**This Saturday Noon Deadline
for Filing Council Candidacy**

Two Year Terms of Councilmen John R. Downes, Western District; Samuel L. Diehl, Middle District; One Year Term of Harry Maclary of Eastern District, to Expire

This Saturday, at noon, is the deadline for all candidates for the three city council posts to be decided in the 12 municipal election. The two year terms of Councilman John R. Downes, representative of the western district; Samuel L. Diehl, Jr., middle district representative; and the one year term of Harry Maclary, eastern district councilman, ended last April to fill out the unexpired term of Donald Diehl who moved out of the district while in office, will expire.

Diehl has announced his candidacy for a fourth term as councilman for the City of Newark. The only other candidate to have announced his intentions for office is Albion M. Soule, western district representative.

Petition signed by ten registrars, nominating a candidate council, must be presented at city offices in the Academy building before the Saturday noon deadline.

Final Registration

Final registration days for voting in the April 12 election have been scheduled for Friday, Saturday and Sunday, March 18 and 19, between the hours of 8 a.m. and 7 p.m. at the city offices in the Academy Building.

Persons who have moved from one district to another since their municipal registration, must appear at the council office in order to be eligible to vote in the April 12 election. The deadline for registration is at 7 p.m. on Saturday, March 18.

Residents Of Area
On Trash Burning**

Cunningham Urges People To Obtain Fire Permits For Burning During March

Fire Chief John C. Cunningham has issued a plea to residents of this area to be careful to keep incinerator fires under control.

Last year the Aetna Hose, Hook and Ladder Company had 37 alarms in March due to grass fires, the chief said.

Most of the March fires last year were blamed on incinerators that were either improperly constructed or left unattended. Chief Cunningham urged everyone who burns trash to wet down the fire before leaving it.

He cited the ordinance forbidding incinerator fires within the limits of Newark after 4 p.m.

As for burning off lots, he said anyone who does this in the district protected by Aetna must get a permit from one of the fire company's three chiefs—Mr. Cunningham, First Assistant Clifton T. Knotts, or Second Assistant Olan Thomas. They will give instruction in how to burn safely and how much manure power must be used to keep the fire controlled.

"Remember," said the fire chief, "the house you save may be your own."

**E-52 Theater To Offer Fantasy
In Mrs. McThing at Mitchell Hall**

"Mrs. McThing," a hilarious fantasy, will be presented for the first time in this area by the E-52 University Theatre of the University of Delaware at the Mitchell Hall, 19 in Mitchell Hall, at 8:15 p.m. A special matinee will be given Friday, March 18, at 3 p.m.

The leading character of the play is a witch who has the extraordinary power of spiriting people away. Mimi, the witch's daughter, has her mother whisked away. An unhappy boy, away from his wailing mother because Mrs. Larue, a rich matron, won't let her play with him. Howey's new environment is in a pool hall which serves as the headquarters for a mob of gangsters.

The real boy is replaced by a stick who is very mannerly and faithful. Mrs. Larue is extremely pleased with her son's new behavior, but is somewhat suspicious about the sudden change. Learning the truth about the boy, Mrs. Larue, with a cowardly bodyguard and a

Community Nurse Makes 228 Visits During Past Month

Miss Alice Leak Reports Activities For February In Nursing, Instruction

During the past month, Miss Alice H. Leak, Newark's community nurse, made a total of 228 visits to persons in the area requiring nursing care and instruction. Of this total, 215 visits by Miss Leak provided nursing care and comfort. The 37 calls were made upon three patients afflicted with apoplexy, topped the tabulated list in frequency, while 23 visits were made to assist two paralytic patients.

One case of multiple sclerosis required 21 visits; five patients suffering from anemia were visited on 21 occasions; and two diabetics were attended 15 times.

Four cases of heart disease were administered to in 16 calls; one prenatal case was attended on 14 occasions; and two patients suffering with arthritis were visited 12 times.

Three cases of intestinal disorder were attended in a total of eight calls; two cancer patients were comforted in nine visits; and individual cases of bronchitis, burns and nervous disorder were reported with totals of six, seven and six calls respectively.

Two cases of la grippe were reported for the month, with a total of four calls, while 11 cases classed as miscellaneous were attended 29 times.

February was a short month, but a busy one for Newark's visiting nurse.

Father, Fan, Follows Blue Hens 4,376 Mile Trail In Six Months

Support by loyal fans is important to any athletic team, however, few are so fortunate as to have the backing of a man who will travel 4,376 miles in six months to watch the team and his son play.

Clifford G. Miller of Prospect Park, Pa.—and father of Delaware's Don Miller—Little All America quarterback and basketball co-captain—has done just this.

Since the University of Delaware athletes first donned game uniforms last fall, Mr. Miller has journeyed a distance equal to one-sixth of the earth's circumference watching the Blue Hens in contests.

An employee of the Sinclair Refining Company of Marcus Hook, Mr. Miller regularly forsakes his ranch and television set in Prospect Park to take the trail of Delaware's athletes. Witnessing all a slice of the Blue Hens' regular season football games last fall, he applied for a week's vacation in December and drove 1000 miles to see Don Miller lead the Blue Hens to a 19-7 win in the Refrigerator Bowl.

When basketball season began, the same week of the bowl game, the father of the Delaware star continued his travels. In the winter season, Mr. Miller managed to roll up 700 miles of travel, watching 15 of the Blue Hens' 22 court games.

The role of an athletic nomad is not new to the gentleman who is neither an alumnus of the University of Delaware nor a resident of the state. He has seen every Delaware football game in the past four years.

School Enrollment In District Gains 35 Pupils In Feb.

Total Of 3,038 Students Enroll In Newark School District For Record High

The Newark special school district has continued to show a steady enrollment gain with a net increase of 35 pupils during the month of February. Total enrollment in the Newark schools at the end of February was 3,038.

An enrollment tabulation indicates the bulk of the gain was in the elementary grades where there was an increase of 30. The additional five were in grades seven through twelve. The first grade had the largest influx with nine additional pupils.

An evaluation of the tabulation offers a number of implications. Coupled with the fact that the lack of qualified teachers has resulted in understaffing, is the fact that the situation could become more acute unless immediate efforts are made to meet competition from nearby states.

It is estimated that 37 additional teachers must be secured to staff the Newark schools next year. The majority of these instructors are additions to the faculty, with a few replacements. The critical need has been and probably will continue for teachers qualified to teach in the primary grades, school authorities believe.

The Newark problem is said to be typical of the situation existing in other Delaware school districts and indicates the need to mobilize human and financial resources to provide enough competent teachers to insure a sound educational program.

Budget Increase Of \$220,990 Considered by Newark Council

Preliminary Proposal For \$695,790 Maintenance Budget For City Of Newark Considered By Council At Special Meeting; Estimated Cost Tops 1954 Budget By \$220,990

A preliminary study of a proposed maintenance budget of \$695,790 for the fiscal year 1955, an increase of \$220,990 over the past year's budget request, was presented by City Manager Orville F. Over for council consideration and discussion at a special council meeting last Tuesday night. Figures in the proposed budget were obtained from a study of last year's budget and include established salaries, estimates of fixed charges, adjusted in accordance with expenditure deviations from 1954 budget allocations.

The proposed maintenance budget includes \$82,180 for administration compared with \$54,000 allocated last year; \$44,000 for the engineering department as against \$34,700 in 1954; \$64,150 for police and fire protection compared with \$47,600 in 1954; \$361,350 for the electric department with an increase of \$131,450 over the past year; a street department budget of \$99,710 compared with an allocation of \$43,300 in 1954; water, \$54,200 as against \$43,100 last year; and a decrease of \$1,200 in the sewer department budget with requirements estimated at \$19,700.

Time Runs Out

Council waded through the administrative, engineering, and protection department budget proposals before time ran out, with the budget proposals for the water, street, sewer, and electric departments remaining to be discussed at a later date.

Prior to the budgetary discussion, City Solicitor John Sinclair reviewed an agreement to be signed with the City of Newark, presented by Samuel Handloff, attorney for the Pomeroy Realty Co., in which the Pomeroy developers of the new Shopping Center, accept final responsibility for all costs concerned with construction and maintenance of a 32-ft. wide right-of-way across the Pomeroy branch railroad, to afford access from the new Shopping Center to the Main Street shopping center parking lot.

Railroad Request

The railroad has requested that the City of Newark, rather than the Pomeroy Realty Co., accept responsibility for the railroad for maintenance of this right of way across the tracks, presumably because other grade crossing plans to be worked out between the railroad and the City of Newark are pending, and the railroad company prefers to deal with a central authority—the municipality.

The solicitor is to incorporate an additional protective clause in the agreement between the Pomeroy Realty Company and the City of Newark, and copies of the agreement are to be supplied each councilman for further study.

Street Passage

The matter of providing a passable roadway for bus and property owners on Beverly Road was referred to the street committee for recommendations on this particular case, and for future policy in determining responsibility for street surfacing.

The city manager estimated that temporary graveling of the street would cost \$500—a gravel surface that would be subsequently disturbed with the installation of water lines.

It was pointed out that a number of developers have installed streets at their own expense, and it was agreed that a set policy should be adopted in fairness to all concerned.

Councilman Frank Scott proposed that the water committee also submit recommendations for a policy regarding the installation of water mains, and this motion was approved.

