

The football team in 1902. Sports have been an important part of life at Delaware since the late 1800's, and around the turn of the century students were not considered real men unless they played football, which most of them did.

SOMETHING

OLD

Tom Rusy attempts to keep the ball away from his opponents until he can pass it to a teammate. Although sports such as lacrosse and women's soccer are relatively new compared to teams such as football, they are gaining popularity.

Sports

Sports have been at Delaware almost since its founding, although not always in their present form. The athletic program has grown from a rough field behind Old College and swimming in White Clay Creek to include a multi-million dollar convocation center, the Field House and Stadium, and Carpenter Sports Building. Opportunities also abound for the recreational athlete: intramurals, club sports, tennis courts, three fitness centers, and volleyball courts on Harrington Beach, just to name a few. With the growth of the school have come both an increase in the number of athletic teams and the expansion of the region in which they play, from the Maryland-Eastern Pennsylvania area to the entire East Coast and beyond. As the program has grown, Delaware athletics have risen from a way to kill time on a Saturday afternoon to nationally ranked competitors with thousands of fans.

SOMETHING
NEW

Three in a Row

The Delaware football team continued their winning tradition by advancing to the NCAA I-AA playoffs for the third straight season. Not only did the Blue Hens qualify for post season play, but they also led the Yankee Conference in rushing with a regular season net of 296.6 yards per game.

As well as impressive team honors, there were also many individual awards. Tubby Raymond, the head coach, rose to fourteenth place on the "all-time college coaching win list" with a career record of 231-91-2.

Players were also busy creating new records. Junior fullback Daryl Brown set two new university records in career rushing and single season rushing. Lanue Johnson, senior halfback, became the first

Blue Hen player to receive for more than 1000 yards and to rush for more than 2000 yards. Setting a new career record of 30 quarterback sacks was senior Matt Morrill, defensive end.

Many more individuals contributed to the team's success. It was the sportsmanship exhibited by all those involved that allowed for the continued success of the Delaware football team.

— Karen Nye

After calling a pass play, fullback Daryl Brown accepts a pass from quarterback Keith Langan. Brown attempted to gain the yardage needed for a first down.

Keith Langan passes the ball to Daryl Brown to complete the play. Langan's passing, combined with Brown's rushing records, were two of the team's strengths.

Quarterback Keith Langan looks for an opening as the Maine defense comes on strong. Langan threw a career high of three touchdowns and earned the honor of Wilmington Trust's Best of the Blue Hens.

Domenic Botto faces off against his opponent, ready to tackle. Botto relied on speed to defend the Blue Hens.

Mike Ryan waits in anticipation as the team prepares to take the field after half-time. With more than 100 members on the team, at any given time, most of them were on the sidelines rather than on the field.

Aaron Kellam finds a unique way to beat the heat during a game. Kellam's excellent speed made him one of the top recruited freshmen of the season.

A rainy Homecoming day didn't keep the fans from coming out to support the Blue Hens. The team didn't let them down, defeating Maine 21-19.

A Delaware linebacker attempts to break away from a tackle. Powerful plays like these resulted in Delaware's crushing defeat over Richmond.

Field Hockey

Sue Daddona follows the ball down the field.

Players prepare to defend the goal.

A Delaware player tries to keep her opponent away from the ball.

A Blue hen practices on the field.

Shots On Goal

The University of Delaware field hockey team continued its tradition of outstanding play under the new leadership of coach Carol Miller.

The Hens' first win was in the first game of the season, a 5-0 blanking of Ursinus College. Delaware then went on the road and lost to Maryland, then won over No. 17 Rutgers. They later defeated No. 12 Princeton, 2-1, and produced an overall record of 8-3.

The week of October 11th, the Hens hit the top 20 for the first time since 1991, coming in at No. 15.

Things fell apart for the Hens as they hit the tough North Atlantic Conference part of their schedule and lost five of their remaining six contests, falling out of the Top 20 and finishing fifth in the conference with a 3-3 mark.

On the positive side for the Hens, they did finish above .500, and several players were honored throughout the season for their exceptional play.

Co-captain Sue Daddona led the Hens in scoring with 17 points followed by Lauren Baugher with 16 points and Hefner with 15.

— Mike Hromyak

(far left) Jen Butch fights for the ball with LaSalle's Renae Rutigliano. Butch, a freshman, will return next year for another good season.

(above and left) Kristy Hendrickson dribbles down the field and tries to keep her opponent from getting the ball. Hendrickson was one of the team's strongest scorers.

Stopped At The Net

The University of Delaware women's soccer team enjoyed its finest season since becoming an inter-collegiate team, compiling an 11-6-1 record.

Despite starting six freshman and having only one senior on the entire roster, the Hens broke or tied more than 20 school records. Junior Kristy Hendrickson became the all-time Delaware leader in goals, assists and overall points. Hendrickson's accomplishments earned her North Atlantic Conference Player of the Week and NAC All-Conference honors.

While Hendrickson was setting career records, Beth Hatt was breaking Hendrickson's freshman marks. Hatt's nine goals and total of 23 points were Delaware freshman records, earning her the NAC

Rookie of the Year, the first time a Blue Hen has won the honor.

Deb Flowers opened some eyes early in the season with her three goal, two assist performance in a trouncing of Mt. St. Mary's.

Freshman Melissa Kulp led the Delaware defense, which finished the year No. 1 in the NAC. Kulp was in the top ten regionally and led the NAC in goals against average, allowing less than one goal per game. Sheena Hunter and Janine Corcoran relieved Kulp with strong support in the nets.

Stephanie Schoening attempts to kick the ball to a teammate up the field. One of the starting midfielders, this freshman should provide strength to the team in years to come.

Kick It Boys!

The University of Delaware men's soccer team began its rebuilding under new coach Marc Samonis-ky in 1993. The team finished 2-16-1, despite strong showings against nationally ranked Boston University and Notre Dame.

While the team struggled offensively, the defense tried to keep the Hens even, led by goal-keeper Stuart Mason. Mason held opponents to two goals or less in 10 of the Hens' 19 games. However, for the season, Delaware was outscored 49-14.

Junior Mike Nash led the Hens' scoring with five goals on the season and 11 points. He scored a hat trick in the Hens' win over Maryland-Eastern Shore, 6-0.

Delaware's other win in 1993 came over backyard-rival West Chester.

(far right) The Blue Hens watch their teammates on the field. Team support made all of the athletic teams stronger.

