## FARMERS TRUST NAMES E. CAMPBELL TREASURER

### New Official Employed By Bank Here For Past 29 Years

Miss Edna A. Campbell, who has seen 29 years service with the Farmers Trust Company here, has been appointed treasurer of that institution, bank officials announced yesterday.

Also disclosed was the appointment of H. Lloyd Yarnall as new assistant treasurer. Both were approved by the Board of Directors.

Miss Campbell, who joined the Farmers Trust in 1918, previously served as secretary and assistant treasurer.

The Board of Directors has also re-named Daniel Thompson as president and J. E. Dougherty as vice-president.

In a statement issued this week, bank officials further revealed that deposits at the Farmers Trust, exclusive of U. S. Government, increased by \$100,000 during 1946 and now total over five million dollars. Total assets have soared to over 5 and a half millions, it was said.

The bank, which was established here 91 years ago in 1856, has always confined itself almost entirely to strictly local financing and has come to be regarded as exclusively a community bank.

The Board of Directors now includes: J. Rankin Davis, Edna A. Campbell, J. H. Denison, J. E. Dougherty, A. F. Fader, James K. McKenzie, John B. Moore, Dr. Ellice McDonald, C. E. Fittenhouse and Daniel Thompson.

## NHS DRAMA CLASS CASTS BARRIE PLAY

### Performances Are Scheduled For Feb. 19-20

The next production by the Newark High School dramatics class will be "The Little Minister," by James Barrie, to be offered on February 19 and 20. The first will be a matinee and the second an evening performance.

The local version is under the direction of Miss Ann Stauter, faculty advisor, and Miss Joyce Wollaston, student director.

Jack Fossett will play the leading role of the "Little Minister," and Patsy Ann Chalmers will take the part of "Bobbie," a gypsy girl.

Others are cast as follows: Margaret Dismart, the ministers mother, Elizabeth Dawson; Jean McFadden, the new servant girl, Jeannette Morris; Nora McLaren, a neighbor woman, Patsy Reynolds; Lord Rintoul, a wealthy landowner, Bill Hutton; Rob Dow, a wayward chap, Sherman White; Dr. McQueen, the village physician, Gordon Clowes; Sergeant Ballwell, an officer, Joseph Zappi; Effie, Rob Dow's little daughter, Jacqueline Davis; Nanny Webster, on her way to the poorhouse, Lynette Steiner.

## VFW POST INDUCTS 8

### Deadline On Dues Feb. 7

Eight new members were recently inducted by the local Veterans of Foreign Wars Post, No. 475, Comm. Drexel Harrington said this week. They are: William Miller, Charles Walters, Abe Hoffman, Olin Thomas, John Jackson, Raymond Ewing, James Malone and Joseph Lutton.

A number of membership renewals have also been received, it was said. The deadline on paying this year's dues is February 7, post officials said. Members who have thus far failed to pay their 1947 dues are urged to do so through Thomas Campbell, post quartermaster, from whom new cards can be secured.

Further action has also been taken in the post's expansion program. A ping-pong table and a dart board were recently purchased for the recreation room and an athletic program is being organized.

## Lions Favor CDEI Plan For Teacher Pay Boosts

A resolution supporting the legislative program proposed by the Council for Delaware Education, Inc., was unanimously adopted by the members of the Newark Lions Club at their regular dinner session on Tuesday evening. President Ira C. Shellenber presided.

Chief proposal of the Council's program calls for a minimum salary for new teachers with four years training of \$2400 annually and a thirty per cent raise in state board salary.

A delegation of local Lions attended the Charter Night program of the new organized Chesapeake City Lions Club recently. Tuesday's session here was principally a business meeting.

Program chairman next week will be N. M. Clark.

## 3RD PERIOD NHS HONOR ROLLS LIST 51 STUDENTS

### 33 Pupils Carried On 1st Roster; 18 On 2nd

Fifty-one students won places on the first and second honor roll for the third marking period at the Newark High School, according to the list released yesterday by school authorities.

A total of 33 pupils were listed on the first roll and 18 in the second. Homeroom 12A led all classes in the number of merit students, with five on the first roll and two on the second.

The complete list follows:

## CUBS IN CONTEST

### Pack 56 Gives Project Prizes

Results of a handicraft contest carried out by Cub Pack 56 the past five months were announced this week. Following the judging of January's projects, Den three and five were tied for first place with 10 points each, while Den 6 finished second with nine points.

Members of the winning dens will be guests at a University of Delaware basketball game soon, it was said.

Advancements were presented Martin Johnson and Charles McCauley at the regular meeting of the pack recently. One year stars were presented Martin Johnson and Arthur Boulden.

Means by which cubs become eligible to graduate into the scouts were outlined by Avery Goddin, scoutmaster of Troop 56, in a brief talk. Mr. Goddin expressed the hope that the cubs would be ready to enter local scout troops when they attain the age level.

## Newly Built House Here Severely Damaged By Fire

Fire caused damage estimated at \$1500 Tuesday night to the new one-and-one-half story dwelling, owned by Vincent Meyers, on Elkton Road. The house had just been completed.

The flames started in the cellar and burned out much of the lower portion of the house as well as the kitchen floor before firemen were able to bring it under control. Cause of the blaze is unknown.

## COUNCIL ISSUES 4 BUILDING PERMITS

### Approves New Construction During Month To Cost \$6,225

Requests for building permits fell off considerably here during January, with only four being issued by Town Council, authorizing new construction totaling \$6,225. The largest went to Lincoln Armstrong for a one-story frame dwelling on Wyoming Road, to cost \$4,500.

The remainder were granted as follows: George Martin for a \$500 addition to showroom at 173 East Main Street; Danita Hosier Mill for \$225 in alterations; Rev. M. J. Kraemer for a \$1900 cone sleep garage.

Town Treasurer Vernon Steele's report for January, submitted to Council Monday night, listed electric light receipts for the month totaling \$11,788.30, plus electric power returns of \$4,561.39 and water rents amounting to \$1,028. Total cash receipts were \$49,545.36, less disbursements of \$30,128.04 for a total cash on hand as of January 31, of \$19,417.32.

Town Engineer Cleaver Price reported that two transformers had been changed and a new one installed during the month to relieve overload conditions. One new electric service was connected. The report also listed installation of five water taps, four sewer connections, two services renewed, one valve and two leaks repaired during the month.

Work on additions to the sewage treatment plant is now seventy-eight per cent complete, the report said.

