NEWARK, DELAWARE, THURSDAY, OCTOBER 23, 1936

NUMBER 39

JULIUS CAESAR TO BE PRESENTED HERE ON OCT. 28

Shakespeare Players of New
York to Give Play on Col-
lege Hour Program

HAS NOTED CAST

The Shakespeare Players of New York City who are presenting Julius Caesar at Mitchell Hall on Tuesday, October 28, have sent advance notices to the local authorities sponsoring their appearance here, and a distinguished cast is promised. This presentation is the third of the series of trusts offered Newark residents by the officials of the College Hour at the University of Delaware.

The company is headed by James Hendrickson and Claire Bruce. Mr. Hendrickson who is the director of the players has had a long experience in Shakespearean repertoire having played in the companies both of Fritz Leiber and Robert B. Mantell. Miss Bruce has also had several years of Shakespearean repertoire as well as numerous engagements with New York companies such as Penella's Spanish opera, "The Wildcat," the Theatre Guild's "Peer Gynt," etc., etc.

John C. Hickey is one of the finest character actors on the American stage and his experience dates back to his beginnings as property boy in the famous company of Frederick Warde and Louis James and Marie Wainwright. Mr. Hickey appeared last season on Broadway in his original role of Salmon P. Chase in the revival of Dr. Water's "Abraham Lincoln."

Stanley Gable has just completed a successful summer engagement at the celebrated Maverick Theatre in the Catskills at Woodstock, N. Y. (Continued on Page 4.)

BLAST BURNS MRS. CAMPBELL

Explosion of Boiler in Furnace
Inflicts Painful
Injuries

Mrs. Jennie Campbell, of Amstel avenue, was painfully burned about the face and head, and was badly shocked and frightened, Tuesday afternoon, when the boiler in the furnace in her home exploded while she was putting water into the tank. While her injuries are painful, Mrs. Campbell's condition is not serious.

Mrs. Campbell noticed Tuesday that the water gauge on the furnace registered below the normal amount. A hot fire was burning in the furnace at that time, and when she poured the cold water into the boiler, it is thought that the boiler must have cracked and allowed the water to run into the firebox. The water, as it hit the hot coals, turned into steam, and the pressure soon burst the boiler and the firebox. The explosion blew open the door of the firebox, allowing a burst of hot steam and flame to escape, which burned Mrs. Campbell painfully.

The Aetha Fire Company was called, but no fire resulted from the blast. Mrs. Campbell's burns were dressed by Dr. Wallace Johnson, who pronounced her condition as being favorable.

MRS. ARMSTRONG IMPROVED

The condition of Mrs. J. P. Armstrong, who resides on West Main street, across from the Newark Country Club, was given this morning as improved, but still serious. Mrs. Armstrong was operated upon in the Homeopathic Hospital in Wilmington last Monday.

A rock player is a prohibitionist because he's loyal to his team; a good citizen, because he's loyal to his country.

BRINSER NAMES LEADERS FOR TEACHERS MEET

Committees Formed for Con-
vention Here on Novem-
ber 13 and 14

1,000 EXPECTED

Plans for the annual convention of the Delaware State Educators' Association, to be held in Newark on November 13 and 14, are rapidly taking shape. Superintendent of Newark Schools Ira S. Brinser, president of the association, announces, and it is expected that more than 1,000 teachers and other interested parties will attend the convention.

Committees have been appointed by Mr. Brinser, and all are working on their portions of the arrangements for the convention. The chief idea back of the convention is to raise the excellence of teaching of the youth of the state to the same level of the excellence of the school buildings in which the students will very soon be attending school.

The executive officers of the association are, besides Mr. Brinser, the president; principal, D. A. Petry, Felton; secretary, Harold Barker, Newark; assistant secretary, Miss Hannah Lindell, Newark; directors, R. W. Heim, Newark; Miss Phyllis Mason, rural New Castle County; Charles P. Helm, Laurel.

Among the Newark educators on committees are:

Dr. E. B. Crooks and Miss Greta McKinsey, on the Committee of Professional Ethics; Professor W. A. Wilkinson, a past president of the association, on the Committee of Resolutions. Mr. Charles Boone heads a new committee of the association which has for its purpose the creation of more mutual understanding of the public and the work of the Delaware State Education Association.

The entire list of committees is as follows:

Commercial Section, Senior—Adele Zearfoss, Middletown; Mrs. Gladys D. Roscoe, Dover; George Wright, Smyrna. English, Junior High School—Irene Wilkinson, Newark; Frances J. Callaway, Seaford; Samuel Scholl, Delaware City. Mathematics, Junior—Everett H. Richards, (Continued on Page 5.)

STATE RED MEN HOLD MEETING

Newark May Be Chosen for
Convention Next
Year

Past Great Sachem Harry E. Elliott, a member of Tuscarora Tribe, of Seaford, Wednesday evening welcomed the delegates to the seventy-fifth annual meeting of the Great Council of Delaware of the Improved Order of Red Men, in Seaford. The reply was made by Great Sachem Albert Stetser, of Wilmington. About 125 members of the body attended the meeting. It was announced that during the year seventy-five members of the order throughout the State had died and the members stood for a minute in silent tribute to the dead.

Twenty-five new members of the Great Council were received into the body with proper ceremonies.

Great Sachem Stetser announced (Continued on Page 5.)

CELEBRATE PASTOR'S 40th ANNIVERSARY AT CHURCH

The fortieth anniversary of the installation of the Rev. A. Lewis Hyde as pastor of Slate Ridge Presbyterian Church, near Elkton, was celebrated Wednesday. Slate Ridge Church was organized in 1750, and since that time has been served by only nine pastors, there having been three pastors since 1814.

The festivities began at 2.30 p. m., with a good fellowship meeting and were continued through the evening.

ASK FLAG BE DISPLAYED

NAVY DAY, OCT. 27

The Post and Auxiliary of the Veterans of Foreign Wars requests that the public display the flag on Monday, October 27, in commemoration of Navy Day, and also in honor of the birth day anniversary of Ex-President Col. Theodore Roosevelt.

Tomorrow evening, Friday, October 24, the Veterans of Foreign Wars will give a masquerade dance in the Armory, beginning at 8 o'clock. The Vets promise plenty of fun and entertainment for young and old.

FOOTBALL FANS TO TRAVEL TO NEW BRUNSWICK SATURDAY

Best Routes to Delaware-Rutgers Contest Are Listed for
Benefit of Followers of the Game; Short Route,
104 Miles

The University of Delaware football squad will journey to New Brunswick, New Jersey, on Saturday, October 25, to battle with the gridiron stars of Rutgers College. As many Delawareans from Newark and Wilmington are planning to motor there, the Travel Bureau of the Delaware Motor Club A. A. A. has outlined a route which avoids practically all heavy traffic and although this is twenty miles longer than the regular route through Philadelphia, motorists will be able to make much faster time under safer conditions. Roads leading into Philadelphia are expected to be pretty well congested next Saturday because of the game in the Penn Stadium with Lehigh.

Leaving Newark through Marshallton to Price's Corner, continue straight at Price's Corner on the Ferris road passing the du Pont airport on the right to Kennett Pike. Choice of roads lead to Concord pike (U. S. 122) and West Chester, however, by turning left on the Kennett pike to Hamorton, then right on U. S. 1 through Chadds Ford to Concord pike or U. S. 122.

Turn left on U. S. 122 and follow in detail through West Chester, Paoli, Norristown, Doylestown to Lambertville, N. J. Follow No. 29 from Lambertville to Ringoes; No. 30 for seven

miles, there turning right off concrete road onto a good macadam road, unnumbered to White House, junction U. S. 22, State route No. 28. Turn right on these routes and follow in detail through Somerville to Bound Brook.

Enter Bound Brook on Union avenue to Hamilton street, right on Hamilton to Main, thence left to Cook's Garage.

At this Garage right fork on New Brunswick turnpike to Landing Bridge. Turn right across bridge over Raritan River and left to P. R. R. bridge. Do not go under railroad, but turn right three blocks to Rutgers' Stadium. Total distance from Newark, 124 miles.

For those who desire to follow the short route through Philadelphia, U. S. 13 from Wilmington to Darby, there left on City Belt Line through Lansdown, Llanerch, Overbrook, crossing Schuylkill River and right along Park Drive to Huntington Park avenue to Roosevelt boulevard, thence U. S. 1 into Trenton. Entering Trenton on Warren street to Brunswick avenue, right on No. 26 direct to New Brunswick. Enter New Brunswick on Livingston street to George; left on George street under R. R. bridge and turn left three blocks to stadium. 104 miles from Newark.

THREE BOYS ARE HELD FOR THEFT

Officer Cunningham Nabs
Youth on Bicycle Tour
of this Section

Officer William Cunningham yesterday arrested three Wilmington youths who had stolen three bicycles in that city and who had started out on a tour of the countryside, with Baltimore as their goal.

The boys, Walter Koponski, 14, Walter Raimont, 12, and John Cichocki, 9, all of Wilmington, are alleged to have stolen the bicycles near a school at Twenty-eighth and Adams streets, in Wilmington, yesterday afternoon. They decided that they would take a trip to Baltimore to visit a cousin of the Koponski boy. The trio arrived in Newark late yesterday afternoon, with the Cichocki lad riding on the handle bars of the bicycle operated by Koponski. As they rode down Main street, they attracted the attention of Officer Cunningham, who has been on the outlook for youthful bicycle thieves for some time, so he stopped them, and, upon questioning them, obtained their story of the theft and planned tour.

Officer Cunningham detained the boys here and notified Wilmington detectives, who came here and took the boys back to that city.

BAPTISTS HOLD MEETING IN WELSH TRACT CHURCH

The annual meeting of the Baptists of the Virginia Association and the Salisbury Association was held at old Welsh Tract Church Sunday, with 300 people attending the service. The Rev. H. H. Lefferts, of Leesburg, Va., presided and was assisted by the Rev. J. E. Herndon, of Dansville, Virginia, and the Rev. George L. Weaver, of Cleveland, Ohio. Visitors were present from points on the Eastern Shore, Virginia, Pennsylvania and North Carolina.

There was found to be no business to be transacted, so the meeting was turned into a general get-together following the religious ceremonies.

Old Welsh Tract Church is one of the oldest land-marks in this part of the country and is surrounded with legend and historic facts of interest. It was founded in the 18th century and is one of the oldest churches in the country. The graveyard connected with the church has tombstones dating back to 1776. Some of the inscriptions still visible are quaintly interesting.

DR. WALLACE JOHNSON ON STATE MEDICAL BOARD

The appointment of Dr. Wallace M. Johnson, of Newark, as a member of the Board of Medical Examiners (Homeopathic), to succeed Dr. Harrison W. Howell, was made Wednesday by Governor C. D. Buck. This is a high honor for Dr. Johnson, and his many friends in Newark congratulate him on his appointment to this important office.

YACHT CLUB IS BURNED SUNDAY

Fire Truck, Answering Call,
Hits Automobile and is
Damaged

The \$20,000 clubhouse of the Tri-State Yacht Club of Philadelphia and Essington, Pa., situated on Worton Creek, ten miles north of Chestertown, was totally destroyed by fire Sunday, after a blaze had been discovered under the roof of the main building, near a chimney.

Commodore Charles Walber and a party of members were spending the last day of a week-end at the club and Walter Nicolai of Philadelphia led a group of members in a vain attempt to stem the blaze which was fanned by a stiff breeze off the Chesapeake Bay and the creek. The Chestertown fire company was called and as the engine was leaving the fire house it collided with a touring car driven by John Carey of Queenstown, Md., a retired Baltimore policeman, and was so badly damaged that it was returned to the engine rooms and the Rock Hall Fire Company was called by telephone. Rock Hall firemen reached the scene too late to save the building.

