Dear Sister

I take this opportunity of writing you these few lines to inform you that I am well at this time hoping this may find you the same we are now laying about 2 miles from the James River waiting for our papers to be made out and for transportation to Washington and if we have luck I guess by tomorrow we will be on the way home and then you can clear the decks for action I think if nothing happens to detain us that we will be at home the last of the month I don't think much sooner for it will take us some time to get settled up with the Government But I guess we can make it by the 4th any how or I hope so at least

I remain your Brother David Lilley
