Suicide Identified

The body of Charles H. Jones, 40, of St. Paul St., Baltimore, was found under a tree near the Pennsylvania Railroad passenger depot, S. College Ave., at six o'clock this morning. Identification was established by Chief of Police William H. Cunningham.

Jones was found by Abe Johnson, member of a compressor gang employed by the railroad. A note containing the terse message: "Look on lawn under spruce tree. You'll find a body," led to the discovery. The note had been left on a freight truck.

Johnson notified Howard Morris, station agent, who notified Deputy Coroner R. T. Jones and Chief Cunningham.

Nothing more than the fact his name was Jones was found by way of identification on the body. The man had posted a special delivery letter to his wife, however, telling her of his plan to come to Newark to commit suicide and instructing her to contact police here. The letter was posted in Wilmington at midnight Wednesday.

Jones, well dressed but said to have been unemployed, shot himself below the heart and through the head. The gun was found between his legs. Coroner Jones took possession of the body.

**COUNCIL
SESSION**

**Junior 4-H
Group Meets
In Wolf Hall**

Miss Elizabeth Horsey, president of the group, conducted the second meeting of the 4-H Junior Council held Saturday at Wolf Hall, University of Delaware. Irvin Pinder, treasurer, and Horace Ginn, a member of the executive committee, submitted reports. The purpose of the session was to draw up a general agreement and make rules for the "Swine Project," which the council is sponsoring.

Prizes Selected

It was decided that the four winning club members would be awarded two Duroc-Jerseys and two Pol-and-Chinas, each having their choice. Rules and agreements were also drawn up by the executive committee and adopted. Leaders and members were presented with score cards for the individual club members.

The next meeting is scheduled to be held in June for which the following committees were appointed: George Crossland, Robert Wideman, Newark, and Gladys Walmley, Corner Ketch, recreation; Albert Pordham, St. Georges, and Irvin Pinder, Helen Downs, of Middletown, banner.

Miss Laura B. Rutherford and C. E. McCauley were present at the session and offered many helpful suggestions.

FINAL CURTIS CONCERT

**To Be Given
In Mitchell
Hall April 13**

The final concert of the season by students of the Curtis Institute of Music, Philadelphia, Pa., will be held next Thursday evening in Mitchell Hall, University of Delaware, at eight o'clock. These concerts are presented free of charge, under the auspices of the Newark Music Society, and all persons interested are invited to attend.

It is part of the institute's course that students acquire experience in filling professional engagements while studying, and to that end they are booked for public appearances as a part of their course of study. For this reason, the local group is able to secure the services of these artists at a nominal cost.

Three To Entertain

The three musicians who will appear on this program are: Reba Robinson, harpist; Burnett Atkinson, flutist, and Nathan Stutch, violinist.

Miss Robinson was born in New Jersey, but now lives in Philadelphia with her parents. She is a pupil of Dr. Carlos Salzedo, a distinguished harpist and teacher. Mr. Atkinson is a member of an American family living in Ventura, California. Mr. Stutch is from Pittsburgh, Pa., and appeared on the first Curtis Concert this year. All three musicians are accomplished soloists.

The program is as follows:

First and second movements of Trio Sonata in F Major, Loelliet; Prayer from "Jewish Life," Bloch; Menuet, Debussy; Serenade Espagnole, Glauvov.

Nathan Stutch-Ballade, Salzedo; Reba Robinson—First and second movement of Sonata in F Major, Marcello; En bateau, Debussy, and Chanson, Ganne.

Burnett Atkinson—Russian Dance, Glinka, and Menuet, Ravel.

To Present "Much Ado About Nothing" April 28

The cast for the University of Delaware spring dramatic production of the Shakespearean comedy, "Much Ado About Nothing," will include Taggart Evans, president of the University Drama Group, and Parker Thomas, a member of the organization. The play will be given by the E33 Players and the University Drama Group, in Mitchell Hall on Friday evening, April 28.

The Misses Edith Conahan, Mina Press, and Jane Trent have been selected for three of the four feminine roles in the play. One character has not yet been chosen.

Among others in the cast are: Joseph Tattall, Joseph Dannenberg, W. K. Richardson, Harry Stutman, Sol Markowitz, Allar Porter, William Richardson, Ralph Margolin, Charles Sigler, Russell Willard, James Carpenter, David Buckson, and Michael Poppietti.

Edwin Ross, of Arden, and the Robin Hood Theatre, is technical advisor for the production. Miss Blanche Lee, assistant director, will aid Dr. C. R. Kase in rehearsing the play.

Gala Easter Ball To Be Held At Elkton Armory

Bill Isaacs and his Commanders will furnish the music at the Co. "E" Club's gala Easter Ball which will be held in the Elkton, Md. armory on Friday evening, April 14. Dancing will be enjoyed from nine until one o'clock.

GROUP SECRETARY

H. L. RICHARDSON

DELAWARE POULTERERS ORGANIZED

**Charles Conway, of
Greenwood, Is
First President**

For the purpose of forming a state-wide association of poultrymen in Delaware 25 representatives from the various local poultry organizations in each of the three counties, and officials of the State Board of Agriculture and the extension service of the University of Delaware met in the Hotel Richmond at a dinner meeting Thursday evening, at the call of H. L. Richardson, extension poultry specialist.

Local associations which were represented at this organization meeting included Milford, Laurel, Lewes, Georgetown, Greenwood and Frankford in Sussex county; Newark, State Road, Hockessin and Middletown in New Castle county; and Caesar Rodney and Hartly in Kent county.

Officers Elected

Poultry elected for this Delaware Poultry Improvement Association include Charles Conway, Greenwood, president; J. D. Bush, New Castle, vice-president; H. L. Richardson, Newark, secretary; and Ernest Smith, Kenton, treasurer.

Aside from the above named officers, other poultrymen who were present included Paris C. Kirby and Frank B. Austin of Milford; L. Pratt Cooper, Laurel; Alden S. Hopkins, Lewes; C. A. Pepper, Georgetown; F. M. Gum, Jr., Frankford; Vincent L. Mayer and Victor Lehtinen of Newark; L. B. Bloom, Hartly; George M. Bringham, Viola; W. H. Richter, Dover; Wilson T. Pierson, Hockessin, and Edwin C. Phillips, Middletown.

Other Representatives

In addition to the poultry specialists, the extension service of the University of Delaware was represented by A. D. Cobb, assistant director; County Agent George M. Worriow of Newark; Assistant County Agent Byard V. Carneau of Georgetown, and Kent County Agent Russell E. Wilson. The State Board of Agriculture was represented by H. R. Baker, poultry pathologist, and J. Leonard Soper, director of the Bureau of Markets. Paul M. Hodgson of Camden and J. Franklin Gordy of Greenwood represented the state department of vocational agriculture.

Following the election of officers, this group of poultrymen discussed constitution and by-laws for this newly formed poultry association, the revised form of which will be presented before each local association for adoption. The object of this organization is to promote the general welfare of the entire poultry industry throughout the state, except that it will not engage either directly or indirectly in commercial enterprises.

Visiting Nurse Reports

283 Visits During March

Miss Alice Leak, visiting nurse for this section of New Castle County, reported a total of 283 visits, including 178 nursing and 105 instructive calls, during the month of March.

Kind of cases and number of visits as follows: Prenatal 5, visits 7; maternity 4, visits 15; apoplexy 3, visits 9; la grippe 19, visits 25; pneumonia 2, visits 10; heart and kidney diseases 7, visits 21; fractured hip 1, visits 26; toe infection 1, visits 11; arthritis 3, visits 16; paralysis 2, visits 14; miscellaneous 16, visits 51. A total of 90 treatments were given.

Three birth certificates were delivered; four cases of chicken pox quarantined and sixteen cases released along with one case of scarlet fever, and a baby clinic was held each Wednesday with an average attendance of 29.

EAGLES IN ANNUAL SESSION

**H. H. Leasure Is
Elected To Head
Delaware Body**

The 56th annual session of the Grand Castle of the Knights of the Golden Eagle was held on Monday in Pencader Castle, Glasgow, under the supervision of Grand Chief Edward Shetzler, Jr., of Pilgrims Castle, Clayton.

Herman H. Leasure, of Pencader Castle, was elected and installed as grand chief of Delaware for the coming year.

