NEWARK POST, NEWARK, DEL., OCTOBER 3, 1917

NUMBER 36

## ELABORATE EXERCISES TO MARK PRESENTATION OF AMBULANCE

### GIFT OF DAUGHTERS OF THE AMERICAN REVOLUTION TO DELAWARE COLLEGE

Elaborate exercises have been arranged for tomorrow afternoon when the Delaware Chapter of the Daughters of the American Revolution will present an automobile ambulance committee of the chapter, Mrs. E. P. Moody, chairman of the Ambulance Committee of the Chapter, will present the ambulance and Governor John G. Townsend, Jr., will receive it on behalf of the college.

The speech-making will take

securing the ambulance was started by Mr. Cleaver some months ago and it was through him and Dean E. L. Smith, that the Daughters of the Revolution became interested in the project.

The ambulance will be kept in Newark and some members of the Corps will be on duty day and night to take the machine to any point within 100 miles of Newark should it be needed in an emergency. It is also ready with the

George C. Hall, State Regent Delaware Chapter, Daughters of the American Revolution; address by H. P. Cleaver, representing the student body; address by Dean E. L. Smith, representing the faculty; presentation of the ambulance, Mrs. E. P. Moody, chairman of Ambulance Committee; acceptance on behalf of the college, Governor John G. Townsend, Jr.

In case of inclement weather the presentation will take place on

Courtesy of The Delmarva Star

Ambulance to be presented to the State, at Delaware College, on Thursday, October 4th

place at 2:30 o'clock in Wolf Hall and the exercises will be concluded at 3 o'clock on Frazer Field where a "movie" company will probably take pictures of the affair. The members of the College Ambulance Corps, who will have charge of the machine, with the college band and cadets, will head parade from Wolf Hall to the athletic field.

The Ambulance Corps consists of H. P. Cleaver, K. R. Bowen, Paul Lovett, Francis Lindell and D. Herdman. The movement for

Corps to turn over to the Government at any time it should be needed in connection with the war. Members of the corps have been receiving instructions in first aid work, etc., under the direction of Dr. Walter H. Steel and Miss Beck.

The program for the presentation follows:

Formal exercises in Wolf Hall at 2:30 p. m. Continued on Frazer Field at 3 p. m., Dr. Samuel C. Mitchell, presiding; Prayer by Rev. W. G. Haupt; address by Mrs.

Friday, at 2:30 p. m., in Wolf Hall, Frazer Field, 3 p. m.

The Permanent Committee in charge of Ambulance after acceptance on behalf of Delaware College:

Representative of Delaware Chapter Daughters of the American Revolution; representing the faculty, Dean Smith and Dean Cullimore; representing the student body, H. Paul Cleaver; representing the White Automobile Company, Mr. Louis Klee.

## FORMER MAYOR HOSSINGER HURT

### Limb From Car Breaking

Former Mayor Joseph H. Hossinger is a patient in Johns Hopkins Hospital, Baltimore, Maryland, suffering from a broken leg. He received the injury in jumping from an automobile in which he was riding and which was about to collide with another car. The accident happened last Friday morning. Mr. Hossinger is a director and treasurer of the Baltimore branch of the Federal Farm Loan Bank, was on his way to the station to take a train for Baltimore Friday morning when an automobilist in a Packard stopped him to inquire the way to Baltimore. Mr. Hossinger told the stranger the route and remarked that he was also on his way to Baltimore. "On learning this the automobilist invited him to make a trip with him which invitation was accepted. When between Baltimore and Baltimore the car in which Hossinger had been riding collided with another machine, but before the crash he jumped from the auto with the result as stated. Both cars were badly damaged but none of the occupants but Mr. Hossinger, who jumped, was seriously injured. He was taken to the hospital where the x-ray revealed a broken bone, in leg between the ankle and the knee. The patient is improving and will probably be brought to home in a few days.

### Address On Timely Subject

Dr. S. C. Mitchell addressed the students of the Women's College chapel exercises last Wednesday morning, on the good which is the result from the world war.

## LISTEN FOR THE SIGNAL TOMORROW AFTERNOON

When the big whistle of the Continental Fibre Company blows three long blasts it will mean the troop train bearing the third battalion, Delaware regiment, is leaving New Castle. The train will be due at Newark, Pennsylvania depot, in thirty minutes. Turn out and give them a parting cheer as they pass through Newark.

## RURAL BOYS MAKE GOOD AT CAMP DIX

### Corporal Jolls Tells of Life of Nationals At Wrights town

In a letter to the Post dated Saturday, September 29, E. P. Jolls, a Delaware College graduate, who was leader of the last contingent of rural New Castle County selectives who went to Camp Dix two weeks ago, states that the rural boys are doing well. Jolls himself has been promoted to Corporal. According to his letter the local contingent most of whom are in Company B, 307th Machine Gun Battalion, are taking a prominent part in sports at the camp. In part he says:

"That game we had scheduled for last Sunday had to be cancelled because we all received the inoculation treatment against typhoid as well as being vaccinated against smallpox and the result was that everyone had sore arms. Wednesday we played Company L, 111th Infantry, and battled along to a 3 to 3 tie. It really was a great game. Most of their men formerly played on the Carney's

(Continued on Page 8)

## TEACHERS EFFECT ORGANIZATION

### Plan For School Year Discussed

Plans for the school year under the direction of Principal Koehler are moving forward at the Newark Public School. At a general teachers' meeting held this afternoon at three-thirty a permanent organization was effected, the time and place for regular teacher meetings fixed, professional reading for the year discussed, and standing committees appointed. Teachers of the primary and grammar grades were organized as separate groups, and a method for teaching spelling in these grades was suggested by the principal.

Committees were named on Textbooks and Courses of Study; Student Activities; Athletics, Entertainments; Discipline; Grounds and Buildings; Supplies; Social.

### Girls Enjoy Flowers

On Sunday evening the living rooms and halls of Warner Hall were bright with every variety of dahlia, the gift of Mr. Frank C. Bancroft, whose daughter is a student at the college.

## NO THOUGHT OF COMMANDEERING HOUSEWIFE'S SUPPLIES

### Current Rumor Without Foundation

Reports current in this neighborhood for the last few days, stating that the U. S. government was about to commandeer every housewife's supply of canned fruit and preserves, in excess of fifty quart jars, was declared to be without foundation, by Professor Hayward, leader of State Extension Work, and representative of the Federal government, today.

"I am in daily communication with the department," Professor Hayward said, "and have heard no word of such an intention on the part of the government."

According to the rumor, an agent, passing as a representative of the government, has been circulating notices to the above effect, in the vicinity of Harmony, in Mill Creek Hundred. "All purchasers should be looked at askance," Professor Hayward declared, "and requested to show credentials from the State and Federal governments."

## CONSIDER PURCHASE OF HOME FOR PRESIDENT

### College Trustees To Meet On Saturday

A special meeting of the trustees of Delaware College has been called for next Saturday, to be held at the Hotel duPont, Wilmington, to consider the purchase of the Walter C. Curtis property, The Knoll, corner of Depot Road and Delaware avenue, as a home of the president of the college, Dr. Samuel C. Mitchell. The committee on grounds and buildings, of which H. Rodney Sharp is chairman, will recommend the purchase of the property. There seems to be no opposition to the proposition. The committee has had an option on the place for several weeks. The price is said to be \$16,000.

The Knoll, which for many years was the home of the late Minot C. Curtis, a member of the Curtis and Brother Paper Co. and father of the present owner, is one of the finest estates in Newark. The house is surrounded by a beautiful lawn and grounds comprising two and a quarter acres. It overlooks Wolf Hall, recently erected, and the new campus, purchased two years ago. In case it is bought by the trustees, it is probable Dr. Mitchell will occupy it in a few weeks, after some minor improvements are made.

## NEW BOOKS ADDED TO THE TOWN LIBRARY

### More Being Examined By Committee

A number of new books were added to the Newark Town Library last week. The list follows:

**Fiction**  
The Promise, by James B. Hendrix;  
Second Youth, Allan Updegraff;  
In and Out, Edgar Franklin;  
The Light in the Clearing, Irving Bacheller;  
Lydia of the Pines, Honore Willes;  
The Film of Fear, Arnold Fredericks;  
The Gay Life, Keble Howard;  
The Road to Understanding, Eleanor H. Porter;  
The Wonderful Year, William J. Locke;

**Non-fiction**  
In the Claws of the German Eagle, Albert Rhys Williams;  
Friends of France, members of Ambulance Corps;  
Kathleen Norris, Undertow;  
The Adventures of a Woman Hobo, Ethel Lynn, M.D.

