This year's Fightin' Blue Hen Football team finished another winning season with a 7-3-1 record. With their seventh straight winning season, the Blue Hens ranked third in the Mid-Atlantic Division.

Despite a slow start, Delaware was unbeaten in their last six games and almost captured the Yankee Conference Offensive triple crown for the second

straight year. Nine seniors lead the Blue Hens during the season: Daryl Brown, Pat Hulhern, Matt Smith, Chris Moore, Doug Flower, Rob Higbee, Jason Sluser, Greg Ventresca, and Mike Sye.

Daryl Brown ended an outstanding collegiate career with 4,587 rushing yards, 50 career touchdowns, and 308 career points. He set 14 school records and made 3 NCAA I-AA playoff appearances. Pat Hulhern closed his career by starting his 50th career game to tie the university record and earned All-Yankee honors at linebacker in 1992 and 1993.

A few freshman made names for themselves this year. Ralph D'Angelo broke the university record for freshman single season tackles with 126 tackles. Norman Coleman finished with 8.7 yards per carry. Courtney Batts set school records for yards receiving in a game (206 yards), in a season (691 yards) and pass reception in a season (27 passes). Freshman placekicker Sean Leach hit 29 straight extra points. Scott White ranked fourth among Yankee Conference punters.

As Tubby Raymond, the Blue Hens head coach, celebrated his 26th winning season of the 30 seasons he has been head coach, Blue Hen fans could not help but give credit to him and each player for such a successful year.

Senior defensive tackle Greg Ventresca brings down a Minuteman ballcarrier during the Hens' homecoming win. The letterwinner provided part of the defensive effort that held UMass to just 244 total yards.

Quarterback Keith Langan looks downfield for his receivers. The junior had an outstanding season, being named the ECAC I-AA Offensive player of the week and to the Yankee Conference Honor Roll for his performance during the Hens' victory over West Chester. Unfortunately, he was sidelined by a shoulder injury later in the season.

4,587 career rushing yards, 1,469 season rushing yards, 272 games rushing yards, 784 rushing attempts, 22 100 yard rushing games, 2 200 yard rushing games, 3 1,000 yard rushing seasons, 47 career rushing touchdowns, 4 touchdowns in one game, 50 career touchdowns, 308 career points: these were the UD records that Daryl Brown left behind when he graduated this year.

Senior defensive end and co-captain Pat Mulhern set a record of his own this past season. Mulhern tied a UD record by starting and playing in 50 games. Mulhern's other significant statistics include 339 tackles (2nd all-time at UD) and 16 quarterback sacks during his career.

The powerful 1994 Blue Hen Field Hockey team dominated throughout most of the season, gaining a top seed in the NAC season tournament. There, the team suffered a heartbreaking 2-1 loss to New Hampshire in the opening round. The unfortunate end to a stellar season could not dim the highlights produced throughout the Hen games, however. Ranked 12th in the nation

for most of their season, the team opened at home with a satisfying 1-0 win against defending national champion Maryland. Led by senior co-captains Sue Daddona and Brenda Lear, the Hens also embarked upon a school record 7 game winning streak.

In addition to team successes, some individuals stood out. Goal keeper Kim Lockbaum steadied the team on the defensive end, racking up a school record number of stops, along with 10 shutouts during the season. Sue Daddona, one of the teams leading scorers, was also named to the All-Conference team. Finally, head coach Carol Miller, in her second season at Delaware, was named as the NAC Coach of the Year.

It was clear that the Delaware Field Hockey team had indeed "stuck it" to their opponents and made a name for themselves.

For the second time in three years, the women's volleyball team fought its way through a tough season to win the NAC championship. in the losers' bracket. However, they rallied to face Hofstra in the final match, and, according to junior setter Nikki Brassel, "jumped out on 'em early and put 'em away." A triumphant Delaware won the match 3-0 and recaptured the championship title.

The young team, with only three seniors listed on the roster, contained plenty of talent. Junior hitter Emily Rome was named as the NAC tournament Most Valuable Player. In addition, Rome and teammates Karen Kunselman and Kathy Shaw were named to All-Tournament Teams at American University, George Washington University, and George Mason University, respectively. The team also found itself with a new record-setter in the ranks as setter Nikki Brassel rose to the top of the University's all time assist chart, shattering the old mark of 2,402. The nationally recognized Shaw led the team in kills and digs during many games as well.

