## STUDENTS HAVE TURKEY DINNER THEN GO HOME

Annual Affair Held At Each College In Celebration Of Thanksgiving Season Much Enjoyed

### UNIVERSITY CLOSES

University of Delaware closed at noon today for the Thanksgiving holiday. Classes will be resumed at noon Monday. Practically all the students and many of the members of the faculty left this afternoon for their homes.

The usual Thanksgiving turkey dinners for the students of the two colleges were held this week. The dinner at the Women's College was held Monday night when Governor and Mrs. Robert P. Robinson were among the guests.

The turkey dinner at Delaware College was held last night and was the usual delightful affair. In addition to the student body there were present a number of members of the faculty and other invited guests.

Richard W. French, Jr., president of the Student Council was the toastmaster. Among the speakers was A. G. Wilkinson, business administrator, who inaugurated the Thanksgiving dinner idea for the students nine years ago.

One special feature of the program was the singing of several selections by Miss Helen G. Knowles, of Seaford, who won the Delaware state Atwater-Kent singing contest over the radio. She sang "Your Song from Paradise" and "Sonny Boy." She also sang an encore. She was accompanied on the piano by Franklin Allen, also of Seaford, a former student at the University of Delaware. Other musical features were vocal solos by James T. Challenger, of New Castle, a former student at Delaware, and selections by Longford, Inc., a student trio consisting of Ralph Hoffecker, Richard Long and Ross Ford. There were selections by the college orchestra during the dinner and the chorus singing led by William P. White, of Wilmington.

The invocation was by the Rev. H. Everett Hallman, pastor of the Newark Presbyterian Church. Mr. French, the toastmaster, in his introductory remarks, told of Dean R. L. Spencer, of the engineering department, attending a meeting in Washington last week of the Association of Land Grant Colleges and Universities, where a proposed bill to establish an engineering experiment station in the land grant college of each state was discussed. Should such a bill be passed, he explained, Delaware would get \$25,000 annually from the Federal Government if the state appropriates a like amount for the engineering department.

### THIS DEFENDANT CARRIED SCOUT AXE

Charged with disorderly conduct, James Pruitt was fined \$10 and costs by Magistrate Thompson Monday afternoon. Town Officer Keeley arrested Pruitt Saturday night and placed him in the lock-up over the week-end. This is said to have been several times that Pruitt has gotten into trouble with the local authorities. When he was first arrested Saturday night, Officer Keeley says he found a scout axe on Pruitt, but the defendant claimed he had been using the axe to cut corn cobs. The officer had some trouble in placing the man under arrest and charges of resisting an officer and abusing an officer were at first made, but these were later withdrawn.

### HOCKEY PARTY

Miss Dorothy Wilson, a sophomore of the Newark High School, entertained the members of the High School hockey team and subs, and Mrs. L. M. Duffy, the coach of the team this season, at her home on Prospect avenue, Wednesday evening, November 21. Those present were: Mrs. Duffy, Misses Carolyn Cobb, Louise Hutchison, Elizabeth Dean, Marian Cannon, Dorothy and Beatrice Moore, Virginia Shumar, Mae Malcom, Eleanor Doordan, Eleanor Vansant, Elizabeth Richards, Mary Riley, Louise Fulton, Martha Jaquette, Betty Ford, Lucy Danby, Marian Jordan, and Miss Wilson, the hostess.

### UNION SERVICES

The union Thanksgiving services of the Presbyterian, Methodist, and Episcopal churches of Newark will be held in the Methodist church this (Wednesday) evening at 7:30 o'clock. The various ministers of the town will be present. Dr. R. B. Mathews, rector of the Episcopal church, will preach the sermon. All are cordially invited to attend.

### DOVER ORCHESTRA TO BROADCAST

Keith's Imperial Ensemble of Dover will broadcast from station WDEL, Wilmington, next Sunday evening, December 2, from 6:30 to 7:30. The personnel of Keith's Imperial Ensemble is H. Alton Helm, violin and director; Ernest V. Keith, trumpet; J. O. Willis, flute; George Wooley, cello; and Miss Helen L. Jones, piano.

The Ensemble has been playing for Sunday night dinners at the Sesqui Inn, near Dover, for the past two months, besides furnishing music for banquets, dinners, entertainments, etc. Be sure to "listen in" Sunday night and hear these popular entertainers.

## CONFER HONORS ON DEAN M'CUE

Re-Elected Secretary-Treasurer of Association of Land Grant Colleges

### MET IN WASHINGTON

Dean Charles A. McCue head of the agricultural department of the University of Delaware and director of the Experiment Station was re-elected secretary and treasurer of the Association of Land Grant Colleges and Universities at the annual meeting of the association in Washington last week. His duties in connection with the meeting kept him in Washington nearly all of last week.

Dean McCue was first elected secretary and treasurer of this association at a special meeting last February to fill a vacancy and the election last week is for the regular term of one year. He is the first representative of Delaware to ever hold such an important office in the association, which is made up of representatives from all the land grant colleges and universities in the country, one from each state.

Representatives from the University of Delaware who also attended this meeting were Dr. Walter Hullahen, president; Dean R. L. Spencer, of the engineering department; Miss Rextrew, of the home economics department of the Women's College; A. D. Cobb, state leader of County Agents; and Mrs. Helen McKinley, state leader of Home Demonstration Agents.

Dr. Hullahen, while in Washington last week, also attended a meeting of the Association of State Universities.

The following representatives from the University of Delaware also attended the convention in Washington last week of the American Society of Agronomy: Prof. George L. Schuster, agronomist; Prof. P. B. Myers, chemist; Prof. H. C. Harris, assistant agronomist; G. M. Gilligan, assistant chemist; and C. R. Runk, formerly associate agronomist, but now connected with the Delaware Rayon Company.

### MARRIAGE ANNOUNCED

Mrs. William E. Hawkins, of Wilmington, announces the marriage of her daughter, Miriam, to Thomas Hyde Dole, son of Dr. and Mrs. George H. Dole, also of Wilmington.

The ceremony was performed by the bridegroom's father at noon, Saturday, in the Church of the New Jerusalem. Only members of the immediate families of the bride and bridegroom were present.

Mrs. Dole is the sister of Miss Dorothy Hawkins, formerly Librarian of the University of Delaware.

### AUXILIARY ELECT OFFICERS

The Thomas Cooper Auxiliary of the Veterans of Foreign Wars met last Thursday evening in the Post room in the Academy Building. The Auxiliary was re-organized with 21 members. Officers for the coming year were elected as follows: Mrs. Clarence Rupp, president; Mrs. Clara McCormick, secretary; and Mrs. Rena Harrington, treasurer. Other officers will be appointed at the next meeting.

### A. O. U. W. BOOSTERS CLUB

Last Monday evening the A. O. U. W. Boosters Club held a very interesting meeting at the home of Mr. and Mrs. Frank Balling, Academy street. During the business session it was decided to hold a dance and card party in the near future, probably in Fraternal Hall. Refreshments were served and a social hour enjoyed after the business meeting.

### MEETING OF AUXILIARY

The Ladies Auxiliary of the Baracca Class of the Presbyterian Church will meet at the home of Mrs. Harold E. Tiffany, next Tuesday evening, December 4th, at 7:30 o'clock.

## STATE GRANGE TO BE GUESTS OF UNIVERSITY

Governor Robinson Will Preside Over Annual Session Of Grangers In Newark Next Month

### TO ELECT OFFICERS

On the invitation of the University of Delaware the annual session of the Delaware State Grange will be held in Newark on December 11, 12 and 13. It has been about fifteen years since the State Grange held its annual session in Newark and on that occasion the meetings were held in the University gymnasium.

Governor Robert P. Robinson, who is master of the state grange, will preside at the meetings. In addition to heading the state grange, Governor Robinson is also treasurer of the national grange and is an active member of Delaware Grange of Newport.

This is the year for the election of officers, they being for two years. The sessions will probably be held in the Lounge of Old College.

A. B. Thomas, of Woodside, Kent County, who is well known in Newark, he having graduated from the University of Delaware some years ago, is lecturer of the state grange and he with a special committee is working on the program which will probably be announced in a few days.

