

Expanded Program Outlined For Halloween Mardi Gras, Oct. '30

Town Is Preparing To Look Its Silliest In Parade Of Masqueraders; Free Movies And Dancing Will Follow March

Masqueraders were advised this week to start stockpiling burnt cork, old wigs and false faces in preparation for looking their silliest on Mischief Night, Oct. 30.

The date for the annual Halloween Mardi Gras, plans for which were announced yesterday by Fred Sposato, recreation director. The event is sponsored this year by the Newark Recreation Association.

The program will be bigger and zanier than ever this year, Sposato says. In addition to the usual mammoth parade of masqueraders in which young-uns from one to eighty will turn hobgoblins for a night, the program will include free movies and dances for all.

The latter will follow the parade. Cash prizes will be offered in a contest of dances. Details on the dances, as well as the route and time of the parade will be announced later.

A window painting contest, which was first held here last year proved successful in dampening the activities of Halloween window soapers, will be again this year. School students will be assigned to paint autumn scenes on the windows of cooperating stores. The winning artist will receive a cash prize.

Plans for the Mardi Gras were drawn up at a meeting of the Newark Recreation Association, held under Mr. Sposato's leadership in the high school. Those attending were: William A. Gibbs, Gloria Howard, New London Avenue PTA; Mary West, Newark PTA; Hugh C. Schaeffer, Newark PTA; and Holger Schaeffer, Newark PTA.

Other participants include: William E. Beswick, American Legion; L. Getz, Jr., Victor H. Macy, Samuel L. Diehl, Town Council; Morris Morrison, VFW; William A. Aetna Fire Company; and Baeche, Student Council.

PTA To Hear Facts On Plan To Revamp School Districts

Panel Talks To Feature October Meeting Thursday At High School

Details on the state-wide plan for school system reorganization will be outlined in a panel talk highlighting the October meeting of the Newark Parent Teachers Association.

The session, scheduled for Thursday, Oct. 19 at 8 p.m., in the high school auditorium will be a follow-up on the September meeting at which Dean William Penrose, of the University of Delaware, advised the PTA to begin a systematic study of current educational needs.

Selection of the speakers' list for the round-table discussion has not yet been completed. However, two members of the group will be Superintendent Wilmer E. Shue and Mrs. T. D. Mylrea.

Mr. Shue is serving as chairman of the legislation committee of the Delaware State Educational Association and is also a member of the United School Legislation Committee of the state.

Mrs. Mylrea was appointed to the Delaware School Survey Commission in 1947 and is still actively working on its problems.

Thursday's meeting should prove of vital interest to every community-minded individual, since the school reorganization plan, if carried through, will affect every child, parent, and community in such matters as taxes, bonded indebtedness, school curriculum, kindergarten programs, transportation and many other aspects of the educational system.

Mrs. H. H. Goddin, chairman of the PTA hospitality committee, announces that a group of homeroom mothers will serve refreshments at the conclusion of the business portion of the meeting.

The refreshment committee this month is under the chairmanship of Mrs. D. D. Lanning and Mrs. E. A. Hein. A new plan for serving refreshments, aimed at speeding up the operation and providing more space for visitation, is under consideration.

Colonial Daughters Favor Proposal For Academy Renovation

Commend Mayor On Plan For Setting Up Town Hall In Historic School

At least one state organization has gone on record already as favoring the plan for partial restoration of the old Academy building here as a headquarters for the Town Council.

The Delaware Society, Daughters of American Colonists, has sent a letter endorsing the project to Mayor William M. Johnson, who proposed the plan at the September Council meeting last week. The letter also approved the long-range proposal for complete renovation of the Academy, a pre-Revolutionary center of learning.

The Society voted to send the letter at a meeting here Saturday in the home of Mrs. Milton Lowbar Draper, 301 Nottingham Road.

Miss Mary Elizabeth Webber, regent, presided and reported on the activities of the National Society. She announced the appointment of Mrs. Clarence Wilson Taylor, of Wilmington, as organizing president of the Children of American Colonists for Delaware. Mrs. Taylor was appointed to the post some time ago by Mrs. Herbert V. Gordon, former national president general. Organization date and officers appointed by Mrs. Taylor will be announced later along with her advisory board.

The society voted approval and contributions to several national projects and to the current United Fund campaign.

Gov. Elbert N. Carvel has invited the following society members to serve on his United Nations Day committee: Mrs. Webber, regent, Miss Alice Conner, Miss Mary Richards Lockerman and Miss A. Katharine Richards of Sussex County.

The society was addressed by Dr. John A. Munroe, professor of history, University of Delaware, whose topic was Life in the Colonies under English Rule Prior to the Revolutionary War.

U. S. Diplomat Will Speak Here Oct. 20 In UN Week Observance

Dr. Francis P. Corrigan, UN Political Advisor, To Speak At Community Meeting In High School Auditorium At 8 P.M.

A prominent United States diplomat, now advisor to the United Nations, will address a public meeting here Oct. 20 as the climax to this community's observance of United Nations Week.

The noted visitor will be His Excellency Dr. Francis Patrick Corrigan, political advisor to the U. S. Mission to the UN. The meeting will be held in the Newark High School Auditorium at 8 p.m.

The announcement was made by Dr. Herbert Dorn, chairman of a committee making arrangements for the observance for all Newark civic, service and patriotic organizations. Dr. Dorn is chairman of the institute of international economics and research and professor of economics at the University of Delaware.

