Internationally Famed Artist To Give Piano Recital Here

Curzon to Appear On Mitchell Stage

Clifford Curzon, internationally famed British pianist, described by critics as "among the greatest keyboard artists of the time," will play at the University of Delaware's Mitchell Hall at 8:15 p. m., Friday, Feb. 17. His concert, under the sponsorship of the University's Artist Series, will be open to the public.

Mr. Curzon now is making his second American tour, for which he was booked months in advance for appearances from coast to coast. He was known all over Europe when he made his American debut in a Town Hall recital in February, 1939, followed by a second New York appearance at Carnegie Hall, in which he was assisted by 65 members of the Philharmonic Symphony Orchestra. Offered a contract for an American tour for the coming season, Curzon accepted, but this was deferred for nine years because of the war. Throughout the war, he played day and night, all over Britain, and he tells of sometimes hearing a building nearby collapse when he was, in the midst of a sonata.

New York Visit

When he returned finally to New York, Curzon reversed the procedure of his earlier visit. First he played at Carnegie Hall with the Philharmonic Symphony, and three weeks later he gave a Town Hall recital. This was late in 1947. A critic wrote then that he could recall only one performance—that by Rachmaninoff — "which approached Mr. Curzon's incandescent intensity, technical perfection, and beauty of tonal investiture."

Curzon made a tour in 1948-49 all over the United States and Canada. He started with a national network broadcast, and ended by playing the "Emperor" Concerto three times with the New York Philharmonic Symphony in the course of Bruno Walter's historic Beethoven Cycle. He played five times during the season with the Philadelphia Orchestra.

Second Tour

Now in the midst of his second national tour, Mr. Curzon was heard recently in a recital at Town Hall, after which Olin Downes of the New York Times commented that "Mr. Curzon, an artist of true humbleness and a consecrated devotion to his task, is one of the most remarkable pianists and musicians now before the public." Noted for

CLIFFORD CURZON

Women's Dorms Added to Playbill

May 1st, 2nd, and 3rd has been scheduled for the men and women's song and play fest. For the first time, the women's dorm will compete for a trophy on the playbill. Recently commuters who answered the dormitory questionnaires were included as members of the dorm of their choice. These girls will participate in all dorm events including the playbill and they are therefore asked to notify the dorm of their choice if they are interested in this event.

The playbill will be run on the same basis as the fraternity playbill has been run in the past. Tentative plans include five plays per night with each dorm limited to forty minutes each.

The women's play fest is under the chairmanship of Barbara Gordy and she will welcome any suggestions that are given.

his rather unusual programs, he presented one of them at the Town Hall concert, in which he played three numbers: Mozart's Sonata in C Minor, Schubert's Sontana in D, and Schumann's Fantasy in C.

First Del. Appearance

His concert at Mitchell Hall will be his first appearance in Delaware. Tickets are available at the University.

Communist Power Weakened In Belgium, Oppenheim Says

Belgium's uninterrupted economic recovery ever since the war's end has progressively weakened the Communist strength in that country, Dr. Felix E. Oppenheim, chairman of the Department of Political Science at the University of Delaware, reports in an article on "Belgian Political Parties Since Liberation," published in the January issue of *The Review of Politics*.

Pointing out that in the 1949 elections the Communists polled but 7.5 per cent of the total vote, Dr. Oppenheim declares: "That the strength of the Communists in Belgium started diminishing two years before the United States embarked on its aid program, is mainly the result of the same factors contributing to the corresponding rise of Socialist strength: Belgium's uninterrupted recovery from the summer of 1945 till now."

"Had Belgium's rapid recovery

been the rule rather than the exception in Western Europe," Dr. Oppenheim states, "there might be less uncertainty today about democracy's ability to withstand the threat of authoritarianism of the extreme right or left in that part of the world," because "under healthy economic conditions, the great majority of Western Europeans, while repudiating unrestricted free enterprise, will adhere to the democratic ideal of the supremacy of the individual."

Dr. Oppenheim's article is based primarily on conversations with leaders and followers of all parties, and attendance at numerous party conventions, in the first months of liberation—September, 1944 to December, 1945—and in the three past summers. He discusses at length the position of the principal parties—Catholic, Liberal, Socialist, and Communist—and he points out that, in general, the religious, political, linguistic groups tend to coincide.

Junior Class Stages Annual Prom

The Field House will scintillate as never before from 9:00 to 1:00 on Friday, February 24 when the Class of '51 presents its Junior Prom. The dance, which will be formal and non-corsage, will present a collection of what promises to be dazzling entertainment, headed by (we quote) That Singing Rage . . . Miss Patti Page, of radio, night club and television fame. Miss Page's Mercury recordings of such tunes as "Confess" and "So In Love," and her recent novel waxing of "With My Eyes Wide Open" (no less than four of the gal on one record!) have carried her to phenomenal success within the past two years. She has sung on the radio shows of both Paul Whiteman and Vaughn Monroe, and has appeared on both Lanny Ross' and the Gulf Oil Co.'s television shows; at the end of last year, *Billboard Magazine's* Poll of Disc Jockeys named her the "most promising singer in America." Miss Page will appear twice during the evening beginning at 9:15 and 12.

Dance music will be under the competent batons of Matt Gillespie and Chuck Gordon. Gillespie, who gained his early band experience with Benny Goodman and Charlie Barnett, made a big hit at last year's Prom. An accomplished ivory pounder, Gillespie leads a versatile group featuring the voices of Margie Lee and Lou Reed.

Chuck Gordon has provided appealing music for dancers throughout the country. His band uses a well-blended sax section as nucleus, augmented by Gordon's own trumpet. Betty Carlson is the featured balladeer.

Tickets will be \$3.60 a couple—not a bad tariff considering the quantity and quality of entertainment. Sales begin Friday, February 10, in the S.G.A. room in the Library basement.

Dr. Carl Rees Appointed Head of Summer Session

Dr. Carl J. Rees, director of graduate study at the University of Delaware, has been appointed to direct the University's Summer Session. He succeeds Dr. Allan P. Colburn, who will take office in April as acting president.

Dr. Rees, in his new post, will be in charge of a program which enrolls nearly 2,000 students, public school teachers, and others for summer study.

At the same time, it also was announced that the 1950 Summer Session again will utilize the two-term plan which has been in effect for the past four years. The schedule of the two terms of six weeks' duration each was inaugurated to enable many former service men to complete their college work sooner than they otherwise could. Course work is organized so that a full semester of work in any course offered may be completed in six weeks.

Helps Irregular Students

The Summer Session is designed particularly to serve the needs of students whose programs have been irregular, or those who wish to speed up their graduation; elementary and secondary school teachers of Delaware interested in improving their services to the schools and possibly in completing work toward either a bachelor's or an advanced degree; and other persons from within and without the state of Delaware who wish to take advantage of some exceptional offering on the summer program. A faculty of approximately 100 persons is required for this instruction. These are mainly members of the regular University staff but are augmented in certain departments by teachers and scholars of distinction from other universities.

Rees Head of Graduate School

Dr. Rees, a member of the Uni-

Response to Stadium Drive Slow Among Undergrads

Individual contributions to the University of Delaware's stadium fund campaign have trebled in dollar-volume over last year's Development Fund Drive, campaign director Edgar P. Reese, Jr., said today.

In addition, said Mr. Reese, on the basis of the early returns from alumni now being solicited throughout the state, two-thirds of the contributors are increasing their donations.

It is predicted that final returns of the drive among U. of D. alumni will show virtually 100 per cent participation among the 3300 living in Delaware.

101 Students Drop From Delaware For Academic Failure

For the third consecutive year, the percentage of students dropped from the University at mid-years for academic failure hovered just below 5 per cent.

Of the 2,217 students in the first term, 101 were dropped from the rolls and did not receive immediate readmission. The percentage of departures was calculated at 4.9.

Students are dropped for failure to pass 69 per cent of the term's work, for failure to meet terms of previously-imposed probation, and in the case of upper-classmen, for a low cumulative scholastic index.

After withdrawals for academic failure and other reasons, and after the loss of about 100 seniors who have completed requirements for the degree they will receive in June, the student body stands at about 2050 for the present term.

In the face of this all-out support by former students, it is sad to note that the undergraduate students have only subscribed \$1040 to the fund. Seventy-six percent of present students have contributed, but their average donation is very small.

As a matter of comparison Mr. Reese called attention to the swimming pool drive which took place 23 years ago in 1927. In this drive 95 percent of the 561 undergraduates contributed an average of \$18 per person. Their goal was \$48,000, of which the alumni allotted \$10,000. The remainder was donated by the student body.

These figures furnished by Mr. Reese do not compare favorably at all with the figures on the present stadium drive. If the stadium is to be erected in the near future so that the present students will be able to enjoy it, it is indicative that every Delaware student give and give enough.

Director of Athletics, William D. Murray has written a letter in which he points out that "Our faculty compares favorably with the best; there are no colleges with a more beautiful campus; buildings from the standpoint of service and appearance, are tops," and adds that "The Delaware athletic program is gradually catching up. Most of our teams are beginning to compete on even terms with other colleges of similar size and academic rank. Athletic facilities of our campus for men and women in the way of gymnasium, swimming pools, track, tennis courts, field house etc., surpass those of practically all our rivals. Our greatest need is a stadium. Your initial response toward fulfilling this need is a real inspiration."

