

# NEWARK POST

VOLUME X

NEWARK POST, NEWARK, DEL., DECEMBER 10, 1919

NUMBER 89

## Medical Inspection in Newark Schools

Made Possible by Co-operation of Local People and Reconstruction Commission

Medical inspection in the schools of Newark has this week become a reality, the result of a concerted campaign on the part of Superintendent Phineas Morris, local health workers and the State Reconstruction Commission. Miss Grace E. Stevens, public health nurse of New Castle County, has spent several days this week in the schools examining children for those numerous slight defects which when connected in time prove entirely manageable.

This latest development is the last of a series of health measures begun as a war measure, by the Delaware State Council of Defense. The first feature of the campaign was the weighing and measuring of children by the Child Welfare Committee in 1918. Students at the Women's College took up the same work this fall, preparatory to the school work.

Members of the committee in charge include Mrs. George L. Townsend, chairman, Mrs. Harold Tiffany, Mrs. Clement Cannon, Mrs. Wilmer Hill, Mrs. C. I. Houghton, Miss Mary Hoffecker, Mrs. Robert Campbell, Mrs. Burnley, Mrs. C. C. Hubert, Miss Agnes Snyder.

Physicians of the town are enthusiastic over the plan and have expressed their willingness to co-operate in the corrective following work.

## American Vulcanized Fibre Co. Closes Down One Mill

As a result of the scarcity of coal the local plant of the American Vulcanized Fibre Company closed down the paper department last Saturday. By this action 30 employees are thrown out of work temporarily. At the plant today, Superintendent Durnall was unable to say just how long this branch of the plant would be closed, that depending on future coal supply.

The fibre department of the plant which employs about 250 is still running and has a supply of coal that will keep it going for at least a month. The paper plant may be operated several days next week to get out paper for the fibre department. The officials of the company are anxious to keep the plants going just as long as possible.

## MASON TO ENTER OPERATIC FIELD

Concert of Tuesday Farewell The Concert to be given in Wolf Hall next Tuesday evening Dec. 16th at 8 o'clock, will be "Stein" Mason's farewell trip to Newark owing to a very recent offer to go into Opera in South America at the beginning of the year.

Those of us who know this has been "Stein's" greatest aim will rejoice with him at this offer. Mr. Mason is coming to Newark this year, at the urgent request of his many friends, who were so delighted with last year's Concert.

All Newark is proud of the career of their fellow townsman, and a crowded house and a royal send-off is predicted.

## Delaware Man Heads National Committee

Thomas W. Miller, of Wilmington, former member of congress from Delaware and popular with service men throughout the county, has been made chairman of the National legislative committee of the American Legion. The committee is organized to bring before congress the measures advocated by the American Legion.

On Saturday night of this week the American Vulcanized Fibre Co. will play the Junior Order American Mechanics. The game promises to be of exceptional interest since neither team has been defeated this season.

The American Legion will play the town team also on Saturday night.

## DELAWARE MEN BANQUET AT PHILADELPHIA

Student Guest of Famous Association

At the meeting of the Philadelphia Society Sons of Delaware, in the Bellevue-Stratford Hotel, Philadelphia, Monday night, 300 Delawareans were present. "Americanism" was the note of the speakers. Judge Wells, of New Jersey, Bishop Quayle, of Missouri, and Senator Ball, of Delaware. Each of the speakers had been given the title "True Americanism," and each expatiated on the subject according to his individual inclination, but all agreed on the points at issue. President Merritt N. Willets presided.

Prior to the dinner, last year's (Continued on Page 4)

## Master of Grange Urges Support of New School Law

Mr. Rosa Recommends That Grangers Back Up Code

This Was Part of Report Submitted at Dover Meeting

Jacob H. Rosa of Milford Worthy Master of the State Grange in his annual report submitted at the session of the grange at Dover on Monday strongly recommends that grangers support the school code. In this respect Mr. Rosa said:

"Statistics tell us that we have been sorely in need of a changed school system in Delaware. Now that it is within our grasp, do not let us turn it down. I earnestly recommend that we declare ourselves in favor of the school law and that we give it our individual support."

Mr. Rosa in his report also urges that the next Legislature ratify the Suffrage amendment and that the state grange follow the lead of the National Grange for the League of Nations. The report follows:

To the Officers and Members of the Delaware State Grange— "In forty-fifth annual session in Dover we have again come together to transact our mutual business and also to discuss ways whereby we may help our fellowmen. Little has been done in the past year to solve the great problem of reconstruction. What are we going to do to help? I trust that the State Grange will consider this from all sides. We need not say as Prof. Atkinson says to the public, 'Quit howling and go to work,' since the patrons of Delaware have always done their full share, but in whatever we may do, I believe we are entitled to a cost plus profit basis, just as much as other industries. Let us have for our motto, 'Fair Play and a Square Deal.'"

## National Grange

"The Fifty-third session of the National Grange met at Grand Rapids, Michigan, in the State Armory on Wednesday, November 12, at eleven a. m. on account of poor connections, your representatives were just in time to answer at the roll call. In the afternoon before the 7th degree, the officers of Michigan State Grange conferred the Sixth Degree on a large class, and it was most beautifully done. In the evening the Seventh Degree was conferred on a class of 1668 in Powers Theatre, just one block from Hotel Pantlind.

## Condition Of The Order.

"You all know that we haven't made rapid strides during the past year, but we have had a drive for members and have acquired 361 names. We have had our National Master with us this summer for three days, and he left many helpful thoughts; several of our granges have held their annual fairs, our home grange clearing \$460, almost enough to wipe out the last of our mortgage.

"A paper that is owned and managed by the grange is published in Springfield, Mass., where our next national session will probably be held. All who may have a chance to see the home of the best grange paper. I recommend that this State grange continue sending it to every grange home during (Continued on Page 6)

## Professor Hayward Will Leave College December 20th

Student Body and Grangers Urge An Investigation

Trustees Committee Meet Friday to Discuss Successor

While the Student body of Delaware College in a petition to the trustees, and also some grangers, urge an investigation of the matter of Dean Harry Hayward leaving the college, no such investigation as far as can be learned has been started and the indications are that Dean Hayward's resignation will stand. The students in their petition intimate that Dean Hayward was forced out and for that reason want the entire matter investigated.

The Committee on Agriculture it has been announced will hold another meeting on Friday at the Hotel duPont Wilmington when the matter of naming Dean Hayward's successor will be discussed. The petition of the Student body will likely be considered by the committee at the same time.

S. H. Derby of Woodside is chairman of the Committee on Agriculture. At the State Grange meeting in Dover on Monday Mr. Derby, when called on for a report on Delaware College spoke of Dean Hayward's resignation which he said had been accepted. He then stated that the success of the department of agriculture of Delaware College was due to the efforts of Dean Hayward and praised his work at the college.

Mr. Derby said the question of securing Dean Hayward's successor was now being considered and it had not been fully decided whether to get one man to take over his duties or divide it, with one man as dean of Agriculture and another as director of the Experimental Station.

Dean Hayward left on Monday of this week for a business trip west and will be gone practically all week. It is understood that although his resignation was not to take effect until January 1, that he will serve his connections with the college on December 20 to take up his work with Ayers and Company, of Philadelphia. This is the largest advertising agency in the country and Dean Hayward it is (Continued on Page 4)

## Workmen Have Narrow Escape

An electric pole being erected at the corner of Delaware and South College Avenues fell last Monday, causing several workmen to have a narrow escape. The town was without current for several hours following the accident.

## New Members Initiated

Four new members were initiated by American Flag Council, Jr. I. U. A. M., last Monday night, by a degree team present from Wilmington. A social hour followed and the usual good fellowship prevailed.

## Thomas Green Moves To Newark

The farming of Pencader Hundred loses one of its very best men this week when Thomas J. Green of Wilson Station sells out preparatory to moving to Newark at the W. H. Barton business on Main Street.

If Green takes to business as he did to farming some of Newark's mercantile leaders, may well prepare for second place. He is a leader and strikes a pretty swift pace.

## Burglar Steals Shoes And \$45 In Cash

Three houses in East Newark were entered by burglars some time early last Friday morning. At the home of A. L. Beals \$45 in cash and new pair of shoes which Mr. Beals had never worn was stolen. The thief got in by forcing a window in the rear of the house. The money was found in a drawer. The homes of John Pilling and Charles L. Medill were also entered but nothing of value was stolen.