**Juvenile**  
Paul Revere, Belle Moses;  
Israel Putnam, Louise Seymour Hasbrouck;  
The Princess and the Clan, Margaret R. Piper;  
The Admiral's Granddaughter, Elizabeth Lincoln Gould.  
Other books, recently purchased, are being examined by the library committee.

## Delaware Troops Leave For Anniston

### ENTRAIN AT NEW CASTLE TOMORROW

### Troop Train to Pass Through Newark

Between two and four o'clock tomorrow afternoon the Delaware Infantry will entrain at New Castle for Anniston, Alabama, where intensive training for the "Blue Hen's Chicks" share in the great world conflict will begin. The troops will travel in three divisions, made up of 19, 16, and 18 coaches. As stated by Colonel Reed, in conversation with a Post reporter this morning, the troop train will go over the Delaware City branch, switching to the main line at Newark, thence southward on the Pennsylvania road. Orders to this effect were received at the camp about for o'clock yesterday afternoon.

Although an order had previously been given that no National Guards would be moved between October 1 and 9, in order to facilitate the movement of the National Army, this rule has been broken in favor of the Delaware regiment, a fact, it is believed, due to the arrival at Anniston of all other units of the 29th Division, under command of General Morton.

The trip to Anniston will take approximately forty hours. When the troops reach Camp McClellan, they will find their quarters ready, their disposition in the divisions arranged for and everything in readiness for them to begin their intensive training. One company of the Delaware troops, Company D, is already in the Alabama camp. It left Wilmington on August 17 in order to assist the other troops already there in the engineering work to be done in and around the cantonment.

The Delaware regiment has been encamped at the State Rifle Range about a month. Governor Townsend visited the camp today, and will remain with the troops until their entrainment on Thursday.

## YARN FOR RED CROSS HERE

### Fifty Knitters Now At Work

Yarn was distributed from Red Cross headquarters in Newark this week, to about fifty knitters. The consignment of finished articles, knit of dark gray wool, will be forwarded direct to France, for the comfort of American soldiers in the trenches. Owing to the necessity of rushing this work, and in order that more knitters may start at once, three hanks of wool was sent to each person knitting sweaters. The committee wishes to announce through the press, that this is not as much as is required, and the remainder will be forwarded in a few days. Although all the wool on hand was distributed on Monday, an order for more has been put in at Wilmington headquarters, and more knitters are needed. The demand is urgent for sweaters, scarves, and helmets. The directions for making the latter are changed, being knit, according to the new method, on two needles, instead of four, as formerly.

The local branch has also quantities of sewing on hand, and every woman who can make the time is urged to call at the Elliott building for work.

In addition to the articles forwarded last week, a dozen sweaters have been delivered to headquarters in Wilmington—the same to be forwarded to sailors on board the Battleship Delaware.

## English Department At Purnell Hall

The English department of Delaware College has been given the use of Purnell Hall, formerly the Y. M. C. A. building, as a department and office building. In it are now the offices of the four men who are teaching English in the College, and a room for students in which they may write their themes, consult reference books, and consult with their instructors. This is the first step in a plan to house each department in a separate building as soon as possible.

## Council Considers Building Inspector

### INVITATION FROM TRACTION CO. ACCEPTED

### Flagstone to be Removed in Front of Colledge Bldg.

That Newark needs a building inspector to see that the building ordinances of the town are properly observed, was the contention made by Councilman E. C. Wilson at the meeting of Council Monday night. Mr. Wilson stated that several buildings are going up without even a building permit having been taken out which is in direct violation of the ordinance.

Councilman Wilson, stated that a member of Council hardly has time to go around town and watch new buildings going up but that some one should do it. He pointed out that there is a sewer inspector and there should also be a building inspector. The latter, he said, could get his fees from the contractor erecting the building inspected. Members of Council thought favorably of Mr. Wilson's suggestion but as there was some question whether or not Council under the ordinance had the power to appoint such an inspector the matter was held over.

A communication was received from the Wilmington and Philadelphia Traction Company inviting the Mayor and members of Council to inspect the company's new store in the building formerly occupied by George W. Rhodes' drug store, next Saturday night, when there will be served an electrically cooked luncheon. A representative of the company was also present and personally invited the members of Council to make the inspection. On motion of Mr. Wilson Council decided to attend the opening in a body.

Mayor E. B. Frazer reported that the Building and Grounds Committee of the Board of Trustees of Delaware College had agreed to remove the flagstone from in front of the new dormitory on Main street and replace it with a cement sidewalk. The flagstone will probably be used on the walk along the college campus.

Chairman Wilson of the light and water committee was authorized to sell about 50 or 60 tons of bituminous coal at the old light plant and also a large quantity of copper wire that was removed when the Traction Company extended its service. As the plant is not being operated there is no need for the coal.

The report of the treasurer for the past month follows:

Balance Sept. 3	\$2,759.21
From L. W. Lovett, fines	184.00
From L. W. Lovett, fees	20.00
From L. W. Lovett, licenses	10.00
1917 taxes	43.00
Delinquent taxes	71.00
Penalties	3.45
Sale of light	\$46.75
Sale of water	77.89
Main taps	45.00
Water meters	5.00
Total	4,065.30

Paid on Town Account	\$242.29
Paid on street account	1,605.13
Paid on light account	561.29
Paid on water account	314.52
Total	\$2,723.23

Balance \$1,342.07

Bills were approved and ordered to be paid amounting to more than \$1,000. By motion the town officers were authorized to borrow \$1,000 from the Farmers' Trust Company for current expenses.

## OBITUARY

### Martha B. Frazer

Martha B., widow of William H. Frazer, aged 69 years, died at the home of her son, Herbert Frazer, near Kembleville, on Sunday, September 30th. Funeral services were held in the Head of Christiana Cemetery today; interment in the adjoining cemetery. The deceased is the mother of Ernest Frazer of Newark.

## Dormitories Filled At Women's College

### "Sophs" Post Rules For Freshmen

The end of the second week at the Women's College, finds class room work and student activities as well, well organized for the year's work. The various dormitories are filled to their capacity and work on the large new dormitory on the east side of the campus is progressing rapidly. The new "dorm," for which money was appropriated by the General Assembly of Delaware last January, has been designed by Day and Klauder, and will conform in architectural style to the new dormitory at the men's college.

Warner Hall, the original "Residence Hall" of the college, with Miss Winslow in charge, is the home of fifty-six students; annex one, under Professor Rich, accommodates sixteen, and annex two, under Miss Powell, eight.

### New Faculty At Women's College

Three new members have been added to the staff at Women's College. The number includes Miss Quaesita Drake, instructor in Chemistry. Miss Drake received the degree of Bachelor of Arts from Vassar College in 1910; she was graduate student in Chemistry at Vassar, 1910-11, instructor in Chemistry, 1911-14, Sutor fellow, University of Chicago, 1914-15; University of Chicago fellow, 1915-16; research assistant and secretary to Professor Stieglitz, University of Chicago, 1916-17. She will receive the degree Doctor of Philosophy in chemistry in October, 1917, from the University of Chicago. She is a member of the Phi Beta Kappa Society, of Sigma Xi, and of the American Chemical Society.

Miss Mary Bigelow, Mansfield, Mass., is a graduate of the Department of Hygiene Wellesley College 1916. She was also instructor in Physiology, Wellesley College, one year.

Miss Dora Ware, Kansas City, Mo., M. A. Michigan University, 1917. Assistant in Botany Laboratory, Michigan University, one year; member of the Society of the Sigma Xi, the American Association of the Advancement of Science, and the Botanical Society of America.

### College Enrollment

The total enrollment at the Women's College for the year 1917-18 is 116. The number of students completing the course in 1916-17 was 86. The Freshman Class numbers 40. Of these, 16 have entered the Home Economics Department, 13 the Department of Education, and 11 take courses in Arts and Science.

### New Courses Offered

New Courses offered in Women's College 1917-18:

Business Administration; Bacteriology; Nutrition; Advanced Spanish; High School Methods; Methods of Teaching in Home Economics; American Literature; Composition and Literature; Economics; Practice in Teaching; and two new courses in Art, History of Sculpture, and History of Painting in the Northern Countries, France, Spain and England.

