

NHS BOARD TO LAUNCH BOND ISSUE HERE SOON

**\$300,000 Sale
Will Finance
Initial Work
On New School**

Long delayed plans for erecting a new elementary school building here were recognized this week with an announcement by Superintendent Wilmer J. See that the Newark School Board intends to launch a \$300,000 bond sale in the near future to finance initial construction.

Authorization for the bond issue was placed in a referendum here two years ago in April, 1946, but the project has hung fire ever since due to material shortages and rising costs, which threw original estimates completely out of whack.

Authorities now appear set to push the plan, which will provide a modern, 12-classroom building, badly needed here to relieve crowded conditions in the present school plant. Legal details involved in the bond sale will be completed at the March 19 meeting of the school board, and the bonds will be dated April 15, going on the market thereafter.

The site selection for the new building and the choice of architect are still awaiting formal approval from the State Board of Public Instruction, according to Joseph M. McVey, president. (Please turn to page 8)

WASHINGTON DAY MARKED AT ASSEMBLY

**Elementary
Program At
School Tuesday**

A number of skits, recitations and musical selections in observance of Washington's birthday marked an elementary assembly program at the Newark Schools on Tuesday morning.

The program was given by Mary Jane Gendell and Phyllis Gehring, who opened the program with a song and a recitation in honor of the 23rd Psalm. First offering was a recitation by a group of children of "The Snowman." Other recitations were given by Loretta Lee Penn and Dorothy and Donald Blawie.

A group recitation of "The President" was given by Donald Brierley, Donald Runkel, George Gibson, Gene Hoyt and Gerald Morgan.

Next on the program was a skit dealing with the famous cherry tree legend of George Washington. It was acted by Reginald Davis, Alfred Brown and Jack Wright. A Betty Ross song was next and included Loretta Lee Penn, George Gibson and Richard Todd.

Other items on the program were recitation of "My Soldier's Hat" by George Gibson and a poem by Ann Brown. The entire class sang, "We Love Our Country's Flag." Later the group sang to "Yankee Doodle" and danced to Mozart's Minuet.

Others participating were: Elsie Davis, John Johnson, George Martin, Thomas Otkowski, Herbert and Howard Freeman, Franklin Devonshire and George Todd.

Funeral services were held yesterday for Mrs. David W. Chalmers of Newark, D. C., and two granddaughters, Raymond D. and Patricia Ann Chalmers.

Milford Cross Roads School Sold For \$2,150

The Milford Cross Roads school building has been sold to David J. Eastburn, Jr., for \$2,150.51, Newark school authorities announced this week. Bids received ranged from \$300 to the selling price.

The Milford building came under the control of the Newark School Board when the Milford district was consolidated with the Newark district last year.

Also announced was the approval of the appointment of Miss A. Jeanette Thoroughgood as Tenth Grade English instructor here. Miss Thoroughgood served on the Newark faculty some time ago before entering library service, which she left recently to return to the local school staff.

A. D. COBB NAMED TO U. S. SAVING BONDS POST

**Local Man
Will Direct
U. S. Division
In Delaware**

Alexander D. Cobb, 213 West Main Street, has been appointed state director of the U. S. Savings Bonds Division in Delaware, succeeding Clarence E. Keyes, who resigned recently.

The announcement was made this week by Vernon L. Clark, national director of the U. S. Savings Bonds Division of the Treasury Department.

Mr. Cobb brings a wealth of experience in this field gained while serving as a member of the national staff of the U. S. Savings Bonds Division from July, 1943, to March, 1946. During this time he was regional fieldman for the agricultural section for the 12 north-eastern states. On Dec. 31, 1945, he was awarded a distinguished service citation by the Treasury Department.

Previous to entering the federal service, Mr. Cobb completed 25 years as a member of the staff of the agricultural extension service of the University of Delaware. In 1918 he was appointed county agricultural agent for Kent County. From 1921 to 1943 he served successively as State 4-H Club leader, State County Agent leader, assistant director and leader of agricultural planning.

A native of Indiana, Mr. Cobb is a graduate of Purdue University. From 1913 to 1918 he served as county agricultural agent in Wayne and Jackson Counties, Indiana, before coming to Delaware. He has done graduate work in social and statistical survey subjects at the University of Maryland and the U. S. Department of Agricultural graduate school.

Since 1921 Mr. Cobb and his family have resided in Newark. He is a charter member and past president of the Newark Lions Club and is also a member of the Delaware Archeological Society and Epsilon Sigma Phi, National Honorary Fraternity of Agricultural Extension workers. Mr. Cobb has assumed his duties in Rooms 201 and 206, Old Customs House, Sixth and King Streets, Wilmington.

The box-office will open daily from 3:30 to 5 p. m. and from 7 to 8 p. m., according to Irene Short, business manager. All seats are reserved.

Members of the production staff include Marjorie Fothergill, production coordinator; Frank Buck, stage manager; Robert Niemeyer, set designer; Spofford Beadle, lighting; Jill Meyers, prompting; Joseph McVey, publicity; Jane Booker, costumes; Rita Patrovic, make-up; Richard Tyler, sound effects; Anthony Fauerbach, photography; Joanne Lindstrom, scene painting; Carol Kinzel, costume designing.

Director of the drama is Dr. C. Robert Kase, head of the Department of Dramatic Arts, assisted by Sybil Levenson, who also enacts a role in the play.

1-ACT FARCE IS GIVEN BY CLUBWOMEN ON MONDAY

**Century Club
Also Plans To
Donate School
Supplies Abroad**

A one-act farce, "A Good Girl in the Kitchen," featured the Newark Century Club meeting on Monday afternoon. Mrs. Kenneth Steers, drama chairman, aided by Mrs. Alex D. Cobb, directed the play.

Coached by Mrs. Steers, the cast included: Mrs. P. M. Arnold, Mrs. C. M. Linden, Mrs. William H. Ruth, Jr., Mrs. John Kildreth, Mrs. Robert Duenner, Mrs. T. D. Mylrea and Mrs. J. P. Patrovic.

Mrs. Cobb later appeared as a reader for a pantomime, "The Spy Glass." In the cast were: Mrs. Samuel Handloff, Mrs. Kingdon R. Wyatt and Mrs. Henry Weitz. Mrs. W. S. Martin played several piano solos.

At the business session, Mrs. R. O. Bausman presiding, members were urged to donate school supplies to countries ravaged by the recent war. Mrs. Earle Armstrong, education chairman, will be in charge of the collection.

