## Council Action On Problem Of Street Repair Brings Results

Richard A. Haber Of State Highway Department Invites City Officials To Meeting In Dover Soon

Newark city officials announced this week that as a result of Council's action last week in which the body went on record as calling the manner in which the State Highway Department has failed to come forward with any plan to properly maintain the main arteries of traffic through Newark "deplorable" has brought quick action.

It was announced that Richard A. Haber, the department's chief engineer, has invited city officials to meet with him in Dover in the near future to discuss the matter.

In criticizing the lack of aid from the state agency, Councilmen Frank Durnall and Sam Diehl pointed out that several streets here, including Main Street, South College Avenue, New London Road, and North Chapel Street, are main thoroughfares of traffic in the state and for that reason the State Highway Department has a definite obligation to help in their upkeep.

Examples were given of the way in which the department has taken over the maintenance and even rebuilt entire streets in other communities of the state. Councilman Durnall said the agreement which the Highway Department has previously offered the city regarding street maintenance doesn't go near far enough in assuring the city that any substantial aid will be given Newark in maintaining these streets.

Mr. Haber stated that the agreement now in the hands of the Council was made prior to his taking over the department and that it was the first indication that his office has had of the dissatisfaction here in regard to the agreement. The agreement has not been signed by city officials because although it does provide for routine maintenance of major thorough streets, it does not call for rebuilding and reconstruction of these streets. It is the opinion of city officials that certain of these routes of heavy traffic can not be kept in satisfactory shape by routine maintenance and complete rebuilding is a necessity.

Mr. Durnall pointed out that "Main Street has been patched and patched by the city until it now resembles just one big patch, and the only thing that is going to improve it is a complete reconstruction job."

Francis J. Neide, city supervisor, stated this week that the rebuilding of Main Street will be a major operation and would not be practical until there was another thorough street available to handle the traffic while the job was being done. He pointed out that if the street was to be rebuilt it would be necessary to inspect and replace old water and sewer connections beneath the street before it was rebuilt.

Although the State Highway Department has approved the city's plans to extend Delaware and Cleveland Avenues to Capitol Trail to provide the community with additional through streets to alleviate the congestion along Main Street during rush periods, no definite time has been set for the beginning of the work by the state agency. Until one or more of these were in operation, said Mr. Neide, the rebuilding of Main Street would be almost impossible.

Without Seal Bills Cannot Be Signed And Sent To Governor

William J. Warwick, president of the Newark Funeral Home, Inc., popped up in the news from Dover this week when a discussion was heard in the House of Representatives regarding the impossibility of proceeding further on any legislature until Mr. Warwick, bill clerk, was appointed and sworn in.

Although Mr. Warwick, who served as bill clerk during the regular session, has been in attendance regularly since the special session started on Dec. 10, he has not been appointed and has not been sworn in.

## Rep. Battersby Says He Will Vote For Ferry Acquisition

States Honor And Integrity Of Delaware Is At Stake

Representative Norman E. Battersby, in a statement to the people of White Clay Creek Hundred this week, stated that he would vote for state acquisition of the ferries when the matter comes before the General Assembly.

"The good faith and honor of the state of Delaware is at stake," continued Mr. Battersby, "and if we do not pay the \$2,500,000 price agreed on by the Condemnation Committee, then the integrity of the state cannot be depended upon in the future."

In explaining his stand, he points out that in 1945 when the bill for the acquiring of the ferries was presented to the legislature, the company which was contacted to float bonds for the building of the bridge stated they would not accept unless a section was included in the bill whereby the State of Delaware would acquire the ferries. This Section 10 was included in the bill.

"This was done," said Mr. Battersby, "because on several previous occasions bridges had gone bankrupt because of competition."

"I will therefore vote for this payment to the ferry company," he concluded, "when the matter comes up for vote because if this agreed amount is not paid the company, which has lived up to its part of the bargain by ceasing operation, then the future integrity of the State of Delaware will be up to question."

## Festival Of Lights Service Sunday At St. Thomas' Church

A traditional Festival of Lights service will be given at 4:30 p.m. Sunday, January 20, at St. Thomas' Church by the Young People's Fellowship and the Junior Choir. The Rev. Theodore L. Ludlow will be in charge. The service explains the meaning of the Epiphany when the wise men gathered from distant lands to worship the infant Jesus.

The candle of the Christ Child will be lighted on the altar to show His Light which came into our darkness. The Wise Men played by Elizabeth Flabbi, James Jackson, and Joseph Perkins will present their gifts at the altar. St. John, Suzanne Adams, will light his candle from the Christ candle. Then St. John will light the candles of the bishop, Van Johnson, a priest, David Hurn, and a deacon, Robert Kase. The candles of the Wise Men, the choir, and the congregation will be lighted so that the light spreads through the church even to the sanctuary windows. The Junior Choir will lead the recessional carrying the light into the darkened world. Robert Townsend will serve as Acolyte.

The Junior Choir is directed by Mrs. Arthur J. Johnson, the church organist, and has twenty-two members: Betsy Adams, Margaret Day, Mark Hurn, Virginia Hurn, Nancy Hall, Ace Jacqueline, Joan Johnson, Kathy Kay, Luke Lackman, Thomas Lackman, Beth LeVigne, Karen Levine, Dorothy Mayne, Ruth Mayne, Virginia Mayne, Erik Olson, Linda Patnovic, Robert Perkins, Gale Symington, Leona Thompson, Martha Townsend. Several of the choir members are also members of the Young People's Fellowship.

Anyone interested is cordially invited to attend the service.

## Elmer J. Ellison Is Elected Fire Chief; Serving 29th Term

Other Officers Chosen At Meeting Held Last Week

Elmer J. Ellison was elected to his 29th term as chief of the Actina Hose, Hook and Ladder Company at the regular meeting of the local volunteer fire company held at the fire house on Friday evening, January 11.

