

Local Teaching Group Opposes Proposal For Merit Pay Plan

Difficulty In Determining Eligibility For Merit Pay, Unsuccessful Trial In Other Schools, Lower Teacher Morale Cited As Major Arguments Against Salary Plan

Discussing merit pay as one of the basic principles involved in the school board referendum of Feb. 15, a group of some 12 teachers presents the viewpoint of those opposed to this method of salary increase. These teachers emphasize that their comments are "merely an attempt to summarize some of the major arguments against merit pay," and that they are speaking for no group other than themselves.

"The major argument against a merit pay system is the difficulty of obtaining a satisfactory means of determining eligibility. Educators agree almost uniformly that there are too many variables in measuring teaching performance," the group of local teachers states.

"Unlike industry, there is no tangible product. Each subject area and each level of student ability has its own criteria. The fact that an evaluating committee may be composed of some individuals who have had no actual working experience with the area in which a given teacher is to be evaluated adds to the problem.

"Without these variables, a mechanical system of computing teacher competency could be used.

"Basically, this explains the difficulty of securing a satisfactory measuring tool. And the fact that the Newark plan has set up no incentive to date is a reason for some teachers' objection," the group states.

"A second argument advanced against merit pay is that there is little precedent of valid success for the system, and evidence of the system's failure in the teaching profession. A low percentage of schools have attempted the system and a high percentage of these have abandoned the plan after trying it," the teachers claim.

Feb. 15 Referendum For Tax Increase Canceled By Board

The Newark Board of Education voted Tuesday night to cancel the referendum advertised for Feb. 15, in which it was seeking approval of a 20 cent increase in local school taxes for current operating expenses.

This action was considered necessary in view of last Tuesday evening's public meeting which revealed that voters who wished to support the referendum had been asked to vote for a salary increase which many teachers oppose because of the "merit" feature.

This spring, possibly in conjunction with the school construction bond referendum which will be necessary, the Newark Board of Education plans to seek voter approval for an increase in teacher salaries without the so-called "merit" provision.

The Mt. Pleasant school system has withdrawn its merit pay plan adopted six years ago, for three reasons: it was too difficult to administer; there was too much teacher dissent; and more acceptable ways of rewarding teachers were adopted, the local group reports.

"It is the threat to teacher morale which most concerns us," the teachers report.

"In a profession where individual and group security contributes so significantly to performance, merit pay poses too many problems of possible friction, with a general lowering of rapport and morale," they state.

"We think that every teacher in the district favors the program of the 3-R's—Recruit, Retain, and Reward—but many do not believe that merit pay is the way to implement the program.

"It is necessary that the Newark Board of Education talk over any proposals with those professionals most qualified to discuss the job to be done—the teachers themselves," the group concludes.

Eugene Wollaston Wins PhD Degree As Chem Engineer

Eugene Wollaston, son of Mr. and Mrs. Herman Wollaston of Newark, received his doctor of philosophy degree in chemical engineering from the University of Illinois on Jan. 26.

A member of the Illinois Institute of Technology in 1961-62, he received his bachelor of chemical engineering degree from the University of Delaware, and his master's degree in chemical engineering from the University of Minnesota.

He is a member of the Society of Chemical Engineers, Phi Lambda Upsilon honorary fraternity, and Phi Kappa Tau social fraternity.

Since last December, Wollaston has been a staff member of the American Oil Company research division in Wilmington.

Mr. and Mrs. Wollaston live at 507 South Carroll Street, Chicago, Ill.

World Prayer Day Services Planned By Church Women

78th World Day Of Prayer To Be Observed Feb. 14th In Local Church Services

On Feb. 14, as children exchange Valentines, women of the Newark area will observe the 78th World Day of Prayer.

All interested in joining this worldwide prayer fellowship are invited to assemble with the Greater Newark Council of Church Women sponsoring services in the area, with Mrs. W. E. Hoffman, chairman.

A service will be held at Kingswood-Brookside Methodist Church at 10:30 a.m. on Friday of next week with Mrs. Kenneth P. Wildman, local chairman. The speaker will be Mrs. F. W. Dunkle of Grace Methodist Church, Wilmington.

At 2 p.m. a service will be held at Calvary Baptist Church on Delaware Avenue, with Mrs. James A. Todd of the host church, as speaker. Chairmen are Mrs. Gerald Dolan and Mrs. James Shepherd.

At 8 p.m. there will be a service at Mt. Zion Methodist Church, New London Avenue, with Mrs. Elizabeth Hayman, chairman, and the Rev. Gilbert F. VanBever of Concord Presbyterian Church, Wilmington, to speak.

The theme for the 1964 World Day of Prayer is "Let Us Pray" and the service was prepared by Dr. Madeline Bart, executive secretary of the department for cooperation of men and women in church, family and society of the World Council of Churches, Geneva, Switzerland.

Gifts collected as part of the observance will help sustain 12 Christian colleges for women in Asia and Africa.

The money also will be used for distribution of Christian literature; to assist Indian-Americans; support migrant ministry; and for hospitality to the 60,000 students coming to this country from all over the world.

Eight To Receive God-Country Honor At Newark Church

Boy Scout Sunday will be observed at the 9:30 a.m. service at the Newark Methodist Church this Sunday with all units sponsored by Newark Methodist Church—Cubs, Scouts and Explorers—plus the troop sponsored by the Chestnut Hill Estates Civic Association, attending.

Eight boys—all members of this church—will be presented the God and Country Award by the Rev. Paul E. McCoy, pastor.

They are Dana Frazier, Richard Hill, Arthur James, III, Philip MacInnis, Jr., Alan Peoples, Thomas Siklas Daniel Sundt and William Ward.

Elected To Harvard Club

Thomas A. Kershaw

Son of Mr. and Mrs. M. G. Kershaw, 112 Tanglewood Lane, Newark, Tom Kershaw was elected last week to membership in the Harvard Club. He received a master's degree in business administration from Harvard in June, 1962, and is a new products market development representative for the Du Pont textile fibers department.

A graduate of Newark High School, Tom Kershaw is president of the NHS Alumni Association this year. The Association is developing a program to provide career-choice assistance for high school students.

Last June, Tom was an alternate delegate at the National Federation of Young Republicans Convention in San Francisco.

Developers have requested the county to rezone the tract to permit such construction.

William F. Morgan is vice-president; Edna Graves and Vera Davis are recording and corresponding secretaries; and Edwin L. Shaker is treasurer of the Polly Drummond Hill Civic Association.

Fifth Graders At Medill Express Liking For Programmed Instruction Experiment

"I like this new kind of book and way to learn—the only trouble is, if you want to cheat, it's too easy to do it," a student in Mrs. Emily N. McGlinchey's class at the E. Frances Medill Elementary School said, of the programmed instruction experiment in her Social Studies class.

Opinions by children taking part in this experiment have been extremely favorable, school officials report. One typical comment has been: "You find out if you were right or wrong immediately; you don't have to hand in the paper and wait for the teacher to give it back to you the next day. You know what's right and wrong before you go on to the next question."

While programmed instruction is no stranger at the secondary level in the Newark schools—it has been used in summer school, regular classes, and in adult evening school—elementary programmed materials have been lacking.

Dr. George V. Kirk, assistant superintendent for instructional services, and Mrs. McGlinchey decided to try this particular work—"The Earth in Space"—with fifth-grade students at Medill.

Dr. Ransom C. Cobbe, director of elementary school development, and Philip A. Toman, assistant superintendent for information services, will report on programmed instruction to the Medill PTA at a special meeting in March.

Michael Walls Wins State Competition In Annual Voice Of Democracy Contest

President of the Newark High Student Council, and varsity wrestler at 112-lbs. for the Yellowjackets, Michael Walls won the annual state Voice of Democracy Contest sponsored by the Veterans of Foreign Wars last Friday night.