### Sophomores Post Rules

The Sophomores of the Women's College of Delaware, have posted the rules formulated by them for the Freshmen. A copy follows:

1. Freshmen must wear no High or Prep school insignia in public, Sundays excepted, with a bow of Irish-green ribbon, one inch wide and two and a half inches long, pinned over the left shoulder of the outer garment.
- Note: The ribbon for these bows must be purchased at the college book store.
3. No fancy or colored hosiery upon Freshmen will be tolerated.
4. Freshmen must not have photographs of men under forty exhibited in their rooms.
5. Freshmen must not remain seated while higher classmen stand.
6. Freshmen must permit their superiors to precede them through doors, gates, and sundry and miscellaneous portals, in short, must give their superiors precedence in everything.
7. Freshmen must not use the main entrance to Warner Hall.
8. Freshmen must carry chairs from the dining room and arrange them properly

whenever requested by a higher classman.

9. Freshmen must be on hall duty promptly and steadily.

10. No impudence will be tolerated.

11. Finally, the Freshmen must love, honor, and OBEY the Sophomores.

Signed,

The Sophomores

### Read These Messages

#### President Wilson

"There will be need for a larger number of persons expert in the various fields of applied science than ever before. Such persons will be needed both during the war and after its close. \* \* \* I would particularly urge upon the young people who are leaving our high schools that as many of them as can do so avail themselves this year of the opportunities offered by the colleges and technical schools, so the end that the country may not lack an adequate supply of trained men and women."

#### Secretary of War Baker

"Let the young men of America devote themselves to the

various branches of engineering education, so that when this war is over the call will not be in vain to young men who have had the training and have learned the lessons necessary to enable them quickly and rapidly to play a part in that great reconstruction enterprise."

#### General William N. Black

Chief of Engineers, U. S. Army  
"This cataclysm of war must not be allowed to disorganize our structure for all time, and one of the things we will need after the war, just as we have needed it before the war, just as we are needing it today, will be trained young men to take the place of the older who go out."

#### Major-General Leonard Wood

"Boys should remember that they are now serving in the best possible way by preparing themselves to serve more efficiently when the time comes. \* \* \* It is a great mistake for partly educated young boys to rush to the colors now. We don't need them. It is very important they should finish their education."

### Colonel S. E. Tillman Superintendent West Point Military Academy

"Only the most urgent conditions should withdraw any boy from school. In justice to the Government as well as to themselves they should finish their courses."

## EXEMPTION BOARD MAKES REPORT

### Fifty-two More Men Certified For Service

The Rural New Castle County Exemption Board on Saturday certified fifty-two more men to the District Board for military service. This board is now well up with its work, even including the third eye examined, and has more than enough men to make up its entire quota of 214. The men certified are as follows:

Wilbert L. Ray, Summit Bridge. Thomas Gould, Wildwood, N. J. C. E. Stephenson, Hockessin. Walter Hagan, New Castle. Joseph Manning, New Castle. Leslie L. Walls, New Castle. George T. Harrington, New Castle.

James H. Blackson, Townsend. Samuel B. Elliott, Newport. Burchell J. Brown, Holly Oak. Thomas Cleuloro, New Castle. William H. Bleen, Townsend. Ralph J. Maguire, New Castle. Clarence E. Pearce, Middletown. Frederick P. Streets, Newark. Alfred Kennedy, Newark. John Segelken, Middletown. John D. Conner, Townsend. Alfred H. Tanguy, Wilmington. James L. Veasey, Delaware City. Heisler Eastburn, Mt. Cuba. Cecil H. Vansant, Newark. Leon Jackson, Christiana. Charlie Tautum, Marshallton. Edward Thompson, New Castle. Harold E. Thompson, Edge Moor. Thomas Neef, Delaware City. Hiram E. Smith, Wilmington. George W. Jamison, Hockessin. Frederick C. Lytle, Holly Oak. William C. Pryor, Clayton. Samuel S. Stark, New Castle. Eugene L. Roberts, New Castle. John R. Pierson, Hockessin. Louis K. Thorp, Wilmington. Andrew Mason, Odessa. William H. Hackett, Newark. Edward Hinson, Townsend. Charles B. Collins, Delaware City.

William A. Gordon, Elsmere. Mayhew Fisher, Odessa. Clarence Wright, New Castle. Edward Davis, Summit Bridge. Chester Smith, Henry Clay. George F. Hedley, Rockland. George Fisher, New Castle. James J. Tobin, New Castle. Harry A. Allen, New Castle. John Louis, New Castle. John F. Porter, New Castle. David A. Massey, New Castle. Joseph M. Tobin, New Castle.

### CARE OF SEED CORN

It Should Begin Immediately After Gathering And Be Continued Until The Grain Is Planted

The same day that seed corn is gathered from standing stalks as they grow in the field the husked ears should be put in a dry place where there is a free circulation of air, and so placed that the ears do not touch one another.

This is the only safe way, according to the United States Department of Agriculture, which says that much good seed has been ruined because it was thought to be dry enough when gathered. Many farmers think that their autumn is so dry that these precautions are not necessary, yet there is no locality where the corn will not be bettered by a thorough drying treatment. If corn is left in the husk it may sprout or mildew during warm wet weather, and it is more likely to become infested with weevils.

### Poor Storage Impairs Vitality

The vitality of seed may be reduced by leaving it in a sack or in a pile for even a day after it has been gathered. During warm fall days, with some moisture in the cobs and kernels, the ears heat or mildew in a remarkably short time. The best and cheapest treatment immediately after the ears are gathered and husked is to tie the ears singly on binder twine at about 8-inch intervals, the twine being looped about the middle of the ears so that they hang balanced and horizontal. Ordinary binder twine is strong enough to support from 15 to 20 ears.

Wire racks are cheaper in the long run and more convenient. A good form is made from welded or woven wire fencing, the upright wires being used as the hangers, and the lateral wires cut and bent upward being used as supports for the individual ears. The lateral wires, about 3 inches long on either side of the main upright, are thrust into the butt end of the cobb. These racks will last many years and are easily stored when not in use. In use, with the corn upon them, they have somewhat the appearance of giant fern fronds. The central wire is the midrib of the leaf, and the ears of corn stand out on each side like

the fern leaflets, or like leaflets on a locust tree.

Wooden seed racks, in which the ears are stored in rows on separate shelves, are convenient dryers, and have no drawbacks in a dry, breezy place, although the air can not circulate freely on all sides and dampness may be held where the row of kernels rests on the wood.

Only during unusually damp weather at seed-gathering time will a fire be necessary to help the drying. Yet if heat is applied in a poorly ventilated place, it will do more harm than good. If used, the fire should be slow and long-continued. It should be below the ears with plenty of good ventilation above them.

### Twenty Years Ago

Ladies wore bustles. Operations were rare. Nobody swatted the fly. Nobody had seen a silo. Nobody had appendicitis. Nobody wore white shoes. Nobody sprayed orchards. Cream was five cents a pint. Most young men had "livery bills." Cantaloupes were muskmelons. You never heard of a "tin Lizzie." Doctors wanted to see your tongue. Milk shake was a favorite drink. Advertisers did not tell the truth.

Nobody cared for the price of gasoline.

Farmers came to town for their mail.

The hired girl drew one-fifty a week.

The butcher "threw in" a chunk of liver.

Folks said pneumatic tires were a joke.

Nobody "listened in" on a telephone.

There were no sane Fourths, nor electric meters.

Strawstacks were burned instead of baled.

Publishing a country newspaper was not a business.

People thought English sparrows were "birds."

Jules Verne was the only convert to the submarine.

You stuck tubes in your ears to hear a phonograph and it cost a dime.—Pike County (Ill.) Republican.

### Class Advisers Named

Class advisers for the various classes at Delaware College have been named as follows: Chairman, Dean E. Laurence Smith; seniors, Dr. K. R. Greenfield; juniors, Professor Howard K. Preston; sophomore's, Professor George E. Dutton, and freshmen, Dr. George S. Counts.

## STRENGTH ORGANIZATION SERVICE

The three essentials conspicuous in this Company are (1) STRENGTH of resources and management, which commands confidence; (2) a complete, efficient and vigorous ORGANIZATION which assures the ability to serve clients well and (3) that spirit of SERVICE, which seeks to give clients the most, rather the fewest facilities. You can avail yourself of this united strength, organization and service by appointing this Company your Executor or Trustee, or by opening an account in our Banking Department.

OCTOBER 3, 1917

## T. C. DU PONT OFFERS TO FINANCE STATE HIGHWAY

Recent Letter to the Governor in Which he Puts Matter in Hands of Highway Commission

September 20, 1917.

To the Hon. John G. Townsend, Josiah Marvel, Walter O. Hoffecker and Joseph E. Hollibaugh, Members of the State Highway Department of Delaware.

