Master classes for both vocal and piano students at University of Delaware have been inaugurated this year by Miss Hilda Somers, new instructor in voice, and Miss Grace Berry, of the piano faculty, to provide an opportunity for informal recitals through which pupils may achieve experience and poise in facing audiences.

On November 4, Miss Berry demonstrated early classic and modern French piano compositions, featuring the works of Rameau, Couperin and Chabrier. Previous master classes have centered around music by Beethoven, Mendelssohn, Grieg, Debussy and Chopin, with Charles Rogers, of Sayville, N. Y., Benjamin Raphael, of Wilmington, and Mary Lou Wetzel, of Newark, as the student soloists.

Voice students meet on Mondays at 4:30 p. m. in old college. This past Monday's program featured Italian classics and included the following selections:

"Nina," by Pergolesi, sung by Miss Jacqueline Margolin, of Wilmington; "Caro mio ben," by Giordani, and "L'assoluto Morte," by Monteverdi, sung by Miss Pauline Ellingsworth of Bridgeville; "To Lo Sai," by Torelli, sung by Miss Mary Lou Harris, of Collingswood, N. J.; "Vergin Tutts Amor," by Duranti, and "Donzello Fuggite," by Cavalli, sung by Miss Barbara Carothers, of Newark.

ROTARIANS MET MONDAY

**Omar Boulden
New Member**

Charles Maddock, assistant general council of the Hercules Powder Company, addressed the Newark Rotary Club last Monday evening on "The Relationship Between Capital and Labor."

He traced the history of labor relations in the United States and divided the subject into four parts. At first, labor unions were suppressed in this country. During the second part, labor unions were tolerated by the government and the public. The third phase was marked by the Wagner Act and served to encourage labor unions. Mr. Maddock stated that we are now in a fourth period, that of union responsibility. That resulted from the passage of the National Labor Relations Act commonly known as the Taft-Hartley Law which amended the Wagner Act.

The Program Chairman was Ernest Nachod, who introduced the speaker.

FUTURE HOME MAKERS

Local Club On The Air

The state adviser of the Future Home Makers of America, Miss Emily A. King and the state officers of the club were on the air Monday at 1:45 over WDEL to discuss organization and activities to be carried on.

It was stated that the club has been on a national basis since 1944, but the Newark and Dover chapters didn't join until March 3, 1946. The first official state meeting was held June 1946, at Camp Otonka, Dagsboro, Delaware. The following members from Newark chapter attended: President Dorothy Ford, Goldie Siple, Joan Miller, Jean Pennington, Lorraine Miller, Mildred VanSant, and Helen Jeyk, who accompanied the Newark adviser on the lengthy trip.

National Guard Unit Putting On Recruit Drive

The local National Guard Unit has set up recruiting booths at 39 East Main Street so they can meet their quota allotted them. In the office space they have \$50,000 worth of equipment there and anyone is invited to look at the equipment.

The Battery is going to Wilmington on November 20 to take part in the parade to help celebrate Freedom Train Day. Our guards are going to hold a dance on Nov. 25 with music furnished by Bob Flowers and his Rhythm Rascals Band.

Ten new recruits signed up for the local battery are as follows: Weston Belle, Edward Bell, Joseph F. Haas, John Lamb, John Myers, Charles Wetzel, William Dill, and Charles Dear.

Ware Abouts

With the Fall edition of the bulky Wilmington Telephone Directory being distributed this week, work is well under way for publication of the smaller Newark directory which necessarily cannot be published until after the Wilmington book is issued.

Due to the fact that many local numbers have been changed in the past year—as well as the fact that numerous new subscribers now have phones—it is hoped to publish the small Newark book within the next couple of weeks, incorporating currently correct local listings of all Newark subscribers.

To this end we ask your cooperation. If your name or number is not correct in the new Wilmington book—please telephone this office and give us the correct data without delay so that our Newark book may be compiled with a minimum of errors possible.

Also, any firm or individual desiring to purchase advertisement in this book, who has inadvertently not been approached, should contact us at once as there is a limited amount of space available for this purpose.

Upon completion, copies of the Newark book will be sent to each Newark telephone subscriber—extra copies will be available at this office without charge.

School children's glee was unlimited Monday morning when they went to school only to be happily surprised with the announcement that there would be no school that day. The reason: The boiler broke down. It was promptly repaired, however, with school as usual on Tuesday—much to the kid's disgust.

