

The Newark Post, Newark, Delaware, Thursday, September 23, 1954

PRICE FIVE CENTS

Convocation Exercises Launch Fall Term For 1,935 Students

Convocation exercises were held in the morning on the campus of the University of Delaware yesterday, marking the beginning of the fall term for 1,935 students...

Rotary Governor

Speaking to members of the Newark Rotary Club at their regular dinner meeting on Monday night, guest Frank J. Quigley, of Atlantic City, and governor of Rotary District 272, explained the Rotary International effort to promote understanding, good will and peace in 89 countries and geographical regions throughout the world.

International Plan For Peace Outlined By Rotary Speaker

Speaking to members of the Newark Rotary Club at their regular dinner meeting on Monday night, guest Frank J. Quigley, of Atlantic City, and governor of Rotary District 272, explained the Rotary International effort to promote understanding, good will and peace in 89 countries and geographical regions throughout the world.

Korean Jet Pilot Observes 1st \$100,000 Anniversary

No Kum Sok, a freshman at the University of Delaware, observed the first anniversary of his flight to freedom out of North Korea in a MIG-15 on Tuesday.

Junior Counselors Assist Delaware Freshmen Girls

What shall I wear? How do you take notes in class? How can I get a part-time job? Can I change my course of study? If anyone else mixed up about what they want to do, these are typical questions asked by freshmen students entering the University of Delaware which were answered through meetings with their junior counselors.

High School Students To Take Med Tests Of Driving Skill

Students in the high school district are to take medical tests of driving skill as part of a long-range traffic safety project. The program is sponsored locally by the Newark High School and is open to the public.

Newark Man Killed In Auto Accident; Companion Hurt

Walter L. Hewes, 24, of Newark, was killed Friday night, when he missed a turn in the Bear Road at Christiana, and his car snapped a power pole to hurtle down an embankment into the Christina River, upside down.

Chest X-Ray Units Begin Operations For Newark Area

The Chest X-Ray program conducted by the State Board of Health in cooperation with the Delaware Anti-Tuberculosis Society will begin operations in Christiana tomorrow at the Christiana Fire House from 12-3 p.m. and 4-6 p.m., and one X-ray unit will be in Newark at Main Street, near the Newark Trust Company building, next Wednesday, Thursday, and Friday.

University Pupils Receive X-Rays At Registrations; Unit to Be Here Next Week

The Chest X-Ray program conducted by the State Board of Health in cooperation with the Delaware Anti-Tuberculosis Society will begin operations in Christiana tomorrow at the Christiana Fire House from 12-3 p.m. and 4-6 p.m., and one X-ray unit will be in Newark at Main Street, near the Newark Trust Company building, next Wednesday, Thursday, and Friday.

Red Feather Aides Named In District Suburban Campaign

Area chairmen and other Red Feather workers for Newark's suburban districts were announced this week by Mrs. Steven Barzowski, Region 10 vice-chairman of the 1954-55 United Community Fund drive, and Robert P. Webber, chairman of the Brookside-Chestnut Hill Estates district.

YMCA Activities For Fall Program Start In October

The Newark YMCA program committee has announced that Fall activities will begin next month with both Indian Guide tribes—a father and son program for boys over six, holding meetings the first week in October. On Saturday and Sunday, Oct. 9-10, the Indian Guide tribes will hold their first meeting.

Scout Executive

The appointment of D. Winton Hartman by the Del-Mar-Va Council, Boy Scouts of America, for the position of assistant executive and director of camping, was announced today by John O. Shanks, scout executive.

Women Voters Prepare Booklet Of Civic Facts As Newark Aid

The League of Women Voters of Newark, a non-partisan organization promoting political responsibility through informed and active participation of citizens in government, will publish "Know Your Newark" during the first week of October. This 50 page booklet has been in the process of compilation for the last year and a half and contains information about Newark's history, city government, finances, health, public welfare, recreation, elections, and even several maps. These facts should be of great interest to all townspersons and of special value to newcomers in the area.

U. of D. Professor, Author Of World Affairs Article

Dr. Herbert Dorn, professor of economics and business administration at the University of Delaware, is the author of an article entitled "Trade With West Europe" which appears in the September issue of "Current History," a monthly publication on world affairs. Chairman of the Institute for Inter-American Study and Research at the University of Delaware, Dr. Dorn was active in the Weimar government of Germany as a financial expert. He was a member of the Fiscal Committee of the League of Nations from 1924-1933 and during World War II, was Director of International Economy in the War Economy Board of Cuba.

State Teachers To Take The Air In Saturday Flights At Airport

Delaware school teachers—every one of them—will have an opportunity to see at least a portion of Delaware from the air on Saturday, Sept. 25, when they will be guests at the first state-wide Educators Airlift Day at New Castle County Airport.

Educational Forum For Newark Voters To Be Held Monday

Young people from all over Delaware will converge on Newark Monday evening for an unusual experiment in voter education. Three non-partisan groups will sponsor a political forum starting at 7:30 o'clock in the Newark elementary school auditorium, on "Your First Vote—Make It Count."

Relief In Stadium Traffic Scheduled With Police Aides

Assistant director of athletics, Robert Siemen and other members of the university athletic department, met with William Miller, director of the traffic control division of the state highway department, and members of the Newark and state police, and instituted changes which should greatly facilitate the flow of traffic to and from the home football games.

Local Girl Scout Committees Named For District Duty

Mrs. Jerome Weinberg, chairman of the Newark District Girl Scout committee has announced members of the committee, with their addresses. They are Mrs. Russell Hyre, Brownie neighborhood chairman; Mrs. David Nelson, Girl Scout neighborhood chairman; Mrs. Rita Hall, secretary; Mrs. T. L. Cairns, treasurer; Mrs. Ward Southard, financial aid; Mrs. Russell Bergman, program; Mrs. G. T. Berchard, leader training; Mrs. Robert Berry, cookie sale; and Mrs. Arthur Dunlap, publicity.

Congressional Candidate Guest At Newark Homes

Mrs. Lillian L. Martin, GOP candidate for U.S. Representative from Delaware, was a guest and speaker at several informal coffee hours in Newark last Thursday.

TIME CHANGE

Daylight saving time becomes a thing of the past on Sunday morning at 2 o'clock. Set these clocks ahead an hour, and when you go to church Sunday morning, you will have gained an hour's sleep, the sun will be a little higher, and it will be a lot darker at 6 o'clock that night.

Sports Publicist

A graduate of the Delaware Class of 1954, Glenn Dill was recently appointed sports publicist and general public assistant to Elbert Chance, new public relations director at the University of Delaware. A former editor of the university REVIEW, Glenn resides at 343 Paper Mill Road.

Single Campaign For Funds Planned At Newark Schools

A single fund drive will be held in the Newark school district from Nov. 10 to 17 to raise money for five major campaigns that come annually during the school year. Agencies that will benefit are the Junior Red Cross, Community Chest, March of Dimes, Cancer Crusade, and Easter Seal drive.

Non-Partisan Groups Plan Political Education Rally For New Delaware Voters

Young people from all over Delaware will converge on Newark Monday evening for an unusual experiment in voter education. Three non-partisan groups will sponsor a political forum starting at 7:30 o'clock in the Newark elementary school auditorium, on "Your First Vote—Make It Count."

Middletown Man Appointed to Head Ground Observers

Council agreed to accept the offer and City Secretary Charles Long was instructed to advise residents of the Silverbrook and adjacent area fronting on South College Avenue, between Chestnut Hill Road and the Chrysler factory, to make arrangements for sewer tie-ins within the next 30 days.

Volunteer To Direct State-Wide Campaign For 2500 Air Spotters

A securities salesman and resident of Middletown, H. Kirk Schminke, today was appointed civilian chief of the Delaware Ground Observer Corps as the first step in a top level reorganization made necessary by the recent disclosure that the nation's radar network now can be jammed by enemy devices.

Merchant Aids Freshmen With Sign-Painting Gifts

You don't often get something for nothing these days, but incoming freshmen at the University of Delaware did just that, thanks to the efforts of Herman Klahr, of Les' Family Store.

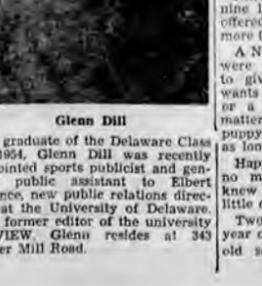

Aetna Hospital Equipment Users Asked For Records

George Neighbors, president of the Aetna Home, Hook and Ladder Company, requests that persons who have obtained crutches, hospital beds, wheel chairs, or other sick-room equipment from Newark's volunteer firemen, inform the fire company when such equipment is no longer needed.

Nine Packages of Puppy Love Offered In Exchange For Care

Nine lives—and they belong to nine little dogs, no cat—are being offered in exchange for nothing more than a little care and affection. A Newark family has nine—there were 10—springer spaniel puppies to give away. And anyone who wants a cute brown and white—or a black and white, for that matter—spotted, springer spaniel puppy can have one for the asking as long as the supply lasts.

Civilian Chief

Relating the Mayor's absence at the last meeting, was out of order. Such action, the Mayor indicated, was embarrassing to him and may have focused unwelcome attention upon a group of volunteers engaged in an exacting, difficult assignment.

Council Accepts \$1700 Offer For Infiltration Settlement

Bonding Company To Compensate City For Annual Loss In Excess Sewer Charges; Citizens' Committee Screens City Manager Candidates To 10; Employee Reinstated

Offer Accepted

Council agreed to accept the offer and City Secretary Charles Long was instructed to advise residents of the Silverbrook and adjacent area fronting on South College Avenue, between Chestnut Hill Road and the Chrysler factory, to make arrangements for sewer tie-ins within the next 30 days.

Mill Creek Hundred News

Sara Pennington Evans, Correspondent
Phone: Hockessin 7798

Recreational activity in the Mill Creek Hundred will be held on Sunday, Sept. 27, at the home of Mrs. M. J. Pennington, 1000 E. Main St., Newark. The program will include a square dance, a picnic and a social. The square dance will be held from 8 p. m. to midnight. The picnic will be held from 12:30 p. m. to 2 p. m. and the social will be held from 2 p. m. to 4 p. m. All are invited to attend. Tickets are \$1.00 in advance and \$1.50 at the door. Reservations should be made by Sept. 25. Write to Mrs. M. J. Pennington, 1000 E. Main St., Newark, Delaware.

The official board will outline its full fall and winter program next Monday at 8 p. m. when the members meet for the first time in the church house.

The Rev. Dr. Park W. Huntington of Wilmington, urged by the church at the Harvest Home Sunday services. The next special services to be celebrated will be homecoming on Oct. 24 when Ebenezer will observe the 130th anniversary of its founding.

The afternoon guest speaker will be the Rev. J. Scott Guthrie, pastor of Parkside Methodist Church, near Chester, Pa. He is the great-grandson of Alexander Guthrie who conducted the first class meetings at Ebenezer in 1824.

Miss Evelyn King and Miss Carolyn Corsey of Grasonville, Md., were Sunday guests of Mrs. Evelyn Horney and the Rev. Edwin J. Hornby.

