from an original enrollment of 349,150 senior girls in 12,260 of the nation's schools.

A get acquainted luncheon is scheduled at Hotel Statler in Washington this Sunday, to be followed by a tour of Washington's historic sites.

The girls and their advisors will leave by bus for Williamsburg, Va., on Monday, to tour the restored village of America's first homesteaders.

The party leaves by train from Richmond on Tuesday night for New York. Sight seeing tours of Manhattan, a trip to the Statue of Liberty, and dinner at the Waldorf Astoria are on Wednesday's schedule with a tour of the United Nations building slated Thursday morning.

The girls will fly to Minneapolis this afternoon.

Sight seeing in Minneapolis and a visit to the new Betty Crocker kitchens of General Mills are on the docket for Friday morning with the American Table dinner the big climax Friday evening.

The girls will depart for home on Saturday, April 11, each with at least a \$1,500 scholarship from General Mills.

## 1959 Miss Newark Contest Scheduled For This Saturday

Seven young ladies will vie for the title "Miss Newark-1959" this Saturday at 8 p.m. in the new Newark High School auditorium. The title will carry with it a \$250 scholarship and a chance to compete in the Miss Delaware contest in Wilmington next month.

The third annual Miss Newark contest is sponsored by the Newark Jaycees to give some young lady an opportunity through good character, poise, personality, intelligence, charm and beauty, to represent Newark as a "typical American girl."

Kenneth D. Snyder, of Wilmington, last year's master of ceremonies, will again describe the pageant. Snyder is associated with WRCV-TV in Philadelphia.

Mayor Frank Durnall will present Miss Newark with her winner's trophy and Miss Nancy Newsome—Miss Newark of 1958—will crown her successor.

Harold Wooten, Jr., president of the Newark Jaycees, reports this year's Pageant "should be the best ever." Tickets are available through any Jaycee or at the door.

## Mary Nowland Crowned Queen At Military Ball

Mary Carney Nowland, Media, Pa., and a senior English major at the University of Delaware, was crowned queen of the annual Military Ball last Friday. She was chosen over 12 other contestants by those attending the dance.

## State Homemaker Champions To Vie For National Title

Newark's Nancy Weinberg To Visit Washington This Saturday For Final Tests

Delaware's Betty Crocker Homemaker of Tomorrow—Nancy Weinberg of Newark High School—will meet with the nation's state winners in the General Mills homemaker project this Saturday, in Washington, D. C. for the official start of a week-long educational tour that will reach a climax on Friday, April 10 in Minneapolis, when the All-American Homemaker of Tomorrow will be selected from the group.

A thrilling week lies ahead for the 49 finalists for the \$5,000 top scholarship from an original enrollment of 349,150 senior girls in 12,260 of the nation's schools.

A get acquainted luncheon is scheduled at Hotel Statler in Washington this Sunday, to be followed by a tour of Washington's historic sites.

## Bob Richards Elected Explorer Post President

Officers for Explorer Post 253 were elected last week with Bob Richards as president; Charles Schultheis, vice-president; Ken Vesper, secretary; Jerry Hughes, treasurer; Dick Lynes, quartermaster; and Lou Richardson, cabinet representative.

Explorers of Post 255 are conducting a soap sale during the month of April, "to better our financial position," Charlie Schultheis reports, "which is terrible." Orders may be placed with Robert W. Richards or with Charles.

## Two From U. of D. To Sail In Caribbean With New Smithsonian-Bredin Expedition

Remote islands in the Caribbean's Lesser Antilles will be the target of a scientific expedition just getting underway in which three Delawareans—two of them staff members at the University of Delaware—have a prominent part.

J. Bruce Bredin, honorary fellow of the Smithsonian Institution; Dr. Richard Darsie, Jr., associate professor of entomology in the University of Delaware school of agriculture; and William H. Amos, chairman of the science department at St. Andrew's School, are members of the Smithsonian-Bredin Caribbean Expedition for 1959.

Mr. and Mrs. Bredin are sponsoring the expedition, led by Dr. Waldo L. Schmitt, retiring curator of zoology at the Smithsonian Institution, Washington.

The expedition staff will collect biological specimens and add to the store of knowledge of the natural history and species of the Lesser Antilles.

Mr. and Mrs. Bredin sponsored the 1958 Smithsonian-Bredin Caribbean expedition; the 1957 expedition to the Society Islands, and in 1955, supported the Smithsonian expedition to the Belgian Congo.

