Big May Frolic Features Lawrence's Top-Notch Band

Despite the pasting that Dr. Gallup took in a well known election, the public is again becoming poli-conscious. Politicians, manufacturers and retailers all use polls to keep them advised of the current trends.

Music too has been using polls to great advantage. Billboard, a leading trade magazine, has found Elliot Lawrence number one in both the Campus Poll and Disc Jockey Poll. The results of the Campus Poll are abetted by the more than 300 proms that the Lawrence orchestra has played in less than four years. The Disc Jockey Poll showed that the nation's radio men voted Lawrence their top choice for new honors. Here again, the pollsters had a point, for the Columbia Records sales charts showed that Elliot's records had far outsold those of any other young name band.

Other publications did not bother to take polls. Look Magazine named Lawrence as the "Band Of The Year" and Orchestra World made a similar award. The Palladium in Hollywood and the Meadowbrook in New Jersey, the two top dance halls, have Elliot Lawrence to thank for helping them through the "bad music" era.

Elliot Lawrence was born in Philadelphia just 25 years ago. His parents were both connected with show business, being script writers. They were amazed when young Elliot sat down and played recognizable tunes at the age of two. By the time he was four, he toured theaters with the Children's Hour, a well known radio show of the depression era.

To add a local touch, it was in a theater in Wilmington, Delaware, (Cont. on page six)

A. Y. R. Plays Host To Politicians

The University of Delaware Chapter of the Active Young Republicans will hold their first annual Spring Banquet on Tuesday, May 9, at 7 p.m., in the New Century Club, Newark, Delaware.

At this time, the University group will be host to many distinguished notables of American political life. The Honorable John J. Williams, United States Senator from Delaware, will be the main speaker for the evening. Other speakers and honored guests are: the Honorable J. Caleb Boggs, United States Representative from Delaware; the Honorable James F. Hearn, Mayor of Wilmington; the Honorable Walter W. Bacon, former Governor of Delaware; and Charles R. Richey, Executive Secretary of the Republican National Federation.

John R. Symonds, Jr., president of the University organization, will act as toastmaster for the festivities. Mr. Symonds has appointed W. H. Matthews and A. W. Armstrong co-chairmen for the affair.

The group is honored to be host to such a galaxy of personalities. A large gathering is expected coming from all parts of Delaware, so please make arrangements to attend early. Everyone is welcome.

Student tickets are \$2.00 per and all others are \$3.00 apiece. They may be obtained by contacting Jack Symonds, Bob Hopkins, Bill Matthews, or H. Clark Mac Wright at Newark 2986. For your convenience, anyone may write to L. R. Hopkins, Box 603, University Mail, and the AYR will get in touch with you.

ROTC

Thirty-eight advanced ROTC cadets will attend a six weeks practical and intensive course in anti-aircraft artillery to be held at Fort George Meade, Maryland, this summer. The course will begin June 17 and end July 29.

Cadets who attend this summer will be eligible for a commission as second lieutenants in the Officers Reserve Corps and will be considered for Regular Army commission upon graduation.

Inter-Frat Playbill Title Goes to KA; Sussex Dorm Wins

In the first Inter-Dorm Playbill and Songfest to be held at Delaware, Sussex Hall received the President's cup at Mitchell Hall on May 1. Kappa Alpha was awarded the trophy in the annual Inter-Fraternity contest held at Mitchell Hall the nights of May 2 and 3.

Sussex presented "Gratitude," a play by George Savage, Jr., and a songfest built around a hobo theme. The New Castle girls received honorable mention for "their spirited finale" . . . a medley of fraternity songs. Warner Hall was mentioned for its "fine dramatic performance" in putting on "Just Women" by C. C. Clements while Hanover Hall received praise for its "originality and teamwork" in presenting a musical show, "Way Back When," written by Joanne Kowalski.

Kappa Alpha received the trophy for their play, "Minnie Field" by E. P. Conkle and for their minstrel show. Theta Chi tied with the K. A.'s, but were disqualified for running over the allotted 40 minutes. Alpha Tau Omega was judged "tops in music" while Delta Tau Delta was commended for presenting the "best drama."

Dean Rextrew presented to the winning dorm a cup donated by former president Carlson with the judges recommendation that the Inter-Dorm Playbill and Songfest be continued in future years.

Hugh Dougherty, former president of the Inter-Fraternity Council, awarded the K. A.'s their trophy.

Emil Lewis, president of Pi Kappa Alpha, and Barbara Gordy, Chairman of the Women's Affairs Committee, were in charge of the playbills and songfests.

New Research Labs Being Added

Two new research laboratories are being constructed on the third floor of the Chemistry Laboratory. The project is expected to reach completion about the middle of May. The money for this expansion was obtained from University funds and from gifts from three of Wilmington's leading chemical companies. The total cost of the program is \$35,000; \$15,000 for construction and the balance for furniture and fittings.

The two new labs located on the Northwest and Southwest corners of the building will be fitted for advance research work. This new space will accommodate twenty students, ten in each lab.

Previously, there were no student accommodations on the third floor of this building. The construction of these labs involved the enlargement of the windows in the North and South ends of the building. On the south end it was necessary to put in a new staircase for safety measures. This provides two exits from each lab. Because the rooms would become very hot in the summer, an air conditioning unit is being installed.

No remodeling is planned for the larger central portion of the upper floor. Such an expansion program was considered impractical to undertake because of the expense involved.

Student Vote Names Talucci President, Diess Vice-President, In S G A Election

SAM TALUCCI

LOIS DEISS

Sam Talucci will head the 1950-51 Student Government Association.

Announcement that the fraternity-backed candidate had defeated Dick Tikiob, Independents' nominee, was made by retiring SGA president Wray Husbeck after counting of the 950-odd ballots. Husbeck commented:

"I am sure that the SGA next year will be a very competent body and will do much to further the best interests of the student."

Meanwhile, SGA adviser Harold W. Chase disclosed that a re-vote will be required for the office of chairman of women's affairs. The candidates are Alice Jean Brandon, Jane Kitchen, and Jill Meyers.

Re-Vote on May 11

"A certain discrepancy arose with regard to the voting," said Mr. Chase. "It was not made entirely clear who should and who should not vote for the office of women's affairs chairman. The new election will be held on Thursday, May 11."

Other top SGA officers went to Lois Deiss, as vice-president; Joan McCain, as secretary; and Vic Belinger, as treasurer. Class presidents named are: Seniors, Arthur Diver; Juniors, Joe Lank; sophomores, Devereaux McCarthy.

Football Manager

The student body's new president is a 21-year-old Newarker who has managed the football team the past two seasons. A Sigma Nu, he is also a member of the Gold Key Society, and served in SGA as representative from the School of Agriculture.

Lois Deiss, the vice-president, will succeed Jane Raymond. The new veep is from Lansdowne, and in the last year has been SGA secretary. Active in numerous campus affairs, she is on the student economic services committee, the organizations and scheduling committee, and is assistant head wait-

(Cont. on page two)

Three Gala Events Crown May Fete

Saturday, May 13, will be a memorable day for all the alumni-ae of the University of Delaware. There will be three events of interest and importance on campus; the Spring Reunion of the University Alumni Association, the annual May Day Festival, and the Middle Atlantic States Conference Track and Field Championship. The three events are listed separately, but may well be considered as one event.