Univ. Drama Group In Broadway Hit

"Two Blind Mice," the play about two delightful old ladies who continue to run a governmental bureau in Washington four years after Congress abolished this establishment, will be staged at Mitchell Hall, Newark, as a presentation of the University Drama Group of Newark on Thursday, Friday and Saturday, February 9, 10 and 11 at 8:15.

One of the Broadway hits of the 1948-49 theatrical season, this comedy by Samuel Spewack is the second major three act play to be presented by the University Drama Group during the current season. Last fall the organization produced "The Little Foxes," which was received with much enthusiasm by those who saw the play.

Ruth Alford and Betty Kase will be seen as the two earnest bureaucrats who know their Office of Seeds and Standards has been abolished but bravely pretend that it hasn't. They burn their government checks, avoid answering the telephone, and get along by renting rooms to a married couple, a pants-presser, and a rhumba teacher, and by operating a parking lot on the grounds.

Reporter Causes Complications

The cockeyed complications in "Two Blind Mice" center in the wacky efforts of a reporter, to be portrayed by E. C. "Curly" Ma-

Rushing

Almost in conjunction with the beginning of the new term, the University has swung this week into the annual fraternity rushing period. We think this a good time for offering a few words of advice to Freshman rushees.

One of the reasons for the delay of rushing at this time of the year is that you, as prospective fraternity men should have had the chance to observe carefully from the outside all the fraternities on the Delaware campus, so that you could see fraternities in their full capacity on campus before the time for you to make your choice of a fraternity. Now the whirl is on.

Rush week is a difficult time for all involved, but especially for the rushee. Remember that when you join a fraternity you are choosing the men who are going to be your friends for the remainder of your college career. You will live with them, work with them, go around with them for the next three and a half years. Choose them wisely. Look at as many fraternities as you can. Look at them with reference to yourself.

Joining a fraternity is a big step, one of the biggest you will make here. Rush week is designed that you may look at the fraternities and they at you. Give yourself and them every opportunity. Don't be shy about going to houses to which you have not been formally invited. The fact that you have not come to a fraternity's attention does not mean that they will not be interested in you when they know you.

Fraternity life is a very important part of this University and of your own college education. This is your chance to reap its benefits and to add your part. Make the most of the chance—and good luck to you!

A 'Campus Occurrence'

As you all know, there have been containers for the March of Dimes campaign all over campus for the past month. But don't stop reading. This isn't another appeal for your contributions. It's too late for that. We just want to tell you something that may affect you in various ways. Maybe you'll be angry, surprised, or disgusted . . . but we hope not indifferent. It strikes too close for us to ignore.

The containers didn't have much money in them, but it was the small change of many people who were willing to help a good cause. College students aren't well known for their contributions to charities, but you had responded to this with the spare pennies, nickels, and dimes which help a worthy cause . . . Yes, they held some small change to help a few crippled kids, or to spend in research on infantile paralysis. A week ago, four of these receptacles were stolen.

They were taken from Harter, Brown Hall, the Training House and the basement of the library. By whom, and for what, nobody knows but the person who took them . . . but I doubt if it was more important than the March of Dimes.

You can say that whoever it was didn't get much money. Maybe they didn't, but it doesn't take much money to do unbelievable good in a paralysis ward. Next summer if there is an epidemic, won't that little bit be missed?

Well, there it is. Just a little information . . . but think about it before you go to your next class.

B. J. K.

Artist Series

On Friday, February 17, Clifford Curzon, considered among the greatest of contemporary pianists, will play a recital in Mitchell Hall in conjunction with the University's Artist Series. The University community is fortunate in having an opportunity to hear such a prominent figure here, and it is hoped that the student body will take advantage of this occasion.

The Artist Series was set up here to provide the University of Delaware students with the chance to hear and see some of the outstanding artists of our time right here on the Delaware campus. It is seldom that students at most colleges of our size and relative distance from metropolitan centers have such opportunities.

Unfortunately, the students here have not taken full advantage of these programs. The turn-outs at the concerts given by the more famous performers, however, notably that of the Polish pianist Maryla Jonas last year, have been outstanding. It is only by our attendance at these programs that we may indicate our regard for them and our desire to have them continued, as well as our preferences in artists. It is to be hoped that Mr. Curzon will be greeted by a large audience on the 17th so that we may in the future have more opportunities of seeing artists of his caliber.

Somewhere In the Woods

By DON MILLER

Prologue:

We are all aware that an automobile is a necessity in college life. However, we cannot condone the lengths some people go to procure said transportation. For example, what would you think of a co-ed who borrowed a car from her professed one and only, who by coincidence attended a distant school, and then used the car to transport herself and her male escort around the Blue Hen campus. Even for the feminine mind this is not a decent sort of thing to do. But for a male student to pull a caper like that on his gal would be unthinkable.

Act I, Scene I

Birthday-celebrating at la Turf.
Fred Hartmann whose best present of all was the arrival of Betsy Nelson for the weekend.

Bob Kugler and Sue Conway. Sue made the remark of the evening when she let out that certain beverages make her sneeze. We have heard everything now.

Bob Shockley being very smooth on the dance floor with Nancy Waples from Penn Hall.

"Marv" Guberman, whose corn with Hartmann went over with a loud thud, was in the pleasing company of Rae Cericola.

Don Reynolds came in a little later with "Jabby" Jablonski, and immediately following were Buck Thompson with Joan Marshall, Frank Lanza and Ann Jones.

Joan McCain and Woody Branner made a sparkling twosome at the end of the long table.

Joy Hayes started the evening with Lou Kenderdine and was given a surprise visit by Mr. and Mrs. Hayes enroute home from the sunny climes.

Teddy Martin and Andy Korenyi, a constant pair, looking positively radiant on the dance floor.

Ralph Barwick and Collie McKelvey, who arrived late and left early.

Scene II

Setting—an aftermath of the many recent war pictures. Characters all wearing uniforms. Rifles stacked, sabers crossed, and the music brings the first of the large cast on the stage.

Flitting in and about the weapons were Jack Bradford and petite Ellen McQuaid who has a very decided abhorrence of seeing her name in print.

Conferring on matters pertaining to a unified command were Lt. Commander Squire and Mrs. Squire, Col. and Mrs. Zimmer, and Lt. and Mrs. Chase, U.S.M.C. Colonel Dunn and Lt. Colonel Hodgson were interested listeners.

Dancing quietly by in the shadows were: Bill Groetzinger and Jean White, Jean Jamieson with Chuck Stabler, Johnny Beuchele and Mary Little, Don Clements and Miss Kelly, Bill Jordon and Mary Lou Bradford.

Over in a corner was a fine ad for the purchase of Russian War Bonds. The two Greenfields decked out in military finery. Ginny Rhodes and Alice Gorny accompanied the two and made the picture much brighter.

Tom Silk, Cadet Colonel, and Carol Pope, presided over the Ball and during the course of events Margie Jeffers was named honorary Colonel of the battalion. Wasn't Murray Campbell pleased even tho' Margie did outrank him?

Noticed Frank Erdle with Bobby Gillam, Al Smith with Peggy Taylor, Harry Jacobs with lovely Phyllis Jones, Mary Lou Bowen and Glenn Wright.

Late arrivals from intermission were: Chuck Steinke and Julia May Hoekstra, Dwain Watkins and Nancy Russell, Larry Gillespie and Corinne Russo, Don Martin and Elizabeth Dawson, Kenny Wood

(Continued on Page 8)

A Letter

To the University of Delaware Students:

The Student Used Book Exchange has now been operating in the basement of Robinson Hall for a period of two weeks. Over 400 books have been brought in for resale—about 200 of these have been resold. These excellent results show that you are interested in the idea of a used book exchange on campus. Many people have come in and been unable to locate the books that they want. If more books were brought to the Exchange for resale, you would have a greater selection to choose from. Many students have been looking for engineering, science, history and English texts. If you have any that you do not need, bring them down and help pay for your own texts for this term. Thanks to you, the student body, for your wonderful cooperation to date.

NOTICE

TO ALL FRESHMEN:

Freshmen wishing to be Candidates for President, Vice President, Secretary or Treasurer of their class must secure a petition with twenty-five signatures.

Petitions must be turned in to Thurman Adams, Box No. 5 by 6:00 p.m., Monday, February 13th.

The next issue of the Review will contain a sample ballot of candidates, and voting will take place the week of February 20th.

The Stripes and Bars Forever

BY

HARRY "THEY OPENED THE DOOR ON RICHARD" STRINGER

It is with most humble and sorrowful bereavement that I dedicate this week's column to the late departed, our lamented "Lycidas," one Richard Tyler. This lad has decided to change his residence, or it was decided for him, by certain educators. In fact, the decision was unanimous. 'Twas only yesterday that I received this "last will and testament" enclosed within a black crepe envelope and postmarked, Palm Beach.

Dear Lucky,

Please note the evidence, an onion skin, which served as my passport to warmer climates.

Name of Subject	Credits	Final Grade	Comments
Arabian Abacus Reading	1	F	All thumbs
Advanced Sack Time	6	F	Natural ability but snores
Butterfly Pursuit	2	F	Used spear instead of net
Great Greek Sots	0	B	Practical background for the course
Money, Counterfeiting, & Spending	1	F	Printed his term project
Scholastic Index—None	10	Ugh!!	!! ? && ** JBS

The other day while looking for a job (I have to work because I'm too nervous to steal) I came across the following ads in the Miami Bugle, Florida's horniest newspaper:

Civil or Uncivil Engineers!!

