## \$15,610.55 Total Collected In Fund For Fire Company

President John List Urges Mailing Of Contributions To Meet Goal With \$4,000

Treasurer Wallace Butterworth reported a total of \$15,610.55 contributed through yesterday's annual fund drive of the Aetna Hose, Hook and Ladder Company.

Aetna President John List expressed "sincere satisfaction and appreciation with and for public response" to the campaign.

"But we still need about \$4,000," List said, "to attain our goal and 1961 budget of \$19,540 for annual maintenance and operating expenses."

After distributing campaign brochures in a canvass of the Aetna fire district on Sunday, Oct. 30, uniformed volunteer firemen made house-to-house return calls for contributions on the following Sunday, Nov. 6, and collected a total of \$9,280.95.

The Aetna fund drive will continue through the month of November, and those who have not made their contributions for the support of Newark's volunteer fire department and protection of local life property, are urged to mail their donations.

Newark's volunteer fire-fighters receive no pay, and financial assistance from city, county, and state is inadequate to provide necessary protection for the district.

"The attainment of our fund goal is necessary," John List concluded yesterday, "if Newark's volunteer fire department is to continue to provide adequate protection in this ever-growing area."

## Lions To Donate \$400 To Libraries, \$100 Dental Care

To climax their 31st year of public welfare and improvement, members of the Newark Lions Club at their November business meeting at the Newark Country Club approved recommendations of the board of directors to donate \$200 to the Newark Free Library and \$200 to the Newark High School Library for the purchase of new books.

In addition, the Lions made available \$100 for dental care for needy school children.

As a means of building up a new reserve for financial assistance for future welfare projects, the club accepted recommendations of John Murray, chairman of the ways and means committee, to sell fruit cake program in advance of the holiday season. Orders for fruit cake will be accepted at any time by any member of the club.

Lion Al Saindon reported that plans for the 31st annual Charter Night include a banquet and variety program for members and their wives, with officials of Lion District 22-D invited.

Four brave Lions from the Lewes club braved a sea-soup fog to make the 90-mile visitation trip to Newark as a part of their program to visit every club in the district. Lions Dave Truitt, Bill White, Donnie Mitchell and Al Walhouse made up the Lewes delegation.

## Needlework Guild Has In-Gathering For 500 Garments

At the annual in-gathering of the Newark branch of the Needlework Guild of America last week in the Newark Country Club, more than 500 new garments were displayed.

Each of the 18 directors of the local organization contributes two garments herself and collects two garments from 10 more members.

In recent years contributions of money have been accepted, and this is used to purchase specific items such as shoes for individual cases.

Directors for the coming year are Mrs. Alex D. Cobb, Mrs. John H. Cronin, Mrs. Milton Draper, Mrs. J. Harvey Dickey, Mrs. Daniel Stoll, Mrs. Taggart Evans, Anna Frazer, Mrs. Howard Jernee, Mrs. Walter B. Moore, Mrs. Robert Price, Mrs. Robert Lewis, Mrs. Frances H. Leonard, Mrs. John P. Sinclair, Mrs. S. W. Smith, Mrs. Eugene Stiltz, Mrs. Edward W. William, Mrs. Etta Wilson, Mrs. William Holton, Mrs. Thomas Foster, Mrs. Harry Deppert and Mrs. Charles Bedingfield.

Current officers are President Anna Frazer; Mrs. John P. Sinclair, vice-president; Mrs. Robert Price, secretary; and Mrs. Taggart Evans, treasurer.

## Santa Slated To Arrive By B&O Caboose To Greet Youngsters At Shopping Center

Young train enthusiasts will get a double treat on Friday, Nov. 25 when Santa Claus arrives via the B&O Railroad at the Newark Shopping Center.

Santa's electrically heated workshop, built especially for him by the Newark Lumber Company. Children will enter through an old-fashioned Dutch door to be greeted by Santa inside.

Santa will hold court from 11 a. m. to 4 p. m. daily until Christmas Eve. Center merchants again will cooperate with the Newark Recreation Association and various church and community groups in sponsoring Christmas carol singing.

## Students Present New School Flag On Veteran's Day

Ogletown Junior High Principal H. L. Miller Given Transistor Radio

A new 50-star flag for the auditorium was presented to Ogletown Junior High School at Veteran's Day assembly last Friday as a combined gift from the Student Council and the Ogletown chapter of the National Junior Honor Society.

Mitsuko Takano, Student Council president, announced the program, and Joseph Wronowicz, Junior Honor Society president, led opening exercises.

Representatives of youth service organizations who advanced the colors are John Jewell, Boy Scouts; Tamar Kucharsky, Girl Scouts; and Dorothy Whittington, 4-H Clubs.

Musical was provided by the Ogletown Junior High band, directed by Phillip Taylor, and a history of the American flag was given by John Quinlan.

Frances Hoffman, vice-president of the Junior Honor Society, explained the organization and introduced other officers in Tamar Kucharsky, secretary and Mitsuko Takano, treasurer.

A summary of the work of Student Council was given by Earl Mikolitch, vice-president. Other officers presented to the student body were Carol Brennan, secretary and Keith Handing, treasurer.