Most of us know about the colorful and festive May Day frolic, and the majority of us have thrilled to the highly competitive Track and Field Meet, but few are aware of the significance of the annual Alumni Reunion. Our Alumni are still very much a part of the Blue and Gold Campus.

Division of Alumni Association

The Alumni Association is divided into two groups: the Alumni and the Alumnae. This arrangement dates back to the time previous to 1940, when the University was composed of two colleges—the Men's College and the Women's College. Since the Association is divided into two units, there are two separate reunions. The women have traditionally held their reunion on the day of the May Day Festival, and have taken an active part in the annual festivities. The men haven't observed a customary date in the past, but last year they decided to hold their reunion on the same day, and they will continue the custom this year.

Different Schedules Observed

Although the reunions are being held on the same date this year, two different schedules are being (Cont. on page three)

Radiation Physics To Be Taught

Radiation Physics, the first course of its kind to be taught in any American college or University, will be offered here this summer. The course is to train a select group of Delawareans in the basic principles of radioactivity and the hazards involved in handling radioactive materials.

The course is particularly set up for science teachers, hospital laboratory technicians, industrial research personnel, and interested science students at the University, graduate, or under-graduate. Anyone who wishes to enroll for the course should have had at least one year in general physics. It is to be offered in the second term of summer school, under the instruction of Dr. Vincent E. Parker, chairman of the physics department here.

"It will include the interactions of radiation with matter," Dr. Parker said, "and will include a treatment of biological effects of radiations and the necessary precautions to prevent radiation hazards to health." Dr. Parker described the course as being important for the protection of the citizens of the state in the event of any atomic warfare. Hospital and laboratory technicians who work with X-rays and radioactive isotopes can become familiar with the precautions suggested in the handling of those materials.

Review Keys Given At Annual Banquet

Review keys will be awarded to deserving staff members, it was announced at the Review banquet held on May 2 in the Green Room of Old College. The members of the Review staff who were present at the banquet heard Mr. Stanley Ross of the Sunday Star speak on newspaper work.

Review keys are awarded for four terms work on the paper. Those who are to receive them are, Elizabeth Regina Kinder, Don Miller, Sue Conway, Fred Hartmann, Arlene McGee, Molly Bechtel, Bill Vanneman, Bob Herold, G. Corrin, Hal Bauer, Libby Houston, Dick Tyler, Don Kiddoo, Eleanor Brown, Jane Hoch, Carla Glaeser, Alice Gorney, Lois Deiss, Bill Norton, and Joe Yucht.

Friends Fellowship

At the April 25 meeting of the Friends Fellowship, the following officers were appointed for the next school year: Chairman, Don Van Sant; Assistant Chairman, Dick Mattis; Secretary and Treasurer, Ruth Webb; Representative to the University Religious Council, Barbara Battin.

Queen Ann Leads Annual May Court

Queen Ann Kuhn, selected by the students as their "Queen of the May," will share the spotlight with Elliot Lawrence and his Orchestra on May 13. Intricate arrangements are being prepared by Libby Houston for the annual "May Court Figure." Participating in the "Figure" are Queen Ann, her Court, and their "Kings" for the evening.

Another bright spot that evening will be the elaborate decorations being taken care of by co-chairmen Edie Branin and Joan McCain. Edie and Joan lead a committee composed entirely of girls. The University girls are again taking the lead in making the May Dance one of the University's top social events of the year.

The May Court is one the students can be very proud of. Queen Ann will have as her Maids of Honor, Rosalie Schaeffer and Mary Agnes McCarville. The Senior Class will have Jean Hemphill, Peggy Brosius, and Mary Elizabeth Pettit as their representatives. Duchess Diane Kipp, of the Junior Class, has Mary Lou Bowen and Mary Coleman as her attendants. The Sophomore Class sends Duchess Marjorie Brennan, Nancy Klusman, and Alice Martin. Duchess Barbara Martin, Jane Mustard, and Anita Irion, the Freshman representatives, finish off the lovely contingent.

Celebrate our last and biggest dance with Elliot Lawrence, Ann Kuhn, and the gorgeous May Court. The dance will be from 8 to 12. Saturday, May 13, in the Carpenter Field House. Tickets will be on sale Monday in front of the SGA Room at \$3.00 per couple. Tickets at the door the night of the dance will cost \$4.00. The dance will be semi-formal.

New Chem. Annex Plans Drawn Up

A new Chemical Annex is to be constructed as a back wing of the Chemistry Hall. Extending eastward 130 feet from the building, it will contain a first, second floor and an attic.

The plans for the annex were begun during the war by Georgian Colonial architects in Philadelphia. A bequest from H. Fletcher Brown of \$400,000 will cover the cost of the new addition. The wing will house class rooms, office of the Chemical Engineering, some offices of the Chemistry Department, and laboratories.

The main laboratory to be included in the new section will be the Unit Op lab of the Engineering Department, with the remainder of laboratory space going to chemistry labs.

VIC BEIRIGER

(Cont. from page one)
ress at Kent Hall. On The Review she is a member of the copy and headline staff.

Other candidates for vice-president were Barbara Bowers and Diane Kipp.

Handling the check-book for the Talucci regime will be Vic Beiriger, who succeeds Joe Bradley. He was elected over John Koch and Don Magnus. Vic, a former paratrooper, is Intramural Council president, a Sigma Nu, and is on the baseball team.

Joan McCain, who had three opponents, was graduated from Northfield School and is an Elementary Education student. Others seeking the secretaryship were Ann Smith, Nancy Nicoll, and Jean Wallis.

Christfield Men's Chairman

Other SGA officers will be: Chairman of men's affairs, John Christfield (unopposed); social chairman, Dick Wells (over George Bradley); senior class representative, Robert X. Miller (over Esther Walls); junior representative, Elbert Chance, (unopposed); sophomore representative, William Nicoll (over Shirley King); School of Education representative, Joyce Hilty (over Joe Miller); Agriculture representative, Fred Kelleher (over Boyd Cook);

JOAN MCCAIN

Engineering representative, William Grootzinger (unopposed); Home Economics representative, Marty Forsyth, (over Nancy Smith); Arts and Science representatives, Courtney Cummings and Richard Diver (over Barbara Gordy).

Class Officers

In addition to the class presidents, the class officers named were:

Seniors: vice-president, Doris Goodley (over Jeanne Potts and Jeanne DiSabatino); treasurer, Ernest Dickens (over Patricia Reybold); secretary, Ruth Durstein (over Kitty Baylis and Lucy Finn).

Juniors: vice-president, Jane Vanerson; secretary, Ellen McQuaid; treasurer, Donald Cherr (all unopposed).

Sophomores: vice-president, Barbara Martin (over Kathryn Murphy); treasurer, Richard Okonow (over Richard Harper); secretary, Mary Jane Guenveur (over Ann Catts).

