

## ROTARIANS ENTERTAIN 11 FOREIGN STUDENTS

**Dr. Carlson  
Speaker At  
Dinner For  
U. Of D. Group**

Eleven foreign students from the University of Delaware were guests of the Newark Rotary Club at dinner Monday night in the Academy Restaurant.

The group heard Dr. William S. Carlson, university president, give an informal talk on the life of Greenland Eskimos. He explained that he is qualified to speak on only two subjects—educational matters which are his specialty and the Eskimos of Greenland, among whom he spent some time during the war while serving with Uncle Sam.

An enthusiastic admirer of the Eskimos, Dr. Carlson said their culture is in many ways superior to our own. Their language, he claimed, is a more precise medium of expression than English, and although they have no formal code of law, courts or jails, they manage to live in peace in a society which has few inequities.

Their chief means of securing observance of rules and conventions is ridicule, he said. Also, he added, one never finds starvation in the midst of plenty among the Eskimos.

Dr. Carlson was introduced by Ken Beers, program chairman of the evening. The session was presided over by William S. Hamilton, president. Also present was Mrs. Victor Patterson, of the university faculty and sponsor for the group of foreign students.

Brief talks were given by Philip Page, president of the international students (Please turn to page 8)

## LIONS' VOTE ON TUESDAY FAVORS UMT

**Speaker Says  
Nation Should  
Be Prepared**

A resolution favoring universal military training for the United States was passed by the Newark Lions Club on Tuesday night.

The question was thoroughly discussed beforehand by the speaker of the evening, the Rev. John Oldman, pastor of Lower Brandywine Presbyterian Church.

Rev. Oldman, a chaplain of the U. S. Naval Reserve, who has seen much service with the Navy, said America needs a strong armed force in order to meet threats from abroad.

Although he believes opponents to the measure are sincere, he feels a realistic view of the world scene forces the conclusion that the U. S. must be prepared for any eventuality.

The Lions also voted \$27.71 to the local March of Dimes. The sum represents the receipts for January from the unit's gum machines distributed about town.

Leon Wagner was a guest of Lion Russell Bing at the session.

## PROGRAM BY NHS DANCERS

The Modern Dance Group at the Newark High School, which is steadily building a reputation in this area for its excellent work, gave a performance last Friday at the Warner Junior High School.

The program, under the direction of Mrs. Catherine Gibbs, consisted of 7 dances and a series of fundamentals. Mrs. Gibbs introduced each dance with an explanation.

This is the third program of the season for the local group, which previously performed at the Newark High School before the State Teachers Meeting and P. S. duPont High School.

## NHS Senior Class To Give Leap Year Dance

Leap Year Dance will be staged by the senior class at the Newark High School on February 21 from 7:30 p. m. to 11:30 p. m. in the school auditorium. The band of the school orchestra will furnish the music. Tickets may be obtained from members of the committee.

## To Give Recital

Miss Grace E. Berry

## RECITAL ON TUESDAY BY U. OF D. PIANO INSTRUCTOR

**Public Invited  
To Program By  
Grace Berry In  
Mitchell Hall**

The Music Department of the University of Delaware will present Miss Grace E. Berry, pianist, in the first of this season's faculty recitals on Tuesday, February 17, at 8:15 p. m., in Mitchell Hall. The concert is open to the public.

A graduate of Syracuse University in 1943, Miss Berry has been an instructor in piano, organ and harmony at the University of Delaware since September, 1946. She is also organist at the Second Baptist Church, Wilmington.

This past summer Miss Berry spent in advanced piano study under Robert Casadesu and with harmony classes under Nadia Boulanger at the Ecole d'arts Americaines in Fontainebleau, France. Miss Berry has also studied under M. Casadesu in New York.

She is a member of the American Guild of Organists; of Phi Kappa Phi, national honorary scholastic fraternity; and of Sigma Alpha Iota, national professional music sorority.

Miss Berry's program will include two works of Couperin, Sœur Monique and Les Moissonneurs; two compositions of Rameau, Le Rappel des Oiseaux and L'Egyptienne; Beethoven's Thirty-Two Variations in C Minor; Chopin's Barcarolle, Nocturne in F Major, Op. 15, No. 1, and Tarentelle; Faure's Second Impromptu; Debussy's Minstrels; and The Idylle and Scherzo-Valse of Chabrier.

## MARIONETTE SHOW GIVEN AT SCHOOL

**Students Taken  
Backstage After  
Play On Monday**

The Warndell Marionettes, one of the nation's outstanding puppet troupes, gave a program for grades one to six Tuesday morning at the Newark School.

Ranking among the top companies of its kind in this country, the Warndell group gave its show on the large marionette stage yet built, using puppets one-half life size in authentic Arabian costumes.

The production was accompanied with sound amplification and music recordings to match the scenes and moods.

After the show, the members of Mrs. Hilda Marshall's sixth grade went on a backstage tour to observe how a professional puppet troupe stages a production. The class is currently making and costuming puppets of its own.

## BAUSMAN TO DIRECT RED CROSS DRIVE HERE

**Committee To  
Meet Sunday  
On Plans For  
1948 Campaign**

Dr. R. O. Bausman has been appointed chairman and Mrs. E. L. Shakespeare, treasurer of the 1948 Red Cross campaign for Branch Area 1 including Newark and vicinity.

The announcement was made this week by Dr. A. P. Colburn, area chairman.

Dr. Bausman, a director of Area 1, is a veteran of past drives here, serving first as an area captain and last year as a member of the campaign committee. He has been working for several weeks on plans for this year's drive.

The committee will hold its first meeting Sunday at 3 p. m. in the office of Dr. John R. Downes, 132 East Main Street. Dr. Downes, who has directed the annual drive here for a number of years and has a record for consistently leading the branch area over the top, resigned his chairmanship last year. He is still serving as a member of the committee, however.

Other members are: Mrs. C. M. Cooper, Stanley Gibbs, Mrs. Howard Greene, Herman Handloff, George Haney, Ralph L. Hawthorne, J. S. Hopkins, Mrs. Walter Hultinen, J. K. Johnston, Mrs. May B. Leasure, Mrs. Robert Lewis, Ford H. McBerty and Mrs. A. E. Wyatt.

## DIME DRIVE HERE SOARS OVER QUOTA; EARNS \$1825

**Final Figures  
For Campaign  
Are Listed By  
Drive Chiefs**

Newark topped its March of Dimes goal by over \$600 in the drive which ended last week. Samuel Handloff, chairman, said yesterday in announcing the final figures.

Exactly \$1,825.61 was received in the drive for which the unofficial quota was \$1,000. Newark's record, Mr. Handloff said, was one of the most outstanding in the county, where the campaign also went over its goal.

The well organized drive here was highlighted by a house to house canvass, with boy and girl scouts distributing coin envelopes to every home. Residents were requested to mail their contribution or give them to scout collection teams, who made a second canvass.

In addition, coin boxes were set up in most retail stores here and collections were made at the State Theatre.

Sincere thanks to the public for its support and to the scouts and committee members for their spirited cooperation were extended by Mr. Handloff in his announcement of the totals.

The committee included: Morris T. Ewing, Dr. J. R. Downes, Silas Pettit, Rodney H. Dann, Mrs. Thomas D. Mylrea, William S. Hamilton, Nelson W. Clark, Michael A. Kubicko, Mrs. Francis H. Squire, J. S. Steinouer and G. M. Wilson.

## CLASS HOLDS MOCK TRIALS

A number of mock trials to acquaint pupils with the intricacies of court procedure are being conducted by the senior civics class at the Newark High School.

The students are also surveying the various types of courts and the problems with which they deal. The otherwise dry material is being enlivened by actual participation in trial procedure.

In connection with their current civics program, the group is also conducting a study of the United Nations organization. The students are familiarizing themselves with the U. N. charter, the structure of the world peace group and its over-all significance on the world scene.

## METHODISTS LIST LENTEN SERVICES TO OPEN SUNDAY

**Complete  
Schedule  
Outlined  
By Pastor**

"The Christ of the Assembly Line" will be the subject of the sermon in the Newark Methodist Church by the minister, Dr. Arthur J. Jackson, on Sunday morning at 11 o'clock. This will be the first of the special Sunday morning Lenten Services at the church.

