

Camp Reunion Fete Local School April 11

Monday, April 11, the first day of camp reunion will be held at 2 p.m. at the Main Street school. All campers and campers from last season are invited to attend, and boy or girl, between 9 and 14, attend this reunion.

Tomorrow, the YMCA monthly dance will be held in the Hill elementary school from 8 to 11 p.m. The public is invited to attend, and the caller is Lester Indine.

By-Law Balloting to Guide Budget Plan At Brookside

Noting on this year's budget as 1 as future budgets will be decided by the results of balloting on by-law amendment, officials of Brookside Community, Inc., met this week.

On the \$24,750 budget were allocated last week to residents whose 1-55 dues are paid, and ballots the by-law amendment were held Tuesday. This sequence led to the assumption that the by-law amendment would be changed in time to set this year's budget but community officials have announced that this is not the case.

The deadline for both ballots is same. Both must be postmarked on or before April 15.

The amendment would permit a posed budget to be defeated by a majority of those voting rather than by a majority of those whose ability to vote has been established by paying last year's dues, is now the case.

Haight's To Head Annual Fun Fair For PTA Council

Benefit Event For Local Schools Scheduled April 29 In High School Gym

Mr. and Mrs. H. Granville Haight, Jr., of Paper Mill Road have been named co-chairmen of the Fun Fair to be held April 29 by the Council of Parent-Teacher Associations of Newark Special School District.

The Fun Fair has been the main money-making effort of the Newark PTA. This year, five PTAs are joined in a council for the first time, working on arrangements for the fair, to be held in the Newark High School gymnasium at 7 p.m. the last Friday of this month.

Last year's fair, the Haight's pointed out, financed the purchase of a printing press for the Central school and play equipment for other schools, especially the three new ones.

The Haight's are members of the E. Frances Medill elementary school PTA where their daughters Robin, 11, and Rhea, 7, are enrolled. They have another daughter, Carlyne, 4.

Mr. and Mrs. Haight moved here two years ago from Baltimore. Mr. Haight has been with the duPont Company for 15 years.

Committee chairmen for the 1955 fair include: finance and tickets, Ernest Overby; bake sale, Mrs. Knowlton Howes; booths, Herbert Smith; games, James Mann; sign and decorating, classes taught by Neil Osborne; mimeographing, classes of Mrs. Mary Belle Pellegrini; balloons, Mrs. John P. Murphy; publicity, Mrs. William O. Skold; Miss Barbara Link, and Miss Jeannette Thoroughgood's Journalism students; movies, Gilmore Ott and Herman Handloff; and selection of queen, Principal Frederick B. Kutz.

Local Boy Named To St. Andrew's Post As Curate

Layton Zimmer, Newark High Graduate, To Be Ordained As Minister

Layton Parkhurst Zimmer, whose father, Col. Layton Allen Zimmer, was a ROTC commandant at the University of Delaware from 1946 to 1950, has accepted the post as curate of St. Andrew's Episcopal Church, Wilmington, in June.

Mr. Zimmer will graduate June 1 from Episcopal Theological School in Cambridge, Mass., and will be ordained shortly afterward by the Rt. Rev. J. Brooke Mosley, bishop of Delaware, in St. Thomas Church, Newark, from which he is a candidate to the ministry.

He and his wife, Mrs. Nancy Joan Child Zimmer of Portland, Conn., will live at 253 Waverly Road, Fairfax. He will be responsible for youth work at St. Andrew's and share all pastoral responsibilities.

The 23-year-old graduate of Newark High School and the College of William and Mary entered St. Luke's School of Theology, Seawane, Tenn., and transferred a year later to the Cambridge school.

Col. and Mrs. Zimmer are now at Fort George Meade, Md., where he is inspector general of the Second Army.

Mr. Zimmer's college activities included the band, ROTC, football, track, chaplain of Kappa Sigma fraternity, vice president of Student Religious Union, president of Canterbury Club, secretary and summer chairman of Honor Council, president of Eta Sigma Phi classical language fraternity, member of Student Assembly, Senate, Cooperative Committee, Omicron Delta Kappa leadership fraternity, and Theta Alpha Phi dramatic society. He was on the dean's list and acted in 10 major productions of the William and Mary drama department.

Three Initiated Knights In Osceola Lodge K. of P.

Glen Frazier, Dallas Palmer, and Harry Newkirk were initiated in the rank of Knight at the April 4 meeting of Osceola Lodge No. 5, Knights of Pythias.

All members are urged to be present on April 11 when visitors from all the lodges in the Domain of Delaware are expected.

F. X. Gallagher Selected To Dedicate Army Center

Dedication ceremonies for the new Robert Kirkwood Army Reserve Training Center, located on the Kirkwood Highway, will be observed on Saturday, April 16. The event, honoring Delaware's first Government-owned Army Reserve Training Center, will be attended by state dignitaries, city officials, and high-ranking military officers.

The program is scheduled to begin at 1:30 p.m. and will include a dedication by Frank X. Gallagher of Newark, a lieutenant colonel in the Army Reserve, naming the new training center after Robert Kirkwood, a captain of the First Delaware Regiment in the Revolutionary War.

New Camera Club Meeting Scheduled Next Tuesday

The next meeting of the newly organized New-Del-Ark Camera Club will be held on Tuesday, April 12, at 8 p.m. at Lincoln's Restaurant.

A short business meeting will be followed by a discussion on camera usage, and a showing of color slides by D. A. Harvey.

Prospective members and friends are invited to attend the meeting.

City Council

(Continued from page 1)

Mr. Coverdale questioned the advisability of authorizing an estimated expenditure for such engineering surveys in view of the city's financial position, and the city manager is to request the firm of Whitman and Reardon, engineering consultants employed by the City of Newark, to provide a cost estimate for Council consideration.

Councilman C. George Neighbors' resolution, to provide temporary 15-minute parking on the south side of East Main Street from the Gulf service station to Tyre Avenue between the hours of 4 and 5:30 p.m. for patrons of Bing's Bakery, was approved.

The contract to provide gas and oil for city vehicles for a six-month period was awarded to S. D. Kirk & Son on their bid of \$0.237 per gallon for standard gas, and motor oil at a cost 28% below the selling price, without regard to a rise or fall in tank wagon prices.

