## Varsity Club Holds Annual Banquet Rev. O'Neil Speaks

The Varsity Club held its annual banquet last Tuesday evening in the Blue Room of Commons Dining Hall. An excellent steak dinner was served to the lettermen and guests.

Toastmaster Hugh Dougherty introduced the club officers and guests. The guests included Fathers O'Neil and Birkenhoeur, Coaches Martin and Burnham, and Trainer "Gussy" Seaburg.

Coach Martin accepted, on behalf of Coach Murray, a handsome desk set presented by the Varsity Club.

Don Boorse Martin gave a short talk in tribute to Coach Murray.

"Gussy" Seaburg did an excellent job of keeping the group in a lively mood with his entertaining stories.

Father Birkenhoeur, head basketball coach at Salesianum High School in Wilmington, was called on to comment on his team's success. His present season of 18 wins and 6 defeats marks another year of achievement. Heart, courage and spirit are the essential ingredients in making a winning team according to Father Birkenhoeur.

The main speaker of the evening was the Rev. James "Buzzy" O'Neil, athletic director at the Salesianum High School. Father O'Neil spoke on the importance of getting a good education. Sports, he felt, should be considered secondary to getting an education. Father O'Neil pointed out that, in sports as in almost everything else, intelligence is the essential element to success. He warned the athletes against sacrificing scholarship for the sake of sports.

DR. RICHARD N. LEWIS

## Dr. Lewis Indicted For Making False Statement by Court

By ROGER BROWNING

Dr. Richard N. Lewis, 34, assistant professor of chemistry, was brought before immigration authorities in Philadelphia on January 29, 1951. He testified, but refused to answer particular questions concerning a Chinese jet-propulsion expert whom the government wants to deport as an alleged communist. Dr. Lewis has since said that he has not seen, corresponded with, or heard from the Chinese scientist since 1941.

According to the F. B. I. Dr. Lewis stated that he was a Communist Party member from 1938 until 1942. A week ago, Wednesday, Dr. Lewis was indicted on the charge of making a "false, fictitious and fraudulent statement" by the

(Continued on Page 3)

## David Nelson, Head Coach Appointed to Succeed Murray

David Nelson, 30-year-old head football coach at the University of Maine, was recently appointed to succeed William D. Murray as head football coach and Director of Athletics at Delaware.

Dr. John A. Perkins, President of the University and a member of the Athletic Council that screened the more than 50 applicants said "We are more than pleased with Davy Nelson's qualifications. He comes to Delaware with a fine background in intercollegiate athletics, and with a reputation as a very able handler of young men, who commands respect, as well as an excellent teacher and administrator."

Nelson is a graduate of the University of Michigan, where he played in the backfield with Tommy Harmon, one of the all time Wolverine greats. He won letters in both football and baseball, was president of his class, and upon graduation was awarded the Western Conference medal for proficiency in athletics and scholarship. After closing his outstanding collegiate career, he entered the Navy and earned 3 battle stars aboard the carrier Yorktown and in the Aleutians. Following 41 months of Navy service, he returned to Michigan and obtained his Master's degree, before entering the coaching field.

At Maine, Nelson used both the T and single wing formations. He has indicated that he will adopt either or both with the Blue Hens on the nature of the material.

In his two years of coaching at Maine, Nelson's teams have won

DAVID A. NELSON

## Perkins: No Reds On Del. Campus

President John A. Perkins, during an interview on the "May We Quote You" program on WDEL-TV, declared that "we will not tolerate communism on our campus", and added, "so far as I know there is no Communism on the Delaware Campus." One reason why Communism would not be tolerated here, the president explained, is that "it denies the academic freedom we would insist on".

Questioned as to the university's position in regard to Dr. Richard N. Lewis, who was indicted on a charge of concealing past Communist Party membership, President Perkins reiterated that Dr. Lewis has declared to the university authorities that he is not a Communist, has not been one while on this campus, and has not been a party member for several years. However, Dr. Perkins conceded that because of world conditions, discussion of Russian Communism "with complete objectivity" may not be as feasible now as it was a few years ago.

The president then went on to discuss the university's budget program as presented to the General Assembly. He concluded that the university does not "seek to grow for the sake of growth; we have no pride in numbers. We propose an educational program that fits the needs of the State of Delaware."

## Petitions March 9

The Student Government Elections will take place on Thursday and Friday, March 28th and 29th, between 9 a. m. and 3 p. m. Tables will be set up in front of the U. Hall if the weather is good; otherwise in Mitchell Hall.

Petitions are due Friday, March 9th. Mail these to the Student Government Association by college mail. The petition for the nominee should contain 25 names, a short write-up and a picture of the nominee.

## Military Invites All Vets to Attend Ball

The Scabbard & Blade, Honorary Military Society, which is sponsoring the Annual Military Ball cordially invites all veterans to attend the Ball which is to be given April 28, 1951.

The dance is to be military formal which means that all ROTC students and vets will wear class A uniforms and their dates will wear formal evening dress. The dance has been declared non-corsage.

A high-light of the affair will be the selection of a Queen of the Ball. The dance is themed the "classiest dance of the year."

## Robert Gibson to Speak At Photo Club Session

The next meeting of the Photography Club on Thursday, March 8, at 7:00 p. m. will feature Robert P. Gibson, winner of the Club's "Model Night" competition, in an illustrated talk on night photography. The lecture is being given in cooperation with the Eastman Kodak Company. The emphasis will be on what can be done with simple equipment.

The club's model committee is selecting a model from six students for the next model night. Friday, March 23, has been set as a tentative date for this event.

## Cherry Blossom Queen Will Be Chosen Again To Enter Festival

### Petitions for Nominations Must Be In March 5 and Have 25 Signatures

By CLAUDE TEASE

For the second consecutive year, Delaware's Cherry Blossom Princess will be picked from the ranks of the coed beauties of the University of Delaware. The girl selected will attend the National Capital Cherry Blossom Festival on April 5, 6, 7, 8, in Washington, D. C.

Last year, lovely Diane Klipp journeyed to Washington for four wonderful days of dances, dinners and dates. On March 9, we will again go to the polls to elect a representative from among our host of beauties on South Campus.

The petitions for nominations to appear on the ballot must contain 25 signatures, either male or female, and must be in the office of the Coordinator of Student Affairs (basement of Library) or in Box 324, college mail, no later than 9 p.m. on Monday, March 5. When drawing up petitions, the following rules must be kept in mind: the nominee must be a Delaware resident in attendance at the university, between

the ages of 18 and 25, unmarried, and may be from any of the four classes. Last year's Princess is ineligible for this year's festival.