Finally, at the helm of the team, head coach Barbara Viera was named as the NAC coach of the year, also for the second time in three years. Viera ranks among the top ten winningest coaches in Division One volleyball.

Young players, new recruits, and strife during the preseason — these were the obstacles that the men's soccer team was forced to deal with during the 1994 season. The Hens also strutted their stuff at home, winning a game against Temple by a score of 4-2. It was clear that the team, which gained 13 new players this year, had gelled and was looking towards bigger and better accomplishments.

The Hens were led by tri-captains Dan Shultz, Andy Bullard, and Chris McGowan. Bullard was also named to the All-Star team in the William and Mary tournament, where the team faced some of its toughest opponents. streak going into the NAC finals. There, however, nationally ranked Hartford proved too much for Delaware who, after playing the Hawks evenly for the first few minutes of the match, succumbed to the offensive onslaught.

Perhaps the most incredible aspect of the women's soccer team was the fact that they accomplished so much with such a young team. (Freshman defender Amanda Porreca was only 16 years old!) Also, freshman phenomenon Beth Gregory broke her sophomore teammate Beth Hatt's records by accumulating 11 goals and 6 assists for 28 points in her first season. Sophomore Melissa Kulp provided plenty of help as the starting goalkeeper. Not to be outdone by their younger teammates, Hendrickson and Hatt were both named to the all NAC team. Tri-captain Minni Hudson (senior) also added to the team totals by scoring many goals of her own throughout the season. Finally, coach Scott Grzenda was named as the NAC coach of the year for the second straight season.

leading scorer and rebounder, the second woman to rack up 1,500 points, and the second woman to ever amass 1,000 points and 1,000 rebounds during her career.

The team itself was beset by many ups and downs as they opened the season by beating Delaware State handily in Dover but were defeated at home by St. Joe's. They were defeated by nationally ranked Alabama-Birmingham in the first round of a tournament in Manhattan, yet took second to Harvard at a tournament in Florida. Their see-sawing record continued through a grueling winter road trip that lasted 40 days and spanned 4,000 miles. The tone for the entire season was best observed by two Hens' games played in January. Against Vermont, Delaware rallied from a 20 point deficit to tie, while, during the next game, Hartford ate away an 18 point Hen lead to win the game.

Although the season was tough, the Hens showed their mettle by playing difficult teams to close finishes and never giving up.

Final Record 12-15

An agonizingly disappointing season ended in a sub .500 record for the Hens and was ultimately capped off by the loss of their coach. Head Coach Steve Steinwedel, who led Delaware to NCAA tournament appearances in 1992 and 1993, announced his resignation within weeks of the team's last loss.

# AGONY

## Hens endure so-so season

However, the Hens record didn't really show half of the effort they put into the season. Of the 15 games they lost, nine were within four points, including three games that went into overtime.

The season started promisingly enough, with an 82-80 overtime win against DelState, where Brian Pearl's last second three point shot sent the game into overtime. They also recorded a surprise win over eventual NCAA qualifier Weber State the next week at the UC Santa Barbara Gaucho Classic. Other impressive wins included a stomping of powerhouse Northeastern 87-58, and a thrilling, last minute win over rival Drexel at the last home game. However, in other games, close just wasn't good enough as the Hens fell to several NAC rivals and ended the season with a 12-15 record.

As always, the season included some standout individual performances. Senior guard Brian Pearl ended his Delaware career with 14 school records, ranked number two on the all-time assist list (501), and number three in scoring with 1,532 career points. He also led the Hens in scoring, averaging 14.8 ppg. Peca Arsic, the sophomore transfer from West Virginia, led the team and the NAC in three point scoring. He averaged 14.4 ppg. Meanwhile, Greg Smith set a UD record by shooting 62.8 percent from the field. Center Patrick Evans, guard Rob Garner (who missed the first half of the season due to an elbow injury). Robbie Johnson, co-captain Micah Edwards, and Bruce McCullough also helped the team on both offense and defense.

