\$6160 Is Set As Goal For 1952 Red Cross Fund Campaign Here

Dr. G. Cuthbert Webber, Local Fund Campaign
Chairman, Announces Drive Will Get
Underway March 9

The annual Red Cross Fund Campaign will start on Sunday, March 9th, according to the announcement made this past week to the members of the local committee by Dr. G. Cuthbert Webber, fund campaign chairman for Branch Area 1. The quota for 1952 is \$6160 compared to \$5300 in 1951.

This past year the American Red Cross has assumed a tremendous financial load. The demand for aid to flood victims, the continued need for help for families of members of the armed forces, the extremely costly blood program for which the Red Cross has accepted complete responsibility are a few of the many services rendered which require additional funds.

On Thursday evening, March 6th a meeting of all volunteer workers who are taking part in the fund campaign will be held at the Newark First Presbyterian Church in the Sunday School room at 7:30. This gathering will serve as an opportunity not only to distribute supplies to solicitors but also to hear from several prominent Delawareans who have agreed to serve in various capacities in the state-wide campaign. Mr. R. Blair Meyers, Executive Secretary of the Delaware Chapter of the Red Cross, will be present to explain the work of the organization and to answer any questions the workers may have. Dr. Charles N. Lanier, chairman for Branch Area 1, will be in charge of the meeting and will introduce the new fund campaign chairman and the guests.

The Red Cross Fund Campaign Committee for Area 1 for 1952 is as follows: G. Cuthbert Webber, chairman; R. P. Watkins, treasurer (Farmers Trust Co.); Mrs. David L. Arm, publicity; F. B. Kutz, zones 1A, 1B, 1C, 32; P. F. Stewart, zone 2A, 2B, 4; Mrs. Steven Baranewski, zone 3; Paul M. Holston, zones 5, 6, 7; Albert Clark, zones 8, 26, 27; Richard L. Cooch, zones 10, 11, 14; John Cronin, zones 10A, 11, 12; Walter Matt, zones 15, 16, 19B; Frank Smith, zones 17, 28; C. M. Eisen, zone 18; Mark Ayars, zones 19A, 20A, 20B, 20C; Robert Siemen, zones 21, 24; Mrs. C. M. Cooper, zones 22, 23A, 23B; A. F. Kish, zones 25A, 25B; G. M. Poney, zone 34; James T. Moore, zones 35, 36, 38; Ralph Hawthorne, zones 37, 39.

E-52 Players Select Broadway Musical For Next Production

'One Touch of Venus' Will Be
Given March 11 Thru 15
in Mitchell Hall

Many Newark residents will remember the university's E-52 Players' sparkling musical comedy success, "Finian's Rainbow." The Players are now coming up with another Broadway hit that promises to outdo last year's presentation. The show? "One Touch of Venus," the smash musical that brought Mary Martin and Kenny Baker a barrelful of fame and provided theatergoers with many evenings of laughter and good music.

The cast is filled with the tops in musical and dramatic talent from the university. The leading role of Venus, a statue who comes to life, will be played by Joan Mathews of the class of '55. Preston Ough will sing the male lead of Whitelaw Savory, a millionaire art collector. Preston is not new to the stage. He is a senior transfer student from Clarkson College, N. Y., where he has sung many leading roles. The other female lead, Whitelaw's secretary, Molly, will be played by Mary Lou Conover from the class of '52. The part of Rodney Hatch, the barber and Venus's lover, will be played by the star of "Finian's Rainbow," Rod McWhorter.

Those who have been entertained in Mitchell Hall before can appreciate many technical problems arising from the limitations of the small size of the stage. This major problem is being overcome as it was in "Finian's Rainbow" by extending the stage out over the orchestra pit. Here in Middleton, the technical director of the show, faces the problem of constructing a false proscenium arch over an extension in order to provide the stage with one of the four curtains necessary to scene changes. This particular curtain is to be made of sky blue nylon, and the making of it has necessitated the aid of the Home Economics department with the assistance of Kay Knighton, a freshman from Newark.

All in all, the show promises to be one of the gayest and most exciting ever staged by the E-52 Players have presented date.

The curtain will go up the night of March 11 and run for five nights through to March 15. Tickets are now on sale in the Mitchell Hall box office from 3:30 to 5 and from 7 to 8:30 p. m., Monday through Friday, and at the Newark Department Store, 44 Greenwood Bookstore in Wilmington on March 3rd.

William H. Correll Ends Cold Weather Exercises In Fierce Arctic Weather

Somewhere in the cold, grey North-western Atlantic between the southern tip of Greenland and the Davis Strait area a Navy lookout searched the wind swept sea.

As the foggy sheet lifted for a second the enemy "Black Force" was spotted and the two-week "battle" began again.

Thus William H. Correll, quartermaster, third class, USN, son of Mr. and Mrs. J. A. Correll of Route 2, Newark, serving with the "Blue Force" aboard the heavy cruiser USS Albany, concluded the extensive cold weather exercises with the Atlantic Fleet.

Fierce Arctic weather, 50-knot gales, mountainous seas and icy sprays that froze into sheets of ice over men and equipment put both "forces" through the most valid of tests in the cold weather experiment.

City Engineer

On March 1, J. Francis Neide will officially take over the duties of city engineer of Newark. He was appointed to that position recently by Newark City Council following the resignation of Carl S. Rankin, who had served in the position for about eighteen months.

A resident of Hockessin, Mr. Neide is a graduate of the University of Delaware, class of '27. He was graduated with a degree in electrical engineering, but included two years of civil engineering in his studies.

Following his graduation from the university, Mr. Neide held positions with Western Electric Company and DuPont Company. He was with DuPont for eight years as a maintenance engineer and left there to take over, upon the death of his father, a mushroom business in Hockessin.

Youth Authority To Address Members Of Local Century Club

Miss Stella Seurlock Will
Discuss Ways of Making
Community Better

Working together for the community betterment, with special emphasis on the important place our young people should take in this planning, will be the subject of an address by Miss Stella Seurlock at the Monday meeting of the Newark New Century Club.

Miss Seurlock, a resident of Washington, D. C., has worked the last four years with a board composed of the most outstanding professional leaders in fields relating to youth. She has made extensive trips to all forty-eight states observing club work along these lines, and was active in the 1951 White House Conference.

Mrs. Allan P. Colburn, State Federation Youth Conservation chairman, engaged this outstanding youth authority for the program.

A musical program demonstrating the work in upper elementary grades in Newark public schools has been arranged by Mrs. J. A. Gerster, music chairman. A chorus of sixth graders will sing several selections under the direction of Miss Esther Tenton, elementary music supervisor. Janet Tyler will play a violin solo, and Danny Lanning a piano solo. A group of sixth graders will also perform a South American dance. Mary Ann Miller will be the accompanist.

Tea hostesses for the day will be Mrs. William Bridgewater. Her committee will be Miss Nell Wilson and Mrs. J. P. Cann, presiding at the table, and Mrs. John Reed, Mrs. William Swann, Mrs. John Elliott, Mrs. Emerson Johnson, Mrs. Robert Berry, and Mrs. William Mosher assisting with the serving.

Mrs. Raymond Heim, president of the club, will preside at the business session.

BE SURE TO REGISTER
ON MARCH 15

Chrysler Official Principal Speaker At Wilmington Club

Robert T. Keller Will Address
Traffic Club At Banquet
March 4

Robert T. Keller, general manager of the Chrysler Delaware Tank Plant at Newark, will be the principal speaker at the twenty-first annual banquet of the Traffic Club of Wilmington on March 4, it was announced today by Millard S. Petticoat, general chairman of the dinner committee.

The banquet will be held in the Gold Ballroom of the Hotel DuPont at 7:00 p. m. and will be presided over by Samuel B. Singer, president of the Wilmington Traffic Club and district manager for the Victor Lynn Lines.