During January 17,284,000 gallons of water were pumped for a daily average of 557,550 gallons, an increase of 23,308 gallons daily over December and a jump of 1,740,516 gallons over January a year ago.

## PUSH RED CROSS DRIVE PLANS HERE

### Quota Not Yet Set By Committee

Further details on the local Red Cross drive to be conducted here throughout March were worked out at a meeting of the general committee Sunday in the offices of Dr. John R. Downes, chairman.

A quota was not fixed by the committee since the Delaware Chapter has not yet allotted drive goals to branch areas, it was said. It is expected, however, that residential quotas will be virtually the same as last year inasmuch as current Red Cross needs, particularly for home service, are so great. The greatest portion of such funds, it was said, go to meet the needs of veterans and their families.

It was further announced that Mr. and Mrs. E. L. Shakespeare have been appointed co-treasurers for the campaign.

The committee also decided to put the main reliance on a house-to-house campaign, as in previous years, rather than on solicitations from industrial groups. In this way, local residents will be approached only once for support.

## State Ruling Carries Pay Raises For Teachers Here

Local teachers will benefit by Senate Bill 18, calling for a temporary salary increase of \$200 annually for all state employees, which recently passed both the Senate and House of the General Assembly. Word that the bill had been adopted was received here by Newark school officials this week.

The increase is effective as of January 1, and, it is believed, applies only to this year.

In regard to teachers, the increase will be paid over the six month period from January to June and will amount to about \$20 monthly. By the opening of the school term next September, it is expected a new salary schedule for teachers, calling for substantial increases, will have been adopted by the state. The present measure is regarded as more or less a stop-gap and will probably be superseded by a salary scale somewhat in line with the proposals currently being pushed by the Council for Delaware Education, Inc., which call for a minimum of \$2400 for teachers annually.

## ST. THOMAS TO DEDICATE WAR PLAQUE THIS SUNDAY

### New Memorial Altar Will Also Be Installed In Episcopal Church

A bronze plaque, honoring the 43 members of St. Thomas Episcopal parish who served in World War II, will be dedicated in special services at the church this Sunday. The plaque, which is being placed in the right rear of the church near the entrance, is the gift of Mrs. J. P. Wright.

Also announced were plans for erecting a new altar in the sanctuary of the church as a servicemen's memorial. Immediate steps towards purchase and installation of the altar are being taken, it was said.

The dedication of the plaque Sunday will be held immediately after the second lesson and Benedictus in morning prayer. During the singing of "God of Our Fathers," the rector will proceed to the rear of the church, where a special lesson, Ecclesiasticus 44:1-15 will be read, after which the plaque will be unveiled by the members of the vestry. A prayer of dedication will be recited, followed by a blessing. The hymn, "Rise Up O Men of God" will be sung during a procession back to the chancel of the church. The service will continue with the reciting of the Apostles' Creed.

## TARUMIANZ ADDRESSES CLUBWOMEN

### Group Hears Tibbet Discuss Local Robberies

The two greatest enemies of society are mild maladjustment and alcoholism said Dr. M. A. Tarumianz, superintendent of the Delaware State Hospital at Farnhurst in an address Monday afternoon at the Newark New Century Club.

Dr. Tarumianz, discussed details of the proposed Delaware State Health and Welfare Center at Fort DuPont, the establishment of which, he said, has been a cherished scheme of his for the past 15 years.

The new center, which he hopes will become a model for such institutions throughout the United States, will provide, among other things, for the treatment of slightly maladjusted individuals and alcoholics, who, he believes, are in need of specialized attention.

Mrs. R. O. Bausman, president, presided, and Mrs. Walter Hultihen, chairman of the Welfare Committee, introduced the speaker.

The clubwomen also heard a timely discussion by Police Officer Samuel Tibbett, who gave details on the series of robberies plaguing the town and also facts on the unknown individual who has terrorized several local women. Officer Tibbett outlined precautions the public should take and particularly stressed that, when making police calls, individuals should be certain to leave their name and address. Excited residents often phone police then hang up before identifying themselves.

An exhibit of old books, including Civil War ballads and songs, was featured on the fine arts table. The collection also contained an Atlas of the Heavens published in 1835 and old textbooks of etiquette. The display was arranged by Mrs. A. D. Cobb.

Tea was served by Mrs. George Haney and her committee: Mrs. Mortimer Palmer, Mrs. Robert Davis, Mrs. Paul Pie, Mrs. Wilson Price, Mrs. Jack Pie. Tea hostess was Mrs. Milton Draper.

## Cast Chosen For Senior Class Play

The Newark High School senior class is scheduled to present "The Hoosier Schoolmaster," by Pauline Phelps, on March 28 and 29th. Tryouts for the play were held recently. The judges were Miss Ann Stauter, Mr. Nick Kozovich, Mrs. Mary Armstrong, and Miss Ann Callahan.

Major parts in the play will be portrayed by Patricia Reynolds, Paul Kraemer, Jeannette Morris, and Joe Sweeney; minor parts by Sherman White, Ethel Weaver, Joan Brown, Horace Pratt, Tom Phillips, Alton Haney, and Joyce Wollaston.

## Waste Paper Collection By Boy Scouts Saturday

A waste paper collection will be carried out by the members of Boy Scout Troop 56 this Saturday, Scoutmaster Avery Goddin announced yesterday.

Purpose of the drive will be to raise funds for establishing a permanent camping site for the Scouts. Need for such a site has long been recognized. A location for the camp has not been chosen as yet, it was said.

Residents are urged to cooperate with the drive, in which teams of Scouts will accompany a collection truck. Sections north of Main Street and west of College Avenue, along with Main Street itself, will be covered by the Scouts.

The drive will get underway early Saturday morning, and residents are asked to have their paper bundled, if possible.

## 2 CUB PACKS PLAN JOINT BANQUET ON FEBRUARY 20

### New Members Are Inducted By Pack 55 At Jan. Meet

The annual dinner of cub packs 55 and 56 will be held February 20 at 8:15 p. m., in the Presbyterian Church, it was announced yesterday. Parents and friends of the members are invited to attend the joint affair, for which a varied entertainment program is being planned.

Three new members were inducted into Pack 55 and several awards were presented at the January meeting of the group Friday in the Methodist Church, with Chairman Charles A. Zittle presiding.

The new members are: Harold Hamilton, Billy Lawson and Jerry Taylor. The new cubs were welcomed by the entire pack. Billy Doyle and Harold Hamilton won first and second prize respectively in the January handicraft competition, judged by a committee of parents.

