**Take her to dance
where she'll LOVE it!**

She'll think more of you for thinking enough
of her to take her where food, beverage and
environment are of the best. For a delightful
evening of supper-dancing, in a refined con-
genial atmosphere—take her to—

A Distinctive Yearbook . . .

is the product of the efforts of a capable editor plus the interested cooperation of a seasoned specialist. To an editor, who wishes to make a success of his first publishing venture, specialization offers innumerable advantages that are most helpful—in fact—indispensable.

It is advisable to have a specialist handle your yearbook. Investigate the services of "Campus," an organization whose entire business is college and school publications.