## Professor Short to Leave Delaware College Feb. 1st

Resigns to Accept Position with Continental Fibre Co.

Has Been Member of Faculty Since 1902

This announcement made several days ago attracted much attention not only in Newark but throughout the State. In point of service Professor Short is one of the oldest members of the faculty and is probably better known throughout Delaware than any other member of the teaching staff of Delaware.

Professor Short, however, does not leave Newark. He will go with the Continental Fibre Company. His resignation becomes effective February 1, when he will enter the service of the Continental Company. He has spent nearly a quarter of a century in the teaching profession and his leaving is greatly regretted by fellow members of the faculty and students alike.

Professor Short returned to his duties at Delaware College last September, after spending a year in the service, most of the time as camp adjutant at Camp Travis, Texas, with the title of Major. Professor Short is especially known among the members of the old National Guard of Delaware, as he served many years in the guard, first as captain of Company E of Newark and afterwards on the adjutant-general's staff as inspector-general with the title of major. It was part of his duties once each year to inspect each company in the old Delaware Infantry.

Since 1902 he has been professor of mathematics and engineering at Delaware College. He is a graduate of Lehigh, being a member of the "famous class of 1896". Two other members of this class are also members of the faculty, Dean E. Laurence Smith and Dr. W. Owen Sypher, head of the department of English. For some years previous to the summer of 1918 when he entered the service Professor Short was chairman of the faculty entrance committee. This committee was created some years ago at his suggestion. As its chairman Professor Short each summer visited most all parts of the State to interest high school boys in Delaware College and get them to enter. While in college Professor (Continued on Page 8)

## OCCUPY NEW RESIDENCE

George Leak and Family Move Saturday

George Leak and family moved into their new home, East Main Street, on Saturday of last week. The property vacated on Choate Street will be occupied by Clifford Morris.

The attractive new residence, built by George F. Ferguson, is two story and a half of brick, a porch with heavy pillars extends on two sides of the building. The house proper is a square, 28x28, with a large bay window on the southern front. The well-planned interior is especially attractive. The house is modern from garret to cellar; sunlight floods every room and great deep closets delight the house wife at every turn.

The main entrance opens into a reception hall; in addition, on the first floor, there are three large rooms. Upstairs there are three bed rooms, a bath, and a bright, sunny sewing room.

The residence adjoins Mr. Leak's garage, just east of Newark.

## Christmas Trade Reported Good

Newark merchants pronounce Christmas trade up to par, in spite of prevailing high prices. Eggs are retailing at the local stores for .80, butter at .45, mixed nuts at .45 per lb., oranges .50 per dozen. Sugar continues to be a precious commodity and at the present writing there is no relief in sight. Regular customers are able to buy 1 lb. two or three times a week. Salesmen visiting the local stores predict a more general plenty by the middle of January, with a probable advance in price to 25 cents.

## D. A. R. REGENT RESIGNS

Members Register Profound Regret

Cooches' Bridge chapter, Daughters American Revolution, met in regular session at the home of Mrs. J. Rankin Armstrong on Saturday, December 6th. The meeting was especially well attended. At the close of the business session the regent, Mrs. Harry Hayward, owing to a removal from town in the near future, presented her resignation, which was reluctantly accepted by the members. Mrs. Hayward is held in high respect by her "Daughters," and her action called forth many expressions of profound regret. Miss Eleanor T. Todd succeeds Mrs. Hayward as regent, and Mrs. J. W. Cooch was elected vice-regent.

A pleasant social hour followed the business hour during which a delicious collation was served by the hostess assisted by her two daughters, Mrs. Samuel Zinberg, and Mrs. Floyd Wingate, both members of the Chapter.

## Pleasing Musical Program at New Century Club

Last Meeting in 1919 Next Tuesday

Members of the New Century Club enjoyed a musical program at the regular meeting on Tuesday, when Mrs. Levi K. Bowen read an interesting paper on Adelini Patti, prima donna. A touch of local interest was added by the fact that Patti at one time lived in a castle in Wales, formerly owned by an ancestor of Mrs. Bowen's. The great singer upon her visits to this country was repeatedly entertained at the homes of aunts of Mrs. Bowen's living in Baltimore and California. "H. Bacio" by Ardite, the "Ana from the Barbary of Seville," "Listen to the Mocking Bird," the "Last Rost of Summer," and "Home Sweet Home," all Patti favorites were pleasingly sung by Miss Eleanor Duffy, Miss Graybill, and Miss Houston. Mrs. Pillsbury read selections from contemporaneous poets.

Members of the Board of Directors announced, as a result of the supper recently given, the payment of two notes and the interest for the year on the total building indebtedness.

The club meeting of December 16th, the last to be held this year, will be featured by a program of Christmas music in charge of Mrs. Duffy. Refreshments will be served by the hospitality committee. Meetings will be resumed on January 6th, when the program will be devoted to a discussion of art.

## GET YOUR TAGS

Motorists Urged To Avoid Rush Season

Autoists, with the idea, of system, are arranging for next years license tags. It avoids rush confusion and sometimes embarrassing delays. Tags may be secured now. According to the new law, new tags may be used the new year or if delayed, old tags may be displayed for five days after January 1st. It is just possible however that with this leniency provided for, that after that time the law will be rigidly enforced. Incidentally, Justice Lovett and Notary Public Donnell give very quick service. They can, and do give detailed and careful attention to this work. So a word to the wise is sufficient. Get your tags in Newark.

## Kells Printer Talks Craft

Frank Balling, Head Pressman at Kells spoke before the Benevolent Pioneer Literary Society of Wilmington on Monday evening. The subject was "Printing from the standpoint of the Pressman." Useless to say the talk was interesting. Balling and his work at Kells is living and acknowledged proof that he knows what he is talking about.

## Plans for New School Progressing

Funds for Teachers' Salaries Now Available

At a meeting of the Newark Board of Education held this week a letter from the State Board, ruling that all taxes due prior to 1919 might be used in any way that the local board saw fit, was read by the Secretary, Phineas Morris. This sum, amounting to over \$900, in the Newark district, will be applied to teachers' salaries.

Activity is reported in all circles relative to the new Building project. A. R. Spaid, State Commissioner of Education spent several hours today in conference with local school men. Owing to the fact that the first site decided upon was found as the plans progressed, to have certain handicaps, a final decision has not yet been reached. Both Mr. Morris and George B. Miller, president of the State Board, when speaking of the matter today, believed there would be a final announcement to the public in a few days.

Mr. Betelle, school architect employed by the Delaware School Auxiliary Association, in cooperation with local men, has completed plans for the proposed building. These will be presented to the local board for their consideration at an early date.

## Cantata In M. E. Church

Rehearsals are under way for a Christmas cantata, "A Bona Fide Santa," to be held on Tuesday evening, December 23rd, at eight o'clock.

## Christmas Entertainment Announced

The Presbyterian Church will hold its annual Christmas entertainment on Monday, December 29. Rev. C. W. Wollson, of Philadelphia, will be the entertainer of the evening. There will be a tree loaded with presents and Santa Claus will be there to help distribute the gifts. Rev. Wollson will entertain the children at the West Presbyterian Church, of Wilmington, the following evening.

## J. H. Hossinger Improved

Joseph H. Hossinger, who was critically ill last Friday night and Saturday morning, rallied Saturday afternoon, and his condition has been much improved since then. Mr. Hossinger has been ill and confined to his home for several months.

## Seriously Injured In Collision

Robert Tubbs, 43 years old, a farmer of near Appleton, Md., was seriously injured Sunday morning, in a collision at Oak Grove, north of Elsmere. The accident occurred shortly after 1 o'clock, when an automobile owned and operated by P. J. Swayne, 1300 west Seventh street, Wilmington collided with a farm wagon Tubbs was driving.

The wagon was wrecked, throwing the driver to the ground, and the automobile became unmanageable and ran over a five-foot embankment.

Barney Gilbert, 12 Riddle Avenue, Wilmington who was passing the scene of the accident picked up the injured man and took him to the Homeopathic Hospital. Swayne the driver of the automobile was uninjured. Tubbs' injuries consisted of lacerations of the head and a badly bruised leg.

