Scouts Plan "Good Turn Day" Aid For Goodwill Industries

Donations Of Clothing, Toys, Household Items To Be
Collected Saturday By 1,000 Cub, Boy Scouts To Aid
Handicapped Persons Employed By Goodwill Industries

Good Turn Day for Goodwill Industries will be conducted
Saturday in Northern Delaware by some 1,000 Del-Mar-
Council Boy Scouts who have delivered special Goodwill
bags to their families, friends and neighbors. This Saturday,
the Scouts will collect these bags and take them to pick-up
points at the Aetna Hook and Ladder Company Fire House
in Newark; the Christiana and the Mill Creek Fire Houses.

Members age 14 and up, will help
with the collection centers.
Ward I. Miller, superintendent
of Wilmington Schools, and general
manager of Good Turn Day, re-
quested that the most outstanding job
of participation by any Scout units
in the county is being done by Cub
and Scout Troop 75 sponsored
by the Christiana Methodist Church.
While these two units together
have but 45 boys, they have dis-
tributed 800 Good Turn Day bags
throughout Christiana, Birchwood,
Tanglewood and New Garden.

Special Truck
Mr. Miller stated that with their
participation, it has been necessary
to station a special truck at the
Christiana Fire House to receive
bags on Saturday. The truck
will be stationed there through-
out the day. The Delaware Motor
Association, which is pro-
viding 15 trucks throughout the
county.

The Christiana Methodist Church,
Pastor A. B. Gordon, sponsors
three units. Ralph Hawthorne,
district representative, is co-
ordinating activities of the three
units with the church.

Repeats Requests
These repeated requests for fur-
ther supplies came to the attention
of the operations director at Good-
will. Upon talking with Scoutmaster
Laughlin, he found that the pack-
age and post were hoping to ob-
tain more members because of their
activity. As Mr. McLaughlin pointed
out, "people notice you when you
do something."

The Cub pack meets on the fourth
of each month. The Scout pack
meets each Monday night, and the
troop meets on the first and third
Mondays—all at 7:30 p.m. in the
Christiana Methodist Church.

"Solid Response"
Mr. Miller was warm in his praise
of the Cub, Scout and Explorer
Pack Troop and Post 75 and said
they typify the splendid
response by Scouts and Scouters
throughout all of Northern Dela-
ware.

He pointed out that the clothing,
toys, electrical appliances and
other household items collected
through this drive will provide con-
tinuous training and employment for
more than 50 handicapped workers
of Goodwill Industries.

Mr. Miller said that without Good-
will, these workers would have no
chance to be employed, but would
be dependent upon their families
or public welfare.

People who contribute usable or
repairable items to Goodwill will
provide employment for the
handicapped.

Repaid and refinished goods are
sold in Goodwill Industries' three
stores located in Wilmington and
Newark.

Teachers Saluted
With Newark High
Assembly Program

A Salute to Teachers, emphasizing
the purpose of American Edu-
cation Week, was the topic of the
11 assembly sponsored by the
Newark High School, with Sally
Whitcomb, club president, master of
ceremonies.

Speakers on the program included
Gallagher of the faculty;
Gladys Durbin, a senior
studying in education at the Uni-
versity of Delaware.

Plans for a dormitory to house 500
undergraduates are nearing com-
pletion, it was disclosed today by
John E. Hocutt, dean of students
at the University of Delaware.

The new structure, expected to be
completed by September, 1961, at a
cost of \$2,500,000 on the east
campus near the Student Center,
will consist of five dormitory units,
each three stories high and cap-
able of housing 100 students. Con-
nected by corridor, a one-story cor-
ridor will contain a dining area;
apartments for dormitory directors;
lounge and recreation facilities.

