NUMBER 41

ELLIOTT WINS SUBSCRIPTION CONTEST; MRS. BARNES SECOND AND MISS COLMERY IS THIRD

Winner Take \$500 Prize With Total of 8,749,500 Votes To Finish Far Ahead; Workers Praise Long; Congratulations Exchanged

JUDGES' STATEMENT

We, the undersigned judges selected by the candidates in THE NEWARK POST Subscription campaign, have counted the votes of said candidates and find that the First Prize was won by Robert Elliott 8,749,500, the Second Prize was won by Mrs. Geraldine Barnes 7,385,000, and the Third Prize was won by Miss Erma Colmery 5,590,000. The votes polled by other finalists are as follows: Mrs. Mary Reynolds 4,612,500, Mrs. Helen Irwin 3,822,500, Mrs. Mary Lloyd 1,412,500, Mrs. William D. Dean 1,327,500.

Signed: Paul D. Lovett
Sara A. Pennington
R. T. Jones
Estel T. Hopkins
F. Allyn Cooch, Jr.

Robert R. Elliott, Christiana, won the first prize of \$500 in the subscription campaign which closed at the offices of THE NEWARK POST last Saturday night. Mr. Elliott polled a total of 8,749,500 votes.

Mrs. Geraldine B. Barnes, Lumbrook, was second with 7,385,000 ballots, while Miss Erma Colmery, Elsmere, was third with 5,590,000 votes. A prize of \$200 went to Mrs. Barnes, while Miss Colmery collected \$50 for her trouble.

Four Additional Finalists

Mrs. Mary Reynolds, 4,612,500; Mrs. Helen Irwin, 3,822,500; Mrs. Mary Lloyd, 1,412,500; and Mrs. William D. Dean, 1,327,500, were other finalists in the contest.

One of the features of the drive was the fact that there was no bitterness while it was in progress and none indicated after the results were announced.

Conducted on a high plane throughout, the contest was handled by James E. Long, representing the J. E. Montgomery Circulation Company of Watertown, New York.

In the beginning, Mr. Long made it clear that the contest would be conducted with the utmost fairness. He lived up to that principle as was borne out by the commendations made to and concerning him by workers in the drive.

Show Sportsmanship

Accepting their final rankings with fine sportsmanship, the workers exchanged mutual congratulations as the contest ended. Mrs. Barnes was especially fluent in her remarks of congratulations for Mr. Elliott and in their praise for Mr. Long's ability.

With the prize winners receiving their checks immediately following the final tabulations Saturday night, Mr. Long left Newark early Sunday morning for Franklin, Ga., where he opened another campaign on Monday.

Spiritual Rally

To Be Held This Sunday Morning

Plans have been completed for the spiritual rally to be held at the White Clay Presbyterian Church next Sunday morning (November 8), at eleven o'clock.

The guest speaker will be the Rev. Norman W. Paulin, pastor of the Geiger Memorial Church of Philadelphia. During the service the Gloria Trio of Wilmington will sing. Members of the trio are Betty and Elmira Potter and Anne Vandersloot.

Extends Open Invitation

Rev. Clyde E. Rickabaugh, pastor of the church, extends a cordial invitation to all friends, as well as to non-church goers to attend this special service.

White Clay Creek Church is one of the oldest congregations in Delaware, having been organized in 1721. Mr. Rickabaugh has been pastor of the church since April, 1930.

Business Women To Hear Discourse Next Tuesday

Mrs. Josephine Morris, a member of the faculty of the Miss Tatnall School, Wilmington, will address the Business Women's Club of Newark next Tuesday evening on the subject: "Women in Business."

The session, following dinner at five forty-five, will be held at the College Inn.

Newark Lions Arranging Elaborate Charter Night

The seventh celebration of the founding of the Newark Lions Club will be marked Tuesday evening, November 17, with an elaborate charter night dinner to be served at the College Commons, University of Delaware. More than 100 members and their ladies, including many visitors from Wilmington and Delmarva Peninsula towns are expected here for the affair.

Dr. Charles J. Keppel, director of Tome School, Port Deposit, has accepted an invitation to serve as principal speaker for the gathering which will include Lt-Governor Elect Edward W. Cooch, Mayor Frank Collins, Dr. Walter Hüllihen and several other dignitaries.

Herman Handloff, recently received as a member of the local Lions, was named "lion tamer" at a business meeting held Monday night at the Deer Park Hotel.

SPECIAL PARLEY AT DOVER NOV. 12

Regional Members of Farmer Exchange To Gather For Annual Conference

Many farmers in this section have indicated their intention to attend the regional membership meeting of the Eastern States Farmers' Exchange to be held at Community Hall, People's Christian Church, Dover, on November 12.

The meeting will begin promptly at 10 o'clock in the morning and the program has been so organized that it will be completed by 3.30 in the afternoon, giving those attending time to get home for evening chores. The exchange is a cooperative association, purchasing such supplies as feeds, fertilizers, seeds and many other items for its 62,000 members in nine north-eastern states.

Service Discussion

The purpose of this meeting is to give members a clearer understanding of the aims and accomplishments of their own purchasing association. There will be a discussion of services, progress and problems. These discussions will bring out much information on efficient and up-to-date farming practices. Five members of the Springfield, Mass., main office staff will be on the speaking program. Motion pictures of exchange facilities will be shown.

J. D. Reynolds of Middletown, a director of the exchange, will preside at the morning meeting. Wallace Williams of Elkton, also a director of the exchange, will serve as chairman of the afternoon session.

Education Program

Twenty-eight of these meetings are being held in October and November from northern Maine to western Pennsylvania in order that all members may have an opportunity to learn more of this cooperative work.

All members are invited to attend these meetings. They will be guests of their association at a noon-day luncheon. Meeting places have been so arranged that no members will have to travel an excessive distance to attend one or another of them. The average attendance at 22 such meetings in 1935 was 342 persons.

DIAL PHONES READY TO BE GIVEN TESTS

Next Thursday Selected For Introduction of Service; Cost \$200,000

3,000 PHONES CHANGED

Newark's new dial telephone system is to be placed in operation next Thursday, November 12, at noon.

Promptly at that hour the lines serving all telephones in Newark will be transferred from the old manual switchboard to the new dial equipment located in the recently-constructed telephone building at 78 East Delaware avenue.

At the same moment telephone service in Holly Oak, Hockessin and Delaware City is to be changed to the dial method of operation, it was announced by J. Edward Murphy, manager for the Diamond State Telephone Company.

Announced Last Fall

Introduction of dial telephone service next Thursday will mark completion of a comprehensive service improvement program announced last fall by the Diamond State Telephone Company. During the last year the company has erected new telephone buildings in Newark, Holly Oak and Hockessin, installed new dial equipment in each location, as well as at Delaware City, placed approximately 3,000 dial telephones in the homes and business establishments of subscribers, and constructed a considerable amount of new storm-resisting cable in order to bring about a complete modernization of its facilities.

The dial project as a whole has required an expenditure of approximately \$200,000.

Changes In Numbers

Mr. Murphy pointed out that virtually all telephone numbers in Newark, Holly Oak, Hockessin and Delaware City will have to be changed. Numbers will be contained in the next edition of the telephone directory, to be delivered in a few days. He urged that telephone users consult the directory for the correct number before making calls after the dial system is placed in service.

The company has issued to each subscriber a pamphlet containing detailed instructions on the use of dial instruments. Similar information also is to be included in the front part of the new directory. In addition, the company is prepared to give personal instruction on the operation of dial telephones.

COUNCILMAN JOHNSON IN LAW DEBATE

Handloff Petitions Against Parking Measure; Case Is Argued

PROPOSE SOME CHANGE

Gaining a temporary edge over proponents of the one-hour parking law for Main Street, Louis Handloff, representing twenty-two petitioning business men, argued his case before the Council of Newark Monday night. The occasion was the regular November meeting of the governing body.

With Mayor Frank Collins, presiding, the entire personnel of the council was in attendance, including Councilmen George F. Ferguson, John F. Richards, C. Emerson Johnson, Herman T. Wollaston, George E. Ramsey and Charles C. Hubert. Town Engineer G. Cleaver Price and C. Vernon Steele, secretary-treasurer, was also present for the deliberations.

Johnson Debates Issue

With Mr. Handloff being presented to Council by the mayor, who stated that the petitioner is the largest individual taxpayer in Newark, Councilman Johnson debated the issue in urging the adoption of the proposed one-hour limit over a twenty-four hour period.

An ordinance, drawn by John Pearce Cann, was returned to the attorney for revision of several important points. The suggested changes will make the new parking limit two hours, from eight o'clock in the morning until eight o'clock at night from the tracks of the Baltimore and Ohio Railroad at Elkton Road to the crossing at Newark Center, along Main Street only.

All vehicles, regardless of type, will be forced to park within ten inches of the curb line as a means of discouraging the increasingly bothersome double-parking practice now in vogue in the business district.

Sundays Excluded

The original ordinance drawn by Mr. Cann called for the one-hour limit every day in the week including Sunday. The revisions will not include restrictions on the Sabbath.

Passing of the ordinance or its refusal will take place at the December meeting when the final reading will be made.