In the accident at a street intersection Burgess Schreiber and Kennard Burke, firemen, were thrown to the street and received painful cuts and bruises. Though Carey was uninjured his car was badly damaged.

It is said the clubhouse was partly insured and some of the furniture was salvaged. The house had been lately remodeled at a cost of about \$10,000 and several wings had been added. It is used as the Eastern Shore rendezvous of the Essington sportsmen and yachtsmen and several regattas have been held there during the last two summers. Commodore Howard Van Seiver of the Royal Swan Club at Bettsford and well-known Philadelphia and Camden yachtsman, is a member of the Tri-State group and a frequent visitor to the Worton clubhouse. Several Wilmington yachtsmen are also members.

H. L. BONHAM WITH J. A. W. IGLEHART COMPANY

The many friends of H. L. Bonham will be interested to know that Mr. Bonham is now associated with J. A. W. Iglehart and Company, investment bankers, in charge of their Wilmington office, in the Delaware Trust Building. For many years Mr. Bonham was associated with the Continental-Diamond Fibre Company here, but some time ago he retired from active business and since that time has been residing here.

JAMES BOTTOMLY ILL

James Bottomly, who resides on Margaret street, was stricken with acute appendicitis Monday night and was taken to the Homeopathic Hospital in Wilmington, where an emergency operation was performed by staff surgeons of the hospital. His condition is reported good.

PROF. J. S. GOULD BLAMES FIRMS FOR IDLENESS

Says Unemployment Due to
Failure to Plan Ahead in
Business

SUGGESTS SOLUTION

That unemployment in this country is largely due to the failure of large units to plan ahead, was the opinion of Professor J. S. Gould, of the University of Delaware, who spoke Monday night at the meeting of the Knights of the Round Table at the Y. M. C. A., in Wilmington. His subject was "The Unemployment Problem."

Professor Gould declared that a certain portion of the population is always out of employment. In times of prosperity when business is good there are usually about 1,600,000 who are unemployed. In cases of industrial depression this number increases to 5,000,000 or more. To solve the problem of unemployment, he said, it will be necessary for the larger units of production to make more definite plans of production.

The speaker told of two concerns in this country which map out a definite plan of production. In case the production in one month exceeds the demand, it is stored. The result of this careful planning is that these concerns are able to guarantee their men 48 weeks of work in a year, the other time being taken up in making inventories and in vacations for the employees. In this way the concerns secure a high grade of labor, because the employees are sure of being kept at work. He also cited how the telephone company had mapped out work in advance and managed to keep its employees at work.

Economists and others, the speaker said, have studied the matter of unemployment, but so far no definite plan of procedure has been mapped out. The speaker told how a number of foreign countries had endeavored to solve the problem of unemployment and told how in some of those countries there was an effort made when there was need of men in one place and men were idle in another, to send only enough men to fill the places. He declared that some of the foreign countries like Germany, Belgium, England and France had given more attention to fitting jobless men to manless jobs than in this country.

NEWARK LIONS HAVE P. R. R. NIGHT

Twelve Railroad Officials
Guests at Dinner; R. P.
Russell Speaker

Pennsylvania Railroad Night was observed at the Newark Lions Club at its regular weekly meeting last Tuesday evening in the Blue Hen Tea Room. Twelve guests, all members of the staff of the Maryland Division of the Pennsylvania Railroad, were present at the dinner, as well as a number of other guests.

Mr. R. P. Russell, superintendent of the Maryland Division of the P. R. R., was the speaker of the evening following the dinner. Mr. Russell spoke on the subject of Signals, explaining how the railroad protected its trains and passengers from danger by an elaborate system of signals and warning lights. He told of a number of the safety measures that have been and are being instituted by the railroad, especially at grade crossings of highways and railroads. In the course of his talk, he pointed out how great a degree of safety has been attained in the past few years over the older methods. He also told of a few humorous incidents where trivial occurrences had disrupted the railroad for a short time, seemingly from an inexplicable cause.

Among the guests of the evening were: George M. Phipps, C. E. Swartz, Joseph A. Bull, C. C. Law, A. B. French, Michael Lipman, Harry Babcock, C. K. Steins, A. C. Dunn, R. G. Ford and J. W. Bealle.

PROF. CLEMENTS RECOVERING

Professor Nemours H. Clement, of the French Department of the University of Delaware, who was stricken with acute appendicitis last Wednesday and was rushed to the Homeopathic Hospital in Wilmington for an emergency operation, is now reported out of danger, and is recovering rapidly from the effects of the operation.

MANY NEW NAMES ARE REGISTERED

Heaviest Registration Day in
Local History; 7000 Added
in State

CONTESTS EXPECTED

The heaviest registration day ever experienced in recent years in Newark was held Saturday, when the residents of this town who are eligible turned out "en masse" to enroll their names on the permanent registration lists, prior to the general election which will be held November 4.

More than 100 additional voters were placed on the books in Newark in the two local districts. This makes nearly 2,500 voters registered in the two districts of this town—the largest number in the history of the town.

Throughout the entire state, the registration was very heavy, and it is estimated that more than 7,200 additional names were placed on the books.

John Biggs, Jr., chairman of the Democratic county committee reported that in rural New Castle County according to activities at the polls it was estimated that 1,400 names were added to the books.

Both major political parties were active in Kent County and though no definite figures are available it is believed that about 2,000 registered. Reports are that there was a large number of transfers.

Estimations by political workers of Sussex County place the number of registrations at 1,000. They also report that the number of transfers was light.

Wilmington experienced a much heavier registration Saturday than on the two previous registration days, according to reports.

More than 500 names were added to the registration lists in the Ninth Ward. There was a total of 447 with four districts missing in this ward. (Continued on Page 4.)

CHORUS HOLDS FIRST MEETING

Firmin Swinnen Pleased with
Material for Musical Group;
Many at Rehearsal

The first rehearsal of the chorus of students of the University of Delaware and of townspeople of Newark was held in Mitchell Hall on Monday night after the organ recital by Firmin Swinnen. More than 75 singers were present for the initial meeting of the group.

Officers of the chorus were elected prior to the rehearsal. Dr. F. B. Myers was elected president of the club and A. D. Cobb was named as vice-president. F. Alton Wade was elected secretary and M. W. Goodwin was elected librarian. Carl Budin, a student in the University, is the accompanist for the chorus.

Mr. Swinnen, after placing the various voices in groups, conducted the first piece of music, McDowell's "To A Wild Rose." At the end of the session, he expressed his approval of the manner in which the chorus had sung the piece, and stated that he was well pleased with the prospects of the chorus and the quality of the voices composing it.

No date has as yet been decided upon for the first recital of the chorus, but it is expected that it will be announced in the near future.

MILK PRODUCERS TO MEET WEDNESDAY, NOV. 5

The annual meeting of the Newark Local of the Inter-State Milk Producers Association will be held Wednesday evening, November 5th, in Wolf Hall at Newark. This meeting has been called by Mr. Wallace Cook of Newark, President of the local organization.

Election of officers for 1937 and of delegates to attend the annual meeting in Philadelphia, November 18th and 19th, will be part of the business to be transacted.

It is expected that an official from the Philadelphia office of the Milk Producers Association will be present to tell of the activities of this Farmers' Co-operative Milk Association for the past year. All dairymen in the northern part of the county are invited to attend.

IVY CROW TEMPLE

Ivy Crow Temple, No. 4, Ladies of Golden Eagle, will give a dance in Fraternal Hall, November 1. Everybody welcome.

HORSE SHOW TO BE LARGE EVENT

Many Fine Entries at North East River Club Show

Owners of thoroughbred show horses from Pennsylvania, Delaware and Maryland, have entered their prize winners for the Horse Show, to be held at the North East River Country Club, at Charlestown, on Saturday, and from present indications the initial affair in that section will prove a success.

The show which will begin at 11 o'clock in the morning on the beautiful grounds of the Country Club will test the skill of the Green Hunters' Class over jumps of three and one-half feet. The Saddle Class which follows, no doubt, will be an interesting event. The Pony Class will also be held before the lunch period.

The opening event in the afternoon will be the ever interesting touch and out over six obstacles, not exceeding four feet, to be followed by the open jumping competition, Breeders' Class, Hunting Class, mile running race. One of the features of the afternoon will be the running race for the silver cup, donated by the club.

In conjunction with the horse show, there will be a dance in the club house starting at 8:30 o'clock with Creswell's orchestra furnishing the music for the affair. Officials announce that the dance will be staged even if rain prevents the show.

This is the first event of this kind to take place at the North East River Country Club and will give many people who have never had the chance, an opportunity to inspect the comfortable building which is an integral part of the Carpenter's Point organization.

The spacious fireplaces in the building will add a novel touch to the dancing, as well as presenting a cherry atmosphere to those who stay following the horse show.

According to the plans of the committee in charge of the affair, the dance will prove an added attraction to the events of the day and it is expected that a large number of those who have been wanting to find such recreation nearby on Saturday evenings will patronize this opening occasion.

McCLELLANDSVILLE P.T. A.

The first meeting of the Parent-Teacher Association of the McClellandville School was held on last Thursday evening, with a large attendance. The meeting was opened by singing, and was in charge of the new president, Miss Ethel Crowe. As this was the first meeting of the season, a canvass for new members was conducted, and twenty new members were enrolled and their dues received.

The school room was attractively decorated, and gave a pleasant appearance with its new coat of paint, which was applied this summer.

A committee was appointed to repair the flagpole and rope in the school-yard. It was decided by the members to hold the P.T. A. meetings the third Thursday evening of each month.

The pupils of the school had a very interesting program arranged for the meeting. Refreshments were served at the closing of the session.

P.T. A. INSTITUTE

The last of the usual series of State Parent-Teacher Association Institutes will be held in Wilmington, October 25th, in the Baneroff School, 8th and Lombard streets, at 10 a. m., and in the new Howard School, 13th and Poplar streets, at 2 p. m. Associations are urged to send at least three representatives to these meetings in order to be informed in regard to the objectives for the year. The program planned is similar to those carried out at Georgetown, Seaford and Dover.

Summit Bridge

Mrs. Belle Salmons entertained on Sunday her son, Mr. and Mrs. J. Boys Salmons, Mrs. Louis Parson, son and daughter, and Mrs. Laura Parsons of Wilmington.

Miss Edith T. Beck and Mr. Harrington of Wilmington were Sunday guests of Mr. and Mrs. Harry Salmons.

Mr. and Mrs. William Naylor and son, Jack, of Townsend were Sunday visitors with her mother, Mrs. Eliza Bendler.

Mr. and Mrs. Charles W. Kane and daughters, Nancy and Marjorie, were Sunday guests of her parents, Mr. and Mrs. James N. Lewis, of Claymont.

Mr. and Mrs. Walter Crompton, sons Albert and Charles, and daughter Helen, of St. Georges spent Sunday with Mr. and Mrs. Millard Golt.

Mr. and Mrs. George T. Kane of Wilmington had as their guests on Sunday Mrs. Katherine Kane and daughter Katherine.

Mr. and Mrs. Lewis Straughn of Penns Grove, N. J., and Mr. Straughn's brother and son of Virginia were Sunday visitors with her father, Mr. W. Thomas Golt and Miss Edith W. Golt.

Mr. and Mrs. Herman Price and son and daughter were Wilmington visitors Saturday evening.

Mrs. Katie Calhoun is visiting her sister, Mr. and Mrs. Harry Cavender and family.

Mrs. William Dickinson was a re-

cent visitor with Mr. Thomas Lindell and family of Cherry Hill.

Mrs. Harry Murray was a Wilmington visitor on Thursday.

Miss Levena Lynch of Mt. Pleasant was a recent visitor with Mrs. Kate Kaiser.

Mr. and Mrs. John Butler are receiving congratulations on the birth of a fine daughter, Anna May, born October 11. Mother and daughter doing nicely.