Plans and specifications are ex-
pected to be completed in time for
bidding in mid-January, with con-
struction to begin in the spring.
Built in the form of offset rec-
tangles, they provide three possible
furniture arrangements for study
tables, beds and dressers. A special
mock-up of a proposed double room
has been constructed in the base-
ment of the Student Center where
visitors are invited to inspect it
and fill out check sheets indicating
their opinions on closet space, de-

Road Construction
At Gallaher School
Postpones Opening

The Newark Board of Education
reported last week that the Robert
S. Gallaher Elementary School near
Tanglewood is essentially complete,
but opening will be delayed pending
road completion.

Due to weather conditions, the
curbing is only partially complete,
delaying construction of the road-
way as authorized by the develop-
er.

Should poor weather conditions
persist in delaying construction of
the permanent road, the board de-
cided to take whatever temporary
action may be necessary in order
that the school might be opened.

The school board confirmed the
appointment of Mrs. Anne Deleal
as a first grade teacher in the Jen-
nie E. Smith school, replacing Mrs.
Luella Shepherd, who resigned Nov.
14, and appointed Dr. William A.
Coolidge to assist Dr. Samuel Wright
in the school medical program.

Completion Of New Facilities Scheduled For May 1st

Officials of Pomeroy Realty Company, owners of the
Newark Shopping Center, announced today that a 32-lane
bowling alley will be built at the center, with construction
expected to be completed by May 1, 1960.

The new bowling alley will be operated by the American
International Bowling Corporation, which operates nine other
alleys and has an additional 12 alleys under construction
along the East Coast.

The addition to the Newark Shop-
ping Center has been designed by
J. Eldridge Moxley & Son, archi-
tects who designed the original
center facilities.

The exterior of the bowling alley
will be harmonious with the other
center facilities.

Acommodations
The new alley with 26,000 sq. ft. of
floor area will include nursery fa-
cilities, a lounge with accommo-
dations for bowlers and spectators;
automatic pinsetters, Tele-score
equipment, and underground ball
returns.

It will be completely air condi-
tioned for year-around comfort.
Additional parking spaces will be
provided with the addition of the
32-lane alley.

Construction of the bowling alley
represents the first addition to the
Newark Shopping Center since
March 16, 1956, when a branch of
the Newark Post Office was opened
there.

The main section of the center
was dedicated on July 20, 1955, be-
fore a crowd of 10,000 persons.

Lloyd R. Leslie, then president
of the Delaware State Chamber of
Commerce, and Dr. Wallace M.
Johnson, mayor of Newark, deliv-
ered principal addresses at the ded-
ication.

At present the Newark Shopping
Center includes 17 stores, one bank
and the post office.

Dr. S. J. Venable To Speak Sunday On Korean Travel
Dr. Sydney J. Venable, General Presbyterian of New Castle, will be the guest speaker at monthly Family Night service at the First Presbyterian Church in Newark next Sunday at 6:45 p.m. following a sandwich supper served by the Women's Organization at 6 o'clock.

Dr. Venable returned recently from a 25,000-mile trip to the Far East during which he visited Korea and Japan, taking colored pictures which he will use to illustrate his talk on Korea.

"These wonderful people shame us by their unswerving devotion to Christianity, trying as they do to relieve the practice of the early Christian church, getting up at 5 in the morning to go to prayer meeting before starting the day's work at 7, besides attending Sunday evening church services and giving a tenth of their meager earnings—averaging 75 cents a day—to the church," A. B. Eastman reports.

An opportunity will be given for questions after the meeting, and everyone is invited to attend.

Classes Announced For Smyth Center Winter's Program

Two courses for adults will be offered for six weeks beginning Feb. 24, with Home Nursing and a Gift Workshop.

Regular weekly Wednesday and Thursday luncheon programs will be continued during the winter term.