Assessment Programs

The city manager submitted detailed reports on a proposed assessment program for street and water main construction, and Councilman Harry Maclary's motion was approved to have these reports referred to the new street and water committees appointed by the mayor after the April 12 municipal election.

A letter was read from the firm of John A. Robbins Co., requesting City Council consideration of the firm's offer to purchase a 10-acre tract of the Phillips Canning Co. property for construction of a paper processing plant adjacent to the railroad siding. Council agreed to consider the offer, and the requested property.

Mr. Coverdale queried Mr. Over concerning the status of the city budget, and it was explained that final settlement had been delayed pending completion of the city audit. Mr. Over stated that the audit should be completed within a week, and that the budget would be offered for final consideration and approval, based on the figures disclosed by the audit.

Daylight Saving

Mayor Wallace Johnson's request for a decision on daylight saving time scheduling for Newark resulted in an agreement to conform with the time schedule established by the City of Wilmington, with daylight saving time to go into effect April 24.

City Solicitor John Sinclair announced that a bill had been presented to Rep. Wolf for introduction at the Dover Legislature, amending the city charter with respect to a changeover from a fiscal to a calendar year, requiring preparation of the annual budget not later than the first Tuesday in December, and providing for adoption of the budget and tax rate by Council not later than Feb. 28.

Mr. Neighbors' motion that no building permits be issued by the city building inspector for areas where water, sewer, street, and electrical facilities were not immediately available, was approved. Permits rejected in such cases are to be referred to Council for approval.

High School Sewer

Mr. Over announced that rights-of-way for the Wilson Tract interceptor, to serve the new senior high school, are being obtained. That specifications are being prepared, and that bids will be advertised for Council approval on May 3.

A letter from the commissioners of Newport requesting Newark support of a bill for state aid in street maintenance, was read and the request rejected.

Council approved Building Inspector Clarence Bader's trip to the Building Officials' Conference in Milwaukee from April 18 to 21, at a cost not to exceed \$175, and approved the expenses involved in meals and transportation for a Newark police officer to attend a state police training course in Dover, from April 18 to 22.

Several items on the agenda were deferred for attention at the next meeting as time ran out close to midnight.

It was retiring Councilman John R. Downes' last official meeting, and the Doctor was there at the late ending.

Legal Proceedings Planned To Collect Delinquent Dues

Brookside Community Inc. Plans Legal Action As 14 Residents Refuse To Pay

The executive board of Brookside Community, Inc., plans to institute legal proceedings against 14 residents who have refused to pay the \$5 annual dues.

In explaining this action the board said the corporation feels a moral obligation to those who have paid, to see that a minority does not avoid its financial obligation, and legal opinion was quoted to the effect that such action is essential to prevent any compromise of the legal right to collect dues under the deed restrictions.

All residents who have not paid 1954-55 dues are being contacted in person in a survey directed by Harry Kaley, chairman of the public relations committee. This has been finished in Sections C, K, and ME, and is nearly finished in the other sections. These calls were the source of the 14 names turned over to the lawyer.

Mr. Kaley blamed misinformation and disinterest for most of the dues delinquency. When he started out, 156 residents of C, K, and ME were delinquent, or about 20 per cent of the total.

Of the 156, he reported to the board, 15 per cent paid up immediately when contacted and 60 per cent gave him a "reasonable expectation" of collecting in the near future. The 14, or not quite 10 per cent, were flat refusals.

The board indicated it intends to discuss the problem of residents with financial difficulties at a future meeting.

Anthropologist To Teach At U.D. Summer School

A noted anthropologist and social biologist at Rutgers University, Dr. Francis Ashley Montagu, will present the course, "The Nature of Human Nature," during the 1955 University of Delaware summer school. In addition, Dr. Montagu will deliver lectures as a part of the summer session's Wednesday evening lecture series.

An authority on legal and scientific problems relating to race, Montagu is a native of London, England. After attending the universities of London and Florence, he came to America and received a Ph.D. degree from Columbia University in 1927. The English scholar became a naturalized citizen of the United States in 1940.

Col. Sam Arnold Arrives In Korea For Army Duty

Lt. Col. Samuel M. Arnold, son of Mr. and Mrs. Perrie Arnold, 33 N. College Ave., Newark, recently arrived in Korea for duty with the Korean Military Advisory Group.

A member of the 8202d Army Unit, he entered the Army in 1940 and is a veteran of European service. The colonel is a 1938 graduate of the University of Delaware and a member of Sigma Phi Epsilon fraternity.

Leave Of Absence Granted Kirchner In Research Work

Dr. Walther Kirchner, professor of history at the University of Delaware, has been granted a leave of absence for the 1955-56 academic year to become a visiting member of the Institute for Advanced Study at Princeton.

The Institute for Advanced Study, founded several decades ago, was established to provide scholars with the opportunity to devote themselves to research of special significance and to engage in their work and their thinking without distraction from outside duties.

Dr. Kirchner, who has been associated with the University of Delaware for the past ten years, is well-known as a result of his numerous lectures, speeches, and discussions. He is the author of several books and a number of articles and reviews which have appeared in more than 20 leading journals.

As a Fulbright professor, he visited Denmark in 1952-53 to conduct research on the development of relations between Russia and the West. It is this historical study which Dr. Kirchner plans to complete during his year at Princeton.

RANKIN FILED

Carl S. Rankin, 82 West Park Place, Newark, was nominated without opposition Monday night to be chairman of the Delaware Boy Section of the American Institute of Electrical Engineers. The nomination was made at a business meeting in Brown Vocational High School which followed a dinner in the Hob Tea Room. Elections will be held May 2.

Mrs. duPont Named To Head Campaign For Mental Health

Mrs. A. Felix duPont, Jr., of Marshallton, has accepted the national campaign chairmanship of the 1955 Mental Health Fund. Mrs. duPont, whose activities on behalf of the mentally ill are well-known in Delaware, is a member of Governor Bogg's Committee for Mental Health and a member of the Board of the National Association for Mental Health.

