## Trusler To Direct UD Concert Choir In Season's Debut

Choral Music Festival  
Slated At Mitchell Hall  
For Public Next Thursday

The 56-voice University of Delaware Concert Choir will make its season's debut with a Festival of Choral Music next Thursday in Mitchell Hall at 8:15 p.m.

Schubert's "Mass in G" and Bach's double motet "Come, Jesus, Come," will be featured, and the choir will sing three opera choruses and selections from the Broadway "Music Man."

Dr. Ivan Trusler, director of choral music, will conduct the concert, and a string orchestra appearing through a grant from the Music Performance Trust Fund of the American Recording Industries, will accompany the choir.

Written when Schubert was 18, "Mass in G" is scored for sopranos, strings and organ, and reveals the gift of song, and faith of its composer. It is the simplest and most lyric of his masses.

Concert soloists will be Carol Dunai, soprano, and Russell Corbett, tenor — both of Wilmington; and Joseph Krawchuk of Newark, guest bass soloist.

Featured instrumentalists will be Eugene Gonzalez, instructor of music, clarinet; Doreen Woodward, chimes; and Joan Foster, piano.

The concert, which is open to the public without charge, will be preceded by an assembly program at De La Warr and Mt. Pleasant high schools during the day.

## Flu Shots Given On Local Campus By Private Donor

The old adage about the "ounce of prevention" is being put to practical use on the Delaware campus this week.

Through a private honor, influenza inoculations are being given without charge to students, faculty and staff.

The vaccine is being offered as a preventive measure in view of the flu epidemic predicted by the U.S. Public Health Service for the winter.

The immunization program involves two shots spaced about two months apart. Those who have received inoculations in 1961-62 may get a booster shot at this time.

Inoculations are being given at the Student Health Center of Delaware, and the tract "Power of Active Faith" is among his writings.

A nursery will be provided, and a tea will follow Mrs. Hemphill's address.

Concerning World Community Day, Mrs. Gerald T. Borchardt, president of the United Church Women of Newark, said "this worldwide effort to deepen the channels of peace will be launched by church women across the land with worship services to seek new guidance for our efforts, and in dedication of ourselves and our gifts as an expression of our concern and faith that peace in our time is possible."

Mrs. Arley B. Golden, wife of the Christiana Methodist Church pastor, will be soloist; and Mrs. Dorothy Patterson and Amy Rextrew of Newark, will participate in the service.

Mrs. Hemphill lived in Japan from 1925 to 1928, and through 1961 traveled throughout the Far East and Europe. "We are preparing sewing kits for women in Southeast Asia," Mrs. Borchardt said, "and working on sarongs and blouses for the women, and Eastern style clothes for youngsters, from materials supplied by Church World Service."

World Community Day has been observed since the early 1940's, and all interested church women are invited to attend the Nov. 2 program at Christiana Presbyterian Church.

## Water Service To Be Provided In Delaplane, Roseville Areas

Council Approves Requests From Residents Of Outlying  
Areas For City Water; VFW Plan For 1964 Convention  
In Newark Endorsed; "Conflicting Interests" Charged

Requests from residents of Delaplane Manor and Roseville Park for provision of city water with the extension of municipal mains at an estimated cost of \$24,000 were approved by a 5-2 vote; a proposal to hold the annual state convention for the Veterans of Foreign Wars in Newark in 1964 was endorsed; and Newark High School student candidates for council had departed before tempers flared and the meeting was adjourned abruptly at 11 o'clock in a discussion of "conflicting interests" of municipal officials at the regular meeting of Newark City Council last Tuesday night.

The city manager had recommended extension of water mains to serve residents of Delaplane Manor and Roseville Park in view of an anticipated surplus of \$300,000 in municipal money at the end of the fiscal year, but council representatives Betty McClendon and Henry R. Folsom, Jr., opposed the proposal. Mrs. McClendon urged that the street lighting program be completed first, and Folsom favored awaiting an "overall plan to guide us."

## 137 WORDS ABOUT FREEDOM

The greatest threats to individual freedoms are from forces outside our borders. But there is also a danger from within: the subtle, steady, persistent trend toward more federal-government-in-business . . . with its paralyzing effect on private enterprise.

Among many examples of this threatening trend, the electric light and power business is a case in point. In 1935 the Federal government produced less than one percent of the electric industry's total output. Today, this figure has soared to 15 percent — and advocates of government-in-business are constantly seeking to boost it higher.

When government owns business in this way, it controls economic power as well as political power. And in this situation, individuals find it increasingly difficult to defend their basic freedoms.

Don't take this risk! Stick to the concept of business as a free enterprise.