FIRST-RATE CITIZEN

Founded in a Boston slum area at the turn of the century, Goodwill Industries utilizes discarded clothing and household articles in its program of rehabilitating handicapped people. The handicapped are given an opportunity to learn, while earning, then to move into normal industry or commerce whenever possible. Since its inception in 1902, Goodwill Industries has expanded, until today there are 121 Goodwill units in cities throughout the U.S. It is also operating in Canada, Australia, Mexico, Peru, Uruguay and Pakistan. More than 32,000 persons were helped by Goodwill in 1958. They were provided vocational training, employment and rehabilitation services. Twenty-one million dollars in wages and salaries was paid, of which \$16,500,000 was to persons receiving training and sheltered workshop employment. About 20 million hours of employment were given these workers.

More than five million homes in thousands of communities contributed no longer needed but repairable articles of clothing and household goods. Millions of other homes benefited by being able to buy remade articles at low budget prices.

Goodwill employees, who might require public assistance if not employed, paid some \$1,800,000 in income taxes, state and federal, and social security payments in 1958.

In its own field Goodwill Industries keeps alive the spirit of self-respect and independence which has always been this country's most important product. It deserves a vote of confidence from every American.

Delaware Food Market Report

By Anne Holberton
U. of D. Agricultural Extension Service

Thanksgiving is just next week, so plan now for that special holiday meal. This year's crop of 82 million turkeys is 5 per cent larger than last year, and 18 per cent more turkeys were in cold storage the first of October.

Prices on small and medium size frozen turkeys dropped a little this week while the larger birds in-

creased in price. Beltsville frozen turkeys are averaging 52 cents a pound for large birds and 50 cents a pound for small ones (8 to 14 lbs.)

This weekend, look for specials on turkeys, particularly the frozen ones. These specials will bring prices down to an average of 42

cents a pound. Onions are one of the best buys, with quality excellent, prices low. Turnips and rutabagas are plentiful and are low in price.

White as well as sweet potatoes are still economical.

Cauliflower, broccoli, and Brussels sprouts are increasing in supply and prices are lower.

While good supplies of iceberg lettuce are available, quality and prices are variable and selections should be made carefully.

Florida citrus fruits continue to

improve in quality and price.

Bright persimmons are on hand at 40 cents a pound.

Pomegranates are available to lend their orange-red beauty to fruit bowls at 25 cents each.

Tangelos are also found on some fruit counters this weekend, selling for an average of 79 cents a dozen.

More tangerines are available this weekend with prices a bit lower.

Red Bartlett pears supply another touch of scarlet. These are selling at the same prices as other winter pears, a steady 19 cents a pound.

Tidewater Oil Company Reports Net Income Gain

Consolidated net income of Tidewater Oil Company for the first nine months of 1959 was \$27,832,000, compared with a loss of \$328,000 for the like period of 1958.

Net income of \$25,867,000, or \$1.85 per share, was reported by Tidewater for the nine months after providing for preferred dividends. This compares with a loss of 19 cents per share for the same period of 1958.

Anti-TB Society Awards For Undergraduate Work To Aid Nursing Shortage

Twelve University of Delaware students have been awarded scholarships for undergraduate work in the field of nursing leading to the bachelor of science degree, it was announced today by John E. Hocutt, dean of students at the university, and Dr. Gerald A. Bently, president of the Delaware Anti-Tuberculosis Society.

Awards for nursing students, supported by the society, have been made each year since 1955. "The annual Christmas Seal sale by the Delaware Anti-Tuberculosis Society supports many activities which benefit every Delawarean," Dean Hocutt said. "As one of its numerous projects, the society provides scholarships for qualified students enrolled in the University of Delaware nursing program, to alleviate the nursing shortage in Delaware. I earnestly urge every citizen to make a generous purchase of 1959 Anti-Tuberculosis Seals."

Dean Hocutt noted that since the initiation of the society's scholarship program, grants have been made to 35 students in amounts totaling more than \$20,000.

Recipients of this year's scholarships are: Maureen Denney, Margaret MacInnes, Sally Pyle, Arlene Shockley, Phyllis Stanley, Eleanor Tornroth and Priscilla Wightman, all from Wilmington; Lois Herold, Trappe, Md.; Mary Huston, North-east, Md.; Lillie Mast, Hartly, Del.; Eileen Todd, Chester, Pa.; and Barbara Tomlin, Claymont.