Dr. Keppel Named On Blood Bank's Directive Board

U. of D. Physician Fills Post Of Late Dr. Colburn In Blood Bank Of Delaware

Dr. Gordon Keppel, University of Delaware physician, was elected to membership on the board of directors of the Blood Bank of Delaware, Inc. at the regular monthly meeting of the board held last week at Blue Cross Headquarters, 809 West Street, Wilmington.

Dr. Keppel, fills a vacancy on the Blood Bank created by the death of Dr. Allan P. Colburn, former provost of the university.

Frank Gallagher, executive director of the Blood Bank, reported that 1202 Delawareans are currently enrolled in the plan. He pointed out that these subscribers represent over 80 groups and organizations, and stressed the fact that additional subscribers required to bring the plan up to the 3500 members necessary for initial operation must be recruited on a personal selling basis.

James F. McCloskey, president, announced that a special meeting of the board will be called later this month to enlist community-wide effort to speed subscriber recruitment and attempt to advance the plan's initial operating date.

Detailed information about the Blood Bank plan and how to join can be had by calling Wilmington, 6-0200.

West Park Place PTA Group Hears Educator, Concert

Dr. Muriel Crosby Tells Of Teaching Techniques; Children Offer Recital

Dr. Muriel Crosby, assistant superintendent of Wilmington public schools and director of elementary education, described trends in elementary education and explained the relationship between research on how humans learn and the newer teaching techniques used in the schools, as the principal speaker before the West Park Place PTA group last week.

The meeting included a musical concert by children in the first six grades under the direction of Ernest R. Wilder.

The concert included a presentation by three drum majorettes in Mary Meade, Donna Wollaston and Carol Botlik, with announcements of the musical selections by Marilana Kacena and Mike Creery.

Peggy Hoffman played a cornet solo and violinist Jill Rasmussen, Diana Duff and Sandy Worrall played a medley; Eddie Stevenson, age six, rendered "Jingle Bells" on his trumpet; and a group of children played by Hilary Higginson, Fatty Wilder, Nina Tammi, Phoebe Fassig, and Bobby Joe Wright.

Nominees presented by a committee of Bruce Pollock, Mrs. Frances Cray, and Dr. C. R. Donohoe included R. D. Jay for president; Mrs. Helen Parker, vice-president; Mrs. J. Fred Mitchell, secretary; and H. B. Crissman, treasurer.

Girl Scout Leader To Receive 15-Yr. Award At Meeting

Mrs. T. A. Baker To Be Honored At Annual Girl Scout Council Meeting

"Scouting and Our Community" will be the theme of the annual meeting of the Wilmington Area Girl Scout Council to be held Tuesday evening at 7:45 p.m. in the Mt. Pleasant school auditorium, and Mrs. T. A. Baker, of Newark, will receive a 15-year award for her leadership and activities in Girl Scouting.

Dr. Ethel Alpenfels, professor of education at New York University will be the principal speaker, and Mrs. Russell T. Van Ness, council president, will preside over the meeting, receive the annual report and award pins for years of service and activity in scouting.

A 30 year numeral guard, the top award to be given at this year's meeting, will go to Mrs. John J. Reid, Jr. Mrs. Reid began her scouting career in Milwaukee and transferred her activities to Wilmington in 1940.

The second highest award—a 25-year-pin—will go to Mrs. Hood Worthington, who became a valuable member of the local organization in 1935 when she moved to Wilmington from the Philadelphia area.

Other features on the program include an impressive flag ceremony under the direction of Mrs. George Rogerson.

Scouts from Troop 76 will give an original play titled "Plus One" written by Mary Kathryn Mullins and directed by Mrs. John F. Mullins.

Community singing will be led by Mrs. James Harley with musical accompaniment by Mrs. Thomas Wilson.

Newark Trust Co. Inaugurates City Drive-In Banking

New Facilities Opened During Week To Relieve Patron Parking Problem

Drive-in banking came to Newark this week with the opening of the Newark Trust Company's bank-by-car window.

"Customers now can transact much of their banking business without leaving their cars," said Treasurer Edward F. Matthews. "This means that parking will be a problem for businessmen or hurried housewives. We are proud to be the first Newark bank to offer this modern, time-saving banking convenience to residents of this area."

The window, located on the bank's Academy Street side, is reached by a drive-around, along which cars move in single file.

Mr. Matthews pointed out that construction of the drive-in facility was part of the \$200,000 building expansion program recently completed by the bank. As a result of that program a new second story was added to accommodate the enlarged time loan and bookkeeping departments, and the number of available teller windows was increased from five to ten.

In addition to the drive-in window, he pointed out that other "firsts" in the new building include the first automatic opening bank hours in Newark and the city's first public elevator.

"This new drive-in window," Mr. Matthews said, "is the latest item in the bank's continuing program to provide residents of Newark and vicinity with the most complete and most efficient banking services possible."

The new glass-enclosed drive-in window is of the most modern design, according to Mr. Matthews, having an electrically controlled chute which extends outward to allow customers to place documents in the hands of the teller.

Evangelist Dr. Byron Jones

Dr. Byron Jones, traveling Bible teacher, is conducting an intensive Bible study course at the Newark Gospel Tabernacle, Lovett Avenue and Benny Street.

Sessions are held daily at 7:45 p.m. through Sunday, March 13, and the public is invited. Rev. Arthur E. Hardt, pastor of the tabernacle has announced.

Mr. Jones was a practicing lawyer for several years before becoming pastor of First Pentecostal Church in Wilkes-Barre, Pa., a position he held 28 years. He now travels among churches of God churches giving those concerted Bible conferences.

Final Concert In Series To Be Offered Tomorrow

One of the most eagerly awaited events of the local concert season is the appearance at the University of Delaware tomorrow, of the Robert Shaw Choral, a group of 30 singers familiar to thousands from previous concert tours, repeated appearances with many top-flight symphony orchestras, and a long list of recordings.

The program is the fifth and final offering of the 1954-55 artists series sponsored by the university's annual cultural activities.

Director of the 30-man singing ensemble and the orchestra which accompanies it is one of the brightest stars in America's musical firmament—38-year-old Robert Shaw, California-born dynamo whose widely recognized talent and unflagging energy have in the past decade become a major factor in galvanizing the art of choral singing all over America.

Council Candidates Invited To Attend General Meeting

Candidates for city council will be invited to the next general meeting of the League of Women Voters, to be held Thursday, March 24 at the Central elementary school gym at 8 p.m.

The public is invited for the opportunity to ask questions of the candidates.

The final city registration day will be this Saturday, with the election on April 12.

Individuals should register if they haven't registered since 1952; if they have moved out of a district; or if they are new in town. Those who have moved to a new place in the same district, should notify the council clerk.

In April and May the league will study the fundamental principles of American liberties. There will be three meetings of each unit on this subject.

McWilliams Named Factory Auditor At Chrysler Plant

Harry L. McWilliams has been named factory auditor of the Chrysler Delaware Tank Plant, it was announced today by Irving J. Minetti, operating manager.

Mr. McWilliams brings to his new position more than 34 years of experience with Chrysler accounting practices and procedures. He was initially employed by the corporation in 1921 as a member of the timekeeping department of the New Castle, Ind., plant. During the next 26 years he acquired extensive experience there, serving successively as chief timekeeper and supervisor of the cost department.

In 1947 he was promoted to the position of factory auditor at the corporation's Pekin Wood Products Plant at Helena, Ark., in which capacity he served for four years.

He was transferred to the Chrysler Michoud Engine Plant at New Orleans, La., in 1951 as assistant factory auditor, and in 1953 was named factory auditor of that facility which produced tank engines for the vehicles built at Newark.

A native of Parker, Ind., Mr. McWilliams now lives with his family at Lancaster Court Apartments in Wilmington.

Boy Scouts Spend Wet Weekend At Chesapeake's Camp Rodney

Boy Scout Troop 55 left their meeting room at Newark's Calvary Baptist Church last Friday for a weekend of camp and fresh air at the Chesapeake Bay at Camp Rodney.

Two members of the Delaware National Guard—George Clark and Tony Gunzl—cooked well-balanced meals of everything from beef stew to fried chicken, and Scoutmaster William Peoples instructed a group in the method used by woodsmen to build fires outside in wet weather—a timely bit of instruction, indeed. The scouts used many matches, but they learned by doing. A string-burning contest almost ended in a triple tie, with Bob Wilkinson breaking the string seconds ahead of John Huebner and Herbert Christman.

Another group of boys engaged in test-passing under Assistant Scoutmaster Gene Trivits and Bob Thompson.

Southern States Regional Meeting Planned March 15

Newark Co-Op Members To Hear Annual Report On Regional Activity

Members of Southern States Cooperative's community advisory boards, directors of affiliated cooperative and cooperative service agency managers from this region will attend a meeting in Glasgow on March 15 at the Glass Kitchen, beginning at 7 o'clock.

An annual event, the meeting will be held to give board members the opportunity to hear a report on operations of the cooperative during the first half of the fiscal year and to discuss problems and policies of the cooperative as they affect the 283,000 farmer-members of the organization, who live in a six-state area.

Southern States District Manager C. O. Nicholson, of Bel Air, Md., is in charge of arrangements, and L. D. Caulk of Wyoming, Del., will preside at the meeting.

W. T. Steele, Jr., of the cooperative's central offices in Richmond, Va., will present the mid-year report and lead the discussion on policy and problems.

Topics to be discussed include maintenance of a sound financial structure; democratic control by farmers; across-the-board service; public specifications, and other subjects.

Attending from the Newark area will be Warren A. Leonard, Vincent L. Sawyer, William L. Folwell, Jr., Oliver Koelgel, Jr., all of Newark—Wilson Lyle, Kembleville, Pa.; Norman Whitteman, Wilmington; and John Hamilton, Bear.