The present ordinance permits parking for three hours and efforts to tighten the regulations are being (Continued on Page 4)

DEMOCRATS SWEEP NATION AND CARRY DELAWARE FOR GREAT ONE-SIDED VICTORY

Hastings and Stewart, Diamond State Old Guard Champions, Felled In Rout; Fader Wins Over Ramsey In Close Contest; Automobile Parade Staged

Swept into the maelstrom of one of the most torrential political storms in the history of the world, Delaware went Democratic last Tuesday—the first time in thirty-six years.

Except for scattered state and county offices, the entire Republican ticket was buried in the discard of shattered hopes by the devastating onslaught of an aroused citizenry.

Old Guard champions such as Senator Daniel O. Hastings and United States Representative George R. Stewart were handed drubbings that even astounded the confident victors.

Fader Defeats Ramsey

White Clay Creek Hundred, which embraces Newark and the immediate surrounding vicinity, followed in the well beaten path of an entire nation that rallied to the Democratic banner and its bearer—President Franklin Delano Roosevelt. Only two of the forty-eight states—Maine and Vermont—were chalked up in the Republican column when final returns were finally counted after one of the largest elections in history.

John R. Fader, local baker, won a hard fight against George E. Ramsey for the office of State Representative from the Ninth District. Fader's margin was 77 votes.

Ramsey polled a total of 1,399 votes to Fader's 1,476. William Rupp, Independent Republican, received 94 votes as his share of the spoils.

Lose Home Districts

Neither one of the rivals carried his own district. Fader, who lives in the First Precinct, garnered 451 votes there to Ramsey's 584. The tables were turned in Ramsey's Second Precinct where Fader was credited with 770 votes to Ramsey's 564. Fader also bested Ramsey in the Third Precinct, 255 to 251.

Democratic leaders here marked the victory with numerous impromptu celebrations late Tuesday night and early Wednesday. A noisy and jubilant street parade last night wound up at the West Main Street residence of John R. Fader.

Fifty Cars Parade

More than fifty automobiles were in line, headed by Lieutenant-Governor Elect Edward W. Cooch, Postmaster Cyrus E. Rittenhouse and Mayor Frank Collins.

William Clancy and David Chalmers, the latter an ardent Democratic worker who was forced to attend the recent Republican rally at the State Theatre in his capacity of leader of the Continental Diamond Fibre Company band, were in charge of the demonstration.

Noted Author To Be Presented On University Hour

Christopher Morley, one of America's most interesting literary personalities, will be the speaker on the next University Hour program at the University of Delaware. On Tuesday evening, November 10, at 8 p. m., in Mitchell Hall, Mr. Morley will speak on the subject, "Literature in a Changing World."

Mr. Morley is best known for his essays which reveal a personality of wide interests, insatiable curiosity, and the happy faculty of being able to chat in a most entertaining fashion about everything.

Versatile Author

In addition to his essays, his literary publications include dramas, novels, poetry, and criticism. At present he serves as editor of "The Bowling Green" column in the Saturday Review of Literature.

A movement for which he is largely responsible is the present vogue for revivals of early American plays. He served in the capacity of producer in that memorable theatrical adventure in Hoboken, where such delightful old plays as "After Dark," "Neither Maid, Wife, nor Widow" drew Broadway audiences by the thousands.

Some of Mr. Morley's better known works in addition to those mentioned, are "Thunder on the Left," "John Mistletoe," his autobiography, and "The Swiss Family Robinson." His most important work has recently been collected in a volume entitled, "Fifth Avenue Bus."

An exhibition of works by and about Christopher Morley may be found in the University Library.

Horse Thieves, Beware!

Horse thievin' ain't gonna be tolerated on the old Newark frontier. No, sir, even though old Dobbin has been relegated to the plow (some have turned to polo, others provide costly afternoons on race tracks and still others have declined to garbage wagons) they ain't gonna be rustled in these parts.

The Newark Protective Association, after 42 years of honorable service, is still on the job. The annual banquet was held at Powell's Restaurant last Saturday night and vows, taken originally in 1894, were renewed with profound solemnity. Twenty-three members attended the affair.

EDUCATION MEET PLANNED NOV. 13

First Session To Be Held At Wilmington Library; Local Women Aid Plans

Miss Etta J. Wilson, chairman; Mrs. R. W. Heim, chairman of Education, State Federation of Women's Clubs; and Mrs. John R. Fader, chairman of the American Legion Auxiliary, all of Newark, are cooperating in the development of the program for the Citizens' Section of the Delaware State Education Association. The first session will meet in the Lecture Hall of the Wilmington Institute Free Library at 10 o'clock on the morning of November 13.

Other members of the committee are: Mrs. A. D. Warner, Sr., Mrs. Gerald B. Street, City Federation of Women's Clubs; Mrs. Lawrence V. Smith, president Wilmington Branch, American Association of University Women; Mrs. Walter D. Mode; Board of Education Classes; Mrs. E. P. Bardo, Jr., Church Groups in Wilmington; Mrs. M. P. Northam, president Delaware Parent-Teacher Association; and Mrs. A. P. Tanberg, Delaware Citizens Association.

Panel Discussion

At the first session, a panel discussion will consider the findings of the survey of dependent and neglected children, recently completed under the direction of Dr. C. C. Carstens, executive secretary of the Child Welfare League of America.

At 12.30, a luncheon, at which Dr. John W. Studebaker, United States Commissioner of Education, will be the guest speaker, will be held in the DuBarry room of the Hotel du Pont. The afternoon session, beginning at 2 o'clock, in the same room, will be devoted to a discussion of some of the educational problems confronting Delawareans at this time.

Because the size of the rooms available limits the number assured of seats to 250, it will be necessary to make reservations. Reservations may be made with the chairman of the committee, Miss Etta J. Wilson, 3056 du Pont Building.

Presbyterians Schedule Big Missionary Meeting

The Missionary Society of the First Presbyterian Church will meet on Thursday evening, November 12, at eight o'clock. Members of the missionary societies of St. Thomas' P. E. Church and the Newark M. E. Church will attend the session as guests of the host group.

Ambulance Committee Lays Plans For Purchase of New Vehicle For Newark

Preliminary plans for the purchase, operation and maintenance of a community ambulance were laid last night at the initial meeting of the recently formed committee of citizens interested in guarding the welfare of Newark and vicinity. The session was held in the office of the Council of Newark with Dr. J. R. Downes, chairman, in charge.

Following a suggestion by the Business Women's Club of Newark that steps be taken for the purchase of a new ambulance prior to discontinuance of the service by the Aetna Hose, Hook and Ladder Company on December 1, the permanent committee was named last Thursday night.

Many Groups Included

The committee consists of: Dr. J. R. Downes, chairman, representing State Board of Health; J. Q. Smith, commander of the J. Allison O'Daniel American Legion Post; C. C. Hubert, named by Mayor Collins to represent the Council of Newark; Samuel J. Turner, superintendent of the Continental Diamond Fibre Company; John K. Johnston, vice-president of the National Vulcanized Fibre Company; Ira C. Shellender, Aetna Hose, Hook and Ladder Company; Elizabeth Grime, Business and Professional Women's Club; and Lavinia Bye, secretary.

J. H. Rumer of the WILMINGTON MORNING NEWS and Charles H. Rutledge of THE NEWARK POST were selected to handle publicity.

Appointments Made

While it is planned to conduct a drive for funds among lodges, churches, organizations, business houses and citizens of the community, the campaign will not be launched until after all details have been worked out.

In order to expedite the move, Dr. Downes distributed tasks to the following members of the committee last night: Shellender, Smith and Turner were delegated to investigate prices of ambulances; Miss Grime will look into the matter of equipment and costs; Hubert will contact the mayor and members of the council regarding the part the town will play in the move; and Rutledge will endeavor to work out a plan for securing drivers and attendants.

The present ordinance permits parking for three hours and efforts to tighten the regulations are being (Continued on Page 4)

Lesson for November 8

THE CHRISTIAN WARFARE

LESSON TEXT — Acts 19:8-12, 18-20; Ephesians 6:12-20. GOLDEN TEXT—Be strong in the Lord, and in the power of his might, Eph. 6:10. PRIMARY TOPIC—When Paul Preached in a Schoolhouse. JUNIOR TOPIC—In a Schoolhouse in Ephesus. INTERMEDIATE AND SENIOR TOPIC—Weapons of the Christian Soldier. YOUNG PEOPLE AND ADULT TOPIC—The Gospel Facing the Forces of Evil.

War, war! The whole world is war-conscious in our day. Nations are watching one another with suspicion, and in the meantime arming themselves for conflict. Hatred and suspicion are rife, and as long as sin rules the hearts of men we long in vain for peace, which cannot come until that day when the Prince of Peace himself shall reign.

Yet every Christian hopes and works for the peaceful solution of the nations' problems. Right thinking men do not want war between the peoples of the earth. But there is one warfare that we do seek to foster and promote. We encourage it, and as Christians make a holy resolve to battle to the end. That is the warfare against Satan and his hosts. As long as he rules in the hearts of men, and sin and wickedness are here, we say, "Fight on, my soul."

Christian life and service are presented in Scripture as a fight, and we do well to learn the methods and the weapons of this great spiritual conflict, not stressing a belligerent note of strife against one another, and particularly not between the divisions of God's army in the earth, but standing shoulder to shoulder in the battle against the Evil One.