Originally limited to residents of Delaware, the scholarship program of the Delaware Anti-Tuberculosis Society has been expanded since its inception in 1955 to include students from adjacent states in Maryland, Pennsylvania and New Jersey.

The University of Delaware offers a four-year program in nursing leading to the bachelor of science degree. The program requires three years of academic work at the university, two intervening summers at the Delaware Hospital and a final 15 months of professional training and experience at the hospital.

Applications for admission should be made in duplicate to Dr. William G. Fletcher, University of Delaware, and to Mrs. Alberta M. Trunk, director of nurses and principal of the Delaware Hospital School of Nursing, Wilmington.

Marshall Saunders Scores 2 Touchdowns As Yellowjackets Beat De la Warr 46-13

Halfback Marshall Saunders scored the Yellowjackets' first two touchdowns at home last Saturday afternoon, and his teammates Bob Burton, Carl Rice, Maynard Conkey, Charlie Word, and Bob Bell took it from there with a touchdown apiece as Coach Bob Hoffman's once-edged Blue Hen Conference champions walloped the De la Warr visitors, 46-13.

Art Carney kicked four extra points in the course of the afternoon.

Newark meets Conrad next Thursday in the traditional Turkey Day clash to close the 1959 football season in Woodcrest, with kick-off scheduled for 10:30 a.m.

Hoffman's tentative starting lineup for the Conrad contest has Bert Loftman and Merle Taylor at ends; Ron Wilson and Don Frank, tackles; Co-Capt. Monty Jackson and Bill Maull, guards; Alan Beldyk, center; Co-Capt. Carl Rice at quarterback; Marshall Saunders and Maynard Conkey, halfbacks; and Bob Burton at fullback.

Last Saturday, De la Warr recovered Newark's fumble of the kick-off and Dan Lloyd scored after a drive to the Yellowjacket 12. Bob Carley kicked the extra point, and the visitors were enjoying a 7-0 lead within the first few minutes. But the Yellowjackets came pounding back, with Saunders scoring after a drive to the De la Warr 15 and in the second quarter, it was Marshall Saunders again, from 15 yards out.

Burton racked up the third Newark touchdown with a short, scoring plunge, and Carl Rice came through with the fourth in the second period. De la Warr's Bob Berish broke away for 60 yards, and at the half, the Yellowjackets led, 27-13.

Newark shut the score door on their guests during the second half, and Coach Bob Hoffman called his entire bench into the fray.

Maynard Conkey capped a scoring drive with a touchdown burst in the third quarter, and Halfback Charlie Word ran for a spectacular 40-yard score on an end sweep in the same quarter.

Halfback Bob Bell gathered in Lloyd Wells' pass in the final quarter for the Yellowjackets' last touchdown.

Ed Thompson Wins Sports Illustrated All-America Bid

Edwin W. Thompson, quarterback and Delaware football captain in 1958, has been nominated as a candidate for the 1959 Sports Illustrated Silver Anniversary All-America squad.

A graduate in the Class of 1958, Big Ed Thompson forfeited an opportunity to play for Delaware in his senior year, signing a two-year contract with the Philadelphia Eagles.

Sports Illustrated Silver Anniversary All-America awards are based on distinguished living during the 25 years since college football, with the idea that athletics and education are joined in "the pursuit of rounded human values."

Thompson is trust officer of the First and Merchants National Bank, Richmond, Va.

War II, he served as a full colonel in the Korean War.

Married to the former Leslie Harrison Ritter, he has a daughter, Leslie, a high school sophomore.

Tagnon Appointed As Superintendent Of Newark Course

"Gus" Tagnon

The official appointment of Gaston (Gus) Joseph Tagnon as golf course superintendent for the Newark Country Club has been announced.

