## TRACKMEN COP SECOND IN PENN RELAYS

### A.S.E.E. Mid-Atlantic Section Holds Spring Meeting Here

The spring meeting of the Middle Atlantic Section of the American Society for Engineering Education will take place on our campus Saturday, May 2, 1953. Approximately four hundred members and their wives are expected to attend this conference.

The membership of this society includes many industrial companies and individuals interested in the educational training of future engineers.

A very interesting and stimulating program has been planned for the entire day. Registration will begin at 9:30 a.m. in Brown Hall, with coffee and doughnuts served in the basement. Following this, an hour has been set aside for the inspection of the various laboratories. The morning session will open at 11 a.m. in Mitchell Hall with an address of welcome by President John A. Perkins, followed by the opening address to be presented by Dr. Jess H. Davis, president of Stevens Institute of Technology. His address is entitled "The Contributions of the American Engineering College to American Industry and Culture."

A business meeting will end the Mitchell Hall program, whereupon luncheon will be served in Kent Dining Hall at 12:30 p.m.

#### Discussion Groups

The afternoon will be devoted to six discussion groups beginning at 2:00 p.m. and ending at 4 p.m. These are discussions relating to processes of teaching and learning, research and extension, and problems in public relations. The topics of discussion, and the presiding members are as follows:

1. Research Discussion Group  
 Subject: "Educational Aspects of Engineering Research in Universities." Dr. R. L. Pigford presiding.
2. Placement Discussion Group  
 Subject: "Services Offered by College Placement Bureaus." Mrs. G. M. Wyatt presiding.
3. Off-Campus Graduate Instruction Group  
 Subject: "Graduate Instruction by Means of Off-Campus Courses." Dr. A. P. Colburn presiding.
4. Mathematics Discussion Group  
 Subject: "Undergraduate Statistical Training for Engineers." Dr. G. C. Webber presiding.
5. Instruction Methods Group  
 Subject: "Aids to Undergraduate Instruction." Prof. G. B. Thom presiding.
6. Graphic Communications Discussion Group  
 Subject: "Preparation Required in Engineering Drawing for Industry." Prof. F. Zozzora presiding.

#### Reception by President

A reception will be given by President and Mrs. Perkins at Warner Hall, following these discussion groups. Dinner will be served at 6:00 p.m. in Kent Dining Hall. The University Men's Glee Club will present a short program during dinner under the direction of Mr. M. Fennema of the Music Department.

The ladies will have an excursion all to themselves while their husbands are busy attending these various meetings. Following registration.

(Continued on Page 4)

### Last Of Fraternity Weekends Begins With Sig Ep Dance

Sigma Phi Epsilon will begin the last of a series of fraternity weekends tonight with a buffet dinner and a formal dance at the Newark Country Club.

The Girl of the Golden Heart Formal, the highlight of the entire occasion, will be preceded by buffet-style dinner at the Sig Ep house. Dick Hughes, president, will preside at that time.

Musical background for the formal ball will be provided by Lou Gross and his orchestra of Wilmington, Del. This affair will mark an event long awaited by Sig Eps and their dates—the naming of the chapter sweetheart, the Girl of the Golden Heart. The girl picked by Sigma Phi Epsilon as the girl of the year will be made public then for the first time. Chaperones for the dance are Dr. and Mrs. C. W. Shipman and Dr. and Mrs. A. B. Metzner. Housemother is Mrs. Bertha S. Worth.

Completely masked in secrecy is the Saturday night houseparty. At this time, the brothers literally vacate their abode and their dates move in. Arrangements, decorations, and entertainment are all provided by the feminine set. Acting as chairman is Bebe Hahne. She is assisted by Barbara Cramer, Dea DeSabinio, Lois Pellegrine, and Shirley Clouser.

A picnic at Jack Miller's farm near Fair Hill, Maryland, places the finishing touches on a very complete weekend. Swimming, boating, softball, etc., will furnish diversion for the Sig Eps and their dates as the three-day event draws to a close.

### SGA Plans May Frolic For May 16

The May Frolic will be the first social affair to be sponsored by the new S.G.A. under the supervision of Wayne Kirklin Jr., Social Chairman. The gala affair, with an "enchanted spring" theme, will take place at the Carpenter Field House on Saturday, May 16, from 8-12 p.m. Tickets go on sale all over campus on May 4 and are \$2.00 a couple.

Students will dance to the music of Larry Fotine's orchestra, which is a very promising group of musicians from Philadelphia. The orchestra is styled along the Sammy Kaye line.

Hank Bertuch is in charge of selling tickets for the May Frolic, while Bird McCord and Pat Gerstenberg head the decoration committee. Marianne Reinke is in charge of chaperones.

Jim Flynn, Bill Reybold, Tom Bayliss, and Jim Holcomb, the Blue Hen relay squad which finished in second place in the Penn Relays.

### Selective Service Announces New College Qualification Test

Major General Lewis B. Hershey, Director of Selective Service, has announced that a Selective Service College Qualification Test will be given on May 21. Applications for this test must be submitted to the Educational Testing Service, Princeton, N. J., not later than midnight, May 11. The May test is primarily for students prevented by illness or other emergencies from taking the test on April 23. No qualified student will be barred, however, if his application is mailed before the deadline.

Students who have a certificate of admission for the April 23 test must apply for a new certificate for the test in May. Application forms may be obtained from any local draft board. The admission certificates will be mailed to students by the testing service.

Eligibility rules for the College Qualification Test state that the applicant (1) must be a selective service registrant who intends to request deferment as a student; (2) must be satisfactorily pursuing a full-time college course, undergraduate or graduate, leading to a degree; (3) must not previously have taken the test.

Criteria for consideration for deferment as a student are a score of 70 or better on the test or a class standing in the upper half of the freshman class, upper two-thirds of the sophomore class, or upper three-fourths of the junior class. Seniors accepted for admission.

### IF And Alumni Form New Council

Alfred Isaacs, president of the Inter-Fraternity Council, announced recently that an all-new Inter-Fraternity Alumni Council has been organized on this campus.

The council consists of two representatives from each of the fraternities at Delaware, usually the chapter advisor plus one alumnus of the fraternity. The purpose behind the new group is to counsel the undergraduate IFC as well as to offer assistance to the individual houses.

Instrumental in the formation of the new body has been Milt Draper. The alumni council has held only one meeting thus far in the school year. A schedule of four meetings per year is proposed for successive terms.

### Choral Groups Will Present Spring Concert On May 5

The Choral Groups of the University of Delaware will present a spring concert on Tuesday, May 5, 1953 at 8:15 in Mitchell Hall on the Newark campus. The three Choral Organizations, the A Cappella Choir, the Women's Chorus, and the Men's Chorus, are under the direction of Marvin R. Fennema of the Department of Music.

The Women's Chorus will sing "La Damselle Elue" by Debussy. Guest soloists for this performance will be Kathryn Nussbaum, Soprano, Emalee Earon, Mezzo-soprano, of Philadelphia. The entire performance will be accompanied by Lois Alava, Pianist, Mrs. Hel-

(Continued on Page 3)

### University Drama Group Presents 'Patty Cannon'

The University Drama Group will present an exciting play "Patty Cannon" written by Ashworth Burslem on May 14, 15, and 16 in Mitchell Hall at 8:15 p.m. Mrs. C. Robert Kase will direct the production and Dr. Kase will appear behind the footlights. Mrs. Charlotte Hanson will play the title role and Dick Evans, whom you will remember as a guest actor in the E-52 production of "Twelfth Night," will play the young male lead.

