The Knoll, Former Residence Of Presidents To Be Razed

Famed 100-Year-Old Landmark On Newark Campus To Be Torn Down After Housing Past Presidents, U.D. Students; Old Infirmary Also Scheduled To Be Razed

The Knoll—famed as the "Residence of Presidents" on the University of Delaware campus in Newark, focal point of thousands of students and faculty, particularly during the residence of the late Dr. Walter Hüllihen—will be torn down, although future use of the 3½ acre site of the year-old frame, 12-room residence, has not been determined, faculty members said this morning.

The Knoll has a nostalgic appeal for generations of alumni and faculty members. For years it was the custom of the late Dr. Hüllihen to entertain guests at the Knoll, an honor eagerly sought by many faculty "get-togethers."

Knoll in its day was also a place of many faculty "get-togethers." The sentimental feeling for the Knoll permeated to the 16 girls who for some time now have been making it their dormitory.

Dr. Hüllihen's home. Hüllihen took over the administration and the Knoll in 1920, and lived there until 1947.

Knoll was not used by Dr. W. D. Hüllihen during his administration. It was the last place he lived at the Knoll—for a period of time in 1947.

Knoll was built by Dr. Clark, who purchased the land from Evans, who at one time owned an extensive brick plant on the site.

Bd. of Education Approves Tax Cut Of 75 to 72 Cents

School Tax Reduction To Become Effective For Newark Area, July 1

School taxes in the Newark school district will be reduced three cents July 1, as the local school board approved the reduction from the present 75 to 72 cents at their regular monthly meeting last week.

The large increase in base assessments, from \$83,069,997 this year to \$77,906,600 next year, is the reason for the tax cut.

The 72 cent rate is based on 48 cents for bonded indebtedness (the premium and interest on bonds, which includes the recently passed \$800,000 bond issue; 22½ cents for current expense (the legal limit is 30 cents as approved by previous referendum); and 14½ cents required by law to provide \$10,000 for the public library.

The reduction in tax is possible despite the fact that two new schools, the Jennie Smith Elementary School and Ogletown Junior High School, are nearly completed, and additions have been made to the Newark Senior High School.

The board accepted the resignations of Mrs. Iris Phillips, elementary teacher; Mrs. Gladys Bath, elementary music teacher; and Kinmonth Jefferson, English teacher in the high school.

The following appointments were approved: Mary Ann DePaul, Mrs. Kathleen Reinert and Mrs. Elizabeth Turner, elementary; Miss Carol Boyle, music; Mrs. Elizabeth Rosenberry, librarian; Frank Irwin and Charles Manning, custodians; Mabel Lovett, temporary, elementary; Janice McElhaney, secretary in the senior high school; and Mrs. Mary Thorp, Ogletown Junior High School cafeteria manager.

Delaware Jaycees To Hold Road-E-O Sunday At Newark

Best Teen-Age Driver To Receive \$500 Prize At Chrysler Plant Lot

Judges for the State Safe Driving Road-E-O at Newark on May 18, sponsored by the Delaware Junior Chamber of Commerce, have been announced by S. David Kirk, chairman.

National sponsors of this contest will be represented by H. E. Russell, Pure Oil Company, Seaford; Fred J. Sievers, Delaware Trucking Association, Wilmington; Edwin J. Liberty, Mutual Insurance Company, Wilmington; and Herbert Wright, Chrysler Corporation, Newark.

Newark Mayor Frank Durnall and Colonel John Ferguson, Delaware state police, also will serve as judges.

Mr. Russell will present the best teen-age driver in the state with a \$500 scholarship donated by the Pure Oil Company. This teen-ager, who must be between 16 and 20, will be one of the 10 finalists selected by his community and his local Jaycee chapter to represent them in this state contest.

The State Road-E-O finals will start at 1 p.m. on the Chrysler Parking lot this Sunday, and will consist of a written examination and a behind-the-wheel skill driving test through a series of pre-arranged obstacles and through the streets of Newark.

Newark will select its participant this Saturday morning, over the same course at the Chrysler lot. Newark City Manager J. J. Salvo will present prizes donated by local car dealers and insurance agents, to the top drivers.

Student Council Candidates Protest Cut In NHS Girls' Varsity Sports Program

The keynote in campaign speeches for next year's Student Council leaders at Newark High School's elections last Friday was an all-out effort to retain girls' varsity sports in the athletic program. All eight candidates appeared quick to respond to student body wishes to oppose any restricting of girls' varsity sports. With the elimination of varsity basketball and softball next year, the girls' athletic card may be confined to field hockey.

