## INTEREST INCREASING IN POST DRIVE

### TOWN AND STATE POLICE WORKING ON FATAL CRASH

Intensive Investigation Is Started in Attempt To Find Cause

### STUDENTS QUESTIONED

Conflicting Statements Are Given By Pair; Inquest Date Not Set

Newark and State police are conducting an intensive investigation into the activities of Fred White and Leonard Yerger, Jr., victims of the fatal automobile accident here early last Saturday morning, from the time they are thought to have attended a "pep fest" at the University of Delaware Friday evening until the time of the crash.

Several witnesses have been questioned and others are slated for questioning very soon. Through them it is hoped that the real cause of the mishap can be learned.

Young Yerger, who is said to be recovering at the Wilmington Hospital, will be questioned when his condition will permit it. White was killed instantly.

According to information from unofficial sources, Yerger retained consciousness throughout the entire ordeal although maimed and seriously injured.

#### Take Statements

White, 19, of 2614 Market Street, Wilmington, and Yerger, also 19, of 912 W. 30th Street, Wilmington, fellow students at the University of Delaware and said to have been pushed to the Sigma Nu fraternity, were returning from Hill Top Farm, on the Fair Hill Road near the Maryland Line, when the accident happened, according to statements given police by Ralph Groves and Francis McKee, two other students and members of the fraternity.

McKee, who hails from Dover, stated that he and Groves had had "double dates" arranged for Friday evening after the "pep fest," but that the young lady with whom he had made plans, a student at the Women's College, found it impossible to keep the engagement.

He then took Groves, whose home is at 607 S. Clayton Street, Wilmington, to Hill Top Farm where arrangements were made to call for him later in the evening.

#### White Trails Along

Receiving a telephone call from Groves at the Sigma Nu House about 12:10 Saturday morning with a request that he come to the farm to return him to Newark, McKee said that he found White and Yerger in the former's machine when he was leaving in his own car in quest of Groves. The pair suggested that they trail him to the farm.

The statements, which were taken by Officer James E. Morrison of the Newark force and Lieutenant Cole of the State Police, conflict in many details thereafter.

According to McKee, White hailed Groves as he was leaving the farm house and invited him to "ride home in a good car." The invitation was ignored and White is then supposed to have offered to wager twenty-five cents to a nickel that he would beat McKee to Newark. Groves insists that he heard no such wager.

#### Stopped on Hill

While McKee stated that he paid no attention to the proffered bet, he said that he and Groves left the farm (Continued on Page 6)

### Employment Office Here To Be Open On Saturdays

Miss Elizabeth McNeal, who has been in charge of the Newark branch of the Delaware State Employment Service since its opening in the spring, announced yesterday that she is shifting her schedule from Wednesdays to Saturday mornings.

Service will be given to employers and prospective employees every Saturday morning from nine until twelve at the offices of the Council of Newark, 26 Academy Street.

### Student Adviser

Col. D. M. Ashbridge, Retired

Head of the University of Delaware Personnel Bureau who spoke before the College Hour held Tuesday in Mitchell Hall. Col. Ashbridge is achieving notable success in his enterprise which serves to find employment for Delaware graduates.

### STUDENTS HEAR COL. ASHBRIDGE

Speaks at College Hour; W. C. D. To Celebrate Founders' Day

Colonel Donald M. Ashbridge, retired, head of the University of Delaware Personnel Bureau, was the speaker at the College Hour held on Tuesday morning.

Before Col. Ashbridge was introduced by Dr. Walter Hulihan, a prayer, led by the Rev. Andrew W. Mayer, was offered for Fred White, son of Mr. and Mrs. Harry N. White, of Wilmington, the victim in last Saturday's crash tragedy.

Col. Ashbridge in his address gave the students of Delaware College many hints on their procedure in securing employment through the bureau and the course of their actions when being interviewed by a prospective employer.

In his work with the department last year, Col. Ashbridge achieved commendable success.

#### University Hour Program

Dr. Raymond Dittmars, who appears on the University Hour program in Mitchell Hall, Thursday evening, October 15, at 8 o'clock, brings with him one of the strangest and most fascinating five-reel motion pictures ever made. The title of his lecture will be "Strange Animals I Have Known," and the pictures will serve to authenticate some of the almost unbelievable experiences which he will recount.

The pictures will include films showing his attempts to educate the anthropoid ape, the rather highly developed engineering ability of the American beaver, deadly combats between poisonous serpents and also of marine life. A feature of the latter is a fight between a devil fish and a giant turtle.

### Forum on Crime To Be Conducted by "G-Man"

A forum on the subject "Is There a Cure for Crime?" will be conducted at the Wilmington Y. W. C. A., 908 King Street, next Monday evening at 7:30. The speaker will be Reed E. Vetterli of the Federal Bureau of Investigation of the United States Department of Justice.

Mr. Vetterli, a native of Salt Lake City, is an attorney-at-law who has been in this service for ten years. During that time he has been in charge of fourteen field offices, supervised two of the major kidnapping cases, and was wounded in the massacre which occurred at the Union Station, Kansas City, Mo., three years ago.

### CRASH STARTS MOVE AGAINST CAR SPEEDERS

State Police Asked To Aid; Petition Against Jarmon Erection Is Rejected

### MUST PETITION PASS

Automobile speeding must be stopped was the opinion of the Town Council at its regular monthly meeting Monday night in the Council Room on Academy street. The body decided to request the assistance of the state police in patrolling Newark streets in an effort to apprehend motorists driving at a limit-breaking rate.

