

GASOLINE MILEAGE RATIONING NOV. 17-19

**Motorists To
Register At
Newark High
School**

Schools of Delaware will be open November 16, 17 and 18, with teachers acting as registrars, for registration for gasoline mileage rationing. Working in conjunction with the state office of CPA, the Newark High School will receive registrations from 3:30 until 8:00 P. M. on these days. Superintendent C. E. Douglass stated yesterday.

All pleasure car owners and motorists must appear at the schools for registration on the days assigned during the hours prescribed. This registration does not affect owners and operators of trucks. It does affect owners and operators of all other vehicles.

Every applicant must bring with him or her: (1) the motor vehicle registration card of the vehicle which is being registered; (2) the gasoline coupon book assigned to that vehicle; (3) the serial numbers of all tires in the possession of said vehicle owner. This includes both mounted and unmounted tires. Only 4 tires and a spare may be legally possessed by the owners of any one vehicle. All tires in excess of 5 should be given or sold to the government through the Defense Supplies Corporation. This may be done by calling the Railway Express Co. If there is no Railway Express Agency in your community you may dispose of your excess tires through this proper channel by getting into touch with your local rationing board which is empowered to act in such cases. No tire may be transferred to another car.

ISAACS SPEAKS AT ROTARY

**Sees United
Peace As Result
Of Present War**

Judge Henry R. Isaacs spoke on the coming Armistice and light of life among men and nations at the regular weekly dinner meeting of the Newark Rotary Club, Monday evening, held at the College Inn.

Introduced by Dr. Harold E. Tiffany, program chairman, Judge Isaacs also dwelt briefly on the spirit of our times citing that such a nation can still have general elections during wartime and stressing the need of unity in political parties. "Intensity of party spirit is a hindrance to good government," he said. "We must have uncrowned statesmen today. Unanimity of purpose is essential among party leaders in times like these."

Judge Isaacs saw, as the outgrowth of the present conflict, a gradual adjustment of conditions founded upon the united judgment of united nations to permit more free trade. "Another league of nations is all we can hope for," he said, and the United States must become a member.

Visitors present at the meeting were Lynn B. Gillespie and Harry W. Pippin, Elton, John S. Spicer, Harrisburg, and J. R. Ernest, Newark. President J. Russell Silk conducted the meeting.

MRS. SOULE DIES HERE

**Funeral Wednesday
At Hyde Park, Mass.**

Funeral services for Mrs. Harriet M. Soule, 79, who died at the home of her son, Albion M. Soule, 92 West Park Place, Saturday, November 7, were held at Hyde Park, Mass., on Wednesday.

Mrs. Soule made her home with her son here for the past few years, following the death of her husband. She was the daughter of the late Dr. Albion M. Soule, of Hyde Park.

Besides the one son, she is survived by one daughter, Mrs. L. Biggin, of Toronto, Canada, two brothers, Charles R. Lathrop, of Bryantville, Mass., and Robert W. Lathrop, of Weymouth, Mass., and two sisters, Mrs. Herbert L. Moore, of Belmont, Mass., and Mrs. Harry Stinson, of Gardner, Maine. Four grandchildren and three great grandchildren also survive.

SUNDAY COLLECTION OF SCRAP SUCCESSFUL

**Estimated 100 Tons
Volunteers And
Soldiers From
duPont Gather**

An estimated 100 tons of vital scrap metal was collected Sunday in the all day area-wide collection drive sponsored by the Newark Salvage Committee. Piled high and wide on the B. & O. railroad lot on Elkton Road, the scrap pile contained everything from bent hairpins to junked automobiles.

Almost a full load of steel and heavy iron castings were turned in by George Danby while another load of copper and iron was collected through the efforts of J. I. Dayett. Local air raid wardens, auxiliary police and other members of civilian defense units gave their services in the collection which was supplemented by soldiers and trucks from Fort duPont. Fifteen army trucks aided by volunteer machines from the Newark area made a complete solicitation of every home in town and adjacent rural territory to account for the 100 tons estimated by George E. Ramsey, in charge of the scrap pile.

Beginning at 9:00 o'clock Sunday morning, trucks containing both soldiers and volunteer workers began their tours collecting as they went. Working tirelessly, the trucks made hundreds of trips back and forth collecting and depositing their accumulation of metal, rubber and other critical materials.

Luncheon was served at the New Century Club canteen under the supervision of Mrs. R. O. Bausman and Mrs. A. J. Doordan. Quite a number of the soldiers were entertained at dinner in local homes at the completion of the day's work.

Dr. K. W. Oberlin, chairman of the Salvage Committee, expressed himself as exceptionally well pleased with the results of the collection.

LEGION MEETING

**Round Table
Discussion Held**

Members of the J. Allison O'Daniel, Post No. 10, American Legion, met at legion headquarters Tuesday evening and participated in a round table discussion of the present war and its probable after effects, led by Post Commander Paul D. Lovett.

Following their usual Decoration and Armistice Day custom, the local post placed new flags on the graves of all soldiers buried in the cemeteries of the Newark area, on Wednesday, Armistice Day.

Other action taken by the organization was the authorization to purchase two \$100 War Bonds and authorization to turn over to the State Department 250 copies of the book "The Unknown Soldier."

A special committee to aid families of all men in service was named, consisting of Carl S. Rees, J. Q. Smith, Gerald Gilligan and Dr. John R. Downes.

Members of the local post will attend services at the St. Johns R. C. Church in a body on Sunday morning.

LOCAL BOYS AT MAXWELL FIELD FOR TRAINING

**Cadets Anderson
And Lenhoff
In Pre-Flight
Pilots School**

Two young men from Newark have reported to the Army Air Forces Pre-Flight School for Pilots at Maxwell Field, Ala., from the Classification Center at Nashville to begin the second phase of their training to become pilots in the nation's expanding air forces.

Here they will receive nine weeks of intensive military, physical and academic instruction preparatory to their beginning actual flight training at one of the many primary flight schools located in the Southeast Army Air Forces Training Center.

These men include: Cadet George Franklin Anderson, son of Mr. and Mrs. J. Franklin Anderson of 124 West Main Street, a former student of Newark High School, Tome School, Maryland, and the University of Delaware before he enlisted in the Army April 3, 1942, at Fort Dix. He was appointed an Aviation Cadet in the Army Air Forces and began his pre-flight course at Maxwell Field, Alabama, in October of 1942.

Cadet Clement Joseph Lenhoff, son of Mr. and Mrs. John A. Lenhoff, Route 3, Newark, a graduate of Newark Public High School. He was accepted as an aviation cadet in the Army Air Forces in New York City in October, 1942. Cadet Lenhoff was a draftsman in private life. His brother, Raymond J. Lenhoff, is in the Signal Corps and holds the rank of Master Sergeant. He has served eight years in the Army.