Mrs. George Haney's committee, working on changing off an Elizabeth Arden fitted bag, was announced as follows: Mrs. Milton Draper, Mrs. Willard Crater, Mrs. W. C. Skoglund, Mrs. G. Taggart Evans, Mrs. A. E. Wyatt, Mrs. M. D. McMullen. Proceeds will go for payment of the piano recently purchased by the club.

Mrs. Cobb's Art Corner displayed an American flag of 1860 vintage with 38 stars and a collection of beautifully printed, graphically illustrated pamphlets on spots of national historic interest, loaned by Mrs. John K. Speicher.

Presiding at the tea table was Mrs. Louis Stearns, a former president. Mrs. Robert Price, hospitality chairman, was assisted by Mrs. McMullen, Mrs. James McKinsey, Mrs. Lee Lewis, Mrs. Anthony Loudis, Mrs. Clifford Lynam, Mrs. Harry McHenry and Mrs. James McNeal.

MOCK TRIAL IS HELD BY NHS PUPILS

**Features
Program On
Wednesday**

Playing hooky from school deserves only a minor penalty according to Junior high school students here, who held a mock trial of one of their members Wednesday morning at an assembly program in the auditorium.

Script for the trial, designed to acquaint students with court procedure, was written by faculty members Miss Philomina Cappazoli and Mrs. Catherine Bonney, assisted by the cast. The assembly, one of the most entertaining so far this term, was presented by homerooms 8-2 and 8-4.

Charged with truancy in the "Let's Pretend" trial was Robert Useless Too-slow, played by Paul Poland. After examinations of a number of witnesses, the jury deliberated briefly and returned a verdict of guilty, following which Judge Thomas Burke, passed a minor sentence. The jury was selected from the audience.

Witnesses for the defendant were: Pete Powerhouse, Nick Sanborn, Mrs. Tooslow, Janet Crow, Kitty Short, Dorothy Murphy, and Myrtle La Pue, Colleen Sullivan. Counsel for the defense was Miss I. M. Sharp, Marion Lemmon.

Senior counsel for the plaintiff was I. M. Dumb, played by Ralph Foster. His witnesses were: school principal, Willard Wood; truant officer, Marshall Young; teacher, Mary Louise Greenplate.

Others in the cast were: court crier, Wayne Sparks; junior counsel for the plaintiff, Shirley Boulden; surprise witness, James Greenplate; sheriff, Melvin Wright, and court secretary, Verna Godwin.

During the court recess Louise Sanborn entertained with a musical reading entitled "Soap."

Vera Godwin sang "Serenade of the Bells" and "Now Is the Hour." Rita Cullen announced the program, and Caroline Tompkins read the scripture.

SENIOR PLAY CAST NAMED; COMEDY WILL OPEN MAR. 18

**Try-Outs Are
Completed For
Comedy "Best
Foot Forward"**

The cast for this year's Newark Senior Class play, "Best Foot Forward" was announced Tuesday by Raymond Justin, faculty advisor for the production. Performances are scheduled for March 18 and 19 on the high school stage.

As a result of try-outs last week the following seniors earned parts in the show: Carroll Mumford, William Hutten, Ronald Tyler, Robert Gregg, James Scotten, Ronald Ewing, Richard Davis, Donald Knauss, James Gamble, Richard Ware, Rita Aulen, Pat Custer, Betty Long, Betty Davis, Betty Reilly, Joan Leahy and Mary Beuche.

The first reading of the script brought an enthusiastic response from the cast. Mr. Justin said, pointing out that the play, a diverting comedy of adolescent mix-ups adapted from the popular Broadway musical, is highly suitable for a high school production. Rehearsals are being held every Tuesday and Wednesday evening.

Production committee heads were also announced this week as follows: Stephan Barzewski, production manager; Donald Treut, stage manager; Prue Wyatt, assistant director; Betty Lindell, second assistant director; Tony Cosetti, publicity manager; Dick Nutter, scene construction; Gordon Cleaves, lighting; Nancy Diehl, make-up; Marcia Boone, properties.

In addition to Mr. Justin, the faculty casting committee included: Miss Ann Stauter, Miss Elizabeth Ann Wotten, Miss Philomena Cappazoli and George Nickle.

RED CROSS DRIVE OPENS HERE TONITE: AIMS LISTED

**Every Person
In Area To
Be Solicited;
Officials Say**

Aim of the 1948 Newark Red Cross campaign, which opens here tonight, is to give every person in this area an opportunity to contribute. Dr. R. O. Bausman, general chairman, said yesterday.

The intensive drive, cut to two weeks this year, will be concentrated between March 1-14. A meeting tonight in the parish house of St. Thomas Episcopal Church will formally launch the subscription campaign.

The committee, Dr. Bausman said, hopes to equal or better last year's record when the contributions per person and the percentage of persons contributing were higher in the Newark area than in any other in the state.

In addition to those previously published, Dr. Allan P. Colburn, Newark Area Chairman, announces the appointment of the following solicitors:

Zone 2B, Iron Hill, Captain, Miss Viola Pollari.

Zone 3, Cooch's Bridge and Glasgow, Captain, Mrs. Stephen Barzewski, Jr., solicitors, Mrs. Edwin Neilson, Mrs. Julian Laws, Mr. Earl F. Dayett, and Mrs. Allen Brown.

Zone 4, Penn Station to Welsh Chapel (Pleasant-Valley Road), Captain, Mrs. Robert F. Reed.

Zone 5, South College, Captain, Mrs. G. T. Evans, solicitors, Mrs. Earl W. Armstrong, Mrs. Francis H. Squire, and Mrs. Donald L. Dutton.

Zone 10A, West Main from Corbit to Bent, Old Oak, and Dallam, Captain, Mr. Robert C. Levis, solicitors, Mrs. Barton H. Mackey, Mr. Earl F. Dawson, and Mrs. Raymond L. Barnett.

Zone 10B, West Main from B. & O. to Corbit, and Thompson Lane, Captain, Mr. A. D. Cobb, solicitors, Mrs. Paul K. Musselman, Mrs. Harvey Bounds, Mrs. A. D. Cobb, and Miss Anna Frazer.

Zone 11, Bent, Tanglewood, Briar, Nottingham Manor, (Water tower to Murray's Mill), Captain, Mrs. Oscar A. Pickett.

Legion Post Plans Dinner On Wednesday

The O'Daniel Post of the American Legion will hold a dinner at 6:30 p. m. on Wednesday evening in the Academy Restaurant. Members of the post and their wives and members of the Post Auxiliary will attend.

Special guests will include Dr. Carl J. Rees, commander, American Legion, Department of Delaware, and Mrs. Frank Mote, president of the local auxiliary. William O. White is in charge of arrangements for the dinner and for a program of entertainment.