There are said to be a number of important matters, especially pertaining to proposed legislation, by the coming session of the Legislature, to be considered by the grange during the three days session and in addition there will be some social features arranged by the University and the local grange.

At a meeting of Newark Grange on Monday night, of which Dean C. A. McCue is master, committees were appointed to aid in the entertaining of the state grange.

The opening session of the state grange will be held at 11 o'clock Tuesday morning, December 11. That evening there will be an open session to which the public is invited and which will be one of the social features of the grange meeting. An interesting program is now being prepared for this open meeting.

### LEGION HOLDS MEETING

The Lt. J. O'Daniel Post No. 475, Veterans of Foreign Wars, held a smoker last Tuesday night, which was attended by nearly the entire Post. A nomination of officers took place, the following comrades being nominated: For Commander, Wm. Rupp, Fred Snooks, J. H. Harrington, John Grundy; Senior Vice-Commander, Ben. McCormick, Chas. V. McFarland, John Grundy, Clarence Wilson and Angelo Cataldi; Junior Vice-Commander, Raymond Edmundson and J. H. Harrington; Chaplain, S. J. Smith; Quartermaster, F. Gehrold; Officer of the Day, F. Snooks, Robert Morrison, J. Kelly and Clarence Wilson; Trustees, John Grundy, Wm. Rupp, John Morrison, F. Snooks, Chas. V. McFarland and S. J. Smith. Next Tuesday will be election of officers. All members are urged to attend. Successful candidates will be installed the first meeting night in January. We are pleased to say that our Auxiliary is started and by the first of the year we hope they will be fully organized.

### ANNUAL CONFERENCE TO MEET IN WILMINGTON

At a meeting of members of the Bureau of Sessions of the Conference with the four district superintendents, held in Dover on Tuesday morning, Harrison Street Methodist Episcopal Church, Wilmington, was selected as the next meeting place for the Annual Conference in April. The conference accepted an invitation from Georgetown for next year, but owing to the increase in the number expected to attend the conference it was later decided the Georgetown Church would be too small to accommodate the crowds.

The Board of Bishops have fixed April 3 as the day for the Wilmington Conference to convene and Bishop William F. McDowell will preside.

### BENEFIT CARD PARTY

A card party for the benefit of St. John's R. C. Church will be held in the Rectory, Friday evening, December 7th, at 8 o'clock. Five hundred and euchre will be the games of the evening.

### A PLAY

"A Poor Married Man" will be given in I. O. O. F. Hall, Bear, Del., on December 4th, at 8 p. m., for the benefit of Red Lion Social and Bear School.

### K. G. E. ANNIVERSARY

At the celebration of the thirty-seventh anniversary of Ivy Castle, Knights of the Golden Eagle, on Saturday night in Fraternal Hall, addresses were made by Sir Knight William W. Knowles and Supreme Vice Chief William M. Hooen, of Wilmington, and District Supreme Templar Greenplate, of Newark. Others on the speakers' platform were S. K. of E. J. H. W. Simpson; P. G. C., Robert Crow; P. C., Cecil P. Ewing; and G. V. C., Edward T. Shetler. Supreme Chief Charles Rigg of West Virginia, who was expected to attend, was unable to make the trip.

Past Chief Warrington of Wilmington acted as toastmaster and made an interesting address.

Visitors were present from Wilmington, Christiana, Hockessin, Newport and other nearby places.

Previous to the meeting there was a street parade. The parade was led by the Continental Band, followed by a float and members of the degree team in uniform riding horses, members of Ivy Castle and women of Ivy Crow Temple. The K. G. E. goat was also in line.

One feature of the celebration was the serving of an opossum dinner by the members of Ivy Crow Temple.

### CARD PARTY A SUCCESS

Miss Ford of the Flower Hospital wishes to thank the public for the support given in planning for, and patronizing, the card party given for the benefit of the hospital last Wednesday evening. Over one hundred and sixty dollars was cleared. While a smaller number was present, everything progressed very well. Five hundred, euchre, and bridge were played.

### THANKSGIVING SERVICE

The union Thanksgiving service of the White Clay Creek Presbyterian Church, the Red Clay Creek Presbyterian Church, Ebenezer Methodist Church, and the Hockessin Methodist Church will be held in the Hockessin Methodist Church, Thanksgiving Day morning, at 10 o'clock. Rev. Blake, pastor of the Red Clay Church, will preach the sermon.

### COL. SMITH LECTURES

Col. Samuel J. Smith, of this town, delivered a lecture on "The Ancient Temples of China," to the Eureka Lodge, A. F. & A. M., of Wilmington, Monday evening. A large and appreciative audience was present to hear this lecture, the second that Col. Smith has presented at their meetings.

### BOARD MEETING

The Visiting Nurse's Board will meet at the home of Mrs. C. O. Houghton, Monday evening, December 3, at seven o'clock.

## WOMAN AND 2 MEN HELD ON LIQUOR CHARGE

Federal Officers From Wilmington Raid Three Houses In Newark And Make Arrests

### FIND HOME BREW

Federal officers from Wilmington accompanied by Constable Staats, of Newport, came to Newark on Friday and with the authority of state warrants raided three houses on South Chapel street.

It is alleged that in the three raids 475 bottles of home-brewed beer were seized. Two men and a woman were arrested and on being given a hearing before Magistrate Thompson that afternoon were each held under \$500 bail for the Court of General Sessions.

Those arrested and held were Mrs. Rupp, Joseph Schore and Nicholas Sanbourn. It is claimed by the officers that they secured about 200 bottles of beer at the home of Mrs. Rupp, 150 at the Schore home and 125 at the Sanbourn house. The raids were all made within a half hour of each other.

This is a number of visits that "dry" agents have made to Newark and it is claimed that in raids in the past month in Newark nearly 1000 bottles of home-brewed beer has been seized.

### RED MEN SURPRISE MEMBER ON BIRTHDAY

Wawaset Tribe Has W. E. Ferguson as Honor Guest at Newark Home. Tribute was paid to Past Great Sachem William E. Ferguson for his long and faithful service to the order by officers and members of Wawaset Tribe, No. 9, Improved Order of Red Men, Wilmington, when they met in Red Men's Home, Thursday night.

The Wawaset Red Men came to Newark to pay a visit to the Red Men's Home, and at the same time celebrate Mr. Ferguson's birthday. Mr. Ferguson made an address of welcome to the home and then learned that he was to be honor guest of his fellow Red Men.

The chief address was made by Great Senior Sagamore, Albert Stettser. Other talks were given by Great Sachem George H. Hall and Great Keeper of the Wampum Milton W. Ferguson and Great Chief of Records Edward McIntyre. An umbrella was presented Mr. Ferguson, the presentation being made by Howard Sheppard. Mearns' orchestra played, William Taylor sang and Samuel Ireland gave a minstrel act.

### THANKSGIVING SUPPER

The Methodist Men's League Thanksgiving Supper, held last evening in the Sunday School room of the church, was well attended, nearly one hundred being present. Mr. Geo. M. Phipps acted as toastmaster. Short talks were made by Mr. W. F. Lindell, president of the League, Rev. D. W. Jacobs, and others. Prof. C. A. Short, president of the Wesley Collegiate Institute, Dover, was the speaker of the evening, and his subject, "Friendship," was much enjoyed by all present. Prof. Meyers, choirleader of the church, sang several solos. Prof. Brinser and his orchestra furnished some lively music. The League meets the third Tuesday evening of each month and always has an interesting program, including games and amusements.

### CHRISTMAS SALE AND BAKE

The ways and means committee of the Newark New Century Club, Mrs. Daniel Thompson, president, will hold a Christmas sale, Friday and Saturday, December 7th and 8th, in Fulton's vacant store in the Opera House building. The sale will be open on both days in the afternoon and evening.

On Saturday, the 8th, during the afternoon and evening, the committee will hold a bake in connection with the Christmas sale. Home-made cakes, candies, and pastries will be for sale.