By far the most outstanding Delaware competitor was Nancy Davis, who shattered five individual records and had a record setting leg in the 400 relay. Only a sophomore, Davis set two pool records (in the 1,650 and 500 freestyles) at NAC's, and set an incredible three more at next week's ECAC Championships. There, she set marks in the 1,650 freestyle, finishing second overall and set two new records in the 1,000 freestyle with a split of 10:25.10, and an overall time of 17:09.99. She also placed third in the 500 freestyle. Finally, she set a new school record in the 400 relay, swimming her leg in a time of 53.17. Another super soph, Sabra Brannon, set a new record in the 200 butterfly with a time of 2:10.45, placing 10th at ECAC's. Other Hens who placed high in the championships were: Beth Ian -- first place in 3 m diving and 1m diving, and second place winners Sally Murphy (200 backstroke), and Kelly Baird (500 freestyle). Third place winners for Delaware included Kelly Baird in the 1,650 freestyle, Sally Murphy in the 100 backstroke, and 800 freestyle and 400 medley relay teams. At ECAC's Ian took sixth in 3 meter diving and seventh in the 1 meter event, Murphy took 15th in the 200 backstroke, Maggie Bintz was seventh in the 200 back, and Brannon took sixteenth in the 200 fly. The 400 medley and freestyle relay teams finished 9th and 14th respectively.

With eyes focused on the wall, a breaststroke competitor nears the finish of his event.

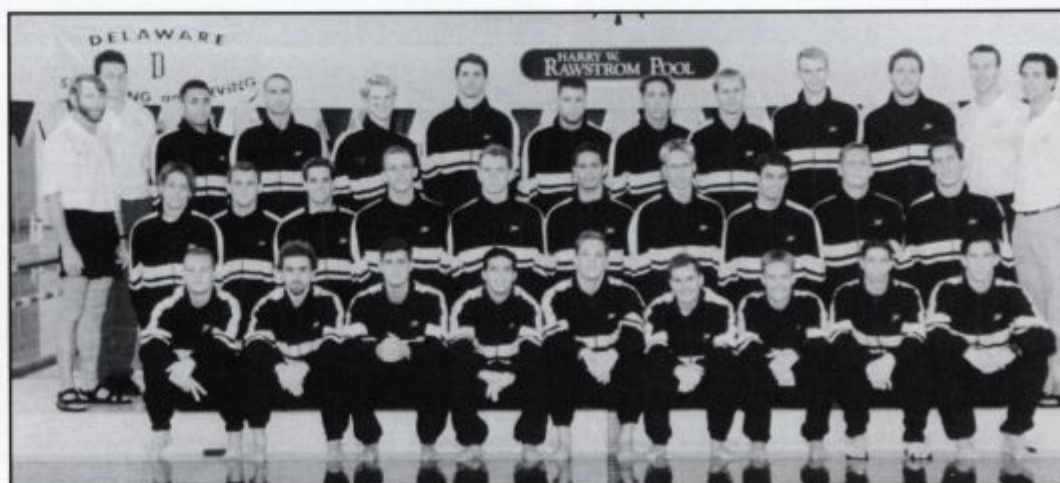

Thanks to their opening with two big wins over Rider and West Chester, competing strongly all season, and finishing in third place in the NAC, the men's swimming and diving team had plenty to feel good about. As always in an individual sport such as swimming, several Hens stood out. Senior David Caffo swept two events in the North Atlantic Conference champion-

ships, winning both the 1 meter and 3 meter diving competitions by large margins. Caffo, the first Delaware diver ever to pass the 300 point mark in an event (he won both diving competitions at NAC's with over 400 points), went on to the ECAC championships, where he took 7th in the 1 meter and 8th in the 3 meter. Caffo was joined at ECAC's by teammate Mike Riccitelli, who took 13th in the 1,650 freestyle event. He took second in this event at NAC's with a time of 16:17.18. He also took home a silver medal in the 500 freestyle. Sophomore Josh Smith proved himself to be an up and coming superstar as well. At NAC's he tied for second in the 200 meter backstroke, took fourth in the 400 individual medley, and finished 5th in the 200 IM. He also set three school records during the season — in the 100 backstroke with a time of 53.14, the 200 freestyle in 1:41.17, and the 200 IM in 1:56.39. The Hens were helped by nearly all of their team members; during the season, at least 10 different competitors recorded victories in events ranging from the 100 butterfly (Matt Fouse against Coppin State) to the 1,000 freestyle (Paul Ulrich against Coppin State and Ray Meyer against Loyola). The team had a particularly impressive win against Loyola near the end of the season, winning nine of thirteen events. Finally, the team was helped by the leadership of co-captains C.T. Lyons and Chris Dohl, and by the coaching of John Hayman, John Schuster, and Rich Roat.