The J. A. O'Daniel Unit, American Legion Auxiliary again will conduct a Xmas Gift Shop at Perry Point and the New Castle Air Base, for veterans, they need 100 gifts items for men, women and children. Your response and cooperation in this worthy cause is solicited.

Appropriate gifts for most any kind person will do as the gifts are taken

around to the wounded and disabled veterans who then pick out items to send their mothers, children, sweethearts, etc. for Christmas . . . gifts that you will make possible for these lads have no other way of obtaining them. Donor please contact, Mrs. C. Harold Sheaffer, 249 East Main Street, or telephone 2317.

The Blue Hens football star again in the ascendancy with three straight wins after their one-point loss to Bucknell, comes in for another tough test this week-end when the Murraymen journey to Bethlehem in an attempt to duplicate their last year's victory over the strengthened Muhlenberg eleven. It's an even-Stephen proposition, in our opinion.

Coach Matt's N. H. S. Yellow Jackets relinquished an early 13-0 lead over P. S. duPont last week to lose by 20-13 in the last half after giving a game exhibition to hold the unbeaten Dynamiters to a one-T. D. margin. They're due to make amends at the local athletic field Saturday afternoon when they take on A. I. duPont—whom they should beat without too much trouble.

First concert of the Newark Music Society planned for early December. House to house canvass this week is expected to obtain more than the 700 members secured last year. We regret that announcement of the canvass was erroneously omitted from last week's issue of this newspaper.

This week's chilly weather suggests early snowfall . . . and the notion that it would be wise to have antifreeze put in the car without delay.

William S. Hamilton recovering at home, after brief hospitalization, from loss of left forefinger and injury to two others in an accident at his place of business, The Newark Printing Co. last week . . . Understand also that Jim Kirk is home and in "fair" condition after spending some time in the Delaware Hospital—where Mrs. Marion Keyes is now confined following a recent operation in Philadelphia.

Gunning season, which opens this Saturday, is danger season and with game scarce and hunters plentiful there'll probably be two gunners for every rabbit in the field, on the first day.

See where the Catholic clergy will ask a boycott of all 20th Century Fox films unless "Forever Amber" is censored or removed from the screen.

But, we fail to see the cause for the furor as the picture, as shown in Wilmington last week, was a dull, drab, uninteresting interpretation of Kathleen Winsor's novel. Incidentally, we think Rex Harrison stinks in the leading role of "The Foxes of Harrow."

Jockey Bobby Permane, popular Camden riding ace who has seen action here at Delaware Park, the driver of a car that struck and killed Mrs. Margaret Whitney, 40, at Jamaica, N. Y., on Sunday, Permane was released after questioning apparently absolved him from blame in the incident.

The Sports Post

By Sean N Hurd

This Saturday at the Liberty High School Stadium in Bethlehem, Pa., Delaware's twice-beaten Blue Hens will meet a Muhlenberg eleven whose only loss in seven starts was to Temple's Owls by the narrow margin of 7-6.

Looking back to last year for a moment we remember how the football eyes of the entire east were focused on the clash between the Hens and Mules in a game described by TIME as "football's biggest little game." At that time both teams were undefeated, each having romped over seven successive opponents. You'll recall, of course, that after sixty minutes of thrills the charges of Bill Murray emerged victorious by a 20-12 count for the Hens' 30th consecutive game without a setback.

This year it looked as though things would be mighty different. A month ago, after two defeats in their first three games, the Delawareans were in the doldrums. On the other hand, after their first three games, the Mules had amassed 158 points in three straight successes. Quite naturally no one down Delaware way mentioned the Muhlenberg game. It then looked like the Hens would be massacred by the Mules.

But one month has wrought many changes and today it appears that there will be a considerable caravan of cars from the Diamond State making the trip to Bethlehem—and they aren't making it as a pilgrimage. Blue Hens fans have high hopes that last year's result will be repeated.

These hopes do not seem wholly unfounded. In their last three games a revitalized Blue and Gold squad has scored exactly 26 points in each encounter. It's probably true that comparative scores mean little or nothing but it's interesting to note, nevertheless, that Delaware defeated Gettysburg 26-0 while the Mules, only last Saturday, turned back the Bullets 27-0.

And if you take comparative scores seriously enough to consider that which swings the scales in the Mules favor, you may be willing to consider this as a good omen: Delaware Freshmen 13—Muhlenberg Frosh 6—and Monty Pierson's Blue Chicks overcame a 6-0 half-time deficit to win that one.