The voting was conducted over three days in Mitchell Hall. The relatively light 950-vote turnout represents less than 50 per cent of the student body. Observers were inclined to blame the lack of contests in seven of the elections for the lack of interest.

NEW NEWS

This is the next to the last Review for this year. Normally we would run at least two more issues, but the Review has scraped the bottom of its bank account, and is only able to fold its tents and silently steal away. The staff has worked hard, and it seems a shame that we must put the final paper "to bed" so soon, but that's the way it goes.

There are many ways which this situation could be alleviated; but by far the most practical would be to begin making the Review a self supporting, if not paying proposition. It can be done. With the extra expense of having the paper printed in Wilmington as it is now, and having it shipped to us for distribution (and many of you know how often it is very late), and the money that has been put forth for the many pictures we have run this year, we could have been putting out a paper more often, and with more new news in it if we had been printing it ourselves.

It has been drummed into us for a couple of years now . . . the University is becoming bigger, and better every year. The king-sized expansion program is really working, too, but all directions of expansion should be taken into consideration. Consider the number of bulletins, alumni magazines, and newspapers that the University of Delaware puts out during the school year . . . they are all printed outside the University, when they could be printed here for less output. Having a University press is something that will add immensely in the growth.

Something else to be considered about a press: the paper could be turned out about four hours after the news was assembled . . . that means new news. Well, it's a thought. How do you feel about it?

B. J. K.

Language Dept. Show Balzac Trivia

From May 1 to May 13, in the West Wing of the Memorial Library, there will be an exhibition of material relative to the life and work of Honore de Balzac, celebrated French novelist. This exhibition has been arranged by the Modern Language Department as part of its program celebrating the one hundredth anniversary of the death of Balzac, and consists of original engravings, lithographs,

Zorach to Speak

William Zorach, noted American sculptor, will be guest of the University's Art Department on May 10 and 11.

Mr. Zorach will discuss painting and art problems with art classes. On Wednesday evening, May 10, he will speak to the Art Club in the Warner Hall Hilarium at 8 p.m.

and photographic reproductions which have been loaned to the University by the Cultural Division of the French Embassy in New York.

Open Letter to The Student Body From the Fountain Committee

The long awaited opening of the grill in the Soda Fountain took place Wednesday, May 4. Juicy hamburgers, cheeseburgers, steaks, waffles, and hot plates were prepared for your pleasure. We are sorry at the long delay in bringing this luxury to you but have, of necessity, prevented its opening until the installation of over \$7,000.00 worth of air conditioning and fan systems.

We would like to express our appreciation publicly to Mr. Jim Fine of Borden's Ice Cream Company for his professional advice in setting up our grill system.

Since the gloomy outlook of December, when we were several hundred dollars in deficit operation, we are now pleased to announce we are about \$1100.00 in the black. This profit and all expected future profits will be used for three purposes. First, to pay off the \$25,000.00 loan from the Board of Trustees over a ten year period; second, to return the money borrowed from the Student Government Association which set up the operation initially; third, to return to the students their money by the best of service, lower food costs, and the best quality of food.

Cleanliness has been our main objective for the past month and we hope the problem has been solved through the addition of a night porter and three bus boys to our staff. We do, however, need your assistance and cooperation in the matter and ask that you please refrain from putting your feet on the tables and chairs and to use the ash trays for cigarette butts.

To do the job of our three point program, several new members have been appointed to the Student Fountain Committee (refer below) in order to get the opinion of a larger portion of the student body. Tom Livizos, a graduate student and member of Theta Chi fraternity, has been selected by the committee as the Union's new manager. It has been under his capable direction that we have made our magnificent gains. Also along this line of concentration, Mr. Livizos and Tom Runk, Chairman of the Committee, are attending a Student Union Association Convention in Boston, Massachusetts this week to exchange operational procedures with 175 other unions.

Tom Runk, Chairman

Jill Myers Elaine Ough
Jane Raymond Grace Schulze
Ernie Dickens Bill Dolby
Frank Lanza Don Huston

Dr. Theo. von Laue Highlights Smoke

The English Department of the University of Delaware is sponsoring its final Smoke Talk of the academic year on Wednesday, May 10. Dr. Theo. von Laue, of the Department of History, Swarthmore College, Swarthmore, Pennsylvania, is to be a visiting keynoter. The topic "Do We Regiment Literature and Science as in Russia," will be moderated by Dr. William O. Penrose, Dean of the School of Education, University of Delaware. The affirmative keynoter will be Dr. Walther Kirchner of Delaware's History Department, whose major field of interest is Russian History. Opposing him will be Dr. von Laue.

The University is fortunate in having Dr. von Laue of Swarthmore speak. He received his Ph.D. from Princeton University and has done advanced work at the Russian Institute of Columbia University. He has taught at Princeton, the University of Pennsylvania, and Swarthmore.

Following the usual introductions by the moderator and short speeches by the two opposing keynoters, the informal discussion will be thrown open to the audience, which, it is hoped, will include not only students and faculty, but the public as well.

NOTICE:

Double house for sale. Recently painted and redecorated and other improvements too numerous to list. Attractive rental income from one side while owner occupies other side. Inspection by appointment. Edward H. Elliott, 57 Thomson Circle, Newark 28581.

Somewhere In the Woods

By DON MILLER

Prologue: Overheard in one of the men's dormitories on a recent evening was a conversation of notable interest. Two brothers of the same order were discussing the forthcoming costume party. The hero was complaining that since he had asked the girl for the date some weeks ago, he had priority on her for that night. While this was going on, the villain—to give him a name, Charlie—sat with a slight smile on his face. Finally he rose looked quietly and haughtily at our hero and said, "She is going with me; maybe to the party or wherever else I choose to take her. Might as well quit, Buddy; the lover has moved in." Our hero, crestfallen and hurt, wiped his eyes and moved away.

What we want to know is who will get Gay for the party? The hero or the despicable villain sometimes known as Chick? We are sure that one will get Gay for the party and the other will get gay at the party.

Act I

Scene I:

Setting—rippling water, white roses, soft and sweet music, the crowning touch to the ATO weekend:

Into the realm of Betty Starr, who reigned over the evening with Cy Rittenhouse as her Prince Consort, the ladies in waiting were numerous and those we can remember are: Lois Streithof with the count bard, Allan Stewart; Lady Ruth of Durstein was escorted by Big Jack Williams; Countess Mary Ann from the clan Kirkpatrick arrived in the presence of Jack Symonds; the visiting royalty were Deans Squire, Daugherty, and Schuster from nearby abbeys. Duennas for the evening were Dr. Mosher and Mr. Kaplan, escorting their ladies.

We missed songster Elbert Chance, but were much impressed by the dancing couples—Tex Franklin and Betty LaMothe, Clark McWright and Peggy Starr, with George Long and Alice Schumacher. Roland Mills was with Doris Noland, but he had so many formalities to attend to that Doris was a spectator most of the evening. We think that a pledge should be delegated to attending to the formalities.

Scene II:

Dick did the chauffeuring and we approached the bouncy music and the night club atmosphere of the Brandywine C.C., the scene of the court of Lois Weiss, lovely sweetheart of Gary Greenstein and the rest of the men of AEPI.