Student Activities tickets will be honored, as usual, and the Mitchell Hall box office will be open beginning May 4 from 7 to 8 p.m. and on Saturday May 9 from 2 to 4 p.m.

### Butcher, Graham, Taylor Take Honors In Baltimore Relays

#### Varsity and Freshman Records Are Made

The University of Delaware track team turned in impressive performances in the 53rd annual Penn Relays and the Baltimore Relays last Saturday as they finished second only to La Salle in the one-mile Middle Atlantic Collegiate Relay Championship of the Penn Relays and captured blue ribbons in both the mile and shot-put at Baltimore.

The Blue Hen foursome, Jim Flynn, Jim Holcomb, Bill Reybold, and Tom Bayliss, swept to an easy victory in the first heat on Saturday afternoon. Holcomb was passed early in the race by other contestants. Flynn, taking the baton from Holcomb, moved from fifth place up to second. The stick was quickly passed to Reybold who picked up another ten yards to cut down the runner's lead. Delaware's anchor man, Tom Bayliss, captured the first place and held it to the finish line.

In the finals Delaware faced last year's winner, La Salle, who had won their first heat in 3:31.5, exactly the same time recorded by Delaware. Flynn and Holcomb switched positions in hopes of gaining an early lead, but to no avail. At the midway point, the Hen squad was in a very mediocre position. Bill Reybold, taking the baton from Holcomb, picked up 25 yards in a tremendous burst of speed. At the three-quarter milepost, Bayliss grabbed the baton with Delaware in the second position slot. The finish was one of which Delaware can be proud. The La Salle anchor man finished his run in 50.1. Bayliss started his lap far behind the lead man. He managed to cut this lead completely in half. Unofficial clocking by the

(Continued on Page 4)

### Kappa Delta Pi Elects Officers

At a meeting of Kappa Delta Pi on April 23, in New Castle Lounge, elections of officers for the coming year were held. The new officers are as follows:

President, Mary Ann Lindale; vice-president, Ann Harkins; secretary, Doris Carmichael; treasurer, Jane Banks; and historian-recorder, Hope Orloff.

Kappa Delta Pi is the honorary educational society on campus. Mr. George Henry is sponsor of the group. The officers who served during the year were as follows:

President, Doris Simon; vice-president, Dorothy Kaeks; secretary, Aileen Richie; treasurer, Lorraine Kinella; and historian-recorder, Janet Boutin.

Also discussed at this meeting was the annual Kappa Delta Pi spring picnic which will be held on Wednesday, May 6, at the Newark Recreational Area. All members and guests are welcome, but must have made their reservations with Dot Kaeks, Box 706, by Friday, May 1.

## Unit Plan

### A New Twist

After a beginning that contained volume and bluster for what it lacked in tact, the review of the dining hall unit plan has unearthed a compromising and, we feel, very sound proposal. The suggestion of the student-faculty committee is that a 5-3 (rather than 7-3) meal ticket be compulsory. In addition to this, a 7-3 ticket would be available for those who wish to purchase it.

The present 5-2 and 7-2 tickets would exist no longer. However, the difference in price between breakfast and no breakfast over the course of a semester is insignificant.

A primary source of concern over the current plan is the item of weekend meal tickets, many of which are not used by U. of D. students. Obviously, this handicap would be erased should this new suggestion of the Dining Hall Committee be executed.

We repeat: this is only a suggestion. There was much thought behind this proposal. We sincerely hope it is adopted.

W. G. D.

## Campus Carnival

### To Be Or To Postpone

A meeting of the Student Carnival Committee of the SGA last Monday drew about a dozen members. At this session, the decision was made to temporarily forget the carnival which was originally scheduled for early May.

Why????

The two heads of the committee have labored admirably in attempting to organize this project — one entirely new as far as the university is concerned. Other efforts or interests demonstrated by the SGA have amounted to practically nothing. The report of the attendance above is a bit misleading. It was obtained only by an open threat in the SGA meeting to drop the entire idea should the present apathy continue. Previous meetings found a very, very minute portion of the necessary SGA members present.

The carnival is a great idea directed toward a worthwhile cause — a new Student Union Building. In fact, it is too good an idea to be ignored.

The fact has been often repeated that the Student Government is a representative body. As is evidenced by this incident, their obligations do not end there. Should a condition of disinterest concerning a certain problem exist in the student body, this condition should not be "represented" or "reflected" in SGA, but rather the gears of student interest and action should be initially set in motion by this group.

The present state of the carnival plans is hardly a favorable one. However, it does offer a challenge to the new SGA. What'll it be, folks? We students are waiting.

W. G. D.

## The Cauldron

### Too Good To Pass By

This week heralded the circulation of the new **Cauldron**. The staff of the campus literary magazine plus the list of contributors are due congratulations for this year's edition.

The task was begun last semester with full knowledge of the display of only "casual" interest which many students have shown toward the publication. Through careful screening of the material the editors have hoped to present a magazine which will hold appeal to the majority of the student body.

One suggestion: don't pick up the **Cauldron** and begin reading immediately. Instead, make an attempt at writing an original piece of prose or poetry first. Once this deed has been done, begin reading the work of your fellow students. This procedure should lead to a much fuller appreciation of this quite colorful item.

W. G. D.

## Letters To Editor

To The Editor:

During the past week, botanists in Eton Hall have made a great new discovery in the study of trees. This great advanced species is the "wussy pillow tree." It has been identified as a second cousin, three times removed, of the pussy willow; but the resemblance is slight.

The tree is more an artificial than a natural species. Any tree can be converted to this type by merely grafting onto its branches and blossoms 48 pillows collected from the rooms of the dormitory. Grafting is easily attained by merely slinging.

Scientific experimentation has proven that the best season for conversion is dinner time.

We are proud to announce to the university such an advancement in botany. Who can tell, the near future may bring more discoveries from Eton Hall.

Sincerely yours,  
Les Devotees de Science

## Ode To D.P.

Inspired by Keats' "Mermaid Tavern"

Souls of students flunked and gone,  
What toppers station have ye known  
Far or near or light or dark  
Finer than our own Deer Park?  
Or have ye tipped drink more dear  
Than Mrs. Mac's Budweiser beer?  
Oh, are not her potato chips  
The tastiest to pass your lips?

And to the bar the graduate  
Has come his thirst to satiate:  
And there in smokey council told  
Of hellish deeds in days of old.

The fearful freshman oft has come  
His throat to wet with your rich foam  
Tho' George has wished the law  
forbade.  
Mine hostess bounced this callow lad!

'Tis said that oft these noble rooms  
Play host to bebies of Boom Booms.  
West End-ward come the students then

To ogle and to sally. When  
Midnight strikes, the lights grow dim;

The glass is empty, purse is slim;  
The air is cold, the head is hot—  
But such is life—or is it not?  
Souls of students soon to come  
Hark to this inn, your second home.  
(Written by Bill Pool. Taken from a 1943 issue of the *Review*.)