Dr. Corrigan, a native of Cleveland, Ohio, started his diplomatic career as Envoy Extraordinary and Minister Plenipotentiary to El Salvador in 1934. Since then, he has represented the United States in several South American countries, served on many special missions, and was U. S. signer of several trade agreements. He has served as special representative of the President of the United States with rank of Ambassador on various occasions.

Dr. Corrigan has been a U. S. delegate to the second, third and fourth U. N. General Assemblies. He was advisor to the United States delegation to the first assembly of the World Health Organization in Geneva in 1948.

Dr. Corrigan was vice president of the Pan American Congress on History and Geography in Caracas in 1942. In addition to his medical degree, he received the honorary degree of Doctor of Law from Western Reserve University.

6 Adult Night Classes May Be Offered At Newark High

If enough students enroll, the four adult night classes given last year at the Newark High School will be offered again this fall, plus two new courses, Supt. Wilmer E. Shue said this week.

At least fifteen students will be required to form a class, with registration scheduled for mid-November. Persons interested are urged to fill out the coupon below.

The two new courses, which will be offered only if at least 15 students enroll, cover the fields of home management and personal finances. The first will include facts on nutrition, consumer education and child care. The second will provide pertinent information on investments, mortgages, wills, taxes, etc.

The four courses carried over from last year will be arts and crafts, typing, sewing, and driver training.

The school is open to suggestions on other courses. Persons interested in a field not listed above are urged to state their preference in the coupon below. If fifteen students are registered, the course will be organized.

School officials urge prospective students to use the coupon rather than phone the school in order to avoid overtaxing the school's already heavily burdened staff.

Journalism Class Visits the Newark Post

Members of the Journalism class visited the Newark Post on Monday, October 2.

Miss Thoroughgood, the instructor, and Mr. Clyde P. Greer, practice teacher, accompanied the group to the Newark Post.

The linotype operator made and gave each student a slug with his name on it. This linotype machine has a keyboard. When the operator presses the "G key," the "G" character, in the form of a little brass mold, falls down from its place in the magazine at the top of the machine. The molds press into a bar of hot soft metal to form a line of print.

Students who took part were: Faye M. Meredith, James Seydell, Clyde P. Greer, Thomas E. Burke, Nick Vlasveld, Bill Hawthorne, Vernon Baker, Mary Louise Greenplate, Howard Keeley, Howard Long, Joe Gregg, Teresa Laskowski.

The arrangements were made by Teresa Laskowski, the student in charge of contacts and visits.

Good Posture In Classes Is Stressed

Last week 7-2 and 7-4 had a shadow posture class. In the class they had some people at a table making comments about their posture. After that

Mr. Ciesinski showed them how to do the Randolph shuffle. The Randolph shuffle is supposed to accent good posture.

Mr. Ciesinski is going to give the group a test next week on ten rules about good posture. They are also supposed to bring in good posture pictures.

8-3 Mathematics Class Conducts Debate On Measurement

In the 8-3 mathematics class, a debate was recently held. Advocates of the ancient method of measurement, who prefer using 1/16, 1/32, and 1/64 of an inch, challenged the modern thinkers who used the micrometer and 1/100, 1/1000, and 1/10 of an inch. Grace Miller was chairman of the modern group. Her group put on a skit to show advantages of modern methods of measurement. The ancient group's chairmen were Donald David and Jack Hildreth. Each person in that group talked for two minutes on the merits of his system. At the end, each group had a minute's summary, while the six judges decided upon the answer. The conclusion was that the ancient method was more practical.

12-A Homeroom Presents Assembly On "Activities"

Eleven seniors from 12-A homeroom spoke before the assembly on October 4, giving details of activities represented in their homeroom. The activities mentioned were Student Council, Buzz, Drizers' Course, Dramatics, Band, Hunting and Fishing Club, Gym Club, Clerical Assistance, F.F.A., Krawen, and Leaders' Club.

The talks were contributed by Yvonne Eveland, Judy Colburn, Joan Barczewski, Donald Biederman, James Frazee, Lawrence Abrams, Marjorie Brown, Kathy Brown, and Adrian Flora. James Bueche acted as moderator for the program.

School Improvements Evident

Upon our return to school this year, changes and additions of interest were noticeable. Among the improvements are: a new walk-in icebox in the cafeteria, newly-furnished home economics dining and living room, construction of a new roof at the south end of the high school building, the set-up of a music room, and a system for transmitting music to all rooms for grades one to six.

Mr. and Mrs. Amos Cattell, Polly Drummond Hill, entertained at a dinner party, last Saturday, at the Colonial Inn, Newark, in honor of their wedding anniversary. The following guests were present: Rev. and Mrs. James H. Bishop, Capitol Trail; Mrs. Morris, Pilman, N.J.; Mr. and Mrs. H. Bickler, Collingswood; Mr. and Mrs. J. D. Leonard and Patricia Ann and Michael Metuchen, N.J.; Mr. and Mrs. E. Maxwell, Sr., Polly Drummond Road; Mr. and Mrs. Harry E. Maxwell, Jr., Polly Drummond Road. During the dinner, the group spent a very enjoyable social time at the home of Mr. and Mrs. Cattell's grandson, Harry E. Maxwell, Jr.