In accepting this honor, Mrs. duPont stressed the hopeful outlook in the fight against mental illness. "Even with conditions as poor as they are in many mental hospitals, a patient's chances of being discharged as improved and recovered after only a few months of treatment are now about 50 per cent. In some hospitals which have adequate staffs and give their patients the treatment they need, this percentage is as high as 70 per cent."

Solicitation for this worthwhile cause will not be undertaken in Delaware by the State Mental Health Association this year because its operating budget is supported by the Red Feather Drive. However, it should be pointed out that the budget of the state association does not help to finance research and training at the national level.

1501 Capitol Trail

When this issue of the Newark Post reaches you the season of Lent will be drawing to a close. Lent will be attending Good Friday services in memory of the crucifixion of Christ, and Easter services to celebrate the resurrection. Others have been observing the feast of the Passover, in memory of the deliverance of the children of Israel from the bondage of Egyptian slavery.

In the midst of the fuss and excitement of spring hats, and new suits—do we get so bogged down with things that we overlook the real reason for Easter? Or will there be a renewing of our hearts and spirits also?

How wonderful if the resurrection of life in nature all about us, of our own lives from the bondage of sin and selfishness!

Patty Mullen, of Brookside, spent last week visiting Susan Furness. Last week while Patty's parents Capitol Trail, while Patty's parents were on a trip to St. Croix, the Virgin Islands.

Mr. and Mrs. James Brown, Capitol Trail, were dinner guests last Sunday, of Mr. and Mrs. Elwood Story, Garfield Park.

Mrs. Helen Johnston, Old Capitol Trail, has been seriously ill for some time and is confined at Memorial Hospital.

Grace Miller, Roseville Park, was one of the seniors representing the Newark High School at the Delaware Youth United Nations Conference at P.S. duPont High School last Thursday.

The senior first honor roll list for the fourth marking period contains the names of two Roseville Park young people—Grace Miller and Guy Moses.

We note Peggy Young, Eastburn Heights, on the Junior Honor Roll; Audrey Butterworth, and Edward E. Rahnbaugh Capitol Trail, eighth grade.

White Clay Creek Presbyterian Church

Your attention is called to the fact that there is a branch library in this area. It is located at the home of Mr. and Mrs. Charles Raymond, Laurel Ave., Roseville Park, and is open to the public on Saturdays from 10 a.m. to Noon.

White Clay Creek Presbyterian Church

The trustees are to be congratulated for improvements to church property with the completion of cement steps on Polly Drummond Road, removal of a fallen tree trunk on the church lot and installation of an aluminum storm door for the kitchen.

Palm Sunday was observed as Missionary Sunday in the school, the adult department. Mrs. Thomas Davis led a program on India, assisted by Mrs. Grover Hale. An offering was taken for the Miraj Medical Center, India.

In the 11 a.m. service, the adult choir, with the assistance of Frank Butterworth and Raymond Benson, sang a Palm Sunday anthem, "Sing Hosannah."

Westminster Fellowship

The Westminster Fellowship observed Palm Sunday and Karol Finger led the worship service. The group enjoyed recordings of Easter songs by John Seagle, with the Westminster Singers.

Audrey Butterworth presided for the business session and Mrs. Anderson announced that the junior high summer camp program will be held at West Nottingham Academy, starting last week in June. Detailed announcements will be made later.

Members of the fellowship are invited to attend the Easter sunrise service sponsored by the Newark Youth Council. The group will start out from the Newark Presbyterian Church at 4:45 a.m. Breakfast tickets may be secured from Grace Miller. There will be no meeting of the Fellowship on Easter Sunday.

Good Friday Service

The Union Good Friday service of the Millcreek Association of Churches will be held tomorrow night in the Stanton Methodist Church, at 7:30. The Rev. George T. Jamieson, pastor of Red Clay Creek Presbyterian Church, will bring the message, and ministers of the nine cooperating churches will participate in the service.

Easter Services

White Clay Church will again cooperate with Ebenezer Methodist Church in an Easter sunrise service, to be held at Ebenezer Church at 5:15 a.m. In case of inclement weather the service will be held in the church.

An informal Easter program will be given by the children's division at 10 a.m. in the main Sunday School room. Members of the junior high class will participate.

Easter decorations for the sanctuary are in charge of Mrs. David Eastburn. In the 11 a.m. service, both the youth and adult choir will sing. The Rev. Bishop will bring a message on "The Saving Hands of Jesus—The Call To Resurrected Lives."

The April meeting of the session will be held on next Wednesday, at 8 p.m., at church.

The Improvement Society announces that Saturday, Oct. 15 has been chosen as the date for the annual turkey supper.

Women's Association

The April meeting of the Afternoon Circle will be held Thursday, April 14 at the home of Mrs. Paul Peach, Stanton, at 1:30 p.m. with the program in charge of Mrs. Harvey Ball.

The Evening Circle is inviting members of the Afternoon Circle to be their guests on Tuesday, April 19, at 8 p.m., at church. Mrs. David Anderson, program chairman, has arranged for the showing of a film-strip on Pakistan.

The Women's Guild of St. Andrews United Presbyterian Church, Brookside, invites the women of White Clay Church and their families, to hear Mrs. Edward L. Gangwere speak at St. Andrews' church on Sunday, April 24 at 7:30 p.m. Mrs. Gangwere is vice-president of the United Church Women of Delaware, and is an outstanding speaker.

Medill Elementary School

Last Friday was a perfect day for the Easter egg hunt which was staged on the school grounds for the children of the first three grades. All classes have been having many interesting activities re-

Delaware Grange Holds 4th Annual Scholarship Fete

Ass't Secretary Peterson, U.S. Dept. of Agriculture Addresses Group At Dover

Some 250 Delaware Grange members attended the fourth annual citizenship - scholarship dinner in Dover last week, where Ervin L. Peterson, assistant secretary, U.S. Department of Agriculture, told Grangers that the economic climate is now favorable for agriculture to get away from wartime high production support measures and back to a natural market.

Peterson also emphasized the unique freedom of the individual in America. He said the same spirit that brought about the American Revolution was present today, and urged Grangers to apply it in agriculture and government.