At 11 o'clock a moment of silence was observed by the students and faculty while taps were played by Karl Wester and Alfred Wilson.

H. Lewis Miller, Ogletown Junior High School principal and newly appointed administrative assistant to the superintendent of the Newark special school district, was presented with a transistor radio as a gift from the students.

Herbert Illingworth introduced the student committee of Nancy Fitzgerald, Audrey Salloway, and Sharon Johnson and they made the presentation to Mr. Miller.

The assembly program was arranged by a committee headed by Ann Seltzer with Lea Thomas, Mitsuko Takano, Yvonne Beard, and Susan Long, assisted by Myron Lazarus, Student Council advisor and Mrs. Russell N. Bonney, Honor Society advisor.

Ushers for the program were Bayard Baylis, Susan Seibel and Susan Long.

A special showcase depicting Betsy Ross making the first flag was arranged by Carol Tyler and Sharyn Mitchell.

## Jaycees, Dealers To Hold Motorama Friday, Saturday

The Newark Jaycees, in cooperation with Newark automobile dealers, will present a motorama with a display of 1961 automobiles, parts and accessories this Friday and Saturday at the former Tom Lawrie Motors showroom, 164 East Main Street.

The motorama will be conducted from 5 to 10 p. m. today and Saturday from 10 a. m. to 6 p. m. with prizes to be given away each hour, Jaycee President Neil Kline reports.

The grand prize—a 17-in. television set donated by Sharrak's Sewing and Appliance Center—will be given away at the close of the show this Saturday.

Grover Biddle is motorama director, and James Lee Sullivan is the Jaycee publicity chairman.

## Combined Choirs To Sing In Sunday Thanksgiving

The combined senior choirs of the First Presbyterian Church of Newark will sing Maunder's "Song of Thanksgiving" at the Thanksgiving service in the church this Sunday afternoon at 4:30 o'clock.

Soloists will be Dorothy Watkins, soprano; Donald Rittenhouse, tenor; and T. Edward Southwell, bass.

Dorothy Williams is organist and the 55-voice chorus will be directed by Charles J. Southwell. The public is invited.

## Launched By Mothers, NHS Grid Banquet Slated For Dec. 3, Grows With Newark

As long as Newark High School has had a football team, mothers of the boys got together at the end of the season and served the team a banquet. Like Newark High School, this idea has grown.

First, somebody back there decided it would be a good idea to include parents of the boys. Then came a year when the boys were invited to bring their parents and a date. Three years ago, with about 60 boys on the squad, it took fathers as well as mothers to whip up that enormous amount of mashed potatoes (and wash the pans).

Parents of this year's football squad have added another improvement. At their first meeting, they organized Lloyd Wolfe, Sr. is president, Howard Cagle is vice-president, and Mrs. John P. Sinclair is secretary-treasurer. The new name chosen for the new organization is the Newark Yellowjacket Booster Club.

At the first meeting Coach Bob Hoffman showed movies of the William Penn game and spoke of his hopes for recognition of his varsity. Boys who played varsity last year

## Newly Appointed Police Chief Slated To Begin Duty, Dec. 1

Newark Police Chief William H. Cunningham To Retire After 33 Years Service; Captain Arthur S. Haussler, New Jersey State Police, Appointed For Local Office

Arthur S. Haussler, chief of the New Jersey state police identification bureau at Trenton, is expected to assume his new duties as Newark chief of police on Dec. 1, with the retirement of William H. Cunningham, veteran Newark law enforcement officer with 33 years of service—32 of them as local chief of police.

Chief Cunningham joined the Newark force as a private under Chief James Keeley in 1927. At that time it was only a two-man force. Cunningham took over as chief in 1928 and has served continuously for the 32 years since then except for six months in the Army in 1942-43. Plans for his retirement were announced last July 27.

By 4-3 Vote Haussler's appointment was approved by a 4-3 vote of Newark's City Council on Oct. 25 upon recommendation of City Manager J. Francis Neide. The three who voted against the appointment wanted one of the veteran captains on the force to be promoted.

Councilman LeRoy Hill's motion to give Sgt. Samuel H. Tabitt—senior member of the Newark police department—a six-month trial as police chief, was defeated by a 3-4 vote with Councilmen William M. Coverdale and Samuel L. Diehl, Jr., supporting Hill's proposal.

City Manager Neide, reporting on his recent interview with Haussler and his superiors, stated that the New Jersey state police captain was highly recommended as an administrator, with specialized experience in organizing and conducting an identification bureau with some 3 million prints, directing 75 civil service personnel and 10 troopers "with no personnel problems."

Captain Haussler was slated to retire from the New Jersey state police force next July.

## Newark Pharmacy Of Frank Tolomeo In New Quarters

Frank Tolomeo and his Newark Pharmacy are back in business at the same old stand in a brand new store which was opened last Monday morning after a fire razed the former frame building on May 4 of this year.

The new Newark Pharmacy at the southwest corner of East Main and South Chapel streets occupies one of three store facilities in a brick, steel, and concrete building, with a second story over the pharmacy occupied by Charles "Bunny" Walter's Newark Billiards Academy—also open.

With a plate glass display window the width of the store on Main Street, the Newark Pharmacy features some 1500 sq. ft. of floor space, display shelves on the east and west walls; a large double display counter in the center of the store; and a partitioned prescription department at the rear of the store to the south.