Successful candidates for office are President Donald Woodmansee; Vice-President Richard Feeney; Secretary Kay Hooker; and Treasurer Dennis Conlay.

Church Benefit Officials

Discussing the program with Mr. Clark are (left to right) Mrs. G. T. Borchardt, First Presbyterian; Mrs. Mike Aronson, Jewish Community Group; Mrs. David Morrison, St. Andrew's Presbyterian; Mrs. Ernest Gillespie, Methodist; Mrs. William P. Cooke, Kingswood of Brookside Methodist; Mrs. M. D. McMullen, White Clay Creek Presbyterian; Mrs. Steve Barzewski, St. John's and Holy Angels Catholic; and Mrs. J. F. Link, St. Thomas Episcopal Church.

Annual Church Benefit Day To Be Held At Newark Department Store On May 21

Eight Newark area churches will receive funds from the Newark department store next Wednesday when the store holds its annual church benefit day.

A percentage of gross receipts will be turned over to local religious groups which have asked to be included in the benefit program.

Shoppers may indicate the church to which they wish the percentage of their purchase price to be sent. Churches included in the benefit day are the First Presbyterian, Newark Jewish Community, St. Andrew's Presbyterian, Newark Methodist, Kingswood of Brookside Methodist, White Clay Creek Presbyterian, St. John's Catholic, and St. Thomas Episcopal.

Morrison, Mulholland Named National Aides

Curtis Morrison and Charles Mulholland, Newark, have been appointed national aide-de-camps, recruiting class to the commander-in-chief of the Veterans of Foreign Wars, Richard L. Roubush, Indianapolis, Ind.

In making the announcement, Commander Roubush cited Morrison and Mulholland for outstanding work in the field of membership and said: "I deem it a real pleasure to have them serve on my personal staff."

McKenry Selected Newark President Of Optimist Club

The Newark Optimist Club recently elected and installed officers for the year, with Harry McKenry as president; Julian Rittenhouse, vice-president; Richard Hamlin, secretary; and Wallace Butterworth, treasurer.

McKenry, who succeeds Paul Shirkey as president of the Optimist Club, resides with his wife and two children in Brookside. Educated at Newark High School and the University of Delaware, he is employed by the Atlas Powder Company in the industrial relations department; is manager of a Newark Little League team, and assistant superintendent of St. Andrew's Church School in Brookside.

Edward Ashcraft and Angelo Cataldi were appointed to the board of directors.

Columbian Bill Frank, guest speaker at the installation ceremonies conducted by Optimist Lieut. Governor Robert Armstrong of Avon Grove, Pa., showed slides depicting the history of Delaware.

Top Junior Class Students At NHS

Members of the Newark High School junior class—and now members of the National Honor Society after recent selection and induction for high scholarship and participation in school activities—are (left to right, front row): Susan Shields, Jari Lee Childers, Nancy Weinberg, Patricia Edwards, Nancy Hale, Anne Hoghead, Ruth Bacon, Jean Parker, Phyllis Batten and Delores Massado.

Nottingham Green Bentley Section To Open Sunday

Franklin Builders Plan New Home Design, Novel Buying Counsel Service

The Bentley section of Nottingham Green, a limited group of new homes, will have its official opening this Sunday, according to Leon N. Weiner, president of Franklin Builders. Situated on Nottingham Road, opposite the Newark Country Club, the Bentley section offers a varied group of center hall home designs.

The Regis and the Drake are both split-level ranchers, new Franklin Builders designs that incorporate the comforts and conveniences of one-level living with the space and impressiveness of split-level arrangement. Each of these models offer three or four bedrooms, living room, dining room, kitchen, and bath, plus powder, recreation, utility, and storage rooms with optional carport or garage.

A new service to prospective home buyers in connection with the opening of the Bentley section was announced by Henry L. Weinstein, vice president of Franklin Builders. For the first time anywhere in Delaware, this new type of advisory service is being made available. In line with their policy of providing a complete and personalized service to home buyers, Franklin Builders now makes available the advice of trained representatives to determine the most suitable home for each family.

In their survey for the home buyer, experts will consider size of the family unit, ages, income, hobbies, employment and recreational interests. After a compilation of facts, the home most suited to the needs of the family can then be recommended.

"The largest single investment made by most families in a lifetime is the purchase of a home, and that is the purchase of the most careful consideration," Weinstein said. "It is Franklin Builders' sincere desire to assist home buyers in making the correct selection—to help them with professional advice. Our home planning counselor service has been designed to meet a long-felt need."

