WHEREAS, Governor Pierre S. du Pont 4th has been called upon to solace nine-year old Pierre Fox, of San Francisco, who complained that his chums made fun of his given name; and

WHEREAS, in a friendly, compassionate reply to Pierre Fox, Pierre (better known as Pete) du Pont, told him to be proud of his name and recalled a few famous Pierres who had made history; and

WHEREAS, in furtherance of Pierre du Pont's comradely advice to Pierre Fox, one of our poets named Anon offers the following, hopefully cheerful, lines which will be sent to the Governor for relay to Pierre Fox:

There's nothing wrong with being Pierre  
As long as the folks call you Pete;  
Just look at me - so cool, debonair  
With Guccis to cover my feet.  
There's everything right about being Pierre  
Just don't let your friends get your goat;  
You can be Governor, Senator, Millionaire  
You can eat and drink 'til you float.  
So, there's much to be said for being Pierre  
A President, maybe, one day;  
There's really no reason to live with despair  
A strong heart will take you all the way.

Anon.

NOW THEREFORE:

BE IT RESOLVED that we have done our duty with respect to the correspondence between Pierre du Pont 4th and Pierre Fox and trust that they will understand our purity of motive.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to Governor du Pont for his consideration and use in his advisory capacity to Pierre Fox.

July 9, 1982

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

I am returning without my signature House Bill No. 749 as amended by House Amendment 1 which I received on June 29, 1982, and which is entitled:

"AN ACT TO AMEND CHAPTER 27, SUBCHAPTER 1,  
TITLE 21 OF THE DELAWARE CODE RELATING TO  
SCHOOL BUS DRIVERS' LICENSES."

This bill would extend from 30 to 60 days the period during which a school bus driver may drive under a temporary permit, without receiving a school bus driver's license or completing the mandated course of instruction.

The General Assembly has wisely required that persons entrusted with the safety and welfare of school children receive a special driver's license and attend a course of instruction. Because House Bill 749 would unwisely deviate from this policy and extend the period during which persons may transport students without meeting these qualifications, I am returning it without my signature.

I am, however, writing to the Department of Public Instruction, directing the Department to make certain that the instruction courses are given with sufficient frequency to assure that school bus drivers are available to meet the transportation needs of the districts.

Respectfully submitted,  
Pierre S. du Pont, IV  
Governor

July 12, 1982

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

On June 30, 1982 I received House Bill No. 739 which is entitled:  
"AN ACT TO AMEND TITLE 29, CHAPTER 69,  
DELAWARE CODE RELATING TO PUBLIC WORKS  
CONTRACTS."

The ostensible purpose of this bill is to correct a typographical error in a previous House Bill which amended 29 Del. C. §6919 regarding so-called contract retainages in public works contracts.

However, I am returning House Bill No. 739 without my signature because it is confusing and because it perhaps inadvertently makes substantive changes in the law that may impose excessive administrative burdens on agencies or political subdivisions of the State. Furthermore, I understand that the sponsors of the bill desire an opportunity to have this legislation reconsidered in order to clarify the confusion concerning its intended purposes.

Because I believe the prudent course is for the sponsors to develop new legislation the purpose of which is clear and unambiguous, I return House Bill No. 739 without my signature.

Respectfully submitted,  
Pierre S. du Pont, IV  
Governor

July 14, 1982

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

Because I believe House Bill No. 789 as amended by House Amendment No. 1 to be premature, I am returning it without my signature. The bill, which is entitled,

"AN ACT TO AUTHORIZE AND EMPOWER THE  
GOVERNOR AND THE SECRETARY OF THE  
DEPARTMENT OF HEALTH AND SOCIAL SERVICES  
TO TRANSFER CERTAIN LANDS SITUATED IN  
DAGSBORO HUNDRED, SUSSEX COUNTY, STATE  
OF DELAWARE TO THE VETERANS AFFAIRS  
COMMISSION FOR THE PURPOSE OF ESTABLISHING  
A VETERANS CEMETERY."

was received in my office on July 12, 1982 and authorizes the transfer of "approximately one hundred acres" adjacent to the Stockley Center to the Veterans Affairs Committee for the purpose of establishing a Veterans Cemetery.

There are a number of technical problems with the bill: the exact lands to be transferred are not described; there is no appropriation for a survey of these lands; title to the land would be held by an unincorporated association created solely by Executive Order; the bill incorrectly refers to a Veterans Affairs Commission, rather than to the Veterans Affairs Committee.