A brief discussion of future plans for the pack was given by Cubmaster G. A. Neville, in his first talk to the cubs since his recent appointment. He also touched on the February handicraft theme, "Blue and Gold," which commemorates the beginning of the Boy Scout movement in America.

The cubs' parents also heard Milton L. Draper discuss highlights of cubbing (Please turn to page 5)

## ACTION ON ROBBERIES UNDERWAY

### Five Homes Broken Into On Saturday

The Newark Police Force this week took emergency measures to combat the recent wave of robberies which reached a climax here last Saturday night when five homes were broken into and considerable sums of money and other articles were taken.

Although the exact nature of the increased precautions were not disclosed for security reasons, Police Commissioner Norman Battersby said the local force has been augmented and stringent steps taken to insure adequate police protection.

Last Saturday's series of five robberies in rapid succession followed a similar outbreak a week ago when two homes were burglarized and large amounts of cash taken.

The burglar was all but trapped here last Saturday night when he was trailed to the woods behind the Bio-Chemical Laboratory. The entire local force was called into action and was aided in the search by residents of the area. At one point the robber was seen and fired upon but he disappeared again in the woods and was lost. One of the shots broke the living room window of Col. E. P. Jls, 225 East Park Place.

Homes entered by the robber included the residence of Charles M. Gibb, 304 Ashley Road, where approximately \$50 and a camera was taken. An additional \$46 was picked up at the home of E. H. Vernon, 241 East Park Place, and a .45 cal. Colt automatic was stolen from Robert E. Stewart, 327 Wyoming Road. The other two victims were Edward M. Wilson, 325 Wyoming Road and James E. Thompson, 303 Ashley Road.

## PROPOSE FIRE AND BUILDING CODE HERE

### Council Plans To Adopt Fire, Plumbing And Building Rule

New buildings in Newark will hereafter be subjected to fire, building and plumbing inspections if an ordinance now being considered by town authorities is finally adopted. The proposed ruling will also create offices of municipal inspectors for each of the three codes.

Council has directed the town solicitor to draft the ordinance in time to present at the March session of Council for a vote. Decision to adopt the long-sought code for Newark was made at the February meeting of Council on Monday night.

The proposed ordinance will set up regulations on fire safety precautions and fix building and plumbing standards which will apply to all new construction here.

Elmer J. Ellison, fire chief, has been suggested as a possible candidate for the fire inspector's post. No one has been proposed to fill the others as yet.

Council also authorized the trimming and pruning of 28 large trees and the removal of three others on the west side of South College Avenue. The aged maples, encumbered by heavy, dead limbs are a danger to pedestrians and traffic, as well as a hazard to overhead wires in the area.

The work, which will get underway immediately, will be carried out by Willis Jackson at a cost of \$1305.

## AUXILIARY UNIT HEARS DOLAN TALK

### Americanism Is Theme Of Feb. Meeting

Paul Dolan, instructor in history and political science at the University of Delaware discussed "Americanism" at the February meeting of the J. A. O'Daniel Unit, No. 10, on Monday evening. February has been designated as Americanism Month by the Auxiliary, it was said.

Mrs. Leonard Rhodes, president, presided and Mrs. Robert Davis, chairman, introduced the speaker. The latter also announced that the local unit will again direct an essay contest for the pupils of the Newark High School. Topic of the contest, which will be sponsored by the national organization, will be "America's Contribution for a Permanent Peace."

A splendid musical program was given by Mrs. Floyd Jackson, and reports were heard on work carried out by the unit at Christmas for hospitalized veterans and also for veteran's children.

It was further announced that the unit has contributed \$50 towards equipment and furniture for the Veterans Administration Hospital at the New Castle Airport. Over \$600 has been raised for the project by the Department of Delaware, it was said.

## TEACHERS BACK CDEI

### Local Staff At State Meet

Five local faculty members represented the Newark Schools at the delegate assembly of the Delaware State Education Association on Monday night, which instructed its legislative committee to coordinate their teacher's legislative program with that of the Council for Delaware Education, Inc.

The local delegates were: H. Lewis Miller, Ann Stauter, George Nickle, Miss Mary Melvin and Raymond Justin. The session, which was held in the Caesar Rodney High School, drew 161 delegates representing all but two of Delaware's public schools.

A meeting of the New Castle County Teachers Association will be held in the Newark High auditorium on Friday, Feb. 21, when Fred P. Hare, public relations director of the Pennsylvania State Education Association, will be the speaker.

## FARMERS BANK OF THE STATE OF DELAWARE HAS SURVIVED EVERY DEPRESSION, INFLATION AND WAR ERA SINCE 1807

"Unusual" is the word for Farmers Bank of the State of Delaware, for not only is it a highly valued institution in the region, but it measures up to being the first bank of the first city of the first state.

It's record of unusual length and accomplishment dates back to 1807 when it was organized by the sovereign state of Delaware for state funds as the need

for a bank for community and state became apparent. Its beginning was humble, yet it had that quality of solidarity and unmistakable factor of good management that wins friends. The bank opened in Dover and established another location in Wilmington in 1813 where its career began anew for in the growing metropolis of that distant day men wanted a safe place for their savings and the service

of a financial institution that had its eye on the future.

A state-wide organization with offices in Dover and Georgetown to serve the capital and the far end of the state, Farmers Bank of the State of Delaware operates Wilmington offices at 3rd and Market Streets and 9th and Shipley Streets.

With conservation a watchword and adherence to the middle-of-the-road

policy a thorough-going success aid over the period of six wars and untold meanderings of the economic barometer, the backbone of many personal and business financial successes has a record of unbroken dividend declarations behind it.

It is the official depository for state funds and provides its clients with savings, checking and Christmas club accounts, offers a complete mortgage

service and provides loans with particular emphasis on the GI loan plan. Deposits totaled \$44,186,966.81 and assets were \$50,121,961.09 as of December 31.

Officials are: William K. Paton, president at Dover and president of the group; O. H. P. Baldy in, president at Wilmington, and Lindale C. Fisher, president at the Georgetown office.

## WEST END DAIRY IS COMMUNITIES HEALTH ASSET AS FIRM PROVIDES IN GOLDEN GUERNSEY MILK

More than 20 years of faithful service have passed since West End Dairy opened to provide amply for an appreciative list of customers. The years since 1925 have seen some of the most important and impressive changes and additions in the dairy business—and the firm at 318 8th Avenue, Wilmington, has kept up with them all.