Other officers elected at the annual affair were: John Cunningham, first assistant chief; Clifton Knotts, second assistant chief; Olan Thomas, chief pumper; Albert Bell, Woodrow Beck, Andrew Walp, and Howard Lloyd, assistant pipemen.

Charles E. Moore was elected to succeed himself as fire recorder. Three members of the company were elected to serve terms of three years on the board of directors. They were: William Cunningham, George M. Neighbors, and John A. List, Sr.

At the reorganization of officers meeting which followed the regular meeting George M. Neighbors was elected as president of the company to succeed Charles M. Elsner. Mr. Elsner was elected to the post of vice-president, succeeding Mr. Neighbors.

J. Earle Dougherty was re-elected to the position of treasurer, and William J. Fraser was made secretary, succeeding William J. Warwick who has held the position during the past year. William Doyle was made assistant secretary.

## Board of Education Approves Idea of Field House Here

Lack of Steel And Cost Of Work Lead To Idea By Shue

Wilmer E. Shue, superintendent of the Newark special school district announced this week that the district Board of Education had approved at its last meeting his recommendation for the formulating of plans to build a field house to serve the gymnasium and athletic needs of the Newark High School. Such a building would serve both boys and girls in senior high school in the future as a place to hold gym classes and other athletic events.

It was pointed out by the superintendent that necessary repairs and construction on the present combined gymnasium-auditorium would cost an excessive amount and the scarcity of steel at this time would make the added construction impossible in the near future. He further stated that structures of this type are now being built using laminated wood rafters in place of the steel ones. This would alleviate the necessity of obtaining the critical steel for the new building.

Other schools in the state, including Dover and Laurel, have such structures at the present time.

## Buzz Editor

Margaret Frye Will Be 1952 Editor Of Student Newspaper

Junior At Newark High Has Served As Associate Editor In Past

Margaret Frye, daughter of Mr. and Mrs. Benjamin Frye, Dallam Road, a junior at Newark High, was named 1952 editor of the monthly student newspaper "Yellowjacket Buzz" at a special staff meeting called last week by Faye Meredith, retiring editor.

Other staff members chosen for 1952 are as follows: Associate editor, Amy Lovett; news editors, Margaret Rowe, Marie Woerner; business manager, Betty Lou Murray; circulation manager, Eleanor Meagan; advertising manager, Eleanor Davis, David Mackey; secretary, Ellen Gallaher; sports editor, George Batchelor; Arthur Boulton; exchanges, Alice Peterson; publicity, Patricia Stewart; art, Percival Roberts; typists, Marilyn Hildreth, Barbara Jo Wakefield; photography, Paul Fair, David Hurn.

Margaret Frye has served as associate editor during this past year. She was chosen as one of the five students to represent the school in October at the Herald Tribune Forum in New York City. Before coming to Newark in the fall of 1950, Margaret attended school in East Orange and Chatham, New Jersey, where she worked on the school yearbook. Margaret is taking the academic course and expects to attend college upon completion of her high school days.

The "Yellowjacket Buzz," a printed four-page publication, has been in existence since 1935 with a few brief instances of suspension in 1936 and during the war years. The paper is managed by the student staff which lists about thirty-five members at present. Local advertising plus subscriptions provide funds for its publications.

Reporters and feature writers in addition to the above named staff members are as follows: June Carrico, Helen Jane Leasure, Faye Meredith, Peggy Woerner, Leora Waller, Stephanie Worrill, James Seydell, Barbara Thurston, Mary Franklin, Norma Foraker, Barbara Duggan, Nancy Gearhart, Marie Husfelt, Rebecca Ford, Louise MacCreary, Jill Holmquist, Barbara Ness, Sue Roberts, and Patricia Stewart.

## FLAG COUNCIL MEETS

American Flag Council No. 28, Jr. O.U.A.M., will celebrate its anniversary on Monday, January 21 with dinner to be served at 6 p.m. in the Masonic Temple, and the entertainment to be held in the Newark Century Club at 8 p.m. Members and their families are invited.

## Allen F. Horton Is Elected An Official Of Arts Institute

Has Served As President Of Curtis Paper Co. Since 1946

Allen F. Horton, president of the Curtis Paper Company, was elected to the position of vice-president of the American Institute of Graphic Arts at a recent meeting of the organization.

Mr. Horton, who has served as president of the local paper company since 1946, has been an AIGA member since 1937. The institute was formed in 1914 for the purpose of encouraging and aiding all persons engaged in the graphic arts. It is composed of leading printers, paper merchants, artists, publishers, and many men and women of various other pursuits. One of its projects is the selection each year of the Best Fifty Books of the year.

Upon his graduation from Haverford Mr. Horton joined W. S. Cammilton and Sons in October 1928, acting as their New York representative until 1946. During World War II he served as a consultant in the Pulp Allocation Office of the War Production Board. He is currently serving on the OPS Domestic Woodpulp Consumers Industry Advisory Committee. He is a former member of the Board of Advisors of Rutgers University Press.

## Local Church Youth Hold Joint Service Here On January 27

William Jamieson, Jr., Will Speak At Methodist Church

A committee of youth representing the youth of the Episcopal, Methodist and Presbyterian churches are planning for observance of Youth Week with a joint worship being held on Sunday evening, January 27th at 7:30 p.m. at the Newark Methodist Church.

The worship service will include youth participants from the three churches, and the speaker will be Mr. William Jamieson, Jr., adult advisor to the Wilmington Youth Council.

