 Want to see your feed bill drop?
Try this: instead of a 20% protein feed, give your cows Southern States 16% Milkmaker this summer. It has plenty of protein and Total Digestible Nutrients (over 1440 pounds of TDN per ton) for feeding with good pasture . . . and its lower cost will save you about \$1.50 a month per cow. For a 40-cow herd, this amounts to about \$60.00 . . . a wo, while saving no matter how you look at it.

Yellowjackets Seeking Second Victory Of Season, They Ended 1951 Season On Line; Coach Dave Nelson Townsend Wins Starting Quarterback Position

Tomorrow night at 8:15 p.m. the Newark High School Yellowjackets will be seeking their second win of the young season when they meet Brown Vocational of Wilmington on home field.

At the same time the charges of Coach Fred Sposato will be looking for their seventh straight win over a two-season period. The Yellowjackets finished the 1951 season with five

period. The Yellowjackets finish straight victories and added the sixth last Friday night with a season-opening 32 to 0 conquest of Elkton High School.

Coach Sposato admitted this week that he was well pleased with the opening effort of the club against Elkton, especially the defensive olay.

offensively the locals were handicapped in the early part of the game by a series of fumbles and were not able to score of their own initiative during the first half. Both of the first half scores, one in the first and one in the second quarter, came on intercepted passes. Ive Thorpe, linebacker, had the honor of scoring the first Newark touchdown of the year when he snagged an Elkton pass early in the first period and ran 40 yards for the score.

snagged and ran 40 yards for the score.

Jerry Truskey, defensive back, tallied the second touchdown in the second period when he lugged an intercepted pass across.

Bobby Townsend, diminutive quarterback, finally got the Newark offensive clicking with the beginning of the second half and had a hand in two scoring efforts. A 20 yard pass to Dave Hurm gave the Yellowjackets their third score of the night and a little later Townsend himself bulled across from three yards out to notch the fourth. Dave Hurm tallied his second and Newark's final touchdown in the final quarter when he took a running pass from the arm of Danny Palmer into the end zone. Coach Sposato announced this week that Bobby Townsend has won the starting quarterback post from Jake Shew, who started the likton game, and Arthur Boulder will start at center against Brown in place of Bill Wetzel.

Despite the fact that Brown Vocational will start the season withonly four lettermen from last year's team which the Newark club trounced 21 to 7, Coach Sposato is wary of the charges of Joe Bradshaw and is preparing for a lough stattle.

# Delaware Set For Gettysburg In Saturday Night's Opener

Bullets Will Put Five-Game Win Streak With Which They Ended 1951 Season On Line Coach Dave Nelson Has Blue Hens In Excellent Shape For First Game

Sporting a five game winning streak carried over from the 1951 season and led by a new coach, John Yovicson, assistant coach last season, Gettysburg College will provide the opposition on Saturday night for the University of Delaware football team's opening game. The Wilmington Park contest will begin at 8:15 p.m.

With four weeks of strenuous practice behind them the \* Blue Hens have been pronounced ready for the opener by Head Coach Dave Nelson, and with the

Coach Dave Nelson, and with the exception of Jimmy Carbonetti and Jimmy Cooper, will be at full strength for the opening whistle.

According to Coach Nelson and his assistants the main concern for the coming season will be the lack of depth in the line. If the Blue Hens are able to avoid injury to such stallwart linemen as Capt.

Paul Mueller, Frank Hielig, Johnny Meccariello, Frank Serpico, Ben Mountain, and Bob Trivits, the chances for a successful season will be excellent. t 359 336 Joan St. John 423 345 John Lester 397 481 Sue Lester 339 9 Pud Lester 440 1529 Total 1599 x Senators E. Mackey D. Barlow P. Bush

There have been discussions at various local meetings about side-walks. I must admit we do have walks in must admit we do have wareas that should have sidewalks for the benefit of the children going to and from school in safety. The ordinance is in the books to enforce the building of sidewalks, but it is embarrassing to me to ask people to build them when the slate has areas around the college, and the school itself that do not have walks. It does not seen fair to punish certain individuals and then allow state owned property to be exempted. I feel that in cases that are absolutely necessary, the individuals involved will build the required walks without any legal entanglements.

All of our citizens during these trying times also have a responsibility to the City.

The City Police Dep'ts estimated cost to operate this year is \$40,000 a large percentage of our real estate tax revenue. They have added