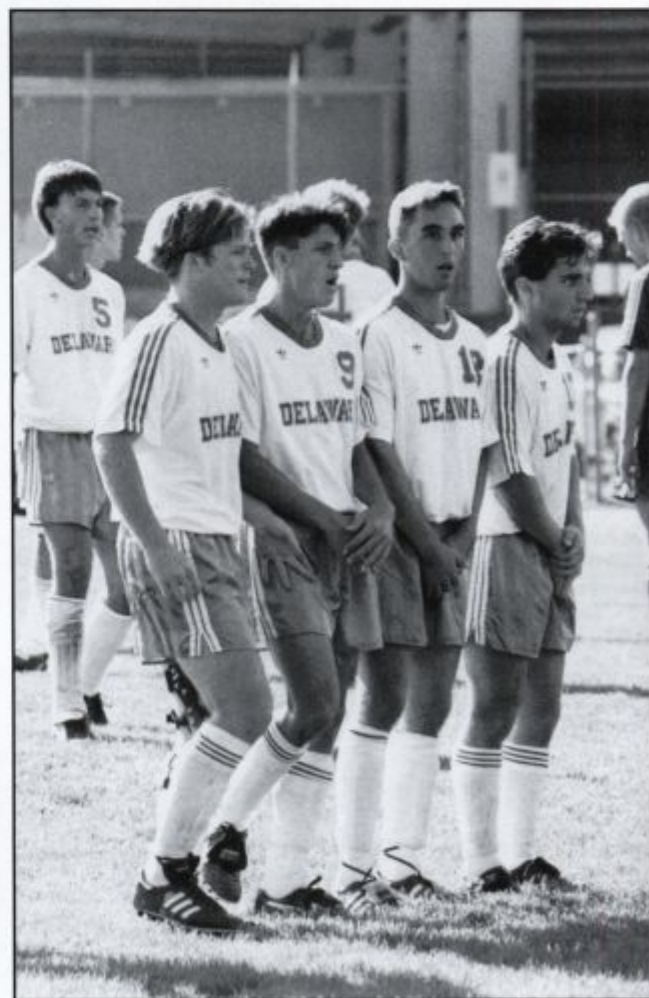

A soccer player successfully defends the Delaware goal. The team's strong defense attempted to balance out their struggling offense.

A player spikes the ball over the net.

A Blue Hen volleyball player spikes the ball over the net as her team mates watch.

Bump, Set, Spike!

The 1993 Volleyball Team came within one game of winning its second straight NAC title. However, the team had many more successes beginning with Barbara Viera, head coach, who accumulated more than 550 career wins.

Many of the players had individual accomplishments as well. Nikki Brassell broke a University of Delaware record with 1,449 assists in a single season. NAC player of the week for the last week of September, Kathy Shaw worked her way up to the sixth place on the UD all-time list in digs. And for two weeks straight, Karen Kunselman was named "NAC Rookie of the Week."

Achieving an overall record of 27-15 (3-1 in the NAC) took grit and determination. Being seeded second in the NAC, behind only Hartford, was proof that the Delaware Volleyball Team was a force to be reckoned with again.

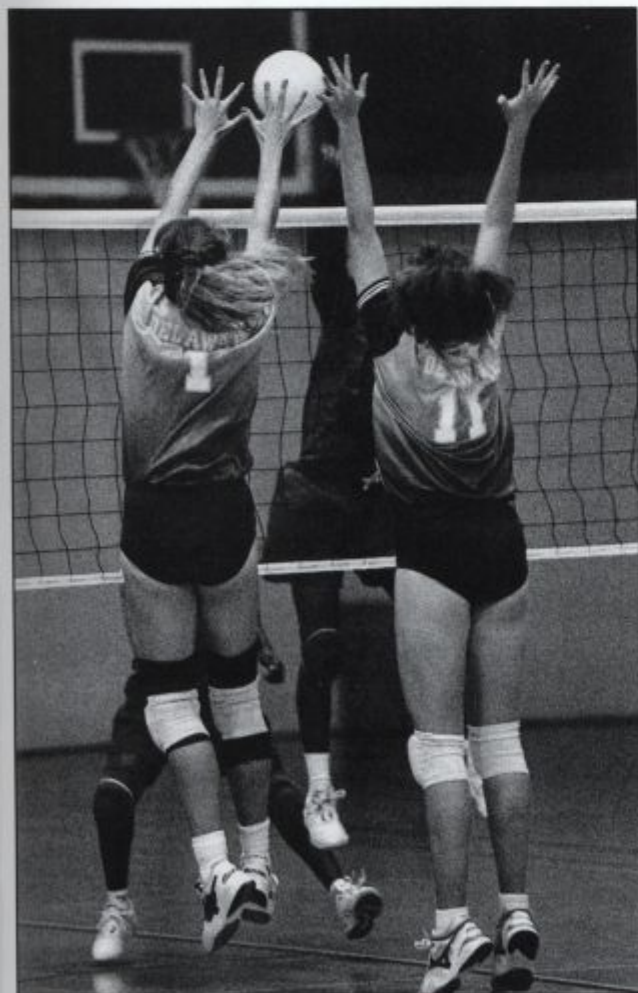

— Karen Nye

Karen Kunselman and Carolyn Bockius get ready to block the ball. Kunselman was named NAC rookie of the week for two weeks straight.

Nikki Brassell sets the ball to her team mate. She broke the university record for assists in a single season.

Full Speed Ahead!

Sue McGrath-Powell, head coach, and members of the women's cross country team earned the honor of third place in the NAC. In November, they also finished 23rd in the ECAC/NCAA District II Championship.

There were many other team honors, as well. The cross country team placed third in the Navy Invitational, second in the University of Delaware Invitational, and first in the Lafayette Invitational.

Individually, each member con-

tributed to the overall success of the team. One such example was Ellen Strickler. She was named "Wilmington Trust Best of the Blue Hens" for the week of October 18th and received All-Conference honors.

The dedication and hard work of all team members made the women's cross country team successful for yet another season.