## Over the CLOVER

by Dean Belt  
4-H Club Agent

I just returned from Jackson Mills, W. Va., where the annual YMW conference was held. It was a very enjoyable weekend and certainly something all of you should try to attend some day. Anyone 17 to 30 may attend as a member.

Mr. Baker, state 4-H leader, attended along with Mrs. Bette Butler, leader of the Stump Corner Club in Townsend; Ellen Jean Perry, a Pencader Club member from Christiana; and Ray Johnson, a University 4-H Club member from Newark.

My wife Peg, qualified age-wise and joined our group also. A total of 31 attended from Delaware, Ohio, Maryland and West Virginia were represented with attendance of 285.

Ray Johnson delivered the Sunday morning message with a very outstanding and thought provoking "God and Science." Each delegate was given an opportunity to take part in some activity. The beauty of fall clinged an already enjoyable weekend.

The Green Leaf 4-H Club held their annual Parents' Night in the Christiana Methodist Church with over 90 members and parents attending a covered-dish supper. It

was an enjoyable evening for me as I awarded 23 members their pins for completion of their projects.

We in New Castle County have an IFYE representative visiting us. She is Matty van Baldeghem from Goes, Netherlands. Matty will spend three weeks in the county living with 4-H families. She is presently with the Walter Wiebe family of 2206 Jones Lane, Wilmington. Next she will move to the home of Mr. George Moore of Bear.

We have scheduled an assembly for all interested persons to attend and visit her country by way of an excellent slide series. This meeting will be Nov. 2, at 8 p.m. in

Agricultural Hall Auditorium at the University of Delaware. Invite your friends.

## Colonials Edge NHS 7-0 In 4th Quarter; Yellowjackets Face Bulldogs, Saturday

With less than four minutes to play, Colonial Quarterback Jon Summerton fired a 12-yard pass to Halfback Jim Gregg in the end zone, and William Penn's Blue Hen Conference leaders ripped Coach Bob Hoffman's Yellowjackets 7-0 as Gregg kicked the extra point before a Homecoming crowd in Newark last Saturday.

"I'm proud of our boys, defensively," Coach Hoffman said. "It was the hardest hitting game they ever played, and they completely throttled three deep drives by William Penn."

"Our passing offense just wasn't working," Hoffman said. Newark completed six of 22 pass attempts. The Yellowjackets play at Brandywine this Saturday at 1:30 p.m., against the Bulldogs who turned back De La Warr last Saturday 26-14, to share a 2-2 fourth place berth with Newark in the conference race.

William Penn with a 5-0 record, meets undefeated Mt. Pleasant this Saturday. The Knights have a 3-0-1 record after a tie with the Yellowjackets.

Newark drove deep into their opponents' territory time and time again last week, with Co-Captain Lee Hackney at fullback, leading a

## Jayvees Win 20-6 As Hayman, Ewan Score Touchdowns

Coach Ed Bearer's undefeated Jayvees defeated the William Penn junior varsity at New Castle last Monday afternoon, 20-6, with Quarterback Ken Eggleston firing two touchdown passes.

Halfback Charley Hayman caught one of Eggleston's aerials for a touchdown, and scored another on a 60-yard broken field run.

End Ken Ewan gathered in an Eggleston pass for the other touchdown.

The Newark JV's face the Brandywine Junior varsity here at home next Monday at 4 p.m.

## Nelson's Hens Outgain Villanova, Lead 10-8 On Field Goal, Fake In 22-10 Loss

Villanova turned back Delaware's Fightin' Blue Hens last Saturday 22-10—but an upset was in the making at halftime as a record Delaware Stadium crowd of 9200 watched the outgained Hens battle to a 10-8 advantage.

In a clean, hard-hitting ball game, Delaware managed to outgain the nation's fourth-best offensive power, 255 yards to 230, and roll up 16 first downs to the visitors' nine.

It was mostly Villanova in the second half, however, as the Hens saw another lead disintegrate. Of Delaware's six losses in the past two years, five have come as a result of come-from-behind rallies.

Delaware struck the first time they had the ball, driving 53 yards in 11 plays for the score. A 20-yard pass from Quarterback Ted Kempki, to Fullback Ron McCoy, and an eight-yard romp by Halfback Joe Slobjan on a fake field goal set up the TD scored by Left Halfback Mike Brown, on a one-yard plunge.

Kicking specialist John Osborn did his job and Delaware led 7-0.

The Hens thwarted a Villanova drive on the Delaware 13 as the quarter ended.