Nine trucks are used to serve as many routes in the county area, with Golden Guernsey milk the featured product. Wholesale and retail distribution of milk, cream, butter, buttermilk and similar products are stressed in the regular daily routine.

Homes, restaurants and stores benefit

from the quality products and efficient service methods in use. The result of patient and thorough-going endeavor on the part of Steve Barczewski, Jr., owner and manager, has resulted in the firm gaining a place of leadership that it merits for nothing has been omitted from its complement

of satisfactory activity over the years.

West End Dairy is one of those firms that recognizes its work in the future is cut out for it and it will always stress the best in the interests of those who call on it.

Mr. Barczewski has a competent staff employed.

## GOOD FOOD IN AMPLE QUANTITIES WINS FRIENDS FOR HALDAS BROTHERS THE STORE OF COURTESY

The last quarter of a century has wrought many changes in food merchandising and some of the trends and methods originated in this period have been so outstandingly different that they affect the entire plan of service of this line of work.

The best of modern characteristics are found in the daily round of activity at Haldas Brothers, established 27 years ago by Robert and Michael Haldas and continued along the most advanced lines for the benefit of scores of customers who want the best.

The store at 501 King Street is one of those enterprises folks often refer

to as having everything for its stock and service are complete. Maintaining the best in every instance to promote the welfare of its customers, the business is a headquarters for hospitality where every patron is appreciated.

Better brands of groceries are contained in stock at this RGE store, while fresh cuts of meat, delicatessen

foods, frozen foods, fruits and vegetables are offered.

While private householders form the bulk of trade at Haldas Brothers, the store serves restaurants, hospitals, schools and institutions, too.

About 50 workers are employed, while 5 trucks provide the county with prompt delivery.

## SECURITY STORAGE CO. UNDER SAME MANAGEMENT LAST 35 YEARS; MOVING HANDLED BY EXPERTS

The care that is employed by the personnel of Security Storage Company in handling household goods for local or long distance transportation is one of the first things customers notice about the general service aspect of Security Storage Company.

The firm at 18th and Market Streets

Wilmington, has strived through the years since 1910 to provide a maximum of endeavor in all departments of its activity and the manner in which it has fulfilled its obligations to the public attests to the sincerity of its management.

For 35 years Willard B. Austin, president, and William B. Austin, treasurer,

have directed the enterprise, putting into it every measure of service that would mean greater satisfaction for the clients.

Fireproof protection for all household goods entrusted to Security is an inducement for even the most astute customers. Cold storage facilities are available for furs, rugs and drapes.

Security serves as local agent for Allied Van Lines, Inc., and is prepared to pack, crate and ship any quantity of household goods and valuables any distance through this affiliation with the national organization.

Security Storage Company gives estimates and advice on moving and storage without obligating the customer.

## KELLEHER AND KIRWIN PAINTING SCOPE MEETS FULL REQUIREMENTS OF SCORES OF CUSTOMERS

A program that is aimed directly at providing the best in full-scale painting for customers is offered by Kelleher and Kirwin the partnership which operates from 1918 Lincoln Street, Wilmington.

Good materials and expert workmanship are the chief claims to fame

of the business, but the advisory service and many helpful aids to better painting that are provided have won it the esteem of homes, businesses and industrial plants.

One of the major attractions is that the distance is never too great for the firm's personnel to travel and the diffi-

culties of the job are never insurmountable.

Experience and every other asset that a painting contracting firm needs for permanent success are contained in the full complement of Kelleher and Kirwin.

Dennis J. Kelleher established the

business in 1929 and was joined in partnership by Mr. Kirwin in 1941.

From Wilmington to Philadelphia the partners provide the best for their customers with the assistance of 20 capable workers. Three trucks are kept in operation.

South Shore work takes the firm's personnel as far as Rehoboth Beach.

## ARROW CLEANERS PROCESSES WATER-REPELLENT GARMENTS, STORES FURS IN ITS OWN VAULTS

Modern trends and methods have brought confidence and public approval to Arrow Cleaners, Maryland Avenue and Brookside Drive, Richardson Park. The idea of service is the first thought of Harry Roeborg as he gives his best to serving the customers faithfully and well.

During the last seven years, Arrow has come from a place of ordinary acceptance to a position of dominance with new ideas and methods utilized to serve a customer list that extends 10 miles around the city.

A major help to the business has been the branch stores it operates at 200

North Maryland Avenue, Richardson Park, and 1006 Delaware Avenue, 4th and Jefferson Streets and 1210 Washington Street, Wilmington.

Everything in cleaning and dyeing is offered by the concern which has a prompt and efficient call and delivery service ready at any time to assist the

customers with its time-saving plan.

In addition to cleansing and dyeing clothing and household items with the best methods, Arrow Cleaners stores furs with vaults right on the premises providing protection.

Water-repellent garments are processed by the best methods.

## JULIAN CO. PLUMBING AND HEATING RELIED ON BY HOMES AND INDUSTRY

A commendable plan of service highly suited to the specific requirements of folks who want the best every time is offered by A. A. Julian Company, 412 Walnut Street, Wilmington.

A. A. Julian knew how to please householders, business people and industrialists before he opened his own firm 27 years ago, but he has rounded out some new and impressive methods

highly suited to modern trends in this period of time.

Many changes and unusual conditions have marked the path of the closely-related lines of endeavor in the last quarter of a century and it remained for Mr. Julian to select the ones that were appropriate and fitting for his customers' benefit and include them in his regular complement.

In addition to general plumbing and heating work, A. A. Julian Company provides every department of oil burner installing and servicing to further assure a maximum of satisfaction for its customers.

About 12 workers are employed by Mr. Julian with four trucks maintained to speed service over a 100-mile radius.

With its full facilities and experience turned to providing a maximum of service and satisfaction for the patrons, American Beauty Salon, 2 West 5th Street—just off of Market Street and directly back of Baynard's—has won the approval of its patrons in every respect.

It seems a simple matter to make milady always attractive and well groomed the way it is done here with Mrs. Celia P. Taylor as head.

In business for 10 years and at her present location six months, Mrs. Taylor has a highly satisfactory service plan.

Machine and machineless permanents are installed while hairdressing and all departments of the profession handled by operators licensed in Delaware and Pennsylvania.

### Big, Good Sandwiches Prepared by M And W

A branch of Muir-Weaver Corporation, M. and W. Sandwich Company is engaged in a unique line of work and one that is highly satisfactory and widely depended on by a wholesale trade.