Gentlemen: With the advent of the automobile, I realize the wonderful development of which our little State is susceptible and that the first essential for this development is a well laid out system of modern highways traversing all the sections of the State. It was obvious from the beginning that the backbone of such a system must be a main North and South Highway.

Familiarity with the great boulevards of Europe and those that have in recent years been constructed in this country was the foundation for the conception of a great longitudinal boulevard as the backbone of the highway system for our State, wide enough to carry a road for vehicular travel, and when the development that is bound to follow demands this, two roads, one for travel in each direction, and also wide enough to carry the public utilities which must come with the development and increase in population.

As you know, following necessary legislation and after many surveys all summer, in the autumn of 1911, I organized a private corporation, called "Coleman duPont Road Incorporated," for the purpose of building such a boulevard for the State at my own expense. My original intention, as frequently stated, was that the State should ultimately control and have the benefit of this boulevard when fully developed and as rapidly as each part might be developed, the road for vehicular travel to be first built upon it being required to be conveyed to the State upon completion. Unfortunately, some of the people of the State failed to see the practicability of the value to the State of such a great main trunk highway. Other persons imagined that some personal profit might result to me from the project. For these and possibly other reasons opposition to the boulevard arose in some parts of the State and resulted in litigation, which, in the form of several suits, has been in progress most of the time since the spring of 1912 and has necessarily retarded the completion of the boulevard.

The whole right of way between the Maryland line and Georgetown, a distance of about twenty miles, has been acquired, and the vehicular road has been completed thereon and conveyed to the State in accordance with the provisions of Section 163 of the general corporation law of the State. Work is now under way on the section of road between Georgetown and the Appenzeller farm, which is located a few miles south of Milford, the condemnation of the right of way across which has been delayed by a suit brought by Appenzeller and now pending in the Supreme Court of the United States. All but a small part of the right of way between the Appenzeller farm and Milford has been acquired, the unacquired part being also in litigation. While the surveys have been made for the entire proposed length of the boulevard, its location, width and character have not been fully determined north of Milford.

It may be that the public interest aroused by the boulevard project and the demonstration furnished by the twenty miles of completed vehicular road have done much to awaken the people of our State to some realization of the value of a splendid system of modern highways and the wonderful benefits that must result therefrom. It may be also that there are many now who are looking far enough into the future to visualize a longitudinal boulevard, such as I originally conceived, in full operation. It is doubtless a fact that the "State Highway Department," of which you are members, is the direct result of the public interest thus aroused.

When the Governor requested me to accept an appointment to membership in the highway department it immediately occurred to me that there might be some conflict between the interests and activities of the Boulevard Corporation, in which I am importantly interested, and the interests and activities of the highway department. After reflection and discussion with the other officers of the Boulevard Corporation, a decision was reached which enables me to make to you on behalf of the Boulevard Corporation, and on my own behalf, certain propositions which I feel will eliminate every possibility of conflict between the Boulevard Corporation and the Highway department, and therefore I feel justified in accepting the appointment.

Consideration of the Governor's request impressed upon me the fact that there is not room for two air trunk longitudinal vehicular roads through the entire State. Therefore, if the Boulevard Corporation, as a private enterprise, should proceed to complete its vehicular road, the Highway Department would be compelled to accept, as the backbone of the State road system, a highway that might not be in accord with its general scheme or to build its own longitudinal road and thus impose upon the State the economic waste of maintaining two utilities, where one would be sufficient to accommodate the traffic for many years. It at once became obvious to me that the Boulevard Corporation should defer to the judgment and wishes of the Highway Department, a department created by the people of Delaware through their representatives in the Legislature and of later date than the act authorizing the creation of Boulevard Corporation.

On behalf of the Boulevard Corporation, therefore, and as its president, I am authorized to say that the said corporation hereby offers to abandon the construction of the boulevard, or highway, which it was organized to build, when the same is completed as far north as the northerly boundary of the said Appenzeller farm, provided that the Highway Department shall agree, as the first highway construction that shall be undertaken and completed by the department, to continue the said highway as far as Milford by the route heretofore approved by the commission created under Section 167 of the general corporation law and now deposited in the office of the Secretary of State, in accordance with the provisions of Section 173 of said law, and north of Milford to the city of Wilmington by such route and of such width and character of construction as the said department shall determine. Inasmuch as the route between the Appenzeller farm and Milford has heretofore been approved by the then existing legally constituted agency of the State having jurisdiction of the matter, the Boulevard Corporation is of the opinion that the route of the highway as far north as Milford must conform to the one which has been thus approved.

In case the Highway Department shall so agree, as its first work, to continue the said highway from the northerly boundary of the said Appenzeller farm to Wilmington, in the manner hereinabove prescribed, I hereby personally offer to pay the entire cost of constructing such highway, including the cost of all new rights of way that it may be necessary to acquire, but excluding the cost of a new bridge, if one should be found necessary, across the Delaware and Chesapeake Canal. The reason for excluding such bridge is

that under the canal company's charter the company itself is bound to build same.

I address this letter to you four gentlemen, members of the State Highway Department, and hereby authorize you to present it as a proposition to the department, at its next formal meeting. I shall not attend such meeting as I deem it would be improper for me to discuss or vote upon the question as to whether the department shall accept the offer of the Boulevard Corporation to abandon its boulevard, upon completion thereof to the northerly boundary of the Appenzeller farm, in case the department will agree as its first work, to continue said highway to Wilmington in the manner hereinabove prescribed and the further question as to whether the department will accept my offer to pay the cost of such continuation of said highway to Wilmington.

It is to be expressly understood that, in case said offer are accepted, all details of the highway from or near Milford to the city of Wilmington, including route, width, character of construction, etc., are to be determined by the State Highway Department in accordance with the law creating it.

Should the offer be accepted, I will tender my resignation as a member of the State Highway Department so that my presence in this department shall not embarrass any member in the exercise of his independent judgment.

Please act promptly upon these offers and notify both the Boulevard Corporation and me of your decision. I beg to remain,

Yours respectfully,

COLEMAN DU PONT.

### Special Services in Presbyterian Church

A special Harvest Home service will be held in the Presbyterian Church, Newark, next Sunday morning. In the evening there will be a Christian Endeavor Rally at seven thirty, the hour of the regular church service. Miss Reeves, of Wilmington, will lead

the service. A patriotic rally day will be observed by pupils of the Sunday School on October 21st.

### STREET MEETING PLANNED BY "DRYS"

On Opera House Corner Tonight

A street meeting to advance the "dry" campaign in New Castle County will be held on the Opera House Corner this evening at 7:00. Hon. T. W. Crabbe, superintendent of the Anti-Saloon League of Delaware, and Maryland will be the speaker.

### TRUSTEES' SALE OF VALUABLE

## Real Estate

In Cecil County, State of Maryland.

By virtue of a decree of the Circuit Court for Cecil County, in Equity, passed in cause No. 3382, Equity Docket in said Court, the subscribers, as Trustees, will sell at public auction to the highest bidder, at the Court House door, in the town of Elkton, Cecil County, aforesaid, on

TUESDAY, OCTOBER 9, 1917

AT 11 O'CLOCK A. M.

the following parcels of real estate: (1) A certain parcel of real estate known as the "Annie E. Clayton" tract, situated in the town of Iron Hill, Cecil County, Maryland, and containing more or less, and which is described in the following deeds, to-wit:—a deed from Harry C. Clayton to the said Annie E. Clayton, bearing date the 30th day of September, in the year 1889, and which is now of record in Liber J. A. D. No. 13, Folio 165, etc., one of the Land Record Books of Cecil County; and a deed from Hannah J. Root to Annie E. Clayton, dated the 29th day of October, A. D. 1890, recorded in Liber J. A. D. No. 21, Folio 295, another of said Land Record Books.

The improvements thereon consist of a two story

### 46 Acres

1 GOOD AND 140 PERCHES OF LAND, more or less, and which is described in the following deeds, to-wit:—a deed from Harry C. Clayton to the said Annie E. Clayton, bearing date the 30th day of September, in the year 1889, and which is now of record in Liber J. A. D. No. 13, Folio 165, etc., one of the Land Record Books of Cecil County; and a deed from Hannah J. Root to Annie E. Clayton, dated the 29th day of October, A. D. 1890, recorded in Liber J. A. D. No. 21, Folio 295, another of said Land Record Books.

The improvements thereon consist of a two story

### Frame Dwelling House

and attic, with a good dry cellar thereunder, a small log barn and corn crib and other necessary outbuildings.