Mrs. Gertrude Butler of Odessa spent a few days last week with Miss Sallie Brown.

Mrs. Katherine Kane and daughter Katherine, Miss Anna Golt and Mrs. Charles W. Kane were in Wilmington on Thursday.

Mrs. Johnson has returned to her home in Newark, after spending a few days with her daughter, Mrs. Lucy Butler.

Mr. and Mrs. George Knotts have moved to Chesapeake City, Md.

Pierce Aldrich of Wilmington was home over the week-end with his sister, Miss Ruth Aldrich.

Mr. and Mrs. J. Ollie Clark of Newark were Sunday evening callers with her parents, Mr. and Mrs. Walter Deputy of Mt. Pleasant.

Mrs. Boyd McCoy is visiting her daughter, Mr. and Mrs. Wallace Cook, of Newark.

Mermaid

A successful variety sale was held at Harmony Grange, No. 12, on Monday night. The proceeds amounted to \$23.73. Donations for the Delaware Colony at Stockley were brought by the members. Three dozen jars of home canned fruit and vegetables were contributed and were packed ready for shipment to the Colony.

It was voted to hold a resolution meeting in November when the resolutions on the unsightly billboards along the highways and the raising of the subordinate grange dues to the State Grange, will be discussed.

An interesting program was presented during the lecturer's hour. Marvin Klair played a medley of old southern songs on the harmonica and accordion. A reading, "A Dollar Down and a Dollar a Week," was read by Harry Brackin, Jr. "Ma Goes a Shopping," was recited by Miss Frances Maclary. Selections on the harmonica were played by Lloyd Porter.

Helen Hunt Jackson's poem, "October's Bright Blue Weather" was given by Miss Sara Pennington. A vocal duet, "When It's Springtime in the Rockies," was contributed by Miss Amy Hicks and Mrs. William H. Naudain, accompanied on the piano by Mrs. Harry Harrington. Jokes were read by Mrs. G. K. Ball. A balloon contest was enjoyed by all members who had participated on the program. The prize was won by Lloyd Porter.

Next Monday evening, the annual Halloween party will be held in the hall. All members not appearing in Halloween attire will be "fined." A prize is offered for the most ridiculous costume.

The Fairview Parent-Teacher Association will meet this evening at 8 o'clock in the school house. Miss Marguerite Burnett, director of adult education in the State, will give a talk on the courses offered this year. It is probable that a class will be organized in this school district. The moving picture, "The County Library in Action," will be shown by Miss Nellie Morton, county librarian. Ex-Governor and Mrs. Robert P. Robinson will also be present and give short talks. The members of the Union School Parent-Teacher Association have been invited to attend this meeting.

Mr. and Mrs. Clarence Little, of Fairview, spent Sunday in Centreville, Maryland.

Miss Frances Jarrell, daughter of Mr. and Mrs. Alec Jarrell, is ill at her home.

Mr. and Mrs. Harry Brackin and son, Harry Brackin, Jr., were guests on Sunday of Mr. and Mrs. Luman Thompson, of Brack-Ex.

NUMETAL WEATHER STRIPS

Just try NUMETAL Weather-strips on one door - and you'll want them for your whole house. They keep out cold, drafts, snow, rain, noise, dust - pay for themselves in fuel saved. Economical, permanent. Installed without removing windows or doors. See Numetal Demonstration Model in our store now.

PROF. H. D. MUNROE

DAMP POULTRY LITTER

By Prof. H. D. Munroe

When damp litter appears in the laying house, too often the ventilation of the house is blamed and we fail to look for other more common causes of this trouble. While looking for possible causes of damp litter, keep in mind that it takes only a small amount of water to cause poultry litter to seem real damp.

The chief cause of damp litter in poultry houses is the water fountain or drinking dish. Always look at the watering arrangements first. Often you will find that they leak. Many times they are easily turned over or are open so that the birds walk in them and carry the water on their feet to the litter. Many of the better fountains do not have any of the above faults, but the floor under the fountain is wet. This condition is caused by the water dripping from the beaks and wattles when the birds drink. This is very noticeable where there is not enough fountain space allowed in the pen. One good answer for this trouble is a small water trough placed over the mash box and if any water drops from the bird's bill or wattles it falls in the mash and is soon eaten with the mash. In trying to find the cause of damp poultry litter, look for a wet floor under or near the watering dish.

Next to faulty drinking arrangement as a cause of damp litter, leaky roofs are a close second. The average poultry house roof is too flat and in spite of all precautions will often leak the first or second winter.

Some other common causes of damp litter in poultry houses are crowded conditions; rain or snow coming in at the open front; little that is too deep so that it does not have a chance to dry out during sunny weather; new cement floors that did not have a chance to dry out before the birds were put in the house; not enough air circulation causing the house to sweat; large flocks in long, narrow houses crowding toward the feed room in the afternoon, causing the first pen to be damp while the rest of the house is dry.

There is a tendency among poultrymen to blame their ventilation for the cause of damp litter. Most any ventilating system will take care of an average amount of moisture but no ventilator can handle extra water. No ventilating system will work unless the temperature inside the house is several degrees higher than the temperature outside. This fact has caused many poultrymen to use artificial heat in their laying houses. With a well constructed house, and watering arrangements that do not spill, a small amount of heat is very helpful in keeping the house dry, keeping the water from freezing, preventing winter molt and preventing slumps in production during real cold weather.

Do not blame the ventilating system until all other causes are checked off the list.

Do not blame the ventilating system until all other causes are checked off the list.

STANTON PARENT-TEACHER ASSOCIATION

The October meeting of Stanton Parent-Teacher Association was held on Thursday evening, October 16, with a large crowd in attendance. Since the September meeting a bake has been held and \$44.75 cleared. This money was placed in the hands of the teachers to purchase necessary supplies and equipment. A First Aid Kit has been purchased and placed in the school by the Association.

The Association decided to increase the amount of money to be spent for trees for the school grounds and the ways and means committee is planning to hold an event in the near future, the proceeds to be used for shrubbery and trees.

The Association will petition the Levy Court to improve and widen the road in front of the school. As it is now, the bus has difficulty in loading and unloading the children.

The Stanton Association will be well represented at the P.T. A. Institute in Wilmington, Saturday, October 25. A number of delegates will be present in each class.

Miss Nellie Morton, County Librarian, and Mrs. Robinson showed a "movie" "The County Library in Action." This was greatly enjoyed. Stanton has a part in the picture for one of the most efficient libraries in Stanton at the home of Mrs. C. P. Dickey.

The hospitality committee was quite generous with a treat of gingerbread and cider.

near Stroudsburg, Pennsylvania, and offered what then was a high price for five calves, although he was looking for a larger shipment. Remembering several neighbors who had good quality calves for sale, the farmer bought nine by telephone and closed an advantageous deal with the broker. The whole transaction was completed in less than an hour.

PLAY AT COLONY PLEASES CROWD

Large Attendance at Delaware Colony Pound Party; Fine Weather Brings Many

The Delaware Commission for Feeble-minded, through their Secretary, John B. Hutton, Esq., expressed their appreciation for the excellent attendance and the generous donations, at their "Pound Party" last Saturday. About five hundred guests took the opportunity to inspect the facilities of the Delaware Colony, and much interest was expressed in the educational program in progress of development there. The new school facilities, nearing completion in the new Administration Building, will be in use very soon, and as additional funds are available, an additional teacher will be employed.

A play, "The Doll Shop," was given by the children of the School Department, and proved to be the center of attention. The boys and girls showed

surprising ability in the dances, recitations and songs that made up the playlet, which speaks well for the patient care used in their training.

Inspection of the cottages provided an opportunity to observe the training received by the children in household duties, such as bed-making, sweeping, cleaning, etc. The farm, being in close proximity to the various buildings, displayed another of the facilities for training offered, especially to the boys, in that they are taught to be of help in many operations that go to make up the conduct of a modern farm.

The Commission and the Superintendent wish to take this opportunity to express to their many friends who were unable to attend the exercises, their appreciation for the many donations and hearty cooperation which helped make the event such a signal success.

POULTRY CALENDAR READY FOR LOCAL FOWL RAISERS

Interested poultry raisers in New Castle county are advised to send for a poultry calendar from the County Agent's office in Newark, according to a letter sent to the chicken people by County Agent Ed Willim, Jr. These

calendars are prepared each year by the Poultry Extension Department headed by Mr. H. S. Palmer.

The Agent's letter follows: "Did you ever see a calendar which starts in November instead of January? Maybe you have, but did you ever use such a calendar? Our new Poultry Calendar starts November 1, 1930, and ends October 31, 1931. Do you want one to use in keeping records on your flock of chickens? They are free to Delaware poultry raisers who will send in their report card each month giving the number of layers on hand, the number of eggs laid, and the number of birds died or sold during the month. The back of these calendars are ruled for keeping a complete record of expenses and receipts of your poultry business, but no report of these records are to be sent in to us.

"For those who do not know about the calendars, there is a cardboard page for each month with a place for daily egg records and suggestions for that month. The calendar should be hung in the laying house or kitchen where the eggs are stored. The monthly card at the bottom of each page should be sent to Mr. Palmer and he will make a monthly summary

to be sent to each calendar keeper. If you have never had a calendar and would like to get one, I believe you will become so interested in your flock record that you will be sure to keep your reports accurately and send them in on time.

"If you would like to have one of these calendars, please send for one at once, as the records are to start November 1, 1930."

RAYON INDUSTRY GROWS 50 PER CENT IN 2 YEARS

Growth of more than 50 per cent in the rayon industry in the United States within two years was reported today by the Commerce Department.

The report shows that in 1929 a total of 116,492,554 pounds of rayon yarns valued at \$140,811,343 was shipped or delivered by manufacturers. This compares with 75,555,439 pounds in 1927, valued at \$106,468,752 and is an increase of 54.2 per cent in volume and 32.3 per cent in value.

There were 19 establishments engaged in the manufacture of rayon yarn and allied products in 1927 but in 1929 the number had grown to 28. Wage earners in the industry numbered 32,928.

The Call to Duty

THERE are times when the citizen should rise above partisanship and prejudice, when issues constitute the paramount consideration, when loyalty to moral convictions and the welfare of the Nation make demands on manhood and womanhood.

Stand by Your President

Two and a half years remain for the Hoover Administration. It is as vital to support President Hoover now as it was to elect him in 1928. This applies alike to Republicans and Democrats who voted for him two years ago. Give America a chance to enjoy *PROSPERITY* to the full. A Congress working at cross purposes with your President will bring utter confusion and continued economic distress.

Send Them Back to Washington

Delaware's confidence in her Senators and the Representative in Congress has been merited. They have served with distinction the best interests of all the citizens of the State, irrespective of race, color, creed or political affiliation. The welfare of Agriculture and Industry, and of the Farmer and the Industrial Worker has been their first thought and concern.

—OUR MOTTO.

OCTOBER 23, 1930

Bicycle Riders

One of the greatest dangers on the streets of Newark are the children who ride bicycles, especially at night. To the motorist, they present the best chances for an accident that could possibly be desired, or rather, not desired. No one driving an automobile can determine just when some boy or some girl on a bicycle will decide to turn around in the middle of the street, or just when they will skid and fall to the street, or when they will dart out from the sidewalk to the center of the street, without regard of any motor traffic which might be on the street at the time.

But a greater menace than the child riding his "bike" in the daytime is the child on a bicycle at night. There is a law in this town that any vehicle, whether it is an automobile or a bicycle, must have a red light on its rear after dark. The boy on his bicycle, riding along a dark street without any red light or red reflector on his wheel, offers very little visibility to the motorist. Too often we read in the newspapers of some laddie or lassie being injured or killed when struck by an automobile at night. But in such cases, we wonder if the fault was the motorist's or the rider on the bike.