The firm at 701 East 10th Street, Wilmington, makes sandwiches of a wide variety in great quantities for re-sale by drug store lunch counters, restaurants and taverns. The entire Wilmington trade area has benefited from the competent and efficient endeavor of the location.

The fresh-daily program is in force here as unused sandwiches are picked up to prevent their being unintentionally sold the next day.

Ralph Weaver directs the business which had its beginning a year ago.

## TRI-STATE SERVICE ACCOMPLISHES CLEANING WITH MODERN EQUIPMENT

Accepted as standard among the tailor shops and retail cleaners and dyers it serves, Tri-State Service, Inc., has produced the kind of work, day in and day out, that is certain to please the most discriminating patrons.

Modern equipment has helped a great deal. When some new unit or cleaning agent appeared in the industry it was

tried out by Tri-State and, if it proved satisfactory, was added to the routine. Ten years is all it has consumed to come from "scratch" position to its present place of leadership in the line of work.

Clothing, drapes, spreads, furniture covers and other things are cleaned by Tri-State Service. The retail shop of

the community cleaner or tailor gets the credit for doing an excellent job, in many instances, but that is alright with the heads of Tri-State for they want the consumer satisfied.

The plant at 4302 Market Street is under the direction of James Ciccarone, general manager, and Fred Abrams, service manager. They direct a personnel of 75 and operate 12 trucks.

### 50,000-HP. JET ENGINES

Practical application of the principle jet propulsion prompts conservative aviation engineers and electrical manufacturers to predict that aircraft of a size to dwarf the mighty superfortress will make trans-Atlantic flights well within the span of a working day.

The plane of tomorrow would have a wingspread of a quarter of a mile and be powered by several jet engines of perhaps 50,000 horsepower each. An idea of the magnitude of such engines is shown in a comparison with the 8,800 horsepower developed by the four motors of a B-29.

### Jordin Gives Advice To Driveway Owners

"If folks realized how inexpensive cinders are and know the time, trouble and messiness they save when put on muddy driveways, I'd be working 24 hours a day on deliveries," said Harvey L. Jordin whose cinder and paving business, 9 Matthes Avenue, Elmhurst, has demonstrated to families, businesses and industrial plans the sagacity of his statement.

Paving is an outstanding service of the firm in addition to making drives useable with cinders.

Amiesite paving for gasoline stations has brought additional recognition to the business established by Mr. Jordin 15 years ago.

Two trucks are used for delivering cinders.

### Johnson's Floral Work Suited To Area Needs

Taking into consideration every need of the customer the floral service of Fred D. Johnson has promoted the best interests of every patron over a period of 10 years.

The selection of cut flowers is impressively complete even in the "off" seasons, while potted plants and special-occasion pieces are offered.

Individual designing of wedding bouquets and sprays and beautiful funeral floral units are a specialty of the shop that brings customers from all over the area to the location at Silverbrook Cemetery, Wilmington.

Mr. Johnson has built much of his patron satisfaction on the prompt delivery service available.

### James Furniture Line Offers New And Used

In a few similar enterprises in Wilmington do customers have the latitude of selection that characterizes the stock of James New and Used Furniture, 721 North Walnut Street.

The business opened eight and a half years ago under the ownership of James Savage at 719 North Walnut Street. Its most progressive strides have been made under the guidance of Julian R. Stonefield, who has been directing it for six years.

Less than four years ago the store removed to 721 North Walnut Street and is better equipped to display and sell new and used furniture, stoves, heaters, coal, gas and fuel oil units, radios and appliances.

Delivery is city-wide.

### Jones Service Station Won Wartime Approval

Those dark days of shortages in the war period must seem like a bad dream to the service station operators of America as they look back on them.

But this line of endeavor has never done a great deal of looking back as the work of Jones Service Station attests. Now looking ahead to the new pleasure driving days when a happy customer list will be receiving everything it asks for is one of the chief interests of Wilmer F. Jones.

Mr. Jones took charge of the all-Gulf station at Maryland Avenue and the B. and O. Railroad, Wilmington, 15 years ago and won his greatest recognition by a faithful wartime service.

## Santillo Grocery And Meat Line Liked By Housewives; Family Runs Business

In a quarter-century of faithful service, Joseph A. Santillo has proved many things, but chief among them is the fact that he can please the most astute customer and make her come back for more.

This circumstance has resulted in a high degree of acceptance of the store at 5th and Scott Streets, Wilmington, by folks who appreciate quality and service. The dependability of the business has caused it to conform to the ideas of what an ideal grocery should be.

Fresh meats, groceries, fruits and vegetables are always in stock, with the selection so complete and satisfying that housewives take for granted they will find in stock just about anything they want.

A member of the Chester Wholesale Grocery Association, Mr. Santillo is assisted in the business by his family, with Mrs. Anna Santillo, his wife, aiding in the management.

Anna, Joseph and Gabriel, the Santillo children, make it a real family affair.

## Scurti The Magician To Direct State's Biggest Magic Show February 12 And 13

And it won't all be done with mirrors, February 12 and 13, either, when that past master of legerdemain, Scurti, takes the stage to direct the greatest magic show in Delaware's history at Hall Burke Post, Claymont.

The World War II veterans' organization is making certain a crowd will be on hand. This is easy when Scurti is the attraction.

Feats of magic that will keep the audience spellbound are in the offing,

at Claymont High School auditorium. We hate to let you in on this, but Scurti is going to—Where? we hope it's not true—burn a woman alive!

Appearing with Jack Scurti in the show will be Jack Chanin, manipulating artist, Dr. Bachrach, comedy magician, Al Marks, magician extraordinary, Marion Myers, with life-like puppets, and Mills brothers, Max and Ced.

Mr. Scurti lives at 611 West 3rd Street, Wilmington.

## Warren's Fish Market Finds High Favor Among Housewives Pleasing Families

Fresh, delicious seafood, prepared just right and served appetizingly, is a dish fit for a king.

Thousands of American housewives received a new appreciation of delicacies from the deep when they served them during the meat shortage period and such enterprises as Warren's Fish Market, 315 King Street, Wilmington, has come in for a share of additional attention as a result.

W. R. Warren has been in business on King Street 54 years and is dean of Wilmington business men with an enviable record of continuous service.

Seafood, cleaned and ready for the pan, is available in an unbelievable selection while oysters, clams and crabmeat are sold.

Warren's Fish Market has not forgotten the importance of prompt and efficient service always. Courtesy comes in large quantities here at all times.