The sermons for the remaining Sunday mornings in Lent will be as follows: February 22—"The Disturbing Christ"; February 29—"The Reconciling Christ"; March 7—"The Seeking Christ"; March 14—"The Unchanging Christ." The special music each Sunday (Please turn to page 8)

## ROBBERS GET \$135 AT DAIRY

**Carry Off Safe;  
Other Robbery  
Attempts Fail**

Three robbery attempts occurred here in rapid succession early last Saturday morning, with Richards' Dairy on Elkton Road, suffering the brunt of the short-lived crime wave.

A small safe, containing \$135 in cash and a number of records, was carried bodily from the firm's office by thieves, who broke in the front door.

The safe was later found by police at the entrance to Lovett's Airport, just over the Maryland line. The money was missing, but the documents were intact, police said.

The other two attempts were unsuccessful. Thieves tried to break in the Mackenzie-Strickland Garage, a short distance below Richards' Dairy on Elkton Road, but were unable to gain entrance.

The third attempt came at the other end of town at the Newark Lumber Co. Here police said, the thieves, succeeded in breaking in but were apparently frightened away, because investigation revealed nothing missing.

## STREETS ARE CLEARED DAY AFTER SNOW

**Parking Normal  
On Main Street  
Within Two Days**

Last Wednesday's snowfall, the heaviest of the year here, brought prompt action from town authorities.

The town snow plough, with Engineer Cleaver Price and assistant Herbert Murphy alternating at the wheel, worked all night Wednesday and by morning had cleared every improved street within the town limits.

In addition, snow removal teams, reinforced by a fast-working, motorized shovel went to work Thursday morning on the hard-packed snow piled high along Main Street curbs.

Removing tons of the frozen mass in record breaking time they had parking along the thoroughfare, which was impossible immediately after the storm, back to normal by Friday.

The project, greatly speeded by the new equipment, took only two days, covering Main Street from Elkton Road to the Penna R. R. Town Engineer Price estimated the job at \$300. The efficiency with which the work was carried out is expected to result in a saving of about 30 per cent he said. Julian Jones, of Wilmington, was the contractor.

## AETNA BENEFIT PLANNED

A television set will be changed off by the Aetna Fire Company on March 27, officials announced this week.

Funds raised will be used to defray cost of the fire company's carnival stand this summer.

The carnival committee is also accepting contributions of needlework and handy work from local women.

## To Address Lodge

Judge Thomas Herlihy, Jr.

The annual banquet of Osceola Lodge, No. 5, Knights of Pythias, will be held next Thursday evening in the New Century Club Building.

The Honorable Judge Thomas Herlihy, Jr., of the Wilmington Municipal Court and a member of Calanth Lodge, No. 23, in Wilmington, will be the speaker.

The dinner will mark the 84th anniversary of the founding of the order by Justice Rathbone, in Washington, D. C., in 1864. Samuel L. Diehl will be master of ceremonies and introduce grand lodge officers.

Officers of the local unit are: William T. Gray, chancellor commander; James Mullen, vice-chancellor; Herman Gray, prelate; Allen E. Smith, secretary; Frank M. Durnall, financial secretary; Roy Reed, treasurer; Melvin Dempsey, master of work; George Scott, master at arms; Earl Carney Wolven, inner guard; and Edward Carkins, outer guard.

## ART EXHIBIT IS OFFERED AT CENTURY CLUB MEET

**Demonstration  
Of Make-up By  
N. Y. Experts Is  
Also Presented**

A demonstration of make-up by New York fashion experts and an art exhibit of fine figurines owned by local club members marked the first February meeting of the Newark New Century Club on Monday afternoon.

The exhibit, under the direction of Mrs. Alex Cobb and Mrs. Richard Snyder of the club's fine art department, featured a choice selection of figurines in Dresden, Staffordshire, marble, bisque and porcelain both antique and of recent date.

The make-up demonstration was staged by Miss Helen Goudvis and Miss Constance Martin of the New York salon of Madame Helene Rubenstein.

Miss Martin entertained the members with a practical demonstration of make-up using Mrs. William O. White as a model. Miss Goudvis gave an interesting talk on personal charm and correct grooming.

Tea was served by Mrs. Cuthbert Webber and the following committee, Mrs. Frederick Kutz, Mrs. A. Kish, Mrs. Robert T. Jones, Mrs. J. Jamison, Mrs. G. Emmitt Kauffman, Mrs. Robert Lewis, Mrs. Frederick Klair, and Mrs. Hans H. Lebach.

Mrs. Thomas D. Mylrea presided at the tea table, and Mrs. R. O. Bausman, club president, directed the business session preceding the fashion demonstration.

## Corbit Street Reserved For Sledding; Hours Listed

Welcomed news to young sledders as well as their parents is the announcement this week by Police Commissioner Norman Battersby that the Corbit Street hill is being roped off exclusively for coasting during certain hours daily.

The entire street is being declared out of bounds to motorists from 4 to 9 p. m. weekdays and Sunday and from 4 to 11 p. m. Friday and Saturdays, as long as coasting conditions last.

Barriades are being thrown up at either end of the street during these hours and parking prohibited.

The action is aimed at keeping sledding accidents at a minimum and insuring the town's youngsters plenty of sport under safe conditions.

## NEW DRAFT OF CHARTER PLANNED BY TOWN GROUP

**Mayor Hubert  
Names 13-Man  
Committee To  
Restudy Issue**

Long shelved plans for a new town charter were revived here this week with an announcement by Mayor C. C. Hubert that a special 13-man Town Charter Committee has been formed.

The move is the first attempt to reopen the issue since last year, when a new charter draft submitted to the General Assembly was withdrawn at the last moment due to protests from local civic leaders over a number of its provisions.

The new committee, headed by Councilman F. A. Wheelless and composed of representatives of leading civic organizations, including three lawyers, has been assigned the task of drawing up a fully revised charter draft for the Town Council's approval and eventual submission to the state legislature.

Efforts to write an acceptable charter here have met with constant snags the past few years, the most serious coming last March. A tentative draft, drawn up by a local committee working with experts from the Institute of State and Local Governments, University of Pennsylvania, received Council approval and was introduced in the General Assembly.

When its provisions became known, however, protests from civic groups, headed by the J. A. O'Daniel Post and the Newark Lions Club, caused town authorities to withdraw the draft from the legislature. The issue has been tabled ever since.

Major objections to last year's draft were directed against proposed voting regulations, provisions for raising town revenues and a rule authorizing Council to appoint a city manager without a public vote. The plan to continue capitation taxes also aroused strong protests.

The new committee, representing a cross section of town interests, has been carefully picked to handle the difficult job of drafting a charter which will satisfy all shades of community opinion.

First meeting of the group has not been scheduled as yet.

In addition to Mr. Wheelless, the committee includes: Miss Edna Campbell, Newark Business Women's Club; Mrs. R. O. Bausman, New Century Club; Mrs. Harold Sheaffer, Navy Mothers' Club; T. D. Smith, Lions Club; Grover T. Surratt, Junior Chamber of Commerce; Russell Silk, Rotary Club; Ford McBerty, J. A. O'Daniel Post; Joel Williams, Isaac Watson Post; Samuel Handloff, Chamber of Commerce; Jack Sinclair, Parent-Teacher Association; Abraham Hoffman, Veterans of Foreign Wars; and George Neighbors, Aetna Fire Company.

## FOUNDING OF JAYCEES IS MARKED

**Dr. H. MacPhee  
Is Speaker At  
Dinner Session**

Halsey MacPhee, head of the department of psychology at the University of Delaware, spoke last Thursday evening at the annual banquet observing the founding of the Newark Junior Chamber of Commerce. The event was held in the Charn House.

Dr. MacPhee discussed contributions made by psychologists in World War II, outlining the numerous fields in which psychologists were employed and relating some of his experiences in service.

Psychologists, he said, were used in the screening of men at induction centers, as well as the selection of men psychologically suited to submarine duty, underwater demolition squads and other specialized branches of the service.

