## Fun Fair To Add Crowning Feature Queen Selection

PTA Council To Sponsor Annual Fair With Junior Girl To Be Chosen Queen

The crowning of a queen will be added this year to the attractions of the annual Fun Fair of the Council of Parent-Teacher Associations of Newark Special School Districts. It has been announced by Mrs. H. G. Haight, chairman of the fair.

The fair will be held April 29 from 7 to 10:30 p.m. in the high school. The queen will be chosen from the junior class, partly because the seniors will be on their trip to Washington that day, and partly because the winner can then be on hand next year to crown her own successor. Each of the junior home-rooms will elect a candidate for queen.

Pictures of the candidates will be posted on boxes at the entrance to the Fun Fair, and as each person enters he may vote for his choice by dropping pennies in the box under her picture. The girl who receives the most penny-votes will be crowned at the close of the fair.

This will be the fourth year of the Fun Fair to raise money for school needs, but it will be the first year in which the district has a council of PTA's rather than a single PTA. This year the proceeds will be divided among five schools on a percentage basis. Last year's profit was \$1,127.23.

A puppet show will be staged at the fair by Mrs. Kenneth Lambert. There will be a "merchandise mart" for which all parents are asked to donate baked goods.

Art students are engaging in a poster contest to publicize the fair, and Mrs. Haight hopes to have the winners appear on WDEL-TV as they did last year.

Flowers are God's thoughts of beauty taking form to gladden mortal Chattanooga.

## Careful Drivers

MAY REDUCE THEIR AUTO INSURANCE COSTS WITH STATE FARM'S PROTECTION

"Careful" drivers have fewer and smaller insurance claims because they are involved in fewer and less costly accidents. At State Farm these fewer claims and lower costs are passed on to policyholders in the form of lower insurance costs. If you are a "careful" driver you should find out all about this low-cost auto insurance plan. Call today to see if you can qualify as a "careful" driver. There is no obligation and we may be able to save you some money on your automobile insurance.

## Building Fund Campaign Leaders

Discussing plans for St. Paul's Lutheran Church building fund are (left to right) F. William Jahn, Jr., general chairman; chairman Charles Haines, advance visits; George VanHorn, organization; Donald Joseph, audit; Mrs. S. Kennedy Fell, chief hostess; Carl G. Smith, publicity; the Rev. Howard S. Hagus, pastor, and Carl Karlsson, proposal chairman.

## St. Paul's To Launch Building Fund Campaign With Friday Loyalty Dinner

St. Paul's Lutheran Church will launch its building fund campaign at a congregational loyalty dinner tomorrow at 6:30 p.m. in the basement of the Masonic Hall.

The principal speaker will be the Rev. William Ralston, pastor of Calvary Lutheran Church in West Chester, Pa., who will tell of the building program recently undertaken by his church, and of how the goal was attained through Christian stewardship.

The goal for St. Paul's campaign will be announced at the dinner—a realistic amount decided upon in the last few weeks by a survey committee headed by Charles Dickson of Brookside.

Others who will give brief talks at tomorrow's dinner are F. William Jahn, Jr., general chairman; Carl Karlsson, proposal committee; Donald Joseph, audit committee; George Van Horn, organization committee; Charles Haines, advance visits committee, and Carl G. Smith, publicity.

Mrs. S. Kennedy Fell is chief hostess for the dinner, and a member of her committee will be at each table as hostess. There will be a nursery staffed by women of Zion Lutheran Church in Wilmington.

The meeting will close with a brief talk by St. Paul's pastor, the Rev. Howard S. Hagus.

## Lifelong Resident Mrs. Martha Logan Succumbs At 89

Mrs. Martha J. Logan Springer, 89, died last Thursday night at the Governor Bacon Health Center after an illness of about four months.

Born and raised in this area, Mrs. Springer had been a member of the Red Clay Creek Presbyterian Church for many years, and prior to her illness had not missed a church service or church school session in 23 years.

She is survived by a daughter, Mrs. Susan H. Gregg of Marshallton, with whom she made her home; three sisters, Mrs. Emma Richardson of Brookland Terrace, Mrs. Annie Tweed of Newark, and Mrs. Susie H. Palmer of Wilmington; a brother, Thomas Logan of Marshallton, two grandsons, and four great-grandchildren.

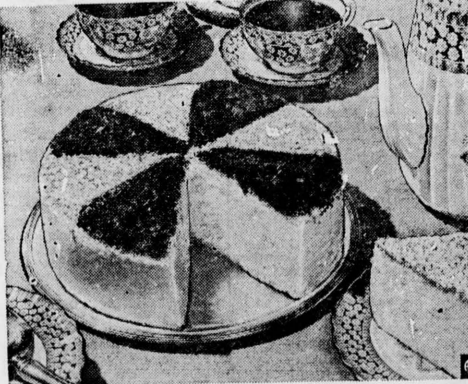

Funeral services were held at 2 p.m. Sunday from the R. T. Jones & Son Funeral Home, Newark, with interment in Red Clay Creek Cemetery.

## No-Bake Cheese Cake A Taste Wonder

Effortless, and excellent this no-bake cheese cake wins dessert honors. The smoothness of the fresh-of-lemon refrigerator cake results from a custard base, cream-style cottage cheese and whipped cream. Then unflavored gelatin magically blends all the ingredients together and assures a delicate firmness. Cookie crumbs make the topping.

**No-Bake Cheese Cake (Party Size 10-12 servings)**

**Crumbs Topping:**  
2 tablespoons melted butter  
1 tablespoon sugar  
¼ teaspoon cinnamon  
Mix butter, sugar and spices together. Add half of spiced mixture to chocolate crumbs and remaining half to graham cracker crumbs; mix well. Turn cheese cake mixture into an 8-inch spring form pan; sprinkle with crumbs in wedge-shaped pattern, alternating chocolate and graham cracker crumbs. If desired, an 8 or 9-inch square pan or a 9x5-inch loaf pan may be used. Line with waxed paper. Press crumb mixture in bottom of pan; turn in cheese cake mixture.

**Cheese Cake:**  
2 envelopes unflavored gelatin  
1 cup sugar, divided  
¼ teaspoon salt  
2 eggs, separated  
1 cup milk  
1 teaspoon grated lemon rind  
3 cups (24 ounces) creamed cottage cheese, sieved  
1 tablespoon lemon juice  
1 teaspoon vanilla  
1 cup heavy cream, whipped

Mix together gelatin, ¼ cup of the sugar and salt in top of double boiler. Beat together egg yolks and milk; add to gelatin mixture. Cook over boiling water, stirring constantly, until gelatin dissolves and mixture thickens, about 10 minutes. Remove from heat; add lemon rind; cool. Stir in sieved cottage cheese, lemon juice and vanilla. Chill, stirring occasionally, until mixture mounds slightly when dropped from a spoon. Beat egg whites until stiff, but not dry. Gradually add remaining ¾ cup sugar and beat until very stiff. Fold into gelatin-cheese mixture with whipped cream. Turn into prepared pan, chill until firm.

(Family Size 5-6 servings)  
Use ½ gelatin recipe but full amount crumb mixture in an 8-inch round pan or 9-inch pie plate.

## Southern States Reports Service Increase In Area

W. T. Steele, Jr. Speaks At Annual Regional Group Meeting Held At Glasgow

Farmers in the six-state operating territory of Southern States Cooperative used their organization more than ever during the first six months of the 1954-55 fiscal year, according to a report presented by W. T. Steele, Jr., of Richmond, Va., to the members of the recent annual regional board meeting held in Glasgow.

Total service volume for the cooperative and its affiliates, was reported as \$72,919,946 as compared with \$65,903,990 for the same six months of the previous year.

Tonnage volume, the true measure of a cooperative's service to its member-owners, was also at an all-time high.

Despite a general decline in feed usage due to unfavorable feeding ratios, Southern States feed volume was up almost three percent for the period. Feed volume for the six-month period totaled approximately 350,000 tons.

Fertilizer volume increased 14 percent during the period. The total fertilizer volume stood at approximately 85,500 tons, according to Mr. Steele.

Seed volume was also at an all time high showing about a 34 percent increase. Petroleum gallonage showed a 5.17 per cent increase and miscellaneous farm supply volume increased over 10 per cent.

Approximately 60 members of Southern States Cooperative community advisory boards, directors of affiliated cooperatives and cooperative service agency managers attended the regional meeting with representatives from the local area.

## LeRoy E. Pennock Funeral Services Conducted Sunday

LeRoy Edgar Pennock, 63, husband of Mrs. Helen Earle Pennock, 9 North Woodward Avenue, Roselle, died last Friday night in Delaware Hospital after an illness of several weeks.

Born on a farm near Newark on Capitol Trail, he and his wife, who were distant cousins, were of the Colonial family of Pennocks. He was a member of White Clay Creek Presbyterian Church and had been a trustee for 12 years until last year.

Mr. Pennock had an upholstery business at his home address for many years. He is survived, in addition to his wife, by a niece, Mrs. J. Earl Lynch, Newark, and a nephew, Edwin P. Pierson, Hockessin. The funeral was private with interment in White Clay Creek Cemetery and the family requested that flowers be omitted.

## Smith To Play Major Role For Annual Faculty Play

Eugene Smith, Newark High School bookkeeping teacher, has one of the main roles in the annual faculty play, "Mr. Pim Passes By," which will be presented March 25 and 26 in the high school auditorium by teachers of the Newark school district.

## 1st Presbyterian Youths Enjoy Saturday Hay Ride

Some 40 young people attended a hay ride sponsored by the Junior High Westminster Fellowship of the First Presbyterian Church last Saturday night, with Mr. and Mrs. DuVal Cleaves and Mr. and Mrs. Philip Morton as chaperones. Judy Eller, moderator of the Fellowship, was in charge of arrangements.

The Senior Fellowship attended the Methodist church last Sunday evening to hear the sermon of the Rev. Dr. John A. Mackay, president of the World Presbyterian Alliance. After the service the Senior Fellowship entertained the Rev. Dr. and Mrs. Mackay at the Presbyterian church.

## Blue Hen Club Conducts Meeting On Gun Safety

The Blue Hen 4-H Club met at the home of Patsy and Robert Delp last Wednesday, and President John Field, reminded officers of the County 4-H Junior Council meeting on March 28th. The club held a gun safety meeting at Agriculture Hall on Saturday, and 36 members of the Green Meadows and Blue Hen 4-H clubs attended.

A sewing project school will be held this Saturday at 10 a.m. and advanced sewing for girls is conducted every Monday evening.

A committee to make arrangements for Rural Life Sunday was appointed in Sylvia Field, Sandra Calhoun, Esther George, and Edward Wilson.

It is putting it mildly to say that many Americans were astounded by the recent statement of Secretary of Labor Mitchell that state right-to-work laws "do more harm than good."

The secretary's position is contrary to President Eisenhower's announced intention to respect the sovereign rights of the states and Mr. Mitchell obviously was ignoring the President's oft-repeated campaign pledges in this respect.

During the campaign Mr. Eisenhower emphatically said that he would "see that the legislative rights of the states and local communities are respected" and that "we will not reach into the states and take away from them their powers and responsibilities to serve their citizens."

Further, the Secretary of Labor, in opposing these state right-to-work laws, is superimposing his own judgment over that of the people of 17 individual states as to what is best for them in the field of labor-management relations.

## Mill Creek Hundred News

Sara Pennington Evans, Correspondent  
Phone 8-7798 Hockessin

of spring which officially arrived early this week can be seen everywhere. Green grass, the early flowers, and the birds are here to announce the arrival of the lovely season.

Mill Creek Hundred has a wealth of landmarks and has contributed much to the early history of the state. The members of the state. The members of the state. The members of the state.

Friends Meeting House at Hockessin was established in 1730, and is said to be the British Army here in March to Chads for the Battle of the Brandywine. The railroad was built to Hockessin in 1852.

Essay Judges  
Mrs. Sara Evans, Mrs. Louise Paye, and Mrs. Warner Naudain, judges of the history essays written by the sixth graders of York School. The winner will receive a medal at the school's closing exercises.

A chapter will have several members attend National Congress in 1957.

## Capitol Trail News

Marjorie M. Richan, Correspondent  
Phone 8-6318  
1501 Capitol Trail

Mr. and Mrs. Nathaniel Richards are being congratulated on the celebration of their 50th wedding anniversary, March 22.

Mr. Richards is well known for his blacksmith shop at Harmony Crossroads, which is now owned and operated by Elmer Gallaher. Although technically retired, Mr. Richards is often seen at the shop.

Mr. and Mrs. Richards have resided for many years at Harmony Crossroads and they have a wide circle of friends. Mr. Richards has served for 30 years as an elder of White Clay Creek Presbyterian Church and is now superintendent for the White Clay Creek Cemetery Association.

Mrs. Richards taught a class of women at White Clay Church until ill health forced her to retire. She has also served as treasurer of both the improvement and the missionary societies.

Mr. and Mrs. John Thornton returned last Friday to their home on Red Mill Road after spending the winter in St. Petersburg, Fla.

The Medill school parking lot was the scene of much activity last Saturday afternoon when members of Cub Pack 56, their mothers and fathers, assembled for a kite-flying contest.