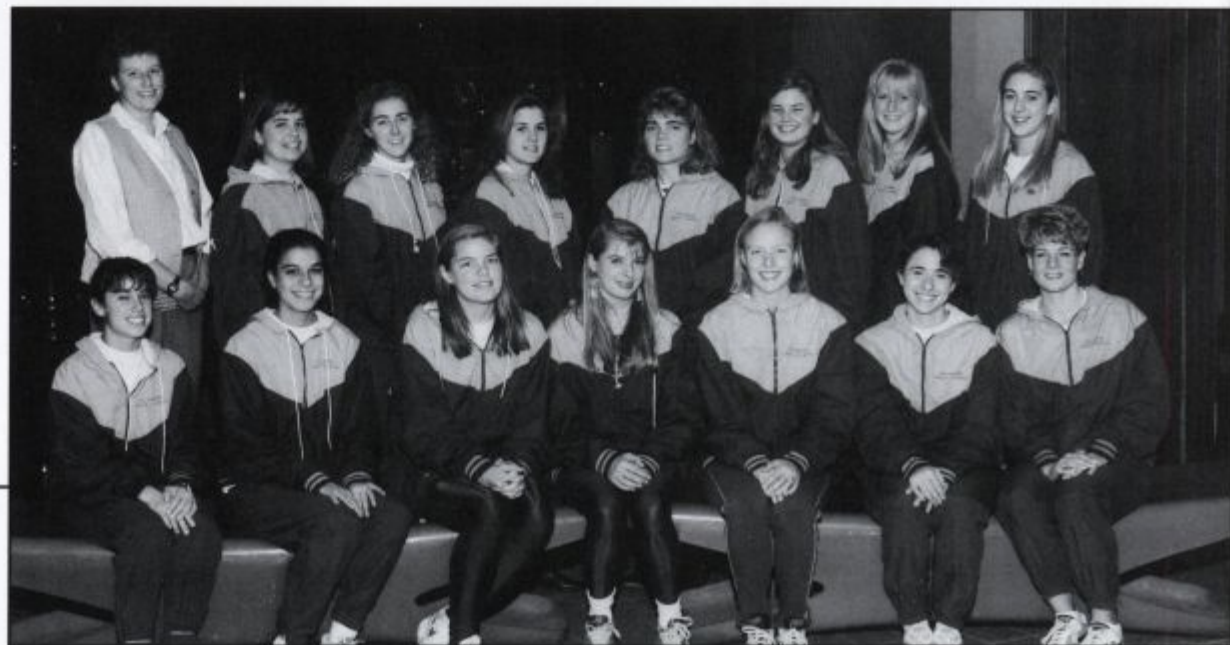

— Karen Nye

The Blue Hen team gets ready to take off at the starting line. Overall, the cross country team had a good season.

A Blue Hen dashes past his opponents. The runners' skill over tough courses resulted in a winning season.

Three's a crowd in this instance, as a Delaware track member maintains his lead. Although cross country was usually a very solitary sport, runners sometimes found themselves in the company of their competitors.

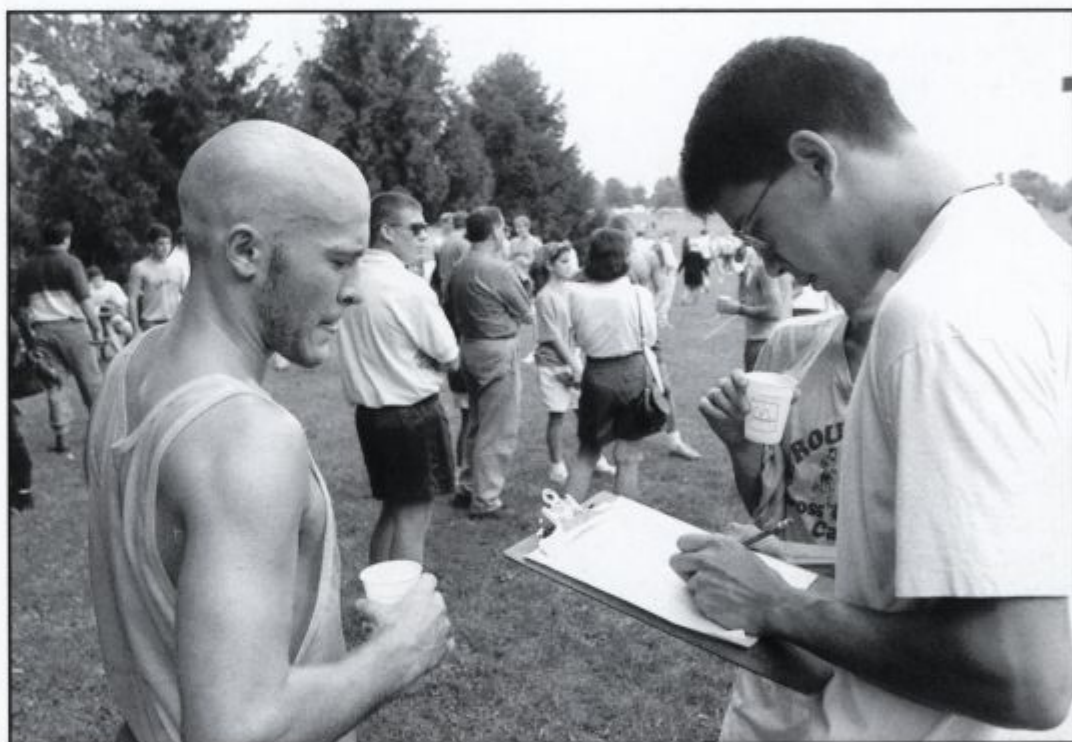

All Around The Country

This cross country season was one of the best in recent years. Led by three outstanding captains, Travis Adams, Eric Albright and Bryan Denbrock, the team finished the year with an 8-2 dual meet record, a victory in the Delaware Invitational and a runner-up spot in the Leopard Invitational. The team was a close third in the North Atlantic Conference Meet. The strengths of the team were the hard work and the

high mileage, dedication, determination and team spirit. The strong efforts shown by the team in the final home meet under slippery conditions and at the NCAA Region II Meet in Virginia were indications of not only a very good season, but also of lessons learned and attitudes changed.

A Blue Hen runner checks the team's standing. A bad finish for one runner did not necessarily mean a team defeat.

What's All the Racket?

The strongest feeling that comes to mind when thinking about the 1993 women's tennis season is unexpected success. After challenge matches that produced several upsets, injuries that allowed all the teammates to get to know the training room at one time or another, and rain and confusion that led to near forfeits, the team ended with a 9-4 record, a second place finish at the NAC's (their best ever), big wins over Villanova and Morgan State, and a

prized win over Towson State. The most exciting, annoying, and teeth gritting win was over Saint Joe's where the team planted the seed and let it grow. However, the wins and losses didn't stand out as much as the people on the team who shared a fun and crazy two months together.