The CALL is being observed by Christian youth across the nation during Youth Week, January 27-February 3. It is a nation-wide summoning of youth... One Million Young People and Their Adult Leaders—United! Committed—In Christ! The United Christian Youth Movement of North America through the CALL seeks to enlist one million young people and their adult leaders for a deepening of their commitment to Christ, to greater service of Christ through their service projects, and to obtaining a contribution of one dollar from each person participating in the CALL to be used in strengthening the United Christian Youth Program across the nation, and to aid in the youth work on a unified basis in countries around the world.

Youth in Newark are urged to reserve Sunday evening, January 27 to attend this cooperative youth worship service. On February 3 the Wilmington Youth Council is planning a joint meeting of Wilmington youth at the Grace Methodist Church, and at least 1000 youth are expected to participate in that service.

## Busy Sweater Salesman Didn't Miss Newark With His 'Torches'

Four Garments Turned Over To Newark Police By City Residents Are Tested And Found To Be Inflammable

This week Newark added its name to the ever-growing list of communities throughout the nation that have discovered varying numbers of so-called "exploding" or "torch" sweaters which have been sold by itinerant salesman to members of the population. So far four sweaters, each including a pullover and jacket type garment, have been turned into the Newark police department by jittery purchasers who are thankful that information reached them before a flame did the sweaters.

Today Chief William Cunningham and other members of the local office department, along with Fire Chief Elmer Ellison, carried out a flame test on several of the garments and while such adjectives as "exploding" and "instantly-burning" seem to be exaggerations, the city officials found the garments to be highly inflammable and dangerous.

One of the sweaters was turned over by Sgt. Leroy Hill to Dr. William Mosher, head of the chemistry department at the University of Delaware, who ran a few basic tests on the material and found it to be spun rayon composition. Dr. Mosher pointed out that "it is not the material itself wherein the danger lies but the way in which it has been brushed and probably treated with some resinous chemical which makes it so highly inflammable." He explained that the rayon had been brushed to give it the soft, fluffy effect.

Throughout the nation attention has been drawn to the danger involved in allowing manufacturers to produce this brushed rayon material without treating it with a fire-retardant, and legislative bodies ranging from town councils to Congress itself are busy preparing ordinances and laws to prevent the manufacture and sale of brushed rayon garments that have not been flame proofed.

Chief Cunningham stated that he is to be taken to write into the Newark fire ordinance a measure to prevent the sale or possession of such garments here in Newark, while in Washington, Rep. Gordon Dr. Field (R-N.J.), who some years ago sponsored a bill to outlaw inflammable cowboy suits, said he would do the same thing for inflammable sweaters. He stated that he would introduce legislation to ban such sweaters from interstate commerce.

Newark police are concerned over the fact that more of the garments may be in the possession of city residents who have not heard of the recent disclosures. While it is quite positive that none of these sweaters were sold to regular dealers it is felt that others may have purchased them from itinerant salesmen sometime in early December.

The sweaters turned in so far have all borne a label carrying the trade name "Camel," while others have been reported as labeled "Esquire" and various other trade names. The labels have shown the garments to be made of "100 per cent pure spun yarn," an ambiguous term which gives no indication as to what material is in the sweater.

## Annual Meeting Of Delaware Dutchmen Will Be Held Here

The second annual meeting of the Delaware Grundsold Fersammlung will be held on Friday, February 1, at 6:30 p.m. in the College Inn.

Held on Ground Hog Day, the event will feature the "Wedder Brofate" by Jacob Messner, the official "Grundsold Wateher for Kent County." Also on the program which will follow the traditional "Dutch" dinner, will be Dr. Alfred Shoemaker from Franklin and Marshall College in Lancaster, Pa., who is active in Pennsylvania Dutch folklore.

Dr. Shoemaker, editor of "The Pennsylvania Dutchman" and is head of the annual Folk Festival which is held at Kutztown, Pa., each year. His subject for the meeting will be "Geschiede un Geschichte" (Tales and Legends).

Dr. Al Kemp will be featured as "Forsinger" and also in bringing greetings from Berks County. Dr. Kemp, former superintendent of Berks County schools, was the organizer of the famous Berks Fersammlung which is attended by 500 to 900 people each year.

The women (die weibslait) are invited this year and there will be "Bis sel Geseke for die Wibeid" (a little cooking for the women) by Mrs. Anne Longenback who will tell of the pilgrimage to the Palatinate this past summer.

Dr. Russell Stauffer will have charge of introducing good folk. He is also "Fuder Maishder" (food master) and has an interesting menu with Souregrout un Sie Flaish, Shoofly Kueche as mainstays. Other items included are Gans Wei, Zu Blichen, Bauch Dicker, Schmakaze, G'salme Grundmiss for Ach Hawso and of course, Obsthawneschwanz.

Mr. Dougherty succeeds Mr. Daniel Thompson, West Main Street, who has held that position for over twenty years. Mr. Thompson was named chairman of the board.

Other elected officers are: Miss Edna Campbell, vice-president and treasurer; Harold J. Meade, vice president and trust officer; J. Rankin Davis, vice-president and assistant treasurer; Edwin L. Shakespeare, vice-president; H. Lloyd Yarnall, secretary and assistant treasurer; Clarence E. Smith, assistant secretary; and Clyde H. Baylis, Jr., assistant treasurer.

Mr. Dougherty came to this bank in 1920 from the National Bank and Trust Company, West Grove, Pa. At that time assets of the Farmers Trust Company were eight hundred thousand while today they total over seven million. During the past year there has been an increase in deposits of nine hundred thousand dollars.

## Newark AAUW Now Working On Plans For Kindergarten

A pre-school study group of the Newark AAUW is interested in beginning a kindergarten in Newark as soon as possible. Preparation, and organization have gone forward, but the kindergarten's actually being set in motion is forestalled by lack of adequate site and housing.