We do not want to see the children of this town arrested for riding bicycles, but we do believe that Town Council should take action to remove this menace from the town streets. Parents, for the safety of their children, should see to it that they ride their bicycles in a safe manner, and that after nightfall they keep off the streets with their wheels. In Wilmington not long ago a boy on a bicycle was killed by an automobile, and the driver of the car was freed by the police. Such an occurrence is a tragic one, and it is an unnecessary one. If that boy's parents had kept him from riding his bicycle after dark, he would not have been killed. And if the people of Newark will also stop this dangerous practice, such a tragedy can be averted in this town.

The Radio Reception Muddle

At last some action is being taken to clear up the mess that has been made of radio reception in Newark. For months the residents of this town have been denied the pleasure of good reception trouble here, and we have every reason to believe the report, then reception. Repeated requests from radio dealers in this town for an investigation into the causes of this interference have come to nothing, and the pleas of citizens for the removal of these causes have been unavailing.

Action was finally taken in this matter by Mr. John Reburn, president of the radio firm which bears his name. The expense of bringing electrical experts and radio technicians from New York and Philadelphia was taken care of by Mr. Reburn, and at no small cost to him. These experts and technicians conducted a thorough investigation of conditions here, and their report states that the cause of the deplorable condition of reception here is from antiquated and inadequate equipment on the high voltage lines passing through Newark.

If their report brings out the true facts of the causes of the trouble here, and we have every reason to believe the report, the Town Council should take steps to see that the utilities concern that owns the power lines in this town should repair their lines and put them in proper condition. Even if the cost is high for such repairs, the amount of money invested by citizens of this town in radio sets and receivers is too large to be overlooked, and these citizens should be shown consideration and be given co-operation in their fight for proper radio reception.

JULIUS CAESAR TO BE PRESENTED HERE ON OCT. 28

(Continued from Page 1.)

which has as guest players Broadway stars such as Gladys Hurlbert and Blanche Yurka. Mr. Cobley has been with the Shakespeare Players for three seasons. Previous engagements were in the play "Wall Street" and in A. A. Milne's "The Ivory Door."

Webster Patterson is now in his second season with the Shakespeare Players. Previous appearances have been with Henry Duffy's fine company in San Francisco, and in the New York production of "Jarnegan" with Richard Bennett.

Mary Glover was for three seasons a member of the Robert B. Mantell Company, playing such important roles as Celia in "As You Like It," Nerissa in "The Merchant of Venice," and Goneril in "King Lear."

Robert Greene, prior to joining the Shakespeare Players two years ago, had appeared in "The Winged Messenger" and in the New York production of "Chicago" with Francine Lawrence. Mr. Greene has appeared in pictures in support of Erich von Stroheim. Grace Randall and Martin Wells constitute the other members of this unusually strong company.

AMERICAN LEGION FOLLIES TO BE GIVEN NOV. 17-18

The second annual American Legion Follies, given by members of the Lieutenant J. Allison O'Daniel Post of the American Legion, Newark, will be presented in the State Theatre on Monday and Tuesday evenings, November 17 and 18.

Last year the American Legion Follies was one of the high spots of the season's entertainments in Newark, and plans for a bigger and better production for this year have been completed. The Follies will have a

cast of one hundred persons, with the American Legion orchestra furnishing the music for the show. Twenty acts and skits are planned for the show, and local talent will delight the audience in dances, songs, and comedy numbers.

The production this year is being staged by the Parlett Production Company, of Baltimore. Announcement of the cast will be made shortly.

ATTEND INSTALLATION OF NEW OFFICERS

Among those who witnessed the installation of the newly elected Department and Unit officers of the American Legion Auxiliary in Wilmington on Monday night were: Mr. and Mrs. Conrad Lewis, Mr. and Mrs. Paul D. Lovett, Mrs. Newton Shaeffer, Mr. and Mrs. Frank Balling, Mrs. Elizabeth Garrett, Mrs. Lucy Barker, Mr. and Mrs. Harold Shaeffer, Mrs. Leonard Rhodes, Mr. and Mrs. A. E. Tomhave, Mr. and Mrs. Jay Biery, and Mr. and Mrs. Orville Little.

The installation was preceded by a chicken patte and oyster supper, which was served buffet fashion to about 150 persons. Following the installation music by an orchestra, group singing, quartettes, and dancing were enjoyed by all.

COUNT ON ME CLASS

The Count On Me class of the M. E. Church Sunday School has planned a definite fall and winter work. Last Sunday they had charge of the opening service of the main school. Tuesday evening, October 28, they will present an evening program in two sketches, "Bertha Brings Home the Bacon" and "The Ring of Fate." The class has been drilled under the leadership of Mrs. Stradley, their teacher. The public is asked to support the class by being present for the program. A silver offering will be asked. Can we count on you.

The class will hold its business session on Wednesday evening, November 5, at the home of Miss Emma Beck. An evening hour of fun will be arranged by Miss Beatrice Kline.

HORSE SHOW BIG SUCCESS; LOCAL ENTRIES PLACE

Hill Top Farm Takes Six
First; Tip Top Entries
Three
ONE RIDER HURT

Two stables won 9 of the 12 events in the horse show at the Tip Top Farm, a short distance west of Newark, Saturday afternoon. Horses of J. B. Decker of Elkton, Md., took six firsts, three seconds and two third prizes. The Tip Top Farm entries won three events.

The show was sponsored by the ways and means committee of the Newark New Century Club and except for a high wind the weather was ideal for the sport. Mrs. J. Irvin Dayett was chairman of the committee in charge, while Mrs. R. W. Heim and Miss Elsie Wright also served on the committee. The Continental-Diamond Band provided the music for the affair.

Edwin Davis, who teaches in a school near West Grove, was thrown while going over the last jump in one of the hunt events and sustained a broken arm.

Dr. Edgar W. Powell of Bryn Mawr, Pa., and Dr. S. Taylor Young of Middleburg, Va., were the judges. Prizes were donated by Mr. and Mrs. Harry L. Bonham, Mr. and Mrs. Clarence Fraim, Dr. and Mrs. C. C. Palmer, Miss Elsie Wright, Ernest B. Wright, J. Pilling Wright, Norris N. Wright, Edward L. Richards, Dr. George W. Rhodes, Claude P. Hearn, John K. Johnston and J. Irvin Dayett.

The results:
Class No. 1, heavyweight draft horses, won by Helen and Star, owned by James H. George.

Class No. 2, ponies under saddle, won by Dewey, owned by J. B. Decker, of Elkton; second, Just Fun, owned by J. B. Decker; third, Blondie, owned by E. Henderson Smith.

Class No. 3, three gaited saddle horses, won by Silver, owned by Mrs. H. Rodney Sharp of Wilmington; second, Crestman, owned by Clarence Fraim of Wilmington; third, Bob, owned by J. B. Decker.

Class No. 4, horses suitable to become hunters, won by Herodius, owned by Tip Top Farm; second, Baby Sister, owned by J. B. Decker; third, Ganadora, owned by Tip Top Farm.

Class No. 5, colt class for show under hand, won by Mike Melody, owned by J. B. Decker; second, Ganadora, owned by Tip Top Farm; third, Stroll Away, owned by Cecil Smith.

Class No. 6, Farmers Jumping Class, won by Billy, owned by J. T. Wilson; second, Mollie, owned by G. Raymond Carrow; third, Bright, owned by J. T. Wilson.

Class No. 7, touch and out class, won by Tip Top Lady, owned by Tip Top Farm; second, Ponto, owned by Harry Keithley; third, Baldy, owned by H. J. Morrow.

Class No. 8, hunt pairs, won by Tip Top Farm entry; second, J. B. Decker entry; third, Tip Top Farm entry.

Class No. 9, ladies' hunters, won by Baby Sister, owned by J. B. Decker; second, Patsy Fable, owned by Tip Top Farm; third, Dangerous Jane, owned by J. B. Decker.

Class No. 10, colt jumping class, won by Baby Sister, owned by J. B. Decker; second, Ganadora, owned by Tip Top Farm; third, Robert Fletcher, owned by Tip Top Farm.

Class No. 11, hunt teams consisting of three horses each, won by Elkton Hunt Club; second, Newark Hunt Club; third, St. Georges Hunt Club.

Class No. 12, Corinthian Class, won by Vint Hill Lodge, owned by J. B. Decker; second, Patsy Fable, owned by Tip Top Farm; third, Ganadora, owned by Tip Top Farm.

BABY DESERTED IN CHURCH HALL IN WILMINGTON

Blue-eyed Boy Found Sleeping in St. John's P. E. Church
HUNT FOR MOTHER

"Robert Hayes, born August 20, 1930. Father is dead."

This laconic note was the only clue that Wilmington detectives have towards identifying a baby boy, found Tuesday afternoon, beside the arch at St. John's Episcopal Church, Concord avenue and Market street in Wilmington. The youngster, well dressed, and wrapped in two blankets, one of blue and one of pink, was picked up by James H. Lowe, caretaker of the church, shortly after two women were alleged to have left the little bundle of humanity lying outside the edifice, in the crisp, cold, afternoon.

Near the baby was a bottle of milk. The child, however, never uttered a sound during all the time that he was trundled from the church to the Detective Bureau and then to the Babies' Hospital, where he will be held pending disposition of his case.

According to Mr. Lowe, he observed two women near the church, just before 3 o'clock, Tuesday afternoon. One of them was carrying a baby. Both entered the church in the rear and emerged about five minutes later, walking rapidly away. Mr. Lowe, who had been watching the pair, thought it queer that they did not have the baby with them.

He went to the rear of the church, and there, near one of the arches, he discovered the little bundle, lying on the bare pavement, the infant sound asleep.

Just about this time, William H. Darbie, assistant pastor of the church, approached and seeing Mr. Lowe with the child, said that he, too, had seen the women approaching the church and their depart without the baby.

Mr. Lowe described one of the women as being about 20 or 25 years old, five feet six inches tall and weighing about 135 pounds. She was dressed in black. The second woman was about the same age, slightly shorter and weighing about 130 pounds. She wore a brown coat and brown shoes and hat to match.

The detective bureau was notified and Detectives Kempinski and Sutton went to the church and took charge of the child. Both detectives, who have spent many years in taking law-breakers to and from the detective bureau, were faced with a problem in conveying the child to the police station. However, the baby seemed perfectly content, sleeping throughout the entire journey and all through the subsequent proceedings.

The baby was dressed in a white coat, had stockings and "booties" on and was evidently carefully cared for before it was left at the church. He has blue eyes, a large face and blonde hair.

Detectives have been unable, so far, to locate the women who left the child at the church, but they are working on the case in the hopes of locating the baby's mother.

ELK MILLS PLANT CUTS WORKMEN'S WAGES 25%

The Baldwin Manufacturing Company, which operates a large tapestry mill at Elk Mills, three miles north of Elkton, which has practically been closed down for some months past, has posted notices at the plant telling former employees that when operations are resumed the wages of all workmen will be reduced, amounting to practically 25 per cent. No date has been set for the resumption of operations.

EDUCATORS TO ADDRESS GROUPS

H. C. Morrison and John
Brewer to Speak at Teachers' Convention

Henry C. Morrison, Professor of Education at the University of Chicago, and John M. Brewer, Director of the Bureau of Vocational Guidance at the Harvard Graduate School of Education, have been listed on the program of the Delaware State Education Association which meets in November at Newark. This announcement is being received by teachers and schoolmen throughout the State with much enthusiasm.

Mr. Morrison and Mr. Brewer are both outstanding men in the particular fields of education which they represent. Both are authorities and their books are familiar to every educator. The Morrison Plan of Teaching Procedure stands alone in serving as a guide to hundreds of secondary schools throughout the country. The originator of this special plan of unit work in study will be heard with interest by every schoolman who attends the two-day session at Newark, November 13 and 14. Mr. Morrison is scheduled to speak both days.

