

Support Of Flower Hospital Donation Day Campaign Urged

Voluntary Contributions Sought From Individuals and Organizations

Response to the appeal for funds for the Flower Hospital Donation Day has begun—slowly, of course at first, but growing daily.

An urgent plea is made to every able resident of this community to contribute to this worthy cause. Personal solicitation will not be made, the committee has announced, but individuals are urged to respond voluntarily and bring or send their contributions of money, food or supplies to the Flower Hospital, the Town Council office or to The Newark Post.

Committee In Charge

If it is inconvenient to bring or send in your donation a telephone call to any of these agencies will bring a courteous representative to receive your contribution.

The committee in charge of the 1939 Donation Day, consisting of C. C. Hubert, chairman; Mrs. E. L. Richards, active secretary; D. A. McClinck, treasurer; A. E. Tomhave and Dr. John R. Downes, met at the council office last Thursday night.

Mrs. Richards, active secretary of the committee, was authorized to send out written appeals to all civic, social, fraternal and manufacturing organizations soliciting funds. Not only has this already been done, says Mrs. Richards, but results have begun to come in.

Council Contributes

The Town Council started the ball rolling last week with a contribution of \$50. The Chamber of Commerce voted to donate \$25 at its meeting held Monday night. Other civic clubs are sure to follow suit and it is hoped that local fraternal and social orders will do likewise.

While Donation Day is officially set for Saturday, November 18, that doesn't mean that contributions will not be received after that date. Organizations not meeting until next week are urged to appropriate funds for this cause and have them sent to Treasurer D. A. McClinck anytime even this month.

A contribution box has been placed in the Town Council office where it is hoped the public spirited citizenry will deposit their donations. Manufacturing concerns and local merchants are also urged to respond to the call. The Flower Hospital stands ever ready with its facilities available for the administering of first-aid or emergency treatment. It fills a definite need in our community. It is worthy of our whole-hearted support.

Grass And Chimney Fires Extinguished

Members of the Aetna Hose, Hook and Ladder Company were called out three occasions the early part of the week. Twice to extinguish grass fires, one on the U. of D. campus and one at Oglethorpe, on Friday night. Frank Glenn, proprietor of a local restaurant provided coffee for the fire fighters.

The third alarm was answered on Monday night to extinguish a chimney fire at the George Clark estate property on West Cleveland Avenue. A minimum of damage was reported.

Thanks Extended By Miss Midge Pennington

Miss Midge Pennington has asked the Newark Post to extend her thanks to the many friends who so thoughtfully sent her cards, flowers and gifts on her ninety-third birthday, last Thursday.

Miss Pennington was the recipient of 111 birthday cards, 5 bouquets of beautiful flowers and numerous useful presents. She wants her friends to know that she very much appreciated their remembering her so kindly.

Pig Roast For Jr. Baseball Players

A pig roast will be given by the American Legion and fathers of the junior baseball players for the boys on Thursday, November 30, in the Newark High School cafeteria. The team for having won the New Castle County league championship as well as the American Legion junior state championship baseball trophy.

Pleasant Valley Students Visit Newark Post

Pupils of the fifth and sixth grades of Pleasant Valley School visited the plant of the Newark Post last Thursday. The students, accompanied by their teacher Miss Jennie Hoffman, were: Ipo Tolovson, Vivian Pollard, Etta May Bonner, James Fox, Doris Webb, Charles McCormick, Eleanor Brown, Margaret Brown, and Thomas Bonner.

Mrs. E. B. Wright, Jr., entertained at bridge Monday afternoon.

BOOTLEG COAL OPERATOR CAUGHT

Trucker Fined For Hauling Coal Without Papers

Alert for the past several weeks for the night-unloading tactics of unknown coal operators, in and around Newark, local officials were instrumental in taking one offender into custody on Monday night as he sought to dispose of so-called "bootleg" coal in the colored section of New London Avenue.

Complaints had been received lately of coal trucks unloading in the early morning. Another instance was reported where a coal truck pulled up, collected its fee and drove off without leaving the coal.

Newark police have been aware of these activities but until last night had not been successful in catching them with enough evidence for conviction.

About 7:30 Monday night Officer Morrison accompanied by Harry A. Wright, of the State Weight and Measures Department, stopped a coal truck on New London Avenue and upon failure of the driver to submit proper certificate of origin, hauled him before Magistrate Eubanks where he was promptly fined \$50.00 and costs.

Frank A. Thomas, driver of the truck was accompanied by a Mr. and Mrs. Mendonhall, it was reported, against whom no charge was brought. The truck, bearing Pennsylvania license, apparently belonged to Thomas who promptly paid his fine and was released.

The matter of bootleg coal being delivered into town was brought up before the Town Council meeting last week by Councilman Robert Chast of Police Cunningham reported that efforts to apprehend these operators had so far been unsuccessful but Monday night's arrest will likely put a stop to further operations of the ring in this section.

Requirements Met

Completion of at least one year of systematic instruction in vocational agriculture and membership in the F. F. A. with a satisfactory program of supervised farming; earn and deposit in the bank or otherwise productively invest at least \$25; be regularly enrolled in vocational agriculture with a supervised farming program; familiarize himself with the provisions of the local and state constitutions of the Future Farmers of America; be able to lead a group discussion for ten minutes; and receive a majority vote of the members present at the regular local chapter meeting.

William Swan, of Kumblesville, Pa., is the newly elected president of the organization, succeeding Charles Nelson, retiring head. Other officers are: Warren Lamborn, of Milford Cross Roads, vice president; John Couden, of Newark, secretary; Robert McCormick, of Landenberg, treasurer, and Carl Nelson, of Newark, publicity chairman.

Community Thanksgiving Service At St. Thomas

The annual community Thanksgiving service will be held at the St. Thomas P. E. Church Wednesday evening at 7:45 o'clock. The Methodist and Presbyterian churches will join in the service. Rev. H. Everett Hallman, pastor of the Presbyterian Church will preach the sermon, assisted by the Rev. O. A. Bartley. A cordial invitation to the entire community is expected to join in the services.

Holy Communion will be celebrated at St. Thomas Church Thursday morning at 9 o'clock.

WOMAN ACCOSTED BY NEGRO

Law Catches Up With Willie Smith; Under \$5,000 Bail

Willie Smith, colored localite, ran away from the law once too often Monday night when he was apprehended by Officer J. Elmer Morrison and arrested before Magistrate Benjamin T. Eubanks who charged him with assault and attempted criminal attack on a Newark white woman.

The negro was bound over to the court of General Sessions to answer the charges and in default of \$5,000 bail was remanded to the custody of the New Castle County Workhouse.

The victim of the negro's attempted advances was on her way home at an early hour, accompanied by her young son. When accosted by the negro, just south of Lovett Avenue on Academy Street, she pushed him away, screamed and ran south on Academy street about a block when she met Officer Morrison. The negro who had fled in another direction was soon taken into custody.