## Improved Postal Service

Postmaster L. K. Bowen has announced this week that parcel post is now being delivered by motor bus, to all patrons of the Newark office. Coming as it does, at the Christmas season this service is particularly appreciated.

## Important Lodge Meeting

The Ivy Castle, No. 23, Knights of Golden Eagle will hold a very important meeting on Saturday evening, December 13. There will be an election of officers for the ensuing year and all members are requested to be present promptly at 7:30 o'clock.

The following Saturday night, December 20th, the newly organized Degree Team will have its first rehearsal.

## Two Teams Tied for First Place in Local League

### American Vulcanized and Jr. O. U. A. M. each have Three Victories

Two games were played Saturday. The Jr. O. U. A. M. defeated the Y. M. C. A., 14 to 13, and the American Legion team defeated the Continental Fibre 21 to 7. The line-up and scores follow:

Jr. O. U. A. M.	
Goals.	
Field Foul Points	
Hoffecker, forward	1 0 2
Bland, forward	0 0 0
Ewing, center	2 6 10
Longland, guard	1 0 2
Mote, guard	0 0 0
Totals	4 6 14

Y. M. C. A.	
Goals.	
Field Foul Points	
Robinson, forward	3 0 6
Moore, forward	1 5 7
Hoyt, center	0 0 0
Lilly, guard	0 0 0
Williams, guard	0 0 0
Totals	4 5 13

The score of the American Legion-Continental game follows:

American Legion.	
Goals.	
Field Foul Points	
Rhodes, forward	0 0 0
Holton, forward	2 0 4
Robinson, forward	4 0 8
Fader, center	2 5 9
Mackey, guard	0 0 0
Herbner, guard	0 0 0
Totals	8 5 21

### 18 High School Boys Out For Basketball

Encouraged with the showing made this year in football Newark High School boys will try to do equally as good in basketball and eighteen boys have reported for practice. A schedule is being arranged, but it has not been completed. George, instructor in agriculture, who coached football, will also coach the boys in basketball. Paul Steel has been elected manager, and Arunah Armstrong, captain. Those who reported for practice were: Manager Steel, Captain Armstrong, Paul Moore, Victor Armstrong, Barclay Armstrong, Chas. Cornog, Charles Hopkins, Robert Major, Floyd Hubert, Herbert Henning, John Mayer, John Hoffecker, Robert O. Hayes, Sidney Hoffman, Charles Blest, James Smith, Courtland Houghton and Earl Evans.

### Three Injured In Athletic Events

Two Delaware College students and one member of the Experimental Station staff suffered serious injuries while taking part in athletic events last week. During the Faculty-Seniors football game on Saturday which the former won 12 to 10, County Agent R. G. Bausman who played on the faculty team had his collar bone broken and Frank Pool, a member of the senior team, suffered several fractured ribs.

Last Friday night, during a class basketball game, Harry Loose, a senior, broke his right arm at the elbow. Loose is a member of the track team and his injury may handicap him in that sport next spring.

### Junior Team Close Game From Sophs

In the most spirited and hardest fought game of the class series the Delaware College Juniors basketball team Monday afternoon defeated the Sophomore's by the score of 19 to 15. The playing of Marvel for the Juniors and the foul shooting of Twoes for the second year boys were the features. The line-up and score follows:

Juniors	
Goals	Fouls Points
Marvel, F	4 8 16
Horty, F	0 0 0
Aikens, C	1 1 3
Wilson, G	0 0 0
Attix, G	0 0 0
Totals	5 9 19

Sophomore's	
Goals	Fouls Points
Ivory, F	1 0 2
Keith, F	0 0 0
Harper, F	0 0 0
Twoes, C	0 11 11
Wills, G	0 0 0
Totals	1 11 12

Field Foul Points	
J. Rhodes, forward	1 3 5
Battersby, forward	1 0 2
Jackson, center	0 0 0
Tierney, guard	0 0 0
Keeley, guard	0 0 0
Totals	2 3 7

With three victories each and no defeats the American Vulcanized Fibre Co. and Jr. O. U. A. M. basketball teams hold the lead in the local league. The contests grow in interest each week and all are played on the Y. M. C. A. floor. The standing of the teams follows:

W. L. P. C.	
Am. V. F. Co.	3 0 1.000
Jr. O. U. A. M.	3 0 1.000
Am. Legion	2 1 .666
Y. M. C. A.	2 1 .666
Con. Fibre Co.	1 4 .200
Town Team	0 5 .000

Monday night the American Legion won an easy victory over the crippled Town team 18 to 9. The line-up was:

Town Team	
G. F. F.	
Moore, F	2 3 7
Wilson, F	0 0 0
Hoffecker, C	1 0 2
Smith, G	0 0 0
Fosset, G	0 0 0
Total	3 3 9

American Legion	
G. F. F.	
Robinson, F	1 0 2
Holton, F	4 0 8
Fader, C	4 0 8
Olcott, G	0 0 0
Rhodes, G	0 0 0
Mackey, G	0 0 0
Total	9 0 18

Seniors	
G. F. F.	
Rothrock, G	0 0 0
Wilson, G	1 0 2
Total	1 0 2

The Freshman shut out the Seniors 25 to 0, the upper classmen being unable to score a point during the entire game. The score and line-up follows:

Freshmen	
Goals Fouls Points	
Cale, F	1 1 3
Jackson, F	4 0 8
Armstrong, C	2 0 4
Ramsey, G	2 0 4
McGovern, G	2 0 4
Gray, G	1 0 2
Total	12 1 25

Seniors	
Goals Fouls Points	
Taylor, F	0 0 0
Kite, F	0 0 0
Hudson, C	0 0 0
Plam, G	0 0 0
Stewart, G	0 0 0
Totals	0 0 0

### JUNIORS AND FRESHMEN TIE

Each Have Won Three and Lost One Game In Class Series

The Delaware College Juniors and Freshmen are now tied for first place in the series of games between the classes, each having won three and lost one game. These two teams have met twice and they split even each winning a game. The series is growing in interest and the Sophomore's are also to be reckoned with as they have won two and lost two. The Seniors are hopelessly out of the running having lost all four games played to date. There will be games every day until next Wednesday.

Last night there were two games, the Sophomore's defeating the Seniors 40 to 6 and the Juniors winning from the Freshies 12 to 6. The scores follow:

Seniors	
G. F. P.	
Taylor, F	1 0 2
McCord, F	0 2 2
Kite, C	0 0 0
Stewart, G	0 0 0
Olcott, G	1 0 2
Totals	2 2 6

Sophomore's	
G. F. P.	
Keith, F	1 0 2
Ivory, F	2 0 4
Twoes, F	6 4 1
Lynch, C	5 4 14
Wilson, G	2 0 4
Rothrock, G	0 0 0
Totals	16 8 40

The Junior-Freshman score follows:

Juniors	
G. F. P.	
Horty, F	0 0 0
Marvel, F	1 2 4
Aikens, C	1 6 8
Wilson, G	0 0 0
Barnard, G	0 0 0
Totals	2 8 12

Freshmen	
G. F. P.	
Jackson, F	0 0 0
Cole, F	0 2 2
Armstrong, C	1 2 4
Ramsey, G	0 0 0
McGovern, G	0 0 0
Totals	1 4 6

The standing of the class teams follows:

W. L. P. C.	
Juniors	3 1 .750
Freshmen	3 1 .750
Sophomore's	2 2 .500
Seniors	0 4 .000

### For The Homemaker's Eye

#### Bailed Calves' Tongues.

Cover four fresh tongues with boiling water. Add five slices of carrot, two stalks of celery, one onion stuck with six cloves; 15 peppercorns and one-half a tablespoonful of salt; cook until tender. Take from the water, remove the skin and roots and cut in halves lengthwise. Cook one-half cup of tomatoes with two cupfuls of brown stock until reduced one-half. Reheat tongues in sauce. Garnish with parsley, lemon slices and points of bread sauted in butter.

#### Mock Sausages.

Pick over one-half cup of lima beans and soak in cold water to cover. Drain and cook in boiled salted water until soft; then force through a sieve. There should be three-fourths of a cupful of pulp. Add one-third of a cupful of dried crumbs, three table-spoonfuls of cream or butter, a few grains of pepper, salt to taste, one-half teaspoonful of sage and one egg beaten slightly. Shape in the form of sausages, dip in egg crumbs and fry in olive oil. Drain, arrange on a serving dish and garnish with fried apple rings.