The State Highway Department of Florida is in vital need of a square-headed fellow with blood-shot eyes to serve as a stop light at the intersection of routes 89 and U.S. 1. Work only on rainy days so water will run down the back of your neck. Paint tongue green, stick it out, and blink eyes to make traffic move again. Apply 106th floor of the Embassy Building any time next week except Monday, Tuesday, Wednesday, Thursday, Friday or Sunday. Use stairs as elevators are out of order.

Graduate student—Phi Beta Kappa, Ph. D., B.S., A.B., with scholastic index of not less than 3.9.

The Death Valley Sandhogs Inc. are offering the chance of a short lifetime for any hard working young men really like to get in there and dig. Experienced irrigation ditch diggers are needed to help road gang cut a canal through to the ocean . . . the Atlantic. Please send references and photo. Ideal working conditions, a shade above slavery. Excellent hours: 3 a.m. to 9 p.m. Nearby mining towns and mid desert oases offer gay social life. Please bring own water, tent and shovel. Bow and arrows for food will be furnished. Come early as delicious gila monsters and scorpions are in season.

Male Help Wanted:

The Abra Cadavar School for Grave Robbers announces enrollment is being held for the coming spring season. If you like to get to the bottom of things join now. We particularly need a degenerated specimen who calls a spade a spade to supervise a number of dead projects which have been lying around. Applicants must be down-to-earth fellows who don't let any moss grow on their backs.

Refresher courses in Excavation, Incineration, and Shipping and Crating are offered by the school. If you have trouble with stiff courses we'll soon straighten you out. Main offices are at 1313 Dracula Drive near the Cold Storage Plant.

That's all, Lucky, stay loose and get that rag sheet in every week.
Your old pal,
Dick

STRAIT-JACKET BAIT

Zeke: I'll see you down at the plgpen.
Reek: O.K.
Zeke: Now, you be sure'n wear your hat, so I'll know you.

Since the water shortage ended, New Yorkers have returned to their regular ways again.

And then there was the young co-ed who was so stupid she thought Vat 69 was the Pope's phone number.

Letter To The Editor

To the Editor,

I notice that the supposed "Honor System" is making its way into the headlines again and before the "Honor boys" take over the campus, I would like to stick in my two cents.

In this connection I would first of all suggest to the Review staff to stick to the news and present the facts. The article itself seems to have been planted by the Honor System committee, which itself isn't so honest if it claims that "a vote by the student body showed a large majority of them were in favor of such a system." As I remember it, the vote was very close, one way or the other and not conclusive insofar as the adoption of a new system is concerned.

The whole issue of the "Honor System" seems to be a mystery to me. Who is this self appointed committee? Have they been authorized by any particular organization to sample student opinion or are they a group of self-authorized crusaders who want to see if they can force their will on the student body? The article states that "These students were selected according to their class rating and division." By whom? Do they really represent the student body? It seems to me at least, and to most of the students I have talked to, that the approach to the Honor System issue is being carried out somewhat in the spirit of the old-fashioned temperance drives.

I furthermore challenge the committee to present facts instead of hearsay. The article states that "Leading colleges have adopted the Honor System which has become quite successful and would not be changed by the students for any other plan." What "leading" colleges have adopted the plan and in what proportion to the total number of "leading" colleges? I suggest you name some of the leading colleges that have not adopted the plan. Just what do you mean by successful? Has cheating actually decreased, and if so, how was it measured? Did the students vote on whether they would change to another system?

As you can gather by now, I am not a proponent of the Honor System, and am the more averse to the system due to the methods of the committee in trying to convince me of its advantages. So far the issue has been one of dogma instead of facts and I see no proven advantages.

Very sincerely yours,
Manfred I. Goldwein.

NOTICE

The Classical Music Listening Group will meet Sunday, February 12th, at 7:30 in Old College Lounge. Election of new officers will be held on that date.

Symphonic Band Presents Concert

A program of symphonic band music, ranging from the ultra modern "Spiritual for Band" and "Ballad for Band," to the conventional "Fugue in C Sharp Minor" by Bach, has been arranged by J. Robert King, who will conduct the University of Delaware's symphonic band in a concert at Mitchell Hall, Newark, on the night of Wednesday, Feb. 15.

The concert, at 8:15 p. m., will be open to the public without charge. The symphonic band consists of 50 pieces.

Discussing some of the selections, Mr. King said that the Bach work, transcribed for band by C. K. Wellington, is one of the 48 fugues for keyboard instruments in the famous collection of preludes and fugues by Bach, entitled "The Well-Tempered Clavichord." H. Owen Reed's "Spiritual for Band" expresses two religious moods, solemnity and intensity, achieving the latter by recurring rhythmic patterns heard throughout the second section.

From Elie Siegmeister's "Prairie Legend," Mr. King has selected "Harvest Evening," the second movement of a three-movement work portraying the quiet, lusty, dreamy or boisterous moods of the Americans who people the Midwest. Another band selection will be David Bennett's arrangement for band of Morton Gould's "Hillbilly from Americana." It is a portrayal of life in the back country of the southern United States. Gould's "Ballad for Band" and "Pavanne" also are on the program, which will close with Carleton Colby's modern rhapsody, "Headlines," an impressionistic reflection of the violent pace of modern life. The balance of the program will consist of "The New Colonial March," R. B. Hall; "March of the Little Lead Soldiers," Gabriel Pierné; "Heldigungsmarsch," from Sigurd Jorsalfar, Edward Grieg; "Funeral March of a Marionette," Charles Gounod; "Badinage for Brass," Harold L. Walters; "Cabins—an American Rhapsody," James R. Gillette; and "Jesu, Joy of Man's Desiring," J. S. Bach.

ROTC

1. Major Robert B. Johnson, GSC of the Office of the Executive for Reserve and ROTC Affairs, Department of the Army, Washington, D. C., visited the University of Delaware during the between semester holiday. Major Johnson conferred with Dr. Allan P. Colburn, Asst. to the President, Dean Francis H. Squire, and Lt. Col. L. A. Zimmer, PMS&T, on the current ROTC program and recommendations on changes. Major Johnson spoke of his previous visit to the University in 1945 when he inspected the AST-ROTC then headed by Col. Donald M. Ashbridge. At that time the University of Delaware AST-ROTC was the only unit in the 1st Service Command to receive a superior rating which contributed to the award of the Meritorious Unit Plaque to the University ROTC on March 5, 1946.

2. Plans are now being made for the annual summer ROTC Camp attended by the 1st year cadets of the Advanced ROTC Course. All juniors who are going to attend the camp will receive the necessary "shots" and inoculations at the Student Dispensary at 1300 hours (1 o'clock p. m.) each Thursday.

3. Lt. Col. L. A. Zimmer, PMS&T, Military Department, announced today that he has obtained permission to use the small bore range at the Newark National Guard Armory for rifle team practice.

At present the range will be open from 2:30 p. m. on Tuesdays and from 1:30 p. m. on Thursdays. Eventually the range will be available for rifle practice from 1:30 p. m. daily, except weekends.

Col. Zimmer wishes that anyone interested in rifle (.22 cal.) practice will report direct to the range. He also points out that the range facilities are NOT limited to ROTC students only.

It is anticipated that enough shooters will turn out to arrange a series of interclass matches. The usual rifle team consists of 15 members.

Students will be permitted to use their own weapons, if the weapon is equipped with metallic sights. Army rifles, ammo, targets, etc., will be available at the range for all shooters.

The team will be coached by members of the Military Department staff.

New home of Alpha Tau Omega Fraternity

Cakes, Elections At ASME Meeting

On Monday, January 9, 1950, the student A.S.M.E. held their monthly meeting in Evans Hall. In view of the full programs for future meetings this month's was primarily a discussion of a number of items in a business session. Because of Dick Higgins' graduation in February an election was held. Harold H. Burke was elected to be the society's next secretary.

Dick Cannon, the A.S.M.E. representative to the committee for the annual Engineers' Ball, gave a report on the progress made. Assignments were made for the various committees such as exhibits, decorations, advertising, etc.

The A.S.M.E. basketball team, which incidentally has won all of their five games and is at present leading the intramural National League, was introduced. Prof. Edward C. Lawson, Jr., A.S.M.E. faculty advisor, at the request of the team, has been their coach.

Movie Shown

It has been a policy of the society to introduce to the members, at each meeting, one or two of the Mechanical Engineering Department's faculty members. At this meeting the chairman, Edward Elliott, introduced a recent addition to the group, Mr. Morris S. Ojalvo.

The group had the pleasure of seeing a movie named *Manufactured Abrasives*. The subject of the movie was well chosen in view of the type of group to which it was shown.

The meeting came to an end when ice cream, cookies and souvenirs were given to the students and guests.

Engineers' Ball in March

On January 12, the A.I.E.E. had as its guest Mr. Hild, Wire Chief of the Diamond State Telephone Company, Wilmington, Delaware. He and his assistant, Mr. Davies, demonstrated and talked about some of the latest developments in the field of telephone communications. Quartz crystals, frequency control, coaxial cable, thermistors, transistors, and the cross bar dial exchange, were some of the interesting things brought up.

It was decided that we would have our elections of officers in March, in order that the newly elected officers be able to study the jobs of the present ones, whose places they will take. This way, they should be more effective in getting the organization off on a good start next fall.