Of modern motif, the pharmacy includes fluorescent ceiling lighting, pastel walls, and gray-brown asphalt tile flooring.

Harold L. Stanley is the contractor for the project. Frank Tolomeo has planned an official grand opening for his new Newark Pharmacy on the first Saturday in December.

## Bridgeport Plant For CDF Settles 8-Weeks Strike

An eight-week old strike at the Bridgeport (Pa.) plant of Continental-Diamond Fibre Corporation, with home offices in Newark, ended last week when members of Local No. 58, Bridgeport Paper Fibre Workers, voted to accept a new three-year agreement.

The new contract provides a general wage increase of 18 cents a week. How the life of the contract, and improvements in pension and vacation plans.

The issue causing the strike which started Sept. 13 at the expiration of the old contract, was a question of work standards.

Worth Tracy, CDF director of employee relations, stated that this issue "was resolved satisfactorily."

ess Home, and contributions should be left at the church by Nov. 27. Members of the Presbyterian Couples Club will meet for a spaghetti supper in the Hall Memorial Building Saturday evening.

Church Loyalty Sunday will be observed this Sunday at the Christiana Presbyterian Church. All members are urged to turn in a pledge card indicating financial support of the church program for 1961.

Christiana Boy Scout Troop 75 will call at homes throughout the area this Saturday to collect used clothing, toys, and household items for the Goodwill Industries, Inc. Donations will be repaired and sold by the physically and mentally handicapped.

Mrs. Earl Stoddard visited relatives in New York State last week. Abigail Greene, East Main Street, was guest of honor at a linen shower given by Mrs. Kent H. Garson at her home in Monroe Park last Monday evening. Miss Greene's marriage to Mr. John Hartwell Fassnacht of Wilmington will take place Dec. 30.

Harriet Warner, Limestone Acres, was a guest of her cousin Jackie Jones last Tuesday.

Mrs. Howard Greene, vice-chairman, presided at an organizational meeting of the Delaware chapter, American Red Cross, in the Newark New Century Club Tuesday evening.

Sympathy is extended to the family of Mrs. Mary Elizabeth... of Cooch's Bridge Road, who died Friday in Union Memorial Hospital. Besides her husband, she is survived by three children, Carolyn, Karen, and Michael. Funeral services were held Tuesday in South Bend, Ind. Mr. and Mrs. A. J. Jones spent Saturday in New York.

Mrs. J. Leslie Ford, Correspondent  
Phone EA 8-6484

Friends would like to extend their sympathy to the family of Thomas A. Bailey, seven-year-old second grader at Commodore McDonough School in St. Georges, who was pronounced dead on arrival at St. Francis Hospital from asthma.

Funeral services were held Friday at New Castle Presbyterian Church.

New officers of Pencader Grange were installed after a covered dish supper in Pencader Grange Hall on Monday evening. William T. Brooks is the new master.

Mr. and Mrs. Joseph Mitchell, aided by Mr. and Mrs. William Naudain, Mrs. Norman Dempsey, and Mrs. Calvin Ball conducted the installation.

Mrs. Virginia Maucher was elected a new member of the grange.

### Jules N. Wright Wins Yale Academic Honors

Jules N. Wright, a sophomore at Yale, is among six students from Delaware named on the dean's list for outstanding academic achievement.

The son of Mrs. N. A. Wright of 215 Dallam Road, Newark, Jules graduated from Lawrenceville School, N. J., and was a member of the freshman fencing squad and newspaper staff last year.

A 500 card party will be held every Saturday evening in the Grange Hall, beginning Nov. 19, with a committee headed by Mr. and Mrs. James L. McCormick.

Worthy Master William T. Brooks announced appointment of the following committees for 1960 and 61: Home Economics — Audrey Brooks, Mary Hypes, Lucy Butler,

Virginia Correll and Florence Ford; Hospitality — Mary Jane Brooks, Annabelle Weldin, Barbara Massey, Audrey Laws, and Amanda Morris; Membership — Lewis McCormick, Elva Gooden, and Mary Jane Brooks; Finance — Charles Weldin, J. ## NOT EVERYTHING

is at a teachers' meeting:

We are going overboard these days on the idea that, by our children the best and the most, we make them well-rounded individuals. Today's children have televisions in their bedrooms, carry transistor radios to school, and about the money they spend. . . . What we should get through to the parents that their children must be at home that they cannot have everything they want, money and material abundance are not the acme of democracy. . . .

The late President Theodore Roosevelt once said: "The great virtues of courage, honesty, justice, sincerity and hardihood—the virtues that made America the things that will destroy America are prosperity-at-any-cost; safety-first instead of duty-first; the love of soft and the get-rich-quick theory of life."

## Perkins Addresses Parents Of Frosh At UD Conference

Good Habits, Demeanor Of Lady Or Gentleman Cited For Grad Success

"If your freshman is a learner with good work habits, with growing intellectual appreciation and sensitivities, and with the demeanor of a true lady or gentleman, you need not be concerned about what he will do upon graduation," Dr. John A. Perkins, president of the University of Delaware, told a parents conference audience last Saturday.

