

DISTRICT GOVERNOR ADDRESSES ROTARIANS

Today's Problems
A Challenge To
Rotary, Says
Ivan Culbertson

Stressing the fact that today's war problems are a challenge which must aid in solving, District Governor Ivan Culbertson of Wilmington, speaking at the weekly meeting of the Newark Rotary Club in the Colony Inn, Monday evening, outlined the objectives for Rotary organization throughout the world.

Most important is the strengthening and revitalizing of individual clubs, bringing them into more active organization to give service where needed in the world and community. At the same time, the international service of Rotary must continue despite obstacles of world conflict.

In this latter connection, he said a committee on "Post-War Problems" has been appointed by Rotary International for the purpose of aiding through Rotary in settling the confusion following the war. Walter Head of New Jersey has been appointed chairman.

District Governor Culbertson, in his address, further emphasized the importance of Rotary's service throughout the world, the value of its international setup in establishing good will, and drew attention especially to the work of Rotary in South America where it has not been much in the past.

The spirit, established in the last 35 years, he feels, will help prevent a repetition of the mistakes made following the last war and possibly even a recurrence of further wars.

At Monday night's session, plans were also made for a special program at the club's next meeting, when the Darkhorse baseball team, champions of the summer Playground project, will be awarded medals.

Visitors at Monday's meeting were Paul Rice, Entomologist at the University of Delaware, and George Harnisch, manager, Pennsylvania freight station at Newark. President T. Russell presided.

SCRAP PILE AT SCHOOL IS GROWING

Response To The
Students Drive Tops
All Expectations

Enthusiastic response, topping all expectations, greeted the opening of the student scrap campaign at the Newark Public School this week, announced Superintendent C. E. Douglass yesterday.

Although no final weight tabulation has been made, a steadily mounting scrap pile on the school grounds, including everything from a discarded automobile to pocket watches, testifies to the earnestness with which pupils are cooperating with school authorities. Before the campaign deadline this week-end, much more waste material expected to be contributed.

The one-week drive calls for students to turn in at least a pound of scrap. Proceeds from the sale to junk dealers will be used for defraying cost of war activities.

The scrap pile already contains all types of scrap including numerous tires, as well as metal and rags.

SCRAP SONG CONTEST

Miss Sophie Timko, a sophomore at Newark High School, has been named winner in a song contest held in connection with the school scrap campaign.

The contest, calling for words on war written to be sung with a family tune, was open to students in grades seven to twelve.

Miss Timko's winning selection, composed for the music of the chorus of "The Delaware", is as follows:

"Scrap, Scrap, bring it in,
Bells for victory then will ring,
And Old Glory waves on brightly,
Victory for the U.S.A."

"Scrap, Scrap, bring it in,
Scrap from Newark will help win,
And Old Glory waves on brightly,
Victory for the U.S.A."

Tin Can Collection Monday, October 19th

K. W. Oberlin, chairman of the Newark Salvage Committee, has announced that Monday, October 19, has been designated as the collection day for tin cans in Newark.

Housewives of the community are requested to have all surplus tin cans, clean and flattened, in containers in front of their homes early that morning in order that the truck may pick up all cans on its one tour of the town.

Due to the acute needs of materials obtained from old tin cans, every housewife is urged to save all cans possible and to have them cleaned and properly flattened for collection on the third Monday of each month.

MONTHLY REPORTS HEARD BY COUNCIL

Town Departments
Submit Accounts
Of Month's Work
At Council Meeting

Routine monthly reports by the Police Department, town treasurer and engineer were heard at the regular monthly meeting of the Newark Town Council, Monday night, in the Council Offices, with Mayor Frank Collins presiding.

Treasurer's report submitted by George Ramsey listed receipts for September totalling \$10,070.01, less disbursements of \$14,169.65, leaving a net cash on hand amounting to \$2,096.43. Electric receipts for the month totalled \$5636.37; power receipts, \$2481.91; water receipts, \$780.02, and property taxes collected amounting to \$3.38.

Police department's report, submitted by Chief William Cunningham listed 31 arrests in September classified as follows: disorderly conduct, 9; drunk and disorderly, 6; drunk, 5; speeding, 3; passing yellow light, 1; vagrancy, 1; non-support, 1; resisting arrest, 1; no operator's license, 1; and parking, 3.

Investigations carried out during the month were as follows: seven accidents, three larcenies; two runaway youths found; one stolen bicycle recovered.

Police calls totalled 319, with overnight lodging provided 9 transients. A total of 127.50 in fines was collected by the magistrate. Two persons were committed to the New Castle County Workhouse in default of fines, and four cases were dismissed, one person being held for the Court of Common Pleas.

The police car patrolled 2442 miles in September and the motorcycle traveling 1,109 miles. Town engineer's report recorded work done in September as follows: water line completed on Benny Street; weeds and grass removed from all town property; four water line leaks repaired; material order in full for Van Asdlen Project; two transformers renewed; broken pavements repaired; three large trees removed from Choate Street; ditch completed on Dallam Road; pipe and poles for Van Asdlen Project.

SPOTTERS NEEDED

Women Observers
Sought By Posts

John R. Fader, district supervisor for the Aircraft Warning Service, this week made an appeal for volunteer spotters to help man Newark's two observation posts, located on Chestnut Hill and at Possum Park.

Enlistments and inductions into the armed forces of our country have taken a heavy toll of spotters, Mr. Fader said, and a large number of volunteers are needed at once to complete staffs at the two Newark posts.

Women make excellent observers, Mr. Fader said as he pointed out that many married couples were now serving together on night shifts. Other women are needed for daytime shifts. Any man or woman who can and will devote two or three hours a week to this service should contact Leonard Fossett or L. T. Staats, for the Possum Park post or F. Allyn Couch or Gerald Gilligan for the Chestnut Hill post.

Gilbert E. Chase Promoted To Major

Announcement has been received that former Captain Gilbert E. Chase has received his promotion to Major in the United States Army.

Major Chase is stationed at Camp Davis, North Carolina, where he is serving as an instructor in the use of the latest coast guard equipment.

26 NEWARK MEN CALLED INTO ARMY RECENTLY

In Large
Contingent
Summoned By
Local Board

A new group of 26 men from Newark were inducted into the Army recently through New Castle County Local Board No. 1, according to a list released last week by state Selective Service headquarters.

Included on the list is Charles Watts Davis, now living in Albany, New York, where he is employed by the Hercules Powder Company. Davis is the son of Mrs. Harry W. Davis, West Main Street, Newark.

Others called into the army are: Richard Albrecht, 168 East Main Street; Robert Waite Arnold, 35 North College Avenue; Perry Clifford Bond, 50 New London Avenue; Albert Dennis Bradford, 130 Kells Avenue; Leroy Crompton, 79 Delaware Avenue; Joseph Anthony Destafney, 149 South Chapel Street; Wallace George Edmanson, 55 East Cleveland Avenue; Merel Vernon Ewell, 138 East Cleveland Avenue; James William Hicks, 151 Haines Street; Harry Randolph Lane, 109 New London Avenue.

Robert Fremont Loeffel; Bernard Machuiski, Barksdale Road; Paul Robert Mercer; George Wilson Murray, Jr., 132 East Main Street; Fred Raymond Roberts, Ogletown Road; John Andrew Rose, 397 South College Avenue; Wallace William Roy, 111 1-2 New London Avenue; Samuel Randolph Sampson, near Head of Christiana Church; Frank Kahler Scott, 100 East Main Street; Oscar Cline Stevens; Robert Stewart, Jr., 325 South College Avenue; Eddie Tolson, 80 Ray Street; Charles A. Wood, 115 North College Avenue; William Ward Atwell, Pike Creek Road; and Robert Henry Papy, Jr., 2 Prospect Avenue.

WOLF HALL SALVAGE DRIVE

Nets Two Tons
Of Critical
Metal

"Re-Search For The Scrap" — that was the salvage drive slogan in Wolf Hall, headquarters for the School of Agriculture, the Extension Service and the Agricultural Experiment Station at the University of Delaware. All departments joined in the drive and in the basement, laboratories, offices and the attic, department heads and assistants searched for scrap to slap the Axis.

And down the halls from all directions came a stream of scrap of every description — more than two tons of old autoclaves, water heaters, hot plates, water baths, balances, pipes, fixtures — of copper, steel, brass, iron and tin were collected.

"These are materials that have been used in our agricultural research and to train our students. They are obsolete, but now have a bigger job to do so that in the years to come we may continue to conduct research and train our boys in the democratic way," said Schuster. "Many of our students who used this equipment in the laboratories are now members of our armed forces in all parts of the world. We know they will continue to make good use of it wherever they may be."

CONCERT CAMPAIGN

With subscriptions still coming in, the membership drive of the Community Concert Association has already topped last year's mark, announced membership chairman Mrs. T. D. Mylrea this week.

Deadline for the one-week campaign was Saturday, although last-minute subscriptions are still being accepted by mail.

Well over 600 memberships have been received to date, say those in charge, the complete success of the drive being thus already assured.

Due to the fact that memberships are still being received, the artists for the forthcoming concert, which were to have been selected by the Artist Committee Saturday night, have not been chosen as yet. It is expected the selections will be made the latter part of this week.

SEEK FUNDS FOR SERVICE MENS XMAS PACKAGES

Mayors Committee
Appeals To Every
Resident For
Contributions

Every resident, industry and organization is urged to make generous contribution to the Mayor's Committee in their campaign for funds with which to provide Christmas remembrances for every Newark man in the armed services of the United States, wherever they may be stationed.

Seeking \$1250 as their goal, the committee swings into the stretch drive of its annual campaign to supply Yuletide cheer to local men in their country's service. Time is urgent as gifts must be mailed this month. All contributions should be made without delay—and without reservation.

The need for increased funds is far greater this year due to the greatly increased number of men in various branches of our armed forces. A very nominal donation from every adult resident of Newark would soon make the \$1,250 goal available, committee members stated yesterday in appealing to residents to aid this worthy cause.

Already several local civic organizations have authorized liberal contributions to the fund. Business men, fraternal organizations and individuals should welcome the opportunity to thus express their sentiment to our boys both here and 'over there'. It is hoped that contributions will be promptly, and generously, forthcoming.

Dr. John R. Downes is again general chairman of the committee assisted by Alfred Deck on finance and Wm. H. Walker, Jr., treasurer. Checks may be made payable to the Mayor's Committee and mailed to Alfred Deck, at the Danita Hosiery Mill or Wm. H. Walker, Jr., Treas., at the Continental-Diamond Fibre Co.

78 TIRES APPROVED BY BOARD THIS WEEK

Majority Of
Certificates
Issued For
Retread Tires

Certificates for 78 tires were issued by the Newark Retreading Board this week, the bulk being for retread passenger tires.

The list is as follows: University of Delaware, seven retreads and tubes; Ellison W. Putney, blue printing, Marshallton, four retread passenger tires; John W. Seltz, Marshallton, four passenger retreads; Hubert A. Guyer, die maker, Hockessin, four retreads; David D. Pierson, Hockessin, three retreads; Clyde M. Poole, Marshallton, two retreads; James H. Thornton, Newark, one retread; George H. Arthur, Newark, one retread tire and one tube; Charles M. Johnson, crane crew, two obsolete tires; Vito Amoroso, sanforize Please Turn to Page 8

KRAEMER AT LIONS CLUB

Charter Night
Committee Named

The Rev. Eugene Kraemer outlined local plans for the immediate establishment of U.S.O. quarters for defense workers of the community at the weekly dinner meeting of the Newark Lions Club, held in the country club, Tuesday evening.

Provisions of properly supervised recreational facilities for the more than 600 women workers in town is definitely a community problem, Father Kraemer stated as he urged support of all civic clubs in this project.