William K. Richardson, Richard Cooch, John Fader and Herman Handloff represented the O'Daniel Post at the recent dinner in the Hotel DuPont in honor of National Commander James F. O'Neil.

TOWN GROUP OPENS WORK ON DRAFT OF NEW CHARTER

**First Meet Of
13-Man Citizen
Committee Held
Here Last Nite**

Preliminary steps in the latest effort to draft a new town charter here were taken last night at the first meeting of the 13-man citizen's committee, recently appointed by Mayor C. C. Hubert.

The group, headed by F. A. Wheelless and composed of civic and club leaders, met in the Council Offices, Academy Street.

Principal business at the session was a review of last year's controversial draft, withdrawn at the last moment from the General Assembly when it drew numerous protests from civic clubs here. Copies of the discarded draft were distributed and will be used, along with charter copies from other towns in this area, as a basis for writing the new charter.

A schedule of meetings for the group was also set up, with at least one session being planned each week. The work is expected to take some time, it was said, and no estimate could be given on when the group would complete a new draft for approval of the Town Council and eventual submission to the state legislature.

Under the procedure planned, the committee, after familiarizing itself with the details of last year's draft and other sample charters, will suggest revisions and improvements. Those finally agreed on will be worked into the new draft. Letters and club resolutions protesting specific provisions in last year's proposal are on record and will be used in the further planning.

Legal aid in the work will come from the committee's three lawyer members: Samuel Handloff, Jack Sinclair and Abraham Hoffman.

MESSICK DIES OF HEART ILL

**Stricken Suddenly
Saturday At Work**

Howard B. Messick, 51, of 30 East Cleveland Avenue, died on Saturday. Mr. Messick, who had suffered from a heart ailment for some time, was stricken suddenly while at work at the Continental-Diamond Fibre Company, where he was chief storekeeper.

Surviving are his wife, Mrs. Anna J. Messick, two sons, Burton Howard Messick and George Edgar Messick, a granddaughter, his mother, Mrs. Cressa B. Crowe; two sisters, Mrs. Cressa Lee and Miss Ethel Crowe; three brothers, George, Edward and Leslie Crowe, all of Newark.

He was a member of Hiram Lodge No. 25, A. F. and A. M. of Newark.

Funeral services were held at the funeral parlors of R. T. Jones yesterday afternoon with the Rev. Lester E. Loder of the Ebenezer Church in charge.

Interment was in Head of Christiana Cemetery.

Newark High Journalist Interviews Dale Carnegie

Nancy Smith, a Junior at the Newark High School, was among the young student journalists from New Castle County, who interviewed Dale Carnegie, well-known author and lecturer on Monday at the Hotel DuPont.

The press conference for students throughout the county was sponsored by the Sunday Star, which will publish the best feature article on the interview written by a student.

Miss Smith was chosen as the Newark High representative.

PERMANENT MEMORIAL SOUGHT FOR LOCAL VETS

**VFW Proposes
Plan; Members
Hear Talk By
Famed Sculptor**

A permanent war memorial, designed by a world famous sculptor in honor of all Newark veterans, may be erected here in the near future if a plan proposed by the Lieut. J. Allison O'Daniel Post, No. 475, Veterans of Foreign Wars, proves successful.

Details of the proposal were revealed at a recent V. F. W. meeting, when Edward Ratti, internationally known sculptor, discussed various type memorials suitable for erection in this community.

Mr. Ratti, who is widely recognized for his works both in this country and abroad, is now working on a bust of General George S. Patton for the U. S. Military Academy at West Point.

Although the local project is still highly tentative, the V. F. W. has appointed a planning committee, which will seek the cooperation of other local organizations. Believing the plan to be one of great civic importance, the V. F. W. is inviting every organization in the community to join in the work. Letters will be sent soon to all service, civic and fraternal groups asking aid in choosing both a design and a site for the memorial.

Further discussion of the project will be held tonight at a meeting of the Post on Burksdale Road.

Members of the V. F. W. planning committee are: William M. Coverdale, chairman; R. T. George, post commander; A. S. Maclary, H. Drexel Harrington, J. B. Crossan, Jr., R. C. Edmanson, Sr., J. A. Malone, T. A. Campbell, William C. Smith and R. J. Giles.

CONCERT BY CIVIC GROUP TOMORROW

**Season's First
Program To Be
Open To Public**

The Newark Civic Orchestra, under the direction of J. Robert King, of the University of Delaware music department staff, will present its first concert of the season tomorrow at 8:15 p. m. The Mitchell Hall concert is open to the public.

The orchestra will offer a program of seventeenth and eighteenth century music. Compositions to be played feature two rarely-heard works for string orchestra: Overture to The Rival Sisters by Purcell, and Concerto Grosso, Opus 6, Number 6, by Corelli. Others on the program include works for full orchestra, Overture to Rosamunde, by Schubert, and Haydn's Symphony No. 101 in D, known familiarly as the "clock symphony" because the second movement has an accompaniment which resembles the ticking of a timepiece.

The Newark Civic Orchestra, now entering upon its second year, has a roster of 35 members, representing students at the university, Newark citizenry, and interested players from nearby towns and communities who rehearse every Tuesday night in Old College.

Rites Here Saturday For Miss Emma Blandy

Miss Emma Blandy, 85, who was born in Newark and spent her early life here, died Friday afternoon at College Park, Md., and was brought here Saturday morning for interment at St. James Cemetery. Her pastor at College Park accompanied the family to Newark and officiated at the services.

Miss Blandy, daughter of the late Mr. and Mrs. Charles W. Blandy, left Newark as a young woman for Washington, D. C., where she was employed in the government upon her retirement she made her home with her sister, Mrs. Charles P. Close, College Park.

Miss Blandy's death followed an illness of a number of weeks. In addition to Mrs. Close, Miss Blandy is survived by a second sister, Mrs. A. F. Williamson, also of College Park, and several nieces and nephews, including Admiral William P. Blandy, Mrs. Paul F. Pie, Newark; Mrs. Leigh R. Powell, Jr., of Norfolk, Va.

Funeral services were held yesterday for Mrs. David W. Chalmers of Newark, D. C., and two granddaughters, Raymond D. and Patricia Ann Chalmers.

DELAWARE FARM FRONT THIS WEEK

Pounds of milk produced per cow increased in January in herds co-operating in the Delaware Dairy Herd Improvement Association, according to Delmar J. Young, extension dairyman. During the month of January, 83 herds in the state were under test in the Herd Improvement Program and the average production per cow was 360 pounds of milk as compared with 327 pounds of milk the previous month. On a county basis, Young reports that in January Circuit Number 2 of the New Castle County Association led the units with an average of 385 pounds of milk per cow as compared with 347 pounds in December.