Especially because Newark High lost 20-13 to P. S. duPont last Friday we don't want to appear to omit Walt Matt's team this week. As a matter of fact we highly commend the Yellow Jackets on their fine showing against the Dynamiters, who have not dropped a decision to a Delaware opponent in 11 straight contests. We still like the local team!

NEVER SAY DIE DEPARTMENT.

It's a traditional part of American sportsmanship to inculcate in our young athletes the idea that no game is ever over until the final whistle has been blown. Now, however, it appears that even that seemingly sound admonition needs revamping. As a case in point, take Ohio State's 7-6 win over Northwestern. When time ran out and the final whistle blew, it appeared to more than 70,000 spectators at Columbus that Northwestern had won 6-0. But one of the officials noted that the Wildcats had accidentally had twelve men on the field. Therefore the Buckeyes were allowed one more play. An end zone pass clicked and the score was knotted at 6-6. The attempted conversion failed. Time counted on the field. Again an official said the game was not yet over for Northwestern had been detected offside. The Bucks were given another conversion try, the boot was good, and thus three minutes after time ran out, Ohio State won the ball game 7-6.

Thirty-four years after the astounding aerial attack of Knute Rockne and Gus Dorais shocked the football world by leading then unknown Notre Dame to a 35-13 victory over Army, a couple of lads named Terry Brennan and Johnny Lujack helped provide the Irish with a 27-7 win over West Point as this great series between the keenest of rivals came, at least temporarily, to an end. Within seconds after the game started little doubt concerning the final outcome remained for Brennan ran the opening kick-off back 96 yards for a T. D. for one of the greatest thrills in the gridiron pastime.

GRID GRITS. A Middies fumble in the final quarter enabled Georgia Tech to defeat a hard-luck Navy team 16-14 after the men from Annapolis had twice come from behind to take the lead. The best description of Navy's luck we've yet seen is this: "The Middies' 1947 destiny was undoubtedly figured out well in advance by a bunch of characters out of Macbeth sitting around a seething cauldron." Princeton now knows that it pays to be patient, for after waiting nine years the Tigers, by a score of 33-7, finally registered a gridiron victory over Harvard. Three more touchdowns by Lucien (Bambino) Gambino led Maryland to a 32-0 defeat of Duquesne. Twice in the last three weeks we picked Wake Forest to win. Twice they lost. Last week we picked Boston College to defeat the Deacons. The answer is: Wake Forest won 14-13. Incidentally, Boston College has lost only twice this year, both times by a 14-13 score. Missouri's 28-7 upset victory over Duke was the biggest margin by which a Blue Devil team, coached by Wallace Wade, was ever set down. Only two weeks ago Purdue upset Illinois. Last Saturday poetic justice set

YELLOW JACKETS LOSE TO P. S. DUPONT AFTER TWO TOUCHDOWN LEAD

Ted Davis Day Saturday When A. I. DuPont Invades Newark On Local Field; Kick-Off 2:15; Ford May Not Start

P. S. duPont High's domination over Delaware opponents reached 11 straight games, but the Dynamiters had to do it the hard way to shade a scrappy Newark High eleven, 20 to 13, at the P. S. duPont Stadium. The Dynamiters haven't been defeated by a state school since Conrad turned the trick in 1945. It was their third straight win of the season.

Newark took a 13-0 edge in the first quarter. The Dynahs roared back to score twice in the second period, but trailed by a 13-12 at half-time. In the third quarter, P. S. duPont tallied the deciding touchdown and added a safety.

Another Soccer Loss For Delaware

Newark Jayvees To Play P. S. DuPont

Newark Jayvees will encounter P. S. duPont Jayvees, Monday, November 17. They have made a good showing this year by winning over Wilmington, 20-8 and Sallies, 6-0. The game will be played on the P. S. field.

in and a fourth-period rally by Minnesota bumped the Boilermakers, 20-21.

Did you notice that on a soggy slipper field Slipper Rock lost to Geneva 3-0. . . and just think what titanic football fracasess these must have been: Canterbury 6—Hiram 6; Hillsdale 7—Alma 7; and the scoreless tie between Rose Poly and Cedarville.

THIS WEEK'S PREDICTIONS. We were glad to settle last week for 24 right and 9 wrong (one tie and one cancelled game) which gave us a batting average for that week of .727. With no more confidence in our selections than Joe Louis' opponents have displayed in their own ability we'll still take: Baylor over Tulsa; Boston College over Tennessee; Brown over Harvard; Clemson over Duquesne; Colgate over Syracuse; Columbia over Holy Cross; Dartmouth over Cornell; Delaware over Muhlenberg; Duke over South Carolina; F. & M. over Ursinus; Georgia over Auburn; Georgia Tech over Alabama; Illinois over Ohio State; Johns Hopkins over Haverford; Lafayette over Fordham; L. FROSH SCORE FIRST WIN

Ray Wright Outstanding

At the expense of the Muhlenberg College yearlings, Delaware's freshman football team snapped a two-game losing streak to take their first win of the season, 13-6.