According to Mr. Petticoat, a Wilmington resident who is a foreign freight traffic representative in Philadelphia for the New York Central Railroad, approximately 600 persons will attend the annual banquet March 4, including traffic and transportation executives representing scores of companies from a dozen or more states.

Invitations to be guests at the banquet are being extended, Mr. Petticoat said, to many of Delaware's public officials and industrial and business leaders.

He also announced that the toastmaster at the dinner will be Harry B. Light, vice president in charge of traffic for the Reading Company in Philadelphia.

The general chairman expressed pleasure at having been able to obtain Mr. Keller as principal speaker for the annual affair and pointed out that in addition to being general manager of the Chrysler Delaware Tank Plant, the 39-year-old Mr. Keller is also president of the Marine and Industrial Engine Division of Chrysler Corporation, a position which he has held since 1948.

Affiliated with Chrysler Corporation since 1934, Mr. Keller has worked in many departments of the corporation. During the years from 1934 to 1940 he worked in the forge shop, on sheet metal and die jobs, on the repair work, in the foundry, and in the master mechanic's department of the Dodge Division. He also played an important part in the development of "Superfinish," a new method for finishing metal.

For a short period in 1940 he served on the staff of Chrysler Corporation's staff master mechanic, but later in that year was transferred to the Chrysler Tank Arsenal near Detroit. The following year he became assistant master mechanic at the Tank Arsenal and in 1942 became staff engineer at that plant. One year later Mr. Keller was appointed works manager of the Tank Arsenal.

Drama Group Holds Tryouts For Plays

The University Drama Group has chosen scenes 6 and 7 from "Lillian" by Ferenc Molnar for its production in the Delaware Drama Festival, to be held in Mitchell Hall on March 28 and 29. Tryouts for the play will be held in the Wolf Hall auditorium on Sunday, March 2 at 2:30. The director will be Michael Kubicki. Any member who is interested in a part and cannot attend tryouts is requested to contact Mr. Kubicki or Elizabeth Kase, chairman of the Play and Casting Committee. The play will be presented at the March meeting of the Drama Group, prior to the final performance at the festival.

Newark Will Lecture In Program on Civil Defense

G. Emmett Kauffman, of the physics department of the University of Delaware, will give the opening lecture at a course to be presented by the State Office of Civilian Defense radiological division, of which he is chief, on March 4 at Mt. Pleasant High School.

Mr. Kauffman will discuss "Atomic Explosion Phenomena" during a two-hour session of the course next Tuesday.

School Wins TV Set

Millard Ritchie, manager of the local American Store, is shown here making final adjustments on the new Philco television set which was recently presented to Newark schools. Some time ago, the students of Newark High School were presented with a set which is used in the audio-visual education program there.

Choir Will Sing Here

On Sunday afternoon, March 2, at 3:30 o'clock the Princeton Theological Seminary choir will lead in a service of sacred music at the Head of Christ Presbyterian Church to which the public is cordially invited.

The church is located about 1 1/2 miles west of Newark on highway 273 which is a continuation of West Main Street.

The service will be conducted by the choir of thirty men who sing from memory without any accompaniment. Their repertoire ranges from early songs to contemporary works.

During the academic year they have three engagements each Sunday. On Sunday they will be at the Presbyterian Church in Dover for the morning service, and at Parkersburg, Pa., in the evening.

Dr. David Hugh Jones, Fellow of the American Guild of Organists, was the director of music at Princeton Seminary since 1934, will direct the choir.

Those Needing Few Ferry Boats Should See Highway Officials

Transfer of the Delaware New Jersey Ferry Company property to the State Highway Department will be affected on Friday, February 29, according to an announcement by Col. William A. McWilliams, director, Delaware Crossing Division.

Meanwhile, display advertising has been placed in newspapers of leading cities throughout the nation where water is still an effective means of transportation, inviting bids on the eight ferry boats, a non-propelled iron derrick barge and an auxiliary steel pile barge.

The Highway Department has appointed Hughes Brothers, Inc., New York City, as authorized sales agents for the State of Delaware, Highway Department, who placed the advertising schedule.

Contrary to prior announcements, the ferry boats will not be sold at public auction, McWilliams said today. Sealed bids will be accepted until April 1, on which day they will be publicly opened and read in the Ferry Terminal Office adjacent to the Ferry Loading Slip, New Castle. Bids will be received until 2:30 p. m. on April 1, after which the public opening and reading will begin.

Although bidding is not limited to the citizens of the United States, only cash bids on the basis of United States

currency will be considered.

In a further stipulation that bids from aliens will be received, the information and instruction to bidders points out that those submitted in the interest of "an enemy country, or a national or nationals thereof" will not be considered, nor will delivery of the vessel be made to "any such country, national or nationals."

The information and instruction sheet lists each vessel for sale along with its passenger and vehicle capacity. These are described as follows: The New York, 364 passengers, 65 vehicles; Florida, 294 passengers, 65 vehicles; Jersey Shore, 338 passengers, 65 vehicles; Chicago, 400 passengers, 65 vehicles; Philadelphia, 400 passengers, 55 vehicles; Pittsburgh, 400 passengers, 55 vehicles; Cincinnati, 364 passengers, 55 vehicles; Washington, 400 passengers, 55 vehicles.

McWilliams stated that it is also understood that all withdrawals of bids must be by written or telegraphic request received from the bidder prior to the time fixed for bid openings.

He further stated that the State Highway Department reserves the right to reject any and all bids, waive any irregularity in any bid and make such award as it may deem is most advantageous. Each vessel is of (Continued on Page 8)

Willard Crater, Jr. Receives NPA Post

Willard Crater, Jr., former Newark resident, has been appointed chief of the thermoplastics section, chemical division of the National Production Authority, in Washington.

Mr. Crater, who is the assistant manager of vinyl sales for the Naugatuck Chemical Division, U. S. Rubber Company, has been given a leave of absence in order to assume the government position. He has had a wide experience in plastics research and manufacture with the Hercules Powder Company, Federal Telephone and Radio Corporation, and Glenn L. Martin Company. He holds numerous patents in plastics used in the wire and cable industry and other fields. He is a graduate of Newark High School and the University of Delaware.

Parents Invited To Discuss Proposed Nursery School Here

Organizational Meeting To
Be Held On Tuesday
Night on Campus

Interested parents of the community are invited to attend a meeting in room 11, Robinson Hall on the Delaware campus, on Tuesday evening, March 4, at which proposed plans for a cooperative nursery school will be discussed.

Mrs. W. Halder Fisher, 69 E. Delaware Avenue, is serving as chairman of the group of Newark mothers who have decided that something must be done to provide kindergarten facilities for the children of the community.

Due to the rapid growth of the city of Newark in the past year, these women feel that available nursery schools and kindergartens are no longer adequate to meet the needs of the community. With this in mind, a group of Newark women, many of whom have had professional experience in this field, are organizing a kindergarten for five-year-olds. It is planned that it will be a community project, cooperative, and non-profit, and open to all regardless of race, color, or creed.

It is planned to employ a qualified teacher, supplemented by volunteer mother assistance in the beginning.

Since it is to be a community project, all interested parents of five-year-olds (those who will not enter school until September 1953) are urged to attend this organizational meeting this week.

Further details may be obtained by contacting Mrs. Fisher.

BIRD CLUB MEETS

The Newark Bird Club will meet Wednesday, March 5th, 8 p. m., at the home of Miss Irma Jaquette, University Apartments, A-1. Mrs. Francis Lindell will give a report on the Wren Family. The records of Cornell University's American Bird Songs will be heard.

REGISTRATION DAY—MAR. 15

One Registration Day Remains For Voters In April Election

Only 822 Of Approximately 4000 Eligible Voters
Have Registered So Far; Property Owners
Must Register Also

State Librarian To Discuss Local Library Problems Before AAUW on Monday

Mrs. Bernice Hammond, Delaware's State Librarian, will discuss library problems in growing communities in a talk before the Newark Branch of American Association of University Women in Warner Hall at 8 p. m. on Monday, March 3.