The Bentley section at Nottingham Green will be open daily and Sunday from noon to 9 p.m.

Aetna Firemen Respond To 67th Alarm of Year

Volunteer firemen of the Aetna Hose, Hook and Ladder Company responded to their 67th alarm of the year last Monday at 2:17 p.m. when a tractor-trailer fire was reported west of Glasgow on Route 40.

The fire in the vehicle of the Whitney-Turner Construction Co. was extinguished with no injuries or damage reported.

League Chairman

Membership chairman for the Newark League of Women Voters, Mrs. E. Wakefield Smith, is in charge of arrangements for a membership tea to be held this Sunday.

"A citizen's responsibility in politics is to be the theme of a talk to be given by Mrs. Margaret Manning at the tea. Mrs. Manning, of Wilmington, is the only woman member of the Delaware State Legislature. She represents the eighth district. Although the League is a non-partisan organization, it is not contrary to League policy to occasionally have a speaker affiliated with a political party.

The tea will be held at the home of Mrs. Joseph R. Perkins, Jr., Chestnut Hill Road, Newark, from 3 to 5 p.m.

Festival Of Arts Opens In Newark Room For Gallery Display Of Local Paintings

The Newark Room, a community room on the lower level of the Newark Department Store, has been transformed into an art gallery for the 1958 Newark Festival of the Arts.

Under the direction of Mrs. Gina Plunguian, a two-week exhibition of the best paintings of Newark area artists will be presented.

Paintings were submitted last weekend for scrutiny by a panel of three judges—Miss Harriet Baily, former chairman of the University of Delaware art department, and Julio Acuna and Stan Brodsky, art instructors at the university.

The gallery will be open to spectators from 9 to 9 on Wednesdays and Fridays, and from 9 a.m. to 5:30 p.m. on other days. The show will close at 5:30 p.m., Wednesday, May 28.

Mayor Urges Need For Speed In Cleveland Ave. Extension

Funds Available For State Highway Dept. Extension Of West Cleveland Avenue, Durnall Cites, Providing Prompt Action Is Taken; New DP&L Contract Is Sought

At the first regular meeting of Newark's new City Council last Tuesday night, Mayor Frank M. Durnall urged that every effort be made to extend West Cleveland Avenue to Main Street during the current year to utilize the appropriation for such construction by the State Highway Department; Harry Crissman was appointed Newark Civil Defense director; and in an effort to obtain some \$50,000 annually in

NAM Speaker

Additional revenue from the sale of electricity in Newark by the Delaware Power & Light Company, the city is to give the utilities firm six months prior notice of intent to terminate the current power contract.

City Manager J. J. Salvoara requested council advice on a time limit for notifying property owners to be affected by the street extension, suggesting a six month notice to vacate.

"I am positively opposed to such a delay," the Mayor said, intimating that six months was too long a time to wait. "The money is available this year," he continued, "and we should not delay in moving ahead with the aid of the State Highway Department in extending West Cleveland Avenue through to West Main Street."

It was brought out that no official notice had been issued and Councilman William Coverdale pointed out that the city charter requires negotiation with property owners as a first step in acquiring rights-of-way.

Spectator Grover Surratt observed that "a notice to vacate was a bit hasty before the purchase of property is discussed" and the city manager announced that an appraisal of properties concerned with the street extension would be presented at the next regular council meeting, with Sam Hanby, Wilmington, providing professional appraisal.

Harry Crissman was appointed to succeed Wallace G. Johnson, resigning as Newark Civil Defense director.

Franchise Fee
In a discussion of the Delaware Power & Light Company suit against the City of Newark for the city attempt to levy a franchise fee of one-half mill per kilowatt hour for the sale of electricity to major consumers supplied directly with power within the city by DP&L, Councilman Coverdale urged enactment of an ordinance revoking existing ordinances governing DP&L activities within the area—ordinances to which Chancellor Seitz referred in his recent ruling against the city in the DP&L suit.

Coverdale pointed out that city intent to terminate its that city power rate agreement with the utilities firm by June 1, 1958 was necessary in order to negotiate a new contract for next year, and council approved such notice, referring the proposed repeal of existing ordinances concerning DP&L and the City of Newark, to specially employed city attorneys for evaluation.

Public Parks Plea
The Newark Recreation Association and the League of Women Voters urged council to obtain "adequate assurance for public lands in all annexed areas," and "not to accept developments without provision for park and recreation land."

