Leading the Way to Victory Over TB.

At a recent party in Pittsburgh, Zino Francescatti, violin virtuoso, became the center in a case of mistaken identity. After being introduced to a lady, he was asked if he had the original manuscript of the Star Spangled Banner. The violinist could utter only an amazed, "What?" "Aren't you a descendant of Francis Scott Key?" the lady persisted. "No, no, I am Francescatti," he answered and, in repeating his own name, Francescatti became aware that it all sounded alike—francescatti and francescottikey. He was very much pleased at the discovery. It made him feel American and that's how he likes to feel.

Francescatti is soloist with many orchestras during the current season in addition to a large recital tour. He will appear with the Chicago, Cincinnati, and New York orchestras for the third successive season, the Rochester Philharmonic for the second year and for the first time with the Tri-City Symphony of Davenport, the Dallas Symphony, the Cleveland and Toledo Symphonies, the Southern Symphony of Columbus, S. C., and the San Francisco Symphony.

A recent addition to the roster of the Metropolitan Opera is tenor John Dudley. He is a native of Australia and a former star of the D'Oyly Carte Opera Company. Word from Suffolk, Virginia, witness of the first concert of his first American tour, indicates young John shows promise. The local press declared Mr. Dudley possesses a clear, vivid tenor voice and a flair for acting that aids immeasurably in putting a song over. In short, his concert was acclaimed as one of the finest ever given in Suffolk.

Grace Moore will do her first "Tosca" for the Metropolitan on December 18th, with Charles Kullman as Mario and Lawrence Tibbett as Scarpia. Last month she sang "Tosca" to a capacity crowd in St. Louis, winning praise from audience and critics alike.

Just before Halloween a lady walked into a record shop and asked the clerk if he had a record with which to scare children. "You know, something to use at a Halloween party." Before the astounded clerk could reply, she hissed, "shush! What's that?" A record was being played in another part of the store. The clerk replied, "That's Yo-ho-to-ho from 'Die Walkure', sung by one of our better artists." Triumphant his customer explained, "That's it, that's just what I'm looking for! I'll take it!"

Newark, Delaware, Thursday, November 13, 1941

Proclamation

WHEREAS conditions in the world today have necessitated an unprecedented peacetime extension of our Army, Navy, Marine Corps, Coast Guard; and

WHEREAS our national civilian defense program necessitates a strengthening of all those services essential to the public health and welfare; and

WHEREAS no section of the United States is free from the threat of natural catastrophe or disaster, such as flood, hurricane, tornado, drought, earthquake, fire, explosion, epidemic; and

WHEREAS the international situation still continues to cause intense distress among innocent victims, making essential American aid to suffering humanity abroad; and

WHEREAS the American Red Cross is the only organization in our land equipped and ready, first, to assist, advise and otherwise serve the men of our armed forces and their loved ones at home; second, to carry on in our own and every other community such indispensable welfare programs as Red Cross Public Health Nursing, instruction in Home Nursing, First Aid, Water Safety and all kinds of Accident Prevention, and through the Junior Red Cross in the schools, to act as the medium for service by our young people; third, to render protection and relief in case of the aforementioned disasters, and fourth to undertake the administration of American aid to stricken non-combatants and refugees abroad;

THEREFORE, I, Frank Collins, Mayor of Newark, proclaim the period of the 1941 American Red Cross Annual Roll Call, from November 11 to November 30, a time during which the public-spirited people of this community, both men and women, boys and girls, should make every effort to support and strengthen the Red Cross by enrolling through our local chapter as members of the Red Cross, or by renewing their memberships in it; and I further proclaim that it is the sense of all of us who are residents of Newark that our membership enrollment in the Red Cross must be larger than ever this year, in order to enable this great national organization of ours to meet whatever demands may be made upon it.

HELP NEEDED

The fifteenth milestone of unselfish, unstinted service to humanity, with never a thought of remuneration, was observed by Miss Mary Ford and her Flower Hospital here on Tuesday, November 11.

For fifteen long years the facilities of the Flower Hospital have been at the disposal of University of Delaware students, residents of Newark and transients in our midst. For fifteen years the Flower Hospital has been the only institution of its kind in our community — an institution of mercy, tolerance and human understanding that puts service before any thought of commercialism or mercenary consideration.