Action was decided upon, Mayor Frank Collins said, as a result of the accident early Saturday morning which cost the life of Fred White, University of Delaware student.

On motion of Councilman Emerson Johnson, council authorized an amendment to the parking law to permit a vote on limiting street parking to one hour. Attorney John Pearce Cann will draw this amendment to reduce the parking limit from three to one hour.

#### Petition Rejected

A petition, signed by 17 residents of the southern section of the town, asking council to refuse a building permit to Reese Jarmon for the erection of a store at Kells avenue and South College avenue was rejected. In making the rejection, Mayor Collins, speaking for the council, pointed out that 97 families are living in this vicinity in properties owned by 66 people. Since there were only 17 signers and 49 property owners who did not sign, the petition could not be granted. The petition was presented by T. D. Smith who headed a committee composed of G. M. Gilligan and P. S. Lagasse. Harry H. Cleaves spoke on behalf of the erection of the building.

The motion by Charles C. Hubert, seconded by C. Emerson Johnson, was unanimous that Jarmon build his establishment.

#### Trains Requested to Stop

A resolution was passed requesting the Baltimore and Ohio railroad to arrange for stops at Newark of the 5:23 p. m. and 8:46 p. m. southbound trains.

In discussing the lack of consideration of the resolution from the American Legion and the Lions Club regarding the construction of the underpass, Mayor Collins stated that the issue should be presented in the form of a petition filed by taxpayers. Councilman Hubert suggested the erection of a fence along the railroad to prevent crossing.

Fifty water meters have been contracted for from the Worthington-Gamon Meter Co., Harrison, N. J.

The treasurer's report revealed that the balance on September 30 was \$3,364.14. Disbursements in September were \$12,325.70 and receipts totalled \$5,775.82.

#### 27 Arrests

Chief of Police William Cunningham reported 27 arrests and one accident investigated. Fines amounting to \$124 were collected and five prisoners sent to the workhouse in default of fines.

Clean-up Days as decided by Council will be Wednesday and Thursday, October 21 and 22.

### State Police Continue Safety Drive on Autos

The State Police drive against vehicles which fail to display the official 1936 approved stickers is still in progress with the aim of having every Delaware car using the streets and highways in a safe condition.

Continuing to suspend the registration of all cars which have not been inspected and approved, the State Motor Vehicle Department is enforcing the law in every respect. Suspensions occur after owners fail to comply with a five days' notice given by the police to have cars inspected and approved.

Safety lanes are located in Georgetown, Dover and Wilmington.

### SCOUTS PLAN BENEFIT SHOW ON OCT. 19-20

Local Organization Makes Drive For Funds; Troop Has Sixty Members

### POSSESS HIGH RATING

In an effort to raise funds for the purpose of enlarging scouting activities this year, the members of the Newark Boy Scout Troop will conduct a moving picture benefit at the State Theatre on Monday and Tuesday, October 19 and 20.

The Devil is a Sissy, featuring Freddie Bartholomew, Jackie Cooper, Mickey Rooney, and Ian Hunter will be the feature presentation on these two days.

Membership in the troop is open to all boys in Newark who are twelve years of age and over. The membership of the local organization now numbers 60.

#### Active Service

As part of their training in Community Service, the boys last year engaged in the following activities: October of last year the Newark Welfare Committee enlisted the aid of the troop in conducting a house-to-house canvass for discarded clothing; in November the troop aided in the distribution of baskets at Thanksgiving time; in December, they collected discarded toys and, at their own expense, repaired and repainted them and placed them at the disposal of the Newark Welfare Committee and on Christmas Eve, the boys were delivered by the scouts to thirty Newark families. In March of this year, they received a call from the American Red Cross to assist in collecting food and clothing to be sent to Sunbury, Pa., for use in the flood district. The call was received Friday afternoon and by Saturday noon, the boys had collected several hundred garments, sorted, packed and delivered them to the American Red Cross headquarters in Wilmington.

Other community service consisted of service to the Public School May Mart, to two churches and to the American Legion during the Memorial service.

#### Camping Honors

The local troop has received a very high rating in scouting in the Wilmington Area Council, and placed second in the competitive camping contest held for all Wilmington Area Troops during the month of June.

Direction and sponsorship of the Newark organization is under a group of citizens representing the town and by the American Legion Post, with Mr. T. A. Baker as chairman.

Your unstinted support of the Newark Troop's Movie Benefit would be a way of recognizing the scouts' services to the community. See you at the show!

### Horse Show at Tip Top Farm, Saturday, October 17

On Saturday, October 17, a horse show, under the sponsorship of the Newark Hunt Club, will be staged at Tip Top Farm, near Newark. In case of bad weather, the event will be postponed to the following Saturday.

Entries for the show close Saturday, October 10 and since the time has expired during which entries could be made free of charge, \$1.00 per horse per class is now being charged.

All entries must be mailed to John K. Johnston, Newark.

Prizes will be awarded in all classes of the show which is licensed by the American Horse Show Association and subjected to their rules.

### Local Postoffice Pays Large Sums to Veterans

Postmaster C. E. Rittenhouse made known this week that a total of \$73,150 had been paid to World War Veterans through the Newark office since the bonus certificates were distributed on June 15.

While some veterans lost no time in cashing their bonds, others have been more frugal, converting them into cash one at a time.

