The White Oak Club has invited Branch Union and Corner Ketch Clubs to join in a vesper service on Sunday at 7:15 p. m. at the Hockessin Friends Meeting House. If the weather permits, the program will be held on the lawn. Lamar LeBron is general chairman.

Special guests will include George Worrell, dean of the School of Agriculture at the University of Delaware; Sam Gwinn and Maurice Field, state and county leaders.

The service will include call to worship by L. LeBron; hymn sing led by Sallie Evans; scriptures read by Mary Lou Derickson; prayer by Janet Pierson; vocal solo by Mrs. Fred C. Earle, of Hockessin; poem read by Kathy Schulz; and benediction by William Naudain.

The Waverly Club held its final meeting until Oct. 12 last Wednesday at the home of Mrs. Wilson T. Pierson on Southwood Road. Miss Sue Brackin was co-hostess.

Mrs. Joseph Ennis, safety chairman for the State Federation of Women's Clubs, discussed safety issues stating three important points as: Know Safety Rules, Obey the Laws, and Always be Courteous.

She pointed out that there are 60,000 drivers in Delaware, and that speeders in drunken drivers are the greatest menace and cause most accidents.

sources of funds for city financing. It is at present the most practicable one and will continue to be important. In a comparison study with other fast growing cities with approximately the same population as Newark, we have found that our property tax is low. In some cases these cities with a higher tax rate give many additional services which the citizens of Newark do not get, such as recreation facilities, adequate libraries, paid fire departments, and welfare aid.

Annual Reports
5. Better reporting of city finances to the public: (a) Annual financial report: We have been unable to obtain a copy of the annual report for the year ending Feb. 2, 1954. As of March 1, 1955, this report had not been printed. We recommended that a simplified financial statement be published annually, showing revenue by source and expenditures by principal classification.

(b) Budget: The budget should tell the taxpayer, in understandable form, how the city expects to spend his money and where this money is coming from. This should be published. The budget should also include an inventory of supplies and materials on hand. A complete inventory has not been included in the budget in recent years.

Uniform Policy
6. A definite policy be established in street and utility installation and maintenance: Much confusion has resulted from a lack of a definite policy. Ordinances pertaining to these matters should be enforced without exceptions and the cost should fall fairly on each property owner.

7. A new up-to-date edition of the city charter should be printed for circulation.

More Fine-Car Features than any other car priced so low!

POWER—Pontiac's husky 200-horsepower Strato-Streak V-8 with four-barrel carburetor, optional at low extra cost, delivers more power than any car within hundreds of dollars of its price. And road records show this power is teamed with the greatest economy in Pontiac history.

STYLE—No car at any price is so beautifully distinctive, Pontiac's future-fueled Strato-Streak styling and Vogue Two-Toning set it apart from all other cars—point the way to tomorrow.

SIZE—Pontiac is a big car where it counts—with a long, road-hugging 122" or 124" wheelbase. On any road, at any speed, you enjoy the feeling of genuine fine-car size.

COMFORT—Pontiac's extra size means big-car comfort—room to stretch out and relax. Wide-stance rear springs and Shock-Proof chassis float you along in luxury style.

If you were to guess Pontiac's price on the basis of its style, performance and size, you'd surely guess hundreds of dollars higher than its actual cost. Pontiac measures up with the finest on any point of comparison—except price.

It's a simple matter of fact that you can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

After a close inspection of Pontiac's luxury and quality and a few miles commanding its mighty 200-horsepower Strato-Streak V-8, buyers from both ends of the price scale are switching to Pontiac in record-breaking numbers. Come in soon for the clinching facts and figures. You'll make the very pleasant discovery that if you can afford any new car, you can afford a big, powerful Pontiac—and step directly into the fine-car class!

He encouraged the purchase of government savings bonds as a means toward stabilizing the economy. Mr. Neelan said the soundness of the dollar is affected by the nation's productive capacity, the amount of money in circulation at a given time, and creeping inflation in the economy. He said that despite a sharp drop in the purchasing power of the dollar since about 1933 the level of the consumer's price index has remained "fairly stable."

June 1 Deadline Set For Entries In Broiler Plan

1955 Junior Broiler
Program Offered For
Young Poultry Growers

Entries are now being accepted for the 1955 Delaware Junior Broiler Program. The deadline for turning in entry cards is June 1 and the program begins July 6, when contestants will receive their 50 wing-banded chicks.

Any boy or girl between 10 and 19 years of age is eligible to participate in the contest, which is sponsored by the Delaware Poultry Cultural Extension Service. Entry cards must be signed by a parent and either a Vo-ag teacher or 4-H Club agent.

Contestants are encouraged to get their own chicks from a nearby source, keeping in mind that they want meat-type birds from a pullet-typhoid clean source. Delaware hatcherymen are donating some chicks for contestants who are unable to purchase their own. Those obtaining free chicks must give them good care, and feed a commercial mash.