Officers Installed

Others installed were: Grand Vice Chief Frank Thorp, of Christiansburg, Grand Sir, Herald Charles Manuel, Jr., of Crusaders Castle, Wilmington; Grand High Priest William H. Astle, of Ivy Castle, Newark; Grand Master of Records Lewis Colmery, of Hockessin; Grand Keeper of Exchequer Swithin W. Springer, of Icanhoe Castle, Marshallton; Grand First Guardsman Norris J. Brown, of Ivy Castle; Grand Second Guardsman, Norman Law, of Pencader Castle; Grand Trustee Curtis B. Talley, of Blue Rock Castle, Talleyville; Supreme Representative George Walther, of Christiansburg.

Jenkins Urges Promotion

The new officers were installed by Supreme Chief Russell C. Holmes, of New Jersey. Past Supreme Chief Thomas E. White, of Pilgrims Castle, assisted by William A. Law, of Rexamna Castle, conducted the memorial service.

Grand Master of Records Lewis Colmery introduced the principal speaker, Joseph Jenkins, of Pittsburgh, Pa., who confined his talk to the promotion of the order and how to secure new members.

Supreme Master of Records Fred W. Anton, of Philadelphia, Pa., gave a talk on cooperation between the various castles and the chiefs.

The next annual session will be held at Rexamna in April, 1940.

Red Men To Hold "Old Timers' Night" Tuesday

Plans for "Old Timers' Night" were made at a meeting of Minnehaha Tribe No. 23, I.O.R.M. Tuesday night. The event will be celebrated on Tuesday, April 18 along with the 54th anniversary of the tribe. Chiefs will be raised on this night by Uppowoc Tribe No. 47, of West Chester, Pa.

The principal address will be delivered by Past Great Sachem Walter L. Gross, of Ongwe Honwe Tribe, of Philadelphia, Pa. The response will be given by Past Sachem Edward W. Cooch, lieutenant-governor of Delaware.

Among the guests will be the Great Sachem of Delaware and his staff. Entertainment will be furnished by local talent.

Members of the local tribe will raise chiefs of Uppowoc Tribe at Chester on Friday, April 14. Norris E. Pratt will have charge of the raising team and requests all members to be on hand next Tuesday for final practice.

White Clay Republicans Name Officers Of Club

Committees were appointed at the organization meeting of the White Clay Creek Hundred Republican Club Friday night at the Deer Park Hotel. William Sinclair presided in the absence of the chairman, John W. Moore. More than 75 attended. George H. Dawson was appointed secretary.

The committees are: Rules, Clarence Foster, W. H. Dawson, Norman Battersby, John Grundy, William Singer, John W. Moore; publicity, Wayne C. Brewer, J. H. Rumer, and Joseph Cunnane; finance, Leon H. Ryan, John K. Johnston, Norris H. Wright, D. A. McClintock, Clarence H. Hopkins, C. C. Hubert, Charles E. McVey, John Burge, and William Louth.

Thomas Keely, formerly of Newark, now chairman of the Republican executive committee of the Forty-third Ward in Philadelphia, was the principal speaker.

Mrs. L. M. Taylor Is Century Club Speaker

Mrs. L. Mulford Taylor, president of the Delaware State Federation of Women's Clubs, was the guest speaker at the meeting of the Newark New Century Club Monday afternoon. The program was arranged by the committee on American citizenship under the chairmanship of Mrs. Robert Boyd.

The regular business session, conducted by Mrs. T. D. Mylrea, president, was followed by a musical program given by a girls' chorus from the Newark High School. Miss Catherine Rittenhouse, a member of the faculty, directed the group.

Tea was served by Mrs. J. Fenton Daugherty, who acted as hostess for the day.

Councilmen Face Opposition At Polls

Hon. George F. Ferguson Hon. C. Emerson Johnson

Opposition for seats in the Council of Newark at the annual election scheduled for Tuesday has been furnished in the Eastern and Western Districts. Councilman Ferguson, seeking his fifth term from the Eastern District, is opposed by Norman E. Battersby, while Councilman Johnson, seeking a third term from the Western District, is opposed by William H. Evans. Mayor Frank Collins and Councilman George E. Ramsey, both of whom are out for re-election, are unopposed. Mr. Ramsey represents the Middle District.

Council Contests Face Voters At Town Election On Tuesday

**Ferguson and Johnson, Incumbents,
Opposed By Battersby And Evans**

Local voters will go to the polls in the annual town election on Tuesday with contests to be decided in the Eastern and Western Districts, where Councilmen George F. Ferguson and C. Emerson Johnson are seeking re-election, respectively.

Norman E. Battersby, 45-year-old employee of the Pennsylvania Railroad, of 224 S. Chapel St., provides the opposition for Councilman Ferguson, while Councilman Johnson is opposed by William H. Evans, 192 Orchard Road.

Making the first time in several years that more than one contest for Council seats has existed, Tuesday's vote is expected to be unusually large. Two other offices will be filled the same day. Mayor Frank Collins and Councilman George E. Ramsey, the latter a representative from the Middle District, will be returned to Council without opposition.

Filed On Deadline

Mr. Evans, who filed shortly before the deadline for candidates was reached last Saturday, has been a persistent critic of the present Council for several years. An experienced politician, he has served two terms in the General Assembly as a member of the House of Representatives.

Employed by the Pennsylvania Railroad as station agent here for 20 years, Mr. Evans was later with the Newark Trust Company for four years, and still later served an eight-year term as postmaster, previous to the appointment of Cyrus E. Rittenhouse, present postmaster.

Mr. Evans is active in Republican affairs and is a strong advocate of a new town charter.

Face Experienced Officials

Both Mr. Battersby and Mr. Evans face trained officers. Councilman Ferguson, although one of the less boisterous members of the body, is completing his fourth term, while Councilman Johnson, a progressive member of the group, is winding up his second term.

All seats to be filled at Tuesday's election are for two-year terms. Mayor Collins is seeking his sixth term, while Councilman Ramsey seeks his third.

Voting in town elections is limited to taxpayers. According to Section 29 of the town charter: "At all town elections every male citizen and every freeholder, male or female, of 24 S. Chapel St., provides the opposition for Councilman Ferguson, while Councilman Johnson is opposed by William H. Evans, 192 Orchard Road."

Registration for non-property owners, which took place in May and June last year, prior to the 1938 assessment period that began on July 1, eliminates the possibility of a last-minute influx of voters.

District lines for the three voting divisions are defined as follows:

Western District—All land within the town limits west of the center of College Street and Depot Street (North and South College Avenues), extended to north and south boundaries.

Middle District—All land from the center of College Street and Depot Street (North and South College Avenues) to the center of Choate Street, extended to north and south boundaries.

Eastern District—All land within the town limits east of the center of Choate Street, extended to north and south boundaries.

Balloting will take place at the Council headquarters, 26 Academy Street, from one o'clock until six o'clock Tuesday.

Honorable mention in the National Traffic Safety Contest, sponsored by the National Safety Council, was awarded to Delaware last week, when Wilmington, competing with cities of 100,000 to 250,000 population finished high on the list.

Mayor Walter W. Bacon and Walter Dent Smith, president-manager of the Delaware Safety Council, were notified of the distinction in telegrams received from the national organization. The messages read as follows:

"Your city has been awarded honorable mention in the 1938 national traffic safety contest in recognition of your splendid efforts. Heartiest congratulations to you and your citizens."

Traffic Deaths Reduced

An appraisal of Wilmington's victorious year of traffic safety reveals concrete accomplishments.

Wilmington had 12 traffic deaths in 1938 as compared to 19 in 1937, a reduction of 37 per cent, or a saving of seven lives. The total number of accidents during the year was reduced 22 per cent, while the number of personal injuries was reduced 13 per cent.

Outstanding was Wilmington's enforcement of traffic laws, efficiently conducted by the police department which made full use of the selective system, singling out dangerous intersections for special attention.

Attended Training Schools

Radio patrol cars constantly checked the menace of speeders and reckless drivers. Spot maps and accident records were faithfully used to direct activities. Also to keep in touch with latest enforcement developments, representatives of the police department were sent to training schools at Northwestern University, Penn State College, the University of Maryland, and Wichita.

Wilmington's engineering program during the year was effective. Under the guidance of expert consultants, the city completed many surveys. These included parking observations, view obstruction studies, (Please Turn To Page 8)

LIMIT SET UNDER NEW MEASURE APPROVED

**Skeleton Plan
For New Charter
Introduced; To
Name Commission**

An ordinance confining new gasoline service stations to Main Street, between the Baltimore and Ohio Railroad tracks and the tracks of the Pomeroy Branch of the Pennsylvania Railroad was introduced before the Council of Newark at the April meeting Monday night.