#### Italian Canapes.

Cut stale bread in one-third-inch slices and remove the crusts. Cut in finger-shaped pieces and toast on one side. Mix one cupful of grated cheese, two-thirds cupful of cream and two tablespoonfuls of fruit juice, season well with salt and pepper. Spread the untoasted side of bread with the mixture, arrange in a pan and bake in a hot oven six minutes. Serve at once on small hot plates.

#### Hints That Help.

If there is no one to hold the wool when winding it, place two flat-irons on a table at some distance apart to allow the wool to be tightly stretched. Perspiration stains can be removed from a garment by soaking it in strong salt water before washing.

Don't tie baby's napkin around his neck. Tie a knot in one corner and slip into the neck of the dress.

Put a few drops of glycerine on the cork of your glue bottle. This will prevent it becoming fast in the neck. A good-sized cork wired on a bit of picture wire can be put on your tea kettle lid and will prevent burned fingers.

Attach a two-inch piece of transparent gummed adhesive tape to the lower corners of sheet music instead of bending them back. This will prolong the life of the music.

For egg toast take one cupful of milk, add a quarter of a teaspoonful of salt, beat the egg and add the liquid and salt. Soak the bread in this until soft; and fry to light brown.

### Women's College Notes

On Wednesday, December 3, Dean Robinson of the Women's College, attended a luncheon in Philadelphia, given by Mrs. James Starr for the promotion of the establishment of a Department of Training for Public Health Service. It is desired that colleges for women cooperate with the Women's Medical Corps of Philadelphia. The Women's College of Delaware is one of the group of colleges selected for this work. Dean Robinson also attended a meeting of Directors of the Bureau of Occupation in Philadelphia on Thursday, December 4th.

The students and faculty of the Home Economics Department of the Women's College celebrated Ellen H. Richard's birthday, Wednesday afternoon, December 3, at a tea given in the Home Economics Practice House. Miss Lillian Butz gave a short sketch of Mrs. Richard's life, in which she brought out the fact that the Home Economics Movement owes much of its strength and impetus today to the work of Mr. Richards.

Alice Roop, Dorothy Ford and Miss

LeCates are the three students of the Women's College who have been selected to go to the Students Volunteer Conference to be held in Des Moines, Iowa, from December 31 to January 4. Miss Gualisita Drake of the faculty, was also chosen to attend the conference.

Miss Schmitt, who has been working in factories since thirteen years of age, and who was a delegate to the National Industrial conference held by the Y. W. C. T. U., will speak at the Y. W. C. A. meeting at Women's College on Sunday evening.

Dr. Ellen C. Potter, of the Philadelphia Women's Medical College, spoke in chapel on Wednesday morning to the student body of Women's Colleges on the relation of beauty to health. Dr. Potter is especially interested in the college as one of its alumni; Emilie Mundy, of the class of 1918, is now studying at the Women's Medical College in Philadelphia.

Current events continue to be of great interest to the students of Women's College. This week in chapel Edith Leonard led the discussion, and as the topics or the day were discussed by Ethel Jones, Blanche Derickson, Virginia Mason, Ruth King, and Ann Kane.

Miss Mary E. Rich, Professor of Education at the Women's College, was the speaker in chapel on Friday, December 5. Miss Rich gave a very interesting talk on Bolshevism.

G. E. Bunting & Sons, proprietors of Buntings' Nurseries, Selbyville, Delaware, have given to the State Board of Agriculture the following valuable shrubs and trees for planting along the duPont Boulevard between Selbyville and Milford: 50 Butterfly bush, 100 Spirea, 20 Deutzia crenata, 20 Deutzia Pride of Rochester, 35 Forsythia, 20 Rose of Sharon double red, 20 Rose of Sharon, double white,

10 Hydrangea Panniculata Grandiflora, 10 Hydrangea Arborescens, 500 Barberry, 1000 privet, 20 European larch, 10 Douglas spruce, 10 American Arborvitae, 10 Norway spruce, 200 Weeping Willows, 50 Silver Maples and 25 Russian Mulberry trees.

Mrs. Coleman duPont has employed a competent landscape gardener to arrange the planting of these trees and shrubs in a way to make the road sides attractive and to be a practical example of what may be done by the average farmer in Delaware.

The Rev. Russell Paynter, formerly of Nassau, Del., and a graduate of Delaware College, class of 1913, has just accepted a call to become the pastor of the McDowell Memorial Presbyterian Church in Philadelphia. This is a large and influential church. Mr. Paynter is at present the pastor of the Presbyterian Church at Woodbury Heights, N. J.

## Stein Mason to Sing in Home Town

Concert Promises to be Social Event of Season

J. Helfenstein Mason

The celebrated Basso J. Helfenstein Mason, who will appear in Marie Stone Langston Contralto, concert at Wolf Hall, next Tuesday evening Dec. 16th together with Emily Stokes Hagar Soprano, George Rothermel, Dramatic Tenor and William Silvano Thunder

Marie Stone Langston

Planist, will give the residents of Newark a very delightful Musical Treat.

Mr. Mason, who recently appeared as soloist for The Philharmonic Orchestra at Schubert Theatre, sang so remarkably and his voice was so phenomenal that a New York manager who happened to be in the audience offered to feature him, on tour for five years. The following program will be used at the concert:

- 1 Quartette—Song of the Vikings  
Fanning  
Wallnöfer
- 2 Solo—(a) Vale Carissima  
(b) Chirst in Flanders  
Ward-Stephens  
J. Helfenstein Mason
- 3 Duet—Tales of Hoffman—"Barcarolle"  
Offenbach  
Emily Stokes Hagar  
Marie Stone Langston
- 4 Solo—O'Paradiso, from "L'Africaine"  
Meyerbeer  
George Rothermel
- 5 Trio from Faust  
Gounod  
Emily Stokes Hagar  
George Rothermel  
J. Helfenstein Mason
- 6 Piano Solo—(a) March Militaire  
Schubert  
(b) Prelude  
Rachmaninoff  
William Silvano Thunder
- 7 Quartette—Selected  
Rogers  
8 Solo—(a) The Star  
(b) The Winds of the South  
Scott  
Emily Stokes Hagar
- 9 Duet—"Home from the Mountains," from "Il Trovatore,"  
Verdi  
Marie Stone Langston  
George Rothermel
- 10 Solo—(a) Molly  
Victor Herbert  
(b) I Did Not Know  
Scott  
Marie Stone Langston
- 11 Duet—La Forza del Destino  
George Rothermel  
J. Helfenstein Mason
- 12 Sextette From Lucia, arranged for Quartette  
Donizetti

This concert is given under the auspices of the Faculty Club.

## Alcohol Permits Ready

Permits for persons to use or sell alcohol under the provisions of the prohibition law are now ready in the office of the Collector of Internal Revenue Graham.

All holding old permits must have them renewed and file new bonds. Those required to have permits are physicians, druggists and others using alcohol industrially.

The minimum of \$50 for a bond has been increased to \$1,000. December 31 is the last day for filing bonds. Failure to file will mean a revocation of the permit.

After December 1, 1919, vendors may not deliver wines, (except for ceremonial purposes after receipt of

Forms 801 or 802) or nonbeverage spirits unless on receipt of application Form 739 duly certified by the prohibition enforcement officer.

## Destroyers Built at Local Shipyards Picked For European Cruise

The destroyers Chandler under command of Lieutenant-Commander F. Cogwell, Southard under command of Commander Russell Wilson, Hovey under command of Commander A. B. Cook, Broome under command of Dany, and Alden, flagship, under command of Commander W. Anerum, will leave the United States this month for an extended cruise in European waters. The Chandler, Southard and Hovey, now at the Navy Yard, Philadelphia, Pa., will leave for Newport, R. I., about December 15th, 1919, where a full cargo of torpedoes will be taken on board, after which they will sail for Europe. The first port of call will be that of Brest, France. These ships will operate in the Baltic Sea, around the British Isles and along the coast of France while basing on Brest. From the Baltic Sea they will proceed to the Mediterranean for similar duty, and from the Mediterranean they will probably return to the United States by way of the Asiatic and Pacific Oceans, making a world cruise.

