Former Newark Student
Awarded GM Scholarship

George Caldwell, former Newark High School student, recently graduated with honors at Spartanburg (S.C.) High School, and has been awarded a four-year General Motors scholarship at Carnegie Tech. at \$1,100 per year.

George is the son of Mr. and Mrs. J. G. Caldwell, formerly of Newark. Mr. Caldwell is in charge of specialty production for Continental-Diamond Fibre Corporation.

The Christiana Vacation Bible School, which began Monday is in full swing and will continue until June 27. Classes are held Monday through Friday, 9-11 a.m., in buildings of both the Methodist and Presbyterian churches.

Dr. Edmund Cain, director of student teaching at the University of Delaware, chose "What Will I Be?" as the subject of his address at graduation exercises for eighth graders at the Christiana School.

The invocation was offered by the Rev. A. B. Golden of the Christiana Methodist Church, and class president James Thorp gave a greeting from the graduates. Two numbers were sung by the school chorus, composed of fifth, sixth, and seventh graders, with Robert McAlpine as director and Mrs. Eugenia Matz as accompanist.

Linda Backiel and Roy Taylor were recipients of awards for excellence in social studies, presented by Mrs. David Eastburn, regent, on behalf of the Daughters of the American Colonists.

Principal Edwin J. Hughes introduced the president of the school board, Albert H. Jones, who presented certificates to the graduates. The Rev. Donald A. Crosby, pastor of the Christiana Presbyterian Church, gave the benediction.

Members of the graduating class are Joseph Anderson, Linda Backiel, Thomas Best, Arthur Bolt, Evelyn Carl, Mary Louise Cleaver, Elaine Cole, Walter Essick, Charles Gaines, Pamela Hurst, Elaine Reardon, Anna Marie Springer, Roy Taylor, and James Thorp.

End-of-the-year festivities for the graduating class have included a dance at the home of Karen Gyles, a turkey dinner in the school cafeteria, and a picnic at the home of Linda Backiel.

Last Wednesday Mrs. Rachel Lee's fourth grade had a hot dog roast at the home of Jackie Jones, and Mrs. Christine Hollon took her first graders to Roger Barlow's home for a picnic.

The June meeting of the Ladies' Auxiliary of the Christiana Fire Company will be a covered dish supper in the firehouse on Tuesday evening. Firemen will be guests at the dinner, and the Auxiliary will present funds the group has earned during the past year for the fire company. Mrs. Elizabeth Tackach will preside.

Personal
Congratulations to Linda Morrison, daughter of Mr. and Mrs. Frank Morrison, Oglethorpe Road, on being elected to the National Junior Honor Society. Linda will be in ninth grade at the Oglethorpe Junior High School in the fall.

Kay Eisenbray, Smalley's Dam Road, celebrated her eighth birthday on June 13, and her brother Johnny was three on the same day. Mrs. Howard Schultz, East Main Street, is recuperating from a serious illness in St. Francis Hospital.

In character, in manner, in style, in all things, the supreme excellence is simplicity. —Longfellow

JUVENILE CRIME

The FBI reports that last year juveniles under 18 accounted for an astounding 47.2 per cent of all the people arrested for such major crimes as murder, rape, robbery, aggravated assault, and so on.

This grim bit of information caused the Wall Street Journal to inquire into the possible causes behind the soaring juvenile crime rate. One, it believes, lies in the increased assumption by the state of responsibility for children and the consequent lessening of parental responsibility—that is “the state now undertakes to teach things that ought to be taught by parents.” And the emphasis on the progressive theory of education has undoubtedly undermined self-discipline and respect for authority.

The Journal also points to another far-reaching change in society: “Somehow we have allowed the age of a child to so tip the balance that a hideous crime by a person young enough to vote becomes the bewildered act of an unfortunate child if he is young enough to fit within the juvenile court.” Can it be that this attitude of softness is itself an invitation to juvenile crime?

Society, in self-defense if for no other reason, will have to make that crime is crime, no matter what the age of the child, and act accordingly. To quote the Journal again, “... until youngsters are held more responsible for their crimes and until parents again become more responsible for their youngsters.”

Features Of Tour For Egg Producer Listed By Barwick

Holt Pratt's egg vending machine, near Middletown, a chicken barbecue at the University of Delaware research farm, and visits to top egg producers in New Castle County will highlight the annual egg producers tour on July 1, Ralph Barwick, ass't county agricultural agent, announced today.