The student body will be afforded an opportunity to meet and discuss the relative merits of the nominees at 1:10 on Thursday, March 9, in Mitchell Hall, when the girls will be interviewed personally for the benefit of the student body.

The Cherry Blossom Princess will spend four days, in Washington as a guest of Delaware and the nation. She will be whisked around the city on an endless round of publicity appearances, banquets, luncheons, dances, and personal appearances—escorts and transportation handsomely provided.

Don't forget the dates—act now—today! The petitions must be in Mr. Roberts' office or Box 324 by 9:00 p.m. on this coming Monday. See you all in Mitchell Hall at 1:10 this Thursday, March 8!

## 'Finian' Rainbow' Chosen As Musical

"Finian's Rainbow" has been chosen as the annual musical comedy to be presented on May 7, 8, 9, 10, and 11 in Mitchell Hall.

The University will probably be one of the first non-professional groups to present "Finian's Rainbow" since it has just been released for amateur production.

Mr. Pegg, in cooperation with the Music Department, will direct the musical. Scripts are now on reserve in the Library, and those interested in trying out are urged to read it. Tryouts will be held early in March.

## APO Elects Officers

Alpha Phi Omega, national service fraternity, has elected its officers for the new term. The officers are: President Maurice Hartnett, Vice Presidents James Bice and Doug Haller, Secretaries Anil Sheth and Craige Snader, Historian B. K. Raphael and Parliamentarian Tom Cameron.

The next fraternity meeting will be Monday, March 5, at 7:30 p. m. in Robinson Hall.

**NOTICE**

The School of Education wishes to remind all students that they are eligible to sit for the Teacher Education Scholarship examinations to be held March 17, 1951. Application blanks may be obtained from the School of Education or from the office of the Coordinator of Student Affairs. Applicants should meet the following requirements: Freshmen 2.00, Sophomores 2.50, and Juniors 3.00.

## Coll. Orientation Program Offered To U of D Students

Some students in college find they are having difficulty in getting the most out of college life—they feel they are putting forth great effort and obtaining small return in the way of scholastic and personal satisfaction.

In order that the student may obtain all the success of which he is capable, the Psychological Services Center is offering a College Orientation Program which is designed to aid the student in recognizing and improving those habits and skills in which he is weak.

The program will cover such problems as study habits, note-taking, time budgeting, preparing for examinations or other problems which the student feels important.

The program is tentatively scheduled to begin on Thursday, March 1st. Group meetings will be held every Thursday thereafter between 1:00 and 2:00 p.m. Students who are interested but unable to attend at the assigned time should notify the Center of other hours or days more suitable.

Any student who is interested in enrolling in the Program may do so by appearing at the Center, which is located on the south end of the campus on South College Avenue near Winslow Road, or by calling Newark 511, Extension 281. The Center is open Monday through Friday, 8:00 a.m. to 4:30 p.m.

## Kappa Alpha Council Meets Here March 9, 10

The bi-annual province council meeting of the James Ward Wood Province of Kappa Alpha Order will be held at 19 Amstel Avenue, on March 9 and 10. A. J. Shaffer, Jr., Province Commander, will preside. Delegates from each of the five chapters in Wood Province will attend the various meetings of the two-day session.

Each of the 13 Provinces of Kappa Alpha Order has such bi-annual province council meetings. These meetings bring the chapters closer together through the discussion of mutual problems and exchange of information relative to the province and the order.

## University Takes Bids For Ag Greenhouses

Bids were entered on Tuesday for the construction of two greenhouses at the projected School of Agriculture Building.

On general construction, foundation and electrical work there was one bidder each. These bidders were Lord and Burnham, Irvington, N. Y.; Harry E. Balson, Philadelphia; and Dooley and Gardner, Wilmington; respectively. All bids were referred to the grounds and building committee of the university's board of trustees.

## Three Submit Papers

Sigma Pi Sigma, physics honor society, held a short meeting Monday, February 26th, at which three papers were submitted by Mervin Roser, Gerald Shpeen, and Neal Rothman.

The society also wishes to announce the enrollment of three new members: Donald B. Clark, Jr., George Bryan, and Gerald Shpeen, who wrote one of the above papers.

## Educators To Address Annual Educ. Conference

By NORM SETTER

The annual education conference of the University of Delaware will be held here on Friday and Saturday of this week.

Several hundred teachers from all sections of the state will hear talks by prominent educators on the theme of the conference: "Reading Instruction in the Total School Program."

The principal speaker at the two sessions will be Dr. Helen B. Sullivan, director of the educational clinic at Boston University. Dr. Sullivan will address general meetings in Mitchell Hall on Friday evening at 7:00 p.m. and on Saturday morning at 9:00 a.m. Following each of these initiating lectures the more detailed aspects of application will be discussed in separate sessions by representative groups of the three teaching levels: primary, intermediate and junior-senior high school. Dr. Sullivan's topics will be: "Differentiated Reading Instruction" (Friday), and "Systematic Instruction in Word Recognition" (Saturday).

Dr. Sullivan holds two degrees from Boston University and her doctorate in education from Harvard University. She has been a teacher and supervisor in Massachusetts' schools, and since 1934 has been associated with Boston University's Educational Clinic. Appointed its director in 1940, she now holds the rank of professor of education. She is co-author of the Durrell-Sullivan reading achievement test.

Dr. Ward I. Miller, superintendent of Wilmington schools, will address a luncheon meeting in the Commons Dining Hall at Old College, hosted by the Zeta Omicron Chapter of Kappa Delta Pi, the honorary society in education. Superintendent Miller will discuss "Teaching and the Party Line." The luncheon will be presided over by Donald M. Stewart, senior in education and president of Kappa Delta Pi.

Dr. Miller has been in charge of Wilmington schools since July, 1946. Previously he was superintendent at Eastchester, N. Y. and at Fort Collins, Colorado. He holds degrees from the University of Denver, and a Doctor of Education degree from Teachers College of Columbia University.

There are four sessions making up the conference beginning at 2:30 p.m. Friday afternoon. Besides the two headed by Dr. Sullivan, other eminent speakers will keynote discussion on the topics: "Directed Reading Activities" and "Concept Development."

In observance of "Brotherhood Week," which was marked this week John F. Halloran (right), president of the interdenominational University Religious Council here greets the three representatives of major faiths who spoke at a special assembly there. From the left, they are: the Rev. Thomas Reese, assistant pastor of St. Helena's Roman Catholic Church, Bellefonte; the Rev. F. Raymond Baker, pastor of Second Baptist Church; and Rabbi Herbert Drooz of Temple Beth Emeth. Halloran represents the U. of D. Newman Club on the University Religious Council.