A surprise feature of the dinner was the presentation of the sashes of the Assembly of Demeter to past state master Harry C. Johnson, Smyrna, and his wife, who is now National Flora. The highest order obtainable in the Grange.

Several guests spoke briefly, emphasizing the value of scholarships such as the Grange gives.

Also present at the speakers' table were Dr. John A. Perkins, president of the University of Delaware, and Mrs. Perkins; George M. Worriolow, dean, school of agriculture, and Mrs. Worriolow; Miss Irma Ayers, dean, school of home economics; State Grange Master William H. Naudain, and Mrs. Naudain, Newark.

The recipients of last year's scholarships—Miss Dolores Lloyd, Newark, and William Bowdler, Harrington, were introduced and told of their university studies.

The dinner is held annually to raise money for scholarships to the University of Delaware—one for a student in agriculture, and one for a home economics student.

Duplicate bridge winners in the Brookside group playing last week were Mr. and Mrs. Donald Ackers; John Miller and Wm. Macon; Mr. and Mrs. Donald Burkhardt; and Mr. and Mrs. Howard Weibel.

The next meeting of the Brookside Duplicate Bridge group will be held on Monday, April 11, at 7:45 p.m. in the Brookside community building.

Easter Weekend Program Planned At Rehoboth Beach

Rehoboth Beach is set for its fourth annual Easter observance which will extend from Saturday through Monday, under the sponsorship of the Rehoboth Chamber of Commerce. A record attendance to all events is anticipated should weather remain favorable.

Starting Saturday, visitors to the Atlantic Coast resort will be treated to free airplane rides by the Rehoboth Airport and there will be free boat rides from the Delbert Wilson Pier on Rehoboth Bay.

There will be a boardwalk Easter sunrise service beginning at 5:30 a.m., with the Rev. Howard Link of Epworth Methodist Church as the speaker and special music will be provided for the occasion.

The big event will be the boardwalk Easter Parade on Sunday afternoon, with a wide category of prizes for those who participate.

Another attendance record was broken Sunday at St. Paul's Lutheran Church when 212 persons attended the 11 a.m. Palm Sunday service. The previous record was 199, according to the Rev. Howard S. Hugus, pastor.

The first-floor hall of the Masonic Temple was filled to capacity with 183 persons while two adults and 19 children were in the basement nursery.

CUTS CAN BE MADE

Speaking about cutting unnecessary and wasteful Government spending, in the interest of balancing the budget next fiscal year, a commission headed by former President Herbert Hoover finds that Federal paperwork—the daily blizzard of forms, letters, carbon copies, etc., etc.—is costing taxpayers about four billion dollars a year!

That's about equal to the entire U.S. Federal budget prior to 1933. It means that Federal paperwork is costing the average American family of four about \$100 in taxes a year.

The Hoover economy program, if adopted, could slice about \$255,000,000 worth of red-tape immediately.

NEWARK IN REVIEW

Twenty-five Years Ago

City Organization
City office appointments were announced at the organizational meeting of the Newark Town Council last week, with Dr. J. R. Downes leading the Board of Health composed of O. K. Stralhorn, Paul Lovett and George L. Baker.

Mrs. L. R. Hossinger was elected secretary-treasurer; Charles B. Evans, city attorney; Daniel Thompson, alderman; Robert Motherall, assessor; George Baker, milk inspector; W. R. Kennedy, plumbing inspector; James Keeley, chief of police; and Harvey Black, Homer Ansant and A. M. Sokers, superintendents of light, sewer and water services.

Councilman Henry Mote was elected to the Council as middle district representative for a term of one year.

C. C. Hubert, eastern district; O. Widdoes, western district; and J. Lovett, middle district representatives, were re-elected for two year terms in the recent balloting.

The Volstead Act
More than 70 per cent of the university of Delaware student body and faculty either favor modifying or repealing the eighteenth amendment according to a poll conducted last week.

The vote was taken by the Review weekly student publication and excluded students and faculty of the women's college.

The poll disclosed that the majority of the male students and faculty members drink intoxicating liquors.

Sports
As the result of some sloppy fielding, Delaware dropped a 10-inning contest to Franklin and Marshall as the Hens' infield contributed nine errors to a losing cause. Reitzes, Hill and Taylor were each charged with two errors, and Roman came up with three more.

Hill led the Delaware attack with two hits, while Izzy Reitzes and shaggy Roman contributed three and two, each.

The Delaware line-up: Snowberger, 1f; Steele, cf; Warren, cf; Hill, p; Reitzes, c; Roman, ss; Taylor, 2b; Cain, rf; Skura, 3b; and Hall, lf.

Trailing 4-2 in the sixth, F&M added a lone run in the seventh and unloaded on Hall for four runs in the eighth. The Hens collected another run in the eighth; tied things up with a pair in the ninth, and the visitors scored the winning tally in the top of the tenth.

Social
Mr. and Mrs. Harry Davis entertained Mr. and Mrs. Harvey Gravell and Mr. and Mrs. Harry Fisher of Philadelphia as Sunday dinner guests.

Miss Sara Steele will spend the weekend in Atlantic City as the guest of Miss Letitia Vandever.

Miss Bertha Gamble and Miss Elizabeth Wilson will motor to Winchester, Va., over the Easter holidays.

Among Newark residents who attended the buffet luncheon given by Mrs. Robert Richards of Wilmington were Mrs. Alfred Curtis, Mrs. J. H. Hossinger, Miss Charlotte Hossinger, Mrs. Francis Cooch, Mrs. Elisha Conover, and Dean Winifred J. Robinson.

Mr. and Mrs. Charles B. Evans are sailing next week on the U.S.S. California for a week's cruise to Bermuda. Miss Charlotte Hossinger will accompany them to New York.

Mr. and Mrs. George Medill of Wilmington spent last Sunday with Mrs. Philena Medill.

Mr. and Mrs. W. A. Wilkinson and Miss Margaret Wilkinson will spend Easter in Williamsport, Pa.

Miscellaneous
At the movies, it was William Haines in "The Girl Said No," Frank Richardson and Lola Lane in "Let's Go Places," and Ruth Chatterton in "The Laughing Lady."