Mrs. Hammond will present a survey of the library situation in Delaware with particular attention to what local communities can do to improve their library facilities. The Newark Planning Commission has been invited to attend the meeting along with Mrs. Jean Sinclair, Newark's city librarian, as well as Newark's Library Board.

Speaker Warns Club Members Of Duties In Our Government

W. Floyd Jackson Speaks On
Subject of Lincoln
Vs. Marxism

Speaking to the members of the Newark New Century Club last week, W. Floyd Jackson, chairman of the American committee, National Southerners, warned that "Our government is not in Washington, it is right here in this club, and in other clubs and homes throughout the nation. If you do not exercise your rights of government, then you are slackers."

Mr. Jackson chose as his subject for the address, "Lincoln versus Marxism" and pointed out that where Lincoln saved a great nation, left a legacy of honest dealings, a good philosophy for God and country, Karl Marx preached a philosophy of human destruction, left a legacy of hate, of atheism.

Pointing out that Lincoln had said "As long as you keep government close to the people, it will be safe," Mr. Jackson warned the Century Club members it was also necessary to keep our school system close to the people and away from the control of a national bureau. "Regardless of any federal bait that may be used," said the speaker, "Keep your schools close to you, if you want to safeguard America."

With reference to the many weighty problems that face the people of this great nation, Mr. Jackson said, "May God, who gave us the man Lincoln to guide us in those perilous days of the past, give us men of like calibre to lead us in the days that lie ahead."

Dr. Faulkner Will Present Program Of Negro Folk Tales

Public Invited To Attend
Meeting At Brown Hall
On March 7

Dr. William Faulkner, dean of men and head of department of religion at Fisk University, will present a program of folk tales from his collection of Negro folk lore at Brown Hall lounge on the university campus Friday afternoon, March 7, at 4:30 p. m. The public is cordially invited to attend.

Prior to the meeting here on campus, Dr. Faulkner will spend a busy week in Delaware during which time he will speak at various places, including Friends School, Wilmington YWCA, Negro elementary schools. He will travel to Laurel and Seaford during the week and return to Wilmington on Sunday to appear with Fisk Choir on WDEL at 2:30 in the afternoon.

Dr. Faulkner has long worked for the betterment of the Negro race and has had many honors bestowed upon him. He did graduate work in the field of social science at the University of Pennsylvania and received his masters degree in practical theology from the University of Chicago.

He has served as president of the National Association for Advancement of Colored People, and president of the National Association of College and University Chaplains. He received an honorary DD from the University of Chicago.

Those who heard Dr. Faulkner in the past feel that this is a real opportunity for the people of Newark to hear this distinguished Negro speaker.

Newark Residents Attend Farmers' Exchange Meeting

Mr. and Mrs. H. Wilson Price and Mr. and Mrs. Tauno K. Palo were among 1400 persons attending the 34th annual meeting of the cooperative purchasing association of the Eastern States Farmers' Exchange in Springfield, Mass., this week.

Newark Election Board officials announced this week that only 822 persons have registered so far on the two designated registration days for the general election scheduled for April 8.

One registration day remains. March 15. It will be necessary for any Newark resident who desires to vote in the municipal election to register on that day. City officials this week once more emphasized the fact that all prior registration lists have been voided and also pointed out that it is necessary for property owners to register at this time. In the past it has not been necessary for property owners to register, but under the provisions of the new city charter, every person who wishes to vote in future general or special elections in the city must register. March 15 will be the last chance for registering prior to the April election.

Broken down into election districts, the figures released this week by Election Board officials show that 233 persons have registered from the eastern district, 295 from the middle district, and 354 from the western district. Although this is a considerable increase over the first day's registration, which totaled only 225, city officials point out that the total to date still represents only about one-fourth of the eligible voters in the city.

On April 8, the voters of Newark will go to the polls to elect a mayor and three city councilmen. In addition to that of Mayor Wallace Johnson, the terms of Councilmen Frank Durkin, of the middle district; Carl Rankin, in the western district; and William Coverdale in the eastern district will expire.

Under the provisions of the new Newark city charter adopted last summer, voting requirements of Newark citizens are as follows: "To be eligible to vote in any municipal or special election in the city of Newark a person shall be a citizen of the United States, shall have been domiciled in the state of Delaware for at least one year, and in the city of Newark for at least three months, next preceding the day of said election, and shall be a resident of the District in the time of registration."

Tomorrow Will Be Day Of Prayer At Presbyterian Church

Service For Adults at 2 P.M.
Program For Children
at 4 O'clock

Mrs. Theodore L. Ludlow, president of the Newark Council of Church Women, announced today that plans are now complete for the service at the First Presbyterian Church tomorrow at 2 p. m. marking a World Day of Prayer.

Principal speaker at the service will be Mrs. Hall Krebs of the Third English Lutheran Church, Baltimore, who will speak on the subject "Prayer."

All Newark church women are cordially invited to attend the service regardless of membership in the organization. Any questions regarding the service should be directed to the chairman, Mrs. F. W. Johns, Jr.

The following women of the Presbyterian Church have cooperated in planning the program for the 2 o'clock service: Mrs. Victor Patterson, Mrs. A. B. Eastman, Mrs. J. Harvey Dickey, and Mrs. Don Martin.

Mrs. Dorothy Williams, organist for the service, will give a 10 minute organ recital prior to the service for prayer and meditation. Mrs. Richard Lindsey will be the soloist.

An afternoon children's service will be held at 4 o'clock in which children from the various churches in the area will participate. The junior choir of the Presbyterian Church will sing and a film strip, "Of Such Is The Kingdom of Heaven" will be shown.

This children's service has been planned by a committee consisting of Mrs. Elgin Shaw, Mrs. J. L. Nichols, Mrs. D. R. Kinloch, Miss Lura Oakley Hunter, and Mrs. Theodore Ludlow.

Newark Brothers Recovering From Recent Illnesses

Joseph C. Reed, 125 Delaware Avenue, and Lynam A. Reed, 16 Prospect Avenue, Newark brothers, are both at the present time recuperating from illness in Wilmington hospitals.

Joseph was stricken with a heart attack about four weeks ago and is at present in the Memorial Hospital. Lynam was taken ill while vacationing in Miami, Fla., recently, and was rushed home where he underwent an operation at the Wilmington General Hospital.

Both are reported recovering nicely and wish to thank their friends and neighbors for the many kindnesses shown them during their illness.

FINAL REGISTRATION DAY
MARCH 15

Mill Creek Hundred News

Kate Pennington Evans, Correspondent
Phone Hockessin 598

The choir began its rehearsals last evening for the annual Easter cantata to be presented by Mrs. W. Floyd Jackson. This year, "Man of Sorrows" will be given.

The play "Here Comes Charlie" will be given twice next week. On March 1 at the Elks, Mt. Methodist Church and March 2 at the Grasonville, Md., Methodist Church.

There will be a worship service next Sunday evening at 7:45 o'clock.

The Rev. E. J. Morrey reports his mother, Mrs. Evelyn Morrey is slowly improving at her home in Grasonville, Md., after suffering a stroke of paralysis.

Corner Ketch

Union Grange No. 1 will have Mrs. Clarence Dempsey as the publicity chairman for 1952. The members heard a letter read at the monthly meeting telling of the three-year-old Greek orphan. The child has been ill with the flu. The grange sends a box each month to their orphan. Mrs. Dan Harris has charge of the heart banks for the board drive. Delegates to the New Castle County Pomona meeting March 6 at Central Grange will be Mrs. Daniel Harris, Mrs. Louis Dempsey, Mrs. Alice Davis; alternates, Mrs. A. T. Buckingham, Mrs. Richard La Fontaine, Mrs. Leslie McCormick. A film, "Survival Under an Atom Bomb Attack" was shown by the Red Cross. Mr. and Mrs. Raymond Davis gave a gift.