Boys and girls participating in the project will receive help and supervision from their advisors through a series of mimeographed information letters and by training sessions.

Each contestant will select six cockerels for dressing, judging and displaying at the close of the project, and will be responsible for delivering them to a place to be designated at a later date. These six birds will become the property of the committee to be used to help cover expenses.

These prizes will be awarded to contestants raising the best birds: First, \$25 plus a trophy; second, \$20; third, \$15; fourth, \$10; fifth through tenth place, \$7.50 each; and 11th through 20th, \$5 each. Certificates of merit also will be presented to winners of the first four places.

If you don't say anything, you won't be called on to repeat it.

Moderator Pete Cooper appointed Ginny Hurn chairman of the fellowship commission; Patsy Jarman, chairman of the outreach commission; Georgiana Gray, chairman of the witness commission; John Miller, chairman of the citizenship commission; and Sue Gore, chairman of the safe commission.

New officers and commissioners of the Senior High Fellowship, together with the officers of the Junior High and University fellowships, will be installed at a service of Holy Communion this Sunday evening, at 7 o'clock.

The Rev. Robert W. Andrews, minister of Christian education in charge of the Westminster Fellowship program, will preach at the First Presbyterian Church 11 o'clock service next Sunday morning.

YELLOWJACKET HIGHLIGHTS

By the Journalism Class

Vacationers

During Newark High's Easter vacation, many of the students enjoyed holiday trips.

A trip to Florida was shared by Libby Woolleyhan, her brother Jon, and Louise Lattoma, who took the trip with the Woolleyhan family.

Highlights of the trip consisted of visits to Miami, Naples, St. Augustine, and St. Petersburg. A two-day stay at Ocean Shore, Miami, allowed the group plenty of time for swimming and acquiring a Florida suntan.

Syble Crawford was another student to take advantage of the vacation to see the country as she journeyed with her family to Arkansas, Kentucky, and Illinois where she visited relatives.

Others who took vacation trips are: Joan and Carol Byram who had a visit to the northern part of the country where they spent five days in Detroit, and two days touring Canada; and Patsy and Doris Griffith enjoyed a three-day fishing venture in Northern Michigan.

Fred Chaffart had a three-day stay with friends in New Jersey. Millie Schofield traveled to Columbus, O., where she stayed with a girl friend. Visits to Pennsylvania were taken by Pat Seni, at Mt. Pleasant, and Roberta Hye, who went to Tamaqua.

A trip northward was made by Nancy Myers who visited with relatives at Niles, Mich.

Carl Ann Thorp
Carol Ann Thorp, a senior at Newark, born May 6, 1937 in the Wilmington General Hospital, came to us in the ninth grade from Christiana School, and is taking the academic course, planning to attend the University of Delaware and major in English.

"Thorp has blue eyes, light brown hair, stands 5'3", and weighs 119. She played forward on the intramural basketball team, is a member of Tri-Hi-Y, Girls' Leaders' Club, Girls' Chorus, A-Cappella Choir, and vice-president of 12-D home room.

Carol's list of favorites include June Allyson, actress; Marlon Brando, actor; "On the Waterfront," pizza pie, "A Good Man is Hard to Find," English and A-Cappella.

Her pet peeve is people who indulge in alcoholic beverages and she thinks going steady is fine as long as it is not serious.

"Thorp," whose hobbies are playing the piano and singing, spends her spare time riding around with the girls. Her secret ambition is to head the English department in Newark High School. Ten years from now she plans to have full charge of Mr. Justin's classes—following his retirement.

—Carolyn Chalmers

Carolyn Virginia Chalmers
Better known as "Chilli," Carolyn was born at Flower Hospital in Newark on Sept. 29, 1937.

This hazel-eyed, dark-haired senior stands 5'5½" and weighs 110 pounds. She has the secret ambition of gaining 20 pounds so that she will be as fat as "Nutty" is. In ten years "Chilli" plans to be married and bringing up her first set of twins.

As captain of the hockey team, Carolyn played left halfback, and on the basketball team she played right forward. An active participant in many activities, she is treasurer of the Beta Tri-Hi-Y, secretary of her homeroom, and a member of "Buzz" and Leaders' Club. When

Newark New Century Club Women Attend Convention

Representing the Newark New Century Club at the State Federation of Women's Club convention at Laurel, Del., last Thursday and Friday were Mrs. Russell L. Hardy, Mrs. E. B. Milburn, Jr., Mrs. Daniel Stoll and Mrs. E. Vernon Lewis.

Thurston B. Morton, Ass't Secretary of State, was the principal speaker at the Thursday night banquet attended by Gov. J. Caleb Doggs, Senator and Mrs. J. Allen Frear, Jr., and Dr. and Mrs. John A. Perkins.

