Bicycles, Sundries and
Repairing.

OVER 100,000 MILES

OF

PRACTICAL TESTING.

NOT A SINGLE 1897 Columbia Bicycle was offered for sale until 30 were practically tested. These machines were picked at random. Each was ridden from 1500 to 10,000 miles—100 miles a day, mind you—over the roughest roads in Connecticut. Not a single break in any part of the thirty; not a single frame or fork altered in its adjustment. The bearings were as clean as the day they were sent out.

WE KNOW THAT

COLUMBIA BICYCLES

Will give even greater satisfaction in 1897 than ever before.

In everything which makes Life Insurance safe, desirable and moderate in cost, this Company is unsurpassed.

Provident Life & Trust Co

 OF PHILADELPHIA.

N. W. Cor. 4th and Chestnut Streets,

(Nos. 401-409.)

INSURANCE IN FORCE,	-	-	-	-	\$113,000,000
ASSETS,	-	-	-	-	31,600,000

Issues Life, Endowment and Term Policies which can be made payable to the beneficiary in 10, 15, 20, 25 or 30 equal annual installments. Provision may be made for a definite income to the wife during LIFE.

Its Term policies are issued at low rates and participate in dividends, thus furnishing a large amount of temporary insurance at a moderate cost.

Its Partnership policies are designed to afford protection, in the case of the death of a member of a firm, to the surviving partner or partners. If no longer needed for that purpose, the policies can be converted into insurance on the individual members of the firm.

Life Insurance is needed by all classes; by men of small, of moderate and of large incomes. It is needed by many to save their families from poverty or dependence; and by others as a protection against the deprivation of comforts, conveniences and refinements of living, which by use have become necessities.