Prepared by John Pearce Cann, attorney for the town, the ordinance does not apply to the operation of stations already located within the corporate limits of the town. A fine of \$10 per day for operating a station in violation of the ordinance will be levied.

Receiving unanimous approval of the Council when introduced, the ordinance is scheduled for adoption at the meeting in May.

Councilman Charles C. Hubert presided at the session in the absence of Mayor Collins who is still confined to his home following a heart attack suffered early last month.

New Charter Movement

Other members attending the April meeting were: Councilman George E. Ramsey, C. Emerson Johnson, John F. Richards, George F. Ferguson, and Herman Wollast. Secretary C. Vernon Steele and Engineer George C. Price were present also.

In presenting the filing station ordinance to the Council, Mr. Cann recommended the appointment of a zoning commission to handle the problems of industrial and business sites. Such a commission can be appointed by the Council under a state law passed in 1928, Mr. Cann stated.

On a resolution introduced by Mr. Hubert, approval was given a skeleton plan for the drawing of a new town charter to be presented before the General Assembly in 1941.

Under the provisions of the resolution, Mayor Collins will be empowered to name a commission of eight or ten business leaders to draw a new set of local statutes. Definite action was deferred until the Mayor is able to return to his office.

Suburban Section Extension

A plan presented by Leon H. Ryan, developer of "Nottingham Manor," for extending the town's water and light systems to the adjoining suburban residential section was approved without dissent.

The development, which abuts the town at the junction of West Main Street and Nottingham Road, will eventually be added to the corporate limits, it is thought. Approximately \$2,000 will be expended for mains and power lines. Mr. Ryan will pay a fixed sum of interest on the investment until such time that returns from houses already built, those under construction, and those to be erected in the development meet the Council's specified total.

The Council headquarters were ordered closed all day Good Friday. Cleanup days for the collection of rubbish were designated on April 19 and 20.

Memorial Day Committee

Mr. Hubert, acting for Mayor Collins, appointed eight members to the committee which annually handles the celebration of Memorial Day here. Captain Frank J. Cunningham, U. S. Army, connected with the Reserve Officers Training Corps at the University of Delaware, was named general chairman and marshal of the parade.

Other members are: Captain H. Wallace Cook, Battery E, 198th C. A. (A. A.) D. N. G.; James Q. Smith, American Legion; William Rupp, Veterans of Foreign Wars; David Chalmers, Continental-Diamond Fibre Company; Councilman C. Emerson Johnson, William K. Gillette, Newark Schools, and Chief E. J. Ellison, Aetna Hose, Hook and Ladder Company.

Accounts receivable at the end of March were reported by Miss Mary Louise Thomas, bookkeeper, as follows: Light, \$2,017.52; water, \$2,405.90; power, \$152.58, and taxes, \$2,316.88.

Other Routine Reports

During March, bills amounting to \$1,391.25 were paid for the Cleveland Avenue storm sewer project; \$91.50 for the Townsend Road sewer project, and \$274.65 for the installation of the traffic signal at South College Avenue and Delaware Avenue.

The town's indebtedness was reduced \$2,000, plus interest, leaving notes payable at \$88,000.

Treasurer Steele reported a cash balance at the outset of March of \$6,974.15, with receipts totaling \$11,406.69. Disbursements amounted to \$10,505.48, leaving a cash balance at the end of the month of \$7,795.36.

COMMITTEE WORKING IN FIELD

Drive For Funds And Equipment Successful

By Miss Emma S. Maclary
Report, April 5.—The committee working on the establishment of the national field, with the National Administration cooperating, at Krebs School site, reports meeting with success in its drive to house canvass of the town for this purpose. Some funds have been contributed while others have donated. Arthur G. Craig, chairman of the activity, reports he is quite sure of possibilities here.

Presented Play
Members of the Young Women's Club of Newport presented a three-act comedy "Lovely" in the auditorium of the school on Friday evening. Funds from the play are for the eighth grade trip to England.

Obituary

HEART VICTIM

John Wiley Dayett

Victim of a heart attack, John Wiley Dayett, 29 years old, was found dead by his father, J. Irvin Dayett, in the barn near the latter's home at Cooch's Bridge about noon Sunday. The victim, who had been in ill health for an extended period, went to the barn to feed the stock. Later his father followed him to the barn and found him on the floor dead.

Dayett was a graduate of Newark High School and the University of Delaware. He also attended Perkiomen Preparatory School for a year and Brown University for two years. He was associated with his father in the milling business and is widely known in Newark and vicinity. He was a charter member of the Newark Rotary Club and represented the milling business in the Newark Chamber of Commerce.

In addition to his parents, he is survived by two sisters, Mrs. Albert Ayer of Pittsburgh and Mrs. J. Chesley Stewart of New York. The funeral was conducted yesterday afternoon with interment at Head of Christiana Cemetery.

SOLOMON WILSON

Solomon Wilson, age 52, a prominent local merchant, died Saturday morning in the Beebe Memorial Hospital, Lewes, where he has been a patient for several weeks. Death followed a lengthy illness.

The funeral was held Sunday and interment was made in Mt. Sharon Cemetery, near Media, Pa. Mr. Wilson is survived by his wife, Lena, three daughters, Dorothy, Helen, and Ruth, and a son, Harry, all of 51 Prospect Ave.

A native of Philadelphia, Mr. Wilson came to Newark about 30 years ago and opened a clothing and tailoring store on Main Street, which he has operated ever since.

Farmers Of England Fight Cattle Rustlers

Farmers are organizing to beat the raids of cattle rustlers in Great Britain. One plan is that the movement of livestock by road should be prohibited except by license between 11 P. M. and 5 A. M.

The cattle rustler descends on an isolated field or barn at night with a fast truck, rounds up the cattle or sheep and herds them into the truck. The animals are driven away or killed immediately. Branches of farmers organizations have offered rewards without results.

Recently thieves, using a truck, got away with fifty lambs from a farm near Weymouth. It is known that some of the rustlers use strong searchlights. As a result of the depredations many farmers have employed armed guards. Northamptonshire Farmers' Union is taking the lead in effect to stamp out the raiders.

THE BUSINESSMAN FARMER demands MORE EFFICIENT FARM BUILDINGS

ECONOMY—As a businessman the modern farmer demands and now gets efficiency and economy in his farm buildings by using the "New Way to Build on the Farm."

GOOD PLANS are a part of this new service. Plans that have been carefully, thoughtfully and practically drawn by the finest Agricultural Experts of America.

GOOD MATERIALS are also essential. Especially such materials as Weyerhaeuser 4-Square "ready-to-use" lumber which is precision cut and squared to exact lengths to cut building costs and material waste.

GOOD WORKMANSHIP is important and good workmanship is easy to get with these fine, accurate plans and precision Weyerhaeuser lumber. The New Way to Build on the Farm is the efficient and economical way. Come in and let us show you.

CIVIL SERVICE JOBS OPEN

April 24 And May 1 Set As Filing Limits

The United States Civil Service Commission has announced open competitive examinations for the positions listed below:

Instructor of skilled trades. The salary for positions in the Indian Field Service, Department of the Interior, is \$1,800 a year; for positions in the Bureau of Prisons, Department of Justice, \$2,000 a year. Employment lists will be established in the following optional branches of instruction: Automotive mechanics, blacksmithing and welding, bricklaying, carpentry, electrical work, farm mechanics, industrial arts (including wrought iron and metal work), laundry, machine shop, masonry and plastering, painting and decorating, plastering and cement finishing, plumbing and sheet metal work, shoe rebuilding and art leather work, steam engineering, and steamfitting.

April 24 Filing Limit

A mechanical or trades course in a four-year high school or some standard high school course supplemented by certain trade school training, is required; and in addition, certain experience in the trade applied for, which must have included or been supplemented by experience in instructing apprentice or Smith-Hughes trade classes. Applicants must not have passed their 45th birthday. The closing date for receipt of applications is April 24.

For the following two examinations, applications must be on file with the Commission not later than May 1:

Associate geologist, \$3,200; assistant geologist, \$2,600 a year, Department of the Interior, and Department of Agriculture. Applicants for the associate grade must not have passed their 45th birthday, and for the assistant grade, their 40th birthday.