President L. T. Staats conducted the regular business session of the club and announced the following Charter Night Committee to set a date and make arrangements for the 14th observance of Charter Night during the month of November: George M. Haney, chairman, assisted by John R. Fader, Leonard Fossett, R. T. Ware, George M. Worrlow, H. B. Hendricks, E. A. Curtis and Emory Adkins.

Wins Welding Award

Arthur B. Eastman

The Assistant Plant Manager of Continental-Diamond Fibre Co., pictured above, has just been announced winner of a \$100 award made by the James F. Lincoln Arc Welding Foundation, of Cleveland, Ohio, in their nationwide industrial study on arc welding.

Mr. Eastman's award was in the division of study covering the advantages of arc welding in the maintenance of machines and mechanical equipment. Mr. Eastman lives at 17 East Park Place. He is married and has two sons and one daughter.

NEWARK PTA TO INSPECT CAFETERIA OCTOBER 26

Demonstration
Will Show The
Operation Of
Large Cafeteria

A unique demonstration for the parents of Newark School children, showing how a large school cafeteria operates, will feature the fall meeting of the Parent-Teacher Association scheduled for Monday evening, October 26, when supper will be served in the cafeteria.

Seating arrangements call for parents with children in the same grades to sit at the same tables, thus giving the adults an opportunity to meet the parents of their children's companions.

Nutrition will be stressed this year by the Association as a part of its health program with Mrs. James A. Frederickson as chairman.

Beginning at 6:00 p. m. parents will be served supper, consisting of the same foods and at the same prices the children pay for their daily lunches. The parents will line up for their platters of food and then assemble at tables according to school grades.

Members will observe how a large Please Turn to Page 8

NEED TRUCK VOLUNTEERS

To Aid In Scrap
Metal Collection

Newark's response to the scrap metal drive, during the past week, has been most gratifying. Salvage officials stated yesterday in stressing the continued need for every bit of scrap material available in the community.

Salvage trucks have been collecting metal daily and still have numerous calls to make. The acute need now is volunteer workers to drive the salvage truck on its collection rounds. Volunteers willing to give an hour or so, any day during the week, are badly needed and urged to contact K. W. Oberlin, at the U. of D.

Posters made by Newark High School students, under the direction of Miss Mildred Burney, have been completed and will be displayed at the following local Salvage Depots which are receiving stations for all scrap materials: Reeds Garage, Capitol Trail; Wilmington Auto Sales Co., Diamond Service Station, Frank Smith's Atlantic Service Station, Rittenhouse Motor Co., Southern States Coop. Assn., and McElwee's Garage, at Glasgow.

TON OF SCRAP GIVEN BY FFA
Almost a ton of scrap has been gathered to date by members of the Newark Chapter, Future Farmers of America, under direction of F. Thaddeus Warrington, faculty advisor.

BISHOP DELIVERS CENTENIAL ADDRESS

Honors St.
Thomas On
Parish's 100th
Anniversary

Importance of regarding the Church as a living, growing organism was stressed by the Right Reverend Arthur R. McKinstry, bishop of Delaware, in his centennial sermon honoring the 100th anniversary of the founding of St. Thomas P. E. Church last Sunday.

Since one of the objectives of the present war is to insure religious freedom, the bishop urged his listeners to revitalize their religious lives lest that object be lost even in victory.

The centennial celebration, opening at 11 a. m., with Holy Communion service, included also the rededication of the church organ by Bishop McKinstry. The Rev. Andrew W. Mayer, rector, dedicated a 14-star service flag and also new chancel and altar hangings. Dr. Walter Hüllhenn, junior warden, presented the results of the successful centennial fund.

The service flag was dedicated in honor of the following members of the parish: Robert G. Allan, Donald M. Ashbridge, Gilbert E. Chase, William M. Coverdale, George E. Dutton, Jr., Charles Jarvis, C. Robert Kase, Donald MacCreary, Richard R. Mayer, Harold E. Ralph, David A. Taxter, Andrew L. Tryens, Ottobine W. Widdeco, and Robert Williams.

Assisting in the dedication and giving the ceremony a symbolical proof of Allied unity in the war were June Pack of England, and John Sprecher, of France.

A centennial dinner in connection with the anniversary of St. Thomas will be held this evening in the Methodist Church dining hall due to the fact that the St. Thomas Parish House is being used as a sector dressing station for the duration.

Guests present with include: 122 Reverend and Mrs. O. A. Bartley, the Rev. E. H. Hallman, the Rev. Father E. J. Kraemer, and the Right Rev. Arthur R. McKinstry, bishop of Delaware.

250 CANS GIVEN TO FOOD BANK

First Collection
Held Monday At
New Century Club

Mrs. A. J. Doordan and Mrs. R. O. Bausman have been appointed Co-Chairmen of the Food Bank for Newark vicinity, by Mrs. Kate Henley Daugherty, Co-chairman with Mrs. Irving Warner of Wilmington for the New Castle County food banks.

As a beginning for food bank collections in Newark, nearly 250 containers of canned food were brought to the Newark New Century Club House last Monday.

As stated previously, the food collected for the food bank will be stored in some safe place, protected against overheating, freezing, theft, and sabotage, and with ready accessibility for use in case of an evacuation or any emergency, where a canteen may have to be set up to feed the people.

Mrs. Daugherty states that if there should never be an emergency requiring use of the food, it will be turned over after a stated period to some worthy charity.

Mrs. Bausman and Mrs. Doordan request that Newark residents, who have not contributed to the food bank, bring their contributions of at least 2 containers of canned food to the Newark New Century Club House on Tuesday or Thursday of this week or next week. The Club House will be open on these days for Red Cross sewing, and someone will receive the food. They would also like each can or jar to be labeled with the name of the product, as well as the name of the donor.

Services Today For Margaret M. Cornog

Funeral services for Margaret M. Cornog, who died on Monday, will be held at the residence of her brother, Stephen L. Cornog, 178 East Main Street, this afternoon.

The deceased, who was 84 years old, has lived at her North Chapel Street residence for 65 years.

Besides her brother, she is survived by a sister, Mrs. Annie Street, and one other brother, Harry W. Cornog.

Interment will be at Newark M. E. Cemetery.

NEWPORT TRUST PURCHASES NEW SITE

To Remodel Building At Justis And James Streets

Newport, Oct. 8th — The St. Georges Trust Company of Newport has completed negotiations with William Walker of Bear Station, Del., for the purchase of the property located at the corner of Justis and James Streets, Newport, for a future bank site. The building was originally a garage operated by Robert Abbott, and later was the Newport Bakery. The building will be completely remodeled, with the bank expecting to move in on December 1st. The Trust Company reports that their clientele has increased 50 percent in the year since they established here. Also, the Hamilton Trust Co., and the Commonwealth Trust Company, now of Wilmington, will have offices in the building when remodeling is completed.

The Miquas Fire Company of Newport is observing "Fire Prevention Week" with fire drills in the schools and other activities. The Town Commissioners of Newport have contracted with Julian T. Jones, contractor of Newport to install curb and gutter on Marshall Street, between Market and Ayre Streets.

The Krebs School Parent-Teacher Association has changed its meeting night to Wednesday, October 14th, and when the guest speaker will be Prof. C. A. Palmer, Principal of the Wilmington High School. The Executive Board of the Newport Civilian Defense Council met on Sunday evening at the home of Arthur G. Craig, Assistant Chairman of the Council. All section chairmen also attended.

D. J. Richey, Principal of the Krebs School, announces that Mrs. Margaret Ford, Krebs School faculty member who has been substituting for the Principal at the Rockessin School, has now returned to her duties here, and will teach a portion of the sixth grade. Mrs. George Hall has also been employed for seventh and eighth grade work.

Delaware Grange observed Booster Night on Monday evening. A covered dish supper was enjoyed at 6 P. M., followed by a social program. Sunday was Promotion Day at the Newport Methodist Church Sunday School. Professor C. W. Cummings addressed the Men's Bible Class. The Sunday School Orchestra returned for their fall programs, led by Mrs. Pierce Wore. World Wide Communion was observed at the 11 a. m. church service, with the Rev. R. S. Hodgson, pastor, in charge. The evening subject was "The Ninth Commandment."

Mrs. G. D. Baldwin entertained guests at her home on Thursday at a luncheon in honor of Mrs. Loraine Harvey, who was presented with a gift of book-ends. She left on Tuesday for Charleston, S. Carolina, where Mr. Harvey has been transferred by the Wood Preserving Company. Enroute, they visited their son who is stationed at Fort Bragg, N. C.

About 85 guests attended the weekly dance at the Newport Service Center on Friday evening. Mr. Irwin Jeffers, representative of Armstrong Lodge of Newport took charge of the activities. Hostesses for the evening included Mrs. Russell Weiss, Mrs. William Clark, Mrs. J. Harry Taylor, Miss Bessie Lynam, Mrs. Herbert Boyd and Mrs. Blanche Mahan.

Plans are being made for a Variety Program and Dance at the Newport Service Center on October 15th. The entertainment is being sponsored by the Pythian Service Organization of Wilmington. Proceeds will be used to entertain service men. Girl Scout Troop No. 14 of Newport met this week in the Church House. The former leaders of this troop, Miss Margaret Steinbaker and Miss Mabel Steinbaker, guests of honor, were presented with gifts in appreciation of their efforts in behalf of the troop. The guests were the Misses Dolores Ritchie, Mary Jane Day, Mary Lou Kelley, Barbara Nichols, Jacqueline Bratton, Kathleen Ruth, Irene Porter, Betty Frazier, Edna Mae Kipe, Catharine Hageman. This troop will now be in charge of Mrs. George Garber of Tuxedo Park.

The girls will meet on Tuesday evening at 7 o'clock in the Church house. Miss Jane Lindsay, daughter of Mr. and Mrs. Frank Lindsay of Lyndalia, left this week to enter the Penn Hall Junior College at Chambersburg, Pa. Mr. Leslie Lindsay, Jr., left on Wednesday for Government Service at Fort Dix, N. J.

Francis Maids of Fort Dix spent a few days here this week as the guest of his parents, Mr. and Mrs. Anthony Maids of Slivew.

The eighth grade of the Krebs school furnished the Assembly program on Friday afternoon. John Broujos, chairman and Mary Alice Brogan, secretary, presided, and a program of musical selections and recitations was presented.

Children of the Krebs School collected a large pile of scrap metal and stored it at the school. They also assisted in the gathering of scrap material throughout the town on Monday.

The marriage of Miss Blanche Elizabeth Mahan, daughter of Mr. and Mrs. Leslie W. Mahan of Newport and Mr. Ashton T. Eastburn, son of Mr. and Mrs. Calvin Eastburn of Stanton, took place on Tuesday evening at the home of the bride's parents. The Rev. Frank O. Baynard, pastor of the Stanton Methodist Church, performed the ceremony. The bride was given in marriage by her father, and their attendants were Mr. and Mrs. Alfred R. Lucas of Stanton, sister and brother-in-law of the bride.

Miss Mahan is a graduate of the Conrad High School, and Mr. Eastburn is a graduate of the Newark High School. The couple will live in Stanton.

STANTON CHURCH REMODELING COMPLETED

Historic St. James Is Restored To Colonial Style

Stanton, October 8th — Many former members and friends of the St. James P. E. Church at Stanton attended the reopening of the church on Sunday morning following a two-month period in which the old church has been undergoing many changes. Church School Service was held at 9:45 and at 11 a. m. the Rev. E. Kenneth Albaugh, Rector, was in charge of the World Wide Communion Service.

A study of the old church records indicates that the St. James Church was founded in 1717, 225 years ago, in a log building near the present church. The first church was destroyed by fire, and the present building was erected in 1820. In 1895 the church was remodeled, and the bell and belfry erected. The interior of the church building was colonial style, but about 50 years ago was painted dark, being thought as more serviceable.