## Need for New Structures Causes Univ. to Start Building Program

### Government Bans Limit Future Building

By VERA LAIR

The University of Delaware is embarking on a long range, planned building program. The need for more buildings is felt acutely, especially the need for more dormitory space. The building projects are now more than plans, however, for work is progressing on four of them.

The Chemical Engineering Annex which is being added to the present Chemical Laboratory is approximately thirty-five per cent complete. If there are no delays in the construction work, this annex should be ready to open in the Fall of 1951. The cost of this building project is \$400,000. The funds for its construction were donated by Mr. H. Fletcher Brown. The addition of this building will make Delaware one of the best equipped colleges for Chemical Engineering, of its size, in the country.

The plans for the new Agricultural building to be constructed on the Experimental Farm have been modified due to restrictions and increased prices. Some work is being done on the grounds, but nothing has been done on the structure itself. The delay of actual construction is due to the difficulty in getting steel. Delivery of the necessary steel is expected in July. The contractor, Baton Construction Co., will begin work in time to be ready to use the steel when it arrives. Completion is expected late in 1952.

The cost of the new Agriculture building is approximately \$1,250,000. The changes made from the original plans are primarily the omission of the auditorium, and a

## Women's Group Plans Publication For Current News

The Women's Affairs committee is sponsoring the campus publication of a "quickie" newspaper known as "News In A Nutshell."

The paper serves to give the students an unbiased summary of current events.

One can find the latest news from Korea, what is happening at the local draft board, and new trends in the field of fashion in the five minutes it takes to read Delaware's latest news publication.

The paper originated when several of Delaware's co-eds travelled to Rochester, New York to play hockey; they saw "the News Digest," which is published in Rochester. The girls brought the idea home with them and persuaded the Women's Affairs Committee to sponsor the news letter. As a direct result of a hockey game, the students have gained a publication which promises to keep abreast of the world today.

reduction in the grading of the grounds. The designers and engineer for both this building and the Chemical Engineering Annex are Trautwein and Howard, and Robert P. Schoenjohn, respectively.

The new Women's Dormitory is just getting started. The foundations will soon be poured. Completion of this sorely needed building is expected in February 1952. It will cost \$500,000, exclusive of furniture. It will house ninety-five girls. Although the housing capacity has not been altered, this dormitory will not be constructed according to the original plans for it. The dining hall had to be eliminated. Some of the refinements in lounge and recreation space have been lost. The interior finish will be modified in such a way that plumbing and concrete walls will be exposed. According to Business Administrator, Charles E. Grubb, these changes were necessitated in order to get a building.

Work will soon begin on the site for the stadium. Bids for grading and draining the playing field will be accepted on March 6, 1951. The plans for this work were made by Professor T. D. Smith of this University.

The construction of the stadium is dependent on raising more money. The federal ban on the use of steel for stadiums also prevents any construction work at the present time. The contract for the construction of the stadium will run out in April. If the ban is lifted before that time work will begin. Otherwise a new contract will have to be made when the ban is lifted.

The long range program includes construction of more dormitories and a new Home Economics and Education building. The dormitory situation at Delaware is acute. Five hundred more beds are needed. If these can be obtained, room will be available for many commuters who want to live on campus, overcrowding of present dormitories can be relieved, and temporary dorms can be done away with—especially the barracks along Academy Street, and the Training House.

In order to finance the construction of these dormitories, the University officials are proposing to ask for a state appropriation of 1 1/4 million dollars, and to issue revenue bonds for an equal amount. If this plan is carried out, 500 beds can be obtained. Dormitory rates will be raised as revenue bonds are issued. These additional rates will be held to a minimum, and be distributed over all dormitories rather than just the new ones. University officials are also considering making room and board a package—that is, requiring everyone who lives on campus to buy a seven day meal ticket.

The new dormitories will consist of additions to Brown and Harter Halls for men, and construction of a new building for women. The new Women's Dorm will be between South College Ave., and Warner and Robinson Halls. Brown and Harter Halls will be extended to Delaware Ave., with wings facing along Delaware Ave.

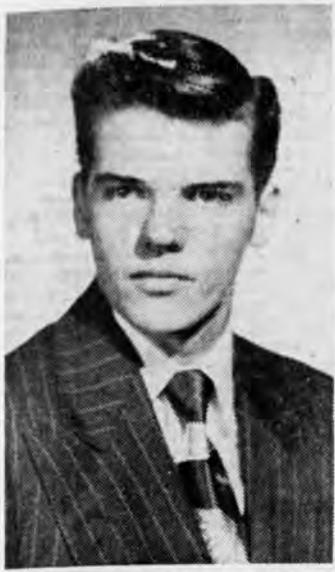

The new Education and Home Economics building will cost approximately 1 1/4 million dollars. It will be located just north of Robinson Hall.

When the new Agriculture building is complete, the Biological Sciences Department will be centralized in Wolf Hall, occupying a fair-sized portion of this large building. On completion of the Education and Home Economics building, more room will be available for the Art Department, and possibly music will be moved to Robinson Hall.

There is a real possibility of Old College Hall being devoted entirely to a Student Union, where all student activities can be centered. In spite of its situation on one end of the campus, this building lends itself very nicely to the atmosphere desirable in a Student Union building.

It should be emphasized that although these plans are long range, they will be carried through as soon as materials and finances permit.

# Freshmen Choose Officers

Richard H. Hughes, president of the freshman class.

## Hughes Now Pres. Banks, Vice - Pres.

On Friday, February 23, 1951, the freshman class of the University of Delaware elected the following students to class offices:

The position of president has been given to Richard H. Hughes, who was previously co-chairman of the frosh class. Dick is serving on the Student Grounds Committee as representative of Eton Hall. He is a pledge for Sigma Phi Epsilon and a graduate of Pierre S. duPont High School.

Another graduate of Pierre S. duPont, Jayne Banks, was elected to the office of vice-president. During the first semester of the school year Jayne served as co-chairman of the frosh class.

Janet Smith, a graduate of Mt. Pleasant High School, was elected secretary.

Ted Zutz, an Alpha Epsilon Pi pledge and a member of the freshman swimming team, was elected treasurer. He is also a graduate of Pierre S. duPont High School.

Jayne Banks, vice-president of the freshman class.

## E-52 Players Stage "King Midas" Here Before School Tour

The E-52 Players will present "King Midas" and the Golden Touch" to their Newark audience next Friday and Saturday afternoon at 2:15. Dr C. R. Kase as director and Hap Owen stars as King Midas.