An 18-yard run by Villanova's Bob Merenda clinaxed a three-play drive from the Delaware 42 early in the second quarter. Merenda bulled across for a two-point conversion and it was Villanova 6, Delaware 7.

Shortly before the half ended, a Delaware drive stalled on the Villanova six and Osborn was called in to boot a 25-yard field goal, his second of the season, from a difficult angle.

In the third quarter, a Kempki aerial ended up in the hands of Wildcat tackle Al Atkinson, who ran the interception back on a 52-yard TD jaunt. Quarterback Richie Richman passed to end Jack Clifford for a two-point conversion.

The day's scoring ended as Villanova drove from their 12 to the Delaware 20 in 12 plays, and Larry Glueck crashed across for six points.

The game on downs at the Villanova 39. Senior Halfback Clint Ware, 155-pound scrapper from Salem, N. J., again won the heart of the crowd by carrying eight times for 32 yards and decisively blocking and tackling Villanova players who looked twice his size.

McCoy, senior letterman from Smyrna, showed that the loss of

## Ciesinski's Squad Faces Brandywine In Cross-Country

The undefeated Yellowjacket harriers of Big Ray Ciesinski, with victories over William Penn and Dickinson last Thursday and Tuesday, face the unbeaten Bulldogs of Brandywine High School this afternoon in a meet that will determine the Blue Hen Conference cross-country championship.

Newark and Brandywine have seven wins each.

Last Tuesday, the Yellowjacket cross-country runners walloped Dickinson 15-48, with Newark's Sam Bandak leading a field of five Yellowjackets — Co-Capt. Jon Owens, Jake Correll, Bruce Jones, and Tom Davies — ahead of Dickinson's first finisher.

Newark Co-Capt. Richard Hawthorne finished seventh, followed by his teammates Chris Shuster and Leon Wood.

Terry Crowe and Gerry Phodes finished 11th and 12, and Ken Shuster, 14th, with Dickinson's Morganstern finishing last.

The Yellowjackets edged a tough William Penn squad last Thursday, 26-30, with Newark's Jake Correll taking second place to lead Ciesinski's harriers.

Sam Bandak took third for the Yellowjackets, with Jon Owens winning sixth place, followed by Jones, Hawthorne, Chris Shuster, Davies, Crowe, and Rod Gillespie of Newark.

Soccer team faces a pair of home stands, with Johns Hopkins this Saturday at 2 p.m., and Western Maryland next Tuesday at 4 o'clock. Both games will be played on Frazer Field.

Coach Lynne Mosteller's Newark High School hockey squad is scheduled to play at Dickinson this afternoon, entertaining the Mt. Pleasant girls in field hockey here at home next Tuesday at 3:30 p.m.

## Delaware Faces Connecticut On Saturday In Homecoming Game At Local Stadium

The University of Connecticut will provide Homecoming Day opposition for Delaware's Fightin' Blue Hens this Saturday at Delaware Stadium, with the kickoff scheduled for 2 a.m.

It will mark the first meeting for the rivals since 1958, when Delaware won 28-0. The series which began in 1951, stands at an even-steven 4-4.

Coach Dave Nelson's Delaware team, a favorite for Middle Atlantic Conference honors, has defeated

three MAC opponents — Maryland, Maryland State and Virginia Tech. — in the series since 1958. Delaware's last victory over the Yankees was a 22-14 touchdown, and a 22-14 tie, the big league Villanova game was last 19-14, a period 21-14.

The UConn defeated the Delaware team at Maine last Saturday.

# THE NEWARK POST

Six

The Newark Post, Newark, Delaware, Thursday, October 25, 1962

**POSTED**

Big Larry Sjogren was not in evidence at his Larry's Landing beside the clear brown water of the Chester River just below Millington last Sunday morning, but his hospitable, friendly sign posted on the boat house informed us to help ourselves to boats and bait in this most unusual and heart-warming honor system.

With Newark's Gus Tagmon and a pair of Billy boys, we were laboriously netting and carefully counting minnows from Larry Sjogren's livebox when Larry, himself, appeared.

"Take some small minnows for crappies," Mr. Sjogren advised, dipping up a generous netful without the formality of a head count. And it was these small minnows that made the day.

Tagmon flipped a plastic worm from his spinning rod, beneath the golden red leaves of the brush along the Chester River banks as we rowed slowly down stream against the flooding tide, and several hundred yards below Larry's landing on the south side of the two-street-wide river, we anchored in the lee of a brush-covered island where a blue and silver-crappie promptly pulled a red and white float below the surface on a first cast with one of Larry Sjogren's minor minnows.