JOS. BROWN SERVICES

**Former Resident
Dies At Lancaster**

Joseph Brown, aged 74 years, the son of the late Mr. and Mrs. William Brown, for many years residents of Newark, died at his home in Lancaster, Pa., on Saturday, November 7. Funeral services were held from Lancaster on Monday.

Well known in Newark, the deceased is survived by one son, Leonard Brown, of Elkton, one daughter, Mrs. Pearl Slack, of Lancaster and one sister, Miss Susie Brown, of Wilmington.

CHINESE AVIATRIX TO ADDRESS LOCAL CLUB

**Miss Mabel Jones
Will Relate
Experiences As
Missionary**

Miss Lee Lu-Ching, "China's First Lady of The Air," will be the speaker at the regular meeting of the Newark New Century Club on Monday, November 16th, at 2 p. m.

Miss Lee was educated in China and England, and has traveled in Italy, France, Switzerland and Russia. She studied flying in Switzerland and took advanced training at the Boeing School of Aeronautics in California. She was the first Chinese girl to get a pilot's license and upon her return to China, piloted a government plane throughout China to arouse interest among the young Chinese in aviation. She was made an instructor at China's large flying school — The Shanghai Municipal Air School.

Miss Lee returned to America in 1938 and began making good will flights in behalf of her country and while in Canada, addressed the Canadian Parliament, — the first woman to be given such an honor. She is in close contact with Chinese student fliers in this country and with Chinese Government officials in China. She is rendering a great service to both her country and the United States by helping to bring these countries closer together.

Miss Mabel S. Jones, sister of Mr. Robert T. Jones of Newark, and a missionary to China for more than 30 years, will also speak to the Club. She is a member of the American Presbyterian Missionary Board and, after December 7th, last year, was made a prisoner by the Japs but was later repatriated and returned home on the Gripsholm along with many other Americans. Miss Jones is now stationed in Germantown, Pa.

Members of the club are asked to bring guests to the meeting on Monday. Tea will be served at the close of the meeting by Mrs. Robert M. Thompson and her committee.

SILVER WINGS FOR LEROY HILL

**Local Youth
Lientenant In
Army Air Force**

Aviation Cadet LeRoy Carlisle Hill, Jr., son of Mr. and Mrs. L. C. Hill, 85 Cleveland Avenue, received his Silver Wings of a Pilot in the United States Army Air Forces on Tuesday, the Public Relations Office at Napier Field, Dothan, Alabama, announced yesterday.

Previous to the presentation of the Wings, the entire class of cadets were sworn in as second lieutenants in the Army Air Forces by Major H. L. Harris, Adjutant of the field.

Lt. Hill, a graduate of Newark High School, attended the Perkonian Preparatory School and the Beacom Business College. Previously employed by the Continental-Diamond Fibre Co., he was accepted for aviation cadet training January 14, 1942. He has completed the primary flying school at Door Field, Florida, and the basic school at Cochran Field, Georgia.

Lt. Hill's father, Acting Chief of Police Leroy C. Hill, left last Saturday for Napier Field and was present at the ceremonies when the Silver Wings were awarded.

Farmers Protect Land With No Gunning Signs

Farmers of this vicinity are well aware that the bird and rabbit season opens in Delaware on November 15. Taking advantage of a few remaining days before hunters take the field, farmers have been quick to avail themselves of the No Gunning signs available at the office of The Newark Post at a nominal cost.

The newspaper has plenty of signs left and issues an invitation to all farmers to get their supply now if they desire to protect their lands from trespassers.

CLEAN-UP DAYS

Next Wednesday and Thursday, November 18 and 19 have been designated as Clean-Up Days for the Town of Newark by the town council.

Residents are urged to have all rubbish collected and placed in containers in front of their homes on these days in order that town trucks may collect them on their routine trips.

DR. KOVACS HERE NOV. 19

**Guest Speaker
At College Hour**

The guest speaker at the College Hour program, to be given at Mitchell Hall at 3:50 Thursday afternoon, November 19, will be the Rev. Imre Kovacs, pastor of the Hungarian Reformed Church, Phoenixville, Pa.

Dr. Kovacs will give his very popular talk, "The Challenge of Being An American". He presented this same address at the State Educational meeting, in Wilmington, recently with great satisfaction to the audience.

In commenting on Dr. Kovacs' appearance here, August H. Able, III, chairman of the College and University Hour Committee, said "Mr. Kovacs achieves his success by a combination of true eloquence with first-hand, intimate knowledge and sincerity."

The public is invited to attend this program.

Garden Club Meeting Postponed Indefinitely

The meeting of the Newark Garden Club, scheduled to be held on Monday, November 16, has been postponed indefinitely, it was announced yesterday.

Postponement of the meeting was made due to fear that a special 1,200 foot film, especially ordered for the meeting, would not arrive in time.

The time and date of the meeting will be announced at a later date.

BLOOD DONATION RESPONSE SPLENDID

**Red Cross Branch
Thanks Workers
And Numerous
Volunteer Donors**

Newark's Blood Donation Day held at the New Century Club Tuesday by the Philadelphia Mobile Unit under the auspices of the Newark Branch, American Red Cross, was highly successful. Mrs. Walter Hüllihen, chairman, stated yesterday.

Although early registrations lagged, more than enough donors were present to fulfill the Newark quota with about 120 pints of blood being taken. It was estimated that approximately 170 persons offered their blood although all were not accepted due to lack of supplies and time involved.

Mrs. Hüllihen, representing the Newark Red Cross Branch, expressed thanks to all those who gave and offered blood donations and appreciation to the able workers who made the Blood Donation Day such a success, including the valuable assistance of the office of Civilian Defense in the registration.

Following are names of those who offered themselves for blood donations: Roberta Spencer, Dr. Wilson Kleibacker, Marion Mylres, Marcelle Skinner, Anthony J. Loudis, Sara Eliason, Marian Slites, Mrs. Louise Brothers, William Hulise, Robert Bush, Rev. O. A. Bartley, G. Harold Wilson, Chas. A. Please Turn to Page 8

ARMISTICE PROGRAM AT LIONS

**Charter Night
Next Tuesday
At 6:45 P. M.**

J. D. Counahan presented an Armistice Day program at the Tuesday dinner meeting of the Newark Lions Club, held at the Country Club, with Dr. Walter Hüllihen as speaker for the occasion.

Speaking on "America In and After World War II," Dr. Hüllihen later conducted a forum that developed into an interesting discussion of present day problems and the peace it is hoped will follow.