The Players have arranged a four-day tour to southern Delaware to perform in eight schools on March 17, 18, 19 and 20. On Wednesday afternoon they will visit Dover and that evening they will be in Camden. Thursday morning they play in Bridgeville and then they will travel to Seaford for a matinee performance. The next morning they will start bright and early at Lewes High School, and in the afternoon they perform in Georgetown. That evening, "King Midas" will be presented in Selbyville. They give their last performance of the tour at Salisbury on Saturday morning and then will return to Newark.

## Dr. Lewis Indicted

(Continued from Page 1) federal grand jury in Albany, New York. The charge was based on the alleged admission by Dr. Lewis and that he had knowingly omitted this fact when filling out a personnel security questionnaire on February 27, 1948. He was required to fill out this form for the General Electric Company, which was engaged in a project for the Atomic Energy Commission. (Dr. Lewis denies that he ever worked on a project for the A. E. C.)

Dr. Lewis also states that he is not a Communist Party member now, and has not been connected with the party since leaving California nearly 10 years ago. This, of course, covers the entire period of his employment by the University of Delaware, and there has been no allegation that he might have been interested in communist affairs while teaching here.

Last Friday, Dr. Lewis voluntarily went to the Wilmington office of the U. S. Commissioner and posted a \$2,500 bond.

At the present time, Dr. Lewis is on a leave of absence from the university. He requested this leave and it was granted by Dr. Perkins pending the outcome of the charges. Dr. Lewis is still waiting for summons from the District Court of the Northern District of New York.

Several times last week, Dr. Lewis said many of the reports carried in the newspapers were false. He stated that he never had access to any atomic records while working for General Electric. He strongly denied ever having used an alias at any time. Dr. Lewis says he had never seen the picture the Associated Press used in the papers last week, and wished it had not been printed.

Compliments of

'POP' ROBERTS

## Pres. Perkins Talks On Duties of Univ.

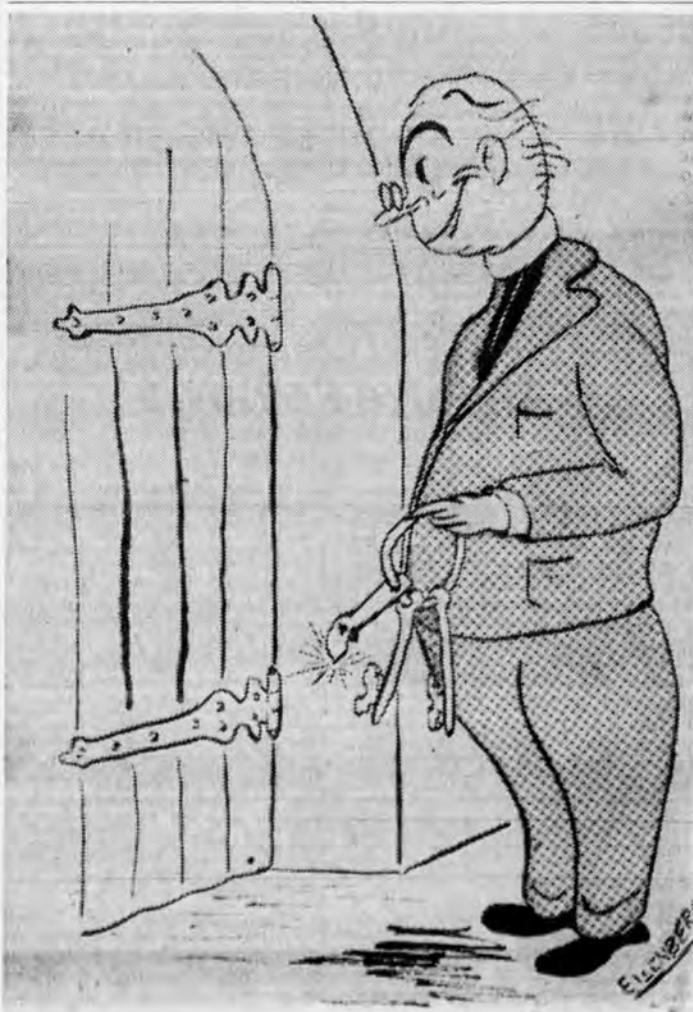

President John A. Perkins addressed more than 225 alumni of the University at their annual mid-winter banquet at Kent Hall on Saturday. Paul D. Lovett of Newark, vice-president of the Alumni Association, was offered by the nominating committee as the unopposed candidate for the 1951-52 president of the association.

Dr. Perkins stated that he is mindful of "our University's responsibility in a democracy challenged by foreign powers in the years ahead." He reminded the alumni that "to develop and convey the tradition of western culture more clearly than ever before is the job of our faculty as we face the future."

"We desperately need a higher sense of individual responsibility," he said. "Sometimes the same idea is expressed as a need to teach moral values."

On the other hand, Dr. Perkins said, "While the future calls upon the University of Delaware to do a better job of making moral leaders and the highest type citizens, we have with us, too, a responsibility to do an even better job of vocational training for the technical civilization in which we live and upon which we depend. Education of this character is the real secret weapon of America."

**NOTICE**  
A group of Medical Technology students met last week to discuss plans for forming a club for Medical Tech students on campus. The next meeting will be held Thursday, March 8, 1:00, Room 216, Wolf Hall. All interested contact Nancy Thomson at New Castle Dorm.

## Univ. of Oslo Offers New Scholarships

The Norwegian committee of the Summer School for American Students at the University of Oslo announces that four scholarships will be available to American and Canadian Students. These scholarships, worth approximately \$350 each, are to be known as the Ralph Bunche Awards.

The 1951 session of the summer school opens June 23 and closes August 4. Students can earn six semester credits for the six weeks course.

Scholarship candidates should make application with Dean Norman Nordstrand, Oslo Summer School for American Students, St. Olaf College, Northfield, Minn.

The excited voice of a young lady came over the phone: "Two boys are trying to break into my room through the window!"

"Listen, lady, this isn't police headquarters; this is the fire department."

"I know," she answered, "but my room is on the second floor and they need a ladder."

## LETTERS TO THE EDITOR

Dear Editor:

This is in reply to the letter appearing in last week's *Review*, which referred to the Student Used Book Exchange operated by Alpha Phi Omega.

In answer to the question, "Why is the S.U.B.E. closed when we (the students) need it most?" the following may be said. For over a year APO had requested the Business Office to redecorate the Exchange. These repairs were promised as early as last summer. It was unfortunate that the University chose the period between semesters to do this work. Due to the extent of these repairs we had no alternative but to close the Used Book Exchange.

