Fraternities Participate In I. F. Playbill Program On April 1, 2

Alfred Isaacs, President of the Inter-Fraternity Council, has announced the dates and program for the forthcoming annual I.F.C. Playbill. The Playbill will be held this year on Wednesday and Thursday nights, April 1 and 2.

It has been decided by the Greek letter fraternities to abandon the singing aspect of the Playbill, leaving the individual fraternity plays. The program and the order of appearance is as follows:

Wednesday, April 1: 1. Alpha Tau Omega — *The Break*, an original play by Russell Meyers, Richard Chappell and Owen Boyer.

2. Alpha Epsilon Pi—*If the Shoe Fits*, an original play by Joseph Arnold Glick.

3. Sigma Phi Epsilon—*Minor Miracle* by Van Powers.

4. Kappa Alpha—*Minnie Field* by E. P. Conkle and *Cocktails* by A. L. Weeks.

5. Sigma Nu—*The Dark Rider* by R. Finch.

Thursday, April 2

1. Phi Kappa Tau—*The Hero*, an original play by David Hoyer.

2. Delta Tau Delta—*The Golden Doom* by Lord Dunsany.

3. Pi Kappa Alpha—*If Women Play Cards the Way Men Do* by George S. Kaufman.

4. Theta Chi—*Refund* by Percival Wilde.

Under the recommendation of Dr. Kase, the Inter-Fraternity Council has selected Dr. Cyrus L. Day, Dr. Ned B. Allen, and Mrs.

Virus Patients Get Advice From Women's Magazine

"You must have that virus that's going around" are familiar words to almost every sufferer from sniffles, sore throat, and cough during the winter. College infirmaries pile up with "virus patients" at exam time and drug stores do a land office business in patent medicines. Forget the drugs and nostrums, advises Earl Ubell in the April Ladies' Home Journal. In "That Old Virus," the author explodes some of the myths about common winter and spring ailments and says that the body itself is the best weapon against infection.

Most doctors agree that they can
(Continued on Page 12)

STUDENTS VOTE ON SGA AMENDMENT

Next week's election will serve a dual purpose; aside from electing new officers, the student body will be asked to vote on an amendment to the Constitution.

Briefly stated, the purpose of the amendment is to move the election of freshman class officers from the second week of February to the third week in October. This will eliminate an unnecessary election and give the freshmen, usually the largest group on campus, a vote in the SGA.

The constitution requires that an amendment must have a two-thirds majority to pass, provided that 25 per cent of the student body votes.

Ballots will be obtainable at the polls. Take time and vote.

Additional Nominations For SGA And Class Offices

SGA President
Frank Swain

SGA Education Representative
Gerry Dye

Senior Class Representative
Paul Hodgson

Junior Class Representative
Daniel Walton

Senior Class President
Stanley Czerwinski

Senior Class Treasurer
Gertrude Tierney

Junior Class Treasurer
Richard O'Conner

S.G.A. And Class Elections Will Be Held Here Next Thursday & Friday

For The First Time Each Class Will Receive Separate Ballots

The S.G.A. and class elections will be held on Thursday, April 2, and Friday, April 3, from 9:00 a. m. to 3:00 p. m. Voting will be held on the lawn in front of the Memorial Library, or, in case of bad weather, Mitchell Hall.

For the first time, each class will receive their respective ballot. On these will be listed the prospective officers for the various classes plus the list of S.G.A. offices to be voted for by the entire student body.

At this time, fifty-six candidates will be running for twenty-seven offices. Of these twenty-seven, only nine are uncontested, with the remaining eighteen offices receiving from two to four candidates each.

Principal races appear to be shaping up between Tom Fannon and Frank Swain for the presidency of the S.G.A., David Menser and Jane Banks for S.G.A. corresponding secretary, Janet Smith and Henri Bertuch for S.G.A. treasurer, and Cynthia Fiery and Frank Gyetvan for S.G.A. representative of the Junior Class. The uncontested fortunes

in this year's race are Marianne Reinke, S.G.A. vice-president; Mickey Blaine, S.G.A. recording secretary; Dan Enterline, chairman of men's affairs; Joe Stout, Agriculture representative; Pat Le-crone and Bill Harkins for the two Arts and Science representatives; George Tunis, Engineering representative; and Martha Thomas, junior class vice-president.

The official results of the balloting will be printed in the April 17 issue of the Review.

An excerpt from the constitution of the Student Government Association reads: (1.) A committee composed of the President of the Student Government Association, the Elections Committee, and the Dean of Women shall supervise the counting of the ballots. Counting shall proceed as soon as the balloting has been concluded. No ballots shall be taken from the campus. The ballots shall remain in the office of the Dean of Men for one week for challenging. No candidate shall take part in the counting of the ballots. (2.) Voting shall take place between the hours of 9 a. m. and 3 p. m. on the Thursday and Friday preceding the Spring Vacation, at a place designated by the

Chemical Engineers Hold Convention Here March 28

The student chapters of the American Institute of Chemical Engineers will hold their annual convention here on March 28. Twelve eastern engineering colleges and universities are expected to be represented.

Technical papers will be presented in Mitchell Hall at ten o'clock Saturday morning, followed by luncheon at one o'clock in Old College. Tours are scheduled for the afternoon through the laboratories and pilot plants of Hercules, Atlas, and Du Pont. After these plant trips are completed, the budding chemical engineers will put their knowledge of fluid flow to practical use at the invitation of Hercules and Du Pont, which are sponsoring a banquet at the Glass Kitchen. The convention will close with an informal dance from nine to twelve at the Field House. Music will be furnished by the Del-melodians.

Of This 'n' That

By NEAL ROBBINS

Several weeks ago we discussed in this column the problem of the bookstore. We addressed our question to the SGA. So far, no answer. Look gang, this problem came up to the SGA in the fall of '51, and though the wheels of student government may grind slowly, this seems to be some sort of a record.

We have heard of a committee being formed (oh happy day) to look into the matter. It seems to us a simple matter—the bookstore is a comparable situation to the student union. The students could run it and turn the profits into a Student Union; however, we realize that there are many complications and different viewpoints. What we want is an open letter to the students telling us just what is going on.

We received quite a shock this week. We had assumed that all of the 15 dollars per year that everyone pays into the activity fee is completely controlled by the SGA and budgeted out by them. Taint so. It seems that the E-52 University Theatre is no longer considered a student-run group, and their funds are no longer channeled through the Student Government.

The E-52 University Theatre receives one dollar per year per student directly from the business office. Astounded by this information, we attempted to discover the why and wherefore. Among the reasons passed out were that so many students engaged in these productions who were receiving scholastic credit from the dramatics department that it was necessary that some members of the faculty have more control than could be possible in a student organization. The SGA struggled with the budget for several weeks last fall and finally decided that this was the only logical solution.

We are not sufficiently versed in the interior politics of E-52 to argue on whether they could be classed as a student organization. We don't even know whether it is desirable that they be one. However, it does seem to us that this is not good practice to set nor a desirable precedent. That fifteen bucks is paid by the students for their own use, and we don't like the idea of turning it over to a department of the university.

To take another for instance. Suppose courses in journalism were offered. The Review would be the logical laboratory for students in those courses. Would the SGA be willing to turn over the 6600 dollars the Review received last year directly from the business office with no further control?

This is not to be construed as a direct criticism of the E-52 University Theatre. It is common knowledge as to the fine jobs they do at little cost to students. The tickets in our activities books for their productions are worth much more than one dollar per year. It just seems an undesirable way of running things to us.

Congratulations to the administration and to the girls in Sussex Hall! The door will be open every night except Saturday until 12 o'clock, with the girls on the honor system. This is a tremendous step in the right direction. Now it is up to the girls to prove they are worthy of the trust. Their actions are important to all of us, for their acceptance of the responsibilities should have a bearing on any further social privileges extended to the rest.

Greatest news heard around here in a long time! !

Too bad the girls didn't like our idea of electing a king for Women's Weekend. With all the queens around here, we thought that was the outstanding idea of the century. Having already sunk 36 cents into all-day suckers to be used as bribes, we would have won in a walk . . . The weekend was really the greatest, though.

Probably Delaware has seen her last snowfall of the year, or we would hesitate to print this. Fraternity dormitory men at Northwestern University staged a series of spontaneous snowball fights a week ago. When the fun was over, about 200 windows were broken. The damages will be paid for by everyone concerned, but meanwhile some men are enjoying the bracing winter air . . . Wheaton College, Ill., has just turned down a student proposal which would permit unlimited class cuts, says the idea is "more theoretical than anything else."

