

**Ellison Unopposed
For 25th Term As
Newark Fire Chief****Annual Aetna Election On Jan.
6; Dan Stoll To Retire
As President**

Elmer J. Ellison will be unopposed for his 25th term as fire chief at the annual election of the Aetna Fire, Hook and Ladder Company on Jan. 6 in the engine house.

Chief Ellison, who has seen 55 years service with the company, was first elected chief in 1925.

Several contests are in the offing for other Aetna posts. Three candidates, John Cunningham, Cleaver Price and Clifford Moore, are opposed for first assistant chief. Running for second assistant chief are: Clifford Moore and Clifton Knotts. Charles E. Moore is unopposed for fire recorder.

The Aetnamens will also get a new president this year. Dan Stoll's term expires at the end of this month. Mr. Stoll's term as head of the Board of Directors expires at the end of this month. He has indicated he will not seek another directorship. The Board will select a new president following the election.

In addition to Mr. Stoll, the outgoing directors are: B. C. Jones and Ed Skatespear.

New candidates for the Board to be voted on at the election are: Eugene Solt, William Morris, Robert Clark, William Frazer, Woodrow Singler, Harold Grant, Ernest Reed and B. C. Jones.

Fifteen new pipemen will also be appointed after the election.

**Local Club To Join
In 35th Anniversary
Of Kiwanis Founding****Plans For Newark Observance
To Be Announced By
Daniel Harvey**

Kiwanis International will observe the 35th anniversary of its founding during the week of January 15 to 21.

Established in Detroit, Jan. 21, 1915, the community service organization has grown from a single unit to a vast network involving more than 3,000 clubs and 200,000 members throughout the United States, Canada, Alaska, Hawaii and the Yukon Territory.

Dan Harvey, president of the Kiwanis Club of Newark said today that plans for the observance of Kiwanis Anniversary Week here would be announced shortly.

In this connection, Harvey said that he had received a significant report covering Kiwanis International's accomplishments during the past year.

Nearly \$18,000,000 was raised by Kiwanis clubs to support the Community Fund and polio, heart and cancer campaigns in 1949. At the same time, Kiwanians were purchasing government savings bonds valued at more than \$14,000,000. They also provided recreational opportunities to 1,650,000 young people and gave vocational guidance to 265,000 others.

The report revealed that 11,000 Kiwanians held public office in 1949 and that 42,000 served on school, hospital and other public affairs boards. To strengthen the American and Canadian systems of government, Kiwanis International issued 16,000,000 patriotic pamphlets last year and won a gold medal and an award for \$1,500 from Freedoms Foundation, Inc.

Plans for the Newark club's participation in Kiwanis Anniversary Week are under the direction of the Committee on Education and Fellowship.

Students Remember Unfortunate

The stage in the auditorium at the Newark schools was piled high with gifts last Friday, enough to fill Santa's sleigh several times over. There was one for each of the 253 unfortunates who are patients at the Gov. Bacon Health Center.

The gifts were from the Newark students, who "adopted" the center during the Christmas season. Above Walter L. Kabis, director of education and recreation at the Gov. Bacon Health Center, accepts a gayly wrapped package from an elementary homeroom representative.

**Council Session Tuesday To
Cover Wide-Range Of Issues****Dec. 20 Meet Canceled,
Leaving Successor For
Hopkins Still Unnamed;
McBerty Lists Agenda**

A new Councilman to fill out the term of John S. Hopkins, who retired recently, will be appointed at the January meeting of the Town Council at 8 p. m. Tuesday.

Mr. Hopkins' successor was to have been named at the Dec. 29 meeting of Council, but this session was canceled due to the holidays.

Other questions likely to come before Council on Tuesday were outlined this week by Mayor Ford H. McBerty. Foremost among these will probably be the proposed southside sewer project. Although rights of way are still needed in certain sections, Council may decide to advertise for bids on construction of primary sewer lines and the pumping station. This will be the preliminary work in the large-scale project, aimed at bringing areas in the southeast of town into the sanitary sewer system for the first time.

Another proposal that may be discussed is the plan for providing a new easterly entrance to town by extending Cleveland Avenue to Capitol Trail or by establishing some alternate route.

The fact that Newark is eligible to share in \$125,000 in federal funds recently appropriated for municipalities in Delaware was pointed up by the Mayor. The funds are intended to be used for drawing up plans and specifications for various public improvements that could be launched in the event of another depression. This is part of the government's plan for cushioning the effects of a sudden jump in unemployment. The Mayor suggests that Council may wish to apply for a share in the appropriation. The money could be used to draw up engineering plans for a number of town projects.

The Mayor's complete agenda for Council's meeting of Jan. 3 and 17 follows:

"Sealed bids are expected to be available for the meeting of January 3rd covering the following items:

**Harry Zimmer Dies Of
Heart Attack Friday**

Harry Zimmer, of 55 Choate Street, a switchman with the Pennsylvania Railroad for 34 years, died of a heart attack last Friday.

He was found unconscious in his automobile, parked near the Edge Moor yards of the railroad by Wallace George and was taken to the Delaware Hospital in the county ambulance. He was pronounced dead on arrival.

Mr. Zimmer, who was 65, had been ailing for some time and had returned to work only a week previous to the fatal attack. An investigation was made by Coroner William Smith, Jr.

Surviving are his wife, Mrs. Mary Edna Zimmer; six children, Mrs. Mary Currier, Mrs. Dorothy Reynolds, the Misses Vivian and Edna Zimmer, and John, all of Newark, and Mrs. Elizabeth Stithberry of Elkton.

He is also survived by four grandchildren, Dorothy and Janet Zimmer, Wallace Stithberry and Sharon Ann Reynolds.

The funeral took place from the Jones Funeral Home here Monday afternoon. The Rev. Theodore L. Ludwig, rector of St. Thomas' Episcopal Church officiated. Interment was in the Newark Cemetery.

**Fire Damages Shed At
Concrete Plant Monday**

Fire damaged a small shed on the property of the Newark Concrete Plant, South Chapel Street, around 8 p. m. Monday.

The building was owned by Ivan Parson and Harold Gwaltney, who had purchased a number of similar buildings from the plant to salvage the lumber. The damage to the shed was estimated at \$100. The cause of the blaze was not determined.

The only other alarm the past week came earlier the same evening, when an automobile caught fire at Milford Crossroads. Aetna officials report the blaze was out when the engine arrived. The damage was minor.

**Newarker Killed By
Hit And Run Driver;
Police Push Probe****John H. Love Found In Ditch
Near Marshallton Early
Tuesday**

John Henry Love, 116 Haines Street, a pressman at the Continental-Diamond Fibre Company, was killed by a hit and run driver early Tuesday near Marshallton.

State police are still searching for the driver of the death car, the single clue being a piece of chrome moulding believed to have come from a 1938 Oldsmobile.

Love, a Newark native and a resident here all his life, had apparently missed the last bus from Wilmington to Newark and had ridden to Marshallton where he got off to walk the rest of the way home. His body was found lying a few feet off the road surface in a shallow drain. Both legs were badly mangled and death is believed due to loss of blood. Coroner William Smith, Jr., said Love had been dragged about 75 feet by the car.

Before joining the fibre company a few years ago, Love worked for more than 40 years with the Curtis Paper Company here as a machine operator. He is survived by a son, Jack H. Love; a daughter, Mrs. Bertha Lynch; of Carcroft; one grandson, and four sisters, Mrs. Samuel McFarlin, of 116 Haines Street, with whom he lived; Mrs. Jesse Willard of Newark; Mrs. Rita White of New Castle, and Mrs. Ormond Burris, of Aiken, Md. Mr. Love was a member of the Junior Order, United American Mechanics.

**"Emerson's New England" Is
Theme Of Photo Display**

A photographic exhibition entitled "Emerson's New England," will be on display at the University of Delaware's Memorial Library from Jan. 7 to 21. The exhibit deals with places and place-names especially associated with Emerson, Thoreau, Hawthorne, Alcott and Longfellow. It consists of 25 panels, which depict scenes at Concord, Walden, Brook Farm, Haverhill, Cambridge and Boston. The text is mostly from writings of the 19th century New England writers.