Mrs. Mayme Clarke, Capitol Trail, has been confined to her home with a cold. Mr. and Mrs. James Q. Townley, Westville Park, are being congratulated on the arrival of twins, Philip and Phyllis Ann, who returned from the hospital last Saturday. The Ford car owned by Rev. James Bishop, Capitol Trail, has had to be in the shop for repairs. Mrs. Bishop's mother happened to be sitting in the car when the damage was incurred, and she fortunately noted the number of the hit-and-run driver, who was later apprehended by police.

The odor of smoke is in the air. A glorious sight it is to drive on Capitol Trail and note the brilliant red of dogwood trees, the deeper red of sumac, the yellow of maple and mingled with the gay touches of white sage and late dahlias, each telling us that autumn surely must be here.

Clay Creek Presbyterian Church held a business meeting of the Westchester Fellowship, held last Sunday. James H. Bishop agreed to serve as temporary advisor of the group. Members of the Fellowship have prepared a beautiful assortment of Hallowe'en ties which they are offering for sale. If you have not made your selection drop in at the manse where they are on display. This opportunity to shop early for Christmas will be available only during the month of October.

Clay Church was represented by Mrs. Paul Peach, Mrs. James H. Bishop, and Mrs. Jane Mason, at the Presbyterian meeting held in Salisbury, Md., last Tuesday.

Herbert Brown, president of the Adult Fellowship, announces a committee, with Ralph Larson,

as chairman, has been appointed to investigate the possibility of re-upholstering the pulpit chairs. on the campus who has shown decided interest at the manse last Wednesday. Rev. Bishop announces that the importance of securing more subscriptions to the "Presbyterian Life" magazine was considered. Also discussed was the value of uniform financial reporting by all church organizations, a benevolent budget, and plans for a cooperative meeting with the board of trustees to be held in November, at which time the general expense budget will be drawn up.

Ralph Lindell, chairman of ushers, announces the following assignments for the remainder of October: October 15, Norris Brown, John Murray; Oct. 22, Edward Maxwell, Jr., Raymond Lindell; Oct. 29, Robert Gallaher, Ralph Murray.

Miss Hazel Johnston's Sunday School Class is sending in another order for Christmas cards on Wednesday, Oct. 18. Those desiring to see samples may contact any member of the class.

Next Sunday, at the regular 11 a.m. service, the pastor will bring a message on "God's Home Coming," in honor of Christian Home Sunday.

At 7:30 p.m. a community service will be held at the church, sponsored by the Women's Missionary Society. A challenging and interesting program is being prepared. The public is cordially invited.

Senior choir rehearsal will be held on Monday at 7:30 p.m.

People soon learn
where there's
extra dollars' worth

You don't have to be an engineer to understand what good engineering does for you.

We aim to exceed industry standards wherever we can here at Chrysler Corporation—for we know that on the road the driver can tell the difference and the difference is mighty important.

An extra strength of steel—a lifetime bearing—a chemically treated cylinder wall—extra quality in the hidden part—are things you'll probably never talk about. But they add up to a car that stays together, that's sound and good all the way through. And you're proud to talk about that kind of car.

This year when the new Plymouths, Dodges, De Sotos and Chryslers took to the road, people soon learned that our engineering differences made real differences in the satisfaction of owning a car.

News like this travels fast... because when you've made a good buy, it's only natural to talk about it.

Actually there are six basic reasons behind the greatest owner satisfaction our cars have ever created.

Fine engineering that means extra satisfaction in the way your car runs, handles and stands up.

Design for people that gives you extra room for your head, shoulders and legs—full vision all around—a more comfortable and more convenient and safer car. Fine materials that mean longer life in working parts and greater pride in the trim, appointments and fabrics in your car.

Careful workmanship that means tighter fit of parts, nothing left loose to rattle or fall apart, thorough checking so that every last detail will be right.

Beauty of appearance that is smart, modern and enduring. Functional beauty that goes with the car's wonderful performance and outstanding inner values.

Dependable service that increases the life of your car and your pleasure in driving it. Our dealers are men of character and ability—carefully selected for their integrity—you can count on courteous attention, and honest value in car care, trade-ins and new car purchases when you deal with them.

We cordially invite you to visit your nearby dealer because we sincerely believe that you, too, will want the extra values that account for the greatest owner satisfaction Chrysler-built cars have ever created.

The annual meeting gives the women information on developments in trends in the home economics field. This year's program will emphasize the family as a working group rather than the woman. Talks and discussions will revolve around family responsibility in world peace, in education, citizenship, and sociology.

Patent Is Granted To Newark Resident

On October 3, 1950, the United States Patent Office granted patent number 2,448,616 on the "Manufacture of Tablet Jelly" to George L. Baker, Newark, Delaware, and Mamie Oliver, Histon, England.

This invention pertains to an improved process for the manufacture of jelly in concentrated tablet form which can readily be changed by the user into attractive table jellies. Generally speaking, such tablets have been made from gelatin, agar, alginates and the like.

However, according to Mr. Baker, his co-inventor, these prior tablets have not been entirely satisfactory. For example, those of the gelatin type have the disadvantage of being slow setting, while those derived from agar and alginates—materials obtained from certain sea weeds—often lack clarity. In addition, the storage of these jellies often presents a problem because of gelling strength and consequent increase in the time required for setting.