Local officers say this is not the first report received of this nature and feel that the apprehension of Smith is the solution to other incidents as well.

Smith is not a stranger to the local law enforcement officers. He was brought before Magistrate Eubanks last year on a similar charge of accosting two Women's College students.

Prosecution was blocked when the girls refused to testify against him.

SEVEN-DAY CAMP AT DUPONT

National Guard To Station At Fort November 12

Preparations for the seven-day encampments of the 1938 Coast Artillery, Anti-Aircraft Regiment, and 21st Coast Artillery Battalion, Harbor Defense, Delaware National Guard, at Fort DuPont are rapidly nearing completion.

Three three-inch anti-aircraft guns, machine guns, automatic rifles, three new searchlights, and power units will be taken to the scene of the camp by the guardsmen to use in the training.

For the first time one important phase of training which has long been contemplated, will be undertaken at Fort DuPont by the gun and searchlight batteries of the 1938 Coast Artillery.

These units will be given instruction and training in operation of machine guns in anti-aircraft work. Each three-inch gun battery is supposed to have had training in operation of machine guns also and at the encampment they will, for the first time, have an opportunity to secure this training.

In addition the units will use in firing practice, the new automatic rifles, which have been packed in grease and unopened cases for some time. Gun drills will be held with the automatic pistol and Springfield rifles on ranges at Fort DuPont.

"Charter Night" Marked At Newark Lions Club Session

Rotary Leader Urges Service Cooperation

One hundred and twenty-five members and guests, including delegations from Wilmington, Kennett Square, Rising Sun, Salisbury, Claymont, and Crisfield, celebrated the eleventh anniversary of the Lions Club of Newark at a charter night dinner in the Newark Country Club Tuesday.

Governor H. L. Loreman, Salisbury, of the 22nd District, Lions International, spoke on "Compensations to be Drawn by Members of Service Clubs" in the principal speech of the affair. Citing the case of a blind youth whose sight was restored through the financial help of Lions in Salisbury, Mr. Loreman stated that the act served to boost the club into one of the most vital and active organizations of its kind in the country.

Haney At Helm
President George M. Haney welcomed the gathering to Newark. Charles H. Rutledge was toastmaster.

Tribute was paid to the twenty-two men who launched the Lions Club here in 1929. Fourteen of the original members are still associated with the local organization, it was pointed out.

Wayne C. Brewer, who has not missed a meeting of the body since its formation, and John R. Fader, who has only missed two meetings in ten years, were presented to the gathering.

George R. Phipps, Wilmington, one of the organizers of the club here, extended greetings from the Executive Council, Board of Governors of Lions International, of which he is one of seven members. Mr. Phipps is also the immediate past district governor.

Ladies Presented
Dr. T. F. Manns, president of the Newark Rotary Club, congratulated the Lions on their accomplishments, while inviting them to participate in community programs planned by his group for the coming year.

Past District Governor George Danby, a member of the local club, was introduced, as was R. C. Hull, president of the Wilmington club. Stephen J. Grenda, football coach at the University of Delaware, and his comely bride of a few weeks, Mrs. Phipps, Mrs. Manns, Mrs. Haney, and Mrs. Milton L. Draper, active in women's community affairs here, were other guests present.

The program was completed by a well-rounded series of acts presented by entertainers from Philadelphia. The committee in charge of the affair consisted of John R. Fader, Leonard Fossett, and A. E. Tomhave, chairman.

Movie Benefit To Be Held
By Alumni Association
Plans are being made by the Newark High School Alumni Association for a busy social season, Albert Clark, president, announced this week. A movie benefit will be held at the State Theatre on Monday and Tuesday, Nov. 20 and 21 when "Hollywood Cavalcade" will be shown. Mrs. R. T. Jones is chairman of the affair. A dance is also tentatively scheduled for the last week in December.

The next regular meeting will be held Wednesday evening, Nov. 29, at the Newark High School at eight o'clock. Tentative talks by Miss Willa Dawson on South America, and William S. Armstrong on duPont Company products, are planned for future meetings.

Old Grads Planning
For Homecoming Day
Annual homecoming day of the Alumni Association of Delaware College, University of Delaware, will be held in Old College, Newark, on Saturday, November 25th. There will be an informal luncheon in Old College at 12:30 o'clock. In the afternoon the "Old Grads" will witness a football game with Washington College and in the evening, the homecoming dinner will be served at 8:30 o'clock in Old College. There will be no speakers, but a number of visitors will be introduced.

The dinner will be adjourned in time for the alumni and other guests to attend the fraternal house parties which are being held that night.

The Homecomings and Reunions committee for the current year consists of W. Sherman Corkran '10, Rehoboth, chairman; F. Alderson '15, Wilmington; Charles E. Green '23, Wilmington; Harry W. Loane '20, Wilmington; C. H. Rice '31, Kenton.

Ag School Is Active
Campus Organization
The Delaware Agricultural Club of the University of Delaware held a meeting early this week when Gerald P. Doherty, Jr., graduate manager of athletics, gave a talk on "The Ag School In Relation To Athletics." This is one of the most active organizations of the campus and one of the most influential in view of the fact that the largest number of agricultural students in the history of the University are now enrolled. The first issue of the Delaware Agricultural Club News will be out on a short time. The Club will hold its first dance of the season in Old College on Saturday night of this week.

Miss Betty Johnston, S. College Avenue, returned to Sarah Lawrence College, Bronxville, N. Y., on Sunday.

Capable Engineer
Mr. Sigmund, who served as town engineer for seven years up until 1936, has followed construction work since that time and has built several prominent homes in Newark.

Responsible for the erection of more than a dozen houses in the last three years, most of them in the higher priced field, he has established himself as a capable constructionist. A native of Johnston, Pa., Mr. Sigmund has worked in Delaware for the past 21 years, almost 10 of which have been spent in this section.

NEWARK MERCHANTS COOPERATE IN PLAN

Commerce Group Acts On Grocery Store's Move To Open Thursdays

Christmas lights being hung on Main Street this week will be illuminated for the first time on Thanksgiving night, it was announced at the November meeting of the Chamber of Commerce Monday night. President George M. Haney officiated at the session.

Funds for the street lighting project are being collected by a committee consisting of William S. Hamilton, chairman; John W. Wright, C. E. Rittenhouse, N. N. Wright, John K. Johnston, Alfred Deek, Leon Ryan, George C. Jackson, Ira C. Shellenbarger, and J. E. Dougherty.

Main Street mercantile establishments are being contacted for donations on a basis of 30 cents a front foot. In addition, local manufacturers are expected to cooperate again as they have done in former years.

To Increase String
While definite steps have been taken to extend the lights eastward to the tracks of the Pennsylvania railroad's Pomeroy Branch at Main Street, there is also the possibility that the circuit will be extended westward to Elkton Road.