## Dean Mosley Gives Talk To Students

The Very Rev. J. Brooke Mosley, Dean of the Cathedral of St. John, Wilmington, will be the guest speaker at a buffet supper of the Canterbury Association next Tuesday evening, May 5, at 6:30 p. m. at St. Thomas Rectory. Dean Mosley will speak of his recent tour of the Missionary Diocese of Puerto Rico. During the meeting there will be election of officers for the coming year.

## Engineers Go To Toronto

Richard E. Emmert, Dr. Robert L. Pigford, and Dr. Jack A. Gerster, faculty members of the chemical engineering department of the University of Delaware, left last week-end for the joint convention of the American Institute of Chemical Engineers and the Chemical Engineering Division of the Chemical Institute of Canada in Toronto, Canada.

In one of the featured sections of the convention, Dr. Pigford will present a paper on "Absorption and Desorption of Slightly Soluble Gases in Falling Liquid Films."

Other meetings during the period will highlight symposia on special phases of chemical engineering, including a paper on "Fluid Particle Behavior" by representatives of Sun Oil.

## ALUMNI NOTES

By

Martha

Shillito

As most of "morning after" victims know the schedule for the past weeks has been filled with frat week-ends. ATO celebrated last week and the festivities drew Obie Edge from Germany. He is in Special Services and will soon enter the hospital in Washington, D. C.

Roland Mills and his wife also trekked back to the sacred halls for the blow-out. Roland is working for the Bell Telephone Company in Philadelphia. Pvt. Jim Scotten arrived, accompanied by his commanding officer, commonly known as Mrs. Scotten.

William "Shaggle" Matthews, Udell of '51 has changed from building his DP Pyramids to building houses. He is a Newark contractor now, using his day-to-day experience to learn to build bigger and better pyramids.

AEPI's "doin's" brought back grad Leo Zuckerman, now a DuPont engineer. Also Gil Spiegel and his wife, and Mark Jacoby, both former Masters of the Frat. Mark is the owner of the Style Shop in Wilmington.

Mr. and Mrs. Jolly Handloff attended the dance Friday night. Jolly closed the Newark "Five and Dime," of which he is manager, early just so he could visit with the undergrads.

The candy tycoons, Mr. and Mrs. Berre Tannen were very much in evidence. These grads are really doing a swell job in re-activating the alumni from the Frat.

From Phi Tau: Pat Diodato is working for an insurance company in Philadelphia. He's taking TV sets away from the poor.

Byron Babcock, the "Mountain Climber" is working for his MA in the Mid-West.

Gene Lent, ex-Lacrosse player, now employed by duPont, came back for the game Saturday. How's the team look, boy? Pretty good, huh?

Theta Chi's back for the big weekend were Jack Guenveur, '51; Bill Butler, '51, who is attending Vet School; Bill Hearn, '52, presently working for IBM in Wilmington; and Dick Goldberg, '52, who is working for his favorite uncle, Sammy, in the services of the U. S. Army.

What Udell Grads (and undergrads) will grace the Field House on the 16th for the May Dance? Why, we can answer that; the Lucky Ones, of course.

## Shorts From Other Colleges

PRINCETON:

Girls at Princeton?????

Princeton officials were shocked when they received a letter from a Midwestern girl. The letter, addressed to the Dean of Women, went something like this:

"I'm sincerely thinking about attending your university and would like some information in regard to tuition, board, books, and a part-time job, if possible. Some information on the size of the school and the campus, and the situation of the dorms and sorority houses, along with any other information would be desired."

Since Princeton had no Dean of Women, Assistant Dean of the College, Hamilton Cothier, did the honors. He told the girl that it would be useless to send the requested information, since Princeton does not accept women students.

BROWN UNIVERSITY:  
Free Films . . .

During final exam week students of Brown University go to the movies free. The student board of governors schedules cartoons and short motion pictures to relieve the pressure of studying for exams.

## Student Help Wanted

Students desiring work such as cataloging literature are requested to contact Professor K. Wohl of the Chemical Engineering Department in Room 174 of the new wing of Brown Laboratory. Typing experience is beneficial, although not absolutely necessary.

## Reviewing The REVIEW

By PAULINE PEPPER

TEN YEARS AGO:

... Dean's List Published ...  
The Dean's List for the first term of 1943 included 102 names. Of these 102 students making a 3.00 or better, only three topped the list with 4.00 averages.

... "Farewell Hop" Scheduled

April 24, 1943 . . .

What was the last dance of the second term, 1943, was held in the fieldhouse on April 24. The "Farewell Hop," as it was called, was well named that year not only for seniors, but also for those many students who were called into the service. The dance was strictly informal and with decorations in order to keep in step with the war-times. Alex Bartha and his orchestra played. The dance was open to both Men's and Women's Colleges. Admission, \$1.75.

FOUR YEARS AGO

... May Day Scheduled ...

The May Day Dance of 1949 was scheduled for May 14, with the continuous music of Tony Pastor and Chuck Gordon and their orchestras. It was to be a semi-formal, non-corsage affair, costing \$3.00 a couple.

... Events on the Social Calendar . . .

April 29—Music Department Recital, "Persian Garden"; a song cycle for four solo voices.  
April 30—Freshman Dance.  
May 1—Classical Music Group Meeting.  
May 2—Interfraternity Playbill.  
May 3—Movie in Mitchell Hall.  
May 4—Interfraternity Playbill (part 2).  
May 5—Review Banquet.  
May 6—E-52 Children's Theatre.  
May 7—Education Conference.  
May 8—University Band Concert.

TWO YEARS AGO

... IFC Cup Award ...

The Alpha Tau Omega Fraternity won the coveted Inter-Fraternity Playbill and Songfest Trophy in the IFC Playbill on April 19, 1951. The winning play was entitled "Touch of Victory" and was written and directed by Elbert Chance. The musical portion of the presentation included "Themes From Musical Comedies" and was directed by Bob Hopkins.

... Four From Rifle Team Qualified As Experts ...

Four members of the University of Delaware's rifle team qualified as National Rifle Association expert riflemen, as the team completed its schedule of firing for the year. Three others qualified as sharpshooters. The team fired postal matches with the University of Oregon, Norwich University, University of Pittsburgh, and Utah State University, as well as shoulder to shoulder matches with PMC and additional shooting in the National Intercollegiate Rifle Match.

By DAVE ALLEN & M. E. BULL

Roundup on the weekend . . .

OX: Italian American Club, Ken- nett Square, The Formal: Sweet- heart Kay Oliver and her proud honey Frank Hellig. Congrats Kay, Lois Cassedy and Frank Gytvan, Paul Mueller and Marion McClellan, Charlie Sullivan and Gay Cloward, Alumni Bill Craver and wife Mary Ann, Stew Jackson and Judy Kase, Saturday night party at Jim Lewis', the OX's benevolent advisor. Sun- day wound up the weekend with a picnic at North East.

AEPI Pre-formal beverage party at Lenny Rosenbaum's. Formal at the Brandywine Country Club. Post-formal sardine party at Sandy Ackerman's. (What a crush!) Con- gratulations to Lois Welsman chosen Queen and pinned to Hank Bertuch all on one night. Others attending: Dave Schullman and Lee Lang, Teddy Zutz and Lois Mala- mute, Saturday a banquet at the House and a house party. Party at Schullman's house was called on account of rain, but Mark Rappa- port and Ruth Kaplan didn't swim to mind. Sunday picnic and swim- ming at Koalin.