Dr. Darsie will collect insects and other arthropods.

Mr. Amos will investigate the relationships between certain reef animals, and will record specimens photographically and write the official transcript of the expedition.

The expedition will last approximately six weeks.

## Live Wire Danger Cited By Officials In Public Warning

Passer-By Kicks Wire,  
Escapes Death Despite  
4,160 Volts With Rain

A passer-by recently, mysteriously and happily escaped sudden death in kicking a fallen, live wire out of his path in the rain at the corner of Amstel Avenue and Elkton Road, and city officials issued a public warning this week, for all persons to leave such wires alone and to immediately report the condition to the Newark police.

"That wire carried a very hot load of 4,160 volts," Electrical Foreman Ted Murphy said in a special press conference with City Manager J. J. Salvoara and City Electrical Engineer Robert Bolling, "and why the man wasn't electrocuted on the spot will remain a mystery."

To prevent any such dangerous incidents in the future—and inexperienced persons handling live wires are seldom so fortunate—the city's electrical experts urge "hands off" in all cases of fallen or out-of-place electric wiring pending professional correction of the condition.

Call the police to safeguard the area, and to alert the city electrical crew!

Concerning comments received from observers of the city electrical department men in or out of action during working hours, Salvoara stressed the necessity for safety first in the hazardous handling of electric wiring.

A trained squad, including an electrical foreman; first, and second class linemen, and skilled ground aides provide a necessary safety team. While the linemen on the pole may appear to be the only one of the crew working, the presence and perhaps undetected efforts of other crew members are essential for safe completion of the work, Salvoara said.

Each man is carefully trained and provided with tested safety equipment. The special insulated gloves are tested daily, and periodically sent to a New York laboratory where they are subjected to 10,000 volts, Murphy added.

## Bob Humold Opens New Color Center In Brookside Area

The Color Center, a store specializing in the retail sale of paint and wallpaper, was opened yesterday by proprietor Robert L. Humold, former Newark resident, at the Brookside Shopping Center.

An opening party "sell-abration" will be featured through Saturday, April 11, with gifts of potted plants, balloons, airplanes, and a free grand prize drawing, free 4-ft. ladder is offered with special paint purchases.

Bob Humold, an Army infantryman from 1942-45 with ETO battle service medals in Elkhart with his wife and six children. He formerly lived in the Blinn development, Newark, and graduated from St. Petersburg High School, Fla., where he was a star athlete.

Associated with the paint industry since 1939, he was paint supervisor at the Bainbridge Naval Hospital, and for the past year has been employed with the Murphy Paint Corp., Baltimore.

The Color Center features a paint and wallpaper "bar" complete with stools where visitors may inspect wallpaper patterns and paint colors, and on the "bar" is a special grand prize drawing which can provide 1,039 different shades of paint.

The Color Center includes a 16x70 ft. floor area, show window, paint bar, antelope color walls—"light tan." Bob Humold hastily explained—overhead fluorescent lighting, and asphalt tile flooring.

## Occupants Escape Serious Injuries In Head-On Crash

The occupants of all three vehicles escaped serious injury last Saturday at 4:40 p.m., when the car driven by a 17-year-old Wilmington boy struck the rear of an automobile also proceeding east on Capitol Trail near Poplar Avenue—skidding 180-ft. across the dividing line of the highway—and crashed head-on into the west-bound car driven by Lawson Trantham, 24, of Newark.

Newark police investigating the accident, report that the Wilmington youth was driving at an excessive speed in a 35 mph zone, and that Trantham "attempted to avoid a head-on collision with negative results."

Damages to the first eastbound vehicle were estimated at \$20; \$1,500 to the speeding car; and \$1,000 to the Trantham car.

## League of Women Voters Aids City Poll With Questionnaire

City Council Candidates For April 14 Election Reply To League Request For Biographies, Opinions On Most Crucial Municipal Problem To Aid Decision Of Voters

Biographical information, and opinions on the "most crucial problem facing the city" have been obtained from five of the six candidates for the three City Council seats to be decided in the municipal election on Tuesday, April 14, as the result of a questionnaire prepared and distributed by the Newark League of Women Voters. Information requested by the League for the guidance of Newark voters in the April 14 election was provided by Councilman William M. Coverdale and Dr. Wallace M. Johnson, opponents for the eastern district post; Mrs. Louise Talucci Brothers and Samuel L. Diehl, Jr., contestants for the middle district seat; and by Mrs. Betty M. McClendon, western district candidate. The League has been unable to contact William B. Swann, candidate for the western district council office, who is out of town.