Son of Mr. and Mrs. Harold S. Walls of Ash Avenue, Newark, Mike is a senior at Newark High School.

His speech was delivered in the News-Journal conference room, in competition with two other district winners—Carolyn Cirino, Wilmington, and James Freer, Dover.

A knee injury prevented him from competing in the Newark-William Penn wrestling match last Friday—and avoided a real conflict of interests.

Michael's plans include a pre-law course beginning next fall at the University of Virginia. He also plans to attend law school at Charlottesville.

"I want first to be a lawyer and then get into politics," he said. Mike said he entered the contest at the suggestion of his principal, Dr. Frederick B. Kutz.

He won over five other contestants in school competition and topped seven others in district competition.

Each district winner was presented with a \$50 savings bond by Charles E. Mulholland, state commander of the Veterans of Foreign Wars.

James F. Sage, the Rev. Frank Cephus, Dr. Paul Y. McCormick, Donald R. Matthews, and Bader were named as new directors for the Association.

Executive Director Glenn T. Smoot presented the annual report of the GNRA, announcing 134,000 participants in the annual GNRA program for 1963—an increase of 14,000 over the previous year.

Retiring President Swope reported that the GNRA service area includes 100 sq. mi., with a population of 30,000.

Mrs. Teiko Miura, representing the municipal government of Aomori City, Japan, recently visited St. Paul's Lutheran Kindergarten during her trip to the United States to discuss the Japanese government when she returns to Japan, she is to write a book on American kindergartens.

Mrs. Miura wore a kimono and obi, but explained that in Japan the kimono is worn only for ceremony or at home.

She taught the children a typical Japanese kindergarten song with dance, and the children sang a typical American kindergarten action song.

One of the boys put on a ceremonial kimono and sash, and Mrs. Miura demonstrated Japanese paper-folding art, but explained that modern Japanese kindergartens do not teach this. She said "this is what our grandmothers learned, not our children."

Mrs. Miura is the principal of a large Japanese kindergarten-nursery school.

Mrs. James W. Jamison of St. Paul's was one of five Delaware teachers to meet further with Mrs. Miura to discuss kindergartens.

Four Seniors, Explorers Feature NHS Assembly

Four Newark High School seniors representing Newark Explorer Post 17, presented a program "Viewpoint of Youth" at a special assembly last Tuesday, in observance of National Boy Scout Week, Feb. 10-17.

Explorers Thomas Davies, Robert Cronin, Timothy Spratt, and James Stamatoff presented a set of resolutions based on discussions and gathered representing 35,500 delegates at the first National Explorers Conference held in August, 1962.

The boys discussed application of these resolutions to the four areas of physical, mental, spiritual, and citizenship fitness.

Cadet Jaime Hernandez On Ship For Australia

Newark High School graduate in the Class of 1962, Cadet Jaime Manuel Hernandez, son of former Newark residents Mr. and Mrs. Luis Hernandez, now of 336 Walnut Street, Princeton, N.J., is serving aboard the SS Pioneer Reef, operated by United States Lines in the equivalent capacity of a junior officer.

The third vessel he has served aboard during the sea year phase of the four-year course offered by the U.S. Merchant Marine Academy, Kings Point, N.Y., he will call at the ports of Brisbane, Sydney, Melbourne and Adelaide in Australia.

Cadet Hernandez is scheduled to graduate in July, 1966.

Farming Progress Cited As Essential For Income Level

Output, Cost Reduction Measures To Aid Farmer In Competitive Future

Although farm incomes aren't keeping pace with the rest of the national economy, the average farmer still can make an adequate income from the land. This situation may not be true in the not-too-distant future, according to University of Delaware agricultural economist W. T. McAllister, speaking at a daily session of the university's 1964 Farm and Home Week yesterday morning.

He pointed out that with profits getting smaller, farms must increase output or reduce costs just to maintain current levels of farm income.

"For those who survive this competitive profit squeeze, there lies ahead a fairly bright picture of farm profits and economic good times," McAllister said.

He told dairymen that even "gloomy economists" are predicting a growing national economy. They expect disposable incomes to rise, with more people having more money to spend.

Translating this into possible benefits for the dairy industry, he said this boom might sound like a great potential market for dairy products. But the hard truth is that people don't eat more food as their incomes increase. In fact, he said, they are apt to eat less total pounds.

They spend some 20 per cent of their disposable income for food, and instead of more pounds, they eat "a little higher on the hog."

McAllister could see no great chances for increases in the prices paid for dairy products.

"Aside from some organized and effective program which would limit total production," he said, "dairymen have but one avenue through which they can maintain or increase profits. That is reduction in cost per unit of output," he said.

Seven Women Volunteer In Referendum Mailing

Seven women members of the Christiana-Salem and Eden Elementary School PTAs, volunteered their services to help staff envelopes and handle mailing chores for the referendum on a proposed tax increase.

"Let's Talk Cents," a brochure explaining the referendum, was mailed recently to residents of the Newark special school district.

Volunteers are Mrs. Ann Clark, Mrs. Gertrude Combs, Mrs. Sylvia Jones, Mrs. Loretta Matvey, Mrs. Isabel Sinclair, Mrs. Jean Thorpe, and Mrs. Maxine Younger.

Those who did not receive a copy of "Let's Talk Cents" may obtain one by calling the Newark Board of Education, 43 East Main Street.

City Wins Praise For Police Work Of Chief Haussler

Newark's mayor, city manager, and chief of police were lauded at the annual luncheon of the Delaware Citizens Crime Commission, Inc., last Thursday, attended by Chief Arthur S. Haussler, Lieut. J. Earl Lynch, and Detective Sgt. William Brerley in the Du Pont Hotel.

"The Crime Commission extends its congratulations to Mayor Carl Rankin, City Manager J. Francis Neide, and particularly to Chief of Police Arthur Haussler. His police training school has produced fine results. The new teletype system, connected with the Delaware State Police 16-state hookup, is a major advance."

"Good leadership, good training, good equipment, and good citizen support have proven their value," the Commission concluded in its annual report for 1963.

New Building, Pool For YMCA Slated To Serve Newark Area

Construction Expected To Begin This Year On 7½-Acre Site Purchased Opposite Meadowood; Newark Main Street Office To Be Abandoned With Completion Of Facilities

Newark YMCA facilities will be expanded with construction of a new building and swimming pool on a 7½-acre site recently purchased from the estate of the late Henry A. Blomquist along Kirkwood Highway opposite the Meadowood Shopping Center. A building with administrative offices, pool, locker rooms, and area for YMCA family and small group programs is planned, with construction expected to begin by the end of the current year.

Upon completion of the new building, present YMCA facilities at 86 East Main Street in Newark, will be abandoned.

Total cost for land development and construction is estimated at \$300,000, with W. Ellis Preston, the architect for the new YMCA building.

The Newark and Southwest branches of the YMCA were merged recently as the Western Branch to serve the Newark area and other communities south and west of Wilmington.

Richard N. Loftman is chairman of the Western Branch YMCA, and H. Trull Ginn is executive secretary for this group.

Capital Development
Construction of the new YMCA building is to be financed by the current \$250,000 capital development fund drive being conducted by the YMCA, with Edmund N. Carpenter, II, general chairman.

The Newark phase of this fund campaign is scheduled to begin next month.

New Castle County's increase in population has resulted in more demand for YMCA facilities, and the fund campaign is intended to provide the Newark area building; improved facilities in Wilmington; and modernization of the "Y" Camp Tockwogh on Chesapeake Bay.