Preceding the crowning of Queen Doris, the pledges of the house were formally pinned by the active members in a very nice ceremony.

The place was packed, but we picked out Mary Guberman with Shirley Zucker, Norm Glassman with Norma Levine, and Bob Kugler with Marky.

An interesting sidelight on the weekend was the story by George Chamlin. It seems his date decided that for transportation George's date wished to have a French Renault car; then she made known her wishes that her appetite could only be whetted by caviar, and finally that she desired a large discount of the purchase price of ten Buicks. The scene shifts to the train station where George lets out the classic phrase—Write me—Then we bid adieu.

Service Fraternity Elects Officers

The officers for the Zeta Sigma chapter of Alpha Phi Omega Service Fraternity for the fall term 1950-51 school year are:

President, Chas. Richard Mattis; 1st Vice President, Benj. K. Raphael; 2nd Vice President, James B. Brice III; Treasurer, Taylor R. Simpson, Jr.; Recording Secretary, Louis E. Shannon; Corresponding and Alumni Secretary, Wm. H. Stevenson; Historian, Maurice A. Hartnett; and Senior Faculty Advisor, Geo. E. Kaufman.

The only committee chairman appointed to date is that of the editor of the Apodel, the chapter news letter, who will be Douglas Haller.

The following projects have been successfully completed during the last two weeks: April 25, Brothers Stevenson, Hammett, Bice, and Snader operated a hat check concession at the annual Del Marva Scout Council Annual Banquet; April 30, Brothers Simpson, Mesick sold tickets for the Educational Conference Luncheon at the University; and on May 1, 2, and 3, the whole fraternity aided in the operation of the SGA Election as well as counting ballots. All prospects are invited to attend the annual picnic on May 14. Reply to Alpha Phi Omega, University mail by Friday May 5.

READING - KNOWLEDGE TESTS

The Reading-Knowledge Tests in French, German and Spanish will be administered by the Modern Language Department on Friday, May 19, at 4:00 P. M. (D. S. T.) in the Chemistry Auditorium (German) and in Wolf Auditorium (French and Spanish).

The passing of a Reading-Knowledge Test is required of all students in Arts and Science and Secondary Education, except those who matriculated in an accredited college before September, 1945.

Students who are completing or have completed the second-year college course (104) and others judged competent by the Modern Language Department for special reasons are eligible for admission to the tests.

Information concerning the requirement may be secured in the Registrar's Office or in the Modern Language Office, 214 University Hall. Arrangements for taking the tests one hour late because of conflicts with regularly scheduled classes may be made in the Modern Language Office.

Intermission—We are distracted by the two newest lovers on the campus. Jean Coon and Gil Workman. She telling Gil who called her for a date for the third time, and he letting out a little dry laugh.

Scene III:

The streamers were purple, gold, and white; the men were from way downtown; and Mary Coleman was there; so it must be the Delts' formal. Many an old friend greeted us, and Art Diver was the receiving committee. In the soft lighting, we made out many of the dancing couples: Lynn Ward, very, very nice in a blue and silver gown with Leon Stayton; Bob Billingsley with Ann Peters made a nice looking couple; Mike Phillips with Chris Christfield looked as if she could have stayed there from then on; Tom O'Donnell was with Jane "Emmy" Good.

The evening closed all too soon and the homeward trek began. We thank all of the men for accepting us at their crowning dance of the year.

Scene IV:

Setting—Little Old New York, beaucoup bimps, flappers and garters worn below the knee. The Bowery Ball was once more at hand. The house, halfway up Pikes' Peak was dressed in real Bowery style, as the men of Theta Chi tried to outdo former Bowery Balls.

Jack Gallagher lent Kitty to the crowd, so that they could enjoy her lovely voice, while Jack introduced the attending ladies to an old form of entertainment at the other end of the room. That stool was terrific! Poff was there recording what the girls thought of Jack's idea.

Edie Branin had a marvelous evening, as did her date Dick Pitman, and we have pictures to prove it. The same goes for Ray Wright, with Eleanor Greely, sitting with Bill Rosenthal, popular new president of the house. Saw Dick Wells holding Shirley King on his lap. Shirley looked as if she had just stepped out of Vogue. At that point, Lucy acquired a black eye. Dev the Bartender brought Dottie the can can girl and the bell rang.

Hobs Murphy brought Lois Hirieman, Josie Miller dated Joanne Garber and she sat in awe before the new Home Ec Representative candidate, Bill Colonna, he of the very fine goatate dated Elaine Ough, she of the three dates a day fame.

(Cont. on page three)

Greek Column

Alpha Epsilon Pi

It's over! The biggest weekend in AEPI history came to a skidding stop with a picnic at Flo Berg's in Middletown. Preceding this were the house party Saturday, and a sensational formal Friday night at the Brandywine Country Club. Thanks again to our chaperones for both these affairs. Cocktail parties and open houses at Stan Budner's, Garry Greenstein's and Spike Fink's filled in the short time between these events.

The highlights of the formal were the pinning of thirteen inducted brothers, and the presentation of a beautiful cup to Miss Doris Weiss as the Sweetheart of AEPI. Doris was escorted by our newly elected master, Garry Greenstein.

George Chamlin and Ray Brett have sworn off blind dates. Bob Kugler and Herb Keller may switch to Poly Sci majors to get down to Washington more often. A few of the other brothers are also thinking of getting out of town.

Congratulations to ATO and DTD who also had terrific weekends, and to KA and Theta Chi for their costume parties. Our special thanks to the Thets who took such moving pictures of our dates.

Alpha Tau Omega

Another ATO Weekend is over and we are sure it will always bring back many pleasant memories to all of us. At the formal dance Friday evening, Miss Betty Starn, of Atlantic City, was selected as the "Dream Girl of ATO." Miss Starn, who is pinned to Brother "Cy" Rittenhouse, was presented with a sterling loving cup by the Worthy Master, Roland Mills.

On Saturday afternoon, the Brothers and their dates attended a lawn party at the house. Brother Jack Williams was the "official" host at the party.

The coveted title of "Sweetheart of ATO" was won by Mrs. Dan Ferry at the house party Saturday night. Peggy has been "Mrs. Dan" for four wonderful years. At this time, W. M. Roland Mills presented a sweetheart to the winner. Congratulations to both Miss Starn and Mrs. Ferry, we are proud and happy to have you in the titles you now bear.

The weekend ended with many of the ATO couples joining the AEPI's and their dates at their private party in Maryland. Thanks for the invite, we all had a wonderful time.

Delta Tau Delta

Bleary-eyed and tired, but happy, the Deltas returned to classes from a very successful and enjoyable weekend. The Formal Friday night was unexpectedly entertained when yielding to popular demand, Brother Jim (Dad) Morris with date Ruth Harvey of Wilmington demonstrated the Charleston. On the romantic side Brother Howard Harper chose this Spring to pin Deon Calder of Bridgeville.