Mr. Brewer has been engaged to address the association on the 13th, when he will bring what is perhaps the greatest problem in modern education before that body, namely vocational guidance. Mr. Brewer is widely known in the field of Youth Guidance, and his address on this subject will be of great interest to the teachers and educators present to hear him. Parts of his address will deal with the subjects of what should be done with the student who is clearly a misfit in the classroom, how this student can be properly guided into the proper occupations for life, and how the teacher can be certain that he or she is directing this student aright.

LIBRARY DRIVE

The drive for library membership in the Town Library will start Saturday. This library is sponsored by the New Century Club. The funds for operating the library are secured from private endowments, the Century Club, and the library memberships. Yearly memberships are \$1.00 each and entitle the holders to withdraw two books at a time. Plans are under way at the present time to have new books at the library every month. It is the hope of the Committee to sell two hundred memberships during the drive.

PERSONALS

Mr. and Mrs. W. J. Welsh of Wilmington were Newark visitors this week-end. Mrs. Welsh will be remembered here as the former Miss Elma Robinson.

Mr. R. J. Moon of Cape May, N. J., was the guest of Mr. and Mrs. H. E. Vinsinger last week.

Mrs. Caleb Price and Mrs. Joseph Bates are spending this week-end in Rehoboth at Mrs. Reeves' cottage.

Dr. and Mrs. R. E. Price and their children, Jean and Bobby, spent the week-end in Washington, D. C.

The Needlework Guild held its meeting this afternoon at the home of Mrs. C. B. Evans.

Mrs. Everett Johnson visited Mrs. J. L. Holloway last week-end.

J. L. Holloway last week-end and several days this week visited with friends in Newark.

Dr. and Mrs. A. S. Eastman were guests in Ridley Park, Pa., this week-end.

Mr. and Mrs. W. Frank Wilson of Park Place motored this week to Halloway, Pa., where they will spend the latter part of the week.

Among those from Newark who attended the banquet of the Eobian Society in Wilmington last Friday evening were Miss Elinor Townsend, Miss Mary Thomas, Miss Virginia Wilson and Miss Dorothy Townsend.

Miss Virginia Dameron spent last week-end in Wilmington as the guest of Mrs. R. M. Shelladay.

Mr. Lewis A. Green of Baltimore spent last week-end in Newark with his mother, Mrs. Thomas Green.

Miss Elsie Wright has issued invitations to a Halloween party to be given Friday night, October 31.

Mrs. John Pedrick and Dr. Franklin Pedrick of Washington, D. C., are spending some time in Newark as the guests of Mr. and Mrs. H. E. Vinsinger.

Mrs. E. W. Fulling of Philadelphia and Miss Rowena Woods of Drexel Hill were week-end guests of Mrs. George L. Townsend.

Dr. and Mrs. Walter Hüllihen entertained Mr. and Mrs. Thomas Wilson, Dr. W. O. Syphard, Dr. George Brinton and Mr. H. Fletcher Brown of Wilmington at dinner Friday night of last week.

Mrs. A. S. Eastman will be hostess to the Tuesday Bridge Club at her home next week.

Mr. H. E. Vinsinger has returned from a business trip to Detroit.

Miss Elinor Townsend was the week-end guest of Mr. and Mrs. Charles A. Owens in Wilmington.

Raymond D. Chalmers, little son of Mr. and Mrs. David W. Chalmers, entertained a few of his little friends on Saturday in honor of his sixth birthday. Among the little folk present were: Betty Schaefer, Earl Moore, Lorraine Holland, Nelson Holland, Marjorie Rittenhouse. The afternoon was enjoyably spent playing games. Refreshments were served, with favors suggestive of the Halloween season being given each little guest. The decorations for the table were of a Halloween mode as well.

Mrs. N. W. Bryan will leave on Saturday for an extended visit with her niece, Mrs. W. S. Sharpe and Mr. Sharpe. Mrs. Sharpe was the former Miss Myra Funk of Newark.

Mr. and Mrs. John Miller had as their week-end guests Mr. and Mrs. John Haachook of Kingston, N. Y.

Mr. and Mrs. Orville Wenchell of Hallowayville, N. Y., and Miss Jennie Leonard of the same place.

Miss Helen Gregg, a student of Combs Conservatory of Music, spent the week-end with her parents, Mr. and Mrs. William S. Gregg.

Mr. and Mrs. C. C. Hubert motored to Philadelphia Sunday and were the guests of their son and Mrs. Floyd Hubert.

Miss Dorothy Hayes, of Delaware City, spent the week-end with Miss Elizabeth Eubanks.

Dr. Quasita C. Drake, professor of chemistry at the Women's College of the University of Delaware, was elected to office in the American University Women of the Pennsylvania-Delaware Division at the third biennial meeting in Wilkes-Barre, Pa., Saturday. Dr. Drake was made president of the division.

Mr. and Mrs. Charles V. McFarland, of Lumbrook, accompanied by Mrs. Sidney Galbraith and three children of Wilmington, spent several days last week visiting relatives at Tyrone and other places in Pennsylvania.

Mr. and Mrs. Pierce Whitcraft had as visitors on Sunday Mr. and Mrs. Ernest Whitcraft and daughter, Martha, of Glassboro, N. J., Mr. and Mrs. Ernest Hollingsworth and family of four, Mrs. Allison Palmer and son, Allison, and daughter, Gertrude, and Mrs. George Etsell, all of Philadelphia, Mr. and Mrs. Harry Hollingsworth and daughter, Frances, Mrs. Margaret Linton, Mrs. Emma Linton, Mrs. Annie Fisher, all of Wilmington.

Mr. and Mrs. Harry W. Davis, of

near Cooch's Bridge, entertained at the Blue Hen Tea Room Saturday evening ten guests in honor of their uncle, H. Cornelius Davis, the occasion being his eighty-fifth birthday anniversary. Mr. and Mrs. Davis had the following guests over the week-end: Mrs. Anna Heacock and Mrs. Emma T. Taylor, of Philadelphia, R. E. Watts, of Pottsville, Pa., and J. Harvel Gravell, of Elkins Court, Pa.

Major and Mrs. William Ray Baldwin entertained at a buffet luncheon on Sunday, October 19th, at their old home, Elk Forge Farm, in Elk Mills, following the christening of their daughter Betty Baldwin by the Rev. R. B. Matthews, of St. Thomas Church, Newark. The Godmothers were Mrs. Paul Tappan of Haverford, Pa., and Mrs. Thomas T. Bowe of Hackensack, N. J., and the Godfather Mr. Charles P. Blinn of Philadelphia. Among the guests were Mrs. Paul Tappan and Mr. and Mrs. Albert B. Mills of Haverford, Pa., Mrs. John de Baat Dolman and Miss Eloise Young of Grand Rapids, Mich., Dr. and Mrs. Seth Brumm and Mr. and Mrs. J. G. Perkins of Chestnut Hill, Pa., Mr. and Mrs. William McCrae, Mr. Alfred McCrae, Mr. and Mrs. Francis Donaldson of Wayneswood, Pa., Mrs. Ruth Guilmette of Pearl Harbor, Hawaii, Mr. Charles Blinn of Ardmore, Pa., Lieut. and Mrs. Lorrimer Graham, Dr. and Mrs. C. C. Kress of Merion, Pa., and Dr. and Mrs. R. B. Matthews of Newark.

WEDDINGS

WAKELAND-MALCOLM

In the Newark Presbyterian Church at 8 o'clock Saturday morning the wedding of Miss Hazel Malcolm, daughter of Mr. and Mrs. Mark P. Malcolm, of Newark, and Alvin Wakeland, of Newark, son of Mr. and Mrs. Benjamin Wakeland, was solemnized by the Rev. H. Everett Hallman officiating. The bride's only attendant was her sister, Miss Blanche Malcolm, and Lyman Byam was best man. Mrs. Wakeland was graduated from the Women's College of the University of Delaware in the class of 1928 and at present is assistant librarian at the University Library. The bridegroom was also graduated from the University of Delaware in the class of 1927 and is a teacher of Latin in the Kennett Square High School.

MANY NEW NAMES ARE REGISTERED

(Continued from Page 1.)

The Ninth Ward reported the heaviest registration of the city.

Present political speculations concern the number of names that will be stricken from the lists. Both the Republican and the Democratic parties agree that a number of names registered must be erased. Former Judge M. Morris, in behalf of a non-partisan check-up instigated by Mr. Biggs, will appear before Resident Judge Herbert L. Rice with a list of 5,000 names for consideration.

A check-up by leaders of the Republican party reveals a list of about 1,000 names which they claim do not belong on the voting lists.

A large number of appeals are expected to be heard in both Kent and Sussex counties. These appeals will be heard by the court at Dover and Georgetown on Tuesday, October 23.

Former Judge Morris, commenting on the names to be stricken from the lists said that he was interested solely in erasing from the list names that did not belong there.

He said that he was interested in insuring an honest election and then added, "If I were not interested, I would be neglecting my duty."

Mr. Morris' associates in the investigation will be Mr. Biggs, James H. Hughes, Jr., William T. Lynam, Jr., John B. Jester, E. E. Berl and W. W. Knowles.

The Republican appeals, consisting of 1,000 names, will be presented by Frank L. Spelman, Harry F. Joslyn and David J. Rhinehardt, Jr.

BARACA CLASS TO HAVE SPECIAL PROGRAMS

The Baraca Class of the Presbyterian Church will have a special meeting this Sunday morning at 9.45 o'clock, at which time William Shellenberger will address the class. Special music will also be provided for the meeting, and the meeting is expected to be one of the best of the season.

On Thursday evening, October 30, "Three Gun" Wilson, Prohibition Administrator for the District of Delaware, will speak to the members of the class and their guests following a banquet in the church, which will be held at 6.30 o'clock. Mr. Wilson is recognized as one of the outstanding men in his line of work in the country, and his talk will be of interest to everyone. The public is invited to attend the banquet and to hear Mr. Wilson. Reservations for the banquet must be made with Dr. Harold T. Tiffany.

EBENEZER SUPPER

The ladies of Ebenezer M. E. Church will hold a chicken supper in the basement of the church, Thursday evening, October 30. First tables will be ready at 5.30 p. m.

THE SCHOOL AUDITORIUM AS A MUNICIPAL THEATRE

The appearance of the Shakespeare Players at Mitchell Hall, Newark, on Tuesday, October 23, gives rise to some interesting speculations as to the place that the local school auditorium may soon be called upon to assume in the cultural life of towns and cities away from the metropolitan centers.

In a day not far past many road theatrical companies traversed the highways and byways of America but in more recent years the trouping dramatic company is almost a thing of the past. This is due to no single cause but rather to a combination of circumstances such as the increased cost of railroad transportation, the competition of the moving picture, the unwillingness of actors to leave the more comfortable conditions of the long run engagements in the big cities, etc. This has made it unprofitable for the local theatre manager to keep his theatre open for only an occasional road attraction and he is therefore from necessity rather than choice obliged to book the steady program of the film distributors. Therefore, when an itinerant touring company such as the Shakespeare Players comes to town the school auditorium is the only place open to them. This is logical enough, however, as more and more the school auditoriums are being utilized as cultural centres of the community. For the past two years E. H. Sothern, classical actor of yesteryear, has been lecturing in all parts of the country and the principal burden of his theme has been a plea for endowed and municipal theatres. This is nearer to a realization perhaps than Mr. Sothern realizes if one considers that every town of but a few hundred population has its school auditorium, oftentimes very fine ones, and surpassing in most cases the town opera houses of an older day. It is only necessary that the public become accustomed to looking to these centres for the more serious part of its entertainment and at the same time there will be required a consecration of purpose and a willingness to undergo the rigors of trouping on the part of those more serious minded young artists in the dramatic field who have not listened to the call of Hollywood.