### SUPPER A SUCCESS

The chicken supper held by the Ladies Aid of the Newark Methodist Church, in the New Century Club building, last Thursday evening, was a great success. Four hundred and twenty-six persons were served a fine supper splendidly prepared and served. About \$250 was cleared.

### GRADUATES AS NURSE

Miss Mary R. Rose, of Newark, was a member of the graduating class of Training School for Nurses of the Hospital of the Women's Medical College of Pennsylvania, at exercises held Monday night.

## Stanton

Among the members of Unity Lodge, No. 41, I. O. O. F., who attended the meeting of the Grand Lodge, held in Odd Fellows Hall, Wilmington, on Wednesday, were J. Harvey Dickey, Alvin Satterthwaite, Charles P. Dickey, Benjamin L. Dickey, Benjamin L. Dickey, Jr., James Polk and Thomas Dickerson.

The approach of cold weather is heralded by the attendance at the library. The circulation during the past few weeks has greatly increased and the demand for the books recommended on the reading lists for the grades in school has far exceeded the supply. Those who sponsored the work in the rural communities did not realize the task they were undertaking. The circulation at the Stanton unit is about one hundred volumes per week.

The annual chicken pattle supper given by the Parish Aid of St. James P. E. Church was held last Thursday in the Masonic Hall at Newport and judging from all reports was better than any held in the past. The ladies of St. James have lived up to their reputation and appreciate the words of praise. The color scheme of red and white was carried out on both floors. The Krebs School orchestra, under the leadership of Mrs. McCoy, furnished music throughout the evening and were loudly applauded. The girls of St. James Branch G. F. S. acted as waitresses.

The usual services were held in St. James P. E. Church on Sunday. On Thursday, Thanksgiving Day, there will be service in the church at 10 a. m. Celebration of the Holy Communion and the regular Thanksgiving service. The Rector hopes to have the Bishop present. At this service the regular Thanksgiving offering of fruits and vegetables for the Babies Hospital will be presented.

The regular services will be held at St. James on Sunday next. Church School at 9:45 a. m. It being the first

Sunday in advent there will be a celebration of the Holy Communion at 11 a. m. Young People's Fellowship at 3:30 p. m. Topic, "What is being done for and against World Peace."

The members of the Young People's Fellowship of St. James Church enjoyed the pleasure of a very instructive talk by Mr. Fred Bringham, of St. Barnabas Church, Marshallton. His topic was "Whence Came I, Why Am I Here, and Whither Do I Go?" He urged all to do the work nearest at hand, that we all had opportunities just the same as in olden times.

The class of Miss Annie Downey of the M. E. Sunday School held a bake in the post office on Saturday. These sales are being held by the different classes to help raise money for the general program of the church and should have the support of the community.

Mrs. Blanche Sindall sold her personal property at public sale on Saturday. The sale was well attended and the articles brought a fair price. Mrs. Sindall since the death of her husband has been making her home with her mother, Mrs. Allen Ruth. Mr. Harry A. Boulden will move in the house Mrs. Sindall has just vacated in the near future.

John H. Lacey, the well-known florist, is building another greenhouse and expects to have it completed before the extreme cold weather sets in.

Mr. and Mrs. B. L. Dickey were at their home here for a short time on Saturday. They are still at the home of their son, Benjamin L. Dickey, Jr., in Wilmington.

Miss Eleanor Harris and Miss Esther Miller were the recent guests of Miss Miller's father in Philadelphia.

Messrs. Gregg and Vernon Lynam returned home on Wednesday from a successful gunning trip down the state.

Miss Annabelle Singles is still at the home of her parents, Mr. and Mrs. Charles Singles, recuperating from her recent operation.

Mr. and Mrs. Alvin Satterthwaite were the dinner guests of their son, A. Lynam Satterthwaite, Wilmington, on Thursday.

Mrs. Wm. Neville and Miss Beatrice Neville were Wilmington visitors on Saturday.

Mrs. John Narvel was a Wilmington visitor on Saturday.

Nelson Powell was the guest of his sister, Mrs. Norman Howett, on Tuesday.

Miss Alice Johnson of Newport and Philadelphia was a Stanton visitor on Sunday.

Mr. and Mrs. Charles P. Dickey and Miss Mary Elen Frederick attended the illustrated lecture on Hawaii, given at the Methodist Church in Christiana, on Sunday evening.

Mrs. John Foote and Mrs. Johnson spent Wednesday in Wilmington.

Miss Kathleen Boyce is spending the week at Mrs. Lynam Bothwells, Faulkland.

Mr. Dave Proffenberg was the guest of Miss Belinda Boyce on Sunday.

## Christiana

There was a special Thanksgiving service in the Christiana M. E. Church on Sunday morning, with a sermon by the pastor, Rev. Preston W. Spence, Jr. In the evening there was an illustrated lecture on Hawaii—both services being well attended, and proving both helpful and instructive.

There will be no church services here on Thanksgiving Day, but Rev. S. L. Irvine, pastor of the Presbyterian Church has invited all who care to do so to attend services at White Clay Creek Church, where Mr. Irvine also serves as pastor, on Thursday morning, at 10:30 o'clock.

The schools will close on Wednesday for the Thanksgiving recess, which continues till Monday morning, giving the children two more holidays to add to their already generous allowance for this month. Thus far, however, no complaints have been heard from any source.

At a recent meeting of the Christiana Fire Company, it was decided to invite the Cranston Heights Fire Company to house the new American-La France engine, lately purchased by the local company. Messrs. John W. Moor, Clarence E. McVey and Francis McHugh were appointed as committee to make all arrangements for the ceremony. Governor-elect C. Douglass Buck, County Engineer Charles E. Grubb, Chief William T. Lutz, of the Wilmington Fire Company, and officials of the Delaware Safety Council will be invited to attend. The day decided upon is Saturday, December 15, and this certainly will be a "red-letter day" in the history of the Christiana Fire Company.

There seems to be danger of our Branch Library being discontinued on account of lack of funds, it is reported. Consequently a paper is being circulated among the patrons of the

library, petitioning the State Legislature to take some action in the matter. It is certainly to be hoped that this library, which has been such a help to the community, will not have to be given up now. It has continued in popularity with old and young from the very start, and all who have patronized it would feel its loss tremendously.

The new concrete road from Christiana to Hares Corner is now open to traffic from one end to the other, a distance of about three miles. It shortens considerably the driving time from Christiana to Wilmington and New Castle, and gives a direct approach to the Pennsylvania Ferry. So it is sure to prove popular with all motorists as soon as they become acquainted with its merits.

The guests from Christiana, who attended the old-time square dance given last Tuesday evening at Mr. Roy Johnson's, between Newark and McClellandville, were Mr. and Mrs. Lewis Thorp, Jr., Mr. and Mrs. O. J. Cleaver and Mr. and Mrs. Harry Cleaves and family.

Another square-dance party was given last Friday evening at the home of Mr. and Mrs. William David, on the Hares Corner road. Among the guests were the following: Mr. and Mrs. Archie Peel and family, Mrs. Harry McCormick, Sr., Miss Alice McCormick, Mr. and Mrs. Harry McCormick, Jr., and children, Mr. and Mrs. Lee McCormick, Mr. and Mrs. Fred Downes, Mrs. Norbet Cashell and son, Irving, Mr. and Mrs. Norbet Cashell, Jr. and son, all of Iron Hill; Mrs. William David, Sr., and sons, William, Lewis and Paul, Mr. and Mrs. Lewis Thorp, Jr., and Betty David, Mr. and Mrs. Olan Cleaver and children, Miss Sara Kilvington and Mr. Robert Hawthorne, of Christiana; Mr. and Mrs. Major and Mr. Waters, of Newark.

Friends of Mr. and Mrs. Norbet Cashell surprised them last Saturday evening by giving them a "shower." A number of Christiana people being present. Square dancing was once more enjoyed by all the guests until a late hour, when refreshments were served.

Mrs. H. Vernon Lynam and daughter, Lillian, of Stanton, were visitors last week at the home of Mrs. Lynam's mother, Mrs. James Appleby.