Our lesson presents a picture of I. The Lord's Warrior (Acts 19:8-12).

Paul, who is now on his third missionary journey, comes again to Ephesus, the leading city of Asia Minor, and the center of the worship of the heathen goddess, Diana. He tarries there for about three years.

Like a good tactician he began his campaign at a strategic point, the synagogue. He brought forward his God-given weapons, "reasoning and persuading." Some he won, others disbelieved — the sad fact which even this greatest of all preachers had to meet.

God attested his work by miracles. The soldier of the Lord does not go into battle alone. Nor does he fight in his own power. God gave him

II. A Mighty Conquest (vv. 18-20).

When a man's profession of faith in Christ carries with it an open forsaking of his confessed misdeeds—a true change of life as well as a declaration of belief—there has been real dealing with God.

Notice, that they burned the bad books found in their homes, even though they were valued at thousands of dollars. Christian, how many books or magazines are there in your home now that minister only to the lowest in your nature? Oh, yes, they may be "literature," they may be in beautiful bindings; you may even read them "in the original," and regard the reading as cultural. But if they are bad books, are you ready to follow the Ephesians in destroying them?

Finally we have from Paul's letter to the Ephesians the glorious presentation of the Christian's

III. God-Given Weapons (Eph. 6:13-20).

This is a familiar, but none the less rich and instructive, passage. We have space to note only that there are (1) five weapons of defense; namely, the girdle of truth, the breastplate of righteousness, the shoes of peace, the shield of faith, and the helmet of salvation, and (2) one mighty weapon of offense, the sword of the Spirit—the Word of God. A glorious and impenetrable armor and equipment for battle!

But it will do us not the slightest good unless we obey Paul's admonition and put it on.

Christian, are you wearing and using "the whole armor of God"?

Judging From Appearance. Men in general judge more from appearance than from reality. All men have eyes, but few have the gift of penetration.—Machiavelli.

God's Way

The strength and the happiness of a man consists in finding out the way in which God is going, and going in that way, too.

Acts That Bring Results

No act falls fruitless; none can tell how vast its power may be; nor what results, enfolded, dwell within it silently.—Bulwer.

A Friend Indeed

Keep close to thy Best Friend, and He will refresh and cheer thee.—Spurgeon.

God's Holiness

We must not only bless God for all his benefits; we must rejoice in his holiness.—McIntyre.

STANTON HAS MANY SUPPER PLANS AHEAD

Numerous Hallowe'en Affairs Keep Townfolk Busy; Conrad High Wins

AID SOCIETY MEETING

By Mrs. Harriett W. Knotts Stanton, Nov. 5.—A Hallowe'en party was given last Friday evening at the home of Mary Varnicola. The house was tastefully decorated for the occasion, games were played, and refreshments served.

Among those present were: Alice Pierson, Jennie Bradley, Jean Reed, Mary Varnicola, Ruth Andrews, Lena Cimareami, Carol Lucas, Edward Barlow, Angelo Terrenova, Mrs. Jean Varnicola, Mr. and Mrs. Jacob Varnicola, Louise and Philip Varnicola and other guests.

The chicken pattie supper given by the ladies of St. James' Church of Stanton last Wednesday night was largely attended.

The poultry supper given by the ladies of Stanton M. E. Church last Thursday evening was also a great success.

Business Meeting Set

The Ladies Aid Society of Stanton M. E. Church will hold a business meeting tonight.

The choir of Stanton M. E. Church will hold regular practice Friday evening at 7:30—followed by Prayer-meeting.

The ladies of St. James' Episcopal Church of Stanton will hold a turkey supper on Wednesday evening, November 18, from 5 to 7:30, followed by a free moving picture show.

Bingo Party Planned

Leola Council D. of P. will hold a bingo party in Red Men's Hall at Corner Ketch on Thursday evening, December 3.

Conrad High played Caesar Rodney High of Wyoming on the Caesar Rodney field last Friday the score being 26 to 6 in favor of Conrad. Caesar Rodney was the first team to gain a touchdown against Conrad this season.

Conrad High will play Claymont High at Conrad field on Friday at 8:30.

Ashton Eastburn, son of Mr. and Mrs. Calvin Eastburn, of Stanton who underwent an operation at the Delaware Hospital a few weeks ago has returned home but is not able to be out.

Victim Recuperating

Joseph Harris, son of Mr. and Mrs. William Harris, who was operated on for a serious attack of appendicitis a few weeks ago, is able to be out.

Anna Knotts, daughter of Rev. and Mrs. Lawrence Knotts, who was confined to her home last week with grippe was able to return to school on Monday.

The condition of Mr. Charles Wright who has been seriously ill at his home for the past few weeks remains the same. Little hope is held for his recovery.

Mrs. John Golt who underwent an operation in St. Francis' Hospital, Wilmington, is improving.

Visiting Parents

Mr. and Mrs. Roland Eastburn and family of Holmsburg, Pa. have been spending a few days with their parents, Mr. and Mrs. William Bradley and Mr. and Mrs. Calvin Eastburn.

The Ladies Aid Society of Ebenezer M. E. Church at Delaware City will hold the meeting at the chapel on Thursday evening.

Harriett W. Knotts was the winner of silk hose given by class No. 6 last Saturday evening.

A number of men have been very busy this past two weeks laying pipes for the supplying of gas to the homes in Stanton.

Improved Gas Service

The Wilmington Gas Company has been contemplating taking this step for quite a while but just recently an agent for the gas company called on the different home owners and after receiving a number of consigners the laying of the pipes was started. The citizens of Stanton will be much pleased when the work is completed, for this service will be a great improvement to the town.

Wilmington Art Society Offers Daily Exhibition

The twenty-third annual exhibition of the work of Delaware artists, pupils of Howard Pyle, and members of the Wilmington Society of the Fine Arts is being held in the galleries of the Wilmington Public Library from November 3 through November 28.

Open weekday afternoon from one-thirty to five, the galleries are also open every Sunday to six and Monday evenings from seven-thirty to nine-thirty o'clock.

Hallowe'en Party Given At Kenmore H. S. By Students

A Hallowe'en party was given at the Kenmore High School by the students of the school on Monday evening, November 2. Prizes were given to the following: best dressed, Rhoda Wilson; most comical, Leonard Sheldahl; best impersonations, Joseph Hillyard and Morris Bradford.

Sweet cider and ginger cakes were served.

Rising Sun High defeated the Kenmore High field ball team on Friday by the score of 10-4. As a result of the defeat, Kenmore dropped from the leading position in the league composed of Perryville, Calvert, Kenmore and Rising Sun. The boys soccer team also lost to Rising Sun, 6-4.

The last game of the season will be played when Kenmore journeys to Calvert field on Friday, November 6.

Mr. and Mrs. David Lindsay entertained their nieces, the Misses Collins, of Middletown, on Wednesday of last

week. The hobgoblins were plentiful on calling on friends in horrible looking faces and outfits.

Mrs. Michael Peterson and daughter, Loretta, spent the week-end with Mrs. Peterson's parents, Mr. and Mrs. Jackson, of North East.

Mrs. Flora Kelley has returned home after a week's visit with relatives in Philadelphia.

Annual Dance

A committee of young men of Kenmore Mills is planning the Annual Benefit Dance to be held in the Elkton Armory on Saturday night, November 28.

Legion Head To Conduct Several Installations

On Sunday evening, November 8, the annual Armistice Sunday Service will be held at St. Stephen's Lutheran Church, 13th and Broom streets, at 8 o'clock, and the Rev. Park Huntington has extended invitations to all American Legion and Auxiliary members to attend this service.

On Monday, November 2, the officers of Georgetown American Legion Auxiliary will be installed at the home of Mrs. Charles Calhoun, East Market street, Milford, at 8 o'clock.

On Tuesday, November 10, Milford Unit and Milford Post will hold a banquet and joint installation in the Grange Hall at 7 o'clock.

Thursday, November 12, Robert Taylor and New Castle Units will hold a joint installation in the Service Hut at Fort du Pont at 8 o'clock. The installation will be followed by the first New Castle meeting of the year.

Mrs. John R. Fader, Department President of the American Legion Auxiliary, will install the officers at the above mentioned meetings and would like to have just as large an attendance of Department officers and chairmen as possible.

Juniors Plan To Attend Church In Body Sunday

"Due to the fact that it was the night before election and the boys wished to hear the final campaign pleas, only a short routine business

meeting was held Monday night," said A. Neal Smythe, publicity chairman of the J. O. U. A. M.

"Important new items will be discussed next Monday," he stated.

"This Sunday morning at 10:15, we will meet in our council chamber and go in a body to Ebenezer Church to hear an Armistice message by the Rev. T. O. M. Wills," he continued.

Mr. Smythe urged a large turnout for this occasion.

"Several brothers will attend the special Armistice service at the tomb of the unknown soldier in Arlington Cemetery this week," Mr. Smythe said. "This is a yearly event sponsored by the Jr. O. U. A. M.," he added.

In conclusion, Mr. Smythe laughed and said, "Our football team is going strong. Our slate is clean to date and we hope to announce a new sport event soon."