Saturday night's House Party climaxed the weekend festivities. The entertainment, emceed by Pledge George Nagy featured the E-69 players in "The Life of William Tell." The cast included Brothers Bob McFarlan, narrator; Bill McCauley, King Louis, The Monster; Tony Fauerbach, Rosie, the king's girl friend; Dick Burton, Pray Tell; and Pledges Charlie Hann, Bill Tell; Sonny Hardesty, Do Tell; and Art Hodges, Bill Moore, George Gronde and Don Junghans, the king's bodyguards. The "Deltones" rendered a few selections and then lead the group singing which concluded the planned portion of the evening.

We want to take this opportunity to welcome as Pledges and prospective Brothers Donald Junghans, Arthur Hodges, and George Grodne.

Kappa Alpha

The K. A. annual French party last Saturday night was a huge success. The pledge class is to be congratulated on its fine decorations and entertainment. During the evening, Bob Wright was awarded the trophy for the outstanding pledge.

The following brothers were appointed to office last Wednesday night: Brother D. Martin, Corresponding Secretary; Brother Carney, Historian; Brother Carpenter, Purser; Brother Vernon, Censure; Brother Utt, Knight Usher; and

Brother Eggert, Knight At Arms. Brothers Hughes, Vanneman, and Melvin are hard at work on this year's play bill. Brother Hughes is directing the play, and brother Melvin and Vanneman are directing the singing. This year's show promises to be another fine K. A. presentation.

The K. A. softball team, under the management of brothers (J000) Cassidy and Bazela got off to a good start by downing the faculty 14 to 0. This year's nine should be the best yet. The B team edged out a win over the Ag Club 19 to 3 behind the brilliant pitching of Brother D. Birch.

Pi Kappa Alpha

Our semi-annual election took place on Wednesday night. Emil Lewis, Junior in Chemistry (A&S) was elevated to the post of president of Delta Eta. The vice presidency is filled by George V. Wood III, while Norm Wilson will keep the accounts as treasurer. Chuck Cantera "secretaries" with Bob Saunders sharpening his pen as historian of the red hot times at the old Peak. Don Shannon rears his 5½' in the L.F.C. Back at the house, Jack Dolby heads the bouncing and flower arranging committee as Master at Arms in conjunction with Billy Thompson, House Committee Head.

One word of warning to these boys: You have a precedent to live up to with your past officers of the exec. council, brothers Cox, Isaacs, Bodnaruk, and Wood. Hearty congratulations to both the old and new sets!

Sigma Nu

Well it's here again! The fraternity's biggest event for the entire school year, "Sigma Nu Weekend." Friday night the brothers of Sigma Nu will dance to the soul satisfying music of Ray Carr and his orchestra at the Newark Country Club, and Saturday night they will be entertained at a house-party. To top it all off, making a really enjoyable weekend, a picnic will take place on Sunday in cooperation with Sig Ep. Only one thing adds a dark note to the "lost weekend." Classes will, much to our regret, take place the following week.

Last week, Dottie Potts, Ester Foracre, and Dottie Draper were pleasantly surprised when over a dozen Sigma Nu's paid tribute to them in music. We're sure they will admit, "It's great to be a Sigma Nu girl."

With the Intramural Softball competition only a couple of weeks old, Delta Kappa has already made a strong bid for first place in the final standings. Our hot team has gotten off to a fast start by defeating Theta Chi 8 to 4 and Phi Kappa Tau 3 to 1. Such impressive victories indicate things to come.

Sigma Phi Epsilon

Sunday, April 29, topped off work week for the SPE pledges with the formal initiation of 16 men. The new members are: Roger Betty, Arthur Butler, Jack Byrne, Larry Dalton, Don Dare, Bill Evans, Harvey Hirst, Jack Jester, Sherwood Joy, Steve Kaiser, Wilson Lewis, Jim McCarthy, Gilbert McCurdy, Mathew Mitten, Gifford Nowland, Bill Vallar.

Brothers Fossett, Graves, and Groetzinger have become members in Scabbard and Blade. Joe Miller, Dick MacIver, and Al Graves joined the honoraries, Phi Kappa Phi, Alpha Zeta, and Psi Chi respectively.

Plans are well under way for the fraternity weekend. Friday night the scene of activity will be the Kennett Square Country Club. Saturday there will be a houseparty with the brothers' and pledges' dates taking over the house in the afternoon. This is our annual turn-about party and promises to be a good one. Scheduled on Sunday is a joint picnic with Sigma Nu.

WANT A JOB WITH A FUTURE?

A summer job or all year 'round. Undergrads are making good pay right in their home towns, or in their college towns. Engineering students preferred, but not required. For full particulars and profit records send penny postcard to Perfo Mat Company, 281 Fifth Avenue, N.Y. City.

Three Gala Events

(Cont. from page one)

observed. The Alumni will begin their day with a meeting in Purnell Hall of the Alumni Council. This will be followed at noon by an Executive Committee meeting, and at one o'clock the very popular Buffet Luncheon will be held on the lawn of Old College.

At 1:30 the men will attend the Track and Field Meet and then at 5 p.m. the General Membership Meeting will be held in the East Wing of Old College Lounge. At 6:30 John Leach '25, Vice President of Beacom's College, and Richard Rinard '30, City Editor of the Journal-Every Evening, will be the principal speaker and toastmaster respectively at the Reunion Banquet. Because of the increase in membership, the banquet will be held this year in the Kent Dining Hall, instead of the Commons. Then in the evening, those who wish may adjourn to Mitchell Hall to see the E-52 Players present "Summer and Smoke." Or the grads can join the students at the May Day Dance in the Carpenter Field House and dance the evening away to the smooth rhythm of Elliot Lawrence and his Orchestra.

The schedule for the Alumnae is similar to the Alumni schedule. At 10 a.m. there will be a meeting of the Executive Committee, at noon, luncheon in Kent Hall, and at 1:30 individual reunions will be held. At 2:30 the ladies will attend the May Day Festivities, at 3:30 a reception for the grads, students, and faculty will be held on the campus of Warner Hall, and at 4:30 tea will be served in the Home Management House. A special feature has been added this year for the graduates with children. A nursery has been established to care for children, from pre-school age to 12 years, while the alumnae activities are going on.

Alumni and Alumnae are expected from as far north as Boston, as far south as Washington, from San Francisco on the West Coast, and from Chicago, the heart of the Midwest. The Alumni have indicated that they are expecting about 400 grads for the Reunion Day Exercises.

Somewhere In The Woods

(Cont. from page two)

During the entertainment we feared for Jeanne Cashman's life as she cheered Stan Hughes on in the pie eating contest. Too bad—Big Boy Humphrey won.

Scene V:

Parties and more parties this time on the Rue de la K. A. the annual French House Party.

Bill Vanneman welcomed us with Fuss Gordy, and then we were very fortunate to see Jim Kearns, not because we saw Jim but because of Nora Cronin, his date, oh my how nice can you get. Bob Richards escorted—who else—Joyce Hilly. Pat Phillips, who by the way has beautiful eyes, dated Frank Tempone, Jan couldn't make it so Masten was alone. Doug Haller and G. A. Goodrich, Gene Fissler with Ruth Ann Stevenson and Dick Vernon with Jean Montelth.