Chief, wildlife division, \$4,600 a year, National Park Service, Department of the Interior. Applicants must not have passed their 33rd birthday.

Full information may be obtained from C. S. Crompton, secretary of the U. S. Civil Service Board of Examiners, at the Newark post-office, or from the secretary of the U. S. Civil Service Board of Examiners at any first or second-class post office.

The Giansanti baseball team of Hartford, Conn., which plays leading semi-pro teams in that state, consists exclusively of the nine Giansanti brothers.

Uncle Jim Says

Most farmers prefer prices obtainable through orderly production control more than they do the disastrous prices of 1931 and 1932.

A tax bill of \$240, delinquent for 94 years, was paid to the county treasurer of Pontiac, Mich. The delinquency was discovered when the property owner applied for a home loan.

Judge R. C. Stewart of Easton, Pa., fined each of the jurors \$10 and costs when he found them guilty of tossing a coin to reach a verdict in a criminal case.

DENTISTS AGREE ON METHODS

Rehabilitating And Replanting Not Practical

Dr. Lon W. Morrey, educational director of the American Dental Association, Chicago, recently issued a warning against too much optimism over recent reports that dentists can pull teeth, rehabilitate them and then put them back in the dental arch.

The operation is not new to dentistry, Dr. Morrey said, recalling that dentists for years have weighed the feasibility of replanting extracted teeth and the consensus of the profession is that the procedure cannot be practical.

"Replanting or implanting of natural teeth in the gums is one of the oldest operations in dentistry," Dr. Morrey said. "It was advocated rather extensively by dentists in the

early Colonial days. Recently I read an article on the subject published in 1877 in which the author claimed success in 80 per cent of his cases.

Abandoned The Practice

The country became all excited over the possibilities of tooth replantation at that time, but dentistry in general abandoned the practice because the root of the tooth invariably is absorbed and the replanted teeth fall out almost without exception. Also, there is always a strong probability of infection." In the past fifty or sixty years, Dr. Morrey continued, new techniques have been advanced for the replantation of teeth, but dental

authorities agree that success of the operation is limited to about 20 per cent of the cases—success meaning that the replanted tooth remains in the mouth for about five years. Scientific analysis of the physiological bone changes in the jaw after the tooth is extracted and replanted insists that the operation is contra-indicated, he explained.

Midget Clyde Hendershot of Back's Grove, Ind., smiled and said that he was 23 years old when an officer told him that children weren't permitted to operate automobiles. Plus a few minutes at the end of the day, instead of minus.

Wreckers employed by J. W. Parker to tear down a house in Joliet, Ill., demolished one belonging to J. J. Cleary by mistake. Cleary sued Parker for damages.

Climb and character are twins, and sweat and security live in the same house.

Japan has an everflowing cherry tree which produces flowers and leaves all the year around.

It's the Plus Man who gets ahead. Plus a few minutes at the end of the day, instead of minus.

For Home, for Church, for Gifts

EASTER FLOWERS

To those who love and admire flowers, and who amongst us is not aware of the beauty of flowers, we extend our cordial invitation to view the profuse display of Easter flowers here at our greenhouses. For your convenience, we will conduct a stand on Main Street during the Easter season. Our flowers will also be on sale at Shorty Tweed's.

HALE AT 104

JAMES PAYNE is 104 years old, but he's as spry as a youngster of 70. The venerable Chicagoan still reads, and declares he gets as much enjoyment out of his daily coffee as he did 90 years ago—more, in fact, since he has fewer other diversions now. He can remember Lincoln strolling the streets of Springfield in his youth. Photo shows him at the family party celebrating his 104th birthday.

Local Rainfall Decreases In March; February Heavy

With rain falling on six days in March for a total of 2.94 inches, the fall for the month was considerably short of the 6.35 inches recorded in February, according to George C. Price, town engineer.

The heaviest fall for a single day in March was recorded on March 15 at .96 inches, while February had three days that exceeded an inch, one at .92, another at .84, and still another at .74. The fall for January was 3.22 inches.

Hurrying to get ten nickel hamburgers home before they got cold, John Davis of Syracuse, N. Y., sped through a stop sign and was fined \$10.

The Greenplates have five sons, one daughter and nine grandchildren. They received several beautiful gifts and many cards of congratulations.

Mr. and Mrs. Leon Janney of Andover, Md., entertained at dinner Sunday in honor of the twentieth birthday of Mrs. William Moore and the fourth wedding anniversary of Mr. and Mrs. Oscar Lane, of Ogle-town. Mrs. Moore and Mrs. Lane are sisters, the former Misses Leona and Bernyce Tryens. Those present were: Mrs. Elizabeth Meredith, Mr. Joe Ebricht of Chester, Pa.; Mr. and Mrs. William L. Tryens and son Andrew, of Newark; Mr. and Mrs. Marshall Moore and son, Marshall, Jr., of Elkton, Md.; Mr. and Mrs. Leon Janney, Andover.

Mr. and Mrs. William L. Tryens and son, Andrew, will attend the sunrise service at St. Luke's church, Philadelphia, Pa., on Easter Sunday.

Mr. and Mrs. Robert Greenplate, Sr., held open house last Sunday in honor of their 36th wedding anniversary.

Mr. and Mrs. John H. Skidner, Jr., of St. Louis, Mo., left this morning for Ind., where they will visit relatives.

Thomas Ingham, Jr., who attended Cornell University, is visiting Mr. and Mrs. Thomas Ingham, of Philadelphia, Pa., during the vacation.

Mr. and Mrs. Rowland Gibson, of Andover, are receiving congratulations on the birth of a son, Wayne, on March 25 at the public hospital, Wilmington. Gibson is the former Miss George.

Mr. and Mrs. Dale Singleton, E. 7th, N. J., last Saturday.

Edwin E. Loy, 126 E. Delaware, gave a talk on "Light" members of Boy Scout Troop 1, Wilmington, last Friday.

Leonard Tweed, 33 Margaret, being congratulated on the birth of a son, last Monday.

Sadie Officer, Kells Ave., friends in Philadelphia, Pa., last week.

Visiting Nagel visited friends in Philadelphia, Pa., last week.

Nellie Chalmers moved from 21st St. to 26th Hayes St. last week.

Ann Morrison and Miss Mary Wilson entertained the senior citizens at the home of Miss Wil-

son, 58 W. Park Place, last Friday evening following the performance.

Mrs. Janet Pack and Mr. and Mrs. Roy Teoli will spend the week end with friends in Atlantic City, N. J.

Mr. Benjamin Wilcox, Cambridge, Mass., visited Miss Helen Black, 26 Holmes St., Monday evening.

Arthur Smith, of near Newark, has returned to school after a month's illness.

Mrs. Leo Kee, E. Park Place, was given a surprise baby shower by friends last week.

Miss Margaret Ball, a member of the Wellesley College faculty, spent the week end with her brother, Mr. A. M. Ball, 331 S. College Ave. Mrs. Ball entertained at a buffet supper and bridge in honor of Miss Ball Saturday evening.

Mr. and Mrs. George Lovett and children, of Redbank, N. J., will spend next week with Mr. Lovett's mother, Mrs. Rodman Lovett, 35 N. College Ave.

Mrs. J. W. Cristadoro will visit friends in Dover over the week end.

Mrs. Harry Lieberman, Chicago, is visiting her son-in-law and daughter, Mr. and Mrs. Herman Handloff, Academy Apts.

Miss Dorothy Handloff, a student at Cornell University, is spending her spring vacation with her family here.

Miss Alice Collier Quinn, Montclair, N. J., has spent the pre-Easter week with her grandparents Mr. and Mrs. William H. Evans, Orchard Rd.

Mrs. Evelyn Harding, Lansdowne, Pa., formerly of Newark, spent the week-end with Mr. and Mrs. Donald McCreary, 50 W. Delaware Ave.

Sadie Officer, Kells Ave., friends in Philadelphia, Pa., last week.

Roamin' Rutledge

Eeeee-Yay! Pee-Ay!

That low, rumbling noise heard daily in this vicinity for the last couple of weeks has not been caused by the dam at Conowingo crumbling apart. It's merely Charlie Pié telling any handy listener (in a few thousand subdued words) of the mammoth injustice done his bowling ability by this paper.