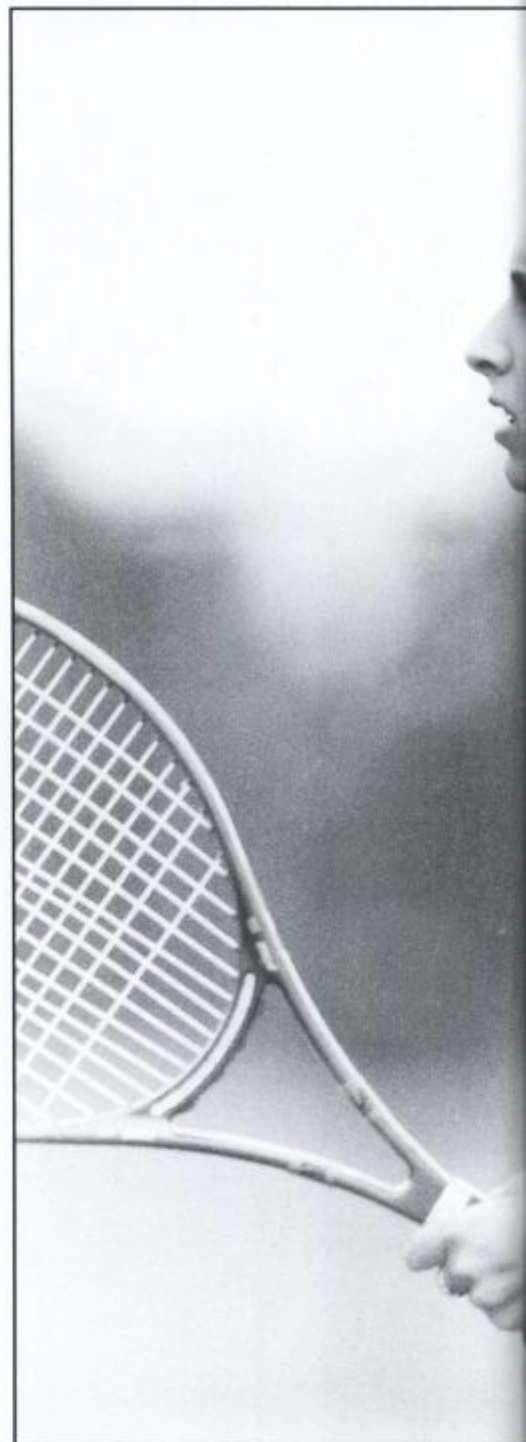

— Julie Kratzer

A Blue Hen attempts to hit the ball. The team had a good season, winning most of their matches by a substantial margin.

1994 Blue Hen Women's Tennis Team

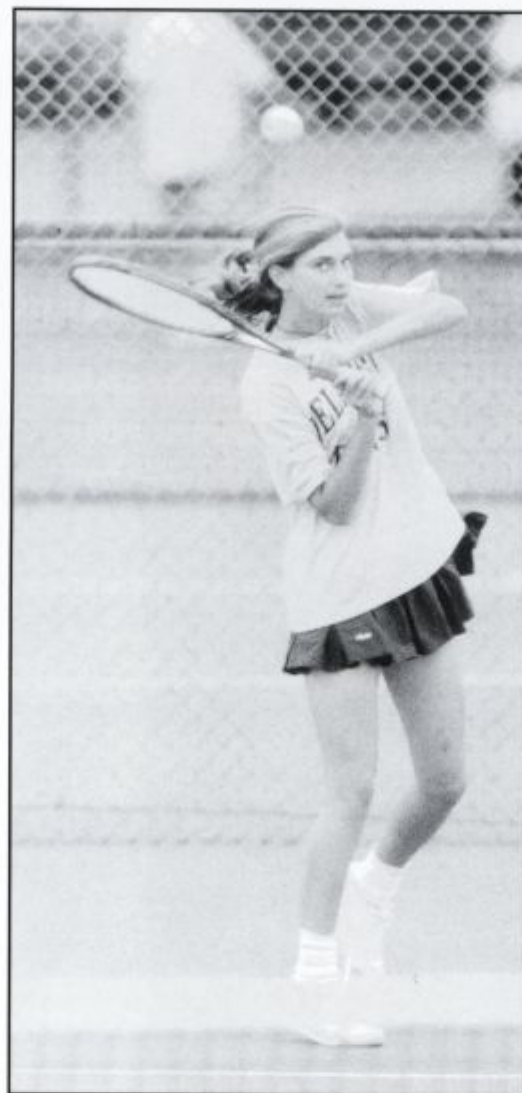

A. Ashurst, K. Burne, R. Fearins, L. Fry, K. Getty, J. Kratzer, L. McCarthy, E. Monkhouse, M. Wolfenden, M. Zusi

A UD tennis player anticipates her opponent's move. Strategy was very important to the team's success.

A Delaware player hits the ball over the net. The team made tennis look easy, but in reality it involved a lot of coordination and dedicated practice.

This tennis player volleys with her opponent. Volleys often lasted until one player was too tired to return the ball and a point was finally scored.

Poised for competition, this swimmer mentally prepares herself for the upcoming competition. Throughout the championship meet, the entire team gave it their all.

A Blue Hen swims her best free-style yet. In the stands, supporters of Delaware swimming cheered her on.

Making A Splash!

The 1993-94 Varsity Women's Swimming and Diving Team concluded its 22nd year of collegiate athletics with outstanding performances from all 26 members of the team.

The dual meet season ended with Delaware compiling a 7 win, 5 loss record with three of the five losses by less than 15 points.

Delaware hosted the North Atlantic Conference Swimming and Diving Championships on Feb. 18th-20th. Delaware finished in third place. This finish was a tremendous accomplishment for the young Delaware team (18 freshman and sophomores). Finishing in the top three in the conference were Maggie Bintz (breasts-

troke), Kim Castellanos (Back & IM), Nancy Davis (Freestyle), Kim Luksic (freestyle), & Sally Murphy (back). Twelve women qualified for the "Easterns."

School records were broken by Sally Murphy in the 200 backstroke, relay members Kim Castellanos, Maggie Bintz, Sabra Brannon, and Nancy Davis in the 400 medley relay, and Kim Castellanos in the 400 individual medley. The relay team of Nancy Davis, Denise Basch, Kim Luksic, and Kim Castellanos set a school record in the 800 freestyle relay.

A swimmer gives support to her teammate before the race. Camaraderie was a big facet of the team's victory.

Men's Swimming and Diving

Making A Splash!!

Delaware turned in one of the best seasons in recent swimming history at the university. An exceptional 9 wins and 3 loss dual meet record gave the confidence to a young team to try to win the conference title at the Harry Rawstrom Pool on Feb. 18-20, 1994.

Delaware gave up only three losses (G.W.U., Lehigh, & Villanova) during the year and held off Drexel, Bucknell, and American with close meets that came down to the last relay.