Corner Ketch
Union 4-H club resumed its activities for the fall and winter season last Saturday evening, with a meeting at Peggy Harris' home.

Members discussed their annual parents night program and Cynthia Harmon, Peggy Harris, Billy and Bobby Dempsey were named to make further plans.

A Halloween party was scheduled for Oct. 30 at the home of Bobby Dempsey.

The club expects to be well represented at the Achievement Day program on Saturday, Cynthia Harmon and Mary Sill will contribute cupcakes to the lunch sale sponsored by the Junior Council that day.

Maurice Field, county leader, showed pictures of former Achievement Days.

Harmony School
A Citizenship Day program was given last Friday in charge of Barbara Cannon. The life of James Madison was given. Patriotic songs were sung and Gov. Boggs' proclamation was read by Sophia Springer. Shirley Ann Davidson and Barbara also participated.

The first fall meeting of the Parent-Teacher Association was held last Wednesday night. Mrs. Rollin Farmer, president, named her committees as follows: Program, Mrs. Warner Naudain; health, Mrs. Elsie Straley; ways and means, Mrs. Sara Donovan; publicity, Mrs. Sara Evans' hospitality, Mrs. Ernest Farmer.

A Halloween party will precede the next meeting on Oct. 20 and plans will be completed for the annual card party on Nov. 17 at Harmony Grange Hall.

Mermaid
Pranksters tore or tried to tear down all the mail boxes from Mermaid to Milltown on Saturday night. Some boxes were taken from their stands and tossed into nearby fields. William Pennington with Russell Barlow and Wallace Boulden of Marshallton spent Saturday at York Fair.

Red Clay Creek Presbyterian Church
Rally Day will be observed on Sunday with one service beginning at 10:45 a. m. The junior department, directed by Mrs. Harvey Woodward and Mrs. Ealey Langorek, teachers will give the program.

Next Thursday at 6:30 p. m., the Men's Council will hold its first dinner meeting for the fall season. Carroll W. Griffith of Wilmington, will show pictures and tell of his trip to Italy, Switzerland and Holland in 1953-54. Reservations may be made with officers or team captains.

This evening, the Aid Society will begin its fall program and will meet with Dr. and Mrs. Jesse Harmon on Valley Road.

The Young Adult Fellowship will also have a social and business session tonight.

The Women's Association Circle One planned for a family night covered dish supper on Oct. 21 at

Delaware Turkey Farmers To Visit Virginia Growers

Extension Service, DP1A To Sponsor Sept. 29-31 Shenandoah Valley Trip

Several carloads of turkey growers from Delaware will leave Bridgeville, Wednesday morning, Sept. 29, enroute to the Shenandoah Valley in Virginia—heart of the turkey and chicken industry in the Old Dominion. They will return Thursday evening, Sept. 30.

Some of the people who have already signed up for the tour are William Hoffman, Bridgeville; Arthur Nanny, Seaford; Max Corder, Milford; William Lucas, Greenwood; Laurence DeMarie, Dover; and the county agricultural agents. The tour is being sponsored jointly by the Extension Service and the Delaware Poultry Improvement Station.

First stop on the tour will be the Norman Turkey Farm at Charlotte Hall, Md. Many turkey growers remember the excellent talk Mr. Norman gave last spring in Seaford at a dinner meeting. He keeps 4,000 breeders, hatches 130,000 poults, and raises 12,000 turkeys each year for the holiday trade. All of these turkeys are dressed and most of them retailed.

Mr. Peterson, the Rockingham County agricultural agent, has planned a worthwhile tour for the group around Elkton and Broadway, Va. He has contacted Baker Jones, Frank Moyer, the Rockingham County agent, and other industry leaders in that area to show the latest developments in turkey housing, feeding, management, breeding, marketing and disease control.

Now is the best time to go on a turkey tour, since the holiday turkeys are out on range, and you can get away from the farm easier. It is sort of a "black season" in general farm work and turkey production.

If you would like to join the group, contact Silas McHenry, assistant extension poultryman, Box 150, Newark. Transportation will be available for those who do not wish to drive.

The church with Mrs. Robert Frederick as chairman at the meeting last Thursday.

The Presbyterian sessions were announced for Oct. 12-13, one at Pocomoke City, and the other for Westminster church in Wilmington.

The next meeting of Circle One is scheduled for Oct. 14 at 2 p. m. A second intermediate Girl Scout troop has been formed at Red Clay. It is Troop 206 and will have 16 scouts, all 10 years of age.

Mrs. Edward Gerard is leader with Mrs. Leo Ganges, assistant. This troop will meet each Tuesday at 7 p. m. A bake sale is planned for Oct. 1.

The new development known as Sherwood Park on Milltown Road had one of its split-level houses open to the public last Sunday. This group of dwellings is located on the Maclary farm.

Miss Joan Jackson, daughter of Mr. and Mrs. W. Floyd Jackson, a 1954 graduate of Newark High School, has entered Sullins College at Bristol, Va., for her freshman year.

My Neighbors
By Bill Paulson

"Good morning, Madam. Let us briefly consider what our country would have been like — without the investments of yesteryear!"

Citizens' Corner

This is a project of the League of Women Voters of Newark, a local unit of the League of Women Voters of the United States. The league, a non-partisan organization devoted to informing the electorate, will be glad to answer your questions addressed to The Citizens' Corner, c/o The Newark Post. Questions will also be accepted at Newark 8-1615.

Q: Whose idea is this voting machine anyway—and who pays the demonstrators?

A: The 1953 General Assembly passed a law empowering the levy court of each county to purchase one voting machine for each election district containing 600 or less registered voters. (Where there are an additional 600 registered voters, or majority fraction thereof in the district, an additional machine may be provided.) The idea, therefore, came from the voters of your state through their representatives in the General Assembly—and the machines are the property of you, the taxpayers.

Title 15, Section 5014 of the Revised Code of Delaware states: "Each Department of Elections shall designate suitable and adequate times and places where voting machines containing sample ballots showing titles of offices to be filled shall be exhibited for the purpose of giving instructions as to the use of voting machines to all voters who apply for the same."

As a non-partisan organization working in the field of government, the League of Women Voters was asked by the Department of Elections, as a volunteer service, to provide the woman-power for this educational program.

League volunteers and their friends have given generously of their time and effort, as part of their program of voters' service and citizen education.

Q: What are the total taxes paid by a resident of Newark who owns his home?

A: Your total taxes are \$1.33 per \$100 of assessed valuation. This breaks down as follows:

County tax	44
City tax	50
School tax	39
Total	133

There are some 800,000 species of animals in the world, 675,000 of them insects. Man is one of 4,400 kinds of mammals.

Family Size Farm Major Production Factor Of Nation

Is the family-size farm on its way out? With the development of mechanized methods that make large-scale farming possible, many people have pondered this question. Ralph P. Barwick, assistant county agent, says latest census figures indicate that family-size farms are still very much in the picture—producing almost three-fourths of total farm products sold—after more than three decades of mechanization.

The 1950 census divided the 5.4 million U. S. farms into two groups—3.7 million commercial farms and 1.7 million noncommercial farms. The latter are mainly part-time and residential, accounting for only 2.5 percent of the value of farm products sold in 1949.

Commercial farms were divided into economic classes on the basis of sales. The three main classes were large-scale, family-scale, and small-scale. The large-scale were all those with \$255,000 or more sales; the family-scale were those with \$1,200 to \$25,000; and the small-scale were those between \$250 and \$1,200, unless they had enough off-farm work or income to be classed as part-time farms.

Nearly 80 percent of all commercial farms fell into the family-scale class. These accounted for about 70 percent of the value of total farm products sold.

"Clearly," says Mr. Barwick, "at this point most farm businesses are still in the family class."

"Meal time is when the kids sit down to continue eating."
—H. X. Eschenbrenner.

County Agent Seeks High Yield Corn Crop Farmers

How many farmers in New Castle County have five-acre plots of corn that will average 100 bushels to the acre or better? Edward Schabinger, county agricultural agent, would like to measure any farmer's corn that appears to be doing very well. He would also like to know how a farmer may have achieved his good yield in a season when most of the corn suffered from drought.

Those farmers who have participated in the corn yield program in other years particularly are urged to sign up again this year. It will be especially interesting to find out how comparison there may be in corn production this year and last season.

Anyone wishing to enroll may do so by simply calling the County Agricultural Extension Office at the University of Delaware, Newark 511—Extension 25 or by dropping a card to the same address.

In the average American home today, electricity does the work which would require the labor of 35 servants, each working a 40-hour work.

Tax Revision Aids Offered Farmers For Conservation

Soil Conservation Costs To Be Considered Current Expense, Tax Deductible

Richard S. Snyder, state conservationist of the Soil Conservation Service, draws attention to a new provision of law which reduces costs to farmers for measures taken to solve soil and water conservation problems.

Under a provision in the Internal Revenue Code of 1954 (Public Law 561, 83rd Congress), farmers making out income tax returns this year may treat as current expenses costs they incur for carrying out certain soil and water conservation measures.

The costs must be incurred in connection with land actually used in farming. They are described in the law as "expenditures paid or incurred for the treatment or moving of earth, including (but not limited to) leveling, grading and terracing, contour furrowing, the construction, control, and protection of diversion channels, drainage ditches, earthen dams, water-courses, outlets, and ponds, the eradication of brush, and the planting of windbreaks."

Not included as deductible expenditures are "the purchase, construction, installation, or improvement of structures, appliances, or facilities which are subject to the allowance for depreciation."

On the other hand, assessments by a soil or water conservation or drainage district to accomplish measures which would be treated as current expenses if performed by the taxpayer himself may be listed as a current expense, according to Mr. Snyder.

In no one year can more than 25 percent of gross income from farming be listed as a current expense for conservation costs. If actual expenditures exceed this limit in any one year, the excess may be listed in succeeding years in order of time.

Farmers who are uncertain about which expenditures for conservation can be treated as current expenses can obtain additional information from the Internal Revenue Service or the Soil Conservation Service.

News of Bear

Mrs. Leslie Ford, Correspondent Phone: New Castle 6184

The first fall meeting of Bear 4-H Club was held on Wednesday evening at the home of Skippy and Joan Mowell on Porter Road. A masquerade party and square dance will be held in October.

Mrs. James Lupton of the Cedars spent Tuesday with Mr. and Mrs. J. Leslie Ford.

Mr. and Mrs. Evans Watkins and son Ray of Brookside spent Monday with Mr. and Mrs. Paul Burne and son, Wayne.

Mrs. Annie Harrington returned home Friday after spending two weeks with her daughter, Mrs. Howard Slaughter of Smyrna.

Miss Bessie Davis is spending two weeks with her brother, Raymond Davis, of Newark.

Members of Central Grange were guests of Peneader Grange on Monday night in the Grange Hall. Daniel Williams, lecturer of the visiting grange was in charge of the program which included a fashion show, readings and games.