Rittenhouse Firm Wins Dodge Honor

Individual gold-plated torque wrenches were presented recently to members of the Rittenhouse Motor Company mechanical staff, with a Service Citation for 1963 awarded to the firm by David L. O'Neill, Dodge service representative.

The citation was in recognition of continuous monthly training received from Chrysler Corp. Master Technicians Service Training courses conducted on a monthly basis by Julius Rittenhouse, service manager for the Rittenhouse firm.

Individual wrenches were presented to Rittenhouse, Ernest Landell, Ralph Broadwater, Eugene Frazee, Harry Faries, Francis Jamison, Graham Lomax and Reeve Allen for their training.

Cosmopolitan Club To Offer Program In Friday Festival

The annual Festival of Nations will be presented this Friday at 8 p.m. in Mitchell Hall on the university campus, with the Cosmopolitan Club presenting a special program.

Performers will include a Ukrainian orchestra, a Philippine dance group, and professional Scottish Dancers, students of James Jamison.

This year again the Meisodinos of the Maison Francaise will appear in a French provincial setting, and again the audience will see the leaps and antics of the Russian dance.

The program consists of 15 numbers, with a finale different from that of last year.

This program is presented annually by the Cosmopolitan Club for university students and the public. Admission is free and everyone is invited to attend.

"Please accept our invitation to attend and help us make this winter a little smaller," Olga Slavovska said yesterday.

11-Year-Old Boy Dies From Wound In Shotgun Blast

Maynard Earl Jr., 11-year-old Glasgow boy, who had been in critical condition for two weeks at Delaware Hospital with a shotgun wound, died last Sunday morning. The boy was found by his father about 7:30 a.m. on Jan. 19 on the living room floor at their home, shot through the abdomen with a 12-gauge shotgun. The Earl home is three-quarters of a mile west of Glasgow on U.S. 40.

The boy is survived by his parents, his paternal grandparents, Mr. and Mrs. Maynard L. Earl of Newark, and his maternal grandfather, John F. Grinnage of Newark.

Capt. Paul T. Riley, public information officer, said the state police consider the death a suicide. Funeral services were held this afternoon at St. Thomas A. U. Church, Glasgow, with interment in the adjoining cemetery.

Friends called at the Edward R. Bell Funeral Home, New London Avenue, Newark, on Wednesday night.

PTA SPEAKERS
Robert Mayer, administrative assistant, will speak on the testing program in Newark schools, and William P. Cooke, president of the school board, will discuss the school tax referendum at the February meeting of the West Park Place PTA next Wednesday at 8 p.m. in the school cafeteria.

18-Year-Old Youth Dies At Sister's With Heart Attack

Davis Jack Slowick, 18, was fatally stricken with a heart attack at the home of relatives in Chestnut Hill Estates last Monday.

The youth, who lived in Berwick, Pa., had been visiting his brother-in-law and sister, Mr. and Mrs. Harry Woytko, 13 Davies Road. The family said he ate breakfast and then left the house to try to find work. He returned about 10:30 a.m. at in a chair and collapsed, according to Chief Deputy Coroner Herbert M. Harrington.

Woytko took the youth to a Brookside physician who pronounced him dead. Harrington attributed death to a heart attack.

Surviving are his parents, Mr. and Mrs. Harry Slowick of Berwick, four brothers, Billy, Jerry, and Joseph of Berwick, and Larry of Chestnut Hill Estates, and one sister, Mrs. Woytko.

Mrs. Irene Reed Dies At Age Of 79

Mrs. M. Irene Reed, 45 East Delaware Avenue, Newark, died Monday in Delaware Hospital. She was 79.

Her husband, Henry N., died 40 years ago.

Mrs. Reed was a member of the First Presbyterian Church and active in its organizations.

Surviving are two sisters, Mrs. Anna G. Knappa and Mrs. Naomi S. Knappa, both of Newark.

Services were held in the Robert T. Jones Funeral Home at 2 o'clock this afternoon, with interment in the White Clay Creek Cemetery.

Gulick To Address Luncheon at YWCA With Music Topic

"Meaning of Musical Intervals" will be the topic of Dr. Lawrence W. Gulick at next Wednesday's luncheon in the Alice P. Smyth Center, YWCA, Newark.

Gulick, a graduate of Princeton University, is professor of psychology at the University of Delaware and consultant at Presbyterian Hospital, Philadelphia. His research involves sensory physiology and perception and some work with aesthetic experience in music.

He will discuss the meaning music can convey, and show slides to accompany his discussion.

These luncheons are open to the public at no charge. Guests may bring a sandwich or buy one at the Center. A nursery is available.

Mrs. Donald Fieldhouse is in charge of arrangements with Mrs. Fred Druce and Mrs. Eldred Raun, hostesses.

Change Of Status Reports Necessary In Social Security

"Although one day is much like every other for most people, the fourth of each month has special meaning for 42,000 Delawareans," according to Mary Milbourn, manager of the Wilmington social security office.

The fourth day of the month is the day those 42,000 persons expect to receive a monthly Social Security benefit check.

"And on the fourth of every month," Milbourn adds, "phones at the Social Security office get busier and busier as calls come in about delayed checks." People call immediately whenever checks do not appear on schedule. But the delay, more often than not, is the result of forgetfulness or carelessness on the part of the beneficiary.

Apparently we are a nation on the move, with thousands of addresses being changed each day," Milbourn went on. Many beneficiaries remember to tell their relatives, their magazine publishers, and their creditors about the new address, but forget to notify the post office and the Social Security office.

This results in delay, with the Social Security check going back to the Treasury Department as undeliverable.

Advance notice of a change of address is desirable, but even a sudden change of address needn't mean a delay in getting that monthly Social Security check, if the post office serving the old address is given a prompt report of the new address," Milbourn pointed out.

"Marriages, divorces, deaths, adoption of a child, moving to a foreign country, recovery from a disability, and being unemployed for a month or more are all events that can start or stop the flow of Social Security checks," Milbourn concluded.

Atomic Energy To Feature NHS Assembly Program

At its weekly assembly next Wednesday, Newark High School will sponsor a program entitled "This Atomic World."

Presented by the Oak Ridge Institute of Nuclear Studies, the program will demonstrate basic principles of nuclear energy and indicate some peace-time uses to which it can be applied.

General Electric Awards \$5,000 Grant To U. of D.

A \$5,000 grant from the General Electric Foundation's Owen D. Young Fund has been presented to the University of Delaware for use by the school of business and economics.

Dean Ruben V. Austin has announced that the funds have been assigned to Prof. Albert H. Dunn, Jr. for his project of service marketing management.

Assisting Dunn will be Dr. Blaine G. Schmidt, associate professor of business and economics, and Eugene M. Johnson of Newark, graduate research assistant.

Family Safety Workshop Slated Feb. 19 On Campus

The Delaware Safety Council and the State Board of Health will hold a statewide workshop on family safety on Feb. 19, at Mitchell Hall on the University of Delaware campus from 10 a.m. to 2:45 p.m.

Safety chairman of organizations, and interested individuals are invited to attend the workshop. There is a charge for lunch. Reservations should be made through the office of the Delaware Safety Council in the Du Pont Building.

VETERANS BILLS

Congressman Harris B. McDowell, Jr., (D-Del.) announced today that the full House Committee on Veterans Affairs has approved two veterans bills recommended by his housing subcommittee. The bills are HR 6632 and 7932.

Coed Janet Baker To Represent State In D. C. Festival

Janet Rae Baker, 18, will be Delaware's entry in the Cherry Blossom Festival in Washington, April 3-12, the Delaware State Society has announced.

Miss Baker, a freshman at the University of Delaware, is on the dean's list. She is the daughter of Mr. and Mrs. J. Raymond Baker, Jr. of Millsboro and the granddaughter of U.S. Sen. and Mrs. John J. Williams.