What the Shakespeare players are doing in this direction is evidenced by the fact that last season they carried the plays into twenty-two states, and the large audiences that were the rule show that there is still a place for the better things of the theatre. The local authorities are doing a far-seeing service in throwing open the school auditorium to the visiting players, for above all others the plays of Shakespeare should be seen acted as well as read.

SUPPORT OUR TEAMS!

By Miss Eleanor Doordan, Newark High School

Although the playing of our High School teams in both football and hockey is rather spirited this year there seems to be something lacking. What is this?

It is our support of these teams. If you have ever played in any athletic contest you know that it takes more than a well-trained team to win. You will realize just how great the crowd on the girls hockey team.

There is a league game on Saturday afternoon at 2.30 o'clock our football team meets Wesley College Institute on our field. The games on Tuesday and Thursday will also be played on the High School field and will start promptly at 3.30. Let's show these girls and boys that we really do care whether or not they win by being present at the game and giving them our whole hearted cooperation.

Our boys and girls may keep training rules and may report for practice every night but these factors do not mean that they will win their games. They cannot win without the help of their schoolmates and the citizens of Newark. It is encouraging to have a

crowd on the sidelines cheering for you whether you are winning or losing. The game depends on you and me as well as on the team.

There is another angle to the question. Our boys cannot play football without uniforms and footballs, and our girls cannot play hockey without hockey sticks. Whose duty is it to provide these necessities for them? It is yours and mine. The admission charged at high school games is very little and within the means of everyone. Therefore, we have no excuse for not giving our whole hearted support to our students.

During the present week the athletic schedule includes three games: On Tuesday our boys play the Ferris Industrial School boys in football. We are looking forward to quite an interesting game because the Ferris boys have a stronger eleven than ever before.

On Thursday our girls play the New Castle High School. Let's all of us be there to see it.

STATE RED MEN HOLD MEETING

(Continued from Page 1.)

the appointment of two important committees. The committees are:

State of the Order: W. H. Ferguson, of Wawaset Tribe, Wilmington, Stephen J. Furniss, of Indian Hill Tribe, Bethel; George H. Ottwell, of Rossakatum Tribe, of Laurel.

Necrology: Charles McIntire, of Cherokee Tribe, Wilmington; Theodore Buckalew, of Osage Tribe, Wilmington; William T. Jackson, of Wenona Tribe, Magnolia.

One of the features of the meeting today, Thursday, was the election of officers and the chief contest was for the position of Great Junior Sagamore. It is the custom of the order to advance its officers and the member who is elected to this position is in line to be advanced to Great Sachem. The candidates are William T. Jackson, of Magnolia, and Curtis W. Ellis, of Ellendale. No report of the election had been received at the time The Post went to press.

A place for the next meeting will also be selected today, and Newark has already extended an invitation to the body to hold its meeting here.

The reports presented by the officers of the Great Council were considered in detail today and the recommendations made were acted upon.

In his final report Great Sachem Albert Stetser speaks of the value of personal contact and declares that the Great Sachem should keep in personal touch with the members of the order. He urges all of the members to take their part in the work of the order and speaks of the benefits of the class adoptions which have been held.

Reports from various officers show that the finances of the organization are in good condition and that the Fraternal Home at Newark is in good condition and doing a splendid work. The total membership of the order in the State is shown to be 3109. The membership of the Degree of Pochontas is given as 837.

COUNTY TREASURER'S REPORT

Walter S. Burris, county treasurer and receiver of taxes, reported to the Levy Court of New Castle county Tuesday the following balances to date: New Castle county, \$168,788.58; miscellaneous road account, \$508.12; Appoquinimink hundred, \$5,717.14; Blackbird, \$4,856.94; Brandywine, \$4,919.15; Christiana, Third district, \$26,085.30; Christiana, Seventh district, \$14,862.52; Mill Creek, \$4,309.62; New Castle, \$4,932.79; Pencader, \$2,925.45; Red Lion, \$2,017.88; St. Georges, \$1,752.46; White Clay Creek, \$4,615.53. Mr. Burris reported that a total of \$59,372.06 was received from tax collectors in New Castle county during the week ending October 18.

MAN, IN IRONS, ESCAPES SHIP

Sailor, Shackled, Frees Self and Jumps Into Delaware River

Squeezing out of heavy irons which had been clamped around his wrists and ankles and dropping from the port hole of a small compartment aboard ship, a sailor who was to have been turned over to Department of Justice authorities yesterday at Marcus Hook for attempting to murder a fellow-seaman, either was drowned in Delaware River or is hiding somewhere in the marshes along its shores.

The man is John Sesto, whose home is in Elizabeth, N. J. If he did succeed in swimming to shore after his sensational escape, authorities believe he will head toward that place.

He was placed in irons Sunday after firing three shots into Jose Hurtado, who worked beside him in the engine room of the tanker, Blue Sunoco, owned by the Sun Oil Company.

After shooting Hurtado, Sesto leaped into the sea in an attempt to commit suicide and battled rescuers for several minutes before he was overcome. Two sailors were pulled into the water from the rescue boat and were nearly drowned.

The tanker immediately headed toward land and Hurtado was sent ashore to Mace's Hospital, Wildwood, where he is in a serious condition. All three of the bullets passed near his heart.

Less than two hours before the tanker was scheduled to dock at Marcus Hook, officers inspected Sesto in the small compartment where he was confined and found the heavy irons still locked around him. A short time later the irons were found on the floor of the empty room and an open port indicated how the sailor had made his escape.

The officers were unable to explain how Sesto could have freed himself, as no one was allowed near his room.

7,805 ILLITERATES IN STATE, CENSUS REPORT SHOWS

Census Director W. M. Stewart announced this week the results of the tabulation of the 1930 census returns for Delaware relating to illiteracy and school attendance and placed the urban population of the State at 123,146, including 228 persons living on farms within the city limits.

The rural population, he said, amounted to 115,234, comprising 46,302 persons living on farms in rural territory and 68,932 persons not living on farms. Urban population formed 51.66 per cent of the total as compared with 54.16 in 1920. He attributed the increase in the rural percentage to the growth of suburban areas classified as rural.

The report said persons ten years of age and over unable to read and write in 1930 numbered 7,805, compared with 10,508 in 1920, showing a decrease in the percentage of illiteracy from 5.9 to 4 per cent. He added all classes of the population including foreign born whites and Negroes show considerably lower percentages of illiteracy in 1930 than in 1920.

The director placed the number of persons of five to 20 years old attending school in 1930 as 48,639 as compared with 563 in 1920.

MASS MEETING TO BE FRIDAY

Women's Group for Prohibition Reform to Hold Public Gathering

The first public meeting to be held in Delaware by the women who advocate the repeal of the Eighteenth Amendment as a means of restoring the original spirit of the Constitution, will be held at the Playhouse in Wilmington on Friday evening, October 24, at 8 p. m. Those who sponsor this meeting are some of the best known women in the State. The publicity which comes from their organization indicates that they believe sincerely that real temperance would be better served by returning to the states the sole power to determine by local option whether the State shall have Prohibition or some milder form of regulation. They ask that the people of Delaware hear their reasons for this belief, in order that they may consider without rancor or intolerance, the real effects of the policy of the adoption of National Prohibition.

The meeting on October 24 will be in charge of Mrs. Rowland G. Paynter of Georgetown, and the two principal speakers will be: Mrs. Carroll Miller of Pittsburgh, who has four sons and has gone into the work of bringing the real heart of the Prohibition matter before the public, out of concern for the future of her boys; and Miss Mary E. Ryder, who was chosen by the women's auxiliaries of all the trade unions in the State of Missouri, to represent their point of view in all public relations. Being so chosen she speaks with authority upon the beliefs and experiences of the workers of which she is one herself.

The Advisory Council of the Women's Organization for National Prohibition Reform is: Mrs. William C. Spruance, chairman. Mrs. Thomas F. Bayard, Mrs. James A. Draper, Jr., Miss Jeannette Eckman, Mrs. Macmillan Hoopes, Mrs. Preston Lea, Mrs. Charles M. Lewis, Miss Elizabeth Patterson, Mrs. Henry T. Beers, Mrs. Henry Ridgely, Mrs. Henry B. Thompson, Mrs. Rowland G. Paynter, Mrs. Henry Higgins and Mrs. Pierre S. du Pont, secretary.

HIGH AVERAGES IN U. OF D. GRADES

Seventy-six Students Make Honor Roll; Several Newark Students on List

Some significant facts are contained in a comprehensive report on the scholastic standing of students in Delaware College, University of Delaware, for the second term ending last June, in a report that has just been prepared by Dean George E. Dutton. It shows that 76 students had an average for the entire term of B, or better, and therefore were placed on the scholastic honor roll.

The average scholastic standing of the students from Delaware is shown to have been better than that of those students from outside the state, which is evidence that the standards of the Delaware high schools are improving

Mildred Hunt, contralto crooner of the National Broadcasting Company, who has been known to millions of listeners as "Radio's Sweetheart," since the early days of broadcasting, returned from a three months' tour of Europe on the S. S. Paris. Miss Hunt went to Europe to demonstrate the new "crooning" style of singing that won her fame in America. Each Wednesday during the month of October she will be heard at 8:30 p. m. over WJZ and an NBC network in the Fifth Avenue Knights program. "Radio's Sweetheart" is shown above as she appeared aboard the S. S. Paris.

and that students from these schools are coming to college better prepared than they have been in the past. Of the 76 students on the honor roll 60 were from Delaware schools and 16 from outside the state.

There were seven students in this group who had an average of A, the highest average possible and six of these came from Delaware schools. The seven were I. Berlin and D. H. Goodman from Wilmington; E. E. Cannon, Seaford; R. L. Harris, New Castle; F. Kelson, Wesley Collegiate Institute; F. R. Thoroughgood, Newark; and P. R. Howard, Catskill, N. Y.

Delmar High School had the best average of any school in the state. There were four students in Delaware from that school and three of them were on the honor roll. Other Delaware schools having students in the scholastic honor roll were: Wilmington 32, Wilmington Friends 3, Middletown 3, Smyrna 3, Georgetown, Laurel, New Castle, Salesianum and Seaford 2 each; du Pont, Lewes, Milford, Millsboro, Newark and Wesley Collegiate 1 each. Of the Delaware students 22 per cent were on the honor

roll, while but 20 per cent of the students from outside the state were on the roll.

The report shows that non-members of fraternities had a slightly better scholastic standing than those students who were members of fraternities. Only nine schools in the state having students in the college failed to have at least one on the honor roll.

IN MEMORIAM

October 21, 1930.

In loving memory of our dear daughter, Jessie E. Conner, who departed this life, October 21, 1922.

Oft and oft our thoughts do wander
To a grave not far away
Where they laid our darling Jessie,
Just eight years ago today.
Sadly missed by Mother and Daddy.

NYE PROBER STILL ON JOB

Investigator of Primaries Back in State for Check-up

United States Senator Gerald P. Nye and his campaign expenditures investigating committee are evidently not through yet with their probe in Delaware, as at least one of the investigators is still in this State.

Howard M. Rice of Hyattsville, Md., appointed by the Committee on Senatorial Campaign Expenditures, has returned to Wilmington, after having left for his home earlier in the month.

Senator Nye conducted a hearing in Wilmington Friday, October 10, having questioned witnesses in connection with the Democratic primary in this State.

Mr. Rice arrived in Wilmington again last week, and has been observed at local campaign headquarters. In response to inquiry he stated that he was still "fact-finding." It is assumed that he will continue his "fact-finding" until election day.

On his first trip, Mr. Rice spent five days in Delaware, and conferred with both Senatorial aspirants. He also attended the luncheon tendered to Vice-President Curtis, and was at the public mass meeting in Wilmington. When he left, Mr. Rice stated that he did not know whether he had finished his work here, or whether he would return. However, he refused to make any statements on the situation.