DTD: Formal at Schaeffer's Chesapeake Room. Toni Halbert was the Queen. Sarah Stowers, last year's queen, presented it to her. Also present and having a good time: Don Junghans and Lor- raine Consella, Dave Allen and Pat Phillips. Saturday the house party. The girls not only managed the en- tertainment but presented the Deltas a beautiful portrait of their house. Tom O'Donnell and Dugan were welcomed with open arms. Sunday a picnic at Andy Anderson's farm. George Nagy had a good time with everybody. Pinned: Ted Sandstrom and Jean Durkin.

ATO: Friday Formal at North East Yacht Club. Miss Jackie Vin- yard Dreamgirl. Emmy Lou and Jack Cranston, Bill Harkins and Gerry Dye, Reds Pollett and Joan Russell, Bill Phillips and Julie Rich- ardsen, visiting Sig Ep, Ed Phillips and Ellen Ungerlieder. Saturday house-party. Cena O'Brien was chosen the Sweetheart. The en- tertainment was a parody of The Break which was the play that ATO presented at the IF Play Bill. Sun- day the Picnic was held at Camp Montebone. Reds Pollett landed in the Creek and the other en- tertainment was a softball game be- tween the boys and girls and the pledges and the seniors. The pledges were whipped for fair!

In Passing . . . When you're away I'm restless, lonely, Tired, bored, dejected; only Here's the rub my darling, Dear, I feel the same when you are here. New writers next week. Aren't you all glad?

Selective Service

(Continued from Page 1)

sion to graduate school satisfy the criteria if they are among the up- per half of the male members of their senior class or if they make a score of 75 or better.

These criteria are merely guides for the local boards. These boards are under no compulsion to follow them; however, any local board classification is subject to appeal. The appeal must be filed in writing with the local board within ten days of the date the local board mails the notice of I-A classifica- tion.

Choral Groups

(Continued from Page 1)

en Cannon, Harpist, and Henry N. Lee, Organist.

The Men's Chorus will present excerpts from "The Testament of Freedom" by Randall Thompson and other selected numbers. Ac- companying for the group will be Norman Ross, a Senior at the Uni- versity.

The A Cappella Choir accom- panied by Margaret Paff, a Senior piano major, will conclude the pro- gram with selected numbers.

Nat'l Poll Shows Student Opinions

By DALE PENROD

During the first week of March, the Review conducted a poll spon- sored by the ACP National Poll of Student Opinion to determine the students' feelings on the com- parative worth of a general liberal education as opposed to profes- sional training in one specific field. The results of the poll here at Delaware indicate that profes- sional training is to be preferred over a general liberal education. The answers to the question were divided as follows:

Liberal Arts .....30%  
Professional Training .....40%  
No Opinion .....5%  
Other .....25%

The students listing "other," for the most part, feel that the ideal situation is a combination of the two. A Delaware senior states, "Both are important; they are de- pendent upon each other."

The question "Which depart- ment do you think is more neces- sary to a college; a literature de- partment or a home economics de- partment?" showed a wide differ- ence of opinion; however, most students seemed to feel that a liter- ature department is more impor- tant than a home economics de- partment.

The answers fell into the follow- ing categories:

Literature .....45%  
Home Economics .....24%  
About Even .....25%  
No Opinion .....5%  
Other .....1%

A Junior in an arts and science course has this to say: "Home Eco- nomics is useful, but in literature is found the heritage of civiliza- tion." To the same question, a coed in the School of Education says that, "The home is the place to learn your home economics."

The consensus of the student body on the question, "Which is more necessary, a physics depart- ment or a music department?" seems to be that these two depart- ments are of equal importance. The results were:

Physics .....35%  
Music .....11%  
About Even .....48%  
No Opinion .....1%  
Others .....5%

An English major says, "They both have valuable and important places to fill in a college educa- tion."

Home Ecs. Sponsor Annual Spring Tea

The school of Home Economics will hold its annual Mother- Daughter Tea Friday, May 1, from 2:30 p. m. to 4:30 p. m., in Warner Hall Hilarium. Spring flowers and piano music will supply relaxing atmosphere for the tea, which will provide an opportunity for parents and instructors of home economics students to get acquainted inform- ally.

The tea is sponsored by the senior class of the school of Home Economics. The freshman meal preparation classes are preparing the refreshments.

Members of the faculty and the senior class of the school of Home Economics will be in the receiving line to greet the students and their mothers. Special guests invited to the tea include Mrs. John A. Perkins, Miss Amy Rextrew, former Dean of Women; Dean Bessie B. Collins; members of the Agri- cultural Extension Staff; and mem- bers of the Committee on Educa- tion of Women.

Mrs. Doris Meyers is the faculty advisor, and Nona Bradford is general chairman for the tea. Seniors serving as committee chairmen are: Maria Zozzora—Invitations; Caro- line Cook—Hospitality; Louise Keene—Refreshments; Mary Jane Guenveur—Clean Up; Barbara Nespor—Decorations; Joan Homil- ler—Publicity, and Jane Hollings- worth—Service.

Presidents For 1953-54 Are Elected By Nine Fraternities On Campus

CAROL KOLB

At recent meetings of the frater- nities, officers were elected for the 1953-54 term. The presidents of the nine fraternities have been an- nounced. They are as follows:

Carl Goldenberg will head Alpha Epsilon Pi. Besides holding other offices within his fraternity, Carl has been manager of varsity track and cross country teams, has work- ed on the circulation staff of the Review, and was advertising man- ager for the Blue Hen. He is a pre- law student majoring in history, and is also a member of Hillel. An agriculture major, Bill Phillips, will become the next president of Alpha Tau Omega. Bill has also held other fraternity offices, and he played freshman basketball and intramural sports. At present, he is on the lacrosse team. Preston Day will lead Delta Tau Delta. An accounting major, Preston played freshman basketball and has par- ticipated in intramural sports. He is business manager of the E-52 Players and has held other offices in his fraternity.

An active participant in campus affairs, Jim Hoey has been elected president of Kappa Alpha. He is an active member of ODK and the SGA. This year he has been a member of both the wrestling team and the varsity tennis team. Another agriculture major, George Palmer is the president of Pi Kappa Alpha. He has held other offices in the fraternity, has played intermural sports, and is a mem- ber of the Agriculture Club.

The Phi Kappa Tau president will be Bill Shaw. Bill has par- ticipated in several athletic teams; namely, the freshmen, baseball team, the golf team, and the inter- mural teams. He is an elementary education major, has held offices in the fraternity, and has been on the Student Union Committee. Dan Enterline, also recently elect- ed SGA Chairman of Men's Affairs, is new president of Sigma Nu. He is majoring in political science, and is a member of the Blackstone Pre- Law Club. He attended Johns Hopkins University in Baltimore his freshman year, and while there he played freshman football. On this campus, he participates in in- tramural athletics and is on the lacrosse team. He previously held the office of recorder, was a mem- ber of the Inter-fraternity Coun- cil, and the International Relations Club.

The Sigma Phi Epsilon frater- nity has elected Dick Hughes for coming president. Dick has play- ed intramural sports, has held other offices in his fraternity, and is a member of the Inter-fraternity Council, and Scabbard and Blade. He has been chairman of several dance committees, besides being president of the freshmen class and a member of the SGA. Charlie Sullivan will head Theta Chi. Charlie plays varsity football and intramural sports. He is a politi- cal science major and a Newman Club member.