This year's Engineers' Ball is to be coordinated with another campus activity, which will make possible a full and varied evening of activity on March 10. The E-52 Players will give a play from 8 to 9:30, and the Ball will start at 10, continuing until 1 a. m.

Jewish Federation Sponsors Forum

Drs. Vincent E. Parker and Frederick B. Parker will speak at the first of the 2nd Annual Town Forum which is sponsored by the Young Adult Division of the Jewish Federation of Delaware. The meeting will be held at 8:15 on Thursday, February 16, 1950, at the Y. M. and Y. W. H. A., 6th and French Sts., in Wilmington.

Dr. Vincent Parker will speak on the tangible physical effects of atomic energy and the A-Bomb, bringing in the effects on the health of those who come in contact with them.

Dr. F. B. Parker will speak on (Continued on Page 7)

News of the E-52 Players

Two plays have been chosen for the E-52 Laboratory Theatre Productions which will be presented on February the 23rd, 1950.

The Case of the Crushed Petunias is directed by Robert Niemeyer and its cast includes:

Miss Dorothy Simple Audrey Legge
Young Man Gifford Nowland
Mrs. Dull Joy Murray
Policeman Robert Harris
John Sedwick is directing *Sunday Costs Five Pesos* and its cast includes:

Berta Norma Levine
Fidel Douglas Calder
Salome Frances Evans
Tonio Elizabeth Kiocher
Celestine Virginia Wells

On February 2nd, 1950, the E-52 Players had their first meeting of the new semester. Polly Sutliff was elected Secretary to replace Ann Tarburton Guerke; John MacFarlane was elected Treasurer, a new office just created by a change in the Constitution.

The E-52 Players' forty-sixth major production will be *Party Line*, a new original musical comedy written by Bruce Laird, a student at the University of Delaware.

Party Line is a satire on the political parties of today.

The cast that has been selected for the speaking roles include:

Mr. Parker Raymond McCarthy
Pete Lawson Turner Chance
Bill Stewart Elbert Chance
Harry Smith Parke Perine
Sam Alan Stewart
Corinna Russell Vivian Woodrow
Frank Milbury Richard Tyler
Jenny Lewis Betty Jean Kinder
Louise Carter Catherine Lindsey
First Reporter Richard Lindsey
Second Reporter George Nagy
Third Reporter Fred Hartman
Petrushka Jones Mae Singer
Emmy Jane Good
Slim Leslie Riggs
A Singer Jo Anne Garber

A dancing chorus will appear in this musical comedy and its cast includes:

Susan Emmott, Polly Goller, Joy Hayes, Diane Klipp, Mary Little, George Masten, Manon Richeson, Janice Russo, Nancy Russell, John Sedwick, Mary Turner, Ruth Ann Webb, Jane Vannerson.

A ballet will also be featured. The dancers in it are: Nancy Ann Klussman, Polly Goller, John Sedwick.

The singing chorus includes: Mary Ann Biter, Nancy Davis, Esther Fouracre, Jean Huls, Lois Streithof, Robert Manl, Janet Vinson, Christine Walters, Esther Walls, Robert Stevenson, Harold Owen, Dawson Stewart, Florence Twiford, David Riblett, William Taruany.

Party Line is under the direction of Dr. C. R. Kase. Frank Buck is the assistant director.

The technical director is Mr. Harry Bidlake and the student technical director and designer is Spoford Beadle.

The music is under the direction of Mrs. John Gerster and the student director is Francis Green.

The choreography and dance supervisors are Helen Achenbach and Elaine Stein, directors at the Professional School of Dancing, Wilmington.

Sgt. R. A. McClain Joins ROTC Staff

The appointment of Master Sergeant Ronald A. McClain to the staff of the University of Delaware ROTC was announced today by Lt. Col. Layton A. Zimmer, PMS&T. According to Col. Zimmer, M/Sgt. McClain will function in the ROTC Administrative Staff and will instruct in basic military subjects. Sgt. McClain, a veteran of over 22 (Continued on Page 7)

ATO Leases House On W. Main Street

The historic Evans Mansion on 5 West Main Street, Newark, Delaware, has been leased by the University of Delaware to Alpha Tau Omega Fraternity.

Since the signing of the lease, the Brothers have been doing the minor repairs and alterations. The major work on the house is being done by skilled contractors.

The house dates back to the early nineteenth century and holds much historical interest. Facts pertaining to the cellar are most interesting. This is where slaves were supposed to have been chained in pre-Civil War days. The cellar floor is hard dirt and presents an atmosphere where such a thing could have taken place.

The woodwork and archways are of beautiful carpentry fashioned after the style often seen on plantations. The lattice work on the four porches comes closest to reminding one of the real plantation style.

Visitors are welcome any time of the day until eight o'clock in the evening. The date for the official "open house" will be announced at a later date.

Mademoiselle Has Fiction Contest

Mademoiselle magazine has opened its annual College Fiction Contest for women undergraduates in accredited colleges throughout the country. The two winning stories will be published in the August 1950 issue of Mademoiselle, and the

winners will each receive \$500 for all rights.

Previous contest winners have been anthologized in annual collections of the year's best short stories, Mademoiselle reports. These include one 1946 winner, written by Sue Kuehn, Wellesley College, '47, which was reprinted in the O'Henry Prize Stories of 1947, and a 1948 winner, Jerry, by Laura Hunter of Columbia University, which was reprinted in Best Short Stories, 1949.

Stories submitted in the 1950 contest may be 3,000 to 5,000 words in length. They should be typewritten on one side of paper only and accompanied by contestant's clearly marked name, home address, college year. Stories which have previously appeared in undergraduate publications are acceptable if they have not been published elsewhere.

Mademoiselle's editors will judge all stories. Their decision will be final.

Entries must be postmarked no later than midnight, April 15, 1950, and addressed to the College Fiction Contest, MADEMOISELLE, 122 East 42 Street, New York 17, New York.

Mademoiselle assumes no responsibility for manuscripts and will return only those accompanied by a stamped, self-addressed envelope.

Blessed are the censors, for they shall inhibit the earth,—reprinted from the Boston College Heights.

Blue Hen Cagers Take on Drexel Dragons

Country's Top Teams Compete In Box Lacrosse Exhibition

LaCrosse, "the fastest game on two feet" has an interesting and devastating variation: a little brother to the field game which is played indoors and is called "box lacrosse." It is quite a little brother, the roughest, toughest indoor sport imaginable. AND FOR THE FIRST TIME, BOX LACROSSE IS COMING TO DELAWARE! TO THE UNIVERSITY OF DELAWARE! IN OUR OWN FIELD HOUSE AT NO CHARGE! 8:30 TONIGHT! AN EXHIBITION GAME BETWEEN TWO OF THE COUNTRY'S FINEST BOX LACROSSE TEAMS—THE MARYLAND LACROSSE CLUB VS. THE EVERGREEN LACROSSE CLUB.

Box Lacrosse is a condensed version of the hard checking, fast breaking Indian game, played in an enclosed area, approximately one half the area of the outdoor version. There are six men on a side, compared to the regular ten men required on the field team.

This is a game of rugged endurance where there are no time outs and no interruption of play, except when the ball gets out of the cage or someone is fouled. Fouls are called when someone is tripped, checked from the rear, or "slashed" indiscriminately with a stick. The play is a combination of ice hockey, basketball and field lacrosse. A squad needs about three lines of six men each who alternate every four minutes, since four minutes is about the maximum time that a player can last in the game without a breather. Each man plays both offensively and defensively; passing, cutting, picking off, catching, dodging, shooting, intercepting, checking sticks, or fast breaking—catching the opponent shorthanded in a mad dash for the goal with the ball.

Scores count one point each. The goals are approximately half the size of the field goals, or 4' by 4'. The goalie's sole protection is the rule that only the man with the ball on the attacking team may enter the crease area. The crease is a line drawn around the goal.

Del. Groaners Win In Mule Wrassle

Coach "Whitey" Burnham's varsity matmen notched their first win of the season last Saturday in the Field House. Taking five matches out of eight, the Blue Hens outwrestled the Muhlenburg Mules 17-11 in a heated match.

The lone Delaware fall was in the 128 pound class, when Ken Hopkins pinned Jack McCall in 7 minutes 54 seconds. The other four wins were decisions.

In a preliminary match, the Blue and Gold frosh dropped a 31-5 decision to the Perkiomen Prep wrestlers. Tom Shultz produced the Chicks only win as he pinned Carl Tinnerholm in 44 seconds of the first period.

The next match for the grapplers will be February 11, at Chester, Pennsylvania against P.M.C. Cadets.

Prior to the exam period, the grapplers suffered a 26-5 licking at the hands of the Swarthmore matmen. With no less than three men on the injured list, the Hens were only able to win the heavyweight class, as Graebner (D) decisioned Hill (S). Rdnk (D) wrestled Shaffner (S) to a draw.

The summary of the Muhlenburg match:

Varsity
121-pound class—DeChaser, Muhlenberg.