The second question, "Why is it (the S.U.B.E.) open during the times when there is no market activity in used books?" is one we have often raised ourselves. The SGA's Committee on Student Economic Affairs requires that the Used Book Exchange operate through-out the entire term regardless of the fact that there is a complete lack of business during most of this period. Due to our limited membership this has acted as a burden on the fraternity and has hampered our activity in performing other services for the student body. We are now petitioning the committee for a revision of our present operating program. If this petition is granted, we shall operate the Exchange only at the beginning and end of each term.

The Used Book Exchange is operated as a non-profit service entirely for the benefit of the students. We of Alpha Phi Omega welcome any further suggestions or criticisms from the student body.

Sincerely,  
Maurice Hartnett  
Pres. Alpha Phi Omega

Dear Editors:

Measures have been taken about the darkness around the library, but nothing has been done about the darkness between Barracks A and the library — namely, around the Maintenance Center. Every time we go up campus at night we have to go through the driveway there and up past the Maintenance Center. Of course, we can go over by New Castle and then up, but the tennis courts are pitch black, too. As much as we like vigorous exercise, we don't especially delight in the idea of walking all the way up to Delaware Avenue in order to get on to the University Campus.

While we're about it, we might ask if something can be done about the mud we have to tramp through, too. Behind Barracks A seems to be a parking lot, but we also have to use it as a "pavement." It has been filled in once, but the only solid ground is usually blocked by a car. After we get around those obstacles, we have to go through a narrow space of from one to one and a half feet in width — not exactly a convenient size.

Is it possible for something to be done — PLEASE!!!

The HANOVER GIRLS.

## Theatre Reviews

By GIL KOFFLER

By all the advance signs, *The Autumn Garden* gave promise of being a solid hit. It had no less than five big-name stars (among them Fredric March) and was written by Lillian Hellman, whose previous successes included *The Little Foxes* and *Another Part of the Forest*. Philadelphia theatre-goers, always eager to get in on "a good thing," kept the box office cash register tinkling briskly.

Last week, *The Autumn Garden* opened, and although well received, was somewhat of a let-down. Apparently Miss Hellman is either unwilling or unable to depart from the formula of her last two successes. Her characters in *The Autumn Garden* resemble the unhappy neurotics found in her previous dramas. They are motivated by love instead of money and the locale is the Gulf Coast instead of Alabama, but the basic pattern is the same.

The plot is practically non-exis-

tent; talk, talk, talk is the order of the day. And although the talk is revealing, sometimes witty, sometimes tragic, and always polished, it is not quite equal to that found in *The Little Foxes*.

The story, briefly, is a reunion of old friends and acquaintances in a summer resort on the Gulf of Mexico. After a slow and barely audible beginning, the play talks its way through an attempted seduction, a suggestion of homosexuality, and two patched-up marriages, and the curtain rings down on a stage full of unhappy people. *The Autumn Garden*, however, has many merits: its scenery is delightful and its acting equally so. The five stars (Fredric March, Florence Eldridge, Jane Wyatt, Ethel Griffies, and Kent Smith) give vivid portrayals of their respective characters. *The Autumn Garden*, in spite of its faults, will probably succeed on Broadway and, in my humble estimation, deserves to.

## Alumni Corner

By JEAN LAWLESS

Wally McFaul '50 was married on Valentine's Day to Miss Mary Grant '50 in Wilmington. The McFauls are now living in Dover, where Wally is an engineer with the State Highway Department.

Second lieutenants Jim Baird '50 and Jack Friendlander '50 have been ordered to active duty at Fort George G. Meade, Maryland.

Henry Matuszewski '50, of Wilmington, has been named boy worker of the Peoples' Settlement.

Jim Maxwell '48 was married on February 10 in Bridgeport, Conn. to Miss Jean Arline Cole of that city. Jim is with the General Electric Company of Bridgeport.

A son was born on February 11, to Byron Samonisky '47 and his wife of Collins Park, New Castle. Angelo Baldini '43 and his wife of Wilmington, welcomed a son on February 17.

On February 10 a daughter arrived at the Wilmington General Hospital for F. Burton Collins '42 and his wife of Newark.

Rev. John Oldman, Jr. '37 was recently elected president of the Wilmington Council of Churches, the co-operative agency of the Protestant Churches of the Metropolitan Wilmington Area. Last fall Rev. Oldman preached the sermon at the University Vespers Service in Mitchell Hall during Freshmen week.

Harry Loose '20 has been appointed production specialist with the Signal Corps Stock Control Agency, Department of the Army, in Philadelphia. Harry, who was formerly Delaware agent for the Veterans' Readjustment Allowance Service, took over his new duties last Monday.

Harry's daughter, Florence Elizabeth '48 was married last Saturday to Bill Norton '50 in Hanover Presbyterian Church in Wilmington. Betty has been teaching at the Georgetown High School and Bill is with the J. T. Baker Chemical Company at Phillipsburg, N. J. They will live across the river in Easton, Pa.

That about ends our visit for this week. Come around next time and find out what's new—in the corner.

## 'Neath the Arches

By DICK BURTON

The time: 9:00 - 1:00; the place: Carpenter Field House; the event: The Junior Prom, with music furnished by Ray Anthony; the date: last Friday Evening — this dance should go down as one of the better, if not one of the best, dances ever held at Ye Olde U. of D.

As is customary with such affairs, many couples were content to merely stand near the bandstand and listen to scintillating tones that are forthcoming. Included in this group of music lovers were: Norm Setter and Lynn Deverell (she is really blond!), Joe Lank "squiring" Shirley Thomas, "Sad" Sam Talued and "Charole" Sisofo, Harry "perfect specimen" Loose and Elle Williams, Dale Harrison and Ruthie Webb, Gil "cuddles" McCurdy and Joan Greenfield, and Giff Nowland, with Ginny McQuaid.

But not all the action, or should we say "inaction," was centered around the bandstand. Many other couples were engaged in the number one item on the agenda: dancing. Among those "cheek-to-cheek" were: Ed "rotundo" Cunningham and Lee Dannehower, Ed Milligan and Janet Ballaro, Jack Ponton and Polly Goller, Betsy Hurley and Wes Webb, Tony Catola and Lou Gibbes, and "Inkie" Zeiss with adorable Maggie Pyle.