The church has now been restored to its colonial style, and has been completely re-decorated, with interior walls ivory with white trim. The original pews, still being used, have been painted white with mahogany trim. The church has the main auditorium and balcony. Venetian blinds similar to the old colonial slat blinds have been included in the redecoration of the church. The exterior of the building has been painted white; the belfry tower has been rebuilt and painted.

Mrs. J. Harold Mitchell, served as chairman of the committee on redecoration of the interior, and was assisted by members of the Parish Aid. The men members of the church did considerable of the painting on the exterior of the building.

Officers in the church, who have been members there and active for some years include Mr. Herman Duncan, treasurer and a member of the Vestry; Mr. Alonzo Newlin, a member of one of the original families, who is Senior Warden and a Vestryman, and Mr. John McCarter, Junior Warden and a member of the Vestry. Mr. J. Harold Mitchell is Secretary of the Vestry.

The Immanuel P. E. Church at New Castle was the Mother Church of St. James P. E. Church at Stanton, friends of which were guests at the reopening on Sunday.

No special program was arranged, the Rev. Albaugh, Rector, expressing the thought that "the church will speak for itself." The church observed a "Quiet Day" service on Tuesday at 10 a. m. with the Rev. J. Randolph Fields of Calvary Church, Wilmington, in charge. A business session of the Women's Auxiliary followed the service.

The Stanton School held its annual Flower, fruit and vegetable show during the week at the school. Miss Lora Little, Principal, assisted by members of the faculty, judged the exhibits, and ribbon prizes were awarded the pupils. Mr. and Mrs. Alvin T. Boulden entertained a group of about 35 friends at their home on Thursday evening in honor of their son Elmer R. Boulden of Radford, Va., and Miss Louise Thornton of Delmar, Del. Miss Thornton and Mr. Boulden were married Saturday evening.

Mr. and Mrs. Isaac Jones of near Stanton spent several days last week in Philadelphia as the guest of relatives.

Widening, Resurfacing Of Choate Street Underway

Town Secretary George Ramsey and his street repair department are making considerable headway on the project of widening and resurfacing Choate Street. Several of the large trees have been removed from the sidewalks preparatory to widening the street to the maximum width possible and resurfacing it with amiesite.

This project was a part of the approximately \$16,000 street repair program authorized by the Town Council several months ago but which has been delayed due to the difficulty in obtaining materials. All necessary materials for the Choate Street project have been approved and it will be completed within the next few weeks.

CHRISTIANA RED CROSS

First Aid Course Planned

The Christiana Branch of the American Red Cross will sponsor its first Standard First Aid class of the season beginning on Thursday evening, October 8, at 7:30 o'clock. Meetings will be held on Tuesday and Thursday evenings in the Christiana-Salem Consolidated School. As the course is planned for both juniors and adults, anyone over 14 years of age is eligible to attend.

Red Cross workers continue to meet in the Christiana M. E. Church on Wednesdays from 10 until 4 to make much-needed surgical dressings. More volunteers are welcome, and anyone who can help is urged to join the group. There will be no evening meeting of the surgical dressings makers until further notice by the Chairman of the Chapter, Miss Elizabeth Webber.

FARMERS URGED TO CUT FIRE LOSSES

Delaware farm families along with all other citizens of the State must be ever vigilant to see that destructive fires in rural areas of the State are held to a minimum. In calling the attention of farm families to Fire Prevention Week, G. L. Schuster, director of the Delaware Agricultural Extension Service, states that uncontrolled fires in rural areas are a real menace to the nation's victory effort. Fires, he says, mean more than loss of cash. There is loss of valuable food stuffs, loss of use of fire damaged buildings, and in many instances loss of life.

Rural families are urged to make a thorough check this week about their homes and farm buildings to locate and remove all fire hazards. To emphasize the importance of fire prevention and providing fire control equipment, the Extension Service is distributing to rural families of the State a special wartime folder on fire prevention. This folder contains fire prevention suggestions and lists for checking hazards and equipment.

Director Schuster asks that every family study and discuss the suggestions contained in the folder and do their part to break the grip of this menace.

Most farm fires can be prevented and it is only by removing hazards that normally cause fires and by being prepared for any emergency when it occurs that loss of property, time, and even life can be avoided.

Today farm production must be maintained at record levels. Equipment, buildings, and material are difficult to replace, if at all. Loss of those through fires that could have been prevented is a greater national menace than ever before.

Newark, Delaware, Thursday, October 8, 1942

SCRAP HARVEST

The National Scrap Harvest, which is the official name of the War Production Board's drive for farm scrap, is now in full swing from coast to coast. The quota is "all there is on every square foot of every farm in the country."

You may ask—just what is back of all this furor about scrap? Why all the rush? Won't it be just as useful next year as it is now?

The answer is that industry is forging the largest and most powerful fighting force Uncle Sam has ever had. This force is to be the finest and best equipped on the face of the globe . . . and it must be equipped NOW. To do this an abundance of all the necessary materials used in the production of war weapons is necessary.

Rubber and metal are the two most essential materials needed, since our supply of rubber has been almost entirely cut off and steel is made of, roughly, 50 per cent virgin iron ore and 50 per cent scrap.

It's going to take a tremendous amount of scrap iron to keep those hungry furnaces going this winter—cold months when many roads will be blocked and scrap more difficult to collect. So gather it NOW! If you see the huge piles of scrap in the junk dealers' yards don't jump to the conclusion that there is plenty. The scrap is moving all the time . . . flowing in a steady stream to the mills where it is needed.

Remember, those charged with the heavy responsibility of seeing that our armed forces are adequately equipped with the sinews of war are banking on the farmers of America coming through with a bumper scrap crop.

BLACKOUT

The term is descriptive of what is happening in the world today.

Blackout means much more than doing without artificial light. It is a symbol of the gradual destruction of human advancement. It means the breaking up of families, the death of millions of innocent people, the destruction of a free education and religious system. It is the forerunner of a type of government that makes slaves of all the people it touches.

Blackout symbolizes the end of civilization as we have known it. It is an ominous word. In a country like ours, imagination cannot conceive of the terror that follows in its wake. Blackout is the forerunner of a new type of enemy invasion that wherever successful, actually does black out, or wipe out individual identity, opportunity, savings, family relations—for the children become mere pawns of the state—freedom of speech, freedom of worship, private enterprise—everything that symbolizes America.

The fact that large sections of this nation are now living under dim-out and blackout regulations is a warning—an ominous shadow of what we face if we do not crush the forces that have caused almost a total blackout of the rest of the world.

There would be little labor trouble, or production trouble, or politics-as-usual if the people could visualize what blackout means. Its mere shadow should be enough to cement this nation into one irresistible unit of opposition.

"SMASH THE 7TH COLUMN"

We have been aroused by the actions of Nazi spies and saboteurs captured in this country, yet we let the menace of the 7th Column go unnoticed and unattended to.

Carelessness is America's 7th Column. Carelessness is causing more waste of our human and material resources, more confusion and delay in our Victory Program, than all the rumors started by the 6th Column and the sabotage by the 5th Column.

This 7th Column must be smashed! Not by passing laws or increasing the force and efficiency of our Federal Bureau of Investigation. It will be smashed only when the people of this great nation realize that every accident, industrial, highway, or home is an aid to the Axis and prolongs this war.

The Delaware Safety Council believes that smashing the 7th Column is the greatest contribution that the people of a country at war can make to its government.

"Idle Hands Work For Hitler." Remember that slogan and learn a lesson from it. Whether a man is killed or injured during his working hours at the plant or office or whether the accident occurs during his off hours, the time has been wasted and cannot be replaced.

One-fourteenth of the accidents that hinder our efforts for "Victory" are occupational disabilities, accidents which occur at the plant while on the job. Thirteen-fourteenths of the accidents are non-occupational disabilities, accidents which occur off the job, on your way home from work, at home, or during your leisure hours. That is the 7th Column!

Let's smash the 7th Column and help bring Victory to this nation.

—Delaware Safety Council

WHAT'LL THE HARVEST BE?

Congress considers what it calls a "five per cent victory tax" on all incomes down to \$12 a week, and the Federal sales tax issue keeps showing up. Billions of dollars of money must be raised by taxation and every proposal that has an ounce of sense in it receives careful study on Capitol Hill in Washington. Death and taxes are still things to be "sure of," and "higher taxes" are even surer. The 1943 tax harvest will be more than a bumper crop—it will be the heaviest crop in all our history.

It is the financial rather than the physical condition of the patient that determines the amount of the surgeon's fee.

Additional Society

D.A.R. MEETING AT WELSH TRACT CHURCH

Coch's Bridge Chapter, D.A.R. held its first meeting of the year in the old Welsh Tract Church near Newark. Greetings were extended from the board of trustees by Mr. John B. Miller, descendant of the first pastor of the church.

Mr. Miller said this was the first time any organization other than those connected with the church had been invited to meet within its walls since the church was established in 1703. Among the articles displayed by Mr. Miller was the first church record book written on sheepskin, the old pewter communion service, and the original survey of the church grounds.

Guests of the chapter included a group of Finnish people who have settled on farms on the old Welsh Tract. Miss Anna Gallaher welcomed the visitors and was in charge of the program. Among the Finnish visitors were Mr. August Kangas, Mr. Emil Klaska, Mr. and Mrs. Leonard Fagerlund, Mr. and Mrs. Matti Matson, Mr. and Mrs. John Pollari, Mr. and Mrs. August Ketola and Miss Selma Ketola, Mr. and Mrs. John Salminen, Mr. and Mrs. Victor Lehtinen, and Mr. August Toivonen.

Mr. Lehtinen responded to the greetings for the group and presented to the society a book, "Sketches of Finland." Mr. and Mrs. Fagerlund also presented books, but they were given "from the group." Mr. Lehtinen introduced the speaker of the afternoon, Mr. August Kangas, New York newspaperman, veteran of the U. S. Army in the last war, and prominent in Finnish activities in this country.

At the short business meeting of the chapter which followed the reception, Mrs. G. S. Skinner, regent, presided. Fifteen dollars was voted toward the establishment of the Newark Community Service Club for civilian defense workers. Ten dollars was voted for the mayor's committee to buy Christmas presents for the boys in service. Five dollars was given to buy supplies for buddy bags. Mrs. H. B. McKay reported that she plans to buy the cigarettes for the Halloween party at Fort DuPont.

Hostesses for the afternoon were Mrs. W. E. Holton, Mrs. Emma Bogart, Mrs. Lucinda Shriner, Mrs. Mary L. Foreman, Mrs. Rees Jarmon, Mrs. Edward Pison, Mrs. E. W. Coch, and Miss Audrey Miller. Additional guests were Miss Clara Von Trump and Miss DeVou, Mrs. James Mullen and Mrs. Charles I. Kent.

The next meeting will be held on December 5 at the Wilmington Art Center. Miss Elizabeth Newkirk, Miss Louella Nowland, Miss Greta McKinney, and Mrs. Ruth A. McKinney will be hostesses.

PERSONALS

Mr. and Mrs. Jean Schreiber of Baltimore have been visiting Mr. and Mrs. Earl W. Godwin of Delaware Manor for the past week.

Mr. and Mrs. Lawrence Cunn of Richmond, Va., are spending this week at the home of Mr. and Mrs. John Pison, Orchard Road.

Mr. and Mrs. James Payson, 15 Townsend Road, are receiving congratulations on the birth of a son on Sunday, October 4, at the Memorial Hospital in Wilmington.

Mr. and Mrs. George C. Holton of Forest Hills, N. Y., spent several days last week at the home of his parents, Mr. and Mrs. William J. Holton, 414 South College Avenue.

Captain C. R. Kase of Fort Meade visited his family here last week-end.

Mrs. William L. Bragg and Mr. and Mrs. Jack Offut of Arlington, Va., were the guests of Mr. and Mrs. William A. Menges of West Main Street last week-end.

Congratulations are being extended to Mr. and Mrs. John Backof of 21 East Park Place on the birth of a son on Thursday, October 1, at the Wilmington General Hospital.