RESOLUTION PASSED

On Thursday of last week, the State Road Home Demonstration Club, in its regular monthly meeting, passed the following resolution to outlaw war:

Whereas War has a devastating influence on a country, laying waste the fields, gardens and woods, and

Whereas Many homes are razed, pauperizing the citizens, from which they never recover, and

Whereas The morale of the nation is greatly lowered and debased by war, and

Whereas Our sons, whom we raise to be good citizens, must partake in this base massacre;

OF D. SWAMPS GALLAUDET 38-0

Blue and Gold Machine Takes
Second Win Straight from
Mutes

The University of Delaware made two victories out of three games played Saturday afternoon on Frazer Field, Newark, defeating the Gallaudet 38 to 0. The Gus Zeigler Charley Rogers machine was impressive in the triumph, piling up a total of points bigger than any Blue and Gold eleven has been able to compile in a decade.

The game was replete with spectacular and dazzling plays. From a Delaware viewpoint, the game was one of the best to be witnessed for many a moon in the old college town. One could pick but few flaws in the play of the Blue and Gold machine. They hammered the opposing forwards with success; they ran the ball to good advantage and their defenses were effective.

To select a star of the game would be a great injustice to the other members of the University of Delaware team. Paul Hahn's running of the ball and passing proved a nice thing to look at; Allan Kemske's line plunging was a big asset, and "Boo" White was the "Mutes" to appear panicky when the defense, the Delaware men, were bears. They prevented the Gallaudet backs from making any gains, stopping them continually in their tracks, not to let them once in a threatening position. Every effort, every method of attack was started by the Delaware linemen. In many a time they tossed Gallaudet ball runners for telling losses.

Delaware scored six touchdowns in two points after touchdowns. The Blue and Gold was held to a lone tally in the first half, but Gallaudet was aided in the first two quarters by the crumpled in the second half. The first Delaware score came in the first quarter. Delaware worked a half to Gallaudet's 35-yard line. Line backs and forward passes, a fake skirted end for 15 yards and a slip through right tackle for 20-yard gain and a score.

Gallaudet cracked in the third quarter and Delaware scored four touchdowns. Coach Zeigler replaced by his varsity men. Gallaudet's defense was so weakened by the early play that they could not halt the drives of the reserves that were sent to the battle.

MILFORD CROSS ROADS
SCHOOL NOTES

Milford Cross Roads P.T. A. will have one hundred percent representation at the County P.T. A. Convention being held at the Bancroft Hotel, Wilmington, tomorrow morning, Saturday, October 25. Each delegation has been asked to send a delegate; the president, program chairman, and publicity chairman. Milford Cross Roads will be represented by Mrs. Leonard Nelson, Mrs. Anna Cameron and Mrs. W. W. Givoley.

Don't forget the October meeting of the P.T. A. next Wednesday evening, October 29, at 8 o'clock. As has been announced previously, the children will present an "Honest-to-goodness" Halloween program, and feel that you will enjoy the evening. There will be no admission charge. Home-made candy will be on sale for the who care to buy.

The children will have their annual Halloween party the last Friday of the month, October 31. All of the children and fathers are cordially invited to be present. Small prizes will be awarded for the best costumes in respective classes.

Moving Pictures
A real moving picture, "The County Way in Action," will be shown at the Milford Cross Roads School on the

Rudy Vallee, crooning orchestra leader of the National Broadcasting Company, is shown above in his most recent photograph. He is heard on the Fleischmann hour each week on Thursday evenings at 8:00 o'clock, and on Saturdays, at midnight, in a broadcast from the Villa Vallee.

evening of November 7. Come out on that date to see your own friends in the "movies." Miss Nellie Morton, County Librarian, will show the picture. No admission fee will be asked. The show will be absolutely free. Miss Morton wants the people of New Castle county to become more familiar with their own library.

Adult Education
The music course for adults at our school last year was a decided success. There were forty-eight enrolled.

All plans are being made to begin adult music again this year about the middle of November. Due notice will be given of the opening date. The people of Newark and all surrounding districts are invited to attend these free music classes.

Red Cross
Milford Cross Roads School has enrolled one hundred per cent again in the Junior Red Cross. The children are wearing their Red Cross buttons, and feel proud of their membership.

A box of canned fruits and vegetables is being packed to send to the children at the Delaware Colony, Stockley.

RED CROSS FIRST
AID EXTENDED TO
HIGHWAY ACCIDENTS

The American Red Cross first aid service this last year has broken all records in the number of certificates awarded to people completing its course, even including the record of the World War period. In 1917, the Red Cross issued 67,291 certificates, chiefly in training men for ambulance duty in the army and navy. This figure remained at the top until recently, when it was exceeded by a total of 74,437 certificates, which, in turn, represents a gain of more than 41 per cent over the preceding year.

This increase in interest is due chiefly to the large industries, which are using first aid in connection with their accident prevention programs. Employers have found that the man who knows what it means to have an artery severed, a bone broken, or metal splinters in the eye, keeps on guard against such injuries. Thus first aid makes a worker "accident conscious" besides enabling him to help a fellow employee injured in an accident.

During the last year, 79 persons were trained in Red Cross first aid in Delaware. This represents only those who completed their course, passed the tests and received their Red Cross certificates. Many more took a part of the instruction or attended demonstrations.

Further impetus has been given to Red Cross first aid in the plan recently developed in co-operation with the Red Cross chapters for emergency

treatment of the injured in motor accidents along the highways.

The latest available figures show that 31,000 persons were killed in motor accidents in 1929, while at least one million received injuries of varying degrees of seriousness. This total represents an increase of about 3,000 deaths over those reported in the preceding year.

The Red Cross has taken the leadership in dealing with highway accidents. This new service now being worked out does not in any way take the place of the medical aid given by physicians or by hospitals. It covers only the necessary emergency care before the doctor arrives.

First aid stations are being established at points where accidents are likely to occur. They are located in wayside stores, community centers, highway police stations and the like. Each station will contain a complete kit of first aid supplies and a telephone directory of doctors, nurses and ambulance services in the vicinity, as approved by the local medical society. Markers displaying the Red Cross symbol will indicate the station. Each station is to be in charge of one or more persons trained in Red Cross first aid methods. The services rendered to the injured are purely voluntary and made without charge.

In the last year there has been an increase in the number of Red Cross first aid students in municipal police and fire departments and in schools, colleges and certain types of clubs.

The annual roll call will be held from Armistice Day to Thanksgiving Day and it is hoped to make this a one hundred per cent membership in Delaware.

SCHOOL FOR DRY AGENTS
TO BE STARTED FRIDAY

As a part of the program of Colonel Amos W. W. Woodcock, prohibition administrator of the United States, to educate the prohibition agents of the country, classes will be started for the four Federal agents attached to the Delaware Prohibition enforcement unit under the direction of Harold D. Wilson, Friday.

Mr. Wilson will be assisted in this instruction work by Colonel F. R. Wilson, special investigator of the department, and by a lawyer from the Pittsburgh headquarters.

The two instructors to be sent here attended a school at the headquarters in Washington with specially selected men from the other prohibition enforcement districts. The agents will be given instruction in the law and in investigation by the two men. Mr. Wilson will also give a series of talks. The course will continue for two weeks. Whether half of the force will be given instruction while the others are in the field or whether they will all receive their instructions at once, Mr. Wilson has not yet determined.

Similar schools are being conducted all over the country. The classes are held in each judicial district separately so that the agents may devote their attentions to the peculiarities of each separate district in questions of law and investigation.

CECIL DEMOCRAT SOLD
TO FRED H. LEFFLER

The Cecil Democrat, the oldest newspaper published in Cecil county, having been established in Elkton in February, 1840, changed ownership Tuesday, when it was purchased by Fred H. Leffler, who for the past twenty-seven years has been connected with the paper.

Since the death of her husband, the late George R. Ash, State Auditor, some nineteen years ago, his widow, Mrs. Eloise W. Ash, has owned and published the paper. Her son, G. Reynolds Ash, has been editor of the publication for the past two years.

The paper under the new owner will be continued as a Democratic paper, and for the present will be continued on the same lines which it has been run for the past several years.

Legal Notice

NEWARK SCHOOL
NOTICE TO BIDDERS

Public notice is hereby given that the State School Building Commission for the Newark Special District, at 11 A. M. Friday, November 7, 1930, in the Supreme Court Room, State House, Dover, Del., will receive and open sealed proposals for furnishing labor and materials to erect and complete Alterations and Addition to school at Newark, Delaware, located in Newark, County of New Castle, State of Delaware.

The work for which bids or proposals are hereby invited will consist of a building constructed of brick, concrete and timber roof construction. The size of the addition is two stories, approximately 66 ft. long by 152 ft. deep.

Bids will be received for the erection complete of the building under three separate contracts.

1. For the general construction, which includes all masonry, carpentry, steel and iron, roofing, painting and all work kindred thereto.

2. For plumbing, heating and ventilating and all work kindred thereto.

3. For electric work.
The State School Building Commission for the Newark Special District reserves the right to reject any or all proposals and to waive informalities at their discretion. All bids shall hold good for 30 days after formal opening of same.

All bids must be in sealed envelopes, endorsed "Proposal for Addition and Alterations to School at Newark, Del." for (naming branch of work covered by bid) with the name of the bidder, addressed to the State School Building Commission for the Newark Special District, care of Dr. H. V. Holloway, State Dept. of Public Instruction, Dover, Del.

No bid will be considered unless accompanied by a certified check to the order of the State School Building Commission for the Newark Special District, to the amount of 5 per cent of the amount of the bid, binding the bidder to execute the contract if awarded him. The terms of the proposal with surety required are fixed by the specifications.

Copies of the plans, specifications and proposal forms will be on file in the offices of the Delaware School Foundation, Room 4115 du Pont Building, Wilmington, Delaware, for the purpose of examination and estimating.

There will be a limited number of copies of the plans and specifications which will be loaned to the prospective bidders on deposit of a check to the order of the Delaware School Foundation in the amount of \$25. If plans and specifications are returned the check will be returned, but should the plans and specifications be not returned, the deposit may become forfeited.

By order of
STATE SCHOOL BUILDING COMMISSION FOR THE NEWARK SPECIAL DISTRICT,
Edward L. Richards, Chairman.

LOCAL GOLFERS TRIUMPH 29-5

Win Tournament from Talbot Players in Closing Event of Season

The final golf tournament of the season was played at the Newark Country Club last Sunday afternoon, with the local players winning the event by a wide margin.

The tournament was between the Newark golfers and the members of the Talbot, Md., Country Club. Because of the wind, the men experienced some difficulty in placing their shots accurately, but at the end of the tournament, the Newark club-swingers were on the long end of a 29 to 5 scores.

The scores for the team match follow:

Talbot—E. D. Trippe, 2; S. Edgell, 0; W. Edgell, 1; W. H. Hopkins, 0; L. M. Goodwin, 0; J. Watson, Sr., 1; J. Watson, Jr., 0; B. Shannahan, 0; Dr. Coble, 1; W. Lednum, 0; J. Shook, 0; L. C. Hammond, 0. Totals, 5.

Newark—Charles Pié, 1; P. F. Pié, Jr., 3; F. C. Houghton, 1; C. H. Hopkins, 3; P. B. Myers, 3; C. O. Houghton, 2; E. C. Post, 3; W. O. Shepherd, 3; G. W. Rhodes, 2; B. H. Mackey, 3; R. L. Cooch, 2; A. J. Strikol, 3. Totals, 29.

On Saturday H. F. Mote won first prize in the one club tournament with a net score of 83. His gross was 99 and handicap 16. Dr. A. J. Strikol, with a net score of 86 got second prize. His gross was 105 and handicap 19.

Lodge Notes

MINEOLA COUNCIL, D. OF P.