Speaking before more than half of the 1,100 parents of freshman students who visited the campus for the annual day-long program, Dr. Perkins said that Americans must be "people who are driven not by a dictator, but by self-discipline and inner compulsion."

Dr. Perkins described the university's goals for its students as growth in knowledge in a chosen field of concentration, development of cultural interests, and graduation as citizens with a greater-than-usual sense of responsibility to work for the common good.

Following a box luncheon in Carpenter Field House, parents and their sons and daughters attended the Delaware-Rutgers game. The president's reception in Kent Dining Hall completed the day's formal activities.

The goal of the conference, which has become an annual event on the Delaware campus, is to acquaint parents with the objectives of the university and enlist their support in seeing that they are accomplished.

## Final Weeks In November Last Chances For Bulbs

"The last two weeks in November are the latest you can get away with planting spring flowering bulbs," warns Robert F. Stevens, University of Delaware extension horticulturist.

Stevens suggests planting your bulbs in well-drained soil with tips of tulips six to seven inches below the surface; hyacinths, four inches; and narcissus six to eight inches.

In clay soils you should reduce depth of planting by two inches, although crocuses and snowdrops can be planted two inches deep in all soils.

Fertilizer is not usually needed in good garden soils. If it's used, it should be mixed with the soil before the bulbs are planted. A fertilizer such as 5-10-5 can be applied at the rate of three pounds per 100 sq. ft. Use a small handful of fertilizer for a cluster of three to five bulbs.

## Delaware Food Market Report

By Anne Holberton  
U. of D. Agricultural Extension Service

As you shop this weekend it would be a good idea to place your order for your Thanksgiving turkey, especially if you want a particular size. There will be no shortage among the large-size birds, but the number of lightweight four to eight pounds turkeys is smaller than a year ago. As a consequence, these family-size turkeys will probably cost more per pound, with little prospect for any "specials" to lower the price to that of larger birds. Beef remains plentiful and prices

are reasonable as seasonally heavier cattle marketings continue. For best buys this week, check roasts — particularly rib roasts — steaks and hamburger.

Other good buys at the meat counter are broiler-fryers, with prices low and quality excellent; pork loin roasts, hams, shoulders, sausage, bacon and some cuts of lamb.

Florida grapefruit supplies are back to normal now and prices are averaging 10 to 11 cents apiece with specials bringing the prices down even further. Oranges are also making news this week as prices drop to an average of 39 cents a dozen. The size of this fruit remains small however.

Other good buys in this department

FROM PONTIAC PERFORMANCE SPECIALISTS!

It's primed to scoot on less gas!

Five hot versions of the Trophy 4. Hits 110, 120 h.p. with stick shift. Puts out 130, 140, 155 h.p. with extra-cost automatic. Every one of these inclined, short stroke, 4 cylinder engines will move out in a hurry . . . sail up a steep hill in high gear . . . packs the power for quicker, safer passing. (Also available: a 155 h.p. aluminum V-8.) A choice of two rear transmissions! Standard stick shift synchromesh. Optional automatic with special feature: in high gear 40% of the drive is straight mechanical—60% is through the torque converter. No slip. Top efficiency.

The rear axle drive and transmission are a single assembly. Engine torque is delivered to this trans-axle by a flexible drive shaft. No sudden jerks or rough shifts. Flat! Quiet! Tempest rides like the big ones! Less weight in front. Steering is a breeze—even at slow speeds. Added ballast in the rear. The Tempest churns through sand, mud and snow when the others are spinning their wheels. 4 wheel independent suspension! Each wheel has an independent coil spring. Swing axle in the rear soaks up road shocks at the tire! 112" wheelbase. Passengers sit between the wheels—not over them. Short enough to maneuver like a sports car. Big 15" wheels. Most other compacts have small 13" wheels. Big wheels and tires look better and last longer. Seats six men. No big transmission hump. Seats are 58½" wide—almost five feet. Wide-Track, too. Tempest wheels are set apart farther than the wheels of the other new-size cars. Gives a solid stance. Secure cornering. Your Pontiac dealer is the man to see! There's a four-door sedan and a station wagon. Prices come mighty close—or even beat—the tags on the compacts. If you're figuring on a new car—figure on a Tempest!

St. Michael's Council, Knights of Columbus, was host to candidates initiated into the first degree at the Nov. 9 meeting at Holy Angels Church basement.

Initiation ceremonies were conducted by St. Michael's first degree team with District Deputy Robert A. Gorski officiating. Members of the degree team are Dick Dressel, deputy grand knight; Jim O'Hara, chancellor; Ed Knight, warden; Felix Sczubelek, financial secretary; and Andy Aiello, Norman Hubbs and Jim Erickson, guards.

Candidates initiated from St. Michael's Council are Robert Newman, Daniel McCarthy, Edward Hackman, Anthony Dordano and Charles Harrigan.

George Reeves of the Bank of Delaware, speaker of the evening, discussed "Building Trust Funds."

Committee chairmen for the annual scholarship banquet, to be held early next spring, were announced with Leo Roy, general chairman; Joe Murphy, tickets; Dick Dressel, arrangements; Bob Gorski, program; Charlie Markward, advertisements; Jack Carr, publicity; and Jim Erickson, finance.