Mrs. Wm. O. White and Mrs. R. O. Bauman of the Newark club, attended the Thursday morning board meeting, and the Friday afternoon session.

asked her opinion of going steady "Chilli" quickly replied, "Not in your senior year!"

Along the celebrity line, she prefers Esther Williams, Tony Curtis and Eddie Fsher. She enjoyed the movie "Easy to Love" and likes to listen to the song "Sincerely."

"Chilli" could eat spinach any old time, but she can't stand spoiled boys. In her spare time she likes to ride around and live it up.

An academic student, Carolyn plans to take elementary education at the University of Delaware. "All the fun I had with all the kids," is what she will remember most about Newark after she graduates.

—Kathy Lanning

Patsy Wuestenhagen
"I will always remember the friends I made at Newark," said Patsy Wuestenhagen in an interview in March on the day she left Newark for Dover High School.

Patsy, a junior, attended schools in Massachusetts, Maine, and Pennsylvania before coming to Newark High last September.

She has brown eyes and light brown hair, is 5'5" and weighs—? (that's a secret).

While at NHS, Patsy was a member of BUZZ and dramatics class. In her free time, she reads, jitters, and teaches her parakeet to talk.

Esther Williams, Bing Crosby, all jazz singers, "Sincerely," and food of all kind rate tops in her book, while she doesn't care for people who try to act older than they are.

"Going steady is all right, if you don't move too much," is Patsy's comment in that area.

Patsy plans to go on to school for training in medical technology after finishing high school.

He served with the army in the Southwest Pacific, and also attended the University of Virginia law school. Before being appointed to Clayton, he was minister of the Methodist Church in Felton, Delaware.

Fear Cites Controversy Over Bricker Amendment

One of last year's most controversial pieces of legislation is again receiving the attention of Congress and according to United States Senator J. Allen Frear, the division of public opinion over its merits is just as strong as ever.

The issue referred to by the Delaware Senator is Senate Joint Resolution No. 1, otherwise known as the Bricker Amendment. This bill, offered as an amendment to the Constitution is designed to protect the nation against possible adverse effects from international treaties or executive agreements.

A leader is best when people barely know that he exists.

IT'S ALL BUICK

-AND ALL YOURS

for only **\$2319⁸⁸** * delivered locally!

You certainly can throw out your chest and call this Buick yours.

Because—as comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is virtually erased.

So if you've been thinking a Buick was out of reach—let yourself go. You can afford a Buick if you can afford any new car—and the price we show here proves it.

Buick Sales Soaring To New Highs

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the car

you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflo™ at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series

*2-door, 6-passenger Buick SPECIAL Sedan, Model 49, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster—\$81.70; Radio & Antenna—\$92.50.

DID YOU KNOW—

- ★ —that the Buick SPECIAL is priced below any other car of 183 horsepower and 122-inch wheelbase?
- ★ —that the Buick SPECIAL is priced below some models of the three well-known smaller cars?
- ★ —that the Buick SPECIAL includes as standard equipment at no extra cost a long list of items usually charged for as "extras" by other cars—items such as direction signals, automatic lighting of glove compartment, variable speed windshield wipers with vacuum booster, and so on?
- ★ —that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

Meats and Poultry
Favorite picnic foods and barbecue and fryer supplies are expected to rise above 1954 levels during early summer. You may find more and more favorite prices for a free booklet showing just what you can have for your family or for a large picnic during warm weather.

Other economical meats this week are shoulder cuts of lamb, leg of lamb, pork loin roasts, picnic shoulder of pork, shoulder cuts of veal, ground beef, chuck roasts and beef veal and lamb stew meat.

Dairy Products
Seasonal increases in milk supplies mean that a big sales drive is being conducted on all dairy products. Look for special promotions on cottage cheese, so popular for warm weather salads, and take advantage of promotional price reductions as they appear on butter, cheese and other products. Do not expect large price changes, however, because milk production is down slightly from 1954 and consumption is higher.

Shad is still the most thrifty fresh fish in Delaware stores. Best buys in frozen seafood include cod, haddock, ocean perch, pollock and cod and perch fish sticks. Canned tuna prices are expected to strengthen as warmer weather approaches, although current prices are reasonable.

Fruits and Vegetables
Apple stocks are running over 30% above last year. Prices on Staygreen and Rome apples from nearby states are low, although most of these eastern apples have been discolored somewhat by scald, a disorder usually confined to the skin. Western Winesap apples are only moderately priced. Strawberries are still rather high in price even though shipments now are coming from points as close as Virginia. Rhubarb is in peak supply, selling at very attractive prices and permitting thrifty rhubarb pies, stews and sauces.

Yellow sweet corn prices have declined further. All types of green leafy vegetables are inexpensive on this week's market. Other good buys in vegetables include Texas onions, scallions, radishes, carrots and mushrooms. Early watermelons are arriving on the market at premium prices.