Inaugurated two years ago by the chamber, the holiday lighting project has been gradually increased. Last year colorful stars were added, while the system of lights was strung from Rhodes Drug Store and the State Theatre to Chapel Street without a break.

In the event that funds are not available to extend the system as far west as Elkton Road this year, it will be carried to College Avenue at least, Mr. Hamilton stated.

DOG BAN
LIFTED

Quarantine Is Repealed After Objections

"Differences in opinion" caused the dog quarantine in northern New Castle County to be lifted early this week it was announced by the State Board of Agriculture.

V. J. Carmine, secretary of the board, in a prepared statement, said that although the ban, imposed Oct. 4 because of the outbreak of rabies in the upper county, would be removed, the board would continue its study of conditions.

Statement Released
The statement was as follows: "Owing to differences of opinion as to the necessity for continuing the dog quarantine recently declared by the State Board of Agriculture and pending further investigation of all angles of the situation, the State Board of Agriculture does hereby declare the said quarantine removed, effective 12 o'clock noon, Nov. 14, 1939."

Re said the farm board's investigation will continue until all the "facts in the matter are determined."

Veterinarian Bitten
In the meantime, Dr. E. F. Smith, secretary of the State Board of Health, reported a dog was killed in Richardson Park in the past ten days, that had positively been identified as having suffered from rabies.

From Dr. W. C. Fetherolf, veterinarian who was recently bitten by a mad dog when he voluntarily captured the menacing animal, came the view that the most serious problem in the Richardson Park district was that of stray dogs.

Chief Game Warden Ralph Wilcox said, following a meeting of health, agriculture and game officials, that the game wardens and deputies "have plenty to do" with the upland game season open.

The game board proceeded to arrest owners of dogs found running loose until Atty-Gen. James R. Morford ruled that the quarantine regulations were invalid.

The game board, he said, could not make such regulations. That duty rested upon either the State Board of Agriculture or the State Board of Health.

Since Morford's opinion, there have been no arrests but plenty of conferences, reports and expression of views—but no enforcement.

CROP ACREAGE REDUCED

Grain crops in Delaware in 1939 produced higher total yields than in 1938, according to preliminary estimates released recently by the Agricultural Marketing Service of the U. S. Department of Agriculture in the November 1 Crop Report.

The November report shows that corn production in Delaware this year is expected to total 4,176,000 bushels as compared to 4,147,000 bushels for 1938. The production per acre is estimated to be the same, 29 bushels per acre, for both years.

Likewise production on buckwheat and soybeans is up from 1938. Preliminary figures on buckwheat show a total production for this year of 10,000 bushels, while soy-

beans are expected to total 418,000 bushels as compared to 400,000 bushels last year.

While potato production this year dropped from 368,000 bushels in 1938 to 320,000 bushels this year, sweetpotatoes increased from 500,000 bushels in 1938 to 650,000 bushels in 1939.

Apples-Pears Increase

Both apples and pears as well as grapes showed increases over last year. The figure for apples is estimated to be 1,750,000 bushels, an increase of 300,000 bushels over 1938. Pears jumped from 7,000 bushels last year to 9,000 bushels this year. Grapes showed an increase of 500 tons over last year's figure, with a total production for 1939 of 2000 tons.

For the United States as a whole, corn production is up, wheat production is down, oats are down, barley is up, rye is down, soybeans are up, cowpeas are down from last year's totals. Generally speaking, the total acreage of these crops is reduced from last year's acreage.

FOREST EDGE HOUSE

is equipped with the
RUUD AUTOMATIC GAS WATER HEATER
With the Monel Tank

THE song is right, Monel won't rust now, and it never will, because it can't. Water from a Ruud Automatic Gas Water Heater with a Monel tank stays clean, throughout the years. The tank itself is guaranteed in writing against leaks and failures from corrosion for 20 YEARS.

Clear, clean hot water comes from the Monel tank. The Ruud Water Heater itself is up-to-the-minute, automatic, efficient. You can be proud of its appearance in your home. And it burns GAS, the modern, economical fuel.

Combine a Monel tank for cleanliness, with gas for heating, and Ruud for design, and you have the answer to your hot water problem for years to come. The annual cost is surprisingly low. Stop in at our show rooms, or phone us to have a representative call and discuss your hot water problem. No obligation, of course.

Newark, Delaware, November 16, 1939

PROCLAMATION

With Europe at War, the American Red Cross is confronted with tremendously increased responsibilities, and this year it is redoubling its appeal to the American people for support in the battle against human suffering.

During the past year we have been drawn closer to the Red Cross through its far-flung disaster relief, its aid to the innocent non-combatants of war, as well as through its daily services designated to stamp out misery in the form of disease and the ever-present threat of accidental death.

Those of us who have seen the Red Cross grow in recent years and realize the great demands the European situation places on it, can understand the need for a great membership increase. The natural phenomena of disaster and the dangers of a mechanized age continue to be the source of suffering and accidental death. We must recognize that the ability of this great organization to serve is directly proportionate to the membership support of the public.

This year's appeal of the Red Cross for your support will be made November 11-30. Our community has never failed to respond to the Red Cross call for assistance; and for this reason, I feel confident that we shall be proud to enroll our share of the million more members.

As Mayor of Newark, I designate the period as the time all members will have an opportunity to renew their affiliation and to afford those who have not enrolled an opportunity to help the Red Cross help the Red Cross help others.

(Signed) FRANK COLLINS,
Mayor.

DONATE

Have you made your contribution to the Donation Day, set for Saturday, November 18, and commemorating the thirtieth year of service of our own Flower Hospital?

If you have not already done so make your contribution now. Whether it be money, food or supplies, it will be equally welcomed. Contributions may be sent to the Flower Hospital, Town Council or The Newark Post.

Led by the Town Council, local civic organizations are responding handsomely. Individuals are urged to do likewise and make a special effort to help this worthy cause.

Don't wait until Saturday—do it now. If you can't bring or send your contribution telephone any of the agencies mentioned above and a representative will call upon you.

Perhaps the true value of our Flower Hospital has not been forcefully brought to your attention as yet. But, if you stop to think "where would Newark be without a hospital" we believe you will be sufficiently impressed to lend your support to this institution.

Eight-year-old Edward Pearman of Philadelphia wandered away from home so often that his mother took him to a clinic for an examination. While she explained his case to the doctor, Edward strayed off for several hours.

In awarding contracts for a new hospital in Morgantown, W. Va., the county court announced a contest to pick a name for the structure, the prize being a free appendectomy.

When police of Huntington Park, Calif., received a call reporting a woman screaming, they rushed to the address given and found that the screamer was practicing her singing lesson.