4-H Club Elects Officers

The University of Delaware 4-H club held its April meeting at the home of Mr. and Mrs. Sam Gwin- in Newark.

The new officers, who will be in- stalled at the May meeting, were elected. They are Robert Kre- watch, president; Anne Simpson, secretary; and Robert King, treas- urer.

Mr. Gwin, the club advisor, was presented with an engraved desk set in appreciation for the help that he has given to the club.

NOTICE TO FRESHMEN

Any member of the freshman class interested in managing the freshman baseball squad is in- structed to report to Coach Staber. The one selected for the position will travel with the team to all away games. This will entitle him to both fresh- man numerals and a chance for a managerial position on the varsity squad next year.

## The Armchair Umpire

By CHARLIE WILLIS

Now that the spring's sport schedule has reached the halfway mark, Delaware teams will be striving to improve their individual records and a fair overall first half 10-16 ledger. At this point, the track team and the golf squad have by far been the most successful this spring. With, perhaps, the most powerful track team ever to represent the university, the Blue Hen thinclads have scored two convincing dual meet victories plus fine performances at the Penn and Baltimore relays last Saturday. Coach Fred Emmerson's golf squad have shot their way to two victories out of three starts. Only a close 6-3 loss to Lehigh on their course mars the record. This afternoon the Blue and Gold linksmen journey to Johns Hopkins to meet the Jays.

### Last Home Lacrosse Game

Tomorrow afternoon Coach Milt Robert's lacrosse squad makes its last home appearance against the rugged Drexel Dragons. Although the stickmen's record currently stands at 3-4, Captain Jack Kinter and his teammates hope to perk up their attack in order to bring the record back over the .500 mark. However, the task won't be easy as the next foes are Penn, Washington College, and Lafayette.

Coach Sieman's baseball nine seems to have snapped out of their batting and pitching slump, especially against Washington College last Saturday. John Allen, Tom Redfield, and Frank Serpico provided the big punch with long home runs in the free scoring affair. After a dismal start the team batting and earned run averages have improved so that they now stand at .234 and 6.1 respectively.

The tennis squad this year had run into stiff opposition thus far, dropping three consecutive matches. However, Georgetown and Swarthmore probably are the toughest opponents on this year's schedule. The big singles match last Saturday between Tim Coss of Swarthmore and Frank White was a bit disappointing from the Delaware point of view. Although Frank played well in losing 6-3 and 6-4, the 48-game battle that he waged in defeating the Georgetown number one player the previous day probably left him with less stamina for the Coss match. The team expects to run into rough competition again tomorrow against St. Joseph's.

### Butcher Establishes New Record

Highlights—Steve Butcher, who established a new university shot put record at Baltimore with a throw of 44' 7/8", seems to have shaken himself out of the 43' rut that he was in. Previously he could put the ball on the 43' mark any time he tried but no more. Big Bob Graham, freshman shot putter, set a new frosh record last Saturday for the 16 lb. ball with a heave of 41' 10 3/4". The new mile relay record of 3:27.6, set last week at the Penn Relays clips two seconds from the old mark of 3:29.2, set in 1935. The track coaches feel that the relay team can do even better. Tom Baylis anchored the last lap of the relay finals in a very swift 49.8 seconds which is an unofficial university 440 yd. mark.

## Hens Down Washington College and Haverford

Bob Sieman's Hen nine found themselves last week as they downed Haverford 4-2 and Washington College 10-8. Forthcoming opponents Franklin & Marshall today and Johns Hopkins tomorrow will find the Hens a lot tougher now that they have overcome their early season mistakes. The F & M encounter is away while the Hopkins game will be played on Frazer Field starting at 3 p. m.

Ed "Moose" Morrow was the whole show in the 4-2 win over Haverford. The hulking southpaw allowed but four hits while striking out twelve as he turned in the top mound performance of the year. Morrow also led the Hens at the plate getting two of the five hits.

### Score Tied In Seventh

Actually the game wasn't so easy because Delaware, after getting two runs without a hit in the first inning, had themselves tied in the seventh when Haverford touched Morrow for both their runs. Delaware regained the lead in the eighth when their leading batter John Allen singled, stole second, went to third on an overthrow, and scored on an infield out. The final tally came in the ninth when after Frank Serpico got a life on an error, and Ray Hoopes and Bill Annonio got singles back to back to drive him in.

Three big home runs, one each by John Allen, Tom Redfield, and Frank Serpico, led a twelve hit attack on Washington College.

### Serpico Hits Home Run

The Shoremen got to Dave Woodward for two tallies in the first, but the Hens came back with four in their half, sparked by Serpico's lead-off home run, and led the rest of the way.

Coasting on a 9-3 lead in the eighth, Woodward blew up after an infield error and gave Washington a start. Tim Wright came on to put out the fire although he

also was tagged for a pair of base hits.

Woodward's win was his first against two losses.

## Stickmen Meet Drexel Dragons Tomorrow, In Last Home Game

"Little" Bob Graham, outstanding Frosh shot putter, established a new Freshman record of 41' 10 3/4" at the Baltimore Relays last Saturday.

The Delaware Lacrosse team makes their final home appearance of the 1953 season here Saturday afternoon against the Drexel "Dragons" from Philadelphia. The Hens will attempt to strike up another victory to their mediocre record of three wins in eight starts.

On the home turf, Delaware boasts of an even percentage of wins and losses. They fashioned victories over Ohio State and Western Maryland while dropping 17-4 and 7-3 decisions to Rutgers and Lehigh, respectively.

In the course of the past week, the Blue Hens suffered defeat at the hands of Swarthmore and Lehigh. Avery Blake and company of Swarthmore proved to have too much finesse for Delaware. Repeated mistakes by the visitors resulted

in Swarthmore goals and eventually, the game. In the Lehigh game the Delaware team dropped behind 5-1 at half time; this was found to be too great a lead to overcome in successive periods. This contest marked the return to expected form of Captain John Kinter. "Blackjack" scored two fine goals, and coupled this with fine overall playing. Attackman Jim Schaubel placed the final Delaware tally.

## Freshman Baseball Starts Circuit

With only a little more than two weeks practice, the baseball players from the class of '56 have already done a good job of proving themselves able to handle any competition.

Coach Stauber said that the starting line-up for the opening game with Wesley this Friday is going to be hard to pick because he has choices like this to make: first base—Wagner, Dean; second base—Kennedy, Robins, Strimble; ss—Lotter, Romagnoli; third base—Eshman, Hooper, Elsner; catcher—Panarella, Burton; outfield—Pecora, Evans, Crompton, Cox, Zaizer, Allen, Mergo, Shields. For the duties on the mound, Stauber has five possible starters: Dallas Green, Jack Ellis, Jack Eagle, John Kimmel, and Dick Ross. All these mound men have proven themselves capable of pitching a few ball games. Dick Ross, a former P. S. duPont High star, is out temporarily with a knee injury but is expected to return to the line-up soon.

On Friday afternoon these freshmen will take the field for the first time this season, so come up to Frazer Field and show them that you appreciate their representing the University.

Don't forget the varsity game Saturday afternoon.

