

Receipt
Middletown Delaware
July 10th 1865

Sir,

I have the honor to state that I forwarded to Surg. C. Sutherland, Med. Purv., Washington, D. C. on July 12th 1865, from ~~Baltimore~~^{MD} seven (7) Boxes containing Hosp. Sup. for which, I at that time also forwarded invoices and receipts. The Spring and Thumb lancet I forwarded by mail are included in the invoices sent them, but were overlooked at the time and sent afterward. I cannot invoice for them again, as they were included in the former invoice.

The Spring and Thumb lancet, at the time I mailed them, were complete and in good condition.

The receipts for the articles forwarded as above stated have not yet been received.

I am very Respectfully,
Yours Obt. Serv.,
R. B. McKee