Founded on November 11, 1926 by Mary C. Ford, present head of the institution, The Flower Hospital has answered a definite need in our community. Little is known of the financial struggle The Flower Hospital has for its very existence, little is said of those who receive aid but are unable to pay, but much is known of the good it does and the value such a haven is to Newark.

Now, the annual Donation or Contribution campaign is under way for funds for the Flower Hospital . . . funds with which to pay current obligations and insure the operation of this hospital for the present and approaching year. An appeal is made to all residents of Newark to give until it hurts . . . give as much as you can and rejoice that you are able to support so worthy a project.

Contributions of money are needed most. Other donations of non-perishable foods, canned goods, surgical supplies, linens, etc., will be most welcome and aid materially. All contributions may be mailed or sent to The Flower Hospital, The Town Council Office or The Newark Post. But, don't delay—GIVE, today!

GUN FOR SPORT

Countless hundreds of ambitious nimrods will take to the field, with gun and dog, at the crack of dawn Saturday morning when the 1941 small game season makes legal the shooting of rabbit, quail, pheasant and other upland game.

Gunning for such small game as is found in this section is a popular sport hereabouts. Local marksmen, kennel-masters and cart-road gunners enter enthusiastically into the spirit for the duration of the forty-five day season.

Of all the gunning afforded each year, we look forward most eagerly to the 'first day'. It seems that on the 'first day' we get the most shots, the dogs work hungrily and more often than not we have more success than on succeeding days.

Often, too, on the 'first day' is the greatest toll of accidents taken. In their eagerness to make the kill, impulsive gunners are prone to take pot-shots at anything that moves. Indistinct motions in the woods, waving grass or moving objects in the sage are likely to bring a hail of shot upon the unsuspecting heads of innocent gunners, fired by those who sometimes fail to "look before they shoot".

So, just this word of warning. Keep yourself visible as much as possible; wear the red side of your hunting cap outside; be sure YOUR sights are aligned upon your quarry before pulling the trigger.

Gun for sport — not for lust.

MARKED 95TH ANNIVERSARY

Miss Midge Pennington

Miss Pennington, one of Newark's oldest residents, celebrated her ninety-fifth birthday anniversary on Sunday. For many years the proprietor of a local millinery shop, she is the town's most beloved citizen. Plans were made for Miss Pennington to take part in the mortgage-burning ceremony at the Newark Methodist Church, but she was confined to her room at the Flower Hospital.

THANKSGIVING — THURSDAY, NOVEMBER 27

Thanksgiving, thank goodness, reverts to its rightful place on the calendar and in the hearts of Delawareans when it will be observed throughout the State on the last Thursday in the month, November 27, despite presidential decree that it will again be the third Thursday in the month.

Considerable furor has been created during the last couple of years by President Roosevelt proclaiming Thanksgiving a week earlier than usual — due, he claimed, to merchants saying it would help business. Due trial has proven that the advanced date has been of no benefit, however, and Mr. Roosevelt has declared that this will be the last year of the earlier observance. Governor Bacon has gone him one better though and proclaimed that the traditional last Thursday would be officially observed as Thanksgiving in Delaware.

Vitamins

Often, through faulty diet, or during periods of unusual stress, a deficiency of one or more vitamins may develop. Serious disorders may result from such conditions if neglected. Better see a Doctor without delay. He will prescribe the needed vitamins in concentrated form. In such cases, we recommend Abbott Vitamin Products because of their high vitamin potency, stated vitamin content, and truth-to-label claims. And—for fair prices, be sure to bring all of your Doctor's prescriptions here to be filled.

4,500 BOYS FROM STATE IN ARMY

According to estimates released by military officials this week, approximately 4,500 Delaware men are now serving in the nation's army. Largest single group is the 1,875 men inducted into the army through the selective service system.

Next are the approximately 1,300 Delaware national guardsmen who went into federal service with the 198th Coast Artillery and approximately 400 with the 261st Coast Artillery. An undisclosed number of Delawareans are among the hundreds of men discharged from the 198th in recent months, however.

Delaware men who have enlisted in the army since the beginning of 1939, and are still serving, total 935, Capt. Charles F. Schell, assistant recruiting officer in Wilmington, said. Enlistments up to Nov. 1 this year amount to 395 while 440 were recruited in 1940 and 130 in 1939. Enlistments were for a three-year period.