All members are urged to attend the Nov. 30 meeting, when memorial services for departed members of the council will be held at Holy Angels.

**Jaycees To Assist At Ferris School**  
This Sunday, Newark Jaycees, along with other Delaware Junior Chamber of Commerce members will combine business with a library project at the Ferris School for Boys near Wilmington.

At the all-day conference with 100 Jaycees representing all 16 chapters of the state, each person attending the meeting has been asked by the host Christiana Hundred chapter to bring novels and textbooks, no longer needed in their home libraries, for boys at the state institution who have few books to read.

David Barksdale of Alabama, a candidate for national vice-president at this summer's Jaycee convocation in St. Louis, will be the guest speaker.

The day's activities will begin with devotion at 9 a.m. and a service of devotion at 9 a.m.

Jaycees who have recently joined local chapters will attend an orientation class from 9:30 to 10:15.

## Hoffman's Yellowjackets Assured Of Tie In League Race; Newark Faces Dickinson

Couch Bob Hoffman's Newark Yellowjackets are assured of a tie at least in the race for the Blue Hen Conference crown. And with the defending champions of Mt. Pleasant and Coach Wayne Pollari tangling with John Modica's busting Brandywiners this Saturday, some change will be made in the current three-way 6-1-0 standings of the league-leading clubs. Should the Green Knights of Mt. Pleasant play the Brandywiners to a tie—and if the Yellowjackets win—Newark will win the conference championship this Saturday.

Last Saturday, the Yellowjackets romped over De La Warr, away, by a score of 46-13, with Halback Lloyd Wells leading the Newark scorers with a pair of touchdowns—one an 84-yarder, and the other a plunge from the five-yard line.

Other Newark touchdowns were scored by Fullback Frank Subito on a five-yard burst; Halback Wayne Widdows, with a 25-yard pass from Co-Captain Guy Cagle at quarterback; Pearl Hubbard, on a 45-yard sprint; and Fullback Joe Hughes, with a 15-yard dash.

Co-Captain Art Carney at guard kicked two extra points to contribute to the De La Warr rout.

However, the host De La Warr jarred the visiting Yellowjackets with a touchdown in the first three plays of the game to take a 6-0

lead as Quarterback Bruce Carlyle passed 23-yards to End Bob Przybyz for the score.

But Newark began to roll in the second quarter, taking a 20-6 lead by halftime.

Dickinson entertains the visiting Yellowjackets this Saturday with kick-off slated for 2 p.m. The Dickinsons are 0-5 for the season, losing last week to Wilmington High, 19-12—the first win of the season for the Red Devils.

Newark will conclude the 1960 season next Thursday with a non-conference contest at home against Elkton High School.

The Thanksgiving Day finale will start at 10 a.m.

## Soph Karl Lorenz Wins Third Place For Ground Gained

Sophomore Halback Karl Lorenz moved up to third place in University of Delaware football statistics this week on the basis of his 95-yard ground-gaining effort in a 22-0 losing battle against Rutgers.

Lorenz, who got his first start at left halfback for the Blue Hens, jumped from fifth place with 200 yards in 44 carries. He leads the team with an even five yards average. He also paces the Hens in kickoff returns. The 190-pounder has taken eight for 183 yards.

Another sophomore, Ron McCoy, of Smyrna, tightened his hold on the individual rushing leadership, and took over total offense honors, with 52 yards against Rutgers. He has gained 370 yards in 108 carries for an average of 3.4 yards.

Other sophomores are fast making their places in Hen statistics. Ollie Baker with seven catches for 108 yards is Delaware's leading pass receiver.

Fullback Jack Gemp, the third sophomore of the backfield regulars, is in fifth place in rushing with 173 yards and an average of 4.1 yards.

## Coach Bill Murray Of Duke To Speak As TD Club Guest

Tickets are available from members of the Newark Touchdown Club for public attendance at the annual banquet on Dec. 7, honoring senior members of the Newark High School football team. Chairman Bill "Bulldog" Murray announced last Monday at the weekly luncheon meeting of the Touchdown Club at the Colony Inn.

Bill "Bulldog" Murray

Another Bill Murray—former Delaware coach, and now head football coach for the powerful Duke Blue Devils at Durham, N. C.—will be the principal speaker. And the two Bill Murrys were associated here in Newark as coach and player—with the Bulldog doing the playing. "Playing?" Mr. Murray may well wonder.

Eric Mayer, president of the Newark Touchdown Club, reported that plastic tooth protectors usually provided by the club for local high school griders, are unavailable this season, and the protective equipment is to be purchased for next year.

The annual banquet will be held at the Newark Country Club at 5:30 p.m. The program will include a presentation of the trophy to the team.

Gerald "Doc" Doherty, former Delaware athlete and coach, will be the toastmaster.

Ben has a six-pound bass he wants you to see," Mrs. June Peoples telephoned last Sunday afternoon to terminate some futile finangling with the television set in lost effort to get a Baltimore channel picture of the Colts at Chicago.

And Ben Peoples did have a six-pound large-mouthed black bass—a beauty still fresh and fragrant from State Pond near St. Georges in New Castle County.