The Delaware State Society elected Miss Baker at a meeting last week in the New Senate Office Building.

The Delaware coed has dark brown hair, blue eyes, is 5-8, and was valedictorian of the 1963 graduating class at Linden Hall in Lititz, Pa.

Well-Dressed Man Depends Upon Fit Specialist Advises

Fit is the most important element in creating a well-dressed man, states Janet Reed, extension clothing and textiles specialist at the University of Delaware.

But a good fit in a suit is too often confused with a garment that tightly hugs every part of the body, eliminating every wrinkle. What should be present is a look of ease and naturalness, and a small wrinkle here and there so that the suit remains comfortable and good looking.

When buying a suit, button the coat, walk around and sit down, so that you will be sure of future comfort and ease, Miss Reed says.

Although the trend today is to more natural shoulders, Miss Reed advises men to find the shoulder width most flattering to themselves instead of worrying about the current trend. A stout man with very natural shoulders will find himself looking pear-shaped, even if the jacket has been moved out to cover his girth. A thin man, on the other hand, will probably find that a bit more width will make him look broader.

Many stout men like a close fit, but an easy-fitting garment will lessen the appearance of bulk, Miss Reed says. It will provide more comfort to a heavier man who is moving about through the activities of a normal business day. She also suggests that the stout man be aware of too much cutaway in a jacket. He may find that the suit will make him look twice as big as he really is.

The length of the suit jacket is another point that should be considered, Miss Reed says. The trend today is to a shorter jacket, but never so short that the seat of the pants is not covered, she adds. Too short a jacket will make a man look like a little boy who has outgrown his clothes. Too long a jacket, on the other hand, will forewarn the legs.

The rule of getting a coat to finger-tip length is out-dated, Miss Reed states. A far better rule is that the jacket reach to where the buckle round onto the legs.

When wearing a suit jacket, the shirt collar and cuffs should always show about one half inch, Miss Reed suggests. This is not only for appearance sake, but also for sanitary reasons. The shirt goes to the laundry, so let grim collect on it instead of the suit.

Proper fit gives comfort standing or sitting, Miss Reed concludes.

SOPRANO AT WESLEY

Soprano June McMechen will present a recital at Wesley College in Dover at 7:30 next Wednesday evening. The public is invited to attend without charge.

Trousers, whether cuffed or uncuffed, should just touch the shoes. Trousers that slop over the shoes will distract from good grooming.

Miss Reed also advises that trousers cut with a deep crotch may at first seem to provide a comfortable fit, but they will soon stretch from wear and will sag and hang.

With a low crotch, trousers may feel free and easy when you stand, but when you walk, they will limit at the knees.

Proper fit gives comfort standing or sitting, Miss Reed concludes.

Judy Moore spent the weekend with Miss Helen Moore of Pleasant Hill, Md.

Debbie Laws celebrated her birthday on Feb. 1.
Mr. and Mrs. Carl Stafford of Blue Ball Road entertained the David family at their home in honor of their grandmothers—Mrs. William David's 80th birthday—on Saturday evening.

The Women's Society of Penenden Presbyterian Church met at the home of Mrs. Mamie Palmer, president, on Wednesday evening.
Mr. and Mrs. David Moore of Bear are receiving congratulations.

on the birth of a daughter in Wilmington General Hospital on Jan. 30. Mrs. Moore will be remembered as Miss Linda McFarlin, daughter of Mr. and Mrs. Samuel McFarlin of Newark.

Mrs. Pierce Fox returned home Thursday after surgery at Memorial Hospital, Wilmington.
Miss Beadie Davis returned home this week after spending a month with her sister, Mrs. George Messick of Rehoboth.

Jeffrey Moore celebrated his 13th birthday on Friday.
Mrs. John Jordan had the misfortune to fall at her home and break her wrist on Friday evening.

BURNS

The American Medical Association has estimated that 2,000 deaths a year in the United States are due to clothing catching fire, and about 300,000 additional people are burned severely enough from flaming clothing to necessitate medical attention.

If clothing should catch on fire, another the flames by rolling in a blanket or rug—or if nothing is available, roll on the ground or floor. Don't run! Running only fans and increases the flames.
Careless smoking habits cause many fires. Don't smoke in bed or when you are sleepy. Keep plenty of ash trays on hand.

Do not use flammable cleaning fluids. Have screens around all fireplaces and open fires and don't hang clothing too close to the fire. Make sure that curtains can't blow into an open flame.

If, in spite of all precautions, someone should be burned, try to prevent shock and contamination, and to control pain.

For extensive burns, call a physician immediately. Cover the burned area with a clean cloth or clothing. Have the victim lie down with his head lower than his feet. When someone goes into shock, the blood tends to rush out of the head and settle in the stomach. Putting the head lower than the feet will prevent this from happening.

If he is conscious and can swallow, give him plenty of water to drink.
For lesser burns, if the skin has not been broken, soak the burned part in clean, cold water to relieve the pain.

If the skin is broken, soak a sterile gauze pad or clean cloth in a solution of baking powder and water, place the pad over the burn, and bandage it loosely.

It is important in all but minor burns to see your doctor, since burns can be more serious and deep than they appear.

This column is a weekly service of your doctor through the Medical Society of Delaware.

Engineers Offer Speakers To Address Local Groups
Groups interested in learning about the engineering profession, can arrange for qualified speakers through the Delaware Council of Engineering Societies.

William V. Krewatch, chairman of the speakers committee for Engineers' Week, Feb. 10-22, has announced that DCES will provide a speaker for any civic, fraternal, service, high school or college group in Delaware.

Groups interested in a speaker may telephone Krewatch at the Louviers Building.

Delaware Safety Council Cites Driving Distances
A campaign to impress motorists with the wisdom of keeping a safe distance between vehicles has been undertaken by the Delaware Safety Council.

President Richard H. McMullen said that following too closely has become an increasing cause of accidents.

McMullen recommended the "rule of 10" which suggests the driver drop back one car length for each 10 miles of speed. Thus, at 50 mph, there should be five car lengths—roughly 100-ft.—between cars.

SELF-EMPLOYED
Myron Milner, manager of the Wilmington Social Security office, today urged self-employed people to get their 1963 self-employment tax returns prepared accurately and on time. Deadline for reporting self-employment income and paying the Social Security tax is April 15.

20,758 More Cars Listed At Newark Over 1962 Output

The Chrysler assembly plant at Newark produced 20,758 more cars in 1963 than it did in 1962.

According to Plant Manager C. E. Fowble, Jr., 124,272 cars were assembled in 1963, compared with 103,694 in 1962.

The breakdown of cars completed at the Newark plant by make shows: Valiants 30,128 for 1963 and 30,466 for 1962; Plymouths, 41,531 and 41,169; Darts, 23,063 and 10,845; Dodge, 29,750 and 23,305.

The increase was about 20 per cent.

FILM ON DIABETES "Diabetes Unknown"

A 30-min. movie available at the Film Library of the State Board of Health, Dover, points out that although diabetes is not difficult to live with, it can make life uncomfortable and dangerous for the untreated and unknown diabetic.

Social Security Benefits Millions Of Farmers

Thousands of self-employed farmers and their dependents have retired with Social Security benefits in the years since 1954 when Congress extended coverage to this group. Today, another 4-1/2 million people who depend upon farming for a livelihood are building Social Security protection against the loss of income resulting from old-age disability or death.

While tending farmers in this area to file prompt and accurate income and earnings reports for 1963, Myron Milner, Social Security district manager, pointed out that failure to report or filing an inaccurate report may result in reduced or lost Social Security benefits.

"Women prefer a man who has something tender about him. Especially if it's legal," Gerald K. Young, Blakesburg (Ia.) Excelsior.