At 10:30 came that time of night commonly called Intermission — "don't feel bad honey, we can tune in Ray on the car radio!" During this pleasant interlude many of the dancers took in the various dens of iniquity about town. At the General Lee Tavern many campus notables were in attendance. Among these were: Stump Harris and Ellen McQuaid, Lee Stein and Alice Martin, Ed Rous and Renee Salisbury, and Jim McNeal with Lucy Finn. It was also the occasion for a "house-breaking" party for their new mascot Rebel. Meanwhile a glowing time was had by all at the Serpentine Club. Included in the group caught glowing were: Jack Runkle and Robbie Stevens, and Ray "anchors away" Salamone and Diz Phillips. A stone's throw away, at the Skull and Cross Bones, another gathering was busy resting their aching tootsies. Seen with their shoes off were: Jack Gebhart and Janie Winters, Bill Shockley and Kay Trussell, and

(Continued on Page 7)

## Greek Column

### Sigma Nu

The Freshman rushing season, which ended just last week and produced 27 men for Sigma Nu, also saw six novices formally initiated into the fraternity. The new brothers are Tom Sheaffer, Bill Singley, Jim Moneymaker, Don Willenborg, Ray Haley, and Charlie Hyde. Sigma Nu heartily welcomes the new members.

The Sophomore Minstrel Show put on its final show last Saturday night and the whole affair proved to be a great success. Several brothers were very active in the show and the congratulations of Sigma Nu go to them. Bob Wilcox, General Chairman, Bill Nicoll, Ad Book Chairman, Skip Mayhew, Soloist, Dick Berl, Chorus, and Bill Singley, Head Usher, all pinched in to help the production along.

Saturday also happened to be Alumni Day on the campus, and the event brought many Alumni of Delta Kappa back to the University. Many old acquaintances were renewed and the reunion also afforded them the opportunity to discuss plans for the construction of the Dining Hall which is to be added to the main house.

### Alpha Tau Omega

The past week-end at the A.T.O. House was a complete one for both the Brothers and the Pledge Brothers. On Friday evening, during the Junior Prom, the Brothers and their dates retired to the house at intermission for a slight breather. On Saturday night a house party was held by the A.T.O.'s to climax the social events of the week. The hilarious entertainment was planned by Pledge Brothers Keene, Spang, Walker, and Broadway. The highlight of the evening was the presentation of the newly formed "Hummers Philharmonic Orchestra" by its maestro "Spike" Keene. Following this, several talented ladies in the audience "volunteered" to play, and the results were astounding. Music came out of the instruments the like of which has never been heard before, and probably never will be heard again—we hope!

On Sunday, in accordance with our tradition, all of the Brothers attended Church services prior to the initiations and installations of the new officers which were held in the afternoon. Greetings to Brother J. Robert King, the acting head of the Music Department, who was initiated on Sunday, and will serve as an alumni advisor for this Chapter. Formal pledging ceremonies were also held for the new Pledge Brothers of A.T.O. Congratulations, Pledge Brothers, and welcome to A.T.O.

During our spare time on Saturday the Brothers met in the basement to lay cement, thus beginning the first step on our development of the cellar. Hats off to Brothers Don and Harv Renshaw who are co-chairmen of the special cellar committee.

COUNTING  
THE DAYS  
TO YOUR  
HONEYMOON?

SOON all you've yearned for in life will come to you. You can start life together in a world apart. At the end of a winding lane, deep in peaceful hills a cottage is waiting just for you... your first home. Dream-perfect seclusion, a leisurely atmosphere (breakfast until 11:00) and the sparkling gaiety of a friendly group starting life's greatest hours together.

THOSE facing service separation may make every hour count; forget the worries of this topsy-turvy world, and realize the dignity and beauty of perfect married life.

OPEN ALL YEAR for newly married couples only. Mention dates and we'll send our helpful "Three Honeymoon Plans," and complete information.

THE FARM ON THE HILL  
SWIFTWATER, PA. BOX No. 9700

### Theta Chi

The "Plaid Room" at 153 W. Main St. was again the location of big doings last Saturday night. After hours, everyone, with his date, headed West few miles to remain in the spirit of things until the wee hours. Friday evening, pre-dance refreshments were served to fifty or sixty Theta Chi couples and their friends.

Hal Schmittenger, newly elected pledge marshal, met with his first pledge class Monday night. The twenty-six man group, well represented in all campus activities, is expected to be ready for initiation in about three months.

Chefs Middleton, Schenck, and Toda (in order of size), followed RONDO the HERMIT HUGHES' idea of "A can of sauerkraut a meal is a pretty good deal", and invested in short-order cooking equipment.

We were happy to welcome back our three marine brothers, Joe Miller, Bill Colonna, and Chot Barnes last week-end. Also we were glad to see the numerous alumni brothers who visited the house over the week-end.

Special! Ray Wright recently pinned Nancy Waples, and Hank Aldridge pinned Nancy Mustard. Congratulations, you all!

### Alpha Epsilon Pi

AEPi's who "Junior Promined" agree that Ray Anthony and Carpenter Field House made for a terrific affair. Among the happy throng were Chuck Gross and "Booby" Triffelman, Ralph "I-fix-vacuum-cleaners" Kell and Mom Feinberg, "Swatze" Eisenman and Carol Kaufman, Dave "Nine-o'clock" Goodman and Norma "Where-were-you" Levine, Larry "I-wasn't-speeding" Cooperman and Elaine Gelb, Joe "Hello-Rita" Yucht and Renee Levin, Flea Greenstein and Sydney "I-like-action" Cohen, Beryl "Tart-am" Chaby and Joan Etanson, Sam "As-they-say-in-French" Nord and Faith "I'm-a-twin" Orloff, Harry "I've-got-one-for-you" Moscovitz and Arlene Scheinberg, Joe "A-horrible-mistake" Glick and Anne Fink, and Don "Look-where-I-parked" Cherr with Esther Hirschman.

Any interested philanthropist, who is rooting out a worthy cause, may send gifts to the Ray "Brett-mobile" Blowout Fund. A star-studded benefit is to be presented for the same cause in the near future.

It's been three weeks since the AEPi Dining Room had its Grand Opening . . . all brothers agree it has been the greatest thing to hit AEPi; the only complaint being that the brothers pine for the cozy atmosphere of Commons. (HOI)

### Pi Kappa Alpha

Delta Eta wishes to take this opportunity to congratulate the Junior Class on last week's Prom, by far one of the most enjoyable dances of the academic year. We were glad to welcome many visitors to our intermission party up on Pikes' Peak. Our compliments to pledge Moose Adams on his effective decorations for the Prom.