The group believes that a kindergarten, combining public, private, and cooperative features would meet a devoted community need, giving many children supervised group activities not now enjoyed. Until there are public kindergartens, an organization for 5-6 year olds, harmonious with the public schools in its objectives, would provide an opportunity for group experience. A kindergarten teacher and one or more assistants would supervise. The fee would be kept at an absolute minimum, made so by cooperative effort.

Anyone interested or in a position to provide or suggest location for such a school or anyone having kindergarten training kindly contact Mrs. W. H. Fisher, Newark 6508.

## Wesley President Will Speak Sunday At Methodist Church

On Sunday, January 20, at 5:30 p.m. at the Newark Methodist Church Sunday Evening Fellowship, the speaker will be Dr. J. Paul Claybaugh, President of Wesley Junior College, Dover, Delaware.

This type of program, well attended last fall, consists of a covered-dish supper to which all members of the family are invited, after which separate activities are provided for the younger children while the program for adults is being conducted. A portion of group singing and a brief service of worship are also conducted.

Dr. Slaybaugh became president of the college at Dover last summer, and this will mark his first speaking engagement in Newark in this capacity. He was for a number of years headmaster of West Nottingham Academy, and is well-known in this area.

Wesley Junior College Day will be observed in the churches of the Peninsula Conference on Sunday, January 27, when offerings will be received for the support of the college.

The soloist at the program on Sunday evening will be Herbert Keene, Jr. Mrs. Sarah Revelle Frye will lead in the group singing and Mrs. W. S. Martin will be the pianist.

At the morning service Dr. John J. Bunting, Jr., minister of the church, will continue a series of sermons on the theme, "Motives for Missions." The Sacrament of Baptism will be conducted. Missions classes for primary and junior children are being conducted during the morning services in January and February, following the themes "Meeting Friends in Latin America" and "Methodist Neighbors in Latin America."

Shown above are the 32 local Boy Scouts who are taking part in the current March of Dimes campaign here in Newark. Last Saturday these scouts distributed contribution envelopes to Newark homes and will return this Saturday to pick them up.

Joseph Perkins, chairman of the local drive, has announced that arrangements have been completed with the management of the State Theater to have the scouts collect between shows there during the week of January 21. Left to right, they are: front row: Bill McLain, Earl Gibson, George Giblin, Clement Fowler, Lester Lewis, Ted Schwartz, George Arthur, Carl Butterworth; second row: Frank Foley, Bill Mote, Jr., Robert Wiley, Robert Rahn, Jack Hildreth, Harold Hamblin, Randy Lindell; third row: Danny Lanning, Wilson Cooper, Rickey Kutz, Joe Perkins, Robert Perkins, Norman Hamblin, Ray Vannoy, Ernest Luto, Jack Christmas; fourth row: Robert Dann, Gregg Stover, Bucky Buckingham, Peter Cooper, Chuck Gaylord, John Howell, Wright Poffenberger, John Miller.

**Capitol Trail News**

Marjorie M. Bishop, Correspondent

At last the suspense is over: Now we know for certain that our new elementary school building site is to be purchased from F. E. B. McCann, just off the highway. This is proving particularly interesting to a number of old-timers who are already pointing out to their children and grandchildren that boys and girls will be attending school next door to the little school house where they went to school. This is now the home of Mrs. Paul Hutchison.

The activities of a survey crew last week were viewed with considerable trepidation. Rumors were flying in all directions. Some had visions of a big real estate development about to take shape. It reminded this correspondent of the rumors that have been going around ever since plans for a new school were first announced. It has been located on every available plot of ground within three miles of Newark!

Those of us who love the peace and quiet of rural surroundings were inclined at first to regret this change, but the world marches on. The population of this section is increasing by leaps and bounds and the needs of our children must be met.

Yes, we are glad that these children are to have the benefit of a much-needed new building. In fact, with the anticipated large influx of new workers and their families in and around Newark, we wonder how soon there will be a crying need for more school rooms for all ages!

Mr. and Mrs. David Eastburn, Red Mill Road, motored to Valley Forge last Sunday, January 13th, to attend Delaware Day services at the famous Memorial Chapel.

Mr. and Mrs. John Thornton, Red Mill Road, are celebrating their fifty-second wedding anniversary on Friday of this week, January 18th. They are receiving congratulations from many friends.

We regret very much to announce that Mrs. Alice Appleby, of Harmony Road, is seriously ill in the Wilmington General Hospital.

Rodney Butterworth, son of Mr. and Mrs. Frank Butterworth, Capitol Trail, celebrated his seventh birthday last Thursday, January 10th, with a party. Rodney was host to a group of ten of his friends.

Mrs. William O. Brackin, Capitol Trail, has been elected to the office of Secretary for the Ladies Altar Society of St. John's Catholic Church, Newark.

The other new officers are: Mrs. William Sullivan, president; Mrs. Harold Tulley, vice-president; Mrs. Renard George, treasurer, all of Newark.

The retiring officers are: Mrs. Clyde M. Cox, president; Mrs. Richard Stout, vice-president; Miss Elizabeth Magill, treasurer; Mrs. Charles Shell, secretary.

Hostesses for the January meeting were Miss Magill, Mrs. Mary Richards, Miss Sara McKeown. The next meeting will be held on February 13th with the following hostesses: Mrs. Herbert J. Murphy, Capitol Trail and Mrs. Louis Mercuri, Newark.

Father Cornely of Newark is the spiritual advisor of the group.

The Junior-Senior-Hi Westminster Fellowship at its regular meeting last Sunday evening elected Grace Miller, as president, to succeed Grace Miller. **Ebenezer MYAF To Present Drama Here**

On Monday evening, January 21, the MYAF group of the Ebenezer Methodist Church will present the initial performance of the three-act comedy drama "Here Comes Charlie" at the Newark Century Club building for the benefit of the Junior Order of Mechanics.