Employed Sept. 15, 1958, on a trial basis in Newark, Gus Tagnon has worked with Joe the Pro Aneda in maintaining the 18-hole golf course, and for the past year, the greens and fairways—yes, the rough, the traps, and the water hazards, too—have been maintained in condition above real reproach.

Even the flock of mallards on the 18th fairway has prospered—with a strong assist from J. Harvey Dickey and Mickey Palumbo.

A native of Cheltenham, Pa., Gus practically grew up on a golf course in close association with his father, Joseph Tagnon, superintendent of the Ashbourne Country Club golf course near Cheltenham.

Educated in the Cheltenham public schools, Gus Tagnon served with the U. S. Army from Africa to Austria from 1942 to 1945, and upon his return to civilian life, was employed as golf course superintendent at Meadowlands Country Club, Blue Bell, Pa., and at Iron Rock Country Club, Merchantville, N. J.

In his new position as golf course superintendent for the Newark Country Club, Gaston Joseph Tagnon—just "Gus" to his many friends in Newark—will be responsible for general maintenance of the 18-hole links north of Nottingham Road.

With his wife and 13-year-old daughter, Gus Tagnon resides at 199 Madison Drive in Newark.

other pit, and we saw one goose pinwheel out of the sky, followed by the rolling echoes of shotgun thunder.

Ducks were buzzing up and down the river, and a great bald eagle swept upstream with powerful strokes of unbelievable wings. And all the while, geese poured across the sky.

At Last! Five big honkers headed our way, and finally we had geese coming in response to our calls, with wings set. Down, down, down they came—still out of range when they passed over us—wheeled and came back, dropping lower and lower.

Safeties were slipped and trigger fingers were ready—when the geese swerved and sailed across the field into the guns of Messrs. Taggart and Townsend.

Two collapsed—again we saw the big birds hit the ground before we heard the shots—and that ended the shooting for the day—but not the hunting.

Jack Turner Sets Ground-Gaining Mark As Bowling Green Beats Delaware, 30-8

Bowling Green bowled over Delaware and halted Hen hope for an undefeated season and the national small college football championship as the unbeaten Falcons stopped the Fighting Blue Hens last Saturday in the mud of University Stadium in Ohio, 30-8.

However, Halfback Jack Turner set an all-time Delaware individual ground-gaining record of 1,739 yards, bettering Mariano Stallion's four-year mark of 1,719 by running for 82 yards against Bowling Green.

Delaware received the kick-off on its 20 but on the third play from scrimmage, Tony Suravitch fumbled at the 29 and the Falcons recovered. Bowling Green lost two first downs at the 20, and Delaware began to roll behind Turner and John Bowman, piling up two first downs.

But Bowman fumbled a hand-off at the 39 and the Falcons were on the move, picking up two first downs, to the Hen 11-yard line.

Delaware Captain Mark Hurn pounced on a Falcon fumble at the 19, and Gampy Pellegrini had to punt on fourth down.

After an exchange of punts in the second quarter, Delaware drove for its only touchdown, capped by a 49-yard pass play from Pellegrini to Suravitch. A conversion run by Turner failed, and Delaware was very much in the ball game with the Falcons holding a slim 7-6 edge.

The Falcons' Chuck Comer ruined the Hens as he took the kickoff on his own 10, and while the Hen defense was being sucked to one side of the field, ran down the sidelines for 90 yards and Bowling Green's second score.

Jack Harbaugh intercepted his first of three Delaware passes, this one from Bowman intended for Dave Beinner, at the Hen 45 to set up the Falcons' third score.

Colburn hit Casey on a pass to the 13 and two plays later Casey jumped the line from one-foot out for the touchdown.

After a deadlocked third quarter, Harbaugh intercepted a Pellegrini-throw pass at the Delaware 46 to set up the final scoring drive of the day. Reserve Fullback Roger Klicman raced the final 23 yards up the middle for the touchdown.

Bowling Green made successful all four conversion attempts, the first two on placements by Guard Chuck Ramsey, the final two on Colburn passes.