## Spring Meeting

(Continued from Page 1)

tration, they will tour the campus and then go to the duPont Country Club for a luncheon. After lunch, a tour of Longwood Gardens will be taken until 3:00 p. m., at which time they will rejoin their husbands for the President's reception and dinner at Kent Hall.

## Tennis Team Faces Western Maryland, F and M Next Week

The Blue Hen tennis team ran into some rough competition last weekend as they bowed to Georgetown on Friday, 7-1, and to Swarthmore on Saturday, 8-1. Co-captain Frank White took the only Delaware point in the Georgetown fracas as he outlasted Herb von Urf in a marathon match, 6-4, 5-7, 14-12, on the women's courts. The next day he teamed with Jim Hoey in the other face saver for a losing cause as the Swarthmore combination of Wentworth and Hickerson succumbed in straight sets, 6-4, 6-4.

Wednesday of this week the Hens traveled to West Chester, where they encountered the powerful squad of the Teachers, from which they have returned to take on the Hawks of St. Joseph's tomorrow on the Frazer Field courts at 2:00 p. m.

Next week will find the Delaware netmen engaging Western Maryland here on Wednesday, and invading F. & M. on Saturday.

### Box Score—Swarthmore 8, Delaware 1.

**Singles**  
Coss (S) defeated White (D), 5-3, 6-4;  
Wentworth (S) defeated Cooperman (D), 6-1, 6-2;  
Shane (S) defeated Hoey (D), 6-2, 6-2;  
Haskell (S) defeated Schuermann (D), 4-6, 6-0, 6-3;  
Berger (S) defeated Runkle (D), 6-0, 6-3;  
Hickerson (S) defeated Schupp (D), 6-1, 6-0.

**Doubles**  
White and Hoey (D) defeated Wentworth and Hickerson (S), 6-4, 6-4;  
Coss and Haskell (S) defeated Cooperman and Runkle (D), 6-0, 6-0;  
Shane and Berger (S) defeated Schuermann and Schupp (D), 6-0, 6-0.

## Track Victory

(Continued from Page 1)

Delaware coaches caught him at a speed of 49.5. His official time of 50.5 by the judges remains a record university mark.

In the Baltimore Relays team competition, the Hens finished in third place behind the Baltimore Olympic Club and Catholic University.

Ted Taylor and Steve Butcher copped first place medals in the mile and shot put respectively. Taylor negotiated the mile in 4:53. Butcher made a new Delaware record in the shotput with a heave of 44 feet 7/8 inch. Bob Graham established a new freshman record in the shotput with a 41' 10 3/4" toss. He finished second in that event and third in the discus.

Others helping the Blue Hen cause were: Roger Fouracre and John Strassburger, who finished third and fifth in the mile behind Taylor; Ron Watson, fourth in the broad jump, and Jim Harper third in the pole vault.

The freshman team placed sixth in the overall competition paced by Bob Graham.

Tomorrow the thinclads journey to Lancaster, Pa., to meet Franklin and Marshall College in the fourth dual meet of the season. Wednesday the Hens met Swarthmore on the latter's track.

## Hen Clubmen Lose To Lehigh Engineers

At the Saucon Valley Country Club course last week, the Engineers from Lehigh eked out a close 6-3 decision over the Blue Hen linksmen. Bill Vallar and Bob Waples, who were in the second foursome, combined in winning their respective matches and taking the best ball. Ron Watson turned in low score for the Hens with a 76, but he was defeated by his rival, Russell Handwerk, by one stroke.

Last Tuesday, Delaware met Bucknell University at the Newark Country Club, and today the Blue Hens will travel to Baltimore to play a match with the golfing doctors of Johns Hopkins.

Summaries of the Lehigh match: Russell Handwerk, Lehigh, defeated Ron Watson, 1 up; Joe Kryla, Lehigh, defeated Carl Wolf, 2 and 1; Lehigh won best ball 1-up; Bill Vallar, Delaware, defeated Tom Crompton, 3 and 2; Bob Waples, Delaware, defeated Larry Lund, 1 up, 20 holes; Delaware won best ball 3 and 1; Bob Buhner, Lehigh, defeated Dana Burch, 3 and 2; Dick Speery, Lehigh, defeated Tom Martin, 4 and 3; Lehigh won best ball, 4 and 3.

## Chick 'n' Chat

By FAYE GREEN

Spring is definitely here, and with the April showers and May flowers also comes a varied and well-rounded sports calendar on the south end of campus. The main event at the present time is the swimming marathon. The time for piling up class points has been extended until May 4, so each class may have plenty of time to roll up the points. Beginning at 7:30 sharp on the night of May 4th, the swimming meet will be held. The events will be scheduled for beginners, intermediates, and advanced swimmers alike, and each division will have relays and novelty races. Anyone undecided or dubious about the marathon and meet can receive helpful information from Phyllis Dobb, the manager of this event.

For those who are a little shy of the water and prefer to keep their feet dry, the softball tournament offers everyone an opportunity to put the wood to the old apple. The competition will be between dorms, so check with your dorm sports manager for the details and dates.

The bulletin board in the gymnasium is undergoing decoration via pictures of various girls on campus associated with the WAA. The reason? Election for WAA ex-

ecutive officers, of course. Those nominated up to date are: president: Mary Lou Matthes; vice president: Faye Green, Mary Ann Lindale; secretary: Liz Stafford, Lois McKay; treasurer: Gladys Strobel, Alice Simon, Jane Frederick. Additional nominations may be proposed by petition bearing twenty-five signatures and must be handed in to Mary Brown before 7 p. m., May 1. President and vice-president must be seniors in the year to come, and secretary and treasurer must be juniors and sophomores respectively. Voting will take place in the gymnasium May 4, 5, and 6, so don't forget to put your X in the little block.

## Blue Hen Of The Week

One of the most telling hits delivered against Washington College on Frazer Field's baseball diamond Saturday came from the potent bat of Johnny Allen who connected for his second home run of the season and knocked in three runs to spark the Hens to their 10-8 win over the Chestertown, Md., nine. The feat of socking a four bagger isn't the only reason why the Review is picking the Mt. Holly, New Jersey senior for **Blue Hen of the Week** honors. His general all-around play thus far in this campaign, most recently against Washington College, is the basis for the fleet athlete's selection over other standout Delaware performers during the past week. The two hits which he garnered off the Washington College pitching corps brought his hits up to a team-leading total of 13 safeties; he also tops the squad percentage-wise with a gaudy .342 mark at this writing, and in addition he has copped the most stolen bases with eight thefts.

All in all, this has been a big comeback year for Johnny, both in football and baseball. Turn the clock back to his junior year, and he was flinched so much by a knee injury that he was forced onto the sidelines both last fall and spring, eventually requiring surgery for his bum knee. So hats off to a real competitor who's a mighty cool customer at that homeplate. Just ask Washington College!

## Theta Chi Noses Out Sigma Nu In Intramural Meet

Theta Chi won the last event Tuesday afternoon, at Frazer Field to win the Annual Intramural Track Meet. Sigma Nu was a close second, Phi Kappa Tau third, Sig Ep fourth, ATO fifth and the Independents sixth.

In winning, Theta Chi racked up four wins, two seconds and one third for a total of 33 points. The 440 relay was the deciding factor, as the Thetas picked up 10 points for the win, whereas the winners of the other six events got only five points for their efforts.

Sigma Nu had 2 firsts, 4 seconds, 2 thirds and three fourths in accumulating 28½ points for a close second.