Chalk Talk

By FRED HARTMANN

Missing out on a sports event or letting your interest in athletics lag is like losing sleep. Once it's gone (you guessed it) it's gone. The last issue of the REVIEW came out on January 13, shortly before the bi-annual, benzadrine debauch, which was almost a month ago. Since then much has happened. The Wilmington papers (fortunately or unfortunately, take your pick) appear six days a week and through this piece of genius have (using the jargon of the business) scooped us at every turn. So we bow, we yield, we acknowledge, and worst of all, we have to print news that is older than Egypt. This is the marrow of the bone at which we are so desperately picking. All we can do in retaliation is remind you of the "once a week handcuff," which makes an almost impossible labyrinth, when we try to bring you "new" news. Bear with us this issue of the REVIEW Sports page, which is intended solely to bring you up to date on the sporting realm at Delaware. Keep an eye on us for bigger and better coverage in the immediate future. Obviously, the primary purpose of our being here is to please you, this is your paper; if you can offer some constructive criticism or suggestion, then do so. Don't just slough it off into your subconscious. Give us the word.

Coach Fred B. Emerson's mighty mites are in a tie for first place in the Southern Division of the MASAC as we sit here tonight. Three league victories matched with but one defeat hold them in this position. Jack and his young giant killers are well on their way to what would be the greatest upset in the history of Conference cage competition. Captain Jim McFadden, the only wed-on-the-wood veteran on the starting five, has paved the way to the 4 and 4 record the squad holds today. "Dodo" Kruzinski, Emerson's only insurance under the backboards, and "Butterfly" Billy Utt share the top scoring honors with 88 and 83 points respectively. "Moneybags" (take note girls) Frank Albera, cut the cords with amazing accuracy against P.M.C. and his steady heads-up defensive work plays a prominent role in the unbelievable antics of the giant-killers.

Coach Emerson's outlook toward the tournament has been bolstered with the addition of Fred Bown to the squad. Brown is at present not expected to see extended action this year, but is a key figure in the plans for the future. He is also a sophomore.

Many members of the 1950 track team have gone into training early this year with their eyes on the Middle Atlantic Championships which will be held here on May 12 and May 13. Last year the squad hung up a one and four record, but this doesn't tell the story. For instance, a couple of the scores: Hopkins 63½, Delaware 62½; Muhlenberg 641/3, Delaware 61 2/3. The thinclads dropped a couple of heartbreakers last season and are out to sand off the edges. Twelve lettermen return to the cinders this session with a whole host of Frosh to fatten the ranks and the hopes of Coach Steers. Jim Holden (Javelin), Hen Coffer (High Jump) and Zeke Carrell (Discus) leave only serious gaps in the team, while Joe Lank, Tom Baylis, Stan Hughes, Tom McKenna, Lyle Carney, Joe Rashti, Ed Minnehan, Milt Adams, Bill Thompson, Kap Kaplowitz and Bill Hill are a few of 1949's flashes now eligible for Varsity competition. Coach Steers has inaugurated a new system for the training period this year. The squad has been broken down into positions with a leading veteran guiding the newer members. Frank Lanza (Co-Captain) with the 100 and 200, Jack Gallagher (Co-Captain) with the shotput and discus men, "Nine" Stalloni with the javelin, Bill Groetzinger and Bruce Samson with the 440 and 880, George Bradley with the milers and two milers, Dick Wells with the hurdles, Kurt Turner at pole vault, Charlie Smith at the broad jump, and "Chuck" Masten with the high jump. Coach Steers feels confident that this type of organization and the enthusiasm shown by the participants can lead to only one thing: a successful track season. If you are interested in track and haven't gone out yet, see Coach Steers at once.

Playoffs Sure As Intramural Loops Hit Home Stretch

After a two-week layoff caused by exams, the intra-mural league starts with a full schedule this week, and important games in all three leagues. Although the winners have not been decided as yet, the list of possibilities is growing smaller.

American League

In the American League, both Sig Ep and Theta Chi posted a 5-1 record with pre-exam victories over winless ATO. Phi Kappa Tau wrestled fifth place from DTD with a 4-2-1 victory. KA's Rebels maintained their second place tie by turning in a win over PIKA. Sig Ep takes on Phi Kappa Tau and Sigma Nu faces PIKA this week.

Won Lost

Theta Chi	5	1
Sig Ep	5	1
Sigma Nu	4	1
KA Rebels	4	1
Phi Kappa Tau	2	3
Delta Tau Delta	2	4
Alpha Epsilon Pi	1	4
Alpha Tau Omega	0	4
Pi Kappa Alpha	0	4

International League

In the International League, the Mugwumps moved back into second place by a forfeit from Old Gold. The fast-moving Hustlers kept up their undefeated pace but meet a major test when they face the Mugwumps February 9. The fourth place Faculty has either a very good or a very poor record, for they fail to hand in any scores to the Athletic Office.

Won Lost

Hustlers	4	0
Mugwumps	5	1
Ramblers	4	1
Faculty	2	1
KA Goobers	3	3
Old Gold	1	3
The Riders	1	3
The South Side All Stars	0	4
Seagrams	0	4

National League

No major shakeups occurred in the National League as A.S.M.E. stretched their league-leading record to 6-0 with a victory over Theta Chi B's. The Newman Club and Barracks A made it a three-way tie by turning in victories over the Steamrollers and the Phillistines. A.S.M.E. has only Barracks A among the first division clubs to face and looms as the National League champs.

Won Lost

Haverford Foils Hen Fencers, 23-4

Newark, Del. Feb. 4—The University of Delaware Varsity fencing team dropped its second match of the season at Haverford February 4 when they went down under the thrusts of a skillful Haverford College crew, by a score of 23 to 4.

The Hens scored a win in the sabre bout, two epee events and one with foils. Dave Johnson scored the win in the foils, defeating Mattson 5 to 1. Bob Young and Ronnie Annette were winners with the epee. Young scoring a 4 to 2 win and Annette a 4 to 1 win, both over Haverford's McCann. Fielder of Delaware defeated Young 5 to 4 for the sabre victory.

This match was the second of the season, the opener having been dropped to Lehigh. Two more matches are on the card, with the team meeting Lafayette next Saturday at Newark at 2:00 p. m. On February 25th they meet Temple at Philadelphia and later in the season tangle blades with Johns-Hopkins.

Notice

A brief summary of the second four basketball games played this season appears on page 7. The high-flying Hens copped three of the four and all against Conference competition. The official scoring chart for the entire first eight contests also appears with this story.

Haverford	1	3
Ursinus	0	4

Temple Swimmers Edge Out Hens

The Blue and Gold swimmers will step into the "Lion's mouth" this weekend when they travel to Penn State to tackle a rugged Nittany Lion tank squad. It will be the third meet in a week for Harry Rawstrom's harried Hens, and they'll welcome the rest that the schedule affords next week.

Last Saturday the Birds dropped another heart-breaker similar to their only other loss of the season. Like the Virginia fiasco, the Temple fiasco, the Temple defeat of last weekend was decided on the final relay. This time it was a question of eighteen inches, and Rawstrom and his fish admit that it's hard dropping them by that kind of margin. The same thing happened at Virginia, and the situation goes back to a chronic shortage of sprinters, a situation that has plagued Rawstrom ever since he's been here.

Last Saturday it was Charley Lloyd, Bill Brady, Don Bardo and Hugh Dougherty in the final relay, and Dougherty didn't have it in the anchor leg. Temple's Bernie Cheskin touched him out by an arm length and that was the ball game. Cheskin was a thorn, copping the 220, again over Dougherty, and the 200 yard breast stroke over Hug Miller, the latter suffering his first defeat of the season.

Another surprise was the defeat of Captain Bauduy Grier to Temple's Bud Stockton. It was Grier's first defeat in dual competition in fifteen meets stretching through three seasons.

Grier might find the going tough this Saturday, too. He'll be up against one of the best in the East in Penn State's Red Folmsbee. The Lion defeated Grier in the Eastern Collegiate finals last year at Rutgers and appears to have improved this year. The banty rooster will have to be at his best to deliver Rawstrom a first place. Cas Bowory and John McGrory, sprinter and distance man respectively will also have Rawstrom muttering to himself before the day is over.

Many of the Hen hopes will ride on Miller and on Murray Campbell. Despite his loss to Cheskin last

(Continued on Page 6)

Emerson Sticks To Same Starting Five

Newark, Del. Feb. 7 (DK)

Delaware's up-and-coming Varsity basketball team renewed the 1950 campaign Wednesday night when they met the Dragons of Drexel Tech of Philadelphia, on the Carpenter Field House Court. Although the results of the fray were not available when the Review went to press, the youthful Blue Hens went into the game slight underdogs. Drexel had beaten Swarthmore early in the season, while the Hens had been subdued by Rieley & Co. in their initial Middle Atlantic States Conference game.

On the other hand, Coach Fred Emerson's group of Sophomores showed lots of class in their last game before the Inquisition (exam period) when they handily defeated the highly-touted varsity of P.M.C. 57 to 46. In this game also, the visiting opposition went into the game the favorite, by virtue of their conference championship last year, but came out with an important lesson learned: a championship team of seasoned veterans can be beaten by a well-coached, well-conditioned team of hustling youngsters. The P.M.C. victory made it three straight for Delaware and placed the Blue and Gold in a tie for first place in the MAS Conference with Drexel. Last night's game broke that tie. In their last three encounters, the Hens toppled Haverford, Ursinus, and P.M.C. in that order.

The only significant change in Coach Emerson's tactics has been his use of letterman Frank Albera in the past several games. Albera has used his 6'2½" to good advantage and has proven his point-making ability when given a chance. The coach has stuck to the same starting lineup since the beginning of the season, namely, Johnny DeGasperi and Captain Reds McFadden at forwards, Jim Kruzinski at center, and Billy Utt and John Buechele at guards. Albera is the number one reserve and will see plenty of action from here on out, whether or not he moves into the starting lineup.