Union 4-H Club met Saturday night for its monthly meeting with Mary Sill as hostess. Health project were started by the members. Maurice Field, county leader, was present. The club is entering the sign contest sponsored by the junior council. Mary Sill directed the recreation.

Mermaid

The Interstate Milk Producers Association for the Wilmington area will hold a banquet in Harmony Grange hall next Tuesday evening. The grange ladies will serve the meal.

Mrs. Lewis Colmery, Sr., returned to her home on Limestone Road after a several weeks illness at the hospital in Wilmington.

More than 50 young people enjoyed the community square dance Saturday night at the grange hall. Elbert Poole directed the dancing. Emilie Pennington and Doris Woodward were the committee in charge assisted by Mrs. James Alexander.

Of local interest is the announcement of the engagement of Miss Eleanor F. Woodward, daughter of Mr. Abner Woodward and the late Mr. Woodward to Mr. George Lilley of Ridley Park, Pa., son of Mr. and Mrs. G. E. Lilley of Lancaster, Pa.

The bride to be is a graduate of Wilmington Friends School and the University of Delaware. She is with the DuPont Company. Miss Woodward is a talented musician. Mr. Lilley who is with the Scott Paper Company in Chester, is a graduate of Babson Institute. He is also an ardent lover of music.

Harmony School

The Parent-Teacher Association celebrated Founders Day and the birthday anniversaries of George Washington, Abraham Lincoln, and Henry W. Longfellow this month at the February meeting last week. Mrs. James L. Everett of Newark and Miss Anne Beyerlein of Paper Mill Road, students at University of Delaware, contributed their musical talent to the program. Mrs. Everett sang two numbers "Oh, Sleep, Why Dost Thou Leave Me Kind" by Handel and "When Love Is Kind" by Moore. Mrs. Beyerlein also led group singing with Miss Beyerlein as the accompanist. Sophia Springer read Abraham Lincoln and his dog. The primary chorus sang as did the upper grade glee club. Maryann Springer recited "The Bird's Valentine" and Joyce Cannon read about the life of George Washington. Sallie Evans recited Longfellow's poem "The Children's Hour." The pageant for Founders Day "Our Child Welfare Rainbow" was given by the adult

members.

On Washington's birthday, the school presented the following program: Song "A Song for February," reading, "Washington, This Is Your Day" by Mary Emma Ransom, reading, "Young Washington's Adventures" by Joyce Cannon; an article about Brotherhood Week by Sallie Evans; the minuet danced by eight girls, and a dance by the entire school.

Wimodausis Home Demonstration Club

Textile painting was the subject of the program at the monthly meeting with Mrs. Amos Laurence as hostess. Classes for the members will be conducted by the leaders, Mrs. Carl Miller and Mrs. B. B. Taylor on March 3 at Mrs. Allen Lindsay's home. The club gave donations of five dollars each to Heart fund and Red Cross. Mrs. Charles Harrington was elected vice president replacing Mrs. Joseph Mitchell, resigned.

Edward A. Naudain has been on a western business trip for the Hercules Company for the past ten days.

Red Clay Creek Presbyterian Church

A nursery school for children between the ages of two and six years will be opened this Sunday so that parents may leave their children here while they attend the church services. The school will be in charge of the Women's Bible Class with different members taking charge each Sunday.

The Aid Society will sponsor a family covered dish supper this evening at 6:30 o'clock in the Sunday school room followed by a social.

Beginning tomorrow at 4 p.m., the pastor, the Rev. George Teaz Jamieson will conduct a class in preparatory membership which will be received into full church membership on Easter Sunday.

The members of the Missionary Society are cooperating with the observance of World Day of Prayer tomorrow at First and Central Church in Wilmington.

Laymen's Sunday was observed with men of the church participating. Officers of the Men's League and other church officers took part in the services. The Rev. Jamieson spoke on "Our Father and Us."

Mr. Evan Klair of Limestone Road, was removed last week to a Wilmington hospital.

Mr. and Mrs. J. W. Pennington, William Pennington and Emilie Pennington were Sunday dinner guests of Mr. and Mrs. John Trimble of Marshfield, Pa.

White Oak 4-H Club
The monthly meeting will be held tonight at Dilworth Pierson's home.

At the blunt end of every egg there is a small space which is not filled with egg substance. This space is called the "air cell." The size of this cell is an index to the freshness of an egg. As the egg ages the air cell gets larger.

Capitol Trail News

Marjorie M. Bishop, Correspondent

Your correspondent regrets that this column failed to appear last week, due to an unusual chain of circumstances. We hope that this does not occur again.

On Wednesday, February 13th, there was a grass fire on the F. B. McCann property on Kirkwood Highway. The Newark Fire Department was called to put out the blaze. Urged on by a stiff breeze, the flames had burned over most of the grass between the Hutcheson home and the McCann barn.

Word was received last week that a recent Newark ordinance makes the Lumbrook section of Kirkwood Highway (now included in the city limits) a restricted residential zone. In other words, no new business establishments will be permitted.

On Thursday, February 21st Rev. James H. Bishop was guest speaker at the annual banquet of the Knights of Pythias in Newark. He spoke on "Brotherhood."

Rev. Bishop was the Assembly speaker at Newark High School on Wednesday of this week. A program on the American flag was sponsored by the J. Allison O'Daniel Unit No. 10, American Legion Auxiliary, of Newark.

Your correspondent was called home last Sunday from New Haven, Connecticut, due to the illness of her daughter, Mrs. James Brown, who was rushed to the Delaware Memorial Hospital the week before for emergency treatment. Mrs. Brown, the former Helen Bishop, is now making satisfactory progress and it is expected that she will be moved to her parents' home the latter part of the week. Mrs. Bishop was visiting her mother.

er, Mrs. John Mason, whom she had not seen since August. Mrs. Mason has been confined in a Convalescent Home for over a year.

Mrs. J. O. Leonard and children, Patty and Mike, of Metuchen, New Jersey, were recent guests of her father and mother, Mr. and Mrs. Amos Cattell, Polly Drummond Road. Mr. Cattell has been seriously ill for some time.

We are glad to learn that Mr. and Mrs. William G. Wimmer, of Roseville Park, are parents of a baby girl who arrived last Thursday at Memorial Hospital. Melissa Mae and her mother returned home on Tuesday of this week.

White Clay Creek Presbyterian Church
The February meeting of the session was held at Church on Wednesday, February 13th.

At the regular monthly meeting of the Women's Missionary Society which was preceded by a luncheon at the home of Mrs. Howard Bradley, on February 14th, it was announced by the president, Mrs. James H. Bishop, that beginning with March meetings will be held on Tuesdays instead of Thursdays.

It is planned during March to carry out a program of visitation.

On Sunday, February 17th, members were urged by Rev. Bishop to give careful consideration to the proposals contained in the Bill for Compulsory Military Training and each one was asked to make his wishes on the matter known to Congress.

Last Sunday, February 24th, the Youth Choir under the direction of Mrs. Paul Peach sang the anthem, "Take Jesus With You" in the morning service.

The altar flowers for the past two Sundays have been presented by Mrs. Atwood Johnston, representing the Women's Missionary Society.

The February meeting of the Improvement Society was held on Wednesday of this week at the home of Mr. and Mrs. Maske Johnston. The program was in charge of Mrs. John Murray. The following were on the refreshment committee: Mrs. Maske Johnston, Mrs. George Alcorn, Mrs. John Murray, Mrs. Howard Bradley.

Next Sunday at the 11:00 A.M. service the pastoral message will be on "The Learning Way" the first in a series of Lenten messages on the theme, "Along the Way With Jesus." The series will include, "The Working Way," "The Teaching Way," "The Way of Decision," "The Amazing Way," "The Winning Way," "The Self-Giving Way" and "The Sunrise Way."