The exhibition, in the prints room of the Library's west wing, is to be open during regular library hours: 8 a. m. to 10 p. m. weekdays, 8 to 5 on Saturdays, and 1 to 5 and 7 to 10 p. m. on Sundays. The material was arranged by the editors of "Life" magazine.

**Dedication Of New
Elementary School
Slated For March 16****Classes May Start March 1 In
26-Room Building Now
Under Construction**

Newark's new elementary school, still under construction here, will be ready for occupancy by the end of February and dedication ceremonies are planned for March 16, Supt. Wilmer E. Shue announced this week.

If the present construction schedule is maintained, classes should be underway around March 1.

Dr. George R. Miller, state superintendent of public instruction, will be the speaker at the dedication ceremonies. Other prominent state officials are expected to be present.

The two story building, connected with the main high school by a corridor and an octagonal playcourt, is practically finished now except for landscaping and interior work. The latter includes painting, cabinet installation, placing of permanent radiators, and the laying of asphalt tiled floors.

The central heating system, along with temporary radiators, has already been installed, and the interior plastering was completed the past week.

Delivery on the new furniture, placing of which will be the final step before the students move in, is promised between Feb. 5 and 28.

**45 Baskets Of Food
Provide Yule Cheer
For Newark's Needy****Toys And Candy Accompany
Baskets Filled With Makings
Of Xmas Dinner**

Baskets crammed with all the makings for a bounteous Christmas dinner were distributed to 45 needy Newark families on Christmas Eve.

The project was sponsored by the American Legion and Auxiliary, with the cooperation of the Newark Boy Scouts.

Each basket contained a picnic shoulder of ham, sugar, potatoes, butter, oranges, canned goods, milk and candy. Over 300 pounds of potatoes went into the baskets, along with more than 400 oranges, 60 loaves of bread and 40 quarts of milk. The latter were donated by Steven Barczewski of Glasgow. Estimated cost of each basket was \$15.

Toys accompanied the baskets in those cases where the committee was informed that the recipient family had children. A number of stockings, filled with gifts and candy, were contributed by the Newark Soroptimist Club.

Cash donations and food for the project were accepted by an Auxiliary committee under Mrs. J. Harvey Dickey. The women secured over \$163 in cash contributions. One individual gave \$100. A sizeable stock of canned goods was collected in a canvass of the town by the scouts. The baskets were packed in the Auxiliary rooms in the Academy building and were distributed by the Boy Scouts, using the town truck.

**NHS Junior Fatally
Stricken After Gym
Class Last Thursday****Edward Borowka, 17, Dies Of
Heart Attack; Had Seemed
In Good Health**

Tragedy marred the Christmas festivities at the Newark High School last Thursday afternoon when a student collapsed of a heart attack following a gym class and died before he could be revived.

The victim was Edward Borowka, 17, of Barksdale Road, a member of the junior class. He was waiting to take a shower when he was stricken. School officials, Walter Matt and Henry Brader, immediately administered artificial respiration and summoned Dr. W. S. Silverman. The latter gave emergency treatment and called for the town ambulance. The youth was pronounced dead on his arrival at the Delaware Hospital. Following an autopsy, Coroner William Smith Jr., said death was due to a congested heart.

The youth had appeared in good health.

**Lions Plan Benefit
Roller Skating Show**

A benefit roller skating amateur show will be sponsored by the Newark Lions Club on Feb. 13 at the Maryland Rink near here.

Entries are expected from throughout this section. The project, aimed at raising funds to carry on the club's welfare work, was proposed by Lion W. O. White.

**Events Here In 1949 Reviewed;
Civic Issues Take Spotlight****Zoning Law Passage, Charter Dispute, Fluorine Experiment,
Town Election Are Highlights
Of Year**

For Newarkers and the rest of the nation, 1949 began in a mood of anxiety over the future. There was much talk of inflation and depression and of the "cold war" turning hot. Now, 12 months later, the mood is one of cautious confidence and growing optimism.

The recession in the spring, which affected Newark very slightly, seemed to check fears of inflation, and the quick revival of the nation's economy removed, temporarily at least, the spectre of depression. The "cold war" is still with us, neither more nor less threatening, but people talk about it less and have come to regard it as a familiar part of things.

**8 Local Churches
To Hold Combined
Service On Jan. 4****To Be Preparatory Service For
Evangelistic Series In Wilm.
Next Week**

Eight churches of Newark and vicinity will hold a combined service Jan. 4 at 8 p. m. in the Newark Methodist Church.

The service will be in preparation for the week-long revival services to be held by Dr. E. Stanley Jones, famed evangelist, in Wilmington next week.

The eight churches planning to join in the service here are: Newark Methodist, First Presbyterian, St. Thomas' Episcopal, Head of Christiana Presbyterian, Ebenezer Methodist, White Clay Creek Presbyterian, Christiana, and Christiana Methodist. The ministers of these congregations will take part in the ceremonies.

An inspirational message will be brought by the Rev. John Oldman, Jr., minister of Lower Brandywine Presbyterian Church, Wilmington, who will give a sketch of the life and work of Dr. E. Stanley Jones as a world missionary in the Christian faith. The public is invited.

Dr. Jones will preach six nights from Sunday, Jan. 8, through Friday, Jan. 13, in the Newark Methodist Church. The service is part of a national movement and represents this area's participation in the United Evangelistic Advance.

**Tickets On Sale For PTA
Movie Series For Children**

Tickets for the PTA sponsored series of movies for school children will be on sale during noon hour at the schools from Jan. 2 to 6.

The films will be shown at 10 a. m. on alternate Saturdays at the State Theatre beginning Jan. 7.

This schedule follows: "The Sea Hawk," Jan. 7; "National Velvet," Jan. 21; "My Brother Talks To Horses," Feb. 4; "Henry Aldrick, Boy Scout," Feb. 18; "Two Thoroughbreds," Mar. 4.

Except for continued high prices and the housing shortage, 1949 was a return to almost complete "normality" for Newark. As the pressure of world events lessened, the town turned into the center of interest. For months, the town was absorbed in maneuverings over the zoning law, the proposed new charter, the fluorine experiment and the municipal election.

The building boom and business expansion of the previous year, which added many new store fronts to Main Street and brought two new industries to Newark, did not continue at the same high pace in 1949. The only major construction projects begun here were the new elementary school building and the Masonic home on Delaware Avenue, neither of which are finished. The remodeled Methodist Church, work on which had begun before the start of the year, was formally reopened. The proposed big apartment house on Elkton Road is still marking time.

The town made its chief strides on the political and civic fronts. The passage of the zoning law was regarded as a milestone in municipal planning. It came after over two years of study and debate, involving almost every civic group in town. The proposed new town charter, which also occupied the spotlight for many months and led to long and sometimes bitter discussions, eventually died in committee at Dover, but the groundwork was laid for future agreement on the issue.

Another noteworthy achievement was the approval of the fluorine plant, the construction of which is still awaiting delivery of equipment.

Reflecting the increased interest in local politics and civic affairs was the town election last April in which 1714 valid votes, the largest in the history of the town, were cast.

Following is a list of news highlights here and past year as they were reported week by week in the Post:

January

6—Plan to treat local water supply with fluorine as curb on tooth decay in children first proposed by Dr. P. K. Musselman. Zone law draft given first reading by Council. Miss Lena Evans dies at home here. Town and power company deadlocked over contract talks.

13—Last public meeting on proposed new town charter is scheduled. Plumbing code for Newark urged in Rotary talk. Ninety-five enroll in Newark High night classes. Ellison elected fire chief.

20—Fifty residents turn up for charter hearing, final vote by Council expected soon. T. D. Mylrea, civil engineering professor at U. of D., dies in Pittsburgh, Pa. Charn House hit by two fires.

27—Ground breaking ceremony scheduled for new school. Charter draft readied for state legislature. O'Daniel Legion Post gets national distinguished service certificate for its outstanding record in Delaware for work in Americanism and community service.

February

3—In unexpected action Council revises new charter draft, stripping it of many features until it closely resembles version withdrawn from legislature last year due to local protests. Schools to hold overflow classes in Methodist Church next term. Jerry Weinberg elected president of Chamber of Commerce.

10—Zoning law held up again at request of C. of C. Charter issue wide open, new hearing set, civic groups protest Council's changes on voting regulations and bond issues. Northside sewage pumping station ready for operation. Parade marks "Thanks Car" visit.