Letters To Editor

Dear Editor:

In order to clarify a few points concerning the proposed Commuter Car Pool, we would like to review the benefits to be derived from such a system:

1. The car pool is *not* based on the idea of "free rides" but rather on the idea of the rider helping to pay car expenses. This means the driver can get help in paying the car expenses, and the commuter can participate in more campus activities.

2. The car pool is *not* primarily intended to set up a regular rider system; it will enable the rider to get rides at varying hours.

By this time every driver should have received a letter and blank concerning the set-up. Please return these as soon as possible so that the system can be put to work. If any driver has not received a letter, please contact Lois Wittchen, Box 1493, for details.

TEN YEARS AGO

. . . Blue Hen Held Up Because Of Printers Troubles . . .

Due to the inability of the printers to fulfill their contract, the "Blue Hen" was not completed before the end of the second term of the 1954 school year. The Wilmington firm, which started the work on the book, was not able to continue the work because they lost all of their lithographers to the armed services.

. . . Bond Contest Totals \$3,720.80 . . .

A possible goal of \$600 was set early in February of 1943 for the Bond Queen Contest. The students really backed the contest and doubled the goal by six. The students were allowed one vote for every penny which they spent on war stamps. The winner, The Bond Queen, was Miss Betty Jane Carey, who received 148,620 votes. Thirty-eight other girls also received votes.

. . . Other Headlines . . .

South American Jive Reached Mitchell Hall in a Latin American Series Concert.

Women College Seniors Became Accepted as Officers' Candidates in the WAVES and SPARS.

FOUR YEARS AGO—

. . . 488 Students Named To Dean's List . . .

Four years ago in March 22 per cent of the entire student body was named to the Dean's List. Eighteen of these students had scholastic indexes of 4.00. The breakdown of the list revealed that the School of Arts and Science led with 235 of its members on the list. In the breakdown of classes, the seniors led with 189 members making the list.

. . . "Macbeth" Presented By E-52 Radio Workshop . . .

The first production of the E-52 Radio Workshop was presented over station WILM at 8 p. m. four years ago today. This production was "Petticoat Jury."

The second production was well under way by this time in 1949. It was a radio adaptation of "Macbeth," written by Erik Barnout.

ATTENTION SENIORS!

Caps and gowns should be ordered after Spring Vacation. They must be ordered during the month of April at the Bookstore.

SGA Elections

What's Going On Here?

Nomination for SGA and class officers were turned in on March 17, and the result was 14 unopposed candidates. Representatives of the nine fraternities had a meeting and put up a man for the presidency of the SGA, as is their usual practice. The girls were more organized this year and held primary elections within their dormitories for their candidates for other offices. In this election they excluded the nomination of a candidate for the president of the SGA because they agreed a man could probably do a better job. As a result of these nominations, only one candidate was up for president and vice-president of SGA, as well as 12 other unopposed positions. Fortunately, the SGA extended the deadline for petitions for these offices until last Tuesday. "Fortunately" is used here because it is nice to be able to actually vote; otherwise voting in these 14 instances would be entirely unnecessary because there wasn't a choice to be made. O. K. So the deadline was extended.

Now take the position to be filled as SGA president. Who were the parties responsible for not nominating other candidates? The women, commuters, and independents? Of course! Who else is left? The nine fraternities had done their part. Out of the hundreds of men belonging to them, they had nominated one representative which they all will back to make sure he gets elected. This is standard procedure to make certain a fraternity man gets the position. All right. This is an understandable policy. It is good to be united and strong; and this is why their candidate usually gets elected. So it is up to the girls, commuters, and independents to select other candidates if voting in its literal sense is to take place on our campus. They are free to nominate one or more from their own groups, which they have done since the deadline was extended. But now suppose they want to put up someone who has greater potentialities than their own candidate possesses, and he is a member of a fraternity? They would be licked before they even start, for the man will decline the offer because of the fraternity man's unwritten agreement not to run against another fraternity man. So they are not free to nominate this man. This is not necessarily the case; it is only supposing. Nevertheless, we are fighting for freedom and democracy and claim to live by democratic principles. Is this democracy when there isn't freedom of choice?

Why should this policy prevail, anyway? Of course, it has advantages as mentioned above. But if two fraternity men are considered equally good candidates to fill this position, what difference does it make as to which one is elected? All the fraternities have primarily the same needs, desires, and beliefs, so why can't more than one fraternity man run for office? If this isn't the case and the fraternities differ to a great extent, this is all the more reason for the absent opportunity of choosing the best man for the most people, and the competition resulting would strengthen all parties concerned. Besides, it would seem that all the fraternities would be anxious to have this important position filled by one of their outstanding members, instead of all the other eight fraternities sitting by giving the honor to the one fraternity. This is not an age to take a back seat.

When it comes to the point that students don't have the freedom of nominating suitable candidates who will run their own government, something is wrong somewhere, and it is time to rebel. What's going on here, anyway?

* Note: This editorial is not an attack upon the person or persons who have been nominated for SGA offices or other unopposed offices, for they have been chosen for their past leadership and abilities, to be certain. However, it is an attack upon the undemocratic condition here on our campus which destroys our freedom of choice.

ALUMNI NOTES

By

Martha

Shillito

Moose Adams, '52 Pigskin Pike, has been transferred to the Far Eastern Command where he expects to throw a few passes, not the affectionate kind, at the North Koreans. Moose was a Phys. Ed. Major who received his Basic Training at Fort Bliss after leaving the Udell Campus.

Let Looie Bill Thompson has been transferred from Fort Meade to Texas. Bill graduated in '51 from the School of Business Ad. after two years as Intramural Boxing Champ and Pledge Master for the Pikes.

Milt Keen, a Udell who trekked to Drew Seminary after graduation, is now Pastor of the Harrison Street Methodist Church in Wilmington. He is married and the father of two sons. Apparently this Grad has literary talents too; he writes a twice-a-week column for the Wilmington Journal-Evening, "Think It Over" and had a TV show.

Jim Shorts caught his "eskimo gal" but not in Newfoundland. He picked a not-so-chilly Milly from right here on campus and red-headed Joanie Archer is now wearing a Phi Tau frat pin from the Grad of '52.

The specialty of the Delaware Phys Ed. department is knocking bones out of place so an old grad went into business to put them back where they belong. William Cook, class of '35, is now Dr. William Cook, graduate of the Lincoln Chiropractic College, of Indianapolis. "Doc" is the father of two sons, Robert Steven, and Frank-

lin Davis, and is really hitting the top of his profession. He has held all the offices of the Delaware Chiropractic Association, the last two as President. So if you start to fall apart, undergrads, head for Doc Cook and he'll put you back together again.

Naval Air Cadet Larry Dalton has given up the sailor's ideal of a girl in every port in preference to a girl, Bobby Martin in this case, in just one port. Bobby announced her engagement to the Slip Ep football player recently. When's the happy day, Kids?

We hear, by the grapevine, that Jim "Dad" Morris, former Delt, is about to pop the question. Well, Chum, it's about time.

Art Diver sends his regards from Korea where he is taking a rest cure.

Jack Christenfield, Udell of '51, is expecting the squall of a little bundle from heaven at any moment.

(Continued on Page 7)

SHOCKING!

By
BATTERY

The weekend is over, and I was fortunate enough to attend the festivities . . . I did manage to make it to my two Saturday classes, but one girl I know made all three of her's . . . what stamina, what courage, what a student, what happened? . . . I feel like the little mouse with the pink eyes and runny nose who, when the elephant asked him why he wasn't as big as he was, said "I've been sick."

This couldn't have happened yesterday because not that many went:

"What kind of fellow is Twiggs?"
"Oh, he's the sort of fellow that leaves his car in front of the church and goes across the street to shoot a game of pool."

Once there were two little worms. One was naughty and the other was good. The first was lazy and improvident and always stayed in bed late. The other was always up early and about his business.

The early bird got the early worm, and a fisherman with a flashlight got the night-crawler.

The moral, kiddies, is this: You can't win.

"Who was your mother before she was married?"

"I didn't have any mother before she was married."

Mountain Climber: I can't seem to improve upon my work.

Heckler: I guess you've reached your peak.

Guest: And the flies are certainly thick around here.