The March meeting of the White Clay Creek Fellowship (formerly the Young Adult Fellowship) will be held on Tuesday, March 4th at 8:00 p.m. at the home of John and Ruth Murray. Please note the change of place. Florence Reed, Program Chairman, announces that the group is to have the privilege of hearing Herbert Moller speak on Germany.

Herbert Moller is an outstanding young German who came to this country last June under the National Grange program. He is spending the year on the farm of Norman Dempsey at Corner Ketch.

Louise Peach will have charge of devotions. Ruth Murray, Eleanor Murray and Norris Brown will have charge of refreshments.

Annual Girl Scout Cookie Sale Starts in Newark Tomorrow

Many Newark Establishments Will Feature Cookies On Menu Next Month

The annual Girl Scout cookie sale, the only money raising project Girl Scouts are allowed during the year, is about to be launched. Mrs. C. M. Linden, chairman of Newark's cookie sale, announces that tomorrow Girl Scouts and Brownies will start canvassing the city with two kinds of cookies for sale.

In addition to the usual cream filled variety which has proven so popular, a new variety has been added this year. It is a chocolate covered thumbprint and will sell at the same price as the usual variety, 45 cents per box.

Scout officials announce that for the first time this year, no advance orders will be taken. Another new feature of the sale this year will be the co-operation of the following establishments which will include Girl Scout cookies on the menu during the sale period: Neighbors Pharmacy, Rhodes Drug Store, Newark Pharmacy, College Inn, National Five and Ten Cent Store, and the Goodie Shop. Cookies will be on the respective menus from February 29 to March 15.

Troops which turn in all proceeds from the sale prior to March 17 will receive special awards. Profits from the sale per box will be divided as follows: one cent to the Juliette Low World Fellowship Fund, five cents to the troop concerned and the remainder goes to the Wilmington area headquarters to be used for out-of-door programs including back-pack camping and two organized camps, Country Center and Grove Point.

Funeral Services Held For Mrs. Harriett L. Whiteman

Funeral services for Mrs. Harriett L. Whiteman, 67, widow of Lawrence M. Whiteman, were held at 2 p.m. Saturday at the R. T. Jones Funeral Home.

Interment was in Ebenezer Cemetery, Pleasant Hill.

Mrs. Whiteman, who died last Wednesday morning, was a lifelong resident of Newark and a member of Ebenezer Methodist Church. Her long and useful life was curtailed by a stroke which she suffered about four years ago.

Since then she was a sweet, patient, invalid at all times and a shining example for all who had the pleasure of knowing her.

She is survived by five sons, Irvin B. Whiteman, of Pittsburgh, Calif., Kinsey, Ralph, Henry J., and Paul R. Whiteman, all of Newark, and one daughter, Mrs. Gray O. Lomax, also of Newark; 11 grandchildren and five great-grandchildren.

Some have too much, yet still do crave; I little have and seek no more. They are but poor, though much they have, And I am rich with little store. They poor, I rich; they beg, I give; They lack, I leave; they pine, I live. —From "My Mind to Me a Kingdom is" by Sir Edward Dyer.

Mrs. W. L. McElwee is spending the week with her sister in Springfield, Mass.

Mr. and Mrs. George Moore entertained at dinner on Sunday in honor of their wedding anniversary.

Mr. and Mrs. Howard Wilson Reynolds were given a shower at the home of their grandparents, Mr. and Mrs. Lee Reynolds, on Thursday evening.

Mr. and Mrs. Paul Barge entertained a few friends on Saturday evening in honor of George R. Moore's birthday.

Food Needs Change With Advancing Age

Daily Diet of Older People Should Include Milk

As people grow older their food needs change. Since they become less active, they require foods which are lower in calories and easier to digest.

Miss M. Gertrude Holloway, nutrition specialist with the Delaware Agricultural Extension Service, points out that better eating habits of healthful foods often help older people to be more vigorous, useful and happier members of the household.

Continued nutritional deficiencies can cause body disturbances which take place slowly and gradually increase. Situations often found in aged people are poor utilization of foods, poor eating habits, poor teeth, and poor appetites.

To help meet the requirements of good health, the daily diet should include one and one-half pints of milk to furnish needed minerals to maintain bones and teeth; fruits and vegetables for extra vitamins and minerals; easily digested meat, eggs and fish for building and repairing worn out tissues; enriched cereals and breads to preserve the appetite and aid the nervous system. Since the foods high in energy value are not needed to later years, moderate amounts of breakfast cereals and bread and butter should be included. Rich desserts and gravies should be avoided.

Milk is high in calcium and phosphorus. It is a very important that it be included daily in the diets of every one. If older persons have not had milk this may be one reason for less activity. Withdrawal of calcium and phosphorus from the bones, if continued indefinitely, may cause them to deteriorate.

Supply of copies of this booklet is limited. Write to the U. S. Library of Congress paid \$2.50 for one copy printed on vellum.

SOCIETY

W.A.C.S. SCHEDULE CIRCLE MEETINGS

The March meetings of the circles of the Women's Society of Christian Service of the Newark Methodist Church will be held as follows:

Circle No. 1 of which Mrs. Oliver Rogers is the leader, will meet Tuesday evening, March 4, at 8 o'clock at the home of Mrs. Charles Tasker, 42 Chase Street.

Circle No. 2 of which Mrs. Joseph Ryan is the leader, will meet March 4 at the church at 7 p.m. to go to the Deacons Home in Wilmington.

Circle No. 3 of which Mrs. John Reynard is the leader, will meet March 4 at the home of Mrs. Delmar Young, 441 S. Orchard Road, at 8 o'clock.

Circle No. 4 of which Mrs. William Carter is the leader, will meet March 4 at the home of Mrs. Leonard Lilley, 775 Avenue, at 8 o'clock.

Circle No. 5 of which Mrs. Maurice Field is the leader, will meet March 4 at the home of Mrs. D. D. Lanning, 146 Dugan Road, at 8 o'clock. Co-hostesses will be Mrs. Edith Richards and Mrs. Ethel Thomas.

Circle No. 6 of which Mrs. George Schuler is the leader, will attend the district conference at the Richardson Park Methodist Church on March 4, at 1:30 p.m.

Circle No. 7 of which Mrs. Mary Walker is the leader, will meet March 4 at the home of Mrs. Koellig, Sr., 40 Center Street, at 2:30 o'clock.

Circle No. 8 of which Mrs. Jacob Carroll is the leader, will meet March 4 at the home of Mrs. Merle Taylor, 11 Lovett Avenue at 8 p.m.

NEWARK GIRL TALKS TO LANDENBERG 4-H CLUB

Helen Samenderger, Junior at University of Delaware and representative of the Delaware 4-H Clubs sent over a letter last summer, gave a very interesting talk to the Landenberg 4-H Club on her trip to Germany, discussing it with beautiful colored pictures. The meeting was held February 15 at the home of Beverly Field with Miss Mayne Lovelace, Home Extension Representative from West Chester attending.

Miss Lovelace told the girls about the beautiful cities and buildings located at Chevy Chase for national headquarters for 4-H. At present the Army is occupying the quarters but a building in the not too distant future every 4-H Club member will have an opportunity of visiting this beautiful place while each member is asked to provide ten cents to help pay for the project.

Next meeting of the Landenberg 4-H Club will be held at the home of Barbara Ackerman on Friday, March 7, at 7:30 p.m. The club is fortunate in having Mrs. Wilson Ackerman accept co-leadership with Mrs. Filippi for the 1951 summer program. This year the girls will take up first and second year projects.

DR. EVELYN CLIFT SPEAKS TO BUSINESS WOMEN

The Newark Business Women held their monthly meeting on Thursday evening, February 21.