The tour will start at the Leo Tammi farm near Newark. Tammi has about 8,000 Leghorn layers for market eggs, farm pond for water, four flocks of replacements per year, mechanical feeders with a time clock, and other modern equipment including egg washers, mechanical grader and a refrigerated egg storage room.

The next stop will be at the Chrysler Assembly Plant in Newark. The plant assembles 40 to 45 automobiles per hour. The plant has 1,600,000 square feet of floor space under one roof—an area larger than 30 football fields.

The university poultry research farm is the next stop on the program.

After the barbecue at the university farm, the poultrymen are slated to visit the Lee Hoffecker plant near Red Lion.

Poultrymen wishing to take the tour must contact Ralph Barwick at the county extension office by June 28 so plans can be completed for the barbecue.

Free Polio Shots Offered Saturday In Public Clinic

Only two chances remain for adult Delawareans to get free polio shots in public clinics, as Saturday morning sessions this week and next wind up the 16-month series sponsored by the Medical Society of Delaware, the State Board of Health, and the Delaware chapters of the National Foundation for Infantile Paralysis.

Volunteer inoculation teams will be at the State Board of Health unit at 1303 Delaware Avenue, Wilmington, this Saturday from 9-11 a.m., and at the City Department of Health Building at 1213 Walnut Street at the same time Saturday, June 28.

With the temperature already flirting with the 90's, doctors urge everyone up to 45 years of age who have not received three shots of the Salk vaccine to visit one of these clinics or to see his family doctor for the first, second, or third shot of his series.

They emphasize that even one shot gives a far better chance of avoiding crippling paralytic polio than none at all. Three Salk injections are necessary for permanent protection.

State Amateur Golf Tourney Held at Newark Country Club

Field Of 114 Tee Off Monday In Qualifying Round For State Championship; Gibby, Natty Young—No Kin—Lone Members Of Host Club To Gain First Flight Play

A field of 114 of Delaware's top amateur golfers teed off in the qualifying round of the seventh annual Delaware State Amateur Tournament at the Newark Country Club last Monday, and two Youngs—Natty, former state junior champion, and Gibby, former Newark Country Club professional who recently regained his amateur standing, were the lone qualifiers from the host club to gain the championship flight.

Natty Young, along with defending champion Ellis Taylor from Rock Manor and Medalist Roy Marquette of the DuPont Country Club, defeated their first and second round opponents to enter the quarterfinals for the championship today. Gibby, former Newark Country Club professional who recently regained his amateur standing, was defeated by Jack Dorphrey of Rock Manor, 2 and 1, in the first round.

The new clubhouse replacing the old frame building destroyed by fire in January, 1957, was completed just in time for the Delaware State Amateur, with dinner being served for the first time last Saturday night. A formal opening will be held later in the summer.

Today's lineup for the quarterfinals, starting at 10 a.m., matched Taylor against Charley DeCampi, while Marquette took on Willard Dickerson. Both DeCampi and Dickerson are from Rock Manor.

In other matches today, the DuPont CC's Chick Ghione met Jack Dorphrey of Rock Manor, and Natty Young of the host club faced Rudy Otten, DuPont veteran.

Young outlasted Lou Nielowski, DuPont, yesterday, 1 up, and Otten defeated Jack Matthews, Sr., also of Rock Manor, 2 and 1.

Young, Swarthmore College linksman, was the lone member of the host club to gain today's quarterfinals. Young, who will enter Yale Medical School in the fall, and Nielowski finished the first nine all even. Young won the 13th and 15th to go 2 up but Nielowski tossed a birdie at Young on the 16th and squared the match by taking the 17th with a par three.

The championship will be determined Saturday morning when the finalists meet for the state crown. Wes Barrows of the Newark Country Club is tournament director for the DSGA.

Eastburn Scores With Title Boat At Weekend Races

World Champion Randy Eastburn, driving his Newark-built "First Affair" titleholder in the 136-cu. in. inboard hydroplane class last weekend, won two firsts and a second.

Eastburn, who won the national championship at Cambridge last summer, also was high point man in the nation with the racing hydroplane built in his Cleveland Avenue shop.

At North East last Saturday, Racing Randy won first and second in two heats, and on Sunday at Havre de Grace, won the first heat and lost the second through disqualification for misjudging the timing gun at the starting line.