Epilogue

The story of the Sophie Tucker of the Delt House, Mr. Belvedere, who on the campus goes under the name of Jim Morris. After rolling in at 7 and 8 a. m. on the last weekend Jim needed help to cut his meat on Sunday, quite a gal, eh boy then there is the story about him having to use a jack on Sunday ayem.

Blue Hen Trackers Trounce Quakers; Win Javelin, Dash

The Blue Hen trackmen won their second meet in three starts last Wednesday by defeating favored Swarthmore, 74½ to 51½.

It was a clean sweep in both the javelin and the 100 yard dash that helped the team clinch the victory. Frank Lanza, Jack Tebo, and Hank Paris finished in that order in the 100. Lyle Carney, Joe Lank, and Nine Stalloni finished 1-2-3 in the javelin. Frank Lanza also went on to win the 220 and his sixth dash victory in as many starts this season.

For Swarthmore, Co-captain Gordon Mochel placed in three field events and Evans Burns brought the Garnet victory in both the shot and the discus.

Summaries:

120 Yard Hurdles: 1. Lingo, Delaware; 2. Cronwell, Swarthmore; 3. Wells, Delaware. Time: 16.3.
100 Yard Dash: 1. Lanza, Delaware; 2. Tebo, Delaware; 3. Paris, Delaware.
One Mile Run: 1. Battin, Swarthmore; 2. Bradley, Delaware; 3. Samson, Delaware. Time: 4:54.
440 Yard Dash: 1. Baylis, Delaware; 2. Van Deusen, Swarthmore; 3. Jones, Delaware. Time: 52.4.
Two Mile Run: 1. Harrington, Swarthmore; 2. Fouracre, Delaware; 3. Bradley, Delaware. Time: 10:35.5.
220 Yard Hurdles: 1. Wells, Delaware; 2. Cronwell, Swarthmore; 3. Loose, Delaware. Time: 36.5.
220 Yard Dash: 1. Lanza, Delaware; 2. Tietz, Swarthmore; 3. Van Deusen, Swarthmore. Time: 23.0.
880 Yard Run: 1. Tietz, Swarthmore; 2. McKenna, Delaware; 3. Frank, Swarthmore. Time: 2:02.
Discus: 1. Brun, Swarthmore; 2. Adams, Delaware; 3. Lank, Delaware. Distance: 128 ft. 6½ in.
Shotput: 1. Burn, Swarthmore; 2. Gallagher, Delaware; 3. Bilski, Delaware. Distance: 43 ft.
Broad Jump: 1. Seaman, Swarthmore; 2. Loose, Delaware; 3. Mochel, Swarthmore. Distance: 21 ft.

Saturday, Delaware's track team was represented in the Penn Relays by Tom McKenna, Harry Loose, Jim Jones, and Tom Baylis, who finished third in the mile relay. The relay was won by Washington College, 3:24.0, with Johns Hopkins coming in second. Also participating were Bucknell and Bridgewater.

Blue and Gold Nine Captures Two, Ruins Bison's Streak

The Blue and Gold baseball team won its third and fourth games over the last week against nine losses. The Hens third victory came as the result of a 8-5 win over the Muhlenberg Mules of Allentown, Pa.

Pitcher Gordon Latzko, Muhlenbergs starter on the mound, gave four walks and a balk in the second inning to help the Hens to a five run lead, before giving way to Hal Roveda.

Joe Lank, peppy shortstop, led the Martindens with two hits for four trips to the plate, one a homer off Roveda. Captain Joe Pennock was credited with the win, his second of the current season.

The ninth Blue Hen loss came at the hands of a strong Washington College nine. The Birds dropped a 5-0 lead in the fourth when Washington College scored seven times before the inning ended. George Schaan led the Hens at the plate with three for four. John Santulli led the Washington College batters with four for five against pitchers Middleton, Cordrey, and Carlson.

The Birds of the U. of D., though not enjoying their best season, were the first to ruin the Bucknell Bisons bid for an undefeated year with a 2-0 victory. Doc Green pitched a brilliant three hitter and the defensive play of the squad kept the Herdmen from going beyond second base. The Hens only collected four hits but bunched them to score one run in the fourth and one run in the sixth inning for the winning margin.

Bill Bodnaruk led the Hen bat-

TERPS STADIUM TO SEAT 50,000

The University of Maryland football game with Navy scheduled for September 30th in the Terps new stadium has already drawn more than 15,000 ticket orders. The new Maryland edifice will seat 50,000 people.

Jim Tatum, head football coach at Maryland, will go to Germany for the Army this summer. He will help conduct a football clinic there.

Freshmen Roundup

Coach Marty Pierson will probably bank on the following starting lineup to carry the Frosh baseball team through the 1950 campaign: Charley Rodriguez, 1b; Dick Berl, 2nd; Jack Allen, 3rd; Jim Money maker, ss; Chuck Abrams, c, and either Lew Wright or Duke Evans, pitching. Sonny Hardesty will patrol left field, Paul Mueller will be in right, and Evans will play center when not pitching.

The team started practice three weeks ago. Nineteen candidates are out for the team, and Coach Pierson indicates that many of the positions are still only tentative.

The Frosh track season opens tomorrow with an away meet with the Johns Hopkins Frosh. A meet with the Muhlenberg freshmen was scheduled for April 15, but the Mules failed to produce a team.

When the Frosh team engaged in an inter-squad meet with the varsity (Cont. on page five)

ters by collecting two of the four hits. The line-up:

Roberts' Lacrossemen Beat Lafayette; Don Swan, Gordy Bierman Score Heavily

Gordy Bierman, Coach Milt Roberts, and Don Swan discuss strategy between the halves at the lacrosse game with Lafayette last Saturday.

Chick 'n' Chat

By ARLINE MCGEE

With the swimming meet scheduled for May 10 at 7 p. m., it is necessary for participants to be classified. Opportunities for such classification will be offered on Thurs, May 4, at 4 p. m., Friday, May 5, at 4 p. m., and also on Tuesday, May 9, at 4 p. m. Any girl who is not classified will automatically be considered an advanced swimmer.

All girls are urged to join in the marathon to raise the score for their classes. To date, the sophomores are out in front. Remember, this in one of the events awarding points in the final scores of the swimming meet. Those girls participating in the meet should sign up for events with their class managers. Class managers are as follows: Frosh, Trudy Gilgenast; Sophs, Joan Leahy; Juniors, Pat Reybold; Seniors, Virginia Scott. Thelma Thompson is the overall manager for all the swimming this season.

Let's give them our support to make this the biggest and best swimming meet yet. All classes of swimmers are needed. Events have been planned for beginners, intermediates, and for advanced swimmers.

Hoo Rah Ray for the Aquatic Club! Gals, you did a wonderful job in making "Water Colors" one of the nicest productions on the campus this year. Th aquacade played, or rather, swam to a full house for three nights. Not to be overlooked are the untiring efforts of the directors, hostesses, costume and props committee, music and program committee, and chairmen of publicity and decorations. All considered, it was a job well done!

The tennis tournament, with

Mary Buech managing, is well under way. Singles and doubles matches may be played any time the courts are free. There are tennis classes M., W., F., 10 a. m., 2, 3, and 4 p. m., and T., Th. 10 to noon.

