I think between them they will be able to buy a hobby horse this winter, against the time that they are kept indoors by the cold. Anna & Darnels house aint near ready they think it the slowest put up house that ever was. I am glad you had such a quiet 4th I was thinking about you a good bit that day, I expected you were nearly laid up with the headache. It was been very windy here for the last week or two, but we have very little rain, the things want rain badly, this I think must be the coolest spot on earth, there is hardly ever more than two or three days of hot wether at a time, the rest of the time it will be real pleasant, there was two days last week

that I had to put on my under
clothes, the papers speak of you
having dreadful storms through
Pennsylvania & Delaware,
Mrs Gifford has a splendid lot
of chickens, I help her feed
them sometimes; I wish
they were mine they are so
pretty, some of them has little
short legs not more than two
or three inches long. George has
a pair engaged to give to Aunt
Sallie, if he can get the chance.
Annie was very much pleased
with her cocoanut soap, she
says it is the nicest she ever
had. it softens the skin so.
well I guess I will close,
I would like to see you.
I am much obliged for the
papers and the every evening
was full of news to us.
I like to see the every evening

it looks like a piece of home.
Although I am enjoying myself
a great deal better than I can
there, still there is no place
like home.

Well with love to all
inquiring friends and a good
big share to yourself I remain
your loving daughter