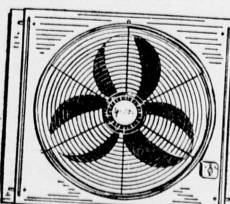

Newark's world champion speedboat builder and driver expects to race at Collingswood, N. J. this Saturday, and at Hopewell, Va., on Sunday.

Leon Chandler, Cortland Line Company's able and affable manager, who is also an accomplished fisherman, has come up with these angles on angling:

A good line is the best insurance a fisherman can have. The most expensive rod or the most expensive reel cannot help to land a good fish unless the line is dependable. It is good common sense to replace an old line which may be weakened with age with a fresh new one.

When a line becomes twisted through use of revolving type spoons or lures you should first check to determine whether or not the swivels are turning freely. Replace swivels which may have become rusted or corroded. Twist can sometimes be removed from a line by detaching lure and snap-swivel and by trailing the line behind a moving boat.

Beginners will find a braided line to have less tendency to loop and tangle than monofilament when used on their spinning reel. Your bait casting reel will perform much more satisfactorily if a few drops of oil are placed on the level-wind worm gear each hour or so during a day's fishing—despite Hardy Herman Klahr's belief that a dip in the water is all the lubrication a reel needs.

Many people have the mistaken idea that fly casting is difficult and is reserved only for the expert—which is untrue. A novice can actually learn to fly cast, (with properly balanced equipment) easier than he can master the technique of handling a bait casting outfit. Fishing for pan fish with a fly rod and a small cork-bodied poppers provides great fishing fun and is available to everyone almost everywhere.

Keep a pair of wire cutting pliers in your tackle box for emergency use should you or a companion become hooked accidentally. And the bird with the largest bill is not the pelican—it's the stork. Public Relation Dick Jennings smiles And you should know, Dad! George Laskaris, fishing with Brother Chris, and Ernie Phillips of Brookside, was pleasantly surprised at the response encountered last weekend in Wyoming Pond. The local anglers caught a beautiful string of pickerel, crappie, yellow perch and "the biggest sunfish I ever saw" according to Genial George, as Wyoming's marine residents welcomed the visitors from Newark.

Babe Ruth League Features 1-1 Tie, Continental Wins

Lumbermen, Bankers In Draw; Fibremen Win Two Contests

Standings thru June 14		
	Won	Lost
Newark Lumber	2	1
Continental	3	2
Bank of Delaware	2	2
Curtis Paper	1	3

Only three games were played in the Newark Babe Ruth League last week, with Continental winning two of these to press Newark Lumber for the league lead. The other contest ended in a tie between the Lumbermen and Bankers.

On Monday of last week, the Continentals defeated Curtis by 7-2. The hitting and pitching of Archie Peel were stand-outs for the victors, although Peel needed help from Butch Brooks in the sixth inning. Peel collected a triple in two hits with four trips to the plate, while the Papermen were held to two safeties.

The Bankers and Lumbermen played a 1-1 contest last Friday as Russell Reed shackled the Newark Lumber nine with a one-hitter, and Lumberman Adams gave up but four scattered hits to the Bankers.

On Saturday afternoon, the Continentals and Bankers staged a good old fashioned slugfest with the Fibremen winning in the last of the seventh with two runs for a final 10-9 count.

Whiteman, a 13-year-old newcomer, was the winner; McNertney the loser.

Joe McGlinchey Elected Captain For Navy's Nine

Joe McGlinchey, 22-year-old son of Mr. and Mrs. J. A. McGlinchey, of 806 Lehigh Road, Newark, has been elected captain of the U. S. Naval Academy baseball varsity for next season.

Joe has been the Navy's regular second sacker for the past two years, and this past year, led the team in three departments—batting with a .397 average; 16 runs batted in; and in triples, with four.

A first classman, Joe McGlinchey will graduate in June of 1959, and stands in the upper third of his class at Annapolis. Also elected to team captaincy for the Navy, is another Delawarean—Edward Gibbons, son of Mr. and Mrs. Robert Gibbons of St. Georges. Gibbons was elected as captain of the Navy's 1959 lacrosse team.

Continental, VFW, Neighbors' Score In Softball Loops

In Newark Recreation League softball play last Monday evening, Continental Diamond walloped Local 1183 by 21-10, and Neighbors' Pharmacy nipped Mill Creek Trailer Park 3-1 in the National circuit.