17—Council plans another special session on charter in hopes of reading draft in time for current session of legislature. Town engineer's report shows power generating plan not practical for Newark.

24—Musselman optimistic on fluorine plant after visit to Newburgh, N. Y. project appears practical for Newark. School will seek suggestions from graduates on curriculum improvements. Final charter draft approved for submission to legislature.

March

3—Charter turned over to Senator Rhodes. New changes to be sought in zoning law draft, old conflict between

As one travels through the Hundred this Christmas season, there is surely a holiday atmosphere. Many homes have attractively lighted doorways and windows, while others have illuminated evergreen trees on their lawns. From the inside of the houses, lighted Christmas trees shine forth as do other electric decorations.

Mr. and Mrs. Marvin Shakespeare, of Loveville Road, have had as their holiday guests, their son-in-law and daughter, Mr. and Mrs. Charles Davis, of Stormville, Pa. Mr. Davis is a member of the agricultural staff at Pennsylvania State College, while studying for his master's degree. He graduated from the University of Delaware last summer.

Mr. and Mrs. Newton Brackin, of Brackinville Road, had as guests at dinner on Christmas Day: Mrs. Essie Little, Mrs. Brackin's mother, Mrs. Irene Ferguson, of Pleasant Hill, Mr. and Mrs. Walter Trader, of Viola, Del.

Members of the Waverly Club held a Christmas meeting last Wednesday afternoon at the home of Mrs. Paul W. Mitchell, Woodside Farms, Mrs. William H. Naudain had charge of the program. Mrs. Joseph Mitchell read two articles "The Story of the Christmas Bell" and "The First Creche." Mrs. Willard Cloud told the history of the Christmas Seal. Toys for needy local children were brought by the members and were distributed before the holiday.

Red Clay Creek Presbyterian Church
"Why the Chimes Rang" was the dramatic presentation of the Red Clay Creek Presbyterian Church School on Christmas Day morning. Mrs. Thomas Richardson directed the program. Those taking the principal parts were: Frances Riblett, Richard Klair, Sandy Weymouth, Jimmy Derickson, David Woodward, James Chapman, Ronnie Woodward, Clara Miller, Sandra Ewing, Edwin Trimble, Rodney Derickson, and George Hanna. Soloists were: Betty Woodward, Lamar Le Bron, Noel Lloyd, Rollin Farmer, Jr. The Junior boys and girls were carolers.

Attendance awards were presented by Ralph Klair, superintendent of the youth department. Mrs. Wilnot Springer had the honor of receiving an award for 20 years perfect attendance, this is an enviable record for a woman far past the seventy mark in years. Pins were given to the following: first year, Betty Woodward, Betty Hanna, George Hanna; second year, Howard Stike; third year, Sallie Evans, Richard Ulmer; fourth year, James Derickson, Mary Lou Derickson, Jean Shakespeare, Lois Stike, Dolores Ulmer, and Laurence Ulmer. The Sunday School presented boxes of candy to the pastor, the Rev. G. T. Jamieson, Mr. Klair, and Robert M. Walker, superintendent of adult department.

The Sunday School will hold its annual business meeting and election of officers on Thursday evening, Jan. 5, beginning at 6:30 p. m. with a covered dish supper for members and their families.

Christmas morning at the worship service, Rev. Jamieson spoke on "The Message of Christmas." At the baptismal services, there were four babies given the sacrament of baptism. The choir had two anthems "Unto This Rose" and "O Night of Holy Memory." Miss Connie Sabine was contralto soloist.

On Sunday morning, Jan. 1st, Holy Communion will be celebrated at the 11 o'clock service.

CORNER KETCH

Twenty-five members of the Corner Ketch 4-H Club including Mr. Maurice Fields, county leader and the new local leaders, Mr. and Mrs. Elbert D. Poole, attended the annual Yuletide party held last week at the home of Eugene Frazee. The group played games, exchanged gifts, and enjoyed refreshments. The next activity will be "Parents' Night" on Jan. 26 at the Poole home.

The children of the members of Union Grange No. 1 entertained the adults last Wednesday evening at a Christmas program. Mrs. Daniel Harris, lecturer, was in charge. There were songs, recitations, and readings by the following: Floyd Connell, Robert Woodworth, Freddy Loveless, Elizabeth Greenplate, Tommy Dempsey, Bobby Dempsey, Billy Dempsey, and Philip Dempsey. The grange will hold its annual installation of officers in January. Ferris Dempsey of Harrisburg, Pa., was a holiday guest at his mother's home.

PLEASANT HILL

The Ebenezer Methodist Church will hold Watch Night Services on New Year's Eve. From 9:30 until 11 p. m. there will be a social party held in the social hall. The worship service is in charge of Miss Catharine Dempsey, worship chairman of the MYAF, assisted by Lindsay Greenplate and the pastor, the Rev. Edwin Horney. This will be a candlelight service and the community is invited.

Sunday morning, Jan. 1st, Rev. Horney will have as his theme "The New and the Old."

The official board is anxious for a large attendance this evening at the covered dish supper to be served in the Sunday School room at 6:30. There will be a program of fun and entertainment in charge of Mrs. Albert Humphreys.

Last Thursday evening, the MYAF members enjoyed a Yule party at the church parsonage. The members drew

names and exchanged gifts. There were games as well as "eats."

Rev. Horney, who is a student at Westminster Theological Seminary, is spending a part of this week with his mother, Mrs. Evelyn Horney and family at Grassville, Md., near Centerville, Md.

The church members gave Mr. Horney a donation of frozen foods as a Christmas gift.

Mrs. Frank V. Whiteman was a guest on Christmas Day of Mrs. Louise Walker at her home in Hockessin.

MERMAID

Harmony Rural School which closed last Friday for the Christmas vacation, will open on Jan. 2. The teacher, Mrs. Elsie W. Stradley, had a party on the closing day for the pupils. The children had drawn names and they exchanged gifts. The teacher presented each pupil with a leather memo pad and name pencils. These students also had a surprise gift at their PTA program when the visitors from Pleasant Valley District gave them candy canes.

Children of the community are invited to attend a Christmas party to be held this evening at 8 o'clock in the Red Clay Church sponsored by the Aid Society. A Tom Thumb wedding will feature the program.

Miss Helen M. Pennington, of Morrisville, Pa., principal of the Wm. Morris Public School, is spending the holiday vacation with her parents, Mr. and Mrs. L. H. Pennington at "The Mermaid." Mr. William Alberty, of Morrisville, was a guest at the Pennington home on Christmas Day.

Mr. and Mrs. John Trimble and family, moved last week from Fair Hill, Md., to the Harry Brackin home on Mermaid Road. This property was sold recently by the Brackins to D. P. Ross. Mr. Trimble is employed at the Ross Station.

Jay Stephenson underwent an operation for the removal of his tonsils last week at a Wilmington hospital.

Mr. and Mrs. Edward A. Naudain entertained at two family dinners during the holiday week-end. Sunday they had Mrs. Naudain's parents, Mr. and Mrs. John Pyle, of Kennett Square, Pa. On Monday evening, their guests included Mr. and Mrs. W. H. Naudain and family and Mr. and Mrs. Warner Naudain and son, Ray.

The Fred Annaudes had as holiday guests, Mr. Annaud's mother and sister from Sharon Hill, Pa., and their son, Douglas Annaud who is in the Navy, stationed at a naval base in Connecticut.

A Klair family dinner was enjoyed Christmas Day at the home of Mrs. Bertha Armor and Miss Annie Klair on Limestone Road, when they entertained their brothers and their families.

Mr. and Mrs. J. W. Pennington, Bill and Emilie Pennington were dinner guests on Christmas Day at the home of W. W. Benard, near Eastburn Heights.

Miss Annie Derickson of Paper Mill Road, is spending several days with her cousin, Miss Elizabeth Peach in Wilmington.

Mr. and Mrs. H. P. Dennison, of Limestone Road, entertained as Christmas Day dinner guests, Mr. and Mrs. Robert Dennison, Mr. and Mrs. John Dennison and son, Paul, Mrs. Lillian Eastburn.

A very Happy New Year to all Post readers.