The men's swimming and diving team had a tremendous amount of depth, especially from the underclassmen. This depth helped Delaware finish 2nd in the conference meet with 635 points, only 73 points out of 1st place finisher Boston University. Conference winners from Delaware were Pete Holcroft (100 & 200 Freestyle), Ali Al-Hasan (1 Mt. & 3 Mt. Diving), and Kyal Hackett (100 breaststroke). Because of the two first place finishes Pete Holcroft was named Male Conference Athlete of the Year.

School records were established by Josh Smith in the 100 backstroke & 200 individual medley. Pete Holcroft set a school record in the 200 freestyle.

Twelve Delaware swimmers and divers qualified for "Easterns" with two divers qualifying for the NCAA Zone Diving Meet.

A back dive is performed off the Delaware diving board. Although divers made the sport seem effortless, it actually required a lot of hard work and practice.

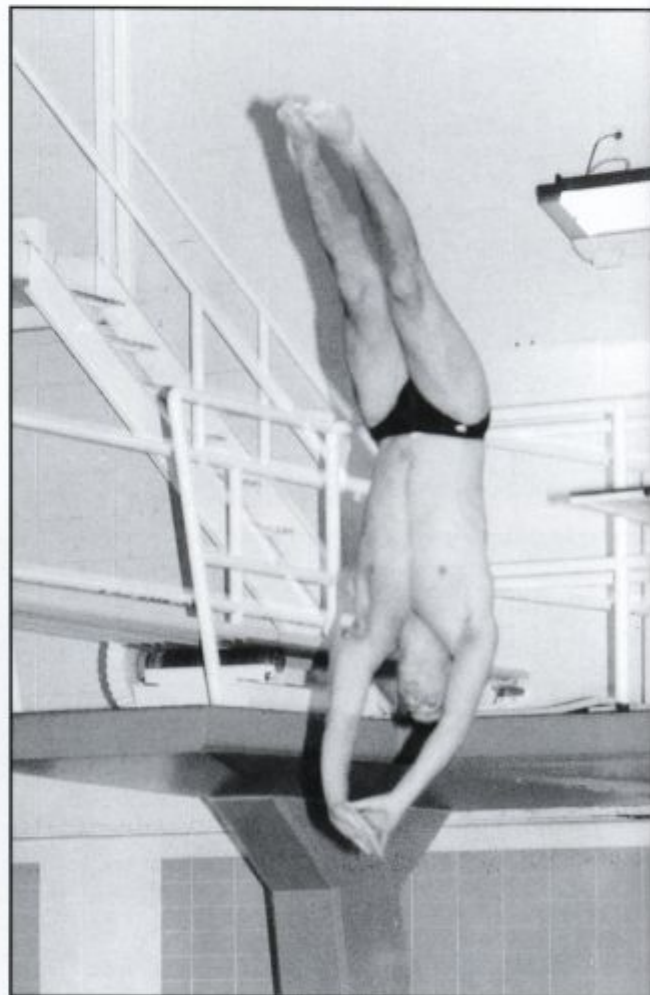

Slicing through the water, Delaware's swimmers perfect the back stroke. This stroke was liked by most of the team.

20th IC4A Championships at Princeton	

Above The Rim

University of Delaware women's basketball team ended the 1993-94 campaign with a 10-17, 7-7 North Atlantic Conference record and a fifth place finish in the regular season.

Highlighting the season for the Blue Hens and head coach Joyce Perry were upset wins over the University of Vermont, 1993-94 NAC Champion for the third consecutive season, and Northeastern, this year's runner up to the Catamounts.

With the disqualification of the University of Maine for the post-season NAC tournament because of too many regular season contests on its schedule, the Blue Hens earned a fourth place seeding and a first round home game for the North Atlantic Conference tournament.

Delaware drew Boston University at the Bob Carpenter Center as its quarterfinal opponent. After trailing by 10 points at the half, 38-28, and as many as 13 in the second half, the Hens fought back. Delaware went on a 16-0 run to take a 50-45 lead before the Terriers bounced back to tie it at 50. But Boston's Gretchen Klaus hit three clutch foul shots in the final minute to give Boston a 62-60 playoff win and put an end to the Delaware season.

— Mike Hromyak

Heather Miles looks to see who to pass the ball to. The sophomore was instrumental to the team's success.

Cami Ruck goes up for a lay up. Another two points that Delaware won!

Dominating The Net

After capturing the North Atlantic Conference title each of the past two years and making back to back NCAA Tournament appearances, the Blue Hen men's basketball squad found the going a bit tougher in 1993-94.

Under ninth-year head coach Steve Steinwedel, a young Hen squad still posted a 14-13 record, the unprecedented seventh straight .500 or better season in school history. The Hens placed fifth in the NAC regular season standings with a 7-7 mark but were denied their third straight title when No. 4 New Hampshire downed Delaware 80-67 in the NAC quarterfinals in Durham, NH.

Despite the early exit from the NAC tournament, highlights were plentiful for the Blue Hens, who had no seniors on the squad and will return all 14 players for the 1994-95 season.

Junior guard Brian Pearl led the Hens in scoring with 16.7 points per game and was named second team All-NAC for the second straight year. He failed to score in double figures just twice all season and became only the third junior to reach 1,000 career points midway through the year vs. Hartford.

Pearl's fellow co-captain, 6-5 junior forward Robbie Johnson, was the NAC leader and among the nation's best three point shooters all season long. He averaged 12.6 points per game, second best on the squad, and set school records for three point field goals made in a game (7) and season (72) and for three point field goal percentage (44.2 percent) for a season.

Rob Garner, a 6-2 sophomore guard and a transfer from the University of Texas, made a strong first year contribution by leading the Hens in assists (5.0 per game) and scoring 11.9 ppg. One of the most pleasant surprises was 6-7 freshman forward Greg Smith who averaged 9.7 points and 5.8 rebounds per game and shot a team-high 55.8 percent from the field to earn NAC All-Rookie honors.

Robbie Johnson seizes the moment as Brian Pearl and Darrin Anderson hold back down state rival, Delaware State. Although it was not a conference game, the competition between the two Delaware teams was still intense.

Team members support each other during the game. Although sidelined by an ankle injury in November, Pat Evans was a constant source of inspiration and support throughout the season.

Men's Basketball

This Blue Hen sprints to the basket to make two points. His teammates helped by defending the opponents.