Last Monday's withdrawal of F. Perry Foster as a council candidate has resulted in a two-way contest in the western district.

The League's voters service committee, with Mrs. Clyde Richards, chairman, has invited all council candidates to attend a public meeting to be held next Thursday at 8 a.m. in the Central Elementary School gym, for a panel discussion on housing, parks, and municipal voting district revisions, and to answer questions from the audience. Albert H. Dunn, professor of economics and business administration at the university, will be the moderator.

Each council candidate is requested to speak for three minutes on what may be considered the city's most critical problems.

The information concerning council candidates as provided by the Newark League of Women Voters with their questionnaires follows. Candidates in the eastern district: William M. Coverdale

A lifelong resident of Newark, William M. Coverdale, 45, resides at 309 Delaware Circle. The father of three children, he was educated in the Newark public schools and at Beacom Business College, Wilmington; is a 15-year Civil Service employee at the Veterans Hospital, Wilmington; president of Local 1139, National Federation of Federal Employees; and a Navy veteran, he served during World War II with the 7th Fleet in the Pacific.

Currently concluding a two-year term as councilman for the eastern district, Coverdale has represented the eastern district as a member of council for eight years, beginning in 1950.

"I am shocked by the apathy of many over the disastrous financial condition and lack of controls in city spending," Councilman Coverdale commented on the crucial problem question.

Former mayor of Newark for three terms of two years each, Dr. Wallace M. Johnson, 61, is a physician; a resident of Elmwood, he has lived in Newark for 35 years, and lives at 267 East Main Street. He has one son.

A graduate of Uniontown (Pa.) High School, the University of Michigan and the University of Michigan medical school, Dr. Johnson has been a member of the Delaware Board of Medical Examiners for 25 years, a member of the State Medical Council for 20 years, and served as councilman for the eastern district.

He considers Newark's financial problem to be the most crucial problem facing the city.

Council candidates in the middle district: Louise T. Brothers

Seeking council office for the first time, Mrs. Louise Talucci Brothers, 37, has been a resident of Newark for 36 years, is the mother of four children, and resides at 85 East Park Place.

A graduate of Newark High School, Mrs. Brothers attended Goldwyn-Becom Business College; was employed as a secretary and bookkeeper, and is engaged now as a housewife and part-time secretary. A member of the Newark PTA executive council, she has served as registrar in municipal elections.

Mrs. Brothers is particularly concerned over the city's financial problem, urging "adequate records, equitable taxation; and a clear, concise, workable budget, with close check on expenditures to receive full value for our tax dollars."

Former city councilman with four terms under three administrations, Samuel L. Diehl, Jr., 53, has resided in Newark for 21 years, has one daughter, and lives at 214 Kells Avenue.

A public high school graduate, he attended technical schools for watchmaking techniques; is manager of Minister's store in Newark; and is a member of St. Paul's Lutheran Church; the Newark Chamber of Commerce, Delaware Consistory, Eastern Star, Aetna Fire Company and Knights of Pythias.

"Financial troubles seem to be the main concern at the moment," Diehl replied to the League of Women Voters query.

## Newark to Open 14-Game Card With Colonials On April 14th

Coach Joe Talarowski To Begin Second Season As Head Baseball Coach At Newark After 6-4 Debut; Former Yellowjacket Outfielder Herm Hubbard With Milwaukee

Coach Joe Talarowski's Newark High School Yellowjackets will inaugurate a 14-game baseball season on Tuesday, April 14, in a Blue Hen Conference contest with Coach Billy Cole's Colonials from New Castle on the Newark High School diamond.

Talarowski, former University of Delaware star—and still a Sunday ballplayer—will begin his second season as head baseball coach for the Yellowjackets.

Last year, on April 9, Joe's debut as Newark High School head coach was pleasantly marked by the Yellowjackets' 6-2 win over Elkton High School, as Newark's Billy Polari fired his first ball for 12 strikeouts in the opener.

**Missing Stars**  
The Yellowjackets will miss the services of graduated Catcher Barney Field, who hit a homer in last season's Elkton starter; and Talarowski's nine will be weakened without big Herman Hubbard in center field. Hubbard is playing professional baseball with the Milwaukee Braves.