Hotel manager: Thick? What can you expect for two dollars a day? Educated ones?

Bell hop: Did you ring, sir?

Guest: No, I was tolling, I thought you were dead.

Customer: Waiter, waiter, quick! There is a hair in my soup.

Waiter: Blonde or red? We're missing a waitress.

They were looking at a sign in the country store window which read: "Ladies Ready to Wear Clothes."

"Well, it's darn near time."

There is a wild tale about Nona, Who wore a black chiffon kimono.

Don't think for a minute There's anything in it— That is, anything except Nona.

S.G.A. Minutes

March 19, 1953

Treasurer

The balance in the SGA account is \$1412.56 and the social fund is \$1980.87. There is now \$320 in the sinking fund, with \$10,000 having been transferred into government bonds.

There will be a meeting of the budget committee to discuss the acquired information from other schools and to formulate a budget program.

Since Louis Prima and his orchestra could not be contracted for the May Dance, a big discussion was had as to whom to have. Claude Thornhill is still available. A motion was finally made, seconded, and passed that the social chairman call the agents, find the band lists available, and if there is a better band within the same price range or cheaper, contract it. If there is no other band, contract Claude Thornhill.

Senior Class

So far the plans for Senior Weekend are as follows:

Thursday night—class party—Italian-American Club.

Friday night—Senior Ball—DuPont Country Club.

Saturday afternoon—Class Picnic—White Crystal Beach.

Student Personnel Problems Committee

The Committee has accepted the

UNIVERSITY RELIGIOUS COUNCIL

What is the University Religious Council? There has been much misunderstanding as to exactly what the URC is, what its functions are, and who composes it. Leaders in the URC hope that the position of this organization may become more clearly understood.

The purpose of the University Religious Council is to provide an opportunity for the various religious groups to communicate with each other through a central organization. In this way, members of each group, by sending representatives to the council meetings, may become familiar with the interests and activities of other groups. The URC tries to stimulate joint activity, wherein all religious organizations participate. This may be accomplished by intergroup meetings, where everyone expresses his own point of view on questions of concern to college students.

The URC also desires to stimulate the interest of the students in the activities of the religious organizations. Members of the URC understand that a definite need in every student may be met by religious interest. Also, communications are made with other colleges in order that the religious activities in other colleges may be made known in organizations here. This exchange of information increases ideas for stimulating and causing interest in activities on each campus.

The URC also sponsors the table containing religious literature in the reading room of the library. It is hoped that the students are taking advantage of this opportunity to learn more about religious life in many faiths.

May it be understood that the URC is not a religious body in and of itself and is not involved in specific evangelism or theology. Rather, the URC is an organization interested in elevating the motives and values of the students of Delaware towards activities which aim at developing spiritual insight and strength, that they may be better equipped to face the world today. For college students now, and in the future, spiritual quality and confidence will bring not only a richer life but will enhance their abilities as leaders of men.

SGA recommendations to have two students serve on the committee, but questioned how the students would be appointed.

A motion was made, seconded, and passed by the SGA that the President of the SGA and the Chairman of Women's Affairs be the students to serve on the committee.

Banquet

The university administration has extended an invitation to the new and retiring SGA members to a dinner, April 16, at 6:30 p. m. in Old College.

Warner Drive

The administration made a request for suggestion in enforcing the one-way traffic along the Warner-Robinson Hall drive.

College Hour

There has been a contention from

(Continued on Page 8)

'Neath The Arches

Much fun was the verdict on Women's Weekend. Every year it seems to get better. Another conclusion that was reached was that the Delmelodians are as good as any of the so-called name bands we usually employ. It will be even bigger and better next year. The gals can really do things well when they set their minds to it.

The dance Friday nite was packed with notables. Bill Harkins was literally handcuffed to Gerry Dye. Harold Prettyman, prexy of PIKA, was dancing with his better (AND PRETTIER) half, Olive Smith. Dyke Politt and Cena O'Brien led the Bunny Hop. Liz Parkhill had George Cavey, "with slickum on his hair." Marilyn Colwell and Chick Carey, Bill Ritchie and Lois Pellegrine, John Mealy and Mary Jane Rafferty, and Howard Seebach and Cathy De Lillis helped enlarge the crowd.

Mimi Stauebach started Saturday's parties with her date Bob Gedling by entertaining Nancy Sweatland and Jack Pollock, Jack and Sarah Stowers, John Schuermann and Mary Larkin, Dorrance Barrell and Sue Munson. Dorrance and Sue turned up later in the evening at Warner along with George Ester and June McDonnell, Monk Evans and Trudy Gilgenast.

New Castle's Combo drew a large crowd, but the only names your roving reporters could gather were Marilyn Haley and Jerry Buckson, "Beard" Smith and Joyce Stein, and Nancy Precious and Bob Hastings. The combo was really good.

Cannon held a Beachcombers' Party and Cy Kaplowitz was crowned King Cannon. Sitting around watching Brandylocks and the Three Bears were Betty Knowles and Ernie May, Slug and Paul Hodgson, and Gay Cloward and Fred Brown. Clever, these Cannonites.

Sussex's, under the influence of the history majors, no doubt, held their party in the ruins of Pompeii. M. L. V. Conover and Bob Stout, Bebe and Dick Knoll, Shirl King and Dick Evans, and Joan Roman and Dick Berl were entertained by the classic columns and the cokes.

To sum it up, it was a pretty doggone good weekend.

In Passing . . .

May Queen Bobbie Martin engaged to Larry Dalton . . . Tim Chilton and Precious Lamb pinned. Good work, Tim . . . Carrie Weimer and Irv Rinard also pinned . . .

St. Francis plays basketball. In case anyone is interested . . . Remember everyone, money doesn't bring happiness. A man with ten million dollars is no happier than a man with nine million dollars.

See ya round the Quad, kiddies.

Mr. Fennema Gives Recital, March 31

The Music Club will sponsor a vocal recital by Mr. Marvin R. Fennema, member of the Music Department faculty, on Monday evening, March 31, at 8:15 p. m., in Warner Hall Hilarium.

A graduate of the University of Wisconsin and Westminster Choir College, Mr. Fennema has been extremely active in choral presentations and solo work. While at the University of Wisconsin, he participated in activities of the Student Drama Group; and during the course of his work at Westminster, he sang the tenor solos in such works as Bach's "Saint Matthew" and "Saint John Passions," "The Messiah," Haydn's "The Beattitudes," Franck's, Beethoven's Mass in B Minor, several Bach cantatas, Stainer's Crucifixion, plus much radio work as a member of a quartet from the university.

Mr. Fennema also sang the tenor

(Continued on Page 12)

On College Hour

Editorial

There is an issue now at stake on our campus, the results of which will effect every one of us. It is the question of whether or not we will be having a College Hour next year. Some of us probably feel that it is not too important whether we have one or not; others of us, however, have opposite views. This opposite point of view, the POSITIVE side, is felt not only by students and faculty now attending this university, but by members of the alumni, as can be shown by the following letter. This letter contains some of the most positive thinking that the College Hour Committee has heard. Roger D. Browning, class of 1952, wrote this to the committee in October:

"To the members of the College Hour Committee:

"Some of you probably have no idea how this committee ever started; therefore it might be a good idea to know its history so you may have greater faith in your work.

"In 1948 when I entered the university, programs were given about every two weeks featuring guest speakers chiefly. Such people as Carl Sandburg, Bosley Crowther, movie critics of the New York Times, and other well-known personalities spoke on the Delaware campus. Strangely enough, these celebrities could not draw large audiences in Mitchell Hall. That is, all except Sandburg. Those people who went to hear these speakers enjoyed them and at the same time learned a great deal. Nevertheless, the committee decided to use its funds for bringing scholars to the campus because of the poor audiences the celebrities received.

"It is well to bear in mind that the committee in 1948 and 1949 was composed solely of faculty members, not one student member that I know of!

"At any rate, College Hours were disbanded. It was my personal opinion that a worthwhile program had been scrapped simply because Mitchell Hall wasn't filled to overflowing, so, I decided to do something about the situation.

"I guess it was the spring of 1951 when I began to write editorials in the Review asking that College Hour be brought back. This time I thought the students should run the whole show, so I suggested the S.G.A. set up a College Hour Committee in which the students would be the bosses. Bill Hearn, then president of the S.G.A., went along with the suggestions and set up the committee with Joan McCain, vice-president of S.G.A., as the head.