CLOTHING ON DISPLAY FOR CHARITY USE

Harmony Grange Hall Exhibit Contains 1000 Garments; All Types Shown

HOMECOMING SERVICES

By Miss Sarah A. Pennington
Mermaid, Del., Nov. 5—Harmony Grange hall resembled a rummage sale room last Thursday when the Hockessin branch of the Needlework Guild of America, at its annual meeting, had on display over 1000 garments. The collection differed from an auction sale in that every article was new and many of them handmade.

There were 16 patchwork quilts among the infants' wear, girls', boys', women's and men's clothing. All the articles will be distributed through charitable institutions in Wilmington and to local private cases.

Miss Elizabeth Mitchell of Kennett Square, treasurer, reported \$16.00 in the shoe fund. The speakers for the afternoon session were: Mrs. Charles L. Evans of Wilmington, and Miss Anna Hazel, superintendent of the Florence Crittenton Home in Wilmington, who told of the work of these homes in the different states.

Devotionals Conducted

The Rev. John D. Blake, pastor of Red Clay Creek Church, conducted the devotionals. Mrs. Edna Mall Gilbert sang "Just For Today" and "An Evening Prayer." Miss Ruth Ball was elected as a new director.

The directors of this branch are: Mrs. Gates Gilmore, Mrs. L. H. Pennington, Mrs. Harvey Ball, Mrs. Norman Mancill, Mrs. E. H. Woodward, Mrs. H. B. McVaugh, Mrs. William Neide, Mrs. J. W. Pennington, Mrs. George Alcorn, Mrs. John Rubencame, Mrs. Howard Wollaston, Miss Elizabeth Mitchell, Miss Margaret Mitchell, Mrs. Annie Dennison, and the Red Clay Creek and White Clay Creek Presbyterian Church Missionary Societies.

Delegates Named

Delegates to the national meeting in May, 1937, in Philadelphia, are: Mrs. Eugene Woodward and Mrs. George Alcorn. The alternates are: Mrs. D. M. Buckingham and Mrs. L. H. Pennington.

Homecoming at Ebenezer M. E. Church was celebrated on Sunday by members, former members and visitors. The three services were largely attended. For the morning service the Rev. Robert Lennox, of Ottawa, Canada, a graduate student at Princeton Theological Seminary, preached on the subject, "The Four Anchors."

He described the Apostle Paul's voyage on the Adriatic and compared it with the average person's voyage over life's sea. The four anchors named by the speaker were: confidence, confession, commitment, and continuance. The Rev. Mr. Lennox is preparing to become a missionary and plans to work in a mission field in Arabia. The Rev. and Mrs. T. O. M. Wills sang a duet.

Afternoon Services

In the afternoon, the lecture "The Pearl Is In the Sea" was delivered by the Rev. Dr. Joseph Schubert of Downingtown, Pa. Selfishness and lack of understanding is what brings the pearl of friendship up from the sea. He stated that the finest art is not in art galleries but in keeping people together in peace and love. The Rev. Mr. Wills sang "Ninety and Nine."

A service devoted to music and its importance in the church program was given that evening. The church had the opportunity of hearing for the first time the mixed quartet from the Westminster Choir School.

Professor J. M. Kelly, director of the chapel choir of this school explained some of the great hymns and conducted an old fashion hymn sing.

Hymn Singing Universal

He stated that music is the most universal expression we have as it knows no barrier of race, creed or nationality. Miss Iva Stewart, soprano, sang a solo, "Peace." The quartet's selections included, "Bless the Lord O My Soul," "We Praise Thee," "The Legend," a Russian anthem, and "Great Is the Lord."

Miss Dorothy Eastburn entertained at a Halloween party on October 29 at her home near Mermaid. Games were played and refreshments served. Her guests were: the Misses Eleanor Wollaston, Louise Lee, Anna Dennison, Helen Davidson, Kathryn Stafford, Edythe Stafford, Norma Jarmon, Mildred Jarmon, Marie Stephenson, Mary Ella Armor, Dorothy Woodward, Mary Woodward, Rachel Porter, Laura Porter, Marion Gilmore, Gladys Eastburn, Norman Dempsey, Henry Wilson, Edward Wilson, Willard Ball, Theodore Dempsey, Joseph Wollaston, Ernest Davidson, Gheen Stephenson,

Women Hold Bake and Soup Sales At Polls; Masque Dance Planned Tonight

BIRTHDAY CELEBRATED

By Mrs. E. M. Broadbent
Marshallton, Nov. 5—Work has been started on the widening of the road from New Castle to the Lancaster Pike, leading through Newport, Belvedere, Cranston Heights and the Cedars. Drain pipes were laid through the Cranston Heights section several weeks ago.

A new bungalow is being erected on the Newport Pike in Cranston Heights by B. E. Gregg, the third built by him in the last two months in that section.

Bakes and soup sales were conducted at the two polls in Marshallton Tuesday. The Auxiliary to the Mill Creek Fire Company and the Ladies' Aid Society of the Marshallton M. E. Church conducted the sale at the polls in the Mill Creek fire house, Mill Creek Hundred, while the Guild of St. Barnabas' Church held the sale at the Marshallton School, polls of Christiana Hundred.

A Halloween masque dance will be held tonight (Thursday) at the Mill Creek fire house by the Ladies' Auxiliary. Music will be furnished by the Carolina Ridgerunners.

Mrs. Elizabeth Speakman is visiting this week with Mr. and Mrs. Ralph Flickinger of Glenolden, Pa.

Seriously Ill

Mrs. Lydia McDougall, formerly of Marshallton, is seriously ill at the home of her son-in-law and daughter, Mr. and Mrs. Walter Wolstenholme, in Washington, D. C.

A party was given last Friday night in honor of the 25th birthday of Arthur R. Ford. The affair was arranged by Mrs. Ford and Halloween games were enjoyed during the evening.

A meeting of the Marshallton Civic Club will be held this afternoon at 2 o'clock in the library of the Marshallton School. Mrs. Oliver Melson, president, will preside.

Mrs. John Golt of Stanton, a member of the Auxiliary of the Mill Creek Fire Company, is seriously ill at the St. Francis' Hospital, Wilmington.

November 18 has been set as the date for the annual turkey dinner at St. James' parish house, arranged by the ladies of St. James' P. E. Church.

Mr. and Mrs. John Pieper were week-end visitors with relatives in Pittsville, Md.

Society Social Held

The Young People's Society of Ebenezer M. E. Church held its annual Halloween social last Friday evening in the church basement. Those attending were: the Misses Elva Davis, Leola Brown, Rachel Greenplate, Kathleen Little, Evelyn Jester, Eleanor Mitchell, Elizabeth Harmon, Bertha Kirk, Mrs. Elizabeth Wills, Mrs. Amos Norton, Mrs. Joseph Brown, Mr. and Mrs. Carl Nelson and son, William, Norris, Edwin, and Lindsey Greenplate, Ernest Whiteman, Delbert Gooden, Earl, Charles, and Harold Lynch, Henry, Ralph and Kinsey Whiteman, and Norman Whiteman.

Troop 53, will be held tomorrow night at the parish house of St. Barnabas' P. E. Church.

Mrs. King Richardson, who has been ill for some time at the home of her sister, Mrs. Robert Palmer, in the Cedars, has returned to her home. Her condition is said to be improved.

Mr. and Mrs. John H. Foard have returned from a visit in Hartford, Conn., with their son-in-law and daughter, Mr. and Mrs. J. Henry Smith.

The lake at the New Castle County Workhouse, located at the entrance to the warden's estate, has been drained and prepared for winter freezing. Ice is saved from the lake during the winter months and provides refrigeration during most of the year.

Mrs. Sara E. Bristow, 83 years old, was one of the oldest persons voting Tuesday at the polls in the Mill Creek fire house.

Red Men To Go To North East Next Tuesday

A very full report of the sessions of the Great Council of Delaware, held at Selbyville last week, was submitted to Minnehaha Tribe No. 23, I. O. R. M., by their representative, Past Sachem Albert Lewis, at the meeting on Tuesday evening. Other members of the local tribe who attend the Great Council also told of the meeting. Minnehaha Tribe has been honored by the appointment of Past Great Sachem Frank H. Balling as chairman of the State Propagation Committee, and the appointment of Past Sachem Ward Lindell as a member of the Orphans' Board.

Other appointments of interest here included Alfred Davidson of Little Bear Tribe to be Deputy Great Bear Tribe, No. 46, to be Deputy

Great Sachem, and Mrs. Sara E. Croft of Leola Council, No. 14, of Union, to be Deputy Great Pocahontas.

the Great Inchoonee of the United States, and other prominent members of the order are expected to be present. On Tuesday evening, November 17, Minnehaha will be host to a delegation of Red Men from Oxford, Pa.

CONGRATULATIONS AND A SUGGESTION

It is customary for newspapers to carry the expected line that America, Blubberville or Coudersport has spoken—following an election. On Tuesday of this week, however, America did more than speak—America roared!

In one of the loudest outcries ever recorded at the polls, America shouted approval of the New Deal—of President Franklin Delano Roosevelt—of a continuance of current Democratic policies for another four years, at least. It registered its resentment for the Supreme Court of the United States which shattered many New Deal moves—N. R. A. and A. A. A., among others.

Delaware followed in the train and swung over to the Democratic side after thirty-six years of Republican leadership. We congratulate local leaders and candidates of the State and County. Their fight was fair and clean. They won in that manner. And results throughout the nation prove that their triumph was merited.