Safety Hints

MOTORISTS: You need good lights to drive safely at night. The National Safety Council has found that the average automobile headlamp, prior to the new Sealed Beam type, is producing less than half of its possible output because of dirty or tarnished reflectors, dirty lenses and blackened bulbs.

Have your headlamps inspected. See that they are aimed and focused correctly, that they are clean and polished, that the electrical system is providing maximum voltage. Then use them correctly, dimming your lights when approaching cars.

Highway Safety

A MAN'S HOME IS HIS CASTLE. Safety on the highway and in industry can be enforced, but the admirable principle that man's home is a private domain makes accident prevention difficult. Home accidents cost 31,500 lives last year. The individual must assume the responsibility for reducing this terrible toll. If you want your castle to be a happy one, see that it is safe.

CARBON MONOXIDE: Carbon monoxide is the invisible killer that strikes most often in winter. Here are five precautions offered by the Delaware Safety Council to combat this insidious menace: 1. Have all heating appliances—furnace, stove and gas burner—cleaned and

inspected by competent service men. 2. Be sure there is plenty of ventilation in your house and automobile. 3. Never start the engine of an automobile in a garage unless the doors are propped wide open, and back the car into the driveway before warming the motor. 4. Have your automobile inspected periodically to make sure the motor is operating efficiently and all exhaust connections are tight. Never drive so close to another car in traffic that its exhaust fumes are carried into your automobile. 5. Learn the principles of first aid, especially the prone pressure method of artificial respiration.

Children—Stay Safe

BOYS AND GIRLS: This is the story of a 12-year-old boy who paid a high admission price to see a football game. The cheers of the crowd came to him from behind a high fence. He wanted to see the game, so he climbed an electric power pole. He touched the wires and was electrocuted. Not only was this boy trespassing on property that belonged to the utility company, but he didn't think how dangerous it is to get near electric wires.

The Delaware Safety Council asks you to remember, you boys and girls, that staying safe means using your head.

STANTON CHURCH SERVICES

P. T. A. To Meet At School; Scout Troop Urged

By Miss Emma S. Maclary

Stanton, Nov. 15.—The Rev. David W. Baker, pastor of the Stanton M. E. Church, continued his series of sermons on the Lord's Prayer on Sunday morning, preaching on "Give Us This Day Our Daily Bread." Holy Communion was also observed. At the evening service the installation of Epworth League officers took place, with the officers of the northern division of the Wilmington district in charge. On Wednesday evening, members of the Young People's Class of the Stanton M. E. Sunday School met at the home of Leslie Leasure.

The Rev. Baker and the Rev. Vernon Myers Goodhand, pastor of the Christiana M. E. Church, will exchange pulpits on Sunday evening.

Beginning Sunday evening, Nov. 26, a week of evangelistic services will be held at Stanton M. E., with the pastor's father, the Rev. Frank A. Baker of Dagsboro, Md., leading the song service, and visiting ministers bringing the message.

The Stanton School P. T. A. will meet in the school Thursday evening, with Mrs. Charles Wilson, president, in charge. The Boy Scout district organizer will address the group, and present Scout movies, looking toward the organization of a Scout Troop in this community.

Armistice Day programs were presented on Friday at the various grades at the Stanton School. The school is 100 percent in Red Cross membership.

"Parents' Night" was observed in the Stanton School on Wednesday evening at which time members of the 4-H Club arranged a display of their accomplishments for the year, as well as presented a program of entertainment for their parents.

The Parish Aid of St. James' P. E. Church will serve its annual chicken picnic supper in the Parish House on Thursday evening, Nov. 30th from 5 to 7:30 o'clock.

The Young Women's Class of the Stanton M. E. Church will have a Christmas party on Monday evening, Dec. 4th in the basement of the church, with Mrs. Alma Boulden, president, serving as hostess. This class will serve a turkey supper in the church on Dec. 7th, proceeds from the supper to be used to defray expense in connection with recent church repairs.

MARKET INCOME DECLINES

Receipts from the sale of principal farm products were larger this September than in September, 1938 for Delaware in spite of the South Atlantic States as a group sales fell in September, 1939 from the figures for the same month last year.

According to the Bureau of Agricultural Economics of the U. S. Department of Agriculture, from marketings in Delaware for September, 1939, totaled \$1,297,000, while in September, 1938, the total for September was \$1,238,000. These figures included crops, livestock, and livestock products.

Information received at the University of Delaware Agricultural Extension offices in Newark, shows that income from marketings in the South Atlantic States (among which Delaware is listed) declined from August to September this year instead of making the usual sharp seasonal rise. However, income from the sale of farm products in Delaware, Maryland, and Florida was about the same as for last year.

Income in other states in the South Atlantic group was reduced largely as a result of smaller returns for tobacco and cotton crops. For Delaware, the receipts from January through September, 1939, from the sale of principal farm products (as figured by the Bureau) totaled \$11,745,000, including Agricultural Conservation Program payments to farmers. This figure was higher than that for the corresponding period in 1938, but was lower than the January-September total for 1937.

Series Of Meetings On National Defense Planned

Informed speakers, moving pictures, and inside stories of what is really being done in the United States will be presented at a series of meetings planned by the National Defense Committee of the J. Allison O'Daniel Post No. 19, American Legion, J. Q. Smith announced yesterday.

"Our people, your family, yourself, your son, and your dad must not be placed in a position where there will be a repetition of some things that the World War veterans experienced merely because here in the United States they had no one with modern warfare experience to consult or who offered to give them the benefit of actual experience," Mr. Smith stated.

Dates of the sessions at which preparedness will be stressed, will be announced later.

Spaghetti and Our Town—

Tonight the non-resident students are going to have a spaghetti supper before they go to see the E32 Players present "Our Town" at Mitchell Hall. According to all the reports I've heard this play is going to be tops in Mitchell Hall productions. And confidentially, I've looked in on a few rehearsals myself, and I'm here to say that you don't want to miss it. The play is done entirely without scenery and properties, but instead combinations of lights, music, and sound are depended upon in this Pulitzer prize winner of Thornton Wilder.

Those from W.C.D., who are connected with this performance are: Ellen Simon, who has the lead opposite Frank Annand; Phyllis Wood, Jane Hastings, Sara Baldwin, Mina Press, Helen Adams, Alice Plough, Jean Matherall, Ann Kline, Jeanne Remington, Blanche Lee, Margaret Felton, Kay Bader, Jean Burns, Jane Kenney, Antoine Velleman, Mina Press, and Evelyn Smith.

The curtain will be going up at 8:15 tonight, on the E32 Players' initial production for the current year. On Friday night the play will make-up, Peg McDermott; and

be presented at Dover.

This Week—

On Wednesday afternoon the W.C.D. Forum held an open meeting featuring Dr. Francis H. Squire on the subject of "East of Prussia." Tea was served later in the afternoon.