The Kalb and Comley families had a gala Christmas reunion at the George Kalb home over Christmas. Janet's parents, the Comleys, came from Trenton, New Jersey. Her sister, Miss Martha Comley, took time out from her duties at the Johns-Hopkins Hospital of Baltimore, (where she is studying for her B. A. in nursing while she employs her skill as an R. N. in the hospital proper), to join the happy group. Mr. Kalb's parents, the J. A. Kalbs, were present, as was a group of visitors from Darby, Pa. Mrs. Thwaites, an old friend of Mrs. J. A. Kalb, arrived with her son and daughter, the H. Leslie Cornishes, to spend Monday at the Kalb home.

The Taylor home has been a busy, happy place over Christmas. Mr. Taylor's mother arrived from Wilmington last Thursday to share the holiday festivities, and her son Henry, and daughter arrived from Philadelphia for the holiday proper. Sunday morning at the New London Presbyterian Church, the new granddaughter, Nancy Henrietta Taylor, was christened. In spite of the excitement, Alice Taylor reports that she is recovering nicely from a touch of the flu.

Mrs. Fred Klauk's mother, Mrs. Duprey, returned to her home last week after a stay of a couple weeks. The new Klauk family addition, namely, Karl, is doing beautifully.

Mrs. Samuel Brown, Sr., is feeling much better after an illness of about two weeks' duration.

In spite of her recent recovery from a very severe cold, Mrs. Vernon Schroeder has plans for entertaining numerous relatives over the holidays. Also on the vacation calendar is a visit to an old friend, not seen for some time.

The Junior and Senior Fellowships of the Landenberg Methodist Church had a caroling party last Christmas Eve, and everyone reports a lovely time.

Cynthia Lee Ness will enter the Delaware Hospital this next Monday for an eye operation.

Mr. and Mrs. James Paxson and son,

Jimmie, of Landenberg spent Christmas with his mother in Parkersburg, Pa.

Mrs. Marguerite Swan and Miss Alice Swan, Anne and Richard Swan plan to visit Mrs. Swan's brother, John H. Geary, of Teletport, near Wilmington next Sunday. On Monday they will continue their holiday excursions by visiting cousins, Mr. and Mrs. W. E. Bradshaw of Dover, Delaware.

Alice Swan tells me that the New London Grange teams are scheduled to resume the bowling schedule on January 6.

The Allison Woodworth's entertained Mr. Woodworth's mother, Mrs. Bertha Woodworth, of Philadelphia, and her daughter Doris, over Christmas. Al tells me his flying instructions are progressing nicely. He completed a night flight over New York a couple of weeks ago, in a four place Stinson plane.

Christmas out-of-town guests at the Russell Eaton home included Professor and Mrs. B. E. Fernow, Mrs. Eaton's parents. Professor Fernow is head of the Mechanical Engineering Department at Clemson College, South Carolina.

Mrs. Eaton's uncle, Mr. T. H. S. Andrews of New York City, an executive of the Standard Oil of New Jersey, was a Christmas Day guest at the Eaton home.

December 27 brought a welcome guest to the J. A. Kalb home. An old friend of Mr. Kalb's, Mr. Ralph Durbin, from Altoona, arrived to spend some time.

Over Christmas, the Ed Hixons entertained Mrs. Hixons' brother Tom Watson, and his family, from Philadelphia. The three boys, Ronnie, Tommy and Kenny Watson, will stay with Arthur Hixon for the week.

Mr. and Mrs. William Nichol and four children joined various other members of Mrs. Nichol's family at the paternal Lester home near Oxford to celebrate Christmas Day.

Barbara Beth Ness was a guest at the Adams home in Newark Thursday afternoon when Suzanne Adams entertained a group of her friends.

The La Rue Van Sant family made a Christmas call on Mr. Van Sant's brother, Jacob Kennedy, and his family, near West Chester, Dec. 26.

Mr. Edgar Kimble, who returned from Florida at Thanksgiving, has about decided to remain at the home of his daughter, Mrs. Van Sant, for the rest of the winter, instead of sojourning in Florida for the winter season, as is his custom.

The Women's Society of Christian

Service, Kemblesville Methodist Church, will hold the first meeting of the New Year the first Thursday in January.

Christmas Day dinner at the Henry Wagner home included Mr. Wagner's parents, the Arthur Wagners, and Mr. Wagner's daughter and husband, the James Prettymans.

We really should mention the fact that June and Jeannette Wagner made Honor Roll at Newark High, again this last time, and Harriett, the seventh grade member, joined the list this last period.

When approached for news, Marianna Aleock definitely signified herself a charter member of the "Sittin' and Whittlin' Club for Tired Post-Christmas Mothers."

Rev. and Mrs. George T. Walton and family are visiting relatives in St. Louis, Mo.

Christmas Day visitors at the home of Mr. and Mrs. Howard Burris were Mr. and Mrs. Joseph Cunane and family of Capitol Trail, Miss Esther Cunane, of Richardson Park, and Mr. Thomas M. Pace, of Wilmington.

Mrs. Dolores Crosby, Mr. and Mrs. Albert Thorp and daughter, Linda Ann, visited Mrs. M. Carol White and Mr. and Mrs. Arthur I. Judge, of Towson, Md.

MACARONI MAGIC

The bland flavor of macaroni is a good canvas on which to paint with various meat flavors. Ground beef is a good choice, and another member of the beef family can also be used to give distinctive flavor—corned beef, it is.

Make a casserole of macaroni, bits of cooked corned beef, sauteed chopped onion and a flavorful cheese sauce. Top with buttered crumbs and bake 30 minutes in a modern oven (350 degrees F.)

Mrs. Hildred Darsell, of Capitol Trail, spent the Christmas week-end with her daughter and family in Carney's Point, N. J.

Mrs. J. F. Woods, Jr., and daughter, Joan, of Capitol Trail, spent Christmas with Mrs. Woods' parents, Mr. and Mrs. Henry Dunsmore, of Providence, Md.

Mr. and Mrs. Herbert Smith, and children, Penny and Tim, spent Christmas with Mr. Smith's mother, Mrs. Belle Smith, at Bayview, Md.

Mr. and Mrs. Smith had a belated Christmas dinner on Tuesday night, at which time they entertained Mr. Smith's brother and family, Mr. and Mrs. Lyman Smith and their two sons from Rising Sun, Md.

Mr. and Mrs. F. Woods, Jr., had as guests last week-end, Miss Frances Figley, and Mr. Wilton Graham, of Philadelphia, Pa.

Mr. and Mrs. Charles Long, Sr., held a family dinner on Christmas Day. Those present were: Mr. and Mrs. Charles D. Long, Jr., and son Charles III, Mr. and Mrs. Ralph Murray and daughter, Ronda Lynn, of Marshallton and Mrs. Bessie Johnson. Also Miss Anita Long and Jack Long.

Miss Sandra Capel received a broken finger last week, while playing basketball, in gym class. The school nurse took her to the office of Dr. Hughes Nutter, where the offending member was placed in a splint.

Mrs. Charles Wetzel, and son, Charles Jr., have motored to Lockhaven, Pa. While there, they will visit with Mrs. Wetzel's father.

**List Wage-Hour Rules
For 'White Collar' Workers**

Employers in Pennsylvania, West Virginia, Maryland and Delaware today were advised that an explanatory bulletin will be available next week on the revised regulations governing exemption of so-called 'white collar' employees under the Wage and Hour Law adopted in Washington today by Administrator Wm. R. McComb.

William Hargadine, Acting Regional Director of the U. S. Department of Labor's Philadelphia office of the Wage and Hour and Public Contracts Divisions, also called attention of employers to the fact that the revised regulations will take effect on January 25, the day on which the Fair Labor Standards Amendments of 1949, applying to the Wage-Hour Law as a whole, take effect.

Some 330,000 employees in Pennsylvania, West Virginia, Maryland and Delaware are affected by the revised regulations, which govern the Wage-Hour Law exemptions for workers employed in "Executive," "Administrative," "Professional," "Local Retailing," or "Outside Salesman" capacities. Last substantially revised in 1940, the new regulations contain tests of duties, responsibilities, salary levels, and other basic requirements which employers must apply in determining which of their employees may be exempt from the Wage-Hour Law's minimum wage and overtime pay provisions.

PUBLIC LAW 16 EDUCATION AND TRAINING

Disabled veterans of World War II may begin Public Law 16 education or training at any time after discharge, but in time to complete their courses by July 25, 1956.

health until the fatal attack, although he had suffered one such attack some time previously, according to his father, William Borowka, of Marshallton. The youth lived with a brother, Julian, on Barksdale Road.