More importantly, I believe the bill to be premature. I have signed into law a Joint Resolution which expresses the interest of the State in the establishment of a Veterans Cemetery and directs the Veterans Affairs Committee, under the aegis of The Adjutant General, to investigate the feasibility of establishing such a cemetery, explore the possibility of federal financial assistance for such a project, assess the financial obligation of the State in the establishment and maintenance of a cemetery, and make recommendations as to the size of the cemetery. When this group makes its report in November 1982, the General Assembly will be in a much better position to determine the proper size and location of any Veterans Cemetery it may wish to establish. Although it may ultimately be decided that the proposed Stockley site is the most desirable location, I believe it would be preferable to postpone that decision until the Committee has made its report and all ramifications of the establishment of a Veterans Cemetery can be assessed.

Accordingly, I return House Bill No. 789 as amended by House Amendment No. 1 to the House of Representatives without my signature.

Respectfully submitted,  
Pierre S. du Pont, IV  
Governor

Dear Ms. Johnson:

I herewith return House Bill No. 515 as amended by House Amendment No. 1 because the backing to the bill indicates it failed to pass the Senate. A check of the Senate Roll Call also shows that the bill was defeated in the Senate.

Thank you for your cooperation in this matter.

LEGISLATIVE ADVISORY #46

FROM: Office of Counsel to the Governor

The Governor signed the following legislation on the dates indicated: July 8, 1982 - HB 725 aab SA 1; SB 267 aab SA 1 & HA 1. July 9, 1982 - HB 742, HB 790, SB 308 aab HA 1; SB 478 aab SA 1 & 2; SB 592. July 12, 1982 - HB 694 aab SA 4; SB 560 aab SA 1. July 13, 1982 - HB 809 aab HA 1; SB 668.

The Governor signed the following Resolutions on July 13, 1982 - HJR 29, SJR 40.

The Governor vetoed the following legislation on the dates indicated: 7/9/82 - HB 749 aab HA 1. July 12, 1982 - HB 739. July 14, 1982 - HB 789 aab HA 1.

July 21, 1982

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

On July 9, 1982, I received House Bill No. 780 as amended by House Amendment No. 2, entitled:

"AN ACT TO AMEND CHAPTER 27 AND CHAPTER 41, TITLE 21 OF THE DELAWARE CODE RELATING TO OPERATION OF MOTOR VEHICLES, SUSPENSION AND REVOCATION OF LICENSE FOR REFUSAL TO SUBMIT TO CHEMICAL TEST, AND TO DRIVING UNDER THE INFLUENCE OF ALCOHOL OR OTHER DRUGS AND FURTHER PROVIDING A SUPPLEMENTARY APPROPRIATION THEREFOR."

I have today approved this Act. Pursuant to the authority conferred in Article III, Section 18 of the Delaware Constitution, however, I have reduced the appropriation in Section 21 of the bill by line item veto.

Section 21 appropriates \$135,000 to the Division of Motor Vehicles for the purpose of implementing the Act. Because this appropriation is separate from, and independent of, the 1983 Fiscal Year Budget Act, it will result in expenditures above the 98% limit in violation of Article VIII of the Delaware Constitution. Thus, absent the required declaration of emergency and three-fifths vote, the appropriation is unconstitutional.

I am advised that the Budget Act and the Grants-In-Aid Act for 1983 appropriate all except \$20,000 of the 98% of general fund revenues officially estimated for Fiscal Year 1983. Therefore, in order to keep the appropriation authorized in this Act within constitutional limits, and to enable the Division of Motor Vehicles to undertake at least preliminary steps toward implementation, I have reduced the appropriation to \$20,000.

I urge the next General Assembly to act early in its First Session to authorize a constitutionally permissible appropriation and I stand ready to assist in that effort.

Because the General Assembly may, if it should so elect, exercise its authority to override the Executive Veto, I return House Bill No. 780 as amended by House Amendment No. 2 as approved except as partially disapproved by distinct line item. Nevertheless, in accordance with Article III, Section 18 of the Delaware Constitution, all of the bill which stands approved, in whole or in part, is now law.

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

For the following reasons I am returning without my signature House Bill No. 437 as amended by House Amendment No. 1 and House Amendment No. 2 which is entitled:

"AN ACT TO AMEND PART III, SUBCHAPTER IX, CHAPTER 41, TITLE 21, DELAWARE CODE, RELATING TO MANDATORY REVOCATION OF DRIVER'S LICENSE FOR POSSESSION OF CONTROLLED SUBSTANCES WHILE OPERATING A VEHICLE."

First, House Bill No. 437 purports to amend Section 4177 of Title 21. I have already signed into law House Bill No. 780 as amended by House Amendment No. 2, the comprehensive revision of the State's statutes dealing with driving while under the influence of alcohol or drugs, which also amends Section 4177. House Bill No. 437 was drafted prior to the introduction of House Bill No. 780, and is simply not compatible with the provisions of House Bill No. 780. Accordingly, if House Bill No. 437 became law it would eliminate certain key provisions of the new "drunk driving" legislation.