Mrs. Everett C. Johnson of Washington, D. C., attended the Jarmon-Pigson wedding on Saturday at the Welsh Tract Church.

Mrs. Carolyn Moore of Pottamawney, Pa., has been the guest of Mr. and Mrs. L. Parker Thomas, West Main Street.

Captain J. Chesley Stewart who visited relatives in Worcester, Mass., and Hardwick, Vt., last week, spent the week-end with Mrs. Stewart before returning to Washington, D. C.

Mrs. William Dawson of Ridgwood, N. J., has returned home after a visit with her parents, Mr. and Mrs. Rees Jarmon.

Mrs. Harold Ralph has returned after a recent visit with friends at Miami Beach, Florida.

Mrs. C. E. Keyes of Farmington, Del., was the week-end guest of her mother and sister, Mrs. Jennie Campbell and Miss Ethel Campbell.

Mrs. F. B. Dunlap of Truro, Nova Scotia, who has been the guest of Dr. and Mrs. Arthur Dunlap, has returned to her home.

Mr. and Mrs. Robert Davis of Lancaster, Pa., are receiving congratulations on the birth of a son, Robert Stewart Davis, on September 29. Mrs. Davis will be remembered as the former Miss Helen Stewart, daughter of Mr. and Mrs. Robert Stewart of South College Avenue.

Mrs. Lucinda Shriner and Mrs. Emma Bogart of Wilmington were the week-end guests of Mr. and Mrs. Charles H. Jarmon.

Calvin C. Barnhart, son of Mr. George Barnhart, of Newark, is a member of this year's student body at The Peddie School, Hightstown, N. J.

Miss Jane Gardner of the Women's College spent last week-end in Waterford, Conn.

Visiting Nurse Reports 251 Visits In September

A total of 251 visits, including 333 nursing and 43 instructive, were made by the visiting nurses for this section of New Castle County, Miss Alice Laak, according to her report for September.

The cases are classified as follows: eight prenatal (4 visits); eight maternal (69 visits); one paralysis (12 visits); two apoplexy (30 visits); one cancer (4 visits); six heart disease (25 visits); two kidney disease (11 visits); five intestinal disease (13 visits); one operation, (13 visits); one infection (6 visits); and eleven miscellaneous cases (21 visits).

Treatments for the month totaled thirty-five.

Services On Saturday For Emma Jane Biddle

Funeral services for Emma Jane Biddle, of near Appleton, Md., who died yesterday, will be held at the residence of her daughter, Miss Bertha Biddle of near Appleton, at 2 o'clock, on Saturday.

Mrs. Biddle was in her 96th year. Besides her daughter, she is survived by a son, George Biddle.

Interment will be in Cherry Hill Cemetery.

Chamber of Commerce Meeting Monday Night

Directors and members of the Newark Chamber of Commerce will hold their regular monthly business meeting at the Town Council office Monday evening, October 12, at 8 o'clock.

Due to several matters of importance that are scheduled to come before the meeting, President D. A. McClintock especially urges all directors of the organization to be present.

Fraternity Members Push Car to Salvage Heap

Newark's scrap pile took a decided jump this week, when members of the Theta Chi Fraternity at the University of Delaware contributed an old automobile which had been in the fraternity yard for years.

An ambitious group pushed it nearly a mile to the Newark scrap heap.

The Marine Corps established the office of Assistant Adjutant and Inspector in the Philippines in 1904, the first time such an office was created out of Headquarters, Washington, D. C.

Immunization Program At Newark School Oct. 15

Diphtheria immunization toxoid will be given at the Newark public school at 10 a. m. October 15, announced Dr. John R. Downes, Deputy State Health Officer this week.

The toxoid will be given pupils in grades one and two, who request it and who have not already had two doses. Pre-school children whose parents present them at the school will also be given the toxoid.

Smallpox vaccination to everyone not having been vaccinated in the last seven years will be offered.

GARDEN REFUSE IS GOOD FERTILIZER

Burning Leaves And Home Garden Debris Wastes Needed Fertilizer

Bonfires of leaves and remnants of the home vegetable garden are less appropriate this year than ever. With many valuable fertilizers cut off because of the war, gardeners can turn to the conservation of fertilizer materials from minor sources and help relieve the shortages.

Fallen leaves, grass clippings, remnants from the garden, sweepings from the home, wood ashes, fruit peelings—in fact, almost any organic material will make fair substitutes for fertilizer for the home vegetable garden.

Composts may be made in various ways, states Eugene P. Brasher, truck crop specialist for the Delaware Agricultural Extension Service, but the most common is to alternate layers of manure with waste and absorbent materials, such as dried leaves, weeds, and soil. The pile should be kept moist and turned several times to mix the compost thoroughly. The outside of the pile may be covered with soil. When possible, at least half the material used should be manure, but if this cannot be obtained, a small amount should be used to inoculate the heap with bacteria of decomposition.

Where fine material is desired, well-rotted compost may be screened and the parts which are not thoroughly broken down removed. It is possible to use fertilizer if available to hasten the decomposition of the waste materials or to increase the content of any needed element in the compost.

The gardener who makes a compost pile and uses the remnants from this year's garden will do more than provide fertilizer for his garden. He will also help to destroy many of the most troublesome garden pests.

The home vegetable garden that is left over the winter cluttered with the remains of vegetable garden plants is a made-to-order place for garden insects and diseases to spend the winter.

Lesson-Sermon
"Are Sin, Disease, and Death Wait?" will be the subject of the lesson-sermon at the First Church of Christ, Scientist, Park Place and Van Buren Street, Wilmington, this Sunday.

Social Events

JARMON-PIERSON WEDDING SATURDAY

The wedding of Miss Mildred Jarmon, daughter of Mr. and Mrs. Rees Jarmon, to Mr. Edward Coates Pierson, son of Mr. and Mrs. Edward Coates Pierson, took place Saturday afternoon at historic Welsh Tract Meeting House, two miles south of Newark, Delaware, at 2:30 p. m. The Rev. Francis Hensel officiated.

The bride wore a gown of white satin with a finger-tip length veil trimmed with lace. She carried a nosegay of white roses and gardenias.

Mrs. William H. Dawson, Jr., of Ridgewood, N. J., sister of the bride, was matron of honor and wore a gown of blue velvet, princess style. She carried a nosegay of tallisman roses.

The bridesmaids were Miss Eleanor Wallaston, of New Garden, Pa., and Miss Elizabeth Pierson, sister of the groom, of Newark. Miss Wallaston wore a gold velvet gown with a headpiece of matching net falling to the shoulders and caught in place with a band of yellow flowers. She carried Mary Ellen roses. Miss Pierson's gown was of blue velvet, and she carried yellow roses.

Miss Carolyn Nutter, small daughter of Dr. and Mrs. E. Hughes Nutter, was the flower girl and wore white satin with a headpiece of a band of white roses. She carried a nosegay of pink and white roses.

Mr. Lloyd Dasher, of Bear, was best man and the ushers were Mr. Edwin L. Shakespeare of Newark, and Mr. Samuel McFarlin of Laurel Springs, N. J.

Mrs. Jarmon, mother of the bride, wore a Navy blue velvet dress with matching accessories and a corsage of white gardenias. Mrs. Pierson, mother of the groom, chose a plum crepe dress with matching accessories and a white gardenia corsage.

Following the ceremony, a reception was held at the College Inn.

All four of the bride's grandparents attended the wedding. They are Mr. and Mrs. Alfred Sterling of Red Lion, and Mr. and Mrs. Charles Jarmon of Newark. Out-of-town guests were present from Wilmington, Dover, New Jersey, Pennsylvania, Virginia, and Washington, D. C.

Mrs. Pierson, a member of the staff of the Farmers' Trust Company, has been active in amateur theatricals in Newark and vicinity. Mr. Pierson is employed by the E. I. duPont de Nemours and Company at Deep Water, N. J. The couple will live at 273 East Main Street.

Much entertaining has been done in honor of Mrs. Pierson. Among her hostesses were Mrs. William H. Navel and Miss Florence Smith of Wilmington, Miss Eleanor Wallaston of New Garden, Pa., Mrs. John L. Holloway and Mrs. E. L. Shakespeare of Newark, and Mrs. E. L. Shakespeare of Newark.

The church records written first in Welsh language show that only two other marriages have been solemnized within the church. The first was that of Miss Philo Goudy and Mr. Calvin Jones in 1850. The second, on June 10, 1902, was that of Miss Louise Station and Mr. Everett C. Johnson. Mr. Johnson, who was teaching in Baltimore at the time of his marriage, was a native Delawarean and a graduate of Delaware College. He returned to Delaware in 1904 and spent the rest of his life in Newark and Dover. He founded the Press of Kells and the Newark Post and was Secretary of State during the term of John G. Townsend, Jr., as governor.

FORMER NEWARK GIRL WEDS ARMY LIEUTENANT

Miss Anne Florence Tarr, daughter of Mr. and Mrs. Lester W. Tarr of 62 Sheffield Road, Newtonville, Mass., became the bride of Lieutenant Donald Leroy Mahlon, U. S. Army, son of Mr. and Mrs. I. E. Mahlon of Great Falls, Mont., on Saturday afternoon, October 3.

The ceremony took place at 2:30 o'clock at the home of the bride's parents, with the Rev. Hamilton M. Gifford, pastor of Newtonville Methodist Church, officiating.

Bridesmaids were Miss Barbara Kempf of Auburndale and Miss Rose Ann Penne of Newtonville. Mr. John Tarr, brother of the bride, was best man.

With her princess gown of white satin and lace, the bride wore a veil of tulle caught to a lace-trimmed coronet and carried a bouquet of white orchids surrounded by white gladioli and stephanotis. Her attendants wore coral velvet with bouquets of matching gladioli.

Announcement has been made of the change in the schedule of meetings. Beginning this month, the regular monthly meetings will be held on the third Thursday of every month.

All future meetings, including the one on Thursday, will be held in the chapel. This change was made in order to help conserve on heating.

NO SUGAR FOR HOME CANNING AFTER OCT. 15

October 15 has been designated as the last day on which applications for sugar for home canning could be received by the local War Price and Rationing Boards throughout the State of Delaware, announces OPA State Director James L. Luke, Jr.

Any applications received after that date cannot be considered due to the pressure of new work anticipated by the local boards. It is suggested that anyone wishing sugar for the purpose of home canning, who has not already received his allotment, make application before October 15.

WILLIAMS-TRUITT WEDDING ANNOUNCED

Announcement is made of the marriage of Miss Helen I. Williams, daughter of Mrs. Isabella M. Johnson of Willow Grove, Pa., to Mr. Harry R. Truitt, son of Mrs. Thomas Truitt, 5 Phillips Avenue, Newark. The ceremony was performed in the Elkton Methodist Church on September 26 by the Rev. John Bunting, pastor.

Mr. and Mrs. Truitt have returned from a wedding trip and are at home at 28 Clinton Street.

MISS LENHOFF WEDS TEMPLE F. CONNOLLY

Miss Rose M. Lenhoff, daughter of Mr. and Mrs. John A. Lenhoff of Capital Trail, and Mr. Temple F. Connolly of Newark, son of Mr. and Mrs. Bernard Connolly of Ridgely, Md., were married at nuptial mass on Monday, September 21 at 11:30 a. m., at St. Benedict's R. C. Church, Ridgely. Father Francis Hensel officiated at the ceremony.

Miss Marie Connolly, sister of the bridegroom, was the maid of honor. Mr. Charles C. Connolly, uncle of the bridegroom, was best man.

The bride wore a gold wool dress with tulle accessories and a corsage of white gardenias.

Miss Connolly chose a green dress with brown accessories and a corsage of pink roses.

Following the ceremony, a wedding luncheon was held at the home of the bridegroom's parents.