A member of the Civil Air Patrol Club at the school, young Borowka was a conscientious student and was well-liked by his classmates. The student body held a brief memorial service for him Friday morning during the Christmas assembly.

The funeral was held Saturday from the Gornowski Funeral Home in Wilmington. Solemn requiem was sung at St. Hedwig's Catholic Church. Interment was in Cathedral Cemetery.

Council Meet

(Continued From Page 1)

1. Completing the wiring, etc., for automatic operation of the water pumping station.

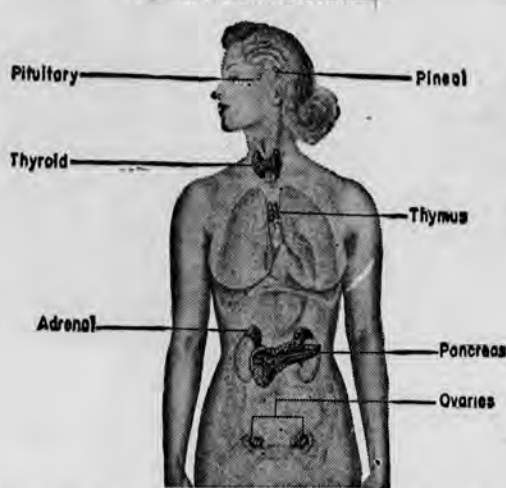

2. Quotations on the annual audit of the costs records of the town.

3. Bids on the rounding of the corner of Corbit Street and New London Road.

"The Council will presumably wish to appoint a temporary councilman to replace former Councilman Hopkins, who became ineligible for the office upon transferring residence out of the Eastern District. The charter, (sect. 9) says "... the Council shall make temporary appointment to supply such vacancies until the same can be filled by election ...". The councilman thus appointed would serve until the town elections, Tuesday, April 11, 1950.

"The Council will presumably wish to take appropriate steps to expedite the construction of the South Side sewer. The Town Solicitor is understood to believe it would be wise to clear up the remaining questions of rights of way by having surveys made to precisely define the areas needed, and thereafter secure from the property owners that may be concerned, appropriate relinquishments of the desired rights of ways. It seems that the titles to some of the properties involved are quite difficult to trace.

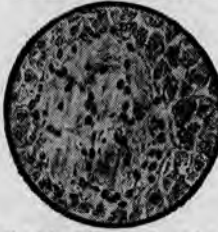

"The Council could conceivably instruct the Town Engineer to proceed to obtain sealed bids on the sewer and pumping station construction. The latter at least could proceed, since there is not known to be any right-of-way problem. In connection with the securing of bids, the Council may wish to consider the advisability of extending the proposed sewer northward to Winslow Road. This could no doubt be done regardless of any action concerning Beverly Road; and in the absence of

The Human Hormone Factory**THE ENDOCRINE SYSTEM**

The glands of internal secretion presently recognized are those shown in this "soft x-ray" drawing by Paul Peck, well-known medical artist. Only recently has the pancreas been included in this company—it having been established that insulin, the substance formed by the islets of Langerhans in the pancreas, is a true hormone. The products of all these glands are vital to full development and complete health (though the thymus begins slow process of atrophy after babyhood). Each gland or pair of glands secretes into the blood stream one or more hormones, each having a specific function and it is assumed—each affecting directly or indirectly functioning of other endocrine glands.

HEALTHY PANCREAS

The light central area is an islet of Langerhans, which secretes insulin whose function is to promote the metabolism of sugar in the blood stream after digestion.

DIABETIC PANCREAS

The islet of Langerhans here has deteriorated into a glassy, pellucid mass, incapable of secreting insulin.

the latter, no question of sewer assessment would be involved, since only sewers along roads, or actually serving customers, are assessable; otherwise the sewer is considered a connecting line.

"The Council will presumably wish to make a decision concerning the serving of water to the Russell property on White Clay Creek, at North College Avenue, and eastwards. It is understood the Town Engineer will have approximate figures available for a line along North College, and an alternate along Wilbur Street extended. It is understood either would meet Mr. Russell's needs. A decision may also be desirable concerning the necessity of a guarantee of revenue.

"The Council may wish to refer the matter of extending Cleveland Avenue to Capitol Trail, and the establishing of a through route to West Main Street or to New London Road, to the town's consulting engineers, Whitman & Requant, of Baltimore. It has been pointed out that merely diverting the traffic through Cleveland Avenue may not be desirable. Involved also is the question what should be done to Ray Street.

"Under Public Law 352, approved Oct. 13, 1949, there will be available to municipalities and the like in Delaware some \$125,000 of Federal funds to finance the preparation of plans and specifications for public improvements. This is part of the Government's effort to have useful work available instead of leaf-raking in the event of serious unemployment. The Council may wish to make application for funds under this law for engineering work. Appropriate projects might be:

Adequate water supply system for Lumbrook.

Through roadway south of Main Main Street.

Roadway plans in relation to the contemplated new stadium.

"Ordinances that the Town Solicitor may have ready for first and second readings include the following:

Sick leave ordinance, town employees.

Tree planting ordinance, forbidding

planting between sidewalk and road.

Revision of ordinance on connecting and disconnecting electric service.

"The Council may wish to request of the solicitor an opinion on the need for a charter change to permit pensions for town employees.

"Complaint has been registered concerning the absence of sidewalks on the east side of Academy Street, in certain areas. This should bring up the matter of suitable action on sidewalks generally. Section 40 of the town charter seems to confer upon the Council ample power to cope with the situation.

"The Council may wish to request the solicitor to draft an ordinance limiting the speed on Academy Street

during the hours that children are going to and from school.

"A complaint has been received concerning the lack of drainage and gutters at Caldwell Place. Presumably the Council will wish to instruct the engineer to provide recommendations and an estimate to connect the bad condition that exists.

"Presumably the Council will wish to make a final decision concerning the contemplated reflectorized signs at the roads entering town, warning as to speed limit enforcement.

"The Council awaits a report from the Town Engineer concerning the method and cost of extending Haines Street."

New School Almost Ready

From an educational viewpoint, the entire community is interested in the forthcoming opening of the new \$280,000 Public School building, on Academy Street.

The building will finish the building by Jan. 15, according to present plans. Supt. Owens said that it will take another month to six weeks to gather and install the equipment for the building.

There are no definite plans yet for opening the building, but classes are expected to start around the end of February.

The building is designed to accommodate 600 pupils. The entire high school group and pupils of the primary school from grade 1 to 4 inclusive will be housed in the new building. The present grammar school will be continued in use, while the primary school will be closed along with the old high school building.

Lyons Dies Suddenly

Thomas Lyons, a life long resident of Newark, and a veteran employee of the Pennsylvania Railroad, met sudden death on Christmas Eve, while running along the tracks of the PRR to catch a southbound train waiting at the station.

At first it was believed Mr. Lyons was struck and killed by a passing freight as he stepped into its path. It later developed that death may have been caused by extreme exertion com-

bined with heart failure. No marks were found on his body when he was picked up, and the engineer of the freight which passed at that time is reported to be positive that his locomotive did not strike him.

Personals

Jonathan K. Johnson, Newark brick manufacturer, was called suddenly to the Maryland General Hospital, Baltimore, by the news that his wife had been stricken while visiting at the bedside of their daughter, Anna, who is confined there.

According to reports, Mrs. Johnson is slowly improving from her attack.

Dr. G. B. Pearson, who has been laid up with an attack of grippe for the past week, is very much improved.

Mr. and Mrs. John Pemberton are receiving congratulations upon the birth on Christmas morning of a baby daughter. Mother and child are doing nicely.

Alice E. Williamson entertained 24 of her friends at her home, Friday, in honor of her birthday.

Harry B. Williamson is spending the holidays with friends, John and Norris Boulden, of Brook Haven, L. I.

Miss Jean Webber, of Chicago, is visiting at the home of Mr. and Mrs. A. D. Cobb during the holidays.

Prof. Carl Rees, of the university faculty, spent part of Christmas with friends near Oxford, Pa., and at his home near Lancaster.