Big Ben, a transplanted Tennessee now employed at the New Castle Air Base as vice-president of operations and maintenance for Capitol Airways, Inc., reported a bit ruefully: "No, I didn't catch it. Stanley Nichols, supervisor of our crop shop, caught it with a fly rod and a live minnow—along with 15 big crappie weighing up to 1½-pounds. What a fish!" Mr. Peoples said with a look of longing at the big bass.

Ben, however, has had plenty of first hand experience with big fish, from bass to tarpon, and we appreciate inspected a stuffed specimen of large-mouthed black bass adorning the Peoples living room off Nottingham Road—a monster of eight pounds, one ounce, which Ben caught on a Doll Fly while fishing with Mrs. Peoples in the TVA lake region some 60 miles from Nashville.

Young Jeff Peoples, a nine-year-old, is a fishing enthusiast, too with the distinction of catching a catfish on a "poppin' bug" with a fly rod.

## Riding Stars Of Racing's "Golden Age" Feature Pimlico's Jockey Hall Of Fame

The period of race riding's greatest splendor is reflected in the list of members and present candidates for the National Jockeys Hall of Fame at Pimlico.

Starting just before World War I and continuing through the Golden Age of Sports—the 1920's—racing attracted a never-equalled group of saddle stars.

They flourished in a charged atmosphere of the keenest competition for good mounts and bitter personal rivalry. The rules covering race riding practices were gradually being tightened, but it was still largely free-for-all competition when a jockey had to protect himself as well as his mount in a race.

But because of this jockey had to be better all round horseman than today's saddle stars. There was no automatic starting gate and the good "post rider" was as much in demand as the strong finisher. There was no film patrol and no photo finish.

This was the era that gave racing Earle Sande who was elected to the National Jockeys Hall of Fame on the first ballot by the biggest vote total ever given a candidate.

Laverne Fator, another star of the time, was elected to the Hall of Fame in 1958. Mack Garner, a great rival of Sande's, was elected in 1959.

from the Christiansa near the bridge off Nottingham Road below Nutter's store. And along with the catfish, Jeff has caught a big eel, some fallfish and sunnies from the brook near Newark—all of which has taken a bit of doing.

Eugene Coleman of Newark killed a 220-pound, nine-point buck—the largest deer reported in New Castle County during Delaware's two-day shotgun season for deer last Friday and Saturday, as hunters in the Diamond State recorded a total of 529 whitetails via the gunpowder route, plus another 12 with the long bow during the month-long season in October. Last year, the state deer kill totaled 558.

And young Joe Studier of Chestnut Hill Estates, killed his first deer—an eight pointer dressing out at 165-pounds.

Joe based his buck on Polly Drummond Hill with a pump-gun after drawing a blank—lots of blanks—during the bow and arrow season.

Young Joe heard a fierce fusillade some distance away from his stand, followed by a period of quiet, and then the quiet was disturbed by a nearby rustling in the brush. The Studier equanimity was disturbed along with the quiet when instead of the expected rabbit, an eight-point, gray-brown buck, whitetail stepped out of the woods.

Joe fired—no visible buck ague there—and when the deer shifted gears with no sign of physical impairment in an obvious plan to leave the vicinity in a hurry, the young Nimrod pumped out the spent shell, squeezed the trigger—and a cold click instead of a deep-throated thunder ensued—a misfire.

In haste, too state it mildly, Joe jammed the pump gun mechanism again, and this time the gun bellowed and bucked and the buck collapsed in a heap for the boy's first and always memorable deer.

Dan Hamilton, hunting near Bombay Hook from a tidal blind with a noon opening last Wednesday, collected his limit of big black ducks and was out of the marsh by 3 p.m. that same day.

## Blue Chick Frosh Of Scotty Duncan Finish 5-0 Season

Coach Scotty Duncan's freshman football team came from behind twice to defeat Temple, 18-13, on Saturday and complete the campaign with an undefeated 5-0 record.

Against the Chicks, Temple, unbeaten in three games, scored first and held a 6-0 halftime lead.

Delaware tied it up in the third quarter on a 43-yard drive with Mike Brown, halfback from Wilmington, going the final 10.

The Blue Hens took a 12-6 lead early in the fourth period, when Don James, guard from Delmar, blocked a Temple punt on the eight and fullback Pete Flink scored shortly after from the one.

A touchdown and an extra point gave the host twis a 13-12 edge moments later, but the Hens took the ensuing kickoff and drove 70 yards, featured by a 41-yard pass from Quarterback Charles Zolak, to Fullback Vic Niemi. Flink scored in a plunge from the three.

Green Ghosts Face Birds In Little League Finale

The Green Ghosts will meet the Hummingbirds in a Capitol Trail Little League football game this Sunday at 1 p.m.—the last league game of the season, and one that could decide the club championship, Jack Gyger reports.

Last Saturday, the Green Ghosts defeated the Dixon Drivers of Paulsboro, N. J., in a 26-0 thriller at the Red Mill field near Newark.

Admission is free and Gyger urges "come on out and show the boys we are solidly behind them."