### POST OFFERS CASH PRIZES TO ALL CONTESTANTS; PAY BIG CASH COMMISSIONS IN DRIVE

Start Your Campaign Today; There Is Nothing To Lose; Good Pay For All Those Who Make A Real Effort To Win; First Big-Vote Period Ends October 17th

The vote totals in THE POST subscription campaign take a jump today. THE POST is offering more than \$1,000 in prizes and commissions to the people of this section for getting subscription payments to this popular weekly newspaper.

Subscribers should take an interest in some candidate when paying a subscription. It does not cost anything extra to give votes, and some candidate will certainly appreciate the help. If you are going to pay your subscription, ask for the votes when paying. No votes will be allowed after payment has been made and votes are not asked for.

### BOOK REVIEWED BY MISS COBB

Accounts "Gone With The Wind" Before Century Club Members

Miss Caroline Cobb was the principal speaker at the first meeting of the year of the Newark New Century Club, held Monday, October 5, at the club house. Miss Cobb gave a vivid and sympathetic review of the book, "Gone With The Wind" by Margaret Mitchell, one of the outstanding contributions to literature during the past year. She succeeded admirably in giving her audience a glimpse of the setting and character of the book, without detracting from the enjoyment of future readers.

#### Luncheon Served

The review was preceded by a luncheon served by a committee under the direction of Miss Anna Frazer.

At the business meeting, Mrs. Leonard Fossett, chairman of the Ways and Means Committee, announced that a rummage sale would be held early in November. Mrs. A. D. Cobb, chairman of the Welfare Committee also announced that the annual benefit card party for the welfare work will be held at the home of Miss Elsie Wright. The date will be announced later.

It was also disclosed to the group that a course in Home Hygiene and Nursing is to be carried on under the sponsorship of the Red Cross.

Miss Winifred Robinson, Dean of the Women's College, University of Delaware, invited all club members to the Founders' Day program which is to be staged at the school.

Mrs. R. T. Jones, president of the organization, announced the completion of committee formations with the appointment of the Music Committee consisting of the Club Chorus with Miss Nell Wilson and Mrs. Thomas D. Mylrea co-chairmen.

Never at any time will all of the votes for all of the candidates be published in this campaign. None of the candidates may have all their own votes published from week to week as it is not a good policy for anyone to have all their votes show in the paper.

The first prize of this campaign is \$500 in cash. The winning candidate will be the person having the greatest total of votes the closing night of this campaign, October 31.

Votes are secured by a candidate collecting subscription payments from both old and new subscribers. Back payments give votes also. Any candidate has the right to go any place at all after payments. No one has any particular field in which to work.

It is only natural that a candidate would be more liable to secure subscriptions where best known. However, a wise candidate will work the home field first and then keep working a little further away all the time.

Anyone interested in entering this campaign will be paid for just as much as or little as he or she may do.

A 20 per cent commission will be paid each candidate on every dollar collected. The money will be paid right at the time a candidate hands in subscriptions at this office. There is no waiting for your money. If you call at this office with subscriptions, your commission will be handed to you.

You cannot lose. There is nothing to lose by entering. You can start after subscriptions any time. You can earn \$10, \$12 or more each week from now to the closing hour October 31.

Do not wait any longer to decide about entering. There are hundreds of subscriptions to be had. You are welcome to a list of the present subscribers to assist you in starting. Even your own subscription for one year or more will give you commission and votes.

Could you use \$500 in cash? Here is a grand opportunity to collect. The possibility of winning is right in your own hands. How much you do will tell the story—but don't forget, you are bound to get something for the effort you make. Now is the time to start.

### Lesson for October 11 BECOMING A CHRISTIAN

**LESSON TEXT**—Acts 16:22-34, Philip-  
plans 3:7-16.  
**GOLDEN TEXT**—Believe on the Lord  
Jesus Christ, and thou shalt be saved.—  
Acts 16:31.  
**PRIMARY TOPIC**—Two Happy Pri-  
soners.  
**JUNIOR TOPIC**—Heroes in Prison.  
**INTERMEDIATE AND SENIOR TOPIC**—  
How May I Become a Christian.  
**YOUNG PEOPLE AND ADULT TOPIC**—  
How to Become a Christian.

The conversion of Lydia and her  
gracious growth into usefulness as  
a Christian is in striking contrast  
with the experience that Paul had  
with the demon-possessed damsel  
(Acts 16:16-18). A satanic power  
of divination had made her profit-  
able to unscrupulous men. Such  
men have not perished from the  
earth, and there are still those who  
make merchandise of silly and sin-  
ful women.

Paul commands the demon to  
come out of her and at once the  
issue is drawn.

#### I. Christianity versus Crooked Business (Acts 16:22-24).

As long as the missionaries were  
at the place of prayer and in the  
home of Lydia they were not dis-  
turbed. But as soon as they  
touched the illegitimate gain of these  
"business" men who were making  
money from the misfortune of the  
poor damsel, bitter opposition arose.

Cunningly combining the plea of  
false patriotism and anti-Semitism  
with the ever-potent argument that  
business was being hindered, they  
raised a hue and cry which re-  
sulted in the beating and imprison-  
ment of Paul and Silas (Acts 16:14-  
21).