The second open house will be held in Residence Hall on Friday evening offering bridge and dancing for those present. Favorite recordings will be played. W.C.D. girls and their "dates" will be welcomed. Saturday afternoon the Y.W.C.A. will sponsor a bridge party in the Hillarium of Residence Hall.

Competitives—

The latest report of the W.C.D. competitive plays gives the casts and properties for the Juniors and freshmen. According to Mina Press, junior play director, in the cast for her play, "Smoke-Screens," will be: Helen Adams, Georgia Brimble, Helen Adams, Georgia Brimble, Antoine Velleman, and Emma Lou Stevens; on the production staff will be: properties, Helen Pierson; make-up, Peg McDermott; and

THE LAST TEN YARDS ARE THE HARDEST AND THE failure of the University of Delaware's grid representatives to negotiate this distance on numerous occasions has revealed a lack of scoring punch that has kept the Blue Hens out of the win column. Not that the fault is an uncommon one for a football disease that hits even the top-notchers. The locals are merely suffering an epidemic.

TO THE CASUAL OBSERVER, a gridiron is a rectangular field with sideline stripes running parallel to each other for 300 feet, just 100 feet apart. To the offensive quarterback, however, once he has reached the enemy's ten-yard stripe, the sidelines take a turn for the worst and appear to draw closer and closer to each other until they reach the goal line when there is just about room to line his team up for the play.

Scarf if you like, but between satiric smirks kindly account for the failure of a team to reach pay dirt after enjoying a consecutive drive that has carried it the length of the field. Explain why an obviously more powerful offensive club walks all over its opponent when not in dangerous territory, but when in the threatening zone, the attack flops like Ma's cake at a swing session.

WHISPER IN OUR RIGHT EAR (that's the good one) just how a quarterback can send a plunger through the line for ten yards; pick up 25 around an end; set his team up for a touchdown with a well-executed pass and then gain only three yards on four straight downs.

That's exactly what happened on countless gridirons all over the country on Saturday and that's exactly what will happen next Saturday and the week after that. That's what happened at Atlantic City when the Hens matched forces with the Cadets.

Within the ten-yard line on no less than three occasions, the locals failed to master the "scoring punch" to reach pay dirt after displaying a commendable running attack and a brilliant forward passing offensive when not in dangerous territory. That field does get narrow down near the goal line.

Picture the offensive quarterback's problem when he finds himself with- in striking distance of a touchdown. Plays that worked perfectly in mid- field would turn as sour as old maid

CHICK CHATTER

of Delaware Blue Hens went down to defeat at the hands of the Chester rival, Pennsylvania Military College, 20-0.

CHICK CHATTER Amid the cheers of the frenzied number of Delaware football fans who have attended the annual football classic at Con- vention Hall in Atlantic City in several years the University of Delaware Blue Hens went down to defeat at the hands of the Chester rival, Pennsylvania Military College, 20-0.

A crowd of 11,000 saw the Hens play a fighting game, though it was a losing one, and left after seeing an underdog Delaware team put on offensive which seemed destined to end in a score but which was stopped by the heavy K-dets on the 8-yard marker.

The K-dets scored after eight minutes had elapsed in the first quarter when Captain Howie Viden's punt was blocked and rolled back over the goal for an automatic safety. A little later Joe Glenn slashed off tackle for 26 yards and a touchdown. The attempted conversion was not good. In the second quarter the Hens marched down to the P.M.C. 10 where they were held for downs. The K-dets punted out of danger. Viden's pass was intercepted by Captain Tom O'Malley who raced 47 yards for another six points. The half ended with P.M.C. in front by a 14-0 score.

CHICK CHATTER The K-dets lost little time in the second half in driving the ball over the Hen goal. Grundy blocked the attempted conversion. Then Delaware began to roll, getting to the victor's 8-yard stripe, but was held by brute force.

There isn't much to be said about the game. The K-dets, after losing four and winning two, put on their scoring shoes, and used them to advantage against the Hens. Their strong forward line worked very well on the offense, opening holes for the driving, smashing ball-carriers. On the defensive they charged hard and drove the Delaware boys in front of them.

For Delaware Conrad Sadowaki played a fine game. He was the sparkplug of the team, heaving passes and running for all he was worth. Big John Grundy, as usual, was in there fighting hard, while all the rest of the Delaware team were with him all the way. We will say this to you Hens—you were glorious in defeat.

CHICK CHATTER During the halftime intermission a very inspiring display was put on by the Delaware and P.M.C. bands and the Morris Guards, sponsors of the game. The lights were all turned off in the enormous hall with the exception of one spot which was directed up near the score-board where an American flag was waving. The National Anthem was

played, and Taps, in honor of the boys who went over there, but did not come back. It was inspiring, seeing over 11,000 people standing in almost complete silence during these ceremonies. Following the ceremonies, both bands put on a drill for the spectators which was very well received.

CHICK CHATTER The Comets, non-fraternity champions, defeated the Theta Chi fraternity, in the game for the touch football championship of the college. This was the same team which won the non-fraternity league last year and was scheduled to meet the Kappa Alpha fraternity, who were fraternity champions at that time, but did not play due to inclement weather.

Captain Waters is getting all of his matches scheduled for the rifle team. Last year the Delaware rifle team won twelve while dropping six post matches. In shoulder to shoulder meets the Hens won every one-six in number. The rifle team is expecting to have a successful season this year with the addition of several new freshman sharpshooters. We think that little need be said about the coming game with the Lehigh Engineers at Bethlehem, Pa. They always have a football team which rates above Delaware, and it would be in the way of a major upset should the Hens come through with their first victory of the season against them.

Football On Saturday; Sunday School Sunday

Centre College's football team has its own "knob-hole gang."

To become a member, a boy or girl must have a perfect Sunday-school attendance record for the summer. The "gang" gets to see all of Centre's home games free.

Quin Decker, Centre athletic director, has appealed to Kentucky ministers and Sunday-school teachers to send him names of youngsters eligible to join the club.

First Time Out William (Red) Heater, Syracuse's fiery right tackle playing his third season as a regular, had a record broken in the Georgetown game when he was injured and had to be relieved—the first time in his college career.

Delaware Slated To Meet Heavy Team

LEHIGH FAVORED TO TAKE MEASURE OF BLUE HENS

Melvin Brooks, Star Ball Carrier, Expected To Return To Lineup; Coach Grenda Seeking To Synchronize Air-Ground Attacks

By Bill Fletcher
Coach Steve Grenda's University of Delaware gridders will again be cast in the familiar role of underdogs this week when the Hens travel to Bethlehem, Pa., to match forces with Glen Harmeson's big but unsuccessful Lehigh University eleven.

Weight Will Tell
Followers of the Blue and Gold won't forget for a long time the desperate stand of the Hens in last year's encounter against the weighty Pennsylvania invaders, that saw sheer man-power drive over five touchdowns in the final quarter, leaving the Hens hopelessly beaten as far as the score was concerned, but far from outclassed on a man-for-man basis.