Farmers Hold Meeting On Potato Marketing

Delaware potato growers will have an opportunity to express their views regarding the proposed Irish potato marketing agreement for this state and the Eastern Shore of Maryland at a hearing at Salisbury, Maryland, on January 18, 1950. It will begin at 9:30 a. m. at the Little Theatre on the State Teachers' College campus.

If enough evidence is obtained at this hearing, a proposed order will be prepared and submitted to the Secretary of Agriculture for his approval. Following the pattern set by other potato agreements, it would authorize regulation of potato shipments by grades and sizes. Minimum standards of quality and maturity would be set up.

After approval of the order by the secretary, it would be submitted to a referendum vote among the potato growers concerned.

Such marketing agreements are authorized by the Agricultural Marketing Agreement Act of 1937. Currently, the only potato agreement in the Northeast is in Maine. Another is being considered, however, for New Jersey.

CARS FOR DISABLED VETERANS

World War II veterans who in service lost, or lost the use of, one or both legs at or above the ankle may be entitled to receive an automobile or other conveyance at Government expense. They have until June 30, 1950, to apply.

U. of D. Historian Attends Baltimore Conference

LITTLE THINGS about the Stars

TELEVISION - RADIO - HOLLYWOOD

By GEORGE LILLEY

ONE of the biggest batches of fan mail in television (some 8000 letters weekly) goes to characters who just aren't human. They are Kukla and Ollie, puppet stars of two-year-old "Kukla, Fran and Ollie," early evening NBC TV show.

Kukla, Fran and Ollie, too

These and seven other fanciful characters are the creations of and voiced by a young (31) Chicagoan, Burr Tillstrom. Pretty Fran Allison, ex-rural school teacher, is the "kids' friend. She wanders their enchanted world with never a thought that they aren't human. Ostensibly for children but loved by adults, "KFO" is unheeded, has two national sponsors—one an ice cream company, appropriately, Tuesdays and Thursdays.

NOTES ON SUCCESS

Jane Pickens: Atlanta, Ga., reared Songbird. All her life, she told "We the People" radio-TV audiences, Friday nights, NBC, she wanted to do something operative... "but success kept me from my goal."

One popular singer who can read music, Jane studied serious music at Philadelphia's Curtis Institute, New York's Juilliard School and abroad in Paris. But as arranger and songstress with the jivey Pickens Sisters (Patti and Helen), Jane gained fame and fortune. After her sisters married, Jane made appearances with the Philadelphia Symphony and New York Philharmonic. Currently she has her first big opera role—the lead in the new Broadway hit "Regina."

FOSSIL FOR MIKE

Paul Henried went from the radio serials to Hollywood stardom. Another likely looking candidate: Michael Fitzmaurice, "Phil Stanley," of the high Hoo-perated, 10-year-old NBC after-

Mike Fitzmaurice a prospect?

noon "When a Girl Marries." Handsome Mike Fitzmaurice is a Cambridge educated, ex-Los Angeles police reporter. He would rather be a good writer than a good actor, prefers where the show originates, to the West Coast. Mike has a novel interest at the moment. Seems years ago P. T. Barnum fooled the public with a fake fossil, called of gypsum, billed as the "Cardiff Giant." It belonged to Mike's great grandfather, an associate of Barnum. Mike is claiming legal right to the piece, now in a museum, "in memory of granddad."

Very Little Things

Someone stumped Ed Byron, producer of Wed. night (NBC) "Mr. District Attorney." They asked him the name of radio's Mr. D.A. Byron recalled quickly: Mr. D.A. has no name!... John Larkin, who plays detective "Perry Mason" on the radio (afternoons, CBS), gets claustrophobia in a tightly packed elevator. He feels "imprisoned" when a barber puts a cloth around his neck, consequently gets few haircuts (see cut)...

A script problem of the family comedy "Father Knows Best" (Thursday nights, NBC) was to name the town where the "Andersons" live. The producer, who wanted no specific locality, finally settled for "Springfield" "because there is a Springfield in most every state in the Union."

New Ruling on Insurance
World War II veterans with service-incurred disabilities were reminded by John F. McDonald, Insurance Officer, Veterans Administration, of an important deadline in connection with their entitlement to National Service Life Insurance.

Prior to January 1, 1950, such disabilities actually incurred in service between October 8, 1940, and September 2, 1945, if less than total in degree, are disregarded in determining eligibility under the health requirements for NSLI purposes.

This means that a veteran who might not otherwise qualify for life insurance for health reasons may reinstate lapsed NSLI or buy new or additional

Efficiency Vital In Poultry Production

Time And Work Saving Practices Needed To Offset High Labor Costs

Labor efficiency on poultry farms will be more important than ever during 1950, according to Silas L. McHenry, Assistant Extension Poultryman at the University of Delaware. With high labor costs, the successful farmer must take every means possible to save time and effort—even if it is his own time he's saving.

McHenry points out that poultrymen should think in terms of one man caring for 2,000 to 3,000 laying hens plus replacements; or 20,000 to 30,000 broilers.

A recent survey run on different farms showed a wide variation in the amount of time spent in caring for 1,000 hens. The most efficient poultrymen spent only 21 minutes per day and walked only 1-3 of a mile. The slowest ones took 2 hours and walked 1 1/2 miles per day in caring for 1,000 hens. How does your time compare? The fastest poultrymen made five more profit per hour of labor than the slowest one. Which do you want to make?

Some of the factors which contribute to high labor efficiency are:

1. Having a definite schedule to follow in caring for the birds.
2. Doing more than one job on each trip to a pen (for example—feeding, gathering eggs, culling, checking ventilation, stoves, etc.).
3. Reducing the number of times that jobs are done (for example—feeding grain only once a day to layers).
4. Analyzing your work as you travel; figuring how to cut down on the number of steps.
5. Rearranging the equipment in your pens to reduce the amount of walking (for example—hoppers, nests, fountains).

Don't Put New Wallpaper Over Old, Aide Advises

It may be a temptation to put your new wallpaper on over the old paper but you'll be wiser if you take the old paper off first, suggests M. Katharine Jones, home demonstration agent.

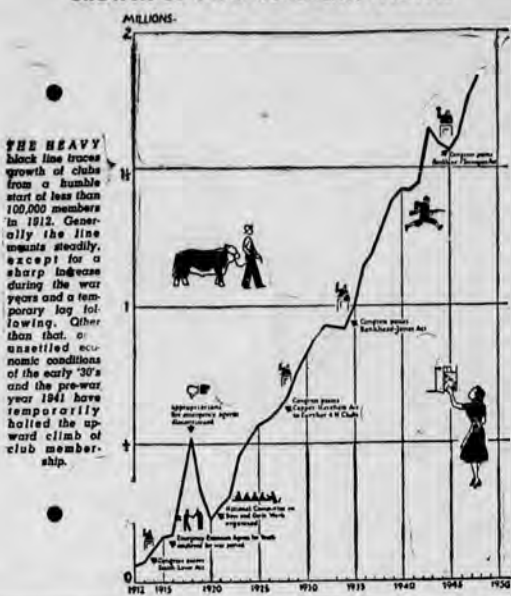

That's because the old paper may have picked up some grease or oil stains which might come through on the new paper, the colors of the old paper might eventually bleed through and discolor your new paper, or the old paper might come loose and thus loosen the new surfaces.

Then, too, the process eliminates old lumps, seams and other uneven areas from showing through the new paper and detracting from its appearance.

To remove the old paper, soak it with warm water, which you can apply with a large brush or sponge, Miss Jones says. When the water has thoroughly penetrated and softened the old paper, scrape it off with a putty knife being careful not to nick the plaster.

Repair cracks in the plaster, especially in corners and along chimneys. There are full instructions given on packages of the prepared commercial patching plasters now on the market. With glue sizing, size walls which may stain new paper.

GROWTH OF 4-H ENROLLMENT, 1912-1948

Home Accidents High On Holidays

More deaths from home accidents occur during the months of December and January than during any other two months of the year, according to the Delaware Safety Council. Holiday activities are responsible for some of this increase. The Safety Council reports that, although electric lights have largely supplanted candles for lighting trees, there are still many tragic fires due to Christmas trees.

A fresh-cut tree will not take fire easily, but after a few days particularly if it is kept in a warm, dry house, it becomes highly combustible. A spark

from a cigarette or a faulty light can touch off a dry tree which flashes into flame in a matter of seconds. Untreated cotton at the base of a tree is equally hazardous.