Easter hams were offered at 24 cents a pound; turkeys at 48 cents; coffee at 29; and you could take a Saturday-Sunday excursion to Chicago on the B&O for \$16.

Local Craft Shop To Name Hobbyists For Hall Of Fame

Dorsman's Craft Center, 137 East Main Street, has been appointed the local "Official Hobby Center" for the 20th Annual National Hobby Month celebration during April.

The purpose of the National Hobby Month campaign is to curtail juvenile delinquency by well-directed leisure time activity.

As "Hobby Center," Dorsman's Craft Center has been authorized to nominate 12 local hobbyists to the Hobby Hall of Fame. The work of these hobbyists will be submitted to the National Hobby Month committee which will elect the nation's leading hobbyists to the Hall of Fame.

President Eisenhower is a member of The Hobby Hall of Fame by virtue of his interest in photography and landscape painting.

Special events scheduled at Dorsman's include wood fibre demonstrations, exhibits of copper enameling, basketry, splint stool weaving, model planes, and general craft projects.

All hobbyists are urged to get in touch with Henri Dorsman for further information concerning eligibility for top honors in hobbydom—election to the Hall of Fame.

Officer Retires

Robert C. Lewis

Senior vice-president in charge of commercial loans at the Equitable Security Trust Company, Robert C. Lewis of 188 West Main Street, Newark, retired last week under the bank's pension plan.

A native of Elkton, Md., Mr. Lewis became associated with the Equitable Trust Company on Jan. 1, 1936 as a loan officer. He was previously associated with Cramp and Company, the DuPont Company and Curtis Paper Company, of which he was treasurer for three years.

On his retirement Mr. Lewis received several gifts from his fellow officers at Equitable Security.

Teen-Age Dancers Give Exhibitions As Classes Close

As a climax to 10 weeks of instruction, Newark YMCA teenagers recently enjoyed a dancing party as homemade cakes were served to some 85 students and members of their families.

Mrs. H. G. Haight, Jr., instructor, opened the party with her husband in an exhibition multiplication dance, and the students followed with exhibitions of modern swing and jitterbugging.

The fox trot was demonstrated by Doris Greenway and Larry Walbridge; Sally Swartout and Ralph Somers; and by Geraldine Devonshire and Fred Cray.

Patricia Heath and David Myhre; Lois Mote and Barry Norton; and Susan Kirk and Bob Starkey gave waltzing exhibitions; and Linda Baer, Peter Greiss, Janet Lawhead and Alan Howes danced the samba. The rumba was demonstrated by Phyllis Williams and Bob Young; Betsy Able and Paul Brasher; while Susan Kirk and Paul Brasher; Linda Baer and Alvin Roberson; Florence Lee and John Schurgard; and Betsy Able and Glen Miller, gave exhibitions.

Theta Chi, Rotary Entertain Children With Easter Party

Some 45 Newark youngsters were entertained by Theta Chi fraternity and the Newark Rotary Club at an Easter egg hunt Sunday afternoon as the Rotarians provided more than 100 eggs for the party and the fraternity provided the lawn of its house on West Park Place. The eggs were colored at a fraternity party Saturday night and Rotarians furnished rides for the children to the party.

Sam Kruzman of Theta Chi was chairman for the event and coordinated it with the service club. At Monday night's dinner meeting of the Rotary Club in the College Inn, the 50th anniversary movie of Rotary International was shown. Entitled "The Great Adventure," it stars Edward Arnold in the role of host to a group of Rotary Fellowship students who describe what Rotary clubs do in their native lands.

FARM COST RISE

Today's farm wage rates are more than four times as high as those paid before World War II; prices of machinery have just about doubled, and prices of motor supplies, including gasoline and other fuels, have increased about 50 per cent, County Agent Edward Schabinger states.

Moose Lodge Offers Rides For Easter Church-Goers

More than 40,000 Moose members will drive the streets of America on Easter morning, participating in the order's unique and highly successful "Operation Easter Carlift," according to Omar D. Boulden, chairman of the local Lodge's civic affairs committee.

Begun by the Loyal Order of Moose last year, "Operation Easter Carlift" is a plan to provide transportation for those folks who otherwise are unable to attend church service on Easter morning.

Those in need of transportation to church on the Easter morning are invited to telephone the local Moose lodge at Newark 8-2342. Moose members volunteer to provide requested transportation.

YELLOWJACKET HIGHLIGHTS

By the Journalism Class

Library Club

Have you ever wondered who is responsible for the exhibits and holiday decorations in the library? Well, it is the Library Club — the hand working organization which meets every Friday in the library, with 20 members present.

The Library Aides decorate, bind and shelve books, keep them in their correct places and send out notices when books are overdue. The money collected from overdue books goes into the fund to buy new books for the library. The students in this club also help their classmates locate and find information, put magazines in racks, and store them for future use.

The library aides take over the library in Mrs. Mildred Cleave's absence and a few of the girls act as her secretary.

Officers of the club are Pat Burns, president; Esther Backoff, vice-president and Pat Gresvold, secretary-treasurer.

Honor Society

Two senior girls—Rose Marie Lepera and Harriet Wagner—were recently elected into the Senior Honor Society by the faculty. A list of eligible seniors was submitted to teachers for the selection of two students, and in order to be voted into the society a student must have an average of 88 percent with no grades below 80 percent. He or she must have strength of character and a record of leadership and service, and only 15 percent of the class may be elected into this organization.

Under the leadership of Grace Miller, president, the Senior Honor Society is undertaking the project of tutoring pupils who are not doing well in their studies. The society also sponsored the Spring Fling, a semi-formal dance, so that it could raise money for the children of Our Lady of Grace Home.

For the last two years, the Senior Honor Society has sponsored a carol sing at Christmas. The group plans to carry out a money-making project later in the spring to raise money for the treasury.

Saturday Night Dances

Gail Kauffman, chairman of the youth dance committee, has announced that an Easter dance has been scheduled for April 9 in place of the regular Saturday night dance in the New Century Club.

The dance committee will decorate for the affair which will close at 11:30 instead of the usual 12:00 p.m. because the following day is Easter Sunday.