George M. Haney, chairman for the Charter Night committee, announced that the fourteenth observance of the anniversary of the club would be held next Tuesday at 6:45 P. M., instead of 7:15 as it appears on the tickets. A program of entertainment has been arranged for Lions and their ladies. Featuring music at dinner, the meeting will be concluded by dancing and card playing. Visiting Lions and ladies are expected from Wilmington, Claymont, Christiansa and Rising Sun clubs. Deputy District Governor John E. Banks will be the principal speaker of the evening.

President L. T. Staats conducted the business session of the club. Birthday congratulations were extended to Paul D. Lovett. Capt. Jos K. Barker was the guest of A. F. Fader and John Hall was present as the guest of A. W. Perry.

RAID TESTS SCHEDULED

**Two Surprise
Tests Planned**

The Second Service Commander of the U. S. Army has authorized two surprise air raid tests for the State of Delaware, within the next ten days, the State Council for Defense, announced this week.

One test will be held during daytime during the week beginning Wednesday, November 11, it was said, with the second test to be held at night during the week beginning Wednesday, November 18.

Only class "A" traffic will be permitted to move, including emergency and government vehicles on duty. Other vehicles will be required to pull to the curb and passengers must alight and find shelter.

During the daylight test, manufacturing plants will not be expected to shut down but plant personnel will be mobilized. All plants will be required to either black out or shut down when the night test is held.

Modern Samaritan Loans Spare Tire to Stranger

"The age of miracles is not over," said W. O. C. Ward of Rocky River recently after a complete stranger had did the Good Samaritan act by lending him his spare tire when Ward had a blowout on the road.

"The whole incident leaves me breathless," Ward said. "This man, a complete stranger, came along, saw my predicament and also noticed my Pennsylvania license—still he offered me his spare tire."

"I pointed out that I could produce security for the tire and started to produce some credentials."

"Forget it," said the Good Samaritan, Norbert Briggs of Shaker Heights, "I have an honest face. I'm not worried

ELSMERE DEFENSE SECTORS COMBINED

Wardens Asked To Recheck Sectors For Complete Data

Brack-Ex. Nov. 11 — Consolidation of two sections of the Elsmere sector defense organization, plans for a new census in each section by the local wardens, and other problems were considered at a meeting of section wardens in the control center in the Elsmere Fire Hall last week. Frederick G. Singer, of Westover Hills, Chief Air Raid Warden of the sector, presided. The dissolution of Section IV, Henry Clay, following the resignation of David Houston as section warden, was announced. Mr. Houston has been transferred to San Francisco, Calif., by the Hercules Powder Company, and Section IV is being absorbed by Section V, Westover Hills, of which Thomas Chilton is section warden. The dissolution of the section, however, leaves the control center unmanned on Wednesdays and new arrangements were made by act of the other six sections assigning an additional shift and continuing with their regular full day shifts each week as heretofore.

It was reported that several sections are having trouble manning the center and the citizens of the sector are urged to volunteer their services for this vital part of the civilian defense work, which is for the protection of all.

A revised census of the entire sector was planned in order that the correct data may be on hand at the control center in case of emergency. Individual wardens will be asked to recheck on the number of persons living in the homes in their district, as well as to list certain other important data concerning each home.

Plans for all units of the civilian defense organization to participate in a parade in conjunction with the dedication of a service flag by the Elsmere Fire Company and the Ladies Auxiliary, honoring the firemen who have gone into the armed forces were also outlined.

The parade and dedication will be held on Sunday afternoon, November 15. The parade will form at 10 o'clock on the north side of the intersection of duPont Road and New Road at the traffic light and will proceed to the fire hall for the dedication exercises. Units expected to march include the air raid wardens, the Auxiliary Police, Auxiliary Firemen, First Aid Staff, Mobile Units, and others.

The distribution of warden signs to be posted at each warden's home for those who have completed the prescribed training in first aid and chemical warfare, was also planned and for those who have not had the opportunity to take the training, new courses are being planned.

Walter F. Marshall, sector Commander; Homer G. Jester, vice-commander and Council Secretary; Ira Jones, vice commander and the following section wardens, William H. Blest, Russell O. Griffith, Leonard E. Barnes, Arthur L. McCabe, and Joseph A. Harris attended the meeting.

Weevil Is Menace To Stored Grains

Farmers storing grains now or who have grain already stored on their farms should guard against damage by the Angoumois grain moth — familiarly known as "weevils", advises John M. Amos, assistant entomologist for the Delaware Agricultural Extension Service.

If this insect is present in corn being stored now it will not only damage the corn, but may also invade other grains stored on the farm. Grains it will damage besides corn are wheat, oats, buckwheat, sorghum and cowpeas.

Unless protective measures are taken, serious loss may result. Losses, for example, in weight to wheat attacked by the moths may be as much as 52 per cent, and corn from 12 to 15 per cent. Complete information on the fumigation of grains to kill harmful insects may be secured by addressing a request to John Amos at the University of Delaware.

MARSHALLTON PTA OPENS DRIVE FOR MEMBERS

Sam Worth Named President Of Adelphia Bible Class

Marshallton, Nov. 11 — The annual membership drive of the Parent-Teacher Association of Marshallton Consolidated School is being held from November 9 through November 20. And in connection with the campaign, letters are being sent to each parent asking them to join the association.

Mrs. W. W. Delaney is chairman of the membership committee.

Each Monday from 9 A. M. to noon at the Marshallton School, Mrs. Doris Williams and Mrs. Lila Leach will operate a War Savings Stamp booth to sell stamps to the pupils of the school. The booth is sponsored by the P. T. A.

The Ladies Auxiliary of Mill Creek Fire Company served a roast turkey supper at the fire hall Saturday night.

Mrs. Walter Brown was general chairman. Proceeds were for the benefit of the fire company. This week a war bond will be awarded by the firemen.

The annual banquet of the Happy Thought Bible Class of the Cedars Methodist Church was held Saturday evening at the Silview Inn.

The Rev. Clarence Sidney Hoffman, pastor of the Elsmere Presbyterian Church, and the Rev. Henry T. Caldwell, pastor of Cedars Church and Mrs. Caldwell, were guests. Mrs. Richard Enos, class teacher, was chairman of arrangements.

The Adelphia Young Adult Bible Class of Marshallton Methodist Church last week elected officers for the ensuing year. Ernest Sam Worth was elected president, succeeding William Downham. The other officers are as follows: Vice-president, Mrs. Franklin P. Foor; secretary, Mrs. Helen Samworth; and treasurer, Omar Harris.