To overcome these disadvantages, the use of pectin (a jelly-forming ingredient naturally present in many fruits) has been proposed, and has resulted in the production of powdered or crystalline concentrates that show marked improvement with respect to the aforementioned properties. However, the use of powders requires more care in the making up of the jelly; and the incorporation of liquid fruit juices into such powders is difficult.

Obviously, the next logical step would be to produce pectin jellies in tablet form, and it is the object of the invention of Mr. Baker and his co-inventor to provide a means to such an end. Although the details of their process are understandable by those skilled in the science of food technology, basically, it may be said that, under proper conditions, they partially dissolve a so-called "low methyl" pectin in a water solution of sugar, an edible acid such as citric, and calcium chloride. The mixture and syrups may be added to the mixture which finally is poured into molds of any desired shape.

It is claimed that the resulting tablets are clear, firm and without stickiness. Moreover, by simply boiling them in water and allowing the solution to set, they may be converted into attractive and palatable table jellies.

The patent has been assigned to George L. Baker, Limited, Histon, Cambridgeshire, England.

AN ORDINANCE REGULATING THE BUSINESS OF PEDDLING WITHIN THE TOWN OF NEWARK.

BE IT ENACTED BY THE COUNCIL OF THE TOWN OF NEWARK:

Section 1. Any person who shall carry a package, basket or other receptacle, or use any sort of vehicle from which personal property shall be sold or offered for sale, or who shall in any way carry upon or with him personal property for sale within the limits of the Town of Newark, or shall solicit for the sale of tangible personal property not carried by him shall be a peddler.

Section 2. Any person desiring to engage in the business of a peddler as defined in Section 1 hereof, within the limits of the Town of Newark, shall apply to the Chief of Police for a permit authorizing him to engage in said business. All licenses to peddle shall be issued by the Chief of Police or a member of the Newark Police force selected by said Chief of Police. Said licenses shall be for a period of one day. All licenses issued under this ordinance shall be subject to inspection by any police officer and any authorized employee of the Council of Newark and shall be exhibited to any police officer or authorized employee of the Council of Newark.

Section 3. The provisions of this ordinance shall not apply to any person selling grains, fruits, garden vegetables or country produce, in general, grown or raised upon the land of the person offering the same for sale, or to any person selling or peddling milk or cream, or to any person making deliveries from grocery stores or bakery shops within the Town of Newark, or to any person engaged in the peddling of fuels or petroleum products.

Section 4. Local Police Make 45 Arrests During Thirty Day Period

Speeding And Disorderly Conduct Head List of Sept. Violations

The Newark police force made 45 arrests in September, considerably under the previous month's 69, according to Chief William Cunningham's report. Nineteen speeding and 12 disorderly conduct charges made up the bulk of the offenses. The breakdown for the remainder follows: drunk, 2; passing "stop" sign, 1; reckless driving, 1; no operator's license, 2; assault and battery, 1; passing on right, 1; breaking and entering, 2; selling alcoholic beverages without license, 1; knowingly permitting, 1.

Sixteen investigations were also carried out, including three cases of larceny, one cleared; two reports of breaking and entering, one cleared; one report of runaway boys, who were apprehended and returned to their home; one accidental death, which was cleared; one missing person, who was found; one report of a stolen car, found and returned; one report of a prowler and six accidents.

Two persons were held for the Court of General Sessions, one for the Family Court, one for the Court of Common Pleas. Another case was dismissed and one culprit was sent to the workhouse.

Thirty-two street lights were reported out by the members of the force during the month. Overnight lodging was provided for nine persons. A total of 262 telephone calls were handled. The police car travelled 3267 miles and the motorcycle 337 miles.

City Symphonette To Play Here Thursday

Concert By Wilmington Group In Mitchell Hall

A concert of chamber-orchestra music will be played by the Wilmington Symphonette Orchestra at Mitchell Hall, University of Delaware, at 8:30 p.m., Thursday, Oct. 26.

J. Robert King, who will conduct, announced a program of four works, including a concerto grosso by Sammartini, a concerto grosso by Handel, serenade for strings by Dvorak, and music for strings by Quincy Porter.

The concert, under the sponsorship of the University's Department of Music and Local 311, American Federation of Musicians, will be open to the public without charge. The Symphonette includes about 30 professional musicians. The conductor, Mr. King, is assistant professor of music and acting chairman of the department at the University of Delaware.

Among the audience will be members of the Delaware Music Educators Association, who will attend the concert after a meeting to be held at Kent Hall by the music teachers' chorus with Dr. Harry R. Wilson of Teachers College, Columbia University. The chorus will rehearse there for a performance which it will give the next day at the Delaware State Education Association conference in Wilmington.

3 Named To Music Faculty At U. of D.

Three appointments in the University of Delaware's Music Department were announced recently. In addition J. Robert King, an assistant professor who has been on the University of Delaware faculty for the past four years, has been named as acting department chairman for the year in place of Anthony J. Loudis, who is on leave to do advanced work in music in New York City.

Mr. King said that two of the three appointments represent replacements for staff members who have resigned, and the third is an enlargement of the music faculty. The replacements are Henry N. Lee as instructor in organ and piano, replacing Mrs. Grace Berry Davis, and Miss Elizabeth F. Crook, instructor in music education methods, replacing Mrs. Bernita Short Gerster. Appointed as instructor in voice and choir directing is Marvin R. Fennema, who for the past year has been minister of music at Second Baptist Church, Wilmington.