## CAPACITY AUDIENCE EXPECTED FOR PLAY

### Drama Group Players Work On Production For Feb. 13-14

Reservations for the University Drama Group production of the "Barretts of Wimpole Street," which will be given on the nights of February 13 and 14 in Mitchell Hall, indicate capacity audiences, according to Charles Humphries, business manager.

All seats are reserved, and reservations may be made daily at the box office in Mitchell Hall, from 3:30 to 5 and 7:30 to 8:30 p. m., except Saturday and Sunday.

The Barretts of Wimpole Street was produced on Broadway in 1931, with Katharine Cornell and Brian Aherne in the leading roles. The production now in rehearsal under the direction of Jane Hastings Sinclair is very much a family affair. Two or more members of fifteen local families are participating.

Jane Sinclair is directing, while Jack Sinclair is playing a leading part. L. Parker Thomas has designed the set and Carrie Thomas is one of his assistants. The Wyatts, Earl and Gerry are cast in two of the leading roles. Joe Shields acts and Billy works on costumes. Dick Cooch has a supporting part, with Alma as chairman of costumes. Edward and Marjorie Hein have parts in the play. Jack Lacher plays a bit part and is chairman of lighting, while Thelma is active on the make-up committee. Mrs. Edith Ottey is a member of the costume committee, and her daughter Leah has an acting part. Virginia Mahanna is production manager, with Curley acting. Mike Kubico is a member of the cast with his wife a member of the make-up committee. Edwina Justin works on properties and Ray acts.

Bob Kase acts as production advisor, and Betty has a part in the play; the Evans have three members in the production. Etheline is publicity chairman, Taggart has his usual character part, and their daughter Virginia Evans Vaughn has a leading role. The Squier family is also active. Bob assists in staging the production, and Jackie is a member of the hospitality committee. Charles Humphries is business manager, and Mary Lil assists the costume committee.

## GRANGE MEETING

### Pencader Unit Hears Butler

At a meeting of Pencader Grange, No. 6, on Monday night, reports on the leaders conference for masters, lecturers, secretaries and home economics committee chairman held recently at Fruitland were given by Mrs. Elva Gooden. Mrs. Audrey Brooks and Mrs. Susanne Doyle, who represented the Pencader Grange at the parley.

John R. Butler, a state senator, and chairman of the Pencader Grange Legislative Committee, discussed several bills now before the General Assembly which are of interest to Grange members. He urged the latter to make their feelings on the bills known to their representatives in the State Legislature.

Members may still apply for Blue Cross Hospital Service membership. It was announced by Delbert Gooden.

A meeting of the New Castle County, Pomona Grange will be held at Newport on March 6, when officers will be installed. Two Pencader members among the latter are: John R. Butler, steward, and Mrs. Elva Gooden, lady assistant steward.

Duties and rituals of various Grange officers were discussed by C. C. Brooks at Monday's meeting. The Lecturer's program, under Val Nardo, included group singing, a violin solo by Nardo, vocal solo by Mrs. Audrey Brooks, recitation by Edward William and impersonations by Ed. Doyle. The next meeting will be February 17.

### Final Services For Mrs. Carolyn Johnson

Private funeral services will be held in Bridgeport, N. J., for Mrs. Carolyn Long Johnson, wife of Stephen Johnson, of Penn's Grove, who died on Sunday at The Memorial Hospital in Wilmington.

Mrs. Johnson is also survived by a son, C. Emerson Johnson of Newark, and two daughters, Mrs. Henry P. French of Rochester, N. Y., and Mrs. J. L. Fendrick, of Los Angeles, Calif. It is requested that flowers be omitted.

## ICEHOUR-COUDEN WEDDING SATURDAY

Miss Josephine Icenhour, daughter of Mr. and Mrs. Carroll Icenhour, of Jonestown, N. C., and Mr. Roy L. Couden, son of Mrs. Ella Vogt, of Kennett Square, Pa., were married at the home of Mr. and Mrs. W. A. Burke 263 East Main Street, Saturday evening, February 2, at 6 o'clock, with Dr. A. J. Jackson, pastor of the Newark Methodist Church, officiating.

The bride, who was given in marriage by Mr. W. A. Burke, wore a gown of white skinkers satin bodice with sweetheart neckline and long pointed sleeves, a full gathered nylon skirt forming a long train. Her long scalloped veil fell from a white beaded tiara. She carried a bouquet of white gardenias and snapdragons.

Mrs. Francis Ralle, a sister of the groom, was matron of honor and wore a pink gown and carried a bouquet of pink roses and snapdragons.

Mr. John W. Burke was best man. Miss Sylvia Edwards, of Coochs Bridge, played the wedding music and Bobbie MacAlaine sang "Because" and "I Love You Truly."

A reception followed the ceremony and after a short wedding trip they will reside in Newark.

Mr. Couden served seven years in the Tank Corps of the U. S. Army, four years of which were served in the South Pacific.

## MISS HAMILTON HONORED AT SHOWER RECENTLY

Miss Margaret P. Hamilton was honored recently at a shower given by Miss Ann Van Sant at the "Corb-Ray" Dairy Farm, Elkton.

Written on Ground Hog Day (in which tradition we have not one lot of faith) we wonder if Willie saw his shadow—or if he even emerged from his hole—to forecast six more weeks of winter.

Not being too familiar with the habits of groundhogs, we haven't the faintest idea how an average specimen would react to all the newspaper publicity thrown his way about this time of a year. It just might tend to make him a little shy about poking his nose out for the benefit of public curiosity . . . on the other hand, the rascal might take to it readily and put on a show just for the audience—if anybody is crazy enough to sit near enough to a groundhog hole on a day like this just to see.

If we had to hazard a guess—we'd say that the groundhog DID see his shadow for the sun certainly did shine, intermittently, all day long. Uninterested dogs, cats and cattle were seen basking idly about despite the light snow and bitter wind. So, why wouldn't the groundhog do likewise?

Anyway, what difference does it make. If we're to have six more weeks of winter like the six weeks just passed—certainly no one can gripe for this has definitely been a wonderfully mild and pleasant winter—so far.

We know people who have played golf right here for the last four weekends. True, they may be a little touched in the head but they don't seem any the worse for the experience.

That reminds us of a typographical error in this column last week. We said George Ramsey and Del Rabb were vacationing in Hot Springs—it should have read Del Nabb, of course.

Since relinquishing the editorial reins of this newspaper to younger and more capable hands, we personally haven't tried to keep pace with all the goings on about town. However numerous rumors are rampant about the escapades of one, or two, persons who allegedly are making life miserable for the fair sex of our community. If true, our local officers should leave no stone unturned to apprehend the culprits—even if it means a little more exposure to the elements for them.