Last year, the Yellowjackets compiled a winning record of 6-4.

### Little League Registration To Close This Saturday

Final American Little League tryouts and registration will be conducted this Saturday on the new VFW field off Barksdale Road, President Nat Morse announced yesterday.

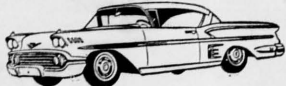

"This extra tryout and registration is offered because of the bad weather on previous Saturdays, and because of the great amount of recent sickness," Mr. Morse said. Little Leaguers are urged to bring their birth certificates for registration which will not be accepted after noon this Saturday.

## Bryan Field Heads "Night At Races" Benefit Program

Bryan Field, vice-president and general manager of the Delaware Steeplechase and Race Association, will officiate for the "Night at the Races" dance sponsored by the Brookside Activities Council in the Mill Creek Fire House on Saturday, April 18.

Field began as a youthful broadcaster when New York Governor Franklin D. Roosevelt visited Saratoga. Hired to fill a few of the 30 minutes allotted for the occasion, Bryan Field found himself ad-libbing for the entire time when friction of the swinging door cut the cable and the Governor was kept off the air. He was offered a job to finish the season, thus beginning the career of a broadcaster and telecaster which has been going on ever since.

Among his "firsts" are his feat of being the first person to call all of the horses in a race on the loudspeaker; and the first person to telecast the Kentucky Derby. As guest announcer for the "Skee Whee" and "Sheetstakes" races, Mr. Field will call such thoroughbreds as Bluetoot, Twinkletons, Stumblebum, Oops, and Plover Jackey.

Other track officials will include Starter Abe Kutner; Announcer Russ Kravetz; Judges Bill Waggoner, Bob Gibson, and Kenneth Ewan; and track stewards Chuck Bailey and Bill Moran.

Fun and surprises have been planned by Mr. and Mrs. Jack Dunn, co-chairmen of the dance, but Dunn also reminds everyone of the three-fold purpose of the event: (1) To initiate a major spring dance for the adult enjoyment of the community of Brookside; (2) to provide an event of magnitude as a medium of presenting the "Brookside of the Year" to the community; and (3) to further the dedicated purpose of the Brookside Activities Council of promoting and improving youth activities in the community through funds derived from adult activities.

## Joe McGlinchey Captains Navy Nine At 2nd Base

Joe McGlinchey, captain of the Navy baseball team at Annapolis in this, his senior year, is the son of Mr. and Mrs. Joseph H. McGlinchey, 808 Lehigh Road, in Newark.  
As a junior with the Navy nine last year, Joe McGlinchey batted a big .398. Joe plays a lot of second base for the Navy.

## Babe Ruth League Expands With Six Teams To Compete

Six teams will compete in the Newark Babe Ruth League this season with the Newark Optimist Club and the local Veterans of Foreign Wars sponsoring the newcomers joining the roster with the Newark Lumber, Bank of Delaware, Curtis Paper, and Continental-Diamond veterans.

Some 50 new players between the ages of 13 and 15 will be selected, and registrations from 14-15-year-olds will be accepted at the Newark Armory Saturday, beginning at 9 a.m. Tryouts will be conducted until 11:30 a.m. at the Newark Junior High School field.

Registrations from 13-year-olds will be accepted at the Armory at 11 a.m. on April 4, with tryouts scheduled at the junior high field from 1 to 2:30 p.m. the same day. Ken Fell urges fathers of boys trying out for the Babe Ruth League to "come out and help make the league a success."

They resemble in speed and sequined silver, but the ladyfish is a far more handsome specimen with the strong jaw and fighting mouth of a fish enter instead of the underslung, weak-chinned head end of a sucker. A ladyfish is almost as much at home in the stratosphere as in the water, while a bonefish is strictly a swimmer—but what a swimmer! Both move like bolts of lightning, and when in contact with the angler, the result is just as shocking, but ordinarily less damaging.

"I never had such fishing," Paul Musselman said, somewhat breathless again in the telling.  
"They're too bony for most people to eat," the dentist said, "but I didn't find that out until later."

While Dr. Musselman was engaged in his roundelay with the sky-rocked, line-sizzling ladyfish, the general uproar and aerial acrobatics attracted the attention of some distant sportsmen who came over in their boat to investigate.