Chaplain Of U.S. Senate To Speak In Sunday Series

Dr. Frederick B. Harris To Give Sunday Sermon At Newark Methodist Church

Dr. Frederick Brown Harris, Chaplain of the United States Senate and minister of Foundry Methodist Church, Washington, D.C., will be the speaker next Sunday, at 7:30 p.m. in the Newark Methodist Church for the third of five Lenten Sunday evening services presenting distinguished American clergymen. Having appeared in the series last year, Dr. Harris is returning by popular request.

He came to Foundry Church in 1924 from Grace Church in New York City. Foundry Church was established in 1814 by Henry Foxall in thanksgiving for his foundry in Georgetown—making cannon for the new Republic—was saved from destruction by the British in the War of 1812. For the last half century Foundry Church has been the mecca for many thousands of visitors.

Dr. Harris' weekly editorial, emphasizing the spiritual virtues, is carried by newspapers in different parts of the country.

Honorary degrees have been conferred upon him by several institutions of higher education. He has received a Freedoms Foundation Award "for his outstanding achievement in bringing about a better understanding of our American way of life." He has preached before numerous college and university groups throughout this country and has been a guest speaker in England and France.

Southern States Regional Meeting Planned March 15

Newark Co-Op Members To Hear Annual Report On Regional Activity

Members of Southern States Cooperative's community advisory boards, directors of affiliated cooperative and cooperative service agency managers from this region will attend a meeting in Glasgow on March 15 at the Glass Kitchen, beginning at 7 o'clock.

An annual event, the meeting will be held to give board members the opportunity to hear a report on operations of the cooperative during the first half of the fiscal year and to discuss problems and policies of the cooperative as they affect the 283,000 farmer-members of the organization, who live in a six-state area.

Southern States District Manager C. O. Nicholson, of Bel Air, Md., is in charge of arrangements, and L. D. Caulk of Wyoming, Del., will preside at the meeting.

W. T. Steele, Jr., of the cooperative's central offices in Richmond, Va., will present the mid-year report and lead the discussion on policy and problems.

Topics to be discussed include maintenance of a sound financial structure; democratic control by farmers; across-the-board service; public specifications, and other subjects.

Attending from the Newark area will be Warren A. Leonard, Vincent L. Sawyer, William L. Folwell, Jr., Oliver Koelgel, Jr., all of Newark—Wilson Lyle, Kembleville, Pa.; Norman Whitteman, Wilmington; and John Hamilton, Bear.

Chaplain Of U.S. Senate To Speak In Sunday Series

Dr. Frederick B. Harris To Give Sunday Sermon At Newark Methodist Church

Dr. Frederick Brown Harris, Chaplain of the United States Senate and minister of Foundry Methodist Church, Washington, D.C., will be the speaker next Sunday, at 7:30 p.m. in the Newark Methodist Church for the third of five Lenten Sunday evening services presenting distinguished American clergymen. Having appeared in the series last year, Dr. Harris is returning by popular request.

He came to Foundry Church in 1924 from Grace Church in New York City. Foundry Church was established in 1814 by Henry Foxall in thanksgiving for his foundry in Georgetown—making cannon for the new Republic—was saved from destruction by the British in the War of 1812. For the last half century Foundry Church has been the mecca for many thousands of visitors.

Dr. Harris' weekly editorial, emphasizing the spiritual virtues, is carried by newspapers in different parts of the country.

Honorary degrees have been conferred upon him by several institutions of higher education. He has received a Freedoms Foundation Award "for his outstanding achievement in bringing about a better understanding of our American way of life." He has preached before numerous college and university groups throughout this country and has been a guest speaker in England and France.

Fire Chief Warns Residents Of Area On Trash Burning

Cunningham Urges People To Obtain Fire Permits For Burning During March

Fire Chief John C. Cunningham has issued a plea to residents of this area to be careful to keep incinerator fires under control.

Last year the Aetna Hose, Hook and Ladder Company had 37 alarms in March due to grass fires, the chief said.

Most of the March fires last year were blamed on incinerators that were either improperly constructed or left unattended. Chief Cunningham urged everyone who burns trash to wet down the fire before leaving it.

He cited the ordinance forbidding incinerator fires within the limits of Newark after 4 p.m.

As for burning off lots, he said anyone who does this in the district protected by Aetna must get a permit from one of the fire company's three chiefs—Mr. Cunningham, First Assistant Clifton T. Knotts, or Second Assistant Olan Thomas. They will give instruction in how to burn safely and how much manure power must be used to keep the fire controlled.

"Remember," said the fire chief, "the house you save may be your own."

Final Concert In Series To Be Offered Tomorrow

One of the most eagerly awaited events of the local concert season is the appearance at the University of Delaware tomorrow, of the Robert Shaw Choral, a group of 30 singers familiar to thousands from previous concert tours, repeated appearances with many top-flight symphony orchestras, and a long list of recordings.

The program is the fifth and final offering of the 1954-55 artists series sponsored by the university's annual cultural activities.

Director of the 30-man singing ensemble and the orchestra which accompanies it is one of the brightest stars in America's musical firmament—38-year-old Robert Shaw, California-born dynamo whose widely recognized talent and unflagging energy have in the past decade become a major factor in galvanizing the art of choral singing all over America.

Council Candidates Invited To Attend General Meeting

Candidates for city council will be invited to the next general meeting of the League of Women Voters, to be held Thursday, March 24 at the Central elementary school gym at 8 p.m.

The public is invited for the opportunity to ask questions of the candidates.

The final city registration day will be this Saturday, with the election on April 12.

Individuals should register if they haven't registered since 1952; if they have moved out of a district; or if they are new in town. Those who have moved to a new place in the same district, should notify the council clerk.

In April and May the league will study the fundamental principles of American liberties. There will be three meetings of each unit on this subject.

McWilliams Named Factory Auditor At Chrysler Plant

Harry L. McWilliams has been named factory auditor of the Chrysler Delaware Tank Plant, it was announced today by Irving J. Minetti, operating manager.

Mr. McWilliams brings to his new position more than 34 years of experience with Chrysler accounting practices and procedures. He was initially employed by the corporation in 1921 as a member of the timekeeping department of the New Castle, Ind., plant. During the next 26 years he acquired extensive experience there, serving successively as chief timekeeper and supervisor of the cost department.

In 1947 he was promoted to the position of factory auditor at the corporation's Pekin Wood Products Plant at Helena, Ark., in which capacity he served for four years.

He was transferred to the Chrysler Michoud Engine Plant at New Orleans, La., in 1951 as assistant factory auditor, and in 1953 was named factory auditor of that facility which produced tank engines for the vehicles built at Newark.

A native of Parker, Ind., Mr. McWilliams now lives with his family at Lancaster Court Apartments in Wilmington.

Revival Continued By Pilgrim Gospel Tabernacle Pastor

Evangelist W. T. Mugford To Present Sermon Series Throughout Coming Week

The revival at the Pilgrim Gospel Tabernacle will continue next week, conducted by Evangelist W. T. Mugford, of Portland, Ore.

The Rev. Mugford was born and spent the early part of his life in England, and after moving to the United States, established residence in Portland where he has been a pastor, dean of a Bible College, and a radio ministerial speaker for the past 25 years.

At the end of World War II, he was selected to represent the Protestant, Catholic and Jewish clergy of Oregon in a nation-wide VJ Day message.

Recently, the Rev. Mugford has been traveling over the country, conducting revivals and speaking before assemblies numbering many thousands.

Sermons to be delivered at the Pilgrim Gospel Tabernacle revival services include "Five Foolish Females," "God and the Bobby Soxer," "The Biggest Little Things," "The Eternal Flame," "Christ and the Comics," "Perils of Pentecost," "TNT of the Church," "Jesus or Jeopardy," "America's Famous False Prophet," and "Shall I Die This Year."

During the revival, he will also discuss his interviews with Father Divine, Daddy Grace, and Prophet Jones.

During the past week, the revival has been considered a great success by Pastor John E. Baxter, who extends an invitation for all to attend the remaining services.

State Blue Cross Plan Cited Among Nation's Top Four

The Delaware Blue Cross Plan is one of only four Blue Cross plans throughout the nation which have met in full all of the approval standards of the American Hospital Association for five consecutive years.

This was pointed out today by Richard M. Jones, director of the Blue Cross Commission. The commission and the trustees of the American Hospital Association each year review the condition and operations of the local Blue Cross plans and decide whether to give them approval.

Approval may be granted in full or in part. Consideration is given to the soundness of financial policies; adequate reserves and records are insisted upon; all plans must be strictly non-profit; service to subscribers is strongly emphasized and free choice of hospital and physician must be assured, and there must be adequate representation of the entire community—hospital, doctors, industry, labor on the governing body of the plan.

There are a total of 84 Blue Cross plans in the nation.

In a letter to Harold V. Maybee, managing director of the Delaware Blue Cross plan, Mr. Jones said: "I would like to take this opportunity to personally extend to you my congratulations and those of the Blue Cross Commission for having met in full all of the approval standards for five consecutive years. Only three other plans are in this same category."

Frear Predicts Amendment For Added Tax Exemption

United States Senator J. Allen Frear has predicted that amendments to increase personal income tax exemptions will be offered when the Senate takes up the controversial tax bill containing the proposed \$20 tax credit.

An amendment to increase exemptions from \$600 to \$650 next year, and to \$700 in 1957, was voted down in the Senate finance committee several days ago.