Mr. Wilbur Bush, Mr. and Mrs. Wilbur Bush, Jr., and Mr. and Mrs. Powell Murphy motored to Washington on Sunday. On their return they were accompanied by Mrs. Taylor, mother of Mrs. Bush, Sr., and of Mrs. John W. Moore; Mrs. Taylor having been for some time the guest of relatives in the Capital City. The party reports having encountered quite a heavy snowstorm on the return trip.

Mrs. George B. Reed has for some time had as her guest her aunt, Mrs. Eliza Mitchell, of Wilmington.

At present Mrs. C. Edwin Guthrie, of Milford Crossroads, a niece of Mrs. Reed, is at the Reed home here, convalescing after an operation for appendicitis. Her friends will be glad to know that she is improving rapidly.

Mr. Eugene Lewis and son, Willard, of New Castle, were recent guests at the home of Mr. and Mrs. John Levey.

Mr. and Mrs. William Howell and daughters, Eleanor and Naomi, and Mrs. Howell's mother, Mrs. Vincent, visited the family of Mr. and Mrs. Harry Appleby, at Red Lion, on Sunday.

Mr. Ralph Leasure, who is making

## Bakeoven Held Liab In Mishap

Elkton Man, Returning From Call on Girl, Ran Down Two Men

A coroner's jury trying to untangle the traffic mix-up which resulted in the death on the Elkton-North East road Friday, November 16, of George McKinney, placed the blame for the man's death on Norman Bakeoven, a young Elkton man who knocked the man down while returning from Perryville where he had paid a call upon his girl. The jury said McKinney came to his death because of his reckless driving.

It was in this accident that Roscoe Clendaniel, of Lincoln, Del., who had stopped at the scene of the truck-automobile accident, was also knocked down and badly injured by Bakeoven's machine at the same time that McKinney was bowled over.

Bakeoven, who is well-known in the younger circle of Elkton, had previously been charged with reckless driving. The question of whether a manslaughter charge will be preferred against him now rests with State's Attorney Henry Constable. His plea was that the lights of the truck which had figured in the other accident blinded him. He admitted, however, that he had 50 or 75 feet within which to stop before running into the scene of the accident. McKinney and Clendaniel were on foot, trying to aid in straightening out the accident when they were knocked down.

A charge of reckless driving was also preferred against Edgar Devine of North East, the driver of the Ford coupe who figured in the rather jumbled up accident which disabled the truck.

## CONOWINGO FINISHES PROTECTIVE APRON

Completion of the concrete protective apron on the down-stream side of the big dam of the Philadelphia Electric Company's system at Conowingo has just been accomplished, thus providing protection for twenty-three additional crest gate sections of the spillway. When the dam was placed in operation eight months ago this apron included only the three regulating crest gate sections and seven crest gate sections of the spillway.

Because of high water conditions in the late fall of 1926 work was postponed on the other twenty-three spillway sections and everything was concentrated on putting the big plant into commercial operation. The recent low water season afforded an excellent opportunity to complete the apron. Accordingly, work was started last September and was finished early in November, altogether 14,000 cubic yards of concrete being poured.

The crest gates are opened only when the volume of the river flow is greater than required by the water-wheels.

The purpose of the protective apron, which is twenty feet wide, is to throw the water up and well beyond the toe of the dam.

## TO ENTERTAIN

The members of little Elk Council No. 40, D. of P. of Cherry Hill, Md., will entertain the members of Silver Cloud Council No. 24, of Baltimore, Md., on Friday evening, November 30, in the Red Men's Hall. All members are asked to be present.

## ELKTON MAN IS BEATEN, ROBBED

Weir M. Seth Relieved of \$6.30 After He Is Knocked Down

Knocked down, kicked until he was nearly unconscious and robbed of \$6.30 in the shadows of his garage and stables near the old Felton House, Elkton, Saturday morning, Weir M. Seth, aged 60, garage owner and special mail carrier, is recovering from his experience with an unidentified thug.

The robber, anxious to get away before Mr. Seth regained consciousness enough to identify him, overlooked a larger roll of bills which his victim carried concealed in a secret pocket. Mr. Seth formerly operated a livery stable before the advent of the automobile, and in the heyday of the horse, furnished teams for the patrons of the Felton house. In recent years, he converted the stables into a garage, but continued to keep one section as a stable for his horse which he used in hauling mail from the postoffice to the trains by contract.

About 5 o'clock Saturday morning, following his usual practice, he entered the stable to feed his horse. It was dark at that hour, and upon leaving the stable section, he turned around in time to see a dark form close at his heels. Before he could square himself for combat, he was knocked down with a stiff blow to the eye, which dazed him. Once down, his assailant gave him several vicious kicks in the ribs which added to his helplessness.

Seth was unable to recall being relieved of the money that was in his trousers pocket. He told Sheriff Logan that the man had disappeared when he regained his bearings and reached the outside of the building. He was unable to give any description of value that would aid the officers in their investigation, except that he "believed the man was a Negro."

Seth has a blackened eye as a souvenir of his experience, aside from severe bruises about his ribs.

## Thanksgiving Day

Perhaps one of the most priceless blessings bestowed upon the American Nation by that gallant little band of heroic men and women who had braved unknown difficulties and dangers in their pursuit of religious freedom was the institution of Thanksgiving Day. To many it may seem that they had but little to be grateful for during that first year of their sojourn in a new and practically uncivilized country. Much sorrow, coupled with no little actual suffering, had seemed to be their portion, and yet amid darkness and distress they had kept their sublime faith in the goodness and loving-kindness of Almighty God and were prepared to lift their hearts in humble thankfulness to the Giver of all good.

STUDENTS HAVE  
TURKEY DINNER  
THEN GO HOME

(Continued from Page 1.)

The speakers in addition to Mr. Wilkinson were Dr. Walter Hüllihen, president of the University, Dean George E. Dutton and Dr. W. Owen Sypherd. Dr. Hüllihen, in his remarks, said that the first story of the new engineering building was nearing completion and that the Legislature to meet in January would be asked for an appropriation sufficient to add the other two stories to the building. Dr. Hüllihen said among other things, that he was thankful for this year was the enlarging of the gymnasium and the defeat of Haverford by the Delaware football team last Saturday.

The other speakers also told of some of the things for which they were thankful. Dr. Sypherd, who spent last year abroad said he was especially thankful for the turkey dinner. He said he supposed there are such things as turkeys in continental Europe, but if there are he did not get any to eat while abroad.

Dean Dutton said he was thankful for a student council that cooperates with the college authorities; for the recently organized Inter-Fraternity Council and for Saturday's football victory.

Mr. Wilkinson, in his talk, appealed for more spirit among the student body. He said there did not seem to be as much spirit among the students as there was several years ago.

Among the guests were Dr. George A. Harter, formerly president of the University, Dean and Mrs. R. L. Spencer, Mr. and Mrs. J. Pearce Cann, Dr. and Mrs. Walter Hüllihen, Dean and Mrs. George E. Dutton, Representative-elect and Mrs. Wayne C. Brewer, Mr. and Mrs. William E. Hayes, Mr. and Mrs. George Carter, Mr. and Mrs. A. O. H. Grier, Alex. J. Taylor, of Wilmington; Miss Barbara King, Miss Virginia Smith and several other students from the Women's College; Dr. C. L. Benner, a former member of the faculty, Dr. W. Owen Sypherd, William P. White, of Wilmington, and several others.

The dinner was prepared by Miss Spencer, dietitian at Delaware College, and was served by the student waiters.

The annual Thanksgiving dinner was held at Women's College on Monday evening. Eleanor Edge, President of the Student Self-Government Association was toastmistress. The invited guests were: President and Mrs. Walter Hüllihen, the Governor and Mrs. Robert P. Robinson, Judge and Mrs. Charles M. Curtis, Mr. William H. Heald, Mrs. A. D. Warner, Dean and Mrs. George E. Dutton, Dean and Mrs. R. L. Spencer, Mr. Francis H. Squire, Mr. and Mrs. A. G. Wilkinson, Mr. and Mrs. Albert Edge, Mr. and Mrs. John D. McCabe, Dr. and Mrs. Merritt Burke, Dr. and Mrs. J. R. Downes, Dr. and Mrs. Wallace M. Johnson, Dr. and Mrs. G. Burton Pearson, Mr. and Mrs. Russell H. Morris.