Delaware had to offset a 6-0 halftime margin. The young Mules pushed the Chicks all over the gridiron through the first two periods.

A sustained drive, climaxed by a two-yard line buck by ex-Tower Hill Fullback Ned King, accounted for the score which drew Delaware even in the third period. Bill Butterbaugh's placement gave the Chicks the lead which was never threatened.

Ray Wright, Freeport, Ill., halfback and brother of Cornell's first string fullback, Win Wright, broke away for a 20-yard gallop for an insurance touchdown in the final minute of play.

Wright, who entered the university last February, but is still classified as a freshman under the new eligibility rules, was the outstanding back on the field although he was playing with his right hand in a cast as a result of a legging visit.

DELAWARE TRIUMPHS OVER WESTERN MARYLAND FOR THIRD STRAIGHT WIN, 26-0

Blue Hens To Invade Muhlenberg This Saturday Afternoon At Bethlehem; Murray Sharpening His Ground Attack For The Mules

It was the third straight victory for the Blue Hens, as they undoubtedly earned the rating of a good mudder. The Terrors on the other hand, gave no indication at any time, that they were particularly adept at dodging the lakes that dotted the field. Fumbles were predominant in the play, with Western Maryland having two, which set up touchdowns for Delaware.

Shortly after the first Delaware score, the Terrors made their only real offensive threat of the afternoon. They took over on their own 40, and Joe Gianelli and Hank Carrado doing considerable

BLUE HENS LOSE RACE

Tom Galley Finishes Fifth

Inclement weather and muddy underfooting on Joe Frazer Field proved rough on the harriers representing both University of Delaware and Johns Hopkins University, but the Baltimore collegians romped away with a 44-16 victory over the Blue Hens, as four locked-arm Hopkins representatives crossed the finish line in a first position tie 17:12.5 minutes after they started on the 2 1/2 mile cross country romp.

Tom Galley, of Delaware, finished ahead of Powell of Johns Hopkins but Troxel, Portness, Grim and Hildenbrand, of the visitors, had crossed the finish line first to win the low point positions in the race. Don Lynam, Bruce Samson, Henry Cofer and Bob Stabler were the Blue and Gold men to follow.

The first gasoline automobile in the United States was invented by C. E. Duryea in 1892.

E. D. WILLEY TO SPEAK AT UNIVERSITY

Former
Congressman
From Delaware

Earl D. Willey, director of the Legislative Reference Bureau and former United States Representative from Delaware, will be the Rededication Week speaker at the University of Delaware next Tuesday morning.

Dr. W. Earl Armstrong, dean of the School of Education and chairman of the University's committee for participation in the events connected with the arrival of the Freedom Train in Delaware, announced that Mr. Willey's topic will be "Our American Heritage."

The program, which will be open to the public, will be held in Mitchell Hall on the campus at Newark at 11:10 a. m. Military drills at the university, ordinarily held at that hour on Tuesdays, were shifted to Thursday morning to permit more students to attend the assembly.

Dean Armstrong also announced that the Committee on University World Relief has been invited to participate in this program. The committee, with a goal of \$5,000 for relief of students in other nations, is a joint faculty-student organization headed by Dr. Carl J. Rees and Miss Dolores Tondat, co-chairmen.

Inclusion of the committee in the Rededication Week exercises, Dean Armstrong pointed out, will help to extend "the idea of patriotism to include services to others who are interested in securing and maintaining the type of life which we enjoy in a democracy."

The university also will send two official delegates to the Freedom Train on November 21. They will be selected by William R. Nash, president of the Student Government Association.

MEETING OF MINDS

If you proceed along your street and stop to talk to those you meet, it won't take long for you to find that they, like you, are much inclined to pause and say a word or two, before they bid you fond adieu. For, nothing can quite take the place of meeting good friends face to face.

Nothing can take the place of reliability. That's why Frigidaire is such a great name. If you will check all the advantages of the new Frigidaire Cold-Wall, you will see how much value you get for your refrigerator dollar. See the beautiful new models on display at the NEWARK ELECTRIC CO., 173 East Main Street. Tel. 6872.