David Montgomery, class teacher, presided over the meeting in the absence of Mr. Downham, the retiring president.

The next meeting will be held Wednesday evening, November 25.

A joint meeting of the "Every Member Canvass" Committee workers and the Forward-In-Service Club of the St. Barnabas P. E. Church was held Saturday evening at the home of Harry S. Bristow, Jr., of the Cedars.

Final plans were made for the canvass for the financial support of the church, which begins this month with a supper at the church.

Mrs. Edna Ball Gilbert was reelected president of the Marshallton Woman's Christian Temperance Union at a meeting recently held at the home of Mrs. Walter L. Mose on New Street. Other officers elected are: Vice-President, Miss Lillie B. Williams; secretary, Mrs. Florence F. Ford; and treasurer, Miss Alice Ball.

Mrs. Elsie Fischer, evangelistic secretary, conducted the devotion. Reports were presented on the recent Delaware State W.C.T.U. convention held in Silverbrook Methodist Church, Wilmington.

Mrs. Gilbert read a poem.

Plans for raising funds were discussed. The next meeting will be held Dec. 3 at the parsonage with Mrs. John M. Kelso as hostess.

From 1900 to 1913 only one year went by without U. S. Marines being called out for duty on some foreign shore.

Adult Conference On Christian Education

A conference on Adult Christian Education for pastors, officers, teachers, and leaders from Presbyterian churches in New Castle Presbytery will be held Monday afternoon and evening, November 16, in the Hanover Presbyterian Church, Wilmington, Del., the Rev. John Herick Darling, pastor.

The conference, which is held for church leaders who are eager to advance the spiritual growth of adults, will be under the direction of three outstanding leaders: Dr. Edward P. Westphal, Associate Director in charge of Men's Work, Department of Adult Education of the Presbyterian Board of Christian Education, Miss Ruth Elliott, Director of the Department of Special Gifts and Annulities of the Presbyterian Board of Foreign Missions, and the Rev. Cameron Hall, Director of the Department of Social Education and Action of the Presbyterian Board of Christian Education.

WESTERN FABRICATORS, INC. CERTIFICATE OF REDUCTION OF CAPITAL

Western Fabricators, Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware, does hereby certify as follows:

(1) That the holders of record of the total number of shares of this corporation at the time outstanding and having voting power have executed a written consent as follows:

That the board of directors of said corporation be and it hereby is authorized to purchase at private sale from such stockholder or stockholders as said board may determine, at not more than the par value thereof and for the purpose of reducing the same, 2,000 shares of the common stock of said corporation, such purchases to be made out of and charged to the capital of said corporation.

That upon the acquisition of said 2,000 shares of common stock of said corporation, the same be retired and cancelled and thereafter have the status of authorized and unissued shares of common stock of said corporation.

(2) That the capital represented by the issued and outstanding stock of this corporation has been reduced from \$23,290 to \$20,290 by the acquisition at par value and the retirement, in the manner above provided, of 2,000 shares of the common stock of this corporation.

(3) That the assets of this corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said Western Fabricators, Inc., has caused its corporate

seal to be affixed and this certificate to be signed by Albert J. Steere, its President, and William H. Kirk, its Secretary, this 2nd day of November, 1942.

TRANSPORTATION "Know How" FOR VICTORY

Only the railroads are big enough—and strong enough—to do the mass transport job that is required to win this war. And B & O's seasoned railroaders are bringing thousands of years of railroad experience to their performance of this vital task.

They know how to prevent waste of manpower, materials and time... how to get the most work out of the facilities given them... how to use their own resources when the circumstances require.

We are all working with but one purpose in view... we must win this war!

The Truth About Coffee

AN OPEN LETTER TO THE COFFEE CONSUMERS OF AMERICA

Dear Friends:

It is possible that you have suffered some inconvenience, because of the temporary shortage of coffee.

The NATIONAL COFFEE DEPARTMENT OF BRAZIL, representing the coffee planters of Brazil, who grow most of the finer coffees imported into the United States, greatly sympathize, as good neighbors, with you in the situation which has made it temporarily necessary to reduce the quantity normally used in your household.

There is no shortage of coffee in Brazil. However, a temporary shortage of ships prevents regular delivery to American roasters.

Under the circumstances, patience will become a virtue while the shortage exists, for as shipping improves there will be plenty of real, rich, full-flavored Brazilian coffee for everyone.

In publishing this open letter, we believe it our duty to sound a warning to safeguard, if possible, American coffee consumers against those seeking to take an unfair advantage of the emergency by dumping on the market adulterated coffees as substitutes for the rich, delicious beverage you have been accustomed to buy.

Purchases of these coffees will unwittingly align the purchaser with unjustifiable, ruthless competition for highly reputable American coffee roasters, who are willing to continue to serve the American public with genuine products. They should not be expected to compete with producers of adulterated coffees. May we repeat, your purchases of adulterated coffees will drive reputable and responsible American coffee roasters out of business, or compel them to change their existing high quality standards.

As a constant user of good coffee, you are entitled to know these facts, to exercise caution when buying coffee. If your dealer cannot supply your favorite brand and offers you a new one in its place—make sure you are getting pure coffee and see that it is labeled accordingly. That is your government's guarantee of complete protection against adulterated, or "doctored" coffee. Don't waste your ration coupon by giving it in for one pound of a mixture that is only 50% coffee. No one should be unduly alarmed over the present situation, but above all don't hoard coffee and don't waste it. It is unfair to your neighbor to hoard, and coffee is TOO GOOD TO WASTE!

Sincerely,
EURICO PENTEADO
General Representative to the United States
for the
NATIONAL COFFEE DEPARTMENT OF BRAZIL

NEWS IN THE WORLD OF RELIGION By W. W. Reid

With tire and gas rationing keeping the modern "family buggy" in the garage, and with the war itself focussing people's attention on the spiritual needs of individuals and of nations, authorities interested in the promotion of adult Bible and study classes in America's churches are looking forward to great increases in enrollment and attendance at such classes this coming fall and winter. "Not only will the American father send his boy out to Sunday school when Rally Day or Promotion day rolls around and not only will mother iron her daughter's frock on Saturday night for the next day's class," says one church school leader, "but father and mother will themselves be going to church school from which they have been absent too many years."

Advices reaching the Board of Missions and Church Extension of the Methodist Church from private sources in occupied China indicate that Japanese authorities are reorganizing the Christian church in the Chinese provinces under their control as they have reorganized them in Japan. All Protestant denominations are being welded into one united church with headquarters in Peking; Chinese leaders govern the church with Japanese pastors as advisers; relations are severed with English and American churches; churches must become self-supporting; a Japanese councillor must be present at each church service and church meeting. It is reported also that there has been a great influx of Japanese teachers into North China.