Good news for Newark!

When 141,746 more Dodges and Dodge Darts were bought in 1963 than in 1962...

And 124,716 more Plymouths and Valiants...

And 17,854 more Dodge Trucks...

When 1963 sales of Chrysler Corporation cars were up 38% over the previous year—

What does it all add up to?

1,037,522 new Chrysler Corporation car and truck owners have discovered styling to their taste, and engineering and performance of such excellence that it can be confidently backed by the first and only 5-year or 50,000-mile warranty* in American automotive history.

Before you buy any car, visit your near-by Chrysler-Plymouth or Dodge dealer. We think you'll agree with these new owners. And you will probably end up driving away in one of the brilliant new '64's from Chrysler Corporation.

*Here's how Chrysler Corporation's 5-year, 50,000-mile warranty protects you: Chrysler Corporation confidently warrants all of the following vital parts of its 1964 cars for 5 years or 50,000 miles, whichever comes first. During which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every two years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

THE DREAD GUEST

GREAT GENTLEMAN FROM VIRGINIA

These words were written many, many years ago, when affairs of state were far less complex—but what wise warning was offered by Mr. Jefferson!

"I place economy among the first and most important virtues, and public debt the greatest of the dangers to be feared. To preserve our independence, we must not let our rulers load us with perpetual debt. We must make our choice between economy and liberty or profusion and servitude. If we run into debts, we must be taxed in our meat and drink, in our necessities and our comfort, in our labors and amusements. If we can prevent the government from wasting the labors of the people under the pretense of caring for them, they will be happy."

"Government should restrain men from injuring one another, but leave them otherwise to follow their own pursuits in industry and employment . . . and our General Government may be reduced to a very simple organization and a very inexpensive one; a few plain duties to be performed by a few servants."

"The true theory of our Constitution is surely the wisest and best, that the States are independent as to everything within themselves, and united as to everything respecting foreign nations."

"I am for preserving to the States the powers not yielded by them to the Union . . . I am not for transferring all the powers of the States to the General Government and all of those of that government to the executive branch. I am for a government rigorously frugal and simple . . . and not for the multiplication of the officers and salaries merely to make partisans, and for increasing by every device the public debt on the principle of its being a public blessing."

—THOMAS JEFFERSON

DEBUNKING

The notion that massive federal intervention is the only solution to the problems confronting American education has been called "bunk" by Ladd Plumley, president of the Chamber of Commerce of the United States. He pins the same label on ideas that Russia is turning out super-scientists "while our own schoolmasters fumble along with inadequate schools and inept students (and) that everything will be worse tomorrow."

APATHY THEN, TOO

"We regard a man who takes no interest in public affairs, not as harmless, but as . . . useless. . . ." The philosopher Thucydides of Athens said that—in 431 B.C.

Methodist Men To Sponsor

Father-Son Scout Night

Annual Father and Son Scout Night will be observed at 6 p.m. next Thursday at the Newark Methodist Church with a covered dish supper and program sponsored by the Methodist Men's Club. A film "Life's Highest Goals"

will be presented, and all members of Scout units sponsored by the church, along with their fathers are urged to attend by W. T. Pritchett.

Kase To Conduct Creative Dramatics Children's Classes

Registration for children's classes in Creative Dramatics to be offered in Newark this spring will be accepted in Mitchell Hall at the University of Delaware at 4 p.m. next Monday.

Dr. C. Robert Kase, supervisor, has announced that classes will begin the week of Feb. 17 for 10 weeks.

A class for 9-11-year-olds will meet Mondays, 8-9-year-olds will meet Thursdays in Allison Hall on the university campus.

Development of the child's powers of communication and creativity through drama experiences, is the primary objective of the classes. Creative acting classes, which have achieved favorable recognition throughout the country for their contribution to creative educational experience, have been offered in this area only during the past year.

For information write the Children's Theatre of Delaware, 239 Cheltenham Road.

Williams, Boggs To Speak For GOP At Local Banquet

Delaware U. S. Senators John J. Williams and J. Caleb Boggs will speak at the Greater Newark Republican Men's Club annual fund-raising dinner on Saturday, March 21, at the new Aetna Fire Hall on Ogletown Road.

The dinner meeting will be co-sponsored by the W. H. Clay Creek and Pencader Hundred committees and the Newark Area and Suburban Women's Republican clubs.

A social hour at 6:30 will be followed by dinner at 7:30 p.m. Stephen M. Uppichand is dinner chairman, and John Guy, 4 Merion Road, Chestnut Hill Estates, is ticket chairman.

WHICH HAT DO YOU WEAR?

One thing we're sure of: There's no Banker's hat in this picture. □ That's because a banker wears as many different hats as the people he serves. His interest is in them all, and his job is to serve all their individual financial needs. □ Whether you're a construction man or a railroad engineer, a nurse, or a police woman—whether your salary is \$5,000 or \$100,000 a year—a Wilmington Trust Lending Officer is the man to see when it comes to borrowing. His experience with the financial problems of so many different people can probably help find your best answer to **PERSONAL BORROWING**. Bride

Mrs. Thomas William Heckman

Miss Margaret Elizabeth Latimer became the bride of Mr. George Elsworth Harris IV in a candlelight ceremony performed in Saint Paul's Lutheran Church, Edison, New Jersey.

The bride is the daughter of Mr. and Mrs. Joseph A. Carnevali of Newark, and the bridegroom is the son of Mr. and Mrs. George A. Freeman of East Orange, N. J.

The bride, given in marriage by her father, was dressed in ivory tulle with a long train and a full skirt ending in a chapel train. She wore a mantilla veil of Alencon lace and carried a bouquet of white orchids and stephanotis.

The bride's bridesmaids were Miss Beth Bonner, sister of the groom, and Miss Brooke Peterson of Metuchen. The attendants were attired similarly in dresses of green velvet with matching bow headpieces. Their bouquets were of white roses.

Seward Prosser Mellon of Ligonier, Pennsylvania, was the best man. The ushers were Edward L. Samek, brother-in-law of the bride, of Metuchen; John C. Woolfahan of Philadelphia, formerly of Newark; and Ralph Clinger, Williamsport, Pennsylvania, uncle of the groom.

Following a honeymoon to Puerto Rico and the Virgin Islands, the couple will reside in Solingrove, Pennsylvania, where the bride is a student at Susquehanna University. Mr. Harris attended Susquehanna and is employed by the General Foods Corporation.

Mr. and Mrs. Clark Boden, Fairthorne, West Park Place, will entertain at the annual cocktail party preceding the Dutch dinner at the Hotel du Pont and the Heart Ball on Friday, Feb. 7.

Mr. Elmer Corrie and his daughter Mrs. Elroy Ward of Chestertown were guests of Mrs. Randolph Lindell, Cleveland Avenue on Saturday.

Mr. and Mrs. Howard Burris and children, Robin and "Skip" of Annandale, Va., were guests of Mr. and Mrs. George V. Chalmers, Amstel Avenue last weekend.

Miss Virginia Pottenberger, daughter of Mr. and Mrs. David D. Pottenberger of West Delaware Avenue, was a bridesmaid at the wedding on Saturday of Miss Kathleen M. Connor to Robert A. Renn.

Mr. and Mrs. Melville G. Kershaw, of Tanglewood Lane have returned to their homes following a vacation in Mexico City.

February Bride

Mrs. Thomas William Heckman

Miss Margaret Elizabeth Latimer became the bride of Mr. George Elsworth Harris IV in a candlelight ceremony performed in Saint Paul's Lutheran Church, Edison, New Jersey.

The bride is the daughter of Mr. and Mrs. Joseph A. Carnevali of Newark, and the bridegroom is the son of Mr. and Mrs. George A. Freeman of East Orange, N. J.