Christiana Calling

Sylvia P. Jones, Correspondent Phone: New Castle 7413

Dimming lights and jingling phones were the first indications to many Christiansians of the fatal accident which occurred at the bridge over the Christiana river near midnight on Friday. The death of Walter L. Hewes of Newark, who failed to make the curve at the south end of the bridge, crashed into a power pole and hurled down the steep embankment to the river, brought Delaware's highway toll to 64 for the current year. A passenger in the car, Harry W. Harris, Jr., also of Newark, escaped with minor injuries.

The crash attracted a large crowd in spite of the lateness of the hour. Nearby residents helped Mr. Harris open the door and escape from the wrecked car, which was resting on its top in the water, and later managed to remove the body of Mr. Hewes, who was rushed to the hospital by ambulance and pronounced dead on arrival. State troopers kept onlookers away from the crackling live wires on the ground near the broken pole, and Delaware Power and Light Company crews were still repairing the damage after noon on Saturday.

Residents of the area recall another fatal crash near this scene about 25 years ago, when a motorcyclist hit a tree only a few hundred feet from the river on the same curve.

Back to Work
The eight teachers and 225 pupils of the Christiana-Salem consolidated school are settling down to a regular classroom work. Mrs. O'Neal's fifth graders are busy planning a hobby show which they will have ready for display within a week or two. The sixth grade under the direction of Mrs. Sarah Fraser, teacher, plans to put out a school newspaper.

On Friday the routine was broken by the visit of a professional photographer, who took individual pictures of all students and also composite pictures of the classes. Proofs will be returned to parents in time for Christmas ordering.

It is worthwhile to note that today's teachers are often students themselves, attending evening classes in a constant effort to broaden their knowledge and teaching technique. Present teachers at Christiana who are enrolled in University of Delaware extension courses are Mrs. O'Neal, who is studying "Creating Concepts in Arithmetic" and Mrs. Fraser, whose topic of study is "The Education of the Exceptional Child."

Christiana Methodist Church
At the meeting of the Hope Circle at the home of Mrs. George Ware on Tuesday, plans were completed for the cafeteria supper to be sponsored by the WSCS on Saturday evening, Sept. 25, in the church. The first table will be ready at 4:30. Chicken salad and baked ham will be main courses, with additional vegetables, relishes, and desserts available. The cafeteria plan will be followed, with each diner choosing and paying for only as much as he desires for his meal.

The Joy Circle met last week at the home of Mrs. Alice Stafford. At the meeting of the Social held on Wednesday evening in the church, preliminary arrangements were made for the chicken and oyster supper the group will serve on Oct. 20.

Next Sunday, Sept. 26 will be a banner day at the Methodist Sunday school, with all classes participating in Rally Day exercises at 10:30 a.m.

Christiana Presbyterian Church
Sunday donations will be accepted for the church's quota toward the national building fund. This is a \$12,000,000 fund instituted three years ago to aid Presbyterian seminaries and churches with special needs. Dr. Ernest Freeman Hall, minister, exhibited a scroll indicating that the Christiana Presbyterian church has been included in the fund.

Irrigation System Planning Advised For State Farmers

Time spent in planning before the installation of an irrigation system is time well spent—and it will save plenty of headaches later on. Irrigation specialists of the U.S. Department of Agriculture emphasize the fact that the success of a venture into irrigation farming rests on two major factors: (1) the proper design of the system to fit the particular farm and (2) the proper operation of the system in accordance with the standards of the original design.

They recommend buying sprinklers from a reputable dealer. Be sure he can furnish adequate engineering assistance with proper design.

Here in Delaware, farmers must aim for the highest yields possible in order to make their investment pay, according to William E. Larsen, agricultural engineer at the University of Delaware. Good cropping practices are required to obtain adequate results from irrigation.

One of the most important items to remember, say the irrigation experts, is for the farmer to check his water supply and his legal right to the water before he selects his watering system and decides on the size of the area he can irrigate.

This increased enrollment is due to the Glendale development, which when completed, will have 150 houses. To date, about 35 are occupied.

Citizenship Day was observed at Eden school on Friday with an appropriate program in charge of Patricia Matwys.

Herman Leasure has returned from Ocean City, Md., where he has been spending the summer.

Mrs. May B. Leasure attended a directors dinner meeting of Delta Kappa Gamma at the home of the president, Mrs. Elizabeth duPont Stafford, on Monday evening.

New homes in the neighborhood are being built by Mr. and Mrs. Edward Comly and by Mr. and Mrs. Howard Stanley, Sr.

Bear Home Demonstration Club had to postpone the quilting of their friendship quilt until Sept. 27 in Red Lion Community Hall as the different clubs have not sent in all the squares.

The average house in our land is 20 years old.

Public Sale

OF LIVESTOCK and FARMING MACHINERY THURSDAY, SEPT. 30, 1954 1/2 mile West of Corner Ketch

25 head registered Jersey cattle 17 head of milk cows, 10 with calves by their sides, rest springers and milking.

Soroptimist Club Conducts Initial Meeting of Season

The season's first meeting of the Soroptimist Club of Newark was held in the College Inn on Tuesday night. This was a business meeting and plans for the coming year were discussed.

Because the first club in the American Federation of Soroptimist Clubs was founded 33 years ago in Oakland, Calif., the president of the Federation Pluma B. Batten, of Woodstown, N.J., was requested that each club commemorate the event with appropriate observance during the week of Sept. 27.

The Newark club will review the work of the American Federation as it was set forth at the biennial meeting in Banff, Canada during the past summer, at its meeting in the College Inn next Monday at 8:15 p.m. Guest speaker for the meeting will be Margaret Wilson of Atlantic City, immediate past-governor of the North Atlantic region of which the local club is a part.

Mrs. Wilson has not only served in many of the important posts in the region, but is to be the chairman for the Quadrennial meeting of Soroptimist International, to be held in New York in 1956.

Eleanor K. Reed, president, and Cornelia V. Mylrea will represent the local club at a dinner given by the Salem county club, New Jersey, honoring Pluma Batten, new president of the American Federation, who is a member of that club.

Book Discussion Meeting Planned On September 29

The Newark Great Books Discussion Group will hold its first meeting Wednesday, Sept. 29 at 8 p.m. in Room 163, at Brown Laboratory, the chemical engineering building, just north of the university power house.

The readings to be discussed are the Declaration of Independence and Constitution of the United States. The group will meet every other Wednesday and is open to anyone interested in reading about great ideas and discussing them.

Alan Duff of Indian Rd., Newark, will lead the discussions.

Student Club To Hear UN Speaker Next Thursday

The International Students Club of the University of Delaware will hear a distinguished foreign speaker next Thursday evening when Ching Tien Miao, information officer of the Educational Section of the United Nations Department of Public Information, visits the Newark campus.

Mr. Miao, a native of Peking, China, will speak at 8:00 p.m., Sept. 30, in the Hilarium of Warner Hall. His message, "Building Peace Through the United Nations," will be followed by a question and answer period in which the general public and members of the club are invited to participate.

The International Students Club is jointly sponsored by the Institute for Inter-American Research and the School of Education. Dr. Herbert Dorn, professor of economics and business administration at the University of Delaware, is advisor to the group.

Concert Series Scheduled To Begin At U.D. Nov 4

The Cultural Activities Committee of the University of Delaware has announced an outstanding series of five concerts for the 1954-55 season, beginning Nov. 4 with the Philadelphia Woodwind Quintet.

This outstanding wind ensemble is composed of members of the Philadelphia Orchestra.

Other scheduled attractions will be Phyllis Curtis, soprano; pianist Paul Badura-Skoda; and the New Music Quartet.

Highlight of the season will be the appearance of the Robert Shaw choral and orchestra, the foremost group of its kind in America.

Reservations may be made for the concerts by writing to Artists Series, University of Delaware, beginning Sept. 29 and continuing through Oct. 7, reservations may be made in person at the Mitchell Hall box office. Thereafter, tickets will be sold through the University Bookstore in the Memorial Library.

Pastor's Letter Indicates Relationship Of Two Church Groups Sharing Facilities

Two church groups at Brookside are sharing the facilities of the Brookside temporary elementary school building, where services and church meetings are conducted pending construction of the Community United Presbyterian Church and the Kingswood-Brookside Methodist Church.

The practice of harmonious relationships and good-will is something a bit more difficult than the teaching and preaching of these sound policies, but the two church groups are achieving results in both phases.

A recent letter from the Methodist pastor to the Presbyterians exemplifies the spirit of Christianity. "Greetings in the name of our common faith and high calling. . . . Whereas our two congregations seem destined to represent, in the midst of a new and ever-enlarging community, the grandeur of the Christian Gospel, it is our desire that we shall bear worthy witness to those principles cherished by both you and ourselves."

"We rejoice with you that your building program is so well on the way toward completion, and that you may anticipate early use of your church facilities. Our own building, which by common agreement of those who represented each of our congregations at the time, should await the erection of yours, will be commenced in the near future."

"We were happy that we were able to agree upon a plan and schedule of services whereby both congregations might avail themselves of the facilities of the temporary school building. The use of this building has been a boon beyond measure, we feel, to both your congregation and ours—for which we are deeply grateful to the Newark Board of Education, and Mr. Wilmer Shue, Superintendent of Schools."

"In the realization that your success and ours—together with our common success—will be reckoned

ultimately in terms of our efforts to elevate before our community the principles of our common Lord and Master, Jesus Christ, we pledge you that when we assemble in worship we shall remember you affectionately in our prayers. We humbly solicit a place in yours. Your friend and brother in Christ, Milton H. Keene"

Delaware Civil Defense Facts

Fourth In A Civil Defense Series by D. Preston Lee
State Director of Civil Defense

On the wall of the state Civil Defense headquarters in Newark's national guard armory is a rather curious road map of Delaware.

It divides the state into two road networks, the "red" roads and "black" roads. If ever enemy bombers smack Delaware, that map will become the state's official road chart.

Its purpose is very simple. In an emergency, quick action will be needed to restore bombed out highways and bridges. If there is a great deal of destruction, the problem will be what roads to fix first.

The map sets this priority. The "red" network must be kept open for military use and, therefore, will get first priority in labor and material. The "black" network, intended chiefly for civilian use, will get second priority. The "red" network will not necessarily be used exclusively by military vehicles. Civilians may travel it, but military and CD traffic will get first priority.

In a wartime disaster, the vital work of keeping Delaware's highways open will be the responsibility of the state highway department, which heads up CD's Engineering and Rescue Service. What the department will be expected to do is direct the ticklish work of clearing away building rubble, strengthening weakened walls, and possibly, rescuing victims from the debris.

However, as in other phases of CD, local communities will have to bear the brunt of this work in their own areas. They will be expected to have trained units ready to keep streets and roads open, clear rubble and rescue victims.

In an emergency, the 1,000 employees of the highway department will tackle the key trouble points. Actually, these men are among CD's best trained personnel. "We hold few drills, but we do every day what we would be expected to do in an emergency," explains Donald Robinson, acting administrative assistant to the highway's chief engineer. Mr. Robinson also handles the department's CD planning.