Our hat is off to J. Harvey Dickey, chairman of the White Clay Creek Hundred Democratic Committee, and John Raymond Fader, newly elected State Representative from this section. They battled against great odds and won. Our admiration for them is profound and sincere.

By way of suggestion to the Republican Party in Delaware, we advance the idea of permanently discarding such out-moded leaders as Colonel Edmund Mitchell, who is too old, and Daniel O. Hastings, who is too blatant for the good of the party and State.

We would further suggest that Delaware Republicans line up behind younger and more capable leaders like Senator Norris N. Wright, Secretary of State Walter Dent Smith and George R. Hering, Jr.—men who have a sense of decency and practice it.

WE THANK OUR READERS

Our subscription campaign is over and we sincerely hope that it was concluded in a satisfactory manner to everyone. There were some disappointments to workers who failed to win one of the three final prizes, but the limited number of awards were known at the outset of the campaign. Unfortunately, everyone can't win. We regret this—as much as any disappointed participant.

Our congratulations are extended to the winners. It is a source of genuine satisfaction to feel that the prizes were taken by tireless workers. A better group of participants never worked in the interest of a paper anywhere. The excellent work done by them and their great success in obtaining many new and renewed subscriptions is worthy of more praise than we can give.

We extend greetings and thanks to our new readers and old subscribers and wish to impress them with the idea that their interests are our interests. We shall bend every effort to fulfill the confidence placed in us. A special word of thanks is due to many of our old subscribers who have been on the lists of THE NEWARK POST for many years and who expressed a new confidence in the paper by extending their subscriptions as far as ten years ahead.

We are also grateful for the public support manifested time and again through encouragement to the participants in the campaign. Special mention is due James E. Long, manager of the drive. He worked tirelessly, showed no partiality and leaves Newark with a kind word from participants and those who met him during his stay.

Without doubt he lived up to the excellent reputation of his firm which is founded on honesty and fair dealing. THE NEWARK POST wishes to publicly thank Mr. Long for the clean manner in which he conducted the campaign from beginning to end.

The prime motive of the drive was to increase circulation and thus be of more service to the people of Newark and vicinity. Frankly, our fondest expectations have been more than realized.

Our circulation has been given the longest step forward it has ever taken. That is our reason for saying that the campaign was a success, not only to us, but to our advertisers as well.

We invested heavily to obtain this end, and now we enjoy the satisfaction of knowing that the "home paper" will be a more potential force in the development of Newark and the surrounding community.

Our thanks are profound and come with a sincere feeling of appreciation for readers, workers and advertisers, in kind.

WINNERS GRATEFUL TO FRIENDS AND SUPPORTERS

We, the undersigned, who took part in the subscription campaign conducted by THE NEWARK POST wish to take this opportunity to thank all those who aided us in any way while we were soliciting subscriptions.

Although each one of us would like to have won the first prize, we feel satisfied with the distribution of the awards. We believe the campaign was conducted in a fair and impartial manner and THE POST has paid us in full. Thanks again.

Hands-Across-the-Sea Contract Signed

Samuel Goldwyn announced that, on a three-way telephone line, Hollywood-New York-London, that he and Alexander Korda had just granted Merle Oberon, in New York, a brand new five-year contract. Merle's combination-contract with the British and American producer, under which they will split her services, had still two and a half years to run. Accordingly, with attorneys on all three stations listening in, details of the new contract were settled and closed by verbal agreement. Because of the time taken to make the new contract, Miss Oberon was forced to cancel her sailing on the S. S. Aquitania and instead will sail this week on the R. M. S. Queen Mary, along with Mr. and Mrs. Douglas Fairbanks from New York. She goes to London on her British part of the deal to co-star with Charles Laughton in "I, Claudius" then returning to Goldwyn probably to be co-starred with Gary Cooper in an American film.

Grand Prize

The grand prize, \$25, was not claimed last Thursday evening. The number drawn was 3098. The winners of the \$1 prizes were James Hawkins, Kenneth Bowdch, Mrs. Etta Wilson, Miss Florence White and Grover Tennyson Surratt.

State Theatre House Notes

Friday and Saturday

"Red Salute," a fast moving comedy drama will be the main event on these two days. Barbara Stanwyck has the leading role who portrays the daughter of a U. S. Army general. The picture has one of the finest supporting casts that ever appeared in any film: it includes Robert Young, Hardie Albright, Cliff Edwards, Ruth Donnelly, Gordon Jones and Paul Stanton.

Clarence E. Mulford's western classic, "Three on the Trail," will be added to the bill on Saturday. The cast in this western film includes William Boyd, Jimmy Ellison, Onslow Stevens and Muriel Evans.

Monday and Tuesday

Quiet Please, "The Big Broadcast of 1936" is on the air. It happens once a year, this year it is bigger and better than ever.

The star of the show is that ace of the airways, Jack Benny. The film is packed with music, love and comedy. Stars from the stage, screen, radio and of the music world make this one of the outstanding musical films of the year. The supporting cast has such stars as Burns and Allen, Bob Burns, Benny Goodman and his swing band, Leopold Stokowski and his orchestra and many others.

The two timely, deftly-told stories that make up the new March of Time at this playhouse these two days include an enlightening presentation of the Progressive Educational trend in U. S. elementary schools, and a vividly dramatic camera study of life within the White House, pointing out the multitude of responsibilities that go with holding the world's greatest elective office.

Wednesday and Thursday

The combined talents of William Frawley, Roscoe Karns, Lynne Overman and Mary Brian will make this theatre rumble with laughter when "Three Married Men" will be flashed on the screen these two days. The picture concerns the trials and tribulations of a young married couple, Karns and Miss Brain, who marry despite family objections. Frawley and Overman appear as brothers to the bride. George Barbier and Marjorie Gatenos also have important roles in the film.

HOSTESS AT ELECTION PARTY

Miss Dorothy Mae Townsend, charming daughter of Mrs. Edna S. Townsend, of 24 Kent Way, entertained a number of her friends at an Election party on Tuesday evening.

Among the guests were: the Misses Louise X. Hutchinson, Adele Thomas, Virginia Wilson, Louise Steel, all of Newark; Miss Mary Lou Gaffney, of Wilmington; Mr. and Mrs. E. Brinton Wright, Jr.; and Messers Charles St. Clair Pie, James X. Hutchinson, Ralph O'Connell, Harry Gallagher, Albert William Fletcher and many others.

A pleasant evening was spent listening to the returns and the party broke up with everyone tired from the long radio vigil.

Cider and pretzels were served and the guests departed at midnight after a very enjoyable evening.

Clean-Up Days

Wednesday and Thursday, November 18 and 19, were named community clean-up days.

Treasurer Vernon Steel reported that a campaign would be launched to collect \$7,935.51 in delinquent taxes at the close of the year. He reported a balance of \$8,598.62 on hand Nov. 1. Disbursements for October totalled \$8,610.57.

The following committee was named to arrange for planting of trees along Newark streets: Herman Wollaston, Charles C. Hubert, and C. Emerson Johnson.

Police Chief William Cunningham reported 35 arrests in October; fines collected, \$275; fines defaulted, \$130; four accidents investigated, including one fatality.

Tuberculosis To Be Discussed At One-Day Meeting

On Tuesday, November 10, a one day meeting, sponsored by the Delaware Anti-Tuberculosis Society, will be conducted by Phillip P. Jacobs, Ph. D., of the National Tuberculosis Association, at the Dover Century Club.

Morning Meeting

"Tuberculosis As a Medical Problem" will be discussed at the morning session which will begin at nine-thirty and end at noon. Topics under discussion will be fundamental problems of infection, re-infection and so forth, as well as the epidemiological features indicated under age, sex and occupation. Dr. A. W. Freeman, Dean of the School of Hygiene, Johns Hopkins University, will deliver the principal address.

"Methods of and Organization for Control of Tuberculosis," by Dr. Jacobs, will include the topics: adult health education, child health education, case finding, care, treatment, the tuberculosis problem, etc.

Afternoon Session

At 2:00 p. m. Ruth Houlton, Associate Director of the National Organization for Public Health Nursing, will deliver a talk on "Public Health Nursing and Case Finding." Following a "Discussion of Papers"

by Dr. J. R. Beck and Dr. W. E. Morris, a round table discussion will take place with Dr. Jacobs delivering the summary.

At the night session which will start at eight o'clock, Dr. Jacobs will talk on the topic "Looking Ahead in Tuberculosis and Health Work." Show-

ing of sound motion picture films will conclude the meeting.

New Phone Books To Be Delivered Early Next Week

First copies of the new issue of the telephone directory will be delivered in Newark and vicinity on Monday, November 9. The distribution will be completed on Thursday, November 12, it was announced this morning by J. Edward Murphy, manager for the Diamond State Telephone Company.

The new directory is a larger book and more conveniently arranged than its predecessor. The page size has been increased from 6 by 9 1/4 inches to 9 1/4 by 11 1/4 inches—the same size that is used in directories for Philadelphia and other large communities. This permits three columns of listings on each page instead of two as formerly.

One Complete List

The directory has been simplified, all the numbers appearing in one complete list regardless of the community. This means it is no longer necessary to look first for the name of the exchange and then look through that list for the telephone number desired.