Charlie, best ye haven't encountered him, is highly incensed. He's aroused like a Yellowstone geyser gone berserk. He's even more incensed than that. He's jumping around like a wild Indian dancing on the rim of an active volcano. He's so hot under the collar all the hair's been singed from his neck.

What he's doing on the team at all is hard to understand, but as a member of the Newark High School Faculty array in the Tuesday Night bowling loop, Charlie, a pair of weeks back, rolled a startling (for him) count of 607 at the Legion Alleys. It was the first time he ever cracked 600. He was filled with exultation.

He continued to tread the clouds until this paper hit the streets carrying his score (in error) at a mere 507. Attendees at Farnhurst have been looking for his arrival ever since.

One Perfect Game

While dwelling on bowling, we pay belated respect to William (Bottle) Marquess, a member of the Elkton team that performs in the local Wednesday Night circuit. Rolling for the Singery Fire Company quintet at the Community Alleys, Elkton, on January 24, "Bottle" turned in a perfect 300 score.

His mark was not only a record for the alleys, but it proved to be the first perfect game rolled in Maryland in 25 years.

The feat is so rare that according to figures issued by the American Bowling Congress it happens only once in every 336,000 games.

Marquess' three-game mark for the night was 728, a new record for the alleys, and he aided his mates in creating a three-game team mark at 2,557 the same night.

Tommy's Ambition

We aren't certain how long Junior American Legion baseball has been played in Delaware, but it's something more than nine years. We'll wager it's close to 13.

No less an authority than Arthur E. Tenhave, baseball commissioner and state athletic officer for the Legion, has definitely impressed us with the fact, however, that no team from Delaware has ever succeeded in winning a game outside the state.

Champions have been sent to regional playoffs in Bethlehem, Pa., Buffalo, N. Y., Baltimore, and sundry other centers, but no Delaware team has ever succeeded in winning

that Bill Deaver, the two hundred and 77-pound Delaware moundsman, is now plying the Blue and Gold sluggers with a mark of 300. Bill got one for two in his only start, Randolph-Macon, while a substitute catcher and out-fielder, Conrad Sadowski, is close behind with an average of .400—2 for 5 in the Lynchburg massacre.

OF THE REGULARS, ERNIE

George is thus far the most outstanding plate performer with a grand average of .294. His collection of five hits in 17 trips to the block, however, includes two doubles, a triple and a home run. All of which adds up to a total of twelve bases.

Freddy (Sluggo) Mitchell, der flaming feurher of Frazier Field, slammed his way into next to the last position in the batting list with a bang-up average of .059. The slugger, who has collected a total of one hit out of seventeen trips to and from the dugout, succeeded in lofting a hard-hit ball over the pitcher's head that bounced up and hit the second-baseman on the knee... what a hitter, what a hitter!

RUMORS HAVE IT THAT

Coch Gerald P. (Doc) Doherty is planning to farm him out to the "Letta Chi" softball team in the interfraternity league this year.

But for the moment, all honors must go to Big Bill Deaver, who's at the top of the batting heap... for the present at least.

In looking over the mound performances of Delaware's four pitchers, the fifteen-strikeout act put on by Bill Tibbitt seems to have been the highlight of the southern invasion.

Besides this, he held the Lynchburg outfit to four hits to top the performance of any of the Hen hurlers. Reed accounted for five strike-outs and allowed seven hits in the opener against Bridgewater. (Please Turn To Page 7)

LOCAL SPORTS FEATURED WEEKLY IN The Newark Post

The Newark Post, Newark, Delaware, Thursday, April 6, 1939

Delaware Tossers To Meet Penn A.

April 19 Is Closing Date For 13-Stake Races At Stanton

CAPTAIN PHIL REED OR BILL TIBBITT TO HURL

Invaders Boast Wealth Of Former College Stars; Blue And Gold Representatives Seeking Fourth Win; Weather Hinders Practice

By Homer Run

With three victories tucked away in the bat bag, and only one blackmark chalked against them, Coach Gerald P. (Doc) Doherty's University of Delaware diamondmen have been making preparations this week to play host to the Penn Athletic Club on Saturday afternoon at 2:15 o'clock.

Defeated Once

Humbled only by Randolph-Macon College while on the annual southern tour last week, the Hens returned with the scalps of Bridge-wyn, Lynchburg, and Hampden-Sydney dangling from their belts, while two tilts, one with Virginia Medical and another with Randolph-Macon were rained out.

Based on the southern tour showings, it is expected that either Bill Tibbitt, husky freshman hurler, or Captain Phil Reed, a veteran campaigner, will get the starting call to the mound.

Tibbitt's performance against Lynchburg was the most outstanding of the trip. In winning his first intercollegiate start, the freshman hurler sent 15 opponents back to the dugout swinging and allowed only four hits. His batting has also been impressive and he has performed well in the outfield when not on the mound.

Weather Handicaps

Forced to discontinue for two days this week due to cold and damp weather, the Hens finally got out Wednesday afternoon for their first workout since the trip.

Penn A. C., composed of former college stars, is anxious to avenge a setback suffered last year on Frazier Field and a tight brand of ball is expected to be played for Blue and Gold diamond followers who are anxious to see the Hens in action for the first time this year.

The invaders' starting lineup will include: Harvi, Lehigh University, catcher; Forbes, West Chester State Teachers' College, first base; Howlett, Villanova, second base; Brady, Germantown Academy, shortstop; Eddowes, Muhlenberg, third base; O'Neill, Notre Dame, right field; Bradley, North East High School, center field, and Carlsen, University of Pennsylvania, left field.

The starting pitcher will be selected from Simons, University of Pennsylvania; Grindle, Pittsburgh; Maher, Catholic University, and Schelle, Villanova, all right handers. Other members of the squad are: Givens, Princeton, outfielder; Her-mann, Brown Prep, outfielder; Fox, Drexel, outfielder; Rooster, Lafayette College, infielder; Libby, Baltimore City College, infielder; Gentino, University of Pennsylvania, catcher; Barnes, Pittsburgh, catcher, and O'Hara, St. Joseph's, pitcher.

Delaware's starting lineup will be as follows: Earl Sheats, catcher; Earl McCord, first base; Freddy Mitchell, shortstop; Ames Crowley, second base; Wilmer Amesley, third base; Howie Viden, left field, Ernie George, center field, and either Tibbitt or Conrad Sadowski in right field.

Sets Winter Record

Officials of the New Orleans open golf tournament estimated that 14,000 attended the free show on the final day, setting a record at a winter event.

ALMANAC

DETROIT GETS GOLF

The Women's Western Golf Association closed championship will be played at Detroit this summer.

Bunches Golf Aces

Bob McCullough made holes-in-one at the Miami Beach municipal golf course on December 2 and repeated January 9.

Shoots A 63

A. J. Shaw, seven times winner of the New Zealand open golf title, has broken a record of 67 for the Hurl 6,229-yard links with a 63 (par 74). It included three eagles and five birdies.

Eight State Titles

Horseshoe pitching titles of eight states will be decided in addition to the national title during the 'shoe pitching tourney on Treasure Island of the Golden Gate International Exposition.

HOGAN CAN DEADLOCK CUE CHASE

Howard Also In Running; Places Still In Doubt

By "Cue Keeley"

While the class B pocket billiard crown of Newark rests gracefully on the noggins of one Curtis (Huck) Morrison, with Dick Tweed, decorated champ, safely riding in second place, a wide open scramble for third and fourth positions still exists in the tourney at Jimmy Martin's State parlor.

Steve Gula is holding the third-place fort at the present time, but Jake (Tiger) Hogan is treading on his heels and Marty Howard is a possibility for the position. Hogan pulled to within one-half a game of Gula last week by trimming George Keeley, 65-57, on Thursday. The victory gave Hogan a record of nine wins against five defeats, compared to Gula's record of 10 wins and five setbacks.

Keeley Eliminated

Keeley, one of the tourney's early leaders, was tumbled from the scrap for fourth place in bowling to Hogan. In coming through with a 75-to-43 victory over Bayard Oscar Perry on Saturday for his seventh win as against five defeats, Howard remained in the running for a third-place playoff spot. He trails Hogan by one full game.

Clyde Crowe trimmed Perry in the only other match of the week, 65-51, on Thursday afternoon. With three starters still in the running for third place, the possibility of a two-way playoff for fourth place exists between Curt Riley and Rube Heath. Riley, trailering Howard by a few percentage points, has won eight matches as against six losses, while Heath has a mark of seven wins and six reverses.