"All of the members, including myself, knew the task ahead of us was very difficult. We knew such a program was necessary so that people from all walks of life in the university could get together in one place as one student body. There is no other function on campus where this can be done. We also knew that although such a program was badly needed, we would encounter much apathy and criticism from the student body. That's exactly what happened, too! We felt—'So what, let's go on with positive attitudes and actions; we've nothing to lose and everything to gain.'

"We wanted and we gave all types of programs including entertainment, movies, candidates for sweetheart honors, speakers, religious themes, brotherhood, campus organizations, and debates. These well-rounded programs were best, because they broadened people's minds rather than keeping them at the high school level. Chiefly, I'm talking about this common word, entertainment. Now I like entertainment as much, if not more, than the average person; but I also knew that a steady diet of this wouldn't give me what I should get from a college education, a stimulated, broadened, mature, intelligent mind.

"So in your daily work on the committee, you and you alone have got to decide whether you want to grow mentally or keep the ideas you received in high school. In high school, most of us felt 'Have fun and to heck with everything else.' To continue with that philosophy would soon mean mental failure, a falling behind, and the consequent unhappiness. I feel sure none of you want this to happen, and that's why you'll provide programs other than just entertainment.

"I leave these thoughts with you in addition to one more suggestion. How many of us have ever listened to 'Meet the Press', 'Town Meeting of the Air', or the 'American Forum'? Many of you I'm sure have. Why can't you set up several programs on this idea? Specifically, you could pick a subject, then select two student speakers who would take opposing viewpoints. An emotionally stable person should be chosen as a moderator. After thirty or forty-five minutes in which the speakers give their viewpoints, there could be questions and discussion from the audience.

"Now you're probably wondering 'What subject should we pick?', 'Who would want to speak?', etc., etc. One thing is sure, I don't know! You, who are on the campus, will have to use your imagination, knowledge, and foresight to determine that. The subject may have to do with a problem at Delaware, or it may be about something all college students everywhere are interested in. Perhaps a national situation, such as the power of the President, may be discussed. You could even discuss the Newark Police, industry in Newark, the buildings on campus, etc. There is no end to the subjects. There is no end to your possible success!

"Do three things: 1) Have faith in your work, and talk; 2) be positive; and 3) be enthusiastic and you'll never fail.

"Thank you for bearing with me in this epistle. This College Hour has always meant a lot to me! Good luck.

Sincerely,

Roger D. Browning

The Future

As can be seen, College Hour has come a long way since 1949. However, it is still in its starting stages and has a great future ahead. It is highly possible that the idea of presenting some of our College Hours as radio programs is in our very near future, even next year. Aside from the most obvious reasons for the necessity of keeping College Hour, such as presenting S.G.A. candidates, hearing the President speak, IFC College Hour for freshmen men, recognition of clubs, athletes, etc., there are other reasons. Recently in the Review, there was a statement that . . . "Delaware holds the questionable distinction of leading all 48 states of the nation in percentage of its young people who go outside of their own state for higher education" . . . College Hour programs over the radio could help create an interest in our university. We could tell the people of Delaware something of what we're like; we could bring campus issues to the people of Delaware.

As for the College Hours which would be held on campus, there is no end to what could be done. We need, all of us, to think positively about how to present a series of well-balanced programs so that next year we have the question of not "Will we have College Hour", but "How can we fit all the possibilities for College Hour into one year?"

The Armchair Umpire

By CHARLIE WILLIS

Judging by the activities on Frazer Field this past week-end and especially last Saturday, it is hard to determine which sport is in season. On Saturday last, one was able to witness an indoor track meet, a practice lacrosse game, a football scrimmage, a baseball practice, and a few tennis players getting in shape for their season.

The practice lacrosse game with the Maryland Lacrosse club last Saturday gave the Blue and Gold valuable experience on the finer points of the old Indian game. Although the Blue Hens were on the short end of a 17-5 score, Coach Roberts was able to test his inexperienced men in game conditions and find out which combination of players formed the best unit. Considering the type of opposition, the lacrossemen did very well. The Maryland squad outmanned the Delaware team in both size and numbers, and it included several former college All-Americans. Since the caliber of opposition the Hens will face this year won't be nearly as strong as last year, the U. of D. stickmen are looking forward to a successful season.

Coach Ken Steers' track team successfully concluded the indoor season with an impressive triumph over Albright last Saturday for an overall record of three victories without defeat. According to the track coaches, this year's squad is the strongest to represent the university in quite some time. The notable feat of the indoor season was the impressive victory over the Temple Owls. Last year against Temple, the Delaware trackmen were able to garner only a few first places, but this year it was a different story as the Blue and Gold captured eight firsts and several seconds and thirds for the 63-50 victory. The squad has been considerably strengthened this year by the return of middle-distance runner Tom Baylis.

Charlie Presnell, co-captain and diving star of the swimming team this year, will have an opportunity to establish himself this week-end as one of the leading one meter divers in the country. Last week-end at Harvard, Charlie placed fourth from a field of twenty-three contestants in the one-meter diving event, which is a very fine achievement considering that the first three finishers were All-Americans last year. This Saturday, Charlie and Coach Harry Rawstrom will journey to Columbus, Ohio, for the NCAA swimming championships, which will include outstanding swimmers and divers from all the leading colleges and universities.

Sidelights — Rocky Carzo and Frosh Jim Zaizer have been showing fine form in the backfield during spring football practice. Vince Grande and Skip Crawford are top end candidates. Delaware's football team scored on every opponent played in both the 1951 and 1952 gridiron seasons.

Roger Fouracre has been a consistent winner in the mile, while Jim Halcomb last Saturday established a new 440 record for the indoor track with a swift 56.0 seconds. Bill Reybold also has been showing good form in the 880 this spring, covering the distance in a little over two minutes. The Hen trackmen will now move outside in preparation for the season's opener April 15, with Lehigh University.

Frank White Heads Varsity Ranking Of Del. Tennis Team

Awaiting the arrival of suitable weather for outdoor practice and for the repair of the Frazer Field courts by the maintenance department, the Blue Hen tennis team is continuing its daily workouts in Carpenter Field House.

Coach Rylander has announced the setting up of a tennis ladder and has released the initial rankings as of Monday, March 23. Heading the Varsity list is Frank White, followed by his co-captain, Larry Cooperman, in the number two spot. Big Jim Hoey holds down the number three position, Pete Funkle is number four, Tom Daley is number five, and John Schuerman, six. The rankings from seven to eleven are: Glen McKibbin, Tom Hopkins, George Reed, Carl Schupp, and Bob Dryden, in that order. Those men who are ranked lower than eleven are going to have to play hard to upset the boys in the upper bracket.

The Blue Chick squad possesses two promising netters in "Wige" Nolde and Harry Veale, currently numbers one and two, respectively. Among the other probable starters, Tom Moore is number three; Howard Simpkins, four; W. V. Collings, five; and Walter Jebens, six. The seedings from seven to ten are: Tom Metz, Ken Whittington, John Smith, and H. McCurdy. The other members of this squad are also going to face some real competition in challenging the leaders.

No definite practice matches have been arranged for either squad, but Varsity—Frosh and Varsity—Alumni tangles may be in the offing relatively soon—probably on the Women's Courts.

Something new in Middle Atlantic Conference tennis may take place next fall if present rumors turn out to be true. A reliable source claims that at a tennis clinic at Drexel last Saturday, the Conference Tennis coaches agreed to work for the institution of an All-

Conference Tennis Tournament in both singles and doubles matches.

Finally, Coach Rylander requests that anyone interested in managing the tennis teams this year should report to him as soon as possible so that matters of supplies and equipment may be put on a firm basis before the season begins.

Frosh Gridders Sparkle In Spring Football Practice

After one week of spring practice, this year's frosh footballers have shown they'll have to be counted in the varsity picture next fall, despite the fact that there are twenty returning varsity lettermen and there will be only one platoon used instead of the usual two platoon system.

Despite the sparkle of the frosh, it was two veterans in new positions that have really been outstanding. They are Rocco Carzo, who was last year's leading ground gainer at fullback, and "Deacon Dan" Ford, who was formerly a backer up. Ford is now operating out of Carzo's fullback slot, while Rock has been up to his usual form running from the halfback slot. Two Richmond transfers, Frank De Armi and John Lute, have also been showing a lot of promise.