It was a beautiful day, but one thing was lacking. All of the enthusiasm of the boys could not make up for the lack of wind. Prizes, therefore, were awarded for the most original kite, the smallest, largest, etc.

The 80 Cubs in Pack 56 are divided into eight dens, with den mothers Mrs. Phyllis J. Anderson, Mrs. Catherine E. Knowles, Mrs. Betty Stiltz, Mrs. Bea Dannenhauer, Mrs. Mary B. Ott, Mrs. Pauline Cotnor, Mrs. Dorothy L. Wickesham, and Mrs. Nancy C. McCormick.

Medill Elementary School Principal Elwood Bittenbender reports that a St. Patrick's Day assembly program was presented March 16 by Mrs. Grey's fourth grade with "The Wearing of the Green," a brief historical account of the life of St. Patrick, with Lynn Keen, Gail Miller, and Patricia Dean. Several pupils did Irish folk dances and the assembly sang Irish songs.

Miss Richie's third grade presented an assembly program yesterday with the theme "A Spring Carnival in Switzerland." Robert Cronin played the part of an American spending the summer in Switzerland with two Swiss children, played by Judy Reed and Leo Cotnor.

You can't be two places at once!

But you can have a second telephone within easy reach wherever you are! Costs so little... saves you so much. Ask the Telephone Company Business Office for details about all extension telephones.

THE DIAMOND STATE TELEPHONE COMPANY

## Newcomer

Mrs. Hedger's first grade is glad to have a new boy, Clyde Baldwin, in South Carolina. They also have two box gardens all planted with seeds which are beginning to sprout.

Miss Nottingham's first grade has been talking about the farm. They have written farm stories and are painting farm pictures. Each is making a farm booklet to take home.

Miss Beyerlein's first grade is looking for signs of spring, and are growing forsythia in their room.

Mrs. Sickman's second grade has some beautiful birdhouses on their spring discovery table, and Parker Dean brought in a skunk cabbage. They have studied parts of a plant, and David Long brought in a tulip tree bud. Dianna Sue has presented the class with a booklet, "Attracting Birds To Your Back Yard."

Mrs. Miller's third grade has just begun the study of Holland and Miss Johnston's fourth grade has been studying the life of a little boy in the Congo basin. They are planning a large painting to show what they have learned, and are planning spring gardens.

Planetarium Visit  
Mrs. Rasmussen's fourth grade's trip to the planetarium and museum in Philadelphia was very successful.

At the Museum they saw the progress man has made in making machines and Dr. Fisher showed them the constellations and told them the myths that go with each.

Mrs. Schoyen's fourth grade is finishing writing of Roman myths and will make covers this week for their myth collection, while Mrs. Able's fifth grade is doing a unit on the Revolutionary War, planning a series of friezes depicting the high-lights of the period.

Mrs. Koelge's fifth grade had Harold Stanley—George's father—visit the class and talk about his hobby of raising, training and racing pigeons. One of his pigeons flew 600 miles home from Georgia. Mr. Stanley brought a pigeon to the school and a blue bar splash—which was released to fly home with a message fastened to its leg. The message was written by one of the pupils.

Mr. McGranigan's fifth grade is busy getting ready for an assembly program in April, and are planning a minstrel show.

Mr. Sharkey's sixth grade class is completing notebooks on China. They are also making a collection of magazine pictures illustrating the industrial development of the United States from post-Civil War days.

Miss Masor's sixth grade has a display case on China, filled with real imports of Chinese head-dresses, chop-sticks, bowls and scarves, and Mrs. Huebner's and Mrs. Grosop's classes went to the Delaware State Museum. The high-light of the trip was meeting the Governor J. Caleb Boggs.

White Clay Creek Presbyterian Church  
Tribute was paid last Sunday to Leroy Pennock who passed away last Friday. Mr. Pennock had served for 12 years as church trustee.

Little Pamela Ann, daughter of Mr. and Mrs. Douglas Robinson, of Red Mill Road, was baptised in the 11 A.M. service last Sunday.

In the March meeting of the session each elder was asked to serve as chairman of one department of church work with Frank Butterworth, Christian education chairman; Willard Johnston, evangelism; John Murray, stewardship; Nathaniel Richards, missionary education and benevolence; Pusey McCormick, choir recruitment and development; and Ralph Lindell, leadership enlistment.

Church School  
The Rev. James Bishop has been asked by the session to be the teacher of the young people's class, formerly taught by Mrs. Paul Peach.

A committee from the young adult class—Grover Hale, Harold Stanley and Willard Johnston—met last Friday to make plans for a class visitation campaign. Harold Stanley is serving as chairman of the project. Class members will meet at church next Thursday, at 7:30 p.m.

Jane Hammell, school pianist, was welcomed back last Sunday after a week's absence in Massachusetts, as an exchange student from Conrad High School.

Sunday, March 27, is set aside as the Sunday for receiving the One Great Hour of Sharing offering. Children have been saving their money in mite-boxes to share with needy children around the world. Young people and adults will use envelopes for this purpose.

The Westminster Fellowship voted \$5 to the Easter flower fund for the church, and 23 young people, parents and advisors recently enjoyed a progressive supper, beginning with worship at the manse and concluding with a program on "Pigeons As a Hobby" by Frank Butterworth at his home.

Last Sunday, the group enjoyed having members of the Red Clay Creek Presbyterian Church Junior-Hi Fellowship group as their guests. The worship period was conducted by Audrey Butterworth, with Lois Pope, Edith Anderson, Karol Finger, Thomas Davis and Carl Butterworth participating, and Edith Anderson as pianist. Colored slides of Sallman's paintings of the Life of Christ were shown and interpreted by the Rev. Bishop.

Mr. and Mrs. Grover Hale, Tommy Davis and Karol Finger were in charge of games during the fellowship period. Edith Anderson, Audrey Butterworth and Connie Cochran were responsible for refreshments.

Adult advisors will meet on Monday, March 28, at 6:30 p.m.

The Improvement Society will hold its March meeting at the home of Mr. and Mrs. John Murray next Wednesday, at 7:30 p.m. with Miss Eleanor Murray in charge of the program.

The hospitality committee consists of Mrs. John Murray, Mrs. Samuel Johnston, Clifford Lynam and Mrs. Levi Murray.

A bake and food sale is being sponsored by the Improvement Society, to be held in Newark, Thursday, April 7. Co-chairmen are Miss Elizabeth Brown and Mrs. Elmer Gallaher.

## Perkins Describes Higher Education Concepts At U.D.

University President Addresses Kiwanis On "Idea of a University"

"The University of Delaware reflects the universally accepted concepts of the best in higher education," Dr. John A. Perkins, president of the University of Delaware, told the Wilmington Kiwanis Club last week in a talk on the theme, "The Idea of a University."

The University of Delaware reflects these concepts of higher education, Dr. Perkins stated, because it is a land-grant state university with low fees, which offers a considerable amount of financial assistance to its students. This year 515 Delaware students are receiving some form of aid.

Dr. Perkins quoted the English poet John Masefield, who said, "There are few earthly things more splendid than a university."

"Its contributions are what make a university splendid," Dr. Perkins declared, "and its contributions are these: It takes the best of humans with highest ability and makes them better, more useful to themselves and to society. It transmits the best of what we know to our youth. Universities are manufacturers of knowledge as well as store-houses for it. Finally, universities contribute immeasurably to our economic progress."

American universities have been influenced by their European counterparts in many ways, according to Dr. Perkins. They have been given separate corporate status and independence, they welcome students from other cities and countries, and they have been divided into residential living units, schools and facilities in order to train men for different professions.

Dr. Perkins also discussed at length the university's request to the State Legislature for the next biennium and its needs in the years ahead.

Fels Fund Project Established Here For U.D. Research

Stanford S. Knight To Head Dynamics Center For Study Of Group Living Principles

The Fels Group Dynamics Center, a project of the Samuel S. Fels Fund devoted to research and training in group procedures, has been established at the University of Delaware. In the next six months, the staff of the center will be engaged in developing a program of research and training at the university.

Under the direction of Dr. Stanford S. Knight, the organization will be concerned with both research and application of the principles in group living.

It will integrate its operations within the educational program of the university. However, it will be established as a separate entity within the university framework.

The Fels Center staff, including Dr. John D. Ford, Jr., and Mrs. Nina S. Buckman in addition to Dr. Knight, occupied offices in Alison Hall on March 1. Although the human relations group has as part of its goal service and teaching, the initial period at the university will be spent largely in program planning.

In a recent issue of the Fels Group Dynamics Center newsletter, the organization states:

"The interest of the University of Delaware faculty and administration in group development training and research, the rural setting of the campus and proximity of urban, suburban and rural population with which to work offer what seem to be ideal conditions for the work of the Center."

All great art is the expression of man's delight in God's work, not his own.

—John Ruskin

Money for Home Repair

Almost every home needs some fixing up in Springtime. And such work on your home is well worth while—protects your investment in your property, makes living more comfortable. For home repair money come to your neighbor—Farmers Trust Office of Wilmington Trust.

## Keesey Sparks Debating Team To Recent Laurels

Dr. Ray E. Keesey joined the department of dramatic arts and speech at the University of Delaware in 1951 and almost upon his arrival began to arouse student interest in forensic activities and competitive debating.

The results of Dr. Keesey's efforts bore fruit as the University of Delaware's debate team returned recently from the Pennsylvania Inter-State Debaters Congress at Penn State University with laurels for a successful performance against 20 rival colleges and universities.

## Junior Prom Date Scheduled May 13 To Honor Seniors

Committee Chairmen Plan Annual Fete; Candidates Try-Out For Cheerleaders

Newark High School's Junior Prom in honor of the class of 1955 will be held in the gymnasium on May 13, with Ray Hitchens and his "Music Makers" providing the music.

Committee chairmen are: Music, Newwood Bonney; theme and decoration, Susan Handloff; publicity, Mary Waller; invitations, Miriam Wilson; refreshments, Sally Dinkle; program tickets, Peggy Borchardt.

Mark Hurm and Thomas Kershaw are co-chairmen of the dance.

Freshman and sophomore girls interested in cheerleading have been practicing Mondays, Wednesdays and Fridays in the playground for try-outs tomorrow, under direction of Peggy Young, captain for 1955-56. Peggy Young, Libby Woolcayhan, Carol Moore, and Carolyn Chickney are coaching the prospects, who must have good school citizenship and grades of "C" or better.

Out-going members to be replaced are Norma Gray, Gail Kaufman and Louise Lattomus.

A sport dance, sponsored by the student council to build up its treasury, will be held April 1 from 8 to 11 p.m. in the high school gymnasium.

Nancy Hopkins, head of the social committee, will head all planning committees for the dance. Thomas Kershaw is in charge of decorations and Robert Goe of publicity.

GUERNSEY SIRE  
Edwin M. Wallace, Newark, has just purchased the young Guernsey sire, Semloh Holmes Moderator, from Lewis B. Holmes, Bridgeton, N.J., according to the American Guernsey Cattle Club.

IN THE SUPERIOR COURT OF THE STATE OF DELAWARE  
IN AND FOR NEW CASTLE COUNTY

IN THE MATTER OF THE PETITION OF PETER LEON CZAJKOWSKY FOR CHANGE OF NAME

TO THE HONORABLE JUDGES OF THE SUPERIOR COURT OF THE STATE OF DELAWARE, IN AND FOR NEW CASTLE COUNTY:

Your petitioner respectfully represents:

That he was born in Chester, Pennsylvania on March 23, 1913; that his name appears on his birth certificate as Peter Leon Czajkowski; that he has always been known by the name of Peter Leon Czajka; and that all of his personal records are in the name of Peter Leon Czajka.

That he desires that his name be changed legally to Peter Leon Czajkowski, pursuant to the provisions of the Act of the General Assembly of the State of Delaware, in such cases made and provided.

That Peter Leon Czajkowski is a resident of the County of New Castle, State of Delaware, and is a citizen of the United States.

Edmund A. Tlacorella, Attorney for Petitioner, STATE OF DELAWARE } ss.

NEW CASTLE COUNTY  
On the 12th day of March, A.D. 1955, personally came before me, the undersigned, a Notary Public for the State and County aforesaid, PETER LEON CZAJKOWSKY, who upon being by me duly sworn according to law, did depose and say that he is the petitioner above named and that the facts set forth in the foregoing petition are true.

SWORN to and subscribed before me the day and year aforesaid, WITNESS my hand and seal of Office. SUGGERI (SEAL) Notary Public  
Mar. 17, 24, 31

## News Of Bear

Mrs. J. Leslie Ford, Correspondent

In Red Lion on Wednesday. He came from Middletown 39 years ago and farmed until 1950 when he sold the farm and built a home.

He was born in Middletown, son of Robert D. and Elizabeth Chesterman Ratledge. He is survived by his wife, Mrs. Gertrude E. Ratledge, two daughters Mrs. Gertrude E. R. Powell, Moylan, Pa.; Mrs. Emily R. Durborow, Lewisville, Pa.; a son, J. Edwin Ratledge of Red Lion; two brothers, Howard D. Middletown, Ernest M. Wilmington, four grandchildren and two great grand children.