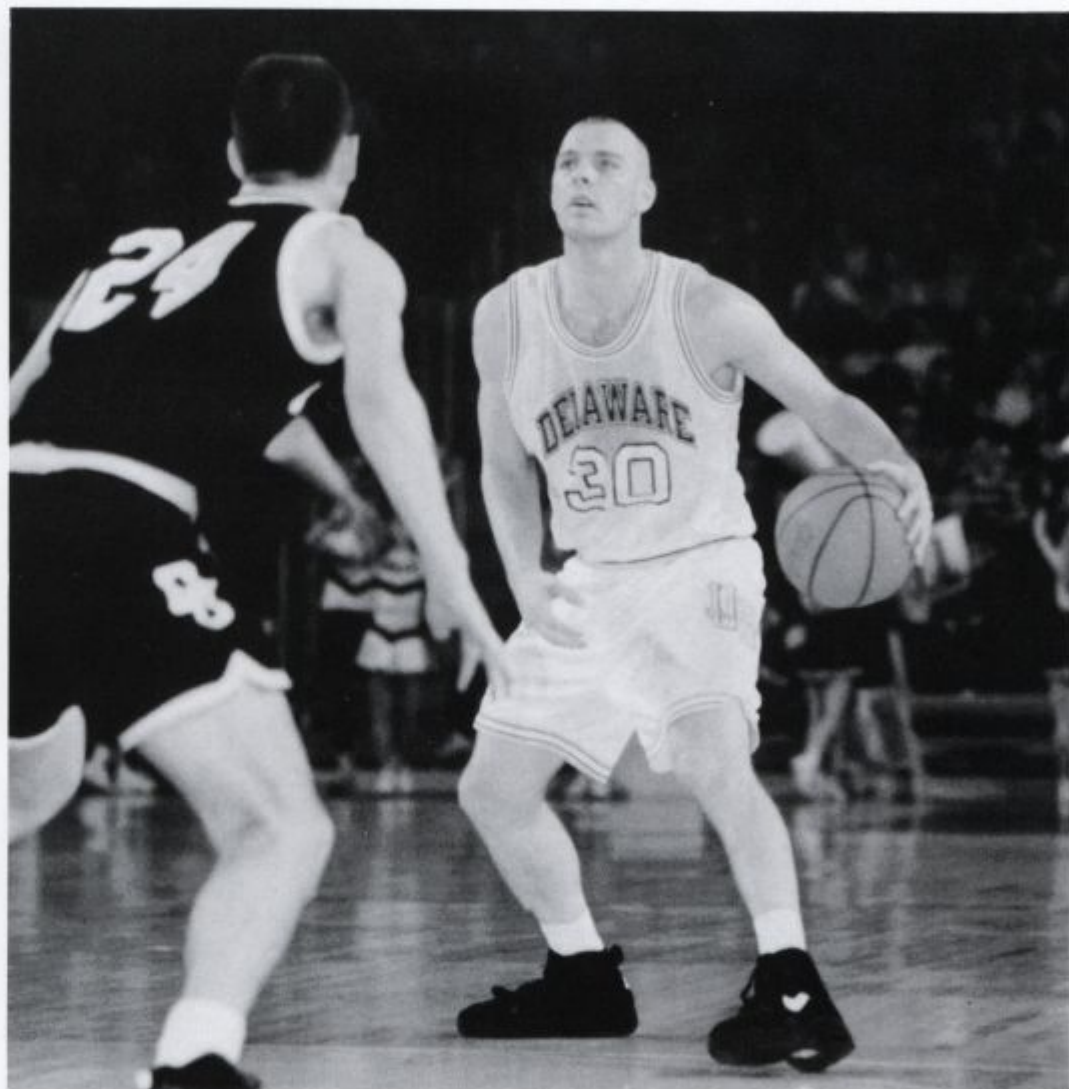

Micah Edwards goes up for a slam. Successful, he was!

Adam Miller goes up for a lay-up as his opponents watch. Delaware scored!

The coach walks the sideline as fan view the game. Good coaching was imperative to a good team.

Brian Pearl looks up at the basket before making another two points for Delaware. His opponent just watched.

Women's Lacrosse

This Blue Hen scoops up the ball on the field. Dexterity skills were required if the team was to control the ball.

A Blue Hen rushes towards the goal to make a shot. Lacrosse required considerable hand-eye coordination.

Running up the field, she tries to get the ball away from her opponent. Defense was imperative to the team.

Women's Lax Attacks

The lacrosse team did well this season, finishing with a 11-7 record. Head Coach Denise Wescott, in her first year at Delaware, had a team to be proud of. The Hens were ranked #12 or better in the nation all season long. Much of this success was in part due

to Jennifer Rinnander, who won the team Outstanding Performer award for the second straight year in a row. The team came in fourth in the Colonial Athletic Association.

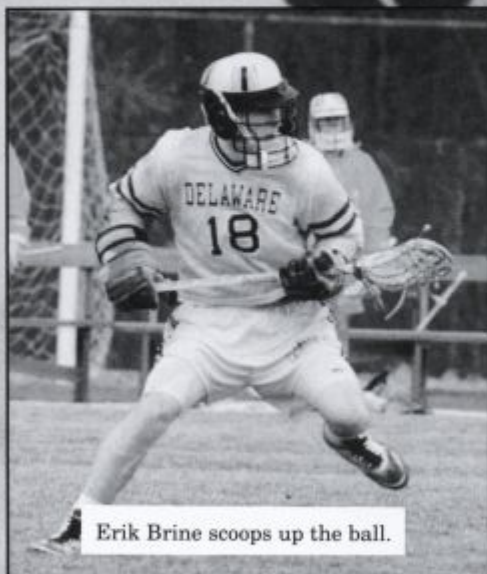

This player balances the ball on her stick, hoping that it goes in. She received a pass from her teammate.

Success In Hand.

The men's lacrosse team had one of the toughest schedules this season, doing pretty well overall. Fifteen-year head coach Bob Shillinglaw can be proud of his boys, especially Ryan Kelly, Anthony DiMarzo and Brad Glowaki, who all received NAC Player of the Week. With several returning players, they won the title of NAC Champions.

This Blue Hen tackles over his opponent to get the ball. Nothing stopped the lacrosse team.

On the ground he goes! Dedication and determination pushed the players to be their best.

In Full Swing!

Bob Hannah finished his thirteenth season as the head of the baseball team, and he should be proud of their success. Tom Lafferty, Cliff Brumbaugh, and Kevin Blackhurst all received NAC Player of the Week titles. Jeremy Benson, Deron Brown, Bruce Shatel, and Chris Dillon all received other prestigious awards. The team as a whole received a first place for the NAC Regular Season and came in first place at the Liberty Bell Classic.

Alex Pugliese pitches a fast ball to strike out the opponent. He was a key player on the team.