This property lies to the south of the public road leading from Elkton to Iron Hill and is more particularly described in a deed from Edward Quicksall, dated the 15th day of September, 1883, and recorded in Liber J. A. D. No. 6 Folio 579, another of said Land Record Books.

(2) Being all that lot or parcel of land situate, lying and being in the Third Election District of said county, on the north side of the said Chestnut Hill road where the road from the Chestnut Hill road leads to Iron Hill station, and contains

### 11 Acres of Land

more or less, and is the same lot or parcel of land which was conveyed unto the said Harry C. Clayton by Francis C. McKnight and wife by deed dated the 9th day of October, A. D. 1891, and is of record in Liber J. A. D. No. 23, Folio 278, another of said Land Record Books, and being also the same tract or parcel of land which was conveyed unto the said Annie E. Clayton in and by the last will and testament of the said Harry C. Clayton, dated the 2nd day of April, A. D. 1884, which was duly admitted to probate by the Orphans' Court for Cecil County January 13, 1896, and is now of record in Liber I. Vol 16, Folio 229, one of the Will Record Books for Cecil County aforesaid.

The improvements consist of a good

### Frame Dwelling House

and other necessary outbuildings. These desirable properties are situated within one-half mile of Iron Hill station, a depot on the P., B. & W. R. R., and convenient to markets, churches, schools, etc.

THE TERMS OF SALE as prescribed by the decree are that one-half of the purchase money shall be paid in cash on the day of sale and the residue in six months from said date, credit payment to bear interest and be secured to the satisfaction of the Trustees.

The costs of deeds to be paid by the purchasers. JAMES F. EVANS, WILLIAM S. EVANS, Trustees. Armstrong, Auctioneer. Sept. 19—31.

### WEDDING

Tierney-O'Rourke

Miss Helen O'Rourke, Chestnut Hill, and Mr. William Tierney, of Newark, were quietly married by the Rev. Father Temple at St. Elizabeth's Church, Wilmington, this morning. Both the bride and groom are well-known here. Miss O'Rourke was a stenographer with the DuPont Company, Wilmington, and Mr. Tierney is of the clerical force, Continental Fibre Co. They will reside on Cleveland Avenue.

## PERSONALS

A. H. O'Brien of Melbourne, Australia, agent of the Continental Fibre Company in that city, visited the plant on Tuesday. Mr. O'Brien will be in America for several weeks. W. A. Gribble, the company's representative in San Francisco, was also a visitor at the main office last week.

Mr. and Mrs. Elmer Boulden and son Frederick, of Chester, spent Saturday and Sunday with her parents. Mr. and Mrs. John W. Chambers.

Mr. and Mrs. Louis W. Greenwalt and sons Franklin L. and H. Gaylord, and Mrs. Theodore Gail, motored on Saturday to Rosedale, Md., where they visited relatives of the latter, returning to Newark on Monday.

Miss Katharine L. Wilson and Miss Letitia R. Wilson left this week for the Ely School, Greenwich, Conn.

Mrs. Charlotte Challer of Newark, N. J., was the guest last week of Mrs. George Frederick.

Benjamin Fernan of Coatesville, accompanied by his brother, Adelbert Fernan, of Lauderburg, spent Sunday with Evan W. Lewis.

Mrs. E. V. Vaughn leaves this week for Kansas City, Mo., where she will represent the societies of the Wilmington M. E. Conference, at the National board meeting of the Women's Home Missionary Societies of the M. E. Church. Previous to the convention Mrs. Vaughn will visit relatives in Missouri and Iowa.

James Buckelew, new superintendent of the Maryland division, Pennsylvania railroad, who succeeds A. J. Whitney, visited the stations at Newark last Saturday. Mr. Buckelew commented on having admired the town on previous motor trips through Newark, and spoke of the excellent service which he had found at the Deer Park Hotel on these passing visits.

Miss Annie Wilson, of Philadelphia is the guest of Miss Jane Maxwell.

Mr. Lewis Colmery of near Newark, and Mr. J. H. Barbour of Woodside, Delaware, represented the State Camp, P. O. S. A., at a convention in Chicago last week. On their return they stopped at Detroit, and Buffalo. While in Detroit they visited the Henry Ford plant.

Miss Anna M. Springer of Wilmington, is the guest of Mrs. Thomas Young.

Mrs. Joseph H. Chandler and Miss Speakman of Wilmington, were the recent guests of Mrs. Martha Young.

Miss Sarah Potts, who is teaching at Blackbird, Delaware, spent the week-end at her home in Newark.

Miss Cassandra Strahorn of Philadelphia, visited Newark relatives last week.

Mrs. C. L. Penny, who spent the summer with her sisters at Belle Meade Park, Nashville, Tenn., returned today to her home in Newark.

Arthur Chillas, of the Ambulance Corps, U. S. N., spent the week-end at his home in Newark. Mr. Chillas has completed the course in training at Columbia and is now with a unit of twenty at the Medico Chi in Philadelphia, where he will remain for three months' hospital service.

## Notice To Knitters

According to revised instructions received last night, all persons knitting scarves for American soldiers in France, are requested to make them 11 inches in width and 68 inches in length. Garments should be laid and measured with a ruler, not a tape line. The call is urgent! Women of the community are urged to knit. Calls for yarn will be promptly filled.

ELIZABETH H. GRIME  
Red Cross Committee

## Social Notes

Dean Robinson of the Women's College, will receive in Warner Hall this Friday afternoon, from 3.30 to 5.30. Miss Robinson will be assisted by Mrs. Samuel Chiles Mitchell, Mrs. Finley Foster, Mrs. C. A. Short, and Mrs. Arthur Grantham.

Paul Steel entertained a number of friends at his home on Amstel Avenue, last Friday evening. Piano and vocal music and dancing filled the evening. The guests included Martha Wollaston, Gladys McCallister, Mary Mitchell, Gertrude Willis, Anna Frazer, Sara Lovett, Alma Dunlevy, and Ruth Brown; Tom, Arunah, and Barclay Armstrong; Francis Brown, Granville Robinson, Walter Ritz, Johnson Rowan, Ira Steele, Allyn Cooch, and Richard Cooch.

A "farewell," in honor of Pierce Laws, who has been selected for military service, in the next contingent of men to report at Camp Dix, Wrightstown, N. J., was given last Friday evening. Messrs. Clyde Baylis, Ralph Robinson, and T. C. Young were the hosts of the occasion. The party spent the evening at Dockstader's and later enjoyed a banquet at Ainscow's, in Wilmington.

## Fun At The Women's College

Fun prevailed at the Women's College last Saturday evening when the students gave a "welcome" party to forty freshmen. The entertainment took the form of an evening in the Hicksville Grand Opera House. The "Hilarium," where the performance was held, was arranged to suggest the interior of a theatre. Ushers showed the ladies and "gentlemen" to their seats. A notice on the bulletin board earlier in the day had urged everyone to come in grotesque evening costume, and wonderful indeed were many of the creations.

Miss Helen Bishop acted as master of ceremonies. The program included selections by the Philadelphia picked orchestra, led by Miss Millikin; an impersonation of a popular comedy singer, with an original song about freshmen, by Miss Selma Bachrach; Aesthetic dancing by Misses Margaret Gray and M. J. Wright; Juggling and Acrobatic feats by Miss Helen Bancroft and Miss Elizabeth Kelly; an impersonation of Madam Tetrzinni, by Miss Schunder; a chorus, "Conservation Flat," a song appropriate to the present conservation problem. Peanuts were "sold" during the exercises, and ice cream and cake after the performance.

Mrs. Florence Bayard Hilles, chairman of the Women's party of Delaware, is planning a big mass meeting to be held in Wilmington on Sunday, October 14th. Dudley Feld Malone, who resigned as collector of the port of New York to devote his time to the cause of woman suffrage, will speak at the meeting.

## TEACHER MEETING IN GRAMMAR SCHOOL

## Prominent Educators Present

The Parent-Teacher Association of the Newark Schools introduced the fall work in a splendid meeting held at the Grammar School last Friday. Among prominent educators present was Dr. G. S. Counts, head of the Department of Education, Delaware College; Dr. E. L. Cross, superintendent, New Castle County Schools, and Mr. Ruhl, state director of children's clubs. Mrs. William Kennedy, the new president of the Association, and Mrs. Thomas Greene, secretary, were present, and by their interest and enthusiasm did much to further the progressive spirit of the meeting.