Psychologists also played an important role in the design of air fields and the development of night blindness tests, he said.

Dr. MacPhee was introduced by President Turk.

Following the banquet, the Jaycees entertained their wives and guests in the club room in the Academy Building.

## DEL. POLICE FORCE ADDS 15 TROOPERS

### 2 Local Men In Group To Go On Duty Next Week

Charles Eugene Riley, 129 East Main Street, and Morris Eugene Campbell, near Newark, are among the 15 troopers recently added to the Delaware State Police.

The group is scheduled to go on duty February 15, after completing 17 weeks of preliminary training. The announcement was made recently by Maj. Herbert Barnes, commanding officer.

The additions mean the state force now lacks only four men of its authorized 120-men quota.

The new appointees will make possible resumption of traffic accident rounds of six men at each of the five police stations which were abandoned during the war because of a manpower shortage.

In addition to Riley and Campbell, the new troopers are: James Everett Turner, Jr., Walter James Carr, Jr., 223 Geddes Street; William John Carmer, Clayton Avenue; Clayton Hugh Timothy Collins, Jr., Bridgeville; Eugene Bradley Ellis, 404 Delaware Avenue; Howard Arthur Fortner, Jr., 633 Shipside; Ralph Durbow Knotts, Jr., Main Street; Clayton Henry Kuratle, Jr., 3115 Jefferson Street; Charles Marshman Murch III, 19 North Clifton Avenue; Roselle; Walter Nedwick, 740 Clark Street, New Castle; Ralph Irving Richardson, Jr., 11 West Pine Street, Georgetown; John Michael Sullivan, Hamilton Place, Delaware City; and Claud Lansberry Tease, 611 North Walnut Street, Milford.

Assignments of the 15 men are: Tease, to Troop No. 1, Penny Hill; Nedwick, to Troop 2, State Road; Carr, Carson, Fortner, Knotts Sullivan and Turner to Dover Troop No. 3; Kuratle and Campbell to Troop 4 Georgetown; Collins, Ellis, Murch, Richardson and Riley to Troop 5, Bridgeville.

## FOOD SAVING CHAMPION IS NAMED HERE

Mrs. Earl White, Bridgeville, has been named Delaware's 1947 food preservation champion. Her name was disclosed during the special Farm Day luncheon during Farmers' Week at the University of Delaware. Mrs. White was presented with a sterling silver pitcher by George L. Schuster, dean of the school of agriculture at the university.

Mrs. White canned and froze a total of 498 quarts of fruits and vegetables during 1947. Her food preservation record also shows 703 pounds of frozen, canned and cured meat; 43 bushels of stored vegetables; 82 quarts of pickles and relishes; 40 glasses of jams and jellies; and 5 pounds of black-eyed peas.

The food preservation contest was conducted in Delaware, as in other states, with a trophy made available by the National Garden Institute, to be awarded to the woman whose record of home preservation and storage was judged most outstanding. Entries were judged on the quantity of food preserved, quality and appearance of the food, whether adequate for family needs, and the type of storage provided in the home.

Certificates were awarded to second and third place winners: Mrs. John Redding, Newark, who was the 1946 winner; and Mrs. Earl Leasure, Newark. Honorable mention was given to Mrs. Anna Corbett, Wilmington; Mrs. A. Massey Moor, Smyrna; Mrs. J. Harlan Day, Wilmington; Mrs. J. Leon Tarburton, Dover; and Mrs. William P. Blunk, Wilmington. The contest was judged by a committee of professional home economists.

## UNIVERSITY DROPS FEW STUDENTS

The percentage of University of Delaware students dropped from the undergraduate rolls after mid-year examinations was exceptionally small this year, Charles W. Bush, registrar, said today.

Pointing out that, on a nation-wide basis, colleges generally regard 10 per cent as a normal number dropping out at the end of a term, Mr. Bush said the percentage of failures at the close of the past term in the University of Delaware was only 5.5 per cent. Some students from among these have been readmitted on probation in the present term, and others will be readmitted in the academic year beginning in September, Mr. Bush said.

The percentage of freshmen who were dropped for academic reasons was only slightly higher than the entire university record, he stated.

Undergraduate enrollment just before the close of the semester was 2101. At the opening of the present term last week, the enrollment was 2063.

## Final Services Today For Samuel E. Eastburn

Services for Samuel E. Eastman, Sr., will be held this afternoon at his home near Cooch's Bridge. The Rev. J. E. Layton, of Minquadales Methodist Church will officiate. Interment will be in Ebenezer Cemetery.

Mr. Eastman, a farmer who attended the Madison Street Market for more than 25 years, died Monday at his home after suffering a stroke Friday. He was a member of Ebenezer Methodist Church near Newark, and of Wawa Tribe, No. 45, I. O. R. M.

A son of the late Oliver W. and Fannie Pettit de Mangle Eastburn, Mr. Eastman is survived by his wife, Mrs. Ellie Crossan Eastburn; seven children: Samuel E. Eastburn, Jr., and Alfred H. Eastburn, of Westfield, near Stanton; Mrs. Bertha E. Mowbray, Wilmington; and Francis A. Eastburn and the Misses Esther, Olive, and Carolyn Eastburn all at home; one grandson, Robert P. Eastburn; two brothers, Oliver W. Eastburn, Jr., of Hockessin, and Herbert Eastburn of Somerville, N. J.; and a sister Miss Bertha L. Eastburn, of Wilmington.

## DELAWARE BOARD AIDS 1644 NEEDY

### Welfare Unit's Work Since First Of Year Outlined

Statistics as of January 1 show that State Board of Welfare is giving service to a total of 1644 children in all programs, including those children who need service only, as well as those receiving financial assistance. This compares with 1596 children receiving service as of December 1, 1947, an increase of 48 children or 3 per cent.

On January 1, 1947, the total number of children served was 1,462.

In the Aid to Dependent Children program, 322 families and 941 children have received financial help since Jan. 1, compared with 315 families and 909 children since Dec. 1. A year ago, 253 families and 722 children were receiving financial help. Eighty children received services only since Jan. 1, compared with 70 since Dec. 1, 1947.

In the Child Welfare Services program, a total of 623 children were given services since Jan. 1, 1948, compared with 617 children on Dec. 1, 1947, and 569 children on Jan. 1, 1947. The number of children in foster homes remains from 294 to 296, about the total number of children who can be placed in foster homes.

Mr. Frederick P. Whitney, chairman of the Board of Directors, announces three staff appointments which give State Board of Welfare virtually a complete staff in all offices for the first time in several years.

In the Wilmington office, Mrs. Marian S. Haughton, senior case-worker in Child Welfare Services, has returned to the agency after an absence of eight months. Mrs. Haughton is a resident of Wilmington, and a graduate of Howard High School, Virginia Union University and the Atlanta School of Social Work. She has had considerable social work experience.

Mrs. Joan Balick joins the Wilmington office staff as a case aide in Aid to Dependent Children. She is a graduate of the University of Pennsylvania, with some experience in the Department of Public Assistance in Philadelphia.

In Kent County, Miss Helena Clark, joins the staff as a case aide in Child Welfare Services. She is a recent graduate of the University of Delaware.

## Stanford Graduate Joins Dramatic Staff At U. Of D.

Appointment of Milton Valentine to the faculty of the University of Delaware's Department of Dramatic Arts and Speech as instructor in public speaking and debate was announced today by Dr. C. Robert Kase, chairman of the department.

A native of California, Mr. Valentine was graduated from Stanford University in 1945, and received his master's degree there last month. He has been a graduate assistant at Stanford in speech correction, and in 1946 worked in the state of Oregon's handicapped children program. He formerly was debate manager at the College of the Pacific, and from 1942 to 1945 was a radioman in the Army Air Forces.

Among Mr. Valentine's duties at the University of Delaware will be teaching public speaking courses in the Academic Extension Division. The first meeting of the class will be at 7:30 o'clock Monday at Wilmington High School.

## Services On Saturday For William H. Johnson

Funeral services for William H. Johnson were held Saturday at the R. T. Jones Funeral Parlor.