Dr. Evelyn Clift, professor of Ancient History at the University of Delaware, was the guest speaker. A short business business meeting preceded the appointment of committees. The following were appointed attendance: Mrs. Celia Wilson; ways and means: Mrs. John M. Mott, Mrs. Emma Morris, Miss Rachel Shirley; good cheer: Mrs. Alice and Helen Leach; membership: Mrs. Ed Ginter and Miss Bessie Ginter; program and publicity: Mrs. Gladys Cough and Mrs. Ella M. Plummer.

The March meeting will be on the 15th and there will be a white elephant sale after the dinner.

NEWARK CLUBS HOLD JOINT MEETING

Thirty-four members of the Kiwanis and Soroptimist Clubs of Newark held a joint meeting Tuesday evening at the College Inn. The program was arranged jointly by the program chairman of both clubs.

Mrs. Anne Longenbach, president of the Soroptimist Club, extended greetings to the members of the Kiwanis Club. Mr. Arlington Jackson, recently elected president of the Kiwanis, extended greetings to the Soroptimist Club. The invocation was given by the Rev. James A. Getz, pastor of the First of Christians Church. Group singing was led by Mr. Wm. Skold. Mr. Daniel Harvey showed colored slides of his trip to Florida, scenes of Longwood Gardens and the Skyline Drive.

WHITE ELEPHANT SALE WITH BAKE FRIDAY 29TH

The A.A.U.W. will hold a bake and white elephant sale on Friday, February 29, at 173 East Main Street.

Mrs. R. O. Bauman, chairman, announces that the White Elephant Sale will be from 8 a.m. to 8 p.m., stressing that an item may be a white elephant to the contributor but may be just the desired article by the purchaser. Selling for the bake will start at 10 a.m.

Those assisting the chairman include: Mrs. D. D. Lanning, Mrs. D. R. Larcene, Mrs. H. M. McPhee, Mrs. W. S. Van Asslin, Miss Lorna Wells and Mrs. C. M. Olson.

BAKE SALE FEB. 29 BY LEGION AUXILIARY

The J. A. O'Daniel Unit No. 10 American Legion Auxiliary will sponsor a bake and food sale on Friday, February 29 at the Newark Farm and Home Supply Store, Main Street. Selling will start at 11 o'clock and orders will be delivered.

REMEMBER MARCH 15 IS THE LAST REGISTRATION DAY

Recent Bride

Mrs. Howard Cecil Keene

Mr. and Mrs. Edwin T. Pierson of near Newark announce the marriage of their daughter, Miss Jean Emily Pierson to Mr. Howard Cecil Keene of Newark, son of Mr. and Mrs. H. B. Keene of Norconette, West Virginia, which took place Thursday, February 14, 1952 at 7:30 p.m. in Baltimore, Maryland. Rev. Harris E. Kirk of Baltimore performed the double ring ceremony.

Mr. and Mrs. George F. Jackson of Newark, brother-in-law and sister of the groom were the couple's only attendants.

Miss Pierson is a graduate of Newark High School and is employed in the athletic department of University of Delaware. Mr. Keene is a graduate of the Williamsburg High School, West Virginia, and is associated with the DuPont Co. at Newport, Del. The couple is now residing at 21 John Street, Newport, Del.

REV. RALPH WILL ADDRESS WOMEN OF ST. THOMAS

The March general meeting of The Women of St. Thomas will be held in the Parish House next Tuesday, March 4, at 8 p.m. The speaker will be Rev. Wiley Ralph, and his subject will be his work as chaplain at the Governor Bacon Health Center. At the brief business session preceding the program, the nominating committee will report a slate of officers for 1952-1953. The committee includes Mrs. P. K. Munsell, Mrs. Cyrus L. Day and Mrs. Richard D. Grou chairman.

On Thursday, March 6, the first Lenten supper of the year will be served in the Parish House at 6:30 p.m. by Group 2 Mrs. Day, leader. The speaker following the dinner will be Rev. Charles Leach, director of Christian Education for the Diocese of Delaware.

CHILDREN HONORED WITH BIRTHDAY PARTY

Mr. and Mrs. Joseph Ferguson entertained on Friday evening in honor of the first birthday of their son Jackie and of their niece Barbara Ann Thorpe who celebrated her eleventh birthday.

Those present were Mr. and Mrs. J. H. Ferguson, Mr. and Mrs. Walter Coyle, Mr. and Mrs. Wilbur Thorpe, and Mr. and Mrs. Joseph Ferguson. Refreshments were served and the children wished many happy birthdays.

MUSIC CLUB MEMBERS PLAY AT MEETING

The pupils of Mrs. Marian Gilmore Wilson held a meeting of their Music Club Sunday afternoon, February 24, at 303 W. Main Street. Anne Giddin told of the life of Grieg and played one of his compositions. Highlights of Beethoven's life were prepared by Janet Pierson. Piano solos were played by Dolores Strahorn, Joanne Nowland, Edith and Mary Lou Clark, Mary Lou Derickson, Virginia Walker, Lorna Hoch, Mary Ellen Foster, Barbara and Sylvia Dale, Enola Jane Newton and Bobby Strahorn.

A duet was played by Barbara Walker and Mrs. Wilson. Featured on the program were guitar solos by Stuart Armstrong.

O.E.S. HOLDS BLUE LODGE NIGHT MARCH 6

The next regular meeting of the Newark Chapter No. 10, Order of Eastern Star will be held at the Masonic Temple on Thursday, March 6 at 8 p.m.

This meeting will mark the annual observance of Blue Lodge night and include the entertaining of Master Masons.

Mrs. Sarah B. Howell, Worthy Matron, and Samuel L. Diehl, Worthy Patron, will preside.

Delaware Quintet Defeats Swarthmore To Tie School Mark

Blue Hens Meet P.M.C. Saturday Night In Crucial Game At Field House

In handing Swarthmore College a 74 to 55 beating last weekend the University of Delaware basketball team won its 14th game of the season and thereby equalled the university record for the most games won in a single season. Last year's record of 14 victories and 7 defeats stood as the best record in the school's 47-year history of basketball.

With two games remaining to be played, the current Hen club has a fine chance to live up to pre-season predictions that it was the finest team ever to represent Delaware.

Delaware must win the two remaining games on the schedule to assure itself of a tie with the strong P.M.C. Five which defeated the Hens earlier in the season and is now leading the Middle Atlantic Conference. The all-important contest will be played at Carpenter Field House on Saturday night.

Jim Kruzinski paced the Hens in the victory over Swarthmore with three field goals and nine fouls for 15 points, while Dick Evans scored seven action shots for 14.

Delaware's Shortest

John Buechele

Standing a modest 5-foot, 10-inches, John Buechele is one of the smallest men on the University of Delaware basketball squad. Despite this lack of extensive height, John has proven a defensive stalwart on the present Delaware club and is one of the greatest hustlers on the team.

Hailing from Union, N. J., John is one of the three men on the squad who have won two basketball letters at the university. Other two-letter winners on the present club are Captain Billy Utt and Jim Kruzinski.

Newark Alumni Basketball Team Will Play Varsity

The annual basketball game between the Newark High School varsity and the Newark Alumni Association will be played on the school floor on Tuesday evening, March 11.

Any graduate with varsity experience who is interested in playing for the Alumni team is asked to call Don Butterworth, chairman of the alumni association athletic committee as soon as possible.

DIDN'T LEAVE MUCH

The offspring of the sire War Relic took all but the short end of the purse in the third race on June 11 last year at Delaware Park. In one of the real oddities of racing, the first three horses across the finish line were sired by the great son of Man o' War.

NO CROWDING HERE

There is plenty of room for large fields of thoroughbreds at Delaware Park. The Stanton oval is the only major mile track in the country whose front and back stretches are each 100 feet wide.