## Nelson Matches Murray's Final Season With 2-5-1 Log - Bucknell Still Ahead

Coach Davey Nelson has experienced his first losing season at Delaware with the Fightin' Blue Hens' 22-0 loss to top-ranked Rutgers at the stadium in Newark last Saturday. And if the Hens lose their final game of the 1960 season in a Newark home stand against Bucknell's Bisons this Saturday beginning at 1:30 p.m., the Admiral will wind up his 10th year at Delaware with a 1960 campaign comparable with that of former Delaware Coach Bill Murray who posted a 2-5-1 record in his last year at Delaware. The Hens are 2-5-1 at present—and the Bucknell issue is far from decided.

Mr. Murray, incidentally, did well at Delaware despite his last, losing season—the only one in an eight-year coaching tenure at Newark. And Coach Murray, leaving Delaware for Duke University, experienced some rough going in North Carolina before coming up with his current powerhouse as the No. 3 Dunkel team in the South.

Nelson has been the most successful coach in Blue Hen history. In compiling a 56-27-2 record, he has led the Hens to a Refrigerator Bowl victory, and last year to the Lambert Cup and Middle Atlantic Conference titles.

The shutout by Rutgers was only the third suffered by Delaware under Nelson, whose teams have delivered 11 blankings. Bowling Green shut out the Hens in 1957, and Lafayette did it by the margin of a field goal earlier this season.

Coach Bob Odell's Bisons will invade Newark with an imposing 4-1 record in Middle Atlantic Conference competition. Bucknell's only loss was to Rutgers, 8-0, and the Bisons have an All-American quarterback candidate in Paul Terhes, who pitched three touchdowns passes in a 23-0 route of Temple last week.

Terhes completed 23 of 38 passes in a game the Hens won 22-6. He has been the big cog in the Blue Hens' pin-point throwing attack.

The Blue Hens suffering personnel problems caused by injury and graduation, have been steadily improving behind the development of sophomores. They were outmanned by Rutgers who threw two touchdowns at the Delaware all afternoon while six injured Hen players sat on the bench.

The game but out-manned Hens had several good moments. A fine showing of sophomore Lorenz, of Riverdale, N. J., filled in nicely for injured teammate Tommy Michaels with 86 yards in 20 carries.

Reeling off mileage at five yards a clip, Lorenz was voted the star of his first start of the game, and sparked the Hen ground game, including its only real touchdown, a four yard plunge by Lorenz.

Fullback Bill Regan lost To Hens For Bison Game

Coach Dave Nelson announced Monday that Bill Regan, junior back from Baltimore, will be out of Delaware's final football game against Bucknell this Saturday. Regan sustained an ankle injury early in a week's game with Rutgers.

Recently elevated to the string, Regan was showing promise, gaining 22 yards in three in two games.

Nelson said he will move Regan to the right half to fill the vacant spot.

The two-way exchange program will send professors from the University of Montreal to the University of Delaware later this year.

Professor Mosher will lecture on "Organic Oxidation Mechanisms," and "Pyridine Chemistry," and give a special commemorative lecture on "Molecular Rearrangements" to celebrate the 100th anniversary of the discovery of the first organic rearrangement reaction.

Dr. Mosher, past chairman of the Delaware section of the American Chemical Society, is internationally known for his research in oxidation mechanisms and for his discovery of rearrangement reactions.

Mosher To Deliver  
Montreal Lecture  
In Exchange Plan

Dr. William A. Mosher, chairman of the department of chemistry at the University of Delaware, has been named the first Herbert H. Lank Lecturer at the University of Montreal. He will deliver a series of lectures and seminars at the Canadian institution this week.

The lecture is named in honor of Dr. Herbert H. Lank, a 1925 graduate of the University of Delaware who was awarded an honorary doctor of science degree in 1959. Mr. Lank is president of Du Pont of Canada.

Speaking of Money...

"New fund-raising  
ideas for clubs"

Club officers have been after me to find any new solution to this old problem: how to raise money. Here are a few new ways to raise club funds that I have been able to round up. I'll skip all the old standbys—the raffles, the turkey shoots, the church suppers—you know the list.

But here's one... the men's club of a downtown church in New York City needed funds under crash program conditions. It was a church where very few of the men worked on Saturdays. Therefore, on Monday morning a committee from the church went down to the government employment agency and asked if they could find work for every man in the club for one day next Saturday. "Well, when you're only going to work one day," the man explained, looking at their suits, "you don't get very fancy jobs. But there is an area of employment called spot labor. Calls come in for one man for two hours, three hours, eight hours. The agency sends out a man. He works. Gets paid right on the spot. That's why they call it spot labor."

The church men reported in... 280 of them... Saturday morning. The jobs were rough

... dish washing, unloading trucks, hauling rubbish. But the men's club raised \$970.36 in one day.

Now here's one... a church in Kansas City needed funds. A businessman on the vestry came up with a unique fund-raising idea. The church took \$6000 from its general fund, used it as a partial payment on a used power shovel. Borrowed the balance from the bank. There were some other outlays necessary for insurance and repairs. Then they leased the shovel to small contractors. The shovel has been busy except for one three-month period.

Here's another one... a sportsman's club in Kentucky needed some fair-sized money for a club house addition. Eight club members had three-week vacations, one had a four-week vacation. These nine men volunteered to work one week of their vacations at odd jobs and turn in the money to the club. They had four men who were retired. These men volunteered to work a month. The others worked two weeks of nights.