Among the up and coming frosh are the halfbacks Jim Naiser and Andy Wagner, operating from the fullback slot. We have Luigi Lauletta and Bob Hooper at quarterback. At end we have Vince Grande, at tackle, Nick Mengo and Archie Pananello; and guards, Frank Barile and Pete Braungart.

Baseball Season Opens Monday Against University of Maryland

Hen Trackmen Score 8 First Places In Win Over Albright

Scoring eight first places and a tie in the ninth, the Hens' trackmen made shambles of the Albright College trackmen by a score of 76½ to 36½ last Saturday in Carpenter Field House.

This meet saw three Field House records broken, and a fourth tied. Jim Holcomb, in covering the quarter mile in 56 seconds flat, tied the Field House record. Lanky Tom Baylis and versatile Bill Reybold combined to set a new record in the mile relay.

Baylis turned in a sterling 1:21.3 in the 600 yd. run to shatter the old record of 1:21.7. Reybold established a new half mile mark in erasing the record of 2:07.75 set last year by Ralph Peters, with a blistering 2:04.4.

Joe Miller set a new Delaware pole vault record, clearing the bar at 11' 6". Ron Watson once again won the broad jump, while "Bo" Fouracre was victorious for the third time this year in the indoor mile competition. Jim Flynn, another Blue Hen, continued his winning form in taking the 50 yd. dash in 5:6.

RESULTS

Mile—Fouracre, Delaware; Shirk, Albright, and Martin, Delaware. Time: 4:51.6.
440-yard dash—Holcomb, Delaware; Kretzing, Albright; Becker, Albright. Time: 0:56.0.
50-yard dash—Flynn, Delaware; Walton, Delaware; Tenney, Albright. Time: 0:56.
50-yard high hurdles—Stockshel, Albright; Saunders, Delaware; Burns, Delaware. Time: 0:07.1.
880-yard run—Reybold, Delaware; Richter, Delaware; Dretzing, Albright. Time: 2:04.4.
1000-yard run—Becker, Albright; Taylor, Delaware; Fouracre, Delaware. Time: 2:35.3.
2-mile run—Shirk, Albright; Vane, Delaware; Glick, Delaware. Time: 10:32.3.
600-yard run—Baylis, Delaware; Frank Houser, Albright; Rau, Delaware. Time: 1:21.3.
Mile relay—Delaware (Flynn, Holcomb, Reybold, Baylis); Albright. Time: 3:36.9.
Shotput—Setticerze, Albright; Butcher, Delaware; Graham, Delaware. 4 feet 6 inches.
Broad jump—Watson, Delaware; Crawford, Delaware; Ferver, Delaware. 20 feet 7½ inches.
Pole vault—Miller, Delaware; Harper, Delaware; McLaughlin, Delaware. 11 feet 2 inches.
High jump—Four way tie between Watson, Delaware; Saunders, Delaware; Croke, Albright; Zahurak, Albright. 5 feet 4 inches.

Intramural Highlights

The battle for volleyball laurels has been greatly tightened with the completion of two important games last week.

Sigma Phi Epsilon knocked Sigma Nu from its unbeaten rank and first place. In other crucial contests, Alpha Tau Omega upset Kappa Alpha, last years champions.

In the Sig Ep-Sigma Nu game, Jim Kinch was too much for the "snakes" to handle. Kinch's repeated slams provided a comfortable margin of victory. In probably the biggest upset in years, ATO whipped KA in a third game overtime. Jules Prevost played a great game for the "Bummers" as did Skip Crawford for the losers.

The standings are at present:
Alpha Tau Omega 9-1
Sigma Phi Epsilon 7-1
Sigma Nu 5-1
Kappa Alpha 1-1
Phi Kappa Tau 4-3
Theta Chi 3-3
Alpha Epsilon Pi 3-4
Delta Tau Delta 4-5
Sigma Nu "B" 3-5
Chem. Engineers 1-6
Pi Kappa Alpha 0-4
Hammers 0-5

Face Michigan Nine Next Friday

New head baseball coach Bob Siemen faces a real task when he leads his Hens to their opening game of the season against the hard hitting Terrapins of Maryland at College Park this coming Monday.

The Hens will be out to avenge last year's 4-2 loss, and even more significant is the fact that it will probably be Lew Wright, who was last year's losing pitcher against Maryland, who will get the starting assignment.

Handling the southpaw slants of Wright will be Bob "Mush" Trivits. The infield will probably see hulking Paul Mueller on first, veteran Jim Moneymaker at second, Captain Chuck Abrams at short, and rookie Bill Annonio at third.

The outfield will have sharp hitting Frank Serpico in right, fleet John Allen in center, and versatile Gordon "Bubbles" Murray in left. Gary "Crow" Buckwalter may also see outfield action.

Siemen probably will go all out with his pitchers if Wright has trouble, because the team has a four day rest till it entertains Michigan Friday. "Duke" Evans and "Mose" Morrow are the two most likely relievers.

Diamond Dust:

Coach Siemen isn't going to cut his squad, but a varsity has been picked. The non-varsity men will be allowed to stay out though.

Pete Kelleher has shown a lot of promise and may be a potential starter.

The Hens will leave on the first Monday of vacation on a six game southern trip.

John Allen will probably be the fastest man Delaware ever had in its clean-up spot.

Probable Starting Lineup:

Moneymaker, 1b; Serpico, rf; Abrams, ss; Allen, cf; Murray, lf; Annonio, 3b; Trivits, c; Wright, p.

Schultz Is Middle Atlantic Heavyweight Champ

Tom Schultz, Delaware's undefeated wrestling captain added another title to his mounting laurels when he won the Middle Atlantic A. A. U. heavyweight championship this past weekend at West Chester. Schultz was top seeded and had little trouble. He drew a bye in the preliminary, won an easy semi-final decision, and took West Chester's veteran Tony Scosia in the final. Schultz ended his career with a twenty-eight won and two lost overall record.

Bullets Start Football Practice For Next Fall

Delaware's first gridiron opponent next fall, Gettysburg, has begun spring practice for the coming season. Fifty-five hopefuls reported to coach John Yovicson's first call for the practice sessions which will last three weeks. Coach Yovicson, during this period has to mold a team capable of playing both on offense and defense in order to comply with the new limited substitution rule which goes into effect this fall.

Prospects for the coming season are bright as the "Bullets" lost only four regulars from last years squad which compiled a record of six wins and three losses. Yovicson, who is now starting his second year as head football coach, hopes to have a speedy club this year which will offset any lack in size of his gridders. The "Bullets" open a nine game schedule against the "Blue Hens" on September 26, at the Delaware Stadium.

Jack Kinter, tireless captain of this year's lacrosse squad, will lead the hen stickmen on their northern invasion during spring vacation.

Lacrossemen Lose Opener To Mighty Maryland Stickmen

Milt Robert's lacrosse squad opened its outdoor season last Saturday afternoon on the home turf of Frazer Field, meeting the powerful Maryland Lacrosse Club in an exhibition game. The Baltimore outfit, composed mainly of former All-Americans, proved too much for the local talent as they came out on top of a high scoring 17-5 contest. Led by such stalwarts as Hooper, who starred for Virginia against Delaware three springs ago down in Charlottesville, and Heiss, the veteran Maryland stickhandlers had a minimum of difficulty in slipping through the Hen defense set up. Fast, elusive Hooper proved that he hadn't lost much of his old skill by scoring a couple of goals and passing off for at least four or five others. Heiss tallied three times for the Maryland aggregation.

Delaware's five scores were divided up among attackmen Jim Schaubel and Norm Williams, who had two apiece, and midfielder Fred Brown who connected once. Goalie Pat Morris played a good game in the nets, for he turned away and blocked a considerable number of shots fired almost at will by the opposition. The Hen defense, perhaps the weakest part of the squad at present, had difficulty in giving Morris any kind of adequate protection. Returned service vet, Boyd Cook, has not yet rounded into peak shape, and when he does the defensive position will be strengthened. The return of George Chaloupka, who is now working out after a knee operation several months ago, also should help solve some of Robert's problems over Delaware's defense.

Coach Roberts expressed satisfaction over his team's showing of the season, especially since it was against such a star-studded outfit. According to reports, the Maryland Lacrosse Club squad's players said that Delaware was the fastest team they had played against thus far in the season, and that includes Navy, whom they met two weeks ago. Thursday afternoon Ohio State invaded Frazer Field for a battle against the Hen stickmen.