Mr. Koehler, principal of the Newark schools, gave a brief outline of the aid which the Association may render the school, by co-operating with the teacher and the Board of Education. The Committee on School Ground Improve-

ment made a brief report. Children of the Fourth and Sixth grades, under the direction of Miss Shepardson, furnished some delightful songs. Mr. Ruhl, after a pleasing address, presented prizes to the gardening class, as announced in last week's issue.

After adjournment a pleasant social hour was spent, during which ice cream and cake were served. Both Dr. Cross and Dr. Counts expressed themselves as well-pleased with the live and progressive spirit shown by the Association.

## To Present Portrait

On October 24th

Announcement has been made that the portrait of the late Frederick H. Robinson, for many years head of the Civil Engineering Department of Delaware College which is to be a gift to the college from Mrs. Robinson, will be presented on October 24. Dr. George A. Harter, who is chairman of the faculty-alumni committee that is

making plans for the exercises in connection with the presentation. The portrait will be presented by former Lieutenant Governor John M. Mendinall, on behalf of Mrs. Robinson. It has not been announced who will receive it for the college. The portrait will be placed in the parlor of Old College Hall, until the completion of the proposed engineering building, where it will be hung permanently.

## The New Store of a New Kind

On October 8th a new store makes its bow in Newark. It is, a store new and unusual, as to merchandise, policy and birth; unique not only for Newark but for the country.

For over two years, there has been a growing and insistent demand from Newark and surrounding country for service—in the matter of electrical accessories. Investigation on the spot showed that on-the-spot-service in Newark rather than from Wilmington was wanted. Hence, the store.

Investigation also showed that Newark was broad gauged—everything electrical was wanted from an electric iron for the housewife to electric farm installations for the progressive farmer. Hence, the merchandise.

With such a store, with such merchandise, policy is all important if the good name of our Company in Newark is to measure furlong for furlong with our good name in Wilmington. Hence, the policy of our Company: First, last and all the time—SERVICE.

## Grand Opening Week of October Eight

So on Monday, October 8th, you will have your first opportunity to inspect this addition to the service-giving business life in Newark.

The store is conveniently located at No. 40 E. Main Street and has been remodeled and re-decorated with handsome permanent fixtures. The store will be in charge of Mr. A. J. Cox, transferred from the Sales Staff of our Wilmington Office.

Of particular interest to the ladies are the demonstrations during the week by experts of vacuum cleaners, electric ranges, washing machines and other home appliances.

Beginning at 6 p.m. Monday the store will be open to you for inspection and PUBLIC SERVICE. You are cordially invited—any day of the week or any evening that suits your convenience.

## Everything Electrical for Housewife, Businessman, Mechanic and Farmer

From stock, any desire electrical you may have, can be filled, so far as we can now foresee your probable desires. Our manager has carte blanche to get anything you want—quick—if we haven't it.

mission

At a meeting of the Delaware State Tuberculosis Commission held at the Hotel duPont last week, a field secretary was engaged and Dr. F. H. Edsall, formerly head of the health department, at Jersey City, N. J., was appointed to fill

this newly created position. Dr. Edsall comes to Delaware from New Jersey highly recommended and upon his leaving Jersey City the papers of that place paid high tribute to his work.

It is the purpose of the new secretary to have the State Commission inaugurate an educational campaign in connection with tuberculosis and he will have charge of this work all over the State. It is the purpose of the secretary to teach the public how to protect themselves and others against the disease. He hopes with the aid of

the commission to put all those suffering from the disease under proper environment and treatment.

Dr. Edsall hopes to interest all the Boards of Health throughout Delaware, and correlate the forces to fight those things that menace the health of the community. There will be conferences held throughout the State, at which speakers well versed in preventive measures will deliver addresses.

There will be a dispensary open in each county, in all probability the local dispensary being located

at the Peoples' Settlement in Wilmington. Dr. Edsall will open an office in Wilmington this week.

## Junior Mechanics An- nounce Annual Dance

The Fourth Annual Dance of the Junior Mechanic Guards will be held at their rooms, 12th and Shipley Street, Wilmington, on Tuesday evening, October 16. Tickets are being sold locally by Sergeant E. M. Webster, Academy Street.

# SNELLENBURG'S

The Store that Saves you Money

MARKET AND SEVENTH STREETS

Store Opens 8 a. m.

Closes 6 p. m.

Saturdays 9.30 p. m.

OUR CREED: To give every customer nothing less than complete satisfaction. When we can't do it—sometimes his fault, sometimes ours—give him back his money cheerfully

## It's Good Business to Wear Ready Made Clothes

Far seeing, deep thinking men understand a good business; they make it. They know that good clothes are a part of it; and not paying too much for them, a sign of it. They buy our clothes ready made, because they save time and money, and get all-wool fabrics, correct style, good tailoring, good fit.

Understand, please, we are speaking of Snellenburg Clothes, and the man who buys them shows good business judgment, indeed. He doesn't have to pay exorbitant prices, yet he gets the best. By operating our own factory and thereby eliminating the middleman's profit, it is possible for us to save him 25 to 33 1-3 percent.

Think of that—an actual saving right now when prices are higher than ever before. Nevertheless, that's just what we can do, and we are proud to know that we can so greatly assist men in economizing, not only for their own benefit but for the benefit of the good old U. S. A. as well.

## Standard Qualities at Last Year's Prices

\$15, \$18, \$20, \$22, \$25

The SNELLENBURG label in your clothes—a sign of satisfaction guaranteed—a small thing to look for, a big thing to find

Snellenburg's—second floor—elevator.

## Do you Wear Shoes or "Regals"?

Difference? Well, I should say so. Just listen—Regals are made of real leather at every point that should be leather. They are made by union workmen; experts—yes, designed—not "copied" from another make of shoe. They are durable; they are comfortable and sell for moderate prices.

\$6.50, \$7.00, \$7.50, \$8.00, \$8.50, \$9.50, \$10.00  
To know more regarding "Regals"—WEAR A PAIR.  
Snellenburg's—first floor—south.

## Do you Feel Satisfied?

When you walk into a store to buy a hat, do you feel satisfied that you are going to be shown all that's new and up-to-date at prices to suit your purse? Do you feel that you will be given the most courteous attention?

If not—then you have never been in the Snellenburg hat store, but suppose you come in at your earliest convenience and we will show you hats in a large variety of styles and prices.

\$2.00, \$3.00, \$3.50, \$4.00, \$4.50, \$5.00

Some range of prices, eh?—and say, the styles are—oh, come in and see 'em that's the best way.  
Snellenburg's—first floor—right.

### Announce an Informal Showing and Exposition of the New Fashions in Feminine Apparel and Accessories of Dress for Women, Misses and Girls for the Season of Fall & Winter 1917-1918

The foremost style designers in the world of fashion contribute to these collections their choicest products, presenting in brilliant assemblage the authentic and accepted modes, in many instances reserved exclusively to Braunstein's, combining a refinement of style and an excellence of quality that is worthy of "The House of Fashions," and yet, withal, moderately priced as usual.

#### Suits Tailleurs

Paris adaptations, the finest achievements of master-craftsmen and skilled designers in qualities of rare excellence.

#### Coats and Wraps

Distinguished fashions that mirror the modes of the moment in authoritative styles for daytime and evening wear.

#### Gowns and Frocks

Collections of radiant beauty faithfully portraying the most recent fashion inspirations in stunning styles for every occasion of dress.

#### Millinery

Trimmed hats comprising tailored, sports and dress types artfully designed in a bewildering host of charming creations that breathe of Paris origin.

#### Separate Skirts

Showing clever conceptions and original ideas in a vast variety of style designs for street, dress and general utility.

#### Blouses

Exquisitely wrought in sheerest of textures and in less elaborate effects; a fascinating profusion that offers the utmost freedom in choosing.

#### Girls' and Juniors' Apparel

Fashions typical of girlish charm and youthful grace; practical as well as dressy effects appealing to the whims of the younger set.

#### Furs

Matched sets and separate pieces of luxurious style and surpassing elegance portraying fur fashions of fine distinction.

#### Sweaters Neckwear

#### Hosiery Gloves Accessories

#### Lingerie Corsets

turn perfect their county organization.

In addition to the State chairman each Federal Reserve Banking District of the United States has a woman chairman, who acts in an advisory capacity to the State chairman in her district and who serves as ambassador from the Woman's Liberty Loan Committee of her Federal Reserve Bank Board.

The Woman's Liberty Loan Committee has also established an Advisory Council composed of the executive presidents of women's organizations of nation-wide membership. There are also Liberty Loan chairmen for Alaska, Cuba, Hawaii, the Philippines, Porto Rico, and for foreign countries not engaged in war.