The crews of these vessels will have an opportunity to see Europe, Northern Africa and probably the Orient and the West Coast of the United States. The cruise, returning by way of the Asiatic, will last about two

years. There are some few ratings on board the vessels, such as gunner's mates, quartermasters, machinists, electricians, (radio and general), yeomen, storekeepers, firemen and engineers, which it is desired to fill with ex-navy men who have had previous experience. The armament of each destroyer contains four 4-inch, 50 caliber guns, twelve 13,500 yard, mark VIII, torpedoes, one 3 inch, sky gun and three Lewis machine guns. The Long and Hovey are the heaviest armored vessels of this class in the Navy, having double the armament of any other destroyers of their class, as two guns are installed on each mount. These destroyers were all built at Cramp's Shipyard, Philadelphia, and were picked for this duty because of their large capacity and economic fuel consumption.

## New Serial Made at Enormous Cost

"Lightning Bryce," the new wonder serial now being shown at the Opera House, is said to have cost more money to produce than any other serial. The National Film Corporation of America is said to have spent a quarter of a million dollars on this serial. No expense was spared in carrying out the wishes of the author, Joe Brandt, who was determined to make a feature serial.

"Lightning Bryce" was produced on a lavish scale. There is a splendid cast of players supporting the two big stars, Ann Little and Jack Hoxie. Both of these stars were secured from the Paramount-Arcraft Programme, where they recently played in "Told

in the Hills." The most successful serial director was secured in the person of Paul Hurst, who has directed some of the most successful money making serials on the market. In every other way, "Lightning Bryce" secured the best talent to the end that this serial would be as big and successful as a serial could be.

In the filming of "Lightning Bryce," the company has taken over a great deal of ground. The story opens on the plains of California and later is taken to the California Beach and to Chinatown. The cost of transportation alone was enormous. The scenery is new in many cases and all the other details, such as photography and technical direction are of the best. The finished product has been pronounced by critics everywhere as the greatest serial ever made.

Address all communications to THE NEWARK POST.  
Make all checks to THE NEWARK POST.  
Telephone, D. & A., 82 and 93.

We want and invite communications, but they must be signed by the writer's name—not for publication, but for our information and protection.

Entered as second-class matter at Newark, Del., under act of March 3, 1879.  
The subscription price of this paper is \$1.50 per year in advance.  
Single copies 4 cents.

DECEMBER 10, 1919

The Newark Development Company is more than an Advertiser—it is doing things. Two houses in process of erection, two more planned and starting news coming. Unless we are greatly in error, these men have hit the idea for service, profit and benefit to Newark. The type of houses and methods of business are baffling what this town and community ought to be.

## DEAN HAYWARD LEAVES DELAWARE

(Continued from Page 1)  
understood will have charge of the agricultural branch of the advertising. Dean and Mrs. Hayward were unable to rent a suitable house in Philadelphia or vicinity, so they have purchased a property at Narberth, Pa., and are arranging to move there shortly.

The Diamond State Grange of Stanton at a meeting Monday night adopted resolutions urging that the matter of the resignation of Dean Hayward be investigated by the trustees.

The petition of the Student body prepared last Saturday urging an investigation follows:

To Dr. S. C. Mitchell, President of Delaware College, Newark, Delaware:

Whereas, after a petition prepared by the Agricultural Club and signed by 209 students, requesting that Dean Hayward be urged to remain at Delaware College, had been presented to the president and Board of Trustees of the college, it was denied in the Wilmington Morning News of December 6 that such petition had been presented.

And whereas, the student body, knowing that pressure had been brought to bear upon Dean Hayward which forced him to resign without any explanation of this action being offered to either the agricultural staff, the student body, or to the people of the State of Delaware, feels that this action is altogether autocratic, and that an investigation of the whole matter should be made.

And whereas, the student body feels the fullest confidence in the work and in the abilities of Dean Hayward, and believe that by his leaving the college faculty will be greatly injured.

And whereas, it seems to the student body that an effort is constantly being made to bring about the resignation of members of the faculty returning from war service.

Therefore, Be it Resolved, That we, the Students of Delaware College, through the Student Council, do hereby urge upon the faculty and Board of Trustees of Delaware College, That

1. A thorough investigation of the matter of Dean Hayward's resignation be made with a view to determining just why he was forced to resign.

2. That Dean Hayward be retained in his position as Dean of the Department of Agriculture.

And be it further Resolved, That a copy of these resolutions be sent to Dr. Mitchell, to Mr. Henry B. Thompson, president of the board of trustees and to Governor John G. Townsend and that they be published in the papers throughout the State.

And be it further Resolved, That another copy be sent to the commander of the American Legion in Delaware with the request that an investigation be made to see why the service men at the college are being discriminated against.

Signed:  
Student Body of Delaware College,  
Newark, Del., December 6, 1919.

## DELAWARE MEN BANQUET IN PHILADELPHIA

(Continued from Page 1)  
officers were elected for the ensuing year.

Among those present at the banquet were: R. P. Robinson, Dr. John Ball, Darlington Flynn, J. P. Groome, W. A. Melson, George F. Baird, Charles L. Medill, George L. Medill, Wilbur Jump, former Governor Charles R. Miller, Colonel George W. Sparks, Charles A. Rudolph, W. B. Megeer, C. C. Killen and Dr. S. C. Mitchell.

Dr. Mitchell was accompanied by T. Norman Wade, a Freshman at Delaware, who holds the \$300

scholarship offered by the Philadelphia Society, Sons of Delaware, this year. He was a special guest. His home is in Wilmington and he is enrolled in the Arts and Science course, at the college. Young Wade made an excellent impression and met personally, a large number of the members of the society. Dr. Mitchell made a short address.

## Supper Successful

The annual poultry supper held in the Y. M. C. A. on Thursday, December 4th, under the auspices of the ladies of the Presbyterian Church, was a great success. Over five hundred dollars were cleared, this being at least one hundred more than the amount realized in previous years. More than five hundred suppers were served and the rest was taken in at the candy, cake, ice cream and fancy tables.

## Plans Open Meeting

The Chautauqua Reading Circle will meet at 7:45 on Friday evening, December 18, with Miss Robinson, at Science Hall, Women's College.

This meeting marks the completion of the study of Dr. Powers' book, "America Among the Nations." Dr. Vaughn has consented to review the book. All the members are requested to complete the reading of the book before the next meeting, if possible.

Each member has the privilege of bringing one guest to this meeting.

## Apsley Called to Capital As Witness

Officer Apsley was called to Washington, D. C., last week as a witness in the case of Harry Wagonman charged with stealing an automobile owned by Clarence Dodge, a real estate broker of that city. On information received from Washington, Officer Apsley arrested Wagonman, near Newark some weeks ago. It is alleged that he was driving the stolen car when arrested. The case was postponed and Apsley will have to return to Washington again in a few days.

## Promising Horses Is

### Tyson's String

Herman Tyson, during the past few days added a number of promising green trotters and pacers to his stable, which he is wintering here, and will race next year.

He purchased the brown gelding Ruthmont, by Billy Prince, out of Lady Ruth, by Falmont, and she is the dam of Rosalie, 2:11½; Baby Ruth, 2:14½, and Harry Bingen, 2:15½. Trainer Tyson also secured Ruthmont's full sister, Aunt Ruth. The horses were purchased from C. E. Mears, of Keller, Va. They are considered a most promising pair of green horses and will be given an early preparation for next season's races. They will no doubt be named among the Dealers' Sweepstake starters.

## Christmas Play Given By 8th Grade

The Eighth Grade of the Grammar School will give a play, "Where love is, there God is also," in the Opera House, December 22nd, at 8 o'clock, P. M. All of the cast is taken from the Eighth Grade, and is as follows: Shoemaker, Buford Denney; Apple Women, Charlotte Hossinger; Boy, Herbert Leverage; Mother, Iva Wollaston; Pilgrim, Marion Hopkins; Old Soldier, Irving Cashell.

This play is under the direction of Miss Mabel K. Tebo, a student of the Women's College. Although it is impossible for every member of the class to be in the play all are interested and are helping in many ways to make it a great success. The following committees have been appointed: Business, Property, Greens, Costumes, Poster, Programs and a temporary Dramatization Committee.