"Oh, those these gentlemen scoff in disdain as the proud doctor held up an armful of shimmering silver-satin ladyfish for inspection.  
"They're no good," they said, and gunning the motor, left Paul Musselman musing and somewhat crestfallen in their wake.

Thirty years ago out of Safety Harbor in Tampa Bay with veteran Virginian and adopted Floridian sportsman Sam Tuggle, we experienced much of the same thing with our first ladyfish.

Told that they were "trash" we kept a couple, anyway, and took 'em home for a trial run on the menu. They were bony, all right, but tasty, too—and with lots less bones than a shad.

But with Florida's salt water flats, passes, the Gulf, and the Atlantic alive with Spanish mackerel, bluefish, spotted trout and a host of other tasty specimens less endowed with skeletal complications, there's little point to battling bones in a ladyfish entree.

But "no good" and "trash fish" are hardly terms to describe this prince—or princess—of game fish. They should be tenderly restored to the water to fight again, another day.

## Second Place Owls Top Loop-Leading Bandits By 51-36

The Owls defeated the Intermediate league-leading Bandits at the Armory last Monday, 51-36, as the second place Owls proved they are all set for a showdown with the leaders at tournament time.

Lester Money dominated the boards and threw in 18 points, while Bob Brown and Joe Studier contributed to the victory with 15 and 12 points.

The leaders were off on their shooting, although John Link was high scorer with 19 points. Guy Johnson and Jack McCloud had six each.

The Monsters assured themselves of a playoff berth with a 32-26 overtime win over the never-say-die Falcons. The score was 24-all at the end of regular play, and in overtime, the Monsters shot four quick baskets to edge the Falcons.

"Masher" Machulski was high scorer with eight baskets and four fouls for 20 points, and Bob Schultz chipped in with six. Guy Cage paced the Falcons with 13.

In the lone Intermediate League game played on March 26, a vastly improved St. Nick's downed the Aardvarks 34-30. David "Ball Hawk" Coursey was all over the court once again with his rebounding and all-around play, leading his team in scoring with 12 points, closely followed by Ed Thompson with 11.

Next Monday at the Newark Armory, the Bandits meet the Aardvarks at 7; it's the Panthers vs. St. Nick's at 8; and the Newark Hi-Y vs. Falcons at 9 p.m.

## Hens To Close Southern Tour Saturday At Randolph-Macon

Fightin' Blue Hens Wallop Newport News Nine, 9-0, In Saturday Opener; Neiger, Walch, Broadbent Face To 5 Hits; Tie In 13-Inning East Carolina Tie

Coach Harold Raymond's Fightin' Blue Hens hammered and hampered their opponents of the Newport News, Va., last Saturday with a 9-0 victory in the annual southern trip, 25-1, as a Delaware pitching trio of Al Neiger, Vern Walch, and Dick Broadbent shackled the southern slugs to five safeties.

Neiger gave up one hit, a single, walked two and fanned five. Newport got two hits and its lone run in the sixth off Walch, who fanned six and issued four bases on balls.

Shortstop Karl Frantz paced the Delaware attack with three hits, while Second Baseman Jack Turner drove in four runs with a pair of hits.

The lone homer in the game was belted by Capt. Dick Duerr, Blue Hens' centerfielder. Outfielder Merritt White and Curt Combs hit two baggers.

Moving on to Greenville, the Hens

were rained out of their Matamoras contest with East Carolina College but on Tuesday, clashed with Carolinians in a 1-1 contest after 13-innings because of darkness.

Lefty Al Neiger went all the way for the Hens, giving up eight hits, scattered singles. Neiger fanned batters and issued four bases on balls.

After meeting the Marines at Camp Lejeune on April 1, the Hens today and Hampden-Sydney tomorrow, the Blue Hens leave their tour after a game with Randolph-Macon this Saturday.

# Delaware Food Market Report

By Anne Holberton

U. of D. Agricultural Extension Service

April showers not only bring May flowers but hungry people to the market as well. Capitalize on the spring-time hunger pang with the variety of pork now on the market. The continued bountiful supplies of the pork department for April by the U. of D. Department of Agriculture, provides lots of delicious menu possibilities. Pork heads the list of best buys for April.