Grover Surratt pointed out that sub-division regulations merely provided that the city may purchase such land from the developer, and that requiring a developer to give such land to the city "is depriving a man of his property without due process of law."

The solicitor was authorized to prepare an ordinance rezoning the Datto tract out New London Road from RS to RD; and two ordinances providing a municipal election holiday, and rezoning the seven-acre Wilson tract east of the Newark Country Club and west of New London Road, from RS to RD, were given first, official readings.

The first reading of a proposed ordinance to annex the Fairfield property to be zoned RS, was held pending a stipulation of the acreage concerned.

Safety Good Turn
Scoutmaster Kenneth Crouse was authorized to stencil "Walk with light" on the sidewalks at all traffic lights in the city as a project in the national Boy Scout Safety Good Turn program; City Secretary Charles Long reported that \$4,775.26 of the \$8,246.13 in delinquent taxes had been collected; and copies of the proposed municipal housing ordinance will be distributed upon request at the suggestion of the United Church Women of Newark.

A meeting in the near future is to be arranged with State Highway Department officials to discuss adjustment of any error in the West Main Street intersection at the B&O tracks, and Spectator Francis McCann suggested amending the present agreement with the highway department, stating that he could provide figures showing the loss in business as a result of present traffic routing.

Commenting on the report of 46 radar arrests in April, Councilman Coverdale was assured by the city manager that radar was being used "to prevent the high accident frequency, and not as a trap for revenue."

The provision of free city water for the Newark Recreation Ass'n was approved; council authorized the advertisement of bids for a new automobile for the public works department; and the payment of city vouchers for March and April in the amount of \$78,952.48 was approved.

Student Loan Fund Planned by Haskell To Aid Collegians

A plan to set up a student loan fund to assist college students who are unable to complete their schooling because of financial reasons was outlined Sunday by U. S. Rep. Harry G. Haskell, Jr., (R-Del.). "The bill that I plan to introduce would have the Federal Government assist higher educational institutions to set up a fund for making low interest rate student loans, with the Federal Government contributing 80 per cent of the fund and the institution 20 per cent. The fund would be administered by the institution," explained Mr. Haskell. "The money loaned to the student would be repaid in 10 annual installments beginning one year after leaving school. The principal features of this proposal would be that any loan to a student could not exceed \$1,000 for any one year. Students would have to maintain full-time attendance and remain in good standing." "Such a loan insurance program would make it possible for every qualified student with the necessary will and determination to obtain a college education," Mr. Haskell said. "And I intend to do all I can to see that it passes."

Two Newark Collegians Win Aid To Doctorates

Two Hagley fellows, residing in Newark and graduating next month at the University of Delaware with master of arts degrees, have won awards to continue their studies toward doctorates in history. Ralph D. Gray is the recipient of a graduate fellowship at the University of Illinois, and Carroll W. Pursell, Jr., a teaching assistantship at the University of California.

This has been an exciting week at the Christiana School, with class members and the grand climax of the "Spring Hop" on Friday evening in the school auditorium. This record dance is sponsored by the seventh grade students, who have invited students of Newark Junior High School to attend. Music will be provided by the school band and refreshments will be served.

The school participated in the state drill last week. The children were designated to represent the state in the drill areas, where they remained until the all-clear was given.

In the last fire drill, the school completely emptied in 18 seconds.

A new nylon cord has been installed in the school. It is the kindness of James Moore Brothers, electricians.

Work on grading, drainage, and fencing of the schoolground is underway under the direction of Earl Downing, contractor.

Graduation exercises at the school have been scheduled for Tuesday evening, June 10.

The United School Legislative Sub-Committee on Teacher Retirement in Delaware held a meeting in the Christiana School recently. Edwin J. Hughes, local principal, is chairman of this state-wide committee. Mr. Hughes has also been selected as a delegate to the annual convention of the National Educational Association in Cleveland next month.

Mrs. Howard Perry and Mrs. A. D. Kiser were in charge of a mother-daughter tea for members of the Christiana Girl Scout Troop 80 last week in the Methodist church. The girls served refreshments and presented a program including piano selections by Mary Backiel and

Lillian Cleaver; a tap dance by Mary Kiser; a vocal solo by Louise Vincent; and a play featuring Lillian Cleaver, Mary Backiel, Georgeann Thorp, and Helen Crossland. There was also a fashion show of skirts the girls had made as a Scout project.