"A bombing," he says, "probably would give us far less trouble than a blizzard. The bomb damage would be localized, but a snowstorm may cover the entire state, blocking every road. We would have no trouble getting equipment and men to a bombed area."

The highway department even has a ready-made alert system, developed to meet natural disasters such as floods and storms. "We can get our men out—any number or all of them—any time of the day or night," says Mr. Robinson. "The same goes for equipment."

But the highway department has neither the skilled men nor equipment.

State Dairy Herds Gain Honor Rating During 53-54 Test

The Dairy Herd Improvement Association of Delaware announces 53 herds on the honor roll for the test ing year 1953-1954. These honor roll herds have averaged over 350 pounds of butterfat per cow per year. The past five years have been the only time in the history of the program that the state averaged 350 pounds of butterfat per cow.

According to Delmar Young, dairy specialist for the Delaware Agricultural Extension Service, the number of honor roll herds this year has more than doubled the number of DHIA herds in 1947. The size of the herds has also increased during the past few years from 18 cows per herd in 1940 to 27 cows per herd in 1954.

Herds ranked as the top in the state for the year ending in 1954 averaged over 450 pounds fat per cow and include the University of Delaware's 30 registered holsteins averaging 13,616 pounds of milk and 509 pounds butterfat.

LOTS OF LIBERTY

It is 305 feet from the base of the statue to the torch Liberty holds aloft, and she herself is 111 feet tall from toe to crown, weighing 430,000 pounds.

HIS GREATEST DREAM

HONEST TAX REDUCTION

Prosperity for all Americans, job security and ever higher living standards for everyone, start with capital formation—and that starts with the savings of individuals and business enterprises.

Those savings, for investment in our business and industrial enterprises, depend upon an honest, fearless system of taxation under which every citizen in every income level must bear a fair share.

The best kind of tax reduction—for today and for the future of our country and its economy—is the kind that will give the incentive to work, to save, and to invest in America.

NEWARK IN REVIEW

Twenty-five Years Ago

Newark Schools Commended
John Shilling, assistant state superintendent of education, visited the Newark public school yesterday and complimented the faculty and student body at the general assembly. Mr. Shilling expressed his pleasure with the work of the local school in its organization, administration, instruction and discipline, and praised the students for their fine display of spirit.

Tip Top Horse Show
The horse show held Saturday afternoon at Tip Top Farm, two miles west of Newark, proved so successful that it is likely the event will become a regular annual affair. Arranged by J. K. Johnston and J. Irvin Dayett, the show attracted some 2,000 horse lovers from several states, with some 75 entries in the various events.

Dahlia Show
With 20 exhibitors showing hundreds of blossoms, the fourth annual show of the Newark Dahlia Association which opened in the New Century Club last night, was a credit to the green-thumbed flower fanciers in Newark.

Sports
Thirty-six candidates are drilling under Coach Gillespie in preparation for duty with the Newark Yellowjackets eleven, and the present first string combination averages 163-lbs. in the line and 162-lbs. in the backfield.

Miscellaneous
Lon Chaney in "Where East is East" was playing at the local movie theater; coffee was offered at 32 cents a pound; and the Newark Post classified section contained a long list of houses for rent—cheap.

City Council

An informal meeting of Council with the school board was scheduled for Monday night at 8 o'clock to discuss plans for the new senior high school, and Mr. Diehl reported that the City Engineer had agreed to install gas and safety lights at the South Chapel Street grade crossing in "the immediate future."

One Way
The Street Committee reported rejection of the State Highway Department proposal for one way traffic west and east respectively on Main Street and Delaware Avenue. The committee also reported on the Delaware Avenue extension, and Mr. Coverdale's request to have Highway Department representatives present at the next Council meeting to explain their reasoning behind such a proposal, was approved. Mr. Diehl stressed the need for action on this program.

Upon recommendation by the Street Committee, Council approved the City Engineer's plan for street layouts, rights-of-way, and improvements, along with the Solicitor's recommendation that all really development firms post adequate bond to cover construction contingencies.

The Gordy firm was authorized to proceed with the 23 homes in the Beverly Road area.

In the absence of Councilman Frank Scott, Mr. Coverdale gave the Light Committee report. The recommendation that Delaware Power and Light electrical facilities in the amount of \$15,256.68, be purchased by the City of Newark, was approved. Necessary funds will be borrowed from a bank, with repayment to be made from funds allocated for this purpose in the proposed bond issue.

County Method
Concerning a more equitable method for sewer assessments of property with extensive front footage, Mr. Nolde reported that New Castle county makes an initial charge of \$1 per front foot, \$25 for connections with the sewer, and that the total money received from these sources is deducted from a total land value assessment with the property owners sharing this net cost proportionately.

The Mayor reported that no one had been named on a special board of appeals for building code exceptions, but announced that a committee of four had agreed to meet in considering the mercantile license proposal. Committee members are Marvin Blumberg, Hugh Gallagher, Donald Hill, and Frank Durrall.

The City Engineer's recommendation that Clarence Albert Bader, 52, be employed as city building inspector at a salary of \$400 per month, was approved.

Concerning investigation of property to be purchased as an additional source of city water, Mr. Maclary of the Water Committee reported that as yet, no professional real estate appraisal of the land had been made.

Approval Withheld
A request by Francis E. B. McCann, for city water to supply some 150 houses to be constructed in the Medill School area, out Capitol Trail, was refused because of investigation of possibilities for maintaining sufficient water pressure to meet the demand.

The Mayor announced a seven man committee in Chad Rankin, Samuel Handloff, J. L. Lackman, Richard Cooch, A. L. Dollins, and Wm. Frazer, to study the proposed city bond issue.

A resolution, accepting the dedication of O'Daniel Avenue and Adams Drive to the City of Newark by the Elkhart Apartments, was approved. The two streets have been named for two Newark veterans who died in service.

Resolving Ordinance
An ordinance, to rezone from RS to business, property west of South Chapel Street, between Wyoming Road and Chambers Street, to a depth of 150-ft., received its first reading, and a request from Leon H. Ryan, for extension of the six-inch water line in Nottingham Manor, was approved with Mr. Ryan's offer to pay the expense involved at the rate of \$3 per foot.

Advertisements for bids to print 500-1000 copies of the revised City Zoning Ordinance 99 was approved, and after Council agreed to prepare a signed agreement with a local garbage collector for service within the city, the meeting was adjourned.

Four high school girls attended the Council meeting to obtain some first hand information on the workings of city government. But the councilmen outlasted the teen-age turf. The four school girls left at 10, with Council still one-third of the way from adjournment.

Capt. Ace Taylor has been ailing during the week, but is expected to be back in action in plenty of time to prepare for the Oct. 5 opener with Rutgers at New Brunswick.

Veteran tackle Benson, and Hill, end, reported for duty this week, and with Staats at center and Kane, another veteran tackle, Coach Ziegler will have four of last year's varsity starters up front.

Mr. and Mrs. Norman Slack, Miss Lydia Foard and Miss Delena Leak left Sunday by automobile for a week's tour of Canada.

Miss Mary Clancy and Edward Fields were married Wednesday morning in the Catholic Church with Father Brennan performing the ceremony.

A reception was held for the wedding party at the Washington House and the newlyweds left for a wedding trip to New England.

Miss Clancy is a popular member of the office force at the Continental Fibre plant in Newark.

Mrs. Walter Hulihan accompanied her daughter, Miss Frances Hulihan, to Poughkeepsie last week where Frances will enter Vassar.

Mr. and Mrs. Fenton Daugherty, who have recently moved to Newark from Sewanee, Tenn., are occupying the house lately vacated by J. R. Ernest and family on West Main Street.

Church Conference For State Women To Begin Sunday

Local Council Of Church Women Plans Attendance At Wilmington Meetings

The Wilmington and New Castle County Councils of Churches and the United Church Women of Delaware will present the ninth fall conference of "The World Mission of the Church" at Grace Methodist Church, in Wilmington, on Sept. 26-27-28. Mrs. Murdoch MacLeod, general director, will be the speaker at a box luncheon at 12:30 p.m. on Tuesday.

A council meeting of the Newark area United Church Women was held at the home of the president, Mrs. F. William Johns, Jr., on Monday and Mrs. James Fuge and Mrs. John Dunn, representatives of the recently organized Brookside United Presbyterian Church were welcomed to the council. Mrs. Theodore Ludlow and Mrs. Johns reported on the planning conference for United Church Women of Delaware on Sept. 14 at Camp Pecuneth, Md.

The annual United Church Women mission study program will be held at 2 p.m. Monday, October 11 in the chapel of the Newark Funeral Home. The information made available through this program is designed to assist the program chairmen in plans for individual women's societies. The foreign mission theme this year is "India" and the home missions theme is "The City."

Mrs. Johns appointed Mrs. W. C. Carter and Mrs. Ludlow to the nominating committee to work in conjunction with three other members of the committee to be elected by the full membership of United Church Women on Nov. 5.

Mrs. Paul Cook, Mrs. William Gray, Jr., Mrs. Ludlow, and Mrs. Johns—from Calvary Baptist, St. Thomas Episcopal, and St. Paul's Lutheran churches—are serving on a committee with Mrs. Earl Saunders, Mrs. Lloyd Hudson, and Mrs. J. E. Quarles from Pilgrim Baptist, Mount Zion U.M.E., and St. John's A.M.E. churches to correlate meetings of the Newark area United Church Women.

He surely is most in need of another's patience, who has none of his own. —Lavater

Boggs Proclaims Christian Education Week, Sept. 26

So long as religious faith is taught with understanding, skill and zeal, "our people will remain forever free," Governor J. Caleb Boggs said in issuing a proclamation for Christian Education Week from Sunday, Sept. 26 through Sunday, Oct. 3.

Cooperating with the Wilmington Council of Churches, Governor Boggs pointed out "the importance of faithful teaching now being carried on in our homes and churches, should be more generally recognized as basic to the welfare of desirable community life." He said it is the basis for national and personal ideals.

"During this week," Governor Boggs said, "we call upon our people to take seriously their obligations to the religious institutions of their choice, and since family experiences are the major determinants of character and are basic in the religious development of children and adults, we urge full observance of these dates."

Learning without thought is labor lost; thought without learning is perilous. —Confucius

CITY COUNCIL OF NEWARK

Social Events

MEETING CHANGED

SALEM DEM. CLUB

Members of Salem Home Demonstration Club please note the change in the date of the September meeting to Wednesday evening, September 23, at 7:30 from that of Thursday, September 23.

This change of meeting date is a result of a County meeting being held Thursday evening, September 23, in Agricultural Hall when Mr. John Webber will be the guest speaker using as his topic "helping children to get along together."

At the meeting on September 30, Mrs. Ezekiel Cooper will demonstrate "decorative stitching" and Mrs. William Donnell and Mrs. Howard Perry will be hostesses.

A basket weaving class was held at the home of Mrs. Howard Perry September 22 with Mrs. Henri Barman as the instructor.

BLUE HEN 4-H MET

WITH DORIS JARMON

A lively discussion on the events to take place at the New Castle County 4-H Achievement Fair to be held at the College Farm, headed by the club leader, Doris Jarmon, will be held at the home of Doris Jarmon, Elkton Road, Newark, Delaware, on Thursday, September 23.