The Federal reserve districts of the United States are divided according to the financial problems of the various sections. Delaware is listed in the third division, which includes the eastern half of Pennsylvania, lower half of New Jersey, and the upper section of Delaware, as well as the extreme southeastern corner of Maryland.

The Woman's Liberty Loan Committee, of which Mrs. W. G. McAdoo is chairman, is also organizing a Liberty Loan League, to be composed of both men and women buyers of liberty bonds of the first issue, who will become promoters of the sale of the bonds of the second issue when it shall be announced by the Secretary of the Treasury. The committee is also arranging through the office of the United States Commissioner of Education a plan for interesting the school children of the country in the liberty loan; and, through the Extension Division of the Department of Agriculture, a plan to interest the farm women of the Nation in the cause. Through some of the great mail-order houses the committee is arranging to send out circular information to millions of women.

It is the aim of the Woman's Liberty Loan Committee to interest every woman in the United States in liberty bonds and to sell a bond into every home in the land. To this end the committee urges every woman not yet connected with a liberty-loan organization to attach herself to the one which will be established in her community, and if the community has not yet such an organization for women to communicate with the chairman of her State. In this way every American woman may become an active agent in the purchase of bonds which will provide for the food, shelter, and maintenance of American sailors, soldiers, and marines, and at the same time make for herself an investment paying her higher interest than the usual savings account, and one which is guaranteed by the resource of the Government of the United States, the richest Nation in the world.

## OUR PART

By Herbert Kaufman

France gaily bleeds upon her torn frontiers and counts her waning wealth of men and gold with still unquailing heart.

Belgium, a shambles and a house of shame, superbly keeps the faith with exiled flag and king beneath the banners of a conqueror.

Bewildered Russia, groping, manumitted surf, plays perilously with sudden rights as children with a toy they do not understand, who, in the search for revelation, break the works beyond repair.

The path to Austria has taken an Italian life in toll for every foot of progress made, and after two years spent upon the stubborn heights, the farthest sentry on the last outpost peak is not a night removed from his own boundaries.

Rumania struck one blow and then became a German camp, a looted realm; and Servian Peter

leads his homeless waifs on alien soil.

Britain in vain hurls her full strength into the West, recruits unceasing levies for the slaughter-heaps. Her constant transports ply the Seven Seas. Pathan, Egyptian, Anzak promptly answer each fresh call, and the astounding Prussian, with never an invading foot upon the Fatherland, calmly eats their steel, presents unbroken fronts, maintains his hold from Antwerp to the Dardanelles, and insolently challenges the world from pole to pole to pool its might and come in arms against him.

The end of this grim war is not in sight. Whoever thinks the Allied cause is won has read his facts amiss.

We have our part to play—a sad and heavy dauntless part.

We cannot, dare not fail our pledges.

Should Europe yield, as Europe may, before we can assert our strength, America alone must

meet the Central Powers, free then to devote their undivided fleets and armies to our desolation.

This is the time for minutemen—for the right-minute man—the time for the best to lead and the rest to heed; for swift minds, for

bold minds; for vast, audacious plans; the time for unity, for sacrifice, for action by the fastest clocks.

We've sworn to save Democracy—if we delay, we may not save ourselves.—October Cosmopolitan.

Whether it is for complete plumbing work for a new house or a small repair job, any service we perform large or small receives the same careful attention and skillful handling. We have the experience, the knowledge and the facilities to do any job right, at the right figures. Get our estimates.

W. D. DEAN NEWARK, DEL.

## The Nation's Fighting Men Are Mobilizing!

Great military cities are springing up all over the land; and linking these training camps, aviation fields, coast defenses, naval stations and even most remote points where our forces are gathering, is the Universal Bell Telephone System—linking each with the other and all with the Departments at Washington.

Upon the declaration of war, the Bell System was placed unreservedly at the disposal of the Government, whose already enormous demands for telephone service are continually increasing. Likewise unprecedented are the service requirements of private business, which necessarily must be subordinated in times of emergency.

And, altogether, the patriotic American public can cooperate most effectively with the Government if they will contribute toward the continued maintenance of an effective telephone service by discouraging all extravagant and wasteful uses of it.

The Diamond State Telephone Company

E. P. Bardo, District Manager  
 Wilmington, Del.

## NEWS OF THE NEIGHBORHOOD

As Reported by Correspondents for THE POST

### APPLETON

Miss Laura Peterson, who is reported to be suffering from diphtheria, is convalescent.

The road from this village to Newark is in very bad condition. Miss Mary Atkinson is attending school in Newark this fall.

Captain Millard Tydings of Company E, 1st Maryland Infantry, is attending the School of Musketry in Oklahoma. In his absence Lieut. C. Otis McCauley has charge of the Company. The soldier boys are well and happy in camp at Anniston, Alabama.

### Corn Show In Middletown

The executive committee of the Delaware Corn Growers Association has decided to hold the Eleventh Annual State Corn Show in Middletown, January 2nd to 4th, 1918.

About five hundred dollars (\$500) will be expended in premiums for samples of corn and small grain.

A premium list and an announcement of the program of the convention will be issued at an early date.

For particulars write to A. E. Grantham, Secretary, Delaware Corn Growers Association, Newark, Delaware.

### KEMBLESVILLE

Mrs. Fannie M. Taylor of Berwyn, Pa., is visiting friends in the village.  
 Miss Mary Kalso of Philadelphia, is the guest of Mrs. Wm. Willard.

Mr. Geo. Good and family, of West Grove, were guests of J. Newlin Good and family on Sunday.

A very interesting meeting of the W. C. T. U. was held at the home of Mrs. Phebe Wilkinson, on Wednesday. Mrs. Maud Maxwell and Mrs. Lizzie Dance of New London Union, were present and gave a very interesting report of County Convention held in Coatesville recently.

Mr. and Mrs. E. C. Spencer of West Grove, were callers in the village on Sunday.

The Burial Association held their semi-annual meeting in Willards Hall on Saturday evening. The meeting was well attended. The early part of the evening was

devoted to an official board meeting, after which all were entertained by vocal music by Mr. and Mrs. Wm. Dingman of West Chester, a recitation by Mrs. Mary Blackburn, and an address by Rev. Jay Dickerson of West Chester. Refreshments consisting of ice cream and cake, were served by the gentlemen of the Association. All spent a pleasant evening.

Mrs. Jane Henderson of Wilmington, is visiting her sister, Mrs. Maggie Pratt.

Mr. F. B. Pratt is attending court at West Chester this week.

### STRICKERSVILLE

Mrs. Joseph Coleman spent the week-end with her son-in-law, Victor Riden, in Wilmington.

Mrs. Ralph Conoly of Hopewell, is spending a few days with her sister, Mrs. Ida McCauley.

Mrs. Alice Herbener of Newark, visited Mrs. Elizabeth Herbener at London Tract last week.

Mrs. B. Singles and daughters, Dora and Irene, were guests of Mr. and Mrs. Crosley Pyle, Sunday.

Don't forget the Literary and Musical entertainment at Wesley Church next Saturday evening. Mrs. Hayes, an elocutionist of Wilmington, will be there. She needs no introduction. Those who have heard her will be eager to hear her again. Admission, 15 cents. Refreshments for sale.

### Women Organize To Promote Liberty Loan

The Woman's Liberty Loan Committee, appointed by the Secretary of the Treasury to direct the activities of women in the sale of the liberty bonds, has inaugurated a nation-wide campaign for the promotion of the present issue of the Liberty Loan.

For purposes of organization the committee has made each State a unit of organization. Each State has a chairman, who serves upon the executive board of the State division of the Woman's committee of the Council of National Defense, representing Liberty Loan interests there. This State chairman has active charge and direction of all Liberty Loan activities among the women in her State, under the general direction of the national committee. She appoints chairman for each county, who in

## Gunning Season is at Hand

The crack, crack, of the rifles is heard on the river shores, and the sportsmen return at night with delicious morsels in their game bags.

Don't, because of strenuous days, forego YOUR gunning trip. Get together your gun and cartridge belt, and your ammunition. And, by the way, ask the next group of sportsmen you hear swapping tales, how many of them carry Winchesters.