Mr. Johnson, a 64-year-old employee of Bernard's Sawmill, North Chapel Street, was killed Wednesday at the mill when his arm was caught in a sawmill belt and he was thrown against a mill table.

Police said he died almost instantly. Mr. Johnson, who lived on North Chapel Street, is survived by his wife, a daughter and a son. He was formerly a resident of Virginia.

## PAPY WINS HONORS FOR ROTC WORK

The first University of Delaware students ever to win the designation of "Distinguished Military Students" are Robert H. Papy, cadet lieutenant-colonel of the University's ROTC unit, and Phillip R. Tatnall, cadet captain commanding Battery A of the unit. Both are veterans of overseas duty in the Army, who are married and have children.

In announcing the selection of Papy and Tatnall for the honor, Col. Randolph T. Pendleton, professor of military science and tactics, said that they may be considered for Regular Army commissions upon completion of their work at the university. The designations were made with the approval of Dr. Francis H. Squire, Dean of the University, since excellent records in all academic work are required.

Papy, a graduate student in business administration, is seeking his master's degree after being graduated last September. A veteran infantryman, he was a sergeant in a mortar platoon where he won the Combat Infantryman's Badge. He fought through the Rhineland and Central European campaigns. Before his graduation, he was a football player at the university, and was line coach of last year's freshman team at Delaware. He is married and lives with his wife and their five-year-old daughter, Robette, in Newark. He formerly lived in Yeaton, Pennsylvania.

Tatnall, a senior in business administration, is married and has a 10-month old son, Phillip, Jr. He lives at 3611 Washington Street, Wilmington, Delaware. A veteran of 40 months in the Signal Corps, he achieved the rank of master sergeant, and was in the Naples and Rome campaigns in Italy. He is a graduate of Conrad High School.

## STUDENT PLAY GIVEN

A two-act play, "The Curiosity Cure" was given by Homeroom 8-1 of the Newark Schools in a recent assembly.

Peggy Beers gave the Bible reading, and June Carrio introduced the characters. The cast included: David George, Robert Yoder, Robert Clark, Helen Leasure, Phyllis Baker Agnes Tierney, Laura Jane Reed, Stephanie Worrlow and Jean Johnson.

## PLAN DHIA COURSE AT UNIVERSITY

### Special Training Will Be Provided

A special training course for Dairy Herd Improvement Association supervisors will be held at the University of Delaware from Feb. 16 to Feb. 21, according to an announcement of Delmar J. Young, extension dairyman.

This training course to prepare young men for dairy herd improvement association work will be under the direction of Extension Dairyman Young, and will include instruction in keeping herd records, computing production records, principals of milk testing, and the supervision of Dairy Herd Improvement Association and Advanced Registry records.

Young states that men interested in taking this course to prepare themselves for dairy supervisory work must have graduated from high school and should have a general farm experience.

Persons interested in taking this free course of instruction should contact their county agricultural agent or Delmar J. Young, extension dairyman, University of Delaware, County Agent offices are located in the Post Office Building at Georgetown and Dover, and in Wolf Hall, University of Delaware, Newark.

## HARMONY GRANGE TO MEET MON.

### Debate Planned By Group

Harmony Grange, No. 12, P. of H., will meet Monday evening at 8 o'clock in the Grange Hall at The Mermaid on the Limestone Road.

The lecturer's hour, planned by Mrs. Robert B. Walker, Jr., will include a debate on "Resolved: That George Washington's accomplishments were more outstanding than those of Abraham Lincoln."

Franklin Klair and Thomas Jarrell will speak on the boyhood and schooling of the two men. The aspects of their political careers will be the topic of talks by Mrs. G. Earle Evans and Miss Ruth Ball.

Robert B. Walker, Jr., is coordinator of the debate.

There will be a Valentine Box in charge of the lecturer.

The ways and means committee of the grange is sponsoring an apron sale for the benefit of the building fund. All aprons for the sale are to be in the hands of Mrs. W. LeRoy Parker by March 1.

The committee is also planning a benefit card party to be held in the Grange Hall, Feb. 17, at 8 o'clock. Mrs. Walter Marshall is in charge of arrangements.

## CONSUMER PROJECT IS ORGANIZED

### Women Urged To Voice Needs To Producers

Delaware women who have definite ideas about the size, color, style and price of a product have an opportunity to reach the ears of the manufacturer, through the Consumer Speaks Project.

Believing that women as a group carry more weight with the manufacturers, the American Home Economics Association has organized the Consumer Speaks Project.

In Delaware, this activity is in charge of Mrs. Violet N. Goodwill, chairman of consumer interests in the Delaware Home Economics Association. Mrs. Goodwill is also home demonstration agent in Kent County.

In coming months, Delaware women's groups will be invited to express their preferences for various features in home furnishings, announces Mrs. Goodwill. First to be discussed will be straight chairs—points to consider in their purchase and use.

Electric irons have already been discussed by consumer groups in 10 states, in a poll of 177 groups. Features of an iron that women considered most important were light weight, even heat distribution, a well-pointed sole plate for ironing ruffles, and slots or grooves for buttons. Preference for a wide board for ironing, with adjustable height, warp-proof top and solid frame, was shown by the women polled.

### Vets May Reenlist At Former Rating

Veterans of the Army, Navy, Marine Corps, and Coast Guard, who were discharged from active service after May 12, 1945, may enlist in the Army in grades commensurate with their active service ratings, Capt. Walter G. Runte, Army-Air Force recruiting offices for Delaware, said recently.

Efforts are being made by the Army to enlist men with the highest technical skill and training, Captain Runte said. Veterans whose service was in specified categories are eligible for enlistment in grades they held in active service if they have the occupational specialties required by the Army now. Detailed information may be secured from Captain Runte in the postoffice building.

## Ware Abouts

More money is far from adequate compensation for town employees who worked all night, Wednesday of last week, running the snow plow through every improved street in town that residents might have easier walking and driving through the 9½ inch fall of snow.

More specifically we want to commend to you Town Engineer George Cleaver Price and his assistant, Herbert Murphy, who alternated driving the town's big plow through snow-banked streets from dark to dawn . . . then again on Saturday night, when light snow fell, "Murphy," assisted by Junior Meadows and Harry Woods hit the snow trail again, plowing and keeping open all generally used avenues in town, until the wee small hours when you and I were (or should have been) in bed fast asleep.

You say these lads get paid for this kind of work. Well, yes. They get paid—and this work is in their line of duty BUT, would YOU drive a snow plow all night long for a few measly bucks? We think they deserve more than pay for a splendid job; for loyalty and unstinted interest in Newark and the comfort of its residents. We think they deserve public recognition and appreciation and, for one, extend it herewith.

Town Councilmen, office employees, the police department, the fire laddies, the street employees and all the rest of the town administration, at one time or another get cussed and discussed—but seldom do they get praised.

Personally, we think their faults are few and their virtues many. We think they more often deserve a pat on the back rather than a kick in the pants. We've never found any employee of the Town unwilling to perform an extra service or do a favor of deserving nature when it was within his power. And, as for the town fathers—they don't even get paid; not a cent. All they get is shame and abuse. But, the proof of the pudding is in the annual town election when they are generally voted back into office by a public that is not ungrateful or forgetful when the chips are down.

In commemoration of National Boy Scout Week, February 6-12, that's our good deed for today.

Just on the possibility that you failed to see it in the daily paper, Ed. (Snowball) Oliver, 4th money winning golf professional of 1947 who hails from Wilmington, has signed to become pro at the Inglewood Country Club, Seattle, Washington, capping the climax of a poor showing on this winter's circuit.

George A. Winckler has accepted the Social Chairmanship of the Newark Country Club, succeeding Eric P. Newton whose change of occupation forced his resignation.

With the sole exception of Wayne Brewer, whom we think has accomplished more good for the interest in the club than any other one individual, we believe George is the best man possible for this job. He did it superbly before (in 1946) and he can do it again. We're going to do every single thing possible to help him and are confident that every other member of the club feels the same way. With George at the helm, the club is assured an outstanding social program for 1948.