Employment Service To List Available Umpires

The Delaware State Employment Service, Wilmington, announced this week the installation of a new bureau covering the registration and placement of officials for sports events. This division will be under the supervision of George Winter, well-known in local athletic circles as a player and official. Wilmington and local schools approached on the subject were enthusiastic and offered to cooperate with the service, using the officials registered. Officials of baseball leagues in Wilmington and in the county indicated, according to Mr. Winter, that they will place their schedules with the bureau for assignment of umpires.

The bureau has openings for officials for both school and league games and will accept registrations from anyone available for afternoon and twilight games. This service is given free of charge to both officials and persons securing them. Detailed information can be secured from Mr. Winter at the Delaware State Employment Service.

QUICK RELIEF FOR FEET

MINIMUM PURSE SET AT \$1000; DEAN HE

Succeeds As President Meet To Lay For Full Mo

By Turfan

Edward Burke, director of the Delaware State Fair, has announced that the minimum purse for the 13-stake races at Stanton will be \$1,000. The races, which will be held from April 19 to May 1, are expected to draw a large crowd of spectators. The purse will be divided among the winners of the various stakes. The races are expected to be a success, and the fair is expected to be a profitable one.

Turner To Be

John P. Turner will be the new president of the Delaware State Fair. He was elected to the position at a meeting of the fair's board of directors. Turner is a well-known figure in the fair's history, and his election is expected to be a success.

Chick-Lites

By

J. FRED MITCHELL

From the looks of the present weather conditions it might have been a good idea for Coach Gerald Doherty to have prolonged his southern jaunt for another week. In spite of frequent showers that caused the cancellation of two scheduled games, the weather was more than fitting for baseball than the icy blasts which are now sweeping Fraser Field.

The record of three wins and one defeat is one of the best ever compiled by a Delaware team on the spring trip, and in view of the fact that the southern clubs have been practicing for over three weeks, this record is highly commendable. With one exception, the entire team hit fairly well, but more pleasing to Doc Doherty was the showing of the freshmen hurlers, Bill Tibbet and John Daly. Both men chalked up wins in their only starts and gave convincing evidence that they are capable of winning in collegiate ball.

CHICK-LITES
The fielding of the team, especially the infield, was a highlight. The infield boasts of at least one double play per game and tossed in one triple play for good measure. The above mentioned triple play was pulled at such a furious pace that the umpire had to call time out to get himself straightened out. On this play the Delaware infield tagged everyone except Doc Doherty and the blonde in the second row of the left field bleachers. (Sheats just missed her moment later with a throw to second base.)

Ernie (Chesty) George proved the big run in the Delaware attack. The barrel-chested center fielder gathered a homer, triple, and two doubles before he finally broke down and got a single. After one game Ernie was approached by the opposing pitcher whom he had nicked for a double and homer and was asked, "Y'all sort of had your hiltin' pants on today didn't ya?" Whereupon Ernie modestly replied, "I have my hiltin' pants on every day, son. Don't you feel bad though, 'cause I treat these southern pitchers all the time."

40 JERSEY COWS GO ON SALE

Purebred Cattle To Be Auctioned At Coatesville

Sponsored by the Chester County Jersey Cattle Club, the first annual consignment sale of purebred Jerseys will be held at Coatesville, Pa., April 14, at 12:30 o'clock. Forty head of young cows, bred heifers, heifer calves, and yearling bulls are being consigned to the sale of breeders of Jersey cattle in Chester county and vicinity.

This consignment sale is a cooperative project, planned and managed by the following committee appointed by Harvey N. Williams, president of the Chester County Jersey Cattle Club: Russell M. Hammit, chairman, Coatesville; Dr. J. S. Hogg, Oxford; Richard Conner, Avondale; Crawford Twardell, Westtown; Donald McIlvaine, Whitford; and W. K. Moffett, Downingtown.

Mr. Williams said: "For several years a Chester County Jersey herd at Hill Farm, Coatesville, has won highest awards at the Pennsylvania Fair Products Show, in competition with Jerseys from all parts of Pennsylvania, and there are many other fine Jersey herds in the county. There are farms in Chester County on which Jersey cows have been raised continuously for three and four generations."

First Imported 1817
He pointed out that in 1817 the first Jerseys were imported into America by the captain of a sailing vessel who had a country place near Philadelphia. The earliest account of Jerseys in America is found in Volume IV, of the Memoirs of the Philadelphia Society for the Promotion of Agriculture. It is as follows: "I have upon my farm on the Delaware, a cow of the Alderney or Jersey breed, imported a short time ago by Mr. Wurts. She has been fed in the usual way with potatoes, and during the last week her milk was kept separate and yielded eight pounds of butter. The cow is now three years old and is supported with less food than our ordinary stock. January 11, 1817."

Richard Morris.
"Today the Jersey is the most

SPELLERS TO VIE APRIL 15

**Goldiey College
To Be Host Of
Annual Contest**

With final plans completed, present indications point to the largest enrollment of schools of the Delaware Peninsula in Goldiey College's seventh annual Interstate Spelling Contest, which will be held at the college in Wilmington, on April 15. The contest open to all schools in this vicinity, will bring to Goldiey College more than 300 individual contestants who will represent more than 60 different secondary schools. There will be a host of awards, both to the individual winners as well as to the schools they represent.

One of the features of the contest this year is the fact that it will not only incorporate all of the excitement of the "spelling bee" but will be broadcast over a local hookup and will be permanently recorded on film, which will be shown at the various schools entering competitors.

The contest is open to pupils of junior or senior high schools, parochial schools and private schools, regardless of the courses they are pursuing, in Delaware, Maryland, Virginia, New Jersey, and Pennsylvania.

The contestants are divided into two classes: Class A, 10th, 11th, and 12th grades; Class B, 7th, 8th, and 9th grades. Any school having pupils in both classes may enter a team in both classes if it desires.

Each school selects a team of three, or two teams of three each, to represent the school at the contest. If a team is composed of pupils

expect this sale to build a reputation for Chester county Jerseys." Cooperating with the Chester County Cattle Club on its first annual sale are: Donald McIlvaine, Oaklands Farm, Whitford; G. D. Spackman, Hill Farm, Coatesville; Miss Blanche Backus, Cold Spring Farm, West Chester; John H. Stitt, Hill-n-dale Farm, Downingtown; Conner and Killinger, Pine Grove Farm, Avondale; Mrs. Mary C. Howell, Chambers Rocks Farms, Kemblesville; W. K. Moffett, Wilbrae Farm, Downingtown; Mitchell Brothers, Woodside Farm, Hockessin; Mrs. J. Norman Henry, Pine Creek Farm, North East; Mr. and Mrs. F. Henry Jones, Arylawn Farm, Bethesda; and Hoagland Gates, Broadlands Jerseys, Elkton.

The cattle selected from the above farms carry the blood lines of such outstanding Jersey sires as: Sybils Gamboe, Imp. Designs Royal Noble, Imp. Designs Bob, The Ows Oxford Victor, Coronation Cid, Colonel House of Bleak House, and Quality Dreamer.

The consignment sale will be held in the sales room of the new Egg Auction building at Coatesville. The committee is issuing a 20-page catalog in which the cattle offered for sale will be listed with a complete description of each animal put up at auction.

STOP Scratching
RELIEVE ITCHING SKIN Quickly
Even the most stubborn itching of eczema, blotches, pimples, athlete's foot, rashes and other externally caused skin eruptions quickly yields to pure, cooling, antiseptic liquid D.D.D. PRESCRIPTION. Clear, greaseless and stainless—dries fast. Its gentle action soothes irritation, stops the most intense itching in a hurry. A 3-oz. trial bottle, at all drug stores, proves it—or you money back. Ask for D.D.D. PRESCRIPTION.

From Piney Creek Farm, North East, Md., bred heifers by Imp. Designs Emblem and Xenia's Excellent Volunteer. From Oaklands Farm, Whitford, Pa., a cow whose blood lines go to Smokey's Tormentor who made 17,870 pounds milk, 951 pounds fat.

From Broadlands Jerseys, Elkton, Md., a fine daughter of War O. K. From Pine Grove Farm, Avondale, Pa., cows by Hill Farm Dreamer, Junior Champion, Maryland State Fair; Dreaming King Bob and Oh My Floral Dance You'll Do. From Hill-n-dale farm, Downingtown, Pa., a bull calf whose dam made 8300 pounds of milk as a two year old, and sired by a son of Sybils Fauvic Prince.