Michigan U. Educator Is Elected U. of D. President; Colburn Named Provost

Dr. John A. Perkins

The establishment of a new administrative post at the University of Delaware—that of provost—and the appointment to it of Dr. Allan P. Colburn was announced Tuesday by former Judge Hugh M. Morris, president of the university's trustees.

Since April 1, Dr. Colburn has been the university's acting president, and he will continue in that position until the newly-elected president, Dr. John A. Perkins, arrives about Nov. 1, Judge Morris said.

When Dr. Perkins was elected by the trustees on Saturday, the board voted to create the office of provost and selected Dr. Colburn for it. Judge Morris said that he has now received Dr. Colburn's acceptance of the post. The new provost will take office upon Dr. Perkins' arrival, but because his position is a new one at the University of Delaware, his exact duties will be defined later by the trustees.

Regarding the election of Dr. Perkins as the 21st president of the university, Judge Morris said: "Our choice was made following a plan which enabled all who actively work with the president to participate in the selection. After careful inquiry was made, by a committee representing faculty and trustees, into the qualifications of the many candidates, Dr. Perkins was one of three seriously considered for the position. Before his election, all full-time members of the faculty and the presidents and councils of the alumni and alumnae associations were included by the trustees among those whose opinions were sought. A democratic plan for selection such as this is unusual among colleges."

Dr. Perkins has been assistant provost at the University of Michigan, his alma mater, for the past two years. His previous positions include those of budget director of the state of Michigan and the state controller, heading Michigan's Department of Administration.

A graduate of Michigan, Dr. Perkins also received a Master of Arts degree and a Doctor of Philosophy degree from that institution. From 1939 to 1943 he was a member of the faculty of political science at the University of Michigan.

Mrs. Perkins, the former Miss Margaret Hiseock, holds the degrees of Bachelor of Arts and Master of Arts from the University of Michigan, where she was named to Phi Beta Kappa. The Perkinses have a son, John James, 8, and a daughter, Margaret Carey, 2.

State's Psychologists Will Meet At U. of D.

The annual conference of the Delaware Psychological Association will be held at the University of Delaware on Saturday. Meeting facilities have been arranged through the joint sponsorship of the Department of Psychology and the Psychological Services Center.

The evening program is scheduled to members only will open the conference at 1 p.m. At 3:30 a panel on "Psychological Counseling" will begin in Old College Lounge with Dr. G. Gorham Lane, associate professor of psychology at the university, as moderator.

The evening programs scheduled to begin at 6:30 with dinner meeting in Kent Hall. Dr. Harry V. McNeill, regional consultant in clinical psychology with the Public Health Service, Federal Security Agency, will speak on "The Preventive Approach to Mental Illness."

AAUW Study Groups Are Being Organized

All Interested Women Are Invited To Join

Several AAUW study groups are now being formed. The first of these, the International Relations Group, will meet Wednesday, Oct. 18 at 8 p.m. at the home of Mrs. J. R. Perkins, Oglethorpe Road. This year they will be studying the agencies of the United Nations. After a short organization meeting, reports on both the United Nations and Korea will be given by Mrs. L. A. Grettum and Mrs. C. M. Olson.

"Evenings with Music" is the theme of the music group to be led by Mrs. Bernita Short Gerster. They will meet Thursday, Oct. 19 at the home of Miss Lorna Wells, 334 East Main Street, at 8 p.m. They are planning to include choral singing in their program this year.

"Newark Today and Tomorrow" will be discussed by the Social Studies Group holding their first meeting Oct. 26 at the home of Mrs. John Munroe, 186 Elkton Road. The specific topic to be studied will be determined by the majority interest at that meeting.

A book group will hold its first meeting with Miss A. Jeanette Thorpe, leader, at her home, 38 West Delaware Avenue, on Wednesday, Nov. 1.

Although these study groups are led by AAUW members, they welcome any other woman who may not be able to join AAUW but who is interested in the work the groups are doing.

The regular monthly meeting of AAUW will be held on Monday, Oct. 23, in Warner Hall at 8 p.m. Dr. Gerald Gordon, psychiatrist with the DuPont Company, will speak on "What Price Mental Health?"

McMULLEN HONORED ON GOLDEN ANNIVERSARY

Mr. and Mrs. Clement McMullen, of Kembleville, Pennsylvania, observed their fiftieth anniversary on Tuesday, Oct. 10, and were honored on that evening with a party given by their children in the hall at Kembleville.

The McMullens were married on October 10, 1900 at the home of the bride's parents, the late Mr. and Mrs. Daniel Davis, of Harmony, Delaware, and one attendant, Mr. Lee Richards, of Bear, Delaware, brother-in-law of the bride, is still living. The one other attendant was the sister of the bride, the late Mrs. Mary Davis Richards.

There are three children in the McMullen family: Mr. Manlove D. McMullen of Capitol Trail, Mrs. Ralph Hill of Kembleville, and Mrs. Raymond Crossan of Landenberg. There are seven grandchildren and one great-grandchild.

A special program of music and readings was given during the evening. Rev. Meyers, former pastor of Flint Hill Methodist Church, also was present and took part in the program.

Mr. and Mrs. McMullen have lived the greater part of their married life near Kembleville where they owned and operated a farm which within recent years they have sold and now reside in Kembleville. They are members of the Flint Hill Methodist Church.