We live in another century, but  
men are the same. Let the church  
and its members only go through the  
motions of formal service and  
present a powerless religious philo-  
sophy, and the world will applaud  
and possibly support its activities.  
But let the pungent power of the  
gospel go out through its life and  
ministry, and deliver devil-  
possessed men and women, let its  
God-given grace expose the hypo-  
cricy and wickedness of men and  
there will soon be opposition.

#### II. Down, but not defeated (vv. 25, 26).

The preachers landed in jail,  
beaten, bloody, and chained to the  
stocks. What a disgrace it would  
have been if they had come there  
because of their misdeeds. How  
ashamed we are when professed  
Christian leaders sin and fall into  
the hands of the law.

But "Blessed are they which are  
persecuted for righteousness sake"  
(Matt. 5:10). Little wonder that  
they forgot their bruises and their  
chains and began to sing and pray,  
even at midnight.

Note that "the prisoners were  
listening to them." The words we  
speak, the songs we sing, our every  
action, speak either for God or  
against Him. "Whether therefore ye  
eat, or drink, or whatsoever ye do,  
do all to the glory of God."

As they pray God speaks, chains  
fall away, prison doors open. Men  
can lock doors; God shakes them  
open.

The jailer, cruel and bold when  
he put them into prison, but now  
in fear, is about to kill himself.  
But God has better thoughts con-  
cerning him. Paul cries out, "Do  
thyself no harm" and he experi-  
ences

#### III. Salvation Instead of Suicide (vv. 27-34).

Thank God for the earthquakes  
in our lives which bring us to him.

The jailer, being rightly exer-  
cised by God's dealings with him,  
asks the greatest and most im-  
portant question that can ever  
come out of the heart of unregene-  
rate man—"What must I do to be  
saved?" Reader, have you asked  
this question? Then you, too, are  
ready for the answer, "Believe on  
the Lord Jesus Christ and thou  
shalt be saved."

The closing verses of our lesson  
present the personal testimony of  
Paul that he had surrendered.

#### IV. All for Christ (Phil. 3:7-14).

All was but loss to him compared  
with what he gained in Christ. We  
speak of surrendering all for  
Christ, but as a matter of fact  
we lose only what is of no real  
value and make infinite gain.

Paul, as are all great followers  
of Jesus Christ, was a "one thing"  
man. All that he had or was or  
hoped to be, every ounce of energy  
and love, went into his pressing  
"toward the goal unto the prize  
of the high calling of God in Christ  
Jesus."

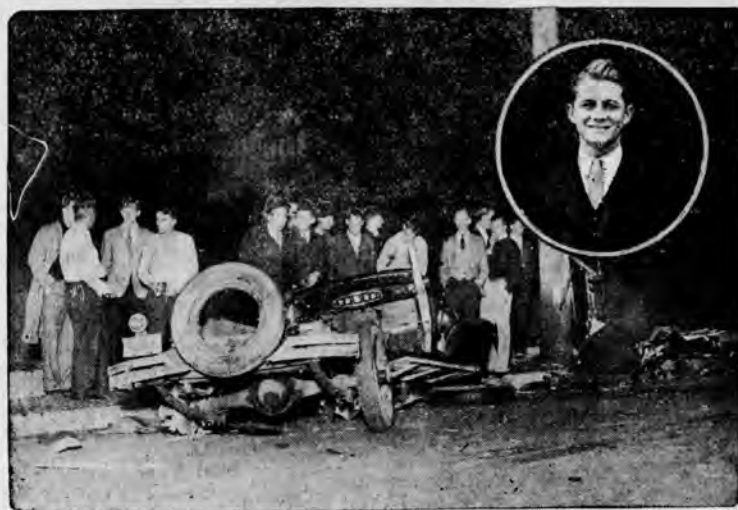

#### Independence of Opinions

It is easy in the world to live after  
the world's opinion; it is easy in  
solitude to live after our own; but  
the great man is he who in the  
midst of the crowd keeps with per-  
fect sweetness the independence of  
solitude.—Ralph Waldo Emerson.

#### Overcoming Desires

I count him braver who over-  
comes his desires than him who  
conquers his enemies; for the hard-  
est victory is the victory over self.  
—Aristotle.

Rehearsals were begun this week for the variety show to be given Thursday and Friday, October 15 and 16, for the benefit of the Mill Creek Fire Company. About 100 young people of the community are taking part. Mr. and Mrs. L. Wheeler are directing the production, an annual undertaking by the amateur group.

### Store to Close

Miss Agnes Speakman has announced that she will close her general store this week. The store was conducted for five years by the late Miss Sarah Speakman, and for the past five years has been owned by her sister, Miss Agnes Speakman. The closing of this store marks the closing of an era in the town for it has been conducted as a grocery and candy store for more than 45 years. The business has now given way to modern methods, however, and the chain stores of the town have claimed many of the customers.

Spot, the 17 year old dog owned by Mrs. Annie Barrett died on October 1 and his passing is mourned by many residents of the town. The dog, a fox terrier, was a gift to Mrs. Barrett when only a few weeks old and had become a favored member of the household. Mrs. Barrett and her husband, the late Harvey Barrett, conducted a general store for a number of years and the dog was a favorite of children and grown-ups alike.

## Jean N. Bailly Exchange Student Now At Delaware

Delaware's new French exchange student, Jean N. Bailly, who has been selected from a large number of candidates to further his education at the University, has arrived.