CERTIFICATE OF REDUCTION OF CAPITAL

VASCOLOY-RAMET CORPORATION, a corporation organized and existing under the General Corporation Law of the State of Delaware, does hereby certify as follows:

1. That on the 31st day of August, 1948 there was filed with said Corporation the written consent of the holders of record of all of the shares of the Corporation issued and outstanding and having voting power authorizing reduction of the capital of the Corporation in respect of Common Stock by an amount of \$150,000, in the following manner:

1,500 shares of Common Stock, \$100 par value, theretofore issued and outstanding were required by the Corporation and there were issued in exchange therefor 4,000 shares of the Cumulative Preferred Stock, \$100 par value, of the Corporation. By said transaction the number of issued and outstanding shares of Common Stock were reduced from 4,500 to 3,000 and the capital account in respect of said Common Stock was reduced from \$450,000 to \$300,000.

2. The Board of Directors, by resolution duly adopted, has authorized the retirement and cancellation of said 1,500 shares of Common Stock thus reduced. The Certificate of Incorporation of the Corporation does not prohibit the reissuance of said shares so retired, and upon the filing and recording of this certificate the 1,500 shares of Common Stock so required and retired and cancelled will have the status of authorized but unissued shares of the Corporation.

3. The assets of the Corporation remaining after such reduction in the capital account in respect of Common Stock are sufficient to pay any debts, the payment of which has not otherwise been provided for.

IN WITNESS WHEREOF, said VascoLOY-RAMET Corporation has caused its corporate seal to be affixed and this certificate to be

DRAMATIC NEW BEAUTY

THAT'S FUNCTIONAL, HONEST

AND VERY EXCITING

The new 1950 Plymouth, Dodge, De Soto and Chrysler cars will introduce brilliant new styling that does not sacrifice comfort, safety or convenience.

NEXT WEEK the new Dodge . . . then in a matter of days—the new Chrysler, the new De Soto, the new Plymouth.

You'll see new beauty that does something for you. New beauty that has the clean, simple, exciting honesty of the great engineering that creates it. Classic beauty that speaks for the solid comfort, the safety, the convenience, and the wonderful performance built into Chrysler Corporation's new cars!

Trim, powerful, handsome, modern . . . they advance still further the functional styling established by Chrysler last year, and enthusiastically approved by a million car buyers. Their clean crisp lines tell you

unmistakably that these are cars designed for the job you want them to do.

THERE'S ADVANCED streamlining that doesn't forget the dimensions of the human body. Sleek, long, low, lovely cars with room for hats. Room for you to lean back—stretch out—cross your legs—relax. Our wide, tall doorways reject the idea that any man or woman should have to crouch and wrestle his way into or out of a car. Our seats of normal chair height prove to your everlasting satisfaction that there's no rhyme or reason to the floor-hugging car seats that shove your knees against your chin.

You'll discover that Plymouth, Dodge, De Soto, and

Chrysler have made very sure that you can see the road ahead and the road behind. That these cars will fit in your garage . . . are easy to drive and park . . . are thoughtfully designed throughout so that repairs can be made quickly, easily, and inexpensively.

IF YOU APPROVE of the idea of beauty that means comfort . . . of beauty that means safety . . . of beauty that means convenience . . . of beauty that means the utmost in performance . . . go see our 1950 cars the moment your dealer announces their arrival. Above all this functional beauty is the beauty that will keep you delighted with your car as long as you drive it. The only beauty that can repay your investment in a car today.

You get the good things first from Chrysler Corporation

For fine cars at great value watch for these new 1950 cars

Introducing a Student—Janice Olson

Janice Olson, a sophomore, is known to all of the pupils at Newark High for her fine voice. Janice came to our school about eleven years ago from Philadelphia. She took up music at the age of eleven and has been on several amateur shows. In addition she has put on many performances during the assemblies at Newark High. Janice has attended the Delaware School of Music and would like to go to Curtis Institute of Music in Philadelphia or Julliard School of Music in New York for further study.

In school Janice excels in all of her studies and belongs to the Girls' Glee Club and Dramatics Club. In her free time she likes to do oil painting.

Chicago 4-H Congress

The big 4-H Congress in Chicago is now just a happy memory for Miss Helen Jane Leasure, State Foods Winner.

I was able to get Helen Jane to talk about it and these are some of the things that she did. She left with the Delaware delegation to the National 4-H Congress on Friday, November 25, on the 3:55 train. They saw Pittsburgh by night and arrived in Chicago about 11 a. m. After unpacking at the Stevens, they went shopping at Marshall Fields with "Pop" Fields and were guests that night at the National Barn Dance on Station WLS.

Sunday morning they went to church and that night to the First Baptist Church's Sunday Evening Club.

The Museum of Natural History was Monday afternoon's trip. The delegation had the evening off, so Miss Jean Lee took them to a Swedish restaurant called a "Bit of Sweden," where for \$2.20 they could eat all they wanted.

Tuesday noon the girls were entertained by Fred Waring at the Edgewater Beach Hotel.

A horse show and barbecue at the International Livestock Exhibition was Wednesday's treat.

Gene Autry sang "Rudolph the Red-Nosed Reindeer" on Thursday at the Stock Show in the Chicago Stockyards. That night the annual 4-H banquet was held.

Friday the gang shopped until train time. They arrived home tired but happy about 11 on Saturday.

Doesn't this sound like a wonderful trip? Something to work for, I think.

Howling Dog

For the past few weeks the students have witnessed a strange occurrence on the N.H.S. Campus—the howling of a dog.

As yet, no definite reason has been attributed to his howling. The dog, a big, white mongrel, is not the least bit discouraged by bad conditions as he has been known to howl in all types of weather. Many classes have been interrupted by this dog's yelps and often no order has to be restored until the dog was removed from the vicinity of the classroom. Any further information on the dog's activities will be published in the Yellow Jacket Highlights as soon as possible.

Students Prepare for Press Conference

The Columbia Scholastic Press Association has announced its 26th annual contest for school newspapers and magazines to be held at Columbia University, New York City, March 9-10-11.

Each high school must submit two copies of each issue from the first issue after Easter 1949, through issue preceding Christmas 1949.

Newspapers and magazines entered in the contest are read and rated by a Board of Judges composed of about thirty men and women of long experience in the student publication field, guided and aided by an itemized score sheet covering all phases of their production. The scoring sheet for newspapers is included in a booklet called "School Newspaper Fundamentals," prepared by the judges.

This contest is of particular interest to students of Newark High School because several of the students plan to attend the conference in March, and the "Yellow Jacket Buzz" is to be entered in the contest again this year.

Christmas Cards Supplied to Veterans

Five hundred and sixty-five cards from the Newark students are being sent to veterans in near-by hospitals.

The cards were collected for the disabled soldiers by each homeroom. The cards have envelopes and stamps. Five students from a study hall counted the cards and placed them in packets for shipping to the hospitals. The cards were then sent to the veterans at Perryville and New Castle Air Base. Veterans will send the cards to their friends and families.

Total of 105 Make Top Honors

During the second marking there were 60 students on the first honor roll and 45 on the second honor roll. Leading the group for first honors was the ninth grade with the seventh grade leading with second honors. The total of 105 included 42 senior high students and 63 junior high students.

The Newark Post, Newark, Delaware, Thursday, December 29, 1949

State Gets \$979,347 In Taxes From 1949 Delaware Park Meet

Pari-Mutuel Sales Total \$26,062,236, An Increase Over Previous Year, Despite Slight Drop In Track Attendance

The state received \$79,347.54 in tax revenue from the Delaware Park race meeting the last spring, according to John K. Johnston, chairman of the Delaware Racing Commission.

The figure was slightly higher than the preceding year's, despite the fact that attendance fell off by 1500.

Although there were fewer people betting, pari-mutuel sales increased from \$25,976,574 in 1948 to \$26,062,236 in 1949. Sales in 1947 were \$25,554,778.

The net income to the state from the three-and-a-half per cent cut on pari-mutuel sales and the 20-cent tax on admissions went from \$978,329.29 in 1948 to \$978,329.48 during the present year.