Short after-dinner talks were given by President Hüllihen, Governor Robinson, Professor Squire, Dean Robinson, Mrs. A. D. Warner, Mr. A. G. Wilkinson, Marian Pugh, 29; Elizabeth Beatty, 29; Barbara King, 30; Mildred Fabian, 31; Adalynne Edwards, 31; and Louise Smoot, 32.

The Glee Club, under the direction of Miss Mary E. Gillespie, sang "Estudiantina" and "Goblins." College singing by the entire student body was another feature of the program. After the banquet, a playlet was given in the Hilarium by the Freshman class.

Women's College  
Notes

There was a Membership Meeting of the Y. W. C. A., held Tuesday evening, in Sussex Common Room. All student members of the association and the faculty were invited. After a short business session, there was about an hour of entertainment. Refreshments were served.

The E. 51 course was brought to a close on Friday evening with the production of "Lady Windermere's Fan." The play was pronounced a success by all who witnessed it. The cast was as follows:

Lady Windermere, Agnes Thoms.  
Rosalie, Edith Passmore.  
Duchess of Berwick, Elizabeth Beatty.

Lady Agatha Carlisle, Florence Long.  
Mrs. Erylynne, Sibyl Young.

Lord Windermere, Frank Sasse.  
Lord Darlington, Edgar Hare, Jr.  
Lord Augustus Lorton, Le Roy Rouzer.

Mr. Hopper, A. D. Marshall.  
Cecil Graham, John S. Walker.

Mr. Dunby, William Kirk.  
To Professor E. P. Conkle, who directed the play, much credit is due for the success of the production. He worked with his cast for only three weeks before the performance. The play had to be cut and revised somewhat to fit the stage at Wolf Hall.

Those who helped behind the scenes were:  
Stage Manager, Leon de Valinger.  
Business Manager, A. D. Marshall.  
Property Mistress, Kathryn S. Hubert.

Scenery Design, Blanche Malcom.  
Stage and Lighting, Richard Manns.  
Marshall McCully.

Make-up, Mildred Steiner.  
Costumes, Ann Walker, Hazel Chapman.  
Prompter, Marjorie Broadhurn.

Tickets are now on sale for the Orpheus Club concert, sponsored by the Sophomore class, to be given on Tuesday evening, December 11.

Dorothy Baylis, Ann Walker, and Blanche Malcom returned to college on Sunday evening from the Inter-collegiate Dramatic Association Conference, held at Wheaton College, Norton, Massachusetts. They reported a very interesting trip. One interesting feature of the program was the production of a play, "The Tidings Brought to Mary." This is the only time the play has been produced in America, except by the Theatre Guild, who lent their manuscript for this event.

Miss Ruth Wolf, of New York City, a member of the 1925-1926 Foreign Study Group, visited Kathryn Hubert over the week-end. She attended the Sigma Nu House Party on Saturday evening. On Sunday, she and Miss Hubert attended a Group Reunion, held in Wilmington at the home of Mr. and Mrs. J. B. Dale. All of the members of the Group, who are now in the East, were present at the Reunion. Miss Wolf also called on Dean Robinson at Women's College.

Frances Taylor, of West Collingswood, N. J., was the guest of Helen Elliott over the week-end. She attended the Delaware-Haverford game Saturday afternoon, and the Phi Kappa Tau houseparty in the evening.

Margaret Middleton spent the week-end at West Point.

Barbara King spent Sunday at the home of her parents in New Castle. Marie Moore spent the week-end at her home in Milford.

## THE PRESIDENTS ON THANKSGIVING

During the Revolution, the people observed an annual Thanksgiving Day by proclamation of the Continental Congress. After peace, observance of the day was discontinued until 1789, when Washington, as President, appointed Thursday, November 26, 1789, a day of general thanksgiving throughout the Union. Later he appointed February 19, 1795. Washington's proclamations were followed occasionally by those of other Presidents, but for the most part, Thanksgiving Day, although regularly observed, was a state affair for a number of years.

In 1864, President Lincoln issued a proclamation, appointing the fourth Thursday in November with a view of having the day kept, thereafter, annually without interruption. Since that time each President—with the exception of Garfield, whose assassination prevented—has issued an annual proclamation and Thanksgiving Day has become a national holiday.

**GEORGE WASHINGTON:** "I do recommend and assign Thursday, the twenty-sixth day of November next (1789), to be devoted by the people of these states to the service of that great and glorious Being, who is the Beneficent Author of all the good that was, that is, or that will be; that we may then all unite in rendering unto him our sincere and humble thanks for . . . His providence in the course and conclusion of the late war; for the great degree of tranquillity, union, and plenty, which we have since enjoyed; for the peaceable and rational manner in which we have been enabled to establish Constitutions of Government for our safety and happiness, and particularly the national one now lately instituted; for the civil and religious liberty with which we are blessed."

**JOHN ADAMS:** "I recommend that on the said day the duties of humiliation and prayer be accompanied by fervent Thanksgiving to the Bestower of every good gift, not only for His having hitherto protected and preserved the people of these United States in the independent enjoyment of their religious and civil freedom, but also for having prospered them in a wonderful progress of population, and for conferring on them many and great favors conducive to the happiness and prosperity of a nation."

**JAMES MADISON:** "No people ought to feel greater obligation to celebrate the goodness of the great Disposer of Events and of the Destiny of Nations than the people of the United States."

**ABRAHAM LINCOLN:** "The year that is drawing toward its close has been filled with the blessings of fruitful fields and healthful skies. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added which are of so extraordinary a nature that they cannot fail to penetrate and soften even the heart which is habitually insensible to the ever watchful Providence of Almighty God."

**ANDREW JOHNSON:** "The annual period of rest, which we have reached in health and tranquillity, and which is crowned with so many blessings, is by universal consent a convenient and suitable one for cultivating personal piety and practicing public devotion."

**ULYSSES S. GRANT:** "We have especial occasion to express our hearty thanks to Almighty God that by His providence and guidance our Government, established a century ago, has been enabled to fulfill the purpose of its founders in offering an asylum to the people of every race, securing civil and religious liberty to all within its borders and meting out to every individual alike justice and equality before the law."

**RUTHERFORD B. HAYES:** "This devout and public confession of the constant dependence of man upon the divine favor for all the good gifts of life and health and peace and happiness, so early in our history made the habit of our people, finds in the survey of the past year new grounds for its joyful and grateful manifestation."

and Mr. George Hoopes, of Downingtown, were gunning with Mr. H. I. Garrett last week.

## BENEFIT DANCE

A dance will be held at the Gattly Hall at Hockessin, for the benefit of St. John's School, on Saturday night, December 1.

**CHESTER A. ARTHUR:** "The prevalence of health, the fullness of the harvest, the stability of peace and order, the growth of fraternal feeling, the spread of intelligence and learning, the continued enjoyment of civil and religious liberty—all these and countless other blessings are cause for reverent rejoicing."

**GROVER CLEVELAND:** "And with our thanks giving let us pray that these blessings may be multiplied unto us, that our national conscience may be quickened to better recognition of the power and goodness of God, and that in our national life we may clearer see and closer follow the path of righteousness."

**BENJAMIN HARRISON:** "The gifts of God to our people during the past year have been so abundant and so special that the spirit of devout thanksgiving awaits not a call, but only the appointment of a day when it may have a common expression."

**WILLIAM MCKINLEY:** "This time-honored observance acquires with time a tender significance. It enriches domestic life. It summons under the family roof the absent children to glad reunion with those they love."

**THEODORE ROOSEVELT:** "We have prospered in things material and have been able to work for our own uplifting in things intellectual and spiritual. Let us remember that, as much has been given as much will be expected from us; and that true homage comes from the heart as well as from the lips and shows itself in deeds. We can best prove our thankfulness to the Almighty by the way in which on this earth and at the time each of us does his duty to his fellow men."