Shorts From Other Colleges

College of William and Mary Senior Class To Give College Library Microcard Reader

A microcard reader will be presented to the library as the senior class gift. This machine will make it possible for the library to have a great deal more material than at present and at a relatively low cost. It will also save considerable time for students doing research work.

Temple University

Throw of Dice to Determine Carnival Cost

The annual University Carnival, sponsored by XYW and the Crusaders will be Saturday, March 28, at 8 p. m. A throw of the dice will determine the amount that must be paid to get in.

The theme is comic strips, and awards will be given for the best decorated booth, the most original, and the one making the most money.

Each organization taking part in the Carnival is allowed to enter a picture of either a boy or girl in the "King and Queen" contest. There will be a board at the entrance with the pictures of the contestants. Under each picture will be slots for the deposit of money. The contestant who, at the end of the evening, has the most money in his slot is the winner.

Lafayette College

Fraud Hits 3 Parents of Students

An unidentified male has been posing as a friend of various Lafayette students, calling their respective parents, and asking for small loans of money, reported E. Biddle Hig, dean of students. Using the name of Frank Flaherty, the fraud has called the parents of at least three Lafayette men. Fortunately, the imposter collected money from only one of the three homes.

College of William & Mary Students to Publish W & M Desk Calendar With Many Features

A combination illustrated engagement book and desk calendar will be sold at William and Mary this spring and again next fall. It will be the first new illustrated William and Mary publication since 1935.

The engagement book-desk calendar will have a dark green leather bound cover with an Indian design embossed in silver. The pages will be fine gloss paper. Besides having space to write down daily memos and activities, there will be pages for addresses, birthdays, and personal notes. The book will contain photographs and cartoons of campus life and will list all the social and athletic events for the college year.

A contest is being conducted to find a name for the engagement book. A \$5 prize will go to the winner.

George Washington University Cheerleaders Yell For Original Cheers

The University Cheerleaders and the Colonial Boosters are sponsoring a cheer writing contest to obtain original and rousing cheers to replace the ones used this year. A \$10 prize will be awarded to the student submitting the best new cheer in the current contest. Two other prizes of \$5 each and honorable mentions will also be awarded.

Home Ec. Club Has Guest

Last week the Home Economics Club had as its guest the Delaware State College Home Economics Club and Mrs. Allie Holly. Mrs. Holly told about her experiences while teaching home economics in India. She showed slides of the section of India that she visited, and different pieces of clothing and jewelry were on exhibit. A social hour followed the talk!

Alumni Notes

(Continued from Page 2)

ment. Jack is employed by the Allis Chalmers Company in Washington, D. C.

Andy Anderson and Jane Wood, classmates of '52, decided to continue their association by tying the marital knot at the Wilmington Cathedral Church of St. John on April 8. They will live at Jack's farm in Cecilton, Md.

Al Scala and his wife, the former Betty Mathewson, both of the class of '52, are still in Pittsburgh making steel.

Professor Jack Reeves did something or other of importance last week end and if Dicky-Wicky Gorman would be a bit more generous with his comments we might be able to tell you what that something was.

Admiral Bill Blandey, ex-KA was elected to Tau Beta Pi, honorary engineering fraternity last week. Admiral Blandey has spent this past week speaking in New York and advocating an all-out offensive instead of the costly "police action" we are engaged in now. Maybe that's the solution, though all of us hate to think of it.

Campus capers call for Coke

It depends on the point of view, of course, but *almost* everyone enjoys these antics. And when there's a quick need for refreshment ... have a Coke!

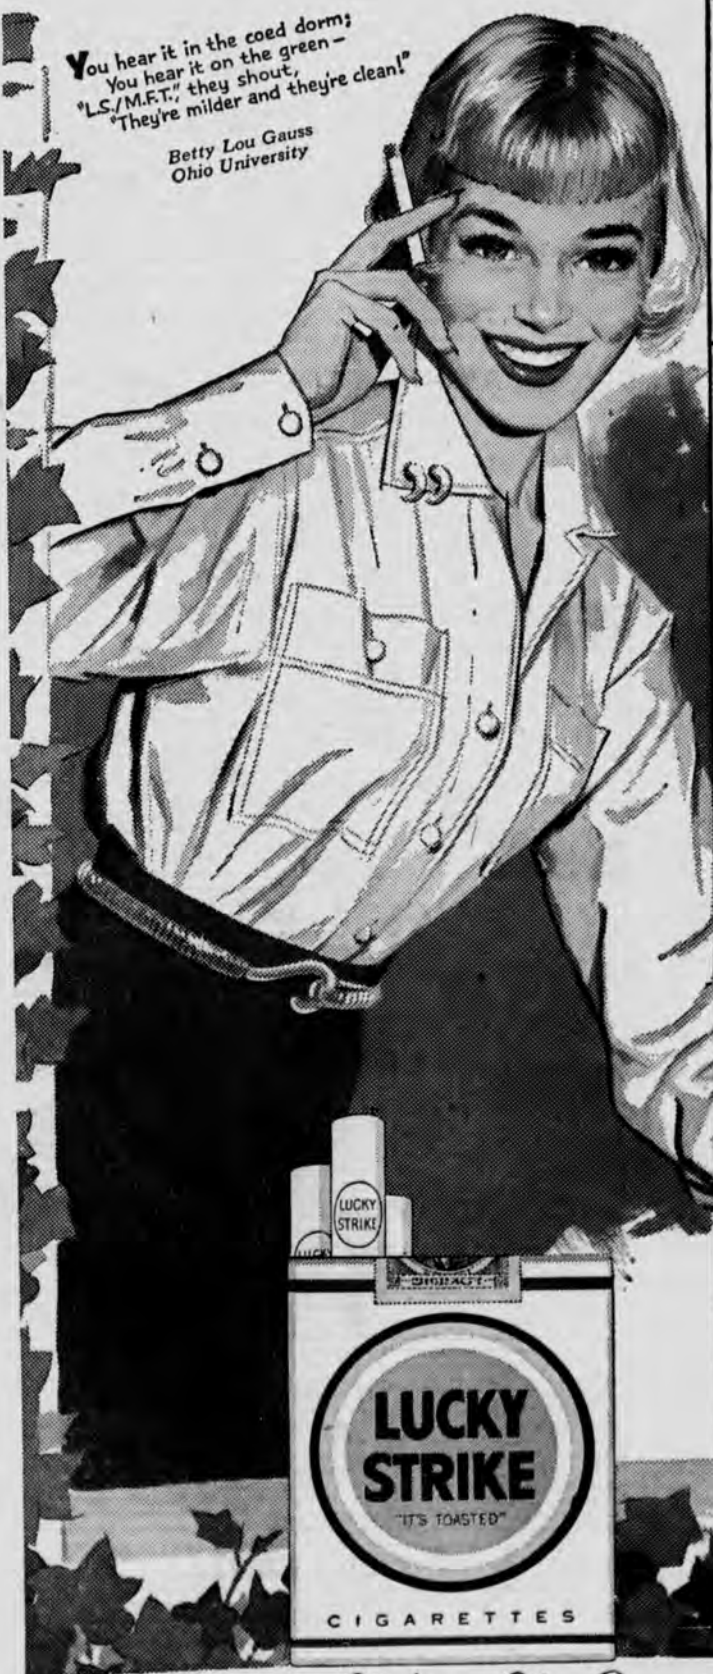

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

You hear it in the coed dorm;
You hear it on the green -
"LS/M.F.T." they shout,
"They're milder and they're clean!"

Betty Lou Gauss
Ohio University

The taste that's in a cigarette
Is just what counts with me -
If you're the same, then look no more,
Try Lucky Strike and see!

Richard S. Bunnewith
Boston University

Nothing no, nothing-beats better taste
and **LUCKIES**
TASTE BETTER!
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette ... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike ...

Be Happy-GO LUCKY!

Where's your jingle? It's easier than you think to make \$25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay \$25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y.

I love to bowl, but seldom strike;
It takes good luck you see.
But Lucky Strike, the smoke delight,
Sure made a hit with me!

Creighton University

Treatise On The Species Woman

She's an angel in truth, a demon in fiction.

A woman's the greatest of all contradictions.

She's afraid of a cockroach, she'll scream at a mouse,

But she'll tackle a husband as big as a house.

She'll take him for better, she'll take him for worse.

She'll split his head open and then be his nurse.

And when he is well and gets out of bed,

She'll pick up a teapot and throw at his head.