Born in Cornillon, a small village in the picturesque Vosges Mountains in the north eastern part of France, he began his elementary education with his father who is a schoolmaster. Then he went to a high school in Epinal, where his parents are still living, and after seven years of successful learning, he passed up his Baccalaureat and stayed one more year in a bigger high school in Dijon, a nice town, known the world over for its Burgundy wines.

### Good Student

After completing his secondary education, he went to the University of Lille in the northern part of France. There, he proved to be a very good student and succeeded in the two first degrees of his licence-ess-lettres which he will finish next June when he returns to France.

Jean is greatly interested in foreign languages. Besides Latin and Greek, he is learning German, Italian, and Spanish. He speaks English fluently. During holidays he writes articles for the French paper, L'Express de l'Est.

### Impression Good

Asked about his first impressions, Jean said: "I found a great cordiality among the students and professors of the university and I presume I will have a very good time here and spend a very profitable year. I will do my best to help the students in French and hope I will be able to give many French lessons. As far as I know of the American life, I think I shall like it."

## Adult Education Group Offers Three Courses

Arrangement is being made by the adult education committee of the Newark Parent-Teacher Association to have the following courses offered here by the Adult Education Division of the State Board of Education: pottery, art appreciation and physical education.

These courses will be open not only to members of the Newark P. T. A. but also to all other interested persons. Hours and dates of classes will be announced later, according to Dr. J. S. Gould, chairman.

Armour's Big Crop Fertilizers supply more than a balanced ration of the major plant foods—Nitrogen, Phosphoric Acid and Potash—as shown on the bag. In addition, there is provided, in every Armour formula, a generous ration of minor and secondary plant foods. All of these minor and secondary elements have recognized plant food value; many of them are just as essential to crops as Nitrogen, Phosphoric Acid and Potash. Let Armour's Active Plant Foods work for you this season. We are ready to serve you.

## SLOW DOWN AT NIGHT

Here is some worth-while advice to motorists: As soon as darkness descends, slow down pronto!

In spite of the fact that the bulk of cars are operated almost entirely during the day, well over half of all fatal accidents last year occurred at night. Sixty-nine per cent of the victims were pedestrians. And the death rate for the evening rush hours was over 100 per cent greater in winter than in summer, due to darkness.

Unconsciously or otherwise, many motorists chronically "overdrive their headlights"—that is, they could not bring their cars to a stop within the illuminated distance before them. And more powerful lights are no cure for this—they produce glare, a potent cause of head-on car crashes, and are justly illegal in most states.

The pedestrian, of course, is not wholly free from blame. It has been extensively publicized that one should always walk on the left side of the highway, facing oncoming traffic—but a great many night-walkers apparently haven't heard the news yet. And many of them also don't seem to realize that to walk on a dark highway wearing dark clothes is an invitation to the coroner. Light refraction is an eccentric thing—and a darkly-dressed pedestrian often can't be seen by the motorist until it is too late.

Thus, we need education for the pedestrian as well as for the auto driver. But in the meantime, the driver should take every precaution—and even go to what may seem ridiculous lengths—to operate his car safely. After all, he is in command of a potentially lethal vehicle that literally kills more men than does war. Don't take a chance!

## Cooch Slaps Republicans In Radio Address Monday

Edward W. Cooch, Cooch's Bridge, who is the Democratic nominee for the office of Lieutenant-Governor, berated the Republican party in this state Monday night during a radio address over WDEL.

In urging the election of a solid Democratic ticket, Cooch stated that his party "comes before you consecrated to the perpetuation of two ideals. One, that the humanitarian program of Franklin D. Roosevelt shall be sustained and strengthened; and second, that Delaware shall be a free and independent State."

"Time was when," he added near the end of his talk, "all Delawareans could point with pride to our State Highway Department and to our public school system, but that time has passed. Today one hand of the Republican machine has fastened its grip on the throat of our Highway Department, while the other is reaching out to our public school system."

## D. of P. Raising Up Team Starts Busy Season

Mrs. Marguerite S. Balling, Great Deputy Pocahontas, will take her raising up team to Selbyville this evening to raise the officers of Ayita Council, No. 19. The trip will be made by special bus and a number of Red Men besides the members of Mineola Council, No. 17, will accompany the Deputy Pocahontas.

Tomorrow evening, Friday, October 9, the Great Deputy Pocahontas will take her team to Wilmington and raise the officers of Pocahontas Council, No. 1, the home council of Deputy Great Pocahontas Edna Cantler, who will return the visit on next Wednesday evening, when she brings her team to Newark to raise the officers of Mineola Council.

Deputy Pocahontas Balling and her team will go to Union on Monday evening, October 12, to raise the officers of Leola Council, No. 14; and to Bear Station on Thursday night, October 15, to raise the officers of Yonah Council, No. 15.

## Deputy Sachem Mayo To Raise Minnehaha Chiefs

Next Tuesday evening the newly elected chiefs of Minnehaha Tribe, No. 23, will be raised to their stumps by the raising up team of Deputy Great Sachem Russell Mayo of Manitowish Tribe, No. 18, of Wilmington. A large turnout is expected to attend as the Manitowish Tribesmen are noted for the beauty and efficiency of their work.

At the regular meeting of Minnehaha Tribe on Tuesday evening, two pale faces were elected eligible to receive the adoption degree.