The squad, which has been boiled down to a conservative twelve men, also includes Ace Hoffstein, Walt Swenehart, Dick Harris, Joe Heim, Bob Shockley and Ray Kee. Of the twelve, two are seniors, McFadden and Hoffstein, three are juniors, Albera, Shockley and Heim, and the remaining seven are sophomores.

Saturday evening the Hens travel up to Bethlehem, Pa., to meet Lehigh University, a newcomer to the Delaware schedule. This is not a MASC game, but it may serve as a prelude to the Delaware vs. Le

(Continued on Page 6)

W.A.A.

By ARLENE MCGEE

There was a terrific turnout of girls on Tuesday, February 7, for the first W.A.A. basketball practice of the year. This season, the basketball schedule has been altered to include two tournaments, interclass tournament and an open tournament. Girls who signed up for the Interclass tournament met at 4:00 and were given a demonstration of the new rule changes by the junior and senior P.E. majors. Nancy Nicoll, W.A.A. basketball manager, explained the tournament, mentioning that interclass practices were to be on Tuesdays at 4:00 and Thursdays at 1:00 and 4:00.

Girls enrolled in the Open Tournament met Tuesday night at 7:30. The "Open tournament" is new to W.A.A. this year in that W.A.A. credit is being given to girls playing for a dorm club, or some other organized team other than class. Girls can either play for their class, dorm or club, but only for one of these. The object of this new tournament is to give more girls a better opportunity to play basketball. All of the dorms plan to have at least one team entered in the open tournament, while New Castle will probably have as many as four.

The seven girls' dorms and the Newman Club compose the Open Tournament, with the Newman Club being the only "non-dorm" organization entered.

Managers of the Open Tourney teams are: Warner, Fuss, Gordy; New Castle, Mary Alice West; Sussex, Shirley Burns; Topsy, Joan Greenfield; Hanover, Ethel Clements; Boletus, Margaret Grant; Turvey, Doris Simon; Newman Club Margaret Valkyes.

Practices for the dorms and Newman Club teams will be held Monday, Tuesday, and Thursday nights. Six teams will practice a night with each two teams on the floor working for 45 minute periods.

Officials for the class and "open" team games will be the senior, junior, and sophomore P.E. majors. Timers and scorers will be mostly volunteers.

Practices for both class and "open" teams will run from Feb. 7 until Feb. 16th. At that time a Round Robin tournament will be begun between the class teams, and at the same time there will be a Round Robin for the Inter-dorm teams.

There is a possibility of a big play-off between the two leagues to which spectators would be invited.

The Greek Column

Alpha Epsilon Pi

Good luck and a big bottle of sun tan lotion to Stan Rosen who transferred to the University of Miami; he has forsaken the rain and snow for sunshine and swimming (confidentially we wish we were with him). If your curiosity gets the better of you, lift that bright red cap that has been seen around campus and under it you will find A.E.P.I.'s own Ed Engel.

Congratulations are in order to Dick Austin for his recent pinning of Florence Berg, whose brother, Howard, is an A.E.P.I. at Boston University.

A big house party is in the making for Saturday night. The affair is in the capable hands of social chairman Larry Lipstein, who has planned a really terrific gathering.

David Goodman and Arnold Lieberman were formally inducted into brotherhood last Wednesday night. Both boys are from Wilmington; Dave is a biology major and Arnie is taking psychology. Congratulations, fellows!

Alpha Tau Omega

Special note: Congratulations to Hank Hammond . . . he is now eligible to take Chemistry 102.

The acquisition of our new house on 5 West Main street makes the outlook for the future wonderful. The Brothers and pledges have been doing the minor repairs and alterations leaving the major stuff to skilled contractors. Visitors are welcome with open arms.

Thanks to: The chief, Jack Symonds . . . for his day and night work toward the obtaining of our lease . . . Charlie Wollaston . . . for the terrific amount of work in heading the alteration detail.

Just Gossip: The telephone wires between here and Matawan, N. J. have been piping hot recently. For more details, ask Johnny Fiorino . . . the other end of the wire is held by his "Oatsie" . . . What's the big decision on Jack Williams' mind lately?

The cap and gown brigade will be joined by John Macadam and Dan Tynan. Both these boys graduated with excellent records . . . good luck, Brothers. Bob Hoch left for the St. Louis Cardinal training camp at Corpus Christi, Texas. Bob will be back for the fall term.

Delta Tau Delta

The chief attractions at the Delt House this coming week are the Smokers scheduled for Wednesday evening, February 15th and a House Party on Saturday evening, February 18th. These are being staged in conjunction with Freshman Rushing which is now in progress.

During the brief interim between semesters, the pledges completed their work project which consisted of: repainting the sleeping decks, painting the study room floors and other miscellaneous items of renovating which really makes living at the Delt House a pleasure.

Meanwhile, we are impatiently awaiting the arrival of Leon Stayton, (June '49), who is due to visit us from California. Leon, who not an expert on statistics, will nevertheless give us the "hot-scoop" on some of the figures on the West Coast.

Kappa Alpha

The KA's completed the last semester successfully. Some of the fellows were surprised at their grades. They found hypnotism really pays off when they go for their heart-to-heart talks with the instructors. Most surprised of all was the Spanish Department who in turn awarded the KA Spanish students with a laurel wreath.

In the way of general platter we are happy to (He's happy, too) announce that Ted Berrell was married to Elizabeth McLaughlin. This happened during exam period—By the way he passed. Bill Kuhn of chain pulling fame has been advanced to the rank of major in the local army reserve. Jimmie Clower was mistaken for one of the participants in the Brink's job by local authorities. He's still confused to the tune of \$43.50.

The Kappa Alpha Court men are lined for first place. Last week the KA rebels downed PiKa to the score of 40 to 24. James McNeal, Don (King of the Jungle) Martin

Continued on Page 8

Basketball Games

Temple 54, Delaware 41

Jumping off to a fast first period lead, the Blue Hens soph-laden basketball team threatened to upset one of the East's finest squads, the Temple Owls. As play progressed, however, the Owls, led by their point center, Costic Bor-savage, commenced to hit the hoops with a flurry of baskets and to pull steadily away from the upstart Hens. Bill Utt led the Hen attack with 12 points, but Bor-savage, with 16 points, walked off with the game scoring honors.

Delaware 50, Haverford 49

The Blue Hens traveled to Haverford and brought back their second win of the season. The Hens trailed throughout most of the hard-fought contest but pulled themselves up to a 49-49 deadlock with only seconds remaining. It was at this tense moment that "Ace" Hoffstein found himself at the foul line. With the partisan Haverford fans looking on, Hoffstein contributed his only point of the evening to win for the Hens. Jim Kruzinski had 18 points, and Bill Utt tossed in 14 to pace the Blue and Gold victory.

Delaware 60, Ursinus 44

The Ursinus Bears proved to be only cubs to a fighting Blue Hen

team as they wilted before a second half drive by the Hens. Delaware led 23-21 at halftime, but came back in the third and fourth periods to score 37 points while holding Ursinus to 23. Kruzinski led the Hens with 13 points. He was ably assisted by DeGasperis, 11, and McFadden, 10.

Delaware 57, P. M. C. 46

The '49-'50 edition of the Blue Hen baseball team evened their season's record at four wins, four losses as they humbled the P.M.C. Cadets 57-46. Billy Utt and Jim Kruzinski paced the Hens with 15 and 12 points, respectively, as they downed the flashy passers from Chester at Carpenter Field House.

The win was the third in a row for the Blue and Gold and their third conference win against one loss. They are currently tied for first place with Swarthmore in the M.A.S.C.A. Conference.

Individual scoring:

	G	F	P
Jim Kruzinski	34	20	88
Bill Utt	34	15	83
John DeGasperis	25	14	64
Jim McFadden	19	19	57
John Buechele	11	12	34

THE DU PONT DIGEST

FOR STUDENTS OF SCIENCE AND ENGINEERING

BAD MEDICINE for flies

Research that produced an insecticide safe to spray on cows may save millions for American agriculture

Armed with only a fly-swatter, the farmer would get nowhere in ridding his dairy barn of disease-carrying insect pests. But he has to be careful in using insecticides around cows. A toxic spray may be absorbed through the animal's skin and show up in meat, milk and butter.

Next fly-season farmers and ranchers will be able to buy a fly-killer that is both powerful and safe. In Du Pont Marlate* 50% technical methoxychlor insecticide they will get this combination of properties that no single insecticide has ever offered before.

Methoxychlor is a recent Du Pont development. Du Pont scientists worked for eight years in the laboratory and in the field to develop its applications in agriculture.

A safer insecticide

"Marlate" 50 is a residual insecticide and remains an effective killer of flies, mosquitoes, fleas and lice for several weeks after application. When used as directed, this insecticide is exceptionally safe to human beings, livestock, pets and crops. This has led federal experts to recommend it not only for spraying in barns, milk houses and milk plants, but also on the animals themselves.

Besides its use on livestock, methoxychlor kills many insects that attack vegetables, fruits and forage crops. It is offered to flower growers as an ingredient in Du Pont Floral Dust. It is used in moth-proofing compounds so that dry cleaners can easily moth-proof woollens while cleaning them. Many stores carry aerosol bombs containing methoxychlor for household use. It can be used with safety in flour mills, freezing and canning plants, grain stor-

THE BITES of flies, lice, and ticks can cut down milk production as much as 20 per cent. One spraying of "Marlate" 50 will control these pests for several weeks.

age elevators, cereal manufacturing plants—wherever food is processed. This development of research can bring immediate cash savings of millions of dollars to American agriculture, industry and homes.