Officers for Pencader Presbyterian Sunday School were elected Sunday in Superintendent J. Leslie Ford, Assistant Superintendent Robert Marvel; Secretary-Treasurer Allen P. Brown. Teachers will be appointed next Sunday.

Heien Ennis was in charge of the weekly program of the Citizenship Club on Friday. The music quiz was won by James Perlas of the sixth grade. The board of directors of Pencader Cemetery met on March 20 to plan for the future. Officers are James Frazier of Cowentown, Md., president; J. Richard Kendall, Jr., Wilmington, vice-president; Mrs. Herman Leasure, Glasgow, secretary; and Miss Mabel Harman, Townsend, treasurer.

The association was remembered in the will of the late William S. Barr of Philadelphia. Mr. Barr spent his boyhood days in this area.

Teachers' Tea  
Mrs. May B. Leasure attended a tea in Warner Hall for future teachers of Newark. Senior students of Newark High School were guests at the tea sponsored by the Newark branch, University of Delaware alumnae. Mrs. Gertrude Holloway Johnson presided.

Mr. and Mrs. Orville Davis spent Saturday with her sisters, Mrs. Bertha Jenkins and Miss Nan Hayes of Middletown.

Funeral services were held Saturday for John Thomas Ratledge, 81, prominent in the affairs of the Lebanon Methodist Church, Red Lion, where he was a member of the official board for 39 years.

Mr. Ratledge died at his home

PLYMOUTH WINS  
FOR 1955 STYLING  
OVER "OTHER 2" LOW-PRICE CARS  
BY VOTE OF ALMOST 4 TO 1

THOUSANDS PREFER PLYMOUTH'S STYLING IN NATION-WIDE SURVEY!

A well-known independent research organization asked thousands of people—in New York, Chicago, Detroit, Atlanta, Dallas, Los Angeles—to compare the appearance of '55 models of the three low-price cars. Opinions were received from men and women—from people of all ages—from owners of all the different makes of cars. The results are below.

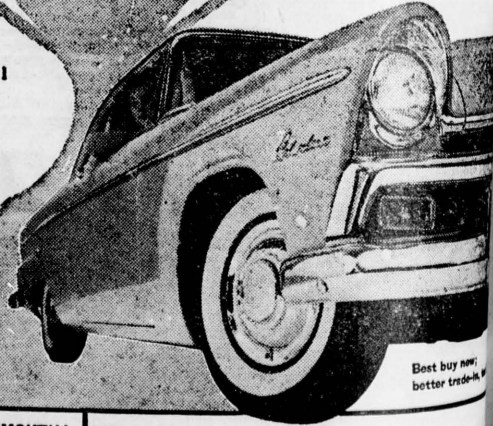

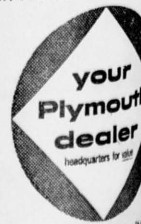

## HERE'S WHAT OTHERS THOUGHT OF PLYMOUTH!

Compared with low-price car "A"	Compared with low-price car "B"
Plymouth is better looking 62%	Plymouth is better looking 66%
Car "A" is better looking 16%	Car "B" is better looking 17%
Almost 4 to 1 in Plymouth's favor!	Again, almost 4 to 1 for Plymouth!
(22% liked "both about the same")	(17% liked "both about the same")

## HERE'S WHY YOU'LL PREFER PLYMOUTH, TOO!

Plymouth '55—with THE FORWARD LOOK—is the only low-price car to offer you honestly new styling, instead of a mere face-lifting. It's bigger than the "other 2" cars (longer than car "A" by 8.4 inches!). It's lower and sleeker, with a host of styling advances that wins the most applause in the lowest-price field. See everything Plymouth has to offer today!

Yes, the big swing is to Plymouth—See it today—drive it!

**Delaware Death Benefits**  
Top \$9 Million In 1954  
Delaware families received \$9,480,000 during 1954 in death claim payments from their life insurance companies, the Institute of Life Insurance reports. These payments

were made under 6,526 policies. The 1954 death claims compare with \$7,637,000 the year before, under 6,125 policies. "The annual flow of death claim payments in this state has risen 24 percent in the past decade," the Institute commented. "In 1944, they

amounted to \$7,319,000, under 5,804 policies. The increase has been primarily a reflection of the greater amount of life insurance owned and not a rise in death rates. Ownership of such protection in this state increased 136 percent between the start of 1944 and 1954.

**Thespian Troupe To Enter Annual UD Play Festival**  
Thespian Troupe 931 will participate in the annual play festival to be held in Mitchell Hall at the University of Delaware on May 29, June

Hawkins, president of the club, has announced. The group has selected a play considered appropriate for the occasion—"The Clod"—with the scene, a farm in the Civil War period. It illustrates the hard times experienced in that period, with a very

interesting and unusual plot. The group has selected Bur Chase for the lead role, with Susanne Adams as his wife, Ricky Thayer will play a Union soldier. Other members of the cast will be selected.

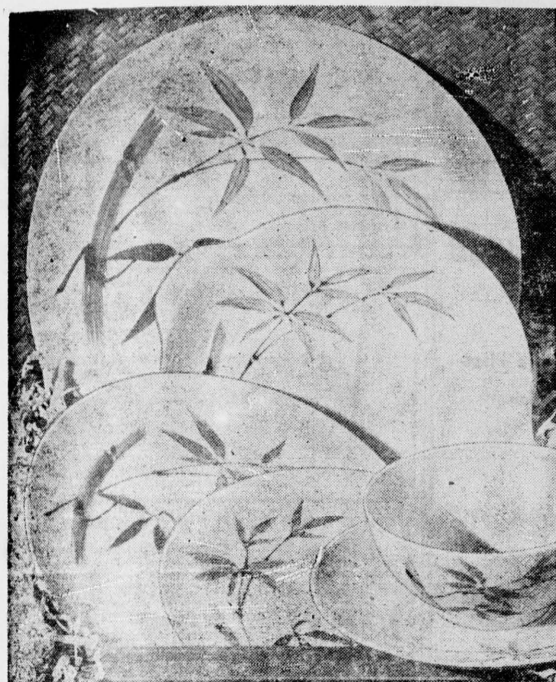

**FLY BAIT**  
Miller Chemical & Fertilizer Corporation, Baltimore, has developed a dry granular bait that attracts and kills flies, including resistant strains. Approximately three ounces sprinkled on the ground effectively control

flies in a 100 sq. ft. area. Tests around dairy and livestock farms, animal pens, and garbage dumps have indicated that this method of fly control is equally effective and more economical than costly spray programs.

## OUR DEMOCRACY — by Mat

### "HORSEBACK OPINION"

FROM THE EARLY DAYS, WHEN JUDGES RODE AROUND THEIR CIRCUITS ON HORSEBACK AND SOMETIMES DELIVERED THEMSELVES OF RULINGS WITHOUT DISMOUNTING, WE'VE DERIVED THE FIGURE OF SPEECH "HORSEBACK OPINION." IT MEANS A QUICK, NOT FULLY CONSIDERED OPINION, USUALLY GIVEN WHEN AN IMMEDIATE RESPONSE IS WANTED—AND THAT'S ITS JUSTIFICATION.

WHEN IT COMES TO VOTING, HOWEVER, IT IS OUR DUTY AND OUR PRIVILEGE AS CITIZENS TO OBTAIN AND WEIGH ALL THE FACTS WE CAN ABOUT THE ISSUES AND THE CANDIDATES, AND THEN, IN NOVEMBER, TO VOTE OUR CONSIDERED OPINION AT THE POLLS.

### WE'RE ALL COAL USERS

You, as a consumer, use coal—every day of your life! A great many people will deny that on first-glance. They never buy coal, they'll say; perhaps it's been years since they even saw a lump of it.

But the statement stands.

First of all, coal accounts for 65 per cent of all the electric power produced in this country. So tens of millions of us consume coal when we turn a light switch. In effect, the coal comes into our homes via the power wires.

It takes a ton of coal to produce a ton of steel. So, when you drive your car or use any other article made in whole or in part of steel you're a coal user.

That isn't all by any means. In late years, miracles of chemistry have transformed coal into all manner of products. These include drugs, cosmetics, synthetic fabrics, and so on down a long list. Everyone who uses these derivatives is a coal consumer.

The truth is that coal plays a vital role in the daily, routine living of almost all of us—and the experts are convinced that its role is destined to be far greater as the years roll by. That's why you have a very great interest in the preservation of a strong and adequate coal industry.

## NEWARK IN REVIEW

Twenty-five Years Ago

### No Contest

There will be no contests at the Newark annual municipal election next Tuesday afternoon during the polling hours from 1 to 4 as only one candidate has filed for each of the four city offices to be filled.

Candidates for two year terms are C. C. Hubert, eastern district; O. W. Widdows, western district; and W. J. Lovett, middle district. Henry Mote is the candidate for a year's term as middle district representative.

### County Assessment

No general increase in New Castle County assessment is contemplated, it was announced at a recent meeting of the County Board of Assessors with the Levy Court.

The only increased assessments will be in cases where properties have been improved by building construction.

### President Goes Abroad

Dr. Walter Hüllihen, president of the University of Delaware, sailed Saturday from New York on the Ascania for France where he will inspect the work and organization of the foreign study department of the local university.

### Scout Awards

Merit badges were awarded at the recent meeting of Troop 55 to Merritt Burke, Jr., taxidermy; John Geist, athletics; Wm. Merideth, marksmanship; H. Kent Preston, pathfinding; Woodrow Singles, taxidermy; Vernon West and Harry Wilson, firemanship; and Eugene White, personal health.

### Sports

Leading pitching candidates for the University of Delaware nine working out under the direction of Coach Joe Rothrock, are Sam Nickle, Slim Ryan, Jack Waddington, and Rube Hall.

Ryan was used in relief last year, while Waddington, billed with the innings, Nickle, of Clifton Heights, pitched last year for Randolph Macon, while Hall, a powerful right-hander, is a veteran varsity performer.

Izzy Reitzes, veteran backstop—ineligible last season—is back in harness, and will probably get the call, with Snowberger and Ike Warren on deck.

The tentative infield consists of Fuzzy Hill, third; Johnny Roman at short; Frank Skura at second; and Simpson, first.

In the outfield, Ace Taylor will play center, with Rod Reed and Cain as the other gardeners.

### Social

Mr. and Mrs. Frank Cooch motored to Pocomoke City last weekend where they visited his mother, Mrs. Wilkins Cooch.

Mrs. Frank Fader entertained members of the Monday Evening Card Club at her home.

Mrs. Russell Morris will entertain members of the Tuesday Card Club at her Orchard Road home this week.

### Miscellaneous

The B&O was offering a week-end excursion to Pittsburgh for \$7.25; coffee was 28 cents a pound; and at the movies it was Sue Carroll in "The Golden Call."

## How Your Washington Representatives Voted On National Affairs Last Week

Here's how members of Delaware's Congressional delegation voted last week on roll calls:

**In The Senate**  
Defeated 50-44, a Democratic proposal to include a \$20 credit for taxpayers shortly before passing by a voice vote a bill to extend for one year existing corporation and excise tax rates.

For: Frear (D).  
Against: Williams (R).  
Adopted 61-32, a committee amendment to eliminate a \$20 tax credit for each exemption and make certain technical changes in the tax bill.

For: Frear (D) and Williams (R).  
Confirmed 71-11, the nomination of John Marshall Harlan to be an associate justice in the U. S. Supreme Court.

For: Frear (D) and Williams (R).  
Confirmed 71-11, the nomination of John Marshall Harlan to be an associate justice in the U. S. Supreme Court.

For: Frear (D) and Williams (R).  
Confirmed 71-11, the nomination of John Marshall Harlan to be an associate justice in the U. S. Supreme Court.

For: Frear (D) and Williams (R).  
Confirmed 71-11, the nomination of John Marshall Harlan to be an associate justice in the U. S. Supreme Court.

For: Frear (D) and Williams (R).

## PERSONALS

Mr. and Mrs. G. Selby Jarmon of Barksdale Road have returned from a vacation to Miami, Florida.

Mr. and Mrs. W. Ellis Brown and Mr. and Mrs. Oliver P. Watkins were among dinner guests on Sunday at the home of Mrs. Murray Ewing, Park Circle, Elton, honoring Mrs. Brown's birthday which she is observing today. Other dinner guests included Mrs. Brown's sister, Mrs. R. Van Sant of Delaware; Mrs. Harvey Kirk, Delmar; and her nephew and wife, Mr. and Mrs. Bayard K. VanSant of Wilmington.

Richard L. Dayton, a student at University of Virginia, Charlottesville, spent the past weekend at his home here.

Mrs. Annie B. Timmons and Mr. and Mrs. George Mitchell of Millsboro were Sunday guests of Mr. and Mrs. Larry W. Timmons, 1017 Nottingham Road.

Benjamin D. Day, son of Mr. and Mrs. C. R. Day of 216 Dallow Road, has been placed on the honor roll at Wesleyan University in Middletown, Conn. He is a freshman at Wesleyan and a graduate of Tower Hill School, Wilmington.