The Fraternity 880 yd cup relay which did not count in the scoring, was won by Theta Chi in the time of 1:42.2. Sig Ep placed second, Sigma Nu third and Phi Kappa Tau fourth. Riffin of Sig Ep and Allen of Theta Chi ran stride for stride the entire anchor leg with Allen breaking the tape a scant step ahead of Riffin for the win.

**Results of Intramural Track Meet**  
440 yd. relay—Theta Chi, Sigma Nu, Phi Kappa Tau, Alpha Tau Omega—50.0 sec.  
1 mile run—Brown (Sigma Nu); Kline (Ind.); White (Sigma Nu); Horne (Phi Tau); 5:13.4.  
Shot Put—Goodley (Sigma Nu); Hellig (Theta Chi); Camp (ATO); Fitzsimmons (Sigma Nu)—34'9".  
Broad Jump—Schmidt (Theta Chi); Temple (Sigma Nu); Riffin (SPE); tie, Stuke (ATO) & Moneymaker (Sigma Nu)—18'2½".  
880 yd. dash—Jones (Theta Chi); Kinter (SN); Reeder (SN); Clayton (SPE)—2:20.  
110 yd. L. H.—Bradford (PKT); Wagner (Theta Chi); Fernandez (PKT); Moneymaker (SN)—14.2.  
100 yd. dash—Allen (Theta Chi); Riffin (SPE); Jones (Theta Chi); Annonio (SPE)—10.8.

## Van Doren To Speak

At the invitation of the English Department, Professor Mark Van Doren, famous American critic and poet, will speak at a program to be presented in the Chemistry Building auditorium at 10:00 a. m., Thursday, May 7.

A member of the faculty of Columbia University, Professor Van Doren has edited many collections of poetry and prose and has written extensively about literature and literary figures, his interpretations of Shakespeare being the best known of his critical studies. Professor Van Doren is further renowned as one of the leading American poets.

The English Department urges all students to attend the program, as Professor Van Doren's talk will be largely extemporaneous and should prove interesting to students regardless of their major field of study.

Smooth stroking Ronnie Watson, Captain and number one player on the golf squad, will lead the linksmen against the Jays of Johns Hopkins this afternoon.

PRODUCT OF The American Tobacco Company AMERICA'S LEADING MANUFACTURER OF CIGARETTES

WILL THIS SUIT FIT **YOU?**

**If you can make  
the grade, you  
can fly the  
latest, hottest,  
fanciest jobs  
in the air—  
and do it within  
one year.**

**I**T TAKES a good, tough, serious guy to wear the gear of an Aviation Cadet. But if you can measure up, here's your chance to get the finest in aviation training—training that equips you to fly the most modern airplanes in the world and prepares you for responsible executive positions, both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year. And this is only the

beginning—your opportunities for advancement are unlimited.

**ARE YOU ELIGIBLE?** To qualify as an Aviation Cadet, you must have completed *at least* two years of college. This is a minimum requirement—it's best if you stay in school and graduate! In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

**YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER**

If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

## New Aviation Cadet Training Classes Begin Every Few Weeks!

### HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.

**Where to get more details:**

**Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.**

3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

## "The Roving Reporter"

By WILLIAM H. duRELL.

Walking through the Seapange Lounge the other day, we ran into Ted Hughes, an agriculture education major, who was talking over a Coke, to a charming freshman from the department of elementary education by name of Norma McClellan. After introductions by Ted, we asked him what he thought of compulsory meal tickets.

"For the birds," said Ted. Ted feels that compulsory weekend tickets are a waste of the students' money, since many prefer to go home on week-ends. He feels that the school should not force the student body to buy meal tickets at all without improving the quality of the food they serve. Ted's plan for improving the campus food set-up is for the school to install a co-ed cafeteria so that students can eat what they want when they want it.

Is Norma in favor of compulsory meal tickets? "We are getting a raw deal" was her reply to the question. Although the students are forced to buy meal tickets, the dining halls would be caught without enough food if perchance everyone turned out for breakfast. Therefore the university is charging for meals it has no intention of serving. Besides all that, Norma says the meals are going down hill in taste and quality.

On the other side of the Scrounge we saw Mickey Blaine, so we went over to her and asked her what she thought of these affairs. Mickey, a sophomore education major, has her doubts about compulsory meal tickets and feels decidedly that 7-3 tickets should not be forced upon students at any time.

Down in the Taylor Gym locker room we found *Reese Savage*, a freshman engineer, running around in his P. E. suit. Reese has ideas on the subject and was willing to present them. He feels that a college student, on his own at school, and man enough to study in his chosen field, should be considered man enough to be allowed to eat where he pleases and when he pleases, and to partake of such nourishment as he feels is fit for himself—and not to have to eat “a bunch of hash at certain hours.”

Jane Winters, a junior medical technology major, also spoke in the negative when asked about compulsory meal tickets. Jane said the food is not prepared in the right way and is not served in the right combinations. Jane said, "I can eat cheaper uptown and can get what I want." Jane would not, however, be opposed to making meal tickets compulsory if the food were improved. As she says, "You can't make students eat some of the food which is now served in the dining halls."

Up at the fraternity house we stopped to ask *Hal Prettyman*, a senior in chemistry, just what his views on the subject were. Hal feels that students shouldn't be forced to eat anywhere against their will. He says that sometimes the food is good and sometimes, especially at noon, it isn't. Because many students go home on weekends, they should not be forced to buy meals at the university which they will not be able to eat. He feels that freshmen should be made to buy 5-3 tickets, if for no other reason than to provide for them a means of meeting their fellow-students. Hal feels that the quality of the food is not as it should be.

The above are opinions of several of the students on this campus about a very controversial issue. The students who answered our question represent a cross-section of the student-body. Within the next few weeks we will have another question to be presented to various students about some topic of life at Delaware. See you in the Scrounge.

Greek Column

Sigma Phi Epsilon

Congratulations to the newly initiated brothers: Chauncey Dean, Ted Hobbs, Glenn Skinner, Bill Karau, Don Williamson, Ed Gearhart, and Jim Kinch. Howie Simpson was initiated by the Pennsylvania Epsilon Chapter at Lehigh University during a district convention of Sig Ep. Woody Joy and Bill Ritchie accompanied Howie to Lehigh for the weekend.

Hot spot of the week is "Big Bill's" in Philadelphia. Reports from Pete Kelleher and Don Daniello, whose faces are still red, have it that "Frantic Fran" Carroll is much more frantic and daring than the Sommer's Point crowd can imagine.

All the brothers are now preparing for Sig Ep Weekend this weekend. Friday night is the formal at Newark Country Club, and Saturday night is The Turnabout Party put on by the girls, at the house. Several meteorologists have been consulted for weather conditions, and two medicine men from way out West have been imported to pray for a drought.

Sigma Nu

On April 25, a divisional meeting of Sigma Nu was held at the University of Maryland; Delta Kappa was well represented. The brothers attending the meeting included Dan Enterline, Ken Edwards, Carl Wolf, and a few others; Charlie Koenig was given the honor of presenting the invocation. The southern hospitality offered them was enjoyed by all.