Mr. and Mrs. McMullen have always been very active in the interests and welfare of their community to which they have contributed much. Mrs. McMullen is also well known to the many friends and patrons of the meat market of her son in Newark.

News of London-Britain Vicinity

Marthalee Ness, Correspondent
Phone Kemblesville 2171

A 75 percent reduction of casualties is a rather big goal. But that is what the Red Cross figures can definitely be accomplished should atomic warfare strike us, provided there are sufficiently trained people, and enough of them, in every community, to render all-important first aid. For this reason the Baltimore area of the Red Cross aims to train 200,000 people in the immediate future. This is all part of the defense plan. Everyone over sixteen is urged to consider a first aid course to be given at the West Grove Community Hall every Wednesday night for six weeks, Oct. 25 to Nov. 29, inclusive. The hours are seven to ten o'clock. Call Mrs. John Alcock, Landenberg 2223, to enroll in this public-service course. Mr. John Macadam of Wilmington is to be the instructor. See you there October 25!

The London-Britain Home and School League meeting for October was held at Southbank at 8 p.m. Tuesday. The program consisted of two moving pictures: "Stuff for Stuff," dealing with world trade, and "One World or None" which concerned the effect of atomic energy on our civilization.

The Home and School League will hold a bake sale in front of Pyle's Store in West Grove on October 21.

A bake sale will be held at the local Poll on election day.

Mr. and Mrs. Drobeck, long-time residents of this community, where Mr. Drobeck managed the Chambers Rock Farms, moved Sept. 28 to the Woodstock Farms, Chesapeake City, where Mr. Drobeck will be employed. The very best wishes of their many old friends and acquaintances go with the Drobecks to their new home.

Fifty years ago today, Mr. and Mrs. Clement McMullen were married at the home of Mrs. McMullen's parents, Harmony, Delaware. They farmed for sev-

eral years in Delaware before coming to a farm near Kemblesville, where they lived for thirty years, and raised a family of three children, Manlove, Ruth (Mrs. Ralph Hill), and Grace (Mrs. Raymond Crossan). Now the McMullens have seven grandchildren and one great-grandchild. Five years ago the home farm was sold, and the senior McMullens made their home in Kemblesville proper. That takes us up to Tuesday night, when Kemblesville Hall will ring with around 150 voices, all congratulating the McMullens, and wishing them many more happy years together. A fine program and delicious refreshments are planned, and we're sure everyone in the community agrees that big festivities suit a fiftieth wedding anniversary!

Mrs. Sam Pierson, Strickersville, has been ill for some weeks following surgery at the Delaware Hospital in Wilmington. Jean Hayden has been caring for her 11 to 7. Our sympathy and best wishes for a quick recovery.

Anne and Bill Folwell have joined the New London Grange Bowling League.

Cynthia Lee Ness made a weekend trip to Chicago, Illinois, with Dr. and Mrs. D. G. Durham of Wilmington, and returned by herself on the train.

The George Kalbs and the Bill Nichols drove to Baltimore Saturday for the Northwestern-Navy game, and report that the occasion was one of those exceptional times when everything, even the weather, turns out to be perfect.

Mrs. George Jones accompanied Mrs. Niva Cook to Brockport, New York, recently for the dedication of chimes for the Brockport Methodist Church organ. The chimes were given by Mrs. Cook and her mother-in-law in memory of Mr. Dwight Cook and his father.

The Kemblesville W.S.C.S. is sponsoring a service for the week of prayer and self-denial. The service will take place Oct. 24 at 8 p.m. The speaker will be Reverend Montgomery from West Grove.

Details Outlined On Foreign Study Plan

Opportunities for graduate research or study abroad during the 1951-52 academic year under the terms of the Fulbright Act, as announced by the Department of State, are pointed up in a statement by Herbert H. Finch, the Fulbright Program adviser at the University of Delaware.

Mr. Finch said that the awards will enable more than 600 American students in all fields of graduate work and those with specialized research projects to study in foreign institutions and universities under renowned professors and specialists. Grants also are available to students with records of accomplishment in such fields as music, art, architecture, and drama. A few opportunities in workers' education and social work are provided

in the United Kingdom. The Fulbright Act authorizes the Department of State to use certain foreign currencies and credits acquired through the sale of surplus property abroad for programs of educational exchange with other nations. Grants normally are made for one academic year and generally include round-trip transportation, tuition or a stipend, a living allowance and a small amount for necessary books and equipment.

Countries in which study grants are available are Australia, Austria, Belgium, Burma, Egypt, France, Greece, India, Iran, Italy, the Netherlands, New Zealand, Norway, the Philippines, Thailand, and the United Kingdom.

Interested students now enrolled in the University of Delaware should request application forms at once from Mr. Finch, Room 308, University Hall. The closing date for receipt of applications by him is October 31.

Persons not enrolled in a college in the fall of 1950 should direct inquiries and requests for applications to the Institute of International Education, U. S. Student Program, 2 West Forty-fifth Street, New York City. The last date on which applications will be issued by the institute is October 15.