To facilitate the matches, the top player, or players, in each bracket will contact the bottom player or players or forfeit the match . . . unless it is the other players' fault. The deadline for the rounds will be found on the W.A.A. bulletin board.

Voting for the W. A. A. officers for the 1950-51 took place Tuesday and Wednesday with results to be announced at the W. A. A. banquet on Thursday night.

Here's another plug for our spring sports: Don't forget lacrosse practice on Tuesday and Thursday afternoons at 4, or softball which has been organized into afternoon and evening practices. The two softball teams will meet each other in one big final game at the end of the season. Team practice in the afternoons is Tuesdays and Thursdays at 4; the evening team plays Tuesdays and Thursdays at 7:00 p. m.

Varsity Lacrosse Scoring Including Lafayette Game

	Gls.	As.
Swan	42	9
Bierman	27	7
Catts	9	6
West	4	2
Morris	3	2
Benoit	2	1
Cherr	1	1
Greenfield	1	0
Totals	80	28

Scoring easily in every period, Coach Milton Roberts' Delaware stickmen rolled over Lafayette on Saturday afternoon, April 29. The Blue Hen shillelagh men had a field day as Coach Roberts, former Hopkins star, cleared the bench and gave the defense men a crack at the enemy goal by putting them in the attack and midfield positions.

The Blue and Gold grabbed the lead on the opening face-off and soon turned the game into a rout, with a big 7 goal second period spurge.

Don Swan had his best day of the season and again proved his candidacy for All-American honors by blazing the ball into the goal eight times. This brings his amazing total to 42 goals in 9 games played. With 3 games remaining to play, he should be able to run his total still higher. Gordy Bierman, another ex-Swarthmore High player, was close on Swan's heels with 6 goals. Gordy has also piled up a sizable total of goals this season. Paul Catts, Henry Morris, and Haight West also scored against Lafayette.

Billy Ward was high man for the losers with 5 goals.

This Saturday afternoon, May 6, the Blue Hens play host to Franklin and Marshall College. Game time is 2:15.

Box score:

Delaware	Lafayette
Walbec	Zindani
Catts	Ward
Swan	Soden
Bierman	Tull
West	Stayton
Greenfield	South
Morris	McSorley
Cook	Bockus
Mullin	Robison
Murray	Purcell
Substitutions: Lafayette: Bods, Johnson, McAldine, Keese, Keiver, Hesperman, Jill, Ayers, Becker.	
Delaware: Kuhn, Thomas, Fletcher, Cherr, Benoit, Foster, Cossaboon.	
Scoring: Delaware: Swan 8, Bierman 6, West 1, Catts 1, Morris 1, Lafayette: Ward 5, Ayers 1.	

SCORE BY QUARTERS

Delaware	1	2	3	4	17
Lafayette	1	1	2	2	6

In a game played on Frazier Field last Wednesday afternoon, Coach Milt Roberts' Blue Hen lacrosse men thumped the teachers of West Chester, 18-5. The Hens won easily as they drew first blood and never lost the lead.

The cogs of the Hen machine got rolling early in the first quarter when Don Swan scored the first goal. From then on it was a case of "catch-me-if-you-can."

Don Swan and Gordy Bierman took high scoring honors with seven goals per game in the six games played. Paul (Pussy) Catts was second high scorer with three goals. Captain Mullin, Cook, and Murray were the mainstays of the (Cont. on page five)

Track Stars Battle Here Next Week

A record field of entries representing twenty-two colleges and universities is expected for the 35th Annual Middle Atlantic Track and Field Association Championships to be held May 12 and 13 on the University of Delaware's Frazier Field.

Teams from Albright, Alfred, Bucknell, Dickinson, Drexel, Franklin and Marshall, Gettysburg, Haverford, Johns Hopkins, Juniata, Lafayette, LaSalle, Lebanon Valley, Lehigh, Muhlenberg, P.M.C., St. Joseph's, Swarthmore, Ursinus, Wagner, Washington College, and the host school will vie for the Conference crown, with medals going to the first five places in each event.

The two-day program will include the fourteen collegiate dual meet events in addition to a freshman medley relay. St. Joseph's College of Philadelphia, winner of the conference trophy in 1948 and 1949, is again expected to provide the biggest threat, and the Hawks are strong again this year in the sprint and middle-distance events. LaSalle College of Philadelphia, Lafayette College, and Alfred College should furnish plenty of opposition to St. Joseph's bid for a third consecutive win.

Trials and semi-finals in the dashes and hurdles will be held on Friday afternoon, with the remaining track events and all field events scheduled for Saturday.

ATHLETIC EVENTS OF THE COMING WEEK

Friday, May 5—TRACK	Johns Hopkins	At BALTIMORE
Friday, May 5—GOLF	West Chester	At WEST CHESTER

Wed., May 10—BASEBALL	West Chester JV	At WEST CHESTER

SIDE LINES

By DON KIDDOO

BACK TO REALITY

With the annual gag rag out of the way we can get back to turning out straight stuff for the weekly miracle. Any similarity between the people, places, and events mentioned in last week's *Re-Plew* and actual people, places, and events was purely coincidental. If you recall the story and picture on Rocks Gibraltar which stated that he would come here as a wrestling coach, you will appreciate the fact that he is not actually coming here, but is accepting a similar position at Ab Normal School.

HITHER AND YON

Jim Reilly, who jinxed the Hen basketball teams for the past four years as a high scoring forward for Swarthmore, has been drafted by the Minneapolis Lakers of the N.B.A. Minneapolis won the championship of the N.B.A. this past season. . . . Big Ike Borsavage, the Temple University giant who performed on the Carpenter Field House court last season and also two years ago, was drafted by the Warriors of Philadelphia. Remember that drafted doesn't mean signed.

Jerry Agel, the sports publicity scribe of the University of Vermont writes that "Dr. Carlson has made a big hit here in Burlington and at the University." Jerry has promised to send us the scoop on Dr. Carlson's work and the athletics of Vermont. . . . Twenty-five years ago last week, William J. McAvoy resigned as head football coach of the University of Delaware to accept a similar position at the University of Vermont. . . . What has this Vermont got, anyway? First our football coach, then our President!

Robert R. M. (Bob) Carpenter, president of the Phillies and a great benefactor of the U. of D., will receive an award this month for his "sportsmanship and philanthropic work in connection with sport activities." The award, a plaque, is to be presented by the Philadelphia Sportsmen's Club and is called "The Philadelphia Sportsmen's Club for the City of Hope Award." We hope so too, Philly, Carpenter's Phillies look great.

MISCELLANY

Coach Fred Emerson has started spring basketball practice. Although it is being held on an intelligently small scale, only two afternoons a week, this is a step in the right direction. At long last, basketball is coming out of the doldrums of mediocrity. The next two or three years should see a big improvement in the quality of the sport at Delaware.

When the Intermural Table Tennis Tournament got underway on Monday, there was an organized effort to keep the best players on campus out of the competition. In fact, the defending champion was invited to withdraw. Fortunately, the players did submit and will compete. The logic offered by the "organized effort" amounted to "You can't play because you're too good." Well, what do we want, just a good player to win, or the "very best on campus?"

