Lead cut out of my leg the

it will not put the leg back

My other Leg is well enough
all it wants is a bit of exercise
and in a few days it would
be as strong as ever,, Miss Hall
is still here cooking for us,,
She was out a Sleighing the
other day and had a fine time
I still work on my Ship
a bit and they begin to think
it a great piece of work,, I might
sit up but it is too cold and
uncomfortable for we have
to have the tent open more or
less all the time,, They still
die here occasionally and there
are a couple of dead men in
one of the tents at this moment
they are going to send about
50 home in a few days
and we will then have only

about 50 left. The most of
the occupants here are sick
Men from Hagerstown
and these are the men who
mostly die. The wounded
generally are doing well,,
The Dr said he was
going to send My self and
2 more out of our tent,,
but it generally takes several
weeks to get the Papers
made out,, but I am in
no hurry for it is best to get
pretty well before trying
to travel,,

Yours affectionately