Congratulations to the following: "Skip" Mayhew for being named to Tau Beta Pi, Honorary Engineering Fraternity; Jim Schaubel, captain of Scabbard and Blade; Art Vandepoole, treasurer of Scabbard and Blade; Hugh Martin, scribe of Alfa Zeta, Honorary Agriculture Fraternity; and Bob Collingswood, civil

engineering representative on the Engineering Council.

Sigma Nu wishes to express its thanks to the campus fraternities which have sent invitations inviting its members to attend their weekends.

Pi Kappa Alpha

To Brother Remo Mazetti, the writer of this column bows in humble apology. We had been expecting Remo to pin Angie Oratorio for some time, and when he finally did give her his pin, it came as so small a surprise, that it just slipped our mind. Anyhow, Remo and Angie are now pinned. The heartiest congratulations to you both. By the way, Herb Heyl was not chairman of the decorations committee for the weekend. It was Remo again. Angie deserves a good deal of the credit for giving him the idea for the theme we had at the dance.

If it hasn't been done before, we would like to welcome Paul Dolan back to the Pike pledge class after a leave of absence. It shouldn't be too long before we are welcoming him into the brotherhood.

Not much has been going on at the Pike house since the weekend, although Diz Downham did go to the shore on Sunday, and a few brothers and pledges went to the movies.

Mad-man Thompson has been getting his starting nine into shape, and before long we should be finding out just what kind of shape he has gotten them into.

Theta Chi

Much good time was had by everyone last weekend. Festivities got off to a fast start with our formal at the Italian American Club where the brothers chose Kay Oliver as "Sweetheart of Theta Chi." Kay was presented by Andy Schmidt and Ed Cunningham who were elected Outstanding Senior and Outstanding Fraternity Man,

respectively. Congratulations to all parties involved.

Saturday night brother Jim Lewis opened his house to the brothers, and in the midst of the party Charlie Sullivan was heard singing "Again." Later Dev joined him in singing "Gentlemen Prefer Blondes."

Sunday afternoon the chapter adjourned to brother "Cueball" Martin's highway beach at Charlestown for its annual picnic. Heard over the roar of the surf: Injun Dan (Continued on Page 8)

Test CAMELS  
for 30 days  
for MILDNESS  
and FLAVOR

THERE MUST BE A REASON WHY  
Camel is America's most popular  
cigarette—leading all other brands  
by billions! Camels have the two  
things smokers want most—rich, full  
flavor and cool, cool mildness...  
pack after pack! Try Camels for 30  
days and see how mild, how flavorful,  
how thoroughly enjoyable they are  
as your steady smoke!

(Continued from Page 7)

Ford singing love songs to Pocahontas Greeley.

Recent pinnings: Don "Peter Pan" Montgomery to Miss Mary Lou Miles, Jim Meyers to Miss Mary Jane Horty. Congratulations, gang.

### Delta Tau Delta

It seems as if the Deltas are walking around campus dreamy-eyed, still thinking of their terrific Delt Weekend! The only complaint is that it was all too short.

Friday night, Miss Toni Hulbert of Wilmington, got the spotlight as our new Delt Queen. Charlie Hann was right there to give his best girl support.

Among the many twosomes for the weekend were Bob Strothman and Betty Ireland, Lee and Virginia Rice, Bill McCauley and Ginny Carmer, Jim "Car Keys" Sabo and Bobbie Baker, and Jack Pollock and Izzy Smith. The most smiling couple was Ted Sandstrom and Jean Durgin who took the big step and became pinned Saturday night. Best of Luck! And not to be forgotten are all our chaperones for that best of all weekends.

Sportwise, the Drivin' Deltas took one on the chin Monday from K.A. in a 9-6 ball game, but are determined to bounce back.

### AEPI

This weekend saw the best in a series of AEPI Formal Weekends. Everything, including the weather cooperated to make it a great success. The dance at the Brandywine Country Club saw the presentation of pins to Tom Katman, Bill Kates, Dick Paul, Dave Paul, Ronald Seres, Gordon Pizor, John Strassburger, and Marvin Strom, which marked this official induction at the festivities. The brothers all wish them the best of luck for the coming year.

We also want to offer our congratulations to Hank Bertuch who gave his pin to lovely Rhoda Weissman. Then, to make their evening complete, Rhoda was elected Sweetheart of AEPI for 1953. Best of luck to both of them.

Another outstanding event of the evening was the presentation of the Outstanding Senior Athlete Trophy to Larry Cosperman, co-captain of the varsity tennis team.

A vote of thanks goes to our steward, David Schulman, for a splendid dinner Saturday night. From turkey to trimmings it was great.

### Phi Kappa Tau

The officers of Alpha Gamma traveled to William and Mary College this past weekend for a domain conference. Those attending were Bill Shaw, Jack Beatty, Bob Spencer, John Fernandez, and John McLaughlin. They visited many historical shrines and were especially charmed by the Sunken Gardens in the moonlight.

Phi Tau was well represented on the Delaware track team as they made a commendable showing in the Baltimore Relays.

Coach John Fernandez reports the softball team in good shape, and we should have a successful campaign.

### Alpha Tau Omega

The weekend to end all weekends! Last weekend topped any previous one, and it will be awfully hard to find a better one in the future. The setting at the Northeast Yacht Club was perfect for our Spring Formal. The crowning moment of the evening was the presentation of Miss Jackie Vinyard, Dreamgirl of A.T.O.

Saturday night's houseparty, with the beautiful weather that held all weekend, saw many alumni returning to 5 West Main. The highlight of the evening was the crowning of Miss Celia O'Brian as the Sweetheart of A.T.O.

The wind-up of the weekend came at the picnic at Camp Matahoun on Sunday. The day couldn't have been better. The biggest at-

traction there was the 7-1 drubbing the actives gave the pledges in softball. The only regret we have is that the next A.T.O. Weekend is a year away.

### KA

We would like to welcome new members Frank Hayes, Stu Nelson, Bob Oggenfuss, and Chuck Willis into the order. Good luck, men.

A party of KA's, consisting of Paul "Skinny" Hodgson, Judge "Bear" McWhorter, Pete "Bunker" Runkle, and two prominent alumni,

Jim Krusinski and Jim Cann, were seen at Hilltop on Saturday evening. It seems that the music did not please this party. Eventually the KA group was invited, of course, to prove their musical talents, which pleased the small crowd. "Bunker" played bass, "Kruiser" played the polkas on the piano, while "Bear" and "Skinny" were beating time. No, they did not receive a return invitation; as a matter of fact, the management thought of closing down several times.

# YEARS AHEAD OF THEM ALL!

## Don't you want to try a cigarette with a record like this?

**1. THE QUALITY CONTRAST** between Chesterfield and other leading cigarettes is a revealing story. Recent chemical analyses give an index of good quality for the country's six leading cigarette brands.

*The index of good quality table - a ratio of high sugar to low nicotine - shows Chesterfield quality highest*

... 15% higher than its nearest competitor and Chesterfield quality 31% higher than the average of the five other leading brands.

**2. First to Give You Premium Quality in Regular and King-size** ... much milder with an extraordinarily good taste - and for your pocketbook, Chesterfield is today's best cigarette buy.

**3. A Report Never Before Made About a Cigarette.**

For a full year a medical specialist has been giving a group of Chesterfield smokers regular examinations every two months. He reports ... *no adverse effects to nose, throat and sinuses from smoking Chesterfield.*

# BEST FOR YOU