The club members voted to buy the two chickens which they are to supply the Junior Council's Food Booth at the Fair and Dorothy Zimmerman offered to make the cup cakes. Father George and Dorothy Zimmerman volunteered to help with the Food Booth.

STYLING REVUE

TO BE HELD AT THE FAIR

The Styling Revue will be a featured part of the Fair again this year and the girls are to bring their project books so they can be completed. A project book meeting will be held also on Thursday evening at the home of Mrs. Edward C. Wilson, Cherry Lane Farm, Newark, Delaware, to help any girl finish their project books.

A trip to Old Fort Delaware was discussed and a tentative date set for Saturday, October 17th, leaving Delaware City at 1:00 p.m.

Robert George brought two of his little pigs to meeting and showed how to pick out a pig to raise for meat. Jean Pearson used a Press Cook properly and Patsy Delp demonstrated how to set the table correctly. Beverly Burris described her week at Camp and told of the many activities there. After the club members played games, refreshments were served by the hostess.

DEL. LIBRARY ASSOC.

MEETS IN DOVER

The Delaware Library Association will meet at the Hall of Records, Dover, on Saturday, October 2, at 10:15 A.M. when Mr. Leon deValinger, Jr., State Archivist, will speak on the Archives and the Public Accession Commission. A tour of the Hall of Records will also be included.

A picnic luncheon will be held at the home of Mrs. Bernice Hammond. There will be a charge for this luncheon and reservations are to be made with Mrs. Sarah Beckwith, Hazel Road, Dover by Wednesday, September 29.

"IN GATHERING" BY

SUNSET LAKE BRANCH

The Sunset Lake Branch of the Needlework Guild of America met recently at the home of Mrs. Thomas Nowell on Old Glasgow Road, Newark.

Mrs. Burton Pyle, president, presided and the program was completed for the annual "in gathering" to be held in the Pencader Presbyterian Church, Glasgow on Saturday, October 16, at 2 o'clock.

Mrs. William Donnell, Mrs. Thomas Nowell and Mrs. George Johnson and Mrs. William Perry will pour at the tea which will follow the meeting.

Contributors are urged to attend and the public is welcome.

TURKEY SUPPER AT

CHERRY HILL OCT. 9

A turkey supper sponsored by the Red Men and the Degree of Pocomantus of Cherry Hill will be served in the Red Men's Hall there on Saturday evening, October 9.

Serving will start at 4:30.

Delaware Meets West Chester In Saturday's Season Opener

Capt. Dan Ford To Lead Mid-Six Conference Champions Against Rams At 2 P.M. In Delaware Stadium As Hens Seeks Revenge For Last Year's 27-13 Upset by Teachers

Delaware's Fightin' Blue Hens take the field on Saturday to open the new football season with the one opponent that managed to stop them in a victorious eight-game schedule last year. Coach David M. Nelson will direct the Delaware gridders, led by Capt. Dan Ford at fullback, as the defending Middle Six Conference champions meet former All-American halfback Glen Killinger's West Chester State Teachers College Rams at Delaware Stadium in Newark, with the kick-off scheduled for 2 o'clock.

West Chester, scoring a 27-13 upset to hand Delaware its only defeat in 1953, will invade the Delaware campus with 17 veteran varsity performers. Its roster will be further strengthened with freshman candidates, permitted under a recent ruling in schools of West Chester's size.

16 Lettermen
Delaware, whose ranks were thinned only slightly by graduation last year, has a total of 16 returning lettermen, including almost the entire first team, with which to operate the wing-T attack. Although prohibited to use freshman gridders in varsity contests, the Blue Hens sport 16 sophomores who will provide the speed and depth needed by the team.

Delaware is expected to open its attack against the rival Rams with a veteran team composed almost entirely of senior lettermen. Ends Tom Redfield and Martin Apostolico are expected to start the game for the Hens. Tackle berths will be given to Steve Butcher and Nick Mergo, while Bob Trivits and either Jerry Weis or John Regan fill in as guards. Frank Gyetvan will start as center for the Hens.

Delaware's starting backfield will probably consist of the Hens' former four-some, fullback Dan Ford, halfback Jim Zaiser, halfback Jim Flynn, and Little All American quarterback Don Miller.

Ram Starters
West Chester's starting lineup will feature Ronald Gatski, left end; Bob Janick, left tackle; Joe Childert, left guard; Eli McLaughlin, center; Kenneth Ober, right guard; Ray Kauter, right tackle; Jack Pasaroni, right end; John McAnaney, quarterback; Paschal Gaziolo, left halfback; Lee Royer, right halfback; and Walt Buechle, fullback.

The Rams of West Chester State Teachers will enter Saturday's contest with a new backfield but practically the same line that proved disastrous to Delaware last year. Quarterback McAnaney, second string in 1953, piled up 6 points against Delaware last year on a pass interception. Buechle, 165 pound fullback, is a recent conversion from the halfback ranks. Right halfback Royer played last year as a freshman, starting in the latter part of the season, while his running mate, Gaziolo, is returning to

Local Man Wins Hunt Club Title With Hound Entry

Paul Drummond's "Bobby" Judged Champion At Cecil County Hunt Club Showing

Paul Drummond, Newark, won the championship of the Cecil County Hunt Club show at the Foxcatcher Farms of William duPont at Fair Hill, Md., last week, with his hound Bobby. More than 100 persons attended and 70 dogs were entered in the bench show for fox hounds. William duPont and Raymond Buckingham were the judges.

J. Leslie Ford, Redfield, president, and Birchell A. Keithley, Elkton, secretary, were in charge and blue, red, and white ribbons were presented these winners:
Class I, best hound under six months of age, male or female, 12 entries; first, Tramp, owned by Charles L. Fritz; second, Jesse James, owned by Daniel Johnson; third, Little Girl, Paul Drummond.

Class II, best hound over six months and under one year of age, male or female two entries; first, Dalay, William Marlon; second, Dave, Millard G. McDowell and Sons.

Class B, best male over one year and under two years, eight entries; first, Barney, owned by Charles L. Fritz; second, Holt, Paul Drummond; third, Tom, William Marlon.

Class VI, best female over two years, six entries; first, Belle, Guy Love; second, Hornet, Paul Drummond; third, Sue, William Marlon.

Class VIII, best pair of female hounds any age, eight entries; first, Chuck and Champ, Millard G. McDowell and Sons; second, Tickler and Barney, Charles L. Fritz; third, Mutt and Jeff, William Marlon.

Class VIII, best pair of female hounds any age, six entries; first, Dart and Daisy, Millard G. McDowell and Sons; second, Dot and Pat, William Marlon; third, Betty and Lou, Paul Drummond.

Class IX, best pack of four hounds, 12 entries; first, Millard G. McDowell and Sons; second, Paul Drummond; third, William Marlon.

Class X, champion dog at show; Bobby, Paul Drummond.

the left halfback post after a year's absence.
Only at center did the menace of also starters last year. Also, line graduation affect the West Chester line position except one guard position where sophomore Jerry Weis and junior John Regan are working for the job.

Three of the Delaware regulars, Steve Butcher, Tom Redfield, and Jim Zaiser, received berths on the All-Middle Six team, Jim Zaiser, spectacular halfback from Salem, Delphi Maxwell Award for his running feats against Muhlenberg College, Jim Flynn, Frank Gyetvan, and Bob Trivits were all named in the EIPA poll of "Unsung Heroes" of 1953.

Don Miller Lauded By Nelson as Hens No. 1 Quarterback

Bob Hooper, Bart Wenrich Provide Quarterbacking Depth At T-General Post

In announcing Don Miller as the Hens' starting quarterback, Coach Dave Nelson added: "When you have a player with the knowledge and ability of Miller you just can't keep him out of the lineup. And who other than our opponents want to help a lot and sophomore Bart Wenrich shows a great deal of promise. But Miller is my quarterback, just as he has been ever since I've coached Delaware's team."

After one scrimmage with the Delaware varsity in his freshman year, he moved from the third to the first team and has never been seriously threatened in his right to the No. 1 berth.

In 1951, Miller threw 123 aerials, completing 54 for a gain of 724 yards. Twelve of his tosses meant touchdowns for the Blue and Gold. In '52, he threw only 99 times, hitting on 40 attempts for 483 yards and 5 TDs.

Last year, his best to date, he completed 62 of 114 tries for 879 yards and 12 touchdowns.

His performance led to his selection on the Little All-American third team and mythical Middle Six first team. He was also given honorable mention on the AP All East squad.

Miller is one of an unusual group of three-letter men upon whom Coach Nelson can call this season. In 1951, freshmen were permitted to compete with varsity teams and some were capable enough to win varsity awards in that season. Miller together with Capt. Dan Ford, Halfback Jimmy Flynn, End Tom Redfield, and Tackle Steve Butcher comprise that group.

Six Major Stakes Events Scheduled For Laurel Races

Washington International To Exceed \$100,000 Cost With \$65,000 In Prizes

Six stakes events, headed by the third Washington International on Nov. 3 and the 29th Selma on Oct. 23, are scheduled for renewal during Laurel's 16-day fall race meeting opening Oct. 16 and closing Nov. 3.

The total value of the six fixtures will be \$155,000 with the Washington, D.C. International and the Selma—both prestige races—carrying the more lucrative prizes.

The invitational International, a weight-for-age affair at a mile and a half over the grass course for three-year olds and up, carries a prize of \$65,000 of which \$50,000 goes to the winner. But since the Laurel association pays the expenses of flying horses and personnel here for the annual \$100,000 events now being run in this country.

The Selma, a mile and a sixteenth stake for two-year-old fillies, is endowed with \$30,000 added. Long covered by the country's breeders with an eye toward future broodmare stock, the Selma, due to three eligibility payments, will have a gross purse this year of approximately \$70,000, making it the richest juvenile filly event in the country under yearling-closing conditions.

The 1954 Selma has a nominating deadline in May, 1953.

Newark Schedules Wilmington Park Football Contest
Fifteen high school grid games are scheduled to be played in Wilmington Park during the coming football season, General Manager Jim Ward has announced, with the Newark Yellowjackets making one appearance—against the Red Devils of Wilmington High, on Saturday, Nov. 6, at 2 p.m.

Starting Sept. 17, when Howard High meets William Penn's unbeaten mythical state champions in the inaugural of a new series, Wilmington will be involved in every game.

Most of the dates are filled by Salesantum, the school without a home field. The Salles play in eight of the 15 games: Howard and Wilmington four each, Brown and P. S. duPont three each.

Little League Managers Express Their Thanks
Sam Colbert and Earl Burke, managers of the Local 1183 Giants express their pleasure for their association during the past Little League season, with an open letter to the young ball players.

"It has been a pleasure and a privilege to be associated with you this past season," Managers Colbert and Burke state, "and we are looking forward to next year."

"To those boys who will be over age next season, we hope that you will be permitted to continue playing baseball in Newark, provided Pony or Babe Ruth League can be organized."