Mrs. Harvey B. Steele, of Amstel Avenue, who has spent the past six weeks in Lakeland and St. Petersburg, Fla., has returned home.

Mrs. F. A. Weihe, of Cooch's Bridge, is spending the winter in Madison, Ga., with her son-in-law and daughter, Col. and Mrs. E. T. Newton.

Dr. and Mrs. Robert H. Duennen, Old Oak Road, have returned home after spending the winter in Del Ray Beach, Florida.

Lt. and Mrs. Jack Tebo and two children of Mt. Holly, N.J., were weekend guests of Mrs. Tebo's parents, Mr. and Mrs. Bernard Weimer, South College Avenue.

Dr. William V. Smith, chairman of the Department of Physics at the University of Delaware, has been named to head the board of judges which will officiate at the third annual Delaware State Science Fair to be held April 20-23, at Tower Hill School Gymnasium.

The Rev. Dr. John J. Bunting, Jr., is the author of a sermon "Feared" appearing in the April issue of "The Upper Room Pulpit."

Miss D. Marie Gregg of Newark, president of the auxiliary of the New Castle County Volunteer Firemen's Association, installed new officers of the Cranston Heights Fire Company auxiliary at an annual banquet Wednesday in Kent Manor Inn. Thirty-one members and guests were present.

Mrs. Elizabeth Elliott, president, welcomed the guests and was installed for another term in the office.

Mr. Charles T. Allen of the Cedar security chairman for the Department of Delaware, American Legion Auxiliary, has announced that the title of the essays for the annual "Why I Teach" Contest, sponsored by the American Legion Auxiliary, is "A Teacher's Contribution to Our National Security."

Information about the contest may be obtained from Mrs. W. F. Lindell, National Security Chairman of the J. A. O'Daniel Unit No. 10.

Maj. Gen. John W. (Iron Mike) O'Daniel announced drastic plans today to streamline free south Vietnam's army and transform it into an effective modern fighting force.

O'Daniel, head of the U.S. military mission rebuilding the Vietnamese army, told a press conference more than half—about 120,000—of the 230,000 troops now under arms will be discharged and the remainder trained and equipped along the lines that revitalized native forces in South Korea.

Among the officers elected were: Mrs. J. Pearce Cann, vice regent.

Mr. and Mrs. Vernon Burris of Woodcrest have just returned after two weeks in Florida. They were accompanied by Mrs. Burris' mother, Mrs. George W. Murray, of Barksdale Road.

Sheldon A. London, 24-year-old student from Highland Park, N.J., has been awarded a National Science Foundation fellowship of \$1,950 for one academic year by the National Research Council, according to information received by Dr. James C. Kakavas, chairman of the department of biological science.

Mrs. David Eastburn was elected regent of the Delaware State Society, Daughters of American Colonists at the seventh annual state assembly held recently at The Hob Tea Room, Wilmington.

Washington's famous cherry trees, a big attraction for tourists each spring, are expected to bloom about March 28 and to continue in bloom through the first week in April.

Robert F. Yoder, of 8 Caldwell Place, a graduate of the Newark High School in 1932 has qualified for the Adjutant General's Corps of the army. He enlisted for three years and will go to Fort Jackson, S. C.

A nine-member committee appointed to consider the preservation and restoration of the old State House at New Castle plans to inspect the former state capitol, where the first separate Delaware Assembly met 250 years ago last fall.

Leon de Valinger, state archivist as chairman of the committee, named by the Governor.

Mrs. D. Marvel Phillips, new president of the Junior Board of Riverside Hospital, Wilmington, and Mrs. Paul D. Lovett, Treasurer, of Old Oak Road were installed at the annual meeting this week in the hospital board room.

A meeting of the June Fete committee followed the general board session. The affair will be held Saturday, June 4 on the hospital grounds.

Dr. Walter A. Dew, veteran Boy Scout leader in Delaware and West Virginia, was toastmaster Tuesday night at the annual dinner of the Council of Bridge District, Del-Mar-Va Council, Boy Scouts of America.

The affair will be held in the Krebs School cafeteria at Newport.

Mrs. Stewart Taylor of Vineland, N.J., consultant from the national office of the United Church Women, will visit Delaware March 23 to conduct two briefing sessions for members of the United Church Women of Delaware who will speak at various churches during April, which has been designated as Council Month.

Mrs. Taylor will speak to members of the Wilmington, Newark and Lower New Castle county councils at 8 p.m. in Hanover Presbyterian Church.

Dr. John A. Perkins, president of the University of Delaware, Monday greeted a delegation of 100, headed by Mrs. Clarence Frain, which met on the Newark campus to observe "Know Your University Day."

The occasion was sponsored by the university's advisory committee on the education of women.

The birthday of Edward W. Cooch, Jr., an attorney for the Levy Court of the New Castle County, was observed yesterday by the court staff. Clerks of the court surprised Mr. Cooch with a cake.

Miss D. Marie Gregg of Newark, president of the auxiliary of the New Castle County Volunteer Firemen's Association, installed new officers of the Cranston Heights Fire Company auxiliary at an annual banquet Wednesday in Kent Manor Inn. Thirty-one members and guests were present.

Mrs. Elizabeth Elliott, president, welcomed the guests and was installed for another term in the office.

## Boy Scout Troop Conducts

**Brookside Court Of Honor**  
Boy Scout Troop 232 of Brookside held a court of honor at the Brookside Community Building last week at which Charles (Bucky) Eilers was awarded the first class badge.

A librarian award went to John Shugard.

The troop committee elected new officers for the scout year in Norman Kugel, chairman; Kenneth Weibling, secretary, and Robert Miller, treasurer.

They will replace this year's officers who are Charles Eilers, chairman; Herman Mintzloff, secretary, and Mr. Kugel, treasurer.

O'Daniel is a one-time resident of Newark.

Two scholarships, instead of one, will be awarded to two worthy seniors at Newark High School this year by the Newark Rotary Club in observance of the 50th anniversary of Rotary International.

Mr. and Mrs. John R. Barnes, St. Francis Hospital on March 16, a son.

Mr. and Mrs. Robert Webber, Brookside, the Memorial Hospital, March 16, a son.

Mr. and Mrs. Orval Lovett, Kenmar Drive, at The Memorial Hospital, March 17, a daughter.

Mr. and Mrs. Walter Cole, at the Memorial Hospital on March 18, a son.

Mr. and Mrs. John Cornwell, Brookside, at the Delaware Hospital on March 20, a son.

Mr. and Mrs. Theo Coveleski, Newark-Appleton Road, at the Wilmington General Hospital on March 20, a daughter, Barbara Ann. There are also two sons, Ted and Johnny, in the family.

Mr. and Mrs. Albert Conaway at the Wilmington General Hospital on March 21, a son.

Mr. and Mrs. Thomas Harrison at the Wilmington General Hospital on March 21, a son.

Mr. and Mrs. Norman Couden at the Memorial Hospital on March 22, a son.

Mr. and Mrs. C. Fred Lidantz, May's Landing, N.J., announce the birth of a daughter, Wendy Lee, on March 15 at the Shore Memorial Hospital, Summers Point, N.J. Mrs. Lidantz was the former Phyllis Ann Harrison, daughter of Mr. and Mrs. Kinsey C. Whiteman.

Mr. and Mrs. James Grubb at the Wilmington General Hospital on March 19, a son.

Mr. and Mrs. Charles Hunter, at the Wilmington General Hospital on March 20, a daughter.

Mr. and Mrs. Lester Presnele at the Wilmington General Hospital on March 20, a son.

Mr. and Mrs. Howard Walstrum at the St. Francis Hospital on March 20, a son.

Mr. and Mrs. Roy Matthews at the Wilmington General Hospital on March 16, a daughter.

Mr. and Mrs. John R. Barnes, St. Francis Hospital on March 16, a son.

Mr. and Mrs. Robert Webber, Brookside, the Memorial Hospital, March 16, a son.

Mr. and Mrs. Orval Lovett, Kenmar Drive, at The Memorial Hospital, March 17, a daughter.

Mr. and Mrs. Walter Cole, at the Memorial Hospital on March 18, a son.

Mr. and Mrs. John Cornwell, Brookside, at the Delaware Hospital on March 20, a son.

Mr. and Mrs. Theo Coveleski, Newark-Appleton Road, at the Wilmington General Hospital on March 20, a daughter, Barbara Ann. There are also two sons, Ted and Johnny, in the family.

Mr. and Mrs. Albert Conaway at the Wilmington General Hospital on March 21, a son.

Mr. and Mrs. Thomas Harrison at the Wilmington General Hospital on March 21, a son.

Mr. and Mrs. Norman Couden at the Memorial Hospital on March 22, a son.

Mr. and Mrs. C. Fred Lidantz, May's Landing, N.J., announce the birth of a daughter, Wendy Lee, on March 15 at the Shore Memorial Hospital, Summers Point, N.J. Mrs. Lidantz was the former Phyllis Ann Harrison, daughter of Mr. and Mrs. Kinsey C. Whiteman.

Mr. and Mrs. James Grubb at the Wilmington General Hospital on March 19, a son.

Mr. and Mrs. Charles Hunter, at the Wilmington General Hospital on March 20, a daughter.

Mr. and Mrs. Lester Presnele at the Wilmington General Hospital on March 20, a son.

Mr. and Mrs. Howard Walstrum at the St. Francis Hospital on March 20, a son.

Mr. and Mrs. Roy Matthews at the Wilmington General Hospital on March 16, a daughter.

Mr. and Mrs. John R. Barnes, St. Francis Hospital on March 16, a son.

Mr. and Mrs. Robert Webber, Brookside, the Memorial Hospital, March 16, a son.

Mr. and Mrs. Orval Lovett, Kenmar Drive, at The Memorial Hospital, March 17, a daughter.

Mr. and Mrs. Walter Cole, at the Memorial Hospital on March 18, a son.

Mr. and Mrs. John Cornwell, Brookside, at the Delaware Hospital on March 20, a son.

Mr. and Mrs. Theo Coveleski, Newark-Appleton Road, at the Wilmington General Hospital on March 20, a daughter, Barbara Ann. There are also two sons, Ted and Johnny, in the family.

Mr. and Mrs. Albert Conaway at the Wilmington General Hospital on March 21, a son.

Mr. and Mrs. Thomas Harrison at the Wilmington General Hospital on March 21, a son.

Mr. and Mrs. Norman Couden at the Memorial Hospital on March 22, a son.

Mr. and Mrs. C. Fred Lidantz, May's Landing, N.J., announce the birth of a daughter, Wendy Lee, on March 15 at the Shore Memorial Hospital, Summers Point, N.J. Mrs. Lidantz was the former Phyllis Ann Harrison, daughter of Mr. and Mrs. Kinsey C. Whiteman.

Mr. and Mrs. James Grubb at the Wilmington General Hospital on March 19, a son.

Mr. and Mrs. Charles Hunter, at the Wilmington General Hospital on March 20, a daughter.

Mr. and Mrs. Lester Presnele at the Wilmington General Hospital on March 20, a son.

Mr. and Mrs. Howard Walstrum at the St. Francis Hospital on March 20, a son.

Mr. and Mrs. Roy Matthews at the Wilmington General Hospital on March 16, a daughter.

## Newark High Letter-Winners Named For Basketball Season

Athletic Director Ray Ciesinski Announces Athletes Winning Basketball Letters; Ten Boys, Nine Girls To Receive Varsity N's; Seven and Eight Win JV Letters

Newark High School varsity and junior varsity letter-winners have been announced by Athletic Director Ray Ciesinski for their performance during the 1954-55 basketball season. Ten boys and nine girls of the Yellowjacket varsity squads will receive the highly-prized athletic awards, and seven boys and eight girls have won their junior varsity emblems.

Boy varsity letter-winners include seniors Burt Chase, Larry Blazotto, Robert Gore and Wright Poffenberger, and juniors Robert Downes, Ray Klapinsky, Ed Chase, Joseph Leeman, Lee Schaffer, and James Martin.

### Girl Winners

Members of the girls' varsity squad who were awarded letters are Carolyn Chalmers, Peggy Borchardt, Carolyn Jones, Sue Smith, Pat Seni, Sue Gore, Susan Handloff, Ginny Hurn, and Sue Adams. Virginia Poffenberger and Joan Mowll were awarded letters as team managers.

Junior varsity basketball letters were awarded to Robert Conway, Ned Ludlow, Ted Boutin, Lou Scarborough, Fred Gainer, Fred Borchardt, and John Heintzenroder of Coach Al Brayman's squad, while girl jayvee letter-winners are Roseann McMillen, Winifred Hall, Nellie Bradford, Leona Thompson, Carolyn Chelley, Margie Hein, Carol Moore, and Mary Jean Astolfi.

### Full-Timers

Klapinsky, Downes and Lehman played in each of the 19 games scheduled by the Yellowjacket varsity, with Ray the leading point-maker with a total of 277 for the season.

Jim Martin, who played in 18 tests, was runner-up in the Newark scoring department with an impressive 203 total, while every-game Lehman contributed 176 points during the campaign. Downes scored a total 141.