Mrs. Connolly is employed in the office of the Council of Newark. Mr. Connolly was a member of the Military Police of the U. S. Army but was in a serious accident a year ago and has not completely recovered.

Mr. Connolly and his bride have returned from a wedding trip to Annapolis and through southern Maryland, and are at home on the Capital Trail.

MISS GEHROLD WEDS JOSEPH B. BRABSON

Miss Anna May Gehrold, daughter of Mr. and Mrs. Fred Gehrold of Newark, and Mr. Joseph B. Brabson, son of Mr. and Mrs. William G. Brabson of Wintertown, were married Thursday, October 1, at St. Thomas P. E. Church, Newark, by the Rev. Andrew W. May.

Mr. and Mrs. Norman Riddell, of Richardson Park, were the attendants. A reception was held at the home of the bride's parents after the ceremony. Mr. Brabson left yesterday for U. S. military service.

The bridal couple was entertained at dinner on Monday evening at the home of the bridegroom's parents.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. H. P. Winchester of 632 Morris Street, Albany, N. Y., announce the engagement of their daughter, Miss Ruth Winchester, to Mr. Charles Watts Davis, son of Mrs. Henry Winter Davis of West Main Street, Newark.

Miss Winchester is a graduate of the Albany Academy for Girls and Smith College. Mr. Davis is a graduate of the Wilmington Friends School and the University of Delaware. Until recently he has been associated with the Hercules Powder Company of Wilmington and Albany, and left yesterday to serve in the United States Army.

BIRTHDAY PARTY FOR PATSY CHALMERS

Miss Patsy Chalmers, daughter of Mr. and Mrs. David W. Chalmers, celebrated her 10th birthday on Thursday, October 1. A party was given in her honor on Friday evening from 7 to 9 o'clock.

Those attending were Elizabeth Dawson, Betty Lindell, Jeannette Morris, Joyce Lee Wallaston, Helen Mae Wallaston, Betty Johnson, Ethel Weaver, Carolyn Johnson, Joan Ross, Sally Lou Dickert, and Miss Chalmers.

A class in home nursing will begin Thursday, October 22, at 7:30 p. m., at the New Century Club, with Miss Edna Samson instructing. Those who wish to take the course are asked to notify Mrs. H. K. Preston, Newark 4311.

The class in home nursing that began this week on Tuesday at 9:30 a. m., at the New Century Club with Mrs. Gunmar Winkler as instructor, has places open for those who may wish to enter next week on Tuesday.

CELEBRATED EIGHTIETH BIRTHDAY ON SUNDAY

Mr. and Mrs. Albert George of Chesapeake City, Md., gave a dinner at their home last Sunday in honor of Mrs. George's father, Mr. Thomas Lindell, Sr., who celebrated his 80th birthday.

Those present were Mr. and Mrs. Clifford Pyle and son, Weston, Miss Edith Wythe, of Northeast; Mrs. Lee Price of Perryville; Mr. and Mrs. Randolph D. Lindell, Sr., and daughter, Alice, of Newark; Thomas Lindell, Jr., of New Castle; Elmer Lindell and son, Alfred, of Newark; M. Brown of Hayes, N. C., and Reece George of Elkton, Md.

LADIES BIBLE CLASS SCHEDULE CHANGED

The regular monthly meeting of the Ladies Bible Class of the Newark Methodist Church will be held at 8 o'clock on Thursday evening, October 15.

Mrs. Frank Jamison, president, will preside. Mrs. J. H. Rumer will be in charge of the entertainment, and Mrs. Herman Wallaston will be in charge of refreshments.

Announcement has been made of the change in the schedule of meetings. Beginning this month, the regular monthly meetings will be held on the third Thursday of every month.

All future meetings, including the one on Thursday, will be held in the chapel. This change was made in order to help conserve on heating.

NO SUGAR FOR HOME CANNING AFTER OCT. 15

October 15 has been designated as the last day on which applications for sugar for home canning could be received by the local War Price and Rationing Boards throughout the State of Delaware, announces OPA State Director James L. Luke, Jr.

Any applications received after that date cannot be considered due to the pressure of new work anticipated by the local boards. It is suggested that anyone wishing sugar for the purpose of home canning, who has not already received his allotment, make application before October 15.

NEWS ABOUT LOCAL BOYS IN SERVICE

A letter from Lieutenant William K. Richardson, who has recently arrived in England, has been received by his mother, Mrs. Leila R. Little. He writes: "Here I am — safe and sound in the southern part of England. The trip was uneventful — in fact, it was wonderful! I came nowhere near getting sea-sick, although many others did. Our trip was surprisingly short. We had wonderful meals while on board — steak, roast turkey and roast chicken. I was certainly glad to get my feet on shore though."

"The countryside here and the few small country towns thru which we have traveled are all beautiful. All of the houses are made of old stone; the hills are rambling, and everything seems so old and quaint. It is beautiful country. I was in Scotland, and it is the most gorgeous scenery I have ever seen. It is indescribable."

"The people, especially the English officers, are nicer than the country. Food, though, is very, very scarce, and everything is rationed. No American has the slightest idea how an aristocratic life he is leading. If you can get candy or soap, or shaving cream, send them to me. You can send anything under 11 lbs."

Frederick B. Collins, son of Mr. and Mrs. Fred Collins of Newark, has been promoted to First Lieutenant and Executive Officer of a battery at Camp Davis, N. C. He was recently graduated from the University of Delaware.

Apprentice Seaman William Lewis Godwin left Wednesday evening, Oct. 7, for Chicago, Ill., following an 18-day leave, after graduating from the Navy Training Station at Newport, R. I. He was selected to attend the Navy School at Chicago for specialized training.

Godwin, son of Mr. and Mrs. Ralph Godwin, is a graduate of Newark High School and at the time of his enlistment he was employed by the duPont Company. He will attend school for training as an aviation machinist's mate.

Private Corbit S. Crompton, son of Mr. and Mrs. Frank Crompton, has returned to Fort McClellan, Ala., after a nine-day furlough spent visiting his parents. Before being inducted last April he was assistant postmaster at Newark.

Harry E. Downs, son of Mr. and Mrs. Frederick D. Downs, has graduated from the Officers' Training School at Fort Monroe, Va., and is now a Lieutenant. His mother and his wife made the trip to Fort Monroe to attend the graduation exercises.

George P. "Chap" Frazer, who enlisted in the U. S. Navy recently, has been sent to the Great Lakes Naval Station in Illinois for training. Word has been received that he arrived safely.

A cablegram has been received by Miss Dorothy Godwin from Private R. Delbert Crossan saying that he has arrived safely on foreign soil. Private Crossan received his basic training at Fort Eustis, Va. He has been in service since July and is with an anti-aircraft unit.

In a recent issue of this newspaper, First Lieutenant Clifton Sommermeyer was erroneously listed as Dr. Sommermeyer. Lieutenant Sommermeyer is stationed at a camp in Georgia.

NEW FIRST AID CLASS TO BEGIN

A Red Cross First Aid class will be given with Miss Lorna Wells as instructor beginning Tuesday, October 20, at 7:30 p. m., at the New Century Club. This class will be for both men and women.

A class in home nursing will begin Thursday, October 22, at 7:30 p. m., at the New Century Club, with Miss Edna Samson instructing. Those who wish to take the course are asked to notify Mrs. H. K. Preston, Newark 4311.

The class in home nursing that began this week on Tuesday at 9:30 a. m., at the New Century Club with Mrs. Gunmar Winkler as instructor, has places open for those who may wish to enter next week on Tuesday.

BUSINESS WOMEN TO MEET ON TUESDAY

The Business Women's Club of Newark will meet at 8 o'clock on Tuesday, October 13, at the College Inn.

Plans will be discussed for the coming year. All members are urged to attend.

BIBLE PRESBYTERIAN CHURCH SERVICES

Services of the Bible Presbyterian Church will be held Sunday at the New Century Club. Sunday School will meet at 10 o'clock, followed by the church service at 11 o'clock.

Mr. Thomas Cross will preach the morning sermon. Rev. Henry G. Welton is pastor of the church.

RENT CONTROL

Landlords —
How are rental standards established? What are "defense-area" housing accommodations? Does rent control apply to my property? What information does the rent control require?

Tenants —
What is a maximum rent? How are maximum rents set by the government?

THIS OFFICE CAN PERHAPS BE OF ASSISTANCE—PHONE 2-0441 FOR APPOINTMENTS.

W. HARRY DAWSON
330 E. Main Street

CHRISTIANA CHURCH HOMECOMING POSTPONED

The Annual Homecoming program of the Christiana Presbyterian Church has been indefinitely postponed. It has been announced.

The service is ordinarily held on the second Sunday in October, but war conditions and the recent serious illness of the pastor, Rev. George H. Turner, necessitated the postponement this year.

PYTHIAN SISTERS TO SPONSOR CARD PARTY

Friendship Temple No. 6, Pythian Sisters, will sponsor a card party to be held on Friday evening, October 9, at 8:15 p. m. in Fraternal Hall.

The affair is being given for the benefit of the Ways and Means of Grand Temple of Delaware. Mrs. Gertrude Jacobs is in charge of arrangements.

HEALTH WEEK PROGRAM TO BE BROADCAST

A radio play will be broadcast over Station WDEL on Saturday evening from 7:45 to 8 p. m. by the University of Delaware Drama Group in celebration of the annual health program week for the Business and Professional Women's Club of Delaware.

The play will be directed by Mr. Robert Rohm. In the cast are Mrs. J. Standen, Miss Dorothy Stow, Miss Jerry Stow and Mr. Rohm.

ST JOHNS CHURCH ALTAR SOCIETY MEETS

The monthly meeting of the Altar Society of St. John's R. C. Church was held last evening at the residence of Mrs. George W. Rhodes, 186 South College Avenue.

Father Eugene J. Kraemer was the speaker at the meeting.

Refreshments were served at the close of the session by the hostesses, Mrs. Rhodes and Miss Mary Kennedy.

PLEASANT VA' LEY SCHOOL NOTES

The following pupils of Pleasant Valley School have had perfect attendance for the past month: Frank Edmisten, Edward Howell, Robert McCormick, Alfred Stanton, Joseph Garvey, Donald McCormick, George Scott, Arne Thuresson, Elaine Tolvenen, Margaret Stewart, Alice Stanton, Gunvor Thuresson, Juanita Hosen, Marjorie Brown, Catherine Brown, Barbara Thuresson and Bessie Edmisten.

Pupils with good attendance, 90 percent or above, were Carl Edmisten, Norman Kemether, Charles Edmisten, Donald Hosen, Ellis Howell, Martha Kennedy and Mary Ellen Brown.

Dr. J. R. Downes gave the toxoid for diphtheria immunization and the small-pox vaccination at the school on Wednesday afternoon.

FOUNDERS DAY AT WOMENS COLLEGE

Founder's Day will be celebrated at the Women's College, University of Delaware, at 2:30 o'clock Saturday afternoon in Mitchell Hall. The exercises will mark the 20th anniversary of the college.

Included in the program will be the presentation of the class colors to the incoming freshman class by the junior class, the presentation of the spade used by each class in planting a tree on the campus to the freshman class by the sophomore class, and the investiture of the seniors with academic cap and gown.

Instead of having a speaker from another college, four Women's College alumnae, headed by Mrs. J. P. (Frances Maleom) Patnovic, president of the alumnae association, will be on the program. Miss Helen G. Baylis will tell of the pioneers, members of the first graduating class, Mrs. Hugh (Miriam Hatfield) McCaughan, a former president of Student Government, will talk on that phase of college life. Mrs. Albert W. (Madalin Wintrop) James, who is now an alumnae trustee, will talk on commuters and their share in college life. Mrs. Patnovic will talk on the role of the alumnae.