Topping the association in butterfat production during the past month was Circuit Number 1 of New Castle County. Cows in this circuit averaged 26 pounds of butterfat.

A hotbed or cold frame is basic equipment for every home garden. Whichever device the farmer or gardener selects can be used to save money and provide a better garden, says Jack F. Bell, extension agricultural engineer.

In selecting a spot for either type of plant bed three things should be kept in mind—protection from cold winds, a location in the full sun all day, and convenience in tending.

Where manure is available a temporary manure hotbed may be constructed by placing the manure in a flat pile 8 or 9 feet in width, 12 to 24 inches in depth and any desired length. A framework of boards from 18 to 24 inches in height on the north side or back and 8 to 12 inches on the south or front side should be placed over the manure to hold the soil and support the sash or cloth.

Electricity has been used extensively to heat plant beds and has a decided advantage over the manure heated bed. Electric hotbed heating cables are available for this purpose.

Coldframes are usually constructed in the same manner as hotbeds and the recommended coverings include standard hotbed sash, cloth coverings such as muslin or light canvas, and various kinds of glass substitutes.

Plans for building either type of plant bed are available from county agricultural agents.

High cost of feed makes good pasture more important in this coming year than ever before. If the cost of producing milk is to be kept down where a fair profit can be realized, the pasture must be both plentiful and nutritious.

If Delaware dairymen are to have such pastures ready for grazing when they need them, it is time to plan now. Most pastures are in poor shape in terms of plant food and lime. Unless they are both limed and fertilized in the next month such pastures will be unable to supply much good milk producing feed this summer.

The amount of lime and fertilizer to use depends upon the past treatment and kind of soil. A good rule to follow in the case of lime is to apply one ton of ground limestone per acre if the field has not been limed in the past three years. Heavy soils that have not been limed recently should have one and one half tons per acre.

Fertilizer is food for the grass just as grass is food for the cow. Without a sufficient quality of fertilizer the grass does not produce much growth. The least amount of fertilizer to apply to pastures for even fair growth is 300 pounds of 0-12-12 per acre every year. The most economical application is about 500 pounds per acre every year. This fertilizer should be applied before the grass begins to grow in the spring. This means that it should be applied before April 1.

Group Seeks To Expedite Govt-College Relations

Dr. Charles N. Lanier, Jr., chairman of the Department of Economics and Business Administration at the University of Delaware, has been appointed to the Social Sciences Committee of a new Federal Agency-College organization in this area. The committee, which will hold its first meeting Friday at Lancaster, Pa., is seeking more effective cooperation between colleges and the federal agencies in the Third Civil Service Region.

Other college representatives on the Social Sciences Committee are: Dr. Theodore A. Distler, president of Franklin and Marshall College; the Rev. Dr. Joseph C. Bartley, of Villanova College; Dr. Robert L. Davidson, Temple University; Dean V. W. Lanfear, University of Pittsburgh; Dr. Bruce V. Moore, Pennsylvania State College; and Dr. John A. Noon, Wilson College.

Disabled Vets Now Offered Vocational Rehabilitation

The Veterans Administration has decided that work is the best medicine. It therefore opened its vocational rehabilitation program to all seriously-disabled war veterans recently.

Previously, many were barred from the training because they were not well enough or strong enough to carry a full-time work schedule.

Under new regulations any seriously disabled veteran may take as many hours of training a day as the VA medical consultant says he can stand.

Army Announces New Enlistment Rulings

Prior servicemen of the Army, Navy, Marine Corps and Coast Guard may now enlist in the Regular Army for assignment to the European Command under new enlistment procedure, it was announced here yesterday by Capt. Walter G. Runte, Army and Air Force recruiting officer for Delaware.

Enlistments are limited to white applicants of the third enlisted grade or below. Many prior servicemen can retain their discharge grade, depending on their previous military occupational specialty and the time they worked at that specialty.

Veteran whose prior service qualifies them for service only in the U. S. Air Force will not be eligible for the above assignment.

Further details may be obtained at the Army and Air Force recruiting office, Room 349, Postoffice Building, Wilmington.

LIST SLATE FOR ALUMNI ELECTION AT UNIVERSITY

A slate of candidates for offices in the University of Delaware Alumni Association, headed by Jefferson F. Pool of Wilmington, sole nominee for president, is now being submitted by the association's nominating committee to all Delaware alumni.

Other nominees for principal offices by the association are: Victor H. Jones of Philadelphia, and Dr. Walter H. Lee of Middletown, for vice-president; and Alex J. Taylor, Jr., of Wilmington, and Harold M. Roser of Kennett Square, for treasurer. Several candidates are named also for the association's Alumni Council and for the 1948 committee on nominations.

In submitting their report, the nominating committee pointed out that additional nominations can be made by petition before April 1. Ballots will be circulated after that date, and they will be counted at the time of the annual meeting later in the spring. Officers will take over next July 1.

Mr. Pool, an unopposed candidate for president, would move up from the vice-presidency of the association, which he has held since last July. He also has been a member of the Alumni Council for the past six years, and is a former treasurer of the association and alumni fund chairman. A member of the Class of 1921, he lives at 2012 Baynard Boulevard, Wilmington, and is district agent for the Northwestern Mutual Life Insurance Company.

Mr. Jones, a graduate of the Class of 1909 at Delaware, is an officer of the Philadelphia Electric Company. Dr. Lee is a graduate of the University in 1932, and is a physician in Middletown, where both Mr. Jones and Mr. Pool formerly lived.

Mr. Taylor, treasurer of the association for the last six years, is a member of the Class of 1930, and is with the Delaware School Auxiliary Association. Mr. Roser, a member of the Class of 1929, is in the accountancy and insurance business in Kennett Square.

Two members will be elected for three-year terms to the Alumni Council, in which the general management of the association is vested. The six candidates are: Paul D. Lovett, '18, of Newark, now a member of the council completing a three-year term; Robert C. Lewis, '12, of Newark; Dr. William Stewart, Jr., '20, of Wilmington; C. R. Lind, '11, of Philadelphia; Vice-Chancellor Collins J. Seitz, '37, of Wilmington; and Truxton Boyce, '41, of Asbury Park, N. J.

Present president of the association is Joseph M. McVey, '04, of Newark. The association's membership includes more than 3,200 men, about 1,800 of whom are Delaware residents.

Annual Banquet of Osceola Lodge, No. 5

The annual banquet of Osceola Lodge, No. 5, Knights of Pythias, was held last Thursday night at the Newark New Century Club in honor of the founding of the order in 1864.