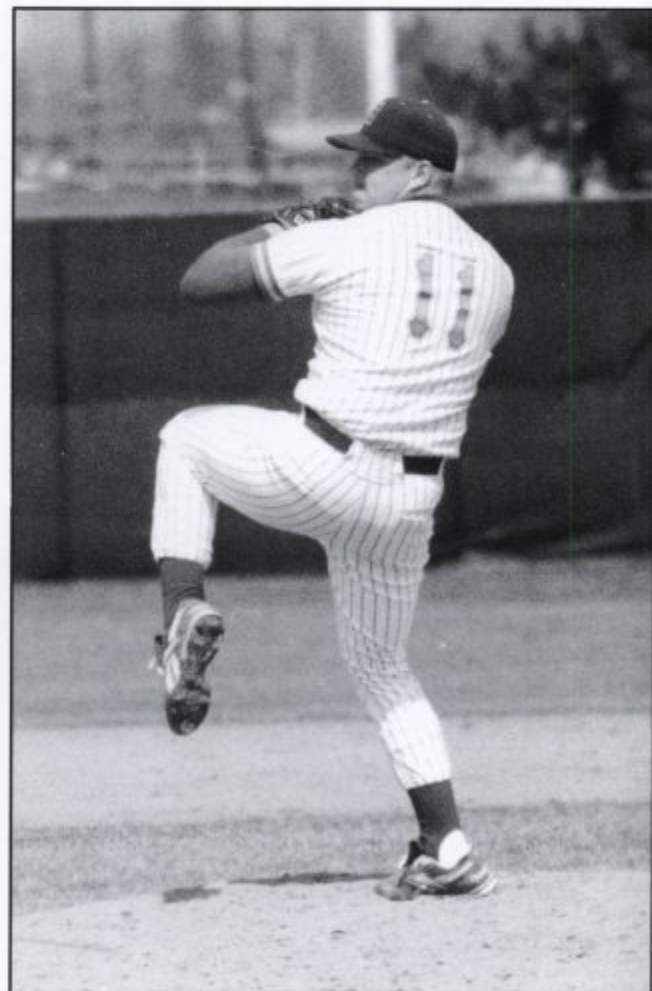

Deron Brown slides into the base. The referee called the play SAFE!

This baseman tags the opponent out as she slides into the base. Skills like this were imperative.

A team huddle is called to agree on the next play. Teamwork made the difference between a mediocre team and an outstanding one.

Three Strikes, You're Out!

The softball team this year did exceptionally well, coming in sixth place in the NAC Championships and third place in the East Carolina Tournament. The Blue Hens posted an overall record of 23-21, setting a UD single season record for the most wins. This was done with the help of head coach Bonnie Jill Ferguson, her fourteenth season here at Delaware. The good season was also helped by Allison Gladwell,

the team's first baseman. She hit .165 with eight runs batted in and a team high of thirteen sacrifice hits. Other honors were given to Lauren Baugher who received 1st team-All NAC and Lisa Wood and Lisa Myers who both received 2nd team-All NAC. Allison Rose made the NAC All-Tournament team.

This Blue Hen catches a low line drive to make the out for Delaware. This was common during this past season.

In Full Swing!

Once again in 1994, the University of Delaware men's golf team maintained its standing as one of the top programs in the East.

Led by head coach Jim Kent, the Blue Hens placed second at the North Atlantic Conference championships and used a big second-day rally at the Eastern Intercollegiate Golf Association championships in May to place 11th overall to highlight the season.

In other events, the Hens placed fifth at the James Madison Classic, 12th at the Princeton Invitational, 14th at the Rutherford Invitational at Penn State, and 19th at the Loyola Tournament.

The Hens, who did not play a dual match for the first time in school history, battled to a second place finish at the NAC championships April 11-12 at Ellington Ridge Country Club in Connecticut. At the EIGA District II championships April 30-May 1, the Hens battled back from last place after the first round to place 11th out of 18 teams.

Delaware's top player all season was sophomore Todd Milligan, who led the Hens in all but one tournament. He earned All-NAC honors for the second straight year as he placed second at that tournament and also was third at James Madison and fourth at Princeton. He was the Hens' top EIGA finisher in 35th place and was ranked 10th in District II at the end of the season.

1994 Blue Hen Golf Team

D. Barry, T. Bowman, K. Casey, A. Clayton, H. Clement, C. Colburn, J. DeMilio, M. Dunphy, T. Milligan, M. Riley, G. Scalley, R. Viola, D. Wuebbels.

This Blue Hen examines how his putt is. Mental strategy was critical to the team.

Todd Milligan putts the ball. He received All-NAC Honors for two years in a row now.

After this player swings the ball, he will see how close he is. He did great.

- 5th place Bryce/James Madison Golf Classic
- 2nd place NAC Championships
- 14th place Rutherford Invit.
- 12th place Princeton Tourn.
- 11th place Scotty Duncan Mem./ East. Inter. Golf Assoc. Tourn.

Match Point!

Laura LeRoy, the first woman ever to coach a men's team at the University of Delaware, proved in 1994 that gender has nothing to do with success.

The Blue Hen men's tennis team, coached the previous 40 years by Dr. C. Roy "Doc" Rylander, kept its winning ways alive under LeRoy with a 10-7 dual record, the team's fifth straight winning season. LeRoy, the top player in UD women's tennis history, also doubled as the Blue Hen women's coach.

Delaware posted key wins over Lafayette, Towson State, and Drexel during the season but lost two of three matches at the North Atlantic Conference championships at Vermont in April and placed sixth overall.

Individually, all six singles players posted winning records led by senior Felix Nacson. Nacson, a first-year varsity performer, posted a record of 16-1 out of the No. 5 singles spot, going 13-0 before a loss in the first round of the NAC tournament. His win streak was the longest by a UD player since 1979.

Also for the Hens, junior David Paul was 8-6 at the No. 1 spot, senior Mark Buell was 7-7 at No. 2, Kyle Binnington was 8-5 at No. 3, ambidextrous freshman Zachary Schmidt was 11-3 at the No. 4 sport, and Mark Centrella was 8-4 at No. 6.

In doubles play, Paul and Buell teamed for a team-high 5-3 mark while Binnington and Schmidt were 4-3 and Nacson teamed with freshman Wes Englebreth to post a 4-1 mark.

This player gets ready to return his opponent's serve. Quick feet were a must.