Directed by Joseph Brown, Jr., cast for the production includes: Mrs. Charles Nelson, Mrs. Norris Greenplate, Miss Catharine Dempsey, Miss Betty Ayars, Mrs. Melvin Dempsey, Rev. E. J. Horney, Norris Greenplate, Lindsay Greenplate, Graham Lomas, and Paul Ayars. Mrs. Greenplate and Rev. Horney will play the leading roles.

On Saturday, February 2, the first public presentation will be staged in the Odd Fellows Hall at Hockessin and not in Harmony range hall as previously announced. Following that engagement the next performance will be on Saturday, February 9, at the head of Christiana Presbyterian Church.

This will complete the window installation on the west side of the sanctuary. The Claringbold Memorial Window which was dedicated on Christmas Sunday, was the first of a series of four designed windows carrying in simple symbolism messages from the life of the master. This window has for its theme, "The Great Commandment."

Rev. Bishop states that a window may be presented by an individual, by a family or by a combination of families or individuals. Everyone who so desires may have a part in this great project of beautifying the sanctuary. The pastor will be glad to show the window designs to anyone who is interested.

**Chrysler Corporation Joins In Auto Price Rise Request**  
Chrysler Corporation asked the government today to boost wholesale ceiling prices as much as \$88.68 on its four lines of passenger cars.

The company said the increases on the best-selling model of each line would be \$33.86 for Plymouth, \$65.92 for Dodge, \$68.55 for Chrysler, and \$88.68 for DeSoto.

Retail ceiling increases would be approximately one-third higher.

Chrysler's application leaves only two of the 10 auto makers that have not sought ceiling boosts under the Capehart Amendment.

Ford and Hudson have obtained hikes of four to five percent. Other requests are pending.

**Mayor Johnson Will Address Local Club**

Mayor Wallace M. Johnson will address the members of the Newark New Century Club at their meeting on Monday, January 20, at 2 o'clock.

Mrs. G. Emmett Kauffman, legislative chairman, has planned the program. Mayor Johnson will discuss Newark and its future. There will be a question and answer period following his informal talk.

Mrs. Raymond W. Heim, president, will conduct the business meeting. Hostesses for the day will be Mrs. John Miller, Presiding at the tea table will be Mrs. G. C. Webber and Mrs. F. M. Garver. Assisting in the tea room will be Mrs. James J. Mackenzie, Mrs. Barton Mackey, Mrs. Charles M. Maddock, Mrs. Thomas Manns, Mrs. Allison F. Manns, Mrs. Don Martin and Mrs. Eric Mayer.

Mrs. Joseph B. Hafer of 27 North College Ave. is a new member of the Newark New Century Club.

Little courtesies, like Mike's stopping traffic to let Gramps cross the street, help to make life happier.

Consideration for the other fellow is the basis of good party-line telephone service, too. If you are always courteous on the telephone, you're sure to find your party-line neighbors the same. Remember the three R's of party-line courtesy—Relinquish the line as soon as possible when you hear others try to use it; Replace the receiver gently when you find the line in use; Regulate your calls so that others may use the line in-between.

A meeting of delegates to the Friends World Conference in Oxford, England, next July, consisting of representatives from Concord, Westtown and Nottingham quarterly meetings was held last Sunday in the Hockessin Meeting House. James Walker of Westtown, Pa., was leader for this conference on "Religious Education." Guest speakers include Dr. Wilmet Jones of Friends School, Wilmington, and Mrs. Jones, his wife. A box luncheon was enjoyed at the noon hour. Both branches of the Friends were represented by the 50 persons in attendance.

Mr. and Mrs. Gates Gilmore, of near Coatesville, Pa., spent the weekend with Mr. and Mrs. Paul Mitchell of Woodside Farms. They attended the friends' conference.

**Mermaid**  
A two-day dairy school was held by the extension department of the University of Delaware Tuesday and Wednesday at Harmony Grange hall. The women of the grange served lunch both days. Mrs. Joseph Mitchell was chairman on Tuesday and Mrs. James Derickson on Wednesday.

Miss Helen Samendinger will speak at the Harmony Grange meeting on Monday evening Jan. 21. She will show colored slides and tell of her trip to Germany. A member of this grange, this is the first opportunity she has had to relate her experiences to the grangers of her European trip.

Harmony Grange's installing team comprising Joseph Mitchell, Mrs. Mitchell, Marshall, Mrs. Norman Dempsey and Mrs. Calvin Ball, regalia and emblem bearers, and Mrs. William H. Naudain, pianist, will install Pender Grange officers next Monday evening and Central Grange officials next Tuesday evening. Last evening, the team was at Union Grange for their annual installation ceremonies.

Another community wide square dance was held by the youth committee of Harmony Grange last Saturday evening in the hall. These are becoming very popular as a community project whether sponsored by the adult or juvenile unit.

Charles Wollaston of New Garden, Pa., directs the dancing and calls the figures.

Mr. Irvin Klair continues to be very seriously ill in the Memorial Hospital.

**Harmony School**  
Hot lunches for the students were begun last week. They will be enjoyed Mondays, Wednesdays and Fridays of each week until April.

A program on "Winter" was presented last Friday. Warren McCall read "Snowflakes," Shirley and Nancy Barlow read short stories. Sallie Evans had poems. Mary Emma Ransom, Joyce Cannon, and Faye Trimble sang.

Mrs. Martha Barnes, county attendance officer, visited the school last week.

**Ebenezer Methodist Church**  
The Booster Circle planned at its meeting last Thursday to sponsor the sale of personalized napkins. Mrs. Norris Greenplate will take orders. For the worship services, the group will use the book "The Greatest Story Ever Told" which was ordered purchased.