The bride, given in marriage by her father, was dressed in ivory tulle with a long train and a full skirt ending in a chapel train. She wore a mantilla veil of Alencon lace and carried a bouquet of white orchids and stephanotis.

The bride's bridesmaids were Miss Beth Bonner, sister of the groom, and Miss Brooke Peterson of Metuchen. The attendants were attired similarly in dresses of green velvet with matching bow headpieces. Their bouquets were of white roses.

Seward Prosser Mellon of Ligonier, Pennsylvania, was the best man. The ushers were Edward L. Samek, brother-in-law of the bride, of Metuchen; John C. Woolfahan of Philadelphia, formerly of Newark; and Ralph Clinger, Williamsport, Pennsylvania, uncle of the groom.

Following a honeymoon to Puerto Rico and the Virgin Islands, the couple will reside in Solingrove, Pennsylvania, where the bride is a student at Susquehanna University. Mr. Harris attended Susquehanna and is employed by the General Foods Corporation.

Mr. and Mrs. Clark Boden, Fairthorne, West Park Place, will entertain at the annual cocktail party preceding the Dutch dinner at the Hotel du Pont and the Heart Ball on Friday, Feb. 7.

Mr. Elmer Corrie and his daughter Mrs. Elroy Ward of Chestertown were guests of Mrs. Randolph Lindell, Cleveland Avenue on Saturday.

Mr. and Mrs. Howard Burris and children, Robin and "Skip" of Annandale, Va., were guests of Mr. and Mrs. George V. Chalmers, Amstel Avenue last weekend.

Miss Virginia Pottenberger, daughter of Mr. and Mrs. David D. Pottenberger of West Delaware Avenue, was a bridesmaid at the wedding on Saturday of Miss Kathleen M. Connor to Robert A. Renn.

Mr. and Mrs. Melville G. Kershaw, of Tanglewood Lane have returned to their homes following a vacation in Mexico City.

Fishing For Trout Offered Visitors To Sports Show

Visitors to the 28th annual Philadelphia Motorboat and Sportsmen's Show at Convention Hall, Feb. 28-March 7, will have opportunity to catch a trout while fishing in a tank.

Joe Krill, of the Krill-Pines Fisheries, of Lehigh, Pa., will catch a 100-lb. tank area on the lower floor of Convention Hall.

There is a moderate fee for fishing at this unique exhibit — but no license is required.

Krill will provide the fishing equipment and he will stock the tank at regular intervals so that it always brims with trout, bass, crabs and rainbow. The tank will measure from 9 to 25 in. Krill and his crew also will clean and wrap the trout and store them under refrigeration until the show visitor is ready to leave for home.

RADIATION THERAPY

A MIGHTY WEAPON IN THE BATTLE AGAINST CANCER IS RADIATION. THE PAST DECADE HAS SEEN HIGH ENERGY RADIATION (TELE COBALT AND SUPER VOLTAGE GENERATORS) ADDED TO THE ALREADY EXISTING ARSENAL OF XRAY AND RADIUM.

BUT THE BATTLE BECOMES MORE AND MORE COSTLY.

TELE COBALT (NUCLEAR) BETATRON

RECENTLY DEVELOPED HIGH ENERGY RADIATION UNITS REACH DEEP-SEATED TUMOR SITES WITHOUT DAMAGE TO HEALTHY TISSUE. HIGHER CURE RATES ARE BEING ACHIEVED!

HIGH ENERGY RADIATION EQUIPMENT TOGETHER WITH TEAMS OF HIGHLY TRAINED RADIOLOGISTS, PHYSICISTS, HISTOLOGISTS AND TECHNICIANS ARE EXTREMELY COSTLY... BUT INDISPENSABLE IN THE TREATMENT OF CANCER. AND THE LARGER HOSPITALS ARE DUTY BOUND TO FURNISH THESE SERVICES TO THE PUBLIC.

PREVENT THOSE WINTER DRIVING WOES

The Safe Winter Driving League presents the following safety reminder from the National Safety Council: "Winter weather requires the utmost attention to driving. This is an especially poor time of the year to be driving with impaired abilities brought about by drinking. If you do drink, do so sparingly, drive more cautiously. Better yet, wait until the effects wear off before getting behind the wheel."

Phone Information "Imaginary Invalid" Cast Scheduled Feb. 13 On School Tax Poll

In order to provide correct information for taxpayers of the Newark special school district and the myriad of misinformation and untruth being circulated about the referendum of Feb. 13, the district has established a "Referendum Hotline," a telephone answering arrangement, for Feb. 13, from 7:30 to 10 p.m., the Newark Board of Education announced this week.

This plan has been abandoned along with cancellation of the referendum.

Anyone who wished to question the referendum could dial the Newark Board of Education office, and the switchboard operator would connect the caller with a person to answer the question.

Evening Classes For Adults Offer Creative Dramatics

The evening program for adults at the University of Delaware will offer courses in dramatic arts and speech during the spring term.

Courses of study listed in the university's spring Extension Bulletin include Speech, Introduction to Children's Theatre, Playwriting, TV Programming, Voice and Speech, Oral Interpretation, and Introduction to Speech Correction.

In addition, parents may have their children enrolled in creative dramatics classes for groups aged 6-8 and 9-11, under the direction of Dr. C. R. Kase. Early enrollment is encouraged as classes are limited to 20 children. Interested parents should contact the department of dramatic arts and speech at the university.

Mitchell Advises On Spray Before And After Weeds

Don't count on directed post emergence sprays to solve your weed control problem, warns Dr. W. H. Mitchell, extension specialist at the University of Delaware. He says if weather prevents their timely application, results can be disappointing.

"If a pre-emergence herbicide is not effective, you still have a second chance to get the weeds. But if these post-emergence directed chemicals fail, or if unfavorable weather prevents their application at the right time, there may be no second chance," Mitchell said.

Mitchell feels Atrazine can control both grasses and broad-leaved weeds if used correctly.

Twice Olympic Decathlon Champion

DON'T SMOKE

I don't think anyone who wants to be an athlete should smoke. Smoking cuts down on wind and that's what he needs the most. When a man's in competition, he only wants fresh air in his lungs.

Most of the great Olympic champions don't smoke. A champion can't be half-hearted when he trains. He must do everything to keep himself in condition. It pays off in the long run.

I can't tell you not to smoke. You will if you want to. But before you take that first drag, do me a favor. Take one long, deep breath of fresh clean air. Then decide.

Fulghum's Cagers Score First Victory In Beating Miller's Christiana Vikings

Norris Saunders set a 20-point scoring pace for Coach Francis Fulghum's Yellowjackets as the Newark High School cagers defeated Coach Ron Miller's Vikings 47-44 last Friday night in the Christiana gym for Newark's first Blue Hen Conference basketball win in the current campaign.

Ken Eggleston led the Christiana scorers with 15 points, followed by Doug Hunt with 13.

Steve Mitchell, Tommy Word, and Mike Huff shared runner-up honors for Newark with eight points each.

The Yellowjackets and Vikings are 1-6 for the season after last Tuesday's losses to Conrad and Wilmington.

Newark meets Mt. Pleasant in a home stand this Friday, and plays away at Brandywine next Tuesday with jayvees games to start at 6:30. Christiana plays at Brandywine this Friday, and at home with Mt. Pleasant next Tuesday. The junior varsity tests to begin at 6:30.

The Yellowjacket-Viking clash was a near even thing with Christiana holding a 14-13 edge at the end of the first quarter, and Newark leading 24-23 at the half.

The Newark cagers held an 8-6 third period edge, and the two teams matched 15-points in the final frame.