Penn Hangs Up Five New Marks Topping Hen Trackmen 85-28

Peters Scores Only Victory For Blue Hens In 880 Yard Run

University of Pennsylvania's track team set five new records last Saturday as they defeated the Delaware runners 85 to 28 in the first indoor meet of the season at Carpenter Field House.

Delaware took only one first place and a tie in the thirteen events. Peters of Delaware won the 880-yard run for the Hens in a time of 2:07.8, and Cunningham of Delaware tied Penn's Franklin for first place in the shotput, with a heave of 38'5 1/2."

Penn runners set new course marks in the one mile, 600-yard, and two mile running events, in addition to new records in the pole vault and broad jump events.

One Mile: Williams, P.; Levy, P.; Harshaw, P. Time 4:30.05.

50 Yd. Dash: Foulk, P.; Flynn, D.; Walton, D. Time 3.5.

440 Yd. Run: Dushoff, P.; Rosenblum, P.; Tuohy, O. Time 59.1.

50 Yd. High Hurdle: Toroulla, P.; Cutler, P.; Loose, W. Time 6.9.

880 Yd. Run: Peters, D.; Harshaw, P.; Dushoff, P. Time 2:07.8.

660 Yd. Run: Kamenetski, P.; Reider, P.; Hoffman, D. Time 1:21.6.

1000 Yd. Run: Dodd, P.; Levy, P.; Kline, D. Time 2:28.8.

Shotput: Tie first place, Franklin, P.; Cunningham, D.; Coulson, D. Distance 38'5 1/2."

Pole Vault: Tie first place, Williams, P. and Boser, P.; 2nd place, tie, Aughey and Sanders, D. Height 12'.

Broad Jump: Foulk, P.; Russell, P.; Bristow, D. Distance 21'6 1/2."

One Mile Relay: Pennsylvania (Guise, Booth, Rosenblum, St. George). Time 3:48.0.

Two Mile Run: Nelson, P.; Foracre, D.; Vane, D. Time 10:38.3.

High Jump: Cutler, P.; Ponton, D.; Saunders, D. Height 5'10".

Douglas W. Rankin Serving On Colgate Carnival Body

Douglas W. Rankin, son of Mr. and Mrs. Carl S. Rankin, 82 W. Park Pl., Newark, and a junior at Colgate University, served as member-at-large for the annual Colgate Winter Carnival which was held Friday-Saturday, Feb. 22-24.

Rankin is a member of the Outing Club which sponsored the carnival and is on the dean's list.

The carnival featured a full round of indoor and outdoor sport events, parties and dances. The students will play host to more than 500 girls from the eastern seaboard. The highlight of the weekend was the selection Saturday of the Winter Carnival Queen from among these girls.

TAXUS CUSPIDATA

Ever hear of Taxus cuspidata? While it might sound like something frightening, it is actually used to beautify. The walking ring at Delaware Park has more than 245 of these green bushes, which provide a picturesque background for the sleek thoroughbreds and their jockeys in multi-colored silks.

Blaney Batters State Scoring Record As Yellowjackets Win

Newark Ace Collects 33 Points To Pass Own Mark Of 509 Set Last Year; Now Has Total Of 534 With 2 Games Left

Bunny Blaney, star forward of the Newark High School basketball team, set a new all-state scoring record Tuesday night when he scored 33 points to lead the Yellowjackets to their fourteenth victory of the season over William Penn, 57-41.

In collecting 33 points, Blaney boosted his total in 17 games to 534, a commanding lead over all other high school scorers in the state. With two games remaining, the Newark ace is expected to add considerably to his record of 509 points of last season when he set the present state scoring record.

Newark High moved further into the lead in the New Castle County team competition in winning Tuesday night, now leading with a record of 15 wins against 3 losses.

William Penn hopped off to a 15-11 lead in the first period of Tuesday night's contest, but Blaney and Co. picked up speed in the second stanza to lead 31 to 23 at the half.

Newark's junior varsity defeated the William Penn Jayvees, 49-37, in the preliminary contest.

The box score:

| Newark | G | F | P |
|-------------------|----|---|----|
| Blaney, forward | 14 | 5 | 30 |
| Kase, forward | 1 | 2 | 4 |
| Knotts, forward | 1 | 0 | 2 |
| Draper, center | 2 | 0 | 4 |
| Humm, center | 3 | 1 | 7 |

Newark Takes Over County Lead With Victory Over Elkton

Blaney Moves Closer To New State Scoring Record With 46 Points

Newark's sizzling Yellowjackets took over undisputed first place in the New Castle County basketball race Monday night when they defeated Elkton High School, 85-61, in a makeup game which had been cancelled earlier in the season.

Bunny Blaney moved to within close reach of an all-time state scoring record as he rattled off 20 field goals and six fouls for a total of 46 points. Blaney now has 501 points for the season and needs only nine points to better the present record of 509 which he hung up last year.

Dave Humm and Jim Draper contributed heavily to the Yellowjacket's 13th win in 16 starts Monday night with 18 and 10 points respectively.

APPROPRIATELY NAMED

Greentree Stable's Hall of Fame became the third thoroughbred to give admission to Delaware Park's hall of fame when he won both the Kent and Leonard Richards Stakes in 1951. He won two three-year-old fairs, these two three-year-old fairs were won by the same horse. It was first accomplished in 1937 by Strub and Page Boots in 1948.

YELLOWJACKET HIGHLIGHTS

By the Journalism Class
Editor, Arthur Boulden

Student of the Week—Honora Dwyer
Have you ever seen a short little girl about 5 feet tall with brown hair and greyish blue eyes carrying up Main Street about 3:55 p.m.? If you look you will see that she is on her way to work; she due there at 4:00 p.m. This little "hurry" is on her way to her job at the Newark News-Standard. She is Honora Dwyer. Her nickname is "Honey."

"Honey" was born in Newark on April 9, 1935, and has lived all of her life in this area. In school she is taking the commercial course and her pet peeve is doing worksheets in bookkeeping. "Going steady," says Honora, should wait until after graduation. Her special friends are Jackie Barrett, Rose Duffy, Helen Sweetman, Ester Eastburn, and Sissy Murphy. Her hobby is collecting sheet music and watching TV.

Her favorites are as follows: subject—short-hand; teacher—Mr. Justin; food—steak; song—"The Wheel of Fortune."

After school Honora hopes to become a private secretary. She finds being interviewed all right but feels a bit shy.

Jackie Barrett.

Milmo Fox Wins Trip To Chicago

Milmo Fox, a senior in Newark High School, won the recent pie-making contest sponsored by the Delaware 4-H Club and held at the University of Delaware.

The record for winning the contest is a trip to Chicago with all expenses paid and an opportunity to participate in the national contest. Milmo will leave for Chicago on the afternoon of February 19 and enter the national contest on Thursday, February 21. Miss Lavonne Holloway, State Nutrition Specialist from Delaware, will accompany Milmo as chaperone. The return trip will be on February 23.

Mary Hodgson.

Athlete of the Week—Reta Warpole
Reta Warpole, 5'6 1/2" senior, is a forward of the girls' varsity basketball team on which she serves as captain. In other sports, she plays right wing on the hockey squad, and first base on the softball team. Reta has played basketball for three years since she came to Newark from Elkton in her sophomore year.

Reta, however, enjoys baseball best of all sports. Her summers are well spent in watching games. She claims that Curt Simmons and Stan Musial are her favorite players.

In other activities Reta is on the Keweenaw staff and in the Clerical Assistance Club. Dancing and eating submarine fill Reta's spare time.

After graduation we wish Reta much luck as a hair stylist.

Athlete of the Week—James Draper
James Draper is our athlete for this week. Jim is called "Chick" by his basketball teammates. "Chick" plays first string guard for the Yellowjackets. He contributes to both Newark's reputation and scoring attack. Chick is the highest scorer on the team with an average of 6 1/2 points per game. Jim is 6 feet 1/2" in, tall and weighs 165 pounds. He is playing his first year of varsity basketball. He plans to further his education at the University of Maryland where he will major in dentistry.