Our Baltimore correspondent reminds us that Ray Wood and Charley Hoffman of Washington College are tied for second place in lacrosse scoring in the State of Maryland. Hank Lowry of the U. of Maryland leads the race. On Thursday of last week, Wood and Hoffman had scored 16 goals apiece, while Lowry had scored 17. On the same day, our own Don Swan had scored 34 goals! Just twice the best in Maryland. Keep it up Don, let's have a national record.

On Homecoming Weekend, May 13, The Middle Atlantic States Track Championships will be held on Frazer Field. Twenty-two colleges will compete in just about the biggest athletic event ever held at the University of Delaware.

Frank Lanza, the sprint specialist, looks like Delaware's best bet for a win in the Middle Atlantic. . . . A mile relay team composed of Tom Baylis, Tom McKenna, Harry Loose, and Jim Jones represented Delaware in the Penn Relays last Saturday at Franklin Field. They won third place medals in the Class Mile Relay.

HONOR?

After hearing so much about the honor system recently, and always having heard much about the honor and sportsmanship in athletics, one might imagine how the honor system would work in sports. Can you imagine the catcher calling the balls and strikes in a baseball game. Can you imagine a basketball game without those two men in striped shirts with whistles? Can you imagine a boxing match without a referee to prevent foul punches. Even though games are played with all manner of sportsmanship and honor, the official is necessary. Would you like to enter the athletic or academic ring without a referee?

The rifle team, organized and coached by the military department, recently concluded their first season. Intercollegiate matches are planned for next year.

Freshman

(Cont. from page four)

sity several weeks ago, they took six first places. Jack Duval took three wins, Bill McWilliams two, and Ed Hoffman one. Don Vane recently turned in a 10:58 two-mile run, and McWilliams polevaulted 11'2".

Coach Steers says that the team is weak in several departments, and invites late candidates to try out. The probable entries in tomorrow's

meet are: Dempsey and Vane in the 100 yd. dash, Dempsey and Duval in the 220 yd. dash, Evans and Mitten in the 440, Mitten and Hoffman in the 880, Hoffman and Vane in the mile, Vane in the two mile, Duval will run the high hurdles, Duval and Marvel in the low hurdles, McWilliams and Jones in the pole vault, Duval, Marvel and Deputy in the high jump, McWilliams, Fisher, and Dempsey in the broad jump. Shultz will put the shot, Duval, Shultz, Dick in the discus, and Dick in the javelin.

Work of 20th Cent. Artists Presented In Art Gallery Ex.

"By the Sea," an exhibition of 18 paintings of the sea by Twentieth Century European and American artists will be shown at the Art Gallery in the Memorial Library, April 25 through May 15.

Included are such painters as Hopper, Marin, Hartley, MacIvor, Foininger, Gatch, Picasso, Braque, Masson, Beckmann and Klee. The works are representative of nearly all the trends characteristic of contemporary painting and mark a significant departure from that of the nineteenth century.

The paintings record life on the beach and under the water, as well as the sea itself in all its moods.

NOTICE:

The Department of Biological Sciences will hear Dr. Aubrey Gorbman speak on "The Thyroid Gland; Its Physiology and Evolution" at its regular weekly seminar at 3:00 p. m. on Friday, May 5, in Room 216, Wolf Hall. Dr. Gorbman, now of Barnard College, Columbia University, is well known for his investigations in vertebrate endocrinology. The public is invited.

NOTICE

The University of Delaware Chapter of the Active Young Republicans will hold their annual Spring Banquet at 7 P. M., Tuesday, May 9, 1950, in the Century Club, Newark, Delaware. Speakers at the banquet will be U. S. Senator John J. Williams, U. S. Representative J. Caleb Boggs, Mayor James F. Hearn, and former Governor Walter W. Bacon.

Please make your reservations early. Student tickets are \$2.00 and all others are \$3.00. All tickets may be obtained by contacting Jack Symonds, Bob Hopkins, Bill Matthews, or H. Clark MacWright at Newark 2986. Or, by writing L. R. Hopkins at Box 603, University Mail. Everyone is welcome.

NEWARK, DELAWARE

Big May Frolic

(Cont. from page one)
that the "kid" climbed up to the podium and lead the pit band during a Vaudeville Show. After the sudden shock, the orchestra members and the manager shook it off and let Elliot give the audience an unprecedented thrill in show business.

Elliot graduated from the University of Pennsylvania at the age of nineteen. Immediately after graduating, he became the youngest executive in radio, being appointed musical director of WCAU in Philadelphia. During this time he arranged the music for Billy Roses' "Seven Lively Arts," which starred Benny Goodman, and Beatrice Lillie.

After Elliot took his band out of the studios of WCAU, he began to make musical history. The engagements came fast and furious; Meadowbrook, Cafe Rouge in the Hotel Statler, Palladium, and the famous "Chesterfield Supper Club."

On May 13th, Elliot Lawrence will bring his famous Orchestra to the University of Delaware for our big May Dance. Strains of the great Lawrence arrangements will be heard in the Carpenter Field House from 8 to 12. The pre-dance tickets are \$3.60 per couple; at the door the night of the dance, \$4.00. The dance will be semi-formal.

A. S. M. E.

On Thursday, April 27, a large percentage of the members, friends, and faculty of the student branch of the American Society of Mechanical Engineers spent a very interesting and educational day in Philadelphia. During the morning, it was our privilege to tour the Gravure Division of The Philadelphia Inquirer Company which is one of the newest and most advanced manufacturing facility in the country. Thursday afternoon featured a visit to the Leeds and Northrup Corporation which is one of the oldest and foremost electrical instrument manufacturing concerns in the nation.

Well Known Math Prof. Joins Faculty

Frederic H. Miller, one of the best-known teachers of applied mathematics in the country, will join the faculty for two courses to be taught during the second term of the coming year.

Dr. Carl J. Rees, professor of mathematics and Summer Session director, said that Dr. Miller will teach Topics in Advanced Mathematics for Engineers, and Partial Differential Equations.

An engineer as well as a mathematician, Dr. Miller's research and writing has been in both fields. According to Dr. Rees, he is known as "an exceptionally fine teacher as well as a good research man."

"MY VOICE IS MY LIVING..."
says *Vaughn Monroe*
Radio and recording star

...so it's only common sense that I smoke the cigarette that agrees with my throat—**CAMEL!**

HIS VOICE is in demand around the clock—network radio... theater appearances... motion pictures... dance dates (over 100 last year)... plus recording hit tunes that sell in the millions of copies. Vaughn Monroe is the singingest band leader in the U. S. A.

NOTED THROAT SPECIALISTS REPORT ON 30-DAY TEST OF CAMEL SMOKERS...

Not one single case of throat irritation due to smoking CAMELS

Yes, these were the findings of noted throat specialists after a total of 2,470 weekly examinations of the throats of hundreds of men and women who smoked Camels — and only Camels — for 30 consecutive days.

Make your own 30-Day
Camel **MILDNESS** Test in your
"T-Zone" (T for Throat...T for Taste).