**WILLIAM H. TAFT:** "Rich in harvests so abundant and in industries so productive that the overflow of our prosperity has advantaged the whole world, strong in the steadfast conservation of the heritage of self-government bequeathed to us by the wisdom of our fathers, and firm in the resolve to transmit that heritage unimpaired, but rather improved by good use, to our children and our children's children for all time to come, the people of the country have abounding cause for contented gratitude."

**WOODROW WILSON:** "The year has brought us the satisfaction of work well done and firm visions of our duty which will make the work of the future better still."

**WARREN G. HARDING:** "It is much to be desired that in rendering homage for the blessings which have come to us, we should earnestly testify our continued and increasing aim to make our own great fortune a means of helping and serving, as best we can, the cause of all humanity."

**CALVIN COOLIDGE:** "Almighty God has continued to bestow upon us the light of His countenance and we have prospered. Not only have we enjoyed material success, but we have advanced in wisdom and in spiritual understanding."

The most beautiful things in life are pleasant thoughts, and the art of living is to have as many beautiful thoughts as you possibly can.

## DELAWARE WINS LAST GAME

Blue and Gold Defeat Haverford 19 to 7 In Final Contest Of Season

Delaware, on Saturday, ended the football season with a sensational victory over their old rivals, Haverford, by the score of 19 to 7. The Blue and Gold played 100 per cent better football than in any previous game and outplayed their opponents in at least three of the four quarters.

A spectacular break in favor of Delaware near the start of the final quarter furnished the great thrill of the game and assured the Blue and Gold of victory. Delaware had scored a touchdown in each of the first two quarters largely through the great playing of Ace Taylor, the fast back, but failed to make an extra point after either of these scores.

Near the close of the third quarter Haverford opened their first strong attack lead by the great Tripp. An assortment of forward passes bewildered the Blue and Gold and resulted in Tripp scoring a touchdown. He also made the extra point with a drop kick, making the score 12 to 7 in favor of Delaware. Early in the fourth quarter Haverford again worked the ball to Delaware's four-yard line. A touchdown would put them in the lead 13 to 12. On the next play the Haverford center made a high pass to Collison, the big fullback, who had dropped back to take the pass. He juggled the ball for a second. Hill, Delaware right end, was right on top of him and grabbing the ball out of the air started a race down the field for a 90-yard run and touchdown. Delaware made the extra point on a forward pass, Morris to diJoseph.

This spectacular play came so suddenly that half of the spectators were bewildered and hardly knew what had happened. This took all the "pop" out of Haverford and the game ended a short time later with the ball in the middle of the field.

Both of Delaware's touchdowns in the first half were made by Ace Taylor, one on a 15-yard end run and one on a run of 30 yards after receiving a forward pass tossed by Rose.

Haverford started practically their second team against the Blue and Gold, but soon rushed the first team in, but too late to check the attack that Delaware had started.

While Taylor was the individual star for Delaware every member of the team played a star game. This was especially true of Captain Glasser, Hill, Benson, Reese and Kane.

Three Newark boys were in the game and they all did good work. Hubert, while off in his punting early in the game, played a strong game on defense. The defensive work of "Biff" Hopkins was one of the features of the first half. His tackling was clean and hard and he often dropped his man before he reached the line of secondary defense. Morris substituted for Rose in the last quarter and used good judgment in running plays.

For seven on the Delaware team it was the final game for them at "Old Delaware." They are Captain Glasser, Hubert, Hill, Rose, diJoseph, Benson and Reese. The lineup:

Delaware  
Glasser.....left end.....Bevan  
Benson.....left tackle.....Fields  
Reitzes.....left guard.....Swan  
Staats.....center.....Gawthrop  
Reese.....right guard.....Wriggins  
Kane.....right tackle.....Bean  
Hill.....right end.....Wilt  
Rose.....quarterback.....Fox  
Hubert.....left halfback.....Keech  
Hopkins.....right halfback.....Speck  
Taylor.....fullback.....Hogenauer

Touchdowns—Taylor 2, Hill and Tripp. Points after touchdowns—Delaware 1 by forward pass, Morris to diJoseph; Haverford 1, drop kick by Tripp.

Substitutions—For Delaware: Draper for Reitzes, diJoseph for Hubert, Warren for Hopkins, Hubert for Warren, Morris for Rose; for Haverford: Hicks for Fields, Scott for Swan, Milliken for Wriggins, Morris for Bean, Brown for Wilt, E. T. Hogenauer for Fox, Tripp for Keech, Kingham for Speck, and Collison for E. F. Hagenauer.

## NEWARK READY FOR HARD FIGHT

High School Team Plays Laurel At Dover For State Title Tomorrow

Coach Gillespie has the Newark High School football team in fine physical shape for the battle at Dover tomorrow against Laurel High for the secondary high school football championship of the state. Newark won the northern division championship and Laurel the southern division and now these two will battle at Dover tomorrow afternoon for the state title.

This will not be the first time these two teams have met for the state championship as the same two schools played last year the Sussex boys winning out.

Newark High has not played since last Saturday week when they defeated Dover, while Laurel last Saturday played and defeated Seaford, 39 to 0. This score demonstrated that Laurel again has a team with a strong punch, but Newark is not discouraged by any means and both Coach Gillespie and his players are expecting to bring home another victory tomorrow evening. Winning state football victories used to be an annual habit of the Newark School team, but Laurel has been taking these honors in recent years.

Coach Gillespie has been bringing his team along slowly since the Dover game. He has been working them enough to not allow them to get stale but not enough to overtax the squad. He will give the squad a final signal drill this afternoon to be followed with the final instructions as to playing the game tomorrow.

It is expected that a large delegation of local students and friends of the team will make the trip to Dover tomorrow.

The two teams will probably line up as follows:

Newark  
Sommermeier left end ..... Hastings  
Milliken.....left tackle.....Elliott  
Gallagher.....left guard.....Culver  
Jaquette.....center.....Wright  
Schwartz.....right guard.....Lowe  
Holloway.....right tackle.....Bell  
V. Mayer.....right end.....Riggin  
Smith.....quarterback.....Brittingham  
Edmondson.....left halfback.....West  
McCully.....right halfback.....Pollitt  
F. Mayer.....fullback.....Moore

### DELAWARE YEARLINGS BEAT "SOPHS" 6 TO 0

University of Delaware Freshmen in the annual class game Monday afternoon defeated the Sophomores, 6 to 0. The only score of the game was a touchdown by Heister, fullback for the Freshmen, in the second quarter.

The Freshies started a march down the field early in the second quarter with Roman, Heister and Orth carrying the ball most of the time and kept up the attack until the touchdown was made. The first year boys had a slight edge throughout the game and succeeded in keeping the Sophs away from their goal line.

### NEWARK WANTS GAMES

The Newark basketball team recently organized with Otis Gregg as manager, made up largely of University of Delaware and Newark High School players, is looking forward to a busy season if games can be arranged. Manager Gregg is anxious to hear from teams desiring games and should be addressed at Newark, or telephone 36, Newark. On the Newark team will be Glasser, Smith, Patchell, L. Chalmers, Williamson, Duffy, Marshall and Malone.

### TOMORROW

Not to deny that wrong and sorrow have been, are and will be, till time shall be no more, but admitting them, to try with our whole might to rise above them, to turn our faces to the East, and look for the rising sun, with patience and a steadfast hope, remembering that there is always a tomorrow.—Anon.

## DEAN WILL SOLVE PLUMBING TROUBLES

This sudden cold snap has added considerable to the plumber's troubles. Mr. Dean, the plumber, has been very busy and is just about completing several installations of new heating equipment.

But, regardless, he will care for all emergency calls possible and has been successful in securing some very good help. So don't hesitate to take your leaks and troubles to him.

Mr. Dean handles all kinds of plumbing and heating work. Your call will have his immediate attention and you will be surprised at the reasonable prices.

In every Dean job there will be found the mark of expert workmanship plus the installation of materials that make for permanency. Years of experience, thorough knowledge and quality. Materials are the basis of this business. With a complete knowledge of modern sanitation, and the use of first class material you are assured of absolute satisfaction on all Dean's work. To do one thing and to do that well has been the Dean motto since the beginning of his business.