From Chambers Rocks Farms, Kemblesville, Pa., cows and bred heifers by silver medal sires; Coronations Oxford Cid, Dreaming Bob, Philadoras Bravo and Imp. Dreaming Jack.

From Wilbrae Farm, Downingtown, Pa., cows in milk sired by a grandson of Sybils Gamboe, out of dams close up to the United States Champion Butterfat Jersey cow Stockwells April Pogie who made 17,880 pounds of milk, 1218 pounds butterfat in 365 days.

From Hill Farm, Coatesville, Pa., heifer calves sired by Imp. Designs Emblem, Grand Champion Bull, and Imp. Designs Royal Noble, and out of dams with 500 pounds butterfat. Bull calves sired by Imp. Designs Emblem and LeSentes Draconis O. K. Cows in milk by High Pastures Prince.

The sale will offer twenty cows, fifteen bred and open heifers, four young bulls. Cattle are from herds fully accredited for tuberculosis and certified free from Bangs disease.

If you need fresh cows, cows for fall freshening, a future herd sire, heifers or calves that will win for you at the fall fairs, be sure to attend this Sale at Coatesville, Pa., April 14th.

For catalog, address—Russell M. Hammit, Hill Farm, Coatesville, Pa.

The Chester County Jersey Cattle Club appreciates the cooperation of the Coatesville Chamber of Commerce and its Better Business Committee.

"To be sure of a job that will hold up, USE DAVIS OF BALTIMORE 100% PURE PAINT"

Every business man knows a dozen ways to save money by taking short cuts—but the men who remain in business know that short cuts are mighty risky. When you figure on painting, don't figure the price per gallon. Figure how much coverage per gallon you get—how much "hiding power"—how long the job will last.

You'll be pleasantly surprised when you figure on DAVIS OF BALTIMORE PAINT!

St. Helena To Blossom
Prosperity is expected to return to St. Helena, the South Atlantic island where Napoleon spent the last six years of his life. According to a Colonial official report issued in London, it is proposed to grow flowers for the British market during the winter, when the blossoms from the warm climate will command good prices in England.

Nature has a way of challenging everything and of crowning conquerors.

WEDDING

Baylis-Vansant
Miss Ada B. Baylis of Kemblesville, and Mr. James L. Vansant of Newark, were married at the Head of Christiana manse last Saturday evening, April 4, by Rev. A. Van Overen. The bride and groom were accompanied by Misses Edna Baylis, Reba Vansant and Mr. Cecil Vansant, sisters and brother of the contracting parties. The ceremony was followed by a reception at the home of the groom's father, Mr. George Vansant, Mr. and Mrs. Vansant will reside in Newark.

OBITUARY

William Francis Ball
William Francis Ball, aged 66 years, died at his home near Milltown on Thursday, April 2. Funeral services were held from the late residence on Monday afternoon, April 6, at 1 o'clock. Interment in White Clay Creek Cemetery.

Social Notes

Miss C. O. Houghton entertained at a luncheon of eight covers on Wednesday last, followed by Auction. Her guests were Mrs. J. Pearce Cann, Mrs. J. Penrose Wilson, Mrs. C. B. Evans, Mrs. C. L. Penny, Mrs. A. T. Neale, Miss Elinor Harter and Mrs. John Pilling.

Mr. and Mrs. C. B. Evans went to Washington, D. C., on Friday to attend the wedding of Mr. Evans' niece, Miss Emma Reed, to Ensign John Palmer, U. S. N., which took place on Saturday.

Miss Lena Evans, who has been spending the winter in Georgia and Florida, is now in Washington, reaching there in time for the wedding of her niece, Miss Reed, to Ensign Palmer, last Saturday.

Dr. Herbert Watson has recently returned from a trip from Boston and Newton, Mass. At the latter place he went through the Stanley Steamer factory and made the return trip in a Stanley Steamer.

Miss Elsie Wright will entertain the evening card club next week.

Personal
Chauncey P. Holcomb, speaker of the House and member of the Delaware College for Women Commission was in Newark on Saturday, viewing the work on the new college buildings.

Rev. Mr. Haupt of Havre de Grace, Md., conducted services at the St. Thomas P. E. Church last Sunday, both morning and evening. Mr. Haupt is one of several clergymen who is being considered by the vestry, to succeed Rev. H. B. Phelps.

Mrs. J. J. Taubenhuis and son are spending some time with the former's parents in Hoboken, N. J.

L. B. Jacobs spent the week-end at Atlantic City.

Mrs. Robert Tally has returned to her home, Washington, D. C., after a visit with Mrs. E. W. Cooch.

Mr. and Mrs. Edward Cooch entertained the evening card club last Friday evening.

Paul F. Russell of Wilmington, a graduate of Delaware College, who spent some time in South America the interest of the duPont Powder Company, was to leave on Sunday for San Francisco en route to China to engage in engineering work on a new railroad from Hangchow.

G. S. Messersmith, principal of Dover Public Schools, was the guest of Dr. W. Owen Sypher on Thursday.

Misses Elizabeth Wright and Edith Spencer have returned to the Baldwin School, Bryn Mawr, after spending the spring vacation at their home in Newark.

New Industries in Elkton
Work is progressing on the new hosiery mill and the Deibert and Wilson textile mill at Elkton, and the Prest-O-Lite Company is clearing the ground at the old Glavin brickyard in West Elkton preparatory to starting work in its plant. It is said that parties are seeking a site at Elkton for a shoe factory.

Town Election Next Tuesday
The annual town election will be held in Council Chamber on Tuesday, April 14, from 1 to 5 o'clock for the purpose of electing councilmen to succeed J. B. Luter of the eastern district, G. Fader of the middle district and E. B. Frazer of the western. No candidates have been announced to date.

Master of Grange Receives Gift
A handsome cut glass pitcher was presented to Mr. and Mrs. John Nivlin last Monday evening at the regular meeting of Newark Grange by members of the organization. Mr. Nivlin has for several years been master of Newark Grange.

Shad Fishermen On River
Shad fishermen have started to fish regularly on Monday and from now until the last of May, the Delaware river will be dotted with small fishing craft. Several boats were out last week but made small catches.

Canadian Rocky Resorts Plan For Next Summer

Plans for the entertainment of visitors to the Canadian Rockies next summer already are under way.

Moraine Lake, in the Valley of the Ten Peaks, will be made more accessible for visitors. The old cabins will be replaced with modern structures at the lake and will thus become a lodge instead of a tea-house.

Next year's plans also call for the opening of hotels, lodges and tea-houses at Banff, Lake Louise, Emerald Lake, Moraine Lake and the Plain of the Six Glaciers and Lake Agnes on June 10. They will remain open until September 10. The lodges at Yoho, Waplo and Lake O'Hara will be open from June 24 to September 10.

Banquet Scene At Meeting Of Richmond Alumni

Graduate Manager Gerald P. Doherty and John N. McDowell, executive secretary of the University of Delaware Alumni Association, were among those who attended a meeting of the Richmond, Va., branch of the organization last Thursday. Those pictured above are, left to right: Mr. Doherty, Mr. McDowell, Dr. S. C. Mitchell, former president of the university; William L. Kirby, L. D. Cann, brother of J. Pearce Cann, a prominent Wilmington attorney who resides in Newark, and C. C. Kidd.

FROM CONGRESSMAN
GEORGE S. WILLIAMS

VISITORS—The following is a list of visitors to the Delaware Congressional office recently: Mrs. G. Clifton Mault, Jr., Millsboro; Mr. H. K. Heite, Dover; Miss Margaret C. Keel, Lewes; J. Frank Thornton, Delmar; Herbert S. Hearn, Delmar; Charles H. Gant, Gerrish Gassaway, John Lemmon, P. F. Gurke, of Wilmington; Deputy Attorney General Wm. Storey and Mrs. Storey of Dover; Mr. and Mrs. W. H. Brennan and Mrs. Kirby of Wilmington.

WPA APPROPRIATION—The President's request for \$150,000,000 for emergency appropriation to WPA was reduced by the Appropriations Committee to \$100,000,000 and reported to the House for its consideration on March 30. After two days consideration and the rejection of several amendments, some increasing and some decreasing the amount submitted by the Appropriations Committee, the House finally approved the Appropriation of \$100,000,000 by a vote of 290 to 110.