A dungaree dance, and a square dance are among the several different types of programs which the committee is now planning to schedule this spring. At the regular dance sessions, spot dances, broom dances, and multiplication dances will be scattered throughout the evening to add to the fun.

Mrs. William Skold, an active adult member of the advisory committee for the dance, is now contacting persons interested in teaching the teen-agers novelty dances, such as the mambo, the samba, and jitterbugging. On instruction nights these dances will be taught between 8:30 and 9 to interested students.

Home-Grown Girls Cop Top Balloting For '55 May Court

Peggy Tighe To Reign Queen At Traditional May Day Ceremonies

Home grown beauties have captured most of the top honors in the student balloting for the 1955 May Court at the University of Delaware.

Miss Peggy Tighe, a 5-6, 128 pound brunette, who makes her home at 1512 Brandywine Boulevard, will reign as queen for the traditional May Day ceremonies, while Miss Patricia Ann Ingram, 1116 N. Bancroft Parkway, and Miss Sally Ann Lewis Bridgeville, have been chosen as maid of honor and senior duchess. Joanne Wood of Milford, and Charlotte Phillips of Delmar are the queen's attendants.

The remainder of the May Court is composed of Barbara Taylor, junior duchess; Joan Russell and Margaret Scott, junior attendants; Joan Ross, sophomore duchess; Margaret Andrews and Barbara Cubberly, sophomore attendants; Nancy Jo Bringham, freshman duchess; and Dorette Mueller and Joan Hollingsworth, freshman attendants.

Miss Tighe is an elementary education major and a music minor. A senior at the university, she is secretary of the Women's Executive Council, head of house in Cannon Hall, chairman of publicity for Women's Weekend and the head of the women's division of the Campus Chest charity drive.

National honors and a valuable prize are in store for some boy or girl who has performed an outstanding act of kindness to animals. The kind deed may be a rescue, a special project for the benefit of animals, or a written work, according to the American Veterinary Medical Association, which sponsors the award each year.

Anyone who knows of a boy or girl not over 18 years old who might qualify is invited to submit a nomination.

Nominations should be sent not later than May 1, 1955 to the American Veterinary Medical Association, 600 S. Michigan Avenue, Chicago 5, Illinois.

Delaware Food Market Report

By Anne Holberton Consumer Information Specialist

Meats and Poultry

Easter hams will head many shopping lists this week. Not only is ham traditional at Easter, but it is available at the lowest prices in years. Whole ham is more economical than a large half ham, if the family is large. When a half ham is selected for a small family, the shank end will be found to yield more meat per dollar.

Many Delaware stores also feature leg of lamb, a favorite meat for Easter dinner. Legs usually run from five to six pounds and up. Special prices offered in most grocery stores make this another good choice.

With abundant pork supplies and unusually low prices, crown roast of pork is a third possibility for a popular Easter meal. The crown roast is made by tying the rib sections of pork loins together to form a circle. It is also easy to prepare since it is roasted much like pork loin. The center can be filled with rice, dressing or a whole cauliflower, and bacon strips can be wrapped around the rib ends to make the roast especially attractive.

Prices still are relatively low on turkeys, making them the best buy in poultry this week.

Fresh Fruits and Vegetables

Fresh asparagus now is arriving in large quantities from California and prices are down considerably. Broccoli prices are slightly lower, while cauliflower remains quite

high. Celery and lettuce continue to be offered at moderate prices. Cabbage, carrots, endive, escarole, turnip greens, kale and spinach all are very nutritious low-priced vegetables. New crop Texas onions are available at reasonable prices. Mushrooms, which are produced in nearby northern Delaware and southeastern Pennsylvania, are available in Delaware at bargain prices.

Citrus is the leading value in fresh fruits this week. Keep in mind that from now until the end of the season in early summer, the keeping quality of Florida citrus is poor, and supplies should not be purchased far in advance. Louisiana strawberries have just begun to arrive in large volume in local markets and prices now are moderate.

This weekend will bring the glorious Easter season—a time of new life for mankind and nature. Union Good Friday services for all churches in the hundred will be held tomorrow at 8 p.m. in the Stanton Methodist Church. The Rev. George Teaz Jamieson, pastor of Red Clay Creek Presbyterian Church, will bring the message, and George Brown, president of the Mill Creek Hundred Association of Churches, will be in charge.

Two Easter sunrise services are slated for Sunday morning. White Clay Creek and Red Clay Creek Presbyterian Churches will join with Ebenezer Methodist Church for a sunrise service at 5:15 a.m. on the grounds at Ebenezer, weather permitting. Miss Catharine Demsey, chairman of the MYAF worship committee will have charge, and the Rev. James H. Bishop, pastor of White Clay Church, will give the prayer. The host pastor, the Rev. E. J. Horney, will read the scripture and the Rev. George T. Jamieson will preach. There will be special music with Miss Doris Major, organist.

Another sunrise service will be held at 6 a.m. at the Hockessin school grounds as arranged by the Men's Club of Hockessin Methodist Church for Cedars Methodist Church and Hockessin Friends Meeting. The Rev. Bundick, pastor of Mt. Salem Methodist Church, will speak.

A breakfast will follow in the Hockessin Church house. A card party for the proposed Southern New Castle County Medical Center will be held in Harmony Grange Hall next Tuesday at 8 p.m. The grange has donated the hall for this benefit as a community service project. Mrs. Rollin Farmer is the chairman.

Jean Shakespeare, youngest daughter of Mr. and Mrs. Marvin A. Shakespeare of Lovellville Road, entertained a group of friends recently in honor of her 12th birthday. Those present were Joyce Ann Crossland, Diana Front, Linda Mitchell, Gayle Boyer, Marian Salen, Joanne Nowland, Judith Rice, and Janet Godwin.

The White Oak 4-H Club
The club again plans to hold a special service in observance of Rural Life Sunday on May 15. Lamar LeBarron, James Dunlap, Ann Dunlap, Kathy Schulz, and Mary Lou Derlekson are the committee on arrangements.

At the club meeting last Thursday night, reports were heard from the dairy and poultry schools given by Edwin Pierson, Jr., and Bill Biehn. Jane Walton talked to the girls about fashions, matching costumes and accessories, and Bill Biehn showed the boys slides on poultry.