Who Runs America?

the Congress?

the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of
Women's Clubs
American Farm Bureau
Federation
National Grange
Veterans of Foreign Wars
National Conference of
Catholic Charities
American Protestant
Hospital Association

American Legion
National Association of
Small Business Men
United States Chamber of
Commerce
National Association of
Retail Grocers
National Retail Dry Goods
Association
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and shed with sincerity—that right will guarantee forever that

Newark High School's Hockey Teams Win Wm. Penn Games

Both the varsity and junior varsity hockey teams of Newark High triumphed over the visiting William Penn teams on October 5, in Newark. The varsity game came out 2 to 1, while the score of the junior varsity was 3 to 0.

During the first half of the varsity game, Joan Worrall of William Penn made a goal; but the score was immediately tied by Newark's right inner, Emma Lou Gray. Then, to give her team a one point lead, Kay Knighton, Newark's left wing, drove the ball from the edge of the striking circle and made the goal. In the second half Newark held William Penn to the one point lead and won the game with the score unchanged from the end of the first half.

The junior varsity started its game off with a bang and two goals had been made at the end of the first half by Newark's center forward, Eleanor Davis. In the second half Mary J. Chalmer substituted for Eleanor Davis; she in turn, with the backing of her team, made the third point, which made the score 3 to 0 in favor of the junior lady Yellow Jackets.

Newark's starting varsity lineup: center forward, June Moore; right inner, Emma Lou Gray; left inner, A. Tierney; right wing, A. Warrington; left wing, K. Knighton; right half, Sylvia Field; left half, Nancy Penneck; center half, Erma Foster; right fullback, P. Harrison; left fullback, J. Barczewski; goalkeeper, B. Haman.

Wyatt Named Temporary Sgt. At Valley Forge

Roger T. Wyatt, of 719 Wollaston Avenue, has been named Temporary Sergeant in his company at Valley Forge Military Academy, Wayne, Pa. It was announced recently by the superintendent, Maj. Gen. Milton G. Baker.

This honor was conferred on young Wyatt as at least a second-year man on the campus who has shown decided ability for leadership and responsibility.

Cadet Wyatt is in his third year at Valley Forge.

Local Dairyman Buy Registered Ayrshires

Three local dairymen have recently made initial purchases of registered Ayrshires according to the Ayrshire Breeders' Association Executive Secretary, C. T. Conklin of Brandon, Vt. They are Theodore J. Laus, R.D. 1, Newark; C. H. Gilbert, R.D. 2, and Charles Walther, R.D. 1. Mr. Laus and Mr. Gilbert bought one Ayrshire each, and Mr. Walther bought four.

The transactions were recorded in the national office of the Ayrshire Association in Brandon where complete records on all registered Ayrshires in the United States have been maintained since 1875.

Because of their ability to produce at a low cost an abundance of milk with an average butterfat test of 4%, the Ayrshire breed of dairy cattle has become increasingly popular with dairymen throughout the country.

Polio Group's Work Is Told To Rotary

Samuel Handloff, a member of the Rotary Club of Newark, addressed the organization at its weekly meeting on Monday evening. The speaker, a member of the Executive Committee of the New Castle County Chapter of the National Foundation for Infantile Paralysis, discussed the operation of the New Castle County Chapter and the procedure by which it assists polio victims. "The primary function of the chapter," he said, "is to provide financial assistance to polio victims."

Mr. Handloff stressed that the foundation does not administer treatment, which is left to the patient's own family physician. The chapter does ascertain financial needs. It supplements, but does not replace what the family can do. "It is our policy," he said, "to enable every polio victim to secure the best treatment that is available regardless of his own financial limitations. No family is required to impoverish itself, mortgage its home or exhaust its savings to qualify for all or part of its bills to be paid by the chapter. Our funds which are raised from all segments of the community by dimes and dollars are, however, trust funds and it is our duty to administer them wisely."

The speaker pointed out that as a matter of policy it does not pay general medical fees but may pay the fees for a consultant if such is deemed necessary by the Medical Advisory Committee, made up of three physicians, an orthopedic surgeon, a pediatrician and a general practitioner. All of these, as well as the officers and members of the Executive Committee, donate their services without any compensation. The Medical Advisory Committee has recommended this decision not to pay doctor bills, but all other expenses including hospital bills, physiotherapy treatments, braces, supplies and equipment qualify for assistance by the New Castle County Chapter.

Said Mr. Handloff, "Because the chapter does not itemize for public distribution the amounts paid for various polio victims, most people are not aware of the part the chapter plays in meeting the personal crisis that polio may bring into a family. One case contracted in 1948 in the Newark area has resulted in the expenditure of \$1,491.06 for the patient. Other cases in the Newark district in the same year have cost the New Castle County \$140.00; \$573.10; \$251.64, and \$572.40 respectively. These are only cases selected at random and by no means represent the entire cost to the chapter of the cases in Newark. A recent case in Newark resulted in the expenditure of \$121.00."

It was noted that half the funds raised in the various communities were sent to the National Foundation for research and other efforts to solve the cause and treatment of infantile paralysis. The remainder is kept locally to meet the expenses of various polio victims in the area.

President Joseph A. Shields welcomed E. Newman Rose of the DuPont Company and William Hellman of Sweden as guests.

Indian Chief Talks At School Assembly

A Seneca Indian chief talked about his own people and presented their plight at a Newark school assembly on Tuesday morning.

A Seneca Indian chief will talk. He is Dr. Charles W. Wolf, known at home as Chief Sunny Skies, and he gave the students a far different picture of the American Indian than they usually get from western stories and movies.