A woman's club in Lakewood, Ohio, started a catering service to furnish hors d'oeuvres to the three churches in its neighborhood.

Speaking for the Wilmington Savings Fund Society

A men's lodge in Akron put on a very well-rehearsed circus using domestic animals and internal acts.

A young women's club in Cincinnati had three advanced amateur photographers in it. They rented a medium-sized elephant and took pictures of children riding the elephant. They would call for the child and return him home after the picture was taken.

I have collected a few more good ideas, but I want to check them out to see if they actually made good profits for the clubs before reporting on them.

## "Man, What You Need Is Some Excuses!" Bob Stevens Advises Husbands On Lawns

You want to watch the football game but your wife wants you to trim the shrubbery. Man, what you need is some excuses," says Robert F. Stevens, extension horticulturist at the University of Delaware, who has a few ready answers for disturbed husbands to toss over their shoulder at the little woman while tuning in the game.

Take grass, now, Stevens says, "It won't grow much more unless we have a warm spell and it should be left two or three inches high through the winter anyhow."

"If she brings up shrubbery you have her cold. It's the wrong time of year," Stevens says. "Anytime after February is okay, but she'll probably forget about it by then."

If she tries the old "why don't you spread that bag of fertilizer you've had in the garage for three years?" bit again, just tell her that Stevens says it's the wrong time of year. The best time to apply fertilizer is in late winter or early spring.

Of course the weather will take care of the bugs so she can't get a first down with the spraying kick, either.

The only serious problem that Stevens sees is the obvious one that most husbands have been worrying about for several weeks—that's right, leaves!

Stevens says there are several things you can do with leaves but they all involve more than watching them blow past the window.

He says that if you leave them out there, they may smother the grass. Of course, some husbands will say this is a fine idea but chances are this line of argument won't get you past the line of scrimmage with Mom.

However, Stevens doesn't say that we should fall back and kick. You have to think your way out of this thing.

He suggests you wait until your neighbor is out raking leaves. Then go out with the rake and work briskly for a few minutes. Pretty soon you slip over and explain to him the great value of leaves as mulch around shrubbery or as organic matter in the flower beds and in the garden.

Dwell upon the benefits of compost leaves and then offer to sell yours to him. He'll refuse of course.

## Elizabeth Erickson Joins Marines On Anniversary

The U. S. Marine Corps added a 19-year-old Newark girl to its ranks on its 155th birthday anniversary last week.

Elizabeth Bada Erickson, 19, daughter of Mr. and Mrs. John Oscar Erickson of 28 Malvesta Circle, will leave for Parris Island, S. C., on Jan. 2 for a 10-week basic training course.

Miss Erickson is an honor graduate of Middletown Township (N.J.) High School, where she was outstanding in sports.

Miss (Private) Erickson joined the Marines under the 120-day delay program, which enabled her to be enlisted with pay credits and to have the choice of not leaving for training until after New Year's.

## Baird To Lecture Saturday Morning In Campus Series

Dr. George H. Baird, executive director of the Educational Research Council of Greater Cleveland will discuss the formation and operation of the council Saturday morning in a lecture at the University of Delaware, the fourth in the current series entitled "Experiments in Education" being presented through university extension by the school of education.

Dr. Baird will speak at 9 a.m. in Wolf Hall Auditorium, and tickets to the lecture may be purchased at the door by the public.

Faculty and full-time students at the university, as well as extension students enrolled in the seminar on educational administration will be admitted free.

The final lecture in the series will be offered on Saturday, Dec. 10, by Dr. Muriel Crosby, assistant superintendent in charge of elementary education for the Wilmington Public Schools.

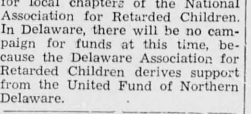

## RETARDED CHILDREN'S WEEK

The period Nov. 13-24 has been designated National Retarded Children's Week, and in some states will be the occasion for fund drives for local chapters of the National Association for Retarded Children.

In Delaware, there will be no campaign for funds at this time, because the Delaware Association for Retarded Children derives support from the United Fund of Northern Delaware.

(Continued from Page 1)

Joe Shields is "Papa" Biddle, an unorthodox millionaire who fights pro boxers and raises alligators in the house.

Lois Young plays Mrs. Biddle, helping to keep Joe within reason and respectability.

The love affair of Linda Boone and Joe Talarowski as Cordelia Biddle and Angier Duke is a romping and roaring affair.

Dorothy Dutton plays Mrs. Benjamin Duke, Angier's dominating mother, custodian of a \$90,000,000 inheritance.

The Shields household scores twice in "Millionaire" with Mrs. Billie as Aunt Mary Drexel, an inlaw who doesn't approve of Joe's uninhibited antics.

Other Biddles are Tony and Livingston, played by Ed Myers and Gary Reichard.

Alan Duff, a veteran UDG trooper, plays John Lawless, a gentleman's gentleman whose duties include the systematic smashing of a fine wine cellar when "Papa" goes on a temperance binge.

Jeri Patridge as Cousin Lucy Ritzenhouse; Herb Illingworth as Prizefighter O'Malley; and Joe Wilson as a college student being sent to Penn by Papa Biddle complete the cast.