Members of Minnehaha Tribe have had a busy week, as Deputy Great

### Limbs Chosen In Hollywood

At the risk of his life, perhaps, Duncan Gleason, well known young painter, selected five of the most beautiful legs in the movie colony. They belong, he said, to

Marlene Dietrich

Marlene Dietrich, Ruby Keeler, Ginger Rogers, Jane Hamilton, and Jacqueline Dax. The first three are top-ranking stars. Miss Hamilton, a Baltimore girl, formerly was a professional model. Miss Dax, late of Minneapolis, was a night club dancer in that town and Chicago. Of the five on Gleason's list four are dancers. Ginger Rogers and Ruby Keeler are two of the best known choreographic artists in the movies today. As for Miss Dax's career, she has done nothing but dance. Miss Hamilton's first screen efforts were in "Roman Scandals" and from there she went to the set of Radio's "Roberta" and was then placed under contract. Miss Dietrich, Gleason says, has the most perfect legs in the film colony. They have been famous ever since her first appearance in American pictures. Marlene is considered a beautiful ballroom dancer, but has never done any professional dancing.

### Grand Prize Not Claimed

The grand prize, \$100, and the second prize, \$25, offered by the State Theatre last week was not claimed. The management of this picture house will again offer \$100 as first prize and \$50 second prize tonight, October 8. To accommodate the large crowd the management will open the box-office early.

### State Theatre Briefs Friday and Saturday

Jack London's immortal story of the Yukon Gold Rush, "Call of the Wild," has been converted into a grand piece of screen entertainment by the combined efforts of producer Darryl Zanuck and director William Wellman. Clark Gable, in a real he-man role of Jack Thornton, handsome swash-buckling prospector stands out as one of the finest of his screen career. Loretta Young and Jack Oakie head the supporting cast in this film made up of thrills and romance. A thrilling Western will be added to the bill on Saturday.

**Monday and Tuesday**  
Hervey Allen's great masterpiece, "Anthony Adverse" comes to the silver screen of this playhouse these two days. Fredric March has the leading role in this historical film of the Napoleonic era. Olivia de Havilland, Anita Louise, Edmund Gwenn, Claude Rains and Donald Woods head the supporting cast in this film. As a book this story was read the world over by more than eight million people. Korngold, the noted composer, has written the delightful music for the production.

Due to the expense of bringing "Anthony Adverse" to the screen, the producers of this film have required the admission to be raised during the showing of the picture.

**Wednesday and Thursday**  
A fast-stepping tale of a millionaire twenty-three times over, who had to squander his fortune before he found the right girl is told in the Paramount production, "Spendthrift." The picture boasts a cast of feature players headed by Henry Fonda, Pat Patterson, Mary Brian and George Barbier. Fonda, the screen player who leaped to immediate stardom in

ahead of White and Yerger and that the latter pair passed them "going pretty fast" about one-quarter of a mile in the direction of Newark.

When he came to the top of the hill, opposite the golf course of the Newark Country Club, McKee said that White pulled off the highway and had stopped his car. He (McKee) proceeded toward town without hesitating.

Going down West Main Street, when about between Corbit and Old Oak Road, McKee said he and Groves heard a crash behind them and glancing in the mirror he shouted, "My God, Ralph, the car's on fire."

Turning at Old Oak Road, they returned to the accident where Ira C. Shellender, in front of whose home the mishap took place, was already on the job.

ROAMIN' WITH  
RUTLEDGE

## Glad It's Over

Players and fans on both the Newark and Perryville sides of the baseball fence are glad the prolonged 1936 season has finally reached the end. Joy reigns in the railroad center over the first diamond season to be held there in fourteen years, while the inevitable post-mortem, always apparent on the losing side, are being voiced in this ballcock.

"THE ROAMER"

But it is generally agreed that the conclusion of hostilities until another year is a welcome one.

Taylor Biles, the winning pilot, was too excited to talk following the final game last Sunday, but Cleaver Potts was philosophical over the outcome. Said the old plaster spreader, "somebody has to lose and we gave 'em a good fight."

Perryville players and fans danced around the Oxford orchard like Indians filled with fire water, while Newark's performers and followers sought the closest exits, the shortest way home and a chance to forget. That's baseball.

## Happiest Guy

We caught up with the president of the Bi-State loop as he was about to retire Sunday night and he left little unsaid by way of expressing satisfaction that the season had been concluded.

He was caustic, no end, in expressing his feelings about some of the so-called sportsmen with whom he had had relations during the summer. His remarks cannot be repeated here since this is a family journal and postal laws place restrictions on profanity. Generally, however, he felt good about having reached the end. In fact, he stated that he was the happiest guy in the world.

Our conversation took place as he gazed into a mirror while removing his tie. Yes, he was talking pretty much to himself. That's a bit crazy, it's true, but how many men retain entirely sane after heading a sandlot league? No sane man would consider the job in the first place.

## Series Shorts

With Joe Cooney, Perryville's stellar little second baseman, setting the pace for hitters in the series—his mark was a mere 619—averages as a whole showed a sharp decline from those registered during the course of the regular schedule.

Neither team was up to par with the willow. Perryville's slump, however, was not as great as the Jackets'. Although hitting twenty-three points under the Pandours, the lads wearing Newark spangles banged out 68 total bases to the winners' 69.

Some idea of the fall taken by individual hitters during the series is indicated by the following marks: Willie 350; Barrow 238; Ryan 183; Bud Lloyd 165; and Chasabee 163.

Dick Roberts, Bridgewater, Jackson and Chalmers had good averages for the Jackets, but the best showing of the set, next to Cooney, was Ray Goldie's mark of 433. He and Cain rapped the only home runs of the five battles.