In his other remarks, the Senator called attention to the current investigation of the stock market explaining, "It is my hope that we will be able, through this inquiry, to allay some frequently expressed fears of another 1929 disaster."

University Women's Club Plans Wednesday Meeting

The University Women's Club will meet next Wednesday at 8 p.m. in the Women's Faculty Club lounge in Warner Hall, with "It Can Be Done With Color" as the subject for the evening's program.

Mrs. Gemma Usher, interior decorator for Strawbridge and Clothier and the Wilmington representative for "Better Homes and Gardens," will include in her talk trends in color schemes in home furnishings, and how to use them effectively in home decorating. She will bring samples of fabrics to illustrate her talk.

Mrs. Ralph Jones is chairman for the social committee in charge of refreshments, assisted by Mrs. Bernard Clements, Mrs. Ardwin Dolio, Mrs. Donald Fieldhouse, and Mrs. William Mellen.

Florist, Child Specialist To Address AAUW Groups

The AAUW interior decoration group will meet next Monday at 8 p.m. at the home of Mrs. Robert Sexton, 12 Knickerbocker Drive, Brookside, where Charles Betty of Betty's Florist will talk on and demonstrate floral arrangements.

The child study group will meet Tuesday, at 8 p.m. at the home of Mrs. John F. Hannan, 8 Knickerbocker Drive, Brookside. Miss Nancy Durrett, associate professor of child development at the University of Delaware, will present a talk and a film entitled "Preface To Life," a story of the pre-school child.

Beagle Club Holds March Field Trial On duPont Estate

The Eastern Beagle Club held its March field trials Sunday at the club grounds on the estate of S. Hallock duPont near Millford Crossroads. Despite the rain 44 hounds were entered in the two classes.

Winners in the 15-inch class were: First, Hillside Mac, owned by Frank J. McDermott, Wilmington; second, Lane's Victor, Oscar Lane, New Castle; third, Willow View Zip, Joseph Lemon, Willow Street, Pa.; fourth, Kettle Drum Roll, Morris Lohmann, Claymont, and reserve, Silver Pat, Leon Kersey, Silver.

Winners in the 14-inch class were: first, Currie's Sukie, owned by Donald Connell, West Grove, Pa.; second, Peachbottom Smoke, Frank Cassidy, Peachbottom, Pa.; third, Toney of Walnut Hill, Arthur Abel, Newark; fourth, Flurry of Walnut Hill, Donald Connel, and reserve, Manor Fanny, Hugh McEwan, Havertown, Pa.

Another field trial will be held next Saturday for the spring derbies. This trial is only for hounds that were whelped in 1954.

All dogs placing in this event will be eligible to compete in the Eastern Federation of Beagle Clubs annual derby championship trials, April 16 and 17 at York, Pa.

We can do more good by being good, than in any other way.

Yale Professor To Speak At Local ACS Meeting

Dr. Harold G. Cassidy, associate professor of chemistry at Yale University, will address a meeting of the American Chemical Society at a meeting in the Hotel duPont Gold Ballroom next Wednesday at 8 p.m.

Dr. Cassidy's topic will be the applications of chromatography in the development of antibiotic drugs and biochemical knowledge.

A dinner will be held in the speaker's honor at the Hob Tea Room at 6 o'clock, F. C. Bovard has announced.

Duplicate Bridge Winners Announced For Brookside

Mr. and Mrs. Richard Bell and Mr. and Mrs. Donald Loncasty were first and second place winners at a meeting of the Brookside Duplicate Bridge Club held last Saturday evening at the home of Mr. and Mrs. Richard R. Baldwin. Other players were Mr. and Mrs. Joseph Haunt; Mr. and Mrs. Donald Acker; Mr. and Mrs. H. R. Bielecki; Mr. and Mrs. Herman Thurman and Mr. and Mrs. David Ward.

At the Feb. 28 meeting, Orval Lovett and L. R. Elledge were the winners, with John H. Miller and Wm. C. Mars, second; Mr. and Mrs. Donald Burkhardt, third; and Mr. and Mrs. Richard Morse, fourth.

The next meeting and play is scheduled for March 14 at 7:45 p.m. in the Brookside community building. Mrs. Richard Baldwin announces.

Navy Vet Enlists In U.S. Air Force For 4-Year Term

John A. Lauer, 24, of Newark, has joined the Air Force for four years as sergeant, Staff Sgt. Joseph E. Fitzgerald, recruiter-in-charge at the Wilmington Customs House, Sixth and King Streets, has announced.

Lauer was in the Navy six years and served on the destroyer Mansfield during the Korean conflict. A graduate of the Navy laundry school at Bayonne, N.J., he was enlisted as a laundry supervisor for the Air Force.

Lauer was sent to Dover Air Force Base for assignment. Sergeant Fitzgerald has just taken charge of the Air Force recruiting station at the Customs House. He replaces Master Sgt. Wesley F. Welsh, who has been promoted to the position of area supervisor.

Delaware Food Market Report

By Anne Holberton
Consumer Information Specialist

Meats and Poultry
Price on top grade hogs in last week touched a five year high. Supplies are running short and prices are expected to rise above last year, and recent average 10 to 25 cents per pound. Most reasonable cuts this week are loins, pork chops, Boston butts, picnic hams, and ends of ham. Likewise is plentiful and shopping will be rewarded with savings. Chuck roast is a good value for pot roasting. Steaks, other thrifty beef cuts, flank steak, liver and kidneys are economical cuts. Lamb: leg of lamb, lamb shoulder chops, veal shoulder and steaks.

The cheaper grades and cuts of meat, though fairly lean and not so tender, if prepared right are just as nutritious and every bit as tasty as the higher-priced steaks and roasts—chief difference is that they take more time in cooking and more skill in seasoning. With a few pointers on cooking and seasoning, appetizing, nourishing meat dishes can be prepared to suit any family budget.

A Department of Agriculture booklet entitled "Meat for Thrifty Meals" gives 45 pages of these helpful hints. Copies may be obtained free by writing: Anne Holberton, University of Delaware.

Seafood
Currently heavy landings of fresh fish mean abundant supplies at retail counters. Best values in fresh fish are on cod, haddock (especially the small sizes), shad, bass and mackerel. These frozen fish also are good buys this week: cod, haddock, ocean perch, pollock, whiting, smelts and halibut. Somewhat more expensive seafoods include fresh rock, scallops, oysters, shrimp, lobsters and salmon steak.

Fruits and Vegetables
Strawberries from Florida are arriving in greater quantities at slightly lower prices. Although not an economical item early in the season, they provide a pleasant variation in our winter diets. Red grapes, apples and winter pears are available at moderate prices again this week. Citrus prices are stronger as processors compete with the fresh market for the Florida Valencia oranges and grapefruit. Since quantities

Thirty-six 7th and 8th graders of the Christiana-Salem Consolidated School traveled by special bus on Friday afternoon to Mt. Pleasant High School, where they participated in the Junior High School Music Festival.

The girls in Mrs. Rosa Gresham's seventh and eighth grade classes gave her a surprise farewell party on Friday, her last day of teaching. Mrs. Gresham has resigned on doctors' orders. No successor has been appointed as yet.

Eighth grade students in Miss Frazier's room have been industriously selling candy and peanut brittle to swell the class funds for an all-day trip to some point of interest before school closes in June.

Mr. Pacopis' seventh graders have welcomed two new classmates recently—Betty Sharpley, who comes from Maine, and Shirleen Snyder, formerly of New Jersey.

Mrs. Sylvia Walton and Mrs. Sarah Fraser attended the Reading Clinic at the University of Delaware on Friday and Saturday.

Mrs. Agnes O'Neal's fifth graders are writing an original play which will be enacted by puppets they have made. They are also making the stage, which is partially completed.

In connection with their English and social studies, the children are writing to the chambers of commerce of all states for literature and information to be used in their classes.

Mrs. Kleinbach is planning to take her first graders on a visit to Frazee's Hatchery on Paper Mill Road tomorrow.

Community Square Dance
March 26 is the date of the next square dance for adults of this district, which will be sponsored by the PTA in the school auditorium.

Tickets will be available in advance from members of the ways and means committee: Mrs. E. V. Widgren, Mrs. Ernest McClain, Mrs. Frank Moore, Mrs. William Graden, and Mrs. John Sharpe.

At a planning session held last week at the home of Mrs. E. V. Widgren, chairman, numerous committees were appointed for the annual PTA Jamboree to be held on the school grounds on Saturday, June 4. These include: cake table, Mrs. Howard Perry and Mrs. Howard Haubert; French fries, Mrs. John Sharpe and Mrs. Richard Loos; hot dogs, Mrs. Fremont Loeffel and Mrs. William Houle; beverages, Mrs. Ernest McClain and Mrs. William Graden; children's activities stand, Mrs. William Kee and Mrs. Walter Sweetman; baseball game, James Blest and Ernest Widgren; pony ride and fire engine, William Graden and Ernest McClain; fish pond, Mrs. Frank Backiel; games, Howard Haubert; post office booth, Mrs. James Blest; dish stand, Mrs. Erich Bollman and Mrs. George Johnson.

In spite of rain and fog, almost 300 diners were served by the Ladies Auxiliary of the Christiana Fire Company last Saturday, and over \$225 realized from the turkey supper.

Mrs. Elizabeth Tackach has been appointed chairman of the Thursday evening card parties for the month of March. Playing begins at 8 p.m. in the fire house. Last Thursday's party was well attended, with profits amounting to \$38.