"Peace is not an unconditional gift of God—it is a product of righteousness," said the United Lutheran Church of America in a recent message to all its churches and members. "Righteousness and goodwill are God's first goals. Peace is their flower and fruit. If enduring peace is to come to mankind it can come only to men and through men who are wholly dedicated, through faith in Christ, and by the power of His Holy Spirit, to righteousness and goodwill. This faith and power, bearing fruit in righteousness and goodwill, are the only real basis of a just and lasting peace. Therefore, all Christians are challenged to cultivate in their lives the gifts of God's grace, through God's word and sacraments, that they may become more effective exemplars and evangelists of that righteousness and goodwill which alone can produce a just and lasting peace."

The Chungking (West China) Committee of the Church Committee for China Relief, supported by gifts from American churches, has voted to grant \$33,735 (Chinese currency) to the Syracuse-in-China Hospital for the building of an operating and obstetrics room in a dugout in the side of one of Chungking's mountains for emergency use during air raids. This Hospital is manned by Chinese doctors and nurses, and the Rev. C. Bertram Rappe is acting as superintendent. It has been more frequently bombed than any other hospital in Free China but it continues to carry on its services to hundreds of civilians.

In the congested district of Los Angeles served by the Church of All Nations Foundation, where school statistics show an 83% population turnover in the past year—largely in the Negro and Mexican groups—the Church and social agencies find increasing difficulty in securing volunteer leadership, especially of men for boys' groups. According to Director Robert A. McKibben of the Foundation, this is a principal cause of increasing juvenile delinquency in Los Angeles, especially among youth between thirteen and fifteen years of age. In many parts of the United States the Boy Scouts of America are finding difficulty in holding scoutmasters—because of the draft and war industries—and many leaders are pleading that older men, including ministers, take up such forms of voluntary service for the duration in order to protect the coming generation.

Three sentences carved on the monument to Booker T. Washington, on the campus of Tuskegee Institute, are being quoted by many ministers as especially worthy of study in these days of war, hate, and misunderstanding: "There is no sense of security for any of us except in the highest intelligence and development of all." "I will let no man drag me so low as to make me hate him." "We shall prosper in proportion as we learn to dignify and glorify labor and put brains and skill into the common occupations of life."

FOOD for THOUGHT

Charlotte Spencer Hurley

"School Bells—School Lunches" Delaware school bells mean that school lunches will be starting again in most of Delaware's schools. And wherever school lunches are served, some children need free lunches.

For the past three years many Delaware schools have used surplus commodities to provide lunches for these children who are needy or undernourished. Last year there were 135 schools in Delaware which provided free lunches for 4714 children in this way. These commodities come through the Delaware Old Age Welfare Commission from the U. S. Agricultural Marketing Administration.

The commodities available this year are varied and nutritious. Evaporated milk will be available throughout the year. Grapefruit segments, canned tomatoes, canned peaches and dry prunes will provide fruits for winter meals. Eggs, mostly dried but some frozen egg yolks, wheat cereal, canned pork and beans, dry beans, flour and butter, are included in the list of commodities now available.

The Old Age Welfare Commission has mailed applications to all Delaware schools. These applications are returned to the Old Age Welfare Commission and after approval by the State Department of Public Instruction the schools are eligible for the commodities. Over 75 schools have already made application for this school year.

The United States is following England's example of maintaining its school lunches in spite of the war. English school children are receiving milk, eggs and other nourishing foods. The U. S. Agricultural Marketing Administration is helping to supply these English school lunches as well as those in Delaware and the rest of the United States.

Letters To the Editor

To the Editor of the POST:
There have come to my attention these ominous and prophetic words of a Pastor of a Church in the much-bombed city of London, and I would like to pass them on to some of my fellow townsmen:

"We have been and are a pleasure-loving people, dishonoring God's Day, picnicking and bathing. Now the seashores are barred, no picnicking, no bathing. We preferred motor travel to Church-going. Now there is a shortage of fuel oil and gasoline. We have ignored the ringing of the Church bells calling to worship. Now the bells cannot ring except to warn of invasion. We have left the churches half empty when they should have been filled with worshippers. Now they are in ruins. We would not listen to the way of peace. Now we are forced to listen to the way of war. The money that we would not give to the Lord's work, now is taken from us by higher prices and taxes. The food for which we would not give thanks is now unobtainable. The service we refused to give to God is now conscripted for the country. Lives we refused to live under God's control now are under the nation's control. Nights we would not spend in 'watching unto prayer' now

MISS MARTHA E. KATAJA WEDS LEO ADOLPH TAMMI

Miss Martha Ellen Kataja, daughter of Mr. and Mrs. Frank Kataja of Elkton, Md., became the bride of Mr. Leo Adolph Tammi, son of Mr. and Mrs. Adolph Tammi of Newark, on Saturday evening.

The ceremony performed in Leeds Methodist Church by the Rev. D. C. Wilkey, was the first wedding in that church in more than 30 years.

The bride was attended by Miss Alice Carlson of Belmore, Long Island, and Mr. Edwin Frants of Elkton was best man.

The bride wore a gown of white satin with a fingertip veil trimmed with miniature gardenias and carried a bouquet of gardenias and white roses.

The maid of honor wore a gown of light blue and a matching shoulder length veil of tulle. She carried a bouquet of yellow chrysanthemums.

A reception was held at the Newark Country Club.

Upon their return from a wedding trip the couple will reside here.

U. OF D. GRIDDERS PRIMED FOR WESTERN MARYLAND IN FINAL GAME SATURDAY

Seek Twenty-First Consecutive Game Without Defeat; Bogovich, Thompson And Messick May Be Kept On Sidelines By Injuries

The Delaware Blue Hen grid machine seeks to rack up its twenty-first game without a defeat when it meets the Green Terrors of Western Maryland at Wilmington Park, Saturday, for their final appearance this season.

Doubtful Starter

Hugh Bogovich

HEN FROSH SCORE 14-13 WIN OVER MARYLAND

Striking in the second and third quarters to go out in front by a 14-0 lead, the Delaware Freshman just lasted to defeat the yearling grid machine of Walter Halas University of Maryland, on Frazier Field, Monday afternoon by a final count of 14-13.

Sparked by brilliant line plunging of Walt Malk, 220-pound Blue and Gold quarterback, the charges of Bill Murray put on a versatile attack that had the Old Liners in the hole all the way until the final period.