More than 30,000 copies will be delivered in this vicinity representing an increase of 2,500 over the previous issue. The directory contains approximately 27,500 listings in the alphabetical section, a gain of 3,200 over last year's book.

Association For Apiarists Draws State Attention

Plans to organize Delaware beekeepers have been disclosed by Paul L. Rice, extension entomologist at the University of Delaware, who said that Edward Hughes, Kenton, representing Kent County, DeVerne Doty, Milton, from Sussex County, and John L. Phillips, Newark, representing New Castle County, were planning to meet with him to outline details for the formation of an apiarists' association.

The disclosure was made following a series of beekeepers' meetings held in Camden-Wyoming, State Road, and in Georgetown. At each of the meetings, Rice explained the formation of beekeepers organizations elsewhere and pointed out the advantages of organization to Delaware apiarists.

Worrior Is Speaker
Russell E. Wilson, Kent County agricultural agent, spoke at the Camden-Wyoming meeting; George M. Worrior, county agricultural agent in New Castle County, addressed the State Road meeting, and Bayard Carmean, assistant Sussex County agricultural agent, spoke at the

Georgetown meeting. Besides the discussions pertaining to organization, the beekeepers viewed a film "The Realm of the Honey Bee," which is distributed by the U. S. Department of Agriculture.

ROAMIN' WITH RUTLEDGE

Back to Baseball

It's pretty late in 1936 to be discussing affairs of the recent diamond campaign and it's somewhat early to start the pot boiling in the Hot Stove League, but baseball nuts, regardless of season, are ready to discuss the game at the least provocation.

"THE ROAMER"

Being somewhat "tetched" on the subject (who said just tetched?), we're always glad to fling the old malarkey whenever and wherever the subject is being mullied over. That's especially true when the conversation deals with the Bi-State loop, anent which we shall always have more than passing regard.

So, at the request of Don Cole, business manager of the Perryville Pandours, and numerous other figures in the local baseball firmament, we bring a lot of grief unto ourselves by naming an all-star Bi-State team for 1936. We even go a step further by selecting a second team, which is akin to circling the topmost ledge of the Empire State building on roller skates. It ain't safe.

R-W-R

Not Customary

There's no law against one person kidding himself into thinking he's an authority, with some God-given ability to select the wheat from the straw, but heretofore it hasn't been customary.

Previous to 1936, polls were taken among the managers of various teams and an all-star outfit was selected, based on the consensus of opinion. Even in seasons when things wound up in an ideal state, some pilots were slow on the return of ballots. Some little trouble was occasioned thereby.

The recent race was far from ideal at the conclusion, with several teams openly voicing objections anent developments in the Bi-State loop. Rather than risk prejudices influencing votes for players, the usual custom of polling was dropped along with the idea of an all-star cast.

It wasn't to be, however, and this pillar now finds itself—whether by choice, design or circumstance—serving as a committee of one to satisfy the desires of a few who insist upon having an all-star team, regardless of how it's named.

R-W-R

Willis Best

So much for the preliminary pitches, here's the best and second best combinations as we regard the Bi-State loop:

- First Team
1b...Willis-46, Newark
2b...Cooney-36, Perryville
3b...A. Lloyd-37, Perryville
ss...Lucas-37, Perryville
lf...Goldy-30, Perryville
cf...Crosby-27, Aberdeen
rf...H. Burns-33, Aberdeen
c...Robert-37, Newark
p...Akers-39, Perryville
p...Whiteman-27, Newark

In our opinion, Vic Willis was the most valuable player in the league with Ray Goldy, Perryville's efficient and under-rated outfield star, a close second.

Honorable mention is due little Jackie Myers, diminutive Havre de Grace second baseman who hit .324, and Charlie Trust, Aberdeen shortstop who tagged opposing hurlers at a .397 clip.

CLARK'S GRIDMEN TO FACE P. M. C. AT CONVENTION HALL

Team Put Through Long Scrimmage In Preparation For Tilt; Tommy Ryan and Charlie Swartz Doubtful Starters; Few Shifts Made In Lineup; Cadets' Season Poor

By Bill Fletcher

Atlantic City—Convention Hall—and the University of Delaware opposing Pennsylvania Military College in a grid tussel that has proved to be the greatest drawing attraction on the Blue Hen schedule. Special trains have been arranged to transport local followers to the scene of this night classic.

Convention Hall

The Convention Hall is literally colossal in its proportions, covering an area of seven acres. It is 350 feet wide by 650 feet deep, and provides a total seating capacity of nearly 75,000, the main auditorium alone having a seating capacity of 41,000. The floor of the main auditorium is 168,000 square feet in area, while an additional space of 1000,000 square feet is provided on the ground floor.

Some idea of the immensity of the main auditorium may be gained from the fact that a 13-story building, 500 feet in length and 200 feet wide, might be erected within its walls, leaving a space of 100 feet on all four sides.

A victory over the Cadet team would prove a delectable morsel for Blue and Gold rooters who have seen the Hens drop four of the last six games played against this old rival. Victories were capped in 1931 and '32.

Hens Scrimmage

Coach Lyal Clark sent his charges through their first scrimmage in several weeks, on Tuesday morning and the boys displayed their best practice showing since the season started.

The Delaware mentor was displeased with the showing made by the Hens in the St. John's tilt last week but as preparations progress for the P. M. C. contest, indications point to a hard fought contest. He was satisfied with the work of Dillon, Swartz, Drozdov and George.

At any rate, the boys on the field Saturday night are going to be in there and on their toes and Coach Clark has made certain of that by making a few shifts in the lineup. Players caught napping in the Johnnie game have been replaced.

The potential lineup: ends, Jack Daly and Joe Scannell; tackles, Horace Payne and Swede Drozdov; guards, Captain Jack Hodgson and Frank Frankofski, center, Jim Dillon. In the backfield will be Lew Carey, quarterback; Viden and Fenton Carey, running backs; and Ernie George, bucking back.

Injured Hens

Injuries may deprive the Hens of a valuable back and a lineman—Tommy Ryan and Charlie Swartz who were placed on the casualty list as a result of last week's game.

With the season's record somewhat of a parallel to Delaware, the Cadets have won only one game this year. The lone victory was chalked up against West Chester State Teachers College, 8-0. Villanova, N. Y. U., F. and M., and Lebanon Valley, all formidable opponents, have taken the measure of the Junior West Pointers.

There will be no mixing of new men with veteran players in the starting lineup. It will be a team of seasoned gridders that starts against the Blue Hens.

Expected to Star?

In point of service, the youngest Cadet will be Frank Spang, a sophomore, hero of P. M. C.'s victory over Delaware last year. It was with a long run that Spang put the Cadets in position to score their lone touch-

co-captain of Newark High School's football outfit, will probably be laid up for several weeks with a painfully dislocated shoulder... suffered in the P. S. DuPont struggle last Saturday.

While the Florida 'Gators were munching terrapin meat last Saturday—7-6—Willis, Maryland end, was injured in the groin... he's still in the College Park infirmary and may be out of action for one or more games.

SHUFFLES LINE-UP

COACH LYAL CLARK

Profoundly displeased over the showing made by several of his stars against St. John's last Saturday, the Delaware coach promises to introduce several changes in the starting cast against P. M. C. at Atlantic City this week.

down over the Blue Hens.

P. M. C.'s lineup will include: Cy Sebeck, Pete Buck, seniors, ends; Bud Pollock, Ed Stern, juniors, tackles; Al Ryan or Dick O'Malley, juniors, and Bob Chervanik, senior, guards; Andy Lacey, senior (captain) center; Danny McFadden, quarterback; Andy Elke, junior, left half; Frank Spang, sophomore, right half; Wilmer Lockwood, senior, fullback.

Dave Hickman, senior from West Chester, will be first substitute at tackle.

Although several injuries have appeared among new men as the result of the game with Lebanon Valley, and it is doubtful whether Mal Stevens, veteran back who played a sterling game against the Flying Dutchmen, will get into action, all the foregoing men are expected to be set to go when the game begins against the Blue Hen in Atlantic City's Convention Hall.

Extra Hole Is Added To Local Golf Course

Work has begun on another hole at the Newark Country Club, a step in the plans to eventually turn the local course into an eighteen-hole layout within the next two or three years.

This tenth hole, which will be the ninth one in the finished product will be 575 yards long, with the green near the club house and the tee near the tee of hole three. It is expected to be playable in June.

A sand trap will be the chief hazard. Unlike the traps on other holes, this consists of a pit that runs from the left of the green into the green.

Extra trees have been planted to the right of number nine green so that it will be necessary to shoot

Meet Capital Team Friday; Intercepted Lateral Gives P. S. du Pont Victory

JUNIORS DROP OPENER

By LeRoy Carlisle Hill, Jr. (School Sports Correspondent)

After trailing for three fourths of the game, Schoy, P. S. du Pont end, intercepted a lateral pass and raced to a touchdown in the last quarter to tie the Newark High School Yellow Jackets and send them down to defeat when the extra point was added.

The Dymiters' first try for the point was bad, but an offside ruling gave them a chance to repeat their efforts which they capitalized on.

Skillman Scores

Newark's score came in the second period when Skillman, on an off-tackle play, ran fifty yards through the entire du Pont team to score. Ewing's try for the extra point was blocked.