A strict and constant vigil in dark and secluded sections of town might accomplish a great deal more good than apprehending a few minor traffic violators and if the party or parties guilty of the reported accosting of unescorted women on our streets are not soon apprehended and summarily dealt with, we're going to suffer an unwelcome, civic blackeye.

Notice that the price of milk is DOWN one-cent in Wilmington. Newark has always been quick to receive price increases made in the Wilmington area and we wonder now why we also aren't subject to the downward revision.

Beer in cans supposed to return to local shelves in February—if anybody's interested.

Boy Scout Week, February 7 to 13, will mark the 37th anniversary of the founding of the Boy Scout movement in America. Since 1910, more than 13,500,000 American boys and men have been members. Today there are two million Scouts and leaders in the nation. Incidentally, if you make a contribution to the Boy Scouts it would be a help, locally, if you made it direct to Newark Boy Scout Troop 55 or 56 instead of to the Del-Mar-Va Council. Of course the collector won't like that but, actually, Newark troops get little direct benefit from contributions made to the Council.

Was impressed with the logic embodied in an item appearing in a paper last week which attributed Richard M. McFeeley, headmaster of Friends Central School, Philadelphia, with saying:

"As a teacher and adviser to growing boys and girls, I have learned much from them that has helped me as a parent. Among the things I have learned is that there are times when a child's poor work may be attributable to conditions at home over which the parents have more control than the child."

"Among other things parents should quiz themselves on whether they (1) provide a quiet study room for their children, (2) insist that children get adequate sleep, (3) permit children to have unchaperoned parties in the home or go to such parties elsewhere, and (4) praise the good things before criticizing the bad?"

Understand our criticism of local newspaper deliveries wasn't exactly appreciated in some quarters . . . although many, many readers have volunteered the suggestion that it was high time something more drastic than talking be done about it.

The well-meaning bird who commented that fairly rapid readers finish their perusal of a paper in twenty minutes—some half that time—goes on to comment:

"My own speed varies. Often I am compelled to read an entire paper in 20 minutes. I don't 'read' it, of course, but I know a little about every item. With more leisure, I might spend a solid hour on the paper."

"I see no point in reading some things word for word. Much writing is fearfully padded and unworthy of attention. On the other hand, to gallop through good poetry or a well-written novel would be like gulping vintage wine. There are escapades who go through three or four novels a week . . . they read fast but with no appreciation of character, situation, plot or construction."

See what we mean—take it easy and ENJOY reading the Post, if you can.

## JACKET FIVE MEETS A. I. DUPONT TOMORROW NITE HERE; W.H.S. AWAY TUES.

Newark Jolted Twice Past Week; Trounced, 48-27, By Sallies On Tuesday; Lose To Alumni Five Here Friday By 40-34 Count

After suffering two severe rebuffs the past week, the Yellow Jacket courtmen seek to revive their forces for another stiff test this Friday, when they meet A. I. DuPont in a return engagement before the home fans here. Tuesday, they invade Wilmington again for their second meeting with the WHS Red Devils.

On Tuesday, Salesianum's cagers spent a leisurely afternoon defeating the Jackets by 21 points and winning out, 48-27. Earlier, on Friday, the Jackets also received hard treatment, bowing to the NHS Alumni, 40-34, in a rough and tumble contest in the local gym.

## Aeronautics Expert Is Assembly Speaker Here

Mr. Wesley Flannery, a scientific expert and entertainer from the Antrim Lyceum Bureau, in Philadelphia, addressed the students of Newark High School recently on the "A-B-C's of Aeronautics."

He presented the latest information on the theory of flight, with up-to-the-minute models including an automatic pilot, drift indicator, airplane compass, complete wind tunnel, wing sections to prove that shape counts, and a radial engine that could be assembled on stage.

Mr. Flannery designed all his own equipment.

## NHS Classes Visit U. Of D. Farm Show

The University of Delaware Farm Show during the week of January 22 to February 1st, was visited by various Home Economics and Science classes from the Newark High School.

The students viewed the various exhibits, starting with the huge map of Delaware, depicting the state's farm products and soil. The exhibit of the chick from its first day to the twentieth was especially interesting to the Biology students, as were also the exhibit on germinence and diseases of plants and animals.

## HEN COURTMEN FACE P. M. C. ON SATURDAY NIGHT AWAY MEET URSINUS HERE TUES.

Delaware Will Be Meeting Both Teams For First Time This Year; Hens Earn Season's 5th Victory Saturday Topping Sho'men, 47-45

The Blue Hen cagers will be out of town again this Saturday night for a meeting with P. M. C. The Cadets loom as something of an unknown quantity for the Hens, since the game will be the first clash of the rivals this season.

Delaware will return to the field house next Tuesday for its first home appearance in several weeks, when Ursinus College will provide the opposition.

Both contests will be Mid-State Conference matches. The Hens will also be facing Ursinus for the first time this campaign.

After an open week for mid-year exams, Delaware resumed court action last Saturday to wrack up its fifth victory of the year, edging out Washington College on the latter's court by a hair-breadth, 47-45 margin. The victory was Delaware's second over the Sho'men this year. Previously, in the field house here, the Hens won out handsily by a 55-49 score.

The going was much tougher this time, and the Hens managed to salvage the game only after a second-half rally. Delaware trailed 24-19 at the mid-way, and, after a desperate scoring spurt, finally knotted the count near the end of the third period. The Sho'men were not easily subdued, however, and the lead saw-sawed constantly in the closing session, with the Hens slipping in the final goal which spelled the two-point victory.

Top scorer for Delaware was Jack Hoffstein, who flicked in five from the field and three foul shots for a 13 point total. Nash and Cole were also important scoring factors with total of ten and nine points respectively.

## PUBLICITY HEAD NAMED

Daniel E. Button, veteran newspaperman, and an honor graduate of the University of Delaware in 1938, has been announced as the new Director of the Office of Alumni and Public Relations and Executive Secretary of the Alumni Association of the University of Delaware.

His appointment to succeed John N. McDowell was confirmed yesterday by Dr. William S. Carlson, University president. Mr. McDowell in December submitted his resignation in order to become secretary for U. S. Representative J. Caleb Boggs in Washington, D. C.

Mr. Button comes to the university well recommended by former employers. Following his graduation from the University of Delaware, he attended the Pulitzer Graduate School of Journalism of Columbia University, obtaining his master's degree in 1939.