Receiving the kick-off the Maryland Terrapins ripped off two first downs in successive plays in the opening minutes of the game. The Blue Hen defense stiffened beginning the second quarter and the Murraymen began to drive, upon gaining possession of the ball. Charley Griffin was downed on the Maryland 36 after gaining 15 yards on a sneak reverse. An aerial, Romanik to Hauptle was good for thirty yards, putting the ball on the seven yard line. Romanik carried twice for three yards each time and with only one yard to go Malk crashed over for the touchdown. Jim Otten, place-kicking specialist from Springfield, Pa., converted and the score was 7-0.

In possession of the ball at midfield in the third quarter, Delaware's Billy Cole took a heave from Milt Athey on the 35 yard line and ran 61 yards to the four yard line before being brought down. Malky drove into the line gaining one yard on three successive attempts before plowing into paydirt for the tally. Ottey again split the uprights for the conversion and Delaware led 14-0.

John Rudy returned to kick to the 45 for the Terrapins, and Maryland gained 20 yards on a pass off-setting a 15 yard penalty. A 19-yard gain off tackle put the ball on the Delaware 19 when the Terrapins scored with another aerial to place the ball on the three-yard line. Recovering Roulette's fumble on the one-yard line, Romanik's put was partially blocked with Maryland regaining possession on the seven. Roulette went over for Maryland and Clecone converted. The score 14-7.

Seconds later, Ostendarp intercepted a Romanik aerial on the Delaware and threaded the sidelines to the four before being stopped. Fuller broke through guard to go over for the Old Liners second touchdown. The try for placement failed and the game ended 14-13.

TEACHERS BEAT HENS

West Chester Teachers College soccer and cross country teams handed the University of Delaware a double-barrel defeat here last Friday when they nipped the Blue Hen booters 1-0.

Both teams put up stubborn defenses to play on even terms until the closing minutes of the soccer conflict when Ray Dath booted one home in the last minute of play to win for the Teachers.

Les Pernley was first over the finish line in the cross-country race to cop top honors over three other teammates. Norman Maxwell saved fourth place for the Blue Hen harriers with West Chester taking the hopheavy end of the 45 to 16 score.

Tom Terry handles the Maryland kicking and passing assignments and it was his pass to Frank Suffer that beat Dickinson last week. With Bernie Guesky, husky right end, on the receiving end the Terrors are dangerous in the air.

Art O'Keefe, hampered by a pre-season injury, is back in form for the Terrors and was responsible for 90 yards gained on running plays against Dickinson.

Boasting its best team in history and leading the country in the number of undefeated games played, the Blue & Gold is favorite to turn back the Western Maryland bid and complete the 1942 season with an unblemished record.

At a sale of thirty-three horses in training on the grounds of the Pimlico race track, Baltimore, under the sponsorship of the Maryland Horse Breeders' Association, last Monday, the four-year-old bay gelding Ice Water, owned by the Christiansa stable of Mr. and Mrs. Harry W. Linger of Wilmington and Centerville, brought top price.

This horse was bought for \$1,400 by Max Marmonstein of Cleveland, Ohio. Ice Water is by Stimulus, out of On Call by Wichone—good breeding.

At the same sale, the Christiansa stable also disposed of the three-year-old chestnut mare Miss I. Q. by Head Play, out of Hi Gloss by High Time, to Mr. J. Paoli for \$275. A two-year-old bay colt named Propose, the same ownership, was sold to A. C. Day for \$125. This colt is by Display out of Glamorous by Nocturnal.

Supt. Sgt. Yancu Balan has mailed over ten million pieces of mail for the Marine Corps and has never had one returned by the post office.

Says Major General C. P. Gross, Chief of Transportation of the United States Army: "Transportation is the life blood of this great Army."

"Night and day the railways have been on the job, consistently meeting increasingly difficult requirements, for freight and passenger equipment and service. They have done a superb job."

Yes, night and day, including Sundays and holidays, the railroads of America have been speeding troops to wherever the Army commands!

In the first ten months alone, they have moved approximately 8,000,000 troops, not counting soldiers on leave.

That's over three times as many as they carried in the same period of the last war!

For all this, the credit goes jointly to the railroads, the War Department and the Office of Defense Transportation—it's a job of perfect coordination. When the need for quick mass movement of troops came, a plan, which experienced railroad men had been developing for twenty years, went instantly into operation. That's why Uncle Sam's war machine rolls!

YELLOW JACKETS EXHIBIT FINE BRAND OF FOOTBALL TO BEAT P. S. DUPONT 13-6

High School Gridders Idle This Week Prior To Annual Thanksgiving Fracas With Conrad; Game To Be Played On Frazier Field Thanksgiving Morning

The Newark High School football team, after playing a brace of football against A. I. duPont reminiscent of their opening game with Brown Vocational, arose to inspired heights to defeat a favored P. S. duPont team on the P. S. duPont field last Friday.

The P. S. duPont team, undefeated to date, was heavily favored to defeat a mediocre Newark team, but when the final whistle blew Newark was up top 3 to 6.

In the weekly letter to the Newark Monday, Coach Bill Gillespie stated that the team representing Newark last Friday was the best team he ever fielded against P. S. on their field. He further stated that the aggressiveness of the team was remarkable despite the odds against it.

After a scoreless first period, Newark scored first in the second quarter when Earl Henderson, running and passing brilliantly all during the game, broke off tackle on a reverse and ran back to run unmolested to score without a hand being laid on him. Marvin Butler missed the try for extra points when his placement went wide.

Coming back after the rest period between halves, Newark not only stopped P. S. duPont's tricky reverse end sweeps and long forward passes but took the play away from them as dominated throughout the remainder of the game.

Newark's second score came in the 4th period when Henderson passed Robinson in the end zone from 10 yards out. Henderson plunged off tackle for the extra point.

Newark missed another scoring opportunity prior to this touchdown when Don Huston intercepted a P. S. pass at his 40 and carried to the P. S. 18. Ben Pollari took over and while on his way to score off tackle, fumbled when his hand on the two yard line.

The work of each individual was excellent and without this splendid spirit that permeated the whole team victory over a good P. S. duPont team would have been impossible. Attention to the work of Dick Robinson at quarterback this boy played the greatest game of his career both offensively and defensively. Trempey at tackle was exceptionally aggressive, breaking through time after time to spill ball carriers behind the line.

The next regularly scheduled game is with Conrad, the annual Thanksgiving game to be played at 11:00 a. m. morning on the College Field.

The squad has been given a vacation from practice until Monday of next week unless another game is scheduled for the interval up to Thanksgiving Day.

As a member of the Armed Guard, Riley will receive special instruction in gunnery.