On October 1, Tippecanoe Council, No. 283, of Coatesville, Pa., installed the Chiefs of Mineola Council No. 17 to their respective stations. They were as follows:

Prophetess, Lillian Messick; Pocahontas, Olivia Houghton; Winona, Evelyn Houghton; Powhatan, Mary Greenplate; First Warrior, Melissa Elissner; Second Warrior, Stella Ely; Third Warrior, May Morgan; Fourth Warrior, George Palmer; First Scout, Amanda Astle; Second Scout, Laura Mearns; First Councilor, Florence Haytor; First Runner, Helen Atkinson; Second Runner, Mary Van Del Hoven; Guard of Wigwam, Eva Spraggell; Guard of Forest, Nettie Connor.

On October 6 Deputy Viola Ewing and her staff of officers of Mineola Council trailed to Corner Ketch and installed the chiefs of Leola Council No. 16. On October 8 they trailed to Coatesville, Pa., and installed the chiefs of Tippecanoe Council, No. 283, and on October 10 they trailed to Bear Station and installed the chiefs of Yonah Council No. 15.

As Mrs. Ewing's deputyship expires October 31, she was presented with a beautiful gift from each Council.

A. O. U. W.

Anchor Lodge, No. 4, A. O. U. W., held a very enjoyable Halloween party Tuesday evening, in the Red Men's room at Fraternal hall. Among those present was the ghost of "John Smith," and all were given a chance to examine his "remains," in the dark. Refreshments consisting of cider and gingerbread were served.

JR. O. O. U. W.

Last Friday evening the Children's Branch of the A. O. U. W. held a very spirited election, and a new corps of officers was selected. They will take their chairs after the installation ceremonies, which will take place later.

Miss Elizabeth Lindell and Miss Edith Jackson, supervisors of the Junior A. O. U. W. request that all names of those who intend to go to Wilmington be reported at the meeting tomorrow evening. The trip to Wilmington will be made by special bus next Thursday evening, October 30, to attend a Halloween party being given by the Junior A. O. U. W. of Wilmington, at A. O. U. W. Hall, 900 Washington street. It is requested that all the Newark children mask.

JR. O. U. A. M.

The American Flag Council No. 28, Jr. O. U. A. M. convened promptly at 7:30 p. m. Monday evening under the guidance of Councilor Cowden. Cool weather makes a large increase in the attendance of the brothers. Depression is noted on the outline, but spirit of rivalry is noted on the inside. Brother Goldy was unable to be with us owing to an injury lately received. He will bring his message at a later date.

Brother Lewis, chairman of the ball team, announces that next Monday evening we will meet the Men's ball team of the M. E. Church. We hope to line all organizations for a challenge. Brother Shorty Duhadway is anxious to challenge any brother to a pie eating contest. He will furnish all pies.

The Council visited the Pride of Delaware Council last Thursday, Eureka on Tuesday and Welcome on Wednesday. A large number of brothers enjoyed these trips.

On next Wednesday a large number will enjoy a banquet at Harrington.

Next Monday night special features will be on the program.

BEWARE OF THE RABBIT THAT INVITES YOU TO SHOOT HIM

Don't shoot a rabbit that sits and waits for you; better to miss those that run away and come home empty-handed than kill a sick rabbit.

That is the warning to hunters from Dr. Lloyd Arnold, of the University of Illinois College of Medicine.

Every rabbit is a potential carrier of "rabbit fever," scientifically called tularemia, and every person handling a dead rabbit is a potential recipient of the dreaded disease, says Dr. Arnold. He advised those handling infected or suspicious carcasses to wear rubber gloves.

"If the rabbit sits and waits for you to shoot him, he's sick," declares Dr. Arnold. "A healthy rabbit will run away. If you miss him it's too bad—but better than taking home a sick one."

Tularemia is seldom fatal. Symptoms of the disease are headache, chills, body pains, fever and sometimes vomiting spells, coming from two to five days after dressing a wild rabbit. There usually is a painful swollen area on the finger or thumb. The fever may reach 104 degrees and last for 10 days or two weeks, after which it comes and goes in an irregular manner. These spells of fever may last for a year or longer.

"One way to avoid the disease," Dr. Arnold declares, "is to avoid contact with infected rabbits, infected wood ticks and the contaminated horse fly."

ORCHESTRA TO PLAY AT MEET

All-State Group to Give Concert at Educators' Convention, November 14

One of the features of the annual convention of the Delaware State Education Association, which will be held in Newark on November 13 and 14, will be a concert by an orchestra made up of members of school orchestras from all schools in the state. This orchestra will be composed of 65 or 70 pieces.

School orchestras all over the state are being combed for talent for the All-State Orchestra, as the organization will be known. Practices are being held, and the names of outstanding players in each orchestra are being sent in to Mr. Harold E. Barker, secretary of the association, who is also in charge of the formation of the orchestra. John W. MacFadden, of Dover, will be the director and leader of the orchestra.

A rehearsal of the entire group selected throughout the state will be held in Dover on Tuesday, November 11, and a final practice will be held in Mitchell Hall at 10 o'clock Friday morning, November 14. The orchestra is to play at the afternoon session of the convention on that day.

SCOUTS MAKE ADVANCEMENT

The fall Court of Honor of the Wilmington Council B. S. A. was held Wednesday, October 22nd. The Scouts of Newark Troop No. 55 were, as usual, the recipients of a considerable number of Merit Badges and advancements in rank. The following Scouts received one or more Merit Badges: Wm. Day, Harry Wilson, Jack Geist, Kent Preston, Eugene White, and Vernon West.

Second class rank was conferred upon Alex Cobb, Jr., Ernest Smith, Charles Gibb, John Slack, and Eugene Smith. Kent Preston and Harry Wilson attained Star Scout rank.

The Scouts are in need of a few straight backed chairs for completing the equipment of their room in the Academy Building. Anyone having chairs that have fallen into disuse would confer a favor upon the Scouts by contributing them for use by the troop. If there are any such chairs in existence the owners may notify Mr. A. E. Tomhave or Mr. T. A. Baker and arrangements will be made for Scouts to call for them.

NEWPORT P-T. A.

Miss Elizabeth H. Mensch, Assistant to State President Ennis, spoke at the meeting of the Newport Parent-Teacher Association, October 14th, on the origin of the Congress of Mothers, now the National Congress of Parents and Teachers. The following officers were elected: President, Mrs. Irene Knotts; vice-president, Mrs. Georgiana Thompson; secretary, Mrs. Ruffian; treasurer, H. Knotts.

NEWARK TAKES FERRIS IN CAMP

Edmandson Runs Back Opening Kick-Off 80 Yards for Touchdown

Newark High School football team continued its victorious march Tuesday by winning from Ferris Industrial School 28 to 0. The thrill of the game came with the first play. Ferris kicked off. Shorty Edmandson, a Newark back, caught the kick on his 20-yard line and ran through the entire Ferris team eighty yards for a touchdown.

The visitors held Newark to a 7 to 0 score in the first half. The local boys did not seem able to get started but opened up in the second half and scored three more touchdowns. Robinson, Barrow and Edmandson taking the ball over. Newark scored the extra point after each touchdown on runs around the ends.

This makes four victories without a defeat for Newark. One of the Ferris school players was put out of the game in the first half when he took a punch at Ford, center of the local team.

Several of the varsity men were not out Tuesday. Coach Gillespie gave all the varsity and also most of the scrub players a chance during the game. Newark will play Wesley College Institute here Saturday afternoon.

ORGAN RECITAL THRILLS CROWD

Swinnen Delights Audience in Second of Concert Series in Mitchell Hall

The second recital given by Firmin Swinnen in Mitchell Hall last Monday night attracted even a larger audience than the first one. A large number of people from Wilmington and other sections were present for the recital, and the applause that greeted Mr. Swinnen at the conclusion of each number adequately expressed the appreciation of the audience.

These organ recitals are held each Monday evening in Mitchell Hall, and are played on the splendid organ donated by Mr. Pierre S. du Pont. The recitals are free and are open to the public.

The program of the third recital, which will be held next Monday night at 6:45 o'clock, is as follows:

1. Finlandia—J. Sibelius
2. Liebesfreud—F. Kreisler
3. The Unfinished Symphony—F. Schubert
4. Humoresque—A. Dvorak
5. Scheherazade—Rimski-Korsakov
6. May Night—S. Palmgren
7. Marche Heroique—C. Saint-Saens

COMPANY E TO GIVE DANCE AT ELKTON

Al Hollander and His Greater Band will appear in the Elkton Armory Friday evening, October 31, for the Halloween Frolic of the Company E Club which will last from nine until one o'clock and will be informal.

Last year, Al Hollander, fresh from a successful winter season in Florida, furnished the music for the St. Patrick's dance with a band composed of nine pieces. This year's organization comprises eleven men, with the number of instruments greatly increased by the ability of several of the musicians to "double" on several other pieces.

Hollander's success this season has been even more marked than last year. During the past summer he performed at Sunset Park, Pa., on the engagement just prior to that on which Rudy Vallee and His Connecticut Yankees appeared at the resort. He opened the dances at the University of Delaware Saturday of last week and has several other engagements pending in this territory.

Included in the members of the

band are several singers with excellent voices who fit into Hollander's scheme particularly well, especially in the various novelty numbers for which this orchestra is noted.

Decorations will be in a Halloween mode both as to color and arrangement, although their exact nature will not be disclosed until next week when final arrangements for the Halloween Frolic are completed.

DAIRY MAIDS MEET

The seventh annual convention of Dairy Maids opened at Carlisle, Pa., October 14. The Dairy Maids is a side order of the Degree of Pocahontas, the ladies' auxiliary of the Independent Order of Red Men.

Delegates were present from Maryland, Delaware, New Jersey, New York, Rhode Island, Maine and Georgia, under the chairmanship of Mrs. Viola Snoddy, of Harrisburg, Chief Dairy Maid.

Members were addressed by Dr. George I. Chadwick, of the Carlisle Chamber of Commerce, and responded to by Mrs. Bertha Locke, Organizer, of Philadelphia.

Mineola Craft No. 17 of Newark

was represented by Mrs. Lillian Messick and Mrs. Frank Palmer. The 1931 session of the organization will be held the third week of October in Lebanon, Pa.

CHRISTIAN ENDEAVOR NEWS

On October 17th, the second annual Wilmington-New Castle County Christian Endeavor banquet was held in the Elmsmere Community Hall. The largeness of the meeting stood out in marked contrast to the sooting weather of falling rain. Doctor Hipchen, the speaker of the evening, gave an able talk on prohibition. Unforeseen complications reduced the number of Newark representatives to one, Mr. Van S. Jackson.

Although the thirty-ninth annual Christian Endeavor State Convention opens in Milford on Thursday, October 23rd, Newark will be unrepresented until Friday afternoon or evening. At this time, and later, Newark will have the following delegates present: The Misses Mae Malcom, Ann Chalmers, Blanche Malcom; the Messrs. Kent Preston, Jr., Colbert Wood, Van S. Jackson. Because of this convention, Newark will omit its usual Sunday evening meeting.

COMING—Nov. 5 and 6: Al Jolson in "Big Boy"

AUTOMATIC GAS HEATING

YOUR home deserves the comfort and convenience of a heating plant that banishes furnace drudgery and lightens the task of housekeeping. No other fuel can bring you such complete freedom from winter heating cares; no other fuel is so clean, so noiseless or can give you such utterly carefree winter warmth. With gas heating your "furnace tending" is limited to scarcely more than the weekly winding of an 8-day clock. It is as reliable as the water supply from your kitchen and bathroom faucets and it requires no fuel deliveries, no fuel storage space of any kind. And the greater comfort and convenience of gas heating is well within the means of most home owners. A 'phone call will bring you an accurate estimate of the cost of this modern heating service for your home—without the slightest obligation, of course.