Brownie Troop 136, under the direction of Laura Mae Vincent, has completed its Mother's Day project of covering dress hangers. At this week's meeting the Brownies were initiated into the mysteries of crocheting.

Worship services will be held as usual in the Christiana and Salem Methodist churches this Sunday, while the pastor, the Rev. A. B. Golden, attends the annual Peninsula Conference in Wilmington.

A group of young people met at the Christiana Presbyterian Church on Sunday afternoon to attend a Westminster Fellowship Rally at Happy Valley Camp near Port Deposit, Md.

Personals

Debbie and Billy Kee were weekend guests of their aunt, Miss Elizabeth Kee, in New York, where they shopped, went sight-seeing, and visited the Dave Garraway show on Sunday afternoon. The children traveled to the city by bus Friday afternoon and returned by plane Monday morning.

Paul Cole, son of Mr. and Mrs. Andrew Cole, Christiana-Stanton Road, is recuperating at home following a tonsillectomy last week.

Weekend visitors in Delaware were the Rev. and Mrs. Andrew Anderson of Louisville, Ky. The Rev. Anderson, brother of Mrs. Howard Greene, was guest minister at Emmanuel-on-the-Green Episcopal Church, New Castle, on Sunday morning. A former rector of the church, he was honored at a reception following the service.

Sympathy is extended to the family of Mrs. Mary Marvel of Mill Road, who died in the Wilmington General Hospital on Saturday. In addition to her husband, David, she is survived by three sons, David A. Jr., Joseph R., and John L. Marvel, and three daughters, Georgette, Anna, and Kathleen Marvel—all at home.

Delaware Food Market Report

U. of D. Agricultural Extension Service
By Anne Holberton

Right now is the best season for most fruits so that accounts for the high prices and relatively poor selection. Supplies are continuing small on most fruits, however, pine-apple proves the exception. This fruit is coming in in big volume with prices reasonable.

There is plenty of outdoor rhubarb and prices are reasonable. This particular fruit can be frozen easily, so for those of you who have home freezers and like this fruit, freeze it now while it is in season. The cold rains have delayed the

strawberry season. Prices remain high and quality is variable. However, shipments are expected to increase soon. Local and New Jersey asparagus is plentiful. The peak of the season has been delayed by unfavorable weather. When you are buying this vegetable this weekend, try to get bunches or stalks as free from dirt and sand as possible. It may be necessary to take a vegetable brush and "scrub" the bud end before cooking. With all the recent hard

rains, sand has been washed into much of the asparagus crop. Eggplant is in better supply, averaging 23 cents a pound. Green peas are arriving in higher quantity and prices have dropped. The only thing I can say about meat is that prices are HIGH. It seems more and more hamburger, frankfurters, canned meat, cold cuts and sausage are being sold each day.

Attention is called to the Special Provisions in the proposals, the specifications and the Contract Agreement. The provisions of the Federal-Aid Highway Act as amended are applicable to Federal-Aid Projects. Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the advertised specifications. The employment agency for these contracts shall be the Delaware State Employment Service whose offices are located at 601 Shipley Street, Wilmington, Delaware, 11 E. North and North Race Street, Georgetown, Delaware. Performance of the contract shall commence within ten (10) days after execution of the contract and be completed as specified. Monthly payments will be made for ninety (90) percent of the construction completed each month. Bidders must submit proposals upon complete forms as provided by the Department for bidding purposes. Each proposal must be accompanied by a surety bond, certified check, or money to the amount of at least ten (10) percent of the total amount of the proposal. The envelope containing the proposal must be marked "Proposal for the construction of State Highway Contract No. _____". The contract will be awarded or rejected within thirty (30) days from the date of opening proposals. The right is reserved to reject any or all bids. Prospective bidders who have been prequalified in accordance with the requirements of the Standard Specifications may obtain contract documents from the Highway Department office, Room 202, Aiden Building, 11 E. North Street, upon payment of five dollars (\$5.00) for each set. Contract documents need not be returned and the above payment will not be refunded. Make checks payable to the Delaware State Highway Department. DELAWARE STATE HIGHWAY DEPARTMENT By: J. Gordon Smith, Chairman R. A. Haber, Chief Engineer May 7, 1958 Dover, Delaware May 15, 22

A service emblem representing 10 years of continuous service with Tidewater Oil Company has been awarded to Theodore Siawleski, of Glendale, Newark, who is employed at the Delaware Refinery. He was one of 26 employees cited recently for long-service with the company.