This year's conflict may prove a woeful repetition of the 1938 meeting with Lehigh's brute force and abundance of reserves providing the balance of power.

Trips to the gridiron have netted the Brown and White contingent little in the way of victories with only two victims, Buffalo and Havertford, marked up in the defeated column. On the other hand, the Engineers have felt the sting of defeat on five occasions. Alfred triumphed over Harmeson's charges, 7-0, in the opener; Case turned in a 20-13 conquest; Penn State blasted out a 49-7 win; Rutgers conquered easily, 20-6, and Muhlenberg, in last Saturday's game, rolled up a 25-0 score over Delaware's next opponent.

Engineers Favored
Yet, bad as the showing has been to-date, the Engineers will have a distinct advantage over the Blue Hens who, in six trips to the post, have failed to turn in a victory.

With Melvin Brooks, outstanding offensive star for the Hens thus far, rested up after being sidelined for the Pennsylvania Military College night clash last week, the Delaware eleven is expected to be at top strength for its next clash.

A sophomore and one of the most brilliant performers for the Blue and Gold, Brooks has turned in some brilliant ball carrying performances and his presence in the night clash would undoubtedly have aided the locals in their Atlantic City engagement. Fear of injuring the fleet-footed local boy's ankle permanently, however, influenced Coach Grenda to keep his star on the bench throughout the entire game.

Seeking to combine his running and passing attack more effectively, the Hens' mentor has been pacing his charges through drills all week in an effort to synchronize the offensive. "As for the offense," he pointed out in his weekly football function, "I may say that while it functioned in a desired manner spasmodically, there was not that necessary correlation between a running and passing attack which is needed to provide deception so that the defense will be opened up for running plays and drawn in close for passes."

Cox Is Threat
The Hens are expected to find trouble in stopping Capt. Al Cox, 150-pound ball carrier, who has

played, and Taps, in honor of the boys who went over there, but did not come back. It was inspiring, seeing over 11,000 people standing in almost complete silence during these ceremonies. Following the ceremonies, both bands put on a drill for the spectators which was very well received.

LEAGUE TO END TONIGHT

First Half Of Loop Nears Close; Highlanders Lead

Although dropping two matches to Len Fossell's Crescents, Jack Bridgewater's Highlanders kept their hold on first place in the Newark Table Tennis League and appear certain to take first-half honors with only the victorious Tigers to hurdle before the initial round is completed.

Bill Fletcher's second-place Bearcats moved up in the percentage figure to within one match of the leaders as they took six points (four by forfeit) from the Tigers.

Travellers Surprise
Turning in the surprise of the week, Grover T. Surratt's Travellers made a clean sweep of their contest with William K. Gillespie's Pedagogues and drew up to deadlock their defeated opponents for the fourth spot.

Ned McCully's Pingers, 4-2 conquerors over Mervin S. Dale's Darkhorses, kept their hold on fifth position while the latter team and the Tigers stayed in the seventh and eighth spots, respectively.

Bridgewater, Highlanders' captain, moved into first in the individual race, sweeping two matches with Fred Belling, of the Crescents, while his teammate, Charlie Gibb, league leader up until this week, dropped a 3-2 decision to Fossell. Reed Stearns, of the Bearcats, also chalked up six wins against no defeats to move into the second spot, while Gibb dropped to third.

Results of the individual matches were as follows:
Pedagogues vs. Travellers (first contest)—Jones, Travellers, defeated Parsons, Pedagogues—21-16, 20-22, 21-15, 21-15; Surratt, Travellers, defeated Steedle, Pedagogues—24-22, 21-11, 21-14; O'Connell, Travellers, defeated Gillespie, Pedagogues—21-10, 21-10, 18-21, 21-12. Second contest—Jones, Travellers, defeated Parsons, Pedagogues, 21-18, 17-21, 22-19, 21-18; Surratt, Travellers, defeated Steedle, Pedagogues—21-10, 21-16, 26-28, 19-21, 21-13; O'Connell, Travellers, defeated Gillespie, Pedagogues—21-18, 15-21, 21-13, 14-21, 21-17.

Other Results
Bearcats vs. Tigers (first contest)—R. Stearns, Bearcats, defeated Griffin, Tigers—21-14, 21-10, 21-12; D. Stearns and Fletcher, Bearcats, won by default from Atlix and Moore, Tigers. Second contest—R. Stearns, Bearcats, defeated Griffin, Tigers—21-3, 21-7, 21-16; D. Stearns and Fletcher, Bearcats, won from Atlix and Moore, Tigers, by default.

Highlanders vs. Crescents—(first contest)—Bridgewater, Highlanders, defeated Belling, Crescents—21-19, 21-14, 21-8; Gallagher, Crescents, defeated Strahorn, Highlanders—22-20, 18-21, 21-19, 16-21, 24-22; McKenry, Pingers, defeated Kraemer, Darkhorses—17-21, 22-20, 21-4, 22-20; Davis, Pingers, defeated Dale, Darkhorses—21-13, 21-14, 21-17, 16-21, 21-15. Marcel Camp, Noted Cue Star, To Appear In Local Exhibition

Slated To Make Fourth Showing At Martin's
Due Here Monday

Marcel Camp, versatile cue star, will appear at the State Billiard Parlor Monday night, James C. Martin, proprietor, announced yesterday. He is one of the most versatile players in the game, excelling in specialized branches of pocket billiards, such as band shots, rotation, and pocket-piece.

When Upset defeated Man O'War at Saratoga a couple of decades ago, it occasioned no more surprise in equine circles than the "upset" caused by Camp, when he vanquished in rapid succession Ralph Greenleaf and Frank Taberski during the 1929 World's Championship pocket billiard tournament at Detroit. Taberski was the defending champion, and Greenleaf, ultimate winner of the crown that year, had held the title for nine years, barring a few short intermissions. But Marcel has never been a respecter of reputations, and clever, sustained stroking carried him to clean-cut victories over the "Gray Fox" and the masterful Greenleaf. The boyish Motor City rookie proved the sensation of that tournament, and in subsequent years has often starred in the roll of "Jack, the Giant Killer."

A Great Favorite
Local billiard fans who have seen him in action here on three occasions are impressed by Camp's earnestness and concentration during competition. He will shriek with joy when suddenly he discovers a dead-on combination previously unobserved, pouncing on it with a ferocity simulating great hunger and appetite. But should some slight miscalculation or flaw in cue technique cause him to miss the obvious "hanger," Marcel will moan in anguish, and call upon all the gods, and most of the audience for sympathy.

Camp is the fifth ranking player of the world at pocket billiards, finishing in that position in the recent world's tournament. He is the American champion at snooker, and plays three cushion billiards expertly. Jack Fossell, local star, will provide the opposition in a special match, after which a display of fancy shots will be made and instructions given free.