First event on George's docket will be a Valentine Dinner, catered by Leon Wagner, this Saturday night, February 14. Preceded by the cocktail hour, it is planned to have music during the dinner, followed by bingo, bridge and/or other informal entertainment. The Valentine motif will be featured as a decorative scheme. Yep, and there'll be a door prize, too. Reservations will be accepted by Mrs. Winckler, Phone 2-6589, until Friday noon.

We aren't particularly envious by nature, but don't you just know that the Ferd Finkernagles and John Cunningham are having loads of fun at the Mardi Gras in New Orleans, this week.

Amiable Dave Poffenberger who is a darn good photographer in addition to being an extremely likeable guy, made Russ Newcombe's "Along The Roadside" column in the Sunday Star, last week.

Said Newcombe: "Dave Poffenberger, well-known Newark photographer, claims he will never make a fortune in the local area, but he wouldn't trade with anyone in the world. Dave, of 'Poff' as he is sometimes called, is the recipient of most of the U. of D.

business and gets to know more students on campus than many who are attending the university.

"Dave being an inherently friendly sort of fellow, feels that this wide scope of acquaintances is worth much more in the long run than the accumulation of a lot of money . . ." Truer words than which have never been spoken, even by smarter men than Russ Newcombe.

Snow and sloppy weather at least is a boon to local booteries that unearthed put-away stocks last week to do a rushing business in boots, rubbers and galoshes.

Wonder what, if any, truth is attached to the rumor that Hearn Bros., Wilmington grocery operators would open a store here if they could negotiate successfully for the site now occupied by a local service station.

Had a difficult time last week convincing our 17-year-old son that head of King's Medical Society a doctor whose name we can't remember, knew what he was talking about when he said: "Men over 40 should never shovel snow."

Newark's Herbert Wood is on the jury hearing the Jean Igle rape case.

## SMITH-DOORDAN WEDDING ANNOUNCED

Mr. and Mrs. William P. Smith, of Wilmington, announce the marriage of their daughter, Miss Evelyn Marie Smith, to Mr. Robert Emmett Doordan, son of Mr. and Mrs. Anthony J. Doordan, of North Chapel Street.

The Rev. Francis J. McDonough officiated and following a wedding trip to New York, the couple will live in Covington, Va.

Mrs. Doordan is a graduate of Ursuline Academy and St. Francis Hospital School of Nursing.

The bridegroom received his degree in mechanical engineering from the University of Delaware and is now employed in Covington.

## FUTCHER-GODWIN WEDDINGS SOLEMNIZED

The marriage of Miss Esther Ann Futcher, daughter of Mr. and Mrs. Frank C. Futcher, of Newark, and Mr. Daniel E. Godwin, son of Mr. and Mrs. Edward Godwin, of Cooch's Bridge, took place at the home of the bride's parents on January 17, with Dr. A. J. Johnson officiating.

Mr. and Mrs. Ralph R. Wilson, brother-in-law and sister of the bride were the only attendants and Mr. Futcher gave his daughter in marriage.

Mr. and Mrs. Godwin are now at home at Cooch's Bridge.

## WILLIAMS-SMYTH WEDDING THIS SATURDAY

The marriage of Miss Joyce L. Williams, of Wilmington, daughter of Mr. and Mrs. W. A. Williams, of Monesee, Pa., to Mr. James M. Smyth, II, son of Mr. and Mrs. Hugh M. Smyth, now of Wilmington, but formerly of West Main Street, Newark, will take place this Saturday afternoon, February 14, in the West Presbyterian Church, Wilmington. Rev. Dr. A. H. Kleffman, pastor, will officiate, and Rev. Charles E. O'Levine, assistant pastor, will assist.

Miss Patricia Williams will attend her sister as maid of honor and Mr. Ernest C. Smyth will be best man for this brother.

A reception for the families will follow at 1203 West Ninth Street.

Following a wedding trip to Washington Mr. Smyth and his bride will reside in Wilmington.

The Misses Ann and Jane Smyth, sisters of the bridegroom-elect have been among those who have entertained for Miss Williams.

Miss Williams has been associated with the Wilmington Trust Company. Mr. Smyth, a graduate of the Newark High School, served in the U. S. Army two years during World War II, much of which time was spent in the European Theatre. He is associated with the city Water Department.

## DELEGATES CHOSEN BY D. A. R. CHAPTER

At the February meeting of the Cooch's Bridge Chapter, held Saturday afternoon at the home of Mrs. George E. Dutton, 183 West Main Street, Mrs. David Eastburn was chosen as delegate to the D. A. R. Continental Congress in Washington in April, with Mrs. R. W. Heim as first alternate and Mrs. W. P. Rheuby as second alternate. Miss Anna Frazer, regent is a delegate with Miss Elizabeth Newkirk, vice-regent as alternate by virtue of their office. Mrs. Harry C. Boden was chosen as alternate for Miss Newkirk.

It is requested that all chairmen get their reports in to the State Chairman as promptly as possible. The State Conference is scheduled for February 21, 1948, at Hanna's Tea Room, in Wilmington. The meeting is called for 9:45 a. m. with luncheon at 1 o'clock. Col. D. A. Zimner of the University of Delaware staff will be the principal speaker of the day.

All reservations must be in by February 12. Tickets may be obtained by mailing checks to Miss Anna Frazer, 20 West Main Street, Newark, or to Mrs. Dallet Loomis, 1703 North Broom Street, Wilmington.

Anyone wishing transportation, please contact Miss Frazer.

## FRIENDSHIP TEMPLE TO HOLD PARTY

The members of Friendship Temple, No. 6, Pythian Sisters, will celebrate the February birthdays this Friday evening, February 13, in conjunction with the Valentine party of the group. Attention is called to the fact that a degree Practice has been set for Friday evening, February 20.

A covered dish supper for the members and their friends has been scheduled for February 27, at 6:30 p. m.

## WHITE CLAY MISSION GRP. HOLDS ALL-DAY SESSION

The Missionary Society of White Clay Creek Presbyterian Church, Capital Train, held an all-day study group at the church today.

This meeting started at 10:30 a. m. and was in conjunction with the regular monthly meeting.

A review of the mission study book "Committed Unto Us," by W. LaMotte, directed by Mrs. H. Clifford Lynam.

## REGULAR MEETING LADIES' BIBLE CLASS

The mission and achievement of the Holy Spirit in the life and labor of the "disciples" is the topic for study in the regular hour of the Ladies' Bible Class of the Newark Methodist Church on Sunday morning, February 15.

## BIRTHS

Congratulations are being extended to Mr. and Mrs. Stanley McCall on the birth of a daughter, born February 4 in the Memorial Hospital, Wilmington.

Mr. and Mrs. Arthur G. Goerner, of 16 Benny Street, are receiving congratulations on the birth of a son, born February 9, in the Delaware Hospital, Wilmington.

Mr. and Mrs. Merle Roemer, of Otis Chapel Road, are receiving congratulations on the birth of a son, born February 9, in the Memorial Hospital, Wilmington.

Congratulations are being extended to Mr. and Mrs. Cloyce H. Heegard, on the birth of a daughter, born February 6, in the Delaware Hospital.

Mrs. Heegard will be remembered as Miss Olive Reed, daughter of Mr. and Mrs. William A. Reed, of near Cooch's Bridge.

## MR. PANZER SPEAKER AT A. A. U. W. GROUP

There is no "secret" of the atomic bomb, according to Mr. Irving R. N. Panzer, General Counsel for the National Committee on Atomic Information. Mr. Panzer addressed the Newark Branch of the A. A. U. W. at its monthly meeting in Warner Hall on Monday, February 9.

Atomic energy may revolutionize medicine, industry, and agriculture, he said, but its uses are limited by its lethal nature. The world cannot continue to exist without effective control of atomic weapons, and the exercise of such control implies the breaking down of national sovereignty and national powers. The American people for their own protection must keep informed on the progress of atomic control and bring the necessary pressure to bear upon their statesmen in order that the world may not become involved in an atomic armament race.