Jim's favorite recreation is golf. You can usually see him somewhere around the Country Club when not in school.

"Chick" is very active in extra-curricular activities at Newark High School. He is president of the senior class, and is an active member of the Hi-Y and the Key Clubs. He is a member of our Student Council. The best of luck to "Chick" in his field of dentistry.

Senior Class Meeting To Discuss Senior Trip

The Senior Class of Newark High School held a meeting on Monday, January 28, in the school cafeteria.

Mr. Frederick Kutz spoke to the class of '52, called the meeting to order. Mr. Frederick Kutz spoke to the class concerning the senior trip. He discussed the problems and cost of trips to New York, Washington, Williamsburg, and a tour of Delaware. A committee was appointed to make up a James Draper, President of the class, wants to go for their class trip.

Jim Seydell.

Student of the Week—Helen Jane Leasure

Helen, one of our cutest seniors of the class of '52, has dark blonde hair, blue eyes, weighs 100 pounds, and stands 5 feet, 2 inches tall. She was born on the outskirts of Newark, Delaware, and has attended the Glasgow and Newark schools since she became of school age. She has no complaint about N.H.S. so that must mean she likes it.

Helen Jane says the subject she likes best of all is Business English. As a favorite sport she chooses football which seems to be very popular with school fans nowadays. Along with her other

studies she finds time to participate in several activities such as "Buzz," Leaders' Club and Traffic Squad.

In spare time Helen works and is secretary of the Pencader 4-H club. Her hobby is sewing, which keeps her busy. For a movie star Helen thinks Lon McAllister is the best there is. Going steady in high school just doesn't go for Helen. She can usually be seen in our schools halls with Peggy Woerner and Gert Delp. After graduation Helen wishes to travel or become a receptionist.

Ethel Hanna.

Traffic Accidents Rob Americans Of 300,000 Years Life

In the half century that the automobile has been on the scene, the average span of life in America has increased about 21 years. For this we can largely thank medical and surgical advances, not the reckless drivers of automobiles. Indeed, the average span of life today would be even higher if such drivers had not killed 1,000,000 persons since the turn of the century—300,000 of them in the decade between 1941 and 1950.

Last year more than 300,000 years of life were wiped out in traffic accidents that claimed over 6,500 victims between the ages of 15 and 25 alone. These are the years in which educations are finished, careers started, marriages made and families founded. Parents had watched over these young lives until eyes, once filled with pride and hope, became glazed with stunned disbelief when word came of the tragic end. "Why did it have to happen?" they sobbed.

Why, indeed? An average of between 44 and 52 years of promising and potentially fruitful life were destroyed in each instance. Relatively few of these 6,500 young victims were pedestrians, probably because they had been trained in grade school in the ways of pedestrian safety. Nearly all were killed while driving or riding in accident-bound automobiles. The accidents were largely due to the inept, careless driving habits of youth.

Driver education, which trains young men and women to be safe drivers before they take the wheel of the family car, is offered today by only 38 percent of the nation's high schools. These courses are taken every year by about 600,000 high school students, or 44 percent of those eligible to enroll. Through such courses a determined effort is being made to improve the tragic accident record of drivers between the ages of 16 and 24, which is nearly twice as bad as it should be in relation to the group's percentage of all drivers.

When students learn to become safe drivers in high school, their chances of avoiding serious accidents are usually three times better than those of youths who have not had such training. The cost of driver education is small and its rewards are great. It can make a great contribution to highway safety if all high school students receive it.

Communities that fail at least to offer it overlook one of the obvious "musts" of real highway safety.

Horse Finds Traffic Too Rough For Him

A rarity of our times, a collision between an automobile and a horse and wagon took place this week on the streets of Newark.

Newark police report that Steve Kurek, driver of the horse and wagon, sustained bruises of the hand in an accident involving a car driven by Carson Stoneman, 640 Hodgson Street, Oxford, Pa., at Briar Lane and Nottingham Road.

Damages to the vehicles were slight, and Mr. Kurek's injuries were superficial, but the horse, name unknown, got the scare of his life. In fact he ran away following the accident and didn't stop until he reached a gasoline station on the Delaware-Maryland line. He was stopped there by Mr. Willis who runs the gasoline station. Newark police said this week that it is not planned to charge the animal with running away from the scene of an accident.

Dr. Perkins Speaks To Men Of Westminster Church

Dr. John A. Perkins, president of the University of Delaware, spoke on the subject "Religion and Higher Education" before more than 100 members of the Men's Club of Westminster Presbyterian Church this week.

"I contend that there is much of God in higher education in America. There might well be more. It cannot be forced or legislated but must be developed and enlarged by an awareness of a need for it, and by the cooperation between the church and the university."

Turkey Steak, New Idea, Now Popular

Chops, Roasts, Other Pieces Now Available

Consumers seem to like one-meal sized meat buys, and prepared, ready-to-cook cuts. The turkey industry was behind the eight ball most of the year, until the idea of cutting a turkey into steaks, chops, roasts, and other pieces was developed.

At the University Farm and Home Week, Jan. 29-Feb. 1, C. W. Hawks of the National Poultry and Egg Board, will demonstrate this new method of selling turkey.

This program should be of interest to both turkey raisers and home-makers, thinks M. Katharine Jones, Home Demonstration Agent, Delaware. Turkey would have a better and larger market if people became used to buying small amounts of turkey cuts year in and year out, rather than having to buy large birds only for special occasions.

As for cooking these new cuts, the methods will be explained and demonstrated by Patricia Collins, of the University of Delaware Home Economics staff.

The two demonstrations are part of the combined turkey production and home economics program, Friday, February 1.

Chrysler Official

(Continued from Page 1)

Arsenal and he remained in that capacity, in charge of all machining, assembling, and other tank manufacturing operations, until the end of World War II.

At the end of the war, Mr. Keller joined the staff of the vice president and general manager of Chrysler Corporation. In 1947 he was named vice president of the corporation's Marine and Industrial Engine Division and one year later became president of that division. He became general manager of the Chrysler Tank Plant in Newark in December 1950 and moved to Delaware last summer.

Serving as general co-chairman and assisting Mr. Petticoat in arranging for the Traffic Club's twenty-first annual banquet are: John Green, assistant to the publicity manager of the Reading Company in Philadelphia, and H. M. Berridge, first vice president of the Traffic Club and assistant traffic manager of the DuPont Company.

Other members of the banquet committee, according to Mr. Petticoat are: J. E. Burns, J. M. Henderson, P. S. Heath, W. M. Heyl, S. C. Hobbs, C. J. Kneemuelen, L. C. McCormick, R. F. Meyer, C. F. Miller, M. C. Minker, E. E. Mountcastle, W. T. Panceo, W. L. Simmons, C. S. Simpson, G. P. Smith, and R. E. Wooleyhan.

City Announces Purchase Of Electric Power Lines

City officials announced this week that existing power lines along South College Avenue between the Pennsylvania Railroad tracks and Chestnut Hill Road have been purchased from the Delaware Power and Light Company.

Negotiations were completed with the power company some time ago but the deal was not completed until this week. The city reports the price of the lines to \$249,254, which is considerably less than it would cost to construct the facilities.

Ferry Boats

(Continued from Page 1)

ferred for sale "as is, where is," explaining that all the ferry boats are in the slips either at New Castle or Pennsville. Delivery to the buyer will be made at its location and delivery must be accepted within 30 days from the date of receipt of notice of acceptance at the buyer's bid by the Highway Department.

Protection is offered to prospective buyers in the event of damage or loss to the vessel after purchase, but prior to the time of delivery, by return of any monies paid; however, neither the State of Delaware nor the Highway Department would be liable for any other action.

Payment in full in cash or by certified check must be made by the purchaser prior to the time of delivery, McWilliams said.