The banquet was prepared and served by Friendship Temple, No. 6, Pythian Sisters, who had decorated the tables in red, yellow and blue, the colors of the order.

Following the banquet the members assembled in the auditorium where they

were addressed by the Hon. Judge Thomas Herlihy, Jr., of the Wilmington Municipal Court.

An entertainment was given by members of the Elkton High School with Sam Diehl as master of ceremonies.

NOT ALL STONES SINK IN WATER
In the Congo Caves of South Africa are found limestones that can float. A body will float if the weight of the water it displaces when totally emerged is heavier than the weight of the body itself. These limestones are of this category.

DR. FIELD TO SPEAK AT H. OF C.

Guest Minister In Presbyterian Service Sunday

The Rev. Dr. Elliot Field, a member of the New Castle Presbyterian and a retired minister, will speak at the 11 a. m. service of the Head of Christians Church this Sunday.

Dr. Field has addressed the Christian congregation twice before, once at the 240 anniversary service last year and again last August during the Rev. E. W. Renne's vacation.

The Sunday School, including classes for all ages, will be in charge of Patrick Morgan, superintendent, and Dr. Field will direct the Adult Bible Class.

Attendance awards were presented during last week's Sunday School hour as follows: perfect attendance, Mrs. Lillie Scott and Mrs. Edward Russell; good attendance, Miss Lillie Scott, Miss Martha Ford, Mrs. George Cullen, Miss Mary Cullen, Mrs. Patrick Morgan, John Morgan and William Miller. The Sunday School bus, operated by Stiltz, Inc., and supported entirely by contributions, has been a factor in the improved attendance record.

Also announced was a schedule of special Holy Week services, with the regular quarterly communion to be held the evening of Holy Thursday, March 25. This will be a candlelight service at 8 p. m. conducted by Dr. Everett Freeman Hall.

Dr. Elliott Field will again fill the pulpit on Easter Sunday. A guest speaker has also been secured for the first Sunday in April.

PLANT EXPERT NAMED

Robert F. Stevens, the first full-time specialist in horticulture to be employed by the Delaware Agricultural Extension Service, took up his duties this week at the University of Delaware, according to George M. Worri-

low, director of the Extension Service. A native of Massachusetts, Stevens was graduated from the University of New Hampshire in 1936 and received his master of science degree from the University of Massachusetts in 1938.

Stevens has been associate county agent of New Haven County, Conn., since 1943. Prior to that he was assistant county agent in Fairhill County, Conn. He was chiefly responsible for the horticultural program in those two prominent fruit and vegetable areas.

An extension horticulturist in Delaware, Stevens will head an educational program on fruit and vegetable culture and will work closely with the extension entomologist and plant pathologist in insect and disease control work. He will carry to the fruit and vegetable growers the findings of the Agricultural Experiment Station.

PERSONALS

Mrs. Robert J. Boyd, of Chevy Chase, Md., was a recent guest of Mr. and Mrs. Milton L. Draper, of Nottingham Road.

Mr. and Mrs. Howard P. Williams spent the past week-end with their son-in-law and daughter, Mr. and Mrs. John D. Williams, of Westmont.

Paul Milliken, formerly of Newark, and now of near Middletown, has returned to his home after being a patient for many weeks in the Delaware Hospital.

Miss Mary Beth Williams, of the University of Delaware, visited this past week-end with her cousin, Miss Mary Louise Stafford, of Wesley Junior College, Dover.

Mr. Wilmer E. Shue, superintendent of Schools in Newark, is attending a conference in Atlantic City.

Ware Abouts

Proof that General Manager Bryan Field's Delaware Park publicist, Al Fay, is on his toes in the matter of promotion for the famed Stanton oval, is evidenced in the March 2 issue of LOOK magazine.

Recognizing that the public craves excitement and thrives on spills and thrills, progressive pictures of a steeplechase spill at Delaware Park provide excellent photographic portrayals of Tourist Pride, with Charles Peoples aboard, faltering ever so slightly approaching the hedge barrier directly in front of the tote board.

Making a three-point landing on his nose and two front knees, Tourist Pride clears the brush only to topple the diminutive jockey to the turf, in the second of six excellent camera shots occupying page 44 of aforesaid periodical . . . giving Photographer Raymond Craig the action shots of a good spill that he patiently waited through sixteen days of steeplechase racing to obtain.

Bryan Field himself, Delaware Park's travelling ambassador of goodwill, is no mean exponent of publicity when it comes down to that. This dynamic personality is well and favorably known throughout the nation and has done much to promote Delaware Park to its present favorable position in racing circles . . . also he is now recognized as the foremost race caller in the business.

Why all this space for Delaware Park, we don't know unless it's just that the copy of LOOK, obviously mailed to us for this express purpose, took our fancy and called to mind the excellent job being done in its behalf. Anyway it's 1948 opening is only three months away.

A Newark, N. J., amateur weatherman successfully predicted the snows that fell on Dec. 26, Jan. 24 and Feb. 22, due to what he calls "moon bobbles." His next prediction for snow is on March 19—wonder can he do it four times in succession?

George A. Winckler, as expected, is doing an outstanding job of promoting social affairs at the Newark Country Club but general member attendance at his carefully planned affairs leaves a lot to be desired . . . Open House, Saturday night, is the next event on the agenda.

Gibby Young, local golf pro, bedded last week by the flu, plans to officially open the pro shop on March 15, come snow, rain or—what have you.

Murray Strauss, purchaser of The Toggery from the McSpadden, McDonald and Brunansky combine, has moved this haberdashery across the street to its original location, 173 East Main Street, where will permanently cater to the apparel requirements of Newark's male population.

We have it on first-hand authority that negotiations to install a cuckoo in the recently erected Newark Trust Co. clock, which would come out and call "Eat at Barney's" every time the clock strikes, have been abandoned.

According to some political odds-layers, Governor Dewey is now 7 to 5 over President Truman for election come November. However, if the infuriated bloc of southern Democratic Governors fulfill their threats, Hapless Harry could conceivably fail to win the Dem nomination. And, by the same token, Senator Taft might put up an unexpectedly stiff fight on the early ballots for the G. O. P. nomination.

The V. F. W. conceived thought to locally erect a memorial to ALL veterans appears to have considerable merit to us. The ideal place to erect such a memorial would seem to be the lawn of the Newark Academy grounds, facing Main Street, replacing the present Honor Roll. It occurs to us that such a movement should gain support of all local civic orders and organizations, and that all veterans should cooperate.

