In Loving Memory
of
David Toman
1976 - 1996

David Toman was a beloved member of the class of 1998.

Few people brought as much joy and laughter to those around them as David did. David had the unique ability to walk into a room and immediately raise the spirits of everyone there. He was a friend to all and an enemy to none.

David was taken from us by a tragic accident in the fall of 1996. Although he is gone, his spirit shall live forever in the hearts of those who were fortunate enough to know him.

The class of 1998 shall forever miss you Dave.