PANDOURS MAKE STRONG FINISH  
TO DEFEAT JACKETS IN FINALE

Aiken, Following Two Straight Setbacks, Bests Whiteman; Newark Hits Wasted; Winners Get "Break" When Chalmers "Beans" Lucas; Roberts Paces Hitters; First Perryville Title Since '22

By "The Roamer"

Taylor Biles' Perryville Pandours asserted their power in the closing innings of the fifth and final battle of the 1936 post season series for the championship of the Bi-State League by humbling Newark's best, 7-2, last Sunday at Oxford. More than 600 fans were present for the deciding contest.

Making a strong finish to overcome the Jackets' early but slim margin, the Pandours garnered the first baseball bunting to be carried off to Perryville since El Williams was at the helm of a stellar outfit that captured the title in the defunct Susquehanna League in 1922.

After waiting fourteen long years for a chance to rejoice, Perryville's fandom literally went mad over the outcome.

## Whiteman Chased

Paul Whiteman, boasting two straight wins over the Marylanders and their star beaver, "Sadie" Aiken, finally found the going too tough. He was replaced in the eighth chapter by Rube Argo who finished.

The Fordham finger, meanwhile, was off to a poor start, but settled down to stop the Jackets in all but two innings. Each team collected ten hits, including a double apiece, but Aiken scattered the Newark blows while the Pandours delivered in the pinches.

Three wild pitches and five passes hurt Whiteman, but an unavoidable error by the usually reliable Shorty Chalmers in Perryville's big sixth proved to be the turning point of the scrap.

## Count Five Times

Although scoring their first run in the second frame, the Jackets lost a great chance to take a wide lead when three men were left stranded. Roberts, first up, lifted to Lucas. Chalmers singled to left and George followed with a hit to right. Daly rolled to Bud Lloyd who retired Chalmers by stepping on third.

Whiteman singled to right and took second when the ball went through Marquess. George scored. Cain walked to lead the cushion, but Aiken disposed of Barrow, Lucas to Hornberger.

Two were out in the fifth when Roberts doubled and Chalmers singled him home for Newark's second and final tally.

Coming to bat in the sixth, the Pandours erased the Jackets' lead by sending five runs across the plate as ten hitters took their cuts.

## Five Hits - Five Runs

"Lightnin'" Lucas opened the round by beating out a bunt down the first base line that went for a hit. Stan Lloyd hit sharply between first and second and Chalmers moved fast to his left to snare the drive.

His throw to get Lucas at second had perfect direction, but the runner went into the bag standing up and the ball caromed off his head into short center. Lloyd took second on the play as Lucas scooted to third.

Bud Lloyd dribbled a slow roller to Kern as Lucas scored. Ryan walked. Whiteman uncorked a wild pitch that

Yellow Jackets  
Drop First Tilt  
To West Chester

By Roy Carlisle Hill, Jr.

(High School Sports Correspondent) Coach W. K. Gillespie's Newark High School "Yellow Jackets" fell victims to a strong West Chester team on Saturday as they were snowed under to the tune of 25-0.

The contest was replete with many brilliant dashes by the West Chester lads, for gains of 35 to 90 yards. West Chester figured in 11 first downs while Newark had only four.

Early in the battle, Tommy Johnson, one of West Chester's great Negro backs, captured a pass and made a beautiful sprint for 90 yards for a score. Soon afterwards Glasco, another exceptional Negro ball carrier, scored a touchdown for West Chester by a drive through the line. Another 56 yard dash by Glasco chalked up a third touchdown.

In the third period, Newark pointed to Johnson, who ran 34 yards before he was downed on the locals' one yard line. Clark carried the ball over for their fourth touchdown.

## Muff Scoring Chance

The Yellow Jackets muffed their only chance to score when Melvin Brooks, taking the ball on his own 20 yard line, ran 60 yards on a reverse before being brought down on West Chester's 36 yard line. A first down followed but it was there that Johnson made his 90 yard dash with his intercepted pass.

As a result of Saturday's contest, Coach Gillespie expects to insert many new faces in the lineup when the Jackets square off with the Delaware J. V.'s on Friday.

National Fibre Loop Starts Ball Rolling; Four In Operation

## FIFTH OPENS TONIGHT

Four bowling leagues swung into action during the week and another will open tonight at the Legion Alleys in a crowded program that will run for thirty weeks.

The National Fibre loop raised the curtain last Friday with Newark and Fibre Specialty deadlocking for first place by sweeping to shutout wins over Phenolite and Wilmington, respectively. Kartavart and Yerklyn divided the other match. The league will operate here every second week.

First Presbyterian and Kenmore Mills share the top of the heap in the Monday Night scrap as the result of opening wins over Elktion M. E. and the Delaware Legion, in turn. Texaco downed the Newark Country Club, 3-1.

## Elktion Teams Shine

Unity Lodge swept the Newark High School Faculty off the boards, 4-0, to open the Tuesday Night wheel as Elktion gained a similar triumph over Newark. The Newark Lions registered a 3-1 win over the University of Delaware.

After much uncertainty the Wednesday Night circuit finally got straightened out with the same setup as last year. The league consists of Elktion, Continental Diamond Plant, Continental Diamond Office, National Fibre, Newark Business Men and the Old Golds.