The official board met Monday night and completed the arrangements for the serving of a turkey supper in the social hall on Jan. 26 starting at 4 o'clock.

The worship service next Sunday at 7:45 p.m. sponsored by the MYF will have as the guest speaker, Herbert Moller of Hanau and Main, Germany, who is spending this year with Mr. and Mrs. Norman F. Dempsey at Corner Ketch as a foreign exchange student brought here by the National Grange. This service is a follow-up of the recent one when Miss Helen Samendinger gave her experiences of life in Germany as an exchange student. Herbert will give his viewpoint of his native country. He will tell of the Christian Endeavor work in the churches and condition on farms as a native sees them. There will be a discussion period.

The prayer meetings have been changed from each week to the first and third Thursdays at 7:30 p.m. Tonight, the group will go to the Wilmington District Temperance Seminar at Silverbrook Methodist Church in Wilmington.

The Mite Circle met Tuesday night with Mrs. Mattie Arars on Paper Mill Road. Mrs. Maakle Johnston had the program.

The annual fourth quarterly conference conducted by the Rev. Dr. Hamilton P. Fox, district superintendent, will be held Jan. 20.

**Red Clay Creek Presbyterian Church**

Mr. and Mrs. Lawrence Tobin and son of Wilmington Manor Gardens spent Sunday with Mr. and Mrs. George Moore and family.

The farmers' job is getting bigger—smaller. Two things which will demand more food production are:

1. U.S. population, increasing by two million each year, may reach 161 million in 1955.

2. Per capita food consumption is up 13 percent from the prewar level. And the war mobilization program, which makes more dollars but fewer consumer goods, may help push food consumption even higher in 1952-55.

## Delaware Students To Attend Classes At Will Speak Sunday Puerto Rico School At Calvary Church

### 15 Students To Be Admitted To Six Weeks Course This Summer

As one of its offerings for the 1952 summer school term, the University of Delaware will give an area-studies course of six weeks in Puerto Rico. Listed in the university's announcements as Geograph 451, the course will be given jointly with the University of Puerto Rico, and will be attended by seniors and graduates students from both universities.

In making the announcement, Professor Earl Parker Hanson, chairman of the University of Delaware's Department of Geography and Geology, who will be one of the course's instructors, said: "Not only is it important in modern education to cut across the common compartmentalizations of knowledge and to approach regional problems from a regional point of view — trying to understand every country, region, or society as a living whole—but it is also important that Americans learn something about Puerto Rico. The progress made by that island since the inception of its 'Operation Bootstrap' ten years ago, in economic, political, and social reforms aimed at raising standards of living, has been so marked that most of the Latin American Republics and many such other countries as India and Pakistan today send observers and students to Puerto Rico to study the dynamics and techniques of its current cultural and economic changes. Puerto Rico is becoming internationally famous as a microcosm and a laboratory of the worldwide modern trend toward development to improve the life of man in all the so-called 'under-developed' parts of the world. We believe that the course will be a unique educational opportunity, not only for the Delaware students who attend it, but also for the Puerto Rican students who will have an opportunity to discover their own country and society."

Professor Hanson said that the course will be a combination of classroom lectures at the University of Puerto Rico, designed to bring out the historic, economic, geographic, and sociological aspects of the island's current renaissance, visits to government offices for an understanding of the problems being faced and solved by the various departments of the insular government, and field trips.

## ALL-DAY MEETING HELD BY THREE-IN-ONE CLUB

The annual January all-day meeting of the Three-in-One Club met at the home of Mrs. Martin Gauger, Paper Mill Road, January 10, beginning with a business session at 10:30 A.M.

Mrs. John B. Lynch assuming duties as president for the second year presided.

As part of the Community Activity work Mrs. Lynch reported having visited the boys at the Governor Bacon Health Center taking articles of clothing as Christmas gifts.

Mrs. Joseph Brown, Citizenship Chairman, read a letter from "Life Student," International Youth Farm Exchange.

Mention was made regarding the Pennies for Friendship in that seven cents per member of each club through out the state of Delaware is given each year to further the Home Demonstration work in foreign lands.

New committee chairmen named for 1952 are: Citizenship, Mrs. Joseph Brown; family life, Mrs. Roy T. Walton; health and safety, Mrs. Clarence Jester; national notes and publicity, Mrs. Floyd Jackson; community work, Mrs. Daniel Cecil, Mrs. Frank Narlas and Mrs. Ben McCormick; annual reports, Mrs. Harold Little; recreation, Mrs. Robert Major and Mrs. Floyd Jackson; sunshine, Mrs. Wilbur Hollingsworth; needlework, Mrs. Carl Nelson, Sr.; historian, Mrs. Anna Cameron; and scrap book, Mrs. Martin Gauger and Mrs. McCormick.

A covered dish luncheon was served at 12:30 after which the business meeting was resumed and club programs for 1952 with the selection of topics, leaders and hostesses were named.

Miss Jones spoke in the afternoon dealing with "Inflation and What Is It." Miss Jones brought to the members the sharp difference in the value of our dollar now to be fifty cents while in 1949 its value was ninety-eight cents. Miss Jones endeavored to bring a clearer picture with use of charts showing supply of money and supply of goods against that of purchasing power and wages high.

The topic for the February meeting "The Art of Staying Young" will be discussed by the leaders Mrs. Hans Lebach and Mrs. Mary Walker. This meeting will be at the home of Mrs. Lebach, 15 Kentway, Newark.

Leadership training school will be held on January 23.

## St. Joseph's Hands Blue Hens Fourth Setback Of Season

Philadelphia Club Scores 69 to 50 Win in Game at Quaker City

St. Joseph's College of Philadelphia spiked the big guns of the University of Delaware scoring attack last night and handed the Blue Hens their fourth loss of the season, 69 to 50, in a game played in Philadelphia.