Lydia Cunningham Dies On May 7th After Long Illness

Mrs. Lydia K. Cunningham, 49, wife of John C. Cunningham of 24 Tyne Avenue, Newark, died Wednesday, May 7 in Devines Haven, Elkton, after an illness of 13 years. Mrs. Cunningham, a native of Federalburg, Md., had lived most of her life in Newark, where she was a piano teacher. Before her marriage she was employed in the agricultural department of the University of Delaware and had last been employed in the bio-chemical plant in Newark.

In addition to her husband, former Newark Fire Chief, Mrs. Cunningham is survived by several aunts and uncles. Services were held Saturday at 2:30 p.m. in the R. T. Jones Funeral Home, with interment in Graceland Memorial Park.

Two Newark Men Win Promotions With Tidewater

The promotion of two Newark area men to the posts of general service shift supervisors at Tidewater Oil Company's Delaware Refinery was announced recently by George C. Caine, division manufacturing manager. George E. Bowers, and George T. Welcher, Chestnut Hill Estates, have been awarded promotions.

Bowers joined the company at the former Bayonne Refinery in 1923 as a helper in the pipe shop. In 1925 he transferred to the plate shop as a tinsmith's helper, where in 1936 he was promoted to tinsmith second-class and in 1939 to tinsmith first-class. He was named a general service operator at the Delaware Refinery in 1956, his last post prior to the new promotion. Welcher came to Tidewater in 1922 as a messenger at Bayonne. In 1923 he transferred to the masonry department as an apprentice, becoming a first-class bricklayer in 1931. In December of that same year he was named mason foreman. He has been employed at the Delaware Refinery since 1956 as a general service operator.

Hens Meet PMC Cadets Today After 16th Win Over Temple

Delaware Baseball Team Makes Strong Bid For NCAA Tournament To Be Held In Nebraska; Hens Win Over Rutgers By Forfeit, Whitewash Franklin & Marshall

Coach Harold Raymond's Fightin' Blue Hens face the PMC Cadets at Chester today, in quest of Delaware's 17th victory and what appears to be a more and more likely bid to the NCAA baseball tournament to be held at Omaha, Neb. Raymond's rampagin' Hens trampled Temple away on Tuesday, 10-0; won a weird 9-0 forfeit over Rutgers at home on Saturday; and stopped Franklin & Marshall, 2-0, last Thursday in another home stand.

Delaware's lefthanded ace, Gerry Bacher, trounced Temple's batsmen while his mates pounded two Owl pitchers for a dozen hits and a runaway 10-0 victory.

The Hens were in command all the way, first providing Bacher with a two-run cushion in the opening inning, then adding three insurance runs on a freak play in the third.

All three tallies in the third stemmed from a bunt by Johnny Walsh. With the bases loaded and the runners moving, Walsh pushed the ball toward the second baseman. Two runs crossed before the ball was fielded and the third was brought in when the second baseman threw wide in a belated attempt to cut down Walsh.

Gene Watson and Earl Alger, with three singles apiece, led the Hen attack. Jim Breyer chipped in with two singles.

Unbeaten Bacher set down nine Templars on strikes and issued four walks. He gave way to sophomore Al Neiger after the eighth inning, with Neiger supplying the finishing touches to the shutout.

Guard "Invades" Delaware Park

A Highlight of the Delaware National Guard's fourth annual Armed Forces Day show at Delaware Park this Saturday will be the explosion of two simulated atomic bombs—a realistic but entirely safe spectacle. The public is invited to attend the Guard's "Power for Peace" demonstrations and displays at the Stanton track at no charge. Shown here is the explosion of a similar bomb at the same show last year—the first ever exhibited publicly.

Delaware Trackmen Win Over Muhlenberg In Mud

Delaware's trackmen sloshed their way to an 86-40 victory over Muhlenberg in the Mules' rain-soaked field at Allentown last week.

Double victories by Captain Cliff Browning, Fred Freibott, Kenny Calaway and Buck Jones, paced the Hens to their fourth triumph in five dual meets. The Hens took 11 of 14 first places.

Twin Bill To Launch Church Softball Play

The Church Softball League begins Tuesday evening with four teams in a double bill.

Directed by the Newark Recreation Association, the Church League is made up of return veterans Kingswood Methodist, St. Paul's Lutheran, and Bible Presbyterian.

Fourth member of the league is newcomer Christians-Salem Church. Kingswood is defending champion, having won the title and trophy in 1956 and 1957.

