REED, HOYT, WASHBURN & MCCARTHY

June 9, 1966

State of Delaware
House Bill No. 600 and No. 574

Theodore F. Sandstrom, Esq.
Administrative Assistant
Executive Department
Dover, Delaware

Dear Mr. Sandstrom:

We have your letter of June 7, 1966, addressed to Mr. McCarthy of our firm and have spoken with you on the telephone. We have considered the question you have raised as to whether House Bill No. 600, which amends Chapter 75 Title 29 of the Delaware Code in order to provide that local school elections may be held before or after

passage of the School Construction Bond Authorization Act, requires passage by a $\frac{3}{4}$ vote of the General Assembly.

It is our opinion that Article 8 Section 3 of the Delaware Constitution does not require that the proposed amendment to Chapter 75 be enacted by a $\frac{3}{4}$ vote of all the members of the General Assembly. Our opinion is based upon the fact that the proposed amendment is not concerned with the borrowing by the State of money, but merely with the timing of the local referendum, and if the legislation were to have been passed as an independent act there would have been no question of whether a $\frac{3}{4}$ vote was required. We are supported in our view by the decision of the Superior Court of Delaware for New Castle County in the case of **State ex rel. Morford v. Emerson et al.** 10 A. 2d 515 (1939). The Court in that case upheld an amendment to a statute authorizing State borrowing for road purposes; which amendment changed the makeup of an appointed Board provided for in the original act. The amendment was not passed by a $\frac{3}{4}$ vote, whereas the original act of course was. The Court held that where a statute consists of several parts and a portion would not have required for its original enactment more than a majority vote, that part of the statute could be amended by the same vote which would have been sufficient for its original enactment.

We trust that we have been of some assistance to you, and with kind regards, we are

Very truly yours,

Reed, Hoyt, Washburn & McCarthy