She's faithful, deceitful, keen-sighted, and blind,

She's crafty, she's simple, she's cruel, she's kind.

She'll lift a man up, she'll cast a man down,

She'll make him her ideal, she'll make him her clown.

You fancy she's this, and you find that she's that,

For she'll play like a kitten and bite like a cat.

In the morning she will, in the evening she won't,

You're always expecting she does, but she don't.

Fraternities

(Continued from Page 1)

E. C. Mahanna, as the judges for the Playbill.

In accordance with past custom, there will be an admission charge of 1.25 cents per person. The first play is scheduled to start at 8 p. m. both nights.

Concerning the requirements for the performance of each play, an additional 10 per cent will be awarded for each original play. The time limit for each play has been extended from 25 to 30 minutes from curtain to curtain. Thus, there will be no time limit on scenery changes between plays.

Education Leaders

O. D. K. Elects Two Delegates To Natl. Convention

At a recent meeting of the Beta Sigma Circle of Omicron Delta Kappa, national honor society, Alfred Isaacs and Glenn Dill were elected to represent the University of Delaware chapter at the national convention held in Roanoke, Virginia, on April 17, 18, and 19.

The two delegates plan to drive down, stopping at Washington College, Maryland, to pick up two other delegates from that institution.

The convention, a three-day affair, includes numerous lectures and discussion periods aimed at bettering the student chapters, plus a complete schedule of banquets, luncheons, and other activities.

Delaware Students Appear On TV

Six University of Delaware Students and two officials of the University Extension Service appeared on a half-hour broadcast over channel 12 last Thursday. The undergraduates, George Simpson, Robert King, Glenn Dill, Ann Short, Milmo Fox, and Bernakine Patterson, represented the 4-H Club recently organized at the U. of D.

The program was under the direction of Mrs. Alderman of Newark, Del., a Delaware home demonstration staff official. Moderator for the occasion was Mr. Sam Gwinn, state 4-H Club agent.

The program served to enlighten club members all over the state as to the purposes and activities of this organization. The six panel members gave five to ten minute talks on such topics as the International Farm Youth Exchange Program, the state 4-H newspaper, meetings of the University 4-H Club, and past and present activities of the Club.

Delaware Student Returns From India

Vaughn Fox, a student at the University of Delaware, returned last week from a four-month trip abroad. Vaughn, traveling through the courtesy of the International Farm Youth Exchange program spent the majority of his journey in India, with brief tours being taken in numerous European countries.

'POP' ROBERTS

S. G. A. Elections

(Continued From Page 1)

President of the Student Government Association. Voting shall be by secret ballot. (3.) A student shall be eligible to vote only in the class and school in which he is academically classified by the Registrar's office.

Definite emphasis has been placed by Bill Nicoll, current S.G.A. president, on the importance of

casting a ballot in this election. According to Bill, the quality and effectiveness of the S.G.A. next year depends on the quality of the officers elected in this election.

Mr. Fennema Gives

(Continued from Page 3)

solo part in Mozart's "Requiem Mass in D Minor," while at Westminster and will perform in the

same work to be presented here at the University of Delaware on April 17.

Mr. Fennema is director of the University A Cappella Choir and is in charge of vocal music and choral conducting in the Music Department. He is also choir director at Second Baptist Church in Wilmington. The public is cordially invited to attend the recital on Monday night. There will be no charge for admission.

Hop Home
This Easter
BY TRAIN!

YOU WON'T NEED A RABBIT'S FOOT to be sure of getting home as planned... and getting back promptly after vacation... in a comfortable, dependable train. And you can be equally sure of vacation fun... traveling with your friends... enjoying swell dining-car meals... with lots of room to roam around and visit.

GIVE EAR TO THESE SAVINGS! You and two or more of your friends can each save 25% of regular round-trip coach fares by making the trip home and back together on Group Plan tickets. These tickets are good generally between points more than 100 miles apart.

Or, gather 25 or more heading home at the same time in the same direction. You each save up to 28%, even if you return separately.

Greek Column

AEPI

It finally came, the day all the guys have been waiting for since September, at long last the girls paid. Women's Week-end meant the burying of the wallets for at least fourteen of the brothers, and from all reports the men really enjoyed it. Starting with Joe Glick's steak dinner, paid for by Phyllis Sklut, and ending with Leo (I'm sore) Zuckerman's horseback riding Sunday, financed by Gerry Weinroth, the entire week-end was termed a great success by the fortunate who attended.

Barry Seidel and Lenny Rosenbaum had a really wild time at the Boletus party. From all the stories heard, Phyllis Schulman and Bobbie Simon tinkered with the punch.

The brothers want to welcome back Marv Balick after a week's absence. Poor Marv looks bad after a week indoors, and we all hope he takes advantage of the wonderful sunshine.

Phi Kappa Tau

Last Wednesday night, Phi Tau held its annual Founder's Day Banquet at Hanna's in Wilmington. One of the highnotes of the evening was Dean Hocutt's talk on fraternity eating and drinking. Bernie Stokes, our domain chief, gave an inspiring talk on what the fraternity should mean to us.

The past week-end found many Phi Tau's wining and dining at the expense of the South Campus Residents. Some of the highlights of the Week-end included a belated case of food poisoning, a "who's the most obnoxious" contest, and pleasant music furnished by the Delmelodians.

Congratulations to the Delaware track team who continued their brilliant indoor record with a win over Albright. Jim Glick, Dick Harper, Ron Watson, John MacLaughlin, and Don Rau contributed 13½ points towards the Hens triumph. As this article goes to press, Jim Bradford, Boyd Cook, and Burns Wivil are participating in the Intramural wrestling finals, while Charlie Rodriguez and Don Rau are fighting for boxing championships.

We wish to congratulate Jim Short who pinned Joan Archer this past week-end. Belated congratulations are in order to Boyd Cook who recently announced his engagement to Pat Beatty.

Kappa Alpha

Many thanks to the women for the wonderful time we all had at their week-end. Many of the brothers are still going around in a fog resulting from the fast and furious festivities.

The only real activity over the past week has been Judge "Kappa Alpha's dancing bear" McWhorter worrying over his rapidly-diminishing fleet of cars. Judge demolished two cars on the K. A.-to-Kent speedway in preparation for the Indianapolis competition.

Monday afternoon saw the beginning of action for our plane spotter team. The following men will be awarded Congressional citations for exemplary service: Jim "Which way did they go" Williams, Lou "I don't know" Harrington, and Jim "Wake me after two hours" Hoey.

To keep themselves on their toes, the Rebel volleyball team has been having extensive practices on the court outside the house. Thanks to the combined efforts of Ed Hoffman and Ken Smith, the court is now sporting new yellow boundary lines.

Sigma Phi Epsilon

That contented glow which surrounds the males on the campus stems from the pleasant memories of Women's Week-end. The entire week-end, dance, dorm parties, and picnics, was wonderful. It is a shame that there aren't more week-ends like it, and we all want to

(Continued on Page 12)

IF YOU CAN WIN THESE WINGS YOU CAN EARN OVER \$5,000 A YEAR AFTER GRADUATION

Important facts about the opportunities for YOU as a Commissioned Officer—Pilot or Aircraft Observer— in the United States Air Force

Must I be a college graduate to take Aviation Cadet Training?

No. But you must have completed a minimum of 60 semester hours or 90 quarter hours toward a degree. In addition, under the new Aviation Cadet training program, you must be between the ages of 19 and 26½ years, unmarried, and in good physical condition—with high requirements for eyes, ears, heart and teeth.

How long before I get my commission?

60 calendar weeks. You will receive the finest aviation training in the world—training that not only equips you to fly modern military aircraft but prepares you for executive and administrative work as well. At the completion of your training, you will have acquired a commission as a 2nd Lieutenant and the coveted silver wings of the United States Air Force.

Where do I take my training?

Pre-flight training will be at Lackland Air Force Base, San Antonio, Texas. Primary, basic and advanced training will be taken at any one of the many Air Force bases located throughout the South and Southwest.

What happens if I flunk the training course?

Every effort is made to help students whose progress is unsatisfactory. You can expect extra instructions and whatever individual attention you may require. However, if you fail to complete the course as an Aviation Cadet, you will be required to serve a two-year enlistment to fulfill the minimum requirement under Selective Service laws. Veterans who have completed a tour of military service will be discharged upon request if they fail to complete the course.