The long fight

Exciting as the future of "Marlate" 50 appears, this does not mean that the use of other insecticides will not continue. Each has its special characteristics, and each has special uses for which it is outstanding. There are at least 10,000 kinds of insect pests, of more or less importance, in North America, and there can be no let-up in the scientific fight being waged against them.

Du Pont alone now makes over fifty different insecticides. The knowledge gained in making each one speeds the development of the next. By backing ideas with funds and facilities, Du Pont helps the farmer put

more and better food on the American table. At the same time, in many other fields, Du Pont is helping to raise the American standard of living with continuous research aimed at developing new products and improving present ones.

Great Dramatic Entertainment—Tune in "Cavalcade of America" Tuesday Nights, NBC Coast to Coast

CBS Video Launch Television Contest

A nationwide collegiate writing competition, designed to encourage the emergence of new television writers, was launched today by joint announcement of the Columbia Broadcasting System and World Video Inc., leading independent television producing organization.

The competition, to be known as the CBS Awards, is open to students in American colleges and universities. It will offer four prizes, the first to be awarded March 31, 1950, and the others at monthly intervals during the rest of the spring academic semester. The amount of the award will be \$500 if the prize-winning script is of one-hour performance length, of \$250 if it is a half-hour script.

Prominent Judges

The prize-winning entries will be screened by a board of editors and the final selections will be made by a three-man board of judges comprising:

Charles M. Underhill, Director of Programs for the CBS Television Network.

John Steinbeck, author, and a Vice President of World Video Inc.

Donald Davis, dramatist, screen writer and producer for World Video Inc. of the Peabody Award-winning "Actors' Studio."

Aims of Contest

In describing the aims of the contest, the official announcement declared:

"The development of television as a mass communication medium brings with it the promise of unprecedented cultural advantages. Realization of this promise depends not only on the excellence of television's technical facilities and on its operational scope and skill, but equally on the development of new creative writing talent devoted to the new medium."

"The Columbia Broadcasting System and World Video Inc. believe that some of tomorrow's most gifted television writers may be found among the large number of college and university students of today. This competition, to be known as the CBS Awards, is therefore instituted, with a twofold purpose in view:

"To encourage new writers to discover and bring to maturity their special television talents; and by this means to contribute to the steady advance of television's entertainment standards."

Governing Regulations

Announcements and regulations governing the competition are being sent to the English and drama departments of the approximately 1,800 accredited colleges and universities in the United States. A numbered entry blank must be obtained for each individual script entered in the competition and must accompany the submission. Contest rules and the required blanks must be obtained by writing directly to:

Director, CBS Awards
Headquarters:
15 East 47th Street,
New York 17, New York.

The over-all competition begins Feb. 3, 1950, and ends June 30, 1950. The four monthly competition periods are Feb. 3 to March 20, April 1 to April 20, May 1 to May 20, and June 1 to June 20.

Entries postmarked later than the 20th day of any contest month will be considered for the following month's prize. No entries will be accepted if postmarked later than June 20, 1950.

Awards will be announced directly to the winners in telegrams sent on the last Friday of each month, commencing March 31, 1950, and continuing until Friday, June 30, 1950. Only one prize will be awarded each month. Public announcement also will be made on the CBS Television Network during regular broadcasts of "Actors' Studio."

The competition is open only to students 18 years of age or over who are residents of the United States and are attending accredited colleges or universities in the continental United States.

All entries must be original television dramas which have never been produced on the air or published. Adaptations of existing novels, short stories, plays or other literary creations will be disqualified. Scripts will be judged for originality, freshness and ingenuity in exploring television as a new intimate visual-auditory medium. The judges' decision will be final. Duplicate prizes will be awarded in case of tie. Prize-winning scripts will become the property of CBS.

"COULD YOU DIRECT ME TO THE HYDRAULICS LAB?"

Temple Swimmers

(Continued From Page 4)

Saturday, the pint sized butterfly artist ranks as one of the best in the conference, and with Jim Baird gives the Birds a good one-two punch in this event.

Campbell is on his way toward becoming one of the all-time greats at Delaware. He already has the school record in the 150 yard back stroke and will probably snare the pool record before he's through. He hasn't been beaten this year, and it doesn't appear that he will. He and Miller, along with sprinter John Bishop, form the best medley relay team Delaware has ever had. Last weekend they lowered the mark in the event once more, this time to a 3:12.1.

The Hens will leave for Penn State on noon Friday. Next Saturday, in the last home attraction of the season in Taylor Pool, the team will close out home service with a meet against a fast improving Drexel squad.

The Modern House In Library Display

An exhibition of "The Modern House," with three landscaped models of exteriors, and four interiors now is the Art Gallery of the University of Delaware's Memorial Library where it will remain throughout February.

The models, which are up to approximately four by three feet in dimension, are completely furnished and electrically lighted. The originals of some of the textiles, pottery and other accessories which furnish the houses also form a part of the exhibition. On loan from the Bertha Shafer Gallery, New York City, the models have been shown in several museums throughout the country. The exhibition was arranged by the University's Department of Art. The Art Gallery is open during library hours: 8 a. m. to 10 p. m. weekdays, 8 to 5 on Saturdays, and 1 to 5 and 7 to 10 p. m. on Sundays.

high football game which has been scheduled as Delaware's gridiron opener next fall on September 23 up at Lehigh.

Next Wednesday the local basketball teams resume their Conference play with another clash with Ursinus College in the Field House. In the previous clash, at Collegeville, the Hens came through with a decisive victory and intend to repeat on the home floor. That's next Wednesday night at Carpenter Field House: Delaware vs. Ursinus. The freshman game gets underway at 7:00 p. m.

Life and Customs Studied In Europe

A SUMMER TOUR which includes the visit of France, Belgium, Luxembourg Switzerland and Italy is organized for the months of July and August under the leadership of Dr. Edouard Bourbousson, associate professor of modern languages at Oregon State College.

This trip is planned for those who are interested in having an intimate knowledge of French life and civilization not only through the custom of the sidewalk cafes but through the culture of her museums, chateaux and universities. In France students will visit Paris, the Ile de France, Normandy, Alsace and Lorraine, the Riviera and Provence, the Rhone Valley, the Chateaux region, and Berry.

This summer tour will especially benefit students who are interested in political, economic and social problems of Western Europe. Interviews are being arranged in Paris with some members of the French government and in Geneva with some leaders of the "Academic Diplomatique Internationale."

For more information write to Dr. E. Bourbousson, Oregon State College, Corvallis, Oregon.

years service, enlisted in the Regular Army in 1927 and was first stationed at Aberdeen Proving Ground, Maryland. He served at many army posts prior to World War II, including a tour of duty as a member of the ROTC staff at Lehigh University, Bethlehem, Pa. During World War II, McClain served overseas as a Captain in the Ordnance in Alaska, Philippines, Okinawa and Hong Kong; and for meritorious achievement he received the Army Commendation Ribbon. In 1949, McClain was separated from the service as a Captain and re-enlisted as a Master Sergeant. Sgt. McClain also has been awarded the American Defense Medal, American Theatre Medal,

World War II Victory Medal, Good Conduct Medal and the Philippine Unit Citation. Sgt. McClain has reported for duty at the University of Delaware, and his wife and two sons, William and Ronald, have joined him here at their home 12 Caldwell Place, Newark, Delaware.

Country's Top

that gives the goalie this sanctuary.

Box Lacrosse is a game that requires great coordination of mind and body and ruggedness which must be combined with fierce drive and aggressiveness. Anyone who has seen the spectacle will want to see it again. Ask the Canadians; it is their national sport.

The two teams appearing here tonight are the best. At present they are leading the Baltimore Box

Lacrosse League that plays to television audiences every Sunday afternoon and may soon be broadcast to the Wilmington, Philadelphia and New York areas. Many of the players on these two teams were former high school or college standouts and all are experienced, polished performers.

The University of Delaware Lacrosse team has engaged informal scrimmages with West Chester Teachers Washington College, Loyola College, Drexel Tech, Johns Hopkins, and others. These scrimmage games should be of high interest to the Delaware Lacrosse fan. It is for this fan and for those who have not yet experienced the thrills of a Lacrosse game at its fastest and roughest that these two fine clubs have been engaged to play here tonight.

hanna, to help the ladies to keep their nice office and pleasant jobs. Assuming command of the office, the reporter drags the Army, Navy, and State Department into a giant hoax—a too-secure project, Herbal Warfare, which is to be deadlier than nuclear fission.

Michael A. Kubico, Milton Valentine, Lt. Col. Layton A. Zimmer and Worth Tracy will be seen as Army, Navy and State Department representatives who are tricked by the reporter's mysterious double talk. Betsy Elliott will play the giddy rhumba teacher and Paul Griffith the pants-presser.

Lois Young will portray the reporter's ex-wife whom he recaptures, and other roles will be acted by Robert Kase, Avery Goddin, Ursula Betts, Lincoln Armstrong, Major John E. Arthur, Jr., Henry Weitz, Carl Jones, Taggart Evans and Robert C. Squier.