A FULL LINE OF "WINCHESTERS" AND GUNNERS' SUPPLIES IS TO BE FOUND AT

THOMAS A. POTTS  
 NEWARK, DELAWARE

## BLUE AND GOLD HAS NEW COACH

Baumgartner Former National League Pitcher Now Leader of Delaware College Football

"Pep" seems to be the first name of Stanwood "Lefty" Baumgartner, the new football coach at Delaware College. Since he took charge of the squad last Friday Baumgartner has demonstrated in more ways than one that the men who make the Blue and Gold eleven this year have got to work for their positions and work hard. Before taking the men out on Frazer Field for the first practice under his direction last week Coach Baumgartner gave them a talk in chapel. He made it plain to them right at the first that he was to be absolute boss on the field and what he would expect from every man who came out for the team. He demanded loyalty of every candidate, strict observance of all training rules and that every candidate give his best at all times. He also told the men that he would be on hand early every morning to look after details and would expect each candidate on the field at the earliest possible moment every afternoon.

As a result of this plain talk by Coach Baumgartner he won the good will of every football candidate, student and member of the faculty. Each and every man has promised to give him the best that he has at all times during the season. On the first day when Coach Baumgartner worked the candidates hard for two hours and then run them three times around the track before sending them to the showers there was not a complaint although it was a tired set of athletes who went to the "gym" that day.

This kind of training has been reported every day since. A training table with the new coach at the head of it has been established in the Commons and will be continued during the season. On Sunday the squad was taken on a long "hike."

Coach Brumgartner realizes that his greatest proposition is to get a backfield, as only one of last years backfield men is back. He

is working hard to develop some backfield men but will not be able to tell a great deal about the worth of his new material until after the first game which is with Maryland State at College Park on Saturday. Most of the practice to date has been preliminary work such as charging, tackling the dummy, falling on the ball, punting, running down punts, etc. The first scrimmage was held this afternoon.

Among the men out for the team are, Captain Wilson, Stewart, Carter, Lauritsen, Marconetti, Clancy, L. Plam, Marston, Loose, Meyers, Ruos, Foulk, Daley, Tonkin, Cantwell, Aker, Raughley, Vita, McCaughan, Mackie, Shane, and others.

Baumgartner, the new coach, is a graduate of the University of Chicago, where he played three years, 1912, '13 and '14, under Coach Stagg, and in 1913 was the All-Western end. He coached a Chicago high school team in 1915. In the summers of 1915 and 1916 he pitched for the Philadelphia National League Cub. Baumgartner played football, baseball, and basketball at the University of Chicago.

## Faculty And Students Name Athletic Council

At a meeting of the Delaware College Faculty this week, Dean E. Laurence Smith and Professor George E. Dutton were elected members of the Athletic Council. Dean Smith has served several years on the Council and Professor Dutton will succeed Professor Charles A. McCue resigned. The Alumni last June re-elected Dr. Walter H. Steel and Norris N. Wright to the Council. Each of the three upper classes are also represented on the Council. The seniors have elected Knowles R. Bowen, to represent that class and the juniors named J. G. Craig. The sophomore's have not named their representative. The Council will meet to organize next Tuesday night.

## MAY GET AFTER RURAL SLACKERS

Those Who Fail To Report For Examination Looked On As Deserters

Some of the registrants in rural New Castle County who have failed to report to the Local Exemption Board at the time specified for physical examination will have a hard time explaining this neglect to the Federal authorities. According to a notice sent out by Provost Marshal Crowder they are to be held as deserters and \$50 reward is offered to any one who turns such slackers over to any army post or camp. While 46 men failed to report for examination when the third levy was called recently it is understood that most of these can probably give a reasonable excuse. Some have enlisted and others are ill. It is thought that the Local Board now has its entire quota of 214 men ready to be sent to camp on a few days notice, although Dr. W. Owen Sypherd stated this week that he does not

know exactly how many men the board has available for service. He thinks they have enough to fill the quota and probably some additional.

## RURAL BOYS MAKE GOOD AT CAMP DIX

(Continued from Page 1)  
Point team. Cox and Williams, both college men with league experience, composed their battery and except for the batting of Madden, Weist and Sullivan we would not have scored. Madden has certainly been hitting like a whirlwind. He had two doubles and a three bagger out of five times up. Weist had two slashing two baggers and Sullivan three singles. That was all the hitting, however, that our team did.

"On the other hand Gallagher pitched a wonderful game for our team and would have won but he walked three men in a row after having two out and then grooved one to Cox who cleared the bases. They only got three hits off Gallagher. Company L played the crack New York team today and defeated them 9 to 1. We play the same team—Company L—again on Wednesday for the championship

and you can bet its going to be some game.

"Our uniforms are here now and we expect to receive them tomorrow (Sunday). We are a mounted troop and carry revolvers instead of rifles. Our horses must be expected soon as the officers selected from the rural New Castle contingent about twenty men who had lived on farms and informed them that they would be used to care for the horses for the present.

The man from our bunch who deserted the day after we arrived at camp has not been heard from since as far as I know. Private Banning received a severe cut in his right arm Wednesday night. He was taken to the hospital where two stitches were required to close

the wound. Private Lyons of Newark, was injured by a batted baseball hitting him on the leg. He was knocked out for a time and had to be treated at the hospital, but is better now.

"Private Cox" (Leroy Cox) has been generally accepted as the funniest man in the company. He went on the stage at the Y. M. C. A. during what they call 'Specialty Night' and made a hit. Private Howell, a full-blooded Cherokee Indian in our company, is booked next Saturday night at the Y. M. C. A. to meet all comers at wrestling in the 140-pound class.

"Madden is a great favorite at the Y. M. C. A. When they want some one to play the piano they yell for Madden."

## NEWARK OPERA HOUSE

### PROGRAM WEEK BEGINNING

#### THURSDAY, 4th

Gail Kane, the popular emotional star, in "THE SERPENTS TOOTH," a story of a battle of two men—one poor and generous, the other rich and selfish—with an innocent girl as the prize. Also, second chapter "FIGHTING TRAIL." A duel with knives, followed by a fall hundreds of feet down a mountain side, is one of the many thrills of this chapter.

#### FRIDAY, 5th

Barney Bernard and Bobby Connelly in "A PRINCE IN A PAWNSHOP," a Vitagraph drama in 5 parts.

#### SATURDAY, 6th

Peggy Hyland in "THE ENEMY," a Vitagraph drama in 7 parts. Also, News and Comedy.

#### MONDAY, 8th

Paramount presents Mae Murry in "SWEET KITTY BELLAIRS."

#### TUESDAY, 9th

Peggy Hyland in "SAINTS AND SINNERS," and Pearl White in the 8th Chapter "FATAL RING." Pearl is captured by Carlake and a thrilling fight is featured in this chapter.

#### WEDNESDAY, 10th

Ethel Barrymore in "THE GREATEST POWER," a five-act Wonderplay of patriotism. Miriam Monroe and John Conrad, two young scientific workers, discover exinite, the most powerful explosive yet known. They believe fear of its great destructive qualities will stop all future war, if given to all nations at the same time. War is suddenly declared on the United States, and Miriam asks Conrad to give the Government all the exinite he has on hand. Believing in world-peace, he refuses. But criminal methods of an alien spy, who tries to kill him to obtain the formula for the explosive, opens his eyes to the unsuspicious character of the enemy, and patriotism triumphs.

Two Shows Each Evening—7.15 and 8.15

## TO THE COLLEGE MAN,

At the beginning of another College year, may I say a word to the new students. As a Citizen of Newark, I welcome you to this Community. As a citizen of Delaware I congratulate you. To be accepted as a student at Delaware College is an honor that will require your best efforts. The men under whose instruction you will sit are leaders in their fields of learning. You will have the best training the country affords. You have only to apply yourself to win the title and recognition of an educated American Citizen. Trained in mind and body, you can claim the world's attention

## I F

That's the word—IF—upon that your future depends. Careers of Men, history of Nations depend in many instances on the IFS of Life. One of the important IFS is in the matter of dress. Clothing does not make the man, but it certainly presents him. The style presents the character of the mind. Success is uphill work at best. Anything that aids in attracting attention is worthy of consideration. Clothes do that. The best student of Philosophy at College dressed in stripes would have a hard task in securing a professorship. An engineer dressed as a Broadway fop would receive scant attention from a Government Engineer. No longer does the poet or historian wander about unkempt in his appearance. Genius no longer travels in rags. Dress, while only a detail in comparison, is an essential in American life.

In keeping with the College and its policy, I am attempting to care for the Clothing needs of this community. My aim and study for clothes is for the success type of the American Citizen. I do not dress the snob or fop but the gentleman. I study the essentials of the business man and the successful man. I am catering to that kind of trade.

*This is, too, a day of economy but dress in proper form is not an expensive proposition as I have interpreted it.*

*The students of Delaware College are welcome to the Class Room of Success as found at*