Delegates and alternates of the Christiana group attended the monthly meeting of the New Castle County Ladies Auxiliary held last evening at Minquedale.

Easter Concert Scheduled
On Sunday, April 3, at 7:45 p.m., the choir of the Christiana Presbyterian Church will present a concert of Easter music under the direction of David Koch.

The Rev. Dr. S. J. Venable, general presbyter for the New Castle Presbytery, was a guest at Sunday School and church services and delivered the sermon last Sunday.

A ham and oyster supper will be served in the Methodist Church this Saturday, beginning at 5 p.m. The Joy Circle met at the home

titles processed to date are lower than last year, keen bidding by processors will be made on remaining fresh citrus supplies. Price rises are likely on canned and frozen products as well as for fresh oranges and grapefruit.

Heavy potato shipments from Maine are lowering prices. At prices roughly twice as high as new red Florida potatoes and Idaho Russets. Other thrifty vegetables this week include mushrooms, escarole, turnips, greens, sweet potatoes, cabbage, carrots, beets, and onions.

of Mrs. De Groft last Wednesday afternoon. A number of members of the Christiana WSCS attended the district meeting at the Newport Methodist Church last Tuesday evening.

A very successful cookie sale was conducted by Brownie Troop 151 under the direction of Mrs. Howard L. Schulz. The 14 industrious Brownies sold a total of 210 boxes of cookies between Feb. 18 and March 5.

Christiana bus riders are reminded that the Diamond State Bus Lines' request to decrease its Saturday and Sunday service to Christiana has been approved by the State Public Service Commission. A public hearing will be held if there are protests from users of the line. Better check with the bus center or the driver before planning weekend use of the bus.

Mr. and Mrs. Charles Lynch and family of Kirkwood were Sunday visitors at the home of Mr. and Mrs. George Ware.

Congratulations to Mr. and Mrs. Samuel Butler on the birth of a daughter, Diane Marie, at the Memorial Hospital on March 2. Mrs. Charles Foote is substituting for Mrs. Butler, the Christiana postmistress.

Mr. and Mrs. James Miles entertained Miss Etta Leatham of Wil-

mington last Saturday evening. Mrs. Olan Cleaver visited her sister, Mrs. Norman Holloway, of Bishop, Md., on Sunday.

Charles Burge, son of Mr. and Mrs. John Burge, left Japan for the States on March 2 after serving about 18 months overseas with the Army. Nicholas Vlasvelt, another Christiana serviceman, is expected home from Germany the latter part of this month according to word received by his mother, Mrs. Helen Vlasvelt.

Albert Thorp of Sandusky, son of Mr. and Mrs. Charles Thorp, has recovered from his recent bout with pneumonia and is back at work. His small son Michael, who was ill at about the same time, has also recovered.

Miss Ann Bernadine Crunden was among the student nurses who were capped in a ceremony at the Memorial Hospital last Friday evening.

HOTTEST BUICK IN HISTORY

He wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total national sales.

**Who says you can't have
getaway and gas saving too?**

(maybe you'd better try Variable Pitch Dynaflo®!)

As any automotive engineer will tell you, the goal in automatic transmissions has long been a design that would give top acceleration and top gas mileage—and still be absolutely smooth.

Well, it's easy to step up acceleration, or gas mileage—but tough to do both together—unless a lot of gearshifting takes place, which cuts down on smoothness.

So Buick engineers looked to aviation for the answer—and brother! what a wondrous new magic they came up with!

They took a leaf from the airplane's variable pitch propeller—which switches the pitch of its blades one way for quick take-off—and another way for better gas mileage aloft. They brought the same principle to Dynaflo Drive—to the twenty

propeller-like blades in the Dynaflo "stator." They engineered these blades to swivel like the blades of the plane propeller—and with the same results.

In cruising and in all normal driving, the blades are angled for fuel economy—and you get a lot more miles from a tankful of gas.

But when you have to move instantly—when you need quick getaway, or a sudden burst of safety-surge power to get out of a tight spot on the highway—you just press down that gas pedal, and you're off in a split second.

You've never felt anything like it before—because there's never been anything like it before in an automobile.

It's action that's sheer thrill—action that's backed by the highest V8 horsepower in Buick history—action that's sending Buick sales soaring to record-high levels.

Come in and try it, at the wheel of a Buick SPECIAL, CENTURY, SUPER or ROADMASTER. You have nothing to lose—and the most thrilling buy of the year to meet.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

**Thrill of the year
is Buick**

Judith Colburn College Physics Project Computer

A Newark girl senior at Smith College, Mass., is doing calculations as part of a U.S.-backed research project in theoretical physics.

A two-year grant to support the costs of hiring a computer to do calculations on a theoretical physics project, has been given to Dr. William Taussig Scott, associate professor of physics and chairman of the department of physics at Smith College, by the National Science Foundation.

Dr. Scott expects that most of the calculations will be done by students at Smith College during the next two years.

Miss Judith Colburn, a senior, daughter of Mrs. Allan P. Colburn, 49 Winslow Road, and the late Mr. Colburn, who was provost of the University of Delaware, is carrying on calculations.

Capitol Trail News

Marjorie M. Bishop, Correspondent
1501 Capitol Trail

Owners of dry or near-dry wells, farmers and gardeners alike joined in giving thanks for the rain this past weekend. And speaking of water, the digging along Capitol Trail near the Medill School is part of the process of extending the city water line out to the housing developments on the highway.

Illness of one sort or another seems to be visiting many homes at this time of year. Miss Ellen Gallagher of Capitol Trail, has been missing in the office of the Medill School this past week due to a case of the mumps.

Among the latest victims of virus infections are Peter Furness, Capitol Trail; Mr. and Mrs. Alfred Deck, Eastburn Heights; Mr. and Mrs. Grover Hale, Roseville Park.

An important event last week was the arrival of twins on the farm of Mr. and Mrs. Talbert Chalmers, Poston Park Road. These latest arrivals in the sheep world have been given names—but you'll have to ask Jane Chalmers about that!

Mrs. Burton Schenck left this week to join her husband in Key West, Fla. Mrs. Schenck is the former Gail Buckingham, of Red Mill Road.

Mr. and Mrs. Clarence MacNeal, Jr., and family, of Carney's Point, N.J., were guests of Mrs. Miller Darrell, Capitol Trail, for a birthday dinner in honor of Mr. MacNeal last Sunday.

Miss Grace Miller of Roseville Park is president of the Senior Honor Society of the Newark High School which is sponsoring a "Spring Fling" to be held tomorrow night in the gymnasium. Proceeds will be given to Our Lady of Grace children's home on Chestnut Hill Road.

young choir, was wished "bon voyage" last Sunday, as she prepared to take off by plane this week with her husband on a trip to California. Members of the church regret that LeRoy Pennoek is seriously ill at Delaware Hospital.

Appreciation is expressed to John Fisher for the use of a moving picture projector last Sunday, in showing the picture, "Of These My Brethren."

Offering boxes were distributed to the children to be used for the One Hour of Sharing, a sacrificial offering to be received on the First Sunday in April.

The following represented White Clay Church at a Christian Education Institute held at the Church of the Good Shepherd, Rev. and Mrs. James H. Bishop, Mrs. Thomas Davis, Mrs. David Anderson, Jr. Frank Butterworth, Mr. and Mrs. Grover Hale, and Herbert Stone.

White Clay Fellowship
In the March meeting held last week, the following committee was appointed to have charge of the flowers in the sanctuary during the month of March: Mrs. John Wilson, Miss Eleanor Murray.

It was voted to again sponsor the annual chicken salad supper. The date—Saturday, April 23.

Westminster Fellowship
Last Sunday in the worship period, the Rev. Bishop, spoke on the meaning and importance of church membership.

In the program "Our Hobbies," Carl Butterworth demonstrated how the engine of a power driven model plane is put together and operated. He exhibited the scale drawing of a plane which he is building.

Karl Finger described the development of photographic prints and showed some results of her experiments. Tommy Davis described his experiments with electro-magnetic devices.

Next Sunday the group will enjoy a progressive supper, starting at the Manse at 4:30, with a worship period, followed by the first course. The next course will be at the home of Tommy Davis, supervised by Mrs. Davis and Mrs. Anderson. The program will conclude at the home of Audrey and Carl Butterworth, where Frank Butterworth will talk on "Pigeons As A Hobby."

Members of the group are inviting their families to attend the supper and program. Edith Anderson and Tommy Davis are the telephone committee.

On Sunday, March 20, the group will entertain the Junior-Hi Fellowship of Red Clay Creek Presbyterian Church. Audrey Butterworth, Connie Cochran and Edith Anderson will serve on the refreshment committee. Mr. and Mrs. Grover Hale will be assisted by Tommy Davis and Carol Finger on the fellowship committee.

The Improvement Society will sponsor a bake sale in Newark, on Thursday, April 7, with Mrs. Elmer Gallagher and Miss Elizabeth Brown in charge.

Next Sunday, in the 11 a.m. service, the pastor will bring a message on "The Guiding Hands of Jesus."

The executive committee of the Millers Creek Hundred Association of Churches will meet at 2:15 p.m. in the Rockekin Methodist Church. Delegates from White Clay Church are the Rev. and Mrs. James Bishop, Willard Johnston and Mrs. David Eastburn.

Legion Dinner
The women's association is again sponsoring the serving of the annual birthday dinner of the American Legion, J. Allison O'Daniel Post No. 10 and Auxiliary.