That same year he joined the staff of the Wilmington Morning News, where he served as reporter, copy editor, sports writer, and assistant on the various desks for more than four years.

In 1943 he became a special assignment reporter and rewrite man for the Associated Press in New York City, remaining in this post for approximately three years.

Last year he accepted a position with the National Petroleum Company as New York Editor of their several trade journals and newsletters.

Mr. Button is married to the former Rebecca Pool, an alumna of the Women's College of the University of Delaware, and they have a ten-month-old daughter, Nancy Howe. They have both been active members of New York alumni groups.

### New Members Sought By Navy Mothers Here

The Newark Chapter of the Navy Mothers Club is seeking to enroll all mothers in this area who have a son or daughter serving in the United States Navy, Marines or Coast Guard.

Persons interested are urged to attend the next session of the club scheduled for Tuesday evening at the home of Mrs. Earl J. Helmbreck, 47 West Delaware Avenue, at 8 p. m. Former members of the unit are also asked to turn out.

One of the most important activities of the club is offering assistance to patients in Naval hospital. Much of this work remains to be done, it was pointed out, and new members will find an invaluable opportunity to carry on the program.

### Victoria Community Center Fund Drive Is Successful

Public thanks for the support shown by Newark residents to the fund campaign of the Queen Victoria-Court Community Center was expressed this week by officials of the group. A total of \$137.45 was received.

Principal contributors were: Leon Potts, J. P. Wright, Mrs. George Hyde, J. K. Johnston, Mrs. N. N. Wright, E. J. Hollingsworth, Mrs. Saul Cohen, and George Powell, of Wilmington.

Seedings of rye in Delaware for grain and as a soil conserving crop this past fall is estimated to be 78 per cent more than the average of 18,000 acres for the period 1935-44. The acreage of rye seeded in the fall of 1946 is estimated at 32,000 acres.

## EBENEZER METHODIST CONFERENCE

4th Quarterly This Sunday;

Sunday School attendance at the Ebenezer Methodist Church has averaged over 100 children every session the past month. Superintendent Lindsay Greenplate said this week, adding that the school is aiming for an ever greater enrollment.

New equipment has been obtained to accommodate the increase in members and additional teachers have been added to the staff.

The pastor's sermon at the 11 a. m. worship service this Sunday will be on Stewardship. Special music will be offered by the choir.

A special program will mark the Fourth Quarterly Conference of the church Sunday evening, when Dr. Oliver J. Collins, superintendent of the Wilmington District, will be present. A covered dish supper will be held at 6 p. m., followed by a vesper service at 7:30 p. m. in the sanctuary, during which the choir will sing several anthems and special numbers. Dr. Collins will speak at this time.

The conference will be held at the close of the service, when reports for the past year will be heard and officers elected for the coming year. Every member is urged to attend.

The committee for the covered dish supper includes: Mrs. Alexander Jarrell, Mrs. Leonard Nelson, Mrs. George Knotts and Mrs. Maskle Johnston.

"Good suggestion, Bill. Bring your books over here and we'll talk it over without tying up the party-line."

**BULLY FOR BILLY!** Where conversations can be held face-to-face, it's better not to tie up the party-line telephone.

TO A GREAT AMERICAN

## THOMAS ALVA EDISON

on the 100th Anniversary of his Birth

February 11th marks the 100th anniversary of this great inventor's birth and all America joins in tribute to Thomas Edison for the increased standards of living, the comforts and conveniences that grew out of his inventions and discoveries. And, although his development of the incandescent lamp in 1879 is symbolic of his success, he also designed and built the first power plant to supply electricity to light this lamp. It was he, too, who created for our enjoyment the phonograph and motion picture camera.

All in all, Edison received 7 patents—by far the greatest number ever issued to any one individual. But for all his inventions and discoveries, the greatest thing Edison left to posterity was his indomitable spirit through which he demonstrated the heights that anyone may attain in America.

This spirit of Edison is well expressed in his last public statement made on June 11, 1931.

"My message to you is: Be courageous. I have lived a long time. I have seen history repeat itself again and again. I have seen many depressions in business. Always America has come out stronger and more prosperous. Be as brave as your fathers before you. Have faith. Go forward."

## GRIZZEL TO TALK TONITE

### Meeting At Dover

A free citizens' meeting on educational problems will be held at 7:45, at the Dover High School field house, when Dr. E. D. Grizzell and Dr. Walter D. Cocking will for the first time speak at a public meeting in Delaware and answer questions from the floor.

Dr. Grizzell was chairman and Dr. Cocking was a member of the impartial committee of nationally-known educators which recently completed a state-sponsored critical survey of Delaware's public school system.

The Council for Delaware Education, Inc., is sponsoring the meeting. Station WILM will broadcast it from 8 to 9 p. m., and WDEL will transcribe part of the meeting and broadcast it from 11:15 to 11:45.

W. Riley Brown, Wyoming banker, will be the moderator at the meeting. Mr. Brown, who will conduct the questioning of the speakers by the audience after the scheduled talks, is himself well informed on educational matters. He was a member of the State Board of Education from 1941 to 1944, and has served on the Board of Education of the Caesar Rodney Special School District for eighteen years. He is now president of the Delaware Association of School Boards. Mr. Brown will be introduced by Henry Toy, Jr., president of the Council for Delaware Education, Inc.

The public is invited and urged to attend the meeting Thursday night.

Additional music will include: the national anthem, Stand Up, Stand Up For Jesus, He Who Would Valiant Be, and Go Forward Christian Soldier. During the Offertory, the choir will sing Thimble's anthem, "These Things Shall Be." The sermon will be by the rector.

Some indication of the growth and increased activity of the parish during the past year were shown in the yearly reports made by numerous church organizations at the annual parish meeting recently in the parish house. The session was one of the largest and most successful in the history of the church. Two new groups, formed the past year, are the Senior Choir and the Young Churchmen of St. Thomas. The latter, composed of teen-agers, is divided into the Acolyte and the Junior Altar Guilds for boys and girls respectively.

Vestrymen elected at the meeting for a three year term are: Dr. J. F. Daugherty, A. H. Haroldson, Dean Flint and Frederick Puncke. Dr. R. O. Bausman was named to fill the unexpired term of

Robert C. Levis. Retiring vestrymen are Col. Donald Ashbridge and Reginald Rockwell. The election marked the introduction of a new policy under which vestrymen may be reelected to office only after lapse of a year. Details of the plans for installing altar were also discussed at the session, and the project was placed under direction of a Memorial Commission.