"Bones" Egnor, star tackle and co-captain, will be unable to play for the remainder of the season due to a dislocated shoulder. Co-captain Ren George suffered a slight concussion.

On Friday the Jackets will pit their resources against Dover on the home field. The game will start at 3.15.

Warrington, who performed for the Newark Junior Legion this summer is one of the mainstays of the Dover line.

Coach "Irish" O'Connell's J. V. team dropped its first start to Delaware City last Friday, 7-0.

Famous Cue Stars To Show Wares At Martin's Academy

Seven internationally-famous billiards and pocket billiards stars will appear on the winter card at Jimmy Martin's State Academy during the 1936-37 season, Jack Fossett, assistant manager of the establishment, announced this week.

While a definite schedule has not been released as yet, the parade of artists will include Pasquale Natalie, Chicago; George Kelly, Philadelphia; Erwin Rudolph, Cleveland; Welker Cochran, Los Angeles; Jimmy Caras, Wilmington; and Al Mosconi, Philadelphia.

Another star will appear as the "Masked Marvel." Although his identity will remain secret until after his appearance here, the latter performer played in the series for the world title last winter which is limited to the ten leading artists in the universe.

Jimmy Caras, world champion at pocket billiards, will oppose Mosconi in a special match on the local maize.

ALASKA'S HUMMING BIRDS

Strange as it seems, humming birds are residents of Alaska. They are most often found in June when they leave the Northwest and southern British Columbia for the blueberry blossoms of southeastern Alaska. Authorities say this is only a day's flight for them.

LTS. STANCOOK AND PHELAN LEAD POWERFUL NEW YORK ASSEMBLAGE

Officers Both Recent Stars At West Point; Two Army Titles At Stake; Teams Divided Pair In 1935; Visitors Heavy With 180-Pound Backfield Following Strong Line

By "The Roamer"

Although getting an unexpected "breather" last Sunday when the highly touted Fort Monmouth eleven proved to be a dud, Coach Captain Chadwick's Fort Du Pont football warriors are not taking anything for granted as final preparations are being made to receive Fort Jay this week.

A record crowd is anticipated for the Sabbath clash which will decide a pair of championships—the Eastern Army and the 2nd Corps Area. The kickoff, as usual, will take place at 2.30.

Divided Last Year

The Jayhawks from Governor's Island have always been a thorn in the side of Du Pont teams. Last year, the rivals split a pair of contests and the classy Delawareans were forced to share the 2nd Corps Area crown with the New Yorkers.

Larry Fath's minions triumphed over the infantrymen at Delaware City in 1935 by a 12-7 count, but the Red Devils were tripped at New York later in the campaign, 20-13.

Last year it was a pair of West Point graduates—Lieutenants Stancook and Sebastian—who worried the Engineers. This season Stancook is back in action supported by Lieutenant John Phelan, another Pointer worthy of something more than passing interest. The latter is a lineman—and what a lineman!

All-American Stars

Stancook needs no introduction to partisans of Du Pont teams. His deeds while at West Point made him a national hero and sports idol. Versatile as a blocker, passer and runner, Stancook is a definite threat to the Engineers' chances of taking the corps title.

Phelan, a 6-foot, 204-pound tackle, is the answer to a coach's dream. His work while playing with the Cadets brought him All-American mention from leading sports writers and his presence Sunday in the visiting line will offer a genuine barrier to test the Devils' attack to the utmost.

Although defeated twice this year, Jay was beaten on both occasions by powerful Long Island professional teams. Weekly practice sessions have been staged with the New York Giants of the National Professional League and the Brooklyn Tigers of the new American circuit. The drills have served to turn the Jayhawks into a smoothly working machine.

Heavy Squad

The Jay team will be the heaviest aggregation Du Pont has faced this year. With the lightest man on the line tipping the beam at 185, the forward wall averages 195 pounds. The backs average 180.

Since their workouts with the New York and Brooklyn aggregations, the Infantry warriors have downed three army opponents in succession, registering 99 points to none for their victims.

Captain Chadwick, according to late dispatches from Delaware City, pronounces the Engineers in prime condition to greet the Jayhawks in a warm but not-too-friendly fashion.

A deep rivalry exists between the

teams which usually serves to bring out the best talents on both sides of the scrimmage line.

FLASHES

By BILL FLETCHER

ALUMNI AND UNDERGRADUATES—professors and townsmen—teachers, bakers, lawyers, doctors—richmen, poormen, beggomen and thieves—bankers, barbers, builders and salesmen will temporarily suspend business for the night and journey to Atlantic City to view the annual night grid—"BILL" FLETCHER classic—the yearly clash between the University of Delaware and Pennsylvania Military College in Convention Hall.

No other contest, with perhaps the Washington College game a doubtful reception, has aroused more interest and feeling than this seashore struggle between the Blue Hens and the Cadets.

Lady Luck turned a cold shoulder to the Blue and Gold following the first night meeting which the Hens won 7-6, in 1932, and the last three combats have gone to the Kaydets by more or less decisive counts: 25-0 in 1933; 12-0 in 1934, and 7-0 in 1935.

STRIKING PARALLEL glares at a with only one victory chalked up for both teams, although P. M. C. has been meeting a list of opponents that are liable to give any opponent—major or otherwise, a bad case of acute indigestion. West Chester State teachers College is on record as the one vanquisher—let down easily by the count of 8-0.

Villanova initiated the Cadets' 1936 campaign by opening up with a barrage of broadsides that humbled Jud Timm's men 32-7. New York University followed by administering a 26-0 rubbing, preceding the West Chester excess. Franklin and Marshall then took the measure of the Cadets 26-0 and the Flying Dutchmen of Lebanon Valley proceeded with the humbling by notching a 7-6 conquest. All worthy opponents to be sure.

The Blue Hens have suffered defeats from Georgetown, Mount St. Mary's, St. Joseph's and St. John's while the lone victory is sported over Randolph-Macon. And yet, despite the lack of bright spots to date, the Delaware lads have displayed some powerful fine football which might crop up Saturday night.

A lotta pennies have been saved by members of the student body for this bit and a guy usually begs, borrows or steals, if he has to, in an effort to be at the ocean resort for this annual dash. It's somewhat of a high spot on the schedule for most of the collegians and they usually get their by hook or crook.

WHAT'S A HIGH SPOT to the student body is somewhat of a "hot spot" to members of the team, however, for an indoor stadium with a seating capacity of 20,000 isn't exactly the choicest place in these Democratic United States.

While spectators bask in a comfortable warmth devoid of the usual autumnal nipping winds and chills—the players are forced to undergo a torture that may be serving only one good purpose—that of preparing them for an indefinite sojourn in a corner, reputedly much warmer—yes, much warmer.

There's a striking similarity in this game to the old Roman Holiday with perhaps one outstanding difference—the Romans weren't playing. At least the Latin occasions had one good point—it didn't take a hungry lion with the determination of a G-Man long to get through the process of putting his victim out of painful misery—thus the agony was cut short. But, woe unto the griddled griddle who is roasted 'til he's toasted, fed with dust until he feels like a sandbox and forced to perspire until he feels like a moving replica of Niagara Falls—he's only playing a game—but he's got to stay in there until he gets relief—relief that may come in one minute or sixty minutes. So when you're all enjoying yourselves—don't forget to utter a word of prayer for the guys who are game because they'll be having dust for their first course during the next three weeks.

It'll be a battle and a hot game in more ways than one.

INTRA-MURAL ATHLETICS according to Joseph A. Shields, supervisor of the program, should go into action within the next few days. That the new system will prove more satisfactory than the old is evident even at this early date with ten teams signed up, eight members to a team, to participate in the basketball competitions. Thus, approximately eighty boys will participate in this sport alone—a total which exceeds the number who participated in ALL interfraternity sports last year.

What with badminton, swimming, table tennis, and a long list of other activities in the offing, the advantages of this innovation are plainly evident.

GREEN TALKS ABOUT THREE NOTED EVILS

Christiana Pastor Delivers Tirade Against Crime, Movies and Liquor

HONOR ROLL STUDENTS

By Mrs. Edna A. Dickey

Christiana, Nov. 5.—Rev. Richard M. Green delivered a special temperance sermon last Sunday morning at the Christiana M. E. Church. He stated that there were three phases of American life today that should be defeated: (1) crime, (2) the looseness of sex in the movies, stage, etc., and (3) the growing debauchery of liquor.

In the evening, Mrs. Katie L. Dockety of Wilmington, gave a very interesting talk, outlining the origin of the W. C. T. U. and its accomplishments in the past and the goal for the future.

Next Sunday morning, Holy Communion will be administered by Rev. Harry Wilson, also at Salem M. E. Church in the afternoon. Next Sunday evening at the Christiana M. E. Church, the Rev. Richard M. Green will deliver a narrative sermon at 7.30.

Arrange Home Coming

The annual Home Coming Service of the Christiana M. E. Church will be held on Sunday, December 6. The morning speaker will be Dr. Francis Harvey Green, headmaster of Pennington School, Pennington, N. J. The speaker for the afternoon and evening will be announced later. Special music is being arranged.

The dinner and supper held by the ladies of the church on Election Day was very successful. A goodly sum was added to the church treasury.

Anyone having luggage for the sale at 802 Tatnall Street, Wilmington, on November 20 and 21, please call Newark 214R3 or 7J3, and someone will call for it.