## NEW FINISH FOR FORD CARS

The "pyroxylin" finish of the new Model A Ford cars is the result of many years of experimental and testing operations in the Ford laboratories and paint shops.

Pyroxylin is a lacquer finish with a cellulose base and, like most lacquers now used in the finish of automobile bodies, is a great improvement over the old paint and varnish finishes that used to crack, "check" and fade under exposure to weather.

But more than five years of experiment and testing under all sorts of weather conditions have developed methods of mixing and applying pyroxylin so as to utilize to the fullest possible degree all of its natural advantages.

The result is a uniform, smooth, durable finish in attractive and lasting colors which has attracted particular attention wherever the new Model A Ford cars have been seen.

Long before the Model A Ford car was designed, the Ford Motor Company was experimenting with pyroxylin. For several years approximately 300 company service cars painted with various pyroxylin finishes have been under observation by the testing laboratory in the Highland Park paint factory. One of the earliest of these cars, after five years of exposure to all sorts of weather, still have an excellent, fast color finish that shows no trace of "checking" or peeling. To subdue all things unto himself, Lord, do I lift up my soul." (Psalms) pyroxylin which goes on the body and the enamel with which the fenders are finished are given a chemical analysis and artificial and natural weather

tests. These analyses insure uniform flexibility and adhesive quality.

Utmost care is used to insure non-fading and uniform colors. Both raw pigments and finished lacquers are tested in a specially designed "fade-o-meter" for fading and durability. They are also examined both before and after the above tests in a color analyzer. This, splitting any color into its simplest hues, detects and accurately measures the slightest fading or other variation from standard.

The weather and durability tests are interesting. The system gives, in a period of 100 hours, a test equivalent to about seventy days of exposure to weather. Panels painted with pyroxylin pass from ordinary room temperature into a dust chamber where they are sprayed with wind-driven dust similar to that likely to be encountered in dust storms. Then they are subjected to ultra-violet rays much like those of the sun, but of far greater intensity. Next they are sprayed with warm water, after which they pass into a chamber in which the temperature is 15 degrees below zero. This complete cycle is repeated over again each two and a quarter hours for 100 consecutive hours.

In addition to this severe artificial weather test, the test plates are exposed for long periods of time on the roof of the factory. Here the effect of sun, wind, rain and snow are carefully observed, and a very close relation between the real and artificial weather tests obtained.

## SLOW DOWN OR GO BROKE

There is something wrong somewhere and sometimes I am persuaded to believe that we are putting on too much selling pressure.

Many are persuading people to buy what they cannot afford to pay for and this installment idea has put a lot of people in hock.

Necessary debt is necessary. Legitimate credit is a great convenience, but the luxuries of life should be bought and paid for with cash.

Everybody is entitled to all the enjoyment that they can get, if the pleasures derived are not followed with that worry over debts.

We have to slow down on extravagance or speed up, in the right direction, our energies.

## A TIMELY MARKER

In the older generations, there seemed to be more pride in the family traditions than there is today. Perhaps, as Mr. Ayars of Lancaster and Cleveland avenues in Wilmington, says, we are only assuming such to be the case. In these days fifty miles, only a little over an hour away, while, in the days gone by this sometimes meant a full day's travel. It is only natural that families are spread over a greater distance, for distance has been shortened as far as time is concerned.

However, the same spirit exists, according to Mr. Ayars. He says that there is still the Thanksgiving and Christmas family gatherings, distance had not done away with them. It is on such occasions that the family burial grounds are given the family consideration. It is surprising the amount of business that follows the holiday gatherings. Mr. Ayars has a large stock of cut and uncut stones of all kinds and sizes and will be only too glad to see anyone. Come out and look, you may not want to buy for a year, but come out, we will be glad to show you our stock.

## A CHRISTMAS SUGGESTION

For a gift, one that will be of every day usefulness, one that saves time and makes for efficient work; a gift that everyone, regardless of age will never cease thanking you for; the student, the teacher, the business man, professional man, in fact everyone will welcome with open arms, a first class typewriter. Shilling & Lake, at 9th and West streets, Wilmington, have offerings of all models, and you can get the color you want. They report the greatest advance Christmas sales that they have ever had, and it looks like a typewriter Christmas. Make someone happy, give them an everyday, year in and year out, present.

Little George, the garage mascot, was visiting his aunt. He found the cat in a sunny window purring cheerfully.

"O Auntie, come quick," said little George, "the cat has gone to sleep and left his engine running."—Annapolis Log.

## CHRISTMAS IS NEAR

Mr. Parrish, the local jeweler, invites everyone to call and see his large Christmas assortment of all kinds of jewelry.

It seems peculiar, but each year some particular line has the run as far as gifts are concerned. It seems as though that this year every one is interested and is giving each other some kind of plate wear.

Mr. Parrish seeing this coming has a fine line from which to make your selection.

Come in, you can have what you want laid aside for Christmas, but come in anyway, look everything over, whether you want to buy or not, the offerings are really worth a few minutes of your time to see.

## TEAS

Perhaps not just what you might first think of. Mr. Heroy of the Heroy Tea Store, 721 Market Street, Wilmington, when he thinks of tea, is thinking of the different kinds and grades.

You have all enjoyed a cup of tea and wondered, just why, you could not have just that kind. There are many different kinds and mixtures of teas.

When you are next in Wilmington take a few minutes to stop in and talk with Mr. Heroy, describe the taste and color of tea you most prefer. He will, with his general knowledge and years of experience give you just what you are after. You will thank him for years, for you can always get just the same mixture from him regularly.

## New Castle

The New Castle Home-School Association held its November meeting on Monday evening, November 19. There was a fair attendance in spite of the stormy weather. The meeting was livened up at the start by a community sing led by Mr. Smith, a high school teacher.

Miss Zimmerman conducted a very interesting fourth grade reading lesson, demonstrating the "Newer Methods of Today." The president opened the first of the topics for discussion, "Things to be Thankful For," by reading an article, "Be Thankful You Are a Modern Parent." The Publicity Chairman spoke on the "Delaware Parent-Teacher" and solicited subscriptions.—Pearl G. Lancaster, Publicity Chairman.

## Odessa

At the November meeting of Odessa Home and School Association, held Tuesday evening, November 20, Mrs. Tompkins, president, presented the November topic, "The Schools of Today." Mrs. Geo. Witlock explained the value of the Corbit Library since the books were listed by grades and subjects.

A sixth grade reading lesson was presented followed by a fourth grade history project on Colonial Life.

Enough money has been realized to purchase material for window and door screens, to install a cellar light, repairs for the victrola and three subscriptions to the "Delaware Parent-Teacher."

The association has pledged to assist the trustees in interior improvements.—Ada Jolls, Publicity Chairman.

## Hockessin

The November meeting of Hockessin P.-T. A. was held November 19, with fifty members present. Committees were appointed with the following chairmen: Program, J. T. Parsons; Publicity, Mildred E. Sherwood; Membership, Mrs. Horace Baelo; Ways and Means, Mrs. F. Gebhart; Hospitality, Mrs. Howard Cox.

The treasurer's report showed a balance of \$103.95. The State program, "The Modern School," was presented and discussed. The pupils rendered a pleasing program.—Mildred Sherwood, Publicity Chairman.

## Harmony

A goodly number were in attendance at Harmony P.-T. A. November 19. The teacher was instructed to purchase ventilating screens for the windows and to order two subscriptions to the "Delaware Parent-Teacher." An interesting entertainment pertaining to Thanksgiving was well rendered by the pupils and a treat of candy enjoyed.—Dorothy Dennison, Publicity Chairman.

## Hillside

The president and publicity chairman presented the November theme, "The Modern School," at the November meeting of Hillside P.-T. A., November 15. The association decided to provide a community treat to all children at the December meeting and to present a play during the Christmas holidays. Many new members were added to the roll at this meeting. The pupils presented a pleasing program, followed by a playlet by some of the younger members.—Edna B. Emborn, Publicity Chairman.