Not Too Distasteful!
The forfeit victory, although somewhat distasteful, was welcome as it continued Delaware's strong bid for the conference's Southern Division pennant and an NCAA District 2 playoff berth.

With one out in the ninth, Rutgers protested a called strike on a Scarlet hitter. Coach George Case was on the field objecting to the call when a Rutgers substitute called Umpire Koff a "homer." When Case refused to make him leave the bench, Koff forfeited the game to Delaware. Rutgers is now 5-8 on the season.

Under NCAA rules, a forfeit makes the score an automatic 9-0. All of the statistics of the game will go in the record books, but no pitchers will be credited with the victory or the loss.

With lefthander Gerry Bacher on the hill, Delaware blanked Franklin & Marshall 2-0. Bacher racked up his eighth victory by working the first five innings.

Al Neiger, his southpaw sidekick, finished up the combined two-hitter.

The Hens got both their runs in the third inning on a pair of walks, a stolen base, Gene Watson's single and a sacrifice by Jimmy Smith. Watson was the only Hen to collect two hits.

Whirlaway's Preakness Win Holds Hope For Come-From-Behind Silky Sullivan

Silky Sullivan's scheduled Eastern racing debut in the 82nd Preakness this Saturday has sent Baltimore horse fans scurrying to the record books. For it was at Pimlico in the Preakness of 1941 that one of the greatest come-from-behind feats in a major stakes race was written into the records by Whirlaway.

The colorful and eccentric Calumet Farm colt broke an awkward last in what was to be the final Preakness before World War II threatened to break the continuity of the famous Maryland event.

Whirlaway languished so far behind his rivals that with three quarters of the race gone, and King Cole out on the lead to steal the race, he had not caught his first opponent.

Then Eddie Arcaro—a lad of 25—clucked to the bushy-tailed colt and he unleashed a tremendous closing kick. From the half-mile pole to the final turn he collared all seven of his foes.

His big run continued and Whirlaway eased across the finish line five and a half lengths ahead of his nearest rival. Arcaro's grin was spread from ear to ear.

"Wipe the jam off my face, I've just been on a picnic," Eddie shouted at the gang of stunned reporters who awaited him in the winner's circle.

Kingswood Methodist leads off against St. Paul's Lutheran in the opener on Tuesday night at the high school diamond; and Christians-Salem meets Bible Presbyterian on the Brookside diamond. Both games are scheduled for 6:30 p.m.

Yellowjackets Lose To Tigers After 2 Rained-Out Contests

A. I. duPont High School Scores Four Runs In Six To Spoil Parker's Two-Hitter; Talarowski's Nine To Meet Mt. Pleasant Friday, Conclude Season Next Week

Rained out of their scheduled games with Conrad and Brown High Schools last week, the Yellowjackets of Camden Joe Talarowski returned to action Tuesday with a home stand against A. I. duPont's diamond Tigers; entertain Mt. Pleasant tomorrow afternoon, and wind up the season next week with William Penn, away, on Tuesday, and with P. duPont at home in the Friday finale.

Ricky Parker had a two-hitter going into the sixth inning against the Tigers' last Tuesday, and the Newark nine was enjoying a 2-1 advantage when A. I. duPont's lumbermen found the range with a four-run barrage; Byrd Gray came to Parker's relief after three runs had been scored by the visitors; and the Tigers took a 5-2 ball game after a scoreless and final seventh inning.

A. I. duPont opened with a run in the first frame, and Newark took command in the third with two runs that held up well until the sixth session.

The Yellowjackets scored when Parker singled; First Baseman Carl Jeyzk delivered an infield hit to load the bases. Centerfielder Hubbard's long fly scored Parker and Rice came home on a pass ball.

Dave Stimmel at short; Hubbard and Frank contributed one apiece to the Yellowjackets' tally while the Tigers hit for eight hits.

Tomorrow's game is scheduled to begin at 3 p.m. on the high school diamond in Newark, and the lowjacket conclude their campaign next week with Tuesday's away at William Penn, and today's home stand with the D. I. duPont High School.

An appeal was made for good used clothing for Greek disaster victims, and the refugees in Korea and the Near East.

The Men of Limestone will meet next Tuesday at 8 p.m. in Red Clay Creek Church to hear plans for the building campaign.

There will be a coffee hour following the morning worship next Sunday.

The Daily Vacation Bible School is being planned June 18 to 27. Harmony Grange surpassed its quota by over 50 per cent in the National Grange sewing contest with 41 dresses displayed and judged at its recent session. Mrs. Norman Dempsey, home economics chairman, was in charge of the contest and the judges were Miss Mabel Conway, Conrad High School; Miss Doris Dean, Newark High School; and Mrs. John Dennison, Newark Junior High School—all home economics teachers.