Tea will be served at the Hilarium in Warner Hall following the program. Dean Morjory S. Golder will be hostess. Members of the Women's College committee include the following specially invited guests: Dr. C. M. A. Stine, Mrs. Albert James, Mrs. Thomas F. Bayard, Miss Amy duPont, Mrs. A. D. Warner, Sr., Mrs. Walter Carpenter, Jr., Mrs. Irving Warner of Wilmington, Mrs. Charles B. Evans of Newark, and Mr. James E. Dutton of Seaford.

An executive council meeting of the Women's College Alumnae Association will be held at 4:30 o'clock in Robinson Hall with Mrs. Patnovic presiding.

Appointment of the following committee heads has been made by Mrs. Patnovic: Mrs. Robert (Dorothy Baughman) Coote III, scholarship chairman; Mrs. Walter (Margaret Vessels) Kelk, alumnae fund committee head; Miss Alice Aydjian, alumnae issue of the University News chairman. Other committees will be announced at Saturday's meeting.

TOPIC ANNOUNCED FOR BIBLE CLASS

The regular meeting of the Ladies Bible Class of the Newark Methodist Church will be held on Sunday morning at 10 o'clock.

The topic for the meeting will be "Some great truths that should encourage us to be faithful to Christ and how such loyalty will be found in the deeper issues of our Christian life."

Friends are invited to attend and spend an hour of study with the group.

The Latest In Fountain Pens

THE PARKER "51"

It's something totally new in writing instruments and the most highly perfected yet made. Leading feature is the point, long and tubular, requiring more 14K Gold than in most standard points. It's the only point inclosed within the barrel keeping it always moist and guarded.

Used with quick-drying "51" Ink, by the time the pen has finished a short sentence, the ink in the first part is dry.

We also carry full lines in Sheaffer, Waterman and Eversharp Pens.

EVERY ONCE IN A WHILE, IN drugstores and soda pubs, you happen on the saddening sight of Man in a bitter but unequal struggle with the cigarette machine.

In the fatal test of strength which ensues it is usually the machine which dominates the action.

Invariably, Man, the noble and erect, gives way in the end to futile pounding, slugging, kicking, and snarling, while the Machine, ever in command of the situation, sets a praiseworthy example of restraint and dignity, scornful to give way to such vulgar displays.

INDEED, WHEN A MAN HAS watched his nickles and dimes rattle ineffectually through the gadget's gizzard ten or twenty times, he reverts to the primitive.

The very superiority of the machine under stress infuriates him and, unless particularly stout-hearted, he becomes a pitiful, gibbering creature under whose feeble buffeting the gadget chuckles metallically.

While no defense for frail humanity can be offered, still there are good reasons behind it all. In short, we have certain advantages over the gadget, which if we apply, we can yet emerge the masters.

MAIN TROUBLE IS, WE UNDERSTAND, the cigarette machine works only one way—by a sort of combination. The essential point is never venture near one of these formidable devices unless you have learned from reliable sources whether (a) it takes one dime and two nickles, or (b) four nickles, or (c) two dimes. (Also, if possible, how many slugs.)

Once the combination is known you will enter a bright new world, where cigarette machines are suddenly docile, friendly gadgets, eager to cooperate. You'll be surprised to find there is no such thing as a really bad machine.

Much progress is already being made toward the establishment of a new understanding and improved relations between harassed smokers and the cig. mach. Many stores now post the combinations on their dispensers.

THIS CONVENIENCE DOES MUCH to ease the situation, placing one immediately on the most chummy terms with any machine. Most of our modern thinkers are beginning to feel that the future of civilization would be better served if this practice were generally adopted.

FARM LOANS AVAILABLE

Loans Mature
August 31, 1943

Low interest short term loans to finance seeding of fall crops, or for the purpose of feed for live stock are now available to Delaware farmers.

This announcement was made by Field Supervisor W. Fred Rickards of the Emergency Crop and Feed Loan Office at Dover, Delaware. Farmers may obtain up to \$400.00 for seeding of fall crops wheat, rye, barley, etc., at 4% interest. The security required is a first lien on the crops, and the amount of the loan is based upon the acreage to be produced. In the case of feed loans, the security required is a chattel mortgage on live stock to be fed. These loans are due August 31, 1943.

The Farm Credit Administration offers short time credit on a year round basis to farmers. New Castle County farmers interested in obtaining these loans may apply at the office of the County Agricultural Agent Geo. M. Worrlow, Recitation Hall, U. of D., Newark, for further information.

Assistant Chief of Small Arms Branch

Lt. Guy Hancock, Jr.

2nd Lt. Guy Hancock, Jr., son of Guy Hancock, 618 Academy Street, shown at his desk in the Philadelphia Ordnance District, 150 S. Broad Street, Philadelphia, where he is on duty with the Army of the United States.

Lt. Hancock attended Newark High School, was graduated from Iowa State College, class of 1941, with a reserve commission in Artillery. He is the assistant to Captain Wexlin, Chief of the Small Arms Branch, Philadelphia Ordnance District, which spreads from the Eastern part of Pennsylvania south through seven states, including Delaware, to the Georgia State line. Last month, more than \$53,000,000 in finished war equipment, consisting of guns, tanks, shells, bombs, and combat vehicles, were shipped to the armed forces on a dozen fronts.

CONNELL'S DIXIE TRIUMPHS IN 13-INCH ALL-AGE TRIALS HELD OVER EASTERN COURSE

Locally Owned Beagle Outsmarts Four Sets of Bracemates to Take Top Honors In Classy Field of Seventy Hounds; 15-Inch All-Age Dogs Run Tomorrow

Robert R. Connell's two-year-old bitch, Connell's Dixie, showed the way to four sets of bracemates to conquer a field of 70 hounds in the 13-inch all-ages class at the 27th Annual Fall A.K.C. licensed Field Trials staged over the Eastern Beagle Club course on the S. Hallock duPont estate at Milford Cross Roads near here this week.

TEMPORARY GAS PLAN SUCCESSFUL

Over 400 Million Gallons Saved By First Rationing

From the statistics and general information supplied by the OPA, the initial and temporary card plan of rationing saved 423,000,000 gallons of gasoline. This was a reduction of approximately half the normal consumption of gasoline by passenger cars in the area affected, announces James L. Luke, Jr., State Director. Under the present permanent system of gasoline rationing, called the coupon system, only the basic "A" has been issued to 72.2 percent of applicants for rations. However, gratifying this may be, the fact remains that this percentage accounts for only one-fifth of the gasoline consumed in the rationed area. Since conditions necessitate further significant reductions in gasoline consumption our problem is now one of effecting every possible conservation where supplemental and service rations are concerned.

Yet, gasoline rationing has been successful and war-time economy has been kept stable. This stability would not have been possible without rationing, or under a system of voluntary reductions. The motor vehicle in many instances is an integral part of our national economy. As such, says Mr. Luke, we must take the most effective means at our disposal to keep these essential vehicles operating in the public service. Rationing has made it possible for us to do this. We have every reason to believe that rationing is necessary, when we stop to consider the fact that there has been only a 25 percent reduction in gasoline consumption under the voluntary system in the non-rationed area. We set out to cut the consumption of driving to 40 percent of the 1941 figure in the area where rationing was to apply. We have substantially achieved this goal.

When the cryptic call, "Reinforcements Needed," was radioed from San Domingo in 1919 because of a near civil war, the 15th Regiment of the U. S. Marine Corps was landed to restore order.

Sired by Field Champion Hunsicker's Rob Roy out of One Acre Hazel, Connell's Dixie displayed rare form and keen speed in outsmarting one of the largest classes ever entered at the local course.

Reiker's Ytee, owned by R. N. Reiker, of York, Pa., was runner-up to Dixie with Pollitt's Marietta, owned by Howard Thomas, of Fruitland, Md., placing third. Fourth place went to Concord Blondy II, owned by William Winant, of Wilmington, with Lucy of Bel Air, owned by Roy Ware, of Woodstown, N. J., as reserve hound.

Clark Hetrick, Jr., of Struthers, Ohio, and Robert Hunt, of Pittsfield, Mass., two outstanding Beagle authorities, were judges for the event.

Harris' Ziggle, owned by William F. Burke, of Elizabeth, N. J., outclassed 35 entries to triumph in the running of the 13-inch all-age dogs class Tuesday. Ziggle was called back in the second and third series before being declared the winner. His triumph was sweet due to the fact that he was competing with six hounds that needed only one point each to become field champions. His win gave Ziggle a total of 50 points towards his championship rating.

Beir Barrow's Uncle Sam, owned by Dr. D. M. Delacrose, of Talmadge, Pa., was judged second in the 13-inch all-age group with third honors going to Charnel Ramble, owned by Roy Ware. Fourth place went to Milhenn's Sandy, owned by Danny Robinson, of Wilkes Barre, with Cententenia's Bully, owned by James T. Exam, of Snow Hill, S. C., being judged reserve hound.

Burris Zipper, owned by Clarence Burris of Elmhurst, won the 13-inch Derby Class trials run Wednesday morning over the club course with Sam of Brandywine, owned by Grant Milburn, of Hockessin, taking top honors in the 15-inch Derby Trials.

Other placing hounds in the 13-inch Derby were Kirk of Brandywine, owned by Grant Milburn, second; Larry of Blackwater, owned by Dan Robinson, third and Brook Grove Doctor, owned by Joseph Freed, of Reading, fourth. Lucy of Bel Air, owned by Roy Ware, was declared reserve hound.

Sure Drive Whirlaway, owned by Dr. Elliot V. Floyd of Norfolk, Va., won second honors in the 15-inch Derby with Forest Range Rob Roy, owned by Russell Brannock, Cambridge, Md., third and Eden's Key Maid, owned by Harry Campbell of Robinsonia, Va., placing fourth. Chapel Pick, owned by Eddie Lawson of Newark was reserve hound in this class.

Running of the 15-inch all-age bitches class was scheduled for this morning with the 15-inch all-age dog class to be run on Friday.

CHRISTMAS LIGHTS CUT IN DIMOUT

Outdoor Lights Permitted Until Dimout Begins

Under dimout regulations, outdoor Christmas tree illuminations will be permitted this year until the hour the dimout goes into effect and thereafter must be entirely extinguished. It was announced this week by Governor Bacon, who received an order to that effect from General Terry U.S.A., 2nd Service Command Headquarters.

The letter received by the Governor from General Terry is as follows: "My dear Governor Bacon: 'I have received numerous inquiries concerning the effect of dimout regulations on outdoor Christmas tree illumination.

"The strict application of present regulations, and regulations that may be promulgated in critical areas, would cause such illumination to be ineffective as a decoration.

"It is, therefore, desired that outdoor holiday illumination (outdoor Christmas trees, etc.) be unlimited up to the hour that dimout regulations go into effect, and that thereafter they be entirely extinguished.

"With kindest personal regards, I remain,

(S) T. A. Terry
Major General, U. S. Army"

Don Tammany Victor In Wright Tournament

Don Tammany emerged the victor in the finals of the Wright Tournament held last week-end at the Newark Country Club.

In a close match, which saw the decision hanging in the balance through most of the course, Tammany turned back Harry Williamson by a 3 and 2 margin.

Only three strokes separated the contestants when play ended, Tammany turning in a 76, while Williamson drew a 79.

3 MORE BOWLING LEAGUES UNDERWAY

All Regular Loops Have Now Started Play; Biochemical Will Open Tonight

The current bowling season got underway in earnest this week as three more leagues joined competition.

Following opening of the Friday night circuit last Friday, the Monday, Tuesday, and Wednesday night loops started the ball rolling this week, with the Biochemical Research League expected to open tonight.

In the Monday night loop, standings are not available since only four teams competed. With only five teams instead of the usual quota of six lined up in the loop this far, only four teams were able to play. A sixth combine is expected to be organized this week to round out the loop.

Scores for the Monday and Friday night leagues:

One-Hit Mound Job Second Best In Game

Although he twirled one-hit ball, Chet Wasilewski, former Holy Cross pitcher, had to admit recently that his was the second-best pitching in the game between the Providence Fire-Safe Builders and the American-Ringer-Taft-Pierce combine.