While the Continental Diamond Plant and the Newark Business Men were forced to postpone their opening engagement, Elktion swamped Continental Diamond Office, 4-0, and National Fibre defeated Old Golds, 3-1.

Tome Gridders Open At  
Lawrenceville Saturday

Coached by Karl Billhart, former Yale halfback, the 1936 football team of Tome School will entrain Friday afternoon for its initial appearance of the season at Lawrenceville, N. J., on Saturday.

In stacking up against the Lawrenceville School warriors, the Port Deposit aggregation will offer one of the biggest teams in the history of the institution. Bob Jones, Jr., Newark boy, who tips the beam at 180 and who has gained a tackle post on the starting team, is the lightest man on the first eleven.

Six games are carded for the Blue and White, three of which will be played at Port Deposit.

CRIPPLED BLUE HENS TO FACE  
MT. ST. MARY'S IN HOME TILT

Four Casualties From Georgetown Skirmish; Lew Carey Hurt In Scrimmage Tuesday; Hayman, Frosh Tackle, Slated For Starting Berth; Mounts Tough

By Bill Fletcher

A very much crippled University of Delaware grid team will go into action on Frazer Field Saturday against Mt. St. Mary's, a tough aggregation sporting a 12-0 victory over Davis-Elkins and a heart-breaking defeat by St. Joseph's last Sunday when they were edged out in the last three minutes of play, 14-6.

The Mountaineers will be a tough bone to chew on after the sudden twist affairs took in their last encounter and a victory for the Blue Hens can only come after a titanic struggle.

BLUE HEN GRID  
PROSPECTS

Introducing

LOUIS TERRY HAYMAN

"Rube" is a plenty tough gent who earned himself a berth on Delaware's starting eleven this Saturday due to his fine showing against Georgetown. He's 185 pounds of darn good tackle and his close cropped hair is exactly six feet from terra firma.

Lou hails from Washington, D. C. where he was not only a football and basketball star—but a debater at Central High School. The grid team was undefeated and unscathed on in his last year and were judged city champions. The basketball team snagged their distinction of being city champs.

From Central, "Rube" went to Devitt Prep where he was again active in football, basketball and debating and where he added another feather to his cap by fighting his way to the A. A. U. heavyweight boxing title. Devitt was judged prep-school football champions of the district.

If you think that's all—you're wrong, because Lou possesses another talent. During the summer he leads a band at Chevy Chase Lake.

### Rally Day Program

The Rally Day service was held in the Hockessin M. E. Church on Sunday evening, October 4. A program consisting of special music, exercises and recitations was given by the boys and girls of the Sunday school.

On Friday evening, October 1, Mrs. Helen Lloyd, of Yorklyn, entertained the members of the Ladies Aid Society of the M. E. Church at her home.

Mrs. C. G. Collins entertained the members of the Home Demonstration Club at her home on Monday afternoon, October 5. At the business meeting of the officers for the ensuing year were elected as follows: President, Mrs. Henry Mitchell; vice-president, Mrs. Ernest Crossan; secretary, Mrs. Harold Townsend; treasurer, Mrs. Walker Pennington.

### Agent Reports Work

Miss Ruth Minton, the newly appointed Home Management Agent, told of her work in the state. Mrs. Kate Daugherty, who has just recently taken a trip to Europe, told of her experiences and showed snapshots taken on the trip. She also told of new program suggestions for 1937.

A committee for the Christmas party was elected: Mrs. Henry Mitchell, Mrs. Dayton Peoples and Mrs. Joseph Pierson.

### Motor to Virginia

Mr. and Mrs. Charles Kiedel of this town and Mr. and Mrs. Walter Blevins of Kennett Square enjoyed a week-end motor trip down through Virginia.

Mrs. Mary Chambers and Miss Mildred Gebhart were dinner guests at the home of Mr. and Mrs. Clarence Chambers, of the Cedars on Sunday.

Mrs. Harlan B. Taylor, Mr. and Mrs. Clarence Chambers and Mr. and Mrs. Fred E. Gebhart enjoyed a trip to York Fair on Tuesday, October 6.

Mr. and Mrs. Malcolm Yearles and family attended the "Rodeo" near Coatesville, Pa., on Saturday.

**Institution At  
Stockley Plans  
Visitors' Day**

The Colony School for the training of mentally deficient boys and girls, located near Stockley in Sussex County, will hold its annual open house on Saturday, October 17, from one until five o'clock. The Commission will hold a meeting on the same date and the Ladies Auxiliary, consisting of members throughout the state, will also be in attendance.

### Many Applicants

There are at the present time, 323 applicants awaiting admission to the school. The enrollment is now 395. During the past biennium, 20 boys and girls have been discharged from the school and 25 have been placed in homes where they are earning their own living. During the same period there were 63 new admissions. Of the present population, 70 patients are in the delinquent mentally deficient group and 316 are dependent.

A farm with several hundred acres tillable provides industrial training for the boys and also in supplying the dietary needs. The school also provides, besides academic training for those qualified to participate, a shop for the boys and arts and crafts for the girls. Articles for use in the institution such as brooms, brushes, rugs, etc. are produced.

### Complete Medical Care

There is a 75-bed infirmary and several regularly employed trained nurses where the crippled, epileptic and sick children receive medical and dental care. Two new cottages have recently been constructed with the help of PWA funds, but are not occupied due to the fact that there is no money available for operating expenses. All departments and buildings of the school will be open to visitors on Saturday afternoon. The children will give a play in the school