## Anniversary Dinner

Mr. and Mrs. John Hartis and family entertained Mr. and Mrs. J. Herbert Bedford of Wilmington over this week end, giving them a dinner in honor of their nineteenth wedding anniversary. A number of relatives and immediate friends were present.

## Charge Taylor With Larceny

After a chase in an automobile that led nearly to Norrisstown, Pa., Officer Melville R. Apsley several days ago arrested Alfred Taylor, colored, of Iron Hill, on a charge of stealing dogs. Taylor was brought back to Newark and held under \$1,000 bail by Magistrate Lovett for county court. Both Frank Tween and Hamilton Taylor, the latter colored, accuse the defendant of stealing their dogs. It is alleged that Taylor had the dog owned

by Hamilton Taylor in his possession when arrested. There have been numerous complaints of late of boogies and fox hounds being stolen and it is alleged that the dogs were taken to Pennsylvania and sold.

## PERSONALS

Mrs. Edgar Dawson of New York City is the guest of Mrs. C. B. Evans.

Master Brinton Wright called on Santa Claus at the Wanamaker Store on Monday of this week.

Mr. Paul Cooper, son of Dr. and Mrs. Richard Watson Cooper, West Main Street, arrived at his new home in Newark on Tuesday evening after completing work in a school at Missoula, Montana.

J. Howard Cleaver and family of East Main Street moved to Philadelphia the latter part of last week.

Mrs. Clarence Keyes leaves today after a visit with her mother Mrs. Harry Campbell, to join her husband on a trip to New York State. They will be the guests of Dr. Harold Keyes in New York City while there attending the wedding of Mr. Keyes' room-mate at Lehigh College, and later will visit Mr. and Mrs. Clarence Keyes, Sr. at Saratoga Springs where the former is president of Skidmore College.

Miss Mary E. Rich of the Women's College spent the week-end with Dover friends.

Miss Elizabeth Jarmon of near Newark leaves in a few days for Florida where she will spend the winter.

Miss Elizabeth Houston of Georgetown, a graduate of the Women's College of Delaware class of 1919, spent the week-end with her sister, Miss Mary Houston, of the teaching staff, Newark High School.

Lieutenant G. Harvey Ferguson spent several days with his parents in Newark this week.

Esther Elizabeth Stewart, the seven month old daughter of Rose Butler Stewart, well-known in Newark, was buried from the home of her parents in Wilmington, on Monday of this week.

## Surprise Party

A pleasant surprise party was given for Mr. and Mrs. Charles Grier at their home near Casho Mills on December 6th. The evening was spent in singing, playing games and dancing. Many friends were present from Newark and North East.

South Bank School Report for London British Township, Chester Co., Penna. For the month ending December 2, 1919. Number of pupils enrolled 27.

Average attendance for the month boys 11, girls 10.

Percent of attendance for the month boys 86, girls 83.

Those who attended every day are: Margaret Richards, Helen Vansant, Jennie Garrett, Sarah Thompson, Nelson Pierson, and Joseph Thompson.

Belle Dunlap, (Teacher).

## NEWARK MEN ON THE BORDER

Local Representative in U. S. Regular Army

Major L. B. Jacobs with family who left two weeks ago to resume his work on the Mexican frontiers, is now stationed at Sanderson, Texas, in charge of the reconstruction work on an aviation field being built there. Sanderson is a picturesque western town true to moviel type, letters from the Delawareans state. The "coal situation" does not exist for the fuel in use is wood. The school is reputed to be one of the best in the State. All the children have Mexican burros for playfellows. Dances on every Wednesday and Saturday night follow the "movies." Cowboys and Mexicans dominate the crowd, while women with babies on their laps look on from the circle around the stove that heats the room.

Captain J. Wilson O'Daniel recently assigned to Company 3, 25th U. S. Infantry, writes from Nogales, Arizona, of life on the border. "I can look from my quarters over into Mexico. There is a high fence that divides the town in two. Our sentries are on one side and the Mexicans on the other. The country is about like Deming only not quite so sandy."

Captain O'Daniel refers to a fellow officer, captain "Pat" Milligan, a West Pointer, whose home is in St. Georges, Del. He was a student at Delaware College for two years, in about 1910.

Mr. and Mrs. D. C. Rose Plan to Go South

Mr. and Mrs. David C. Rose will leave the latter part of this week for Palm Beach, Florida, where they will spend the winter. Mr. Rose built a bungalow at Palm Beach several years ago and they have been spending their winters at that resort since.

Last Friday evening Mr. and Mrs. Rose entertained some friends at a house warming at their new home on South College Avenue.

Y. M. C. A. Directors Will Meet Tomorrow Night

Directors of the Young Men's Christian Association will hold a meeting tomorrow night. Under the leadership of Secretary W. Paul Bebout the "Y" is growing in popularity and influence among the young men of the town. The basketball league games played every Monday, Wednesday and Saturday evenings is attracting many to the "Y" on those evenings. The dance held each Saturday evening, following the basketball games with music by "Billy" Wilson's orchestra, is another feature.

## Housewives, Attention!!

Your HEALTH is of greater importance than your money. If this is true, then it naturally follows, you should conserve your HEALTH.

You can do better service for your family and the community if you will transfer your Laundry worries to

## SNOW WHITE LAUNDRY

We have pleasure in serving a considerable number of Newark families already, and would be pleased to serve more.

## Our Lace Curtain Department

We have recently installed new equipment for the cleaning of Lace Curtains, and are so well pleased with our work in this department, that we cheerfully agree to make no charge if not entirely satisfactory---you to be the judge.

## MASTER OF GRANGE URGES SUPPORT OF NEW SCHOOL LAW

(Continued from Page 1)

1920 as was done in 1919, as I believe it is one of the best ways to maintain grange interest.

### Agriculture.

"Since God placed man on earth agriculture has existed, and it will continue to exist as it is the vital factor in man's existence. The agriculturists of America have labored under abnormal conditions during the last four years on account of labor conditions, and I do not see any help in sight unless, we as farmers, unite and work for shorter fixed hours on the basis of cost plus a fair profit.

### Education.

"There is no subject in Delaware that is more discussed at present than education. New then we have a chance of getting better schools, something for which we have always asked and worked, it seems that many of us are not willing to support them. It is unfortunate that this increase in taxes for better schools should coincide with the increase that comes from the depreciated dollar of this year. That the latter alone would have more than doubled taxes, is lost sight of behind the fact that the better school conditions call for money. Statistics tell us that we have been sorely in need of a charged school system in Delaware. Now that it is within our grasp, do not let us turn it down. I earnestly recommend that we declare ourselves in favor of the school law and that we give it our undivided support.

### Temperance.

"The Order of P. of H. has always stood for temperance and we must not relax on the eve of victory. We must watch and work or all gained will be lost. Therefore, I recommend that this State grange give to the temperance cause, our unanimous support at the coming election in 1920 and also at the next session of the legislature in 1921.

### Legislation.

"During the reconstruction period it is more necessary than ever that we keep close on the heels of new bills both in Washington and Dover. Our office in Washington is always ready to give and take advice on all matters. I earnestly request and urge that all members use postage stamps on our representatives in Congress. The National Grange declared itself in favor of the League of Nations, and I believe we should do the same. Let us do all we can to have the eighteenth amendment ratified at the next legislature. We must also secure the passage of a law regulating traffic on our new concrete roads, which shall demand the pneumatic tire as a working start instead of the tonnage which would be almost impossible to regulate.

"Down with all Bolshevik movements. He should also favor honest journalism.

"Believing that the budget system is the only system with which to run public business, I recommend that this grange declare itself in favor of the budget system in county, State and nation.

### Transportation.

"We have always had this work before us and we have not accomplished much. Our solution is that we support all public improvements in waterways and public roads in both State and nation.

### Co-operation.

"We are again face to face with this great problem, and we are no nearer solving it. The National Grange has appointed a committee on this subject to meet in early winter in Washington and see what can be done. The New York State Grange has accomplished a great deal in this line, both in buying and selling, and I recommend that our secretary get in communication with the New York Grange and keep himself informed on prices of seeds, feeds and other commodities which they handle and which we have to buy.

### Taxation.

"There is certainly room for improvement in this part of our State government. All property should bear its share of tax but we are paying too much to get our taxes collected. What we believe we need is a State law for assessing and collecting, with the county as a unit. I recommend that the State Grange instruct its legislative committee to work for this system.