Ray (Skip) Crawford, Delaware's leading scorer, who has averaged better than 20 points per game so far this season, was held to nine points by the winners.

Delaware jumped off to an opening lead and led the winners 17-11 at the end of the first quarter. The Hawks began to click in the second stanza and with Phil Brady sparking a late-period drive, came on to reach the halfway point in front of the Hens, 26 to 22.

With Jim Desmond leading the way in the second half, the Hawks pulled away to increase the margin of victory.

Big Jim Kruszinski and Frank White, led the scoring for the Delaware club with 11 and 10 points, respectively. This was the third loss of the season that the Hens have suffered at the hands of Philadelphia clubs. Previously they had been beaten by LaSalle and Pennsylvania. The Delaware record now stands at eight wins and four losses.

Local Hi-Y Chatter Will Make Scrap Paper Drive

This Saturday the members of the Hi-Y chapter at the Newark High School under the leadership of H. Lewis Miller, high school instructor, will conduct a waste paper and magazine drive here in Newark.

## Back In Action

Jack McBride

Jack McBride, 6-foot, 4-inch sophomore from Fort Wayne, Ind., finally got to play his first game of varsity basketball for the University of Delaware last week when he contributed five points in the victory over Ursinus.

McBride was a standout player on the sensational freshman club at the university last season and had been counted on to give someone a lot of competition for a varsity berth this season.

A severely cut finger which resulted from his catching a finger in the heater fan of a car has kept the big fellow on the sidelines so far this season.

## Mayer and Krusberg Hang Up New Marks As Hen Mermen Lose

Art Mayer and Lorin Krusberg continued their assault on individual records Saturday night as they set one Delaware and two Lehigh records, and the Lehigh mermen had enough team strength to hand the Blue and Gold its first defeat of the year, 59-25.

Art Mayer swam the individual medley event in 1:42, and the 200-yard backstroke event in 2:24.2 to set one Delaware and two Lehigh marks, while Lorin Krusberg set a Delaware and Lehigh record in winning the 440-yard free style race in 5:09.9.

Charlie Presnell, Delaware diver, was defeated for the first time this season as Hobbs of Lehigh won the event with a score of 89.65.

## Delaware Records Third League Win Over Ursinus, 81-52

Captain Billy Utt Paces Hens To Seventh Win In Ten Starts

The University of Delaware basketball team continued to roll over Middle Atlantic Conference competition Saturday night as the Blue Hens scored their third conference win by walloping Ursinus, 81-52, before close to 2000 persons in Carpenter Field House.

It was the seventh win in ten games played so far this season by the Blue and Gold.

Captain Billy Utt set the scoring pace for the Hens as he tossed in seven field goals and two fouls for a total of 16 points. Vern Lamkin and Ray Crawford followed closely in the runner-up spot with 15 points apiece. Frank White added 13 points to the total on six field goals and one foul.

Swett and Knoll kept the losers in the contest during the first half and turned in creditable performances in defeat scoring 20 and 17 points, respectively.

It was a close contest for the first half with the Hens able to get out in front by only 37 to 25 at the half, but a furious scoring spree during the third period in which they scored 24 points while Ursinus could get only 9, salted away the victory for the locals.

## Yellowjackets Down Conrad For Fourth Win Of Campaign, 69-46

Bunny Blaney And Dave Hurm Set Scoring Pace As Newark Hens Conard First Loss In Game Played Here

Bunny Blaney and Dave Hurm set the scoring pace, with 23 and 14 points respectively, as the Newark High School Yellowjackets won their fourth game of the season by downing Conrad High School 69 to 46 in a game played in the local court, Newark has lost one game, a setback at the hands of Brown Vocational.

Sparked by Blaney, who tossed in 10 field goals and three fouls for the 23-point total, Newark jumped off into a commanding lead during the first half and coasted through the last two periods with Coach Ray Ciesinski substituting freely during the last half. At the end of the first period, the Yellowjackets led 14 to 6 and stretched this to 34-16 at the halfway mark.

Conrad made it a much closer contest during the final two periods, holding the score to a one-point margin in the third stanza and trailing by only four in the final quarters. However, the first half built up by the winners was too much for them to overcome.

Dallas Green, Conrad center, matched Blaney's effort for the evening scoring, dumping in 10 field goals and three fouls for a total of 23 points.

In the junior varsity preliminary contest Conrad was the victor over Newark, 48-29.

## Student of the Week— Joan Van de Kerck

Joan, a very talented young singer and one of the best-dressed sophomores at Newark High School, came from Detroit, Michigan, where she has lived and attended school all of her earlier life. She attended the Dominican High School before entering Newark. Since coming to Newark she has decided to major in commercial course. She finds English her most interesting subject. For sports she enjoys watching baseball; as an extra-curricular activity Joan participates in the Art Club. Her hobby seems to be horseback riding. Her pet peeve is "boys who brag." "Going steady is all right," she says. Joan stands five feet, five and a quarter inches tall, weighs 116 pounds, has light brown hair and hazel eyes. She can be seen with Lynne Webber much of the time about our halls. In the future Joan hopes to study dress designing. We'll be watching for her on the fashion pages of our best magazines in the year to come.

Ethel Hanna.

## Student of the Week— Ronald Neil Kline

Neil, now a senior in our school, was born on December 13, 1934, at Boyertown, Pennsylvania. He takes the general course and says that physics is his favorite subject. After graduation Neil plans to join the Navy. His ambition is to become an admiral some day.

Throughout his high school years his favorite sport has been football. He has played center for the NHS eleven. Neil is also active in H-Y.