In the American League, the VFW nine outscored Crichton's by 10-8 in a Monday evening go.

Last Thursday, Graybeal's topped the Vets 4-3 on Thursday.

In the Church League last week, St. Paul's beat Kingswood-of-Brookside, 15-12, and Bible Presbyterian outslugged Christiana-Salem, 19-11.

some dream-come-true fishing for his friends. Like an otter, Rip Smith glides into the water, cases down the carp congregated in the pool at the outlet of the pond—and places the hooks of his friends in the mouths of the amazed carp.

From then on, it's up to the angler with the rod and reel. And Rip maintains that it's easier to hook a 15-pound carp by hand than it is to land the golden-scaled tackle buster afterward.

It frequently happens that the self-made man is an outstanding example of unskilled labor.

Newark's Herm Hubbard Signs Contract To Play Baseball With Milwaukee Braves

Herman (Herm) Hubbard, 19-year-old Newark High outfielder and All-State football halfback, signed a contract last week with the Milwaukee Braves for a bonus, and will report to McCook in the Class D Nebraska State League on June 20.

The announcement was made by Johnny Ogden, former major-league pitcher who scouts for the world champions out of Oxford, Pa. However, Ogden said the credit for the scouting job should go to Jody Johnson of Wilmington, one-time Negro league infielder who is his "bird dog," or liaison man, in Delaware.

Although Ogden would reveal no financial details of the signing, it was reliably reported that Hubbard received \$10,000. Hubbard is a tall and strong 6-2 flyhawk of 190 pounds who bats left and throws right. Because of his power and speed, he was considered the prime prospect among the state's schoolboy ball players this spring.

Hubbard also was sought by the Phillies, who had their assistant farm director, Jim Gallagher, on his trail.

Hubbard is the son of Mr. and Mrs. Daniel Hubbard, of 77 West Cleveland Avenue. Although another year to go in high school, his original class will be graduated this month, which makes him available to professional baseball.

Jr. Golf Program At NCC To Begin Next Wednesday

The junior golf program at the Newark Country Club will start next Wednesday at 10 a.m., with Professional Joe Aneda conducting a golf clinic each Wednesday for six weeks for youngsters from 9 to 18 whose parents hold a family golf membership.

All juniors must have six clinic or private lessons before being permitted to play the course, and juniors from 9 to 12 may play only on Aug. 6, 13, and 20.

Juniors 12 to 18, who have completed six lessons may play at any time except Saturday afternoons, and on Sundays and holidays before 2 p.m.

Prize events for the older group will begin June 25 after the clinic, with prizes for the boy and girl with the lowest scores for nine holes using the Calloway handicap system.

The Junior Club Championship Tournament will be a 36-hole medal play event, beginning Aug. 26.

The junior golf program at the Newark Country Club is sponsored by proceeds from the Doyle McCook Tournament conducted last summer.

Mrs. W. H. Barrows is junior golf chairman, and Johnny Cox is co-chairman.

The U. S. Delaware Food Market Report

U. of D. Agricultural Extension Service
By Anne Holberton

The salad bowl is the feature this week. All salad vegetables show the sharpest drop in prices with lettuce heading the list. Celery is down four cents and will sell as low as 23 cents a bunch in many stores—quite a welcome change.

Loose tomatoes are down two to five cents a pound and the cartons are selling at very low prices—some as low as 19 cents.

Green onions are averaging nine cents a bunch, green peppers 10 cents each. During the weekend even lower prices will be seen.

Cucumbers are still economical even though they have gone up a penny each.

Things are looking up at the fruit counter. Blueberries are in good

supply and will be a weekend feature in many stores, selling at 25 cents for a pint box. Quality is excellent on this fruit.

Strawberries are still a good buy item, but their season is beginning to come to a close.

Watermelon and cantaloupe are desserts for outdoor eating.

A few blackberries are coming to market, however, the supply so far is limited and prices are higher than they will be in a week or so.

Lemons are cheap, selling around 29 to 35 cents a dozen. A few white seedless grapes are arriving but the price is high for this fruit.

More Bing cherries, plums and peaches are arriving on our local markets, however, the volume is not great enough to bring prices down.

Old white potatoes are also reaching the end of their season. Lima beans are beginning to come in with prices averaging twenty cents a pound.