Led by head coach Sue McGrath-Powell, the 1994-1995 women's indoor track team posted a dual meet record of 5-7 and placed fourth in the North Atlantic Conference. At the NAC championships, Sheryl Hall and Tara Pointin were the top Hen performers. Hall took second place in the high jump with a leap of 5'5", and also placed fourth in the high hurdles. a top cross country runner, placed second in the 5,000 meter run with a time of 17:37.8 and took fifth place in the 3,000 meter run as well. Taking third place spots were Tiffany Stith (high hurdles) and Chris Rolleri (5,000 meter run). Also placing in the top six spots were Hens Sarah Cowles (800 m run), Katie Guarracino (1,000 m and mile), Rolleri (3,000 m run), Margaret Sawyers (5,000 m run), Kristin Joynt (weight throw), Murphee Hayes (1,000 m run) Chris Delli Paoli (weight throw) and Holly Weideraan (500 m). Pointin and Rolleri also had the distinction of qualifying for the ECAC meet, where both competed in the 5,000 meter run. Rolleri placed 17th overall while Pointin took 23rd.

The Hens showed some impressive finishes at home throughout the season as well. The 4x800 relay team of Hayes, Guarricino, Weideraan, and Cowles won their event at the Delaware Invitational, while Delli Paoli and Hall won the weight throw and high jump at a dual meet held at the Delaware Field House earlier in the season.

Murphee Hayes tears through her leg of a relay event during the Delaware Invitational meet. She took fifth place in the 1,000 meter run at NAC's.

Inexperience, injuries and playing one of the nation's toughest schedules took its toll on the men's lacrosse team this year, which ended the season with a 6-9 record and a loss to Hofstra in the NAC tournament.

However, the season was not without its bright spots as the Hens were ranked nationally twice during the season (18th in the March 4 poll and

20th in the March 19th poll). They also defeated some very tough opponents, as they inched ahead over 10th ranked UMass and won the game 16-15. The Hens also finished out their season in fine fashion, defeating both Vermont, and then New Hampshire, by scores of 12-11 in sudden death overtimes.

As always, individual players shone throughout the season. Most notable was the performance of senior attackman Anthony DiMarzo. He earned a United States Lacrosse Association honorable mention All American for the third year in a row, and also led the Hens in scoring for the third straight year. Tallying 39 goals and 39 assists, he ranked 3rd in the nation in assists and points. He also earned the UD records for assists in a career (153), points in a career (251) and consecutive games with a point (47). Finally, he earned All NAC honors for the fourth year in a row. In addition to DiMarzo, Blue Hens Brad Glowaki, Eric Doust, Mike Joyce, and Carey Egan were named to the all-NAC team. Goaltender Brian Cooper put in a strong season in goal despite an injured hamstring.

tian, and the scoring of Kelly Frey and Melissa Hefner, they defeated a tough Loyola team. Next, the Hens stunned the top seeded James Madison (ranked third in the nation), thanks to a goal by Brenda Lear in the last 1:33 of the game. Moving on to the finals of the tournament, the Hens suffered a heartbreaking overtime loss to powerhouse Old Dominion, losing by a score of 9-7.

The efforts of the team did not go unnoticed, however, as the Hens found themselves ranked 13th in the nation at the season's end. Freshman phenom Sebastian was named the CAA tournament MVP, and tri-captains Sue Daddona, Brenda Lear, and Kristina Scanion were selected to play in the North-South senior all-star game. Daddona also earned second team Brine/WLCA All-American honors, and along with Kelly Frey, was named to the first team CAA All-South region. Daddona and Frey were also third and ninth in the nation in scoring respectively.

the Championships. Brian D'Amico won the discus with a throw of 156-2, while Travis Adams took first in the 10,000 meter run, and Larry McSeed was the 110 high hurdle champion. D'Amico also took a silver in the hammer throw, while Nick Macintosh (400 meters) and the 400m relay team of Pat Williams, Paul Williams, Joe Brake, and Macintosh took seconds for the Hens. Macintosh also placed third in the 200 meters, while Lee Brannon (1,500) and Kyal Hackett (High Jump) took home bronze medals as well.