He stands five feet, seven inches tall, weighs 155 pounds, has brown hair and brown eyes. His favorite food is french fries. Of all movie actors which he has seen he likes Robert Mitchum best. "Kaiser," as Neil is also known, spends his spare time eating and sleeping. Neil's pet peeve is "Fords." When asked what he thinks about going steady, he answered "Good." Neil's particular pals are Stu Carward, Jerry Leahy, and Bob Clark.

Amy Lovett.

## Students Present Talent Show

A talent show was presented in the school auditorium on Wednesday, January 16, under the direction of Mr. Ernest R. Wilder.

The program opened with Edna Wood's singing two songs, "A Dream is a Wish" and "Too Young." Second on the program were Ernie Lloyd and Vernon Baker who sang two carols and songs. The third contestant was Joan van de Kerck who sang "The Indian Love Call" and "Never."

Then the scene changed from music to acrobatics when Loretta Le Pera performed her stunts. The scene then switched back to music when Jean Porter and Carol Moore, Donna Ewald displayed a few of her acrobatic stunts. The final part was a ballet dance given by Marcia Nizart. Most of the performers have had some training in the field of music.

Jimmy Clancy.

## Student of the Week—Donnie Sharpe

Donnie Sharpe is a popular junior at Newark High. He likes Newark High although he's been here only since the fifth grade. His first five years were spent in the Oak Grove School. Don's favorite sport, and one in which he is very active, is football. 1951 is Donnie's third year of varsity football and his first year to be one of the players on Delaware's second all-state team. "Donnie could play offense," say the coaches, "but he prefers to play defensive guard." He believes that the football coaches should make more money for all their extra effort and time.

In school Donnie is taking the general course and his favorite subject is history.

Outside school Don's hobby is weight-lifting. He has (unknowingly to him) acquired the nickname of "Muscles" from some of his fans. Don has been weight-lifting for 10 or 11 years and at the present time he can press 165 pounds and lift a lot more. Being of medium height (about 5'7") he is one of our most attractive boys. When questioned about his weight he said about 160 but "Little x" could tell by his eyes, which always give him away that he wishes it were a lot more.

Donnie's favorite food is fried chicken, which he admits his mother makes very well. You can tell by looking at him that he must eat a lot of it, too. In the future Don wants to travel if he doesn't go to college and become a gym instructor. If he does travel he'll probably go back to Puerto Rico. I say "go back" because that's where Don was born in San Juan, Puerto Rico, on December 14th, 1934.

Don dislikes to be interviewed and feels the same way about going steady. To Don we say good luck in the future, and let's see you on the first all-state team of 1952.

"Little x"

## Senior Honor Society Members Offer Assistance

Any students in Newark who are under par in their studies now have an excellent opportunity to get some assistance. Members of the Senior Honor Society will aid any student in the high school who asks for help. The tutoring will be done during spare time the students might have during school and after school.

The society has eighteen members this year. Peggy Woerner is the presi-

dent and the secretary-treasurer is Ruth Mary Cooper. Juniors who have been above average in their studies and who show qualities of leadership, honesty, and cooperation are eligible for membership. Another activity of the society is substituting for any member of the faculty who is ill or absent for other reasons. The faculty adviser for the society is Miss Rebecca Kirk.

Peter Mahanna.

## The Midget Press

Recently a copy of the third edition of the "Midget Press" which is mimeographed by Mrs. Hilda Marshall's home room, was received by the Journalism Class.

The third issue consists of Christmas articles written by Rose Ann McMullen and Danny Lanning. In addition, information on the class orchestra is included. These are the names of the students participating in the orchestra: Peter Reinhart, Danny Lanning, Janet Tyler, Barry Norton, Nancy Mullen, Sue Smith, Jim Smith, Tommy Griffith, Robert Rahn, and Bill Colburn.

Another attraction of the paper are the interviews of two students. These students are Susan Smith and Peter Reinhart.

A basketball team coached by Robert McAlpine was recently organized according to the "Midget Press." The starting line up for coming games is as follows: Richey Parker, Danny Lanning, Earl Olson, Joe Hitchens, and Barney Fields.

The Journalism Class offers congratulations to the "Midget Press" for the fine work the staff is doing and warns the "Buzz" to look out for this up and coming competitor.

Robert Morris and Norris Smith.

## Grade 2 Students To Present Program

Will Dramatize "Story of Red Leaves"

Second grade room 106 will present the Newark elementary school assembly program on Wednesday, January 16, to which all interested persons are cordially invited.

## BINGO PARTY

On Friday evening, January 18, at 8 p.m., the J. Allison O'Daniel Post No. 10, American Legion will hold a bingo party in the Legion Home on Delaware Circle. A fine list of and other prizes will be given. All interested persons are cordially invited to attend.

## READ THE CLASSIFIED ADS

There are many advantages which come with living in an older home. The extra space provided appeals to many persons over the utilitarian, "let's not waste an inch" modern design. Perhaps your preference is for roominess rather than cramped quarters. If so, you should inspect these:

Center hall home; double living room; dining room, combination kitchen-laundry; front and back porches; oil fired hot air heat; 4 bedrooms and bath; full attic; 2 car garage with hobby space overhead; lot 60 x 325 - plenty of garden space available.

Living room, den, dining room, kitchen; side porch; attached 1 car garage; 4 bedrooms and bath; oil fired hot air heat; lot 75 x 200 "irregular"; shade trees and fish pool features of yard.

### Fifth Grade

Mrs. Della Cashell's class made an excursion to the Newark Post on January 9.

They saw the letters being stamped and sorted. The class watched the men bag the mail which was being sent to different states and cities. Each member of the class wrote a letter to his mother and mailed it while at the Post Office. A letter of thanks was sent to Mr. Francis Cooch, the Postmaster when the students returned to school.

### Fourth Grade

Miss Hazel Johnson's class has greatly enjoyed sharing with others. At Christmas they collected twenty-six cans of food for needy families.