Harmony School
The students held their annual Easter egg hunt today. Jefferson and Pan-American Day to be celebrated on April 13 and 14.

School Bulletins List 113 Courses For Summer Study

U. of D. Summer Session
Bulletins Now Available
For Prospective Students

University of Delaware summer school bulletins, distributed under the direction of Dean William O. Penrose, describe 113 courses available to summer session students in a wide variety of fields. Registration for the summer program will be held on June 20.

This year the regular session, June 21 through July 29, will be followed by post-session courses in specialized areas of study including chemical engineering, chemistry, and education, which will begin on August 1 and continue through August 19.

One of the highlights of the 1955 session is the opportunity to concentrate on the history, culture, and geography of the Far East. First held last year, this program has been enlarged and improved because of the increasing importance of that part of the world.

The summer session at the University of Delaware is planned especially for four groups: teachers in Delaware schools, teachers in schools outside the State of Delaware, students in good standing in the university, and students from other institutions.

Information on admission, living accommodations, course loads, special teacher programs, conferences, recreation and other details of both graduate and undergraduate study are found in the bulletins which may be secured by writing to the University of Delaware.

State GOC Seek Volunteer Plans Spotters For Duties

Approximately 2,000 more volunteers are being sought for Delaware's Ground Observer Corps as the state's part in the current Air Force campaign to expand the nation's plane spotting network. D. Preston Lee, state Civil Defense director has announced.

Ground Observer posts throughout the U.S. will be increased from 15,000 to 25,400 by 1956, Mr. Lee said.

In Delaware, an intensive effort is being made to attain a goal of 25 posts on a full-time skywatch.

Easter services at the Pencader Presbyterian Church will begin Sunday at 9:45 a.m. with Mr. Marvel's class joining with the choir for special renditions. Both choirs will practice this evening. The church Sunday school, which now numbers nearly 100 pupils, will hold an egg hunt Saturday at 2:30 p.m. on the church lawn.

The Youth Club of Ott's Chapel held an Easter party last Thursday evening. Special music will be featured in this Sunday's service.

An entertainment by pupils of the Glasgow M. E. Church Sunday School will be presented at 11 a.m. Sunday following the regular service an hour earlier. Baptisms will be performed during this service.

The children's Easter program at the Pilgrim Gospel Tabernacle will begin at 10 a.m., the regular Sunday School hour.

Widespread illness among children of the Audenreid Club's members caused the postponement of this Saturday's egg hunt, to April 24. The club will hold its monthly covered dish supper Tuesday at the Glasgow 4-H Club.

Two Girl Scout neighborhood meetings are scheduled in Pencader Hundred next week. Mrs. Ritter Hall of Chestnut Hill will be hostess Tuesday morning for group B, and on Wednesday evening, Mrs. Russell Hyre of Silverbrook will meet with group C.

Mr. and Mrs. Adam Reed of Brookside entertained the bride party and members of the families of Miss Norma Wimmer of Salem Church Road and Robert Reed, following a wedding rehearsal Friday evening, prior to the young couple's wedding on Saturday in Jennersville, Pa.

Big news about

Buick's 4-Door Riviera

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus full sedan room in the rear.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's

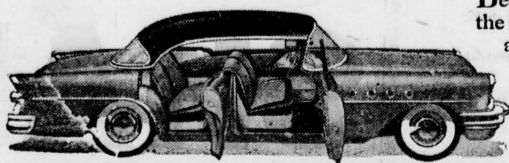

original 2-Door Riviera—and luxurious new spaciousness in its full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors hinged at front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hip-room extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

DPJA Honors Boys At Dover Dinner For Poultry Work

Ronald Moyer, Newark FFA, Receives Award For Poultry Project

Delaware's outstanding "poultry boys of the year" were honored last Thursday night at the annual banquet of the Delaware Poultry Improvement Association in the Capital Grange Hall, Dover.

Savings bonds of \$25 each and certificates were given to John C. Conner of Delmar and Richard Reed of Smyrna, and DPJA medals went to Kenneth Tull of Seaford, John Benson of Houston, Paul Cataldi of Camden, and Ronald Moyer of Newark.

Lawrence Isaacs of Lincoln was chairman of the awards committee. Winners' Projects: Reed, outstanding poultry 4-H'er, is now beginning his fifth year as a member of the County Line 4-H Club. He has raised 5,600 broilers of his own, besides helping his father with 25,000 broilers. Last year, his profit was \$293.15. His flock mortality rate was only 2 per cent.

Conner, outstanding vocational agriculture student, raised over 13,000 broilers of his own last year. He has been successful in keeping production costs low by means of high livability and rates of gain. His last flock of 4,465 birds had only 1 per cent mortality, a feed conversion of 2.00, and a net profit of \$831.17.

Moyer, of the Newark Future Farmers of America chapter has carried a poultry project for two years. The first year he raised 25 turkeys and the second year he increased his project to 1,800 White Rock chickens.

55 Crop Controls Announced by ASC Show Little Shift

Crop controls will be little different for the coming year than they were a year ago, according to Alden P. Short, chairman of the Agricultural Stabilization and Conservation Committee in Delaware. Production controls have been removed for most of the new measures that were planned.

Marketing quotas still apply to wheat. Over-harvesting wheat, if more than 15 acres, still means trouble with marketing penalties. The producer who overplants his allotment but does not harvest more than 15 acres of wheat merely loses price support privileges on wheat.

Corn allotments this year are somewhat larger than they were a year ago. If these allotments are overplanted, the producer again loses the privilege of price supports on corn, but only corn. There are no marketing penalties if the corn acreage allotment is overplanted.

The earlier restrictions which limited the crops that might be grown on diverted acres also have been lifted. Thus corn and wheat are the only crops with controls.

Local Seaman Takes Part In Mine Warfare Drills

Among participants in Operation "Lantminex" aboard the wooden minesweeper USS Bold is John R. Morris, seaman, USN, son of Mr. and Mrs. Charles Morris of Route 1, Newark.

LANTMINEX, an abbreviation for Atlantic Fleet Mine Warfare Exercise, is the largest post-war operation of its kind since the end of World War II.