Dr. Wolf, who holds degrees in medicine and law and has studied both in this country and abroad, discussed the life and customs of the American Indians as well as their present status. He spoke in the interests of the American League for the Preservation of the American Indian.

WHEREAS:

The United Nations needs all the spiritual, moral, confidential and active support of every Freedom Loving Person, NOW THEREFORE, I, Wallace M. Johnson, Mayor of Newark, Delaware, in conjunction with state and national executives, do hereby declare and proclaim the week of October 16 to be United Nations Week, and call upon all citizens of our town and community to display the national flag and the flag of the United Nations, to partake fully in all public celebrations of United Nations Week, sponsored by our religious, civic and patriotic organizations, by parades and other public demonstrations on days set aside by those organizations, and further ask that each citizen of our town and community remember the United Nations in their daily prayers, that lasting peace, freedom of race, creed and color be firmly established upon the earth.

Togkwoh Conference Will Be Continued

Teachers of the Newark schools have gone on record as favoring the continuance of the pre-term conference at Togkwoh.

The two-day sessions, first organized three years ago, are held just prior to the opening of the school year to give the teachers an opportunity to combine activities with pleasure. Recreational activities are mixed with formal meetings at which overall plans for the coming term are worked out.

Alumnae Chapter To Meet Here Monday

The first fall meeting of the Newark Chapter, University of Delaware Alumnae Association, will be held Monday at 8 p.m. in the faculty room of Warner Hall on the campus.

Peggy Cronin will discuss current trends in fashions.

The chapter meets four times a year, with the second winter session set for Jan. 5, 1951. Dr. A. H. Able will be the speaker, reviewing a number of books. The last two meetings are scheduled for the third Mondays in March and May.

The group's officers are: Mrs. J. P. Patrovic, president; Mrs. W. B. Clements, vice-president; Mrs. Stirling Williams, recording secretary; Mrs. J. L. Anderson, corresponding secretary; Mrs. J. M. Hodgson, treasurer.

The chairmen are: Miss Gertrude Holloway, ways and means; Mrs. J. H. Cronin, hospitality; Mrs. G. T. Suratt, program; Mrs. A. G. Jackson, publicity.

A meeting of officers and chairmen was held Tuesday at the home of Mrs. Patrovic, when plans for the year were discussed. Any person interested in joining the chapter may notify any officer or chairman.

Coverdale Letter

(Continued from Page 1)

at the same meeting of the Council of Newark I also declared the increase to be a TOKEN RAISE. A more substantial and permanent increase is much more desirable. The whole affair was a piece of RUSH LEGISLATION and did not get the proper study and planning so vitally needed on a subject of this nature.

Let us go back to your coverage of The Council of Newark's September session at which time this very same question was discussed. This coverage was as follows: "A request for raise in salary for the town's office force touched off a general discussion among the lawmakers on the possibilities of a cost of living increase for all town personnel. Councilman Diehl favored such a jump IF HE TOWN BUDGET WOULD ALLOW. He felt that no single department should be raised in preference to the others. Councilman Frank Durnall, who is also town treasurer, pointed out THE TOWN DID NOT HAVE SUFFICIENT FUNDS to give a general increase. All the Councilmen, including Mr. Durnall, seemed to favor such a raise IF IT COULD BE FINANCED, and it was suggested that

personnel experts from local industries be called in to advise on setting up a new pay scale." It is interesting to note that by the above article that at this meeting other councilmen felt the need for funds to cover the planned increase in pay. Consider too, the following excerpt from the April 20 issue of The Newark Post dealing with the organizational meeting of The Council of Newark: Mayor Johnson announced that he plans to appoint a Town Budget Committee to draw up a budget covering all town operations." To my knowledge, this never materialized. Also, unless I am like the deceived wife, the last to know, the suggestion to call in experts from local industries to advise on a new pay scale was not done.

In planning a raise of this sort, I believe an understanding should have been made as to just where this money would come from so that one and all would know where the RERENCHING will be done. Retrenching was mentioned as a means to offset the cost. To me retrenching means just one thing, SKIMPING or that old expression of ROBBING PETER TO PAY PAUL. As a further point of interest, I quote in part from another article contained in an issue of The Newark Post the following: "The \$6,974.00 street improvement program, which began here in late August, is now about 30 per cent complete." Six thousand dollars, I believe, is the estimated approximate cost of the TOKEN RAISE. It is certainly strange that the same council cannot dig up another six thousand for road repair but admits financial woes and seeks state aid for CERTAIN STREETS.

In taking the pay raise step, I believe the employees should have met and bargained with the legislators of the town. This is the general procedure in industry. Planning is needed for raises based on soundness such as length of service, qualifications, exceptional merit, and incentive programs. I understand that there has been talk for many years of a pension system for town employees. This, I think, is a MUST IN LEGISLATION. I can see why now that a pension plan never becomes a reality. I believe my not voting on this issue was warranted.

William M. Coverdale.

Customers' Corner

Did you ever wonder what treatment is given the letters you write to Customers' Corner?

Here's what happens to every letter received:

1. The letter is referred to the particular department or store involved for their study and reaction.
2. Once we get the necessary information your letter is answered.
3. If the subject is too complicated to be covered fully in a letter, a company representative visits you.
4. Your comments and suggestions are added to those of other customers to give us a better picture of what our customers want.

In other words, each letter is given the most careful consideration.

Won't you let us have your suggestions as to how we can make your A&P a better place to shop?