A second cast with the fly rod and its unusual float and live minnow combination resulted in another splashing, surging crappie — and some frantic changing of tackle by Billy Richards and his contemporary while veteran Gus Tagmon smiled in satisfied surprise at seeing fish for a change with his adult companion of other, barren sorties.

The crappie — "speckled perch" to Florida Fisherman Alex Cobb, and "croppie" to Tennessee Ben Peoples — were pulled aboard two and three at a time, and with a quick stringer full, we left this bonanza to seek bass and pickerel in a grassy cove downstream.

With a variety of artificials, and with big live minnows, we failed to arouse a fish, and the only excitement resulted with the dipping of a float by a strong bullhead minnow in an occasional surge for shelter.

The early morning rain and scudding clouds had been replaced by blue, blue sky, and warm, golden sunshine, and it was pleasant to fish, eat lunch and drowse in the sheltered cove, fish or no fish.

However, we had come to catch fish — and rowing back upstream, we caught another string of crappie beside a brushpile in an eddy at the end of an island, and fished on up to the headwaters of the river, taking an occasional yellow perch, sunfish, and crappie until time ran out — too early to really stop fishing but not too late to keep a dinner date with Ruthie and Joe Clancy and a young granddaughter just off Limestone Road near Newark.

"How come we're quitting already?" Billy asked. And it was a novelty to be driving home in daylight from a fishing trip.

**HEN HOME**  
Welcome home, Delaware Alumni! You will see many changes in Newark — including a new football team — and this current edition of the Fightin' Blue Hens is one of the best.

Dave Nelson's griders will face Connecticut after a pair of near things against big-time football opponents — Buffalo and Villanova. And the UConn are no soft touch, with a big win over Rutgers.

Happy Homecoming! And we think it will be all of that with a Delaware victory this Saturday.

## IMPORTANT TELEPHONE REMINDER

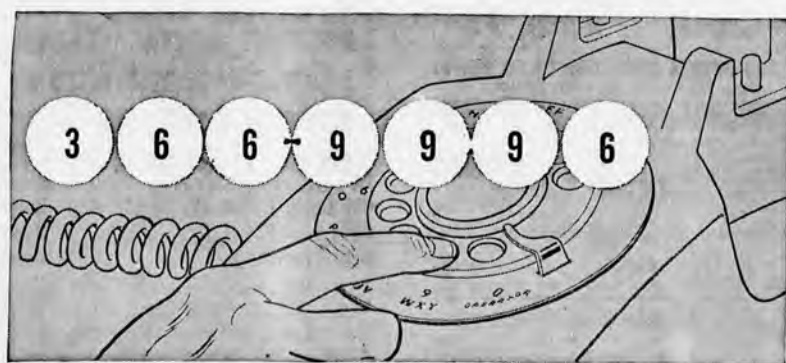

Code "1" is now in effect for all New Castle County customers

It is now necessary to first dial the numeral "1" when you telephone someone outside your local area

Use of Code "1" will prevent a misdirected local call from being billed to you as a toll call.

All customers who previously dialed 112 when calling outside their local flat rate area now only need to dial the numeral "1."

Also in effect: ANC for Newark customers. ANC (All-Number Calling) means telephone numbers without any letters of the alphabet. The number above is an example. The all-numeral method gives us many more telephone numbers than the 2-letter, 5-numeral method did—will enable us to keep up with the demand for service.

As a result, central offices in Newark don't have names any more—they are just numbers. Newark has three central offices; as follows: 366, 368, 737. Thus, in the sample number above—366-9996—the central office is 366.

### Little Art Donovan To Speak Monday At TD Club Lunch

"Little Artie" Donovan, veteran Gibraltar for the Baltimore Colts, will be the speaker for the Newark Touchdown Club's luncheon meeting next Monday at noon in the Newark Country Club, and Tom Nugent head football coach at the University of Maryland, will be the speaker for the annual banquet on Dec. 12.

John D. Garvick, director of sports information for the University of Delaware, addressed last Monday's meeting of the Newark Touchdown Club.

Garvick cited Delaware as a "good little football team," with the best record of any football team in the Philadelphia area, but said that the Hens were not ready for participation in a proposed Big Eight Conference.

Each of Delaware's opponents points for the Hens, Jack Garvick continued, because of what he termed "the myth of Delaware football supremacy."

Nelson's credo, Garvick said, was that football at Delaware is played for fun—with every desire to win, but without the heavy recruiting pressure exerted by some schools to produce big, winning football teams.

Garvick deplored last Saturday's boobying of Delaware Halfback Mike Brown, pointing out that Delaware football players are not professionals, and are primarily students doing the best they can in their studies.