### Good of the Order.

On account of scarcity of labor, we have not been able to do any extensive grange work but Delaware must wake up or we will be

lost in the race. Therefore, I recommend that this grange authorize the executive committee to secure a competent deputy and keep him at work during January, February and March, 1920.

### In Memorium.

"This we will leave entirely with our worthy chaplain.

### In Conclusion.

"Each and every one get into the harness anew for 1920, to make Delaware take the place it deserves in grange history. Fraternally submitted,

"JACOB H. ROSA,  
Master."

## HELP FIGHT THE "WHITE PLAGUE"

### How Your Money Will Be Spent Explained By the Committee

Some of the methods with which the Delaware Tuberculosis Association proposes to wage a successful fight against tuberculosis in the next 12 months, comprise ways and means by which every section and corner of Delaware can be reached. With the money obtained from the sale of Christmas Seals the plans that have been decided upon for the battle in Delaware will be placed in operation. These methods have been tried out in other States and have proven very satisfactory.

One of the first steps that will be taken will be the employment of two nurses for each county. These nurses will visit schools, and the homes of suspected cases, give advice to patients and those afflicted with the first signs of tuberculosis. They will show how the afflicted one shall care for himself or herself, the diet, amount of sleep, sanitation, clothing and other details that are important.

An effort will also be made to establish open air schools, where the pupils will study and recite in the fresh air at all times. Special menus for the children stricken with the white plague will be provided and a careful watch maintained of their progress. Another branch of this work will be open air rooms in certain schools. In both the open air rooms and the open air schools, it is an established fact that the children gain in weight, health and knowledge, being able to study better and learn

more rapidly than in closed heated rooms. In all instances there health and comfort are provided for with suitable wraps and clothing.

A third feature of the campaign will be automobile clinics, that will travel to every part of the State. The traveling clinic (an equipped auto), with a physician and nurse will go to these towns and sections where a dispensary is not possible, and examine, give advice and treat all afflicted, and those suspected of the disease.

The death rate in Delaware is far above that of any other State in the Union, but if the present Xmas seal campaign is successful and the citizens of Delaware will cooperate with the effort to abolish the disease during the next 12 months, the mortality will be materially reduced in the year.

The seals sell for a penny. They make an attractive ornament for Xmas packages.

The campaign has the endorsement of Governor Townsend and Red Cross workers in every community. Ninety-two cents of every dollar received will be spent in Delaware, and the remainder after expense of this campaign are paid, will be divided between State and National Tuberculosis Associations.

### What Is the Boy Scout Movement?

Any boy, of any nationality, of any creed, twelve years of age or older, may become a Boy Scout if he promises to keep the Scout oath and law and prepares himself for simple tests on the composition and history of the American flag and the significance of the Scout badge and can make several cordage knots.

The Boy Scout Movement is in no sense a secret organization.

The plan is to group a number of boys (not more than 32 in any one troop, as they are designated) under the leadership of a scoutmaster—a carefully selected, clean, intelligent, boy-loving volunteer leader—always a man of sterling character and mature judgment. Each troop and Scoutmaster are under the supervision of a Troop Committee of responsible citizens, usually officials of the church, synagogue, school, settlement house, asylum or playground with which the troop is connected.

Through such leadership the boys of the troops are kept interested in a

program of play-activities that are health-giving and educational. They take long tramps, studying nature in all its forms. They learn woodcraft, and how to take care of themselves in the open. They have troop meetings each week to study, handicraft, experiments, demonstrations, etc., and go into camp every summer under trained directors.

### Program Carefully Worked Out.

In a hundred ways the boy's time is occupied. The Scout program is as varied and so fascinating to the boy that he simply hasn't time or opportunity to trail with an 'fle gang or to turn into the evils that beset the path of the idle boy.

The Boy Scout is taught courtesy, honor, humanity, kindness, chivalry and service, and to exercise them at home, in school and outside, and such practical activities as first-aid, life-saving, camp cooking, swimming, etc.

The Boy Scout must do a "good turn" daily.

The only membership cost is an annual registration fee of twenty-five cents. The Boy Scout is taught thrift. He must earn the money for his own Scout expenses.

### Takes Part in Public Activities.

City officials often co-operate with Scout leaders, permitting the Scouts to enjoy, as they do, the privilege of assisting in honorable, safe ways in connection with big demonstrations. On such occasions Scouts are responsible aids, while other boys, in striking contrast, just "hang around," getting in the way if not actually into mischief. It becomes a first step in practical civics.

The vast majority of Americans now understand pretty well how practical and how beneficial is the Boy Scout movement as an influence in the lives of boys, and they applaud it in unison. They should not forget that the movement is what it is as a builder of character—as a builder of good citizens—because of the magnificent service of men who are giving their time to the movement as volunteer leaders.

And every patriotic man who thinks about this remarkable movement should think of it also—indeed, he should think of it primarily—as a splendid and easy opportunity for him to do his part toward improving the characters of the men of tomorrow, the men in whose hands will rest the fate of this nation and its ideals.

## THE STORE THAT SAVES YOU MONEY SNELLENBURG'S MARKET AND SEVENTH STS.

Store Opens 9.30 a.m. Closes 5.30 p.m. Saturdays 9.00 a.m.

## SWAGGER OVERCOATS

Reflecting Quality and Style—Direct from Our Factory to You—Saving You the Middleman's Profit.

We've been able to provide in our overcoats a rich variety of fabrics—the sort which are very rare this winter. Of course they're tailored with all the elegance to which the fine fabrics are entitled; the sort of overcoats you'll turn and look at twice whether you see them on the street or in our window. Extreme values at

**\$30, \$35, \$37.50, \$40, \$45, \$50, \$55**

## N. SNELLENBURG & CO.

"THE STORE ACCOMMODATING"

## PROFESSOR SHORT TO LEAVE COLLEGE

(Continued from Page 1)

Short was a member of the football team and has always taken a keen interest in college athletics. No member of the faculty probably did more to advance sports at Delaware than Professor Short. For two years previous to the time when a paid coach was secured, he coached the football team and turned out fast winners.

Professor Short is a native of this State. He was born in Sussex county near Georgetown, and after attending the public school was prepared for college by his father, who was a teacher. He first entered Delaware College in 1889, but then dropped out for three years, later returning and graduating.

The first year after graduation Professor Short went to Lincoln, Neb., where he was commandant of the Worthington Military Academy for one year. The next year he taught mathematics and civics at the Holt School, Burlington, California. He then went to Fayetteville, N. C., as commandant of the Fayetteville Military School. The following year he was made principal of the school, which was moved to Red Springs, N. C., and the name changed to North Carolina Military Academy. He remained there three years.

In 1902 Professor Short came to Delaware College as instructor in mathematics and professor of engineering and has remained here ever since except for the year that he was in the service. He was named captain of Company E, National Guard of Delaware on May 24, 1906, and in 1910 was transferred to the staff as inspector-general.

Professor Short offered his services to his country as soon as war was declared on Germany, but it was not until August 20, 1918, that he was commissioned a major and sent to Camp Meade as adjutant of the 22nd Infantry Brigade. A little later he was transferred to Camp Travis, Texas, as camp adjutant. He remained there until August 11 of this year when he was sent to Camp Dix and mustered out on August 13.

He is an active member of the Newark Methodist Church, Past Master of Hiram Lodge No. 24, A. F. and A. M., and is also secretary of the Newark Building and Loan Association.

## Church Notes — Presbyterian

This evening Dr. and Mrs. Rowan are being entertained at the home of Dr. Latham of Chester, Pa. The service tonight in the Third Presbyterian Church will be a sort of reunion. The music will be in charge of Dr. Adam Geibel, the blind musician of Philadelphia, and Dr. Rowan will deliver the address.

On Thursday evening the monthly meeting of the Women's Missionary Society will be held at the manse.

On Friday evening of this week the Missionary Society of Mrs. J. E. Kneel's Sunday school class will give an entertainment. A silver offering will be taken at the door, and coffee, cocoa and sandwiches will be sold. The proceeds are to go to establish a Mission School in the West.

## Methodist

Last Sunday morning Rev. Frank Herson delivered a sermon on the "Permanent Christ," and his evening service was "The Man Who Adjoined the Meeting."