But, regardless of the dance Friday, the Delaware Pi Kaps again whooped it up Saturday nite also at a "Farewell Party" for alumnus and wife, Burt and Jane Williams, Host Andy Scari and "The Body" found, among the Pikes in attendance, the following: Don Shannon and Rusty Badertscher, Frank Lane and Maggie Brown, Herbie Heyl and Nancy Gast, Moose Adams and Joyce Lane, Ben Mountain and Frannie Lane, Frank Serpico and Betty Wilson, Bob Stevens and Nancy King, Roger and Marietta Wolleyhan, Emil Lewis and Nancy Elmer, George Wood and Gin Trader, Bill and Frannie Stevenson, and Bill and Mousie Thomson.

Before the party Saturday, two pledges from our Pennsylvania State Chapter popped up on a "Pledge Mission" requiring, "among other things", signatures from Delta Eta. The lads were well received!

Question of the Week: (1) How

did "Handsome" Ronnie Annett get a date with Baltimore's best known girl, "Balt Joyce"? (2) After that date how did he win his fencing match when Delaware lost to Lehigh 24-3?

### Sigma Phi Epsilon

Upon the outcome of the intra-mural basketball game last Thursday night, the intra-mural championship went to Sig. Ep. Tuesday night the team defeated the Mugwumps and Thursday it was the Clowns. The squad was sparked by high-scorers Shockley, Carmichael, and Baylis.

Friday eve the house partook of an intermission party at which the Panther Room was packed to capacity with members, pledges, and their guests. Saturday night a healthy gathering visited a local Maryland resort. At this affair Roger Browning held forth on the edibility of shrimp shells.

Since the culmination of rush week the Sig. Ep. pledge class has been enlarged by the pledging of Len Drazek.

Recent pledge Dick Hughes coped the presidency of the Freshman class in the elections held Friday.

# Be Happy- Go Lucky!

We students like a lift to class  
When we're too tired to hike  
And what provides the biggest lift?  
You bet! A Lucky Strike!

University of Alabama

COPR., THE AMERICAN TOBACCO COMPANY

# L.S./M.F.T.-Lucky Strike Means Fine Tobacco

**Kappa Alpha**

Kappa Alpha was well-represented at the Junior Prom last Friday evening. All enjoyed Ray Anthony and his band. An intermission party was held at the Kastle and the affair was quite successful.

We are proud to announce that we formally welcomed eighteen new pledges into our fold last Thursday evening. The new pledges are Kenneth Corrin, "Skip" Crawford, Ronnie Dodd, L. Lewis Harrington, Paul Hodgson, Tennant Hoeby, John Hukill, Morgan C. Knapp, Bill Postle, Jim Roberts, Pete Runkle, Ed Ruos, Jack Ryan, Frank Swain, "Tex" Williams, Bob Wilson, "Jody" Wertz and Lee Stein.

Brothers Billy Utz, Jim Kruzin-ski, and Stumpy Harris were all instrumental in the Delaware varsity's decisive victory over Haverford court. Pledge "Skip" Crawford led the Freshmen to their one-sided victory over the Haverford Jayvees in the preliminary game.

Handball artists "Franny" Ten-pone, Dick "Here's the opener" Wright and Al "I'm going to sell my jacket for capital" Lezenby can be found twice weekly in Taylor gym getting into the condition (?) that they enjoyed as youths. This trio will definitely be a threat for intra-mural laurels.

Speaking of laurels, "Don" Reath, K. A.'s superlative drummer, was

omitted from the lineup of the K.A. Dixielanders in last week's column. What an oversight!

**Phi Kappa Tau**

On Wednesday, February 21, this fraternity was happy to welcome the following men into its ranks as pledges: Emerson Adams, Jr., Raymond Borrelli, Tom Brown, Jack Dallam, William Early, Terry Kerns, Wayne Kirklin, David Marvin, Jim Michael, Jack Pedersen, Fred Pullinger, Robert Reeves, Robert Spencer and Robert Thompson. Two more men, Burns Weivel and Frank Harris will be pledged this week, making a total of 16 pledges.

Congratulations to the Junior class on a terrific prom. The Phi Taus had an intermission party where there were such notables as Bob Lytle and Betty Daniel, Court

during intermission, where the spirit of the Mardi Gras remained evident.

This coming Saturday and the following Monday will find the Deltas making their way to Philadelphia and Washington for our Founders Day Banquet. In Philadelphia, Penn., Penn. State, Lafayette, Lehigh, and Delaware Deltas will meet in Houston Hall on the Penn Campus, while the National Press Club in Washington will be the meeting place of Deltas from George Washington University, Maryland, and Delaware. Among the prominent Deltas there will be B. P. Barkley, Tom Clark, and Paul Hoffman. At the banquet, Jack Christfield will receive a plaque for the outstanding Delta at Delaware for the year.

Sig Locke is the proud owner of a new Chevy — to Diver's disgust.

**Delta Tau Delta**

We would like to extend, at this time, a hearty welcome to the new pledges. They are a fine bunch of guys and will be an asset to the fraternity.

The Junior Prom was really great, and we thank all who made it possible. The house was packed

*Chick'n Chat***CAGE TOURNEY OPENS**

By ARLENE McGEE

Thirteen teams have entered W.A.A.'s basketball tourneys, which got underway a week ago Monday. Competing in the open tourney are four teams: The Thing, Freshman Blue Chicks, the Drillers, and the Clowns. Fighting for their dorms are teams from Hanover, Mosher, Boletus, Warner and Sussex, as well as the Turvey Termites, the Topsites, Catt's Kittens and the Basketsweepers from New Castle.

To date, the Drillers, a group of freshmen and sophomores from around Newark, are leading the open tournament, having defeated the Blue Chicks 24-16, the Clowns 37-29, and The Thing 31-17. In the dorm standings, Sussex has played one and won one,

tripping Hanover 27-19. Mosher has won two: 41-31 over Turvey and 37-32 over the Topsites. Catt's Kittens from New Castle overcame Hanover 49-33, while New Castle's other team, the Basketsweepers, defeated Topsey in a close 35-32 and Turvey 49-35.

**Table Tennis Winger**  
New table tennis champ for the year is senior Barbara Bowers. Pat Gerstenberg, a freshman, finished in second place.

**Badminton**

Nancy Newton, newly appointed badminton manager, has announced that the badminton elimination tournament will begin immediately. Sign up slips for both singles and doubles will be placed on the W.A.A. bulletin board beginning Friday, March 2nd.

**Lacrosse Season Set to Open Mar. 5**

The first official roll call for this lacrosse season will be at 4 p.m., Monday, Mar. 5. Equipment will be issued on Tuesday at 4 p.m. at the wrestling loft. Freshmen are invited to attend.

Coach Milton Roberts is confident of success this year. The team has held practice sessions with such top teams as Swarthmore and Princeton and in each has carried itself well. According to Coach Roberts, co-captains Haight West and Don Swan turned in performances that matched those of the stars of any of these teams.