As we understand it, such a memorial would embody tributes to all branches of service represented in both World Wars I and II, with names now on the Honor Roll etched in the background. We'd like to see this become a community project at an early date, with completion assured in the very near future.

F. Van Wyck Mason's "Eagle in the Sky," keenly interesting tale of three young medics, highly enjoyable reading to us and currently heading the Philadelphia best seller list, is the best

Martin Boyd's "Lucinda Brayford," which we haven't yet started, looks mediocre but—you can't tell a book by its cover. It's the Literary Guild selection for April so it's entire 429 pages may not be completely wasted.

Let discouragement toughen your determination . . . not your heart.

Remember . . . the 1c newspaper; the 5c table d'hôte dinner; the 35c haircut; when South College Avenue was known as Welsh Lane; when Orchard Road was known as Orchard Ridge and when banks advertised 4% paid on savings and 2% paid on checking accounts . . . and, not so long ago when the now 15c Saturday Evening Post was a big nickel's worth?

The Sports Post

By Sean N. Hurd

Most satisfying sports event on the local front last week was Newark High's surprising and stunning 46-26 victory over Wilmington Friends School. Until a few days before their visit to Newark, the Wilmington Quakers had an undefeated record. Then they were toppled by German-town Friends of Philadelphia.

Apparently expecting an easy touch here in Newark, the Friends ran into a furious, buzzing hive of Yellow Jackets. By their overwhelming win the Jackets became the first Delaware team to quell the Quakers this season—succeeding where eleven other State quintets had failed.

University of Delaware's 60-52 setback by Swarthmore last Saturday night just about dispelled the Hens' hopes of copping the Southern Division MAS championship—although there still exists a mathematical chance of their coming out on top or in a first place tie. The Blue and Gold basketball batters have a 4-4 league record with circuit contests still to be played with PMC this Saturday at Chester and with Haverford at home on March 3. Swarthmore, with a 5-2 conference count and three games to go, is holding first position. Close behind the Little Quakers are the Chester Kaydets with a 5-3 circuit record.

Delaware's defeat snapped a six-game winning streak—the longest victory scamp run together by a Hen court combine in many a year. And incidentally, Swarthmore's first-year men managed by the margin of a single point (44-43) to snap a seven-game victory skein of Delaware's frosh. This was the first conference loss for the Blue Chicks, who are still expected to take the freshmen circuit crown.

By beating the Hens, Swarthmore extended its mastery over the local collegians to five straight games. Delaware's last victory over the Quakers was achieved in the opening contest of the 1946 season. Furthermore, Saturday's loss means that for the second year in a row Swarthmore will be the only MAS Southern Division team to take both conference clashes from Brunansky's basketballers. The Hens have already won their first encounters from PMC and Haverford and have split even with Ursinus and Drexel.

Muhlenberg, with a 5-0 league record, appears to be a sure bet to capture the Northern Division MAS championship and thus to retain the crown it won last year. The MAS's Western Division battle, however, is being as closely fought as the Southern section. At the moment the Western lead is held by Lebanon Valley as a result of the Flying Dutchmen's 59-54 win over Scranton on Saturday.

The MAS's post-season tournament, staged here last year in the Carpenter Fieldhouse, is scheduled for Penn's Palestine in Philadelphia on March 11 and 15. Competing in the tournament will be the Northern, Southern and Western Division titlists and a fourth team to be selected from among MAS members not competing in one of the three leagues. Last year that fourth quintet was LaSalle—and the odds are that the powerful Explorers will be in there again in 1948.

SPORT SPECKS: Tumbled from the undefeated class last week after 14 straight conquests was Columbia Princeton's Tigers turned the trick 59-54 in an Ivy League contest. . . . All alone now with an unblemished record is NYU, victors in 17 court clashes. But the path of the Violets does not appear to be all roses. Awaiting an opportunity to pick the Violets are five first-rank foes—namely, St. John's of Brooklyn, Rutgers, Notre Dame, Fordham, and CCNY. Fact is that by the time you read this NYU may also be a humpy-dumpy, for they will have met St. John's on Tuesday night—and the Saints from Flatbush have defeated NYU in six of their last seven meetings. . . . What a story-book game that was up in Allentown last week-end, when two of the best court combines in this (and perhaps any other) section of the country met head-on and battled through three over-time periods before LaSalle (18-2) defeated Muhlenberg (15-3) by a count of 74-68. The Mules were ahead 50-49 when the horn ended the regulation second half. But LaSalle's Greenberg had been fouled in the last second—and he made the free toss good. Then with only five seconds remaining in the first over-time period, Muhlenberg was leading again, this time by three points. But as the Explorers' McCann shot and netted a field goal he too was fouled. His free throw also was good—and so it went through two more five minute jousts before LaSalle could finally convince the fighting, stubborn Mules. . . . Another Philadelphia District team gained the spot light last week when Villanova's Wildcats sank Seton Hall (17-3) in a surprising 68-60 upset. . . . Highest court score we saw last week was registered by Detroit's Lawrence Tech, which poured it on Selfridge Field 102-50. . . . And after that certainly not because of our devoting space in a couple of recent columns about the very low professional golf scores, the lid blows off revealing a nasty situation to an unsuspecting public. Said the UP's Joe Williams, "It's a shocking indictment of golf as the professions play it. They made their own rules as they went along." Seems as how some of the pros, but not all, we hasten to add, lifted the ball, teed up on the fairway, and used illegal clubs.

HENS FACE P. M. C. SATURDAY AT CHESTER; CLOSE SEASON HERE WED. WITH HAVERFORD

Crucial Defeat By Swarthmore Last Saturday Ends Delaware's Hopes For Spot In Conference Play-Offs; Snaps 6-Game Streak

After a meeting Saturday with P. M. C. at Chester, the Delaware courtmen will wind-up their 1948 campaign here on Wednesday night in a game with Haverford.

The climax of the season came last Saturday at Swarthmore, when the Garnet handed Delaware a disastrous 60-52 setback, which virtually eliminated the Hens from the play-offs in the Southern Division of the Middle Atlantic Conference. Added salt in the wound was the fact that the defeat snapped a 6-game winning streak the Hens had carefully nurtured after a spotty early season showing.

Delaware appeared in top form Saturday night as they whipped into an early lead, but after about the first five minutes, their offensive suddenly collapsed and Swarthmore assumed complete command, taking the lead before the end of the first period and retaining it until the end.

In the closing minutes, the Hens staged a sudden revival, slicing a large chunk from Swarthmore's margin, but the latter, well out in front by then, could afford to coast.

Major Delaware weakness during the entire game was at the foul line, where the shaky Hens slipped in only 16 out of 33 chances.