On Wednesday afternoon the Junior Epworth League will hold its usual meeting. There will also be a meeting of the Probationers' class. The evening will be devoted to the mid-week prayer meeting.

On Friday afternoon the Women's Home Missionary Society will meet at the home of Mrs. Robert Gallaher. The subject for next Sunday evening's service will be "The Man Who Got What He Gave."

## Head of Christiana

The Sacrament of the Lord's Supper, which was postponed last Sunday on account of the weather, will be held this Sunday at the usual hour 10:45.

## Dance A Splendid Success

The Continental Fibre Company band played host on Tuesday evening at a dance in the New Century Club. Music was furnished by the Continental Fibre and Cecilton bands, and selected numbers by the members of the Mandolin club. About three hundred were in attendance and the evening was voted a pronounced success.

## Bake and Bazaar

A bake and bazaar will be held in the new home of Clifford Willis on Main street on Saturday afternoon, under the auspices of the Ladies' Aid Society of the M. E. Church, between the hours of 2 and 6.

Fancy articles, suitable for Christmas gifts will be for sale.

## Delaware to Open Season with Navy

First Home Basketball Game on  
December 19th

## Thirty Candidates Reported to Coach Shipley for Practice This Week

Thirty candidates reported to Coach Shipley for the first practice for the varsity team this week. There is some likely looking material especially among those in the entering class and the prospects are bright for another strong cage team.

Heinie Marston who captained and played guard is the only one of last year's crack team not back. G. Carter and Alexander forwards, McCaughan centre and B. Carter guard are out again. Jackson, Twos, Cole and Armstrong are among the likely looking new men.

The schedule is nearly completed and the first game of the season will be against the Navy at Annapolis on Wednesday afternoon of next week. The first home game will be on Friday of next week with Catholic University. Among the teams on the schedule this year are Penn. Penn State, Swarthmore and Lafayette. The schedule follows:

Dec. 17—Navy, at Annapolis.  
Dec. 18—Catholic University, at Newark.  
Dec. 22—Stevens, at Newark.  
Jan. 8—Lafayette at Newark.  
Jan. 10 and 16—Open.  
Jan. 17—Ursinus, at Newark.  
Jan. 19—Catholic University, at Washington.  
Jan. 20—Georgetown University, at Georgetown.  
Jan. 30—Haverford, at Haverford.  
Feb. 5—Penn State at Newark.  
Feb. 6—Franklin and Marshall, at Newark.

Feb. 7—Muhlenburg, at Muhlenburg.  
Feb. 12—Gettysburg at Gettysburg, (pending).  
Feb. 13—Dickinson at Carlisle (pending).  
Feb. 14—Franklin and Marshall, at Lancaster, (pending).  
Feb. 18—University of Pennsylvania, at Philadelphia.  
Feb. 19—V. P. I., at Newark.  
Feb. 20 and 23—Open.  
Feb. 27—Swarthmore, at Newark.

## Plans Discussed At Reunion of Members

Sigma Phi Epsilon will be the first of the Delaware College fraternities to build a chapter house on the college campus. The proposed new home for the chapter will cost \$50,000, and ground will be broken for it next month and it is hoped to finish by the time college opens in September.

At a reunion of the active chapter members and the alumni members of the Fraternity, held at the Hotel du Pont, Wilmington, Saturday night, plans were discussed for raising funds with which to build the proposed Chapter House. Those members present made an excellent start as they subscribed \$6500 Saturday night. The plans for the proposed "frat" house prepared by Day and Klauder, of Philadelphia, the college architects, were approved.

Nine years ago a special committee representing the trustees and alumni of Delaware College, made an investigation of the "frat" question. The decision reached, which was approved by the board of trustees was that all "frat" houses built in the future must be on the college campus. This means that eventually all the "frats" will have their home on the college ground.

The Sigma Phi Epsilon has already selected the site for its proposed building, which is just south of the eastern end of Mechanical Hall near the automobile entrance to Fraser Field. The chapter has some money

in addition to the \$6500 subscribed Saturday night and is therefore in shape to push the preliminary plans. This decision to build the chapter house next year is of great importance to the college at this time because of the crowded conditions. With the greatly increased enrollment this year and prospects for another large class next year the college will likely have difficulty in accommodating the students. The dormitory Harter Hall built several years ago, was to accommodate 50 students, but there are now 100 there. The proposed chapter house will not only take care of 24 resident students but will provide a

home for 16 additional commuters. William M. Francis, chairman of the Ways and Means Committee in charge of raising the money for the chapter house, presided at the meeting following the dinner Saturday night. There were informal talks and the plans for financing the undertaking were mapped out by the committee. Other members of this committee are George L. Townsend, Jr., A. F. Egmont, Horn, Joseph Weaver, H. Paul Cleaver and Dr. W. Owen Sypherd.

The proposed chapter house will be of Colonial design. It will face west with a piazza at the north overlooking the athletic field. On the third

floor there will be dormitory quarters for ten men. On the second floor there will be sleeping quarters for men, a study room, reading room, showers and lavatory. On the first floor there will be a number of study rooms, lounge room, sitting room and library. In the basement there will be a meeting room, boys' room, etc.

Customer—"Bowling, coffee, and bread."  
Waiter, an Ex-Soldier—"Marines in the mud, two squads, deploy 'em, etc."

## And Now for the Christmas Gift!

### For the Smoker

Our stock of Smoking Stands is ready. They are a very acceptable gift, for not only are they a convenience to the man who smokes, but they keep the ashes and match sticks where they belong.

These smokers come in fumed oak and mahogany finish and in brushed brass.

Standing ash receivers with tray easily removed for cleaning, are marked \$1.75, \$3.25, \$3.75, \$5.50 and \$8.00.

In brushed brass, with glass tray they are marked \$4.50, \$5.00, \$6.50, \$7.00, \$8.00 and \$12.00.

Some of these are adjustable to different heights.

There are a number of the smoking sets in fumed oak and mahogany with automatic lighter, blue and green glass trays, tobacco jars and some with air-tight humidors. There is a wide range of styles and they are priced \$10.00, \$12.00, \$13.50, \$20.00, \$25.50 and \$37.00.

### Chairs---Little, Big and Medium

And of all woods and colors and covers. There is always some one of the family who has been wishing and wanting a chair of their very own. Here are hundreds of styles to choose from. There are the cunning little children's chairs in oak and in ivory enamel and in ivory and mahogany, copies of the grownup ones. These range in price from \$4.00 to \$16.00.

Here are dozens of wood and leather seat Rockers in oak and mahogany finish and in solid mahogany. The wood seat chairs range from \$7.00 to \$35.00, and included are the popular Windsor chair in various finishes and modifications. Leather seat rockers are extremely comfortable, a chair particularly adapted for living-rooms. These range from \$20.00 to \$35.00.

### Cedar Chests

We have some twenty odd styles and a number of sizes to select from.

These chests are all of genuine Tennessee red cedar—pungent and oily—an ample protection from moths. They come mostly in "skirt length" sizes—42 to 54 inches long—but smaller boxes, particularly used for fur storage, can be had.

One particularly good design has rounded corners with a close-fitting dust-proof lid, double brace, and is marked in the various sizes, \$29.00, \$34.00 and \$38.00. This is a very popular type of chest.

Another box, 48 inches long and extra width and depth, especially suited for bedding, is marked \$36.00.

Three special chests in a smaller size are marked \$20.00, \$23.00 and \$25.00 each. All these chests are rubbed and polished and finished in the light natural cedar. They are all fitted with wood handles and strong, dependable locks. They are widely used for hope chests and a bedroom or storage room these rays seems incomplete without one.

Is there some one on your list who needs a cedar chest?

### Floor Lamps

Very popular and extremely decorative are these floor lamps. They give just the right amount of soft, subdued light and come in shades to harmonize with any interior.

The bases of these lamps are mahogany and are all fitted with two chain-pull sockets.

All shades are double; in many cases the silk lining being of contrasting color, so that the lighted and unlighted effect is entirely different. The shades and bases are priced separately so that any combination may be had.

We can supply these lamps to order fitted for gas. We can supply to order the shades covered in your material to match your hangings. These lamps complete with shades range from \$30.00 to \$150.00.