Mrs. T. D. Mylrea, president of the Newark Branch, conducted a brief business meeting. Miss Lorna Wells, fellowship chairman, requested that all fellowship funds be paid by March 1, and students in the liberated areas of Europe and Asia to continue in advanced fields of study. Contributions may be sent to Miss Wells at 334 East Main Street, Newark.

Mrs. C. M. Olson, membership chairman, reported that the Newark Branch now has a total of 88 members.

Mrs. Raymond Schultz, chairman of study groups, announced the following study group meetings scheduled for the coming week:

International Relations Group A will meet on Tuesday, Feb. 17, at 8 p. m. at the home of Mrs. C. M. Olson, 601 Orchard Road. Mrs. Olaf P. Bergelin will speak on the United Nations.

The Arts and Crafts Group will not meet on Thursday, Feb. 12. The next meeting of this group will be on Thursday, Feb. 19, at 7:30 p. m. in the Industrial Arts Building on Main Street.

The Book Group will meet at the home of Miss Estelle Wheelless, 232 Orchard Road, on Wednesday, Feb. 18, at 8 p. m. Miss Wheelless will review "The Silent People Speak," by Robert Saint John.

Word has been received here that Agent and Mrs. Robert H. Dutton are expected to arrive in the United States in March from Germany. Mrs. Dutton joined her husband about eighteen months ago and since that time the Duttons have visited Holland and plan to tour Switzerland this month. Mrs. Dutton is the daughter of Mr. and Mrs. Cyrus Rittenhouse.

## The Sports Post

By Sean N. Hurd

Back to the wooden way with a will went the University of Delaware dribblers last Saturday night—and the result was a pleasing 64-43 victory over Haverford on the Main Line's court. This was the Blue Hens' second win in five starts in the Southern Division of the Middle Atlantic States Basketball Conference and served to bring their season record up to five wins and six losses.

This week Brunansky's basketballers engage in two home contests which afford them an opportunity to atone for two earlier conference setbacks—each by slender margins. The first of these two games will be on Wednesday night with Drexel. The Dragons, on a last-second field goal, nipped the Hens 57-55 at Philadelphia on January 7. This week's second clash will be with Ursinus on Saturday before a Mid-Winter Alumni Reunion crowd. The Bears, from Collegeville (Pa.), turned back the local collegians 54-50 last month—and now hold undisputed possession of first place in the Southern Division as a result of their 49-38 defeat of Swarthmore last Saturday night.

Incidentally, Bob Seiman's freshman courtmen are travelling at a fast clip. The Blue Chicks, with 5 league wins against no losses in the frosh section of the MASC's Southern Division, are setting the circuit pace and have an undisputed hold on the top rung of the ladder.

Also as a part of the sports program available to Delaware's returning Old Grads this Saturday is an afternoon swimming meet between the Hens and Swarthmore. Coach Harry Rawstrom's Newark natators absorbed a 53-22 ducking from Temple last Saturday, and now have a record of two successes while having been sunk three.

While on this subject we have noted that the son of a former Delaware swimming coach is building up a good tank record for himself and is planning to enter the local institution next fall. The former mentor is Ed Bardo and the promising young swimmer is his son Don. Bardo the younger is a 17-year-old student at P. S. duPont High School and on last New Year's Day copped the Millard F. Davis 220-yard handicap free-style trophy in the Wilmington Y. M. C. A.'s Open House competition.

Two weeks ago, in this corner, we directed attention to the fact that Matty Begovich, one of basketball's foremost officials, had recommended several rules changes which he believes would improve the court game. One of his suggestions was that there be a delayed whistle—such as there is in ice hockey—whereby the referee would be permitted to withhold his decision on a foul until the play had been completed.

The reason we're bringing the matter up again is that we think last Saturday's Convention Hall court clash between still undefeated New York University and Temple provides a first-rate example of the unfortunate decisions which this delayed-whistle recommendation would eliminate.

Temple, which already has knocked three teams from the undefeated ranks, was making an all-out effort to do the same thing to the Violets from New York City. The Owls finally succumbed 55-54—but here's what happened. With nine seconds of play remaining the count was 55-54. Then Temple's Nelson Bobbs intercepted a pass and dribbled at full speed for the basket. On the way down court he was deliberately fouled. Nevertheless his toss ripped the net and it appeared that Temple was ahead 56-55. But, no! The officials were required to call the foul, and since it occurred before the ball was tossed, they also had to disallow the lead-gaining field goal. Bobbs was given one free throw. He missed it and the Owls lost the game.

Now, under the recommendation promulgated by Begovich, the officials would have been permitted to withhold their decision on the foul until the play had been completed. Since the foul did not prevent the field goal from being registered the decision then would have been to count the two-pointer and forget the rules infraction. Under such a ruling the final outcome of the game would almost certainly have been reversed—and on fair grounds, in our opinion.

**SPORT SPECKS:** We've noted that Bill Murray has announced a change in his football offensive for 1948. It will alter his double-wingback system so that he will in effect have a "double-fullback," thus affording more striking power on the ground as well as greater deception. . . . Almost as an answer to this from "Silent Bill" comes the announcement from Jim Tatum, who just signed a new five-year contract at the University of Maryland, that he will have the services next fall of two, new, highly-rated linemen in order to be better able to stop opponents' ground attacks. Both men enrolled at College Park last week, thus becoming eligible for the Terps' 1948 grid campaign. One of the linemen is Ray Bender, a 190-lb. ex-Marine who played on the Quantico team which won the All-Navy championship in 1947. Bender was also named to the All-Service football team last year. The other is Bob Ward, a 195-lb. tackle, whose services reportedly were sought by Alabama, Tennessee, Georgia, and Georgia Tech as a result of his out-

Six

## HENS TO MEET URSINUS IN FIELD HOUSE ON SAT. NITE; F. & M. HERE ON WEDNESDAY

### Hens Return To Action After Mid-Year Lapse By Touncing Haverford By 64-43 Count For Second Conference Victory; Frosh Win To Continue League Streak

The Blue Hen courtmen return to the Field House here this week for two appearances, the first Saturday night when they take on Ursinus. Next Wednesday night, they are scheduled to meet Franklin and Marshall before the home fans.

A greatly improved Hen five, rejuvenated no doubt by a victorious match with mid-year exams, returned to court action on Saturday night to trounce Haverford College, 64-43, on the latter's floor.

The triumph was Delaware's second in the Middle Atlantic Conference race.

## U. OF D. ROTC FORMS NEW MERIT PLAN

### Discipline Policy In Military Unit Is Reorganized

A new policy of placing all violations of discipline within the Military Department of the University of Delaware on a merit basis, was announced today with the issuance of a guide for all ROTC students at the university.

Col. Randolph T. Pendleton, professor of military science and tactics, said that demerits would be assigned to the ROTC students for offenses in accordance with their seriousness. The demerits will affect directly over-all grades in the department, as well as promotions and awards in the organization.

The brochure also contains general information as to the responsibility for government property, wearing of the uniform, and annual awards. In the present semester, it is planned to incorporate further information to be published as an ROTC Regulation and Information Guide in September.

Demerits range from 5, for over-limit unexcused absence, to 1 for tardiness, 2 for improper uniform, 3 for lack of uniform, 2 or unkempt appearance, etc. Demerits also can be awarded for offenses not listed, and a total of 25 in any semester will result automatically in failure in the course.

Veterans of any of the armed services, with more than one year of active duty, are exempt from the ROTC courses.

## \$430,000 In G. I. Loans Issued By Regional VA

The Veterans Administration regional office has approved 116 GI business loans totaling more than \$430,000 since the start of the program, James F. McDonough, loan guarantee officer, said recently.

Up to last Friday, Mr. McDonough said, business loans amounting to \$432,433 have been approved, and 11 loans totaling \$32,062 have been repaid in full.

Ten defaults have resulted so far, and five claims, representing a loss of \$3,800 and a partial recovery of \$145, have been paid.

The average business loan was about \$3,700.

standing play last fall for the Army's Fort Benning team. . . . High-scoring Rhode Island State's basketballers got some of their own medicine last week when they were tumbled on successive nights by Villanova (88-85) and Rutgers (86-71).