### Pimlico Dixie Handicap To Inaugurate Turf Test

For the first time since it was the initial stakes run at Pimlico back in 1870, the famous Dixie Handicap will be contested over a turf course. This move was decided upon by the Maryland Jockey Club following the great increase in the popularity of grass racing.

## Three Bid For Top Quarterback Post In Spring Drills

Freshman Larry Catuzzi  
Vies With Bob Hooper,  
Bill Green As Starter

The battle for the first-string quarterback position on the Delaware football team has been intensified by the rapid progress of freshman field general Larry Catuzzi of Carlstadt, N.J. Previously considered a position for either veteran Bob Hooper or transfer Bill Green, the quarterback slot is now up for grabs.

Although guiding the Blue Hen freshmen to a victory over the Temple freshmen and snapping the six-game winning streak of the Dover Air Force base team, Catuzzi was not considered a serious contender until recently. However, the 6-0, 165-pound athlete from Carlstadt, moved to the second-team level after only two weeks of spring drills.

Playing three years of football in high school, first as an end and then as a quarterback, Catuzzi was selected as quarterback of the first team All-Passaic Valley Conference and first team All-State. Under his leadership the East Rutherford High School team twice finished second in the Passaic Valley Conference.

Accustomed to the split-T and straight T formations in high school, Catuzzi experienced little difficulty in adjusting to the wing-T system employed by Delaware head coach Dave Nelson.

During spring practice, Catuzzi has been coached by Harold Raymond, former Michigan football player who is now the Delaware backfield coach, and Don Miller, Little All America quarterback who finished his fourth season with the Hon eleven last fall after starting every game for Delaware since 1951.

At the conclusion of spring football practice, Catuzzi plans to play freshman baseball. As a high school athlete he played three years of baseball and two years of basketball. A physical education major at Delaware, Catuzzi plans to work in the physical therapy field after graduation.

## Dale Boyd Chosen Hen Mat Captain For Second Year

Dale Boyd, 123-pound mat star from Drexel Hill, Pa., has been reelected captain of Delaware's varsity wrestling team. He won 19 matches, including 12 by pins, in leading the Hens through their recent 4-4-1 season.

Boyd is the second wrestler in the history of the school ever to serve a second term as team captain.

Ted Youngling, now assistant football coach at the University of Oklahoma, was the only other man to be so honored, captaining Delaware teams in 1948-49 and 1949-50.

Sports Spectators Gain, Players Drop, Says Field

Bryan Field, vice president and general manager of the Delaware Steeplechase and Race Association, says the speaker Sunday at a communion breakfast of the Holy Name Society of St. Peter's Cathedral.

Speaking on sports, Mr. Field said that during the past 50 years, spectators have increased all along the line while the number of persons actively participating in games and events has decreased.

## SPORTS FLASHES

by J. G. Taylor Spink

The ten-cent tip is now a thing of the past in baseball. Casey Stengel has sounded the death knell, once and for all. The official funeral of the Dime Tip has been held in the camp of the New York Yankees. Stengel officiated, through the medium of an order posted on the clubhouse bulletin board.

Sports writer Dan Daniel has been around a long time and has seen many training camps. But he says, never before can he remember any such bulletin, denouncing a minimum tip.

Dead Long Ago  
In general, Daniel says, the dime tip in the majors had died out some years ago. But its official obituary had not been written until Stengel wrote it. The new order on tipping was one of four points tacked on the bulletin board. Players staying at the Soreno Hotel in St. Petersburg were to respect the 8 o'clock rising call. They were to be in uniform at Miller Huggins Field before 10:30 in the morning. They were to be careful about their dress, wearing a jacket at all times around the hotel, and a necktie for dinner. And—as to tipping—they were to leave no less than 25 cents at breakfast, and at least 50 cents at dinner.

New Order  
It is conceivable, says Daniel, that Casey's bulletin was a result of the new order under which the players make demands of club owners. Why not demands by the manager on the players? Especially, says Daniel, since the players are allowed \$25 a week for expenses during spring training.

This story isn't meant to imply that tipping only dime was general among the Yankees. But here and there, it was happening. Kids just out of the blue don't always have the generous impulse, since life for them in the minors hasn't been lavish.

The Ruthian Era  
Back in the Babe Ruth days, not only the Yankees but ball players in general were good tipsters. It was the Babe Ruth influence. He was a heavy tipper. But with his passing, tipping reverted somewhat to normal. And then came the 25-dollar weekly grant, to revise standards again.

In the old days, Daniel said, the dime tip wasn't unusual because the players were shelling it out of their own pockets. And their salaries were nowhere what they are today. Nowadays a big league player may not be paid less than \$8,000.

\$6,000 Tip  
There was a time when \$6,000 was the pay of only a few of the top stars. The great Christy Mathewson never got more than \$10,000 a year from the Giants, and Walter Johnson's pay as a pitcher was only \$12,000 at his peak.

Of course, there were no income taxes then, and a dollar was worth 100 cents. Even so, paychecks were small, and a dime was a dime. As for the player of today, he is paid pretty well, he gets his weekly grant, and he's aware of public reaction. The influx of college men had some effect on tipping. They brought with them new notions of dress, perhaps better manners. In Daniel's words, they chased Elmer the Great completely out of baseball. Elmer, it may be said, took the Dime Tip with him. Now Casey Stengel has made it official.

Payroll Problem  
Major league club owners have to shell out nearly \$100,000,000 to meet their payroll this year. Ten millions. It's a new all-time high.

In the face of no higher returns, even diminishing returns, the salaries of players, managers and coaches have kept going up. There was a time, when club owners weren't overly concerned about rising payrolls. They were frightened rather by rising overhead in other directions, especially upkeep of parks, taxes, and the outlay for farm systems. But now, with payrolls at new peaks, the magnate club owners are considering the problem seriously.

New Pay Records  
The New York Giants this year have a payroll of \$550,000 an all-time high for the National League. In the American League, the Cleveland Indians say they have set a new major league mark of \$675,000. The old high of \$640,000 was credited to the New York Yankees. The Cardinals have a new high mark of a half-million dollars, and so have the White Sox.

Baseball just isn't geared to the ten-million payroll figure, which comes on top of taxes and other overhead, because it hasn't done anything serious about raising admission prices. It's the only activity catering to the public that hasn't boosted its admissions.

No End In Sight  
George M. Egan, general manager of the Yankees, told the Sporting News while the rise in payrolls for players, managers and coaches has been a matter of concern for the past ten years, it's really a serious problem now.

Some 20 years ago, he said, Yankee payrolls ran to about \$250,000. Now they run over the \$900,000 mark. Yet, he went on, nobody will take a cut. Even though the Yankees lost the pennant in 1954, the players demanded for 1955 as much or more as they got last year. Only a few reductions were made.

"Where," asked Weiss, "do we stop? When someone goes broke? That's a rough way to size up the situation, but it's true."

Christianity has not been tried and found wanting; it has been found difficult and not tried.  
G. K. Chesterton.

## Hen Track Team Wallops Towson In Practice Meet

Dick Saunders Leads U.D.  
With Individual Wins In  
High Hurdles, High Jump

The Delaware track team scored an impressive 9-12 victory over visiting Towson, Md. State Teachers College in an informal indoor practice meet in Carpenter Field House last Saturday as the Blue Hens scored 12 first places in 13 events in their second trial of the Delaware indoor season.

Senior class president Dick Saunders led the Hen trackmen by scoring two individual wins, in the 50-yard high hurdles and the high jump. His time in the hurdles, 0:07.1, was one-tenth of a second off the Delaware indoor mark.

In the high jump, Saunders tied for first with John Simpson with a leap of five feet, eight inches.

Dante Marini, cross country star, had the track to himself as he covered the two-mile stretch in 10:49.4, less than two seconds off the Delaware record posted by Hen runner Jim Glick in 1953.

Last Sunday, on the day following a long haul from Newport to Seaford, Ted Maxwell decided to do his fishing within a more restful radius of base operations. Accordingly, after a very brief respite from the angling effort expended along the Nanticoke, sandwiched in between two 90-mile legs of Delaware highway travel, he betook himself to headwaters of the Christina near Smalley's Dam.

A goodly crowd was there, fishing with varied and sundry lures in the foam-flecked tumblehole, and before an attentive audience, Young Maxwell tilted into the fish of the year—of many years.

A Five-Pounder  
A five pound large-mouthed black bass jumped the season and all over that particular pool of the Christina in walloping down an attractively presented live bullhead. Ted eventually won the decision, lifting a magnificent fish from an unpromising pool before what may or may not have been an uncompromising, but certainly was an envious audience.

"What did I do?" he said later with rising infection. "I put him back, that's what I did. What else could I do with all those guys looking on. The biggest bass I ever caught, and it had to be out of season. And with a hundred people watching. Well, a dozen, anyway."

Elbow Room  
"There were so many people fishing around the shoreline at the upper end of the pool, that I had to fish downstream away to have room. And right where the river pours out of the tumblehole, beside a big log, I saw this whopper jump—clear out of the water. No one else saw him—they were all watching their floats in the big pool where they were catching a few little yellow heads—and I dropped my minnow just upstream from where he jumped."

The current carried my cork line down to the log, the float almost swept by, and then it went down with a pop. Boy, what a fish. He tore all over that pool—jumped a couple of times and churned the water like a porpoise—and it was a question of who had who. I finally caught him, but he's right back there today, unless someone else got him later."

At Middleford, the Saturday weather was Aleutian-like and the fish in the main stream of the Nanticoke were no more active than a television set with a defunct picture tube. While a pair of minnows swam unmolested beneath the idle bobbers, we broke out the fly rods and explored the clear, dark brown water of the deeper pools, the shallows along the sand bars and grass beds, and even tried an overhead tree or two with bucktails, small spoons, pork rind and spinners without a slough.

Crossing the road to a backwater slough off the river, we tossed a minnow onto the still surface, and before the ripples had disappeared from the surface disturbance of that first cast, the cork bobbed—moved off in a racing V—and then quietly sank into the brown depths.

And the cork stayed down while the line trailed limply from the rod tip into the water. Long moments dragged by and then the line tightened, the red tip plucked and yellow began purring off the reel as the fish made its move. A snap of the rod met with springing, vibrant resistance, and the first pickering of the day came bouncing ashore.

The slough proved to be heavily populated with pickered and yellow perch, and when our string of captive fish developed impressive proportions, we transformed some cold, crisp pike into hot, gold fillets, crisp and smoking in the iron skillet over a fragrant fire beside the water.

At Home  
And just outside of Newark, Walter Sparks and Rip Smith had a cold day with the White Clay Creek suckers on Sunday. Lashing a pair of 10-ft. bamboo poles together for increased range, the two local sucker snatchers selected and snatched four of the biggest fish from a school of eight—two pounders, too—with a bare, shining hook.

The Newark Post, Newark, Delaware, Thursday, March 24, 1955

## Ray Klapinsky In Top 10 Of County Cage Scoring

Ray Klapinsky, Newark varsity basketball forward, was 10th among the high scoring schoolboy cagers in New Castle County for the past cage campaign.

Ray played in a total of 19 games and scored 120 field goals and 37 foul shots for a total of 277 points. His high-scoring performance for a single game was a total 23.

## Jack Waddington Tops Pointmaking Hens With 279

Green, Pete Kelleher  
Runners-Up With 253,  
204 For Past Season

Jack Waddington, 6-5 center from Salem, N.J., was the leading point-maker for Delaware's basketball Blue Hens the past season.

The only Delaware player to compete in all 22 contests, Waddington connected with 89 field goals and 100 free throws for 279 points, an average of 12.7 per game. His foul throw total of 101 and field goal percentage of 42.18 both were high marks for the season. The towering center also led his team in rebounds averaging 12.5 per game.

Dallas Green, selected on the Middle Atlantic Conference first team, set a blistering pace during the last half of the season to emerge as the second-ranking scorer with 253 points. Tops in the field goal department with 96, the 6-5 junior out of Conrad High connected for 59 free throws to rank second behind Waddington in foul shooting.

Co-captain Pete Kelleher averaged 10.2 points per game in 20 tilts to bring his total to 204 at the season's end. Kelleher and Co-captain Don Miller, who registered 106 points, were the only seniors on the squad.

Jim Smith poured in 24 points against Hofstra in the latter team's Holiday Tournament to win individual game scoring honors for Delaware, while Waddington's 10 free throws scored on the same occasion is also a season high mark for the Hens. In an earlier game with Lafayette, Smith garnered 10 field goals for another Delaware high mark. In Delaware's 69-62 conquest of Rutgers early in the season, Waddington picked off 22 rebounds, the most collected by a Delaware player in a single game this season.

## Tom Duff Selected Captain Of Swim Squad At Delaware

Second-Ranked Swimmer  
Of Hens Past Campaign  
To Lead 1956 Varsity

Tom Duff, University of Delaware breaststroke racer from Glenside, Pa., has been elected captain of the Blue Hen swimming team for 1955, swimming Coach Harry Rawstrom has announced.

Described by the Delaware swimming tutor as "a boy who works hard and will be a good leader," Duff has been a consistent point-scorer during his two years on the varsity.

In the past season, Duff accumulated 55 points to become the second-ranking Delaware swimmer of the campaign. In post-season efforts he scored second places in the Middle Atlantic in the 200-yard breaststroke and was a member of the fifth-place 400-yard relay team.