"We wish to thank the mothers and dads of Little Leaguers for getting the boys out for practice and scheduled games, and for putting up with the inconveniences during the past season."

The New York Giants all-time record for hitting safely in consecutive games was set by Freddy Lindstrom with 24 in 1930.

THE NEWARK POST

The Newark Post, Newark, Delaware, Thursday, September 23, 1954

New Captain Carries the Mail!

Durable Dan Ford, fullback and Delaware football captain for Coach Dave Nelson's defending Mid-Six Conference champions, will constitute a major problem for the West Chester State Teachers' college Rams when the Hens meet Coach Glenn Killinger's charges on Saturday in Newark.

Ford, a 6-1, 195-lb. bulldozer from Pottsville, Pa., won his football career as a freshman fullback, played a lot of end as a sophomore and returned to the fullback spot last season as his team's third leading ground gainer. This, his fourth season under Nelson, should be his best.

Diamond Dust From The Sporting News

Richie Ashburn passed the 700 mark in consecutive games played on August 28, in a game between the Phillies and Cubs. The speedy Phillie center fielder started his streak on June 7, 1950, and has only 122 games to go to reach the record of 822 set by Gus Suhr of the Pirates between September 11, 1931, and June 4, 1937.

Connie Mack Stadium has been a jinx park for Cass Michaels, the White Sox third baseman who was seriously injured when struck by a pitch by Marion Fricano recently. Michaels barely missed being benched the night before. He threw his hand up to his left temple just in time to ward off a pitch by Ed Barusch. In 1952, Michaels also was benched in Connie Mack Stadium, while with the Athletics. He suffered a mild concussion that time.

There will be barnstorming again after the major league season, but little, if any, in foreign countries. The Sporting News says ball players have had invitations to visit Italy, Japan and South America, but have turned them down. The chief reason is the unsettled conditions abroad.

When Ted Williams was walked by Steve Gromek of the Tigers August 28, it was the 100th walk issued to Williams this year. Ted holds the major league record for most walks for most consecutive years. He set the pace from 1941 through 1949, except for three years in the service during World War II.

Six men up in one inning, but only one official time at bat, that happened to the Pirates in a game against the Cubs recently. The first two Pirates walked, and so weren't charged with being at bat. The next man hit a sacrifice fly and that doesn't count either as an official at bat. The fourth man walked, and the fifth man also hit a sacrifice fly. The sixth man up hit into a forecourt to end the inning. He was the only man actually charged with a turn at bat.

When it comes to combining speed with power, Jackie Jensen of the Red Sox is something of a class by himself. Jensen stole his twentieth base of the season on August 25, just one day after he had hit his twentieth home run. Only four other major leaguers have ever hit 20 homers and stolen 20 bases in one season since 1900. They were Babe Herman with the Dodgers in 1929, Earl Torgeson with the Boston Braves in 1951, Chuck Klein of the 1932 Phillies, and Ken Williams of the old St. Louis Browns, who did it twice, in 1921 and 1922.

Stan Musial has passed another milestone on his march down the road to lasting baseball glory. When he hit his thirty-second double of the season against the Giants, August 29, it gave him a lifetime total of 500 doubles. Only 15 players have reached the 500 mark in two-base hits. Musial has a long way to go to reach the top. Tvis Speaker hit 793. Second in line among the 15 was Ty Cobb, with 724. Musial has

Another veteran Delaware line-man has been given the nod for a starting berth in Saturday's game with West Chester State Teachers College.

Coach Dave Nelson has announced that Bob "Mush" Trivits, 195 pound right guard from Stanton, will resume the duties he has carried out so capably for the past two seasons. The likeable Trivits, who is also a catcher with the Blue Hens football team, won letters in 1952 and 1953 and is rated one of the steepest players on the squad. Last year he was named in the Eastern Intercollegiate Football Association's poll of "Unsung Heroes" for his 60 minute play against Muhlenberg during which he recovered a fumble and won a major factor in three goal line stands.

Another Wilmingtonian slated for considerable action this season is John "Reds" Regan, former Salsesian star, who will be counted on for reserve guard duty behind Trivits and another starter not yet named by the Delaware coaches. In addition to vicious tackling and blocking abilities, Regan can kick off and has good speed for a lineman of his stature. A junior, he is nineteen years old, weighs 187, and stands 5-10.

Nelson has now named four starters: quarterback Don Miller, left tackle Steve Butcher, right end Tom Redfield, and Trivits. All were regulars on the 1953 team which posted a 7-1-0 record and captured the laurels in the Mythical Middle Six Conference.

Butcher, a letter winning regular for the past three seasons, ups the beam at 208 and is probably the most powerful performer in the forward wall. The six foot, one inch native of Lansford, Pa., is an all-around sports performer. In other seasons, he captains the track team and holds heavyweight boxing championship.

Redfield, also received three previous awards for his grid play. Last year he snagged 16 passes for 236 yards and two touchdowns and already this season his performance has indicated that he should equal or better that record.

Fair Hill Crowd Of 7,500 Sees Steeplechase Events
A crowd of 7,500 fans set a new mutual betting record for the Fair Hill hunt course on Saturday and saw Cap-A-Pie and Flaw win the co-featured Manly Steeplechase and Bittleship hurdle races.

Nelson Names Four Delaware Starters For Saturday Test

Miller, Butcher, Redfield, Trivits To Start For Hens Against West Chester Rams

Another veteran Delaware line-man has been given the nod for a starting berth in Saturday's game with West Chester State Teachers College.

Coach Dave Nelson has announced that Bob "Mush" Trivits, 195 pound right guard from Stanton, will resume the duties he has carried out so capably for the past two seasons. The likeable Trivits, who is also a catcher with the Blue Hens football team, won letters in 1952 and 1953 and is rated one of the steepest players on the squad. Last year he was named in the Eastern Intercollegiate Football Association's poll of "Unsung Heroes" for his 60 minute play against Muhlenberg during which he recovered a fumble and won a major factor in three goal line stands.

Another Wilmingtonian slated for considerable action this season is John "Reds" Regan, former Salsesian star, who will be counted on for reserve guard duty behind Trivits and another starter not yet named by the Delaware coaches. In addition to vicious tackling and blocking abilities, Regan can kick off and has good speed for a lineman of his stature. A junior, he is nineteen years old, weighs 187, and stands 5-10.

Nelson has now named four starters: quarterback Don Miller, left tackle Steve Butcher, right end Tom Redfield, and Trivits. All were regulars on the 1953 team which posted a 7-1-0 record and captured the laurels in the Mythical Middle Six Conference.

Butcher, a letter winning regular for the past three seasons, ups the beam at 208 and is probably the most powerful performer in the forward wall. The six foot, one inch native of Lansford, Pa., is an all-around sports performer. In other seasons, he captains the track team and holds heavyweight boxing championship.

Redfield, also received three previous awards for his grid play. Last year he snagged 16 passes for 236 yards and two touchdowns and already this season his performance has indicated that he should equal or better that record.

Fair Hill Crowd Of 7,500 Sees Steeplechase Events
A crowd of 7,500 fans set a new mutual betting record for the Fair Hill hunt course on Saturday and saw Cap-A-Pie and Flaw win the co-featured Manly Steeplechase and Bittleship hurdle races.

Wagering \$28,171 on the six-race card, most of it on the feature events, Cap-A-Pie was a popular \$3.20 winner for owner Mrs. Marion duPont Scott in the Manly, turning back Banner Waves and Tourist List in the two-mile chase. Albert Foot, who had ridden Mighty Mo to victory for Mrs. Scott last Saturday, also was astride Cap-A-Pie.

Shortstop Harvey Kuenn of the Detroit Tigers has a chance of doing what no other Tiger has ever done—get at least 200 hits in both his freshman and sophomore years. Kuenn got 209 hits last year, his first year up. Only four other Tiger freshmen had ever done that.

Newark to Play Morning Game In Rescheduled Elkton Opener

Squad Members Decide To Play Morning Game This Attendance At Delaware Opener; Coach Announces Tentative Starting Line-Up From 30 Varsity Candidates

The Newark High School Yellowjackets' grid game with Elkton, originally scheduled for Saturday afternoon, will be played Saturday morning, with kick-off at 10:30 on the local high school field. Working with a list of 30 varsity candidates, Head Coach Raymond J. Duncan has announced a tentative starting line-up for the Golden Elks' in Saturday morning's initial test.

Up front, from left to right, are John McNair, tackle; Larry Hinkle, guard; Larry Hinkle, center; Jerry Kauter, right guard; Mark Hume, tackle; Kauter, right tackle; McNair, left guard; and Jerry Kauter, left guard. McNair, who was a punter last year's eleven.

Freshman Gridders Drill For Lehigh Opener On Oct. 15
Coaches Jim Sullivan, Carzo, Chas. Sullivan Work With Blue Chicks

Delaware's freshmen football candidates reported for fall practice last week with Freshman Coach Jim Sullivan, Backfield Coach Roy Carzo and Line Coach Charles Sullivan, with two practices scheduled each day from 9 to 11 a.m. and 2:30 to 4:30 p.m., until classes began yesterday.

One of the leading Delaware yearling prospects is Dick Auffarth, guard, of Baltimore, Md. Auffarth, selected on the All-Maryland team, received the Unsung Hero of the Year Award in Baltimore.

An additional freshman standout is Dick Lewis, 6-3, 190 pound end from Bridgeville. Lewis was chosen on the All-State first team last year.

Delaware Freshmen open their 1954 season on Oct. 15 when they meet the Lehigh Freshmen on Fraxer Field. A second home game will feature Delaware and Villanova Nov. 5.

Away contests are scheduled on Oct. 22 with Lafayette and Nov. 13 with Temple.

The 1953 freshman team had a 4-1 record, losing only to Lehigh.

Newark Riders Contestants In 6th Kennet Horse Show
A number of riders from the Newark area are expected to enter the sixth annual Kennet Horse Show, sponsored by the Kennet Optimist Club on Saturday, Oct. 9.

Miss Nanno Carpenter of Northern Delaware will be back to defend her children's riding championship, and Miss Margaret Johnson, Lincoln University, Pa., will try to put another leg on the show's biggest trophy, the Challenge Trophy for hunter classes.

Sixteen hunter, jumper and children's classes, including the popular western event, have been increased to 21 this year by the addition of five classes of the Pennsylvania Breeders' Association.

Teacher Dismissal Hearing Measures Voted On By PTA

Brookside Parent-Teacher Group Approves Proposal For Local Board Decision

Parents attending the Brookside Elementary School Parent-Teacher Association meeting last week voted 36 to 46 in favor of the less stringent of two teacher tenure bills that are expected to be before the 1955 General Assembly.

The favored proposal calls for dismissed teachers to get hearings before local school boards with the right of appeal to the State Board of Education, but not to any court.

The reject plan calls for appeal of any dismissal directly to Superior Court.

Eight persons declined to cast ballots.

The vote was taken after various tenure proposals were outlined by Mrs. Harry McKenry, a resident of Newark School District, in which Brookside is located.