Word was received here this week, from the publicity office of the U. S. Naval Training Station, at Newport, R. I., that Charles E. Riley, son of Mr. and Mrs. Edgar E. Riley, 24 Choate Street, has been selected to attend a school for the Armed Guard upon completion of his training at Newport.

Young Riley will be well remembered here as an outstanding athlete at the Newark High School where he was a stellar end on the football team for two years. He also won his two letters in basketball when he played center with the Yellow Jackets, and was a member of the N.H.S. baseball squad.

A left-handed pitcher, Riley was instrumental in the success of the local Junior Legion team which was beaten only in the State Championship playoffs after a successful season. He graduated from Newark High School last June and was employed at the Pusey & Jones Shipyards before his enlistment in the Navy.

NURSES, WAREHOUSE MANAGERS NEEDED

Civil Service
Commission
Lists Vital
Jobs Open

Agricultural warehouse managers are sought, the U. S. Civil Service Commission announces, to fill Federal positions paying \$2,000 to \$4,600 a year. Broadened opportunities in Panama and in the United States are also announced for graduate nurses.

Warehouse managers will be recruited to supervise cold or dry storage or agricultural products. They are not required to take a written test. From 1 to 7 years of appropriate management experience in a warehouse storing agricultural products is required of applicants without college training. Persons with college training may qualify if they show from 1 to 3 years of the type of experience specified. There are no age limits.

Nurses for anaesthetic, general staff, and psychiatric duty in the Panama Canal Zone and in the United States are being recruited by the Commission. The previous announcement was open only to those who would accept duty in Panama. The maximum age limit for nurses in the Canal service has been raised from 35 to 40 years. For positions in the United States, there is no maximum age limit. Positions in Panama start at \$18.75 a month; in the United States at \$1,800 a year.

Qualifications required of nurses are: successful completion of a nursing course in a recognized nursing school requiring at least 2 years' residence in a hospital of appropriate size and character. Applicants for the anaesthesia option need an additional year of post-graduate work in that field. Applications will be accepted from senior nursing students.

Applications for these positions must be filed with the United States Civil Service Commission, Washington, D. C., and will be accepted until the needs of the service have been met.

Full information as to requirements, and application forms, may be obtained from Ralph B. Kee, Secretary of the Board of U. S. Civil Service Examiners at the post office or customhouse in this city, or from the Secretary of the Board of U. S. Civil Service Examiners at first- and second-class post offices.

Applications are not desired from war workers unless higher skills would be utilized in a change of position. War Manpower restrictions on Federal appointment of persons engaged in certain critical occupations in specified areas are given in Form 3989, posted in first- and second-class post offices.

Illustrated Lecture On Alaska At Assembly

Students of the Newark High School were entertained with the presentation of an illustrated lecture on Alaska at the Wednesday morning assembly period.

Cornelius Vanderbroggen, of the Marine Corps Reserves, was present and made interesting comments on the proceedings as the film was shown. The same program was given for the elementary assembly at the following assembly period.

E. C. Ramsey, world famous traveler and lecturer, scheduled to speak at the high school auditorium, will be presented at 8:40 Monday morning, December 7, instead of on December 9 as was previously announced, Supt. C. E. Douglass stated.

Alsab Retired After Armistice Day Race

Mrs. Albert Sabath's sensational Alsab made his final appearance as a 3-year-old today in the \$10,000 Victory Handicap, feature of the Armistice Day program in racing's Victory Week meeting at Belmont Park.

The Sab said goodbye to the turf after the run of a mile and a quarter until 1943. He will be shipped to winter quarters in Kentucky.

Thus the Chicago colt will miss a chance to overhaul Mrs. Payne Whitney's Derby winner, Shut Out, as the money-winning champion of the year. Alsab has earned \$227,765 this season but Shut Out had brought in \$238,972 before he went into retirement for the rest of the year.

Firemen Answer Call To Deer Park Hotel

Firemen of the Aetna Hose, Hook & Ladder Company answered an alarm to the Deer Park Hotel Monday morning when grease, spilled on the stove, ignited and threatened to get out of control.

The blaze was quickly extinguished with no damage reported. Fire Recorder Charles Moore reported only two fires in Newark for the month of October with \$85 loss and one fire in the district resulting in \$50 estimated damage.

STUDENTS GIVE PLAY

'Uncle Sam's Reply' At Pleasant Valley

At a recent meeting of the Pleasant Valley School Victory Club, an original play, "Uncle Sam's Reply," was presented. The play was written and directed by Joseph Garvey and Gunvor Thuresson. The art work was done by Ellis Howell, Arne Thuresson, Donald McCormick, and Joseph Garvey.

The cast included the following: Columbia, Gunvor Thuresson; Delaware, Marjorie Brown; Statue of Liberty, Barbara Thuresson; Pearl Harbor, Elaine Tolonen; Hitler, Donald McCormick; Mussolini, Donald Hoseney; Toledo, Arne Thuresson; German Guard, Ellis Howell; and Uncle Sam, Joseph Garvey. \$7.05 in Defense Stamps were sold by the pupils following the play.

The date of the November P.T.A. has been changed because of the Thanksgiving holiday. The association will meet on Friday evening, November 20, at 8 o'clock. Mrs. Mortenson, of the New Castle County Health Unit, will present a play, "A War-time Thanksgiving"; and Miss Violet Ketola, Newark High School student, will entertain with piano solos. The local group is conducting its membership drive under the leadership of Mrs. Harry Howell.

Stella Walsh Is Held On Shoplifting Charge

Stella Walsh, 31, of Cleveland, O., former Olympic dash champion, was held in \$3,000 bond at Logansport, Ind., this week on a charge of grand larceny for alleged shoplifting.

She, Miss Lois Matthesen, 32, of Cleveland, and Harry Jakubiak, 45, of Ober, Ind., were arrested after six coats valued at \$275 were found in Miss Walsh's abandoned car. The coats allegedly had been stolen from Logansport stores.

Miss Matthesen was freed and no charges were filed against her. Jakubiak was sentenced to one to 10 years in prison. Miss Walsh, whose real name is Stanislaw Walasiewicz, asserted she had no part in the shoplifting, but merely had given a ride in her car to the other two.

General George Washington's artillery officer at the first Battle of Trenton, fought December 26, 1776 was Captain Thomas Forrest of the Continental Marine Corps.

NUTS ARE VICTORY SPECIALS

Bumper Crop
Valuable For
Wartime Diets

Bumper crops of tree nuts have brought about the designation of English walnuts, pecans, almonds, filberts, and other domestic varieties as a Victory Food Special from now till Nov. 21, it was announced here today by Clifford W. Shedd, local representative of the U. S. Department of Agriculture.