What pay do I get as an Aviation Cadet? And after?

As an Aviation Cadet you draw \$109.20 a month pay. In addition, you get summer and winter uniforms, flight clothes, equipment, food, housing, medical and dental care and insurance . . . all free. After you are commissioned a 2nd Lieutenant you will be earning \$5,300.00 a year—with unlimited opportunities for advancement.

Are all Aviation Cadets trained to be Pilots?

No. You can choose between becoming a Pilot or an Aircraft Observer. Men who choose the latter will become commissioned officers in Navigation, Bombardment, Radar Operation, or Aircraft Performance Engineering.

Do Aircraft Observers get flying training, too?

Yes. Aircraft Observer Cadets receive approximately 200 hours of "in the air" instructions. The primary phase of Aircraft Observer training is the same for all branches (navigation, bombardment, etc.). The basic and advanced phases of training vary, depending on the specific course you pursue.

What kind of airplanes will I fly?

You will fly jets. The Pilot Cadet takes his first instructions in a light, civilian-type plane of approximately 100 horsepower, then graduates to the 600 horsepower T-6 "Texan" before receiving transition training in jets. You then advance gradually until you are flying such famous first-line aircraft as F-86 Sabre, F-89 Scorpion, B-47 Stratojet, B-50 Superfortress. Observer Cadets take flight instructions in the C-47 Dakota, the T-29 Convair, and the TB-50 Superfortress before advancing to first-line aircraft such as the F-89 Scorpion, B-47 Stratojet.

Will my commission be in the Regular Air Force or Reserve?

Aviation Cadet graduates, both Pilots and Aircraft Observers, get Reserve commissions as 2nd Lieutenants and become eligible to apply for a regular Air Force Commission when they have completed 18 months of active duty.

How long must I remain in Service?

After graduation from the Aviation Cadet Program, you are tendered an indefinite appointment in the United States Air Force Reserve and are called to active duty with the United States Air Force for a period of three years.

What recreation and leisure time will I have as a Cadet?

Discipline will be rigid—especially for the first few weeks. However, it is not all work. You'll find swimming pools, handball courts, movies and other forms of recreation on the post.

Where will I be stationed when I get my commission?

You may be stationed anywhere in the world . . . Hawaii, Far East, Europe, Puerto Rico, elsewhere. During your tour of duty, you will be in close touch with the latest developments in new flying techniques. You will continue to build up your flying experience and later should have no difficulty securing a CAA commercial pilot or navigator rating.

Your future is assured if you can qualify! Here's what to do:

- 1 Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
- 2 If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
- 3 Next, you will be given a written and manual aptitude test.
- 4 If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

WHERE TO GET MORE DETAILS

Visit your nearest Air Force Base, Air Force Recruiting Officer,
or your nearest Air Force ROTC Unit. Or write to:
AVIATION CADET, HEADQUARTERS, U. S. AIR FORCE
Washington 25, D. C.

Virus Patients

(Continued from Page 1)

neither prevent nor shorten the length of the illness caused by the so-called "winter virus." (Nor do they know exactly what this virus is—it may be one of some 3000 varieties, causing illnesses ranging from the common cold to intestinal flu.) When a virus, much smaller than bacteria and unable to grow outside of a living plant or animal, enters the body it reproduces its own kind and literally eats up the body cells. The blood, meantime,

produces anti-virus chemicals (antibodies) that ward off the virus and stay in the body to produce a virus immunity for a short period of time.

Since medicines, gargles, and tablets can do no more than soothe the symptoms of a virus infection at best, they are a waste of money. Antibiotics like penicillin are not only expensive but even actually harmful when they are carelessly prescribed for a person with an antibiotic allergy. Since antibiotics attack only germs, they are useless against virus. Moreover, some actual germs can build up a resistance to

penicillin administered too freely. Here is a list of physicians' rules for fighting virus:

1. Stay in bed and give your body a chance to shake off the virus.
2. Keep warm and eat normally.
3. **Don't treat yourself**—rest and let your blood manufacture virus-fighting antibodies. If any symptoms persist or if your fever is high (over 101) call your doctor.

LATIN PROVERB

Every virtue is but halfway between two vices.

S.G.A. Minutes

Continued from Page 3)

the Registrar's Office concerning College Hour. They would like to use that time for scheduling TThS classes. However, a motion was made, seconded and passed that the SGA request for next year 11 a. m. Thursdays for College Hour.

A motion was then made that the meeting be adjourned. It was seconded and passed.

Respectfully submitted, Marianne Reitke Recording Secretary of SGA

Greek Column

(Continued from Page 11)

say thanks a lot to a bunch of swell dolls for a grand time.

Congratulations to **Carrie Welmer** and **Irv Rinard**. The Weekend spell caught Irv unaware, and he has fallen into the ranks of pinned men. If you are dazzled by something bright while strolling down campus, it will be either Carrie's smile or that big diamond pin. **Tom Daley** said that he hasn't done the dirty deed as yet, but the brothers have given **Barbara** a vote of confidence for the future.

John Tulley has been seen digging up the back yard. Speculation as to what he is looking for has run from oil to gold, but it is really just for a foundation for a new walk to Rhodes' back door.

Naval Air Cadet, "Turkey" Dalton, and **Bobbie Martin** have become engaged. Congratulations to the happy couple.

Theta Chi

The brothers of Theta Chi would like to congratulate our newly elected officers. The following are the men who will guide the destinies of Theta Chi during the coming year: **Charlie Sullivan**, president; **Joe Stout**, vice-president; **Stan Wojciechowski**, secretary; and **Don Anestead**, treasurer. We sincerely hope that they will continue to give us the leadership to which we are accustomed.

The annual "Bowery Brawl" last week came off with a loud bang. The house was decorated gaudily in "gay '90" style—for a while, anyway. Brothers and pledges alike had a great time.

Speaking of pledges, we up on "The Hill" have the only pledge in captivity who took the Charles Atlas course and failed. Hats off to "Christine" Crisconi.

Congratulations are in order to Brothers **Joe Stout**, **Frank Gyetvan**, and **Tom Fannon**, who were recently nominated for SGA offices. Good Luck, gang!

Mystery of the week: Who is the Theta Chi "Home Wrecker"? If anyone knows his identity, please notify "Jawn" Allen.

Pi Kappa Alpha

Condolences to **Walt Timm**. Poor old Walt finally found an excuse to get home. Caught the measles, he did, and left last week-end.

Congratulations are in order for **Harold Prettyman** who gave his pin to **Olive Smith** last Thursday and to **Butch Thompson** who gave his pin to **Jane Cox** a week ago Sunday.

Seen at the dance Friday night were several brothers. **Hal** and **Olive** were there, along with **Bill duBell** and **Mary Lou Matthes**, **Herb Hackman**, and **Margie Woodward**, **Bob Alexander** and **Elaine Hanlon**, and **Bob Pillow** and **Lynn Missimer**.

Delta Tau Delta

The Delta Shelter was very quiet last week-end, but the brothers were kept quite busy while South Campus took over. Hats off to the girls for their terrific decorations Friday nite!

Before the dance, **Lemmie Lilleheht** and **Barbara Lilliquist**, **Art Hodges** and **Bebe Brown**, **Diz Day** and **Tracy Williams**, **Dave Menser** and **Edie Evans** dined at the Granary.

Further up the road and a little later in the evening, Ye Olde Frenchtown was honored by Brothers **Pollack**, **Sheurman**, **Gedling**, **Junghans** and **Barrell** with their dates.

Mimi Stausbach opened her house Saturday afternoon. Among the milling throng were **Bob Gedling** (of course), **Jack Phillips** and **Carlie**, **Jack** and **Sarah Stowers**, **Jim Sabo**, and **Bob Wagner**.

Chesterfield is Best for YOU!

CHESTERFIELD contains tobaccos of better quality and higher price than any other king-size cigarette... the same as regular Chesterfield.

Chesterfield—first premium quality cigarette in both regular & king-size

WHEN you are asked to try a cigarette you want to know, and you ought to know, what that cigarette has meant to people who smoke it all the time.

For a full year now, a medical specialist has given a group of Chesterfield smokers thorough examinations every two months. He reports:

no adverse effects to their nose, throat or sinuses from smoking Chesterfields.

More and more men and women all over the country are finding out every day that Chesterfield is best for them.

Enjoy your Smoking!

Try Much Milder Chesterfield with its extraordinarily good taste.