Seats on Sale Now
Reserved seats for the play are on sale at Mitchell Hall daily between 3 and 5 o'clock and in the evening between 7 and 9. They may also be obtained at the Newark Department Store in Newark, and the Greenwood Book Shop in Wilmington.

The University Drama Group's production of "Two Blind Mice" is being directed by Virginia Mahanna, and Louise Goddin is the production manager. The setting, which represents, what was once the drawing room mansion in a Georgetown home, has been designed by Fred Claffee.

After the Saturday night performance of the play, the University Drama Group will hold a party at the Newark Country Club.

Alumnae Offer Three Awards

The Alumnae Association of the University of Delaware has announced three scholarships of \$300 each to be awarded to girls of the three upper classes for the scholastic year 1950-51. Two of these scholarships are new and were made possible by funds collected through the 1949 alumni and alumnae Development Fund campaign. The third is the Alice P. Smyth Scholarship which will be awarded for the fifth time through Miss Smyth's generosity. Applications are now being received for the awards which will go to the girls who will be sophomores, juniors or seniors at the University next fall. To qualify for the new awards, the upperclassmen must have attended the University of Delaware for at least one year prior to applying.

Applicants are requested to write a letter in longhand to Mrs. Ralph W. Jones, Alumnae Scholarship Chairman, in care of the Alumnae Office, Purnell Hall, Newark, describing both the need for financial aid and the student's record of scholarship and campus participation. This letter constitutes the entire application; there are no special blanks to be filled out.

The committee will meet all applicants in Purnell Hall on Saturday, March 25, at 1 p. m. for interviews. Deadline for receipt of applications is Feb. 25, and the decision of the committee will be announced sometime prior to the closing of the school year.

Any additional questions concerning the scholarships may be addressed to Mina Press Brown, executive secretary, Alumnae Association, in Purnell Hall.

Jewish Federation

(Continued From Page 3)

the sociological repercussions of atomic energy and the bomb.

The meeting will consist of a short introduction to the subject by the speakers with a question and discussion period to follow. The meeting is open to all interested people.

NOTICE:

There are a number of clubs and organizations which have not yet turned in the material requested by the Blue Hen. From this time on, the staff of the Blue Hen will make no further effort to contact these groups. It will be the personal responsibility of presidents or secretaries of the organizations concerned to turn in the required material. If it is received in time to be properly edited, it will be used; if not, it will be omitted, together with pictures, names, and lists of officers, and the space in the yearbook will be otherwise utilized.

NOTICE

The Department of Physical Education is contemplating offering, on an experimental basis, a course in "Fly Tying" for interested students and faculty members.

The size of the class will be limited to 20-25 members, and would meet one hour per week for the rest of the semester, at an hour convenient to those interested. Each member would provide his or her own equipment at the cost of approximately \$5.00.

If you think you would be interested in attending, please contact Mr. Steers, Mr. Rylander or Mr. Burnham in the Men's Physical Education Department and give them the following information:

1. Name
2. Campus address
3. Hours available in order of preference.

performed a stellar game along with the rest of the troops.

House manager **Bob Sheckegoo** is doing a fine job on the basement—our pump room is now equipped with TV, long burning records, drapes and a library complete with a high school at home course. So welcome to all freshmen—stop in and relax.

Phi Kappa Tau

Welcome to the spring term and may everyone fare as well or better scholastically by the end of May 1950! Through the concentrated efforts of scholarship chairman, **Earl Tull**, the **Phi Tau** average appears to have climbed to a new high last term. Leading the way was **John Reynolds** who pulled down a 3.66 index. With the spring term came the return of two brothers, **George 'Mock' Davis** and **William 'Bone' Hamilton**; and pledge **Richard 'Back from the deep Southland' Clynes**. Welcome back and let's see your names on the Dean's list in June!

On the last day of classes **George McGee** suddenly found himself in Wilmington Memorial Hospital where someone 'swiped' his appendix. Now that **George** is back in school and appears to be in fine shape, president **Frank Wasik** is recuperating at his home from a case of blood poisoning. **Frank** will soon be back at the helm in perfect condition we hope; the question is: "Who's next?"

Sigma Nu

With the close of the fall term, **Delta Kappa** reluctantly bids farewell to ten graduating brothers. And, as is the custom, these ten played host to the remaining members of the house at a farewell party. The entertainment and organization of these senior house parties easily out points the merits of other social events and makes them one of the best-liked occasions of the year.

The departing men also leave us the vacancy of two house offices; that of Lieutenant Commander and House Sentinel. A close nomination and election ensued with **Wallace McFaul** and **Curt Turner** winning to fill the respective positions.

On January 28, **Miss Betty Jo Banks** of Wilmington became **Mrs. Bandy Grier**; congratulations to both.

Sigma Nu welcomes brother **Jack Kinter** back on the active member roll call. Jack has just returned from a hitch in the armed services in Japan.

This week the "Sigma Nu Serpents" met **Phi Kappa Tau** in one of the closing games of our basketball schedule.

Howard Forster of Philadelphia was recently added to the list of present pledges to the "Knights of the Serpent." While I'm on the subject of pledging, just when is Sigma Nu going to pledge **Boyd Cook**?

Sigma Phi Epsilon

Now that the acid-test has taken its toll, the still active brothers can return to the living room couches. Honors are due **Bill Groetzing** for a 4.0 average and **Joe V. Miller** with 3.8.

Recent activity around the house has centered on renovation of the front room and hall.

The fact that "Brothers Prefer Blondes" was upheld by **Bob Burk** who pinned **Lois Matthews** during the mid-year vacation.

The prospect of a stadium has been coupled with the return of brother "Butch" **Reese '28** who is the main cog in the promotion of the Newark colosseum.

"Bojo Schlenzig, Tom Baylis, "Chick" DeFiore, and Dick and Paul DiSabatino have returned from a short visit to the Florida Iota chapter. **Albie Strikol**, a Delaware **Sig Ep**, who is now president of the Florida house was their host.

We wish to announce an addition to the pledge ranks. "Franky" **Albera** and **Jack Jester** who were pledged in January.

With the approach of the rushing period the brothers wish to extend a hearty welcome to all.

Theta Chi

This is some advice to Freshmen that I found very valuable last year. Look all of the fraternities

over very carefully and remember that it is the men and their ideals, not the house, that count. Chances are if you like one fraternity particularly, you are just the man they are looking for. Attend their smokers and let them know you are interested, even if you didn't receive an invitation. I know we missed sending invites to a lot of valuable men because we haven't had a good opportunity to meet them. **Theta Chi** wants to extend an open invitation to all Freshmen and upperclassmen who are interested. You are always welcome at the **Theta Chi** house.

Carol Pope will soon announce her engagement to the commander of the cadet corps and baseball catcher, **Tom Silk**.

We hope you will all enjoy Rush Week and will decide on the fraternity of your choice wisely.

Mrs. Dupont Joins Psych Center Staff

Dr. Henry Weltz, director of the University of Delaware's Psychological Services Center, today announced the appointment of Mrs. Henry J. Dupont as assistant psychometrist.

Addition of Mrs. Dupont to the staff will enable the center to improve and enlarge its services in several respects, Dr. Weltz said, in-

cluding the newly-inaugurated academic orientation program.

Mrs. Dupont, who holds a Bachelor of Arts degree, with a major in psychology from Lawrence College, Appleton, Wis., has served as an occupational therapist aide at the Delaware State Hospital. The former Mary Ellen Smith of East Liverpool, Ohio, she served for two years as a staff sergeant in the Marine Corps.

Somewhere In

(Continued from Page 2)
with **Hilda McCabe**, **Bob Wright** and **Nancy Brooks**.

In the corridor, taking a break from the strains of Ray Carr's sweet music, we found Jack and Mrs. Brady, **George Crumlish** and **Mary O'Conner**, Lt. and the future Mrs. **Bob Cox**, **Roger Betty** and **Joan Gesell**, **Jim McFadden** all smiles—and who wouldn't be, with **Theresa Heim**, **Dick Vernon** and **Jean Monteith**.

A bugle blows, the colonel reads the orders, and the men bid the ladies a fond farewell.

Epilogue

Charlie Carr, **Sigma Nu**, plays

second sax for his brother Ray's band and even tho' most of the other boys are from P.M.C. they were really good. **Nancy Higgins**, mui, mui certainly enhanced the outfit with her vocalizing.

End of Play

Collected from the Student Union one night at closing time were the following tidbits:

Dottie Horty and **Ginny McQuaid** monopolizing the attention of **Vern Waller**.

"**Jimmy**" **McGee**, taking a leisurely stroll through the Lounge.

Mary Jane "Yakity Yak" Guen-veur giving no one else a chance to get a word in.

George Kenny, Long Island, came down for the day and stayed four. **Shirley King** wasn't at all unhappy about the arrangement.

Dottie Miller sporting a newly acquired Yale pin.

Girls, attention! We have heard of a very eligible Junior Prom date. This lad is a Senior, **Tad, Beta Pi**, and has a large '48 Hudson. All applicants for this prize catch file care of the lad himself, "Skooter" **Steelman**, 302 Brown Hall, Box 1257. Enclose a photo if available.

THOUGHTS OF A BIOLOGY STUDENT

Until I heard the doctor tell
There's danger in a kiss,
I had considered kissing you
The closest thing to bliss.
But now I know Biology
And sit and sigh and moan,
Six million mad bacteria—
And I thought we were alone.
—Assumption Purple and White