STUDENTS' ARMISTICE PROGRAM

Celebrated At Newport School On Friday

By Miss Emma S. Maclary

Newport, Nov. 15—An Armistice Day program was presented on Friday in the auditorium of the Krebs School by pupils of the seventh and eighth grades, under the direction of Miss Belle Chambers. The pupils dramatized events between 1914 and 1918.

There were characters representing the various countries. A group of Boy Scouts represented the soldiers of the World War, many of whom were wounded, and Miss Dorothy Hall served as the Red Cross nurse. A group of pupils represented ship builders; sailors; the people of Europe, and the people of the United States. Appropriate poems were recited by the children. The third grade group was presented with the bank banner for the past week.

Fire Prevention Study
Pupils of the second grade of the Krebs School, with Mrs. Grace Jaquette, teacher, are engaged in the study of fire and its prevention. The group visited the Minquas Fire Company headquarters in Newport as well as a fire department of Wilmington. They are also continuing their nature studies, and have a display of autumn leaves in their room. Twelve mothers of this group visited the school during National Education Week.

Miss Alma Spencer, teacher of the fifth grade is conducting nature studies, and the group has collected autumn leaves, and pressed them, and are now arranging booklets. The pupils are studying about the northern states, and taking an imaginary trip through that section. They have written letters to the chambers

of commerce concerning their industries, etc. They are also preparing scrapbooks covering their travels.

Kindergarten Group

The kindergarten group, under the direction of Mrs. A. M. Mann, teacher, is building an Indian Village on its sand table, showing the landing of the Pilgrims, etc.

The annual "Harvest Home" service was held in the Newport M. E. Church on Sunday morning. The guest speaker was the Rev. Vernon Myers Goodhand, pastor of the Christiana M. E. Church. The altar of the church was decorated with gifts of food articles, etc. which were later contributed to hospitals. The Delaware Grange postponed its visit to the evening service on Sunday, and will arrange a later visit when the Rev. J. C. McCoy, who is still confined to his home, will be able to address them.

The Krebs School will be closed Nov. 23 and 24, due to the Thanksgiving holidays.

Cousin Lee and his entertainers will present a program of entertainment on Friday evening, Nov. 17 in the auditorium of the Krebs School, for the benefit of the Boys' Club of Newport.

Turkey Supper Planned

The Ladies' Auxiliary of the Minquas Fire Company will serve a turkey supper on Feb. 1 in the fire hall. Mrs. Joseph Rawlinson is chairman of arrangements. Fifteen members of the Minquas Auxiliary attended the banquet of the New Castle County Ladies Auxiliary Association of Volunteer Firemen held Wednesday evening in the Y.W.C.A.

A report has been received by the Town Board of Newport from the State Board of Health, declaring the water supply at Newport to be safe. Five driven wells supply the town water, and recently when the wells were being cleaned some surface water seepage rendered one of the wells doubtful for a period. The

well was immediately rechlorinated, and the last test the board has approved as safe.

The annual super-grange program was presented by the New Castle County Pomona Grange on Wednesday evening in the Krebs School.

attracted Grangers throughout the county and state. Mrs. Chandler Gebhart, lecturer of the New Castle County Pomona Grange was in charge. Plays were put on by Centre, Hockessin, West Brandywine and Delaware Granges. Musical selections were presented by members of Central, Rose Hill, Diamond State, Harmony and Centre Granges.

Delaware Grange No. 46, P. of H., of Newport at its weekly session Monday evening conferred the first and second degrees on a class of seven candidates. Prior to the installation, Mrs. Robert P. Robinson, Sr., gave a talk on grange work. Worthy Master B. B. Taylor presided at the meeting.

Gets Woman Professor

Founded in 1591 by Queen Elizabeth Trinity College in Dublin, Ireland, is to have its first woman professor. Miss Constantia Maxwell, author and lecturer, will fill the Chair of History held by Prof. Allison Phillips, who is to retire. University College in Dublin has had a woman professor of history for thirty-one years, but Trinity first gave women a university standing in Dublin by granting them degrees thirty-five years ago.

Tom Schuyler of Omaha met Miss Daisy Landers on a Sunday and they were married Monday.

NEW-FASHIONED CAR!
The 1940 FORD V-8

Some motorists will take months to learn why we HAD to call the new Ford "New-Fashioned"! But not you!

A few arm-chair experts will still be saying, "All low-price cars are alike." But you'll know better!

Because YOU're going to KNOW what a world of difference those 22 IMPORTANT IMPROVEMENTS

make! You're going to KNOW that this sweet-riding "eight" is the biggest, roomiest Ford ever built! (Five inches more over-all length. Four inches more usable inside length in Sedans!)

So come in today, and drive the big, roomy Ford V-8 for 1940. You'll learn a lot about VALUE—and you'll love it!

JUST DRIVE IT—
Try Our New
Stabilized Ride

Be Like Ford V-8 for 1940 equipped with new torsion bar ride-stabilizer... an entirely new and better ride

IMPROVED SOUNDPROOFING
From stern to stern, this big, roomy "eight" has been "soundproofed" by Ford engineers, working with the latest vibration-detecting instruments and sound-deadening materials. In addition, a new "easy-shift" transmission, improved brake drums, and the smooth V-8 engine help to reduce noise and vibration.

25 YEARS AGO IN REVIEW

November 18, 1914

OBITUARY

William S. Clark

William S. Clark, aged 80 years, died at his home, Newark, on Friday, November 13. Funeral services were held from the residence of his son, John A. Clark, South Chapel street, on Tuesday afternoon, November 17. Interment in Newark M. E. Cemetery.

Dr. Ella S. Webb

Word has been received of the death of Dr. Ella S. Webb, widely known and dearly beloved throughout Chester county, Pa., where she practiced medicine for many years. Dr. Webb, after devoting herself to the service of her home community, retired in broken health six years ago, taking up her residence with her brother, Mr. Edward A. Webb, publisher of St. Paul, Minn. The body will be brought to Oxford, Pa., next Thursday, for interment. Dr. Webb was a sister of Mrs. J. Wilkins Cooch, of Newark.

Social Notes

Mrs. S. J. Wright, Miss Wright, and Miss Elizabeth K. Wright have issued cards for a tea to be given on Tuesday afternoon, November twenty-fourth, from four until six. Obituary

MRS. DORA L. ROSE

Mrs. Dora L. Rose, wife of D. Lee Rose, a resident of Newark for over 35 years, died here Wednesday morning, Nov. 15, at the age of 56. An invalid for 10 years, the deceased was an active member of the St. Thomas P. E. Church up until the time of her illness. A native of Renova, Pa., she was an accomplished musician and taught music prior to her marriage when she came to Newark.