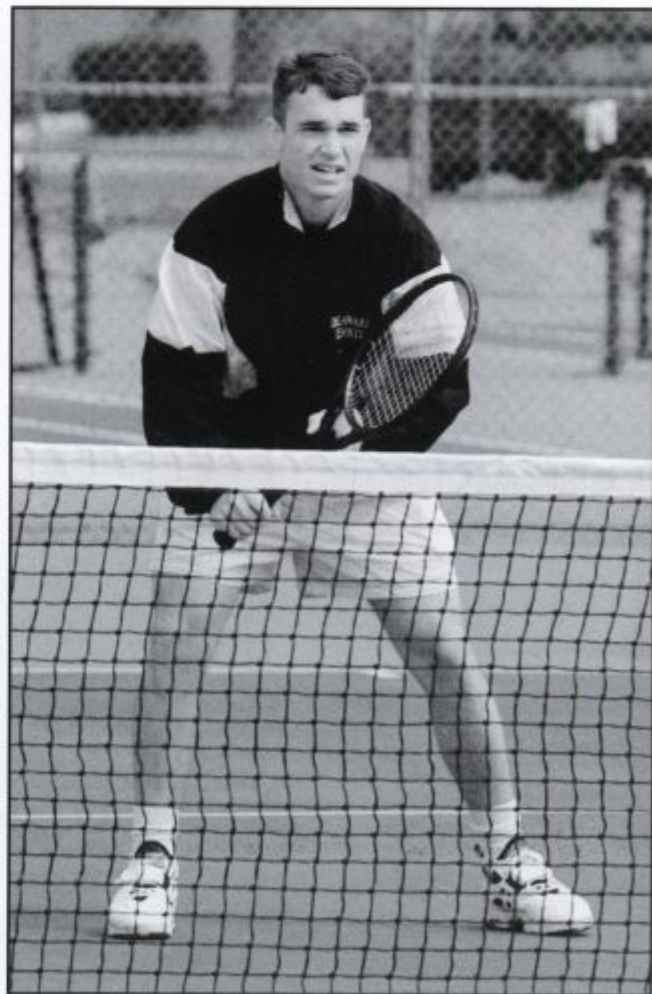

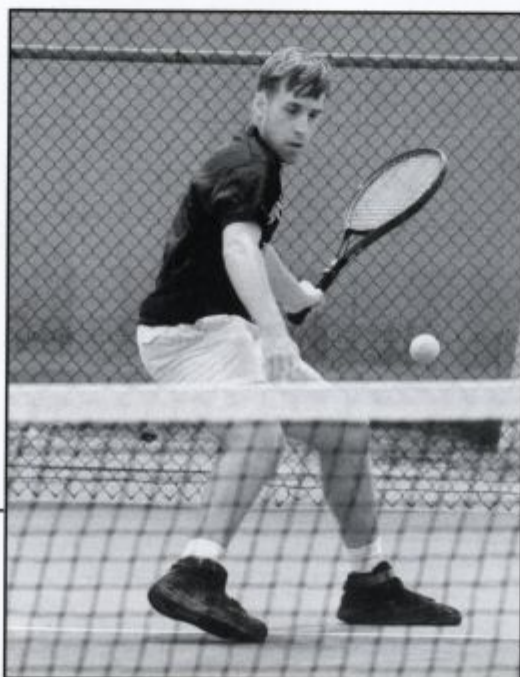

This Blue Hen hits his forehand over the net. The other player just couldn't return it.

This player's backhand came in handy in returning the ball.

Practice and dedication get the ball over the net.

Sprint For The Gold!

The men's outdoor track and field team surprised everyone, including themselves, in winning the team competition at the North Atlantic Conference Meet at Northeastern on Saturday, May 7th. A mistake in the scoring gave the team the victory 72 hours after the completion of the meet. Brian D'Amico and Roland Johnson received All-Conference honors by winning the discus and 200m Dash, respectively. The three-point win occurred because the team scored in nineteen of the twenty events, and scored high places. The team had seven second place, five third place, and five fourth place finishes. During the season, D'Amico (hammer, discus) and Travis Adams (5000m,

10,000m) qualified for the IC4A meet in two events each while Chris Ebaugh (javelin) and the 4 x 100m relay also qualified. Three relay teams set impressive school records. The 4 x 800m relay record was run by John Brannon, Allen Wat, Steve Argentiero, and Lee Brannon. Jim Tymon joined Argentiero and the Brannon twins in setting the distance medley record while the 4 x 1500m relay was made up of Wat, Barry Baloga, Paul Hannsen, and Argentiero, in his third record of the year. These relays were indicative of our team efforts throughout the year and during the NAC Championships.

This Blue Hen jumps over the pole. This was more of the exciting sports visible at a meet.

1994 Blue Hen Men's Track Team

T. Adams, E. Albright, S. Argentiero, B. Baloga, C. Blum, M. Boland, J. Brake, J. Brannon, L. Brannon, B. D'Amico, B.J. Dillahey, N. Donaldson, C. Ebaugh, E. Go, J. Guarneri, K. Hackett, W. The hand off is conducted and off he goes. Teamwork was necessary for a good season.

And over he went, hurdling his way to victory. Success once again.

Women's Outdoor Track

A first place finish!

She's looking up to see where the competition is.

With baton in hand, she sprints to the finish line.

This Blue Hen jumps as her pony tail follows!

Leader Of the Pack!

Head coach Sue McGrath-Powell's women's outdoor track and field team completed another solid season in 1994.

Led by a strong corps of middle distance runners and weight throwers, the Blue Hens capped the season with a fourth place finish at the North Atlantic Conference championships May 7 at Northeastern University in Boston, finishing just 15 points behind the second place team.

Along the way, the Hens competed at meets at Penn, Navy, James Madison, Millersville, Army, and William & Mary.

Highlighting the NAC championships was the long distance running duo of freshman Tara Pointin and sophomore Chris Roller. Pointin captured two first place finishes, winning the 3,000 meters in 10:29.61 and capturing the 5,000 meters in 17:51.9. Roller won the 10,000 meters in a time of 38:53.7 and placed second behind Pointin in the 3,000 meters. Tiffany Stith was second in the 100 meter hurdles in 15.47, Katie Guarracino was second in the 1,500 meter run in 4:52.74, and Sheryl Hall was third in the 400 meter hurdles in 1:06.5.

Three records were set during the spring as Hall ran to a time of 14.79 at the Navy Invitational to set a school record in the 100 meter hurdles, Sarah Cowles ran to a UD record time of 2:14.86 in the 800 meters to place second at the James Madison Invitational, and Maggie Leffer set a school record with a time of 20:27.3 at the Colonial Relays.

Pointin won the 3,000 meters at the Delaware State Invitational and the 10,000 meters at the Navy Invitational while Hall won the high jump competition at both Millersville and James Madison and Chris Delli Paoli won the hammer at both Penn and Navy.

With a lead in this race, this runner beats out her opponent. She did it!

She turns and turns until she releases the disk. It flew through the air.