The Hens turned in great performances throughout the season, too. They finished second behind their hosts at the Bucknell Invitational, and took eight top six spots at the Delaware State Relays (held in Dover). The Hens also finished ninth at the Millersville Metrics. Finally, at the IC4A championships held at George Mason University, Brian D'Amico again showed his stuff by placing sixth in the discus and earning All-East honors.

several Delaware players shone through as well. Third baseman Cliff Brumbaugh was named to two All-American teams, was the NAC player of the year and led his team in nine offensive categories. He also: batted .455, had a nation leading 32 doubles, a team high 56 RBI's and was drafted in the 13th round by the Texas Rangers. Senior pitcher Jamie Wison set a school record with 33 pitching wins, was named NAC pitcher of the year, posted a 9-1 record and a 1.70 ERA. Curt Schnur, also a senior, led the team with an 11-3 record, had a 1.21 ERA, and was drafted by the Atlanta Braves in the 34th round. Also, Junior lefthander Adam Lamanteer was named to the All NAC and All-East teams for his pitching performance. Finally, senior catcher Troy O'Neal and freshman shortstop Brian August earned All-NAC honors.

The team opened its season slowly, gaining a 5-5 record before embarking on a 18 game winning streak. They continued their run by beating Villanova to take the championship at the Liberty Bell Classic tournament held at Veteran's Stadium in Philadelphia. Rebounding from a second round loss to Vermont, the Hens flew back to take the NAC championship. They then went on to play Navy in the NCAA play-in, where the winner earned a spot in the NCAA baseball tournament. After a 7-1 win in the first game, the team then lost the next two, bringing a heartbreaking end to an incredible season.

however, as the Hens made an impressive showing near the middle of their schedule at the Sports Plus tournament held at Richmond. They won their first game against George Mason with a school record 19 hits, then fell to a 2-3 record at the end of round robin play. However, they redeemed themselves by defeating Campbell and Radford to advance to the championship game, where they were stopped by East Carolina.

Ending her career with the Hens was Lisa Myers. The shortstop had an outstanding season, averaging .395 at bat, and finishing with 9 school records, including most hits in a career and a 12 game hitting streak in 1995. Moving to shortstop after starting the season at centerfield, Myers was named to the all NAC team.

Junior third baseman Lauren Baugher also earned All-NAC honors, hitting .291 with a team high 20 RBI's. Tri captains Lisa Kosanovich and Allison Gladwell also had impressive years at both the plate and in the infield. Behind the plate, both Dana Dyson and Bonnie Seaman saw playing time, as well as being called upon to perform designated hitter duties. The pitching staff, whose rough year was not helped by bad defense and the lack of hits, was led by Jen Ballier and Janna Kedersha. Ballier posted a 2.41 ERA while Kedersha lead the team with eight wins. Finally, Kristen Kayatta, Alison Rose, and Erin Eisenhower provided some hitting power at the plate.

Led by coach Jim Kent, the 1995 Delaware men's golf team enjoyed its 32nd consecutive .500 or better season. The Hens came in 14th or better in every tournament they entered, and won their only home dual meet against Lafayette. They placed fourth in the North Atlantic Conference Championships, and ended the season in third place in the NAC, behind long time

## lead winning season

winner Hartford and a surprising New Hampshire squad. The team capped off the season by competing in the NCAA District II Championships, also known as the Scotty Duncan Memorial. The Hens made an impressive showing by placing 14th, after moving up four spots from the number 18 rank they had held on the first day of the tournament.

Leading the squad throughout the season were junior Todd Milligan and senior Ralph Viola. Viola was the team leader with a 78.73 stroke average over 11 rounds, while Milligan followed his lead with a 79.18 average. The two tied for fourth at the NAC championships, and both were named to the All-NAC squad. Milligan's top five finish at the tournament was the 3rd straight year he had placed that high. Both also tied for 35th place at the NCAA tournament. They also led the squad at tournaments throughout the season. Other Hen standouts were: Todd Bowman, who shot a 78 at the Newark Country Club to lead the Hens to victory over Lafayette, Brian Floriani, who placed 10th at NAC's, and Hank Clement, who came in 11th at NAC's, 13th at the Rutherford Invitational, and 14th at Wesley.