This will take place on Wednesday, March 16, at 6:30 p.m. and will be a testimonial dinner in honor of Dr. Carl Rees.

The planning committee consists of Mrs. Peter Furness, Mrs. Lewis Springer, Mrs. James Bishop, Mrs. Alfred Deck, Mrs. James Brown and Mrs. John Fisher.

Mrs. David Eastburn will have charge of decorations and will be dining room hostess. Mrs. Lewis Springer will be chairman of waitresses.

HISTORY'S LESSON

When primitive man, observing a rolling stone, seized upon an idea and perfected the first crude wheel, he started civilization really rolling. But he caused some consternation, too.

Others of our ancient ancestors who had been getting things from here to there by laboriously carrying them by hand, envisaged a wheeled contraption that would "throw men out of work."

We know, of course, that it didn't—and that the primordial wheel made jobs instead of destroying them.

So it is today, as we progress further into the age of "automation"—the automatic operation of productive machinery. The fear of "workerless factories," being spread in some quarters, is entirely and historically groundless.

We can have wonderful and more efficient machines—and jobs in increasing numbers at the same time. The history of industry says we can—and the practice of industry says we will!

Twenty-five Years Ago

Municipal Election

Four members of council will be elected in the annual municipal election to be held Tuesday, April 8, as the terms of O. W. Widdoes, eastern district; C. C. Hubert, western district; and W. P. Wollaston and W. J. Lovett, both middle district councilmen, expire. Mr. Lovett was appointed to fill out the unexpired term of Herbert Henning.

It is understood that both Mr. Hubert and Mr. Lovett will be candidates for reelection.

Candidates will be required to file nomination papers by March 29, ten days before election.

Daylight Saving Time

Although the local schools have operated on daylight saving time for several years, this spring will be the first time that classes at the University of Delaware will be conducted on a daylight saving time schedule.

The announcement was made in The Review, student publication, and the change in schedule is being inaugurated to accommodate the many scholars who commute from Wilmington and other areas operating on daylight time.

Gym Contract Awarded

S. L. Hoover and Son, Philadelphia contractors, were the low bidders with an offer of \$119,366 to construct the new gymnasium at the Women's College, University of Delaware. Ground will be broken for the new structure as soon as possible after the contract is signed, and the building will be erected on the campus at the corner of East Park Place and Academy Street.

Although the college was established 16 years ago and now has an enrollment of 300 students, there has never been a regular gymnasium and swimming pool.

Five Company Fire

Five fire companies fought a fire near Harmony Station on the B&O railroad early this week as fire destroyed a barn, damaged the dwelling, and seared more than 150 acres of land on the farm of Joseph Hummell and Clarence Wickersham, tenanted by F. A. Rothwell.

Fire companies from Newark, Christiana, Mill Creek, Newport, and Five Points were summoned and worked for two hours to extinguish the flames. Damage was estimated at \$4,000, and the property was not covered by insurance.

HISTORICAL REVIEWS OF THE NEWARK AREA

By ETHEL M. HILL

Going to school in 1886 in the old stone building at Milford Cross Roads was very different from present day school.

The pupils were not graded as at present, and the larger pupils did much in taking care of the smaller ones.

One day when we were playing on the school ground—the door of this building opened to the west, looking up the road toward Newark—we were surprised to see lumbering down the road, a big bear. It is true he wore a sturdy leather collar to which was attached a heavy chain, held by a man, but this did not give us much assurance.

We all ran into the school room, banged the door shut and locked it, much to the consternation of our teacher, Miss Emma Choate. By pushing the long desks up to the windows, the small children could climb up and could sit in the big wide window sills usually found in the old stone houses. The children, by standing on the desks, could see the bear.

The man stopped in front of the school and called "children come out and see the bear dance." He rattled some pennies in a cup—or maybe they were pebbles—it did not mean much to us because we were country children and did not carry pennies to school. We felt that we had a good place to see everything the bear did, so we stayed there. How did we know that this bear had had his lunch or even his breakfast?

A short time afterward we were

not so frightened but a little disgusted when a man with a musket box strapped to his shoulders came along with a monkey that jumped all over everything. This was something to watch but even today I do not like monkeys.

In those days school commissioners were elected by the people of the district and my father was elected school commissioner of Milford Cross Roads.

Believing that this old stone building, where and my mother had both gone to school, had served its day, they decided to tear it down and build the brick school house which stands today near where the duPonts have built Louvers, where Hominy Ridge road comes out from the Tweed's Mill Road. These roads are now closed but were in use when I was a child.

The Hominy Ridge Road ran parallel with the Unami Trail—the old Indian Trail from London Tract Church—which was the Lenni Lenape Indian town where Wm. Penn met the Indians and bought from them the land between the Delaware River and the Susquehanna River as far north as the Falls of the Susquehanna.

Most of the Lenni Lenapes moved westward to the Ohio and to Indiana.

Watch his footwork, Dad!

How to Help Make Sure his Feet will Stride, Straight and Strong, on the Path to SUCCESS

That's a certain dream that every Father dreams, And every Mother, too. It goes like this:

On a golden afternoon, that's yet unborn

But sure to come — ten years or so from now —

You'll stand in a cheering crowd, and, turning, say

"Mister — that's my Son!"

What can you do to make such dreams come true —? Many

things, of course. And one of those things is seeing that your child's growing feet get the right care, today.

That's why we recommend Little Yankee Shoes. These are children's shoes designed for fit — first and foremost. They are the shoes designed with the future in mind... designed to let your feet grow as Nature intended, free from deforming influences.

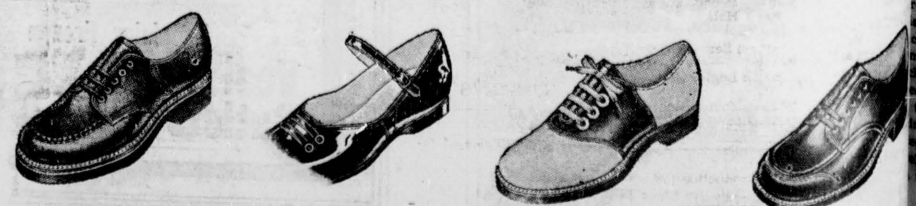

Skillful fitting of Little Yankee Shoes is equally important. Our trained fitters will make sure that the size and width and type of Little Yankee Shoes will be right for your child's feet. Come in now

Norma Wimmer, daughter of Mr. and Mrs. Norman Wimmer of Newark, was honored at a bridal shower given by her co-workers at Retail Credit Corporation this week at the home of Mrs. Charles Poter, Jr., on Saturday.

The marriage of Miss Wimmer to Mr. Robert Reed, son of Mr. and Mrs. Miller Reed of Middletown, will take place April 2 in the home of the Brethren, Jennersville, Pa.

The bride-to-be was honored at another shower given recently by Mrs. Cone Franklin.

Selection of Thursday, Friday, and Saturday, April 21, 22, and 23, as the dates for the annual Boys State of the Department of Delaware, American Legion, at Dover, was made at a meeting of the Boys State Committee of the department Tuesday night.

Delaware is the only state which conducts its Boys State either with the State Legislature or in the capitol building.

Mrs. Bernard Weimer of South College Avenue has returned home from a visit to Chicago, Ill., and Mr. Weimer from a business trip to South America.

MRS. WILSON PRICE HOSTESS TO CLUB GROUP

"First Study your wardrobe and plan what is most needed before buying new clothes," said Miss M. Katherine Jones in addressing the Glasgow Home Demonstration Club this week at the home of Mrs. Wilson Price. There are many points to consider when shopping for dresses—some of which are: durability, color, cost, care, and good fit. Ofttimes, buying the more expensive dress will be the most economical.

The club is happy to welcome a new member, Mrs. L. Lewis. Many timely reports were given by the chairman. An invitation was received from the Bear Club to join them in a trip to the Philadelphia Flower Show on Wed., March 16. If anyone is interested, please contact Mrs. James Blest of Newark.

The club received a receipt for the Plover recently donated to Pakistan. Donations were made to the Red Cross and to the Heart Fund.

A class in basketry is planned for Tuesday evening, March 22 at 7:30 at the Agriculture Hall. Bring scissors and join in the fun!

The next meeting is scheduled for April 12 at the home of Mrs. J. A. Correll.

MRS. COLGATE SPEAKS TO BROOKSIDE ECH. GROUP

Mrs. Joseph Colgate will speak on Tuesday, March 15, at 8 o'clock. Hour starting at 10:30 in the Fellowship Room of the St. Andrews United Presbyterian Church in Brookside.

Mrs. Colgate has served as Program Director of the Y. W. Wives for several years and is now President of Westminster Presbyterian Woman's Association. Her topic of discussion will be "Your Place in the Church." Guests include the Women's Society of Christian Service of Kingswood of Brookside Methodist Church and any others interested.

A nursery will be provided for the children.

Boyd, Ladd Gain MAC Finals As Hens Place Fifth In Meet

Delaware's 123-lb. Captain Dale Boyd, 147-lb. Ladd Wins Seconds In Wrestling Championships; Gettysburg Retires MAC Trophy After Winning Title Third Time

Delaware Wrestling Captain Dale Boyd and 147-pounder Harold Ladd won second place in the Middle Atlantic Collegiate Wrestling championships at the University of Delaware last weekend, as the Blue Hen squad earned 10 points in the tournament to finish fifth.