This week look for specials on ham, spareribs and roasts. A host of other "solid foods" round out April's plentiful foods list. Canned peas remain abundant. For vegetables, look for cabbage, celery and potatoes. Also plentiful are peanuts and peanut products, almonds, lard and dairy products. Eggs are in abundant supply. Remember to shop for the plentiful Easter candy.

Continued rain in Florida has hampered the harvesting of many vegetables that come to the market this time of year. However, the increasing shipments arriving from other sections of the country have helped keep prices down. This week look for green vegetables to be abundant, so put them on your shopping list. Escarole, endive, spinach, chard, kale, collard and lettuce, cucumbers, carrots, broccoli, beans and tomatoes are also plentiful—and prices are reasonable. Increased supplies of apples from controlled-atmosphere storage are available.

Dr. Symonds To Address 1st Presbyterian Group

The Rev. Francis C. Symonds, secretary in the department of promotion, Board of National Missions of the United Presbyterian Church, U.S.A. will be the guest speaker this Sunday at 9:30 and at 11 a.m. at the First Presbyterian Church.

about these apples—they taste like fresh, not "cold storage" ones. Pineapple supplies are rolling in. Twenty to 25 cents will buy an excellent quality fresh pineapple this weekend. Bananas continue to be a good buy at 10 cents a pound, and quality remains high. Citrus fruit still offers a lot for your money. Don't forget to check the frozen foods when shopping. Stocks of frozen peaches are up 37 per cent from a year ago, and frozen strawberries holdings are about equal to that of last year. Both fruits are feature items in many stores this week.

## Maggie Morrison Funeral Services Held on Saturday

Funeral services for Mrs. Maggie Morrison, 87, who died March 25 at her home in Ogletown, were held Saturday at 2 p.m. in the R. T. Jones Funeral Home, with the Rev. Donald Crosby of Christiana Presbyterian Church officiating. Interment was in Christiana Presbyterian Cemetery.

Born at Stanton, Mrs. Morrison was a lifelong resident of that section. Birchwood Park development is built on the farmland formerly owned by the Morrises. Her husband, Franklin W. Morrison, Sr., died three years ago.

Mrs. Morrison and her sister-in-law, Miss Amanda Morrison, made their home together. She was a member of Christiana Presbyterian Church.

Surviving are three sons, William G. Stanton Road; Frank W. and Harry R. Morrison, Ogletown; 10 grandchildren, and 10 great-grandchildren.

## Former Resident Viola Denney, 75 Dies On Tuesday

Funeral services for Mrs. Viola M. Denney, 75, former Newark resident and widow of Clarence T. Denney, will be held at 1 p.m. Friday at the McCrery Funeral Home, Wilmington, with interment at Head of Christiana Cemetery. Friends may call at the funeral home after 7 o'clock tonight.

Mrs. Denney died Tuesday at her home, 410 West Ninth Street in Wilmington. She had been ill several years.

Born at Kirkwood, she lived in Delaware all her life and was a member of the James A. Garfield Council No. 1, Daughters of America, and the Patriotic Order of Americans Camp No. 4.

She is survived by three sons, Buford F., at home, and Clifford E., Sr., and David C. Denney, both of Wilmington; eight grandchildren and four great-grandchildren.

## Maybe To Speak At Hospital Group Meeting, April 7

Harold Maybee, executive director for the Delaware Blue Cross-Blue Shield plan, will speak on the proposed state-wide medical survey at a public meeting in the Newark Central Elementary School gymnasium next Tuesday at 8 p.m.

Delaware Blue Cross recently endorsed the survey to be conducted by Community Research Associates. The Newark Hospital Committee also recommends support of the survey, in seeking a hospital in the Newark area "which will not be competitive with existing hospitals in and around New Castle County."

A second part of the April 7 meeting sponsored by the Newark Hospital Committee will be devoted to discussion of committee work necessary for a Greater Newark hospital in the near future.

## Council Candidates

(Continued from Page 1)  
Betty M. McClendon  
Past president of the League of Women Voters, Betty M. McClendon recently resigned to seek the council seat in the western district, her first bid for public office.

A resident of Newark for six years, Mrs. McClendon, 25, is the mother of three children; graduated from high school in Ft. Worth, Tex.; has been employed as a stenographer with the U. S. War Department in Japan, and as CAA communications officer and Weather Bureau observer for three years during the war.

"The need for more and effective planning for the growth and development of our city," Mrs. McClendon cited as the most crucial municipal problem.