Traveling to Rutgers University for the Eastern Collegiate Swimming Association championships, Duff finished second behind Delaware captain Bob Wagner in the 200-yard butterfly event and fifth in the 200-yard orthodox breaststroke.

Duff also made a noteworthy showing in his sophomore year, scoring 56 points.

As a freshman the Delaware breaststroke artist established first year records of 1:08.6 in the 100-yard breaststroke and 1:47.4 in the 150-yard individual medley.

In addition, he teamed with backstrokeer Bruce Stewart and freestyler Fred Freibort to complete the 311.3 300-yard medley relay in a record 3:11.3.

## Douglas Trails Middlecoff By 10 At St. Petersburg

Dave Douglas, firing away along the tournament trail at St. Petersburg, Fla., finished 10 strokes off Cary Middlecoff's Open-winning pace last Sunday with a 284.

Davey checked in with a final round 68 while Ed Oliver of Wilmington, carded a 75 for a 72-hole total 289.

Dave scored a total 147 with a 74 and a 73 for a \$25 slice of the \$10,000 Seminole Pro-Amateur Golf Tournament at Palm Beach on Tuesday.

## 2d Annual High School Clinic To Begin Here Fri

Trophy To Be Awarded High School "Coach Of The Year" At Banquet Tomorrow Night; Newark High School Scotty Duncan Heads Committee Of State Grid

The second annual Delaware High School Football Clinic will begin tomorrow at the University of Delaware and the inaugural "Coach of the Year Trophy" will be presented to a Delaware high school coach at the banquet held in Old College Hall tomorrow night.

Initiated last spring as the result of a suggestion by Newark High School Football Coach Raymond Duncan, this year's meeting will serve as an organizational session as well as a football conference.

Formal Organization  
In addition to the football lectures and demonstrations, plans are being made to formally organize the Delaware high school coaches as the Delaware Interscholastic Football Association.

Clinic proceedings will begin with registration at 8:45 p.m. tomorrow, followed by a banquet at Old College Hall. After-dinner items include a message by Delaware head football coach Dave Nelson and the presentation of the "Coach of the Year Trophy."

## Capt. Dallas Green Selected To Lead Basketball Hens

Dallas Green has been elected captain of the Delaware basketball team for the 1955-56 season, succeeding co-captains Pete Kelleher and Don Miller.

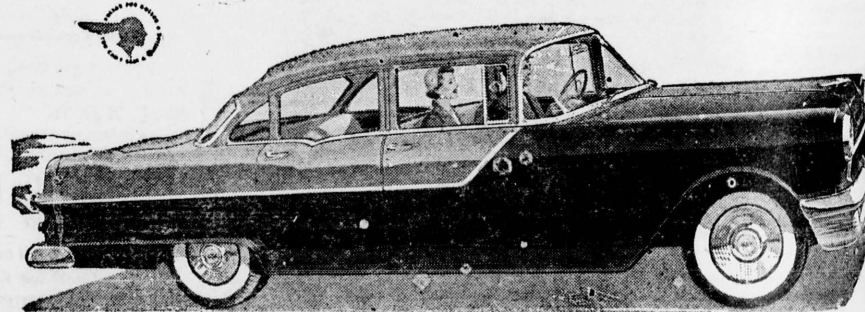

A former Conrad High star, the 6-5 Blue Hen forward ranked second in scoring on the Delaware team this season with 253 points. Green led the Delaware squad in field goals and was second highest in free throws and rebounds. His scoring average was 12.68 points.

In a recent balloting of the coaches of the Middle Atlantic Conference, Green was voted a berth on the first team, the only Delaware player to receive this honor this season.

As a sophomore, Green was the fourth-highest scorer on the team with 142 points. As a freshman, he was a member of the 1952-53 squad that compiled a 10-0 log to win the Middle Atlantic Conference freshman-junior varsity title.

"This is from your brother cow dealer."—A note from man.

# Most Powerful Car at its Price!

Come in and try the sensational performance of Pontiac's 200-HP Strato-Streak V-8!

If all the talk about horsepower has left you confused, let this one simple fact set you straight.

Model for model, the sensational new Pontiac Strato-Streak V-8 delivers more horsepower per dollar than any car in its field.

And that fact holds good whether you specify the four-barrel carburetor—a low-cost option that puts 200 eager horsepower under Pontiac's handsome hood—or the regular 180-horsepower Strato-Streak V-8.

The Strato-Streak V-8, part and parcel of every Pontiac, promises performance as fresh and distinctive as Pontiac's Twin-Streak styling and Vogue Two-Tone beauty—with traditional Pontiac dependability and the greatest economy in Pontiac history.

But Pontiac's extra value doesn't stop with power. Its Shock-Proof chassis, wide-stance rear springs, long 122" or 124" wheelbase, recirculating ball steering and bigger brakes provide fine-car comfort and handling.

Come in at your first opportunity and road-test Pontiac's spectacular Strato-Streak V-8 performance and you'll quickly see why sales are now at an all-time high!

You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped, economy models of higher-priced makes!

Look high and low . . . and you'll go

Pontiac

## Cooch's Bridge District Dinner Held For Scouts

Andrew Maisano Speaks  
On Benefit Of Scouting  
In Past War Experience

The annual dinner of the Cooch's  
Bridge District, Del-Mar-Va Coun-  
cil, Boy Scouts of America, was held  
last Tuesday, at 6:30 p.m. in the  
cafeteria of Krebs School, Newport.

Andrew Maisano of Newark,  
formerly a scout and now a scout  
leader in the district, spoke on  
the theme "Once a Scout," describ-  
ing how his scout training helped  
him during World War II. Some of  
these experiences included having  
his ship torpedoed in Narvik, Nor-  
way, by the Germans, an escape  
across Siberia, and a later rise  
through the ranks to command his  
own Merchant Marine vessel.

Mr. Maisano was introduced by  
Dr. Walter A. Dew, his former  
scoutmaster, who was master of  
ceremonies.

Other program highlights includ-  
ed election of district officers and  
the presentation of training awards,  
service awards, and the Order of  
Merit. The Rev. Jack H. Smith, re-  
ctor of St. Barnabas Episcopal  
Church, delivered the invocation.

Displays of scoutcraft and scout  
skills were set up by several of the  
district troops, Cub packs, and Ex-  
plorer units, and a tableau closing  
the program was presented by John  
Bassett Moore Post 40, Explorers,  
sponsored by Westminster Presby-  
terian Church.

Martin Heim was in charge of  
meal preparation.

## Traffic Violators Likened By Ashton To Card Chiselers

Delaware Safety Council  
Head Cautions Motorists  
To Heed Traffic Rules

Have you ever chuckled at the  
fellow who cheats at solitaire?  
If you have, you'll probably be  
interested in the views expressed  
by J. James Ashton, manager of  
the Delaware Safety Council today

as he discussed the know and obey  
traffic laws program which the  
Delaware Safety Council is conduct-  
ing in cooperation with the Nation-  
al Safety Council.

Mr. Ashton says many of us dupli-  
cate the chiseling solitaire player's  
tactics when we drive in traffic—  
sneaking through a stop light, driv-  
ing a few miles over the speed limit  
or otherwise disobeying traffic laws.

"Traffic laws are made for our  
protection and we're obviously  
cheating ourselves when we dis-  
obey them," he said. "And what's  
more, our irresponsible conduct also  
exposes anyone else on the road to  
danger."

Those of us who excuse our reck-  
lessness by saying we only disre-  
gard traffic laws when it's safe to  
do so came in for a special word of  
advice.

"We're just kidding ourselves  
when we come up with that alibi,"  
he said. "It's never safe to disobey  
traffic laws."

"Here's an example," Mr. Ashton  
said. "You may be driving along  
a residential street, and because  
there is no traffic at the moment,  
you may think it isn't necessary  
to stay within the posted limit of  
20 m.p.h. Suddenly a little girl  
bounds out in front of your car.  
Her life depends on how fast you  
are stopping. You didn't know it, but  
there are many youngsters living  
in the neighborhood and the people  
who set the speed limit were provid-  
ing for just such an emergency  
as this."

Mr. Ashton urged Delaware drivers  
not to cheat themselves by dis-  
obeying the law.

"It may be fun to fool yourself at  
solitaire," he said, "but it can be  
just plain fatal to fool yourself in  
traffic."

## Veterans' Corner

Provided by The  
Veterans' Administration  
Information Service

Questions and Answers  
Q—I pay my GI insurance prem-  
iums once a year in advance. If I  
die, what will happen to the money  
that has not yet been applied to  
premiums?

A—The money, earmarked for  
premiums beyond the month during  
which death occurred, will be re-  
funded to your beneficiary in a  
lump sum.

Q—I understand that veterans dis-  
abled in service after January 31,  
1955, may receive disability com-  
pensation at peacetime rates—80  
percent of the wartime scale. Are  
there any conditions under which  
these veterans may get the full war-  
time rate?

A—Yes. Disabilities resulting di-  
rectly from armed conflict, or from  
extra-hazardous service—including  
service under conditions simulating  
war—may warrant compensation  
payments at the full wartime rate.

Q—In order to get my college de-  
gree, I am supposed to take a course  
in public speaking. Would I have  
to get prior VA approval for that  
course, on the grounds that it may  
be considered "vocational or recre-  
ational" in nature?

A—No. Since your public speak-  
ing course is an integral part of  
your GI training program leading  
to a degree, prior VA approval will  
not be necessary. If the course were  
taken by itself—not a part of an  
over-all educational program—VA's  
approval would be required.

## Cooch's Bridge and Glasgow

Mildred Ludwig, Correspondent  
Phone 8-8496

Shirley McMullen of Old Post  
Road has been undergoing a series  
of diagnostic tests this past week  
at St. Francis Hospital.

A fine turnout at the Salem  
Church supper Saturday netted a  
total of \$300. The Helper's Club will  
meet this Saturday evening at  
Christiana and the social group  
plans a vegetable soup sale for April  
19 from 10 a.m. to 3 p.m.

Five delegates and alternates  
were chosen last night at the Pen-  
n. Democratic Club meeting in  
Glasgow to attend the annual con-  
vention of the Delaware State Fed-  
eration of Democratic Clubs to be  
held in Dover, April 2. The club  
by-laws committee presented  
changes decided at the recent com-  
mittees meeting at the home of Ed-  
ward Cooch, Sr.

Blame it on Hazel—An attorney  
for a local man, fined for illegally  
keeping and making home-made  
wine, drew smiles from the court  
when he said his client went into  
the business when Hurricane Hazel  
blew down most of the grapes in  
his vineyard and he hoped to sal-  
vage most of his crop.

New 4-H Club  
Children of this area interested  
in joining 4-H club work are in-  
vited to a planning meeting, Friday  
evening, March 25, at the Leo Tamm  
Poultry farm near Ott's Chapel.  
County leader Maurice Field will  
be the speaker. Parents of interested  
children are urged to attend.

Six-year old Marilyn Ilgham of  
Glasgow is wearing a cast on her  
leg, fractured while tree-climbing.  
The Newark Central Welfare  
Committee is making a plea for  
contributions of clothing and house-  
hold goods for sale at the Thrift  
Shop, located over the police sta-  
tion on Academy Street. In the  
third year of operation, the shop  
is staffed by volunteers, and gives  
\$1,000 a year towards local welfare  
work. The Thrift Shop is open from  
10 a.m. to 4 p.m. and from 7 to 9 p.m.  
on Fridays from September to June.

Contributions for either the rum-  
mage or consignment sections may  
be left at the shop on Fridays.

Three age groups of children will  
compete for prizes at the Audenried  
Club Easter Egg Hunt at the Thom-  
as Nowell home on Sunday after-  
noon April 3. Run date is April 17.  
Mr. and Mrs. Richard P. Fox of  
7 Malvina Drive, Chestnut Hill  
Estates announce the birth of a  
daughter, Deborah Lee, on March  
12 at the Delaware Hospital, weigh-  
ing at 6 lbs., 14 oz. The Fox's have  
three other girls, ages 14 months,  
4 years and 5 years old.

McAllister Offers Advice  
On Production Of Broilers

Present day attractive prices for  
broilers are encouraging growers to  
fill up their poultry houses again.  
W. T. McAllister, extension market-  
ing specialist at the University of  
Delaware, suggests that poultrymen  
look at possible prices ten weeks  
in advance rather than at the selling  
price today.

"It is the number of broilers avail-  
able 10 to 12 weeks from the time  
you put them in that will determine  
the price when you sell them," Mc-  
Allister points out.

"There seems to be little evidence  
that the demand for chickens will  
be any stronger this spring than  
last spring," McAllister adds. "Think  
about your experiences in the past  
years and plan accordingly."

## Instruction to be Offered Local Girl Scout Leaders

Mrs. Russell Borgmann, program  
chairman for Newark district Girl  
Scouts, has announced a workshop  
of singing games and folk songs to  
be taught by Miss Beatrice Hart-  
shorn, chairman of physical educa-  
tion at the University of Delaware,  
next Wednesday at 1:15 p.m., in  
the New Century Club.