Bill Nash and Jerry Bowls were the chief point makers, Nash getting 10 and Bowls nine.

Adding to the evening's gloom was the first conference loss by the Delaware Freshmen, who fell before the Swarthmore yearlings by a 44-43 count.

A last minute rally cut down the score somewhat, after the Hens had trailed throughout the contest.

State-wide plans for the week include a special invitation to all boys and girls of club age (10 to 21 years) to join the 4-H club in their community. If a community has no organized club, all interested young folks will be urged to contact the county club agent for help in getting a club started.

Window displays and exhibits of club work, school assembly programs, church observances, a series of radio broadcasts and participation in meetings of business and agricultural organizations will also highlight National 4-H Club Week.

Newark Girls Down Tatnall Cagers, 24-1

The Newark High girls' basketball team downed Tatnall Girls, 24-16, at the Wilmington Y. W. C. A. gym last Thursday.

Captain Linn Taylor was high scorer for Newark.

The junior varsity was also victorious.

Patents Issued In State Show Increase

Patents issued within recent years have shown a steady decline and Delaware is the only important industrial state to show an increase in the number of patents issued, according to the National Patent Council.

The number of patents from Delaware has shown an increase in the past decade and a half, although the total from the state has never been large, with an annual peak of not more than 350, the council revealed.

Offering three cash prizes of \$25, \$15 and \$10, the tourney will be conducted on a basis of individual competition and no teams will be accepted. An entry fee of \$2 will be charged.

Full information may be obtained from Harvey Robertson, 59 East Main Street, or at the local bowling alleys.

JUNIOR FIVE NIPS FROSH

Intermural Loop Game

This week's intermural basketball competition in the senior division and the Newark High School saw a much improved Junior Five give the Frosh their first taste of defeat by a 14-2 score.

Dick Wollaston was the big gun in the Junior attack getting eight points on two field goals and two fouls.

Next week's game will pit the scrappy Senior team against a mediocre tenth grade five.

In the only other contest this week, the eleventh grade jayvees edged out the freshman by a 11-9 count.

Boxing Is Added To NHS Sports Program

A new sport will be introduced at the Newark High School next Monday, when the first intramural boxing matches will begin.

An enthusiastic student turnout is expected, according to Walter Matt, athletic director, who says 50 boys have already indicated interest.

Bouts will be arranged on a basis of the fighter's weight, with winners earning 10 points.

A champion class will be formed, and a champion for each class will be named.

Passengers Wait Patiently For Thoughtful Bus Driver

A Seattle transit operator is a candidate for the nation's most thoughtful driver.

A six-year-old school child left the bus, forgetting her lunch. At the end of the line the driver noticed the package with the owner's name on it.

On the return trip he stopped the bus at the school street. He ran a block, gave the lunch box to the school principal and returned to his coach.

Westinghouse Plans \$1,000,000 Ad Drive

The radio division of Westinghouse Electric Corp. announced recently that its 1948 advertising and promotion program will be spearheaded by a million dollar newspaper campaign using 177 newspapers in 159 cities.

The announcement coincided with start of the campaign last Wednesday with a full schedule of advertising in the newspapers.

J. H. Stickle, advertising and sales promotion manager of the Westinghouse radio division, said "The keynote of the newspaper promotion is flexibility, frequency and impact in key markets."

JACKETS FACE WILM. HIGH IN LAST HOME CONTEST OF YEAR HERE TUESDAY NIGHT

Travel To Wilmington Tomorrow Night For Clash With Brown Voc.; Down Alumni, 59-47, Here On Friday; Then Bow To Sallies Tuesday, 58-49

With their 1948 season fast slipping into history, the Jacket courtmen invade Wilmington tomorrow for a meeting with Brown Vocational, previous victors over Newark here by a one-sided score.

Two more games next week will round out the schedule, the first with Wilmington High here Tuesday evening and the second, against powerful Claymont on Friday on the latter's court. The Wilmington High game will be the final home tilt of the season.

The Jacket's two game winning streak, climaxed last Friday by a 59-47 win over the Alumni five, was abruptly interrupted Tuesday night in Wilmington when Newark fell before Salesianum by a 58-49 score.

NHS Girls Downed By Conrad For Second Time

The Conrad Girls' basketball team defeated Newark for the second time this season by a 30-14 score here last Wednesday.

In their previous meeting on January 29, Conrad won by a 20-10 count.

R. T. Taylor was high scorer for Newark in the last week's contest, with seven points. Rhodes topped the Conrad invaders with nine.

Newark's J. V. team downed the Conrad J. V.'s 15-12.

Cheating Slot Machines Isn't Cheating, Law Says

Police officials said recently they were inclined to agree with Delbert Shinn, 36, of Chicago, that "you can't keep me in jail" because of his winning way with slot machines.

Shinn was taken into custody for investigation on request of Sheriff Dwight Raudenbush of Mercer County, Ohio.

Detectives said Shinn readily admitted he had drilled holes in several slot machines in Ohio, tripped their jackpot levers, and collected their grand prizes.

"The slot machine is illegal," Shinn was quoted as saying. "You can't take money illegally from something that is illegal."

Raudenbush wired he was merely interested in a character check on Shinn, adding the man was "not wanted" in Mercer County. Police said if no evidence of lawbreaking by Shinn is found he will be released.

Missing Planet Theory Expounded By Scientist

The solar system once may have had 10 principal planets instead of the present known nine.

That is the theory of Dr. Carl A. Bauer of the University of Michigan observatory.

Dr. Bauer told a meeting of the American Astronomical Society that his theory is based on a long-standing hypothesis. The belief is that such a planet also was the parent of the thousands of asteroids or minor planets which inhabit the portion of the solar system between the orbits of Mars and Jupiter.

The supposed planet, Dr. Bauer said, probably had a make-up similar to that of the earth: nickel-iron core, intermediate shell of stony-metallic material, and an outer mantle of rock. The planet probably was smaller than the earth and therefore solidified earlier.

Dr. Bauer estimated that the planet exploded several hundred million years ago.

42 WOMEN NAMED TO NEW P.-T. A. COMMITTEE

Group Aims To Work With Teachers On School Needs

A committee of women homeroom representatives, members of the Newark Parent-Teacher Association, has been formed under a new plan introduced here to facilitate relations between parent and teachers, Fred Stiegler, P.-T. A. vice-president announced this week.

The committee, composed of 42 parents selected by the Newark faculty, is intended to work with teachers on mutual problems.

Each member will be the official parent representative of the homeroom to which she is assigned. In addition to working with teachers on student problems, the member will also assist with school programs, serve as dance chaperones and perform other similar duties.