Superintendent Wilmer E. Shue related progress toward starting the 13-classroom school in Brookside for which a contract was awarded in July.

President William P. Cooke announced that a membership drive will run from next Monday through Oct. 1, and that non-parents will be invited to join too.

A nominating committee was named to submit names for a vice president and treasurer to the next meeting on Oct. 20. Both positions are vacant due to resignations.

Democratic Candidate

David D. Fooks

Newark resident David D. Fooks, of 146 West Main Street, has been announced as the Democratic candidate for Representative of District 9.

An Army veteran, Mr. Fooks is 35 years of age, is employed at the Chrysler Delaware Tank Plant, and with Mrs. Fooks and their three daughters, ages 8, 10, 12, has resided in Newark for the past six years.

Active in political and civic circles, Mr. Fooks is a native of Princess Ann, Md.

Retired Workers, Dependents Paid Bulk Of Benefits

75% of \$600,000 in State Social Security Benefits Received By Two Groups

Retired workers and their dependents in Delaware were getting about 75% of the \$600,000 in old-age and survivors insurance payments being made monthly in the state at the end of last year, the Wilmington social security office, reported today.

Beneficiaries of all groups on the pay in December totaled almost 14,000 in the state, Manager Myron Milbourn said. This is an increase of 1,500 over the number of beneficiaries in Delaware in the same month of 1952.

Milbourn, making this announcement, figures showing the number of persons in the several beneficiary groups in the state and the total in benefits being paid.

7,600 Retired Workers
In December, 7,600 retired workers received a total of \$39,000, 2,000 aged wives and dependent widowers got \$32,000; a total of \$70,000 went to 2,100 children, including a few children of retired aged workers; 500 mothers with minor children in their care were receiving a total of \$20,000 monthly; and \$3,000 in survivors payments went to 70 dependent aged parents on the beneficiary rolls.

The total in monthly benefit amounts paid in Delaware increased \$112,000 in the 12-month period.

Retired insured workers continued to be the largest group of beneficiaries. These are persons age 65 or over who qualified for monthly payments through employment or self-employment covered by the social security law.

Child Survivors
"Children of deceased insured workers made up the greater number of survivors insurance beneficiaries," Milbourn said. Benefit payment to children (including a few children of aged retired workers) increased by 17% in the 12-month period ending with December 1953.

The second largest group of survivor beneficiaries, according to Milbourn, was made up of widows of deceased workers with minor children also entitled to benefit payments in their care. In such cases, the age of the widow is not a consideration in eligibility for survivors payments. "Benefit payments to this group increased by 13% in the 12-month period ending with December 1953," he said.

These local figures for old-age insurance payments also reflect a national trend, the local manager pointed out. In the country as a whole, more than six million persons were receiving such benefit payments at the end of 1953, almost a million more than in December 1952.

"While these statistics may seem to be just so many figures in cold print," Milbourn said, "the payment monthly of \$600,000 to 14,000 persons in the State is of real significance to the economic well-being of the community at large, and in many cases represents the greatest or only source of income to the individual family concerned."

Methodist Church Rally Day Picnic Location Changed

Changes have been made in the Kingswood-of-Brookside Methodist Church plans for its Rally Day Picnic, according to Rev. Milton H. Keene, minister. The date remains the same—Saturday, Sept. 25—but the place has been changed to the Rockford Park Picnic Area No. 1, directly in the shadow of the tower.

Parents intending to attend the picnic with their children are requested to meet in front of the temporary school building on Marrows Road, Saturday at 2:30 p.m., and leave from there in a caravan to the picnic grounds.

Plans have been made for recreational activities which will appeal to all age groups. The committee in charge of arrangements is composed of Mrs. John Wright, William Cooke, James Leedy, and Robert Innis.

The picnic heralds Rally Day in the Sunday school this Sunday, and inaugurates the beginning of the fall and winter season in the activities of the new suburban church.

O COME NOW!
The Library of Congress, seeking to rival "She sells sea shells," comes up with this tongue-twister: "Silly Sally swiftly shoed seven silly sheep. The seven silly sheep Silly Sally shoed shilly-shalilly south."

Cooch's Bridge and Glasgow

Phone: Newark 8-8466
Mildred Ludwig, Correspondent

Congratulations to Mr. and Mrs. Fred Cooch of Cooch's Bridge. They have a new daughter, Wendy Jane, born Sept. 15 at the Delaware Hospital, weighing in at 8 lbs. 7 oz.

Mr. and Mrs. George W. Smith from Plymouth, Mass., are visiting Mr. Smith's daughter, Mrs. Eleanor Greenwell of Sunset Lake Road.

University of Delaware photographer Lloyd Teitsworth of Cooch's Bridge is in the Delaware Hospital with severe fractures suffered Saturday, Sept. 11 when a sudden gust of wind from the skirt hurricane Edna toppled the metal mobile tower from which he was photographing inter-squad football scrimmage at Frazier Field.

Betty Lynn Crossan of Hares Corner described her experiences at state camp at last week's meeting of the Salem 4-H Club. Members are readying their exhibits for the Achievement Fair on Saturday.

Streetlights for Hill Estates will be installed by the state if the required 51% majority of residents request them at a vote to be taken at the next Civic Association meeting, Oct. 13. Stewart Pratt is district Red Cross chairman for Chestnut Hill Estates.

Vice-Chairman of suburban Newark's Red Feather campaign is Mrs. Steven Barczewski of Glasgow.

Working under her in this area are three sub-chairmen—Mrs. Agnes Palmer of Route 40; Piney Stewart of Chestnut Hill; and Mrs. Emma South of Glasgow Heights. "Tunis Foltz and George Bierlin of Iron Hill are two of the captains already appointed. Other workers will be named this week to distribute cards to residents. Civic, service, and social clubs, as well as individuals can address their donations to the United Community Fund of Hill Estates Delaware, c/o the Newark Trust Co. Volunteers are needed for solicitation. Call any of the sub-chairmen.

West Park Place School
An organizational meeting at which PTA officers will be elected has been scheduled for 8 p.m. Thursday, Sept. 29 in the high school auditorium. A nominating committee consisting of Dr. C. R. Donoho, chairman, Robert F. Siemon, and James L. Anderson, will present a slate for parents' consideration at that time. The committee will welcome parents' suggestions prior to the meeting, and of course additional nominations may be made from the floor.

Pupil registrations total 468, with three first grades, three second grades, three third grades, two each in the fourth, fifth and sixth grades.

The teachers include: first grade, Mrs. Logan, Mrs. Veuche, and Mrs. Sherwood; second grade, Mrs. Borodin, Mrs. Kreiser, and Mrs. Brockenbrough; third grade, Mrs. Slavey, Miss Jaque; fourth, Mrs. Caspell; fourth, Mr. Milligan, Mrs. Vanech; fifth, Miss Melvin and Mr. McVey; sixth, Mrs. Barnhardt and Mrs. Parker.

These teachers gave up two whole weeks to ready the school for opening week. Classes have been conducted smoothly despite distractions from the ever-present workmen, construction noises and dust. Problems of buses arriving too early, leaving late and overcrowding on some routes, are being solved. Thanks should be given to the bus drivers who are ever-mindful of their precious cargo despite tight schedules.

Due to the county meeting on "Helping Children to Get Along Together" tonight at the Agriculture Hall, the Salem H.D. Club meeting previously scheduled for this evening has been postponed until next Wednesday at 7:30 p.m.

Mrs. Wm. Donnell and Mrs. Howard Perry will serve as co-hostesses. Mrs. Henri Dorsman demonstrated basket weaving at the recent all-day work party.

Contributions of two new articles of children's clothing or cash (for shoes) will be accepted on behalf of the Sunset Lake branch of the Needlework Guild by Mrs. Burton Pyle, Route 1. The public is invited to the tea and in-gathering at 2 p.m. Oct. 16 in the Pencader Presbyterian Church hall.

The nine directors of the local branch each have at least ten contributors—some have many more. Pouring at the tea will be Mrs. Thomas Nowell, Mrs. George Johnson, Mrs. William Perry and Mrs. William Donnell.

The Pencader Hundred Democrats have tentatively planned a dinner meeting next Wednesday at 6:30 at the Glass Kitchen. Milton Mitchell of Brookside and Walter Johnson are the supper committee. A further announcement will be made in the Wilmington papers.

The Cooch's Bridge chapter of the DAR meets Saturday afternoon at 1:30 at the Welsh Tract Baptist Church for a business meeting. Mrs. David Eastburn, regent, will preside.

The Cooch's Bridge chapter of the DAR meets Saturday afternoon at 1:30 at the Welsh Tract Baptist Church for a business meeting. Mrs. David Eastburn, regent, will preside.

Troopers kept the crowd away from live wires which tangled on the ground near the broken power pole. Crews from the Delaware Power & Light Company repaired the damage.

Harris was unable to explain what caused Hewes to miss the turn. He said the other man picked him up earlier that evening and they were headed home when the accident occurred.

"Delaware Notes" Released By Publication Committee

On Sept. 10, the University of Delaware faculty publications committee released for distribution the 27th volume of "Delaware Notes".

In addition to the annual record of publications by Delaware faculty members and of the work of graduate students, this issue contains articles on Keats and Kipling by Professors David Bonnell Green and Ann M. Weygandt of the Department of English. It also contains an article on economic forecasts in the postwar period, by Professor Sam Rosen of the Department of Economics; and an article on types of self-interpretation by Professor Geoffrey Clive of the Department of Philosophy.

Copies of the September issue are available at the Memorial Library in Newark.

Fatal Accident

(Continued from Page 1)

In addition to his wife he is survived by his parents, Samuel and Beatrice Hewes, Rockport, Me.; two grandparents, Mr. and Mrs. Roy Ludwick, West Chester; two sisters, Mrs. Wanda Cumens, Castle Hill, and Miss Joan Hewes, Rockport, and one brother, Charles Hewes, Willow Run.

The Rev. Dr. John J. Bunting, Jr., pastor of Newark Methodist Church, officiated at funeral services Tuesday afternoon in his 646 South College Avenue home. Interment was in Newark Cemetery.

Harris was taken to the hospital, but was released after getting seven stitches in a scalp cut.

He told police he was dozing as the car headed toward Newark along Route 273, which runs from Bear and Hare's Corner through Christiana. He was awakened by a crash, he said, and found himself in the water.

He shoved the door open and crawled out, helped by residents of the area who ran to the scene.

Methodist Church Rally Day Picnic Location Changed

Changes have been made in the Kingswood-of-Brookside Methodist Church plans for its Rally Day Picnic, according to Rev. Milton H. Keene, minister. The date remains the same—Saturday, Sept. 25—but the place has been changed to the Rockford Park Picnic Area No. 1, directly in the shadow of the tower.

Parents intending to attend the picnic with their children are requested to meet in front of the temporary school building on Marrows Road, Saturday at 2:30 p.m., and leave from there in a caravan to the picnic grounds.

Plans have been made for recreational activities which will appeal to all age groups. The committee in charge of arrangements is composed of Mrs. John Wright, William Cooke, James Leedy, and Robert Innis.