In the wrestling finals, 123-pounder Boyd, fresh from a 5-0 decision over Gettysburg's Ken Purd and a pin of Lafayette's Charles Hevly, met his match in defending MAC Champion Ed Dawkins of Ursinus. The flyweight pinned the Hen captain in 4:02.

Ladd Wins Two

Ladd moved smoothly past Swarthmore's Bob Lenthall and Haverford's Stan Miller only to drop a narrow decision, 7-4, to Ralph Hutchison of Lafayette in the Saturday night finals.

After losing his preliminary bout, Delaware's 167-pound wrestler, Jack Wenner, moved into the consolation finals to capture a fourth place. Scoring 39 team points, Gettysburg won its ninth Middle Atlantic Collegiate Wrestling Association championship, and its seventh title in succession before a crowd of 1,200 at Carpenter Field House.

Leading their team in its winning attempt were 130-pound Bob Walmsley and 167-pound Jerry Harrell who won the championships in their respective weight classes.

Each member of the eight-man Gettysburg team placed in the top four positions.

Lafayette, Second

Lafayette, which conquered Gettysburg in a dual meet earlier this season, finished second with 36 points.

Fred Braun, Lafayette 177-pounder, was voted the outstanding wrestler of the meet.

The tournament victory enables Gettysburg to retire its second MAC trophy. Under rules of the association, a team which wins the award three years retains permanent possession. After receiving the trophy in 1952, the Blue Hen grabbed legs on the new trophy in 1953 and 1954.

Klapinsky, Martin Top Yellowjackets In Season Scoring

Newark Ends 8-11 Season
With Final Victory Over
Elkton Last Friday Night

Forward Ray Klapinsky and Guard Jim Martin topped the scoring performances against Mt. Pleasant and Elkton last week, as the Newark Yellowjackets ended an 8-11 campaign, to lead Coach Harry Squatrito's local pointmen with respective totals of 277 and 203 points for the season.

Stopped in a return, postponed home engagement with Mt. Pleasant last Wednesday night, on the short end of a 79-49 surprise, the Jackets rang down the curtain with a 56-53 victory over Elkton on the Newark court.

Klapinsky and Martin shared scoring honors for Newark with 12 points each against the Green Knights, while Martin rolled up 21 points in the Elkton test. Klapinsky was runner-up with 16 more.

After a near-even first quarter, Newark dropped out of contention when Mt. Pleasant rolled to a 30-14 advantage in the second quarter. It was all Knights, 18-9, in the third period, and Mt. Pleasant again, 21-15, in the final stanza.

The Yellowjackets stopped the Knights, 52-51, to open the season. In the Elkton game, Newark took a 19-10 first period lead, lost the advantage with the Elks' rally in second and third quarters, and then salvaged the evening with a 17-12 scoring supremacy in the closing period.

After dropping their first four games of the season, Coach Al Brown's Yellowjacket junior varsity cagers displayed a stellar grade of basketball in winning 12 of the remaining 15 games on the schedule. The Newark Jayvees walloped Mt. Pleasant, 61-39, and trampled Elkton, 65-27, in the season finales last week.

Bob Conway was high scorer in the Elkton clash, with five field goals and seven foul shots for a 17-point total, while Nells Ludlow was one off the pace with seven field shots and a pair from the line.

Newark's junior varsity took a commanding lead in the first period with a 25-10 performance, and outscored the junior Elks, 14-11, 20-4, and 5-2 throughout the contest.

Whiz Wisniewski To Coach Delaware Varsity Golfers

Irv Wisniewski, Delaware varsity basketball pilot and football end coach, will handle the varsity golf team this season, director of athletics Dave Nelson has announced. The Blue Hen court tutor will assume his new role at the conclusion of spring football drills.

A native of Toledo, O., Wisniewski came to the University of Delaware as freshman basketball coach and varsity end coach in 1952. He assumed additional duties last year as mentor of the freshman baseball team.

Starting in both basketball and football as an undergraduate at the University of Michigan, Wisniewski was a first-string defensive end on the Wolverine team that conquered Southern California, 49-0, in the 1948 Rose Bowl.

Bill Wolf, who formerly wrote a classic outline for the now defunct Philadelphia Record, has an article in the current issue of the Big Post dealing with this comparatively new sport of underwater spear fishing.

While extolling the merits of skin diving, Bill also stresses that a bit of caution is considered advisable for beginners.

"Overenthusiastic and underprepared amateurs go out and try to drown themselves, tangle with sharp spears or step on sting rays," he writes. "Everyone with a bit of daring apparently wants to get into the act of viewing the fascinating underwater world through his own individual little windowpane in a rubber mask."

And Mr. Wolf continues: "Spearfishing is powered by springs, strong rubber bands, or carbon dioxide. They are used with deadly effect on fish—and sometimes with injurious effect on humans."

Well, that deadly effect on fish, at least, sounds encouraging for a rod and reel man who has met with little recent success in the employment of what may be an outmoded type of offense.

Delaware Bay and its tributaries, along with the Maryland and Delaware ponds and rivers, are not blessed with the submarine visibility necessary for successful goggle fishing, but the Atlantic Ocean and portions of Chesapeake Bay

SPORTS FLASHES

from
The Sporting News
by J. G. Taylor Spink

Who among new major league players are going to be the peaches of the 1955 crop? Or the lemons? No one can say with any certainty at this stage of the year. But, even so, some major club front offices and their farm officials put out bold statements about this young man or that.

Sometimes the magnates don't even know what they've got. Take last year, for example. The prize rookies in 1954 were Wally Moon in the National League and Bob Grim in the American. Yet, while other young players were getting big buildups a year ago, Moon and Grim weren't being mentioned—weren't, in fact, even on big league rosters.

The Cardinals didn't buy Moon from Rochester until April 12, and that was on a second guess. Grim, from Birmingham, didn't win his Yankee varsity uniform until April.

Rookie Forecasts
The Cardinals are saying that their new outfielder, Bill Virdon, just can't miss. But will he be another Moon? The Yankees are sold on Elston Howard. But is he as sure a shot this year as the unknown Grim was a year ago?

Figuring rookies, says The Sporting News, is a risky business. All of us remember the young men who had one blazing year, then faded away. They looked like Cobbs, Fellers, Ruths, bound surely for their eventual niche in the Hall of Fame. But their stars fell almost as fast as they shot up.

Right now, Willie Mays looks like one of the finest players in the business, with his sensational catches, his home runs, his average of .345. But suppose he hits only .300 this year. He'll probably be considered a bust.

Looking Back
Look back after some of the up-and-coming sensations. A few years ago the Yankees thought they had another Joe DiMaggio in a young man named Mickey Mantle. He gave big and spectacular promise the first season, but hasn't lived up to that promise since. In 1951, Pete Reiser was a sensation, but not after that. Gene Bearden and Johnny Beazley seemed certain 20-game winners for years to come, but they hit it only once each season.

Two others who were among the heaviest ballyhooed prospects were Johnny Rucker and Clint Hartung of the Giants. Bill Terry thought he saw a second Ty Cobb in Rucker, but the young man hit .256, couldn't steal bases like Cobb, and soon faded. Hartung was fabulous—in advance. He didn't hold up.

The Mad Russian
Lou Novikoff of the Cubs was another who came to the majors amid widespread ballyhoo after he had been a hitting sensation in the minors. But he failed to hit bigtime pitching with any consistency.

Then there was Pitcher Johnny Gee, for whom the Pirates paid \$75,000 in 1953. But after coming up from Syracuse, Gee hurt his arm. When he finally wound up his major league career, he had won seven games but lost 12.

Ten U.D. Athletes
Attain Scholastic
Honor Roll Rating

Evidence that Delaware athletes are also endowed with academic ability was produced when the dean's list of honor students at the University of Delaware was released recently. Ten undergraduates, participants in seven different sports, were listed among the students who received a grade of 3.25 or above out of a possible 4.00.

Three members of the Blue Hen football team, center Frank Gyetvan, left halfback Jim Zaiser and Little All America quarterback Don Miller, reached the high scholastic mark.

Former Conrad High star Dave Woodward, one of Delaware's veteran baseball pitchers, earned a high "B" average last semester to make the dean's list. Zaiser and Miller are also members of the Hen nine.

Harold Ladd, who recently came within a hair's breadth of becoming the Middle Atlantic Collegiate Wrestling Association 147-pound champion, secured a 3.54 average, while Tom Brown, stellar Hen soccer goalie, was also cited for academic excellence by the university.

In freshman athletes, forward Paul Flood and center George MacFarland of the yearling basketball team joined halfback Ralph Redling of the freshman football eleven and John Spargo of the freshman wrestling squad in reaching a high scholastic mark.

offer water of sufficient clarity to give the merman a fair shake. Fish, which for centuries have amused themselves by baffling the surface divers of man with their rod and line, are apparently stunned at the appearance of a flippers, two-legged monster peering through a glass porthole on the bottom of the sea, swimming over the accumulation of coral, oyster beds, discarded beer cans, and lost sinkers.

From what we read and hear, the skin diver simply selects the biggest fish, swirls up within range, and—tchoo—sinks the old harpoon. See Rip Collins or Allen Smith for further information concerning this suggested skin diving submarine squad. It sounds like one of the more interesting forms of suicide.

Vets Forfeit First Game In Final Playoff Series

Undefeated in Newark competition, and stopped but once during the season—in the Dover Invitational—the Adult Recreation Basketball League Vets forfeited to the National Guard in the first scheduled game of the final playoff series last Monday night at the Newark Armory.

The Vets were away in Wilmington at the time, engaging an opponent in the Protestant Church League.