REORGANIZATION—After twice, in the past two years, defeating the Administration's Reorganization Bill, Congress has finally passed a greatly modified bill. Under previous legislation, the President sought to create two new Cabinet departments—Social Welfare and Public Works, and transfer into regular Government Departments some eighty of the independent agencies. The President's power to carry out this plan is severely restricted under the present legislation. No new department can be created, and a score of the most important independent agencies can not be touched by any reorganization plan. Congress holds the power to veto any reorganization plan within sixty days. A President wanted to replace the Civil Service Commission with a single Administrator and replace the General Accounting Office with an independent Auditor General, but neither of these moves can be made, since these two are listed among the agencies that cannot be touched. Mr. Roosevelt also wanted to expand the Bureau of the Budget so that efficiency and economy in Government could be studied and advise the President on future reorganization plans. This was denied the President, but the objective has been partially attained through an increased appropriation of \$180,000 to the Bureau of the Budget for additional personnel. Mr. Roosevelt wanted to blanket into Civil Service all Government employees, with the exception of those in policy-making positions. The present legislation gives no such permission, but, here again, the objective is being partially attained by extending Civil Service to many Government employees during the past two years and plans are under way for further extension. Summing up what the President can do under the new legislation, we find the following: First, he can appoint six new administrative assistants, at salaries of \$10,000 each, to aid him in dealing with the departments and agencies. Second, subject to the listed exemptions and the Congressional veto, he can transfer, consolidate or abolish some sixty agencies whose functions now overlap or are divided.

NEUTRALITY—On May 1 the "Cash-and-carry" provisions of the present Neutrality law will expire. No bill has yet been reported in either House on the subject, although several bills have been introduced to alter the present Neutrality Act. Senator Pittman (D-Nev.) Chairman of the Foreign Relations Committee would repeal all standing neutrality legislation and enact a simple statute permitting the United States to sell war supplies to nations at war, provided, they pay cash and carry the supplies away in their own ships. Carrying the law still further, Senator Pittman would continue the clause forbidding Americans to travel on ships of belligerent nations, outlaw loans and credits to nations at war, and limit arming of American merchant ships except the neutrality laws are invoked.

U. S. DEFENSES—Much has been heard these last few months about the building of our national defenses. Just what has been accomplished, and approved by the many measures and proposals may not be clear to many. Here is how our army, navy and air force will stand as a result of the national defense legislation: Our navy will be one matching the British Navy and outstripping any third navy afloat; 9,000 planes, large enough to repel any attack on the Western Hemisphere, will make up our air force; Our army will consist of about 220,000 men plus the enlarged National Guard, forming an "Initial Protective Force" of 450,000 men, 10,000 to 12,000 factories are geared to turn out 12,000 planes a year plus arms, ammunition, and equipment to equip the million-man defense army. More naval and air bases; stocks of raw materials, and hard to manufacture items as reserve supplies; and a trained reservoir of civilian pilots to which 20,000 young pilots will be added each year. All this is taking place with one object in view, that no war will ever be fought on the American mainland.

CIVIL SERVICE—The giving of a Civil Service examination to my mind means just what the intent of the law happens to be. It is based on merit and the qualifications which a person shows for that particular place. No letter of endorsement or recommendation is needed until the Commission calls for one. No one has a chance for appointment until they have made the eligible list and nothing can be done by any one but the applicant to make the right grade for an appointment. A review can be secured on any paper on request but it is seldom that a material change is made in results. Civil Service aims at merit only and when they get through with an examination and investigation they usually know all that is to be known about an application.

When a push clock is the only thing that pushes a man, then his own battery is dead.

WASHINGTON NEWS LETTER

WASHINGTON, D. C., April 6.—The House today passed a bill to authorize the President to issue orders to the armed forces of the United States to prevent the export of war materials to belligerent nations.

The bill, known as the "Neutrality Act," was passed by a vote of 311 to 110. It gives the President the authority to issue orders to the armed forces of the United States to prevent the export of war materials to belligerent nations. The bill also gives the President the authority to issue orders to the armed forces of the United States to prevent the export of war materials to belligerent nations.

The bill also gives the President the authority to issue orders to the armed forces of the United States to prevent the export of war materials to belligerent nations. The bill also gives the President the authority to issue orders to the armed forces of the United States to prevent the export of war materials to belligerent nations.

HOME OWNERS FORUM

By ARNER GORDON

INSTALLING a second bath in the small home which is being enlarged or modernized is much simpler than it would seem. Sometimes the best solution lies in eliminating a tub and putting a shower stall in its place.

A complete bathroom, with shower in place of a tub, can be contained in a space as small as five feet square, with favorable window arrangements. Every precaution, however, should be taken to prevent leakage of water through the shower floor, because it will ruin ceilings and walls below. This can be permanently prevented by lining the floor with a lead pan.

Sheet lead 1/16 in. thick may be purchased at no great expense. It should line the entire shower floor under the tile or composition and should be turned at least 6 in. up behind the wall finish. Corners of the pan are seamless and folded. Seepage through the floor is caught in this pan and runs into the drain through weepholes. Be sure that the pan is coated on both sides with black asphaltum or tar paper.

This treatment is standard practice with good plumbers and is required by many cities' plumbing ordinances.

Question: Suggest a quick way to make temporary repair on a fuse plug.
Answer: Cut an inch-long strip from the edge of the old plug's brass screw ferrule, leaving one end attached. By bending the strip upwards and across the end of the plug, it will make contact with the central contact button.

Question: How can I keep my window sills from being stained by the sun?
Answer: Paint the sills with pure white lead paint which does not react with the material that causes the stain.

Women's Home Missionary Group To Meet Thursday

The regular monthly meeting of the Women's Home Missionary Society of the Newark M. E. Church will be held at the home of Mrs. George L. Schuster, West Park Place, next Thursday afternoon at 2:30 o'clock.

General Assembly

(Continued From Page 1)

appropriations to hospitals, volunteer fire companies, homes, and other groups. As a result it was stated several of the institutions may have to close their doors, some of the volunteer fire companies will have to disband and the hospitals will be seriously crippled by shortage of funds.

Rep. J. Carl McGuigan, Democratic floor leader, in explaining the stand of the minority said the Democrats feel the Republican members must share the responsibility, at least in a dual capacity, for the defeat of all the supplementary appropriations "by reason of the fact that it is through their pernicious attitude in insisting upon the passage of ripper legislation that brings this condition about."

Cites Warnings
"They have been warned repeatedly," said Mr. McGuigan, "that if they continued to pass vicious legislation which has for its purpose the usurping of the power of the executive department that we would retaliate by voting against all measures requiring a two-thirds or three-fourths vote. Notwithstanding this fact they have seen fit to ignore our pleas. If the Republican Party is ready to go along with good constructive legislation and forget partisan politics we are ready to cooperate accordingly."

Bills which were defeated because they required more than a majority vote would have authorized appropriations totaling several hundred thousand dollars.

Bills Voted Down
The measures which were defeated were: To authorize an appropriation of \$4,000 to the Layton Home for Aged Colored People; to authorize an appropriation of \$5,800 to the Palmer Home; to authorize the following appropriations to hospitals: Kent General, \$12,500; Millford Memorial, \$25,000; Beebe, \$25,000; Wilmington General, \$42,500; Homeopathic, \$51,000; Delaware, \$51,500; St. Francis, \$25,500; each of these sums were for one year.

Other bills included those to authorize an appropriation of \$1,000 a year for each of the next two years to each of the 46 volunteer fire companies in the state; to authorize an appropriation of \$6,000 a year to the Service Bureau for Foreign Born Residents; to authorize an appropriation of \$95,957 to the Delaware Industrial School for Girls; to authorize an appropriation of \$1,000 to the S. P. C. A.; to authorize an appropriation of \$8,000 for payment of unpaid bills of undertakers for burial of indigent soldiers, sailors, and marines.

and inexecutable proposal further to increase diversion of a more serious and dangerous type. Ours has been characterized as a powerful and influential organization and only a great and vital issue justifies our present policy of making a distinct issue of the present threat. Within the next few days we will encounter a real test and I have every confidence that we, working in conjunction with other groups, will defeat a proposal dangerous in concept and injurious to the best interests of Delaware citizens."

Several Grange meetings have already been held and others are scheduled for today and tomorrow, Mr. Jester concluded.

Town Council