Second, an error in House Amendment No. 1 to House Bill No. 437 resulted in the first line of the bill being dropped, and as a result the first paragraph of the engrossed bill does not specify the Section, Part, Subchapter or Chapter of Title 21 that is being amended.

For these reasons, House Bill No. 437 as amended by House Amendment No. 1 and House Amendment No. 2 is returned to the House of Representatives without my signature.

Respectfully submitted,

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

On July 12, 1982, I received House Bill No. 616 which is entitled:

"AN ACT TO AMEND CHAPTER 55, TITLE 25 OF  
THE DELAWARE CODE RELATING TO NOTICE OF  
RENT INCREASES."

This bill requires landlords to give tenants a thirty day written notice of proposed rent increases. However, existing law implicitly requires sixty days advance warning of rent increases, consistent with provisions which explicitly require tenants to give landlords sixty days notice of a lease termination.

Perhaps inadvertently, therefore, House Bill No. 616 creates an evident asymmetry in the landlord-tenant code, imposing a sixty day notice rule on tenants, while landlords would be permitted to raise rents after only thirty days. This asymmetry might well surprise unwary tenants, obligating them to pay increased rent for at least thirty days before they could lawfully terminate the lease agreement. I am convinced the notice requirements should be consistent in order to avoid the possibility of confusion and unfairness.

Because the bill otherwise has a laudable purpose and is needed to clarify notice requirements in the landlord-tenant law, I hope the sponsors can develop new legislation which harmonizes these provisions. To that end, I am prepared to work with the sponsors in this effort. Accordingly, I am returning without my signature House Bill No. 616.

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

On July 9, 1982 I received House Bill No. 626, entitled:

"AN ACT TO AMEND TITLE 29, DELAWARE CODE,  
TO ELIMINATE THE FINING OF PUBLIC  
EMPLOYEES AS A DISCIPLINARY MEASURE AND  
THE REQUIREMENT THAT PUBLIC EMPLOYEES  
WORK WITHOUT THEIR USUAL REMUNERATION."

This bill prohibits fining public employees or requiring them to work without pay as disciplinary measures.

As I made clear in my earlier veto of House Bill No. 178, as amended, an agency's ability to fine an employee is, I believe, an important tool in maintaining a disciplined and efficient State work force. Under this bill, however, the only disciplinary measures which could be taken are termination - which in many instances would be too harsh - or suspension without pay - which only hampers an agency's ability to accomplish its work.

I am also concerned that the bill appears to apply not just to State merit system employees but to all public employees, including employees of counties, municipalities and other subdivisions, and hence, in effect, dictates personnel policies of these other governmental entities.

For these reasons, I return House Bill No. 626 without my signature. Once again, however, I note that I have no objection to legislation which prohibits non-compensated work by State employees as a disciplinary measure so long as a fine may continue to be imposed.

July 23, 1982

To the House of Representatives  
of the 131st General Assembly  
of the State of Delaware

On July 12, 1982, I received House Bill No. 571 as amended by Senate Amendment No. 1 which is entitled:

"AN ACT TO AMEND SECTION 2220, CHAPTER 22,  
TITLE 25, DELAWARE CODE, BY REQUIRING  
CONDOMINIUM CONVERSIONS TO CONFORM TO  
SUBDIVISION AND ZONING REGULATIONS."

This bill commands that buildings converted into condominium units must conform to current existing county or city zoning, subdivision and health and fire safety regulations. It authorizes an exception to these requirements where the relevant governing body has either granted a variance or approved a particular conversion in accordance with regulations governing such conversions.

I am withholding my signature from House Bill No. 571 as amended by Senate Amendment No. 1 because it may be unnecessary and because it may have significant adverse effects on the condominium conversion market in Delaware.

It is my understanding that the primary purpose for which the bill was proposed was to enable the City of Newark to address particular problems which it is experiencing as a result of conversions. However, the bill will apply to all of Delaware and, thus, I am concerned about imposing legal requirements on other areas in such a wholesale fashion. More importantly, there is a serious legal dispute over the power of the City of Newark to enact its own legislation governing condominium conversions. If those who argue the City in fact already has legal authority are correct, then I think it unwise to enact a law which applies to the entire State and whose possible effects at this point are so poorly understood. Therefore, I believe the more prudent course is to permit the legal question to be resolved first, followed if necessary by legislation tailored to address any specific problem found to exist.

Once the authority of home rule cities to enact regulations governing condominium conversions is better understood I would be happy to work with the sponsors in developing, if necessary, appropriate legislation in this important area. Because of these concerns, however, I return unsigned House Bill No. 571 as amended by Senate Amendment No. 1.