The operation is designed to improve the mine warfare readiness of the fleet, and is under the command of Rear Admiral Harry Sanders.

50 ROTC Students To Attend Summer Camp On June 25

Col. E. W. Hiddleston, professor of military science and tactics at the University of Delaware, has announced that 50 advanced ROTC students of the university will attend military camp this summer.

All cadets will attend the general military science ROTC camp at Fort Meade, Md., from June 25 through August 5.

Colonel Hiddleston also announced that members of his department will attend various camps as instructors for the ROTC cadets. Those scheduled to attend ROTC Camp at Fort Meade are as follows:

Col. George M. Griswold, Infantry; Lt.-Col. John A. Hodgson, Artillery; Captain J. J. McCarthy, Infantry; M/Sgt. Carroll M. Forsyth; Sgt. First Class Lloyd E. Brown; Sgt. First Class Charney A. Garrett; and Sgt. First Class Jack A. Gurskey.

In addition, Col. Hiddleston is scheduled to attend the anti-aircraft artillery ROTC camp at Fort Bliss, Texas, and Sgt. LeRoy J. Cogossi is scheduled to attend field artillery ROTC camp at Fort Sill, Okla.

Brookside Pastor Plans Holy Week Program In Area

Holy Week programs have been planned for Kingswood-of-Brookside Methodist Church, by the Rev. Milton H. Keene, pastor.

The Sacrament of the Lord's Supper will follow the interpretation in the Leonardo da Vinci masterpiece tonight. The service will be conducted by the pastor.

Good Friday will be observed by a service to be conducted before a full size cross, to be erected at the corner of the church building site on Marrows Road.

The service, in which the St. Andrews United Presbyterian congregation will join, will begin in the St. Andrew's sanctuary at 7:30 p.m., followed by a procession to the draped, illuminated cross. The service will continue before the rough-hewn symbol of Christianity's ancient faith and will feature music by the church choir under the direction of Richard Evan.

Easter Sunday morning will see the cross banked with lilies for the sunrise service which will begin at 6 a.m., heralded by a trumpet call to worship by John Miller.

Ruth Pearce Offers Tips On Easter Outfit Buying

Talk today among women is of spring bonnets and Easter suits because women all over the nation are busily planning what they'll wear in their hometown Sunday morning parade.

But with a little extra planning, these spring outfits can be worn effectively the year round — and that's mighty important to the lady on the limited budget.

Ruth Pearce, extension clothing specialist at the University of Delaware, suggests buying shoes and other accessories with the same care that you'd buy an expensive coat or suit.

And when it comes to hat buying, buy the hat that looks best on you regardless of what the present fad is. You'll be more in style with an outfit which compliments you than in one that's really high style but does nothing for you.

Lawless Motorists Cited Chief Cause Of Traffic Deaths

C. T. Foster Cautions Drivers, Pedestrians, To Abide By Statutes

"Traffic law violators are accident makers," Clifford T. Foster, vice president of public safety for the Delaware Safety Council made this statement today and he backed it up with some convincing statistics.

"National Safety Council records show that in 1953, 82 per cent of the fatal accidents involved violations of traffic laws by one or more drivers," he said. "These figures prove conclusively that traffic accidents don't happen, they are caused — and that they are often caused by willful disobedience or carelessness."

Mr. Foster made this statement as he urged all drivers to cooperate with the know and obey traffic laws program sponsored by the Delaware Safety Council and the National Safety Council.

"We need the support of the whole state in building greater respect for law," he said. "The law enforcement agencies can't do the job alone."

Mr. Foster pointed out that the time to stop an accident is before it happens. He said that in order to do this, drivers must know the laws.

"A driver who doesn't know the law, even though he means well, can foul up traffic pretty badly," he said. "And that goes for pedestrians, too."

He advised pedestrians to know traffic laws, not only to know what is expected of them, but also so they

will know what to expect from motorists. "Until each citizen accepts his responsibility to walk and drive carefully we can't hope to cut down on traffic accidents."

Annual Inspection Of ROTC Planned Tuesday, April 19

The University of Delaware ROTC Cadet Corps will receive its annual federal inspection on Tuesday, April 19.

The inspection board will consist of Colonel Wayland H. Parr, Transportation Corps, Washington, & Jefferson College; Lt. Colonel Jesse H. Brown, Artillery, Xavier University; Captain William E. Wallace, Infantry, Murray State College; and Warrant Officer John J. Ruth, Adjutant General Corps, West Virginia University.

The object of the inspection is to determine the standards of military training and administration maintained throughout the school year. The board members will observe classroom instruction and will administer practical tests to all classes of the ROTC in all subjects taught during the year in military science and tactics.

Highlighting the inspection day will be a review of the ROTC Cadet Corps on Frazer Field in Newark at 12:10 p.m.

Mayor Proclaims "Know Your Bank" Week For Newark

Local Banking Houses
To Conduct Five-Day
Open House For Public

The Newark Trust Company and Farmers Trust Office, Wilmington Trust Company, will join with other banks throughout the state in holding "Know Your Bank Week," April 13 to 22.

Both local banks are planning special events for the benefit of the public during the five-day observance, including open house programs, lobby exhibits, tours for school children and other groups. Mayor Wallace M. Johnson joined Governor J. Caleb Boggs this week in proclaiming the period April 13 to 22 as "Know Your Bank Week."

In his proclamation, Mayor Johnson pointed out that the banks of this community are an essential part of our economic structure and have played leading roles in the growth and development of Newark.

He suggested that all residents of the community visit banking institutions during the observance "in order that there may be a better understanding and a deeper appreciation of the services rendered by banks to the public and their contributions to the American way of life."

Officials of both Newark banks have announced that a special effort will be made to acquaint residents with the vital functions performed by banks of a community. It is felt that the better people understand a bank's functions, the more they will be able to utilize its many services and the more smoothly the local economy will operate.

WHEREAS, the banks of our nation and of this community are an essential part of our economic structure, and

WHEREAS, the banks of Newark have played an important role in the development and progress of the city, and

WHEREAS, by wise counsel and assistance they are helping individuals, agriculture and industry to