The committee, it is hoped, will strengthen relations between parent and teachers here, fostered by the P.-T. A. but heretofore reduced chiefly to the regular monthly meetings.

The new committee, first proposed last fall but only recently completed, includes the following P.-T. A. members: Mrs. Avery Goddin, Mrs. L. E. Springer, Mrs. Arthur Dunlap, Mrs. William Dannenhauer, Jr., Mrs. William Wilson, Mrs. John Hertzewer, Mrs. Clemence Valliant, Mrs. Frank Dianich, Mrs. George Townsend, Mrs. Howard Eveland, Mrs. Kenneth Blow, Mrs. Frank Skillman, Mrs. Gunnar Winckler, Mrs. S. Army Cuts Time Needed To Process Color Films

High speed processing of color films was disclosed recently by the Army Signal Corps.

Edward K. Kaprelian, chief of the photographic branch, Signal Corps laboratories, said that by the new method present commercial color films can be processed in 29 minutes. Generally-used methods require about an hour and a half.

He did not disclose the method the Army uses.

STUDENTS TO TOUR PLANT

Members Of NHS Drivers' Course

Members of the Drivers' Course at the Newark High School, under the direction of Leroy Hill, Jr., will visit the Ford Motor Company's plant at Chester, Pa., next Thursday. The students will go by bus and will leave the school around noon.

In the group will be: Marcia Boone, Mary Bueche, Virginia Cleaves, Semone Deschamps, Dorothy Draper, Claire Herbener, John Italiano, Helen Jzyk, Anna Kelly, John Leahy, Betty Lindell, Lois Matthews, La Vonne Mattison, Mary Maxwell, Bonnie McCormick, Betty Riley, Evelyn Stanley, Theresa Tiepney, Doris Abrams, Betty Brown, Robert Brown, Jacqueline Cahall, Margie Dann, Patty Dean, Andrew Evans, Esther Fouracre, Ruth Gray, Janet Jenkins, Evelyn Klair, Esther Lloyd, Joan Miller, Mary Moore, Margery Murray, Beverly Peterson, Louise Pyle, Helen Samendinger, Ann Saucerman, Goldie Siple, Hilda Thompson, Jean Thompson, Anne Thureson, Elaine Tolonen and Eleanor Winchester.

dent of the Newark board, but an announcement is expected by next week, he said. No date could be given as to when actual construction would begin.

The new building, which will take care of normal student population increases here for the next 10 to 15 years, will house the entire seven grades of the elementary group, while the Junior-Senior high school will take over the present main building. In addition to the class-room structure, plans call for a cafeteria building, which will also include a central heating plant, serving the entire school plant. This latter is considered necessary since the present boilers in the high school building, now 15 or more years old, are of poor efficiency.

As plans now stand, the new school building will contain 26 classrooms, one gymnasium, art room, music room, library, teachers room, rest rooms, play courts and storage rooms.

Cost of the project, exclusive of architect fees and incidental equipment, is estimated at \$600,000. With the local bond issue providing \$300,000, the remainder will come from state appropriations and a small reserve building fund accumulated over a number of years by the local school board.

Details of the project were drafted by Supt. Shue prior to the 1946 referendum after an exhaustive study of school population trends here the past ten years. The completed plan is expected to serve the needs of the local district for the next decade or more.

WORK OF ROTARY IS DESCRIBED

Past Head Of Wilmington Unit Gives Talk Here

Albert Haddock, immediate past president of the Wilmington Rotary Club, discussed achievements of the Rotary movement in an address at the weekly dinner meeting of the Newark club on Monday in the Academy Restaurant. President William S. Hamilton presided.

Calling his talk "Tomorrow Is Your Mirror," Mr. Haddock advised his listeners that the accomplishments of the local Rotary depended basically on the efforts of the individual members.

He also outlined details of the International Rotary's Foundation Fund, which is used for worthwhile projects. One of these, he said, is the Rotary Fellowship, which provides \$2,000 stipends to students in various countries under the condition they undertake studies in countries other than their own. Aim of the Fellowship is to foster international understanding and good-will.

Mr. Haddock also touched on his experiences in the Wilmington Club, especially with that unit's Student Loan Fund, which, he said, started as a subscription campaign and is now a revolving fund. Under the plan, loans are offered to students in this area on the basis of need plus merit. About 75 youths have benefited from the fund to date, with the majority paying back their loans after completion of their studies.

Guests at the session were: Nelson Quillen, president of the New Castle Rotary Club and two Elkton Rotarians, Dr. Walter A. Hearn and Lynn B. Gillespie.

Next week, the recently appointed nomination committee will present a slate of candidates for the club's annual election in May. Other nominations will be open from the floor. Following the election, the new officers will take over their posts at the beginning of the club year, July 1.

For George W. McCleary

Services for George W. McCleary, 70, resident of Corner Ketch, who died Sunday, were held yesterday afternoon at the Eastburn Funeral Home, Avondale, Pa. Interment was in New Garden Friends Burying Grounds.

Mr. McCleary, who lived with his daughter, Mrs. Gladys I. Stewart, had been in failing health for about five years.

Born in Harford County, Md., Mr. McCleary had lived in Delaware for about 25 years. He had been a logger for some years. He was a member of the Dublin Methodist Church, Dublin, Md.

Surviving are five sons, Robert R. and Joseph L. McCleary of West Chester; George E. McCleary of Newark; Clifford E. and Francis H. McCleary of Corner Ketch; three daughters, Mrs. Stewart, Mrs. Ethel C. Herbener, Landenburg, Pa., and Mrs. Stella Fernandez, of Wilmington; 21 grandchildren; two brothers, Joseph McCleary of Philadelphia and Will McCleary of Dublin, Md., and a sister, Mrs. Gladys Brown, also of Dublin, Md.

**Move It FASTER—
and so much EASIER**

**with the McCORMICK-DEERING
No. 30 POWER LOADER**

Here's speed and ease for those tough moving and lifting jobs around the farm... and without the back break of hard labor. For the McCormick-Deering No. 30 Power Loader can do in a day or two what would take weeks of hard work. A crew of men would be needed to replace it.

It has a maximum lifting thrust of 5000 lbs. for the "breakaway"; then the McCormick-Deering will take a load-lift of 1500 lbs. up to dump truck loading height—96 inches from ground to heel of bucket.

And when it comes to mounting, that's a job of only a few minutes. One person can quickly attach or detach the McCormick-Deering.

See us now for full details on this Power Loader for Farmalls H and M. Let us show you how it assures maximum safety to operator and tractor, with its safety shoes and stabilizers—and how you'll work with a clear field of vision.