In the consolation playoff series, Main Street walloped the Shamrocks, 46-27, as Jim Seydell led the victors with 16 points, and Len Nelson scored the Shamrocks with a 15-point performance.

Capt. Bob Wagner Sets
New MAC Breaststroke
Record Over 200 Yards

Delaware swimmers scored 49 points to finish third in the Middle Atlantic championships at Franklin and Marshall last Saturday, placing well ahead of several teams that scored victories over Coach Harry Rawstrom's Blue Hen squad this season.

Delaware Captain Bob Wagner posted his best time this year in the 200-yard breaststroke, 2:35.9, for a new Middle Atlantic record and a new Delaware record.

Scoring a first in the title meet was Lafayette, while Gettysburg finished second. Franklin and Marshall, West Chester, Drexel, PMC and Swarthmore finished behind Delaware in that order.

In addition to Wagner's victory, the Hen's 300-yard medley team, Bruce Stewart, Jack McDaniel, and Bob Brubaker finished out in front in 3:21.4.

In freshman competition, Delaware's Bob Dempsey placed second in diving and the medley relay team of Dick Brown, Charles Crompton, and Bill Grappenhauer, finished second.

Governor Endorses State Baseball Week Observance

Governor J. Caleb Boggs this week called for the organization of baseball clubs and leagues for the youth of Delaware as well as "intelligent employment of the game at industrial and professional levels."

As a means of wholesome recreation. This should be done, Governor Boggs said, during the week of March 19-25, when Delaware will join the nation in marking National Baseball Week.

Hens Finish Fifth To End MAC Play With Garnet Loss

Swarthmore Wins 80-78
Finals With Field Goal
In Last 15 Seconds Play

The University of Delaware basketball team finished fifth in the six-team Middle Atlantic Conference race with a 3-7 log for the season, as Coach Irv Wisniewski's charges dropped their final league contest last Wednesday 80-78, to the visiting Swarthmore cagers.

Jack Waddington had tied the score with a fancy lay-up shot with 15 seconds remaining, but Swarthmore's Mayer Davison rang up the deciding field goal as the buzzer ended Delaware's Mid-Atlantic play for the season.

Clyde Louth paced the Blue Hen scorers in the Swarthmore finale, with eight field goals, while Bob Messick and Waddington were two and three in the scoring department with 13 and 12 points each.

In Philadelphia last Saturday night, the Temple Owls walloped the Delaware passers, 87-62, with the Fighting Blue Hens out of the running after dropping off the pace, 10-1, in the early stages of the contest.

Waddington paced the pointmen from Newark with a 13 point attack, while Dallas Green contributed 12 to the losing cause. Four of Temple's starters registered in double figures, with Hal Lear collecting the game-high total of 22 points.

High School Coach To Receive Trophy At Football Clinic

1st Trophy Presentation
Planned March 25th at 2nd
Annual Coaches' Meeting

For the first time in the history of the state of Delaware, a trophy for outstanding contributions to football will be made to a Delaware high school coach. The award, given by the state organization of high school coaches, will be presented at the dinner of the two-day high school football coaching clinic at the University of Delaware on March 25.

The trophy will be given to the football coach who did the most to stimulate good will during the year and bring credit to the coaching profession.

The 24-inch-high award is planned by the group of high school football coaches in Delaware who plan to formally organize as the Delaware Interscholastic Football Association. The trophy will remain the permanent possession of the participant and a new prize will be purchased by the association each year.

Scotty Duncan, Newark High School football coach and chairman of the present high school coaches group, first proposed the award. A similar recognition for high school coaches was formerly jointly presented by television station WDEL-TV and the Wilmington Sunday Star.

Coaches of the state will cast their ballots at the banquet of the two-day coaching clinic at the University of Delaware and the trophy will be presented after the evening meal. In future years the balloting will be done by mail.

Forum Hears Plan For State Civil Service Outlined

J. M. Rosbrow Addresses Newark Group On S. B. 13 At Rep. Wolf's Invitation

The State of Delaware is the second largest employer in Delaware—second only to the DuPont Company—and if a private company were as prodigious with its personnel resources as the state is, the stockholders would rise up in arms, a forum was told here last week by James M. Rosbrow, secretary of the State Unemployment Commission and co-author of "The Delaware Citizen."

Subject of the forum, arranged by State Rep. Henry H. Wolf (R-Newark) was Senate Bill 13 which would set up a State Personnel Department. The 28-page measure is generally known as the state civil service bill.

The absence of tenure in state jobs is so costly, Mr. Rosbrow said, that he estimates it would bring about a 10 per cent gain in efficiency within a few years. He said this would mean a saving of \$1,000,000 a year on the present state payroll of roughly \$10,000,000 for jobs that would be covered by S. B. 13. He said the cost of administering civil service would not go over \$100,000, and the present bill provides only \$25,000 a year.

Exempted from the bill would be the entire school system, magistrates, advisory boards, physicians, lawyers, patient and inmate help at institutions, and other categories. This means only half the state employees, or about 3,500 persons, would be affected. (A separate teacher tenure bill is pending.)

The bill, he said, would create a three-man State Personnel Advisory Board that would serve as an appeal body in tenure cases. Terms would be for six years.

There would be a state personnel director not subject to political removal. His office would be charged with developing uniform job classifications, pay scales, leave policies, and hours of work.

Women's Republican Club To Hear State Official

The Women's Republican Club of the Newark area will hold a monthly meeting next Wednesday in the Odd Fellows Hall, East Main Street at 3 p.m.

Mrs. F. A. Wheelless has announced that the speaker will be Mrs. Ransom Elton, president of the Delaware Federation of Women's Clubs, who will present a report on the recent national federation meeting in Washington.

Proposed Budget

(Continued from Page 1)

Administrative Budget.

The first three items in the proposed administrative department budget of \$79,680 were unquestioned, consisting of salary allocations of \$2,000 for the mayor and councilmen; \$14,280 in administrative salaries; and \$14,500 in salaries for office personnel.

The advisability of the fourth item—\$2,000 for city administrative employee participation in city management association meetings for the exchange of technical knowledge was questioned by Councilman Wm. Coverdale, along with items of \$3,000 for insurance and \$2,500 for miscellaneous supplies.

Mr. Over replied that the proposed \$2,000 allocation was not an "enjoyment item" and that it had been included as a necessary measure for providing the City of Newark with the benefit of other city administrative experience through attendance at joint technical meetings.

The miscellaneous expenditure allowances of \$2,500, Mr. Over continued, included purchases of supplies amounting to less than \$100.

Concerning the item of \$3,000 for administrative department insurance, cost benefits of a blank policy with one company, to cover all city insurance, is to be investigated.

As an alternative to the \$1,700 proposed for purchase of a new vehicle for occupational use by the city manager, Mr. Coverdale proposed a mileage allowance to be paid the city manager for use of his personal automobile.

Engineering Expense

In reviewing the proposed engineering department budget of \$44,000, with \$25,000 allotted for established salaries and \$19,000 in salaries for supplemental engineering aid, Councilmen Harry McElroy and Coverdale expressed their belief that this total salary figure of \$35,000 could be reduced with greater operating efficiency.

A proposed expenditure of \$1,500 for an additional vehicle for supervisory use was questioned by the alternate proposal submitted for a mileage allowance for personal automobile use.

Councilman Scott suggested that the \$4,000 budgeted for the planned survey of city boundaries, be withdrawn as an economic measure of preference over possible litigation concerning city residence.

Police Protection

The proposed police protection budget of \$90,550 was discussed and it was suggested that the salary item of \$7,000 for six special patrolmen be reduced with the employment of another full-time policeman. It was pointed out that this would not only be an economy measure, but the additional regular patrolman would permit rotating shifts for the two policemen now assigned to the 4-8 and 8-12 night shifts.

It was also proposed that the State Police resume receipt of all Newark police calls, relieving an officer from telephone duty in the local police station.

Councilman Samuel Diehl, conducting the meeting in the absence of Mayor Wallace Johnson, proposed an increase from \$3,600 to \$5,000 as a contribution to the local volunteer fire department. Decision on this suggested increase was reserved pending the outcome of legislation introduced at the General Assembly.

PTA Schedules Bike Rodeo For Local Youth April 23

The annual Bicycle Rodeo, sponsored by the Newark PTA Council, will be held Saturday, April 23, with a rain date scheduled for April 30, chairman Jack Henderson of the Medill PTA has announced.

Blue Hen 4-H Club Plans Meeting Next Wednesday

The Blue Hen 4-H Club will meet at the home of Patsy and Robert Delp, 40 Prospect Street, next Wednesday at 7:30 p.m. President John Field will conduct the business meeting.

Doris Jarmon will give a demonstration of hot rolls and Patsy Delp and Dorothy Fisher will show how to prepare tasty and decorative salads.

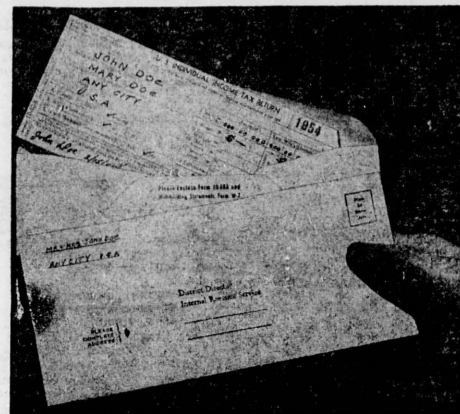

Plans will be made for a gun safety meeting to be held at the end of March. Edward Wilson has announced.