Winners chosen were Mrs. D. C. Cantera, Mrs. Gheen Stephenson, Mrs. Frank Scott, Sandra Naudain, Linda Jones, Polly Grieve, and Barbara Kent.

Some 150 persons attended this session and the covered dish supper preceding the special program. Union 4-H Club orchestra directed by Mrs. Jesse Harmon played three numbers; Norman Dempsey gave a recitation, and Sallie Evans, a monologue. Sandra Naudain had a piano solo; Paul Nelson sang, and W. H. Naudain, State Master, spoke on the National Grange Self Health Milk program.

Next Monday at 8 p.m. Mrs. Powell Craig will have charge of a program honoring mothers and daughters. Mr. and Mrs. W. H. Naudain and Mrs. Walter Gregg form the committee for the semi-monthly card party next Tuesday at 8 p.m. in the Grange Hall.

Rodney Derickson spent the past weekend with his cousins George and Leslie Lynum on Bayview Road.

The Diamond State Telephone Company

The telephone company faces the same basic problems as other businesses

Over the past 10 years, there have been increases in the price of almost everything you buy. And the reasons have been obvious. Wages and the cost of supplies and services all have gone up.

The rising spiral of costs has forced telephone rates up also. But the increase has been less than one-third as much as for most other things. This achievement has been possible only through important advances in telephone science and prudent management.

There is one big difference between raising telephone prices and the prices of other goods and services.

Most companies can raise their prices as soon as earnings decline. As a regulated business—no matter how urgent our need—we cannot do this.

Like any other business, we must stand on our own feet

We face the same basic problems other businesses do. Our freedom from the direct competition of other telephone companies in the areas we serve does not guarantee us satisfactory earnings—or even customers.

Like any other business, we must provide a product people want and are willing to pay for.

Like any other business, we must provide jobs which will enable us to obtain the kind of people we need to run the business.

Like any other business, we must pay taxes.

Like any other business, we must buy supplies and services at current, competitive prices.

Like any other business, we must pay interest on the money we have borrowed. And we must borrow part of the money we need to meet demands for service and to introduce service improvements.

Like any other business, we must pay a reasonable return on the money people have invested in the telephone business.

Like any other business, we must stand on our own feet, pay our own way, solve our own problems.

It is in your interest that we earn enough to expand and pay dividends

It is the simple truth that good earnings for the telephone company are in the best interest of everyone. For the telephone company with good earnings is able to take advantage of new scientific developments and long-range economies beyond the means of the company with poor earnings.

In this era of expansion at inflated prices—and facing the same basic problems as non-regulated businesses—we must have earnings that enable us to help meet expansion requirements and to provide a reasonable return for the investor.

The economic fact remains that we must increase our prices from time to time so long as wages and the cost of all the things we buy continue to go up.

Dance Committee Announces Dress For Bermuda Ball

To officially initiate summer dress rules, the Saturday Night Dance youth committee has announced the Bermuda Ball to be held at the Newark New Century Club from 8 p.m. to midnight this Saturday.

Bermuda shorts are the order of the evening, but the committee points out that Bermuda shorts are optional for the boys.

A travel theme will be carried out by the decorations committee with Patsy McNetney, chairman. "Bermuda shorts are not standard summer attire," Roseanne McMullen, president of the youth committee said, "and are all right for the Bermuda Ball only." Summer dress regulations provide that boys may wear open sport shirts with collars and dress trousers, but no longer need to wear dress jackets or sweaters. T-Shirts, dungarees, shorts and outside jackets are not allowed.

Girls should wear summer dresses, or skirts and blouses. Shorts and slacks are not acceptable. Summer dance hours are from 9 p.m. to midnight and will become effective Saturday, May 24. The dances will continue every Saturday evening throughout the summer and are open to all youth of high school age in the Newark school district.

Other members of the Saturday Night Dance youth committee are Barney Field, Ricky Parker, Judy Eller, Dick Valiant, Bob Southard, Ann Hogshead, Walter Mackey, Donald Woodmansee, Kay Hoeker, Andrea Lanier and Fred Williams.

SUMMER SCHEDULE

Starting this Sunday, St. Andrew's United Presbyterian Church at Brookside will conduct one worship and one Sunday School service at 10 a.m., instead of the two each previously held. This schedule will continue for the summer.