Another practice meet will be played on Saturday against the newly-formed star-studded Philadelphia Lacrosse Club.

All candidates who have any piece of equipment should turn it in at the Monday meeting in the wrestler's loft.

**League Leading Blue Hens Trounce Quakers Sat. Night****Draft Takes Few 2nd Term Students**

Mr. Bohning has announced that the present draft situation and the calling of reserves has had practically no effect on the registration for the second semester. Apparently students are following President Perkins' suggestion to work hard as long as they have the opportunity to further their education.

There are approximately 1800 undergraduates enrolled for this term, including those intending to complete their registration very soon.

Mr. Bohning has predicted that approximately 1100 students are expected to return next September. This will bring the total enrollment for September 1951 to 1400, since Mr. Bush estimates there will be between three and four hundred freshmen registering then.

An important announcement has been released from Dean Squire's office regarding re-admission requests. Many students are dropped from the University at the end of the first semester and request for re-admission. Very few of these students are being readmitted since it is felt that the students should be serious about studying or make an effort to the national effort. Again President Perkins' advice to make the most of this educational opportunity should be heeded.

The conference leading Delaware Blue Hens had little difficulty in trouncing Haverford College 77-48 last Saturday night on the Carpenter Field House court. It was Delaware's 12th win of the season and their fifth victory in seven starts of conference play.

With unpleasant memories of the previous Haverford contest, Coach Fred B. Emmerson gave Dick Goldberg the task of guarding Sol Follin, the conference scoring leader who started the game with an average of 25 points per game. Goldberg carried out his assignment well, since Follin finished the evening with only 10 points to his credit.

Early in the first quarter, the Hens piled up a 13-1 lead and it soon became apparent that they were in for an easy night of basketball play. The count at the quarter was 25-11 and by half time the Blue Hens were sporting a very comfortable 45-24 lead. After the intermission, the Hens were hotter than ever and stretched their lead until the scoreboard showed 54-37 at the close of the third quarter. With Billy Utt and Johnny DeGasperis showing the crowd some dazzling play on the fast break, the Hens continued to pull away until the final whistle.

Captain Frank Albera led the Delaware scoring attack with 10 field goals and two foul shots for a total of 22 points. Billy Utt and Jim Kruziniski each contributed 16 points to the cause.

Haverford's top point maker of the evening was Sam Colman with 16 points.

With only three games remaining, Delaware has a good chance to win the conference. However, all three contests are with conference opponents. They are Drexel, Ursinus, and Swarthmore, in that order. Every one promises to be a hard fought contest. If the Blue Hens win at least two of these games, they will be assured of a tie. Swarthmore now has a similar 5-2 record in conference play. That final contest of the season with Swarthmore will take place on next Wednesday, March 7 in the Carpenter Field House.

**'Neath the Arches**

(Continued from Page 4)

Art Butler with Katie Fretz. At the same time there was a little shindig at Damn Tight Drawers House. Caught in the act of "digging shins" were: Sunny Hardesty and Mary Ellen Bull, Tom O'Donnell and "Fresh" Lamb, Walt Keithly and A. J. Brandon, Lois Deiss and Fred Davidhouser, and "Numbie" Masten with Ann Beckner. Over at the Pennsy Bar and Grille Jim Maxwell and his friends took over the place. Some of his friends were: Joanne McCain, Bob Hirt and Kook, Courtney Cummings and Jane Day, Bob Moore and Dianne Lease, and Pat Diodato with Renee. After the intermission a few couples found their way back to the Field House. Some of the imported talent in evidence were: Bill Ward, a Sigma Chi from Penn with Carrie Williams and Sue Ferver and her date who was also from Penn.

Some of the recent pinnings are Ray Wright and Nancy Waples and Hank Aldridge and Nancy Mustard. Congratulations to all of you.

On Saturday evening, in Wilmington, a group of Pikes journeyed up to give Mr. and Mrs. Burt Williams a rousing sendoff . . . he is leaving for Chicago to work for Du Pont. Included in this group of well-wishers were: Don Shannon and Co., Frankie Lane and Maggie Brown, and Don Hoffecker and Elaine.

The same evening, at Theta Chi, the pledges threw a house party for the Brothers. Some of the pledges and their dates were: Jerry Kehoe and Pamela, Ed Parker and "Jev", "Little Rock" Carzo and Yvonne West, and Tom Fannon with Janet Ballaro.

Finally at Ye Olde Frenchtown many undergraduates were present and accounted for. The big scene of action was in the front room. For instance, Betty Skeats was with Dave Allen, George Nagy was with Gracie Schulze, Al Graves was with Nancy Brooks, and Hotspur MacFarland was "chaperoning" Jane Good. In the back room were seen: Art Mayer, Bob Wilcox, Bill Nicoll and Co. And last but not least Dick Hughes and Marilyn "body and soul" Johnson.

**Freshmen Quintet Downs Haverford**

The Delaware Freshman downed the Haverford basketeers Saturday night in Carpenter Field House by a convincing 95-41.

"Skip" Crawford passed the Blue Hen Chicks to the victory with eleven field goals and one free throw for 23 points. White and Lamkin had 18 and 19 points respectively.

The Hens were never threatened and once having the lead, never lost it. The score at the end of the first quarter was 24-2 and the rest of the game followed closely this lopsided pattern. At the end of the half, the Chicks had a commanding 45-11 lead.

The Hen defense was tight and gave the Haverford courtmen a rough time in working the ball in. On the other hand, the Haverford defense posed no serious problem to the Chicks for they were hitting from every place on the floor.

The next Freshman contest is scheduled with Drexel at Philadelphia. The last game of the season is with Ursinus, March 3, at home. The Drexel quintet may give the Chicks some trouble in their last away game, although the Delaware Frosh defeated them in a hard fought contest, 71-66, earlier this season.

"How eager  
can they get?"

For once in his life, our fervent friend admits that

eagerness can be over-done! He's alluding, of course, to all

these quick-trick cigarette tests—the ones that ask you to decide on cigarette mildness after just one puff, one sniff, one inhale or one exhale! When the

chips are down, he realizes cigarette mildness can't

be judged in a hurry. That's why he made . . .

*The sensible test . . . the 30-Day Camel Mildness Test*

which asks you to try Camels as your steady smoke—

on a pack after pack, day after day basis. No snap judgments needed. After you've enjoyed Camels—and only

Camels—for 30 days in your "T-Zone" (T for Throat,

T for Taste), we believe you'll know why . . .

**More People Smoke Camels  
than any other cigarette!**