## Oak Grove

Miss Burnett from the State Department of Adult Education was the principal speaker at the Oak Grove School and Home Association meeting on November 16. After a splendid discussion on "The Modern Progressive Age in Adult Education," many members enrolled for courses in Dramatics and the Study of Child Psychology. Miss Mason, New Castle County Supervisor, gave an interesting and helpful talk on "The Changes in Methods of Teaching," with special emphasis on Reading. Following this talk Miss Lawless presented a sixth grade pupils in a reading demonstration. The membership chairman reported eighty members, an increase of forty-five.—Mary Crewe, Publicity Chairman.

## Fairview

Twenty-five members were present at the November meeting of Fairview P.-T. A., held Tuesday evening, November 13. The sixth grade presented a demonstration of their school reading. The association is interested in selling electric lights in the school. The association has begun action on the project.—Dorothea Seeds, Publicity Chairman.

## Pleasant Valley

The November meeting of Pleasant Valley Community Club was held in school house on Wednesday evening, November 21. The meeting was called to order by the president, Mr. Ford F. Wood, and was opened by singing "Love's Old Sweet Song," led by the Lord's Prayer. The minutes of the previous month were read by the secretary, Mrs. N. J. Hall, Jr.; roll call of members by Mary, then the topic for the month of November, "Today in the Living Room," was taken up and discussed by the president. A teaching of reading in present schools was cleverly demonstrated by the teacher; then the topic, "The Children of Today Learn

More than Children of Twenty Years Ago" was very thoroughly yet interestingly discussed by members of the club. It was the general opinion of those present, that while Delaware always has and still has good schools, and that children of today learn a greater variety of things which are given them in a more interesting way so that they have more desire to go to school, the teachers are held too much to a state planned schedule so that they can't plan and arrange things to be more adapted to their pupils in their individual school room; and that the old methods of 20 years ago to learn one thing thoroughly before starting another was best, i.e., in cast of arithmetic, addition, subtraction, division, etc., should be thoroughly learned separately before combining them together; or a beginner will know a word more quickly by knowing its alphabet and sounds than reading by pictures.

An interesting program was rendered by the pupils of the school, after which refreshments were served. Mrs. H. Downs and Mr. W. F. Wood favored with several pleasing recitations.

## Williamsville-Bethesda (Colored)

The November theme, "The Modern School," was instilled in the minds of all present at Williamsville-Bethesda P.-T. A., November 8, by a splendid demonstration in sixth grade reading. Many posters pertaining to "Education Week" were in evidence. The attendance is not what the association desires, so a membership campaign is to be conducted. The next meeting will be December 13.—Ada E. Grinnage, Publicity Chairman.

## Newport (Colored)

The November theme, "The Modern School," was very well illustrated by a reading demonstration with the fourth grade pupils at the November meeting of Newport P.-T. A., November 19. Miss Vallow, teacher, showed that the pupils could obtain more information and retain it by following the modern methods.

Mrs. Ada Helmbreck, Publicity Chairman for New Castle county, explained and discussed the aims and objects of the P.-T. A. and stressed the fact that all members can enable

the Publicity Chairman to submit interesting reports. Three new members were added to the roll.—Natalia I. Vallow, Publicity Chairman.

## Ebenezer (Colored)

The November meeting of Ebenezer P.-T. A. was held November 14. The association was entertained with a lively program by the Junior League, consisting of selected readings, recitations and quartets. After a discussion on the November topic, "The Modern School," Miss Loper, teacher, staged a contest between one of the pupils and a little girl from Golt's, Md. Through this effort quite a little sum was raised toward having the victrola repaired and paying for the organ purchased last year.—Anna Caulk, Publicity Chairman.

tells us some interesting things about tomatoes and the importance of them in the diet.

She says that tomatoes are rich in both vegetable acids and mineral salts, and that is why they have the merits of both fruits and green vegetables in the diet.

Tomatoes were formerly called Love Apples, and were grown only as an ornamental fruit; many people thinking that they were poison, but in recent years they have come to be regarded as one of our most important protective foods.

Tomatoes contain three vitamins necessary for human growth, and development. This is why they rank high among the protective foods.

Much of the nutritive material of the tomato is found in the juice, and for that reason both canned and raw tomatoes should be used to the best advantage. The tomato is one of the few foods that when cooked retains its vitamins almost unchanged, therefore the canned tomatoes have almost as great a dietetic value as the fresh.

Pure tomato juice has the same beneficial properties as orange juice, and is an acceptable substitute for it in the diet. This is why both adults and children should be given tomatoes when oranges are unobtainable or expensive.

Tomatoes are a most serviceable preventive of scurvy for artificially fed infants, the strained juice is recommended for babies fed on pasteurized milk.

Tomatoes will for a time allay thirst as effectively as a much larger quantity of water, so it is generally included in the "desert ration" of soldiers and explorers.

The acidity of the tomato makes it possible to sterilize it with certainty, and at a low temperature. It is one of the easiest foods to preserve by canning and there is no other canned vegetable so generally liked and used in such a variety of ways as the tomato. This is why the commercial canneries have an annual output of more than 200,000,000 cans of tomatoes.

Some of the greatest authorities on Diet and Health say that tomatoes or oranges should be included in the diet of every individual at least three times a week. It is to be hoped the homemakers of Delaware had this in mind when they were canning their winter food supply.

## AUXILIARY MEETING

The Fourth District Auxiliary of the Union Hospital, Elkton, met at the home of Mrs. Gus Blackson, November 10th. After the business meeting several suggestions were made to help raise money for the hospital. It was decided that each member should do something or make something and sell it to earn one dollar, and turn it into the treasury the next meeting, in January. Refreshments were served and a social hour enjoyed.

## THE SICK

Little Miss Marjorie Dougherty and Master Paul Cheney, of Park Place, both of whom have been suffering with bronchitis, are now improving.

Master Donald Huston, also of Park Place, is reported much improved, after being very ill with a sore throat.

Samuel I. Stewart, of Pleasant Valley, a student in the Junior High School, is suffering from a very badly broken arm, the result of a fall while playing at the school.

T. C. Young, who has been very ill is enough improved to be outdoors.

Mrs. Melvin Weaver, nee Shew, underwent a minor operation at the Homeopathic Hospital last Thursday. Mrs. Weaver was brought to her home here, on Monday, in a very much improved condition.

W. L. Blair, Assistant Professor of English at the University, is now up and around, although still somewhat bandaged.

Mr. Richard Coe who has been ill at his home on West Main street, with the grip, is now improved enough to be out. Little Virginia Coe, his daughter, who has been troubled with an infected ear for the past month and has been much improved, returned to Delaware Hospital today for further treatment.

claimed to be his maiden speech in which he assured the students that the faculty would always do all in their power to encourage a winning team since the prestige of the school depended almost as much on winning teams as it did on scholastic standing. Prof. MacDaniels praised the spirit of the team which was able to defeat its most formidable rival after an otherwise disastrous season.

Richard Long, Ross Ford and Ralph Hoffecker entertained with some skits and also presented an original song composed by Edgar Hare and James Gallely. After more cheers and songs the meeting broke up with the singing of the Alma Mater.

## NEW CENTURY CLUB NOTES

The regular meeting of the Newark New Century Club was held in the club rooms on Monday afternoon. After the business meeting, Mrs. Armand Durant gave a talk, "Echoes from Across the Sea," illustrated with pictures of the places visited this summer in her trip abroad. Mr.

Edtleston, of the school staff, gave several Shubert selections on the piano.

At this meeting a special appeal was made to the members for the donation of broken or discarded toys. These the Boy Scout corps of Newark will mend for Christmas.

## JR. O. U. A. M.

The American Flag Council, No. 28, Jr. O. U. A. M., convened at 7:30 Monday evening, with Councilor Smythe in the chair. Cold weather has no drawbacks for this live-wire organization. Great interest is now centered on the special membership campaign which will close December 15. Latest reports show Captain Durnall's team is on the lead. Brother Frank Mote obligated a class at the session. Various brothers reported on several visits to Councils the past week. Next Monday Brother Wesley Demp-

sey will present an outline for the proposed minstrel troupe of the Council. It is hoped for a large turn out

at this session as business of vital interest to Juniorism will be transacted.—A. Neal Smythe, Councilor.