In addition to these, there are approximately 100 Delaware reserve officers now on active duty. The grand total, 4,610, does not take into account those discharged nor those serving in other branches of the armed forces.

Be Quick To Treat
Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ-laden phlegm and aid nature in soothing and healing raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your doctor to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, relieves mucus, and helps you get your mitsing rest and sleep, or you are to have your money back. (Adv.)

PLAYERS
TO OPEN
SEASON"JIM DANDY"
TO BE GIVEN
TOMORROW NIGHT

On Friday evening at 8:30, the E-52 players of the University of Delaware will give one of the country's first productions of Saroyan's "Jim Dandy".

As a distinction which they share with no Broadway producer, for Critics Award-winner Saroyan released the latest play to the National Theatre before presenting it professionally. Thus he enabled Delaware

theaters to be part of a gigantic nationwide "First Night" audience. Because of the significance of the production, the E-52-ites are giving it two performances instead of the usual one. The second presentation will be made on Saturday night in conjunction with the annual University Dramatic Conference.

Director for the E-52 production of "Jim Dandy" is Dr. C. R. Kase. He is assisted by Miss Margaret Felton of the College. The cast follows: "Jim Dandy," Norman Bunin; "Flora," Jane Milton Gerstine; "Johnny," Lynn Presnell; "Layton Mahrey," "Fish," Frank Almond; "Little Johnny," Kay Kase; "Mollie," Kay Guinard; "Zedee Pool," Zedee Pool.

All Saroyan plays, "Jim Dandy" is written by composer Allan Hollander. Off-stage musical effects will be played by Don McClelland and Aron Krause. The special modern dance scenes have been arranged and directed by Allen and Barrett Shaw, dance teachers of Wilmington.

Production staff chairmen for the play are Jack Culver, production coordinator; Harry Hillyard, publicity; Walter Miller, lighting; Eugene Herberich, stage manager; Doris Jolls, make-up; George Samuels, scene designing; Al Kaser, scene painting; Beverly Ankle, business; Jane Stephens, costume; Jack Culver, off-stage effects; and Shakespear and Carolyn Miller, properties.

Blue And Gold Booters
Down Gettysburg, 2-1

Coach Bill Lawrence's University of Delaware soccer team staved off a serious Gettysburg threat yesterday to emerge victorious, 2-1, in an overtime period.

The invaders, trailing throughout the contest when Delaware tallied early in the opening stanza, finally knotted the count with less than 5 minutes to play. Gee Fernandez, who scored both tallies for the Hens, broke the deadlock in the first of two 5-minute overtime periods.

CAULDRON
EDITORS

This week official announcement was made of the election of Miss Anne O'Daniel as editor-in-chief of the Cauldron, University of Delaware literary magazine, for the Fall Term.

Born of the union of the two originally separate publications of the Press Club of Women's College and the Humanist Society of Delaware College, editorship of the bi-annual magazine alternates between the two colleges.

Editors are elected by the retiring editor of the previous term, and the presidents, respectively, of the Press Club and Humanist Society.

Miss O'Daniel announced the selection of the staff to assist in the publication of the magazine, as follows: Assistant editor, Dave Snellenburg; managing editors, Gwin Jones and Frank Annand; associate editors, Jane Sinclair and Bob Mather; poetry editors, Nancy Brown and Bill Terry; copy editors, Alice Ward and Tom Minkus; and business managers, Sara Feeney and Hal Arnoff.

A literary board to aid in the consideration and selection of material for publication was also appointed, consisting of: Anna Franchevsky, Arthur Millman, Estelle Edmundson, E. Jane Lumley, Bob Wharton, Norman Bunin, Betty McFall, and Virginia Elliott. Appointments were made on the basis of merit and previous service and experience, following the established precedent of drawing from a broad cross section of campus interests so as to achieve a truly valid representation of the student body.

Solicitation for material is now being made. A box has been placed in the Memorial Library in which contributions may be put, or they may be made directly to members of the staff. All those interested have been urged to contribute. Miss O'Daniel and her staff promise their careful and impartial consideration. Material submitted may take the form of short stories, poetry, or art work.