His opponent, 17-year-old Dick Phillips checked a no-hitter and scored the only run in the ninth when he reached first by getting nicked on the arm, went to second on a wild pitch, and scored when Joe Gaggas banged out the only safe ball, a single to right.

PUPIL MISSES WAR TOUCH

What, no gas mask, no identification tag, no Japanese classmates? Without these it doesn't seem like school to Billie Boas, who recently arrived in New Orleans from Hawaii.

BLUE HENS TO MEET FORMER COLLEGE GRID GREATS IN LAKEHURST TILT FRIDAY

Game With Service Team Called Hens Stiffest Trial; Airmen's Squad Is Loaded With Big-Time College Names; Hens Show Power Down Drexel 40-0

Facing their sternest test so far this year, the University of Delaware gridders will mingle in elite football company when they take on Lakehurst Naval Air Station this Friday night at Wilmington Park. The kickoff is slated for 8:30.

JACKETS WILL BE UNDERDOGS SATURDAY

Wilmington High Favored Over Newark; Latter Drop Debut Here

The Yellow Jackets will again be the underdogs when they take the field against a powerful Wilmington High combine this Saturday at Wilmington. In going down before Brown Vocational last week 13-0, Newark turned in a performance better than predicted by many, the Jackets being simply outmanned by a heavier more experienced eleven.

Coach "Bill" Gillespie reported himself satisfied with his charge's showing, though stressing many defects in need of patching. Against Wilmington High Saturday, the Jackets will run up against one of the top-flight teams in this area, the city lads being reported to have one of the best teams in the school's history.

Principal defect showing up last week in Newark's latest grid edition was the lack of an alert aerial defense. Brown's first six-pointer was scored via the air lanes. Drills this week gave particular attention to pass defense.

On the offensive as well, the Jackets' passing attack lacked spark with few passes being attempted or completed. A general speed-up in all phases was being stressed this week, with the team expected to show a new zip in this Saturday's clash.

Against Brown, Newark held the upper hand in the first quarter but lacked a scoring punch, while in the second quarter Brown's advantages in weight and experience asserted themselves, the first score coming on a 25-yard pass from Anderson to Jankowski. Brown notched another in the third period, Polskin charging through tackle on the 30 to go over for the tally.

No changes in Newark's lineup are planned by Coach Gillespie to date, although last minute shifts may be made. The Jacket varsity will probably take the field against Wilmington as follows: Clifford Lee and Eugene Robinson, ends; Lynn George and Ted Trempey, tackles; Harold Hill and Richard Buckingham, guards; Andrew Walp, center; James Davis and Wayne Pollari, halfbacks; Walter Martin, fullback; and Earl Henderson, at quarter.

Course To Prepare Tourists For Shangri-La

The University of California has undertaken to make future American tourists feel more at home at Shangri-La, the mysterious Asiatic airport from which General Doolittle reportedly bombed Tokyo, and which is expected to become an American shrine after the war as a result. The university has installed popular courses in Mongolian, the most common language there.

May 12, 1912 is the birth date of Marine Corps aviation. The Leatherneck aviation muster roll for May, 1912 contained one name—Lt. Lt. Alfred A. Cunningham.

Gettysburg Tilt Is Shifted To Wilmington

The University of Delaware's game with Gettysburg, originally scheduled to be played on Frazer Field here, will be held instead at Wilmington Park on Saturday afternoon, Oct. 17.

The announcement was made this week by Ed. Prince, Business Manager for the Blue Hens.

The Swarthmore tilt scheduled for Nov. 7 remains the only game to be played on the Newark field.

May 12, 1912 is the birth date of Marine Corps aviation. The Leatherneck aviation muster roll for May, 1912 contained one name—Lt. Lt. Alfred A. Cunningham.

FARMERS' NEEDS ARE CONSIDERED

Provisions For Rationing Of Rubber Apparel

Double-barrelled protection for farmers and workers who will need rubber garments such as boots and work-shoes this winter was provided for in OPA regulations, says James L. Luke, Jr., State Director.

"Rationed, starting October 5, will be all types of rubber boots and rubber workshoes worn, according to the OPA, by war construction workers, farmers, food processors and packing house workers; iron and steel workers, men in power plants, water and sanitary services and chemical plants; metal workers, men working in shipyards, mines and refineries, and others essential to the war effort.

"Workers or purchasing agents for companies who customarily supply boots to their employees and retain title thereto, may secure certificates which entitle them to buy the rationed footwear from their War Price and Rationing Board. Special emphasis was placed by the Board spokesman on the fact that worn-out footwear, being replaced, must be turned in for salvage.

"Second type of OPA protection is in the all-important field of price. Price rises on rubber footwear made previous to February 11 are already prevented by the General Maximum Price Regulation. Under the new regulation, prices are firmly nailed down on all the increasingly popular Victory Line of waterproof rubber footwear, designed under a WPB conservation order to preserve rubber and protect the wearer. Prices must be publicly posted where the buyer may easily read them.

"While rationing effects only heavier, work-type rubber boots and rubber workshoes, price controls cover everything from a child's two snap rubber gaiter to a man's hip boot."

COMMITTEE APPOINTED BY W.C.T.U.

Marshallton Group Names Delegate To State Parley

Marshallton, Oct. 7 — A nominating committee appointed at a recent meeting of the Marshallton W.C.T.U., which was held in the home of Mrs. Edna Ball Gilbert, includes Mrs. Elsie Fisher, Mrs. John M. Kelso, and Mrs. Walter L. Mose.

Mrs. Mose was also elected a delegate to the Delaware W.C.T.U. Convention to be held in the Silverbrook Methodist Church, Wilmington, Delaware, October 21, 22 and 23. One new member, Mrs. Leah Montgomery, was welcomed.

The Rev. John E. Thomas, pastor of the Forest Presbyterian Church, Middletown, delivered the sermon at Red Clay Creek Presbyterian Church Sunday morning.

Mr. Leonard Black of Cranston Heights, associated with the U. S. Maritime Commission, left last week for Portland, Maine. He will be later joined by Mrs. Black and their daughter Janet.

Several local residents, members of Ebenezer Methodist Church, report that a service banner containing 22 stars, one for each member of Ebenezer Church now serving in the armed forces, was dedicated during the World Wide Communion Service Sunday morning.

Those in the service are: Lt. Bertha Kirk, Lt. Col. Wallace Cook, Chaplain George W. Goudy, Jr., Lt. Ernest S. Lomas, Sgt. Harold Kirk, Sgt. William Stinson Eastburn, Capt. Gilbert Unger, Robert Kinsey Reynolds, and William F. Greenplate, Pvt. Raymond E. Thompson, Charles E. Lloyd, Raymond S. Lloyd, Ralph Whitman, Melvin Dempsey, Raymond E. Beyerlein, Millard E. Brown, E. R. Brown, E. Edgar Eastburn, William R. Atwell and Feris H. Dempsey, Seaman George Cook and Norris Greenplate.

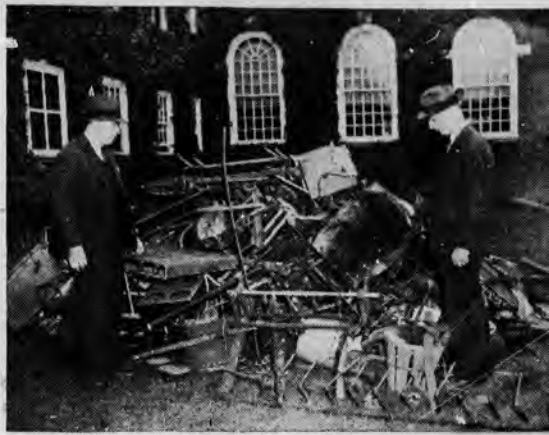

On Thursday a luncheon meeting of the Marshallton Civic Club will be held Thursday at the Mill Creek Fire Hall. Mrs. George Fountain, president, will conduct the business session. Arrangements for the luncheon are being made by a committee headed by Mrs. Sylvester Brittingham.

Letters Testamentary

Estate of George Chalmers deceased. Notice is hereby given that Letters Testamentary upon the Estate of George Chalmers late of Mill Creek Hundred, deceased, were duly granted unto James Harvey Dickey on the Fifth day of October A. D. 1942 and all persons indebted to the said deceased are requested to make payments to the Executor without delay, and all persons having demands against the deceased are requested to present the same duly probated to the said Executor on or before the Fifth day of October A. D. 1943 or abide by the law in this behalf.

Address: Ruffin & Hoffman, Attorneys-at-Law, Citizens Bank Building, Wilmington, Delaware. James Harvey Dickey, Executor.

Wolf Hall "Re-Search For Scrap"

This is the pile of scrap resulting from the scrap drive held in Wolf Hall at the University of Delaware. G. L. Schuster (right), dean and director of the School of Agriculture, and George L. Baker (left), chairman of the collection committee, are shown surveying the wide variety of obsolete and unused materials, collected throughout the building.

INCREASED SEEDINGS OF LEGUMES IS ADVISED

Will Release Nitrates For More Vital War Purposes

To bolster production of important war crops and to beat the threatened nitrogen shortage, Kenneth W. Baker, associate director of the Delaware Agricultural Extension Service, urges Delaware farmers to increase seedings of winter legumes and cover crops.

Increased seedings of legumes are needed to replace applications of nitrogen fertilizer that will be reduced because large quantities of nitrates are being used in the manufacture of munitions, he points out. Farm lands must be kept at peak strength to prevent declining food and fiber production later in the war and in the postwar period.

Extension crop specialists report that growing winter legumes is one of the best methods of restoring productive

vigor to the soil.

Delaware farmers, states C. E. Ocheltree, chairman of the State Triple-A, may obtain cover crop seed through their county Triple-A committees and have the price of the seed deducted from their future payments. Up to September 12, Delaware farmers had ordered 30,000 pounds of crimson clover seed.

Under the 1942 Triple-A program, greater emphasis is being placed upon the seeding of winter legumes as winter cover and green manure crops. The rate of payment for establishing and turning under a good stand of winter legumes has been increased from \$3.00 to \$4.00 per acre. Harvesting winter legume seed in a workmanlike manner or leaving all the legume forage on the land as a "go-down" crop will earn \$3.00 per acre, as compared with \$1.50 per acre under the 1942 program.

For detailed information in green manure and winter cover crops, Delaware farmers are urged to contact their county agricultural agent for a copy of Wartime Extension Folder No. 1. This folder lists the crops suited to Delaware conditions, rates of seeding and other important cultural information.

What's the Answer?

What is the origin of the word "lumber"?

ANSWER: Lumber originally meant something cumbersome to be thrown away as of no practical use. When small amounts of boards and wood were shipped to England from the American colonies—sometimes as mere ballast—the British sailors referred to the bothersome material as "just so much lumber."

Where can you find the lumber dealers in your vicinity?

ANSWER: When you need lumber, millwork or other building materials for that alteration or repair job, you'll find the dealers in your vicinity conveniently listed in the Yellow Pages of your Bell Telephone Directory; as well as Rug and Carpet Cleaners, Florists, Music Teachers, Opticians, and many other services.

You can save time and many steps these busy days if you look in the Yellow Pages when you want to know who sells it or who will do the job.

You'll find it in the YELLOW PAGES!