The Falcons contributed a safety to the Blue Hen cause in the final minutes when Colburn recovered his own punt, blocked by Karl Frantz in the end zone.

Chicks End Season With Temple Loss For Record Of 2-3

Coach "Scotty" Duncan's Delaware freshmen concluded a 2-3 football season last Thursday in Delaware Stadium with a 30-6 trouncing at the hands of a powerful Temple freshman squad.

Delaware's Blue Chicks, however, had been busy preparing the Fighting Blue Hens for varsity opposition, while it is reported that the Baby Owls spent two weeks in grooming for the Duncan frosh.

Delaware's Tommy Michaels scored the Chicks' lone touchdown with a three-yard plunge.

Bankers Receive League Championship Trophies; Joe Brothers, Bat Title

Bob Bowman, outfielder and pitcher for the National League Phillies, was the principal speaker and presented trophies at the second annual Babe Ruth League banquet attended by 168 last Thursday night at the Newark Country Club.

Joe Brothers won the batting championship trophy for his .4875 average with the Curtis Paper Company team, and the Bank of Delaware squad won the league championship trophy which was presented jointly to Capt. Russell Reed and to Dave McMillan, representing the sponsor.

Young Russ Reed then presented individual trophies to each member of his championship team.

Merritt "Doc" Burke, past-president of the Babe Ruth League, and toastmaster for the evening, was presented with a gift, and certificates were awarded all players, managers, coaches, and sponsors.

Certificates were presented to Ed Wilson, Joe Horgan, Lloyd Hudson, and S. Kennedy Fell for "their special work for the success of the league."

Babe Ridings, state director of the Babe Ruth League program, reported that there are 7,600 teams in the United States, Mexico and Canada, and that an additional 250 teams are expected to be organized in 1960.

St. Andrew, Our Redeemer Win In Volleyball League

In the NRA Church Volleyball League last Monday night at the Brookside School, St. Andrew's defeated the Independents, 15-11, with the lead changing seven times.

The score was 10-11 when the winners pulled away in some fine play by Capt. Bill Stoebe, George Creighton, Harry Davidson and Bruce Warren.

Nick Williams, Warren Anderson, Jack McFann and Gene Zabrowski played stellar roles.

The winners went on to take the second game, 15-10.

Our Redeemer defeated Newark Methodist, of 15-7, 15-13 and 15-10, paced by Capt. John Munson, with the teamwork of Sandy Wingard, Fred Arimoto, Lee Beyersdorff and Art Jarvela.

Newark Methodist was paced by Bill Fritchett, Bruce Partridge, Don Hardy and Bob Gebhardtbauer.

MAC University Division Champions Face Bisons At Bucknell In Saturday's Final

Delaware's Fighting Blue Hen football team is favored to wrap up the season with an undefeated Middle Atlantic Conference university division record when the Bucknell Bisons host the Hens at Lewisburg, Pa., this Saturday at 1:30 p.m.

Delaware wrapped up the conference crown by trouncing Temple two weeks ago, 62-0.

"Not Out-Classed" By Bowling Green Duncan Tells Club

"We were not out-classed, we just didn't make the big play when we needed it," Coach Raymond "Scotty" Duncan said of the Delaware-Bowling Green game in addressing the Newark Touchdown Club luncheon meeting at the Newark Country Club last Monday.

"They didn't stop our offense—we did, with fumbles," Duncan declared.

The commentary on Saturday's setback at Bowling Green was an unscheduled but on-the-spot request of the club in preface to the planned showing of the Delaware-Rutgers game movies.

As a bit of solace for the Delaware fans, Gladys Johnson served surprise steaks for the luncheon. And with the movie and Mickey Hen's early interception of a Rutgers pass for the Hens' first touchdown in the rout of Rutgers, a somewhat gloomy Monday mood was dispelled for members of the Newark Touchdown Club.

Bayard Perry presided, and LeRoy Hill was program chairman.