Brownie, Girl Scout leaders, and  
prospective leaders are urged to  
attend.

## Aid to Groundhog Problem Offered By County Agents

Many farmers in New Castle  
County are confronted with the  
problem of groundhogs. Holes in  
pasture land make it difficult and  
sometimes expensive to mow be-  
cause of the breakage of equipment.

In past years many farmers have  
ordered gas cartridges for woodchucks,  
but groundhogs or woodchucks, con-  
trol of groundhogs or woodchucks.  
They will be available again this  
year upon order for the farmer at a  
very nominal fee.

Farmers may obtain these gas  
cartridges by calling the county ex-  
tension office before April 1.

## Cherry Blossom Princess Entertainment Plans Made

Arrangements are underway in  
Washington, D.C., for the entertain-  
ment of Delaware's Cherry Blossom  
Princess during the week of March  
29, it was announced this week—  
although the lucky young lady's  
name is not yet known.

No reproof is so potent as the  
silent lesson of a good example.

## "JIM BO" IT SWIMS

JIM BO—the most sensational invention in the  
history of fishing—the artificial minnow that swims.  
No more live bait to buy. This is the lure sensation  
of the 20th century.

IT SWIMS—no springs, uses no fuel. It swims as  
long as you leave it in the water. Swims by unique  
process of balance and gravity. Fish any desired  
depth—in lake, stream, gulf, bay. Any fish that will  
strike a minnow will strike JIM BO. This is no gar-  
del. Looks and swims like a live minnow.

This is the lure of all lures—beautiful silver leaf  
plastic. Buy one for your friends also. Satisfaction  
guaranteed. Send \$1.00 only for each lure. Send  
check or cash. We pay postage. Sold by mail only

**Research Bulletin Offered As Asparagus Farmer Aid**

Asparagus growers will find the answers to many of their problems in a new bulletin published by the Agricultural Experiment Station, University of Delaware. The bulletin is entitled "Effects of Fertilizer Practices, Cover Crops, and Ridge Culture on the Yield of Asparagus," and was written by Prof. E. P. Brasher, head of the department of horticulture at the University.

The publication reports asparagus research conducted for the past seven years at the university's agricultural substation near Georgetown.

The new bulletin is available from the mailing room, Agricultural Hall, University of Delaware.

**Roadside Markets Cited Good Outlet For Farm Produce****Marketing Agent Bull Offers Operating Tips For Road Stand Profit**

"Roadside markets are among the best means of selling farm produce in Delaware," states Robert L. Bull, marketing agent for the agricultural extension service, University of Delaware.

Mr. Bull says the heavy traffic over state highways offers excellent opportunities for direct sales of farm products and vegetables—especially during the summer months.

The marketing agent made this statement today in response to questions from farmers who are thinking of selling their products at roadside stands. He offers some suggestions for a successful roadside market:

1. Select a good location on a well-traveled road, preferably on the right side going into town. The market should be visible for some distance in both directions. Adequate parking space is essential.
2. The stand must be neatly constructed and attractively painted if it is to suggest that your products are of good quality and carefully handled. Light colors give the impression of cleanliness.
3. Equipment to make the produce easily visible is important. Racks and tables can be constructed inexpensively at home.
4. Adequate displays and a variety of fresh, high quality products will bring your customers back again.
5. Attractive signs telling what is available should be placed so that motorists have time to decide to stop.

Blueprint plans of roadside market buildings, and additional information on the successful selling practices are available from county agents or from Mr. Bull, Agricultural Hall, University of Delaware.

"After all is said and done, it's usually the wife who's said it and the husband who's done it," —Sammy Kaye.

**Bankers Ag Credit Clinic Scheduled At U.D. March 31****Ass't Secretary, Dept. Of Agriculture, Guest Speaker On Farm Credit**

The seventh Delaware Bankers Agricultural Credit Clinic will be held in Old College, University of Delaware on Thursday, March 31, beginning at 10:15 a.m. The event is planned to help bankers finance agriculture.

Ervin L. Peterson, assistant secretary of agriculture, U.S. Department of Agriculture, will discuss the "Basis for Agricultural Credit." A panel with Gilbert B. Moyer, First Vice-President of the Delaware Bankers Association and Assistant Vice-President of the Wilmington Trust Company as moderator will discuss the "Milk Distribution and Consumption Problem." Members of this panel will be L. S. Iverson, market administrator for the Philadelphia marketing area; Steven Barczewski, Jr., proprietor of the West End Dairy; Herrell F. DeGraff, professor of food economics at Cornell University; and Mr. Peterson.

Edward B. Green, president of the Delaware Bankers Association and executive vice-president of the Georgetown Trust Company, will preside over the morning session. Dr. John A. Perkins, president of the university, will extend greetings at a luncheon opening the afternoon session.

George M. Worrlow, dean of the school of agriculture and director of the agricultural experiment station and extension service will preside.

"Food and Population" is the topic to be discussed in the afternoon by Professor DeGraff. A demonstration on soil testing as a basis for fertilizers and lime loans will be given at Agricultural Hall by Claude E. Phillips, agronomist at the University of Delaware.

**Perkins Deplores Industry, Teacher Wage Differential****U. of D. President Cites Industry As Contributor To Shortage Of Teachers**

Industry's contribution to the present and increasing shortage of teachers in scientific and technological fields was explained last week by Dr. John A. Perkins, president of the University of Delaware.

"Our state has lost a potential high school science teacher before he ever set foot in a classroom," Dr. Perkins asserted, describing the recent case of a Delaware senior whose original goal was to become a teacher.

"This science major, who is a very personable young man but who has attained only an average scholastic record, has been offered a starting salary of almost \$6,000 a year by a Delaware corporation," Dr. Perkins explained. "While we are pleased with this student's good fortune, there is no mystery about the shortage of teachers when incidents such as this point to what is generally prevalent."

"Here is a student with no unusual scholastic achievement, no previous experience or exceptional talent, being offered a starting position in industry at a salary higher than he could ever earn in the public schools of Delaware," the university president declared.

"Not only does this wage represent more than any of our high school teachers are earning, but it is \$1,000 greater than that paid to assistant professors at the University of Delaware. In fact," Dr. Perkins explained, "this salary is almost as much as we pay our associate professors who have a Ph.D. degree and many years of experience."

"The long-run effect of this inequity in the salary situation means that these very industries which are now hiring inexperienced people, and must pay such good wages to secure them, will soon have no one to hire because there will be no adequately trained teachers in the schools and colleges to instruct them," the Delaware president declared.

**Dr. Bunting Has Sermon Selected For Publication**

Dr. John J. Bunting, Jr., pastor of the Newark Methodist Church, is the author of a sermon published in the April issue of "The Upper Room Pulpit."

Dr. Bunting was born in Maryland, and educated at Oxford, England, at Dickinson College, and Drew Theological Seminary, according to information found in Who's Who in Methodism. He has served churches in Delaware and Maryland.

**Local Latin Pupils Visit Philadelphia Planetarium**

Fifty-six Latin students from Newark visited the Franklin Institute Planetarium today and witnessed a special Sky Show in the Fels Planetarium.

In addition to the Sky Show, the students saw a film of Pompeii and Rome, and a lobby display of student art work concerning the Greek and Roman eras.

Teachers Miss Rebecca Kirk and Mrs. Mildred Cleaves, with two parents accompanied the group on their trip.

**YELLOWJACKET HIGHLIGHTS**

By the Journalism Class

**Business Department**

In order to determine the value of having high grade students in Newark High take three days of typing a week for one semester starting next September, an experiment is now being conducted, according to Mr. Gilmore Ott, junior high principal.

The experiment, which started Tuesday with 15 students from the ninth and seventh grades, will run for six weeks on Tuesdays, Thursdays, and Fridays.

Students taking part in this experiment are ninth graders Dale Casey, Margaret Simpers, Kay Laemmnerman, Charles Bowles, Charlotte Bowser, William Gregory Fathurine Perkins, and Hazel Burrows; seventh graders are Alan Beldyk, Dicky Cropper, Betty Jean Crowe, Vernon Hayman, Janet Lowhead, Beth LeVigne, and Joyce Messimer.

—Bob Sharp

**Herald Trib Forum**

Mary Waller, Joyce Walbridge, Tom Kershaw, and Norwood Bonney—all juniors, have been selected to accompany the four delegates to the Herald Tribune Forum for high school to be held in New York at the United Nations Building on March 26.

Funds for the trip are being supplied by the local service clubs. This will be the sixth forum that Newark students have attended.

A report on the forum will be presented by the participating students at the senior high assembly on March 30.

—Carolyn Nutter

**1955 Krawen**

Alice Amoroso, editor of the '55 Krawen, senior yearbook, has announced that all materials were placed in the hands of the printers on March 10.

According to Mr. Stanley Gibbs, sponsor, the book has several new features which will not be revealed until the book is published. The staff will start a sales campaign in April, and the Krawen will be delivered before June 1.

Other members of the staff are: Ginger Lauer and Floy Bullock, associate editors; Suzanne Schaal, Sandy Capel, Barbara McMullen, Grace Miller, and Joan Mowill, literary committee.

Barbara Ness, Carolyn Jones, Nancy Hopkins, and Edith Streets are on the make-up committee; Suzanne Adams, Margaret Case, June Hawkins, and Barbara Link are on the art and photography committee; and Joan Rouillot, Ronald Mayer, Pat Barnes, and Betty Jane Zistl are the business committee.

—Phyllis Justice

**Volleyball**

Mrs. Margaret Reese, girls' physical education instructor, recently reported that education classes are now being taught the game of volleyball. This sport is new to many seventh and eighth graders, even though it may be a review for others.

Other sports which will be taught this year are badminton, tumbling, speedball, and softball. Since the junior high has physical education for only half of the year, many of these students have never before played hockey, which Mrs. Reese may also try to fit into the remaining schedule.

In senior high, which has this class all year, she hopes to fit some golf into their classes. If this is done, it will be something new for the physical education department.

Although Mrs. Reese said that there was not much to report on the plans for next year, she did comment that there will be a new physical education teacher for junior high; and that since there will be no gym in the new high school and the ground will no doubt be muddy, health classes may be held instead of physical education classes in the senior high.

—Carolyn Chalmers

**FHA Club**

Barbara Burns, president of the Newark chapter of FHA, recently announced that her club is undertaking a number of projects and activities for the spring season.

Other officers assisting the president to carry out the spring program are: Carol Smith, vice-president; Rose Mae Beebe, secretary; Karina Pollari, treasurer; Sandy McElwee, historian; and Virginia Williamson, reporter.

Already active, the group participated in a skating party at the Merryland Roller Rink on March 15. On March 28, a representative from Dorsman's Craft Center will talk to the girls about the methods and techniques of cutting and making lampshades.

Tomorrow, because there is no defense material throughout a large part of the Newark school district. For the Fun Fair on April 29, the girls will prepare a Civil Defense display booth.

A representative from the M&M Cleaners will demonstrate "How to Waterproof and Fireproof Garments" at the April 1 meeting of the FHA.

—Kathy Lanning

**Elkton Drive-In Theater Robbed On Saturday Night**

While a large audience was watching the feature picture Saturday night, a young bandit, armed with what appeared to be a Luger automatic, held up the cashier and fled with \$225 from the Elkton Drive-In Theater, on U.S. Route 40, two miles west of the Delaware line.

Maryland state police asked the cooperation of Delaware state police, as the belief is believed to have driven into Delaware on Route 40.

Garner up pleasant thoughts in your mind, for pleasant thoughts make pleasant lives. —John Wilkins

**Chrysler Fosters U.S. Savings Bond Payroll Deductions**

Officials of the Chrysler Delaware Tank Plant have announced the beginning of a week-long effort to familiarize employees with the advantages of the payroll deduction plan for the purchase of U.S. Savings Bonds.

Irving J. Minett, tank plant manager, stated that the local effort is part of an employee information service being carried out at all Chrysler plants throughout the nation this week at the request of the United States Treasury Department.

A. D. Cobb, state director of bond sales, is working with plant officials in presenting the plan.

John G. Maurer, Jr., plant safety director, is serving as plant chairman for the person-to-person canvass which will be made by more than 50 solicitors.

**Boggs Proclaims April 1 As State Arbor, Bird Day**

Governor J. Caleb Boggs has proclaimed Friday, April 1, as Arbor and Bird Day in Delaware, and urges at that time special exercises at schools and on public grounds with tree and flower planting as a prime object.

**McAllister Cites Breeding As Poultry Profit Factor**

"Well bred chicks in the hands of skillful poultrymen should make good egg profits this coming fall and winter," says W. T. McAllister, extension marketing specialist at the University of Delaware.

McAllister explains that many poultrymen are cutting back their orders for chicks more than usual because of low egg prices right now. During January and February chicks for replacement were 15 to 20 percent below a year ago.

"If this trend continues, egg prices six months from now will be high for poultrymen who have eggs to sell," McAllister points out.

He suggests ordering chicks right away since early chicks usually make greater profits than those started late in the year.

**BULL MARKET**

J. Oliver Koelg, Jr., Newark, has just purchased the young Guernsey sire, U of D Steadfast Banner, from the University of Delaware, according to the American Guernsey Cattle Club.