The picnic heralds Rally Day in the Sunday school this Sunday, and inaugurates the beginning of the fall and winter season in the activities of the new suburban church.

O COME NOW!
The Library of Congress, seeking to rival "She sells sea shells," comes up with this tongue-twister: "Silly Sally swiftly shoed seven silly sheep. The seven silly sheep Silly Sally shoed shilly-shalilly south."

Children's Theater Program Planned For Mitchell Hall

University Drama Group To Present First Plays Of Season On Oct. 1, 2

Babar, king of the elephants will appear with his many friends on Mitchell Hall stage next Friday evening, Oct. 1 at 7:30, and Saturday, Oct. 2 at 11 o'clock when the University Drama Group presents its Children's Theater for the current season.

Since the famous stories of Jean de Brunhoff have been made into an opera, the Drama Group has "borrowed" available talent from several sources.

Playing the title role of Babar will be Martin Gable, of the university music department. His sweetheart, Celeste, is Elaine Labour, from Middletown, and a sophomore at the university.

Robert Strahorn, well-known choir soloist at the First Presbyterian Church, will sing dual roles—both villainous—as he helps capture Babar in the role of a hunter, and then, as the wicked Fernando, the ring-master, hypnotizes the unhappy hero.

Drama Group members and their families complete the cast, with E. C. Mahanna and B. A. Weimer furnishing much humor as the friendly camel; Sarah Wiley as the helpful old lady; Michael Kubicek, a hunter; Helen Kubicek, the bad little boy and Carolyn Weiner, the good little girl.

A chorus doubling as jungle animals and school children include Linda Boone, Anne Goddin, Lanny Loudis, Linda Patnowic, Robert Rahn and Susan Shields.

The five scenes in the opera take place in the jungle, in a school-room, and at a circus, complete with parade.

The opera has an appeal for all ages, and it should be no hardship for parents to accompany the youngsters.

Tickets will go on sale in the Newark Department Store on Monday and can be purchased at the Mitchell box office immediately preceding each performance. There will be no reserved seats.

Newark Methodists To Hold Christian Education Service

Miss Doris J. Hoover, new director of Christian Education, and the staff director of the Newark Methodist Church School will participate in a service of dedication for church school workers on Sunday at the 11 a.m. service, thereby marking the beginning of Christian Education Week. Promotion Day will be observed in the church school.

Teachers and officers of the church school will meet for a workshop at 3 p.m. and the various departments of the school will plan the fall teaching program. The activity will conclude at 6 p.m. with a covered-dish supper in the dining hall for teachers and their families.

Miss Mary Ann Sherron, now full-time co-director of the Wesley Foundation, Methodist student organization at the University of Delaware, will also participate in the dedication service. Dr. John J. Sunting, Jr., minister will officiate and the subject of the sermon will be, "Christ and the Children."

Drive-In Vesper Services Scheduled Again Sunday

Due to the favorable response to the Drive-in Vesper plan, Thomas Howell of Wilmington, will continue the colored, vespers Bible studies on Sunday evenings at 7 o'clock.

The place is the Willis Farm, on Nottingham Road at the Delaware-Maryland line.

The service will be conducted in the open field if weather permits, otherwise, in the Willis home. A cordial invitation is extended to the community and friends.

Women Missionary Group To Conduct First Meeting

Mrs. Grace Fish will preside at the first meeting of the women's missionary organization of the Brookside United Presbyterian Community Church on Tuesday at 8 p.m. in the home of Mrs. Margaret Fuge, 36 Carlisle Road, Brookside.

Officers will be elected and the group will be assisted in their plans for organization by the executive board of the Women's Missionary Guild from the Calvary United Presbyterian Church in Hayden Park.

Maurice B. Field is chairman of the commission on education, and W. Francis Lindell and Earl P. Dewey will serve as superintendents of the two church school sessions at 9:30 and 11 a.m. respectively, beginning Sunday, Oct. 3.

"Age seldom improves with whisky"—Ham Park.

Ground Observer

The fact that our radar network can no longer be fully relied upon means that the plane spotter now provides the only effective means for getting advance warning of an air attack.

"The situation is critical, and the top job in Civil Defense right now is to build a full-strength Ground Observer Corps." He added that he hopes to announce soon the appointment of several Air Force officers to assist Mr. Schminke in building up the state-wide plane spotting network.

Mr. Schminke, a veteran ground observer, is responsible for organizing the Middletown post and for recruiting a staff of 170 volunteers. The post now is one of the most active in Delaware.

Architect To Draw Plans For New Methodist Group

Preliminary drawings for the Kingswood-of-Brookside Methodist church will be made by George Savage, prominent church architect of Philadelphia, according to the Rev. Milton H. Keene, minister of the church.

It is expected that within the next several weeks the drawings will be in the hands of the building committee. Mr. Savage has designed many of the churches in this area.

On Friday afternoon, the architect with Rev. Dr. John N. Link, and Mr. Keene met in Brookside for preliminary discussions and to survey the situation to adapt the new building to the existing architecture and the present and future needs of Brookside.

"SPEEDY" by DENNISON (Nash) MOTOR CO.

SPEEDY, WE JUST HAD TO BREAK OUR OTHER DATES WHEN YOU ASKED US RIDING IN YOUR BRAND NEW LIKE NEW USED CAR FROM DENNISON MOTOR CO.

SWELL ISN'T IT? OH BOY! WATCH ME STEP THIS BABY UP—WOH-OH!

HMM, SPEEDY—SOUND LIKE THE WAY YOU GALLAVANT YOUNG GIRLS ALL NIGHT—WHEN I WAS YOUNG, GIRLS KNEW HOW TO BLUSH.

PSST—JUDGE WHAT'D YOU SAY TO THEM?

Our Fast Growing City

Everywhere you go: Building, Building, Buildings, New Schools, New Churches, New Homes, New Business Places, New Apartment Houses, New Bridges, New Roads, New Streets, New Water and Sewer Lines. Invest in NEWARK REAL ESTATE, it's safe, it's sound, it's smart. We have many good, sound, investment properties. If you want it to make money, give us a call.

EAST DELAWARE AVENUE

Large home in center of City joining school play ground. 9 rooms, two bath, for a large family home, or three small apartments. Just being completely remodeled and reconditioned cellar to attic. Large lot with old shade trees, 2-car garage, new amiesite drive, storm sash and screens, oil heat.

Large place to live or will make a very fine investment. You can rent anything in this area. Only \$15,500.00.

NOTTINGHAM MANOR LOTS

They are moving fast, only 5 left, if you want to buy a lot in one of Newark's best residential areas, don't delay.

DAIRY FARM & NICE HOME

56 acres, very productive land, stream, and some woods. 7 rooms and bath dwelling, in setting of old shade and shrubbery. Fine 12-stan-ban dairy barn, silo, and plenty of out-buildings, all in fine condition. Large fronting to the two first class highways, with one of the best filling station sites in this area yet available, with approx. 1000 feet frontage, that could be sold for good dwelling location.

This property has many possibilities and is fine buy for some one. Owner leaving, and is willing to sell for \$21,500.00 which in our opinion is a bargain price. Quick possession.

GRADE A DAIRY FARM

1953 Shipped 178,000 Pounds of Milk; Near West Grove, Pa. Oxford school bus. 54 acres of exceptionally productive land with adjoining land that can be rented. Modern 24-stan-ban dairy barn with new surge milking machines, with lounging parlor, 8 calf and stock pens, 24 milk cows, 12 heifers, 2 John Deere tractors, '53 Massey-Harris pickup combine, 1 pickup truck. Much other machinery and equipment. Filled silo and plenty of other feed. 9 room and bath brick dwelling with stone fire place. In excellent condition inside and out. This is a going money making up-to-date dairy farm. Owner's illness makes it necessary to sell. There's no better farming area in Penna. A bargain at \$37,500 complete.

Shown by Appointment Only.

CHESTNUT HILL — ROLLING GREEN

Living room with brick fire place, picture window, D.R. Modernistic kitchen, the women love, three beautiful bedrooms with slide door closets, tile bath, oak floors, FABULON finished, attached garage, shaker single siding, oil heat, city water, full size high cemented basement, large lot nicely landscaped. Fine buy at \$17,900.

This fine home, exceptionally well built, with the best material, and workmanship.

LARGE FAMILY HOME

Only 3 blocks off E. Main St. 6 bedrooms, & bath, L.R.-D.R. very large kitchen, laundry room, full size basement, new GE oil hot water furnace, full length storm sash and screens, 2-car garage, lifetime asbestos roof, all in excellent condition inside and out. Corner lot 50x150 ft.

Why worry about a big roomy home to live in when you can buy this bargain with only \$2,000 down.

If you don't need so many bedrooms you can easily rent them, and cut down the high cost of living. Possession at settlement.

ACADEMY STREET

OPPOSITE HIGH SCHOOL ENTRANCE One of the nicest locations in the city. Beautifully landscaped grounds, lot 90x180 ft. Plenty of old shade and well-kept shrubbery and flowers. Masonry-stuccoed white dwelling, 1st floor large L.R.-D.R. den or music room, modern kitchen, beautiful new powder room, large front porch. 2nd floor—three corner bright bedrooms, attractive bath. Plenty of closets.

Spic and span full size cemented basement, with laundry, copper plumbing, nearly new gas circulating, warm air furnace. House completely redecorated, inside and out, refinished floors, nothing to do but move in.

A money saving location right in the heart of our city. Quick possession. All for only \$17,000.00.

WELCH TRACT ROAD

4 rooms and bath bungalow, Half-acre beautiful lawn, with solid woods in front. Masonry building 25x28 would make nice bungalow. Newark school bus at door. A good buy at \$6,000.00. Quick possession.

CAPITOL TRAIL

Close to Medill School—Brick home, 1st floor, 5-rooms, new bath, modern kitchen with electric dish washer, 2nd floor, 4-rooms and bath, outside stairway, Full size new cemented basement, with fruit cellar and laundry. Full length storm sash and screens. Oil hot water heating plant (new) copper plumbing. In beautiful condition inside and out. No better location between Newark & Wilmington. With Newark bus at door. No better buy in this area for \$18,000.

SILVERBROOK

New home and a beauty! 3 bed rooms, large living room with brick fire place and picture window, tile bath, dream kitchen with dining area, Oak "BRUCE" Park floors all rooms. Car port, utility room. Plenty closets. Radiant overhead heat.

This is an exceptionally well planned home and you will like it. Shown by appointment only.

NEW COUNTRY HOME

Stone, L.R. Knotty Pine panelling, D.R. Modern kitchen with electric dish washer, 3 beautiful bed rooms, tile bath, expansion attic with stairway, for two additional rooms if desired. Two-car garage under home, amiesite drive. Lot 100x200 ft. 2 1/2 miles to Louvers Building. Good hard surface road. Open country and one of the better areas around Newark. Newark School bus. Possession at settlement. A fine buy for less than \$22,000.00.

If you are interested in buying a home or in a lot on which to build, it will pay you to call us before buying.

Come to Newark and be happy."