STATE OF DELAWARE
Office of Secretary of State
CERTIFICATE OF DISSOLUTION
To All Whom These Presents May Come, Greeting:

Whereas, It appears to my satisfaction by duly authenticated record of the proceedings of the voluntary dissolution thereof, by the consent of all the stockholders deposited in my office, the KENNETH CINDER BLOCK COMPANY, a corporation of this State whose principal office is situated at

No. 404 West 28th Street, in the City of Wilmington, County of New Castle, State of Delaware

C. E. Yost being agent therein, and in charge thereof, upon whom process may be served, has complied with the requirements of the Corporation Laws of the State of Delaware, as contained in 2033, Section 1, to 2346, Section 214, Chapter 63, of the Revised Code of 1935, as amended, preliminary to the issuing of this

CERTIFICATE OF DISSOLUTION
Now, therefore, I, Earle D. Willey, Secretary of State of the State of Delaware, do hereby certify that the said corporation did on the fifth day of October A. D. 1942, file in the office a duly executed and attested consent, in writing, to the dissolution of said Corporation executed by all the stockholders thereof, which said consent and the records of the proceedings aforesaid, are now on file in my office as provided by law.

(OFFICIAL SEAL)

DIVORCE
New Castle County, ss.
The State of Delaware,
To the Sheriff of New Castle County, Greeting:

Whereas, Eva H. Austin by her Petition to the Judges of our Superior Court, filed in the office of the Prothonotary of said Court in and for New Castle County, for the cause of complaint therein alleged, has made application to our said Judges that a decree may be pronounced dissolving the marriage existing between the Petitioner and Arthur S. Austin.

We Therefore Command You, AS YOU WERE HERETOFORE COMMANDED, That you summon Arthur S. Austin so that he be and appear before the Judges of our said Court at the next term thereof to be held at Wilmington, on Monday, the 2nd day of November next to answer the allegations of the said Petitioner, Eva H. Austin according to the Act of Assembly in such case made and provided, and also to do and receive what the Court shall then and there consider concerning him in this behalf as to the Court shall seem meet and consistent with the provisions of the said Act of Assembly.

AND HAVE YOU THEN THERE THIS WRIT
WITNESS, the Honorable Daniel J. Layton, at Wilmington, the Twenty-first day of September, A. D., Nineteen Hundred and Forty-two.
ISSUED
Sept. 23rd, 1942
MARTIN G. HANNIGAN
Prothonotary
10-1 to 11-5

Levy Court Candidate

Sheriff Elias E. Othson

The taxpayers of New Castle County at this time need capable and fearless members of the Levy Court.

The Levy Court has in its hands the duty of fixing the yearly tax rate and has exclusive charge of the expenditure of the taxpayer's money, paid by them with the exception that the same will be expended for the good of the entire county and not for a few favored communities.

Elias E. Othson of Mill Creek Hundred, is a candidate for Levy Court Commissioner on the Democratic ticket and he is pledged, if elected, to do his utmost to have the business of the Levy Court conducted in a business-like way. He is well suited for the office, has been a successful farmer and is now ending his term as Sheriff of this county, which office he has filled with ability and to the satisfaction of the public.

VOTE FOR HIM AT THE NOVEMBER ELECTION

A 3-POINT PROGRAM FOR GETTING More Eggs

1. Cull non-producers—they take up valuable space and consume needed feed.
2. Give high producers plenty of room, a clean, well-ventilated house and lots of fresh, clean water.
3. Feed more feed and better feed.

SOUTHERN STATES Laying Mashes are built to bring out all the egg production your birds have bred into them. The open formulas are based on the recommendations of specialists at state colleges and agricultural experiment stations and on the experience of thousands of practical poultrymen.

There are four fresh, palatable, economical Southern States Laying Mash. Select the one that will do the best job for you—then stick to it throughout the laying season.

SOUTHERN STATES LAYING MASHES ARE BUILT TO MAKE EGGS

Super Breeding Mash.....for hatching eggs
Super Laying Mash with Alfalfa.....for commercial producers
Market Laying Mash.....for farm flocks
Poultry Supplement.....for mixing with home-grown grain

BRACK-EX RED CROSS TO MEET REGULARLY

Surgical Dressings Volunteer Groups Will Meet Three Days Each Week

Brack-Ex, Oct. 7 — Announcement has been made of the marriage of Miss Netta E. Miller, daughter of Mrs. William Brown Miller of Brack-Ex and the late Mr. Miller, to Private Edward R. Hensel, son of Mr. and Mrs. Frank J. Hensel, of Wilmington.

The marriage took place Monday, September 28 in Alexandria, Va. The bride is a graduate of Jacob Tome Institute, Port Deposit, Maryland, and is associated with the duPont Company. Private Hensel has graduated from Salesianum, attended the University of Delaware and is now stationed at Camp Lee, Virginia.

Volunteers from this section will meet three days each week in the social hall of Brack-Ex Methodist Church to make surgical dressings for the Red Cross, starting Monday of this week. Mrs. John W. Reynolds of Roselle, production chairman of Oak Grove district, is in charge of the work.

Instructors in the making of surgical dressings have been given leaders in each group by Mrs. C. H. Garrison, graduate of a course at Red Cross headquarters in Wilmington.

The Roselle group will meet each Monday from 10 a. m. to 4 p. m. Leaders include Mrs. Jane Hollingsworth, Mrs. Mildred Hollingsworth, Mrs. Elva Frederick, and Mrs. Milla Clark.

On Tuesday the Brookland Terrace group will meet for the same hours with Mrs. James Faulkner, Mrs. Jeanne Baldwin, Mrs. Garrison and Mrs. Reynolds as leaders, and on Wednesday, the Brack-Ex volunteers, headed by Mrs. William A. Fincher, Mrs. Edward Todd, Mrs. Elizabeth Green, Mrs. Maude Nelson and Mrs. Irene Apel will meet on the same schedule.

Another volunteer group will meet at the Elsmere Civic Club, time to be announced, and the leaders will be Mrs. Mary Kane, Mrs. Samuel K. Puff, Mrs. Eugene Shields, Mrs. Lillian Wilson, Mrs. Kelley, and Mrs. Lewis A. Walsh.

Elsmere Fire Company will observe the National Fire Prevention Week this week.

In connection with Fire Prevention Week the firemen are planning an appeal for funds and will send out letters to residents of the communities they serve, listing their needs, reporting on their Civilian Defense activities and recommending fire prevention rules and suggestions.

The committee comprises Chief Charles L. Jones, Ralph Talley, James Cullen, Jr., Nicholas Fidance, and Amos Talley.

Special services Sunday marked the World Wide Communion Sunday in the local churches. Sunday morning at Brack-Ex Church the pastor, the Rev. John Edward Jones, administered the Sacrament of the Lord's Supper to a large congregation and also received two new members into the church. They are Mr. and Mrs. Elmer Ellis, formerly of Eastlake Methodist Church.

At the Elsmere Presbyterian Church, Holy communion was administered at the Sunday morning service by the Rev. Clarence S. Hoffman, pastor, who preached on the subject — "This Do In Remembrance of Me."

Project hauled and stored on grounds; fourteen street holes patched by Jones; siren installed on Dallow Road; light lines for Federal housing project installed; fire plug repaired on Main Street.

Water consumption for the month totaled 16,309,900 gallons, for a daily average of 543,663, making a 19 percent increase over last month and 3 percent over September of last year.

Harrington Infant Funeral Services Here Friday

Loretta Ann Harrington, 6 month old daughter of Mr. and Mrs. Ernest Harrington, died at the home of her parents, 206 West Street, Wilmington, early Tuesday morning following a brief illness.

Funeral services for the infant will be conducted from the R. T. Jones Funeral Parlor at 2:30 Friday afternoon with interment in the Newark Cemetery. Mrs. Harrington is the former Miss Irma Harris, of Newark, and Mr. Harrington is a former employee of the Continental-Diamond Fibre Company.

CENTURY CLUB OPENS SEASON

Reports Heard At First Fall Session Monday

The first meeting of the Newark New Century Club this season was held in the club house Monday with Mrs. Robert J. Boyd, president, in charge.

During the business meeting, reports of various committees were heard. Special reports of the War Service Committee were given by Mrs. M. M. Daugherty on Food Banks and by Mrs. J. F. Daugherty, on Recreation. Mrs. M. M. Daugherty announced that approximately 225 containers of food had been brought to the club house during the day. Further contributions are expected.

Mrs. J. F. Daugherty stated that a Newark Community Service group had been formed and that they hoped to open a center in a very few weeks. This center is to provide a recreation place for the numerous girl Defense workers who are housed in Newark.

A new class in Home Nursing, under the direction of Mrs. G. A. Winckler, will be formed at the club house today. Those interested were urged to get in touch with Mrs. H. K. Preston.

Mrs. Marguerite Standen, accompanied by Miss Roberta Spencer at the piano, rendered two vocal selections — "Lullaby" and "Oh, Lovely Night." In keeping with the club theme for the first part of the year, Hemispheric Solidarity, the Rev. Eugene J. Kraemer gave a brief report on the book "Inside Latin America," by John Gunther.

Tea was served at the close of the meeting by Mrs. C. E. Douglass and her committee. — Mrs. Ralph Beaman, Mrs. Pauline Bradford, Mrs. R. W. Fox, Mrs. David Eastburn and Mrs. Edward Cooch. Mrs. Robert J. Boyd and Mrs. A. D. Cobb presided at the tea table.

BANQUET AT SCHOOL

School Board Dined by Faculty

Members of the Board of Education were guests of honor at a dinner last evening, given by the faculty of the Newark Public Schools.

Principal speaker was Clarence A. Fulmer, principal at Wilmington High School.

Music was furnished under the direction of Frederick Kutz, head of the music department of the school.

George Nickle was the general chairman of the committee in charge of the banquet.

Newark P. T. A.

(Continued from page 1)

school Cafeteria operates and personally sample the well prepared nutritional foods offered their children daily. Volunteer members of the association, under the direction of Mrs. A. L. Osterhoff and Mrs. R. M. Thompson, Hospitality Chairmen, will assist the Cafeteria management.

After the supper the general meeting will be held in the school auditorium. C. Taggart Evans, President, will preside. Carleton E. Douglass, superintendent of the Newark school; will introduce members of the faculty. Representatives from the State Board of Education, the State Board of Health, the University of Delaware and the Delaware Citizens League will attend the demonstration as observers.

The plan which is the first held in Delaware may be recommended to other associations. Brief talks on Nutrition will be given by Mrs. Charlotte Spencer Hurley, Miss Pearl MacDonald and Miss Emily King. If there is sufficient interest a Nutrition course will be offered members of the Newark association.

Belton Awarded Election Ballot Printing Contract

Charles E. Belton, Democratic nominee for Register of Wills, has been awarded the contract for printing 400,000 ballots and 200,000 envelopes for the general election to be held November 3. Clerk of the Peace George Gray Thouron stated this week.

Mr. Belton is connected with the printing establishment of Belton & Rupp located at 301 West Sixth Street, Wilmington, whose bid, Mr. Thouron said, was the lowest submitted.

PRODUCTION OF POULTRY MEAT ASKED

Two Million Chickens Goal of Food-for-Freedom Program in Nation

Secretary of Agriculture Claude Wickard's call to the nation's poultry industry to produce 300,000,000 chickens during the coming fall and winter months offers still another opportunity for Delaware poultrymen to cooperate with the Food-for-Freedom program. Production of the extra chickens will be in addition to the extra production of eggs, laying hens and meat chickens, which American poultrymen and farmers are supplying to meet all wartime requirements in 1942. This extra production is to supplement the supplies of meat in prospect for civilian use.

To get this increased production, W. C. Skoglund, extension poultryman at the University of Delaware, advises Delaware poultrymen and farmers to utilize existing brooder houses and other poultry equipment not normally used to capacity this season. A million producers in the nation rearing 200 chickens each would assure reaching the goal, he says.

The extra chickens produced will be marketed during the "off" season and out of the way before poultrymen and farmers must give full attention to the egg and poultry production needed in 1943. Producers who have facilities available for putting in chicks at this season should, says Skoglund, adopt a management program to meet cold weather production problems, should use feed efficiently, and by all means use existing equipment and facilities. Brooding at this season also requires careful attention to disease control and every poultryman is urged to adopt a sound sanitation program to avoid chick losses.