Conrad's Ernie Anderson was high scorer at Newark last Tuesday with 25 points, as the Redskins outplayed the Yellowjackets 81-53. Saunders scored 21 points for Newark, followed by Mitchell with 12.

Conrad led 42-21 at the half, outscoring their hosts 23-16 in the third period, and the final quarter was a 16-16 stalemate.

Eggleston led the Viking scoring as Christiana lost 57-26 at Wilmington High School last Tuesday, but Miller's Vikings were very much in the game until the final quarter with a 31-22 count.

In the fourth period, the Red Devils outscored Christiana 26-4.

Boasting one sailfish in a lifetime is a feat that eludes most of us including Fred Mitchell and his companions during two very first class sportfishing trips out of Haverford Inlet just north of the Miami Beach Gold Coast and into the sapphire stream offshore.

To catch two sailfish in a lifetime is twice as memorable — and a pair of sails in one day is almost enough to strain the imagination of the very credulous, and certainly enough to strain every muscle of the race and fortunate fisherman who performs this near miracle.

But Mrs. Melville G. Kershaw did just this in a recent trip out of Acapulco into the purple Pacific off the coastal cliffs of Mexico. Each of these Pacific Ocean sailfish was more than three times the size of the mounted specimen adorning the west wall of Bill Linton's restaurant — an Atlantic sailfish taken by Bob McFarlin out of Florida's Haulover Inlet some years ago.

Placencia Kershaw's sailfish weighed 142 and 138 pounds — and the average size of the Atlantic sailfish, according to Salt Water Twelve Digest, is 35-40.

There are two specimens of sailfish, *Istiophorus Americanus* of the Atlantic which averages 35-40 pounds, and *Istiophorus Greyi* of the Pacific, which averages 75-100.

Mrs. Kershaw's Pacific sails were well above the average West Coast specimen, and dwarf the Atlantic variety.

But whether an Atlantic or Pacific cruise, the sailfish is certainly one of the most glamorous of all salt water fishes, and a most spectacular aerial fighter. Louis S. Caine writes in Salt Water Tackle Digest.

Flourace Kershaw will agree with that, and so will Fred Mitchell and his friend — the latter two without benefit of any personal experience, but with A's for effort.

And speaking of sailfish, Bob McFarlin writes on the back of a post card from Fort Myers in Florida: "Having a good time. Saw some of the home town folks down here."

"The fishing is right good now. Not quite as good as the picture shows, though."

And the postal shows a color print of 36 beautiful kingfish or king

TWO CHAMPIONS!
Newark's Harvey Folk and William Penn's Tom Kardash didn't meet in last Friday night's wrestling meet between Coach Andy Marcantonio's Yellowjackets and Coach Otis Chapman's Colonials, and both Harvey and Tom won their matches at 145 and 154 pounds to continue unbeaten.

Tom Kardash received a most undeserved booby from some of the fans who may have believed he was ducking out of a match with the Newark co-captain. The decision was that of the coach, and we feel is no reflection on either Kardash or Chapman. And two boys remain unbeaten.

Unbeaten Jayvees Defeat Wm. Penn Junior Matmen

The undefeated Yellowjacket junior varsity wrestling squad of Coach Andy Marcantonio defeated the William Penn Jayvees 26-19 in preliminaries to the varsity meet last Friday evening at the Newark High School gym.

Newark won the first three matches, with Bob Jackson and David Cross winning 4-2 and 2-0 decisions at 95 and 103-lbs., and Bruce Jones won by forfeit at 112.

Steve Kubicki wrestled to a 2-2 draw in the 120-lb. event, and the Junior Jackets won the next three with Bobby Hall taking an 8-4 decision at 127; Carleton Strahorn winning 6-1 at 133; and Tommy Borchardt copping a 2-0 decision at 138.

Billy Richards lost his first match of the season in a 4-2 decision at 145, and Matt Zeisberg dropped a 10-8 nod to his opponent in the 154-lb. class.

Richard Leader won a 3-2 decision at 165, and Ken Lomax was pinned in the second period of the 180-lb. event.

Marcantonio's matmen forfeited the heavyweight bout.

Newark Girls Top Sanford In Pair Of Cage Contests

The Newark High School varsity girls defeated Sanford 24-18, and the Newark jayvees walloped the Sanford junior varsity 38-3 as Coach Kay Lutz charges won a pair of basketball games last Friday afternoon in the Newark gym.

Kathy Johnson and Judy Woodward paced the Newark varsity with six points each, and Virginia Johnson was runner-up with five.

In the jayvee contest, Sally Macuga led the Newark squad with 13, and Maxine Wirick scored 12 points for Coach Lutz's cagers.

Gail Weber and Joann Barbour each tallied four points for the Newark junior varsity; Jody Roberts and Joyce Bensinger scored two each, and Tina Burch, one point.

Other Newark jayvees in action were Becky McCann, Karla Gubbin, Brenda Billingsley, Emily Trappell, Jennifer Campbell, Barb Wirick, Joanna Johnson Delores Brown, and Peggy Bedingfield.

Harness Racing Ace

Jack Wilcits

Harness driver Jack (Tide) Wilcits of Wyoming, Del., who staged a brilliant comeback last season after surviving two serious racing cracks in 1962, was honored by the Philadelphia Sports Writers Association at its 60th annual banquet last week, as the man from the Delaware Valley and Eastern Shore area who has contributed most to the silky sport.

After flirting with disaster twice in wild spills in 1962, Wilcits opened last year's spring campaign at Brandywine with a flourish, and then ran away with the "most wins" championship, scoring 17 firsts, 16 seconds, and 11 thirds.

At Brandywine's summer session the Delawarean did it again with 16 firsts, 19 seconds, and 17 thirds.

Fred Wetzel Beagle Wins Eastern Club Field Trial

Kathy Tuffy owned by Fred Wetzel of Bear, won the 13-in. class competition in the Eastern Beagle Club's American Kennel Club-sanctioned field trial last Sunday.

The event was held at the estate of S. Hallock du Pont on Possum Road, near Newark.

OFF AND RUNNING by John I. Day How Losers Win

When the horses flash across the finish line, they are doing more than satisfying an instinctive competitive urge, affording excitement and entertainment to some 37,000,000 people, or earning a fat purse for their owner. They are also helping to build a hospital, a road, a school, aiding agricultural fairs, old age pension programs or generally lightening the individual tax load, according to a booklet recently published by Thoroughbred Racing Associations. The purpose of the booklet, "Inside TRA and TRPB," according to the foreword by Spencer J. Drayton, TRA Executive Vice President, is "to clarify the relationship, aims and purposes of the TRA, and its national investigative arm, the Thoroughbred Racing Protective Bureau." However, in so doing it also gives an interesting picture of the growth of racing, a sport as old and older

Captains Stoddard, Heuberger Score But Vikings Lose

Viking Co-Captains Pete Heuberger and Al Stoddard won decisions, at 145 and 165-lbs., and Kenny Reed scored the lone pin for Christiana with the opening 95-lb. event, but Coach Ken Klimke's jayvees graphically lost a 26-17 decision to the Bulldogs at Brandywine last Saturday.

Christiana, with a 2-4 Blue Hen Conference record, entertained the undefeated defending champions of William Penn this Friday at 7:30 in the Viking gym.

Other decision winners for Kilmek's Vikings last Saturday were Eddie Lee at 112 and Heavyweight Steve Horn.

Christiana's Gary Huggler, Pete Bazzel, Jack Hopper, and Glen Hall, lost decisions at 103, 120, 127, and 132-lbs. and Viking Larry Spayd was pinned in the 133-lb. event.

Dick Baechtel was pinned by Brandywine's Buonassanti in the 154-lb. match, and Jim Hackney lost a decision to the Bulldogs' Bailey at 160-lbs.