## Sussex VFW Backs Kelley For '55 State Commander

Sussex District 4 of the Department of Delaware, Veterans of Foreign Wars, went on record at a meeting in Seaford last week as supporting James V. Kelley of Newark for state commander in 1955-56. It also backed David S. Hugg of Milford for senior vice commander and Edward Tingle of Selbyville for junior vice commander.

Each of the three now holds the office one step below the one for which Sussex backs him.

## Library Group To Conduct Annual Meeting Saturday

The Delaware Library Association will hold its annual meeting on March 26 at the Nemours Auditorium in Wilmington.

After the business meeting, which will begin at 10 a.m., the group will be shown the new collection of duPont technical library. Luncheon will be served at Hanna's Restaurant and Miss Helen Mary Pyle, librarian of Sun Oil's public relations department, will speak on various phases of library planning.

Mr. Ward is now executive secretary of the denomination's board of social and economic relations, with national headquarters in Chicago.

The article, entitled "Man of Conscience and Conviction," describes his career including his years in Newark as pastor and teacher and graduate student in the University of Delaware.

Professor Paul Armand-Delille started something over in Paris. He had no idea what he was starting, nor did anyone else. An experiment which was completely localized got out of bounds and now has spread around the world!

The professor's experiment was so successful that he's been in trouble ever since. It seems that rabbits like flowers and vegetables, and the professor had a garden filled with these. The rabbits came in droves and spoiled his garden. A scientist himself, the professor imported some myxomatosis from Australia and the rabbits immediately began to decrease. In fact 99% of them were dead in 12 days. . . .

Just to keep our old California in the picture, here's a beaut from San Gabriel. In that city bees are not allowed to live inside the city limits. Now, what would a bee traffic cop look like, I wonder?

Traveling south again, here's another gem from North Little Rock, Ark. In that fair municipality person may not shout, scream or sing on the street. That would be a great place for a Mardi Gras, wouldn't it?

## Heuberger Offers Advice On Plant Disease Control

Spraying and cleanup can control three of Delaware's worst ornamental plant diseases, according to Dr. John W. Heuberger, head of the plant pathology department at the University of Delaware. These diseases are sycamore blight, leafspots on flowering dogwood, and the scab disease of fire thorn.

"These diseases weaken plants so they become easy prey to many other troubles, especially drought injury," Dr. Heuberger explains. "Spraying will not only control these diseases but will add to the beauty of the trees and shrubs over the years."

In addition to spraying, he says all dead twigs and leaves under the trees and shrubs should be raked and burned. Remember also that a little fertilizer helps increase vigor.

## Former Ebenezer Pastor Featured In Magazine

The Rev. A. Dudley Ward, former University of Delaware teacher and pastor of Ebenezer Methodist Church, Newark, is featured in pictures and a special personality story in the March 24 issue of the "Christian Advocate," official national news journal of the Methodist Church.

Mr. Ward is now executive secretary of the denomination's board of social and economic relations, with national headquarters in Chicago.

The article, entitled "Man of Conscience and Conviction," describes his career including his years in Newark as pastor and teacher and graduate student in the University of Delaware.

## Spiritual Thought

By Willard D. Crunkilton,  
Moody Bible Institute, Chicago

Professor Paul Armand-Delille started something over in Paris. He had no idea what he was starting, nor did anyone else. An experiment which was completely localized got out of bounds and now has spread around the world!

The professor's experiment was so successful that he's been in trouble ever since. It seems that rabbits like flowers and vegetables, and the professor had a garden filled with these. The rabbits came in droves and spoiled his garden. A scientist himself, the professor imported some myxomatosis from Australia and the rabbits immediately began to decrease. In fact 99% of them were dead in 12 days. . . .

## Sharrah's Appliance And Sewing Center Introduces Golden Anniversary Models

Sharrah's Appliance and Sewing Center at 132 East Main Street in Newark is displaying a new 1955 series of Golden Anniversary automatic clothes washers and dryers introduced by Hotpoint Co. Three washers and three electric dryers are included in deluxe, standard and low-cost price ranges.

The top deluxe washer on the market equipped with lighted push-button controls and two automatic cycles. After pushing a button and setting the control dial, the home-maker can forget about washday because the machine will electrically "remember" her instructions and automatically wash, rinse and damp-dry clothes.

A completely automatic fill gives the user a choice of warm or hot wash water and warm or cold rinse water. These temperatures may be pre-selected for either the normal washing cycle, or the delicate cycle for nylon, orlon and other manmade fabrics. A deep overflow rinse floats dirt up and away from clothes instead of straining soil back through freshly-washed garments.

In addition to these advanced use-value features, 1955 Hotpoint deluxe and standard washers are equipped with a new rubber-finned agitator that gives gentle but thorough cleansing action over when the washer is operated to wash a partial load of clothes. Operating instructions are fused into the porcelain on washer lids and dryer door panels.

All Golden Anniversary home laundry appliances produced by Hotpoint in 1955 will be porcelain-finished inside and out to give positive protection against rust and corrosion. This porcelain will be fused over one-piece, welded steel bodies for greater strength and smoother, more efficient operation.

The top deluxe electric tumbler dryer (20L-G-2) in design and appearance. Fluorescent tubes shaded by chrome panels illuminate the inside of the washer tub and the top surface of the dryer. A light in the dryer drum clicks on when the door is open.

The deluxe dryer, equipped with an automatic timer and dial control for any desired heat, uses the revolutionary principle of drying clothes with a jet of cold water. First perfected by Hotpoint engineers in 1950, this method tumbles clothes dry in a hermetically sealed chamber. A jet of cold water condenses heat, moisture, and lint from the air and flushes it down the drain.

A new standard washer (LJ-2) for 1955 has two washing cycles, unlighted pushbuttons and other deluxe features including an automatic fill and a deep overflow rinse. This washer matches a standard condenser dryer (10L-G-2) that has

unlighted pushbuttons and a heat control dial.

In addition to two deluxe and two standard washers and dryers that match identically, Hotpoint will also produce in 1955 a low-cost washer (LH-7).

The low-cost washer is of all-porcelain, one-piece construction with a lift-off lid. A standard agitator is controlled by a single cycle button.

All 1955 Hotpoint washers have an eight-pound capacity. A spin-tub speed up to 650 revolutions per minute during the damp-dry cycle gives maximum efficient water extraction.

STATE OF DELAWARE  
Office of Secretary of State  
To All To Whom These Presents May Come, Greeting:

WHEREAS, it appears to my satisfaction by a duly authenticated certificate that the dissolution of the MEARS RADIO-HEARING DEVICE CORPORATION, a Delaware corporation whose principal office is located at 100 West Tenth Street, in the City of Wilmington has been authorized in accordance with the provisions of Section 275 of the General Corporation Law of Delaware, (Chapter 1, Title 8, Delaware Code), as amended, which certificate has been executed, sealed and acknowledged in accordance with the provisions of said Section 275.

Now, therefore, I, JOHN N. # 13th Annual Play Festival Provides Direction Problems

Herman Middleton Plans For March 31 Opening Of 23 Theater Performances

As the March 31 opening of the 13th Annual Delaware Play Festival draws nearer, the work of Herman Middleton, University of Delaware technical director of theatrical activities, becomes more complicated.

The staging problems for 23 different performances are many and because of their complexity, Mr. Middleton already has held two conferences with directors to explain the Mitchell Hall facilities.

Mr. Middleton held his first advisory conference at Laurel High School last Friday for Kent and Sussex entrants and visited Wilmington High School yesterday afternoon for meetings with local thespians.

Entries in the festival represent a broad geographical distribution in the state, with nine plays from New Castle County schools, two from Kent County Schools, and three from Sussex County, in addition to the seven community theatres and one school each from Maryland and New Jersey.

The final registration includes nine New Castle County schools: A. I. duPont, Coated, Newark, William Penn, Wilmington High School, A. I. duPont, Bancroft, Oak Grove and Tower Hill.

Two of the nine community groups originally planning to participate, the Bridgeville Theatre League and the Chester Players, have been forced to withdraw because of illness sustained by members of their casts.

The seven remaining groups competing for the plaque awarded for the best performance are the Kent County Theatre Guild, University Drama Group, Walnut Street "Y", William Henry Players (Dover), Wilmington Drama League, Arden Players Guild, and the Elton Little Theatre.

Last year the plaque was won by the Kent County Theatre Guild.

## Presbyterian Clergyman Honored On Newark Visit

The Rev. Dr. John A. Mackay, president of the World Presbyterian Alliance and Princeton Theological Seminary, visited Newark last Sunday.

Dr. Mackay was entertained by Mr. and Mrs. George M. Wilson, members of the Dunleith Presbyterian Church, at tea in their Church Street home in Newark.

## Evangelist Holds Revival At Elkton Baptist Church

Evangelist Ernie Habecker, former Elkton pastor, is conducting a revival each evening beginning at 7:45, through March 27, at the Baptist Church, Singler Road, in Elkton.

The Rev. Tom Wallace, pastor, extends an invitation to the Newark public to attend, with special music offered each evening during the revival services.

## Medill 6th Graders Visit State Capitol, Governor

Two of the sixth grade classes from the E. Frances Medill school, visited the State Capitol at Dover last Thursday with teachers Mrs. Jean Groscup and Mrs. Emile Huebner, accompanied by Mrs. Betsy Conner and Mrs. Susan Furness, parents.

A highlight of the visit was an audience with Gov. J. Caleb Boggs who personally greeted each pupil and spoke to the group briefly on the importance of school children's interest in state government.

Henry Wolf, Representative from White Clay Creek Hundred, conducted the group on a tour of Legislative Hall, and Mr. Wolf told the children how bills are introduced to the Assembly and how the business of the state is conducted.

The children also visited the Delaware State Museum.

## Brookside School Group Hears Columbia Professor

Dr. L. Thomas Hopkins, professor emeritus of education at Teachers College, Columbia University, spoke at a special meeting sponsored by the Brookside Preschool Association on Tuesday at 8 p.m. in the old Main Street School, 83 East Main Street.

His subject was "How Children Learn."

Dr. Hopkins has been a consultant for the Wilmington Board of Education for many years, and is the author of numerous books and articles. Besides his work at Columbia University, he has been a school teacher and principal.

## Parent Education Meeting Planned For Next Thursday

The third in a series of parent education meetings sponsored by the Brookside Preschool Association will be held next Thursday night at 8 o'clock in the Brookside community building.

Edgar Silverman, director of the New Castle County Family Court, will lead the discussion period following a film "A Child's Guide to a Parent's Mind" provided by the National Association for Mental Health. The film is designed to stimulate thinking and discussion of the parent-child relationship from the child's point of view.

Mr. Silverman is experienced in family counseling and is a member of the University of Delaware teaching staff. Before taking up his work with the Family Court, he was engaged in social work in Philadelphia.

Mrs. Lewis Kremer is in charge of arrangements and Mrs. H. H. Gygory will be in charge of refreshments. All residents of Brookside are invited to attend the meeting.

## VIDEO

Detroit fans will be able to see the Tigers play in every park of the American League this year. Thirteen of the club's games away from home will be telecast back to Detroit. There will be one game at Boston, two from each of the other cities. Detroit never has telecast a night game, but two of those slated for TV this year will be at night, in Kansas City.

## Two Newark Youths Enlist In Special Army Training

Two Newark youths enlisted in the Army this week, as John D. Harvey and Robert F. Yoder signed up and qualified for special training.

Harvey, 19, of 27 Tyne Avenue and a graduate of the Newark High School Class of 1953 will undergo specific stenographic training at Fort Benjamin Harrison, Ind.

Yoder, 20, of 8 Caldwell Place, and a 1952 graduate of Newark High, qualified for the Adjutant General's Corps with training at Fort Jackson, S.C.

"Learn from the mistakes of others—you won't live long enough to make them all yourself."

## Dr. A. P. Shirkey To Deliver Final Sermon Of Series

Newark Methodist Church Sunday Speaker To Close Famed Clergyman Series

Dr. Albert P. Shirkey, minister of Mt. Vernon Place Methodist Church, Washington, D.C., will be the speaker next Sunday at the Newark Methodist Church at 7:30 p.m. in the last of the Sunday evening worship services featuring distinguished American clergymen.

Dr. Shirkey will speak on the subject, "The Way to Triumphant Living." Dr. Shirkey was organizer and director of the Religious Commission of World Brotherhood in Strasbourg, France, and in Hattenheim, Germany, is a member of the board of directors of the National Conference of Christians and Jews, and is author of numerous articles in religious periodicals.

He holds honorary degrees from Trinity University, Texas, and American University, Washington, D.C.

# WE ALL WELCOME SPRING

Newark will witness its busiest Spring! With so many building projects now under construction—and many more in the making—water lines and sewer lines to be extended, streets to be paved, new schools to be built—well, it all adds up to a very busy City for some time to come!

The Newark Shopping Center will soon be ready for occupancy—a big event in Newark's History.

There is unusual demand for rentals! I have rented our first property to a TIDE-WATER REFINERY employee. There will be many of them that will want to live in Newark. If you have anything to rent give us a call.