With expert markets down to practically nothing, more of this year's crop of tree nuts will have to be absorbed by consumers on the home front. The 1942 crop of domestic tree nuts, at least 300,000,000 pounds of unshelled walnuts, pecans, almonds, filberts, is well above the average of approximately 270,000,000 pounds in the last five years. Half of this year's supply consists of English walnuts, with pecans ranking next in importance.

Although nuts are looked on as a delicacy by some, they are actually a highly concentrated and healthful food — containing fats, protein, vitamins and minerals.

As the 16th in the AMA's list of Victory Food Specials, tree nuts offer the Nation's menu planners another opportunity to make use of a plentiful food in their wartime diets. A supply of 300,000,000 pounds of such a highly nutritious food should not be overlooked.

Extension Service Staff In Three-Day Conference

The U. of D. Agricultural Extension Service staff and members of county extension offices met yesterday in the first session of their annual three-day conference which ends on Friday.

Kenneth W. Baker, associate director of the Extension Service, presided over yesterday's meeting. Dr. Hulihan spoke on "War-time Education," after which Dean Geo. L. Schuster discussed "Our Wartime Responsibilities to the Farm Families of Delaware."

At the afternoon session staff members reviewed the 1942 extension program followed by a talk on publications by Extension Service Editor, J. E. H. Laflerty.

KAPELL GIVEN CORDIAL RECEPTION

Audience Well Pleased With Pianist's Performance

A cordial reception was given William Kapell, the young American pianist who performed at Mitchell Hall on Thursday evening, November 5. The pleasure of the audience was obvious in their continued applause, which at the end of the program brought Mr. Kapell back for three encores.

This was the first concert in the series of three which will be sponsored by the Newark Community Concert Association.

The first group by Mr. Kapell included the Prelude, Choral and Fugue of Franck. This is a most difficult piano work; in it, the young artist had an opportunity to reveal the matured quality of his playing. This he did in a most commendable manner. It might be added, that this composition is also difficult from the standpoint of the listener. It requires repeated hearings before the subtle elements of the structure can be completely grasped.

In the Chopin group, Mr. Kapell's playing was most confident in the Etudes, Mazurkas and Polonaise. The Barcarolle would have been more attractive with added coloring for the different sections of the composition.

The next group included two piano transcriptions by Rachmaninoff. One of these, Liebesleid, originally written for violin by Kreisler, seems to gain nothing by being rendered in a piano version. By contrast, the transcription of Moussorgsky's Hopak was consistently interesting piano music. Mr. Kapell brought forth the dashing quality of this music with much spirit. The delightful Polka of Shostakovich caused ripples of mirth in the audience as Mr. Kapell cleverly brought out the humorous intentions of the composer.

In the final group, Mr. Kapell revealed his excellently controlled technical powers in the Liszt Hungarian Rhapsody No. 6. This was followed by three encores, the Chopin C sharp minor waltz, an arrangement of a Strauss Waltz by Gruenfeld and Jesu, Joy of Man's Desiring by Bach. A.J.L.

1942 Corn Loan Program Basis 90c A Bushel

To aid Delaware farmers now handling their 1942 corn crop, the Delaware State AAA Committee reports that 1942 corn loans will be made to eligible producers in Kent and New Castle Counties at a rate of at least 90 cents per bushel.

To be classified as eligible producers corn growers must have planted within their allotments.

In Sussex county which is classified as a non-commercial area the loan rate will be slightly higher than that of last year.

Delaware farmers are advised to contact their county AAA office for complete details on the 1942 corn loan program.

4-H CLUBS DONATE TO AMBULANCE

Presentation Ceremony At Club Congress

Delaware 4-H club members, reports C. E. McCauley, county 4-H club supervisor for the Delaware Agricultural Extension Service, are joining fellow club members throughout the country in donating funds to purchase one ambulance-station wagon to be dedicated to 4-H club members now in the armed services.

The 4-H clubs of Delaware have pledged at least \$90 toward the purchase of this ambulance. Special ceremonies for the presentation of the ambulance to the American Red Cross will be held during the National 4-H Club Congress in Chicago, Illinois, November 27 to December 5, and will be witnessed by 11 Delaware 4-H State contest winners attending the Congress.

Purchase of this ambulance serves a double purpose for much of the money contributed will have been derived from the sale of scrap metal, rubber and other salvage materials which club members have collected to add to the nation's stockpiles of vital war materials.

If sufficient funds are contributed more than one ambulance will be purchased. Any balance will be used to purchase comfort kits for our armed forces leaving our shores as gifts from the 4-H clubs of America.

Firemen Ask Time-Out To Extinguish Blaze

Volunteer members of the Aetna Hose, Hook & Ladder Company attending the Delaware-Swarthmore football game Saturday afternoon called time-out while they answered a fire alarm from the home of Elwood Zebely, Appleton.

Arriving at the scene, firemen found the back porch ablaze. It was quickly extinguished with little damage. There was no one at the house at the time but it was thought the blaze started from a pan of hot ashes on the porch.

NAVY YARD ELECTRICIAN NEED VITAL

Good Paying Jobs Must Be Filled At Once

For the continuance of vital work now in progress at the Philadelphia Navy Yard, the Civil Service Commission today issued an urgent appeal for hundreds of electricians, not now employed in war work of equal skill.

Vacancies paying \$1.14 an hour, with time and a half for overtime, must be filled at once, a spokesman for the Commission declared.

To be qualified, applicants must have completed at least two years toward an apprenticeship as an Electrician or have two years of practical experience in the trade.

Immediate selection for appointment will be made by Mrs. Carolyn H. Roese, Representative, U. S. Civil Service Commission, c/o U. S. Employment Service Office, 601 Shipley St., Wilmington.

Men not able to apply to the above locations may apply at once to local Civil Service Secretary in any first or second class post office. Written requests for any further information may be made to the Director, 3rd U. S. Civil Service Region, United States Customhouse, 2nd and Chestnut Streets, Philadelphia, Pa.

or another person after this registration. All used as well as new and recapped tires are now frozen in the possession of their present owners.

The application blanks for this registration will not be available outside of the schools, and will be available therein only on the days assigned for the registration. It will not be necessary for the owner of a vehicle to appear in person to register his car. Owners may send other persons to register for them provided those sent are supplied with (a) the owners registration card, (b) his gasoline coupon book and (c) the serial numbers of all of his tires.

If the owner of the vehicle which is being registered does not have more than the legal number of 5 tires in his possession the registrar will tear off the bottom part of the application and give to him as his certificate of registration. In cases where a owner has more than 5 tires in his possession the registrar will retain the application blank intact.