Friends may view the body Friday evening from seven until nine o'clock at the R. T. Jones' funeral parlor. Services, conducted by the Rev. Andrew Mayer at St. Thomas' Church, Saturday afternoon will be private. Interment in Head of Christiana Cemetery will also be private.

Besides her husband, a resident of Coatesville, Pa., she is survived by seven children, five girls and two boys. They are: Mrs. Grant Ritchie, of Newark; Mrs. Mabel Rinehart, Mrs. Harry Felsburg, and Miss Sylvia Rose, all of Wilmington; Mrs. Orville Mann, of Coatesville; David C. Rose, of Detroit, Mich.; and Reginald L. Rose, of Wilmington.

EDWARD W. BROWN

Edward W. Brown, infant son of Joseph M. and Louella Brown, of Newark, died soon after birth on Monday, Nov. 13, at the Homeopathic Hospital, Wilmington. Interment took place in Ebenezer Cemetery.

ELIZABETH A. STEWART

Elizabeth A. Stewart, 10-year-old daughter of Ernest J. and Minnie Stewart, of Rockland, died on Tuesday, Nov. 14. Services will be conducted from the parents' home on Friday, Nov. 17, at three o'clock. Interment will be in White Clay Creek Cemetery.

HENRY W. STATON

Henry W. Staton, 55 years old, formerly of Newark, son of the late Elder Joseph L. and Martha C. Staton, died Friday at the home of his sister Mrs. Everett C. Johnson, Washington, D. C. He had been ill since June.

The funeral was held from the Shellender Funeral Home, Newark, Sunday afternoon at three o'clock. The Rev. H. Everett Hallman, pastor of the Presbyterian Church, officiated. Interment was held at Welsh Tract Cemetery.

Mr. Staton is survived by a son, Jarrett A. Staton of Washington and two sisters, Mrs. Johnson, Washington, and Mrs. Charles H. Jarmon, Newark. His wife died last March.

Missionary and Art Group Holds Regular Session

The Missionary and Art Society of Peneader Church, Glasgow, met recently at the home of Mr. and Mrs. Ellis Brown. Miss Lillian Brown, president, was in charge of the session which was attended by 30 members.

During the social hour, the Misses Betty and Florence Ford presented a playlet entitled: "It Aint Milk, It's Cream." The next meeting will be held at the home of Rev. and Mrs. Henry G. Welton on Wednesday, December 13.

Minnehaha Tribe To Stage Card And Bingo Party

Friends and Roaming Countrymen Lend us Your Ears

LEND US YOUR EARS which suffer from blaring radios and the roar of city traffic. Bring them in today and listen to the new Nash tell its own unbelievable story.

Sure, you can look—for you'll never see a car so excitingly beautiful!

But get inside . . . and close your eyes. For here's where the fun begins!

See if you can hear the engine idle . . . the shifting of gears. Try to tell where concrete ends, and country begins. Try to guess within a 20-mile margin what speed you're going.

Then look at the speedometer up front! Outside your window . . . houses,

hills, cars fly by like soundless phantoms on a silver screen. Gone is the shrieking of wind, the squealing of tires, the rumble of the road.

In this restful silence, cares and worries go winging off. And if you dread going back to that noisy city, why—find your spot and spend the night in your Nash convertible bed.

Yes—you'll be amazed at the quietness achieved by Nash engineering.

We, alone, use Nash-pioneered Sand-Mortex Soundproofing and a double frame—with fourteen Fabreka body mountings to soak up sound.

We, alone, have the amazing Weather Eye System which shuts out noise,

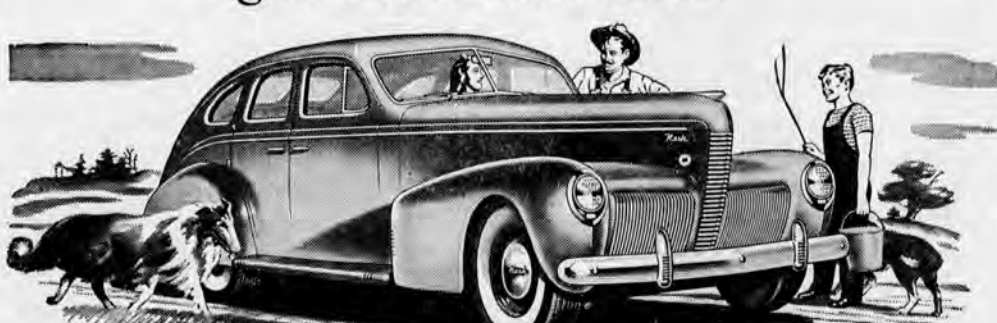

dust and cold the year 'round; gives you automatic fresh air and warmth.

And this is the first car built combining Individual Coil Springing in front with long, Synchronous Springs and Super-Shock Absorbers in back.

Ride in it—then drive it. Get behind the wheel and learn about the new Arrow-Flight Steering, the new Fourth Speed Forward with Automatic Overtake . . . the new Sealed Beam lights.

See your Nash Dealer today, learn about new lower prices, and the exclusive engine that's an economy winner—then start having fun!

Again...it's that new NASH

NEW LOWER PRICES This 1940 Deluxe Nash LaFayette Sedan costs only \$975.00, delivered at factory, standard equipment and Federal taxes included. above the crop in 1938, and 15 per cent more than the previous record crop of 1935. Turkey prices this fall are likely to be less favorable than a year ago because of the heavy crop, says the report. The effect of larger supplies, however, will be partly offset by larger consumer income. Rapidly increasing use of turkeys throughout the year is another factor that has tended to support turkey prices in recent years.

Turkey Crops Up

The war is not expected to influence poultry and egg prices much within 6 to 12 months, says the report. Only small amounts of poultry and eggs are exported and any improvement will be largely the result of improved domestic demand. The report notes that poultry and eggs reached record prices 1 to 2 years after the World War. Following a flurry at the beginning of the World War, there was no significant change in poultry and egg prices for about 2 years. In 1916 the index of wholesale food prices began to rise and poultry and egg prices followed.

MERCHANTS

(Continued From Page 1)

Outside of two establishments which never joined the movement, no violations have ever been noted, chamber officials stated. In order to convince the dissenting chain that independent grocers are still anxious to continue the policy, a petition was signed by nine proprietors Tuesday morning as a gesture of good faith.

Signers of the petition were: R. B. Davis, Jarmon and Moore, John F. Richards, S. L. Cornog, Community Stores, Inc., Shorty Tweed, Raughley's Market, Wollaston's and American Stores, Inc.

In response to a request from Mary Richards, secretary of the committee raising funds for the Flower Hospital, the chamber contributed \$25 to the drive.

In addition to Mr. Haney, officers and directors who attended the November meeting were: Charles H. Rutledge, Weldon C. Waples, Meyer Plinick, John W. Huebner, and H. Wallace Cook.