## DOLLARS FOR FUTURE DELIVERY TO YOU OR YOUR FAMILY

A Farm Bureau "endowment" life insurance policy will provide the dollars when you or your family need them most. You can select a definite time period of 10, 15, or 20 years and know that those dollars will be available when you or your dependents need them. Plan now for a sound financial future.

## Frosh Top Seniors In NHS Cage Internurals

A startling upset marked the second week of the boys' basketball internurals at the Newark High School as the Freshman humiliated the Seniors, 7-5, last Friday in the cage tournament. Rich walked away with the scoring honors for the Seniors, netting a total of four points, while Wollaston led for the Freshman with three. Zappa accounted for only other Senior point.

## VFW DART LOOP GETS UNDERWAY

### Sea Bees Sweep First Games Mon.

The VFW dart league got off to an auspicious start Monday night with the Sea Bees making a clean sweep.

The Army team was slightly handicapped when Ren George's pressing arm developed a kink. Ren intends to keep off the pressing machine this week and have the wing in shape.

Tom Schultz led the pack in scoring, but his teammates couldn't back him up.

Skillman's Sea Bees, who were considered the league set-up, fooled the opposition when old Scotty McAlpine maintained a sustained attack and received excellent support from Pop Murphy in the final game.

George Foster's Navy team, and Augie Muller's Marines have yet to show their wares, and next week's games should give a good indication as to whether the Sea Bees will be able to coast along, or, as expected, take a dive in the league standing.

Each team has its contingent of rooters and a thoroughly exciting time is expected in the second series of games next week.

## DELAWARE FARM FRONT THIS WEEK

### Circuit 2 Of DHI Tops In Delaware

Since the organization of the New Castle County Artificial Dairy Breeding Unit in 1942 six sires used by the unit have been proven. In summarizing the progress of the organization at county unit, Edward H. Schabinger, county agricultural agent, reported to members of the unit that daughters of these sires have averaged an increase of 1,034 pounds of milk and 10 pounds of butterfat over their dams. This increased production has meant 11 per cent more milk and an increase of 18 per cent in butterfat.

The spring planting season is just around the corner. About three million farmers with plows, cultivators, discs, and planters will soon be working in the fields throughout the nation to meet the 1948 food goals. Mr. Jack P. Bell, extension agricultural engineer, points out that the condition and operation of this equipment will be an important factor in determining the 1948 farm work accident toll. Every farmer should make preparations for safe and efficient machinery operation.

See that that all farm equipment is thoroughly checked before field work starts. Defective hitches, seats, clutches, wheels, brakes, steering and unguarded gears, chains or shafts mean accidents can make free reign. Equipment that does not operate properly is irritating and fatiguing to the operator. It helps reduce his alertness and increases the temptation to take chances. Well conditioned machinery saves time and costly field breakdowns and makes farm work easier," according to Mr. Bell.

Circuit Number 2 of the New Castle County Dairy Herd Improvement Association with an average of 256 pounds of butterfat per cow topped all associations in the state for butterfat production during December, according to Delmar J. Young, extension dairyman at the University of Delaware.

In second place in butterfat per cow was the Sussex County Dairy Herd Improvement Association. Ranking third was Circuit Number 1 of the New Castle Association and fourth, the Kent County Association.

Standing in first place in total pounds of milk produced per cow was New Castle County Circuit Number 2 with 547 pounds. The Sussex County Dairy Association was in second place with 535 pounds of milk per cow.

In a discussion of "New Insecticides for Fruits" at the Farmers' Week held at the University of Delaware, Jan. 20-23, Dr. L. A. Stearns, head of the department of entomology at the University of Delaware, reported spectacular results with benzene hexachloride against curculionid on peaches and continued success with both DDT and chlorinated camphene for control of codling moth on apples.

The work with benzene hexachloride was completed in an eight-year-old planting of peach trees on the farm of John C. Webster north of Wilmington. DDT alone and combined with lead arsenate gave almost complete control of codling moth when used in a seven-application schedule in a 20-year-old block of Red Delicious apple trees in the orchard of Frank Richardson, near Rising Sun.

### Women's Shoes To Be Casualties of "New Look"

The new look—come spring—is going to take on considerable color.

The St. Louis Shoe Manufacturers Association reports that, on the basis of heavy orders for bright materials, the most colorful footwear in years will be seen when the new Easter outfits are unwrapped.

Red and green are leading, the association reports, with red suede in great demand. White shoes with red, green or blue trim are popular.

In the men's field, gray and blue suede are making a comeback, with considerable demand for mahogany reds in two-tone combinations.

When the time comes for the Democrats to step down they will be undecided if they should turn the country back to the Republicans or the Indians.

**ADVERTISEMENT FOR BIDS**  
Notice is hereby given that the Newark Special School District will dispose of its rights and interest in the Milford Cross Roads School by sale through sealed bids to be opened at a meeting of the Board of Education at the school office Friday, February 20, 1948 at 7:15 P. M.  
All bidders are instructed to present their bids in sealed envelopes, clearly marked "BIDS FOR THE MILFORD CROSS ROADS SCHOOL." Each bid must be accompanied by a certified check in an amount not less than ten (10) per cent of the bid price submitted. The successful bidder will make cash settlement of the balance due within sixty (60) days after date of notice that he is the successful bidder.  
The Board of Education reserves the right to reject any or all bids.  
Interested parties may secure information at the school office, or by calling Newark 3521.

Wilmer E. Shue, Secretary  
Board of Education  
Newark Special School District

## PETITION FOR CHANGE OF NAME

### OF ADULT

In the Superior Court of the State of Delaware in and for New Castle County

Your Petitioner, Calliope Diacumakos, presently residing at 1601 Todd Lane, Wilmington, Delaware, was born on July 2d, 1919 in the City of Chester, State of Pennsylvania, and christened with the name hereinabove related.

WHEREAS, your petitioner has experienced some embarrassment by reason of the extreme difficulty of the

## U. S. COUNCIL LISTS FIGURES ON ACCIDENTS

Accidents killed 100,000 persons and injured another 15,500,000 in the nation during 1947, the National Safety Council revealed recently. The total economic loss was \$6,700,000,000.

There was a general increase in accidental deaths of all kinds—except traffic mishaps—as compared to 1946. Home accidents led, displacing traffic, traditional No. 1 leader. The council said one out of every 14 persons in the country suffered a disabling injury last year.

Last year's death toll was 2 per cent more than in 1946 but the council said the most encouraging spot in the accident picture was a 4 per cent decrease in traffic fatalities.

The council said the over-all increase was due principally to sharp rise in public accidents other than motor vehicles—mainly drownings and disaster tolls.

Home accidents caused 33,500 deaths, an increase of 3 per cent over 1946, and compared to 32,000 motor vehicle fatalities. Other accidental deaths included 17,000 occupational (civilian); 19,000 public (civilian, not motor vehicle); and 1,600 military personnel.

Falls, always among the top causes for deaths, cost the lives of 26,900 and 8,700 died of burns. Drownings totaled 7,900 and deaths from firearms were 2,600. Seven catastrophes in 1947, including three airplane crashes, caused 50 or more deaths each. They included the Texas city explosion, the Texas-Oklahoma tornado, the Centralia, Ill., coal mine explosion and the gulf coast hurricane.

## MARGARINE EQUIVALENT TO BUTTER

Margarine fortified with vitamin A is equal in nutritional value to butter.

This was indicated in a survey made over a two-year period for the University of Illinois by Dr. Anton J. Carlson, dean of American physiologists, Dr. Harry Leitcher and Dr. George Eisenberg.

The results were reported recently in the Journal of the American Medical Association.

The doctor studied two groups of children, one of which ate butter and the other standard brands of margarine, and concluded that there is no apparent nutritional difference when the source of supplementary table fat is vegetable (margarine) rather than animal (butter).

The margarine group consisted of 160 children, from three to 16 years, who were orphans or children from broken homes. They were given margarine on bread, in vegetables, in pastry and fried foods.

The butter group included 107 children of about the same age group in another institution 16 miles away.