During the 1949 meet, 38,881 patrons came to the track by Baltimore and Ohio Railroad from Washington, Baltimore, Philadelphia, Chester, Wilmington, and New York; 29,905 came by Pennsylvania Railroad from Philadelphia, Chester, Wilmington, Washington, and Baltimore, and 29,589 came from Wilmington by Delaware Coach Company routes.

The racing commission received from the Delaware Steeplechase and Race Association operators of Delaware Park, and transmitted to the state treasurer \$5,000 in application and license fees; \$912,178.28 from pari-mutuel sales, and \$66,151.20 from the tax on admissions.

The disbursements of the commission were: \$3 for nominal salaries of the three commissioners; \$1,599.96 for office salaries; \$12 for postage; \$91.66 for stationery and printing; \$373.28 for office rent; \$106.78 for telephone and telegraph; \$300 for membership dues, National Association of State Racing Commissioners; \$28.01 for guest cards; \$42.25 for traveling expenses, and \$925 on surety bonds for the commissioners.

The commissioners—Mr. Johnston; Joseph W. Chinn, Jr., secretary; William W. Richardson, and William H. Ayres—state in their report that "while we did not reach the million mark which we were hopeful of in making our report last year, we consider we were very fortunate in not being obliged to report a lesser amount for the 1949 meeting than we did for 1948, as was the case with the reports in other states."

Streamlined Hogs

From the melon shaped porker of other days, research men have been developing a streamlined hog which is on its way to getting the official nod as the desirable ideal. Animal husbandmen and marketing specialists have long thought the fat porker an inefficient product. The current wide spread between the prices of fat and lean cuts of pork emphasizes that. So, as research has developed an efficient hog with a maximum of lean meat to fat, the Livestock Branch of the U. S. Department of Agriculture's Production and Marketing Administration has studied the sleek porker with a view to establishing grades based on it. Hog feeders have seen in it a more accurate yardstick of market value and a new objective in their feeding operations.

In the new grades the Branch reasoned that, since meat is the major end product of swine production, grade standards for either carcasses or live hogs should be based on the measurable characteristics of the pork produced.

In building his arguments for the abolition of bowl games, Carlson referred to the records of Bowl Games Committee which, according to Carlson, included these reports:

1. Among the 50 bowls, only three bowls "appeared to be actually operated by intercollegiate conferences or competing institutions—these were the Rose, Cotton and Glass Bowls."

"I think it is a fair assumption that colleges and conferences were not sponsoring the bowls on which the NCAA itself could not gather reliable information," writes Carlson.

2. Only five bowls were played on college—or even on junior college—athletic fields. These were the Sugar Raiser, Gold Dust, Glass and Sun Bowls.

3. Of the 50 bowls, the persons in charge could not be reached by mail in eight cases—the post office returned mail as undeliverable.

4. Money distributed among the participating colleges themselves varied from 33 per cent of the gross receipts in the case of the Junior Rose Bowl to 87 per cent of the gross which went to the teams playing in the Salad Bowl.

5. In some cases, proceeds from the sale of programs or radio rights were not shared with the colleges.

Carlson said that the spirit of the game has been kidnapped from the players as another sacrifice to victory, which he says is the essential ingredient for box-office success.

"I contend the price is too great. The game has been aborted from its original fine objective until it is purely business. It is becoming more so, as fast as we can contrive it."

"I think we owe it to ourselves to do business in an atmosphere more like that of a campus instead of a bargain basement."

Legion Auxiliary Sponsors Essay

The 1950 American Legion Auxiliary Essay Contest is now in process. Under the direction of Mrs. Ford H. McBERTY the Newark contest is open to students of the tenth, eleventh and twelfth grades. The aim of this annual contest is to arouse interest in Americanism and have students express themselves on this subject.

"Why Are We Loyal to Our Country?" is the theme of this year's contest. This essay, with title and subject "Why Are We Loyal to Our Country?" is to be not more than five hundred (500) words in length and type-written or written legibly in ink. Essays will be judged on subject matter, clarity, correct grammar, spelling, and punctuation. The contest closes February 28 1950 and complete essays must be in the hands of Mrs. George Scout, Smyrna, Delaware, Department Essay Chairman, not later than March 10, 1950.

The grand prize winners will receive as first prize \$20, second prize, \$15, and third prize \$5.

Winners of the contest will be notified by mail and names will be announced through the press as soon after March 25, 1950, as possible.

Newark Five Trims Cecil Post, 79-36 For Second Straight Win

Local Club Now Third In Standings; Meets Elkton EL Tonight In Opener Of Twin-Bill At Elkton Armory

Building up a 21 to 15 lead in the first quarter, the Newark five scored their second straight Susky League victory by defeating the Cecil Legion Post of Elkton, 79 to 36, last Thursday night in the Elkton Armory.

Gene Schaen paced Newark, getting eight field goals and five fouls for game high of 21 points. Cook and Thomas tied for scoring honors for the Legion with 10 points each.

As a result of the victory, Newark took over third place in the league. The Wilmington Chicks lead, with three wins and no defeats, while the Rocco's follow in second with two wins and no losses.

Tonight Newark meets the Elkton Elks in the first game of a twin-bill at the Elkton Armory. Game time will be 7:30 p. m. In the second contest, the Wilmington Chicks meet the Rocco's. The latter game will be crucial since both teams are undefeated and at the top of the standings.

Jacket Cagers Will Open Tuesday Night Against A. I. duPont

Newark High's varsity court five will open its 1949 campaign here Tuesday night against A. I. duPont. Game time for the Jayvee curtain raiser will be 7:30 p. m.

The game will climax a month of drills for the Jackets under Coach Ray Ciesinski, who will be starting his first season at Newark. Following quickly on the opener will be another home contest on Friday night with P. S. duPont providing the opposition.

Ciesinski has not disclosed his starting line-up for Tuesday, but almost certain to see action are the four returning lettermen from last year: Phil Harrison, Bill Records, Ronald Nagle and Frank Porter. Also on the 12-man varsity squad are: Bill Reybold, Jim Knottis, Jack Lehman, Hank Correll, George Martin, Jim Beuche, Andy Murphy and Bernard Blaney.

The Jayvees, under Assistant Coach Gilmore Ott, will be represented by a 15 man squad, including: T. Baker, R. Boutin, R. Bramble, B. Day, J. Draper, D. George, S. Gray, R. Kase, B. Knottis, R. Lawson, R. Morris, J. Seydell, A. Sparks, R. Townsend and W. Wetzel.

'General - Education' Plan At U. of D. To Get Further Study

Columbia Philosophy Professor And MIT Engineer To Be Speakers

The University of Delaware's faculty, which now is studying ways of placing a "general-education" program into effect after approving it in principle, will sponsor a meeting on Jan. 5 to discuss the program's implications.

The meeting, under the auspices of the university's branch of the American Association of University Professors, will be in the Warner Hall women's faculty clubrooms. Dr. Frederick B. Parker, professor of sociology, will be chairman for the open meeting. Speakers will be Dr. James Gutmann, professor of philosophy at Columbia University and chairman of the planning committee on humanities courses there; and Dr. Warren K. Lewis, professor of chemical engineering at Massachusetts Institute of Technology.

Dr. Gutmann, who holds three degrees from Columbia, and has held several instructional and administrative positions there, will speak on "Comparison of Core-Course Curriculum with Group Electives."

Dr. Lewis, a native of Laurel, was graduated from M. I. T., holds his doctorate from the University of Breslau, and was honored by the University of Delaware with the honorary degree of Doctor of Science in 1937. A member of the M. I. T. faculty since 1910, he is co-author of "Principles of Chemical Engineering and Industrial Stoichiometry," and received the Lamme award of the American Society for Engineering Education for his contributions to engineering education.

His topic will be "General Education in Engineering Curricula."

1950 Ice Follies

Now At Phila. Arena

Acclaimed as one of the finest ice shows ever seen in Philadelphia, Ice Follies of 1950 continues its run at the Arena, 45th and Market Streets.

Matinees will be held on all Saturdays of the engagement at 2:30 and another special matinee will be held at that time on Monday, January 2. Evening performances are held every night except Sunday at 8:30.

Costuming of this year's Ice Follies has drawn exclamations of awe from spectators who have witnessed the opening performances. Always lavishly costumed, Ice Follies this year has gone to top extremes. The well rounded production is entertainment for the entire family as many of the numbers were designed especially for children.