Complete Supper Plans

Final plans are being completed by the ladies of the Christiana Presbyterian Church for their annual poultry and oyster supper to be held in Eagle's Hall on Wednesday evening, November 11.

The following pupils of the Christiana-Salem Consolidated School have made no grade lower than B, and are on the honor roll for the six week's marking period:

Grade 1: William Reusch, Franklin Sylvester, Virginia Cleaves, Delena Amoroso and Elsie Harris. Grade 2: Elva Edwards and John Takach. Grade 3: Virginia Murray. Grade 4: Charles Lebegern and Dorothy Baker. Grade 5: Margaret Marshall, Taisy Morgan, Katherine Lebegern and Helen Cleaves. Grade 7: Marie Baker, Pauline Baker and Norman Laws. Grade 8: Elizabeth Reusch, Anna Amoroso and Anna Stevens.

First Aid Classes

Christiana will have five representatives from the 4-H Club to attend the first aid classes to be given by Mr. Potter in Wolf Hall, Newark. The classes will continue for five Monday nights beginning November 2.

The following are the representatives: Jay Walker, Irving Hutchison, Anna Stevens, Robert Boggs and Doris Simmons.

The Dramatic class at the school under the direction of the Bureau of Adult Education is meeting every Wednesday evening at 8 o'clock. Mrs. Jones is the instructor. The class in child study, Mrs. Fielding, teacher, meets every Thursday evening at the same time.

Pupils Hold Party

The pupils of the first and second grades held a Halloween party last Friday afternoon. A very happy afternoon was spent by the little folk. Refreshments were served and prizes awarded.

Miss Doris Workman of Wilmington was the guest of Miss Patsy Morgan over the week-end.

Fader Goes West

A Franklin Fader, dean of Ford dealers in the Eastern portion of the United States and head of the Fader Motor Company, 42 W. Main street, which he founded in 1911, will leave Newark today to join 7000 Ford dealers in convention at Detroit.

For the first time since the Ford Motor Company was founded more than 33 years ago, dealers from all parts of the United States and Canada will gather at Detroit on Friday and Saturday for a huge meeting with Henry Ford, founder, and Edsel Ford, president, of the company.

Present indications point to an attendance of approximately 7000 dealers. The influx will tax hotels and crowd to its capacity the huge coliseum at the State Fair Grounds where the main meeting will take place. Preparations have been made to house the dealer group in various hotels and in Pullmans parked in various railroad yards.

Present For Ford

The purpose of the meeting is the unveiling of the new Ford V-8 cars for 1937, but the climax will come when the dealers present to Henry Ford in historic old Greenfield Village the 300-year-old Cape Cod Windmill, built by the Pilgrims in 1633, once a landmark at West Yarmouth, Mass.

The majority of the dealers will gather on Friday morning where a fleet of 200 buses will transport them to the State Fair Grounds for the meeting. Traffic experts of the Detroit street railways have selected a number of routes from the downtown districts over which the buses will be operated in groups to insure the minimum of traffic congestion.

Haney Likes Outlook

Today's business outlook is the brightest in many years. This was the assertion of George M. Haney, manager of the Newark Branch of the Wilmington Auto Sales Company, 164 E. Main street, Chevrolet dealers, upon his return from Philadelphia, where 1000 dealers, salesmen and salesmen have just completed a one-day convention.

The meeting was held in the Scottish Rite Temple, under the direction of H. L. Horton, Chevrolet Atlantic Coast regional manager, and Joseph Simmons, manager of the Philadelphia zone. They were part of a scheduled series of fifty such Chevrolet conventions being held this week throughout the United States to acquaint the retail organization with Chevrolet's forthcoming product, and with the policies to be followed in 1937. More than 35,000 will attend the meetings, making the program the most ambitious of its kind ever undertaken by the Chevrolet Motor Company.

Mr. Haney said: "After seeing the new cars, it is going to be a difficult matter to keep the secret, for they are the finest cars Chevrolet has ever produced. With them, Chevrolet dealers will have little trouble in breaking the all-time high record of 1936 by selling 1,200,000 units."

Starter Celebration

This year marks the twenty-fifth anniversary of the practical application of the electric self-starter to automobiles and plans are under way to take note of the event in New York in connection with the annual automobile shows in mid-November.

Charles F. Kettering, now vice president of the General Motors Corporation in charge of research, developed the self-starter in 1911, working with a loyal band of helpers under severe handicaps in the barn which served as the first "factory" and "Executive offices" of the Dayton Engineering Laboratories Company.

The self-starter was applied to Cadillac cars by Henry M. Leland and became standard Cadillac equipment in 1912, opening the door for women drivers.

Follow New Feature

Starting in the issue of November 12, the Post will feature a series of articles known as "There's A Law."

Feeling that many people, especially newcomers to Newark, are ignorant on ordinances enforced here, THE POST obtained permission from Mayor Collins and the Council of Newark to publish the series.

Every town law now in effect will be included in the set which will run for an indefinite period. Citizens will be surprised that hundreds of innocent infractions of the code are committed annually.

The series should prove informative and interesting.

YOUNG PUPIL GETS PRAISE FOR PROGRAM

State Music Director Names Work of Newport Girl As Model; Play Given

GRANGE PLANS SUPPER

By Emma S. Maclary

Newport, Nov. 5.—Professor Charles Edwards of Wilmington spoke at the Krebs School Monday morning on "Musical Instruments and their Use." Professor Edwards stated that the earliest musical instruments developed and used were the drum and tom-tom, and he gave an illustration of their use and music.

In explanation of the demonstration, D. J. Richey, principal of the school, spoke to the children, informing them if they were interested they could then discuss the various instruments with Mr. Edwards who has many pupils at the Krebs School, and is in charge of the local school orchestra.

Grange Confers Degrees

Delaware Grange No. 46, P. of H. of Newport at their weekly session on Monday evening conferred the third and fourth degrees on a class of seven candidates. The initiation was in charge of Bayard B. Taylor, master of the grange.

Announcement was made of the New Castle County "Go to Church" day which will be November 8. Special services will be held at the Hanover Presbyterian Church, Wilmington, members to meet at the church at 7.30.

Plans were discussed for a supper to be held by the Grange in the near future. Mrs. R. S. Pordham was named chairman of the affair, and the date will be set by the committee.

Attendance Contest

In the attendance contest being sponsored by the Grange, the "Canary" side, with Miss Sarah Snodgrass, captain, was leading the

"Bluebirds," captain, Mrs. B. B. Taylor. During the lecturer's hour, Mrs. Blanche Mahan entertained with a vocal solo, "The Garden of Prayer," and was accompanied by Mrs. R. P. Robinson.

The Newport Branch of the W. C. T. U. held its monthly business meeting on Wednesday afternoon at the Church House.

The Ladies Aid Society of Newport M. E. Church will serve its annual turkey supper on Thursday evening in the Masonic Hall, Newport, from 5 to 8 o'clock.

New Sewer Work

WPA workers are doing the excavating for the Newport Town Board for additional sewers and water lines which are being laid in the town.

The fifth grade pupils of the Krebs School were in charge of the assembly program this week, presenting a program on "Delaware," including original poems and stories concerning Delaware industry, which were illustrated by pictures drawn by members of the fifth grade.

The feature of the program was a play "Caesar Rodney's Ride," in which original songs were presented. Words and music of these songs were arranged by Janet Colcord, a member of the class, who directed the play.

Director Impressed

Miss Sarah Goldstein, teacher of music in the Krebs School, stated that Glenn Gildersleeve, director of music in the state, had been a visitor at the school, observing music in all grades, and that he was so impressed with the original composition "Delaware" as composed by Janet Colcord, a fifth grade pupil at Krebs, that he is going to have this song distributed to the schools of the state for use in connection with school programs.

The third grade pupils of the Krebs School, under the direction of Miss Elsie Nowland, are engaged in a special unit of work at present, involving the study of the history of Newport, and a miniature layout of the town is being arranged and set up in the center floor space of one of the rooms at the Krebs School. Parents and friends of the children will be invited to view the work when it is completed.

Make Appointments

At the meeting of the Krebs School P. T. A. held on Tuesday evening, Mrs. George Kipe, President, appointed the following committees: membership, D. J. Richey, chairman; health, Mrs. Nicholas Brojols, with Miss Belle Chambers and Mrs. Lee Nichols, assisting; program, Mrs. S. N. Tammany, chairman, to be assisted by Mrs. Harrison Day and Mrs. Charles Whiteman.

Mrs. C. W. Maclary and her sister, Mrs. Laura F. Jones, of Wilmington who has been a guest, visited with their brother and family, Mr. and Mrs. George MacNamee of Chester, Pa. this week.

Choir To Have Bake

The women of the Newark Presbyterian Choir will hold a bake at the Vanity Box, E. Main Street on Saturday, November 14, from 10 a. m. to 2 p. m.

SHIPS MUST SAIL EAST TO REACH WEST COAST

A paradox, similar to the one for which Columbus was ridiculed, is found at the Isthmus of Panama. There it is necessary to move east (by traveling southeast) in order to reach the West or vice versa.

In traveling from the Atlantic to the Pacific Ocean the exit of the Panama Canal near the city of Panama is virtually 30 miles south and 25 miles east of the entrance near Colon.