"The diet in each institution was carefully supervised by trained dietitians and so regulated that 25 to 30 per cent of the total calories were supplied by fat," the experimenters said. "The margarine constituted approximately 65 to 70 per cent of the total fat calories."

All of the children in both groups were weighed and measured each month under medical supervision. Routine red blood cell counts and hemoglobin determinations were made on each child after the study was started and again one year later.

"Growth of the group fed margarine, as determined by increases in height and weight, was comparable to that of the children fed butter and to standard height and weight values for the same age group," the doctors reported.

They added, moreover, that no increase in the amount of illness was noted in the margarine group and blood studies showed no significant difference between the two groups.

### Vitamin Discovery Aids Infant Growth

The Austrian Press Agency reported from Graz that Wilhelm Goetsch, professor at the local university, had discovered a new type of vitamin which, during experiments, "caused weight increase of new-born babies by 25 per cent."

### Kindergartners Learn Math Through Bowling

Parents of children attending Washington School kindergarten, in Muncie, Ind., were surprised at the speed their offspring showed in arithmetic.

Almost overnight the children began to add and subtract, they said. Visiting classrooms, the parents found out why. The boys and girls were learning by bowling.

Hotly-contested games were rolled by the juvenile keggers on an alley in the school room. They had to add and subtract to figure their own scores.

## LIST ADVICE FOR GROWERS

### Hints For Small Fruit Gardeners

Gardeners who are placing their orders for small fruits should not be guided entirely by attractive catalog illustrations, say the horticulturists at the University of Delaware.

Among the other factors to be considered is the adaptability of the variety to be planted to the particular region and to the soil type. The amount of space available should govern the selection.

Proper selected varieties, the horticulturists pointed out, will be desirable for both commercial and home use. The varieties that are well adapted to Delaware conditions include:

Strawberries: Early Varieties—Blakemore, Dorsett, Fairfax, Midland, and Premier.

Midseason Varieties—Catskill, Temple, Starbright, Sparkle, and Big Joe.

Late Varieties—Chesapeake, Redstar, Ambrosia, and Lupton.

Everbearing Varieties—Gem and Mastodon.

Red Raspberries—Sunrise Latham, Chief.

Purple Raspberries—Royal, Purple, Potomac.

Black Raspberries—Cumberland, Logan.

Blackberry—Eldorado.

Grapes: White—Diamond, Niagara, Seneca.

Red—Brighton, Catawba, Delaware.

Black—Campbell's Early, Fredonia, Concord, and Sheridan.

**SHERIFF'S SALE**—By virtue of a writ of Lev. Fac. No. 33 March Term A. D. 1948 to me directed will be exposed to Public Sale at the Court House, Southeast Corner of Eleventh and King Streets, City of Wilmington, New Castle County, Delaware.

**ON MONDAY  
THE FIRST DAY  
OF MARCH, 1948**

at 9 o'clock A. M., Eastern Standard Time, the following described Real Estate viz:

ALL Those certain lots, pieces or parcels of land, situate in New Castle Hundred, New Castle County and State of Delaware, and being Lots Nos. 1, 2, and 3, Block S, of Minquadales, as the same appears in the Plot thereof recorded in the Office for the Recording of Deeds, & c., at Wilmington, in and for New Castle County aforesaid, in Deed Record B, Volume 27, Page 601, and more particularly bounded and described as follows, to-wit:

BEGINNING at the corner formed by the intersection of the Easterly side of Minquadales Boulevard and the Northerly side of Seaford Street; thence by and with the Easterly side of Minquadales Boulevard Northerly sixty feet to a point in the line dividing Lot No. 3 and Lot No. 4; thence by and with said dividing line Easterly and parallel with Seaford Street, one hundred feet to a point; thence Southerly and parallel with the said Easterly side of Minquadales Boulevard sixty feet to the said Northerly side of Seaford Street and thence thereby Westerly one hundred feet to the first mentioned point and place of Beginning. Be the contents thereof what they may.

BEING the same lands and premises which Walter S. Hurt, single man, by his indenture, bearing date the 1st day of August, A. D. 1946, and recorded in the Office for the Recording of Deeds, & c., at Wilmington, in and for New Castle County, in Deed Record B, Volume 27, Page 601, and c. did grant, convey and assure unto the said Joseph G. Raffell and Irene C. Raffell, his wife, in fee.

Seized and taken in execution as the property of Joseph G. Raffell and Irene C. Raffell, his wife, Mortgagees, and to be sold by

ELMER C. TAYLOR, Sheriff  
Sheriff's Office, Wilmington, Del.  
February 11, 1948.  
2-12, 19, 26.

### Rotarians

(Continued from Page 1)

club at Delaware, who outlined the purpose of the organization, and by Gilbert Nichel, local Rotarian, who described the aims and ideals of International Rotary.

The student guests were: Alfredo Berguido, Panama; Peggy Chew, Malaya; Nicole Guano, France; Jean Jacques Desobeau, France; Panayotis Lambropoulos, Greece; C. Zenkata Rao, India; Herbert Singer, Austria; Jacqueline Margolin, England; C. H. Chow, China; Jan Samson, Holland; Osvaldo A. Torres, Puerto Rico; Moise Tirado, Puerto Rico. The latter is instructor in Spanish at the university.

At next week's session, the members will hear C. Ely Wickham, administrators field man for the Production and Marketing Administration, Washington.

### Lent Services

(Continued from Page 1)

day by the Adult Choir will be under the direction of Mr. Thomas Hilbish.

"Living in An Overcrowded World" will be the sermon subject for the first of the Sunday evening sermons this Sunday at 7:30 p. m.

The series will be on the general theme "The Master Caliph for Thee." The sermons on the other Sunday evenings in Lent will be: February 22—"All Heaven Looking On"; February 29—"And the Door Was Shut"; March 7—"Absalom's Vacant Monument"; March 14—"The Gospel According to Judas."

The Lenten Wednesday evening services at 7:30 o'clock will center about "Great Cities of the Bible" and will be as follows: February 18—"The City of Waiting," soloist, Mr. Kennedy Fell; February 23—"The City of Vision," soloist, Mr. Don Butterworth; March 3—"The City of Release," soloist, Mrs. Edward Guther; March 10—"The City of Love," soloist, Miss Jean Lee; March 17—"The City of Ambition," soloist, Mr. Frank Fletcher.

The Holy Week services will include the following: Palm Sunday Morning—"The Loneliness of Christ"; Palm Sunday Evening—"His Last Week"—a service living tableaux; Thursday—"The Holy Communion"; Good Friday Afternoon Service at 2 o'clock; Easter Sunday Morning Sermon—"Witnesses of the Resurrection"; Easter Sunday Evening Music Service by the Adult Choir, directed by Mr. Thomas Hilbish.

The public is cordially invited to attend these services.

### Chaplain Rice At Head Of Christiana

Regular services will be held at the Head of Christiana Church this Sunday, with Sunday School beginning at 10 a. m. and Morning Worship at 11 a. m.

The Rev. Hendrick Van Dyke, moderator of this charge, announces that Chaplain Robert Rice, of West Nottingham Academy, Colona, Md., will fill the pulpit at the 11 a. m. service. Patrick Morgan, superintendent, will be in charge of the Sunday School hour. Westminster Fellowship will be held at 6:45 p. m., followed by the Youth Choir rehearsal.

Mrs. E. B. Milburn, Sr., announces that a few of the church's memory plates are still available.

### "Best Foot Forward" Chosen As NHS Senior Class Play

The comedy "Best Foot Forward" has been selected as this year's Senior Class play at the Newark High School. The play is based on the musical comedy from a book by John Cecil Holm.

Following the try-outs, which are scheduled for the near future, the cast will be announced. The production will be under the direction of Raymond Justin.

## IT'S FOUNDER'S MONTH

At Hour A & P

We're celebrating our Founder's Month by offering you scores and scores of quality foods—famous at truly modest prices. These top-notch "buys" are made possible by the policy our Founder established 88 years ago... to buy and sell direct, eliminating many unnecessary expenses usual to marketing, and to share the savings with you.

Open Friday Night 'til 9 P. M.

Continuing Our Reduced Prices!