Golf Course Supt. Ted Roberts, Jr. Gets National Post

Edward (Ted) Roberts, Jr., former superintendent of the Louisa and Nemours golf courses for the Du Pont Country Club, has been named to the executive committee of the Golf Course Superintendents Association of America, which will hold its 35th annual International Turf-Grass Conference in Philadelphia, Feb. 8-14.

Roberts recently was elected secretary-treasurer of the GCSAA, which has 4,000 members throughout the country.

A native of Abington, Pa., Roberts worked under his father when he was superintendent at the Louisa Temple CC, North Hills, Pa. The younger Roberts joined his father at North Hill CC after service in World War II and replaced his Dad when he retired in 1951.

Roberts transferred to the Du Pont in 1954.

Paul Billy Heads Lacrosse At U. D. For 11-Test Card

New Coach Paul Billy and new opponents in Brown and Penn State are in store for the 1964 University of Delaware lacrosse team.

The Blue Hen stickmen, coached by Billy, who came to Delaware from Lafayette last fall, also is head coach of wrestling, and a football assistant coach.

Delaware entertained Brown, an Ivy League member, last spring in an unofficial scrimmage on Fraser Field. The Hens have never met Penn State in the sport before.

There are 11 contests on the Delaware lacrosse 1964 card.

Ciesinski's Squad Vies At Haverford Track-Field Event

Coach Ray Ciesinski's Yellowjacket track and field athletes of Newark High School competed in the Philadelphia Suburban Coaches Meet at Haverford College last Saturday, in preparation for the 1964 Blue Hen Conference campaign.

John Mayer ran the 60-yd. high hurdles, Arthur Wright stepped the 80-yd. dash in 6.6 as the winner took the sprint in 6.3; and Norris Saunders ran the 440, finishing eighth in a stellar field.

Dick Mendenhall competed in the 880; David Rahn and John Ludlow in the mile and two-mile runs; and Jim Stamatoff was Newark's shot put entry.

Hen Cagers Beaten By Rutgers, Owls After Test Layoff

Returning to action at Rutgers last Saturday after a 20-day layoff for semester examinations, Coach Irv Wisniewski's Fighting Blue Hen Cagers were upset 93-60, and last Tuesday night lost a 63-43 thriller to the Temple Owls at Philadelphia.

The loss to Temple was Delaware's first setback in MAC play, and just about spoils the 2-1 Hens' chances for overtaking 3-0 LaSalle for the title.

Capt. Dave Sysko, who needed 14 points to reach the coveted 1,000 mark, had an off-night and fell four shy with 10.

Pete Cloud and Tommy Lyons led the Delaware scoring, each with 12 points.

Trailing 39-34 at the half, Wisniewski's Hens rallied after intermission to outscore the Owls 39-29 — not quite enough.

Coach Don Harnum's Delaware frosh lost the preliminary game 90-66.

Delaware plays Navy at Annapolis tonight, and faces Glassboro State at Carpenter Field House this Saturday at 8:15, with the frosh to play in the preliminary.

Three Teams Undefeated In Hi-Y Basketball Play

Conrad, Dickinson, and the Ram Chargers continue undefeated in the 10-team Western Branch Hi-Y Basketball League, as Conrad topped the Thunderbirds 26-9; Dickinson defeated the Titans 44-25; and the Chargers stopped the Spartans 26-16 last Saturday.

The Centurions beat the Cavaliers 32-18, and the Minutemen topped Conrad II by 31-24.

All games are played Saturday mornings at the Central Junior High School gym.

Duncan Succeeds Irv Wisniewski As Hen Golf Coach

Raymond B. (Scotty) Duncan, assistant director of athletics at the University of Delaware, has been named head coach of the university's varsity golf team.

Scotty succeeds Irv C. (White) Wisniewski, whose Blue Hen linksmen compiled a record of 32-46 in nine seasons.

Wisniewski, head basketball coach at Delaware since 1954, will give up his golf duties to devote full time to spring football practice. The former University of Michigan football and basketball letterman handles the ends on Coach Dave Nelson's grid staff.

Duncan, a native of Waterbury, Conn., joined the Delaware athletic staff in 1955 as faculty manager of athletics. The Delaware graduate served for five years as football basketball coach and head coach at the basketball and track teams at Dover High School; was head football coach for Newark High School, and was elected first president of the Delaware Interscholastic Football Coaches Association.

After a year as a student at Washington College, Duncan came to the University of Delaware as a physical training instructor in the Army Special Training Reserve program and remained afterward as a student. He played varsity basketball, baseball, and football for the Blue Hens.

From 1956 until 1963, Duncan coached the Blue Chick freshman football teams to a 21-10-1 record. His undefeated 1960 frosh squad included most of the men who were to lead the Hens to their national small-college championship and undefeated season in 1963. All-East and Little All-America halfback Mike Brown, a Chicago Bears draftee, played for Duncan in 1960.

Duncan is the faculty golf champion at the university. As the new golf coach, he will inherit members of a 1963 squad that finished 5-7 and placed eighth in the Middle Atlantic Conference tournament.

He resides with his wife, the former Jessie Chatto of Wyoming, Del., at 500 Briar Lane, Newark.

Francis Scott Key Stakes Slated Saturday At Bowie

Three-year-olds will receive their first major opportunity of the Bowie meeting this Saturday with the third running of the \$15,000 added Francis Scott Key Stakes.

The weekend feature will draw the best sophomore stars from the 24 eligibles on the grounds in the six-furlong test.

Colonial Champions Stop Yellowjackets To End Marcantonio's Five-Win Streak

Trailing 12-6, Barry Jones and Co-Capt. Harvey Folk scored falls in the 138 and 145-lb. events to give Coach Andy Marcantonio's undefeated Yellowjacket matmen a 16-12 lead over the defending champions of William Penn last Friday night at the Newark gym, but the unbeaten Colonials of Coach Otis Chapman rallied to win the 154, 165, 180, and heavyweight matches for a 32-16 victory.

Jones put the Yellowjackets back in contention by pinning previously undefeated Tom MacMullan in 3:23, and Folk followed to pin Williams in the third period for Newark's 16-12 advantage.

Chapman rallied to win the 154, 165, 180, and heavyweight matches for a 32-16 victory.

Newark's unbeaten Chuck Shelton won a 5-3 decision over Elrod at 127 for a 12-6 count, and Paul Wickersham of the Yellowjackets lost a 5-1 decision to Smith.

And then came Jones and Folk with five points each to put Newark out in front.

Marcantonio's Yellowjacket matmen meet Dickinson at the Newark gym this Saturday at 2 p.m. Newark is 5-1 in the conference, and Dickinson has a 4-2 record.

Wayne Dauber, Jr. Wins Sight Event In Archery Shoot

Wayne Dauber, Jr., scored 468 to win the sight division, as 41 archers competed in a recent 28-field target shoot at the New Castle Hundred Rod & Gun Club. John Rash and William Dean took second and third spots in this handicap scoring event.

Voyd Walters won the 400 Class men's instinctive shoot with 471, and Irvin Crowe, 370; Joe Jordan, 334; and Joseph Matalone, 290; topped the men's 325 Class shoot. James Kellems won the 250-Class shoot with 290; and Steve Hester, 218; and Bill Griffin, 202, took first and second in the Class-100 event.

Mike McArthur won the junior, and Gordon Toney, III, the bantam division events.

Telephone Additions In '62 Top Record Installations

More telephones were added throughout the world in 1962 than in any previous year. Over nine million additional telephones were placed in service, bringing the world's total up to 139,200,000.

Japan added more than a million telephones in 1962 and became the third ranking country in total telephones.

The United States ranked first with 80,969,000 telephones, followed by the United Kingdom with 8,911,000. Japan had a total of 7,336,007.
