Motion prevailed.

On motion of Mr. Matthews, House Bill No. 517 with House Amendment No. 1, entitled:

An Act to amend Chapter 192, Volume 36, Laws of Delaware, being An Act entitled "An Act to reincorporate the Town of Smyrna" providing for the separation of the offices of the Town Collector and Alderman providing for the qualifications, nomination and election of Town Collector and providing for the qualifications and appointment of Alderman.

Was taken up for consideration and read a third time, by paragraphs, in order to pass the Senate.

Mr. Matthews moved that all rules be suspended and that so much be considered the third reading of the bill.

Motion prevailed.

On the question, "Shall the Bill pass the Senate?"

The yeas and nays were ordered, which being taken, were as follows:

YEAS—Messrs. Chandler, Davis, Hannam, Kelly, Maloney, Marshall, Matthews, Moody, Moore, Poore, Ross, Steele, Sylvester, Thomas, Wright, Mr. President Pro Tem—16.

NAYS—None.

So the question was decided in the affirmative, and the bill having received the required constitutional majority, passed the Senate.

Ordered returned to the House.

Mr. Hannam, on behalf of the Committee on Buildings and Highways, to whom had been referred, Senate Bill No. 53, entitled:

An Act to amend Chapter 166 of the Revised Code of Delaware, 1935, entitled, "State Highway Department," by providing for the establishment of a Public Highway Drainage System; authorizing the State Highway Department to construct Ditches and Drains, and to take over existing Ditches and Drains affecting Public Highways, and to maintain, regulate and control the same; directing the several Levy Courts to appropriate money for, and otherwise to provide for the expense thereof; and by providing for the punishment of persons wilfully or negligently injuring Ditches and Drains; and by providing the power of Eminent Domain.

Reported the same back to the Senate favorably with Senate Substitute.
